Funeral Services For Mrs. Ed Jones Held Wednesday

Early-Day Resident Of Ozona Died Tuesday In Uvalde

Funeral services were held at 2:30 o'clock Wednesday afternoon from the First Baptist Church of Ozona for Mrs. Ed Jones, 83, "Aunt Tenny" to old-timer friends of Ozona who died Tuesday evening at the home of a son, Gus Jones, in Uvalde.

Services were held at 9 o'clock Wednesday morning in Uvalde before the body was brought here for final rites. Rev. M. M. Fulmer, former Ozona Baptist pastor, now pastor at Uvalde, conducted the services in Uvalde. Rev. Clyde Childers, pastor of the First Baptist Church here, was in charge of services here. Burial was in Cedar Hill Cemetery.

Mrs. Jones, born Myrtle Tennessee McNutt, was a sister of the late Mrs. Laura Hoover, one of Crockett county's pioneer mothers and among the earliest residents of this section, and for many years made her home here with Mrs. Hoover. She was born in Arkansas April 26, 1860, and was married in 1879 to the late Ed Jones, who died here in 1933 and was buried in Cedar Hill cemetery.

A few years after the late Mr. and Mrs. W. P. Hoover came to Crockett county, before the organization of the county, Mr. and Mrs. Jones came to make their home on the Hoover ranch where they lived for several years before returning to the Llano country. In 1929, a few years after Mr. Hoover's death, they returned to Ozona to make their home with Mrs. Hoover. After Mr. Jones' death, Aunt Tenny remained here with her sister until three years ago when she went to Uvalde to live with a son, Gus.

Mrs. Jones is survived by four children, Mrs. L. E. Guess of Utopia, Texas, Gus Jones of Uvalde and Jack and Pete Jones of Hatch, N. M. She is also survived by twelve grandchildren and nine great grandchildren. All of the children except Jack Jones of Hatch, N. M., who was unable to be present, were here for the funeral services.

Pallbearers were Ira Carson, Leo Bawcom, R. L. Hatton, Ben Williams, Lee Snyder and J. T. Keeton.

AROUND × + ×
The Old BY
CORRAL BILL GRAY

There is still 13½ and 14½ cent calf contracting—Cleve Jones of Sonora last week contracted the crop from another Sutton ranchman at that price. G. R. White of Brady sold 300 steer calves last week to Sam Hoerster of Mason at 15 cents, White said, and this must have been tops in Texas. The calves were fancy bred. Bob Johnston of the XYZ at San Angelo writes from Kansas City that he put his first four cars of steers on the market last week and that his 11-year-old steer (mentioned previously in this column) weighed 1800 lbs. and brought 12¼¢.

Here's a dry weather sample of calf weights: J. W. Gibbons of Richland Springs weighed out his 1200 calves to Charley Ford of San Antonio last week at 365 lbs. (\$13.75). Contracts: Roy Barton of Brady says he hasn't contracted any calves in McCulloch County—doesn't know of any contracted there. In Mason County, on the other hand, A. M. Harkey of Mason said he has contracted a lot of calves from the top of 14-15 down to present range of around 12-13¢; adds that he got 500 last week from Alvin Droper, L. B. Eckert and Ernest Bober of Mason.

M. N. Morrison of Junction showed us a check Friday for \$500 (Continued On Last Page)

Churchill Arrives for 6th Conference

Britain's prime minister, Winston Churchill, is pictured at the Chateau Frontenac in Quebec, Canada, prior to conferences with President Roosevelt and Prime Minister King of Canada. It was to be the sixth series of conferences between the leaders and was expected to include terms for Italy's surrender and further military plans.

New Schedule Of Schools Geared To War-Time Need

Opening Hour 9; Longer Noon Hour For Convenience Of Teachers

Streamlined to meet wartime difficulties, a new time schedule, which entails a few minor changes, and shifted playground supervision plans have been adopted for the new school term opening Monday, Supt. C. S. Denham has announced.

The time change allows teachers and pupils a longer noon hour, and uniformity for opening all schools morning and afternoon. The longer noon hour was decided because of transportation problems and overcrowded and short-handed eating places, affecting both pupils and teachers.

Nine o'clock each morning will be tardy time in all schools, the opening gong sounding at 8:58, with pupils tardy at 9, Supt. Denham announced. Noon dismissal will be 11:57 and a full hour allowed for the noon meal, the gong sounding at 12:57 for re-assembly and the tardy signal sounding at 1 p.m.

One teacher will be on duty in each building throughout the noon hour, members of the faculty taking turns at this chore. In addition to this teacher, on throughout the noon hour, one additional teacher will be back on the grade school campus at 12:40, the other faculty members at 12:55. Hereafter, all teachers have been required to be back from lunch at 12:40. Dismissal hours will vary by grades as has been the custom in the past.

Volunteer Knitters Sought To Complete Red Cross Assignment

An appeal for volunteer knitters to assist in completion of an assignment of 50 knitted watch caps for men of the United States Navy was issued this week by Mrs. Roy Henderson, chairman of knitting for the local Red Cross chapter's production program.

Yarn for the watch caps has been received, Mrs. Henderson said, and the knitting pattern is simple. Women who are willing to assist in finishing these caps for men of the Navy are asked to call Mrs. Henderson at once.

The Ozona Red Cross workers have signed up for another production assignment from national headquarters, but material for this new program is not expected to be received for several weeks, Mrs. Henderson said.

