TAMBUNGA RAMBLES behind the superb blocking of the Ozona Lion line. This solid front assisted Tambunga in running up over 200 yards and scoring four touchdowns against the Alpine Bucks in the bi-district win for the Lions Friday night at Lion Stadium.

Blocking for fleet-footed Tambunga is number 55, Larry McMullan, and number 61, Cuatro Davidson. Fans will see much of this action tomorrow night at Bobcat Stadium in San Angelo when the Lions play the Haskell Indians for the regional championship. -Photo by Don Ingram

Lions Drop Alpine In Bi-District Thriller

The Ozona Lions conquered the Alpine Bucks 41-29 for the bi-district championship here Friday night, but the Lions found the sledging rough against the big Bucks and were behind 13-7 at the half.

With a lot of luck and a lot of Ruben Tambunga, the Lions outlasted the Bucks in a thriller which was almost anybody's ball game, until the final whistle blew, in spite of the score.

The Lions will play Haskell tomorrow night in Bobcat Stadium in San Angelo in regional play. Kickoff time is 7:30. Haskell beat Coleman 21-13 Friday night in Abilene to get into the regional playoffs. The Coleman team handed the Lions their first loss of the season earlier this year. They were also the first team to score against the Lions.

Alpine got on the scoreboard first, after recovering an Ozona fumble on the 41 yard line early in the first quarter. Juan Llanez hit the middle of the Ozona line for 18 yards and the score. The PAT was good and it was 7-0 Alpine.

The Lions hit paydirt in the second period. Starting on their own 35, they drove to the Alpine 35. With the aid of a defensive holding penalty, the Lions moved to the six and Tambunga moved in for the score behind the solid Ozona line. David Pagan toed the extra kick to tie the score.

It was a defensive battle for the next nine minutes and with less than a minute to go in the half, Alpine linebacker picked off a David Williams pass and three plays later Dick Molinar hit end Tony Enciso at the goal line for an Alpine score. The PAT failed, but the Bucks went to the dressing room with a 13-7 lead at the half.

Alpine's lead was not to

Burglars Prowl While Ozonans Attended Game

Burglars took advantage of the large crowd of Ozonans being absent from their homes and attending the ball game Friday night.

Bud Harrison entered his home just minutes after Mrs. Harrison and the children had left for the game, to find a man rifling the place. The burglar ran out the front door with Harrison in pursuit, only to be lost to view at the top of the hill several blocks from the house.

Harrison found nothing missing from the house and surmised that the man had just entered before his arrival.

George Bunker Jr. had two rifles stolen from his pickup parked in front of his house the same night while he and his family were at the game. Thieves broke into the locked vehicle through a window.

THERE HE GOES AGAIN! Alpine Buck number 33 stretches to catch Ozona's ace runner Ruben Tambunga, but he eludes him and goes in for another Ozona score while Larry McMullan, number 55, runs interference for him. In the background Don Olson, number 80, takes Alpine's number 11 out of the play. -Photo by Don Ingram

JOANNIE BAGGETT, daughter of Mr. and Mrs. Jack Baggett, and Sweetheart of the Ozona FFA Chapter, will represent the Chapter at the Concho District Banquet December 3, at Luby's Cafeteria in San Angelo. Joannie, selected by vote of the local chapter, will compete with seven other chapter sweethearts for the District Sweetheart title.

Dr. James Moyer Senior Class Opens Medical Practice Here

Dr. James T. Moyer opened his office in the Doctor's Clinic last week for the practice of family medicine in association with Dr. James C. Everett.

Dr. Moyer recently moved to Ozona with his wife and daughter, 3, from Amarillo, where he was in general practice. They are presently making their home at the Holiday Terrace Apartments.

Dr. Moyer is a graduate of the University of Texas in Austin and the University of Texas Medical School in Galveston. He interned at R. E. Thomason General Hospital in El Paso. He is a native of Borger, Texas.

Chandler Quits Attorney Post

The Crockett County Commissioner's Court met in called session Monday to accept the resignation of Fred Chandler as county attorney.

Chandler tendered his resignation effective November 30. He has been Crockett County Attorney for the past six years. He and Mrs. Chandler plan to move to Pecos.

Lions Meet Haskell For Regional Title In San Angelo Friday Night

A large contingent of Ozona fans is expected to be at Bobcat Stadium tomorrow night when the Ozona Lions meet the Haskell Indians in the regional play-off.

