Ozona received some unfavorable publicity last week when mentioned in a question and answer column called "Action Line," which is printed daily in a San Antonio paper. The article came to my desk earlier in the week and certainly does deserve comment.

A San Antonio woman writes in to say that her dog was poisoned at a rest area just outside of Ozona during a recent trip from California. She said the poison was placed around the tables in the area and the grabage cans and that although they managed to save the dog's life, she was curious about other people traveling through this area and wondered if other dogs or possibly children had picked up the poison.

The complaint was referred to an administrative assistant at the Bureau of Sport Fisheries and Wildlife, who in turn reported it to the district supervisor of wildlife services. The assistant said that he doubted the poison was placed in the area by a rancher, although ranchers are authorized to obtain the poison. He also said that the use of poison is restricted to a distance of two miles away from any public area. He plans to investigate and see if there are other complaints.

For years the indiscriminate use of poison has been a topic of conversation here in Ozona. It has been found in yards where children play and hundreds of family pets have been killed by it. This has become an almost weekly happening here. Only last week an Ozona family lost its pet dog to poison in the yard of the home and found another dog dead of it the next day. Two toddlers play in the yard daily.

Some sort of investigation seems in order.

Basketball season is in full swing and with so many teams and so many games, parents even have to split up if they have more than one player on a team. It's impossible for us to give a full report of each game without help from somewhere. Even if we went to a game a night, we wouldn't be able to get them all in, because there is almost always another game going on somewhere else. So, try to help us out if you can.

Some of my friends have mentioned the fact that I always manage to have a complete report of any game that my number one son participates in, which is true. After graduation in May of '71, I plan to depend entirely on my news sources for any sports write-up. Of course, this is providing I last that long. I am looking forward to the end of my career as a sports writer with a great deal of pleasure.

Even the ranchers were glad to see the sunshine Saturday afternoon. After a week of cold rainy weather, everyone is enjoying the blue skies and sunshine. Of course, the kids felt cheated, since it snowed as far as Sheffield, but it was messy enough as it was.

Ed Collett was complaining the other night that he never managed to get his name in my column, but he finally did this week.

SCHOOL ROOM CEILING CRASHES — This is the mass of debris left Monday when the entire ceiling in one of the newest classrooms in North Elementary school came crashing down. But for a fortunate turn of the wheel of fortune, the event might have been a tragedy. The ceiling fell during the noon hour while the children and teacher were out to lunch. Workmen had removed damaged desks before picture was made so that pupils could recover their belongings. Note thickness of plaster chunks, bottom center. Top picture shows bared ceiling joists left after the collapse.

Kindly Fate Saves Children From Death Or Injury When Classroom Ceiling Collapses In Noon Hour

Gunshot Victim Recovering; Two Other Men Hurt

Three Ozona men were recovering from various accidents in Crockett County Hospital at mid-week.

Earl Berry, the most seriously injured, was reported in good condition yesterday. He was injured Sunday afternoon when a gun discharged at close range and the bullet struck him in the chest at the Wayne West ranch 45 miles south of Ozona. By the time a Janes ambulance was summoned and Berry was admitted to the hospital, he was in serious condition from loss of blood. He underwent surgery Sunday night for repair of a punctured lung and is reported making satisfactory recovery.

Von Parker, Crockett County deputy sheriff, was hospitalized after breaking several ribs in a fall during an out of town hunting trip. He was released from the hospital yesterday.

A windmill accident Monday afternoon at the V. I. Pierce ranch south of town sent Jay Miller to the hospital with back injuries. Miller also is reported in satisfactory condition.

Only fate played a part in the avoidance of a grim tragedy Monday at the North Elementary school when the entire ceiling in the fifth grade room in the newest wing of the building came crashing down during the noon hour.

The room teacher, Mrs. W. T. Stokes, was just outside of the building but all of the children were out of the room for lunch.

Made of heavy plaster, metal lathe and ceiling squares glued to the plaster surface, the material was heavy enough to crush some of the desks in the room. The plaster was more than an inch thick in places and apparently came down in a mass, only to break up over the furniture below. A layer of insulating material laid on the ceiling added to the chaotic appearance of the room after the fall. Had the children been in the room serious injury and possible deaths might have resulted.