7 Veterans Form Nucleus Of 1943 Football Squad

24 Prospective Squadmen Kindle Hope For Sikes; Opener Sept. 25

The spinning wheel of time having thrown off great chunks of the material which made for a championship grid combination in Ozona High School the past two years, Coach L. B. T. Sikes, who assumes that title with the opening of the new school term next week, looks with some misgivings on the prospects for the coming football season, but at the same time waxes enthusiastic over the fact that he will have a nucleus of seven veterans and some very promising material with which he hopes to be able to build a winning combination.

Quickly shifting to the viewpoint of coach, Mr. Sikes adopted an attitude of caution in viewing the outlook for the football season. "I hope we can win some games," was the only commitment that could be wrung from him, except that he had some "likely" boys for the squad and some fine lads, veterans from the last two-year champion teams, on whom to lean heavily for the seed of winning combination in the coming season.

Due to wartime and travel uncertainties, school officials can only offer as tentative the schedule for the coming season, but, depending on this and that, the Lions have been matched for six games during the 1943 season, four of them district conference games. The tentative schedule for the season, announced this week by Coach Sikes and Supt. Denham, is as follows:

- Sept. 25—Mertzon here.
- Oct. 2—Big Lake here.
- Oct. 8—Mason here.
- Oct. 15—Menard at Menard (Night game.)
- Oct. 30—Eldorado in Eldorado
- Nov. 6—Sonora here.

One of the teams scheduled to be matched against the Lions, the Mertzon Yellowjackets, may not be in the running, although no definite decision has been announced from the Iron capital. Discussion of the question of whether or not football should be included in the school's activities this year was under way there and the final decision is being awaited.

As the prospects are faced by Coach Sikes, seven veterans of the regular line-up from last year's championship squad are expected to be back in harness this fall, and two squadmen, Carlton Smith and Dick Lee McDonald, (Continued On Last Page)

Sikes Succeeds McCook As Coach H. S. Athletics

Principal, Former A & M Grid Man And Coach Takes Over

It's "Coach Sikes" now. "Doubling in moleskin," so to speak, during the next session will be L. B. T. Sikes, high school principal here for three years, who has drawn the assignment as coach of athletics in high school succeeding Elmo McCook, who recently resigned to accept a position as coach and teacher in the McCamey schools.

When coaching talent was found not available at this late date, after a tour of the north Texas area last week by Supt. Denham, Mr. Sikes agreed to accept the coaching job as an addition to his present duties, the school board granting an increase in salary of \$300 a year.

To fill the vacancy in the commercial department, which Coach McCook had headed, Miss Marian Gibson of Melissa, Texas, was employed during the past week and Mr. Sikes' acceptance of the coaching chore has plugged the holes left by McCook's resignation.

Although he has spent the past three years in administrative and teaching duties in the high school here, Mr. Sikes is by no means a novice at coaching athletics. He is a former football player on the Texas A & M squad and for two years before coming to Ozona he was athletic coach at Rosebud, Texas.

From a family of coaches and athletes, Mr. Sikes has not been far from athletics during the three years he has been here, acting as official at games in which the local team participated and more or less as assistant to coaches in all phases of athletic training for high school boys. His brother, Pete Sikes, now in the U. S. Navy, was head coach for several years at the San Angelo Junior College, and he is a brother of the famous Siki Sikes, sparkplug end on the A & M team of the late twenties which boasted All-American Joel Hunt in its backfield.

Coach Sikes was graduated from A & M College in 1938. He was athletic coach and teacher in the Rosebud high school two years before coming to Ozona. In addition to serving as principal of the Ozona high school, he teaches mathematics and science.

Bombardier Class Makes Brief Stay In Maneuvers At Airport

Another class of fledgling bombardiers, in training at the San Angelo Army Air Forces training school, served a brief time in field maneuvers at the Ozona airport, now under Army supervision, during the past week.

The men, with their equipment, arrived here late last week but spent only a few days at the field before returning early this week to their base in San Angelo. Officers with the group said that it probably would be nearly two months before the next group of trainees would be sent to Ozona.

Music Teacher Slated To Come Here, Accepts Position In Denton

Miss Jean Glass of Rule, Texas, who had planned to come to Ozona to teach private lessons in piano, has accepted a fellowship at her alma mater, Texas State College for Women in Denton and will teach piano in connection with the college and study toward her Master's degree in music, Supt. C. S. Denham of Ozona was advised in a letter from Miss Glass received this week.

Miss Glass was to have succeeded Miss Glass was to have succeeded Miss Glass was to have succeeded piano here for several years but who is giving up the work for the present on account of her health.

—BUY BONDS—

ATHLETIC COACH—L. B. T. Sikes, high school principal here three years, former A & M grid star and coach for two years at Rosebud before coming to Ozona, has accepted the addition of the coaching chore to his other duties in the local high school. Coach Sikes succeeds Elmo McCook, who resigned recently to accept a post as coach and teacher in the McCamey schools.

School Opening Exercises Set For 9 Monday

Diploma To Be Awarded Jim Ad Harvick; Childers To Speak

After three months of silence, school bells will ring again in Ozona next Monday morning.

School children of Crockett county will troop back to class rooms for another nine months session at 9 o'clock Monday morning when opening exercises for the 1943-44 term are scheduled to begin, C. S. Denham, superintendent, announced yesterday.

