942 Lions Repeat For Bi-District Title By Defeating Bronte Longhorns 27-13 In Gridiron Finale Here Saturday

Heavier 8B Champs Subdued By Fast Charging And Better Conditioned Lions; Aerial Attacks Too Much For Steers

For the second time in as many years, Ozona High School Lions slammed their way to a bi-district championship here Saturday afternoon by defeating the heavier but sluggish Bronte Longhorns by a score of 27 to 13.

Outweighed 8 pounds to the man in first string players and 18 pounds to the man for the entire squad, the Lions superior physical condition and all-round ability asserted itself early in the contest when the locals took Bronte's kick-off on their own 47 and without passing the ball went down the field 33 yards for their first touchdown with Bud Cox leading on the ground attack and Tom Ed Montgomery and Roy Coates collaborating on a passing attack, the ball was worked in three plays to the Bronte 10 and on the fourth, Tom Ed shot one to Roy Coates for the pay-off and then kicked from placement for the extra point.

But the fast charging Longhorn team came back promptly to tie the score when L. Gregg was broken out to carry the ball 50 yards to Ozona's 15, and then made it a first on Ozona's 4. J. James carried to the one-foot line and Gregg crashed through for the marker, finding the same hole later for the extra point.

After that the Lions took charge, opening up after the kick-off to shake the speed king Coates loose from their own 40 to carry to the Menard 12. Cox was through almost to the pay stripe and then on the next try Coates darted through for the second touchdown and a lead the Lions never lost again. Montgomery's only failure of the afternoon on a place-kick for the extra point came on this second touchdown.

The Lions did it again in the second frame after Coates' fine kicking had set the Steers back deep in their own territory. A bad kick into the wind gave the Lions the ball with first on the Bronte 20 and Coates turned in the most sensational catch of the afternoon when he snagged Montgomery's long one over the goal line. Montgomery's kick was square between the uprights and the score was 20 to 7.

Bud Cox accounted for the Lions final tally in the third quarter after a long aerial from Montgomery to Coates on the 21 had advanced the ball from midfield. Cox went over tackle for 10 yards for the Lions fourth touchdown. Again the Montgomery toe was true.

A desperate aerial attack launched by the Longhorns in the final chukker brought them their (Continued on Last Page)

Victorious Lion Squad Guests Of Rotary Tuesday

District And Bi-District Champions Toasted By Club Members

Coach Elmo McCook and his district and bi-district champion Ozona High School Lions were toasted by members of the Ozona Rotary Club when the coach and members of the squad were guests of the organization at its luncheon Tuesday noon.

Members of the squad of champions were greeted by President Scott Peters and introduced by Billy McWilliams. Coach McCook spoke briefly, praising members of his team as "the finest bunch of boys any coach ever had the privilege of coaching" and expressing his appreciation to them and to the people of the community for the cooperation he received during the season. Coach McCook praised the boys for their strict adherence to training rules, their cooperative spirit and their fine sportsmanship.

Supt. C. S. Denham also addressed the group, calling attention to the enlarged athletic program of the school system made possible through improvements to playgrounds and employment of a man teacher in the grade schools to act also as athletic coach. Mr. Denham likewise praised the fine spirit of this year's gridiron champions and Mr. McCook for his part in coaching the boys through their successful season.

Mrs. Ed Lewis played a piano number as the musical program and accompanied the group in singing "America" and the school song.

Members of the football squad present included Billy McWilliams, Dick McDonald, Jimmy Read, Jimmy Hight, Jim Ad Harvick, Chappo Morrison, Jimmy Farr, Calvin Williams, Roy Coates, Tom Ed Montgomery, Arthur Byrd Phillips, Bland Tandy, Charles McDonald, Larry Arledge, Henry Patrick, Lorain Wyatt, Carlton Smith and the team manager, Buddy Russell. Absent on hunting expeditions were L. B. Cox, Jack Sawyer and Basil Dunlap.

