**DIDN'T NEED GAS** — This four-mule team pulled into Ozona Oil Co. station Friday but not to fill any gas tanks. Rather, the travelers, the Person Brothers, Norman and Robert, three montas into their coast-to-coast trek by mule train, wanted to refill their water barrels and drink a few cold sodas. Holding the team is Robert with a pioneer type (not the hippie kind) of wal-kers, and in the wagon the wagon boss, Norman, and beside the wagon is Robert's son, Jacky. The travelers camped over the two-day week-end in a bar ditch at the east edge of Ozona. Both the wagon and the mules are rubber shod which makes for a little smoother and a lot less noisy travel on the pavement.

### Kitty's Korner

It seems so strange to me that when an ugly crowd of protestors pursued national guardsmen as they were in retreat on an Ohio University campus this week that when the guardsmen fired, only four innocent people were killed.

You would think that well-trained riflemen would first shoot into the front ranks of the mob, but somehow the only people killed were those who were not taking part in the demonstrations, just going to class or watching in a out of the way place. At least that's what the national news media tells us. Rather than that I had a gun I would shoot the bastards of those advancing on me.

The whole thing is deplorable, but I cannot see how it could have been avoided. Those same news men would have us believe, in fact, I think it is absolutely amazing that more violent student demonstrators have not been killed as they attack police and the military. It is sad to think of the students who have been duped by those disloyal to America who have infiltrated our college campuses throughout this country. Our great institutions of learning are being destroyed from within by this violent minority. I have heard it said many times that the SDS amounts to only a fraction of the student body on any campus. However, I must remind you that the communists were a very major part of the Russian revolution also, and look what happened there.

I firmly believe that these student protests have prolonged the war in Vietnam and endangered the lives of the men there. We need to stop it and do it now. It is a credit to the members of the police and guardsmen who have had to stand in real danger of bodily harm or even death, but they have been able to hold their cool and hold the line at bay without more killings.

However, in view of recent openings it is time to put an end to violence on our campuses by whatever means possible. I do not for one minute think things would have gone as far as they have if those leaders of the mob knew that they were going to be shot at with real bullets when they charge at us trying to keep the peace.

The only possible way we can make our campuses safe for future generations of Americans is to get rid of the communists (Continued on Last Page)

## Brothers Cross Continent In Mule-Drawn Covered Wagon

They live the simple life. No radio, no television, no morning newspaper. Consequently, no news of war, inflation, of campus disorder and street rioting, of murders and suicides.

Norman Person, wagon-master, his brother Robert and son, Jacky, have been traveling by mule-drawn covered wagon from California bound for Florida since Feb. 2 of this year and expect to arrive there about when the snow begins to fly in the more northerly climates.

The forty-niner kind of travelers in reverse arrived in Ozona late Friday, and as is their custom, made camp beside the road just outside Ozona for a two-day rest for both men and mules.

While the mules picked up a little green grass and weeds in the bar ditches, the Person brothers picked up a little cash as they sold giant postcard pictures of their wagon and team and as a bonus to each purchaser they gave permission to write his or her name on the wagon's canvas cover.

The mules no doubt welcomed the stop in the ankle deep grassy land of a wet spring in Crockett county. "The pickin's been a mite

slim to the west of here," said Robert Person of their plans to camp here for the week-end.

Instead of the Prairie Schooner in which the forty-niners traveled west, the east-bound wagoners of today are riding in a wagon equipped with auto wheels and pneumatic tires, and the mules, who must travel on paved highways instead of the dust trails of the pioneers, are wearing rubber shoes. The shoes are cut from 12-ply truck tires car-

riages and fitted and nailed on by Norman Person, a blacksmith by trade. He is also, by the way, a Gold Card holder in the Rodeo Cowboys Association. Brother Robert is a horse trainer and oilfield worker.

"The mules like the rubber shoes and we like 'em too — they cut out the clog-clog of iron shod feet on the pavement," Person said.

The Persons are originally from Gonzales, Texas. They plan to go by Gonzales on their way to Florida and take a two-weeks break, to rest the mules and to visit with the "Person brothers" mother who lives there.

Hitched behind the covered wagon is a trailer in which the camp gear, feed and hay for the four-mule team are carried. Wood for the camp fires is also gathered along the way and cached in the trailer.

The trip started from San Diego, Calif. on Feb. 2 of this year. The travelers make about 100 miles a week — a five-day week, since they make a practice of camping over every Saturday and Sunday. They camped near Fort Stockton last week-end.

"We had been planning the trip for years," Robert Person, who keeps a diary and plans to write a book a-

### R. Armistead Named Director Of Civic Center

Richard Armistead has been employed by the Civic Center Board as director of the Youth Center and of the Civic Center building. He will take over his duties there May 18.

Armistead moved here from San Angelo April 1, 1968. He was an employee of West Texas Utilities Co. for nine years before tendering his resignation January of this year. He is presently employed by South Texas Lumber Co.

He has a wife, Virginia, and three children, Bobby 11, Tom 7, and Cynde 1. He is a native of San Angelo and a graduate of Central High School there. He attended Texas Western University and Angelo State.

Armistead has been a Boy Scout camp counselor, is serving on the local Boy Scout camp council, is serving on the local Boy Scout Council, is coaching a minor league baseball team, is a member of the administrative board of the Methodist Church and recently completed a term as president of the Ozona Rifle Club.

When Armistead takes over, the booking hours will be changed from mornings to weekday afternoons between the hours of 2 and 5 o'clock.

Work has continued on the Youth Center, with a local couple donating a pool table and plans being made for a dance in June.

## Williams Defeats Judge Jones By 19-Vote Margin In Demo Primary

### Mickie Nations Valedictorian; E. Jones Second

Honor students were announced this week for the 1970 graduating class of Ozona High School. Four year averages of this year's senior students were compiled and the results follow.

Valedictorian is Mickie Nations, daughter of Mr. and Mrs. Eddy Nations, with an average of 94.89. Salutatorian is Elizabeth Jones, daughter of Mrs. Brock Jones and the late Mr. Jones with an average of 91.89. High ranking boy is Richard Sanchez, son of Mr. and Mrs. Jose Sanchez, with an average of 91.65.

Other students graduating with a four-year average of 90 and above are Sherry Saunders, 91.65; Eugene Vinson, 90.95; Cathy Williams, 90.72; Mary Frances Martinez, 90.47; Arturo Torres, 90.14, and Chesta Wilson, 90.08.

Crockett County voters went to the polls Saturday and cast a total of 1089 votes in the Democratic Primary. Election results saw county Judge Bernice Jones lose her bid for another 4-year term to Troy Williams, local attorney, by the small margin of 19 votes.