The opening exercises will be capped off with the invocation pronounced by the Rev. Lawrence K. Brown, pastor of the Ozona Methodist Church. Thirteen new teachers in the grade school and high school will occupy seats on the stage and will be introduced to school patrons and pupils by the superintendent.

Rev. Clyde Childers, pastor of the First Baptist Church, will address the assembly on the opening morning.

A reminder of war will be the unprecedented presentation of a diploma to a summer school graduate of Ozona High School, which is to be a feature of Monday's exercises in the auditorium. Jim Ad Harvick, son of Mr. and Mrs. S. M. Harvick, will receive his high school diploma from Max Schneemann, president of the school board, following Rev. Childers' address.

Young Harvick, by attending summer school at the San Angelo High School this summer and taking special work here, was able to complete the two additional credits needed for graduation and to qualify to enter college this fall. He had fourteen high school credits at the end of his junior year last year. By attending summer school in San Angelo, he was able to get a full credit in English and a half credit in civics, and received a half credit in economics under the tutelage of Supt. Denham to complete the requirements for graduation.

Because of wartime necessity, special approval was granted by the school board for his graduation in order that he might be able to attend college a year before becoming of draft age. Jim Ad plans to attend A & M College this fall.

Routine announcements relative to registration and class room assignments will be made by Supt. Denham following the special graduation exercises. Pupils will report to their respective classrooms at the close of the exercises, high school pupils to receive books and assignments. After these room assemblies, classes in all schools will be dismissed for the day with regular classes to begin Tuesday at 9 o'clock. Pupils of band will meet at 8 o'clock Tuesday morning.

Kindergarten: Miss Faye Strother of Corsicana, a 1943 TSCW graduate who has been in charge of a nursery school in Dallas during the past summer.

First grade: Miss Joyce Collin of Roekport, Texas, 1943 TSCW graduate, who has been teaching this summer in the TSCW extension college in Saltillo, Mexico.

Second grade: Miss Mary Lou Payne of Frederick, Okla., 1940 graduate of TSCW, with two years teaching experience, the last year at Gladewater, Texas.

Third grade: Miss Betty Louise Turner of Dallas, TSCW graduate in January 1943, who taught the last half of last year in the Port Arthur schools.

Fourth grade: Miss Leslye Ruth Martin of Waco, Baylor University graduate of 1943.

Fifth grade: Mrs. C. S. Denham, who begins her tenth year as a teacher in Ozona schools.

Sixth grade and language arts: Miss Annie Laurie Amthor of San Saba, a 1940 graduate of TSCW who taught last year in the public schools at Ferris, Texas.

Seventh grade and public school music: Miss Lindal Lowrey of Hillsboro, Texas, 1943 TSCW graduate. Miss Lowrey was an assistant in the TSCW department (Continued On Last Page)

Additional Wool Storage Space For Fall Clip Rented

Ozona Wool-Mohair Co. Prepares To Hold Gov't. Store

Two additional buildings have been rented by the Ozona Wool and Mohair Co. for the storage of the new clips of wool and mohair soon to be coming in. Melvin Brown, manager, announced this week.

Additional space is needed by the local warehouse as a result of the government purchase of the domestic wool clip and the consequent uncertainty of movement of the fiber out of warehouses and to mills. Although some 300,000 pounds of the local accumulation have already been appraised, this amount still remains in the warehouse, along with that which has not been appraised, and there (Continued On Last Page)

HOW ABOUT RUSSIA?

The people of our country didn't understand Russia before the beginning of the war. We welcomed them as partners in the fight against the Axis—but we still don't understand them. It is doubtful whether we ever will. Russia isn't at war with Japan. Stalin and his government seem to appreciate the 6 millions of dollars of war and food supplies from the United States. On the other hand, Stalin continues to complain about what he says is the failure by the United States and Britain to establish a western front, even though forces have cleaned up North Africa and the Mediterranean, wiped out the power of Sicily and Italy, and brought the French people to a point where they are ready to rejoin our fighting forces. Besides, we have bombed the daylight out of Germany itself, and have made it possible for Sweden to stop Hitler's force from carrying on their traffic between Norway and the German lines.

The man who looks at the map of the world on the walls of an office in Washington finds it difficult to understand the criticism that comes out of Russia.

Meanwhile the war goes on. It is perfectly clear, as it has been at all times, that the Atlantic Charter representing the principles of government as understood by the President of the United States and the Prime Minister of Great Britain never gained the approval of Russia, any more than the common doctrines of Russia will ever be accepted by Britain and our country.

The fact is the English speaking people and the Russians and Chinese don't believe in the same political and social theories.

All this ought not to obscure the fact that the United States, Britain, Russia, China and the rest of us are all fighting the same enemies. There is no difference of opinion on that score. Inasmuch as we agree about the war it seems reasonable to hope and expect that after victory has been won the victories of peace will also be won. When we think "How about Russia" we must be broad-minded enough to acknowledge that the

Russians have gone farther than the rest of us in the great struggle to crush Hitlerism as it exists throughout the world. We should be able to play ball with them in future years.

THE LOW DOWN
from
HICKORY GROVE

A fellow in Denver wrote me. He must be a pretty nice hombre—he was not mad at anybody, or about anything. Also, he was not trying to be sweet to any certain group because there happened to be lots of people in that group, of voting age. He is not running for office.

