Annual Baptist Association Meet In Ozona Oct. 8-9

Messengers From Nineteen Churches To Attend Session

Messengers from 19 churches of the Pecos Valley Baptist Association will assemble in Ozona for a two-day annual meeting of the association on October 8 and 9 with fifty or more out-of-town representatives of the various churches expected to be here for the 29th annual session of the association.

The meeting will open at 9:30 a. m. Thursday, October 8. Sessions will continue through Friday afternoon. Ozona people are extended a cordial invitation to attend any or all of the association sessions.

The Moderator of the Association, Rev. Phillips Brown, recently became a chaplain in the Army and the Vice-Moderator, Rev. Clyde Childers, pastor of the Ozona church, will direct the meeting. Three members of the Ozona church have parts on the program, including the pastor, who, in addition to acting as Moderator, will report on Evangelism at the Thursday evening session. Arthur Hoover will report on the Brotherhood activities at the same session and Walter Dunlap will report on the Paisano encampment in the closing session Friday afternoon.

The annual sermon will be preached Thursday morning at 11:15 by the Rev. Bernard Guy of Pecos and the annual missionary sermon on Friday morning by the Rev. N. M. Gilbert of Grandfalls. Visiting speakers outside of the association will probably include E. E. Dudley of Abilene, representing the United Drays, and Dr. James H. Taylor of Brownwood, representing the State Board.

Churches in the Pecos Valley Association include Bakersfield, Barstow, Crane, Grandfalls, Imperial, Iran, Kermit, McCamey, Montone, Monahans, Sheffield, Ozona, Pecos, Pyote, Rankin, Royaly, Toyah, Wickett and Wink.

Health Engineer Praises Efforts Water Managers

Local Plant Improvements Complimented By Official

Efforts of the executive board of the Crockett County Water Control and Improvement District to meet all public health standards and to maintain an excellent appearing water works system in Ozona, received the compliments of the State Health Department in a letter received by Joe North, chairman of the board, this week from V. M. Ehlers, chemical engineer with the department.

"Our Regional Engineer, R. H. Weiss, has sent us a report on his recent inspection of the public water supply which your organization owns and operates," the engineer wrote.

"We were interested to learn that since the last visit by one of our representatives, improvements have been made to the water supply, including the construction of a new road to the water plant, a new storage house for meter repairs and general storage, and a new house for the water superintendent. We were also pleased to learn that an effort will be made to have your water superintendent attend the monthly meetings of the Fort Concho Water Works Association held in the vicinity of San Angelo and the annual meeting of the Texas Water Works Short school at College Station in February.

"With Engineer Weiss, we should like to compliment you on your public health interest as evidenced by your undertaking an improvement program and your maintaining an excellent appearing water plant."

Sports for U. S. Captives in Jap Prison Camp

This photo which appeared in the Japanese propaganda magazine, Freedom, published in Shanghai, was brought to the U. S. by a national recently repatriated. The Jap caption states that it shows a "playtime" scene at a war prisoners camp in Shanghai. The caption says that baseball and volley ball are provided for U. S. marines, and cricket for the British.

Lions Swamp Sonora Bronchos By 55-0 Count

Whole Squad In Action But Still Score Went Up And Up

Coach Elmo McCook's dashing Ozona Lions of 1942 literally swamped the helpless Sonora Bronchos under an avalanche of touchdowns when the two teams met in a non-conference exhibition tilt on the local gridiron Saturday afternoon.

For the dual purpose of giving every man on the squad that needed experience in actual combat, and from the humanitarian viewpoint to hold the score to a reasonable margin if humanly possible, Coach McCook used everything in uniform during the course of the game. Only one of the purposes was accomplished, that of experience—the second stringers boring in to ring up their quota of scores along with the starting crew.

The Lions started the fireworks early. The inexperienced Bronchos muffed the ball on the first play after receiving the kickoff and Sawyer covered for Ozona on the Sonora 30, and then crashed the line for 6 yards. Roy Coates made it a first on the 18 and Bud Cox skirted end for the first touchdown. Tom Ed Montgomery booted it squarely between the uprights for the extra point—but that was only the beginning. Tom Ed turned in a record no other Ozona team has approached in recent years—he booted six out of seven tries for those extra points, in effect kicking himself a touchdown all his own. Roy Coates left-footed the seventh extra point late in the game.

The Lions did it again a few minutes later in the first quarter after Cox had set up his teammates in two tries from the 47 to the Sonora 15, from which point Coates took it over in two attempts. As the first quarter faded, Coates turned in one of the longest runs of his game, a 45-yard runback of a Sonora punt.

The second quarter opened with a substitute line in action, and the only available substitute back, the Mighty Mite, Billy McWilliams for Montgomery. In a sustained drive (Continued on Last Page)

Crockett County Oversubscribes Sept. Bond Quota By \$5,425

Crockett county went better than \$5,000 over its September war bond quota, final tabulation of the month's sales, completed yesterday afternoon shows.

Ozona National Bank reported sales of \$26,500 for the month and Postmaster J. R. Kersey listed postoffice sales at \$525 for a total of \$27,500. The month's quota was \$21,600.

No new quota assignment has been made for the month of October, Scott Peters, county War Bond sales chairman said yesterday. The quota is expected to be announced within the next few days, however.

Lions Face Test Against Eldorado In Practice Tilt Sat.