Joe S. Whatley, Jr., former Ozona boy and a recent recruit in the United States Navy, stationed at the Naval Training Center, Great Lakes, Ill. writes that the Navy "is one swell service." You ought to see me in my sailor clothes," Joe writes.

Judge Charles E. Davidson who has been ill for several days, is reported considerably improved this week.

Although Not Overruling District Committee—

Championships Should Be Determined On Field Of Play Rather Than In Committee Room, Says Interscholastic League Director

Responding to a request for an opinion, based on his knowledge of Interscholastic League rules, on the ruling of the District 7B committee awarding a co-championship to Mason in the recent committee session at Sonora following a percentage tie between grid teams from Ozona and Mason, R. J. Kidd, League athletic director at Austin, declared in a letter to Supt. C. S. Denham of the Ozona schools, that in his opinion "it is always desirable to determine championships on the field of play rather than in committee meeting."

In his letter presenting the facts which led to the committee ruling, Mr. Denham made it clear that he was not appealing the committee decision nor asking for an over-ruling of their decision—merely for the director's interpretation of the committee's duty in the face of the facts, and Mr. Kidd made it equally clear in his reply that his opinion was offered in the spirit asked and not in an attempt to over-rule the committee, which he declared "is the final authority in selecting a district champion."

In presenting the facts surrounding the tie finish to the district race, Mr. Denham called attention to the fact that three week-

ends were left open for the play-off, with both Ozona and Mason teams open for play Nov. 21, one week before League rules require certification of champions, November 28. It was also pointed out that an agreement was reached between Mason and Ozona school officials to play the game in Ozona November 21, the Mason representatives later withdrawing their agreement and asking for the co-championship designation.

"In my opinion," Mr. Kidd wrote in his reply to the local superintendent's question, "it is always desirable to determine championships on the field of play rather than in a committee meeting. The whole purpose of the interscholastic program is to arrange for athletic contests and determine champions on the basis of actual play."

"According to the information in your letter, in my opinion it would have been much better for the committee to have scheduled a play-off for the district championship, as is provided for under rule 6c of the Football Plan."

Ozona Latin-American Troop No. 63, Boy Scouts, won second place in a Scout First Aid contest for troops of the Ranch District held in Sonora Monday night. Troops from Ozona, Sonora, Eldorado and Junction participated. The contests were held in the Sonora High school gymnasium.

Sonora Scout Troop took the contest with a total of 391 points, with Ozona Latin-American Troop 63 on their heels with a total of 390 points. The local team was composed of Amarido Reyna, Silvestre Garcia, Felipe Castro, Polo Sanchez, Leonidas Vargas and Sonny Vitela. Samuel Martinez and Ed Vitela troop committeemen, and Scoutmaster Eugenio Ramirez accompanied the First Aid team to the Sonora contests.

By winning second place in the Sonora meet, Troop 63 will be entitled to compete in the second contest which will be held in Del Rio on December 7.

First Checks For Range Work Are Received

\$11,666 To Be Distributed To Ranchers; Nov. 30 Deadline

Receipt of the first group of checks in payment for work done under the range conservation program of the AAA during 1942 was announced this week by Miss Betty Bratcher, administrative officer.

Twelve checks to be distributed among ranch operators in payment for practices completed during the year, totalling \$11,666.02, were received and are ready for delivery, Miss Bratcher announced. Other checks will be coming in as work reports are approved, she said.

A deduction of only 1 percent, representing the expense factor for operating the work program in this county during the year, is being made from the payments, Miss Bratcher said.

The administrative officer reminded local ranchmen that the deadline for completing work under this year's program is November 30. All practices begun under the 1942 program must be completed by that date and prompt report made so that inspection can be completed.

Registration For Gas Rationing To Begin Today

Motorists Urged To Register On Opening Day If Possible

Today motorists begin registration for gasoline rationing, or mileage rationing, as the government agencies term it.

Application blanks have been in the hands of filling station operators here for several weeks and owners of passenger cars have had opportunity to get these blanks and have them filled out in readiness for presentation to the corps of registrars who have volunteered for the task.