In the only other locally contested race, Glenn Sutton, the incumbent Commissioner of Precinct No. 4, beat his opponent, Erby Chandler, Crockett county rancher, by a total of 163 to 99. Bill Black ran unopposed for Commissioner of Precinct No. 2, assured of his first four-year term by virtue of no Republican opposition in the November general election.

Other county officials re-elected to four-year terms and without opposition are Leta Powell, county clerk; Jim Dudley, county treasurer; Al Fields, Justice of the Peace, Precinct No. 1.

The judge's race, which generated a great deal of interest locally, went this way: Precinct No. 1, Jones 162, Williams, 135; Precinct No. 2, Jones 61, Williams 85; Precinct No. 3, Jones 119, Williams 144; Precinct No. 3, Jones 96, Williams 145. The Power Plant box went for Jones 10 to 7 and the Powell Field box went for Williams 10 to 7. Mrs. Jones carried the absentee box 78 to 26.

In state races, Crockett County went along with the rest of the state, giving Lloyd Bentsen 677 votes to incumbent Ralph Yarborough's 343, almost a two to one majority, for U. S. Senator. Bentsen will face Republican George Bush in the general election in November.

For Commissioner of General Land Office Bob Armstrong received the most votes in Crockett County, as in other areas of the state. Armstrong got 542 votes, Jerry Sadler, the incumbent, received 261 and Fred Williams, 124.

The twelve nominees are Tom Davidson, Peggy Hayes, David Hoover, Georgeanne Jones, Elizabeth Jones, Mary Frances Martinez, Mary Jane Martinez, Jim Montgomery, David Pagan, Monty Pelto, Karen Sewell, and Eugene Vinson.

Other students nominated and listed alphabetically were: George Allen, Nancy Appel, Jim Bob Bailey, Marla Barbee, Eddie Beard, Lou Cox, Cuatro Davidson, Denise Deaton, Diana Deaton, Stacy Dockery, Bridget Dunlap, Skookie Edgerton, Edna Gonzales, Cynthia Harrell, Mary Jo Hyde, Karen Loudamy, Robert Maldonado, Mickie McBroom, Mickie Nations, Jan North, Donald Olson, Gerald Olson, Ana Mae Payne, Louise Perner, Pete Perez, Ernest Rios, Kathy Russell, Richard Sanchez, Dean Shaw, Charlene Strickland, Ruben Tambunga, Suzy Tankersley, Mark Tillman, Arturo Torres, Sylvia Vitela, Debra Wellman, Chesta Wilson, David Williams, Kathy Williams, Chuck Womack, and Melissa Zapata.

## Crockett 4-H To Send Quarter Horse Judging Team To State Contest

The Crockett County 4-H Quarter Horse Judging team qualified for the state contest at Texas A&M in June by winning second place honors at the District-6 4-H Quarter Horse Judging Contest at Odessa last Saturday. The team nosed out Midland by only two points to take second with Ector a close fourth. Reagan County took first place honors with Max and Cheryl Schneeman as team members. Max was high individual in the district for the second year in a row.

Crockett county team members were Jim Bob Bailey, Kay McMullan, Phillip

Perner and Mark Tillman. Lida Tillman was the senior team alternate.

The junior team tied Midland county for third place. Team members were Sally Bailey, Rink Davis, Anne Tillman and Lynn Maness. Ector county was second and Reagan county won first place with Dan Schneemann as a team member.

The Crockett county teams were trained and coached by P. C. Perner and Mrs. Frank McMullan, Jr.

The teams were accompanied to the district contest by Mrs. Frank McMullan, Jr., and county agent Pete Jacoby.

In livestock judging Jim Bob Bailey posted the highest mark in grading beef cattle. The team composed of Jim Bob, Richard Mayfield, and Tommy Conner did not place in the top ten teams. There were 135 teams with 405 boys participating in this contest.

For the second year in a row the Ozona FFA has qualified a team to the State contest in dairy cattle judging. Steve Hubbard, Craig Williams and Fred Deaton composed this year's team which placed fifth at Texas Tech and third in Area II. In individual standings Steve Hubbard was fourth in Holstein judging and eighth in the entire contest. There were 118 schools with 354 boys entered in this contest. This team will participate in the State contest at Texas A&M University this Saturday.

Dallas — Navy Petty Officer Second Class James E. Lovell, son of Mr. and Mrs. Leonard W. Lovell, and husband of the former Miss Juanita S. Borrego, all of Ozona, Texas, is now serving at U. S. Naval Air Station, Dallas.

**Wife Of Ft. Lancaster Park Supt. Opens Gift Shop In Sheffield**

The small west Texas town of Sheffield has a new business. Mrs. Faye Neil Johnston, wife of Bill Johnston, Fort Lancaster State Park Superintendent, is owner and proprietor of "El Gato", a gift shop specializing in objects from south of the border. The grand opening of the shop is scheduled for Friday, May 1.

Mrs. Johnston, the former Faye Chapman, comes from Sulphur Springs in East Texas. She met her husband while attending the University of Texas at Austin and received a degree in mathematics from that institution in 1967. She travelled extensively throughout Mexico before and during her school years, spending a month in Bolivia in the summer of 1964.

In an exclusive interview, Mrs. Johnston talked about her plans for El Gato. "The purpose of our shop is to offer to the people of this area and to coast-to-coast travellers, who have not had the opportunity to venture further than the border towns into Mexico, some of the beautiful things made in the interior. In southern Mexico, whole towns will specialize in one craft. For example, Puebla to the east of Mexico City was the first pottery town in this hemisphere and prides itself today on the execution and quality of its wares.

"We will be selling cotton goods from the famous embroidery town of Aguascalientes. We have heavy copper ware from Santa Clara, a mining town high in the rain forests between Mexico City and Guadalajara. It was a family affair: the littlest children would throw pine chips on the fire, the small boys would pump the bellows, the young men would pound the glowing

lump of copper into a disk, and after this was reheated the elders would pound it into shape and return it to the children for polishing.

"We have firegrained polychromed pottery in two styles from two places. We have wool from Patzeuaro. Also from Patzeuaro comes lacquerware, which is my favorite of the lot because it expresses most completely the basic elements of classical Mexican art, color and complexity of details. The craftsman in this case is Gilardo Horta, who is incidentally a cousin of an old dorm mate. We watched him paint a plate — he had already laid out the design in pencil on the wool — with the finest of brushes at the fantastic rate of about a square inch an hour."

record set by Joe McMullan in 1960. Haire placed second in the 330-yd. intermediate hurdles with a time of 39.9, breaking his own school record.