Lighting fixtures were stripped as the ceiling material came crashing down, but the switches were off and no fire resulted from the bare wires.

Insurance appraisers and inspectors for the architect firm employed on the building addition were summoned immediately by school authorities and were combing the debris for evidence of the cause of the crash.

Building maintenance superintendent Herb Kunkel, a former carpenter and builder, pointed to the small nails used in nailing the metal lathe to the ceiling joists as cause for the failure. Small sheet rock nails were used and these driven in about half way and then bent over the lathe. Weight of the heavy plaster pulled out the nails and let the whole mass drop, Kunkel believes.

Principal Roy Killingsworth immediately evacuated all children from the other two class rooms built at the same time in late 1965 when three additional classrooms and rest rooms were added to the North Elementary building. A thorough inspection of these rooms is being demanded of builders to make sure that they are safe for occupancy. The addition was made under contract by the San Angelo building firm of BDK Construction Co. Architect on the building addition was the firm of Dawsey, Joiner, Cobern and King of Houston.

The falling ceiling created a large cloud of dust.

Several Ozona merchants have indicated that business is up considerably for this time of year and the rush has yet to begin. An increase in the number of shoppers has been noted almost daily in town and in the shopping center.

Ozona Business Areas Take On Holiday Decor

Ozona took on its holiday look this week as light poles were wrapped and decorated and colored Christmas lights strung over the city. Store windows around town are sparkling with gift items and Christmas trees are on sale.

With seventeen more shopping days until Christmas, local stores are well stocked with traditional gift items as well as many exquisite and unusual gifts. A wider choice of merchandise in all Ozona stores is obvious this year.

South Ozona merchants have indicated that business is up considerably for this time of year and the rush has yet to begin. An increase in the number of shoppers has been noted almost daily in town and in the shopping center.

Six-Day Rain Comes to End As Sun Shines Again

After six days of rain and drizzle, the sun broke through Saturday and Ozonians enjoyed beautiful weather over the weekend. The official gauge at the water district office recorded 2.06 inches of moisture for the 6-day period.

The rain was general throughout the county. Although Ozona missed the snow which fell in areas to the west last Friday, sleet fell along with the rain and roads in the county were hazardous to motorists. Snow fell in the extreme western part of the county, but stopped at Bachelor Hill, 28 miles due west of Ozona.

The 2.06 inches of rain brought the total rainfall for November to 2.39 inches and the total for the year to a whopping 26.38 inches with another month to go.

Highways Free Of Accidents During Holiday Weekend

Crockett County had one of the safest holiday weekends in years as far as automobile mishaps were concerned. Not one accident was reported during the four-day Thanksgiving weekend.

Orvil Perry, DPS, reported that officers had not investigated so much as a smashed fender during the four-day period.

Lion Cagers Win First 3 Starts; Rankin Here Fri.

Ozona High School boys basketball team will play at home tomorrow night after being out of town for the first three games of the season. The Lion B team will play the Rankin B at 6:30, followed by the varsity teams. Both teams will play Del Rio here Tuesday night.

Coach Charles Spieker's Lion varsity has gotten off to a flying start this season with three wins and no losses. The Lions journeyed to Del Rio Friday night and were victorious to the tune of 66-46 in their first game of the season. Arturo Torres was high-point man for the Lions with 19, followed by Will Collett with 15 points and David Pagan with 13. Tommy Jenkins was the only other Lion in double figures with 12.

Saturday night in San Angelo the Lions posted another victory over the San Angelo Jr. varsity with a score of 60-52. David Pagan paced the Lions with 25 points. Collett hit for 17 and Jenkins had 11.

Continuing undefeated, the Lions beat the Iraan Braves 67-48 in Iraan Tuesday night. Leading the Lion attack was Pagan with 17 points, followed by Jenkins with 13 and Collett with 10. Coach Jim Williams' B team picked up their first win of the season against the Iraan B teamers with a score of 43-33. Mike Jenkins was the only Lion in double figures with a big 20 points to his credit.