Registration will be in the High School gymnasium and in the Latin-American school, the hours from 9 a.m. to 4 p.m. Members of the school faculty and volunteer helpers will be on hand for the registration.

Supt. C. S. Denham, head registrar, urges that all motorists register today and Friday if at all possible, so that there will be as little inconvenience to registrars as possible. Three days, Thursday, Friday and Saturday have been set aside as registration days and it is hoped that the job can be completed Thursday and Friday, Mr. Denham said.

Car owners will need to know their license number, year model, make and body type and serial number of the four mounted tires and spare in order to fill out the application blanks. No tire inspection is required in advance of registration. To receive the basic ration book, the car owner will take the completed application blank and his registration certificate or receipt given him by the tax collector at the time of registration of the car to the place of registration. Certificates of title, bills of sale or transfer will not be acceptable—only the registration certificate—for presentation with the application for basic ration books.

Motorists who think they will be entitled to more mileage than that provided in the basic ration books, A for passenger cars and D for motorcycles, will be given another application form which they will fill out at home and present to the local War Price and Rationing Board for action. Only the basic rationing books are to be issued by the registrar. Ration books for commercial cars are also to be issued by the rationing board.

Inspection of tires will be required of all passenger cars by January 31, 1943, and every two months thereafter for holders of B and C ration books, and every four months for holders of A books.

Beecher Montgomery Stars In TCU Win Over T. U. Longhorns

While his home-town high school football team was writing another page of glory in the history book of Ozona grid teams by coming through for the second bi-district championship in as many years, another Ozona boy was donning the halo of gridiron glory in Fort Worth last Saturday afternoon.

He was Beecher Montgomery of the football playing Montgomerys—Vic, Beecher and next Tom Ed. With but seven minutes to play and his team, the T.C.U. Frogs trailing the undefeated University of Texas Longhorns 7 to 0, Beecher, a substitute quarterback, went in the game and on the first play took the ball and turned and twisted 26 yards through the Longhorn team for a touchdown.

But that was not all Beecher did. A few minutes later he tossed a long pass to the waiting arms of a teammate, Drummond Slover, over the goal line for the winning touchdown—a touchdown which not only marred the unbeaten record of the Southwest leading team, but put his own team, the Frogs, back into the running for the wacky Conference championship.

SYMBOL OF OUR FREEDOM

Throughout the history of mankind symbols have exerted an impelling influence upon the lives of men. In America, the symbol of freedom, the symbol of independence, the symbol of everything we hold dear, is the American flag. As the war goes on and as our armed forces move into battle lines all over the world, the American flag goes with them at the head of the columns. Yet, here at home, except on rare occasions, our flags are stored away for some future day which may never come if those afield are not held aloft with strong hands.

In support of the war effort and the influence which our flag has upon the national morale, would it not be appropriate now to hold aloft our flag on the home front—on our factories, on our homes and on our public buildings?

To kindle a more alert loyalty to the America we love, to foster a truly cohesive national unity, to create for postwar America an increased appreciation and love for the American way, let us raise the flag on the home front. And let it remain to found more firmly the determination that the national ideals for which our flag was born and for which it stands shall not perish from the earth.

Mr. and Mrs. Alvin Harrell and Mrs. E. B. Ingham have returned from Fort Worth where they attended the TCU-TEXAS U. football game and visited with friends. Betty Jane Ingham, a junior in Texas University, came up from Austin to meet her mother for the week-end.

Mrs. Colwick Reviews "Corner Stones" At Parent-Teacher Meet

Mrs. Carl Colwick reviewed "The Corner Stones" by the English author, Eric Linklater, as a feature of the program at the Parent-Teacher Association meeting Monday afternoon.

The scene of "The Corner Stone" a drama, is laid in Elysium, or Heaven, and its name is taken from the four countries—Russia, China, Britain and America—that are predicted to be the corner stones of the Modern World. It made its appearance in England in December, 1941, and was used extensively over the radio. Since being introduced to America it has achieved wide popularity.