Freshman Gerald Huff added points for the Lions with a 51.8 for fourth place in the 440 dash.

The two other Ozona boys who qualified for the regional meet had bad luck. Ruben Tambunga failed to qualify for the finals in the 100-yd. dash, and Chuck Womack suffered an injury which made him unable to participate in regional although he had the best pole vault of any boy entered in the meet.

Ronnie Mason, son of Mrs. Woody Mason of Ozona and a student at North Texas State University, was recently elected president of his fraternity, Sigma Nu, by fellow members. His term will extend into the next school year.

### A HEARTENING DEVELOPMENT

The U. S. Department of Justice and Attorney General John M. Mitchell are to be congratulated for taking the initiative to prosecute the leaders of the extremist, violence-prone "Weathermen" faction of the so-called SDS — Students for a Democratic Society.

It is well to note that although they travel under the banner of "students" all of the accused are 21 years of age or over — and that none of them are legitimate "students." Mary Rudd, the national secretary of SDS and leader of the Weatherman faction, is 22 years of age; so are Jeffrey Jones, Terry Robbins, Linda Evans, John Jacobs and Lawrence Weiss. The "veterans" of the movement Bernadine Dohrn and Kathy Boudin are 27 and 26 years of age, respectively. The youngest SDS activist to be indicted was Judy Clark, 21; others include John Jacobs, Howard Maehninger, Michael Spiegel, and William Ayers, all over 21.

The federal grand jury indictment charges that the SDS leaders conspired together "for the purpose of and in order to encourage and induce persons to travel to Chicago, Illinois, to participate in massive, violent riots and other activities," and that they further conspired to conduct training sessions at which instructions were given in techniques of resisting and obstructing police; karate in methods of freeing arrested persons; and organizing and directing small groups called "affinity groups" for the purpose of committing acts of violence against policemen, persons and property.

### HOW NOT TO COMBAT PORNOGRAPHY

The Washington weekly Human Events reports an astonishing letter by Rev. Morton A. Hill, a member of the hold-over President's Commission on Obscenity and Pornography, revealing that in an experiment sanctioned by committee chairman Dean W. Lockhart twenty-one young men were paid \$100 each to expose themselves to "hard, hard core" pornography. This committee, we remind our readers, has somehow managed to spend nearly \$2 million in taxpayer money without producing a single proposal or recommendation to combat obscenity and pornography. It would appear to us that a letter from you to the President on this matter is in order. You choose your own language. Just keep it clean.

### NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department is planning to proceed with the development of the proposed highway improvements on U. S. Highway 67 from the Pecos River east 1.7 miles to 0.9 mile east of the Crockett County Line.

This project will be developed in cooperation with the Bureau of Public Roads, and financing of construction will be 50 percent State and 50 percent Federal; therefore, Bureau of Public Roads' approval has been requested.

The proposed project will provide for the construction of a two lane facility and a grade separation at the AT&SP Railroad with U. S. 67 underpassing the railroad. The underpass structure will replace the existing underpass and provide a safer facility located approximately 200 feet west of the existing structure. The relocation of the underpass structure will require relocation of the US 67 route for approximately 9000 feet on variable width right of way with a minimum of 150 feet.

Maps, drawings showing geometric design and all other available data concerning the development of this project may be inspected at the Resident Engineer's office at Box 949, McCamey, Texas.

### Miss McAlister, Mr. Jones Wed In Saturday Ceremony

Miss Joy Kathy McAlister and Eddie Mitchell Jones were united in marriage Saturday, May 2, at 8 p. m. in the Gartman View Free-well Baptist Church, with the Rev. Homer Tumbleson officiating.

The bride's parents are Mr. and Mrs. Ray Power of Energy, Texas, formerly of Ozona. Bridegroom's parents are Mr. and Mrs. Robert Jones of Comanche.

The bride, given in marriage by her step-father, chose a floor length gown of white chantilly lace and cheer organza. The empire gown featured camelot sleeves and a high neckline, accented with a lace ruffle and small organza covered buttons accented the front. The chapel length train was attached by a large bow in the back. Her elbow length veil of silk-illusion was held up by a row of white flowers. She carried a bouquet of roses and carnations.

The couple plans to reside in Comanche where Mr. Jones is self employed at Limerock Manufacturing.

Among out of town guests were Mrs. Doyle Easterwood and Lisa, Mrs. Bill Cavanaugh and Mrs. Buster Loudamy of Ozona and Mrs. Duwain Vinson and Mr. and Mrs. Fred Freeman of Big Lake.

### Ozona Players Major Winners In Womens Tourney

Mary Webster and Joan Nicholas won the championship flight Saturday in the Annual Ladies Partnership Golf Tournament, sponsored by the Ladies Golf Association at the country club. A field of 64 golfers played 18 holes in the one-day tournament.

Other winners were (golfers from Ozona unless stated otherwise) Dorothy Montgomery and Pat Barbee second; Ernestine Hext of Eldorado and Wanda Cahill of Sonora, third, and Bobby Fawcett and Sammie Espy, both of Sonora, fourth, all in the Championship flight.

First flight winners were Billie Jean Baggett and Ellen Mahon, first; Margaret Gunter and Ida Mae Brown, both of San Angelo, second; Gay Emery and Pat McKelvey, both of Iraan, third, and Margaret Smith and Virginia Coney, San Angelo, fourth.

Second flight, Sandra Childress and Barbara Currie of Abilene, first; Mary Robinson and Rose Doyle, Eldorado, second; Mary Waldron and Eddie Mae Kinser, Eldorado, third, and Margaret Frost and Melissa O'Harrow, Eldorado, fourth.

### MRS. SELLERS VISITS

Mrs. Henry Sellers and son, Mark, were weekend guests of Mrs. Ralph Watson and Mrs. Henry Carden while Mr. Sellers took his choir from Midland Lee High School to perform in the Buocaneer Festival at Corpus Christi. Mrs. Sellers is the former Wanda Carden.

The Lee Choir was one of 26 choirs from four states to compete in the meet. The choir was named Outstanding Choir at the festival, received superior rating in a cappella, girls' chorus and madrigal.

### DUPLICATE BRIDGE

Winners in Duplicate Bridge Club play Saturday were Mrs. Robert Cox and Mrs. J. M. Baggett, in a tie for first place with Mrs. John Childress and Mrs. Gerald Murray.

Tuesday night winners were Mrs. Robert Cox and Mrs. Jake Short, first, and Mrs. Jack Wilkins and Mrs. Lindsey Hicks, second.

