ground last week and e check to see if we had e Year's baby. Sure en- e we did. Mr. and Mrs. e (Continued on Last Page)

Lions Place Two Players On All State AA Teams

The Ozona Lions led District 5-AA in placing players on the 1968 Texas Sports Writers Association All-State Class AA football team. Marlin Farris, 215-pound Lion center, made the first team offense at the center slot. Fleet Coates was named to a running back position on the second team offense.

The only other selection in Class 5-AA was Crane's Tommy Jones, who was named on the first team offense.

Jim McKee of Denver City was the only other West Texan to make one of the teams. He made linebacker on second team defense.

Marlin Farris
All-State first team
Offensive Center

Fleet Coates
All-State Second Team

Flu Incidence No More Than Usual, Doctor Declares

A check with county health officer Dr. Lloyd Sherrill this week reveals that there were no more flu and flu-like infections in the local area than usual for this time of the year.

The new strain of flu, commonly known as Hong Kong, has yet to make its appearance here, and there is very little of it in Texas at the present time.

However, Dr. Sherrill said he expected an increase in cases of flu during the next few weeks. He also said the new strain of flu was no worse than any other flu.

Complications, as a result of the flu, in the old and very young is the real danger and vaccine for the new strain of flu is being reserved for these and the chronically ill.

Area Strikes Decline

Crockett Second In Number Oil And Gas Discoveries In 1968

West Texas oil and gas discoveries declined in 1968 over the previous year, the fewest last year of any year since 1952, according to a report prepared by Royce Yandrews and Fisher shared sixth place, each with nine oil discoveries.

Among Crockett's 16 new pay openers were five in the Tippet, West Tippet and North Tippet multipay areas in the northwest part of the county.

Gulf Oil Co. — U. S. triply completed as a lower Clear Fork gas and 5,050-foot Wolfcamp oil discovery its No. 7-E J H Tippet, section 36, block 31, H&TC survey, a previously completed lower Leonard oil producer in the West Tippet pool.

It rated a calculated, absolute, open flow of 1.48 million cubic feet of gas daily from the lower Clear Fork at 4,502 to 4,504 feet and flowed 160.8 barrels of 39.6 gravity oil daily, natural from the 5,050-foot Wolfcamp at 5,106 to 5,247 feet.

Chambers & Kennedy, Midland, dually completed as a 5,500-foot lower Wolfcamp oil discovery and lower Leonard oil producer in the West Tippet pool the No. 1-B Amacker, section 35, block 31, H&TC survey. It flowed 246 barrels of 42.2 gravity oil daily from the discovery pay at 5,478 to 5,487 feet.

(Continued on Last Page)

Ozona High School girls began calling this week to find places for out-of-town players who will be staying overnight during the tournament next weekend. They will be calling families who have hosted players in past years.

Anyone wishing to keep players this year may call the high school office.

3 Ozona Band Members Place On All-Region

On January 4, 1969 four members of the Ozona Lion Band traveled to Brownwood to take part in the Region VII All-Region Band tryouts. This is the second of three steps needed to reach the All-State Band which will have its meeting in San Antonio in February.

A student must compete with students from all of the high schools in the Region. This year 403 students were entered from the 40 schools in Region VII. They were trying out for a place in the 104 member band and also the right to advance to the area tryout in Irving, Jan. 18.

Representing the Lion Band were Mary Jane Martinez, Mary Francis Martinez, Silvia Vitela, and Melissa Zapata. Three of the four were able to make the band with one advancing to the Area tryouts.

Mary Jane Martinez was ninth chair B flat Clarinet and first chair E flat Clarinet, qualifying her on both instruments for the Area Tryouts. She then chose the E flat Clarinet because a student can tryout on only one instrument at the Area level. Melissa Zapata was fourteenth chair B flat Clarinet and Silvia Vitela was sixth chair Cornet. Silvia was in a three way tie for fifth chair and the right to advance to Area but she lost out on the extra round of tryouts and came in sixth.

The Region Band rehearsed Saturday afternoon and presented a concert that night under the direction of James T. Matthews, Director of Bands, University of Houston.

ASC Drama Group Presents Musical Play For Students

The San Angelo State College production of "Riddi-gore" or "The Witch's Curse," an adapted version for children of the Gilbert and Sullivan operetta, will be shown to Ozona school children tomorrow in the high school auditorium.

The musical play will be presented for high school and junior high students at 10 a. m. and for North and South Elementary students at 1:30 p. m. The production, under the direction of Terry Rodefer, ASC drama instructor, is being sponsored here by the Ozona Woman's League with Mrs. Bob Bissett in charge of arrangements.

Twenty-five Angelo State students are featured in the cast of the play, which closed a three-day run in San Angelo December 19.

Gilbert and Sullivan wrote the musical to satirize the melodramas of their day, which they found equally ridiculous and improbable. The characters are memorable and zany, and the fun of the show is that they apparently take themselves seriously, which makes them ludicrous to the audience.

The two performances here in Ozona will be for school children only and there will be no admission charge.

6 NEW ROTARIANS

The Ozona Rotary Club welcomed six new members at its regular meeting Tuesday.