Shannon Estate Makes Big Gift To Brush Control

The Crockett County Brush Control Fund was doubled this week when Olin Blanks, trustee of the Shannon Estate, sent in a large check to be deposited in the local fund at the Ozona National Bank. The fund now nears three thousand dollars from sixteen contributors, according to R. A. Harrell, chairman of the local brush control fund drive.

Purpose of the fund drive is to support research on brush control. Land users are asked to contribute on the basis of one cent per acre of grazing land. Contributions are tax deductible and can be left with Lowell Littleton, local fund chairman.

Garden Club To Award Prizes For Best Decorations

The Ozona Garden Club announced plans for its annual Christmas Decorating and Lighting Contest this week. This year the contest will have two divisions, commercial and residential.

First and second place awards will be given in four categories for each division. The four categories are windows, doors, yards, and overall.

Qualified out-of-town judges will be in town Thursday evening Dec. 18 to determine contest winners. Judging will begin at dark on that date.

The following scale of points will be used: artistic merit 30, originality 20, ingenuity 20 and lighting 30, for a total of 100 points.

The club sponsors the contest each year to encourage Ozonians to go all out in decorating for Christmas. Chairman of the contest this year is Mrs. J. J. Marley, assisted by Mrs. James Lively.

Report On Annual Convention Given At P. T. A. Meeting

South Elementary PTA met Monday night at the school for its regular monthly meeting with Eddie Prieto president, presiding.

Prieto gave a report on the annual PTA convention he attended in San Antonio the latter part of November. He also reported that the annual carnival, held in November, was successful.

Guest speaker was Mrs. Fred Jones, who spoke on the arts.

Mrs. Ted Cotton's first grade won the room count.

Following adjournment, refreshments were served to a large crowd.

Funeral Services In Lubbock Mon. For J. D. Nairn

Funeral services for J. D. Nairn, 88, were held Monday morning from the Broadway Church of Christ in Lubbock with burial in the City Cemetery there.

Mr. Nairn died Friday in a Big Spring hospital after a lengthy illness.

He was born October 31, 1881, in Falls County, Texas. He had been a resident of Ozona for the past 20 years and had lived here in years past. He was a retired mail carrier and a long time member of the Church of Christ.

Survivors include his wife; two daughters, Mrs. B. F. Ray of Lubbock and Mrs. H. V. Bagley of Taos, N. M.; two sisters, Mrs. Janie Hendricks of Lubbock and Mrs. Ida Collins of Muleshoe, and two grandchildren.

Christmas Mail Deadlines Near PM Reminds

Postmaster Floyd Hokit reminded patrons this week that deadlines for many Christmas mailings are almost at hand. He suggested that Christmas packages for distant states be mailed as early this month as possible to assure Christmas delivery.

Packages to nearby and local areas should be mailed by December 15 if possible. Names and addresses of both the sender and the addressee should be enclosed inside each parcel in case of damage or loss to the outside address. The outside address should be placed on only one side of the package and the package should be tied with strong twine. Good heavy cartons should be used.

Greeting cards to distant states should be mailed not later than Dec. 10, Alaska and Hawaii, not later than Dec. 5. Local greetings and those sent airmail should be mailed by Dec. 15. The postage is the same on greeting cards whether sealed or not.

THE SEARCH FOR JUSTICE

The defeat by a 45 to 55 vote of Judge Clement F. Haynsworth, Jr., as a nominee for the U. S. Supreme Court is the first setback for the Nixon administration. But it would be a setback for all of us.

The defeat cannot be claimed as a victory for the Senate democrat, seventeen members of the President's own GOP helped in a decisive manner to reject the nomination. Both the Minority leader and the GOP whip Senators Scott (R-Pa.) and Griffin (R. Mich.), voted against their own parties' majority. Nor was the vote pattern along the lines of "conservative-liberal" splits in the Senate. Many of those opposing the nomination were considered to be conservatives, and the same may be said for liberals who supported the nomination. Judge Haynsworth's nomination was the first to fail passage in the last 39 years. The last time a presidential court appointee was rejected was in 1930.