While not as big as Alpine, the Indians have good speed and a fine passing attack.

They also have an outstanding running offense in Charley Franklin, 170-pound halfback and are very strong on defense. The Indians play a wide-open game and will be expected to run and throw.

The Indians downed the Coleman Bluecats Friday night in bi-district play 21-13, rushing for 207 yards through the highly touted Coleman defense, while giving up only 57 yards on the ground.

The Lions suffered their first loss of the season at the hands of Coleman and were looking forward to a re-match. The score was 16-12. However, the Lion offense has come on strong and where the Indians have their Franklin, the Lions have tricky Tambunga and the running game should be about even.

The Indians are reputed

Legion To Give Away Turkeys

Members of the Ozona American Legion, Gary Pagan Post 599, are selling tickets for a drawing to be held Dec. 19 at the Foodway for turkeys.

Tickets are 50¢ each and may be purchased from any member of the post.

Award Contract For Construction On US Hiway 67

Austin - Two contracts for highway construction in the Odessa district have been awarded by the Texas Highway Commission.

The work will be under the supervision of District Engineer Paul Coleman, and will be in Upton, Crockett and Crane counties.

In Crockett and Crane counties, South Texas Construction Co. of Corpus Christi was awarded a contract for grading, structures, flexible base, railroad grade separation, and two-course surface treatment on 1.6 miles of US Highway 67. Low bid was \$370,976, 16¢.

The project extends from the Pecos River to 0.8 mile east of the Crockett County line. Jack Valentine Jr. of McCamey is the Highway Department engineer in charge of the project which will take an estimated 240 working days to complete.

Border Road Construction Company of Monahans was awarded a contract for grading, structures, base and surfacing on 6.6 miles of Ranch to Market Road 2463 in Upton County. Low bid was \$210,956, 73¢.

The project extends from US 67, 5.0 miles east of McCamey to 6.6 miles north. Jack Valentine Jr. is the Highway Department engineer in charge of the project which will take an estimated 125 working days to complete.

Senior Class Leads in Number On Honor Roll

Foy Moody, Ozona High School Principal, released the honor roll for the second six weeks of the school term this week. Again, the senior class leads in number with 15 honor students.

Honor senior students are Jim Bob Bailey, Joannie Baggett, Sharon Barbee, Vidette Brown, Tom Davidson, Jim Montgomery, David Pagan, Pete Perez, Bonnie Saegert, Mike Schneider, Charlene Strickland, Grace Ann Tabb, Mark Tillman, David Williams and Melissa Zapata.

Eleven freshmen made the honor list, Dan Davidson, Ann Glynn, Nikki Harrison, Joni Hill, James Knox, Stanley Flanagan, Lessly Russell, Pat Sanker, Craig Tallaferro, Karen Williams, Jenni Womack.

Honor sophomore students are Nancy Appel, Lou Cox, Debbie Deaton, Denise Deaton, Stacy Dockery, Bridget Dunlap, Kay McMullan, Gerald Olson, Lida Tillman, Mike Williams, and Darolyn Wilson.

Juniors on the honor roll are George Allen, Eddie Beard, Peggy Hayes, Mary Jo Hyde, Jan North and Chuck Womack. A strick denotes previous times on the honor roll.

TIME OUT FOR REPAIRS -- Chuck Womack, Lion defensive halfback, stops for a hurry-up repair job on his gear during Friday night's thrilling Lion bi-district win over Alpine. A team manager makes shoulder pad repairs after Chuck had mixed it with a big Alpine Buck. Chuck scored one of the Ozona touchdowns when he grabbed off an Alpine pass at the opening of the second half and raced 47 yards for a marker.

A TIME TO REMEMBER

The calendar relates that just 350 years ago this month the foundations of a nation were implanted on the rocky shores of New England. Since that time our Nation has joined, on one day, in saying prayers of Thanksgiving, and in remembrance of the small group of valiant Pilgrims who landed at Plymouth Rock on the now famous Mayflower. Times were hard, yet these courageous, God-fearing men and women labored long to follow the terms imposed by their creditors, with everything owned in common and put into a "common store." However, it soon became apparent that the effort to form a socialist society would not work. By the end of 1621-22, more than half of the colony had died of starvation.