Gorged with the plentiful meat of the Broncho, served them almost on a silver platter here last Saturday, the hell-for-leather Lions of Ozona High face their first real test of the season when they journey to Eldorado next Saturday for a non-conference go with the powerful Eldorado Eagles. The money game with the Eagles will be played on local soil on October 24, the practice tilts being scheduled after Junction and Rocksprings had withdrawn from grid competition this year.

The game in Eldorado will be at 2:30. Because of the distance the authorities are not making an effort for organized transportation of band and pep squad members, but naturally would like to see the group accompany the team. If enough fans take cars that the cheer groups may be transported, they will go in uniform and perform during the game. Persons who plan to attend the game and will have room for students are asked to communicate with C. S. Denham, superintendent.

Band To Take Part In Week's Sing Program

World War I Veterans Quartet, Reading To Be Features

Numbers by the Ozona High School Band, which will also accompany the group singing, a program of World War I songs by a quartet of "veterans", and a reading by Miss Hazel Kirbie will constitute the special features of the weekly sing-song Friday evening in the high school auditorium.

The sing-song will be under the direction of Mrs. Bryan McDonald. The band, directed by Arnold Kleinschmidt, will be presented and play for the singing. The World War I veterans quartet will be composed of Mr. and Mrs. McDonald and Mr. and Mrs. L. B. Townsend. Songs reminiscent of the days of 1917 and '18 will be featured.

A pep rally in the gymnasium will precede the sing-song by 30 minutes. The rally will be held at 7:45 and the sing-song program starts at 8:15.

One of the most enjoyable of the sing-song series was held last week, with Miss Elizabeth Biser directing. A duet number by Miss Biser and Miss Rebecca Anderson, a harmonica solo by Miss Biser, and a girl's trio, composed of Nan Tandy, Mary Elizabeth Gray and Ruth Townsend provided excellent entertainment as the numbers were sandwiched in between the group songs. C. S. Denham, chairman for the evening, gave an interesting summary of Crockett county's war effort, and Mrs. H. B. Tandy recognized the town's newcomers, who were honored by designation of last week's event as "newcomer night."

The Paul Perner home is being refinished on the interior.

Ozona Man Loses Hand In Wreck Near Stockton

Rocky Armentrout Victim Of Truck Accident

Lonnie (Rocky) Armentrout, local cement contractor, suffered such severe injuries to his left hand that amputation at the wrist was necessary when the light truck in which he and three others were riding overturned about 25 miles west of Fort Stockton Saturday.

Leonard Armentrout, Rocky's brother, Leonard Armentrout, Jr., and Ed Dodson, the other three occupants of the truck, escaped with only slight injuries. The three Armentrouts were riding in the cab while Dodson was riding in the bed of the truck. Dodson was thrown some twenty feet through the air, but was only slightly scratched and bruised. Several wheel barrows, cement mixer and other tools flew with him as the truck turned over but luckily man and tools each chose their own landing spot.

Rocky Armentrout was taken to a hospital in Fort Stockton where physicians decided upon amputation after examining the mangled hand. Armentrout was driving, and as the truck started to turn over as a result of a broken spring shackle, the door on the driver's side opened and his hand was caught in the door, the truck coming to rest on its side, with the hand pinned in the partly open door. A passing motorist took the injured man to Fort Stockton.

The spring shackle parted just as the truck was rounding a slight curve, and the truck went out of control. The men were returning from the V. I. Pierce ranch near Alpine where they had just completed a concrete dipping vat.

What Crockett Co. Has Done To Date To Help Win War!

An interesting summary of what Crockett county has done to date to help win the war was given by Supt. Denham in a brief talk at the sing-song last Friday evening. The facts in brief are:

Total of 130 Crockett county men in the armed services.

Thirty tons of scrap rubber collected.

400 magazines collected by Woman's Club for Army camps.

200 phonograph records donated through Music Club for recreation centers.

90 tons of scrap metal collected to date.

\$250,000 worth of war bonds and stamps purchased by Crockett county citizens to date.

\$10,161 of war bonds and stamp sales to Ozona school children.

430 members of Senior Red Cross chapter.

100 percent membership among school children in Junior Red Cross.

\$500 quickly subscribed to meet county's Red Cross War Fund quota.

20 sweaters and 20 caps knitted recently by Ozona women for the Navy, and a total of 250 sweaters and over 1,000 other garments made and shipped for Red Cross distribution among war refugees.

\$495 subscribed this year to U.S.O. quota.

\$300 China Relief quota quickly subscribed.

\$915 subscribed to Navy Relief Society.

"If we can't stand beside our soldiers, sailors and marines, let's stand behind them!"

GETS "JAP LICENSE"

Harold Keeton, son of Mr. and Mrs. J. T. Keeton, who enlisted in the United States Navy construction battalion as a fireman, second class, several months ago, and who has been awaiting call to duty, was ordered to report this week. Keeton was to have reported yesterday for duty at Davismont. He will be on duty tomorrow. Keeton called his "Jap license."

Nine Crockett Men Accepted For Military Service

Nine Crockett county men and one transfer from Coleman county were accepted for service in the U. S. Army at the induction station in Abilene Saturday. Fourteen men, two of them transfers, were shipped by the local draft board to the induction center Friday morning, four of the men being rejected.