But what was wrong with the rejection was the vicious nature of the attack made against Judge Haynsworth and his family. The underlying, but seldom mentioned reasons why Judge Haynsworth was opposed were ideological and political. Simply stated, Mr. Haynsworth hadn't voted the right way in certain judicial cases involving labor and race relations and for this reason and the reason alone he had gained some powerful enemies. But rather than attack Judge Haynsworth openly on ideological grounds, his opponents chose to attack him on a low personal level — a smear campaign, if you will — which implied, but never proved, unethical and dishonest conduct.

The defeat of Judge Clement F. Haynsworth, Jr. could well be a great loss to the American people. At a time when we so desperately need changes in the Supreme Court, predictions are now being made that the next choice of Mr. Nixon may be most reluctant to subject himself to the possibility of an attack as harsh and unfair as that which was directed against Mr. Haynsworth. How many of us could face the same kind of vendetta to which the defeated nominee was subjected? Will the next choice of Mr. Nixon be willing to undergo the risk of similar character assassination? We don't know. And only time will tell.

Men Reclaim One Contest Position For Deer Hunters

There was no change in the leaders of the hunting contest last week and the ladies still held the lead in all categories until this week when Francis Johns of Big Spring brought in a 14-pointer to replace Luann Perner, who had been leading in the contest with a 13-point deer.

Johns registered his deer at the Ozona Trading Post. Mrs. Jodie Conaway of Ozona still holds the lead for the heaviest field dressed deer with her 121 1/2 pounder and Mrs. Charle Smith of Stanton still leads for the widest rack with a width of 19 1/2 inches.

The contest is sponsored annually by the Ozona Chamber of Commerce. Winners will be announced following the end of hunting season.

Washington News Letter

Congressman O. C. Fisher

The process of changing the complexion of the Supreme Court has been proven to be no bed of roses. By a vote of 55 to 45 the U. S. Senate turned thumbs down on Judge Clement Haynsworth, a Nixon nominee to fill the vacancy on the Court.

Haynsworth, recognized by associates and by the American Bar Association as one of the most able jurists in the country, had three things running against him: 1. He was from the South — North Carolina. 2. He was not acceptable to the AFL-CIO. 3. He was objectionable to the NAACP.

Haynsworth as Chief Justice of a Federal Circuit Court had shown some independence in decisions affecting these special interests, and that made him unacceptable. Such pro-labor liberals as Goldberg, Marshall, and Fortas were approved without much argument. In those instances conservative-minded Senators did not choose to make issues out of known convictions and liberal ideologies of those appointees. But when the shoe was on the other foot it was a different story.

One veteran observer said: "Senators can use all sorts of excuses, but the one compelling and decisive reason why most of them voted against Haynsworth was because of the political power of AFL-CIO — which pulled out all the stoppers. They could not stand that heat."

An amazing and surprising thing was the failure of so many Republicans (including the Senate's Republican leaders) to support the President of their own party, preferring instead not to offend the unions and the NAACP.

Opinion around the Capitol seems divided as to the political effect on the anti-Haynsworth, pro-AFL-CIO Senators. Some think the adverse reaction will be brief while others insist some heads will roll because of the importance attached to the strong public demand for a change in the complexion of the Supreme Court which would provide a better balance.

The question now arises of who the President can appoint who could be expected to do a good job and also be acceptable to AFL-CIO and the NAACP. It will not be easy.

Millspaugh Suit Settlement Made In Angelo Court

(from S. A. Standard-Times)

Judgment has been entered in 119th District Court here in a consolidated suit involving a large tract of Crockett County land and a prominent San Angelo and Crockett County family.

A compromise settlement based on \$22.50 per acre rather than \$15 was approved by Dist. Judge Glenn R. Lewis of San Angelo in a suit involving Austin C. Millspaugh, Jr., his deceased brother on the other.

In three separate documents filed in the compromise settlement, Austin Millspaugh was adjudged owner of the surface 6,397.7 acres of Crockett County land subject to a \$118,000 encumbrance.