Thus, it was decided that every family was to be assigned a parcel of land to till and to harvest. This encouraged the Pilgrims and therefore so much corn was planted there was more than needed. From the bumper harvest the Pilgrims arranged a thankful Thanksgiving and gave thanks not only for their material blessings, but also for the system of individual enterprise that produced it. The custom of Thanksgiving was soon adopted and our first President, George Washington, issued the first national Thanksgiving Proclamation on October 3, 1789.

It is time to remember and to count our blessings. As we gather together this year to relive the custom of the early Pilgrims, let us observe Thanksgiving Day not only thankful for the abundance of food that adorns our table, and to express gratitude for all that we possess, but let us also be thankful for being kept aware of the hardships which our forefathers suffered and the dangers men still endure to keep man's right to liberty safe and secure. Let us love our land... a Nation whose strength came from men who were brave and strong and who were always ready to guard it and defend it in a never ending strife for freedom.

On this thanksgiving day, it is well for us to ponder the words carved in the Indiana limestone of the National Archives building in Washington, D.C., "The heritage of the past is the seed that brings forth the harvest of the future."

AN EXPENSIVE PUZZLEMENT

Maybe somebody has a "logical" answer to it. We don't. Specifically, we refer to the so-called "welfare" statistics recently released in Washington. What they show, in more or less round figures, is that our national welfare costs have more than doubled in the past five or six years; from \$ 66 billion in 1963 to an estimated \$127 billion in 1969.

According to every other statistic we have seen, these same years have been ones of unparalleled prosperity in our land; never before have so many people been at work, or earned more in salaries, or spent more for consumer goods. We have more food, more clothing, more homes, more automobiles, more of nearly everything than we ever had before. It would seem to make sense that in "good" times, our welfare load ought to go down, not up. And if it costs us \$127 billion for welfare during a prosperous year, what inarnation would it cost us in a bad year? Where are these vast sums of money going?

As we said, maybe somebody has a logical answer. If you have it, we'd like to hear from you. Letters to the Editor are always welcome—especially to editors who don't know everything.

SENSING the NEWS

By Anthony Harrigan
EXECUTIVE VICE PRESIDENT
Southern States Industrial Council

NEW YORK, N. Y. - Until recently, New York City captured the imagination of people coast to coast. It symbolized the wealth, driving to be a magnet to young people, Americans, young and old, tend to see their largest city as a symbol of troubles facing our entire society.

The problems and opportunities of New York City are worthy of consideration by people everywhere in our land. Private initiative hasn't lessened in Gotham. On the lower tip of construction, already is higher than the Empire State Building. On the lower tip of Manhattan Island spectacular new office buildings are going up. One of them, still under construction, already is higher than the Empire State Building. These new structures symbolize the imagination, determination and resources of the private sector. New York's banks, insurance companies and commercial firms still have faith in the city and its economy. Their confidence is reflected in the form still have faith in the city and its economy. Their confidence is reflected in the form of massive investment.

New York's problems are in the so-called public sector -- the political and social arena. The business leadership of the city is full of vitality, but the political leadership of the city is full of vitality, but the political leadership is trapped in the dogmas of liberalism. Mayor John V. Lindsay calls the metropolis "fun city," but that comment isn't funny to city-dwellers who live with severe crime, municipal deterioration and rapidly rising costs for continually worsening public services.

New York City has the largest welfare population in the nation, but relief recipients don't have to pay back the taxpayers through labor on public projects. When Sen. Abraham Ribicoff of Connecticut suggested reliefers clean up Manhattan's streets, Mayor Lindsay expressed horror at the Senator's suggestion, terming it "medieval."

Recently, a big department store chain decided against building a store at Broadway and 96th Street. A neighborhood anti-poverty agency had

campaigned to bar the store, arguing the site should be used for subsidized housing. An official of the agency dismissed the 700 lost jobs, saying they were low-paying. "We want jobs that offer a career for people," she said.

This was too much even for the liberal New York Times. It criticized Mayor Lindsay for not promptly condemning "this attitude towards ordinary jobs." The Times said the poor must not "write off as dead-end jobs unworthy of the unemployed such work as taxi or truck driving, helping keep the city clean, serving as nurses' aides or working in department stores."

Neither New York City nor the United States as a whole will long survive if ordinary, unglamorous work is scorned and a "careers only" approach is glorified by officials and social workers. Investors do great things in New York and elsewhere, erecting new offices and plants and opening job opportunities there in. But these tasks cannot be fully realized without a public that values the decent, if unexciting, job.