Selected for membership were Jim Hancock, Lynn Younger, Buck Dorsey, Louis Moeller, Dempster Jones and Hanson Clark.

12 Teams To Compete In Ozona's 38th Annual Basketball Tourney

Crockett Gets New Wildcat; Dual Completion

Byron Williams, Ozona will drill a 7,000-foot Canyon sand wildcat in Crockett County as No. 1 James Childress, 1,320 feet from south and west lines of section 8, block XX, GC&SF survey, 20 miles southwest of Ozona and three miles southeast of the nearest Canyon sand gas producer in the Ozona area.

Dual completion as a half-mile north extension to McKee sand and Ellenburger oil production in the North Tippet multipay pool of northwestern Crockett was effected at Adobe Oil Co., Midland, No. 1 Tippet, section 18, block 36, H&TC survey, six miles southeast of McCamey.

It pumped 124 barrels of 42.8 gravity oil daily from the McKee through perforations at 5,815 to 5,825 feet and flowed 88 barrels of 43.1 gravity oil daily from the Ellenburger through 20-64-inch choke and perforations at 6,476 to 6,536 feet, after injection of 2,000 gallons of acid and 10,000 gallons of fracture, fluid. Gas-oil ratio was 1,102-1.

B. W. Wiseman, Jr., Midland, was flowing back load after injection of 1,500 gallons of mud acid and 46,000 gallons of fracture at 4,419 to 4,638 feet in No. 1-117 J. M. Baggett, section 117, block 0, GH&SA survey, a southeastern Crockett wildcat 25 miles southeast of Ozona and 3 1/2 miles southeast of a recent 15-mile southeast extension to the Ozona Canyon sand gas area.

Tuesday Election For Three Water Board Directors

Three directors who terms expire this year will be on the ballot again Tuesday, January 14, for the annual director's election. Filing deadline was January 8, and there were no other candidates for the positions.

Directors whose terms expire and Board President Sherman Taylor, W. E. Friend, Jr., and Gene Williams. Holdover directors are Lowell Littleton and James Baggett.

All eligible voters in the district may vote at the county courthouse, the only voting place. Tom Harris, Jr., will be election judge with Mrs. J. W. Howell clerk.

Appoint Members County Historical Survey Committee

Judge Bernice Bailey Jones re-appointed all members of the Crockett County Historical Survey Committee this week and appointed Jim Marks, president of the Chamber of Commerce, and Henry Meadows, of Midland to serve their first two-year terms on the committee. All members were re-appointed for two-year terms.

The committee is presently made up of Mrs. R. A. Harrell, chairman, R. A. Harrell, Mr. and Mrs. Eugene Miller, Mrs. Joe Clayton, Mr. and Mrs. Ira Carson, Miss Leta Powell, Mrs. Bascomb Cox, Ewart White, Mrs. Fred Hagelstein, Joe Couch, E. E. H. Chandler, Mrs. W. E. Friend, and Mrs. Mahlon Robertson.

Ozona's 38th Annual Invitational Basketball Tournament will get underway next Thursday, Jan. 16, at 2 p. m., with twelve schools participating. The 12 teams include the Ozona Lions and the Ozona junior varsity. The same schedule will be followed as in the past, with

Lion Cagers To Open Dist. Play At McCamey Fri.

The Ozona Lions will travel to McCamey Friday night for their first district game, while the Lion B will participate in the McCamey B team tournament beginning today. The Lion B will play Crane at 2:30 in their first game of the tournament. The A, B and Freshman teams will be in Big Lake Tuesday night for a triple header.

Both boys' teams and the Lionettes won in Sonora Tuesday night.

The Lion B trounced the Bronco B 64-30 and remained unbeaten for the season. Will Collett was high point man with 19, followed by Greg Stuart with 15 and Jim Montgomery with 11.

The Lionettes took an easy win from the Sonora girls, beating them 51-24.

In the last game of the night the Lions, who were favored, squeaked by the Broncos by a score of 58-57. A free throw by Rodney Pagan with 5 seconds left in the game got the victory for Ozona. Marlin Farris was high-point man with 18, followed by Beto Vargas and Don Huff with 12 each.

Lions Knocked Out Of Big Lake B-B Tournament

After the first two games, bad luck beset the Ozona Lions at the Big Lake tournament during the weekend and they wound up with a fourth place and a trophy. Crane won the championship, Big Lake was runner-up and Stanton placed third. Rankin copped the consolation trophy with a win over Kermi.

The Lions took a big win over Sanderson to get into the winners bracket Thursday afternoon, 77-52. They advanced to finals Friday, beating Mertzton, 75-59.

However, Saturday just wasn't the Lions' day and they dropped their first game to Big Lake 74-53, and were smashed by Stanton 83-58 that night in the game for third place.

Beto Vargas was selected to represent the Lions on the all-tournament team.

THIRD GENERATION COUNTY COMMISSIONER

Bill Black, recently elected commissioner for Precinct 2, is the third generation of Blacks to hold the post.

His grandfather, Charlie Black, held the post many years before his father, Charlie Black, Jr., served as commissioner.