The devotional was in charge of Mrs. Stephen Perner. The trio from the high school, Nan Tandy, Mary Elizabeth Gray and Ruth Townsend, sang a clever medley of popular songs, Mrs. H. B. Tandy accompanying.

At the Association business meeting, the group voted to take 50 kits from the Red Cross to be made and equipped. Announcement was made that the weekly sing-song this week had been postponed to next Tuesday night.

The program for the next meeting of PTA is in charge of Miss Margaret Flanniken and the devotional will be given by Miss Georgia Williams. No advance notice can be given other than that it will be a "surprise".

To My Friends --

Due to the fact that I am taking up a new line of work January 1, 1943, I am making a new set-up in the management of JAMES MOTOR CO. effective November 1, 1942.

From November 1, Mr. Jess Sweeten, who has been in charge of my mechanical department for two years, will be manager of the complete business. Mr. Sweeten is a first-line mechanic and will continue to operate the business along the same lines as I have in the past.

We will appreciate all the regular customers continuing to trade with us, as well as any new ones that want to try our service. We will continue to give the best service possible under war-time conditions. Due to the labor shortage and shortage of material, you may have to wait a little longer for repairs but we will make every effort to give you good service.

Although I have made Mr. Sweeten manager, I intend to spend a lot of my time helping to keep the service as good as possible.

THE EDITORS' THOUGHTS

Rozell Pharr-Florence Luther

Well, football season has come in grand finish with that Bi-district Champs banner hanging from the wall of old O.H.S. again. That the final battle has been fought (in a very fine way, too, incidentally) we can turn our thoughts to other things. We were ought to have more time than we know what to do with on our ends but it seems that the school is going to bring a new athletic program into its curriculum. This very fitting for this time since physical fitness program has been stressed so lately.

Lately the typing class has been giving a sentence that carries a thought something like this. A little revives the spirits of the class, inspires the ambition of the dauntless, and brings joy and happiness to all. I know you've all heard the merits of a smile reached so often that you grimace every time someone starts talking about them, but these days we tend to smile more than ever before. If we spend more of our time smiling we'll find that we have less time to think about our worries.

Thought for the week: This week the week for the Junior Red Cross drive. The amount that you may seem small to you, but it's all those "little bits" that count up to make that big amount! So don't forget your quarters.

Final Victory Is Celebrated At Meet

There was a meeting in the study hall of O.H.S. Monday morning to climax the 8th and last football game of the 1942 season. From these eight games there were seven victories which resulted in the championship of District 7B and the Bi-district championship of districts 7B and 8B. The meeting was started with the school song which has been the custom. Since neither of the co-captains of the Bi-district game with Bronte, 8B champs, was present there was a short statement from Charles McDonald which consisted of the words, "I'm glad we won." Next was a speech from Coach McCook and then the weekly announcements by Supt. Denham. Mr. Denham mentioned the fact that physical education for both boys and girls would begin immediately. Now that football season is over.

What's Cooking?

OWENS-MAYES

Worry, worry, worry! Poor mothers! Dick, Roy and James didn't get in until 6:00 one morning and Roy didn't get in. Period! We wonder where all of these dopes were? Almost everyone was in a "fizz" Saturday. The dates that started together to the dance didn't end up together, and the one's that were supposed to go together never did get together. (Maybe some people can make sense out of this; I can't).

If you really want to know what was cooking, it was Tom Ed's jaw after J. H. slapped him. Poor Tom. Margaret's heart beat is home. Glad to see you around, again, Boochie.

Joy was out with a married man. Shame on you, Joy!

Mary had two very good looking soldiers at her house this week. One was her brother but who was the other?

Empty seats! Where was everyone Monday morning? Oh, deer season opened.

How do you boys play so well on that field full of stickers? Joy wants to know. (P.S. She was tackled on the field.)

Roy knocked a bottle of coke off the counter the first time to cure his hiccups. What did you do the second time you had them?

Pris declares that if Flossie doesn't quit making cute cracks she won't be able to survive from laughing so much. They are good.