Two of the men accepted, Kenneth Musser and S. D. Williams, requested immediate service while eight of the group accepted a two-weeks furlough and will leave here October 10 for active duty. In the group are End McCary, Ignacio Nino, Donaciano Torres, Adolfo Lara, Rafael Coronado, Manuel Mendosa, Victor E. Munoz and Thurman Bradley, the last named a transfer from Coleman county. Rejected were Ignacio Mendez, Alcario, Vasquez, Eluterio Porras and Eugene McCary.

Sonora Colts Are Downed 28 to 20 By Garner's Cubs

Spirited Battle Waged Here By Midget Junior Crews

A bolt of lightning in tennis shoes, (he was overweight in his cleats), Ira Yancy flashed up and down the football field here Friday afternoon to pace his team for high Cubs, to a 28-20 victory over the Sonora Colts. Yancy scored three of his team's four touchdowns, depending for the most part on his super speed to put distance between him and would-be tacklers on the opposition.

Yancy took the opening kickoff and raced almost the length of the field for a touchdown. Nat Read, another speed merchant and canny brokenfield runner in the Cub backfield, accounted for the next marker for his team when he ducked and dodged through the Colt team to score from the thirty-yard line. The third marker came on a neat reverse after three tries at the center of the line, Bernard Lemmons handing off to Yancy to catch the Colts flat-footed. Yancy going the distance untouched. Early in the final quarter, Yancy loped 15 yards around end for the Cubs' final touchdown.

In the fading minutes of play, Coach Garner sent in all of his eligible players and the visitors scored two touchdowns to add to one made early in the struggle, two points after touchdown out of three tries bringing their score to 20. Lemmons crashed the line for two of the Cub's points and Yancy skirted the end for the (Continued On Last Page)

Junior Rangers Organize To Aid In Salvage Drive

Organization of a local unit of the Junior Texas Rangers, whose initial assignment is cooperation in the scrap collection campaign, was completed among Ozona school children this week. The organization of school children to assist in the collection campaign was requested by WPB Chairman Donald Nelson, whose request was relayed to school authorities by L. A. Woods, state superintendent of education.

A captain was elected yesterday by each grade in the elementary school from the fourth grade up and in all grades of high school. The captains elected in the various grades are as follows: 4th, Alton Smith; 5th, Tom Mitchell; 6th, Ray Piner; 7th, Nat Read; 8th, Max Worl; 9th, Doris Bean; 10th, Byrd Phillips; 11th, Tom Ed Montgomery; 12th, L. B. Cox, III.

The grade captains will organize their workers and were to have met this morning with Carl Colwick, Crockett County salvage committee chairman, to discuss methods by which the group of school children can be of service in the salvage drive.

Attorney Ill, Trial Of Vacancy Suit Postponed

Case To Be Resumed At Later Date; 13 Sections Involved

Illness of an attorney for the plaintiff necessitated a recess in trial of the suit of Everett T. Lear against N. J. Graeber and others, seeking to establish as vacant state school land some 8,600 acres of Crockett county land, in progress here since late last week.

The attorney, George Wilson, became ill Tuesday afternoon and Judge W. C. Jackson, before whom the case is being tried, ordered a recess of the session until Judge Wilson has recovered sufficiently to continue the trial. It was estimated by the attorneys in the case that only a few more hours would have been required to complete the case.

The suit, pending for nearly ten years, involves a tract of land more than half a mile wide and some twenty miles long in the northwest section of this county traversing ranches of A. C. Hoover, the J. M. Shannon estate and the Harris ranch lands. The controversy is centered around the question of location of a section corner marker made by a surveyor who surveyed out the University of Texas block of lands in this county in 1879.

The original survey started at a point at Fort Lancaster, angled northwest to fix the southwest corner of the University block of sections, present section lines from that point going north to fix the corner which marks the boundary between the Hoover and J. W. Owens ranches. The survey line going north from that point is in controversy, the plaintiffs claiming that subsequent surveys, failing to find the original mound marking the corner, erroneously established the corner a little over a half mile west, and that the whole tie of sections are off to that extent.

An array of attorneys, representing individual landowners, oil companies holding leases in the area involved, and the state of Texas through the attorney general's office, were here for the trial. The petit jury, called for service in the case, was dismissed when attorneys agreed to try the case before Judge Jackson.

Name Committee For Rationing Of Farm Machinery

Freeze Order Effective Sept. 17; War Board Directs

The temporary rationing of agricultural machinery went into effect September 17, according to the Texas U.S.D.A. War Board.

County rationing committees have been established in each of the 254 counties in Texas, with the chairman of the AAA committee serving as chairman of the Machinery Rationing Committee. Members of the Crockett County Machinery Rationing Committee are Sherman Taylor, chairman, T. A. Kipend, Jr., and Ira Carson, members.

Mr. Taylor states that new machinery which was ordered prior to Sept. 17, will be delivered to producers, however, producers whose orders were not filled before the "freeze" date will automatically be given rationing certificates by the county machinery rationing committee, provided the applicant can satisfy the committee that the order was placed prior to Sept. 17. Orders placed after the effective date will be subject to rationing through the regular channels.