Mr. and Mrs. Julio Gotthel and children, Barbara, Diego and Frankie, of Buenos Aires, Argentina, were recent visitors in the home of Mrs. Gotthel's grandmother, Mrs. B. B. Ingham.

a full slate of games scheduled for Thursday afternoon and evening. Play will begin at 9 o'clock Friday morning with games scheduled throughout the day and evening.

Play-offs for the consolation finals will be held Saturday morning and for the championship finals Saturday afternoon. Evening play will begin with the consolation game at 6 p. m., followed by the game to determine third place and ending with the championship game at 9 o'clock. Trophies will be given for championship, runner-up, third place and consolation.

The 10 out-of-town teams, the Lion B will participate in the McCamey B team tournament beginning today. The Lion B will play Crane at 2:30 in their first game of the tournament. The A, B and Freshman teams will be in Big Lake Tuesday night for a triple header.

Big Lake has won the tournament for the past five years and has been the champion for 11 years of the 37-year history of the event. Big Lake is the odds on favorite again this year.

The first game of the tournament will be the Sanderson Eagles vs. the Miles Bulldogs, followed by Sonora and the San Angelo junior varsity. At 7 o'clock Thursday night Big Lake will play Medina and Ozona will play Mertzton in the final game.

Friday morning the first game will feature Wall and the Ozona junior varsity, followed by Iraan and Rock-springs. For the remainder of the tournament the losers of the first games will be aiming for the consolation trophy and the winners will advance to the winners' finals. There will be 17 games in all, before the presentation of the trophies Saturday night after the championship game.

Christmas Trees Bought By P. T. A.

The South Elementary PTA met Monday night in the school cafeteria in regular meeting. The devotional was given by Eddie Prieto.

Jesus Castro, president, announced that the PTA had purchased a permanent type Christmas tree for each room in the school prior to Christmas. He also thanked those who helped package the gifts of fruit and candy for the children.

Guest speaker was Mrs. Kent Johnston, Superintendent of nurses at Crockett County Hospital.

Mrs. Felipe Castro and Mrs. Jesus Castro, members of the hospitality committee, served refreshments following the meeting.

The next meeting will be held Feb. 3. Miss Dorothy Price, director of the Community Center, will speak on What Poverty Means in Families.

DAUGHTER BORN TO ROY HARRELLS IN CHAD

Mr. and Mrs. Roy A. Harrell, Jr. are the parents of a baby girl born January 2 in Koumra, Chad. The baby weighed 6 pounds and 4 ounces and has been named Carol Elizabeth.

Maternal grandparents are Mr. and Mrs. W. H. Percell of El Paso and paternal grandparents are Mr. and Alvin Harrell of Ozona. Mrs. B. B. Ingham of Ozona is the baby's great grandmother.

REPEAL THE FIFTH?

Thomas E. Dewey, erst-while Governor of New York, Republican presidential candidate and presently a prominent metropolitan lawyer, recently suggested the repeal of the Fifth Amendment to the Constitution. Most of the newspapers and wire services cluttered their accounts of Mr. Dewey's proposal with speculation that he was a prime candidate to be Mr. Nixon's first appointee to the Supreme Court. As a result the accounts were not specific, but we assume that he refers only to that clause behind which so many known wrongdoers have taken refuge. On that assumption, we are inclined to agree.

Certainly few statutes designed to protect the innocent have ever been abused so blatantly. Communists and their ilk have been most numerous among those who

have manhandled the privilege, using it time after time, ad nauseam, claiming that an answer might tend to incriminate them, even when an affirmative answer involved no crime. Labor racketeers are others who have used the evasion, some more than a hundred times in a single day's testimony. In one instance, the witness used the Fifth Amendment to avoid stating that he knew his own father.

The clause that Mr. Dewey is presumed to have had in mind, and which has been perverted until it protects criminals more often than the innocent, reads: "... nor shall be compelled in any criminal case to be a witness against himself." Our Canadian neighbors have no such protection in their jurisprudence, and no one has suggested that they suffer excessive abuses under the law. Repeal of the special

Situated just off the main lanes of Interstate Highway 35 near Georgetown is this Texas safety rest area complete with rest room facilities, picnic shelters, grills, trash disposal, drinking water and a travel information display. For the benefit of motorists the Texas Highway Department supplies all the comforts of home.--TEXAS HIGHWAY DEPARTMENT PHOTO.

clause would at least call attention to the remainder of the Fifth Amendment. Here are the vital provisions that would remain after excising the clause quoted above: "No person shall be called to answer for a capital or other infamous crime unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the militia, when in actual service, in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; ... nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use without just compensation."

GARAGE SALE — tomorrow, Friday, only. 115 Cedar Drive. 43-11c

GUEST EDITORIAL

The following is a partial transcript of the statement made by Comdr. Lloyd B. Bucher, captain of the Pueblo, immediately upon his release:

"... I think that I don't know what has been said here in the United States since our capture. I haven't seen a single piece of paper or magazine other than propaganda-type magazines, which I've been reading for the past year or thereabouts. I haven't seen anything that was printed anywhere other than in the Democratic People's Republic of Korea. And so I don't have the slightest idea what was said about me or about the crew.