Austin Millspaugh's promissory note for the amount was declared secured by a first lien on the land surface and he was released from further claims by his nieces and nephew stemming from the will of his mother, Sarah C. Millspaugh.

Millspaugh was "fully and finally" discharged from responsibilities of the trust, his resignation as trustee was accepted and Lowell Littleton of Ozona was named successor testamentary trustee for benefit of the Sidney Millspaugh, Jr., heirs under provisions of the Sarah C. Millspaugh will.

Heirs of Sidney S. Millspaugh, Jr., are Linda Millspaugh Birk Aendersen, Marilyn Baker Millspaugh and Sidney S. Millspaugh, III.

Income Taxpayers Receive Uniform Packet Of Forms

Income tax payers, and who isn't, will receive a uniform package of tax forms this year. Many are already receiving the forms since the Internal Revenue Service is mailing them a month earlier than usual this year.

The new and formidable looking package replaces the old card Form 1040A and the old Form 1040 with a new one-page Form 1040 included with the other schedules in the package.

"We have done away with the card Form 1040A because many taxpayers, in choosing this short form denied themselves tax advantages to which they were entitled. It did not provide space for them to claim such benefits as itemized deductions, exclusions for sick pay, retirement income credit, etc."

Jim Dudley of the Ozona

Audit Co. cautions all taxpayers to be sure and use the forms they receive in the mail. The IRS is insisting on using the blue address labels on the forms for which the return form is finally mailed. It is important, therefore, that the taxpayer save the forms so that the blue labels will be available for the completed return.

COLLEGE BOARD EXAM

By Cynthia Harrell

The College Entrance Examination Board test will be taken by thirty-two Ozona High School Juniors and seniors December 6 from 8:00 a. m. to 12:00 noon in the high school library. The achievement tests will be given to students that afternoon.

Students must pay \$5.50 in order to take the Scholastic Aptitude test and an extra \$8.50 in order to take one, two, or three achievement tests required by some colleges and universities.

The S. A. T. tests a student's aptitude in verbal and mathematical areas. The 200 question test lasts for approximately 3 hours. There is no penalty for questions left unanswered, but 1/4 of a point is deducted from a student's final score for every wrong answer. The two S. A. T. scores, the mathematical and verbal, are recorded on a scale extending from 200 to 800.

This standardized testing method is used because high school grading systems are inaccurate since different schools use different grading systems and standards.

The University of Texas, Texas Tech, and most other large universities and colleges throughout the United States require that students take the S. A. T. test in order to be admitted. Teachers urge students to take this test in their junior year in order to get some experience as to what the test is like. According to a C. E. E. S. test survey, 65% of the students had a score increase the second time they took it.

TEST GIVEN TO SR. GIRLS

By Elizabeth Jones

Monday, December 2, the senior girls of Ozona High School were given the Betty Crocker Search for the Homemaker of Tomorrow test. The test is given each year to senior girls all over the nation to determine their knowledge in homemaking. The Ozona girl with the highest tests score receives a charm and her paper goes to state to compete for a scholarship. Scholarships are offered from \$500 to \$5,000.

EXPECT 35 BOYS OUT FOR TRACK

By Cathy Williams

Assistant track coach Rip Sewell estimated that there will be approximately thirty-five boys out for track this year.

Although track doesn't officially start until after basketball season, many are shaping up for track by a cross-country and weight-lifting program. Cross-country is a trek from the track field out to the Shell gas plant North of Ozona. Cross-country averages about five miles.

Track coaches for this season are head coach John Richey and assistant track coach Rip Sewell.

GOSSIP

By Anna Mae Payne

Susan O. sure got a pretty Xmas gift (a ring) from Harlin.

Debbie H. surely did enjoy herself in Miles last weekend.

Susan R. didn't really stay at home last weekend.

Jannette B. has a new admirer from Crane, named Ricky.

Lou E. had a good time in Big Lake last weekend.

The junior girls sure are looking forward to the Xmas day.

David Williams has a secret admirer; would you believe a senior girl?

Everybody must have had a wild time last weekend.

Sure were a lot of Ozona people in San Angelo Saturday.

