## Famous Strong Man To Put On Free Show On Downtown Street Saturday Afternoon, June 23, At 2:30 O'clock

A number of the business and professional men of Ozona will present Jack Kern, known the world over as the "Iron Man," in a free show on the main street in the downtown section Saturday afternoon, June 23, starting at 2:30 o'clock.

Kern, who weighs only 160 pounds, is reputed to be the strongest little man in the world, and next Saturday afternoon will perform feats requiring almost unbelievable skill and strength. He has accepted a challenge to pull a five-ton gasoline loaded truck up grade on the Ozona street with a rope tied about his neck.

A rope will be fastened about his neck and tied to the truck and he will pull the loaded truck in this manner. He will start at Flowers corner and pull up grade toward the North Motor corner. He will also pull the same load with an inertube fastened about his stomach. Several other stunts of this nature that will be a revelation in the possible strength that can be developed in the human body will be performed during the 45 minute free show. Perfectly developed and trained muscles accounts for the Iron Man's ability to perform these almost impossible feats.

Kern has been holder of the world's record for moving weights with the human body for many years. Recently in St. Louis he defeated a professional strong man from Germany in a pulling contest, moving four tons more weight than the German giant, who weighed 242 pounds. He has given these demonstrations in nearly every West Texas town during the last few months and huge crowds have turned out to see him.

The attraction will be free to everybody. There will be no collection taken nor anything sold. The merchants and professional men of Ozona have contributed to a fund to make the show possible and everybody is invited to see the performance.

## Couch To Form Baseball Team

### Many Of Players On Former Team To Be Signed Up

Reorganization of the Mike Couch baseball team, which played successful seasons here several years ago, is contemplated in the next few days with a call issued this morning by Mr. Couch to all ball players interested in joining up with the team to call him to arrange an organization meeting. Many of the players on the original Couch team are expected to be available for the new club. One of the main objectives of the Couch team will be to give actual playing practice to the Ozona Giants, first string team and West Texas League entry, Mr. Couch said. A few innings of competition each day in work-out will give both teams better training, he believes, and will help in rounding the Giants into shape for league combat.

In addition to play with the Giants, the Couch team will match games with teams from surrounding towns for days when the Giants are not matched and will use the Powell Field diamond. Ten percent of gate receipts at these games will go toward maintenance of the park.

## SISTER OF MRS. DENHAM KILLED IN AUTO CRASH

Miss Opal Maddox of Henderson, Texas, a sister of Mrs. C. S. Denham of Ozona, was killed in an automobile accident near Dalhart, Texas, last week according to news dispatches.

## Modern Sampson

The "IRON MAN" in action. He pulls five tons and more with a rope around his neck. See him here Saturday afternoon.

## Cox Leases To Major Companies 3300 Acres Live Oak Ranch Leases; Deep Tests Planned

Approximately 3300 acres of land out of the H. B. Cox Live Oak ranch was leased this week by Mr. Cox to the Humble Oil and Refining Company, the Shell Petroleum Company and the Gulf Refining Company. The oil companies took 10 year leases on the acreage at 50 cent rental and \$12.50 cash bonus.

Further exploration for production in the Ordovician is expected to be made by these companies on the acreage leased out of the Cox property. Deep tests in search of production from the level of the Big Lake deep wells have been rumored in this area for several months and definite activity in that direction is expected soon.

Mr. Cox was here Tuesday fixing up papers in the lease deal and transacting other business.

## Loudspeaker System May Be Given Trial In Baseball Stand

The electric public announcing system, secured by Musty Casber for use in making announcements and furnishing musical entertainment for the crowds at the rodeo grounds, July 3, 4 and 5, may be given a try-out before the rodeo in announcing the play-by-play progress of baseball games played in the local park.

The loudspeaker system arrived this week and is being assembled. If possible, Mr. Casber plans to install the speakers in the baseball park grandstand to broadcast the play-by-play report of the games to spectators in the stands, thus adding interest to the games. The system may be ready for operation for the opening game of the West Texas League second half against Texon here July 1.