Folks in Denver are nice people, he says, but they are allergic to politicians. To arouse them so they will vote with wisdom, he says, is the problem—and your essays are helping out. He got me with that one. I answered pronto. Nice people, who are busy, don't seem to savvy, I told him, that the U. S. A. could ever be anything except what it always has been since Washington—the Land of the Free. It don't enter their noggin that anybody would dare to try making this country over into anything else. They don't see that socialism already has one foot in the door. It is the other guy's door, not theirs—that is why they slumber—it is not their baby.

Nice folks can be a sucker like anybody else—and lean back and listen to the wills-o-the-wisp. What we need in our U.S.A. is to teach more AEsop—from the cradle to the grave.

Yours with the low down,
JO SERRA

FIRST BAPTIST CHURCH
Clyde Childers, Pastor

Schedule of Services:
9:45 Sunday School
10:50 Morning Worship
8:15 Evening Worship
Wednesday
3:00 W.M.S. Meeting
8:15 Mid-Week Worship

We rejoice in the formal opening of a new school term on next Monday and extend a welcome to each of the new teachers as they come to work among us for the next nine months. We trust that in spite of the war time difficulties this will be one of the most profitable years in the history of Crockett county schools.

With the opening of the new school term we enter a regular routine for the next nine months and it is to be hoped that all of our members will plan to put their church first in all their plans. Let us make it one of the most profitable years we have ever enjoyed together.

In the month of October we hope to take the offering which will make our congregation debt free for the first time in fourteen years. Let every member join in praying, planning and working toward that end.

The pastor will preach for the morning worship next Sunday and our Methodist friends will have charge of the evening worship with the Rev. L. K. Brown bringing the message.

"I was glad when they said unto me, let us go into the house of the Lord."

Allied Bombing Victims Receiving Aid

Victims of Allied bombings over Le Creusot, France, are shown receiving food and clothing, according to a French caption in a Nazi-controlled magazine. The bombing referred to apparently was the second attack by the Allies on the huge Schneider works, one of the biggest war plants in Europe where munitions have been turned out for Germany.

History Of Horse Discussed By H. B. Cox For Rotary Club

A brief but highly interesting history of the horse, one of the most useful domestic animals in the service of mankind, was given to members of the Ozona Rotary Club in a talk by Howard B. Cox of San Angelo, ranchman and breeder of Palomino horses, at the club's luncheon Tuesday noon.

Mr. Cox traced the development of the horse from the pre-historic five-toed animal said to have been about the size of a fox. As the land dried, the dawn horse found less use for his toes, Mr. Cox said, and through a process of gradual evolution developed the single toe or hoof of the horse of today. The first horse disappeared from the North American continent, but fossilized remains of the pre-historic animal have been found in this country, particularly in Wyoming and other states of the northwest, the speaker declared.

The modern horse is believed to have had its beginning on this continent from a group of sixteen horses, ten stallions and six mares, brought to Mexico by Cortez in 1519. Mr. Cox told his listeners. Cortez's original herd was increased by further shipment from Spain and records show that 100 head escaped from his men near Mexico City and made their way north into this country.

Of the different breeds of horses in the world, there are only five breeds in the United States, thoroughbred, standard bred, Tennessee walking horse, American saddle horse and quarter horse, Mr. Cox pointed out. He gave the characteristics of the different breeding and the divisions of the several breeds.

The Palomino, on which Mr. Cox is an authority, is not a definite breed as yet, he said, but is fast becoming so through the efforts of the Palomino breeders association, of which he is presently historian. The word Palomino is a descriptive adjective of Spanish origin, he explained, based, no doubt, on the characteristic color of the horse by that name. Although there are several theories of its origin, authorities are nearly agreed that the name was adopted from the Palomino or golden grape, grown in Spain and later imported into this country.

Hansen Succeeds Ozonan As Head Of Rambouillet Breeders

Wynn S. Hansen of Collinston, Utah, one of the nation's leading registered Rambouillet sheep breeders, and well known to many ranchmen throughout West Texas, was named president of the American Rambouillet Sheep Breeders Association at the annual convention of the association in Salt Lake City, Utah, this week. Mr. Hansen succeeds V. I. Pierce of Ozona, nationally known breeder, who served the past year as president of the association. Another Ozonan, J. W. Owens, has also served as president of the Rambouillet Breeders Association.

Virgil Powell of San Angelo was named vice president and Lloyd White of Fort Stockton and Will Olsen of Mt. Pleasant, Utah, were re-elected directors of their respective districts. Bill Littleton, former Ozonan, now living in San Angelo, is secretary of the Association.

Miss Florence Luther, daughter of Mr. and Mrs. C. C. Luther, and her roommate at Abilene Christian College, Miss Soman Guthrie of Rocksprings, visited in the Luther home over the week-end. Miss Guthrie left Monday for her home in Rocksprings and Florence will remain at her home here for three weeks, returning to A.C.C. with the opening of the regular term next month.

FIFTH BIRTHDAY PARTY

Jackie Virgil Adwell celebrated his fifth birthday Tuesday with a party at his home. Children present were Patsy and Betty Cook, Hugh Russell, Allen Haire, Ella Faye Haire, Bobby Fields, Shirley Kost, Norris Pogue, Jerry Beasley, Olivia Haire and Kenneth Phillips. Refreshments of ice cream and cake were served and American flags were used as favors.