### Interest Rates On Federal Land Bank Loans Cut

A. E. Prugel, Manager of the Federal Land Bank Association of Sonora, received word today that The Federal Land Bank of Houston has reduced the interest billing rate on variable rate loans to 8 1/2%.

The variable rate loan plan, which was introduced by the Houston Bank last July, lets the interest rate "float" over the variations in the money market. In large measure, therefore, the rate in any specific year will reflect the changes in the price which the Bank must pay for the money it makes available for farm mortgage loans.

"Recent improvements in the money market have made this reduction possible," Mr. Prugel stated.

The Federal Land Bank of Houston makes long term real estate loans on farm and ranch lands throughout Texas. On January 1 of this year, the Bank had slightly over one-half billion dollars in volume of loans outstanding. The local association makes and services loan in Sutton, Schleicher & Crockett Counties. Members of the local board of directors are Frank Bond, Pleas L. Childress, Jr., Chas. E. Davidson, III, Otis Deal and James T. Williams, Jr.

### Harrell Waiting In Washington For New Assignment

Comes a note from Ray Harrell, recently returned from three years as a U. S. envoy to Chad, in Africa and now back at the State Department in Washington awaiting a new assignment.

"As of this minute, it looks as though we will be in Washington for two years. The wheels of bureaucracy turn very slowly and unpredictably," Harrell had expressed a desire for a new overseas assignment if possible. He wrote that he and his wife, Charlotte, "hope the wheels will spin a little faster once a decision is made for we are anxious to settle down to just explain everyday living."

Harrell is the son of the late and Mrs. R. A. Harrell of Ozona.

## EDITORIAL

By David Hoover

Twelve years of hard labor are about to end, and another few years of harder work are about to begin. For many people their graduation from high school is the turning point in their lives.

A diploma is worth the time spent getting it. Unlike an award for staying on a job, this reward is one that can either make or break a person's future life.

But just because a person's got this far, he shouldn't give up or decide that this is as far as he should go. He should try to continue to better himself, and build himself up to be a better citizen and businessman.

A college education is worth the little extra time required to obtain it and will enable the graduate to do much more in life.

## STUDENT PERSONALITY

By Sadie Tillman

Jack Baggett is a 15 year old freshman. He has brown hair and brown eyes. Jack was awarded the Junior Showmanship Award in FFA, this year. Jack has taken part in football, and golf. He says his summer plans are to "get out of Ozona before someone puts me to work." Jack says he's glad that school is almost out because there is more time to goof around and do things I want to instead of getting beat up by teachers. His favorite food is medium rare T-bone steak; his favorite color is brown; his favorite sport is golf; his favorite activity is driving golf carts; and his favorite past-time is listening to his sister, Joanie, on the telephone.

Jack's parents are Mr. and Mrs. Jack Baggett and he has two sisters, Joanie and Betty.

## STUDENT COUNCIL

By Karen Sewell

Friday, the Student Council officers for the 1970-71 school year were elected. David Pagan and Cuatro Davidson ran for president and David won the election. Cuatro is now the vice-president. Georganne Janes defeated Charlene Strickland for the secretary post.

Monday, in class meetings, representatives for the student council were nominated. Running for Junior class representatives are Charlene Strickland, Karen Sewell, Alton Everett and Mike Schneider.

Sophomore nominees are Jan North, Peggy Hayes, Eddie Beard, and Chuck Womack. Freshman running for representatives are Lou Cox, Darolyn Wilson, David Sewell, and Gerald Huff. 8th graders are Jenni Womack, Nikki Harrison, James Knox, and Oliver Payne.

Campaign speeches will be made Thursday in assembly and voting will be done Friday.

## FFA

By Elizabeth Jones

Three FFA students traveled to Texas A & M last week-end for the state FFA contest. Fred Deaton, Craig Williams, and Steve Hubbard were accompanied by Jim Davee, vocational agriculture teacher to the contest.

These boys, who qualified at the FFA contest in Lubbock last week-end, competed against teams from all over the state of Texas. They were rated on their ability in judging dairy cattle.

## FIRST SEMESTER HAPPENINGS

By Diana Reaton

Many exciting and not so exciting things happened in the first semester of school this year.

The thing in the sky caused a great deal of excitement. What everyone thought was a sign that the world was coming to an end turned out to be the results of some testing being done in New Mexico.

The most tragic moment of the year was when the victory bell broke on its way to Junction. This put Diana and Betsy out of a job as bell ringers and almost put David, Eugene, and Ned out of their misery.

There was some scenery added to the cop stop in September when someone tied a dead rabbit to the pole with a beer in his paw. This seemed to be the year for football injuries. A few

## To My Friends In Crockett County

My sincere thanks to each of you for your support and help during my campaign for re-election. You took me at my word, that I would do what I felt was right and best for Crockett County because I could not promise you any "instant cures" for all of our problems.

I want to thank the people that I have worked with the past 4½ years. They have all gone out of their way to be helpful and cooperative.

It has been an honor and a privilege to serve as County Judge of Crockett County and an experience in my life that I will cherish always.

My office will be open as usual, until my term expires. Please do not hesitate to call on me for any public service that I may fulfill.

Thanks again — you're the finest friends a person could have.

### Do it today... not 'someday.'

Perhaps you have long dreamed of owning a Cadillac... then reluctantly settled for some lesser car until that "someday"...

You could find no better reason to make that "someday" come true today than the brilliant 1970 Cadillac.

Consider, for example, the grand Cadillac Sedan deVille, shown above. It is the most popular of all Cadillacs. Its impressive elegance suggests the driving pleasure inherent in its luxurious interiors, its host of comforts and conveniences and the superb performance of its great 472 V-8 engine.

Once behind the wheel, you'll enjoy the near effortless handling

provided by Cadillac's variable-ratio power steering, power front disc brakes and brilliantly smooth Turbo Hydra-matic transmission, standard on every Cadillac model.

And you can enhance your motoring enjoyment with available Automatic Climate Control air conditioning, Tilt and Telescope steering wheel and the incomparable sound of Cadillac's exclusive AM-FM Signal-seeking stereo radio.

We think you'll agree, once you've driven the 1970 Cadillac, that you've waited long enough. And your authorized Cadillac dealer will be proud to help you make your "someday" come true... today.

Washington News Letter

Congressman O. C. Fisher

Last week the House approved a bill geared to cut down on obscene material in the mail. Opposition was negligible. One of two major provisions would make it illegal to mail to anyone under 18 photos or written material deemed "harmful to minors."

