## P. T. A. Carnival Slated Tonight In City Park

### Plan Many Entertaining Features For Evening's Fun

Tonight is carnival night in Ozona.

The P. T. A. sponsored carnival is scheduled to open its doors for an evening's entertainment for the entire community at 6 o'clock this evening under the trees in the city park.

Committees named by Mrs. Elton Smith, president, have been at work all week making plans for the many features of the midway. There will be the usual carnival features, including chunking stands, various games, a big bingo stand, fortune tellers, side shows, and peanuts, popcorn and candy sales.

The committee in charge of arrangements for the big horned frog race, which was to have been run in the street in front of the park, has announced abandonment of this feature on account of being unable to get a sufficient number of frogs for entry. The cool weather has driven the little West Texas monsters into hibernation, it is presumed. It has been announced, however, that a \$75 saddle will be given away during the evening.

Proceeds from the evening's entertainment will go into a fund being raised by the P. T. A. for the purpose of buying uniforms for members of the high school band. It is hoped that enough money will be realized from the carnival, and from contributions already received, to purchase uniforms for 45 members of the band, to cost from \$600 to \$1,000, depending on the uniform selected.

## Masonic Lecture To Be Given Here At Meeting Nov. 7

### Neighboring Lodges Invited To Hear Guinn Williams

Lodges of surrounding towns have been invited by the Ozona Masonic Lodge to meet with the local organization on Monday evening, November 7, to hear a Masonic lecture to be given by Guinn Williams of San Angelo.

Mr. Williams is president of the Texas Wool and Mohair Co. of San Angelo and one of the state's leading Masons. He has accepted the invitation of the local lodge to lecture here at the next regular meeting of the organization and elaborate arrangements are being made by committees from the Ozona lodge for the evening.

Invitations have been extended to lodges of Sonora, Eldorado, Big Lake, Mertzon, Iraan and Junction to attend the meeting and hear Mr. Williams' lecture. A barbecue supper is to be served before the lodge opens.

## Pupils Get Reports Of First Six Weeks Work Next Tuesday

Pupils of Ozona elementary and high school grades will receive report cards covering the first six weeks work of the 1938-39 term next Tuesday at noon.

Supt. C. S. Denham asks that parents study the report cards carefully and commend students for good work, and if the report shows failing grades to cooperate with teachers in bringing up the average during the next semester.

The first report is in the nature of a warning grade in the sense that any failures the first semester can be made up by diligent work the next term," the superintendent pointed out. "The schools, however, need the cooperation of parents in such cases to get the best results."

### AUTHOR VISITS

Major Ernest N. Reeves of San Angelo, author of "Living Sparks of Life," soon to be published, was a visitor to Ozona this week. Major Reeves broke into Robert Ripley's "Believe It or Not" cartoon recently. He lost both legs in the World War, was in bed only three days and spent but six days in the hospital. He was walking in less than three months. He walks almost as naturally as a man with two good legs so perfect are the mechanical legs he uses.

## New Officers Of Baptist Mission Group Installed

### New Circle Is Formed, Committees Named For New Year

Newly elected officers of the Baptist Woman's Missionary Union were installed at ceremonies in connection with the regular meeting of the society Wednesday afternoon. Rev. Clyde Childers, pastor, presided at the installation ceremonies.

Mrs. George Bean, new president, was installed into that office, and Mrs. Leslie Nance took over duties as secretary, and Mrs. Charlie Butler as treasurer. The following committee chairmen were named: Benevolences, Mrs. W. S. Willis; education, Mrs. Ira Carson; missions, Mrs. W. E. West; periodicals, Mrs. Harvey Collard; mission study, Mrs. Lowell Littleton; personal service, Mrs. O. W. Smith; stewardship, Mrs. S. L. Butler.

Organization of a new circle for younger women of the church was perfected at a tea at the home of Mrs. George Bean last Friday. The circle is to be known as the "Annie Sallee" circle, with Mrs. Ben Williams as chairman. Members of the circle include Mrs. Williams, Mrs. R. J. Adams, Mrs. T. E. Tabb, Mrs. Cleophus Cooke, Mrs. Massie Ray Smith, Mrs. Ned Bishop, and Mrs. J. P. Pogue. Mrs. Clyde Childers is sponsor of the circle. Mrs. Harvey Collard has been named chairman of the A. E. Nelson circle, while the Lottie Moon circle has not yet named its chairman.

Mrs. Gordon Singleton, wife of the president of Baylor college at Belton, will be in Ozona the week beginning October 24 for the purpose of conducting a churchwide mission study.

A year book committee has been named composed of Mrs. S. L. Butler, Mrs. Childers and Mrs. Lowell Littleton. Present for this week's meeting were Mrs. Cleophus Cooke, Mrs. Maurice Cox, Mrs. Ben Williams, Mrs. T. E. Tabb, Mrs. J. P. Pogue, Mrs. George Bean, Mrs. Leslie Nance, Mrs. R. J. Adams, Mrs. S. L. Butler, Mrs. Charlie Butler, Mrs. Massie Ray Smith, Mrs. Ira Carson, Mrs. Harvey Collard, Mrs. Jim Patrick, Mrs. Clyde Childers, Miss Maybelle Taylor and Rev. Childers.

### BACK FROM TRIP

Mr. and Mrs. J. A. Brashear returned the first of the week from a vacation trip to San Marcos, San Antonio and Lampasas. In San Marcos they visited Mr. Brashear's son, Temple Brashear.