## Former Ozona Child Victim Of Lockjaw From Nail Puncture

M. T. Blackwell, Jr., six-year-old son of Mr. and Mrs. M. T. Blackwell of Lampasas, former residents of Ozona, suffered an attack of tetanus or lockjaw infection as the result of a nail puncture in his foot last Saturday and was in a critical condition for a time, according to word received here by friends. The child rallied from serum treatments, however, and at last reports was out of danger.

Mrs. Ula Montgomery of San Angelo is visiting her mother, Mrs. Mary Childress and other relatives.

## Old Sol Speaks His Piece With Temp Of 105—And No Shade

Sizzling summer came in a big way to West Texas this week. Temperatures reached a new high mark for the season in Ozona yesterday when residents steamed and liquified under a broiling sun with but little breeze to relieve the heat.

Depending on exposure, thermometers in the downtown section yesterday afternoon ranged from 100 to 109 degrees in the shade, the average temperature in the shade with protection from radiation of heat from the paving being around 105 degrees.

## Giants Smash Iraan 7 To 2

### Sensational Fielding And Hitting By Locals Features

Two of the reputedly fast Permian Basin league baseball teams saw the dust of two faster West Texas League teams in simultaneous combat yesterday, the Ozona Giants smashing the Iraan team 7 to 2 and the San Angelo Sheep Herders plastering the McCamey squad by a 9 to 5 count.

The Iraan crew was helpless before Lefty Weickline and Pat Caraway, two wrong-side hurlers for the Giants. Weickline pitched five innings and allowed two hits and Caraway chucked four for three hits, the first a home run when the ball was lifted over the outfield and on the hard ground had to be run down by the fielder.

Able backing up the hurlers in keeping down the base log total was an entire team of Giants that clicked, sometimes sensationally. Red Greer in left field and Beeler Brown in right each made sensational snags of balls labeled all over as home runs. Brown's catch was a hard hit ball by Jess Wade, former Ozona second sacker, with two runners on bases and the score 6 and 3. Both Greer's and Brown's catches were running snags of high driving flies, either one of which would have been home runs if they had gone over. Cox and Dorley with fast fielding and bullet throws kept pitchers out of many holes on infield grounders.

The Giants were handy with the stick throughout the contest, nipping the Iraan hurler for a total of 13 safe blows, two three-base smashes by Brown and Weickline. Brown, Dorley, Weaver and Rex Russell got two hits each and Frank Russell, Cox, Greer, Weickline and Caraway one each.

## To Install New Scoring Marker

### More Interest To Be Added To Ball Games By New System

Another improvement that will add to the interest of spectators in the baseball games on the local diamond the balance of the season is being added at the park this week.

A modern scoring system where by fans will be able to follow the batting order of both teams, the balls and strikes on batters, outs and scores by innings is to be installed at the park through the generosity of the West Texas Lumber Company, donating the materials, and Kay Johnson, carpenter, who is doing the work of installing the board.

The local system will be modeled after that in operation at the Texon park. A board with a sliding panel showing balls and strikes on batters and outs in the inning and a twin board showing the line-up of both the home and visiting teams is to be set up near the big score board showing

## Trick Horse To Perform Here

### Rodeo Visitors To See Intelligent Animal July 3, 4 and 5

"Prince," the wonder trick horse, owned by Tex Rumsey of Miles, Texas, will put on a daily performance during the eighth annual Rodeo, Race Meet, Stock Show and Sale here July 3, 4 and 5, it was announced by fair officials this week.

Mr. Rumsey has signed a contract to bring his trick horse here for exhibition before the grandstand during the three-day performance. The horse has a bag full of clever tricks, exhibiting almost human intelligence in some of the stunts he performs under the direction of his master, according to those who have seen him in action.

The performance of the trick horse will be one of a number of special features to enliven a snappy program of western contests, horse races, steer riding and the like which will be given for the entertainment of the thousands of visitors expected here for the annual show two weeks from now.