In this measure, of which Fisher was co-sponsor, he attempted to apply restrictions on the mailing of filth in performance with limitations set up by Supreme Court decisions on the subject. In addition, a criminal offense may be committed if senders of such material to recipients have previously informed the Postmaster General they do not intend to receive obscene mail.

The nation shuddered the other day when the New York City patrolmen threatened to pull a city-wide strike, which was postponed after a court injunction was issued against the walkout, with a claim of 80% participation.

It was reported the police were inspired by the recent postal strike, which centered in New York City. The matter, involving nearly 200,

000, was in violation of criminal laws which make any federal employee who strikes guilty of a felony. It remains to be seen whether a grand jury will return indictments, against the offending postal workers. And the same goes for airport controllers who may be subject to prosecution.

Federal education aid for 676 college students has been terminated because of participation in campus disruptions, the U. S. Office of Education reports. The Congress ordered this action. Indications are this number will increase significantly this year due to the rash of student riots and other misbehavior. The real big mystery is why every guilty one is not also expelled from school. Some of them are dismissed. The schools that lower the boom on these spoiled brats find they have much less trouble.

Speaking of dissidents, 687 of Castro's loyal U. S. cane cutters have just returned, singing Communist songs and praising their Cuban here.

It's a shame court decisions have ruled out punishment for these characters who made the propaganda trip from a Canadian port, without U. S. passports. It's too bad they can't all be barred from re-entry.

Georgetown — Dwight Childress son of Mr. and Mrs. John W. Childress has been elected Vice-President of Phi Delta Theta fraternity at Southwestern University. He will serve in this office for the coming year.

TIPS For Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

Due to an unpredictable late spring, grass is late coming out as well as many spring blooming shrubs and flowers. May is not too late to plant more Glad bulbs for late blooming. Support those that are about to bloom with a strong stake.

If climbing roses have finished blooming, cut them back and remove all dead limbs. Prune all shrubs that have finished blooming. Do not delay, as this is the only time to prune early flowering shrubs.

Divide and reset iris when blooming has finished and before weather gets so hot.

If lawns haven't been fertilized, they should be now with commercial plant food.

Potted plants may be brought outside now to become hardened before the sun gets too hot. Place in shade for a few days.

Continue your spraying program.

After the present cold spell it should be warm enough to plant tender bedding plants.

Cannas give you many flowers and are making a strong comeback in our gardens. They are easily grown in fertile, moist soil in full sun or part shade. Their "banana tree" foliage and showy blooms give a tropical accent to the summer scene. They are attractive in beds to themselves, massed in front of shrubs or in tubs on the patio or terrace. If dividing old roots, cut the root mass into sections with a growth bud on each piece, using a sharp knife. Plant pieces 12 to 24 inches apart at 3 to 5 inches deep. Varieties introduced in recent years include Giant, King Midas, a pure gold; Hongoria, soft pink; The President, scarlet; Apricot; Richard Wallace, yellow; Pfitzer's Dwarfs, cherry red; Chinese

HIGHLIGHTS AND SIDELIGHTS

From Your State Capital

"TALKING LICENSE" — Texas Public Safety Commission is considering possible future use of a "talking driver's license." Project is under development by DEK Processes Division, the firm that makes pictorial licenses for the state.

Proposed "talking" license would resemble a credit card and provide DPS officers with an instantaneous of checking on drivers. Card would have a magnetic number on the back (in computer code) which could be fed to a computer center over police radio.

Computer would send a print back to the apprehending officer within 30 seconds, indicating whether a person is wanted, the number of previous traffic violations, and so forth.

NATURAL FIBER STUDY — Chairman Charles Scruggs of the Interim Committee on Natural Fibers appointed subcommittees to assault the problems of the state's natural fiber industry. "Our goal is to add a billion dollars to Texas' farm income in five years," Scruggs said. "That's why we don't just want to write a report. We hope this will be an action committee."

Scruggs named the following to the subcommittee on cotton, wool and mohair export development: Rep. Hillary Doran of Del Rio, Sen. Wayne Connally of Floresville, Hillsboro Cotton Farmer Dan Pustejovsky and National Wool Growers Pres. James Powell of Fort. McKavett.

To study textile industry development he appointed Sens. J. P. Word of Meridian and W. E. (Pete) Snelson of

Coral, Porcelain Rose, Primrose Yellow and Salmon Pink.

Midland, Rep. Charles Finneil of Holiday and Scruggs. To study producing and marketing systems development, he appointed Rep. Delwin Jones of Lubbock, Sen. Snelson, Powell and Pustejovsky.

C. W. (Dub) Whittenburg of Waco was the house guest of his Aunt and Uncle, the J. B. Miller several days last week.

THANK YOU, VOTERS OF CROCKETT COUNTY

FIRST: A WORD OF APPRECIATION FOR EACH PERSON WHO PUBLICLY AND OPENLY WORKED FOR MY ELECTION — without the efforts of anyone of you I would have lost. I owe you a debt of gratitude for the marvelous way you "stood up to be counted" — your encouragement carried me through the strenuous campaign

SECOND: A WORD OF APPRECIATION TO EACH VOTER WHO VOTED FOR MY ELECTION — let me only say, humbly, THANK YOU. I will work hard to justify the confidence placed in me.

THIRD: A WORD OF APPRECIATION TO EACH VOTER WHO CONSIDERED MY QUALIFICATIONS — whether you voted for me or not — you did consider me — THANK YOU.

FOURTH: A WORD OF APPRECIATION TO EACH VOTER WHO SUPPORTED MY OPPONENT — I appreciate your steadfast efforts in behalf of the one you felt best qualified —

FIFTH: I WANT TO PUBLICLY THANK MY OPPONENT FOR RUNNING A CLEAN RACE — WITHOUT MUDSLINGING.

NOW: LET US Unite as Citizens of Crockett and work to make Crockett County an even better place to live in.

REMEMBER: I DO NOT TAKE OFFICE UNTIL JANUARY 1, but, I am ready and willing to do what I can as a CITIZEN OF CROCKETT COUNTY to help solve our Problems

AGAIN: To each VOTER I want to say, humbly, Thank you, may I merit your support.

TROY WILLIAMS

This is Oldsmobile's year at Indy.

Isn't it your year for an Olds?

The knowing folks at Indy just named Olds 4-4-2 official pace car for this year's 500.

For good reason. Olds is not only an excellent performer, it's a winner in looks and ride as well.

The fact is, every 1970 Olds is a pacesetter. And it goes far deeper than performance.

You find it in great engineering. In exceptional comfort in ride and handling that are outstanding. And in the solid quality and dependability you've come to expect from Oldsmobile.