## Crockett County Retires \$20,000 Of Bonded Debts

### \$16,000 Of Courthouse And \$4,000 School Bonds Paid Off

Crockett county paid off \$20,000 of debts recently when on order of the commissioners court that amount of courthouse and old Ozona Common School district bonds were paid off.

The court ordered a payoff of \$16,000 worth of courthouse bonds and \$4,000 of Ozona common school district No. 1 bonds. The committee named to carry out the order for retirement of the bonds reported at the court session this week that remittance had been made but that the cancelled bonds had not yet been returned.

The commissioners this week heard a petition from Joe T. Davidson and Charles E. Davidson, Jr., asking that the 60-foot street between block 49 and 50 be reduced to a 20-foot alley and that they be allowed their entry to garage storage. The court noted that the east half of the street is the side of a steep, rocky hillside and that the petitioners seek to improve the property. A committee composed of Commissioners Rob Miller, Charles Black and J. W. Owens was named to investigate the request and report on its findings.

The county clerk was ordered by the court to take steps to collect \$500 pledged by Terrell county as its part of expense of building concrete causeway across the Pecos river connecting the two counties at Reagan Draw.

## Boy Injured While On Scout Treasure Hunt Tuesday Night

Bobby Lemmons, son of Mrs. Ben Lemmons, was counted among the evening's casualties Tuesday evening when members of the local Boy Scout troop engaged in a treasure hunt as a part of the meeting night's activities.

The boy suffered a severe cut on the calf of his leg when he fell over a hydrant on the school ground. Six stitches were required to close the wound.

## Graduates Of 1938 To Build Lily Pond On High School Lawn

Work on a lily pond, to be built in front of the high school building, the gift of the graduating class of 1938, is to start soon, it was announced by school officials this week.

The lily pond is to be 12 by 8 feet and is to have a low bird bath in the center, with flagstones to be laid around the outside. The pond is to be two feet deep.

## Junior High Boy Suffers Broken Arm In Grid Game

Henry Patrick, son of Mr. and Mrs. Joe Patrick, suffered a broken arm last Thursday afternoon in a football game at the Powell Field park. Patrick was a member of the Ozona Junior High team which nosed out the Iraan Juniors by a close score.

Both bones in young Patrick's left arm were broken just above the wrist. The break was set here and the lad is now well on the road to recovery.

## James Motor Co. Enlarges Building

Work of enlarging the James Motor Co. building has almost been completed. The building was enlarged to 35 by 80 feet.

The rear of the building is to be used as a service and repair shop and the front for a display room. The company, headed by Frank James, is local agent for Plymouth and Dodge cars.

## Desperado Swaggers After Capture

LEXINGTON, N. C.—Bill Wilson (left) swaggers back into Lexington jail alongside machine-gun-armed Deputy "Doc" Zimmerman who aided the capture of the young desperado and his "Romeo" pal, James Godwin, near Hickory, N. C. Wilson and Godwin gained freedom from the Lexington jail when the latter wooed Lulu Belle Kimel, the jailer's daughter, who fell victim to his charms and turned the pair loose. Instead of "going straight" as he promised, Godwin, with Wilson, embarked on a saga of crime during which, it is charged, they stole a taxi, killed a man and kidnapped another. Godwin was slightly wounded resisting arrest as he was recaptured.

## Electric Range Given By WTU To Community House

### Miss Hawkins Presents Company's Contribution To Project

Miss Eudora Hawkins, home economist with the West Texas Utilities Co., told members of the Woman's Missionary society of Methodist church, in session Wednesday afternoon, that her company will contribute a new electric stove to the community house being built for the underprivileged classes of the community. Miss Hawkins came here from Abilene to make the presentation to the society.

Mrs. Madden Read led the day's study on "The American City and Its Church." Mrs. Joe Pierce discussed "What Some Consider a Christian Community." Mrs. John Bailey talked on "The Rescue Missions in the City," and Mrs. J. A. Fussell read a poem, "What Makes the City Great."

Final plans were discussed for attendance of the local group at the zone meeting in Big Lake Friday.

Five new members were added to the society's roll as a result of a membership drive now in progress. New members were Mrs. Tom Harris, Mrs. Walter Augustine, Mrs. Evert White, Mrs. Jennie Riddle and Mrs. Bob Weaver. Other members present were Mrs. John Bailey, Mrs. Madden Read, Mrs. Alvin Harrell, Mrs. John Henderson, Mrs. Joe Pierce, Mrs. George Montgomery, Mrs. Early Baggett, Mrs. Scott Peters, Mrs. W. R. Baggett, Mrs. J. A. Fussell, Mrs. Charles Williams, Mrs. B. E. Ingham, Mrs. Litche of San Antonio, Mrs. L. B. Cox, Mrs. George Harrell, Mrs. Mary Flowers and Mrs. N. W. Graham.

### MUTTON LAMBS SOLD

White Brothers of Mason have bought around 3,000 head of mutton lambs delivered at Sonora Monday from R. R. Dudley, Hugh Childress, Jr., and Mrs. B. E. Ingham. The lambs averaged from 71 to 77 pounds and sold at 5 1/4 cents. Mrs. Ingham has sold her fall wool clip in Ozona at 20 cents a pound.

Alvin Harrell has sold his mutton lambs to Mayfield to be delivered Friday.