## BUILDING NOTES

### Hail Makes Business Brisk For Roofers As Residents Make Repairs

The recent hail has made business brisk here for roofing men and workmen in putting on new roofs hopelessly damaged by the hail stones and making needed repairs on others. In addition to the roof repairing, considerable other building activity has been in progress in this area recently.

Rapid progress is being made on construction of the handsome Massie West home.

The foundation and basement excavation work is under way for the new brick residence being built for Mr. and Mrs. Roy Henderson.

J. M. Baggett has added a three compartment sleeping porch and a new roof to his ranch home. The home has also been repainted in the general renovation program.

N. W. Graham, Mrs. W. E. Smith and E. B. Ingham are having new asbestos roofs placed on their homes.

Mrs. Mary Perner has had new roof and repairs made on her store buildings and on her residence.

A new roof has been placed on the Methodist Church, and Mrs. W. E. Smith has had a new roof put on the Variety store building.

The Paul Perner home has been redecorated on the interior.

James Miller is having his home repainted.

Joe Davidson has had his home repainted.

Hancock's Cafe and Moore's Cafe have both been recently redecorated and repainted inside.

Houston Smith has had some repair work done on the roof to his apartment houses.

A number of improvements have recently been made at the Mexican school house.

## REV. MOODY LEAVES TO HOLD SUMMER MEETINGS

Rev. L. N. Moody, minister of the Church of Christ here, left this week with his family to be gone two months. Rev. Moody will hold revival meetings in Arkansas, Kentucky, Missouri, and Tennessee during his annual summer tour.

the score by innings. It is expected the new system will be ready for use at the opening game of the second half series of the West Texas League, when Texon opens with the Giants on Sunday, July 1.

## Trick Horse

"PRINCE" the wonder trick horse owned by Tex Rumsey of Miles, Texas. Who will do his stuff for rodeo fans here July 3, 4 and 5.

## Giants Take Two In Season Final

### Ballinger Swatted In 7-2, 5-1 Order Here Last Sunday

In two uninteresting games as compared with the thrill-packed encounters with Texon and San Angelo through the season, the Ozona Giants finished the first half of the West Texas League season with a double win over the cellar dwelling Ballinger team, now withdrawn from league combat in favor of the Del Rio Cowboys.

Ozona took the first game, a nine-inning affair, by a score of 7 to 2, and the 7-inning nightcap 5 to 1. The score in each instance should have been more top-heavy in favor of the Giants, but the Giant weakness with the stick when hits would have meant multiple runs showed its head and the Giants let 14 die on bases in the first game and 4 in the last.

The fans were given a second showing of the hip-pocket delivery of one Pat Caraway, lefthander and former big league pitcher, who was signed the past week by the Giant management. Caraway, although uncorning but little of his stuff against the weak Runnels team, rapped his weaving curves, slow balls, drops and the like through for many queer capers to the amazement of the Ballinger squad. Caraway made his

(Continued On Page 5)

## Miller Takes Over Filling Station In Dudley Garage Bldg

Richard Miller, who until recently operated the Magnolia Service Station at the Donoho Garage, has taken over the filling station and storage facilities in the Dudley building.

Mr. Miller is handling Texaco gas and oil, Firestone tires and tubes and auto accessories. Clyde Leuth has taken over and is operating the Magnolia station in the Wilson building.

## NEWBERRY TO SALES MEET

Clyde Newberry, local agent for the Humble Oil and Refining Company, wholesale station, attended a dealers' meeting and picnic of salesmen of the Abilene district, held at Cisco the first of this week.

## FULMER HOLDS MEETING AT McCAMEY CHURCH

Rev. M. M. Fulmer, pastor of the Baptist church here, left the first of the week for McCamey where he will hold a ten-day revival meeting in the church there. Rev. Forrester of McCamey will hold regular services here Sunday

## EARLY PAVING OF WEST ROAD THOT PLANNED

### Crockett Designated In Drouth Area By U. S. Bureau

### LABOR TO ROADS

### Road Project To Take Precedence Is Work Relief Plan

Early hard-surfacing of the 45-mile stretch of Highway 27 from Ozona west to the Pecos County line is seen as a possibility with the designation of Crockett County in the drouth relief area of Texas by the federal department of agriculture this week and the allotment of more than \$12,000,000 by the federal government for highway construction work in Texas.