Sooner and Suzy must have finally got all their problems ironed out.

David W. was glad to see Stacy in San Angelo Saturday.

Is Craig W. really the lover of OHS?

Something must have happened—between Mary Frances M. and Paula R. in the auditorium Monday afternoon before 5th period. Hector E. was seen talking to Magdalena Sunday afternoon.

Why is Matilda Mendez jealous of Nelly and Norma Sanchez?

Ernest Rios sure was mad Monday in Civics class.

Mae and Eddie finally broke up.

Pam had a happy face Sunday when she came home. What about it Moose?

There were a lot of exes in Ozona during the Thanksgiving holidays.

Debbie Kerby got scratched by a bush; could it have been because of Ned?

Debbie H. is like a different girl with her new voice.

What show did Mary Jo Hyde see that was so good?

Debbie, Ned, Mike and Karen had campfire?

Is it true that Kathy Lynn will go crazy when she sees a dollar in front of her?

DEL RIO BASKETBALL GAME

By Anna Mae Payne

The Ozona Lions traveled to Del Rio Friday, November 28 and defeated the Del Rio Wildcats by a score of 66-46. Arturo Torres led the scoring for the Ozona Lions with a score of 19 points, followed by Will Collett with 15 points. The Lions made 60% of their field shots and 45% of their free shots. Coach Charles Speiker said, "So far they have out hustled the other teams and have done a lot better than expected. They have a long way to go and a lot of things to work on, but they plan on improving every game."

The B-team was defeated by the Del Rio Wildcats by a score of 43-34. They made 26% field shots and 32% free shots. Coach Williams said, "This kind of percentage won't win. Our freshman and sophomores are working real hard and so far have been playing against soph. and junior."

TRACK TRAINING

By Sadie Tillman

Many moans and groans about aches and pains were heard today from the boys going out for track. The cross country route consists of an arm walk, rope sprint, isometric bars, running up and down stands, and of course a lot of running. Coach Sewell and Coach Richey are looking forward to a winning season and the boys are more than willing to work hard to make a good team.

SOME ECONOMICS NEWS

By Anna Mae Payne

The Betty Crocker test was given Tuesday, December 2 in the H. E. building during the 9th period and part of the 6th period. It was offered to all seniors girls who were interested in taking it.

The H. E. I. girls are busy making cakes. The girls in H. E. II. have completed garments that are now studying baby care. Costumes for the play Taming of the Shrew, are being made by the girls in H. E. III and IV.

Paula Ramirez, a student in H. E. II, was an entry for the Make It With Wool contest which was held in Kerrville Saturday, November 29. She was in the junior division entry. Her garment was an avocado green dress and coat ensemble.

BOYS BASKETBALL

By Karen Sewell

Coach Charles Speiker's Lions defeated the Central Bobcats of San Angelo 60-52 there Saturday night.

High point for the Lions was David Pagan with 25. Next were Will Collett with 17 and Tommy Jenkins with 11.

The Ozona B team was defeated by the Central Sophomores 37-31, with David Sewell scoring 9 points and Mike Jenkins scoring 7.

Mrs. Fleet Coates is in Shannon Hospital in San Angelo where she is receiving medical treatment.

HI SCHOOL BORO...

By Elizabeth Jones

Out of one year there always a few bad weeks of this looks like it will be of them. Coming back a long holiday always things seem more different. Teachers, please have a pathy.

The boys who were working about the draft in what it's all about. Since they can't or cry the girls will be doing so: them.

Thursday the girls play Rankin and then Friday boys play Rankin. It's obvious that Rankin is for a double defeat week. We wouldn't want any other way.

The juniors and seniors can't even enjoy the weekend. Taking the SAT isn't what you call fun, especially at 8 o'clock on a Monday morning. Maybe, Moody will serve coffee wake everybody up in ways fun to see how creative you are at coloring in the cute little circles.

On Monday the girls play Sonora here. Then on Tuesday the boys are going to beat Del Rio again. Don't forget that both teams need everybody's support.

The week is half over Wednesday. This means the students are almost through with another week of boring "Start studying for your mid-term exams." That always brightens everybody's day. Only the strong survive so good luck to everyone else.