## Pecos River Lambs Average 77 Pounds Sell At 5 1/4 Cents

### Roger Dudley Delivers Around 1,000 Head To Walker White

These lambs that range along the banks of the Pecos river are huskies, too, take it from Roger Dudley, who ranches along the Pecos on the western edge of Crockett county.

Mr. Dudley delivered around 1,000 head of mutton lambs early this week to Walker White of Mason. The lot averaged 75 pounds and sold at 5 1/4 cents a pound.

## Lions To Tackle Rocksprings In Game There Sat.

### Locals Lose By Safety To Big Lake Past Weekend

Coach White's Ozona Lions will take on their second district 41-B opponent the pending weekend when they trudge over to Rocksprings to engage the always powerful Bulldogs.

The Lions played in hard luck last weekend when the Big Lake Owls shaded them two points by reason of a safety. A low pass from center was fumbled by Beecher Montgomery and he was downed behind the goal line by an alert Owl for the two points. Touchdowns were even at one each and the game ended 8 to 6 in favor of the feathered crew.

The sports editor of the Lions Roar, student newspaper, gives the Lions the nod to win by a narrow margin over the Rocksprings Bulldogs. Should this prognosticator prove correct in his estimate of the relative strengths of the two teams, the 1938 crew from Ozona high will break a jinx of several years standing.

### CHOIR REHEARSAL FRIDAY

Regular practice of the Methodist church choir has been postponed until Friday evening at 7 o'clock, it was announced yesterday by Mrs. H. B. Tandy. At 7:45 on the same evening, the Music club chorus and the community choir will practice at the same place.

## Series Fine Arts Programs Slated Here This Winter

### Music Club To Sponsor Appearance Of Well Known Artists

A series of musical programs, featuring well known artists, will be sponsored here during the winter by the Ozona Music club, it was decided at the regular meeting of the club here this week. The series is known as the "Musical Arts Series" and is under the management of Robert Hollingshead of Hollywood, Calif. There will be one program each in the months of December, January, February and March.

Artists to appear in Ozona include Miss Beatrix Mayo, mezzo contralto, Miss Ho-to-Na-Wo, an Indian mezzo soprano, Josef Plastro, violinist, and Miss Virginia Estes, Miss Alta Turk and Allen Hibbs, pianists, Misses Mayo, Estes and Turk are Texans.

The club met Monday afternoon in the home of Mrs. Neal Hannah, in regular business session. Mrs. Madden Read assisted Mrs. Hannah as hostess. Mrs. Read was elected delegate to the district convention, which is to be held in Ozona November 3, 4 and 5.

Mrs. H. B. Tandy, who attended the meeting of the executive board of the Federated Music clubs of Texas, held in Abilene last Saturday, reported on the high points of the meeting.

Mrs. L. B. Cox reported that the Golden Jubilee celebration of the State Fair in Dallas has set October 23 as Music clubs day. Honor guests of the fair on that day will be the state president, Mrs. R. T. Craig of Athens, and the nine district presidents. Two programs will be given at that time, one in the Hall of State and another in the Museum of Fine Arts building. These programs will be followed by a tour of the exposition grounds. All club women of the state are urged to attend on that day.

Mrs. S. M. Harvick, president of the Ozona Music club, and district convention chairman, has announced the list of committees to assist her during the Sixth District convention to be held here November 3, 4 and 5.

The convention committees are as follows: Registration: Mrs. L. B. Cox, Mrs. Clyde Childers, Mrs. W. S. Willis and Miss Christine Collins of Merkel; Information: Mrs. Alvin Harrell, Mrs. Claude Hudspeth, Jr., Mrs. Pen Seahorn, Mrs. Joe Clayton; Publicity: Mrs. J. Lowell Littleton, Mrs. Hilley Phillips, Mrs. Eugene Miller, Mrs. C. J. Van Zandt, and Mrs. Charles Williams; Transportation: Mrs. R. R. Dudley, Mrs. Hugh Gray; Finance: Mrs. Bryan McDonald, Mrs. Joe Oberkamp, Mrs. John Bailey, Miss Dixie Davidson, Mrs. Hugh Gray, Mrs. Clyde Childers; Decorations, courtesy of Junior Woman's club; director of assembly singing, Mrs. H. B. Tandy, accompanist, Mrs. Neal Hannah; Junior session, Mrs. H. B. Tandy, Misses Ruth Graydon and Mildred Morris, Mrs. Madden Read, Mrs. Joe Clayton, Mrs. Elton Smith; Page and Badge: Mrs. Pleas Childress, Mrs. Eugene Slater, Miss Jo Demmer, Mrs. V. I. Pierce; Fine Arts program, Mrs. Neal Hannah; Entertainment, Mrs. Lee Childress, Mrs. Paul Perner, Mrs. Pen Seahorn, Mrs. Pleas L. Childress, Miss Jo Demmer, Mrs. L. B. Cox; Homes: Mrs. Charles Williams, Mrs. Bryan McDonald, Dixie Davidson and Mrs. John Bailey.

### COMMITTEE SEEKS FUND TO PAY FOR SCOUT FUND

A finance committee composed of Ira Carson and Early Baggett was at work during the past week making a canvass for pledges of cash contributions toward paying off the debt against the Boy Scout cabin, recently erected here. The committee hopes to have necessary \$2,500 to clear the property within a few days.

THURSDAY, OCTOBER 13, 1938

A WORTHY PROJECT

The Ozona Parent-Teacher Association is in the midst of a project this week for raising money with which to purchase uniforms for members of the High School band.