Under the plan of administration of relief funds in the drouth areas, the work relief program is to be concentrated on road building under the supervision of the federal government. All available labor in this and other counties similarly designated will be diverted to road construction projects, to be carried out under the order and supervision of the State Highway Department.

The highway west of Ozona being a main artery trans-continental highway, it is expected that this project will be the first to be undertaken under the new set-up. All labor will be paid out of federal drouth relief funds and the government will also furnish all materials and carried out by the State Highway Department and the department's equipment will be used as far as possible.

Persons now on relief rolls in the county will be eligible for work on the project. Direct relief cases now being handled by the county administrator for the Texas Relief Commission will continue to be handled in the same manner, but in cases where those on the rolls are able to work, they will be put on the road project labor rolls. A maximum of 32 hours a week will be allowed workers, their hours to be determined by their budgetary needs.

A. M. Moursund, division engineer for the State Highway Department for this district, has informed local officials that he will be here in the next few days for the purpose of making a survey of the local situation and to make whatever plans are necessary for getting the projects under way in this county.

## Big Carnival Is Secured For Fair

### Badger's Greater Shows Coming To Ozona For Rodeo Showing

A contract was signed a few days ago by officials of the Crockett County Fair Association for the appearance of the Badger's Greater Shows, one of the highest ranking carnival companies in the South, for a stand here during the eighth annual Crockett County Rodeo, Race Meet, Stock Show and Sale July 3, 4 and 5, it was announced this week by Wayne West, president.

The carnival has four riding devices, a mix-up, Ferris Wheel, hobby horses and a riding device for children. About twenty concessions are included in the complete set-up.

The carnival will pitch tents on the fair grounds in the usual spot on the northwest side of the grounds, a day or so before the opening of the rodeo and will remain through the three-day entertainment, furnishing additional attractions for visitors during the celebration.

### This Is Just a "Nautical" Illusion

This photograph from Aberdeen, Scotland, shows not a wreck but a trawler in the trough of a huge wave as another trawler passes by. The boats were leaving the harbor for the fishing grounds.

### Ozonans Attend Reunion Of Pioneer Families Held In Coryell County

GATESVILLE, Texas, Approximately 90 descendants of the pioneer families of Coates, Loves, Friends, Perrymans and Harmans, who came to Texas before the days of the cattle trails of the '70's and '80's, attended a reunion held at the old tabernacle on Cow House Creek at Pidcock, Sunday, June 2.

The reunion meant for some the first home-coming since childhood to the old settlements and the first visit with friends and relatives in many years. Barbecue and dinner were served and the day was spent recounting the stories that cling around those old settlers who made much of the pioneer history of Central Texas. Originally, the ancestors came from Kentucky, Arkansas, Alabama and Mississippi. They pushed into Texas in wagons and ox carts and settled in Coryell County. Being law abiding, public spirited and intelligent people they soon gained prominence in the affairs of the State. At the close of the century, however, many of the families had moved away and their activities in the county had begun to decline. The reunion brought them back to revive the things that are now little more than memories.

Those who came from out of the county were: Mrs. Dixie Friend Davidson, Mrs. Maggie Friend Seaborn, and Mr. and Mrs. Ned Friend, all of Ozona, Texas; Mrs. Dolly Love Bartley, Duncan, Okla.; Mrs. Leslie Chambers, Watonga, Okla.; Mrs. Mollie Love Harman, Holland, Texas; Mr. and Mrs. E. A. Williams, Houston; Mr. and Mrs. Ed Harman, Mrs. Worth Harman, Mrs. Joe R. Gee, Nolan Harman, Miss Minnie Crawford, Lampasas; Mr. and Mrs. F. N. Parrot, Mr. and Mrs. Frank Morgan, Waco; Mr. and Mrs. Sam Duncan and Earle Duncan of Dallas.