METHODIST CHURCH
Lawrence K. Brown, Pastor
Sunday School Classes—9:45 a. m.
Morning worship—11 a. m.
Evening worship with the Baptist Church—8:15 p. m.

The summer schedule will give way to the fall and winter program commencing with this Sunday. The Sunday School will start as it has all year—9:45 a. m. Instead of the morning worship commencing at 10:30 as the last two months, the regular time of 11 o'clock will be the time for the rest of the year. Our summer program has achieved some things—especially for our children of the church—that the regular services fail to do. For this reason our experiment for the summer has been altogether worthwhile.

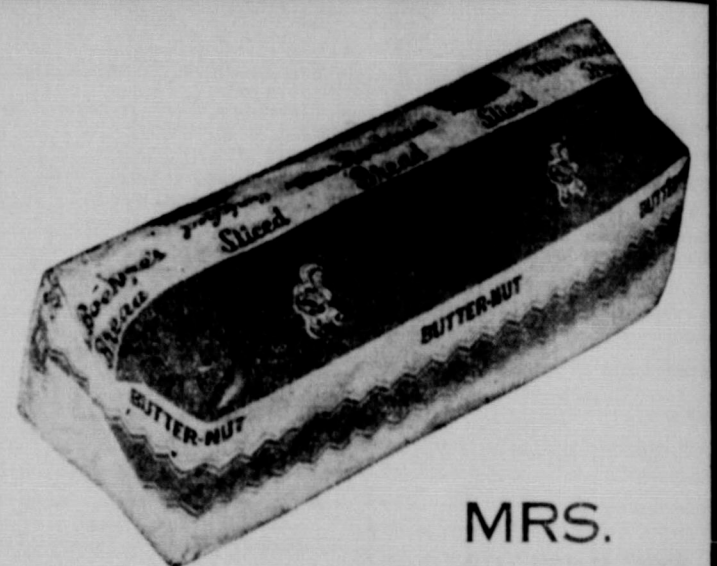

New people moving to town for the school term and the teachers are especially invited to attend the services this Sunday. It will be a good way to start the school year out right by starting to Sunday School and Church and then continue the habit through out the year.

The young married women and the teachers are urged to keep in mind the Sunday School class organized for them. Mrs. Lawrence K. Brown will be back as teacher this Sunday.

Mrs. James Henslee of Dallas is here for a visit with her sister, Mrs. J. W. Henderson. Mrs. Henslee's husband is serving in the United States Navy.

Mr. and Mrs. Bob Moushion of Fort Stockton are here this week for a visit with relatives.

Collector To Aid Income Taxpayers Prepare New Form

Estimate Of 1943 Tax Must Be Filed By September 15

If you filed an income tax return for the year 1942, you will, within a very near future, receive a letter from the Collector of Internal Revenue. In former years such a letter about this time of the year would be a reminder for you to file another quarterly installment of your income tax for the prior year. This year, however, the letter which you will receive will enclose forms and instructions for filing a declaration of your estimated income and victory taxes for 1943, the current year. The first of such forms were placed in the mail Tuesday, August 17th, by the collector of internal revenue for the northern division of Texas at Dallas.

J. A. Miller of San Angelo, deputy collector for this district, will be in Ozona Saturday, September 12, for the purpose of assisting individuals in preparation of these forms. He will be at Hotel Ozona. Persons desiring Mr. Miller's assistance in preparing these forms must have available the following information: Copy of 1942 income tax return; evidence of income tax paid on March 15, 1943, and June 30, 1943; estimate of victory tax deducted from wages from Jan. 1, to June 30, 1943; estimate of withholding tax deductible from

Normandie Floats Again—Soon to Be Erect

The USS Lafayette, formerly the French luxury liner, Normandie, will once again sail the seas despite the devastating fire of February 9, 1941, which swept through her and the 100,000 tons of water which were poured into her hull sending her crashing to the bottom of the Hudson river. A corps of 70 divers and 700 workmen have her rapidly on the way up in the final stages of the second tremendous naval salvage operation of recent weeks. The other record setting ship raising and refitting was at Pearl Harbor. Left: The Normandie just after she rolled over. Despite the intense fire and the hundreds of workmen aboard only one life was lost. Right: It has been necessary to paint new numbers on this measuring tape to keep pace with the rapid rise of the ship.

wages from July 1, to Dec. 31, 1943; and a definite estimate of net income from all sources for the calendar year 1943.

Not all of the people who receive these forms will be required to file declarations on or before September 15th. The following persons are required to file such declarations:

(1) single, or married but not living with spouse at the date prescribed for the making of the declaration (whether or not head of a family), if he had for 1942, or reasonably expects to have for 1943, (a) gross income of more than \$2,700 from wages subject to withholding; or (b) gross income of \$500 or more from all sources, if more than \$100 of such income is from sources other than wages subject to withholding.

(2) Married and living with spouse at the date prescribed for the making of the declaration, if he had for 1942, or reasonably expects to have for 1943, (a) gross income from wages subject to withholding which, when added to his spouse's gross income from such wages, exceeds \$3500; or (b) gross income from sources other than wages subject to withholding which, when added to his spouse's gross income from such sources, exceeds \$100, and also his gross income from all sources exceeds

\$624 for 1943, or the aggregate gross income from all sources of both spouses amounts to \$1200 or more for either 1942 or 1943.