The idea behind the proposal to equip members of the band with uniforms is not primarily for the purpose of advertising the school, nor to make a show at athletic contests and the like. The real purpose, of course, is to create and hold interest in the department of band, introduced in the regular school curriculum this year for the first time.

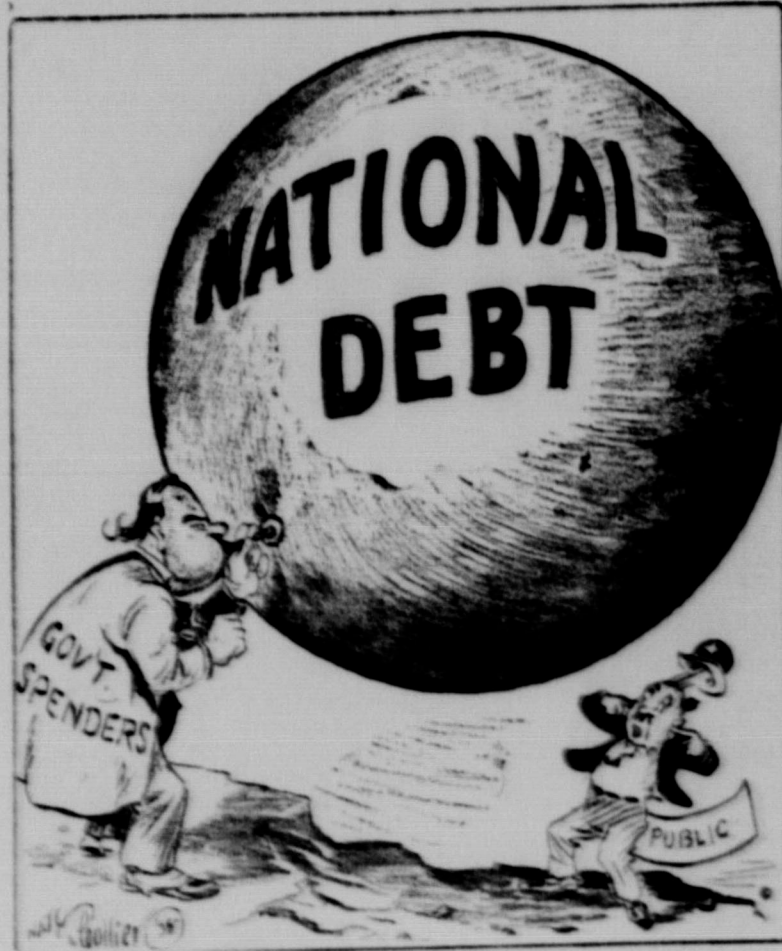

There is real value to the students who are interested in learning to play an instrument in a band. Musical training is an invaluable asset to any person, young or old, and this is just another means of making musical training more universal. Interest in the new band course is high in the local school at present and the Parent-Teacher Association is keenly interested in keeping it so.

The school board took a long step forward when they employed a band leader and offered the course as a part of the regular curriculum. Now, it is up to the community at large to keep the students interested so that the musical organization now being built up will continue to grow and become a permanent part of student life.

And the Parent-Teacher Association has hit on an idea that if carried to successful conclusion will go far toward increasing interest in this department. Uniforms are to be purchased for 45 members of the band. Funds are being raised in various ways, by solicitation and by benefit entertainments, first of which is the P. T. A. carnival in the city park tonight. You will get your money's worth in entertainment there tonight and at the same time lend your assistance in a worthwhile undertaking.

During his major league career Babe Ruth socked out 714 homers.

NEWS ITEM: National Debt Reaches New All Time High, and Still Going Up.

THE WAGNER ACT

Bruce Barton scores a strong point for more than his own party's attention, we think, when, approving the "fundamentally sound principles" of the Wagner Labor act, he says: "But the refusal of Senator Wagner and his party to amend it is keeping business jittery and reducing the pay envelope of millions." Nor can a Democratic administration that has just received enlightening reports on what cooperation and collective bargaining mean in Great Britain and Sweden afford to ignore the increasing force of arguments for improving the Wagner act. In Great Britain and Sweden a bargain between employers and employees has two sides, both carrying obligations recognized as binding and enforceable. If the one-sided Wagner act were amended to provide something nearer this dual balance, it would be far better to industry—and for the whole cooperative principle. Also the Democratic party, by instituting such change would become less vulnerable to Mr. Barton's charge that it refuses to amend its own legislation for fear of admitting "mistake"—and for fear of losing votes controlled by John L. Lewis. —New York World-Telegram.

HITLER ALONE

The crisis in Europe has been the means of proving that Germany has not one trustworthy friend among all the nations. Hitler regards Italy as Germany's friend, but his intimate knowledge of the way a dictator's mind works informs him that Mussolini will support Germany only if there is something in it for Italy. Mussolini will never sacrifice Italy to help Germany. Japan has an alliance with Germany and Italy, but

that the democracies and the communistic countries are in a moral alliance against him. He is feared and distrusted by practically all the powers except Italy and Japan. His denunciation of treaties and his brutal treatment of lesser countries have cost him the esteem of nearly all governments. His cruel "liquidation" of his political opponents, his heartless abuse of Jews and of many devout Christian leaders, the murder of Chancellor Dollfuss of Austria, by Nazis flaunting the swastika, the present imprisonment of Kurt von Schuschnigg, who was chancellor of Austria when Germany seized the country, and his fanatical devotion to the doctrine of hate, force and fear have aroused bitter antagonism, both official and personal, throughout the world. —Indianapolis News.