In fact, it's this quality that leads many people to believe that Olds is priced out of

their reach. A mistaken notion that might keep you in an ordinary car, instead of an Olds.

The truth of the matter is that many Olds models are priced right down with the low-price names.

Now that you have the facts, isn't this your year to go Oldsmobile? You can probably do so for no more than what you've been paying. See your nearest Olds dealer!

OLDSMOBILE Escape from the ordinary.

**Lions Roar**

(Continued from Page Four) boys injured were Curtis Weant, Chuck Womack, Moose Coates, Gregory Stuart, Philip Perner, Tommy Jenkins, Pete Maldonado, David Pagan, David Sewell and Mike Schneider.

Karen Sewell was crowned football queen and then promptly tried to burn down the stadium with the fire batons.

Mike Womack decided to watch Miss Moeller make out the English IV mid-term exam and climbed through the rafters of the magazine room of the library over the adult library and looked through the ceiling. That was his first and last time to try that.

**HIGH SCHOOL HOROSCOPE**

By Elizabeth Jones

Finals, finals, finals, and finals, seem to be the subject favorite to all teachers. Students still haven't heard a word they've said yet; after all, there's two more weeks. Why worry about it now?

The days drag by, but afternoon there's a lot to do. Swimming, and well, surely you can think of something else.

The seniors who haven't already gotten a big head will get one this week with caps and gowns given out, Senior day, parties, and no finals. After two weeks of putting up with seniors OHS will give diplomas at graduation gladly.

**SECOND SEMESTER HAPPENINGS**

By Georganne Janes

After recovering from the the jolt of finding almost all the textbooks piled neatly in Mr. Guntherberg's room, the second semester really began, with the worst thing possible report cards. Ozona had the Annual Basketball Tournament, which all the girls enjoyed because of the out-of-town boys. The varsity played Big Lake for championship, but ended up second by 1 point. The B team won consolation.

Mary Jane Martinez, Sylvia Vitela and Kate Williams went to the Area Band Try-

outs. The Baptist Women's Missionary Union gave a banquet honoring the Seniors. There were mixed emotions when the schools were closed for 3 days due to an outbreak of paratyphoid fever, which also caused the 4-H Livestock Show to be postponed for a week.

Jim Bob Bailey copped several top honors in the Annual FFA Show and Mark Tillman and Alton Everett also won awards.

The Jrs. are slowly slipping away. Deborah Bishop got engaged and they lost Gwen Loudamy when she got married after a short engagement.

Elizabeth Jones won the Betty Crocker Homemakers of Tomorrow award. She also traded Randy's Sr. ring for his fraternity pin.

The Basketball girls ended their season and chose Arturo Torres as the Basketball Beau.

Gerald Huff, Mike Haire, and David Pagan qualified to go to the Regional Track Meet, where Mike and David qualified to go on to State.

Jim Montgomery, Will Collett, Mickey McBroom, Mike Jenkins and Mike Schneider decided their long hair was in the way so they got almost all of it cut off, to the shock of the rest of OHS.

The Basketball boys crowned Anna Mae Payne Queen at the last home game.

Mike Haire and Diana Deaton were elected as Mr. and Miss OHS.

Mr. Guntherberg's drama class finally got to present their play, Taming of the Shrew, which they had worked on forever.

The Band went to Concert Contests and returned with a 2 in Sightreading and a 3 in Concert.

The Seniors were honored with their first party and were served Mexican food at the El Sombrero.

Kathy Lynn Russell was chosen as Lions Club Sweetheart.

The Juniors and Seniors began to think about research papers and a few even did a little research before the night before the papers were due.

Guy Hester, Burl Adwell, and Cathy Williams—Crash

— had a 3 car crash while Cathy was just sitting there in the car reading her library book.

It is obvious that the year is coming to an end because we are beginning to wind things up. Student Council officers were elected and they are David Pagan, President; Cuatro Davidson, V. Pres.; and Georganne Janes Secretary. Most Beautiful and Most Handsome nominees for Student Council.

A year has come and gone again. We've lost some friends and made some, too. A few will go away, but most will stay. The good times will come again and the bad times we'll forget.

**FASHION SHOW**

By Cynthia Harrell

The Home Economics Department style show will be presented Monday, May 11 at 8:00 p. m. in the Ozona High School Auditorium. The theme for this year's style show will be "Out of this world Fashions."

The approximately 55 girls who will model in the style show will present fashions for all seasons, ranging from summer play-clothes to winter suits and formals.

Miss Varnelle Brooks, the H. E. teacher, will serve as fashion coordinator, and Mr. Thomas Guntherberg will design the set for the stage.

**ARTS AND MAP PROJECT**

By Ana Mae Payne

The students in World Geography and World History classes taught by Mr. John Richey's made maps and paintings which were entered in the Woman's Forum Show. An Indian boy painting by Keith Bailey won first place. A map of the United Kingdom made by Roy Garza, Juan Coy and Elisa Mendez won the second place award. Ribbons were given to the winners.

Other maps which were entered in the show were: a map of the Benelux Countries made by Rene Tambunga, Armando Arredondo, Gene Martinez and Mary Helen Ramirez; The Ruins of the Temple Delphin made by Debbie Hohertz, Kathy Brooks, Edna Gonzales, and

Magdalena Sorola and a map of Rome, Italy constructed by Nellie Sanchez, Peggy Hayes and Eddie Beard.

**FINALS**

By Cynthia Harrell

Well, it's almost over. Seniors are almost out of jail (school). The exemption grades set by the individual teachers have now been established. These exemption grades range from science and math teacher's Mr. Franklin Reavis, 98.3 semester to Mr. Thomas Guntherberg's (speech and civics teacher) and Mrs. Jerry Hayes (Journalism) 70 semester grade average.

Commercial arts teacher Mrs. Louise Taliaterro, home economics teacher Miss Varnelle Brooks, and Spanish teacher Mrs. Charles Edger-ton have set their exemption grades at 85 while English teacher Miss Suzanna Moeller has set the exemption grade to 90.

The date the test is given is established by the individual teachers. The English test will be taken next Tuesday, May 12. Algebra II, Math IV, and Chemistry tests will be administered next Wednesday, May 13. The physics test is being given in three parts. The first part was taken May 1, the second section was taken Wednesday May 6, and the last part will be taken Tuesday May 12.

**SENIOR LEAVINGS**

By David Hoover

We, the Seniors of 1970, leave the following to OHS: A bird in the hand for every two in the bush. A bushel of nuts to each squirrel. A banana to all the goldfish. A pirahuana fish to the biology lab.

A little formic acid to the chemistry lab. Sky hooks to all those without a parking place.