"And I want to re-emphasize once again two things. First of all, that the crew that I had on board the ship are just the most tremen-

dous bunch of sailors that it has ever been my privilege to sail with. And this includes, of course, the two Marines who were aboard as interpreters and had just come aboard.

"Both of these marines by this time have actually more Navy blood, I think. And I don't know what their intentions are for their next enlistment, but I'm going to try to get them into the Navy.

"The other thing I want to say is and make clear — and that is that at no time did the USS Pueblo ever intrude into the territorial waters of North Korea. We never closed land closer than 13 miles — land or offshore islands.

"We were attacked on the open seas and we were captured on the open seas. It is pure and simple and plain as that. All the records that

we had on the ship proved that, and any doctoring of the records that has been done since that time in the phony press conferences that we held up North is just — would just never stand up to the court of law . . .

"I have no further general statement to make except I do want very much to tell the people of the United States how much the crew of Pueblo and myself had faith in them in the entirety of our detention . . ."

You may wish to clip and save this remarkable testament. Our guess is that it will be most interesting to compare it with what Washington, the Navy and the Communist enemy have to say on the matter in the weeks and months to come.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman Thursday, January 11, 1940

Salaries of county officials were fixed at the same figure as prevailed last year in an order of the Commissioners Court passed this week. The county judge's salary was placed at \$200 a year with \$300 a year as ex-officio county superintendent. Each county commissioner will receive \$75 a month.

—29 years ago— Mrs. Norman Perry, 31, died at 2:30 Wednesday morning at the Al Krueger ranch north of Ozona.

—29 years ago— The Lions won the runner-up title at the Sonora basketball tournament during the weekend. They were edged out of the championship by a strong Christoval club.

—29 years ago— At a stockholder's meeting Tuesday, all officers and directors of the Ozona National Bank were re-elected. Directors include J. M. Baggett, P. L. Childress, Jr., Roy

Henderson, Scott Pettit, Masie West, W. E. West, W. W. West.

—29 years ago— New officers named head the Crockett County Historical Society are W. Baggett, president and Alvin Harrell, vicepresident.

—29 years ago— Gene Holton, principal Ozona junior high school had an article published in the January issue of the Texas Outlook.

—29 years ago— A skeleton, found in a small cave on the Green Thompson ranch on the Green river, is believed to be an Indian chief.

—29 years ago— Mrs. S. L. Butler left Tuesday for Alpine where she will visit with her daughter and son-in-law, Mr. and Mrs. Williams.

—29 years ago— E. P. (Pink) Sherrill, oldtimer of Crockett county was an Ozona visitor. He is living on the Nest ranch between Ozona and Langtry.

—29 years ago— Mr. and Mrs. Max Sherman entertained many friends and guests of the Pioneer Club Tuesday evening. Mr. and Mrs. Bert Peterson won club high and Mr. and Mrs. Hilary Peterson won guest high.

—29 years ago— Mrs. N. W. Graham entertained the Ozona Woman's Club at the Graham home Tuesday afternoon.

—29 years ago— Mrs. Hugh Gray entertained with a dinner at her home today, honoring her daughter, Mary Elizabeth, on her 13th birthday.

—29 years ago— Mrs. Joe Pierce was guest at her bridge club Tuesday at her home here. Early Baggett won club high and Mrs. Sherman Peterson won guest high.

—29 years ago— Fritz Kreisler, regarded critics as the greatest violinist, will appear in concert at San Angelo on the night of January 29.

THE NEW YEAR OF 1969

The Christmas tree is stripped of its baubles and glitter—
Been thrown out — and there it lies —
The Yule-tide wrappings so gay and colorful,
No longer hold a surprise.

Yes — the Christmas season is past for another year—
The New Year has just begun —
When we reflect over the year that is gone —
What have we accomplished — or done?

Do we really appreciate the privilege we have
Of living in this land of the free?
Do we consider the courtesies our merchants extended
By crediting you and me?

Let's keep this wonderful American way of life —
By always striving to do our best
To buy wisely—pay promptly—by the tenth of the month
That's something we'll never regret.

May the New Year bring blessings and bright opportunities
To each as you work in your place —
Whether at home, the store, the office or shop —
For these are God-given things by His grace.

Character Creates Credit; Prompt pay maintains it.

DOING HOMEWORK SAVES TIME?

By Enemencia Diaz
"Don't put off for tomorrow what you can do today." This is a proverb which should be practiced more often. The young should apply it in their studies at school.

When a teacher gives homework, the students try to make him change his mind and not give any. Also, when a test or an essay is assigned, the pupils put it off until the last minute and are frantic if they are not prepared. When given time to do homework in class, most students play around, gossip, and give the teacher a bad time.

If the students would start on their essay or begin studying as soon as the teacher gives the assignment, they would be using their time wisely and not be wasting it. By doing homework early, students have more leisure time after school hours.