Among others of the families who attended were: Mr. and Mrs. W. R. Duncan, Mr. and Mrs. Hayne

Skin"  
A romantic story of the conflict  
between love and luxury.

### Health Check On Domestic Urded As Safety Measure

AUSTIN, Texas.—Dr. John W. Brown, State Health Officer, while discussing the spread of disease, asserted that servants in the homes were responsible for transmitting many diseases. There is a State law requiring food handlers in public places to have a health certificate, but this does not include domestics. This is the responsibility of the employer.

Many persons of all races are employed as cooks, nurse-maids, laundress, etc. As such they come in intimate contact with the grown-ups and children in the family. If these servants are harboring any communicable disease the employing family is very liable to contract it.

Some of the diseases that may be and are transmitted in such a manner are: venereal diseases, tuberculosis, typhoid fever, and other acute contagious diseases. A typhoid carrier can easily infect an entire family. Recently a nurse-maid was discovered to have syphilis and she had charge of two small children. Another family discovered that their servant had active tuberculosis.

The State Department of Health recommends that employers have their family physician examine their servants from time to time to eliminate any danger of contracting any of the diseases mentioned. The cost of this is negligible when compared to the cost of an illness and family death.

Judge Carl Runge of Mason, candidate for Congress from the 21st district, passed through Ozona the first of the week on his way to El Paso. He was accompanied by Tom White, Mason ranchman.

### Prevent HAY-FEVER Now!

The nose membranes can be toughened now to prevent it, but not after the Hay-Fever starts and the nose passages are swollen and closed. Mr. R. O. Murphy, Box 298, of Stillwater, Minn. who freed himself of Hay-Fever suffering will tell you without charge how to go about it. Just send him your name and address, but write now without delay. (Adv)

### W.T.C. of C. Group Study Agricultural Needs Of West Texas

FORT WORTH, Texas.—Hugh Childress, Jr., Ozona, director in the West Texas Chamber of Commerce has received notice of his appointment by James D. Hamlin, president, as a member of the regional chamber's Commission on Agriculture and Livestock for this fiscal year.

The objectives of the commission are set forth by Hamlin as follows: (1) execution of any emergency assignments having to do with the welfare of agricultural and livestock industries; (2) in cooperation with the State Agricultural Extension Service, launch live-at-home campaigns in the various agricultural counties; (3) inaugurate campaign to secure one or more subsistence homesteads for each of the ten West Texas Chamber of Commerce districts; (4) promote maximum competition in cotton buying; (5) organize county allotment committees for the purpose of securing maximum allotments of cotton under the Bankhead bill, and of cotton and wheat under the Agricultural Adjustment Act; (6) continue cooperation on program of making cattle a basic commodity under AAA and to secure tax on imported

vegetable oils; (7) determine whether processing tax penalizes the West Texas grade of cotton and if so work to reduce the tax; and (8) cooperate in securing maximum benefits for West Texas from various services of the Farm Credit Administration.

An administrative board of five has been created within the commission on short notice as follows: Clifford B. Jones, Spur, Chairman; Knox Pittard, Anson; P. B. Ralls, Ralls; W. J. Morton, Dumas; and E. K. Fawcett, Del Rio.

To carry on the entire work of the regional chamber, it has created four other commissions similarly organized with definite objectives. They are: Commission on Public Education and Taxation; Commission on Territorial Development; Commission on Mineral Resources, Traffic; and Commission on Publicity and Promotion.

Independent Congress again has announced being independent—Independent Democrat and Independent Republican.—Brainerd Dispatch.

### YOUR SAFETY---

### May Sometime Depend On Rapid Communication

Sudden illness, an accident, and a thousand other emergencies may arise in your household demanding immediate communication. Are you prepared to meet such emergencies with telephone connection in your home?