BUT DON'T LOOK
 Georganne James

uch but don't Look is new topic in Mrs. Hayes' English II classes since they studied about Helen Keller.

Then the English II class studied about Helen Keller. The class became interested in Braille, Miss Olivia Sanchez, Hector Etheredge's class, let the classes look at her books which is written in Braille. It is a Braille and is written in Braille.

Ms. Sanchez has been teaching since she was seven. Now she plays the organ and reads Braille on a secondary school. She acquires her books by writing utensils from Texas School for the Blind.

Half over of this means the almost through week of handwriting for you. That's everyone strong survive to everyone.

Recipe of the Week
 From Kitty's Kitchen

Pot Roast of Venison

Trim carefully and remove all surplus fibers, skin and fat from either the haunch or loin of venison. Prepare and lard with salt pork.

Slice and chop 3 carrots, 2 turnips, some parsley, several stalks of celery, pinch of rosemary, thyme, 2 strips of lemon peel, salt, 8 peppercorns, dry red wine and sour cream. Place vegetables and finely chopped herbs in the Dutch oven and equal parts of red wine and water. Bring to a boil and simmer for about a half hour.

Add the larded venison and cover Dutch oven and simmer for about two hours. Then remove the venison in either the Dutch oven which has been well rinsed out or place the venison in a roasting pan and pour the liquid over it, adding 1/2 cup sour cream, and cook slowly until well done.

Serve with potato balls or parsleyed potatoes, cooked whole carrots and red currant jelly.

Deerburgers

2 pounds of ground lean venison, 1/2 pound suet, a handful of moist bread, chopped onion and seasoning. Mix well and fry like hamburgers and you have venison at its best.

HER WINDOW

The Bennetts live here. That's Grandmother Bennett's Bible on the window sill, and the whole family goes to the church across the snow covered field.

John Bennett works in the local bank. Martha, his wife, is president of the PTA, and they have three lovely children. Grandmother Bennett has been living with them for the past couple of years, since she broke her hip. She can't always get to church in wintertime, and that's why she calls this her window. When she can't be in church, it helps to be able to see it.

To her, the church steeple represents a great many things, and brings back many memories. Her son was married in that church. Her husband was buried from it. Her grandchildren were christened in it.

The Church has helped her to bear grief, in hours of sorrow; and it has seemed to put a benediction upon her happiness, in times of joy. Most important of all, whatever the occasion, whatever the crisis... the Church has always been there.

To Grandmother Bennett, the most comforting thing in the world is knowing that it always will be there.

Native Of Ozona Nurse Of Year At Midland Hospital

Mrs. Zeekie (Ruth Currie) Browning, a native of Ozona, was "Nurse of the Year" recently at a banquet in Midland sponsored by Dist. 17 of the Texas Nursing Association. The banquet was part of the Midland observance of the National Nurses Week.

Mrs. Browning is the daughter of Mrs. Ola Currie Bulis of Midland and the late Albert Currie, who died in a San Angelo Hospital in 1930. She is director of insuring training at Memorial Medical Center and was cited not only for her nursing activities but also for participation in community and church affairs and at the same time rearing five children, one of whom was graduated this year from nursing school.

After graduating from Corpus Christi School of Nursing in 1939, Mrs. Browning did office nursing for a short time before her marriage. In 1960 she returned to parttime nursing at Memorial and in 1966 resumed fulltime work as head nurse on the surgical floor. She is active in many civic and church affairs in Midland.

Miss Mildred North has returned to her post as high school librarian after being absent for several weeks due to illness.

Visitors at the Ira Carson ranch during the holidays were Mr. and Mrs. Claude S. Denham of Lubbock and Dr. and Mrs. Clyde Childers of Abilene.