BASKETBALL TOURNAMENT
REGIONAL BAND
By Mencha Diaz

Regional band tryouts were held in Brownwood, Friday with four band members making the trip. Those placing were: Mary Jane Martinez, first chair F flat Clarinet, and ninth chair B flat clarinet, Melissa Zapata, thirteenth chair B flat clarinet, Sylvia Vitela, sixth chair trumpet, and Mary Francis Martinez failed to finish her tryouts due to coughing caused by a cold.

Mary Jane will go on to Area tryouts on Jan. 18, and if she places there she will go on to represent Ozona in State.

WHAT IF

By Marsha Moore
Betsy S. could keep a straight face while watching a musical?
Charles T. didn't supply certain Srs. with educational materials?
Georgianne and Gary ever had a disagreement?
Chris weren't scared to drive fast?
Sharon cut her hair again?
Patsy, Debbie, and Marsha lost their rings they got for Christmas?
There were something exciting to do in Ozona.
School wasn't so boring?
Debbie could tell a joke right?
Tommy C didn't clomp down the halls?
Vernon moved back?
All the steadies broke up before the basketball boy's tournament?
People stuck to their New Year's resolutions?
Music were played over the intercom during class?
The ratio of girls to boys were 4 to 1.

OZONA WINS FOURTH PLACE IN BIG LAKE

By Patsy Pearl

The Ozona Lions took two wins and 4th place in the 38th Annual Tournament held in Big Lake January 2, 3, and 4. The first game the Lions played was against Sanderson. The team work of the Lions enabled them to get ahead of Sanderson and hold the lead to defeat the Eagles 77-52.

Beto Vargas sank 16 points to lead the mighty Lions. The next night the Lions faced Mertzson and showed their ability again by defeating the Hornets 75-59. Once again Beto Vargas lead the Lions in points with 29 points. Saturday the Lions played Big Lake in the semi-finals. Although the Lions were beaten in the first half, they came back the second half and got within 6 points of Big Lake.

The Lions had some bad losses. Donald Huff, David Pagan, and Beto Vargas fouled out in the 3rd and 4th quarters. David Huff fell and hurt his leg in the 4th quarter, which knocked him out of the rest of the tournament.

ment. With these upsets many others, the Lions were not able to defeat the Big Lake Owls and faced their first defeat in the tournament with a score of 77-83. Beto Vargas and Mertzson shared high scorers of 14 points each, and David Pagan followed with 13 points.

In the final Saturday night, the Ozona Lions played the Stanton Bulldogs. Even though Donald Huff netted 19 points and Beto Vargas hit 14 points, the Lions still suffered a defeat of 83-58. This defeat put the Lions in 4th place. The Lions placed one on the All-Tournament Team. That was Beto Vargas. Beto averaged about 13 points during the tournament.

CHRISTMAS DANCE

By Doug Blanton

"Babes In Toyland" was the theme for the Christmas Dance held in the Civic Center on December 8 from 8 to 12. The dance was sponsored by the Sophomore Class. The room was decorated with many balloons released from the band then songs until 1 the dance to more Class in the dar attended by high school. OHS— Supplies —

1969 Caprice Coupe

No clowns. No hoopla. No funny hats.

This is an event for the serious car buyer. The man who has X number of dollars to spend and is determined to get his money's worth and maybe more.

Come to a Chevrolet Showroom during our Value Showdown. Ask the man to show you, on paper, how you can order most any

1969 Chevrolet with a big V8 and automatic transmission for less than you could last year.

Come in and spend some time. Dig, probe, ask questions, take notes. You owe it to yourself to be thorough. Go for a drive.

Get a free sample of Chevrolet's luxurious full-coil, cushioned ride. Shut the windows and see how fresh the interior stays, thanks to Astro

Ventilation. Feel the kick of the biggest standard V8 in our field.

Then go down the street or across town and see how we stack up against Those Other Cars.

We think you'll wind up with a Chevy.

More people do, you know.

Putting you first, keeps us first.

The Chevrolet Value Showdown is on.

Enjoy clean, flameless

Too close for comfort

Here's a photograph taken from a kayak. You don't bring a ship this close to an iceberg! For underwater the tentacles of this cruel, cold monster may reach out a mile or more.

Life for some folks is a succession of narrow escapes. But these are adventures we can do without. They don't prove us bold sailors. They simply prove us poor navigators.

Frightened men sometimes turn to religion as a refuge when dangers—moral, spiritual and physical—loom too close for comfort. God does not fail us in crisis.

But the every-day function of faith is to pilot men on a true course through the sea of life. The Church cannot sweep away icebergs. It warns us of their whereabouts and helps us give them a wide berth.

IRS Explains Community Property Law And Your Income Tax

(This series of news stories was prepared by the staff of the District Director of Internal Revenue Service in Dallas, and is being published by your paper to help you save dollars and trouble. The tax instructions that you receive in the mail from Internal Revenue Service do not fully explain all of the tax benefits available to you under community property law.)

If you were divorced or separated from your spouse in 1968, you will probably need to study the community property law requirements before filing your income tax return for the year. Contrary to other states, the Texas community property law requires married Texans to either file a joint return or to split the income, the deductions, and the tax credits and each file on one half. Thus, a non-working wife in Texas is liable for filing an income tax return and paying the tax due on one half of her husband's income. (Ordinarily they file a joint return signed by both.) However, when you get divorced, the husband and wife are each liable for the income tax on one-half of the income from the salaries and/or other income received by both. They are also entitled to one half of the deductions and tax credits up to the date of the divorce. Naturally, after the date of the divorce, they can no longer file a joint return, and each must account for their separate income, in addition to their one half of the community income prior to the date of the divorce.