THINK IT OVER

At Grand Ledge, Sen. Arthur H. Vandenberg stressed a point which many people, who speak lightly of the Constitution, appear to overlook. "You have just one warrant for religious freedom," Senator Vandenberg declared, and that is "an inviolate Constitution and an inviolate Supreme Court to give it voice. When the spirit of the Constitution dies religious freedom perishes." The right to worship God, and the right to find consolation and inspiration in the Scriptures, which are the foundation of our moral code, are not sources of personal comfort and solace alone. They are also the rock upon which our national morals and ethics rest. Where

REPORT OF CONDITION OF OZONA NATIONAL BANK OF OZONA

these rights have been suppressed in Europe, national ethics and morals have reverted to paganism. Contracts are no longer honored, or promises kept, or persons of property respected, or even the common decencies of private or public life observed, where freedom of religion has been suppressed and the will of a human and, therefore, fallible dictator alone must be obeyed. We have already departed widely from the moral and ethical concepts that in the past gave strength and decency to the life of this nation. What this nation needs is to get back closer to the God of our fathers. And in order that the way back may not be blocked, Americans must be prepared to battle against any attempt, through assaults on the Constitution and Supreme Court, to close the door of the church to worshipers, or the Scriptures to those in need of spiritual refreshment, or inspiration, or a strengthening of their conception of right and their determination to defend it.—Detroit Free Press.

## Texas Good Road Exhibit Feature Of Dallas Fair

### Progress Illustrated In Exhibit of Modern Highways

AUSTIN, Oct. 12.—Observance of "Texas Good Roads Day," October 14, at the Texas State Fair in Dallas, will give Texans an invaluable opportunity to observe the recent progress on state highways and the latest safety features of highway engineering.

In proclaiming the special day Governor James V. Allred, commended good roads sponsors for their recent emphasis on safety factors.

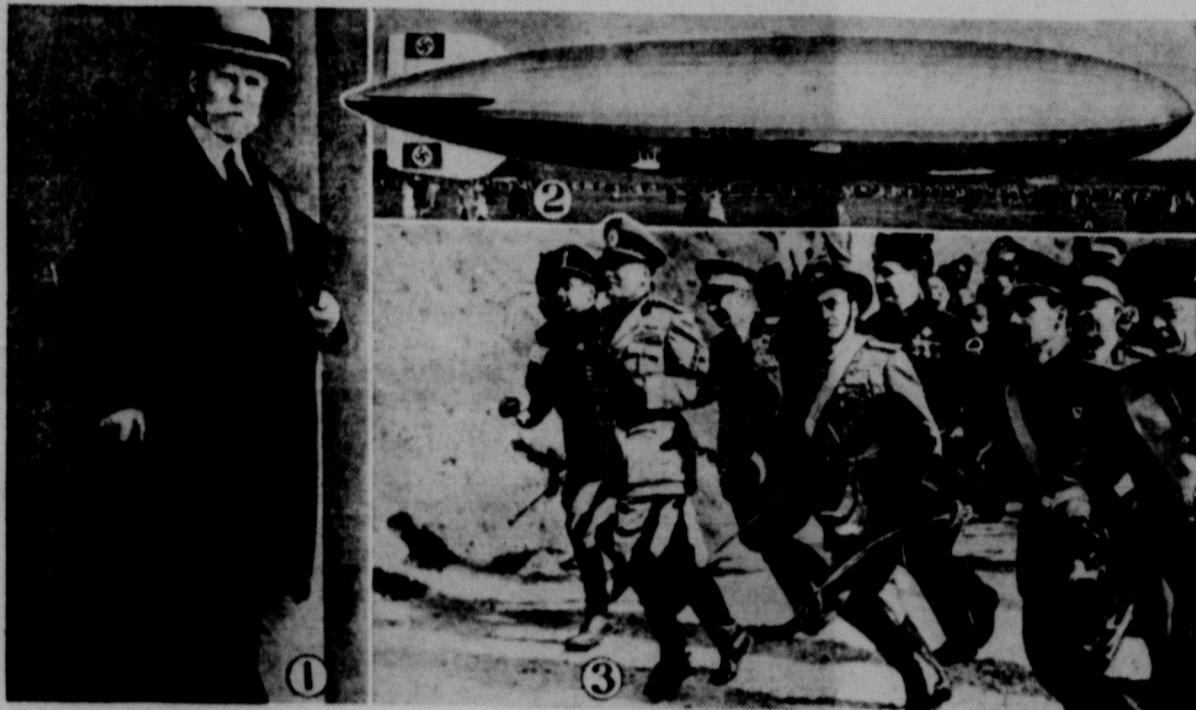

"Because of the extensive research in safety methods advocated by enterprising sponsors of good roads," he said, "Texas' traffic death toll has undergone a sharp decline for 1938.

"Good roads constitute one of the state's chief assets and are interwoven to some degree in the life of each citizen, in that they facilitate the transportation of his products from farm to market, the daily mail to his frontdoor, his children to school, permit him enjoying a rural residence while holding a city job, among other blessings, and provide a medium for his enjoyment of Texas' matchless scenic and recreational opportunities.

"In short, the improvement and extension of highways is of prime importance and immeasurable profit to Texas and Texans in all walks of life and enterprises."