A fire hydrant to every corner for those that are hot.

A can of air refresher to the halls.

A bottle of No Doze for study hall.

A silent loud speaker system.

A pair of rubber insulators for each board.

The run of the school to the underclassmen.

A year's supply of irritation to the teachers.

A lucky toenail to all those in civics.

A new set of glands to those that sweat out this next year.

**CHEERLEADERS ELECTION**

By Karen Sewell

The 1970-71 cheerleaders for OHS were elected Tuesday and Wednesday from a field of 16 girls.

Tuesday, Karen Sewell was elected as head cheerleader with 194 votes. Suzy Tankersley, with 150; Georganne Janes with 127; Sharon Barbee with 123, and Stacy Dockery with 122 were elected to represent OHS next year.

Wednesday, a run-off was held for the sixth cheerleader between Karen Chapman and Bettina Martinez.

Karen won the position of sixth cheerleader, with Bettina elected as alternate.

**DUNCE OF THE YEAR**

By Patsy Sikes

For the first time in the history of Ozona High School a dunce of the year award will be given. Nominees are, Craig Deaton, Reggie Kerby, and Craig Williams.

After careful thought and study on the subject, Reggie Kerby was chosen as dunce of the year of 1969-70. The

contest was very close, with Craig Williams placing second.

Reggie, a 5-6, curly headed, brown haired junior, was chosen for his outstanding abilities as a dunce. Although Reggie has only been here for one school year, he has succeeded in getting licks at least once a day, driving Miss North crazy, eating candy and drinking cokes in most of his classes, skipping classes, giving Mr. Hicks an ulcer, and making Mr. Moody wonder if it's all worth it.

Reggie was chosen only for his dunce abilities at school but outside of school as well. He is famous for falling asleep on lonely roads putting trash cans in obvious places, and running over rocks. Reggie has also served in Detention Hall several times.

**GRADUATES FROM VMI**

Charles E. Davidson Meybinson of Mr. and Mrs. R. J. Meybin of Sewickly, Pa. is a member of the 1970 graduating class of Virginia Military Institute. Commencement exercises at the Institute will be held at 2 p. m. Sunday, May 17, in front of Preston Library. Final exercises will begin Saturday morning May 16, with an 11 a. m. military review a dinner for the Corps of Cadets, and in the afternoon commissioning ceremonies graduation parade glee club concert and the "Graduation Hop."

Young Meybin is a grandson of the late Judge and Mrs. Chas. E. Davidson of Ozona.

**Everybody is looking for a bargain.**  
**Here's one you can believe in.**

What makes the Buick LeSabre sell such bargains?  
We're dealing, for one thing. Spring is here and we're making up for lost time during those cold winter months when everybody stayed home by the fire.  
We're going to make it real easy for you to get into a Buick and celebrate Spring.  
But that's only part of what makes a bargain a bargain.  
What about the car? Can you believe in it?

Every Buick is built with integrity. You get things like a cooling system that should never overheat, even with air conditioning.  
You get Buick's unique suspension system—AccuDrive—that makes this LeSabre one of the best handling Buicks ever.  
You can even order a 350 cubic-inch V8. With four-barrel carburetion. That delivers 285 horsepower. Yet runs on regular gas.  
So, let's put it this way. If you want a bargain, we've got the ingredients. The car. And the deal.  
Wouldn't you really rather have a Buick?

Members of Former Ozona Family Involved In Weird Tale Of Evil Spells, Witchcraft And Beatings

A weird tale of witches, witchcraft, evil spells and beatings involving a group of Ozona natives came to light here this week with the receipt of newspaper clippings from a Fayetteville, Ark. newspaper giving an account of the strange goings on.

The story revolves around the children and estranged wife of Jesus Perez of Ozona. The happenings came to light when 16-year-old Cindy Perez and her sister 28-year-old Sheila Perez Garmon were found brutally beaten by officials in Washington County, Ark.

Sheila had been brought to the county jail early one morning in late February. When she arrived at the jail, it was evident that she had been badly beaten and was taken to the hospital for treatment of her injuries, the newspaper clipping revealed.

After interviewing Sheila, Sheriff Bill Long quoted her as saying that she and her sister, Cindy, had been beaten repeatedly by Sheila's husband, Donald Richard Garmon, Sarah Brown and her husband W. A. Brown and the sister's mother Mrs. Maria Perez, because the girls had cast a spell on one of Sheila's five children.

Sheila said that her daughter had been suffering epileptic seizures for some time and that her family, along with the Browns had accused her and her sister of witchcraft because they had "cast a spell" on the child.

She told officers that she and Cindy had been chained to a washing machine in Brown's house, about 100 yards away from the house in which the Garmons live with the Perez family. She told officers that persons who had been beating her and her sister included her 14-year-old sister, Ella and a teenage brother, Richard. Mrs. Garmon said that she and Cindy had been chained to the washing machine and beaten repeatedly with a rubber hose and several braided ropes over their en-

tire bodies. Sheila said that she escaped by filling through the chain that held her bound to the washing machine and left her younger sister.

Officers picked up Cindy at her home in a rugged section of the county and took her to the county hospital. The attending physician said that the two sisters had been beaten as badly as he had ever seen. Each of the sisters had bruises which covered most of their bodies and both had suffered serious facial lacerations.

Cindy verified Sheila's story as she was being driven to the hospital in the back of a police car. She said that Mrs. Brown said that the voice of God came to her and told her to beat the evil spirits out of her and her sister. Both sisters said that Mrs. Brown was a prophetess for a Jamaica-based religious cult and that the Brown-Garmon-Perez family had made several trips to Jamaica to consult with the leaders of the cult.

The girls said that they had been tortured about a week by their families before the story surfaced.

The four grown-ups were charged with maiming the two sisters and were released from custody on \$2,500 bond each. The two teenagers were placed under \$100 bond as material witnesses. All the older children in the Perez-Garmon families told officers that they were born in Ozona. The five Garmon children were placed in temporary custody of county welfare authorities in Fayetteville. All those involved pleaded "not guilty" to the charges brought against them.

The sisters spent sixteen days recovering from their beatings in the Washington County Hospital. Meanwhile a motion was filed by Mrs. Perez and Garmon that the sisters were being "unlawfully restrained" in the hospital. The appeal was denied.

Both sisters have said that they do not want to return to their family home near

Lincoln, Ark. because they "don't want the same thing to happen again". During their stay in the hospital the girls reported that Donald Garmon and W. A. Brown had told them that they would be sentenced to the electric chair if they reported the beatings to police.