Today, New York City is in trouble because the political and intellectual leadership of the city suggests that a handout is better than a so-called "dead-end" job. That's why holes in the streets remain long unfilled, why sanitation services are worsening, and why basic help and services are getting harder to obtain.

The giant buildings now going up in New York City must be regularly maintained. They must be cleaned each day. In short, they require the work of many people with limited skills. If these people are persuaded to go on welfare rather than earn a weekly paycheck, it is only a matter of time before the city runs down. Huge private investments will be lost.

The initiative supplied by business must be matched by responsible leaders in political life. New York, for example, needs leadership in City Hall that discards the "fun city" slogan and starts talking about New York as a city for people who want to earn their own livelihood.

Hurt Meinecke is quite ill in Shannon Hospital in San Angelo.

WASHINGTON NEWS LETTER

Cong. O. C. Fisher

A lame duck, post-election session of the Congress is due to consider several controversial measures. Among others, a trade bill, one dealing with industrial safety, and the House-approved welfare expansion proposals are on tap.

The trade bill, which deals with oil, shoes and textiles, does not reduce the present rate of imports. It applies quota limitations when imports exceed the present rate, and then permits such imports to share, on a percentage basis, in all increased consumer demands. It is designed to stop dumping practices.

The safety measure is not needed. It would invade jurisdiction of the states where necessary safety measures in local industries and construction projects are now imposed.

The administration's welfare expansion bill (previously approved in the House) is a real bearcat. It would more than double the number on welfare and it would initiate an extremely expensive guaranteed annual income concept for every family of four. Now pending in the Senate, it appears likely the proposal will be watered down considerably before enactment.

The office of Education reports that out of 2,600 colleges and universities, only 86 have withheld any funds from students or faculty members during the last fiscal year -- where students or teachers participated in riots or in other disruptive activities. The Congress had directed that all such participants be cut off from any form of federal aid.

Only 440 individuals have had aid withheld. Yet it is known that campuses which have had major disturbances are conspicuous by their absence from the list of 86 where the law has been enforced.

The Congress can be expected to demand a strict accounting of how the law is being carried out. The schools themselves which fail to enforce the law should be cut off from any federal funds.

'People who cook with pride cook with GAS. Mrs. Rolan Simpson does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Mrs. Simpson and nine out of 10 professional chefs agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Simpson's favorite recipes.

WALNUT ROLL

Mrs. Rolan Simpson, 3213 56th St., Lubbock

Brush a jelly-roll pan, 10x15 inches, with oil. Line it with wax paper, and oil the paper. Separate 7 eggs. Beat the yolks with 1/4 cup sugar until the mixture is pale in color and thick enough to "ribbon." Beat in 1 1/2 cups ground walnuts and 1 teaspoon baking powder. Fold in egg whites, stiffly beaten. Spread the batter in the prepared pan and bake the cake in a moderate oven (350 degrees) 15 or 20 minutes or until it is golden. Cool the cake in the pan, cover it with a damp towel and chill it.

Dust the cold cake generously with sifted confectioner sugar and turn it out on a board covered with two overlapping sheets of wax paper. Carefully strip the paper from bottom of cake. Spread cake with 1 cup heavy cream, whipped and flavored to taste with sugar and vanilla. Roll up the cake, using the paper as an aid, slice the roll onto a flat serving platter. Sprinkle with more confectioner sugar. (Rum or almond flavoring is also good.)

TREASURES are displayed by members of the G. A. 's and Acteens of the First Baptist before a luncheon at the Tom Mitchell home Saturday. Sixteen girls were present, in purple in oriental dress are left to right Tina Ruthardt, Becky Smith, Jan Eppler, Denise Hedrick, Terri McWhirter. The girls are learning facts and needs of the areas of Hong Kong, Thailand, Malaysia, Thailand and the Philippines through a study being taught each Saturday by Gilda and Darolynn Wilson.

Tips For Gardeners

From The Ozona Garden Club By Mrs. Bailey Post

During November you may want to change your landscape plan in order to correct any flaws that became obvious last summer.