The divorce rate indicates that there were about 20,000 divorces in Northern Texas, with 40,000 taxpayers involved. The income statistics of prior years indicate that if the average date of divorce works out to be July 1, these 40,000 individual taxpayers will have to split about \$100,000,000 in community income. Past averages indicate that they will have to settle the payment of about \$11,600,000 in income taxes along with whatever deductions they were entitled to and whatever

withholding tax credit they had learned before the date of the divorce.

Internal Revenue guesses that there would be an equal number of taxpayers (40,000) who have separated and are living apart, but are not divorced. The income averages indicate that these taxpayers would earn a total of about \$200,000,000. The average income tax paid on joint returns in Texas indicates that these 40,000 taxpayers who are separated from their spouses must either file joint returns or split the total income in each community and settle some \$23,200,000 in income tax payments with IRS, and of course settle their deductions and their income tax withholding credit problems. The Internal Revenue Service recognizes that these taxpayers do not want to file a joint return with their separated spouse in most cases. However, the state law is controlling in all cases.

Taxpayers who are separated from their spouse and cannot locate them should discuss their individual case with the local Internal Revenue Service office.

Internal Revenue advises taxpayers who are getting a divorce to settle their income tax affairs at the time of the divorce to avoid future problems. They also advise that the support of minor children be completely settled since many tax audits are created by both of the divorced parents claiming the child or children as their dependents.

Internal Revenue has Document 555, "Community Property," available at all of their local offices throughout Northern Texas. This document gives further details on community property benefits and requirements.

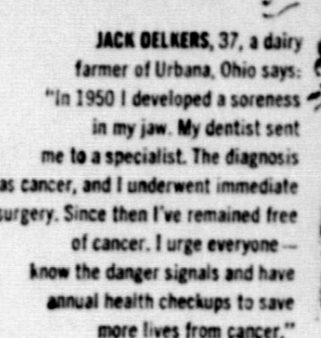

Not responsible for debts other than my own. Sam Odom, Jr., Sonora. Itc

"I'm cured of cancer"

Says MRS. ALICE HARDEN, nurse and housewife of Atlanta, Ga. "Five years ago a 'Pap' test, part of my routine health checkup, revealed an unsuspected cancer of the uterus. Today I'm alive and well because my cancer was diagnosed early and treated properly."

KIM SAWILSKI, 10, of Glen Elyn, Ill. Her mother says: "When Kim was three weeks old, we learned she had an internal cancer, and treatments were begun. In three months she was back to normal and has been free of cancer ever since."

JACK DELKERS, 37, a dairy farmer of Urbana, Ohio says: "In 1950 I developed a soreness in my jaw. My dentist sent me to a specialist. The diagnosis was cancer, and I underwent immediate surgery. Since then I've remained free of cancer. I urge everyone—know the danger signals and have annual health checkups to save more lives from cancer."

Lonely Marine In Vietnam Write Eloquent Letter Of Appreciation To Folks At Home Thru Red Cross

The following letter from a lonely Marine in Viet Nam was received recently by Mrs. Charlie (Elizabeth) Applewhite. Mrs. Applewhite is home service officer for the Red Cross in Crockett county. His rank, name and address is given for those who might like to write to him. "Elizabeth, "I doubt very much if you were expecting a letter of this type. I received your address along with a Red Cross Christmas package. I thought I'd write and wish you a Merry Christmas and a happy New Year, but I'm a little late, sorry. "I've never written a letter to a person I've never met,

so I hope you'll forgive the mess I'll probably make. I guess I could tell you a little about myself; I'm a Marine Sergeant stationed at Chu Lai, South Viet Nam. I'm 22 years old and from Arlington, Texas. I graduated from Arlington High School in 1964 and attended the University of Texas at Arlington for one year. I entered the Marine Corps in January of 1966 and was stationed in North Carolina for two years before coming here. "The reason I am writing this letter is to let you know how much all of us appreciate your thoughts. It is nice to know that people, besides our families, care about what

happens to us. It isn't pleasant over here any time of the year, but at Christmas, it is even worse. But just knowing that Americans really care about the men here makes everything seem worthwhile.

"Like I said, I just wrote to let you know that your thoughtfulness has brought a little joy to this person on Christmas. God bless you."

Sincerely,
Sgt. Bruce A Hayes 2211257

How to save money like clockwork

Hanging on to some of your earnings can be as easy as winding your watch. Just tell your employer you want to join the Payroll Savings Plan. Then sit back and forget about it. Every payday, he'll set aside a few dollars from your paycheck (you say how many), and put them towards the purchase of a U.S. Savings Bond. Pretty soon you'll have some big dough stashed away. No strain. It's all automatic—and dependable as Big Ben. Millions of your fellow Americans save billions of dollars this way, so you know it works. What's more, you help your country as you get richer, which should give you a nice red, white, and blue feeling. Take a minute and talk to your employer this payday. See if it isn't time well spent. TIMELY NEW BONUS: Now, when you join the Payroll Savings Plan (or the Bond-a-Month Plan) you are eligible to purchase the new type U.S. Savings Notes—Freedom Shares—that pay 4.74% when held to maturity of just 4½ years, and are redeemable after one year. Freedom Shares are available on a one-for-one basis with Series E Bonds. Join up. America needs your help.