### CHEVROLET'S

newest creation is here!

Presenting

### THE 4-DOOR SPORT SEDAN

Chevrolet proudly presents the new Sport Sedan as the most beautiful model ever built by any manufacturer of low-priced cars. On a long chassis embodying Chevrolet's combination of exclusive features—enclosed Knee-Action, an 80-mile-an-hour, 80-horsepower engine,

cable-controlled brakes, and all the rest—is mounted a body that combines five-passenger capacity, exceptional luggage space, and more de luxe touches than we have space to tell about. If appearance and convenience come first with you, and you wish to stay in the low-price field—here, beyond a doubt, is your car.

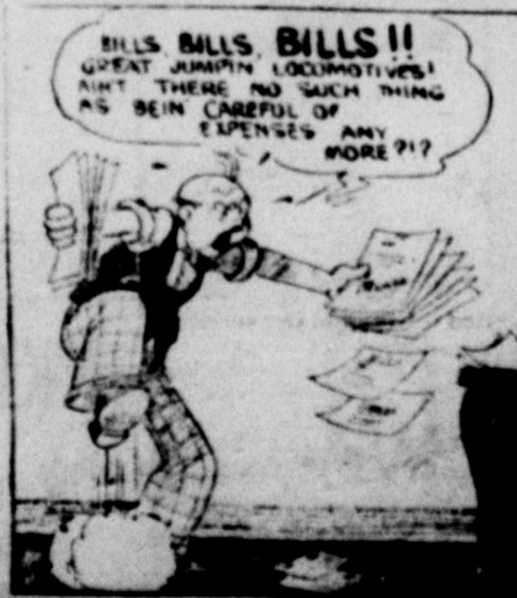

CHEVROLET MOTOR COMPANY, DETROIT, MICHIGAN  
Compare Chevrolet's low delivered price and over C.M.A.C. laws. A General Motors Value.

PEOPLE who have seen the way the spacious merges into the body lines, make no mistake about handsomeness as this trunk is a decidedly practical feature holds enough for a cross-country tour, and specially designed locks make it tamper-proof.

### NORTH MOTOR CO. OZONA TEXAS

### THE FAMILY NEXT DOOR

### Giants Take Two

(Continued from page 1)

appearance against Moses and his crew in an exhibition game here Thursday afternoon, pitching five innings and leaving the Simmesmen only two hits. That game ended in the eighth inning a tie, ten and ten, bases stopping the scoring bees. Weickline started the game for the Giants, and the Moses men pounced on him with gleefulness, hitting eight hits for seven runs in the first half of the first. Weickline going out in favor of Caraway. Simpson, another left-hander, was given an opportunity to show his stuff and finished the game from the sixth.

With Ballinger out of the league and Del Rio in, with Moses men combined with Blondy in management of the San Angelo Herders and the two tough teams merged for the second half of the league season, the champion Texon Oilers still a mite high in their own right, and Ozone with its reinforcements, the second half of the West Texas league season promises to pack up a lot of thrills for the fans.

Box scores of the Sunday games follow:

### Lions To Install Officers Monday; Smith President

Formal installation of officers will be held by the Ozona Lions Club at its regular meeting next Monday noon. The officers were elected at a recent meeting of the club and will assume their duties with next Monday's meeting. When J. H. Miller, who was elected president of the club at the regular election recently, with drew from that office on account of insufficient time from business duties to serve, R. O. Smith was elevated from the post of secretary, to which he had been elected, to that of president, and M. Wilkinson was named secretary-treasurer.

### DOROTHY HANNAH IS SWIM PARTY HOSTESS

Miss Dorothy Hannah entertained a number of her friends with a swimming party on the occasion of her birthday Tuesday evening. A swim was enjoyed in the P. T. Robinson tank followed by a picnic supper. Those enjoying the outing were Betty Lou Coates, Mary Louise Harvick, Johnny Boyd, Mary Bess Parker, Oleta Casbeer, Imogene Drake, Frances West and Abeane Couch. Ernest VanZandt acted as life guard.