The latest improvements and progress of Texas highways will be shown in the Texas Good Roads Association exhibit in the Educational building at the fair. The exhibit will furnish the public factual information concerning the highway system, suggest its proper and safe use and give them an appreciation of the value of highways as a medium of transportation to every man, woman

## Court Opens—Zep Tested—Duce Sets Pace

1—Charles Evans Hughes, chief justice of the United States Supreme court, as he left his home to attend the opening of the 1938-39 session. 2—After a successful day's test the new Graf Zeppelin, commanded by Dr. Hugo Eckener, landed at Friedrichshafen, Germany. 3—Premier Benito Mussolini of Italy sets the pace for his officers while reviewing a regiment at Gradisea, Italy, recently.

and child in the state.

Featured in the exhibit will be models of the old and the new in highway construction. The modern, wide highway with its flat slopes and almost non-existent ditches will be shown alongside the old, narrow, crooked, high-crowned, deep-ditched highway that stands as a menace to traffic. Models of the Waco circle, the modern clover-leaf intersections and other highway engineering feats will be on display.

The exhibit is designed to point the way toward a more adequate and complete highway system for Texas.

Lowry Martin, president of the Texas Good Roads Association, made a special plea that everyone attending the fair drive safely.

### Valuable Collection Added To Library of University of Texas

AUSTIN, Oct. 12.—The University of Texas library has announced the acquisition of the famous Garcia Icazbalceta collection of Mexican historical documents and books, which, added to the already imposing Garcia library at that institution, affords that school the most extensive and complete assemblage of Mexicana in the world, outside of Mexico, it was stated.

The Icazbalceta collection is composed of 160 volumes, each rare in its own right, and 50,000 pages of manuscript, including the original of one of four letters written by the explorer Hernando Cortez to Emperor Charles V of Spain, dated October 15, 1524. It is a beautiful document and in an excellent state of preservation. In the opinion of collectors, "there is no measuring stick by which to appraise its spiritual value."

"To have acquired such a library will be of incalculable credit to the University for all time," Donald Coney, university librarian said. "Garcia Icazbalceta's reputation as an historian and collector of the sixteenth century of Mexico is such that the acquisition of his collection from his grandson would be comparable to obtaining the collection of such well known historians of the past as Gibbon or the great Chilean historian and bibliophile Jose Toribio Medina."

In discussing the printed works in the collection, Dr. Carlos E. Castaneda, Latin-American librarian at the university declared:

"The most valuable portion of the printed items are the Mexican imprints of the sixteenth century, comprising 48 works. Although there is conclusive evidence that a printing press was in operation in Mexico by 1539, the earliest production known is the famous

'Doctrina Breve de Zumarraga,' the printing of which was begun in 1548 and finished in 1544. This book constitutes one of the rarest items in the history of printing in America.

"As early as 1869, it sold for \$600. At present there are only two other copies in the United States. The 'Doctrina Breve' is in fact invaluable as the keystone to any collection of Americana."

"Listen, lady, this is the power station, not the church; I tell ya again we can't turn off thunder and lightning."

### POISON IVY CURE IS FOUND IN EXTRACT FROM PLANT ITSELF

TORONTO.—A cure for poison ivy is believed to have been found here.

Dr. A. H. Caulfield, specialist in allergic diseases, said that several patients he had treated for the ailment were cured after from one to three injections of an extract from the poison ivy itself which he evolved.

He has named the extract "holigen."

### Three Music Grads Of Texass Tech On Ozona School Staff

LUBBOCK, Oct. 12.—Texas Technological college is well represented in Ozona. Three '38 music graduates are teaching there. Mildred Morris is directing public school music in the high school, Ruth Graydon is teaching private lessons in piano and violin, and Jim Nevins is band conductor there.

Misses Morris and Graydon majored in public school music and Nevins majored in band. Miss Morris was a member of Las Viarachas, Tech social club, and orchestra. Miss Graydon was president of the orchestra and a member of the college chorus. Nevins was president of the band and a member of the orchestra and chorus.

Come SEE why the Moderns are saying:  
**"Buick's the Beauty!"**

Looks fine for '39!  
 WHAT: Four Series of ultrasmart new Buicks, the Special, the Century, the Roadmaster, the Limited—18 models in all  
 WHERE: Any Buick Dealer's Showroom  
 WHEN: On display NOW  
 WHY: The most modern chassis, the ablest performer, the handsomest carriage, and  
**BUICK 1939 PRICES ARE LOWER**  
 —lower than last year, lower than you'd expect.

Star Performer ushers in new Style Cycle with stunning designs that keynote next year's mode

It all started with "catwalk-cooling," on the costly racing cars of Europe. They were shooting at better aerodynamics, not new styling—but they touched off something that will re-pattern cars everywhere before it's done. Not that looks alone ever come first with Buick. What's really Buick is underneath all that, down deep in the good true metals, the split-hair precision, the tough alloys. But everyone goes for beauty, and you would be less than human if you didn't thrill to an eye-fel of the smartest dressed automobile you ever saw.

So let your gaze take it in. Spot the radiator grilles... down low. They're the key to new-day design. They're also placed where air pressure's greatest—your engine cools under forced draft! Under that comely bonnet is the engine with more abundant life—that quick quiet Dynafish valve-in-head straight-eight! Under that roomy Body by Fisher are the great slow spirals of Buicoil springing, to give you the true "full float" ride. And in that body, is new wide-paned visibility—up to 413 more square inches of glass. The whole staunch, firm, beautiful car looks like what it is—a car to love and live with. Come see it. Just as it stands there, tuned for your service, it seems to be ready to fly!