U.S. Savings Bonds, new Freedom Shares

... with a Smile

Whether it means pumping up a bicycle tire or caring for your car—we're always ready to serve you. Taking care of your car means more to us than just keeping it supplied with gasoline and oil. It means the kind of top flight service that adds thousands of miles to the life of your car. Giving your car the care it deserves is our part in the progressive oil industry that brings better living to this community. Drive in today and let us ease your

Texas Added 138 Miles Of New IH Highways In 1968

Austin — The addition of 138.5 new designated miles of Interstate Highways climaxed 1968, another year of highway progress in Texas.

As the year closed, two additional routes — from Lubbock to Amarillo and the northwest quadrant of the Interstate Loop around Fort Worth — were approved for additional to the system.

It made a fitting close to a year of superlatives for the motoring public in Texas.

Throughout the State, more people were driving more miles in more vehicles over more and better highways than ever before.

The Interstate additions brought the total mileage Texas will have when the IH system is complete in the mid-1970s to 3,165 miles, about 900 miles more than any other State.

The 125-mile Lubbock-to-Amarillo route will be known as IH 27 and will put Lubbock on the system. Lubbock had been one of the largest cities in the nation without an Interstate connection.

The addition of 13.5 miles on the northwest quadrant of the Fort Worth IH belt, 820, completes that circumferential route around the city.

The additions will result in more flexibility for the entire system and will permit it to meet tremendous development and population changes which have occurred since the original 41-thousand-mile Interstate system was mapped.

About two-thirds of the Interstate system in Texas was open to traffic as the year closed. In fact, Texas had almost as many IH miles under rubber as California will have when the entire system is complete. California is the second-ranking State in total designated IH mileage.

Overall, the total designated State maintained highway system grew to more than 69 thousand miles, including Interstate, US and State numbered highways, and farm and ranch to market roads.

The Pueblo Humiliation

As the year 1968 drew to an end, there were tremendous news developments on which the American people will long reflect. For the first time, deep space was explored, as U. S. astronauts crossed 230,000 miles to the moon. Man's great adventure in life gained a new dimension with this epochal space flight. For Americans, it was a source of deep pride that the first voyagers to the vicinity of the moon were Americans who wear the uniform of their country.

It is not to be believed that even the U. S. Supreme Court will declare this trip "unconstitutional" — just because the astronauts read from the first chapter of the Bible and held a prayer in such a manner as to recognize God as He had never been recognized before.

The American people also were profoundly relieved that the 82 crewmen of the electronic-intelligence ship Pueblo were back in the world of freedom after a terrible captivity in North Korean communist hands. These brave Navy men suffered a fierce ordeal, including sadistic beatings with heavy timbers. The cruelty inflicted on them is a lesson to all free men as to the true nature of a communist country. Communism and terror are synonymous. After the ordeal of the Pueblo crewmen, there shouldn't be any more foolish talk in the United States about communists "mellowing" or "national" communists being nicer than Soviet communists. The essential nature of the communist system is brutal.

Unfortunately, happiness over the freedom of the Pueblo crewmen is impaired by the humiliating circumstances of their release. Though the United States repudiated it, the nation's negotiators had to sign a statement apologizing for "espionage" and hostile acts. The U. S. naval vessel Pueblo is still in North Korean hands, and apparently will so remain.

The historical record will show, therefore, that the land of the free and the home of the brave has been grossly humiliated by a pet-

ty communist tyranny — a fourth-rate puppet of the Soviet Union. For the first time in the modern history of the United States, a U. S. warship has been snatched off the high seas in an act of international piracy. This humiliation is not easy for the American people to swallow.

Apologists for the Johnson administration already are saying that the public was premature in condemning the administration, for the men are now free. Yes, they are free, but at a terrible price in national dignity and respect. Moreover, it is highly questionable that the men ever would have been freed had not there been a grassroots "remember the Pueblo" campaign that kept a fire under the U. S. State Department. But for this campaign by the people, the State Department might have forgotten the men of the Pueblo the way it has forgotten Korean war servicemen who are still in communist prisons.

The American people should not soon forget the shocking circumstances of the seizure of the Pueblo. It was sent on a dangerous mission without adequate protection. When the ship was first seized, then was the time for the United States to act with maximum firmness. At that critical time, President Johnson could have threatened North Korea with instant retaliation if it did not promptly release the Pueblo and its crew. Had such action been taken, the men of the Pueblo undoubtedly would not have had to suffer months of imprisonment and terrible beatings. Unfortunately, Mr. Johnson and his advisers apparently had a failure of nerve at this juncture. They delayed, and delay was a disaster.