According to the rationing program, machinery will be placed in three groups. Group A machinery includes items which are scarce and vitally needed in 1942 production and may be sold only up (Continued on Last Page)

Music Club Protests Petrillo Ban On Recording

Members of Ozona Music Club voted to join a nationwide protest against the activities of James C. Petrillo, head of the American Federation of Musicians and Composers union, who has banned the making of recorded music, when the group met for the annual luncheon Monday in the home of Mrs. V. I. Pierce. A movement is under way by music groups over the nation to bring pressure for defeat of the Petrillo strangle hold on music and musicians. The luncheon carried a Latin-American theme, both in decorations and program subject matter, music of the Latin-American republics being featured in numbers by Mrs. Neal Hannah, Mrs. L. B. Cox and Mrs. H. B. Tandy, and a talk by Mrs. Elton Smith.

Misses Ruth Graydon and Elisabeth Biser won the prizes offered for the most attractive hand-made year book. Judges were Mrs. Stephen Perner, Mrs. Ira Carson and Mrs. Alvin Harrell.

Present were Mrs. Hubert Baker, Miss Biser, Mrs. L. B. Cox, Jr., Mrs. J. M. Dudley, Mrs. Neal Hannah, Mrs. S. M. Harvick, Mrs. M. Johnson, Mrs. W. C. Phillips, Mrs. V. I. Pierce, Mrs. Elton Smith, Mrs. H. B. Tandy, Mrs. W. E. Starnes, Miss Lula Mae Starnes of Avoca, Mrs. Will Baggett, Mrs. Joe Pierce, Mrs. W. R. Cabaness, Mrs. L. Former Ozona Boy Captured On Wake, 'Safe' In Jap Prison

Midland, Sept. 27—A letter from a Japanese prison camp brought good news of a Midland boy Tuesday.

Charles W. Sapp wrote to his family from a Shanghai prison camp, saying he is well and not wounded, that he is hoping that one day in the not-too-distant future he will be reunited with his family. The letter was written May 1, and passed the Japanese censor as of that date.

Sapp was captured at Wake Island. He had joined the Marines at the end of the school year in the spring of 1940.

His letter was received here Tuesday by his sister-in-law, Mrs. Lewis Sapp of the Scharbauer Hotel. Her husband, Lewis and two other brothers of Charles, Roy and Ollie, are in the service, one at Fort Bliss, one at Fort Blanding, and the other at Camp Wolters. Mrs. J. L. Sapp, mother of Charles recently moved to California.

Charles Sapp is a former Ozona boy, a son of Jess Sapp of this city. His father has identified his picture among the Japanese prisoners published in the Sept. 14 copy of "Life".

Nov. 30 Deadline For Completing Practices Under AAA Program

Betty Bratcher, Administrative Officer, AAA Office, is again reminding the ranchers that November 30, 1942, is the final date for completing practices under the 1942 Range Conservation Program. She asks that all operators who have completed their work have a final inspection made at their earliest convenience.

To date the following practices have been completed in this county: 1 earthen tank, 16 wells, 26,220 acres of pear eliminated, and 498 acres of cedar eliminated and bitter weed eradicated from 1920 acres.

The 1942 applications for payment are being submitted to the State Office as soon as the operators have earned their total range building allowance and final inspections have been made, according to the Administrative officer.

Miss Ida Marie Schneemann of San Antonio is visiting this week in the home of Mr. and Mrs. Max Schneemann. She is a niece of Mr. Schneemann's.

Taxpaying Period Arrives; Discount Plan In Effect

With Crockett county tax rolls completed and approved by the State Comptroller, everything was in readiness at the sheriffs' office yesterday to begin the annual collection of taxes, payable beginning October 1 and until February 1.

Announcement of the annual sliding scale of discounts allowed for early payment of taxes is made this week by Al Fields, deputy sheriff in charge of collections in the office of Mrs. W. S. Willis, sheriff.

Discounts up to 3 percent of the total amount, less poll taxes, may be earned by taxpayers who pay taxes early. The maximum discount of 3 percent may be taken on taxes paid during the month of October. Payments made in November earn a 2 percent discount and in December 1 percent. No discount is allowed on payments made during January and the amount becomes delinquent on and after February 1.

Guest Speakers At Rotary Luncheon

Entertaining talks by two guests, Walter Wain, Houston attorney, here for trial of the land suit in progress in district court during the week, and Warren E. Starnes, minister of the Ozona Church of Christ, constituted the day's program at the Ozona Rotary Club luncheon Tuesday.

Henry Jackson, San Angelo Rotarian, also here for the trial, H. L. George and Norris Creath, San Angelo surveyors, also were guests.

Lt. D. A. Parker Flying Bomber Plane In Hawaiian Islands

Lt. D. A. Parker, former Ozona boy, who played professional football after starting through his college career with the Hardin-Simmons University team, is now flying a B-17 four engine U. S. bomber in the Hawaiian Islands. Lt. Parker received his commission a few weeks ago at Lubbock after completing his flight training at various fields in Texas.

"Well, I always wondered what was west of California, and now I know some of what's west," Lt. Parker wrote in a letter received here this week by his cousin, Red Deakins. "I am somewhere in the Hawaiian Islands. I live about 25 yards from the ocean, quite a pretty place, only a short distance from the beach where used to run pretty girls. Now there's nothing but boys like myself."

"Taking all into consideration, it's not so bad over here. We get every fourth day off, but there is no place to go nor nothing to do. So, one might say we have nothing to do and a lot of time to do it in. I am flying a B-17, the four-engine job. Keeps one's hands full to keep them all going for you."

THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

VOLUME 9

OZONA, TEXAS, THURSDAY OCT. 1, 1942. NUMBER 2

EDITORIALLY SPEAKING

by Rozelle Pharr

Someone once wrote, "If one must leave a home, a ship or a woman, leave should be taken while one is still in love." So it should be with our beliefs, ideals and customs.

Many of us cling to our beliefs, insisting always that they are right and refusing to see the other side of the matter. Such tenaciousness does not belong to the well educated person. If you will remember how the people of centuries past believed the world flat and that they were very wrong as we know today. Perhaps our beliefs do not seem so ridiculous as this, but they were held in this strongly as we do in ours.

Customs, too are often treated in this manner. When some one comes along with a new plan or idea, it is often "nipped in the bud" because "it has always been done the other way." The matter of doing things according to tradition is all right in its place but there are few places for it. G. K. Chesterton once said, "Tradition does not mean that the living are dead but that the dead are alive." The idea of all this can be summed up like this. Don't be too set on your own ideas and customs that you can't be broad minded enough to see the other fellow's viewpoint. Maybe this world would be a better place for living if everyone thought more about that.

O-H-S

Editor's Musings

The first thing in order I think is to congratulate those Lions of O. H. S. That certainly was a "swell" game, boys, and we're looking forward to several more victories before we face Sonora in our final game, November seventh. Now for the complaints. Where is that good old school spirit going?

Talk to those boys—let them know we are behind them. There are always a few actually yelling—but we can do better than that. Come ready and willing to cheer until the last whistle has blown. This is the time to relax and say you have done your part.

The football games are not the only things that need a little peping up—for instance the Lion's Roar could stand a little more attention. Say, you members, don't forget we are still publishing a paper every week. The deadline is always Monday at four. Keep this in mind and try to start your articles before that time. What about originating the subjects once in a while to make a variety. The main play to reach the goal is to begin sooner and get more prompt in handing in the news.

Read, students, and dish out a little spirit.

Yeah! Lions! Beat Eldorado.

Cogitations

By MARY PERNER

This week certainly hasn't lostered getting underway. . . Well, the Lions have another victory behind them, and this prophesy still stands. It's the Championship for these boys again. After all, 55 to 0 isn't chicken feed. . . Those boys on the main string had better look out. Little Billy McWilliams is liable to take one of their places. . . The dance Saturday night seemed to be a "whiz". Fish were more strongly represented than seniors. That's the spirit, Freshman! Make the most of these four years. They are your best. . . Billy Sparkman took Jo Nell Coose to the dance. . . Wyandotte and Cecelia were there. . . Dick McDonald took Nan. . . Arthur Byrd and Ruth were there. . . Chappo wanted to go, but for some reason he couldn't make it. . . James Chapman enjoys piano music during his study hall. . . He doesn't have to even try to think, then. . . Benny Gail likes it, too. . . Louise Arledge isn't particularly fond of typing speed tests. Confusing, aren't they? . . . Charles really enjoys Miss Kirbie's jokes. "Party, ain't they?" . . . Jimmie Read seems to be a natural at football. He made one of the touchdowns against Sonora. . . Wonder why Margaret didn't want Sonora to have a dance Saturday night? O. L. didn't want to go any way. . . The blackboard in Study Hall is BEEEEautiful! Such talent! Such originality! Such colors! Anyway, it gets the job done. . . The point is—BEAT ELDORADO—That's a pretty good closing thought, so I'll close. . .

SENSES

OWENS-MAYES

Heard: Flossie, Rossie, and their dates wouldn't go to the dance. We wonder why.

All of the girls are wanting to meet Jessie Hardin. Don't worry girls, He has graduated from two universities, so you haven't a chance.

These "fish", such as Jo Nell and Ruth have the funniest ways of getting acquainted with boys. They honk the horn on the boy's car until they appear, then they say they didn't do it!!!

Ruth asking Billy to come sit by her at the Pep-Rally. Hum—Billy seemed to be quite a ladies man even before the dazzling touchdown against Sonora.

That Miss Kirbie didn't know Shakespeare. Margaret insists that she isn't that old.

Charles asking some of the boys to come sit by him at the Pep-Rally. (P.S. He was surrounded by girls.)

James, Dick, Bland and a few others hunting hamburgers Saturday night. Funny! No hamburgers in town!!!

That Mary's "out for boys—Oh, no, she's true to Billy. But even if he's true to her, we'll bet two to one he's "out" for girls.

That Bland and Dick have elderly looking faces, but James doesn't. In a case like that Bland and James were lucky.

Seen: Ruth catching up on her sleep in American history. Now, Ruth, these late hours will affect you that way.

Bad and Jim with two San Angelo girls at the dance Saturday night.

B. S. and J. N. C. having a good time Saturday night, also R. T. and A. B. P.

Joy and Liz just love to camouflage things. Don't you girls? Double dating at the show; a two family affair. B. T. and L. A. (the girl) and N. T. and L. A. (the boy). Boys and girls, you couldn't have had a flat on the car after the show, could you?

Susie with Jack Sheppard (from Big Lake) Saturday night. Nice going!!!

A senior with a "fish". Who could this have been?

Dick Mc. and Nan together. My, my, but these "fish" really get around.

Seven kids trying to keep Patsy C. from yelling at her Daddy. Why all this secrecy and quietness?

Smelled: Foul odors coming out of the chemistry laboratory. Students, you had better watch out, or you will wake up and find yourselves dead one of these days.

Felt: The boys need congratulating! They played a swell game of football Saturday, and a number of them had dates Saturday night.