Last Pep Rally Of Year Held

The last pep rally for the football season was held Friday the thirteenth in the usual place for gathering, the gymnasium. Practically all the student-body were there and also a large number of other football fans. The pep rally was begun with the band's playing "Simitar" followed by a few yells led by the three cheer leaders. After the band had played "El Capitan" and "Washington Post March" some pep talks were given by Jimmy Farr, Ethel Mayes, Mr. McCook and Mr. Denham. The school song rounded out the pep rally, leaving everyone in high spirits and making the boys rarin' to defeat the Bronte Longhorns the following Saturday.

THE LION PROWLs

By RUSSELL and COATES

In the Gossip Box this week, we found a slip of paper which reads as follows: "A new romance—LeRoy gave Louise M. a stick of gum in study hall." There are several new ways of identifying a new romance, but this is the latest. Thanks, anyway!

When the teachers start going to church on Sunday, it scares the students so bad, that they decide to try it too. Nice example, Mr. Kleinschmidt.

Jimmy Highlight is about the most popular boy on the campus. Now, it's Louise McLaughlin. (Special notice to Bertie Sue: Where we get our gossip is a secret, but it does come from people, not our minds.)

Baby Hokit has started a new style in O.H.S. She's fixing her hair like Shirley Temple. Very smooth, Baby!

Ethel and Dick make up one study hall and in the next one they fight again. Gosh, love must be fun!

Daphne M. was everywhere at once last Saturday night. I think that she finally ended up with Billy Sparkman. Nice, if you can do it!

Welcome to Boochie, Wayne and Bill. Nice to see you guys home again.

Is Rossie's heart breaking? Jessie Hardin left for the Army last Saturday night! Oh, yeah?

Lizzie has to take Sug and friends everywhere, even on her dates! Sucker!!

"Sandy" and "Soapie". Nice names for Seniors, all on account of a sandwich and some soap!

Does Wyandott look rough and tough? Well, he is. What? You don't believe us? Well, O.K.!!

Cogitations

Bi-district champions of 1942!!!! No doubt about it, the Ozona Lions have proved themselves to be the very best team in the two districts! What is this upstart team, Menard, anyway???—Dilly is always yelling (in a whisper) at someone in study hall. She should try whistling. It's more effective—Miss Blanton has started wearing socks along with some of the other teachers. Now we can't tell teachers from students!—The dance Saturday night was fun for everybody but Charles. He tried but you could plainly see that Doris had broken his heart. It seems that she preferred going with some girl to the show—Dick McDonald must have a terrible cold. The way he coughs in the study hall from 4 to 5 has every body laughing, including him!—Vera McCaleb is back in school and raring to go again. In fact, she's already going. It's surely nice to have her back—Wonder why Joy didn't show up for her date Saturday night? That ol' married man got her, I guess—The hunting season is open and all the hunters in high school are giving it a whirl—Why was Tom Ed's car parked on the old Mexican road? No gas? A flat?—The freshman girls must be growing awfully fast. Those short dresses they wore Friday 13 were becoming, just as the pig-tails and cupid's bow lips were. (Ahem)—The bell is ringing, so this is "Column HALT".

Victory Program Given By Schools

The Ozona Schools were turned out for a holiday November 11, even though the world today is not at peace.

The school gave a Victory Concert Monday, November 9, on the west side of the park. The theme was "Schools at War." The program was introduced by C. S. Denham, superintendent of the Ozona schools. He said, "The voices that you will hear will be the voices of Young America at war." The band played "Simitar" and "Washington Post March." The speech "Schools at War" was delivered by Dick Henderson. L. B. Cox, III presented the student body with a challenge. They answered "We are ready."

The students sang "America" and "God Bless America" led by Rebecca Anderson. The reading "America For Me" was given by Jo Nell Oden. "Give Us Men" was read by Max Word. "Marching Along Together" and "You are a Grand Old Flag" was sung by everyone. The band played "El Capitan". The pledge to the Flag was given by the student body led by Charles McDonald. Everyone stood at attention while the "Star Spangled Banner" was played.