As you plan for the basic trees and shrubs, consider areas for rotating seasonal color with bulbs and bedding plants. The fastest way to get color in an area is to move in plants that were potted early and kept in the background until blooming. Especially in the fall you can either dig chrysanthemums in flower and plant them in the new spot, or buy well-budded flowering mums in cans or pots. They will give color for several weeks.

When transplanting evergreens, you can help the plants overcome the shock by giving them a light pruning. In the digging and moving, it is almost impossible to prevent root damage and some roots may have to be cut away.

Pruning the top will make up for this reduction in the root system. Let such pruning be a thinning process to remove weak stems and twigs and any suckers that may be present.

At the time of pruning try to improve the plant's shape. In the spring, most shrubs will produce new growth and cover the pruned nubs.

If you are moving a large overgrown shrub, you can prune the top growth back as much as one-third. If plant is still too large for the new location, wait a year and again remove one-third of the top growth. Usually it is not necessary to cut back balled and burlaped or container-grown plants.

However, broken limbs and stray branches should be cut away.

Too, November is bird and berry time. Many fall shrubs are laden with colorful berries, holly, beauty berries, viburnums, nandino, berried junipers, pyracanthas and the beautiful Beal Mahonia, related to the Oregon grape-holly.

The cedar waxwings will come in high flocks, eat and clean up every berry insight, even the blue and red cedar berries and hackberries.

One of the prettiest native plants on the Ozona hills is the evergreen Suman, which has colorful foliage with bright red berries.

RECIPE

OF THE WEEK

from Kitty's Kitchen

White Chocolate Cake

1 cup white chocolate cup boiling water cup butter cups sugar eggs, separated teas, vanilla cups cake flour cups cake flour teas, baking powder cup buttermilk cup chopped pecans or nuts cup flaked coconut melt chocolate in boiling water and let cool. Cream butter and sugar until fluffy and add egg yolks one at a time, beating well after each addition. Beat in chocolate and vanilla. Beat egg whites until peaks form. Sift cake flour and baking powder together. Dry ingredients alternately with buttermilk. Fold in egg whites and gently mix in pecans and coconut. Bake in 3 round cake pans or long cake pans, greased and floured, in preheated oven for 35 minutes.

1 cup sugar 1/4 cup butter 1/4 cup milk teas, salt Bring to boil over medium heat and boil for 4 minutes. Remove from heat and add vanilla. Let sit with stirring until very cool. Add egg whites and thick cream to spread. Suggestion: Ice first and let cool before cake is baking. This is a reprint from a copy of the Stockman from several years ago. Mrs. Duple donated the copy. I have requested the permission since white chocolate cake is available here at the B & B. --0--

SORORITY HOSTS SALAD SUPPER AT CIVIC CENTER

The Alpha Alpha Mu Chapter of Beta Sigma Phi held its meeting Monday night at the Civic Center and served members a salad supper.

The Pledge Ritual was given for Mrs. Wayne Gooch, Mrs. Gary Head, Mrs. Graydon Hicks, Mrs. Otis Holt, Mrs. Doug Davis, Miss Jerry Johnston, Mrs. Ruben Pena-Alfaro, Mrs. Al Schmid, and Mrs. Jim Weant. The pledgees received their pins and will start their pledge training as soon as possible.

Following the ritual, supper was served by the hostess, Mrs. Tommy Sanders.

The program, "The Art of Dress," was given by Mrs. Joe Boy Chapman and Mrs. Richard Armistead.

Other members present were Mrs. Jay Berry, Mrs. Jim Lane, Mrs. Jimmy Lott, Mrs. Charlie Lowe, Mrs. Kirk Martin, Mrs. John Richey, Mrs. Charles Spieker, Mrs. Roy Glenn Sutton, Mrs. Bob Wallace and Mrs. Jim Williams.

BROWNIE TROOP MEETS

Brownie Troop 224 met Monday at the Girl Scout House. Mrs. Schmid served refreshments and Kelly Schmid led the pledge.

Leanne Arledge led the Brownie song and other songs. The group played games and practiced fire drills.

Kim Sinclair led the Brownie promise and Patty Chappell led "My Country 'Tis of Thee." Other members present were Tammy Adams, Lori Clayton, Jennifer Marley, Malinda Hokin, Tammy Harris, Marilyn Low, Deliah Parker, Molly Womack, Tilly Cramer, Tammy Harris and Kay Thompson.