### LOTTIE MOON CIRCLE MEETS WITH MRS. WILLIS

The Lottie Moon Circle of the Baptist W. M. U. met Wednesday afternoon at the home of Mrs. W. S. Willis for a Bible study program. The following were present: Mrs. Tom Squyres, Mrs. H. A. Moore, Mrs. Lon Freeman, Mrs. W. L. Wilkins, Mrs. Lowell Littleton, Mrs. John Pettit, Miss Maybelle Taylor and Miss Renabell Townsend.

See or call Mrs. Glyn Cates, phone 102, for 10-day special on permanent waves. Itc

Dr. A. Helbing of Barnhart and San Angelo was an Ozona visitor last week.

# BARNHART NOTES

By E. J. WYATT, Correspondent

### MEMORIAL CAMP IMPROVED

The work done on the school campus by the relief men improved its looks. Concrete walks were built, grass transplanted, both houses painted, and lots of rocks removed. W. C. Holcomb who has been janitor for several years, waters the grass and gives the campus good care.

L. W. Joslin was a San Angelo visitor Tuesday.

Several of the church workers from here attended the Baptist Workers Council, held at Big Lake last Tuesday. Everyone reported an enjoyable program and a nice time.

Robert Ada, who ranches north of town, returned home with his father to Knoxville, Tenn. a few days past.

Dad Hanson has been ill several days at the home of Mr. and Mrs. T. E. Hansen. He was on a vacation when he was taken ill. He has been improving the last two or three days.

Mrs. Clarence Holcomb, Flora Lee and Wanda from Texas, visited Mrs. Holcomb's sister-in-law Mrs. Chas. Shaw two days last week. Mrs. Shaw, Irene Beeman, Connie Cumbie and Mary Mary are here accompanied them to Camp Lewis Farr at Martson Thursday evening. Lawrence and Clarence Holcomb were attending the Boy Scout camp there.

Mr. and Mrs. Chas. Shaw were business visitors in the Rankin section Tuesday.

### MISSIONARY MEET

The Baptist Missionary ladies met at the church at 3:30 last Wednesday afternoon for a missionary program. Everyone on program was present and rendered their parts well. Twelve members and the pastor were present.

V. L. Porter was in town Thursday and Friday from his ranch near Sanderson. He was a guest of Mr. and Mrs. T. C. Harris Thursday night. Mr. Porter formerly worked for the West Texas Lumber Company here.

Mr. and Mrs. P. B. Connor returned from Dalhart last Thursday where they had been to take Mr. Connor's mother and to visit relatives.

Mrs. J. F. Miles and Mrs. Homer Martin returned home Sunday after spending a week in Ft. Madison and New Boston, Iowa, visiting Mrs. Miles' relatives.

There has been a good attendance at the cottage prayer meetings which are held in homes each night this week and last.

### SENIOR UNION GIVES ASSEMBLY PROGRAM

The Senior Union in B.T.S. rendered a splendid program in general assembly Sunday evening. The program was as follows:

Song by congregation. Scripture reading by Rev. Duke Shaw. A chalk talk by Mrs. Duke Shaw while congregation sang "The Old Hugged Cross." Duet by Irene Beeman and Connie Cumbie.

Mr. and Mrs. W. C. Mitchell left Tuesday for their summer vacation. Mr. Mitchell had been supervising work on the school campus since school closed.

Mr. and Mrs. Alvis Newman were visitors in San Angelo Saturday night.

**POSTED**—All my pastures in Crockett County, hunting and trapping and all trespassing positively forbidden. Floyd Henderson. 11-1-33

**POSTED**—All my pastures in Crockett County are posted. Hunting and all trespassing positively forbidden. W. R. BAGGETT. 1-35

**ROBERT MASSIE COMPANY**  
Superior Ambulance Service  
San Angelo, Texas  
Phone 4444 Day or Night

Sam Hunter, who is now 80 years old, spent two days this week in Barnhart visiting relatives. Mr. and Mrs. W. C. Doyal and family, Mrs. Agnes McGinnis and Mr. and Mrs. P. B. Connor, Mr. Hunter lives at London, Tex.