HE Girls Dress Up Department

The freshmen girls in Home Economics class have redecorated the H.E. department. New green and white checked curtains have added something new. This same material was used in making ruffles for the inside of the cabinet doors.

Also in the sewing department there are some very attractive aprons made by Corinne Phillips and Patsy Schwalbe, representatives of the 8th grade.

All of this has made the Home Eco. department very attractive. Why not come and see for yourself?

Campus Capers

Over the week-end several former students of O.H.S. were home. Bill Carson, Wayne West, and Boochie Coates.

Jo Nell Coose, Ruth Townsend, and Miss Hill were a few of the

lucky people who attended the T. C.U.-Texas game in Fort Worth. Bennie Gail Phillips has a cute new bicycle skirt.

Mary Perner wore to the dance Saturday night a bright red velvet skirt.

O.H.S. is very quiet. Nearly all of the boys have gone hunting.

This is Book Week, and after all there is nothing like a good book.

Piano Pupils In Studio Recitals

Two groups of pupils of Miss Ruth Graydon's piano classes will be presented in studio recitals this week, the first group Wednesday afternoon and the second Thursday, both at 5 p.m.

In Wednesday's recital were Corinne Phillips, Muggins Davidson, Azalea Babb, Mike Burns Friend, Jo Nell Coose, Doris Bean Ethel Mayes and Marie Williams. In this afternoon's recital will be Kay Kirby, Martha Ann Arledge, Mary Ann North, Rosalie Friend, Armond Hoover, Sandra Augustine, Tom Piner, Judy White, Bet-

ty Cook, Lillian Schneemann, Ray Piner, Patsy Cook, Edith Lou Piner, Jane Augustine and Patsy McDonald.

Mr. and Mrs. S. W. Posey of Lubbock spent the week-end with Mr. and Mrs. J. M. Baggett.

Your Telephone Has Been Called to the Colors

Materials that normally would have been used to install your new telephone may now be a part of a battleship or a tank or one of the many items of defense. Which all adds up to—there have been and will be more delays in getting supplies. As long as war production is using so much material we need to install your telephone, we know you'll continue to be patient. Even though you do need your telephone NOW!

INFORMATION

You: No? Well, I understand that the factories which used to make washing machines now have turned to war work—

Reddy: True!

You: ... and so what are we going to do when our present machine wears out?

Reddy: That's just the point! We're going to help keep 'em in good working condition—

You: But new parts are hard to get, too!

Reddy: Yes. That makes it doubly important that we take good care of the things we have.

You: But suppose my machine breaks down?

Reddy: Well, Lady, the point is, make repairs before it breaks down! Check up on your washing machine—and all other appliances—now before some essential part gives way. Call your electric fix-it man. Let him go over your appliances carefully. Then he should make repairs that will prevent breakdowns.

You: Thank you, Reddy. But suppose I can't find a repair man—many of them are in the Army, you know.

Reddy: In that case call the West Texas Utilities. Our service department has arranged to help out in emergencies!

Music Club Calls Off Regular Meets; Continue Activities

While voting to maintain all its essential activities, including war service and promotion of musical appreciation in the community, members of the Ozona Music Club decided to dispense with regular meetings of the club, held twice monthly, when the group met in the home of Mrs. H. B. Tandy Monday afternoon.

Any meetings which may be held will be at the special call of the president, Mrs. Elton Smith. However, the organization will maintain its activities through regular and special committees. A special call to the club membership was issued by the president to put forth special effort in support of civic, church and war service music in the community, including choir work, the weekly sing-songs, work of the high school band, choral groups and private music pupils.

Special seasons will be observed by the club as usual, with Christmas caroling in the coming Christmas season, special guest-day observances in February and Easter music.

Present for the final regular meeting for this season were Mrs. Elton Smith, Mrs. Neal Hannah, Mrs. J. M. Dudley, Mrs. L. B. Cox, Jr., Mrs. S. M. Harvick and Mrs. Tandy.