(3) Also, required to file declarations are: Individuals, regardless of marital status, who were required to file an income tax return for 1942 and whose wages subject to withholding for 1942 and whose wages subject to withholding for 1943 are reasonably expected to be less than such wages for 1942.

Heavy penalties are provided for failure to file a declaration required under the law, or to pay the amount of estimated tax which is to be paid when such declaration is filed. Therefore, you will want to study the instructions carefully, and file the declaration on or before September 15th, if there is any possibility that you may be required under the law to file the estimate of your income and victory tax for the year 1943. Farmers must file their declarations of 1943 estimated income tax and victory taxes on or before December 15th. Farmers are deemed to be those persons having at least 80% of their gross income derived from farming operations.

Mrs. Bill Littleton and daughter, Sue, of San Angelo spent the weekend here visiting Mrs. Littleton's mother, Mrs. B. B. Ingham, and other relatives. Mr. Littleton is in Salt Lake City, Utah, this week attending the annual convention of the American Rambouillet Sheep Breeders Association of which he is secretary.

Mrs. R. E. McWilliams has as her guest this week her mother, Mrs. A. W. Woods of Ballinger. Bill McWilliams went to Ballinger last week to bring his grandmother here for a visit.

S/Sgt. Wayman Evans of Fort Benning, Ga., is here this week for a visit with his wife and father and mother-in-law, Mr. and Mrs. C. C. Luther.

Mr. and Mrs. Pat Patterson and children left this morning on a week-end trip to Del Rio.

A frame house, purchased from Mrs. Joe Graham by the Woman's Society of Christian Service, has been moved to a site near the Community Center to serve as living quarters for Miss Mary Riddle and her mother, Mrs. Jennie Riddle.

THE CHURCH OF CHRIST
Warren E. Starnes, Minister

The Bible Classes meet at 10 o'clock.

The morning sermon is at 11 o'clock.

The evening service is 8:00.

The ladies Bible class meets at 4 p. m. Wednesday.

Prayer meeting Wednesday evening at 8:00.

NEW GASOLINE COUPONS

Car owners who still hold the old type "B" and "C" gasoline coupon books should exchange them for the new mileage ration sheets of coupons between August 23 and September 1, OPA announced recently. Old type "B" and "C" coupons become invalid September 1, and gasoline dealers cannot accept them after that date.

Mrs. Tandy Returns; Son, Victim Infantile Paralysis, Improving

Mrs. H. B. Tandy and daughter, Nan, returned to their home here Sunday. Nan has been attending summer school at North Texas State Teachers College in Denton and Mrs. Tandy has been in Fort Worth at the bedside of her son, Bland, a victim of an infantile paralysis attack.

Mrs. Tandy reports that Bland is recovering from the disease and that he has apparently suffered no after-effects from the attack. Attending physicians say that the only apparent effect is a weak muscle in his right arm which they say can be corrected. He is still undergoing the Kenny treatment and physiotherapy in the Fort Worth hospital, where he will remain for an indefinite period.

Accompanying Mrs. Tandy home were Ted and Jack Terrell, sons of Dr. and Mrs. C. O. Terrell of Fort Worth, who will visit in the Tandy home a few days.

Mr. and Mrs. Bert Browning of Sabinal are here for a visit with Mrs. Browning's parents, Mr. and Mrs. C. C. Luther. Mrs. Browning is the former Miss Sibyl Luther.

Rev. F. E. Dudley of Arkadelphia, Ark., who has been here visiting his father, Elam Dudley and other relatives, has returned to his home in Arkadelphia. Mrs. B. B. Ingham, Rev. Dudley's sister, took him to San Angelo Friday where he left by train for his home. Pfc. Tom E. Adams of March Field, Calif., who spent a two weeks furlough here, went to San Angelo with Mrs. Ingham and Rev. Dudley and left there to return to duty at March Field.

Mr. and Mrs. Cleophas Cooke of Sanderson passed through Ozona yesterday on their way to Boerne where the two-year-old son of Mrs. Cooke's sister was fatally burned when he fell into a tub of boiling water.

Martin's PHENOTHIAZINE DRENCH

Experienced ranchmen don't take chances. They know that MARTIN'S PHENOTHIAZINE DRENCH has proved an effective for the removal of the six most destructive internal worm parasites.

**Nodular Worms—Common Stomach Worms
Lesser Stomach Worms—Bankrupt Worms
Large Mouthed Bowel Worms—Hookworms**

Drench your animals regularly with dependable MARTIN'S PHENOTHIAZINE DRENCH.

See W. B. Grannis—Ozona or Telephone No. 50—Del Rio

Available in gallon bottles and 5-gallon cans at most wool warehouses, stockmen's supply and drug stores. Be sure it's MARTIN'S.

C. J. MARTIN & SONS, —AUSTIN, TEXAS

The CORRAL —
(Continued from Page One)

seems little likelihood that it will be moved anytime soon, Mr. Brown paid by J. W. Walston of Menard for a Morrison bull, R. C. Colvin has taken charge of the famous Valdina (Horse) Farm at Sabinal, replacing John Ware, resigned. Hygro, the magnificent stud of T. P. Morgan, Kerrville, looked like a million last week—he's big and powerfully muscled, keeps heavily booked at a fee that would pay for two or three good horses. G. R. White of Brady this week said he had had his mare, Texa-Louise, in foal to C. V. Whitney's famed sire, Mahmoud, at Lexington, Ky. Mahmoud was third on the English sire list before being brought to the U. S. for \$50,000.