Mrs. Sam Mosley and children, Karen, Judy and Mike, of Corpus Christi were in Ozona for the bi-district game and a visit with friends over the weekend.

a real bargain
Everyone loves a bargain — whether it's Mother in the local supermarket, or Dad laying in a supply of shotgun shells for the hunting season or Junior buying his candy bars at three for a dime. And what fun it is to tell our friends of the lucky purchase — even if, in the final accounting, the results are somewhat dubious!
But think of the many bargains about which we have no doubt — really big, genuine bargains... like the beautiful color of leaves on an autumn day or the aroma of roast turkey that's in the kitchen stove at this very minute. And, since it's Thanksgiving, it is only appropriate that we should mention the tremendous bargain of our heritage and freedom.
When you come to think of it, we are always getting more than we are giving. We are on the receiving end. The biggest part of our life — the overwhelming part of our life — what is given to us.
Let us then become conscious of our moment-by-moment dependence on God, the awareness of life as a gift. For what is religion but receiving, seeing, believing, praising and thanking God?

FOOTBALL — (Continued from Page One)

extra point and the Lions led 21-13.

The next Lion score came when Tambunga intercepted an Alpine pass and on third and eleven broke through for 54 yards and the score, Pagan kicked the point with less than two minutes remaining in the third period.

Six minutes into the third period, Alpine scored on a drive and the count was 28-19 when the PAT failed.

With six minutes left in the game, Stuart scored and Pagan's kick gave the Lions a 15-point lead. However, the Bucks stormed back and got within seven points with a touchdown and a run for the extra points.

Tambunga's final rip through the Buck defense with a minute left in the game put it out of reach for the Bucks and ended the scoring with Pagan's kick.

Tambunga led the offense with 201 yards on 21 carries, including runs of 65, 54, and 50 yards. He scored four touchdowns and intercepted a pass.

Greg Stuart had 70 yards on 12 carries and scored a touchdown. Mark Tillman had 21 yards on three carries.

Williams hit three out of 9 passes for 38 yards. Montgomery punted five times for a 36.8 yard average.

All-District —

County. Guards - Tom Davidson, Ozona and Terry Little, McCamey Center - Max Schneemann, Reagan County.

Quarterback - Kyle Bolen, McCamey Runningbacks - Ruben Tambunga, Ozona; Dusty Choate, Coahoma; David Hickman, Reagan County, and Gary Bolen, McCamey.

Production was through perforations at 3,305-319 feet, which had been washed with 1,000 gallons of mud acid. Drilled to 3,410 feet, operator set 5/8-inch casing at total depth and plugged back to 3,366 feet.

Location is 330 feet from the south and west lines of 14-OR-TTRR. The discovery, the firm's No. 13-3 Helbing, was finalized July 30 for 99.26 barrels of 37 gravity oil, plus 10 barrels of water, with gas-oil ratio of 400-1 through perforations at 3,321-333 feet.

Second team offense Ends - George Sowens, Crane; Max Barr, Coahoma. Tackles - Mike Jenkins, Ozona; Steve Pendleton, Crane Guards - Cuatro Davidson, Ozona; Kenneth Furlong, Coahoma Center - Joe Vest, Coahoma Quarterback - Connie Smith, Reagan County; David Williams, Ozona.

Running Backs - Greg Stuart, Ozona; Ronald Holland, Crane; Donnie Buchanan, Coahoma.

Second team defense Interior linemen - Jay Holt, Reagan County; Max Schneemann, Reagan County; Mike Jenkins, Ozona Ends - Mike Fuller, McCamey; Terry Neal, Crane; Mike Barr, Coahoma Linebackers - Tom Davidson, Ozona; Bobby Dickerson, Stanton.

Secondary - Keith Pherigo, Coahoma; Roy Kelly, Stanton; Randy Brooks, McCamey. Of the 16 boys receiving honorable mention, from Ozona were Bill Edgerton, Jim Montgomery, Don Olson, Larry McMillan, Curtis Weant and Mark Tillman.

Hiway Dept. Asked To Improve State 163

Long overdue improvements to State Highway 163 south of Ozona in Crockett and Val Verde counties may have been advanced a step as the result of a hearing before the State Highway Commission in Austin last Thursday.