Very doubtful, Mary Perner was quite doubtful at the voice on the phone. The name given was Perry but he was at the Youth Fellowship meeting and the voice was quite like that of Roy C.

'Zona Lions Ride Sonora Broncs To 55-0 Victory

Say Hallelujah!!! It looks like the Lions are headed down that "Pay Dirt" road again. They did it last year, and they are planning to do it again.

The Lions played their record game of the season with Sonora last Saturday, and overwhelmed them by the score of 55 to 0. The Lions played every man on their squad during the game, but still the score rose. The touchdowns were made by different boys. Roy Coates, the flank of the Lions, made four; "Little Bill", the 104 pound back made one; Jimmie Read, a sophomore who has played some real ball for the Lions this year, and L. B. Cox marked down one apiece. Jack Sawyer, captain, played a "bang up" game. Tom Ed Montgomery got into the old swing of things and kicked 6 out of seven straight field goals. The seventh missed by inches. Tom did some good "slinging" that day also. He threw passes with either hand as well as hitting the middle of the line for yardage.

The Lions played swell all the game. The Lions will play the Bronchs again soon, so everyone turn out. By the way, the Lions have won eleven straight games, so let's make Eldorado the twelfth one.

REMEMBER, BEAT ELDORADO!!

O-H-S

IN AND 'ROUND

The American and World History classes certainly do enjoy the classes on Friday. Reason? They have a sort of round table discussion and talk about world events of the week. Thanks to Mr. Ripple.

Since the governor has set aside band concert days in an effort to sell war bonds and stamps, the Lions band will probably give concerts each month.

Congratulations are in order for our four new twirlers for the performances they have been giving. The Seniors spent the first period Thursday selecting their invitations.

Let's give three cheers for the future Ozona Lions who played a good game with Sonora last Thursday. That Junior High team can play ball, too.

Friday afternoon saw two new girls at school and all the boys were "adither"; but alas, they were only visiting Sug and so once again the boys were quieted.

There has been made, by Gov. Coke Stevenson, a proclamation whereas on the dates October 15, 1942, November 19, 1942; December 17, 1942; January 21, 1943; February 18, 1943; March 18, 1943 will be set aside as Victory Concerts will be given by High School bands. The purpose of these concerts is to be used as a means of advancing sales of War Stamps and Bonds.

The hour has been suggested by the Governor as 8:00 p. m., and he has urged everyone who possibly can to attend these Victory concerts.

THE WISE OLD OWL

By RUSSELL and COATES

Orchids to the Ozona Lions!! 55-0! Keep it up boys.

Sug had two guests over the week-end from San Angelo. Bud and Jim were the lucky guys.

Among the ones at the dance Saturday night were Jo Nell, Billy Sparkman, Lorain, Cecelia, Sug, Tom Ed, Doris Bean, Charles Ruth, Arthur Byrd, Stanley, Shorty, Bland, Louise, Ethel, Dick Bud, Jim, Roy, Dick McDonald, and Nan Tandy.

Everyone missed Pris at the game Saturday but I bet she didn't miss us.

These girls surely do wish you would grow up, Buddy. I know the reasons, too.

Flossie was late to the band house on Saturday afternoon. What could have been keeping her?

Sug has a very pretty cross that someone gave her, but she won't tell who the "someone" was.

Ruth going to sleep in history and Virgil talking keeps Mr. Ripple busy.

"Squeakie". Who answers to that label? Shall I tell? Oh, I'll let you guess.

Bennie Gail wanted to hold hands with someone in yell practice. Say, is it a habit?

Beware when the four twirlers start to twirl.

Robbed!!! Bud's icebox Saturday night.

"Vularer Club". Where have I heard this before and who could be the members???

Congratulations, Band and Pep-Squad for such a good performance Saturday.

Nan was reading an air mail letter at noon. Come on, tell us.

Ozona Lions beat Eldorado Eagles!

CURRENT FASHIONS AROUND O. H. S.

Perky bows perched saucily in the hair are the season's best bet. O.H.S. girls wear artificial flowers among their curls, too. Speaking of curls it is noticed that as a whole they are worn several inches shorter this year than this time last year. Was it the hot weather or did the WAACS promote this?

These cool September days have

brought on the faithful sweater and skirt. And they are heartily welcomed, for there is nothing a school girl would rather wear. The skirts are widely varied but plaids and solid colors predominate. Among the sweaters the first "Sloppy Joe's" of the season were worn by two freshmen, Doris Bean and Muggins Davidson. Rozelle Pharr showed up last Friday with dark green twin sweaters, very becoming. While on the subject of sweaters, note should be taken of Priscilla Baker's smooth combination of a turban knitted to match her dusty rose sweater. Sweaters and skirts like these are likely to become something of a uniform until spring.

With sweaters and skirts, the cool season has brought short jackets and suits. Louise Bean's red wool suit, Joyce West's pastel blue and Mary Perner's aquamarine are good examples of the type of suits being worn. Short jackets of all types parade around Ozona High these days. Among them are the volley ball jackets so dearly won last year. Who cares if the

white needs cleaning often? The girls are justly proud of them. "Ye olde" girl scout shoe still seems to class as a favorite. Surprisingly few feet are clad in saddle oxfords this year. Could it be that girls are finally growing tired of them? Oh what can they create to replace them?