Approximately 3,000,000 lbs of wool were appraised in Texas the past week—about 21,000,000 have been appraised to date, of a total (estimate) clip of 36,000,000 of 12- and 8-months wool (not including fall wool, of course). The top price on fine wool has been 51½¢, net to the grower in at least one instance. Appraisers are working around Ft. Worth, Lampasas and out of San Angelo this week, Texas Chief Appraiser Rome Shield disclosed.

Mohair contracting is going on steadily around Kerrville, according to Scott Schreiner, warehouseman, and Clyde Young, of Winslow and Co. Prices—57-59 on adult, and 77-79 on kid.

Bill Danz of Fredericksburg last week sold 100 four-old-and-under nannies from one ranchman to another at \$6 a head. C. E. Miller and Gus Young of Kerrville today (Thursday) are to receive the last of 3,000 kids contracted along the lower Pecos River at \$4.50 a head.

C. T. White of Brady last week sold five four-year-old halfbreds to Bill Barry of San Antonio at \$200 each to go to Mexico for polo ponies.

Peanut hay, good and bright, is just coming in at Fredericksburg bringing \$21 a ton and better, says Ernest Lochte, feed man and warehouseman.

You've done your bit—Now do your best.

Miss Rebecca Anderson and Lt. Roland R. Allard Married in Twilight Ceremony in Weatherford Methodist Church Saturday

Miss Rada Rebecca Anderson, daughter of Chaplain and Mrs. Justin Anderson of Fort Bliss and Weatherford, became the bride of Lt. Roland R. Allard, son of Mr. and Mrs. C. D. Allard of Dawson in a double ring ceremony read by the Rev. Dr. P. E. Riley at twilight August 21 in the First Methodist Church at Weatherford, after which a reception was held on the east terrace of the Andersons' Weatherford home.

Before the ceremony Corporal Paul Ralston of Camp Wolters, who played the wedding marches, played the hymn "The Church's One Foundation" and accompanied Miss Willie Fayette Montgomery of Fort Worth, cousin of the groom, who played "Love's Old Sweet Song" and "I Love You Truly" as violin solos. He also accompanied Miss Elizabeth Biser of Fort Worth who sang "Because" and "Oh, Promise Me."

The altar, which was centered by an open Bible, was simply, but beautifully, decorated with palms, ferns, white gladioli, and myriads of cathedral tapers burning in wrought iron candelabra.

Miss Hart Anderson in a bouffant taffeta and net gown of pale orchid, was her sister's maid-of-honor. Miss Justine Anderson, in a similar frock of darker orchid, was junior bridesmaid. The other bridal attendants were Miss Marzee Hammons of Corpus Christi and Miss Juanita Davis of Weatherford, both of whom wore gowns of jonquil yellow, and Miss Ruth Graydon of Lubbock and Mildred Hodges of Denton whose gowns were of pale green. Each wore a strand of pearls, which was a gift from the bride, and white flowers in her hair. Instead of the conventional bouquet, the bridesmaids carried Chinese fans of delicately carved ivory and daintily embroidered silk with velvet ribbons falling to the hems of their gowns.

David Allard of Tyler was his brother's best man. The ushers were Chaplain John J. C. Brehm of Mexia, Eugene Nash, USNR, of Austin, John R. Bryant of Stephenville, Tom Harris of Ozona, and C. R. Pressley of Fort Worth.

The bride, given in marriage by her father, wore an ivory slipped satin gown, cut on princess lines, with sweetheart neckline, long fitted sleeves which were trimmed at the wrist with tiny pearls. The panel back of the gown swept into a deep graceful train. Her full-length veil of imported illusion fell from a Juliette cap of seed pearls. She carried an ivory, ostrich and satin fan which her grandmother carried in her wedding 59 years ago. Her only ornament was a strand of real pearls, gift of the bridegroom.

When the bride and bridegroom left for a brief trip, Mrs. Allard wore a black light-weight wool ensemble with white accessories. Her flowers were gardenias. The bride's mother wore a black-lace gown with long bodice of shirred taffeta with lace bolero, and a corsage of carnations and stephanotis. The bridegroom's mother

wore a black sheer gown and her flowers were carnations and stephanotis.

On the terrace, the refreshment table was laid with an imported Irish linen cloth, and the bride's heirloom fan was the centerpiece. At one end of the table Mrs. Herschel Nash of Weatherford served punch from a milk-glass bowl. At the other end of the table, Mrs. C. R. Pressley of Fort Worth served the four-tiered wedding cake, which was beautifully decorated with flowers of pale orchid and yellow. At the base of the cake was the theme of Wagner's wedding march. In fern surrounding the cake, nestled small love birds.

Mrs. Hawthorne Hatchett was in charge of the bride's book, designed and made by Mrs. Herschel Nash. Other members of the house party were Mrs. J. E. Granstaff, Misses Betty Barber, Jimmie Jo Bradley, Martha Louise Granstaff, Orrel Scott Jenkins and Florence Jane Powell.

Lt. and Mrs. Allard will make their home in Abilene where he is stationed at Camp Barkley.