Delegations from both Crockett and Val Verde counties attended the hearing, set up by the Commission at the request

Ellenburger Test Spotted In North Crockett Field

Texas Crude Oil Co., Midland, will drill an 8,400-foot Ellenburger wildcat in Crockett County, 17 miles north of Ozona, 5/8-mile west-northwest of the one-well Childress, East (Canyon) field, but separated by an 8,285-foot failure, and one location east of depleted production in the Childress (Ellenburger) field. It is the No. 1 University.

Location is 660 feet from the south and 1,980 feet from the west lines of 12-39-University.

The Ozona, Southwest multi-pay field of Crockett County gained its second Clearfork producer and a location southeast extension to that pay with completion of Delta-Suburban, Odessa, No. 1-14-4 Helbing, six miles southwest of Ozona, for a daily pumping potential of 88 barrels of 36 gravity oil, plus 30 barrels of water, with gas-oil ratio of 600-1.

Production was through perforations at 3,305-319 feet, which had been washed with 1,000 gallons of mud acid. Drilled to 3,410 feet, operator set 5/8-inch casing at total depth and plugged back to 3,366 feet.

Location is 330 feet from the south and west lines of 14-OR-TTRR.

The discovery, the firm's No. 13-3 Helbing, was finalized July 30 for 99.26 barrels of 37 gravity oil, plus 10 barrels of water, with gas-oil ratio of 400-1 through perforations at 3,321-333 feet.

of Val Verde County, and presented their request for action by the Commission toward straightening and widening of this the most direct route from the panhandle area of West Texas to Amistad Lake.

The Commission gave no promise of immediate action, but indicated its interest in the project and acknowledged the merit of the request. Herb Petry of Carrizzo Springs, member of the commission, said that he was quite familiar with the road and agreed that there is no question as to the merit of the request.

The Commission estimated the ultimate cost of the road rebuilding at approximately \$5 million dollars. State Highway Engineer J. C. Dingwall described the road as "one of the most scenic in the state" and declared "it should be the

Junior Hi Cubs Win Final Game Over Iran 8-6

Ozona's junior high Cubs closed out the football season with 6 wins and 2 losses, winning their final game over Iran 8-6.

The Cubs had beaten the Iran squad handsily earlier in the season, but the final game was close.

Ozona's only tally came in the second quarter on a 25-yard pass from Romaldo Cervantez to Richard Sanchez. Cervantez ran for the 2 points which enabled them to win the game.

WANT TO BUY - Old piano, preferably the upright type, to be used for a beginner student. Call Fred Greer 392-3480 or 392-3383. 37-tfc

CLOSED - today and tomorrow. EL SOMBRERO CAFE, 37-ttc

State's policy to use care in any improvement work to preserve that beauty. The state has spent more than a million dollars on the road since the counties last asked for improvements, the state engineer pointed out.

The winding and dangerous road has always been a problem since the advent of the automobile. C. R. Pusard, president of the Del Rio Chamber of Commerce said in presenting the request. But with the development of Amistad Lake the increased traffic has greatly intensified the problem. There have been 96 accidents on the road in the last five or six years, Pusard pointed out.

Attending the hearing from Ozona were Hubert Baker, Chamber of Commerce manager, Troy Williams, Ray Boyd, A. O. Fields, and Glenn Sutton. Representatives were also present from Big Spring and Big Lake, as well as Del Rio.

Chesapeake Bay Finals Gasser On Todd Estate

An undesignated Grayburg area of Crockett County gained its second producer and a 3/8-mile southeast extension with completion of Chesapeake Bay Gas Co., Ltd., Midland, No. 2 Todd Estate, 1,650 feet northeast of the Howard Draw multipay field and 18 miles northwest of Ozona for a calculated, absolute open flow of 2.8 million cubic feet of dry gas daily.

Production was through perforations at 992-1,032 feet. No treatment was reported.

Drilled to 1,301 feet, operator set 5/8-inch casing at total depth and plugged back to 1,055 feet.

Location is 330 feet from the south and 2,570 feet from the east lines of 39-WX-GC&SFR.

The discovery, the firm's No. 1 Todd Estate, was finalized Oct. 8 for a calculated, absolute open flow of 620,000 cubic feet of gas per day through perforations at 1,024-044 feet.

Kitty's Korner —

(Continued from Page One) town's postmaster. Although she died, services were held and she was buried in that very town. We were informed that her new address was such and such street in a large town in Northeast Texas. I am still trying to decide whether it was stupidity or some kind of morbid joke. We had not mailed a paper to her in at least five weeks.