THE ALL-AMERICAN DODGE BOYS Hello, Beautiful Downtown United States From coast to coast, we send our love NEW CHALLENGER—Every decade has its challenger... this is 1970's. Challenger is the only new entry in the sports compact field. Engine choices run from a thrifty Six up to the optional 426 Hemi. Nine models in all, priced to compete with the pony cars. Your new Challenger will change the world you drive in, for good. 1970 MONACO—Test drive the 1970 Monaco. You'll like the new Torsion-Quiet Ride. The engine, the supple torsion bars, and the steering wheel are mounted on a massive frame which is isolated from the Unibody with special rubber mounts in critical areas. The result, Torsion-Quiet Ride. A new concept in luxurious driving. 1970 CORONET—Enter 1970 Coronet. Low on price, big on room. Big? You bet. Coronet seats six adults comfortably. Looking for a car with a price that will drive you right out of the high-rent district? See Coronet. The car that's very big for its price. At the Dodge Boys. See them all now. You could be DODGE MATERIAL. ☆ The All-American Dodge Boys ☆ STUART MOTOR CO. 807 W. Eleventh St. Ozona, Texas

Lion Cagers —

(Continued from Page One)

In a close game with the San Angelo sophomores Saturday night the Lion B team was defeated 37-31. David Sewell was high point man for the Lion B with 9 points. In their first game of the season Del Rio defeated the B team 43-34. Jenkins led the Lions with 16 points.

The Lion freshman team lost 38-24 in their only encounter this far in the season with the Del Rio freshmen. Tim Evans and Mike Williams hit for 7 and 6 points respectively.

ed a tremendous roar heard by persons outside the building and nearby. Mr. Killingsworth and teachers on duty immediately blocked outside doors to the building to prevent children, whose curiosity had been piqued by the noise from inside, from entering the building.

Building maintenance personnel removed desks from the wrecked classroom so that pupils could retrieve their books and personal belongings and clothing and wraps were brought out from the lockers. Pupils will be doubled up in other rooms until repairs and inspections are completed.

GH&SA Elevation is 1,974 feet.

Barnett Serio Exploration will drill the No. 1 Kenley 2 1/2 miles to the north as a 1 1/2 mile southeast outpost to the Adams - Baggett Ranch field and 7 1/2 miles south of Ozona.

Location, on a 2,598-acre lease, is 467 feet from the north and 815 feet from the west lines of 83-0-GH&SA. Elevation is 2,135 feet.

The Canyon Co., Midland, will drill two outposts to the Ozona (Canyon sand gas) field of Crockett County, 30 miles southwest of Ozona. Both projects will be drill-

ed to 7,000 feet with rotary. The No. 2-9 Ira Carson, 1 1/2 miles south-southwest is 1,320 feet from the north and 4,042 feet from the west lines of 9-2-L&GN. Elevation is 2,105.3 feet.

The No. 3-17 J. S. Pierce 3/4 mile northeast, is 2,960 feet from the south and 966.2 feet from the east lines of 17-SL-A. Coker. It was filed as an exception to Rule No. 31.

Christmas Mail —

(Continued from Page One)

Hokit asked that local patrons deposit greeting cards as early in the day as possible. He urged that zip codes be used in both the address and return address, as all mail is sorted by zip code at present. Cards cannot be returned in case of non-delivery unless they are sealed and have a return address.

He urged that addresses on parcels and cards be complete and legible and reminded mailers that zip code is absolutely necessary on all parcels. Zip code books are available to all in the lobby of the post office.

Airmail service is advised on parcels and letters which will be mailed late. Airmail packages overseas will reach destination if mailed before Dec. 13.

Several special services are available for package mailing such as special delivery, special handling, insured, etc. Patrons may inquire at the post office about these services.

There will be no window service in the local post office on Christmas day nor on New Year's Day.

Special letter drops will be used again this year in the lobby for separation of mailings. They will be labeled local, Texas and Out of State.

Patrons are asked to tie mail in bundles before depositing in the special separations. Mail which is not separated in bundles may be handed to the postal clerk.

If expanded service becomes necessary during the holiday season, it will be announced later.

Mr. and Mrs. Ivy Smith had as holiday week-end visitors their son and daughter-in-law, Mr. and Mrs. Carleton Smith and children, Susan, Buddy, Sheila Kay and three-weeks-old Jeffery Frank born Nov. 4 in Imperial.