Out of town guests included Mrs. George Mulkey, Miss Madge Mulkey, Mrs. Earl Woodard, Bill Woodard, Mr. and Mrs. Charles Montgomery, all of Fort Worth, Mr. and Mrs. L. R. Rogers of Dallas, Mrs. S. M. Cunningham of Denton, Mrs. John R. Bryant of Stephenville, Mrs. Tom Harris of Ozona, Miss Jane Allard of Dawson, Mrs. Woodrow Pyeatt of Oklahoma City, Okla., Mr. and Mrs. J. D. Works of Fort Worth, Mr. and Mrs. G. C. Boswell and Miss Genevieve Boswell of Ranger, and Mrs. Milburn Pigg of Aledo.

One Vacancy—

(Continued from Page One)

of music during the last year and a half as a student there.

Eighth grade, social science and Spanish; Mrs. Evangeline Archer of Canyon, Texas, 1943 graduate of West Texas State Teachers College. While completing her work for her college degree, Mrs. Archer taught last year in the schools at Lockney, Texas.

Grade school principal and teacher of arithmetic; Joe Ripple of San Angelo, 1941 graduate of the University of Southern California, a former teacher in Ozona schools who served last year in the United States consular service in Durango, Mexico.

In the High School, four new teachers and two hold-overs from last year's faculty will compose the staff.

Miss Clem Parker of Decatur, Texas, will teach home economics and biology. She is a 1942 graduate of North Texas State Teachers College at Denton. She taught a half year in the Robert Lee school in Denton and the past year was head of the home economics department of the Decatur high school.

Miss Marian Gibson of Melissa, Texas, who has had five years teaching experience has been employed as head of the commercial department and teacher of general math. Miss Gibson is a graduate of North Texas State Teachers College at Denton, class of 1938.

and for the past four years has taught in the schools at Rockwall, Texas.

Miss Virginia Sue Moore of Palestine, Texas will teach social science and Spanish. Miss Moore is a 1943 graduate of Mary Hardin Baylor College in Belton.

Miss Jean Houston of Fort Worth, August graduate of TSCW, majoring in musical education and instrumental instruction, will direct Ozona's High School Band and teach students of band.

High school teachers returning are L. B. T. Sikes, principal, coach and teacher of mathematics and science, and Miss Hazel Kirbie, high school English.

In the Latin-American school, the faculty, with one vacancy yet to be filled, includes Miss Willie Mae Mason of Henderson, Texas, starting her second year; Mrs. Joe Ripple, the former Miss Marguerite Flanniken who taught in the grades last year; Miss Mary Cliff Mangum of Calvert, Texas; Miss Laverne Williams of Clyde, Texas, back for her second year in that school; Mrs. Lowell Littleton of O' Donnell, Texas; Miss Lula Mae Starnes of Ozona; Miss Margaret Hill of Eldorado, starting her fourth year in the school; and C. L. McDonald, serving his second year a principal.

Additional—

(Continued from Page One)

Government appraisers, who spent a half day here appraising the 306,000 pounds of 12-months wool stored in the Ozona warehouse, have promised to pay a second visit here late this month.

Approximately 240,000 pounds of unappraised wool still remains here, which with the 306,000 already appraised, has the original warehouse and its auxiliary, the adjoining Tom Smith building bulging with over half a million pounds.

In the neighborhood of 750,000 pounds of fall wool plus the fall mohair clip is expected to be added to the accumulation here in the next two months. The mohair clip, not in the government purchase program, is expected to sell readily. To store this additional wool, Mr. Brown has rented the Busby building adjoining the wool storage houses on the south and the unused portion of the old laundry building owned by Dr. J. A. Fussell. With this additional space, the local warehouse can easily care for the expected fall clip, Mr. Brown said.

7 Veterans—

(Continued from Page One)

will be back. The veterans who will form the nucleus of this year's team include Calvin Williams, Tom Ed Montgomery, Basil Dunlap, Arthur Byrd Phillips, Billy McWilliams, Larry Arledge and Jimmy Read. All of these boys have added weight and size during the summer and should be plenty tough as they get into the season's routine.

Supporting these veterans are some dozen or more boys who, although inexperienced, are capable of developing into splendid material—at least that's the present hope of Coach Sikes.

"I hope all of these boys, and some more if they are available,

will come out and stay out for football," said Sikes. "It's going to take all of them and a lot of stickability on the part of all the boys."

In the list he named LeRoy Barto, Charles Ratliff, Joe Corbell, Lowell Sweeten, Earl Tillery, Bill Hoover, Charles Schneider, Mike Friend, Joe Ross Hufstetler, Alvin McCaleb, Bud Meinecke, Joe Pery, Stanley Williams, Max Word, Ira Yancy and a new student and fine prospect, Bill Wilkins.

The season's training program will get under way September 1, Mr. Sikes said, with physical conditioning starting next Monday.

Cooper Leases Clay Adams 8-Sec. Ranch

Pat Cooper, Pecos county ranchman who formerly leased the ranch of Charles Harral south-west of Fort Stockton until its sale last fall to Mr. Harral, has leased the 8 section ranch of Clay Adams 15 miles south of Fort Stockton.

Mr. Cooper bought 1300 head of sheep being run on the Clay Adams ranch by Will Adams, Clay Adams father. Will Adams had been leasing the ranch for the last several years. Mr. and Mrs. Cooper will continue to live on the Waldo Williams farm 4 miles north of Fort Stockton.