NO OTHER CAR IN THE WORLD HAS ALL THESE FEATURES

★ DYNAFISH VALVE-IN-HEAD STRAIGHT-EIGHT ENGINE ★ BUICOIL TORQUE-FREE SPRINGING ★ GREATER VISIBILITY ★ HANDSHIFTF TRANSMISSION ★ SELF-BANKING KNEE-ACTION FRONT SPRINGING ★ TORQUE-TUBE DRIVE ★ TIPTOE HYDRAULIC BRAKES ★ CROWN SPRING CLUTCH ★ "CAT-WALK-COOLING" ★ OPTIONAL REAR AXLE GEAR RATIOS ★ FLASH-WAY DIRECTION SIGNAL ★ ROOMIER UNSTEEL BODIES BY FISHER

**Miss Ethel Childress Becomes Bride Of  
J. Neil Smith In Ceremony Here Saturday;  
Couple To Be At Home In Kansas City, Mo.**

Miss Ethel Childress, a daughter of the late Mr. and Mrs. Pleas L. Childress, pioneer Crockett County ranch couple, became the bride of J. Neil Smith of Kansas City, Mo., at a wedding ceremony Saturday morning at 10 o'clock in the Ozona Methodist church.

Rev. Eugene Slater, pastor, performed the ceremony in the presence of a group of relatives and close friends of the couple.

The bride wore a costume suit of sheer wool in ceramic blue with a brown fur jacket. Her accessories were brown, and she wore a shoulder corsage of orchids. Baskets of white and yellow calla lilies against a background of white tapers provided decorations for the church. Mrs. Bryan McDonald, church organist, played the wedding music.

A reception in the home of Mr. and Mrs. Floyd Henderson, uncle and aunt of the bride, followed the ceremony. The ring wedding cake, filled with gardenias and lilies of the valley, centered the table.

Mrs. Smith attended the University of Texas after her graduation from Ward-Belmont college. She spent the past winter in Dallas. Mr. Smith is associated with the Employers Reinsurance Corp. in Kansas City. He is a graduate of Yale University and a member of the Colony club. He is a son of Mrs. Granville M. Smith of Kansas City.

After a Caribbean cruise, Mr. and Mrs. Smith will be at home at 3 East 52nd street, Kansas City, until their new home on Overbrook Road is completed.

Out-of-town guests for the wedding, who were honored at a dinner Friday night by the bride and her sister, Mrs. Grady Mitcham of San Angelo, included the bridegroom's mother and brother, Granville M. Smith, Jr., of Kansas City, Mr. and Mrs. Robert B. Holland and O. O. Touchstone of Dallas, Mr. and Mrs. W. C. Montgomery, Mrs. Beecher Montgomery, and Mrs. Wilmer E. Hunt of Houston.

Among those motoring out from San Angelo were Mr. and Mrs. Joe Montague, Mrs. Len Mertz, Mr. and Mrs. Walter Yaggy, Mrs. Mary March Compton, Mrs. J. Bay Robertson, Mr. and Mrs. John B. Hemphill, Dorsey B. Hardeman, Mr. and Mrs. Ray Willoughby, Mr. and Mrs. T. Wayne Harris, Miss Gladys Mayer, Mr. and Mrs. Howard B. Cox, Mr. and Mrs. Ralph Lettwich, Mr. and Mrs. Louis R. Hall, Mr. and Mrs. Enslie O.

**Ozonan Marries  
San Angelo Girl**

James (Bub) Smith, Jr., of Ozona and Miss Myrtle Pate of San Angelo were married by Justice of the Peace W. M. Johnigan here September 25, it was announced this week.

Mrs. Smith is a daughter of Mrs. Ola Pate of San Angelo and Mr. Smith is the oldest son of Mr. and Mrs. Jim Smith of Ozona. The couple will make their home here.

**MRS. LITTLETON  
IS BRIDGE HOSTESS**

Mrs. Lowell Littleton was hostess at her home Tuesday afternoon to members of her contract club.

Mrs. Joe North took high score prize, Mrs. Charles E. Davidson, Jr., low score, and Mrs. T. A. Kincaid, Jr., cut. Other guests were Mrs. Hillery Phillips, Mrs. Bill Littleton, Mrs. Boyd Clayton, Mrs. W. E. Friend, Jr., Mrs. Jimmie Blaylock, Mrs. Melvin Brown, Mrs. Walter Augustine, Mrs. Sherman Taylor and Mrs. J. A. Brashear.

**Louise Casbeer  
Weds Eldorado Man  
In Cisco Ceremony**

Louise Casbeer, daughter of Mr. and Mrs. Tom Casbeer of Ozona, became the bride of Milton Spurgers of Eldorado in a ceremony performed at Cisco on September 21, it was announced here this week.

The bride is a 1938 graduate of Ozona high school. Mr. Spurgers is associated with his father in the ice business at Eldorado, where the young couple will make their home.

Oglesby, Mrs. Frank Cargile, Mrs. A. W. Clayton, and Mr. and Mrs. Grady Mitcham.

Other out-of-town guests were Mrs. Baker Henderson of Barnhart and Mrs. Tessie Kyle Broadfoot of Alpine.