Marvin and Joe Rape will leave Friday to return to Galveston where they will resume their studies in the University School of Medicine.

Fire Prevention Week To Be Observed By School Children

Fire prevention week, designated for October 4 to 10 will be observed by Ozona schools with special lessons on fire prevention and theme assignments on fire prevention subjects, Supt. C. S. Denham announced this week.

The fact that 400,000 homes are visited by fire each year, 7,500 deaths from fire and the various hazards to be watched are among the facts placed before students each year. Careless smokers, faulty wiring, chimneys and flues, and use of gasoline in the home are the most frequent causes of fire, prevention literature points out. With gasoline rationing imminent, particular stress will be laid this year on the slogan "Gasoline has no place in the home."

SOMEWHERE IN PACIFIC

Gene Montgomery, son of Mr. and Mrs. Clay Montgomery of Ozona has been shifted from New Caledonia, an island off the northeast coast of Australia, where he was serving with an American expeditionary force, to an unknown new location, somewhere in the southwest Pacific theatre of war. Gene's parents have received a letter from him from his new base, but he was not permitted to disclose its location. His letter was heavily censored.

Mrs. Walter Childress of Pecos arrived Tuesday for a visit with relatives here.

Mr. and Mrs. Roy Henderson spent last week-end in San Antonio.

Mr. and Mrs. Cecil Hubbard, Joy and Marilyn, were week-end visitors to Austin.

Mr. and Mrs. Babe Phillips will leave Friday for a week-end visit to Carlsbad Caverns.

Mr. and Mrs. Ted Domanche of McCombe, who formerly made their home in Ozona while Mr. Domanche was with an oil drilling crew stationed here, are visiting friends here this week.

Reminding us that winter is at hand, Ozona residents arose Sunday morning to find a light frost. The frost was not heavy enough, however, to do much damage to vegetation.

Mr. and Mrs. Phillip Lee Childress had as their guests over the week end, Mrs. Childress' mother, Mrs. Mary Vaughn, and her sister-in-law, Mrs. H. P. Vaughn, both of Coleman.

Mrs. Hugh Childress is ill at her home this week.

All-Purpose Ration Book Sent To Printer

OPA last week sent to the printer the first of the nations all purpose ration books, designed to provide a swift means of rationing any commodity as soon as a critical shortage appears imminent. The book is adequate for rationing of at least two major groups of commodities for a minimum of six months. Three more ration books of similar character are now in preparation by OPA. One hundred fifty million copies of the new books will be printed, and probably will be ready for distribution before Christmas.

third. The Cubs were complete masters over the visitors from the start, a hustling line ripping the young Bronchs to pieces and making holes for their ball carrying teammates. A weight limit of 110 pounds, including all gear, kept a few boys out of the game, but Coach Garner played most of his squad of 25 boys.

Lions Swamp -

(Continued from Page One)

from their own 42, the Lions shoved to another touchdown, the 104-pound McWilliams carrying the last long yard for the marker. For the balance of the second period, the Lions wedged in some practice on those flying laterals that proved so deadly in the hands of the 1941 Ozona champs—and this year's edition proved anything but slouchy with the weapon. They carried to the one-foot line where the Bronchs stiffened and put up their only successful defense of the afternoon. The half ended with the count 21 to 0.

Two more touchdowns were chalked up in the third period, Coates turning in his second and third, from the 12 and from the 10, each off tackle. Tom Ed missed his only goal of the afternoon on that fifth touchdown.

The final period saw three more tallies by the Lions, Coates making his fourth through a wide hole in the Bronch line, Jimmy Read taking Coates left-hand pass over the goal line, and Bud Cox registering his second touchdown on a sensational 45-yard run through the entire Sonora defense. Captain Odom, quarter, Co-Captain Shurley, center, and Gene Shurley, half, were game defenders for the over-matched visitors.

LAS AMIGAS

Las Amigas Club met with Mrs. A. O. Fields Friday afternoon. Mrs. Ele Hagelstein won high, and Mrs. Hubert Baker bingo. Others attending were Mrs. G. L. Nesrsta, Mrs. L. B. T. Sikes, Mrs. Arthur Kyle, Mrs. Bill Baggett, Mrs. Oscar Kost and Mrs. R. H. Garner.

Mrs. J. C. Mitchell, mother of Mrs. Judge Montgomery, and Mrs. Bill Mitchell, her sister-in-law, both of Fort Stockton are visiting on the Montgomery ranch this week.

Miss "Mac" McWilliams, who has been accepted in the WAAC's has been ordered to report for duty in San Antonio on October 10. She will be sent from San Antonio to Des Moines, Iowa.

Mrs. Scott Peters, who recently underwent an operation in a San Antonio hospital, returned to that city this week for further medical attention. She was accompanied by her sister, Mrs. Floyd Henderson.

Pvt. Martin Harvick, stationed at Fort Bliss with a unit of the U. S. Army Medical Corps, in training as a laboratory technician, spent a brief furlough with his parents here this week.

Henry Daugherty, volunteer, and Alfred Prevost will compose a contingent of two colored selectees to leave here today for Army examination and induction. Daugherty is in Brackettville and will go from there.

Woman's Society Begins Study Of Latin-America

The Woman's Society of Christian Service met Wednesday in the home of Mrs. John Bailey. Miss Elizabeth Fussell, teacher of the fall study on "Latin America", directed the first class of four sessions. The book is written by William Stanley Rycroft of Lancashire, England, who has spent most of his life in South America since 1922. For 15 years he was professor of English in the famous old University of San Marcos in Peru, where he received his Doctor of Philosophy degree, and since 1940 has served as executive secretary of the Committee on Cooperation in South America.