Now the communists can describe their Pueblo seizure as a success. They have the vessel as a symbol of victory and can show it to neutralist nations as evidence of a lack of American will-to-win. It will be an enduring symbol of humiliation to the United States.

Furthermore, North Korea's success at high seas piracy may persuade other communist nations to attempt similar hijacking operations. Castro's Cuba might well consider such an act.

Woman's Forum Members Attend Library Exhibit

The Ozona Woman's Forum met Tuesday in the home of Mrs. Bill Clegg. Mrs. Jake Young was assisting hostess.

After a brief business meeting and refreshments, members went to the high school library where Mrs. Kirby Moore discussed New Trends in Education.

Miss Mildred North, Crockett County Librarian, demonstrated using the reference catalogue.

The annual exhibit of creative arts from students in Ozona's school system will be held February 4 at the Granny Miller Hall. An adult division is being added this year and anyone wishing to enter an art object of their creation is urged to do so.

Other members present were Mrs. L. B. Cox, III, Mrs. T. J. Bailey, Mrs. L. D. Kirby, Mrs. Lloyd Sherrill, Mrs. J. B. Miller, Mrs. Hugh Childress, Jr., Mrs. Marshall Montgomery, Mrs. Beecher Montgomery, Mrs. W. R. Baggett, Jr., Mrs. Brock Jones, Mrs. Chas. Black, Mrs. John Henderson, Mrs. Dempster Jones, Mrs. Bill Seahorn, Mrs. Charles Williams, Mrs. Pleas Childress and Mrs. Lowell Littleton.

FOR SALE — 1964 Chevrolet pickup. See at 201 Live Oak Dr. 43-1tp

Fortunately, there will be a change of administration on January 20. The administration that proved indecisive at a moment when tremendous decisiveness was required will be out of office. It is important, however, that the incoming administration make clear to the communist and neutralist world that there will never be another Pueblo, that humiliation never again will be accepted by the United States, and that any attempt at seizure of a U. S. vessel will be met by the full extent of American power.

As for future historians, when they assess this incident in the history of our country, it is likely they will hold the action (or lack of action) by the present administration in utter contempt.

Mr. and Mrs. Tom Cameron and daughter, Bonnie, spent the holidays here visiting Mrs. Cameron's parents, Mr. and Mrs. George Bunger, and grandparents, Mr. and Mrs. Roy Henderson.

Kitty's Korner —
(Continued from Page One)

parents of a boy January 1, 1969. We don't know what name he was given by his family, but to us he is "Mr. New Year."

Gid Carlisle of Odessa was an Ozona visitor Wednesday.

Hurst Meinecke has been transferred from Shannon Hospital in San Angelo to Crockett County Hospital here. His condition is improved.

Oil Record 1968—

(Continued from Page One)

Shell Oil Co. opened Montoya oil production in the North Tippet McKee sand and Ellenburger pool with dual completion of its No. 1-18 Amacker Trust, section 18, block 36, H&TC survey, to flow 152 barrels of 41.8 gravity oil daily from the Montoya at 5,673 to 5,690 feet.

Southwestern Natural Gas, Inc., Midland, accounted for a middle Clear Fork oil discovery in the Tippet area with dual completion of its No. 3-39 Tippet, section 39, block 31, H&TC survey, to flow 121 barrels of 41 gravity oil, plus 35 barrels of water daily from the discovery pay at 3,990 to 4,027 feet.

GARDEN CLUB TO MEET

Otto Scherz of San Angelo will be guest speaker for the Ozona Garden Club at a meeting Monday, Jan. 13, at the Civic Center. Meeting time is 3-5.

Mr. Scherz will speak on landscaping and all those interested are invited to attend.

Max Schneemann, Jr. and family of Big Lake, Bill Schneemann and family of Big Lake, Philip Schneemann and family of Fort Stockton, Mrs. Wylie Reynolds and family of Pampa and Mrs. Miller Robison and family of Marfa visited their parents Mr. and Mrs. Max Schneemann, here during the New Year's holiday.

The 1969 Cadillac is dramatically restyled to look lower, wider and longer. The Fleetwood Brougham (top) shows the new dual horizontal head lamps and the combined parking and cornering lights wrapped around the leading edge of the front fender. The familiar cross-hatch grille features horizontal and vertical bars in a "floating fin" effect.

The ultimate in luxury personal cars, the Cadillac Eldorado, (bottom) features styling changes while continuing the strong character lines popularized by two successful years of production and sales. A new finely textured grille bears a family resemblance because of the cross-hatch theme. Elegant new wheel discs add distinction to the side view.

Among the convenience and safety related improvements are: a new seat belt system with automatic adjusters; a new Dual Comfort seat, that allows the driver's seat to be adjusted separately from the passenger's; and a closed cooling system, with a "closed" radiator and translucent reservoir permitting visual checking of the fluid level without exposure to hot coolant.

CARD OF THANKS

We wish to take this means of thanking the wonderful people of Ozona and especially the hospital staff for the many acts of kindness shown our mother while a patient in the hospital, also during the bereavement of her passing. May God's richest blessings be with you and yours is our prayer.

The Richardson Family