The new school is ready for the meeting with the exception of the lights. The date of the meeting has been changed to Thursday night June 21 instead of Friday night June 22.

Miss Billie Gene Luskheim went to Camp Lewis Farr at Martson Sunday to attend the week of camp in the Camp Fire Girls.

Miss Clara Lee Holbling of San Angelo was a guest of Mr. and Mrs. L. V. Gentry last week end. Clara Lee lived here many years and a host of friends are always ready to welcome her back.

Wright and Buster Kilpatrick and W. C. Holcomb, Jr. were visitors in San Angelo Monday. They remained for the carnival Monday night.

### OZONA TUMBLERS GIVE BARNHART BENEFIT SHOW

The Methodist Missionary Society gave a musical program in connection with stunts by the West Texas acrobats of Ozona Friday evening at the school auditorium. The program was as follows: Reading by June Owens. Song by Tom Harris, Jr. Stunts by acrobats. Reading by Louise Cumbie. Piano Solo by Mrs. E. G. Owens. Reading by Mary Katherine Sparks. Piano solo by Mary Margaret Harris. Musical reading by Mrs. E. G. Owens. Closing act, the acrobats, V. VanZandt and son, Ernest.

The proceeds will go to help pay for the new pews at the Methodist church.

Mr. and Mrs. L. W. Joslin, Mr. and Mrs. Chas. Shaw, Mr. and Mrs. Eugene Luskheim, Mr. and Mrs. T. C. Harris, Tom Harris, Jr. and Mary Margaret Harris attend of the show at Big Lake Monday night, in which Will Rogers was playing.

Mr. and Mrs. Roy Henderson spent the past week in Alpine visiting their daughter, Louise, who is a student in Dal Ross and making a tour through the Davis Mountains.

Frank Taylor is ill at his home here.

Mr. and Mrs. Hilton North took their baby to San Angelo Monday for medical attention.

Mr. and Mrs. W. A. Kay and daughter, Alberta, spent the week-end in San Angelo.

Mr. and Mrs. Walter Young and children were here from San Angelo the first of the week visiting Mr. Young's parents, Mr. and Mrs. John Young.

See or call Mrs. Glyn Cates, phone 192, for 16-day special on permanent waves.

Mr. and Mrs. A. C. Simpson and family have moved to Pitkin, Okla.

Mrs. Joe Pierce was hostess to the Johnston Draw Bridge Club at her ranch home last Thursday.

Miss Ruby Early of Caldwell is the house guest of Mr. and Mrs. Clyde Newberry. She plans to stay until after the Fourth.

Mrs. Andy Nelson was taken to San Angelo the first of the week to a hospital for medical attention.

**"SHARP STOMACH PAINS UPSET MY WHOLE SYSTEM"**

"The Store That Lowered Prices In Ozona"

## TAXPAYERS

# HEED THIS WARNING

If You Would Save Many Dollars . . . and The Time Is Short . . . ACT NOW!

Senate bill No. 262, releasing all interest and part of penalty, ends June 30th, 1934! Therefore, a few weeks remain in which to escape paying the inevitable penalty on delinquent Crockett County taxes. After July 1, 1934, 6% interest per annum from original date of delinquency, PLUS 10% PENALTY, will apply to YOUR DELINQUENT TAXES! For example . . .

- 18% will be added to '32 delinquent taxes.
- 24% will be added to '31 delinquent taxes.
- 30% will be added to '30 delinquent taxes.

(A delinquent cost will also accrue in addition to above).

Don't wait another day—make your arrangements now to pay your delinquent county taxes. The above is in the manner of a warning to taxpayers—not a threat, as this matter is fixed by statute.

A substantial reduction in taxes could be made in 1935 if those who could would pay delinquent taxes NOW!