Miss Fussell gave a most interesting discussion of the peoples of the 20 nations of Latin-America, pointing out the indelible marks of their ancient culture, a culture older than our own. Mrs. Charles Williams discussed the influence of mission schools, hospitals, clinics, colleges, missionaries and teachers supported by the church in these countries. Mrs. L. B. Cox, Jr., pointed out some of the economic relations of Latin-America with the Democracies as well as the Axis powers.

Miss Margaret Rue told of some interesting experiences of her life in China and especially how the missionary movement was rapidly growing, even in these times of hardships.

Mrs. B. B. Ingham, president, announced that Mrs. Lawrence K. Brown, wife of the pastor of the Sonora Methodist Church, would speak at the Sunday morning church hour next Sunday in the high school auditorium. She is declared an excellent speaker and special music has been prepared for the service.

The next meeting of the Society will be Oct. 7 in the Boyd Clayton home, with Mrs. E. B. Baggett, Jr., as hostess. Anyone interested in the vital information contained in this timely study is welcome.

Present were Mesdames W. R. Cabaness, Charles Williams, N. W. Graham, J. W. Henderson, Jr., Joe Pierce, Heyward White, John Bailey, E. B. Baggett, Jr., H. B. Tandy, C. L. McDonald, Jess Sweeten, Alvin Harrell, B. B. Ingham, L. B. Cox, Jr., and Misses Margaret Rue, Mary Riddle, and Elizabeth Fussell.

TWENTIETH CENTURY

Mrs. Eugene Miller was hostess to the Twentieth Century Club Thursday afternoon in the Victor Pierce home.

Dahlias and queenswreath decorated the rooms and a salad plate was served. Mrs. James Baggett won high score, Mrs. Early Chandler, low, Mrs. Lefty Walker, bingo, and Mrs. Joe Clayton, cut.

Margaret Toombs and Betty Walker of San Angelo spent the week-end here as guests of Lottie Jo Owens.

Childers On Committee To Nominate Trustees For Baptist Schools

Rev. Clyde Childers, pastor of the First Baptist Church of Ozona, has been appointed to membership on a committee of the Baptist General Convention of Texas to nominate trustees for the Correlated Schools of the Convention.

Notification of his appointment to the committee was received yesterday by the Ozona pastor from the Rev. Joseph P. Boone, pastor of the First Baptist Church of Waxahachie, chairman of the committee. A meeting of the committee will be held in Fort Worth in November prior to the General Convention, the chairman said.

The committee on nominations will nominate trustees for all of the Baptist schools in Texas associated with the Convention, which will include such institutions as Baylor University, Baylor College, the Baylor School of Medicine, Hardin Simmons University and other Baptist schools of the state.

Name Committee-

on approval of the local machinery rationing committee. Class B machinery includes items somewhat less scarce, and may be sold upon certification by the producer to the dealer that the equipment is required for current agricultural production. Group C machinery includes items less essential and may be sold without restrictions.

None of the machinery and equipment listed in Group A applies to Crockett County, however some of the items in Group B are: engines, dairy machinery and equipment, tanks, water pumps, cylinders, (for sale separately) windmills (pump jacks, windmill heads and windmill towers) individual livestock drinking cups, outside livestock water bowls, hog troughs, stock feeders, poultry feeders, poultry waterers, lighting plants, silos, wheelbarrows, horse shoes, horse shoe nails, electric fence controllers, harness, hardware, and power sheep shearing machines. Group C consists of the following: hand tools (hoes, rakes, forks, scythes and shovels) and all hand operated and one and two-horse drawn farm machinery and equipment.

The Texas U.S.D.A. War Board has pointed out that the purpose of the machinery rationing program is to secure a fair distribution of available machinery in channels where it will do the most good in wartime agricultural production.

Ann Baggett Has 4th Birthday Party

Mrs. James Baggett honored her daughter, Elizabeth Ann, on her fourth birthday Friday at the home of her mother, Mrs. S. A. Coose.

The children played on the school grounds. Jumping-jacks were given as favors and ice-cream and cake were served.

Those attending were Joe Sellars Pierce, IV, Early Chandler, Jr., George Bunker, Jr., Jesse Carl Marley, Jack Brown, Mack White, Carl Conklin, Mike Clayton, Carolyn Stuart, Jan Jones, Jan Bean, Lunell Beal and Jo Nell Coose. Mothers and chaperones present were Mrs. Pink Beall, Mrs. Ralph Jones, Mrs. Ed Bean, Mrs. Joe Sellars Pierce, III, Mrs. Early Chandler, Mrs. Sherman Taylor, Mrs. Byron Stuart and Mrs. Jesse Marley.

Mrs. A. W. Jones, who was to have returned to Ozona last week to make her home here, was prevented from returning as scheduled because of illness of her brother, living near San Antonio. Mrs. Jones has notified friends here that she plans to return next Sunday and will start her classes in speech and dramatic arts on Monday.

Mr. and Mrs. Lefty Walker have moved to the P. T. Robison ranch north of Ozona, where they will make their home. Mr. and Mrs. Walker have been in Leuders where he has been teaching school. They will operate the Robison ranch.