At last report, the two sisters were staying in a local hotel until authorities could find a place for them to live. Neither sister wanted to go home, pleading that they were "afraid". The four persons charged with maiming in connection with the beatings, who have entered pleas of innocent to the charge, are currently free on bond, pending trial.

Rankin Club To Host Partnership Tourney May 9&10

One of the more lucrative golf tournaments on the West Texas "amateur tour" will be staged by Rankin Country Club when they host golfers from the area May 9 and 10 in their annual two-man partnerships. Play will be on a best-ball basis.

With 12 teams to a flight, five are going to win prizes. Flight winners will be awarded a proline set of 9 irons; second place will get four pro-line woods, third place earns a pro-line golf bag, a carry-all bag goes to 4th, and a set of club covers to 5th place.

Entry fee is \$27.50 per team and is payable in advance. Play is to be limited to the first sixty teams. Only those eligible to accept prizes will be permitted to participate. There is no age limit.

Action will open Saturday with the qualifying round, followed on Sunday by the finals. Both day's scores will count in determining the winners.

### Completion Try In Todd Field; Test On Perner

J. S. Abercrombie Mineral Co. Inc. was taking a potential test at its No. J. S. Todd, in 17-YZ-EL&RR, Crockett County indicated Crinoidal discovery 18 miles east-southeast of Iraan and same distance west-northwest of Ozona, 2 1/2 miles west-northwest of the Todd, Southeast (Grayburg and San Andres) field and eight miles west of the Todd, Deep (Crinoidal and Ellenburger) field.

Operator was effecting completion through perforations from 6,808-20 feet.

Earlier it tested the Fusselman unsuccessfully through perforations from 7,144-49 feet. Slated to 7,900 feet to test the Ellenburger and Crinoidal, it was drilled to 7,912 feet, with 5 1/2-inch casing set at 7,232 feet.

Texas Oil & Gas Corp., Midland, will drill the No. 1-A Perner Ranch as 1/2-mile south outpost to Chambers & Kennedy No. 1 Perner Ranch, opener and lone producer in the Perner Ranch (Simpson) field of Crockett County, 16 miles southeast of Sheffield.

Location, on a 320 acre lease, is 1,320 feet from south and west lines of 40-2-1&G-NRR. Contract depth is 9-800 feet.

It is also 1 1/2 mile southwest of the one-well Cox, North (Strawn and detrital) field.

The Simpson discovery was finalized Jan. 30, 1968, for a calculated absolute open flow of 13.5 million cubic feet of dry gas per day, through perforations at 9-398-414 feet.

Mrs. Clark Barton returned to her home here Monday from a Big Lake hospital where she spent last week receiving medical treatment.

### New Officers Of Woman's Society Named At Meeting

The Woman's Society of Christian Service met Wednesday at the church with Mrs. James Lively presiding. She expressed her appreciation for the effort on the part of the local chapter which made the annual district meeting successful.

Mrs. Stephen Perner, chairman of the nominating committee, read the list of incoming officers. They are as follows: president, Mrs. James Lively; vice president, Mrs. Floyd Hokit; ex-officio, Mrs. Bailey Post; secretary, Mrs. R. A. Harrell and treasurer, Mrs. W. D. Cooper.

Chairmen of various committees are Mrs. S. M. Harvick, Mrs. John Berkley, Mrs. Douglas Fisk, Mrs. Stephen Perner, Mrs. Ralph Jones, Mrs. Wayne Gooch, Mrs. L. B. Cox, Jr., Mrs. M. C. Couch and Mrs. Joe Pierce.

The evaluation report was

read by Mrs. Joe Pierce and Mrs. Douglas Fisk reported on the Call to Prayer and Self Denial Program which was held Friday, April 24. She reported that a special offering of \$102 will go to the General Division of WSCS to promote work with minority groups.

Mrs. Fisk also led the program on "The American Indian, A Forgotten Minority." Mrs. Fisk and her husband, Doug, were teachers in the Greasewood Boarding School at Ganado, Ariz. before coming to Ozona. The school is on the Navajo reservation and is a government school under the Bureau of Indian Affairs.

The program opened with prayer by Mrs. L. B. Cox, Jr., and a duet by Mrs. Fisk and Mrs. John Berkley. Mrs. O. D. West read the Indian version of the 23rd Psalm.

From her first-hand knowledge, Mrs. Fisk told of the conditions of life on the reservation, the needs, the

### The Big Holdup!

Chances are good you're being robbed right now — not by desperados, but by common stomach and intestinal worms that infest your sheep or goats, cut into gains and wool production... can cost you thousands of dollars every year. There's one sure way to stop the loss. That's with Early Bird Drench and regular feeding of products containing small daily doses of phenothiazine. Early Bird Drench helps rid your animals of worms — fast. It's made with phenothiazine that's been purified to remove inactive particles and achieve greater worming action. Early Bird gets up to 25% more worms with every drench... is effective against all the important types, including strains the higher-priced wormer misses. But no drench — not even Early Bird — can control worm larvae that develop in grass and reinfect grazing animals. That's where the small daily dose of phenothiazine comes in. It keeps worms from laying the usual large numbers of eggs inside the animal... and eggs that are laid are mostly abnormal and don't hatch. The daily dose of phenothiazine helps "clean up" pasture, protects sheep against new infestations... makes regular worming much more effective. The additional cost of feeding a product containing a small daily dose of phenothiazine amounts to only a fraction of a cent per head per day... takes no extra work. But it really works... can pay substantial dividends on every animal in your flock! Next time you buy feedstuffs, ask your dealer for Early Bird Drench and products containing phenothiazine. There's no better time to get started than right now!

 agitators and do it now, by whatever means at hand. In years past traitors were hung. Is it so bad that now they should be shot? I think not. American boys are being shot at in Vietnam every day in the cause of freedom. Permissive administrators should be run off every campus in our nation, along with the subversive groups of student anarchists and it should be a criminal offense for any television network to show scenes of campus violence.

 Speaking of slanted news reports, Saturday afternoon long before the polls closed in Texas a film strip of Yarborough casting his vote and one of Lloyd Bentsen doing the same was shown on a national news cast. The commentator expressed his opinion that Senator Yarborough was well on his way to victory in the Democratic Primary in Texas.

We thought this was rather odd, as the polls were not to be closed for hours yet and our information was that the Senator was well on his way out. However, I thought perhaps the commentator had access to information which I did not have and I felt very sad to think Texans were going to re-elect a man who had been so ineffective for Texas. I guess the network computer, or whether, was off that day, as you know Senator Yarborough went down to a smashing defeat. So that just goes to show that you can't believe everything you hear on television.

Oh well, all's well that ends well.