**T. C. U.'s All-American Material**

CAPTAIN I. B. HALE - QUARTERBACK

KI ALDRICH - SUB-CAPTAIN - CENTER - DAVID O'BRIEN - QUARTERBACK

These three Horned Frog seniors brought all-conference and All-American honors to Texas Christian last season, and are expected to be way up in front in the fight for national recognition in the 1938 competition. Capt. I. B. Hale, left tackle, is a powerhouse himself, at 240 pounds. David O'Brien, quarter, weighs but 150, but is stuffed with scrap iron. Ki Aldrich, center, is as good as they come and has been a stand-out pivot man ever since his sophomore year.

**Parrot Likes the  
Joke And Gives  
Merry 'Ha! Ha!'**

SATA ROSA, Cal.—George W. Colgan is convinced that his 47-year-old parrot which has been in his possession for the past 45 years, has a real sense of humor.

On a warm afternoon, Colgan took the parrot out on the lawn in a bottomless cage where it could enjoy the fresh air, the sunshine and green grass. Later in the day, he went out, picked up the bottomless cage and hung it up in its accustomed place in the basement without noticing that Polly wasn't in it.

The discovery was made the next morning, and as Colgan rushed out on the lawn he instantly greeted with merry "ha! ha's" from the parrot itself, perched in a near by tree.

"Profanity is not necessarily vocal. There's a certain type of feminine sniff and the way a man slams a door occasionally."

**By MILES PIERCE**

The meeting of October 11 was opened with the Scout oath. Mr. Houston Smith, was to have been at the meeting to give a talk, but he was out of town, so we had a treasure hunt.

Each patrol tried to get more than any other patrol. After about 45 minutes all the patrols were back at the Scout cabin. The scores were added and the patrol under Bud Cox won the prize, which was an ice cream cone for each member of his patrol.

Miss Aubrey Littleton of Abilene is here for a visit with her brothers, Lowell and Bill Littleton and their families.

### Three Lines Of Cars Offered In Pontiac For '39

#### Quality Six, Deluxe Six, Deluxe Eight In New Pontiac Line

Pontiac engineers have displayed skill and originality in the design of three new lines of cars for 1939 that combine the height of vision and good taste in modern streamlining and rich appointments with important mechanical improvements that feature Duflex springs as the greatest engineering achievement.

The Quality Six, a newcomer to the line, is designed for large production at a low price. With five models (two and four-door sedan, business and sport coupes, and station wagon) of 190 inches wheel length, it digs deeper into the lower price field than any previous Pontiac.

The Deluxe Six, with the same engine but longer chassis than the Quality Six, comes in five more fully appointed bodies. A cabriolet with two coupes and two sedans constitute the line. Overall length of 196 1/4 inches makes it the longest six by four inches Pontiac has ever built.

The Deluxe Eight with its famous smooth running and economical straight eight engine, will embrace the same five body styles as the Deluxe Six.

In the appearance of the three new lines we find complete modernization in the styling of hood, radiator, fenders and body. Continuing the Silver Streak through the

center of hood and radiator for the fifth year as the central motif, there is more of a yacht-line prow to the radiator, which in turn is flanked on either side by chromed side grilles set into the front surfaces of the fender cutwalks. The radiator ornament serves as the locking handle to raise the alligator type hood.

Harmonizing multibeam headlights are mounted on the front fenders. The Quality Six thus is the lowest priced car today with three-beam headlights.

There is increased visibility for driver and passengers alike in the new Pontiac which, of course, is an added safety factor. In the Deluxe Six and Eight models visibility is fully 25 per cent greater than in previous models. Windshield and window glass are wider and higher. Windshield corner posts are narrower. Cowl-line is lower and the radii of upper windshield corners are shorter, thus enlarging the vision all around. A single panel rear window in all models also adds to the visibility.

With wider and lower Deluxe Six and Eight bodies these models are equipped either with or without running boards. Floors being only curb-high (two inches lower than last year) many people desire to step directly into the car without the use of a running board.

Fisher unisteel bodies on Deluxe models provide greater seat width and more leg room both front and rear with a finer handling of instruments and accessories for 1939 than ever before.

Dr. H. B. Tandy and family have moved from the Richard Flowers house, where they have lived the past several years, to the Sol Jones residence.

### Girls, Here's Your College—Two 'Dates' For Every Girl at UT

AUSTIN, Oct. 12.—There are more than two men for every woman student at the University

of Texas this year, 6,918 boys having enrolled as compared with 3,057 girls, it is shown by statistics on registration up to September 27, compiled by the registrar's office. A total of 9,975 students had enrolled up to that date, as compared with 9,266 on the com-

parable date last year. Total enrollment by October 6, however, including late registrations with loss of credit, totaled 10,064.

Mrs. George Bunker has been ill the last two or three days with an attack of bronchitis.

### PONTIAC-BUICK SALES

Sales reported this week by the Wilson Motor Co., local Buick and Pontiac distributors, include a Pontiac coupe to Jack Henderson and a Buick "61" four-door sedan to Tom Owens.

• The lanky Longhorn is almost as extinct as the dodo on Texas ranges. Where once he reigned supreme, you'll find, now, a splendid type of beef animal.

The change didn't take place overnight; the rancher didn't announce a "new" steer every year or so. His process of improvement has been continuous, and it's still going on.

The same policy has guided the Humble Company in manufacturing motor fuels and motor oils for the Texas motorist. When it has an entirely new product, Humble announces it as such: otherwise,

the search and research for improved quality never ceases—it is continuous from day to day.

This policy has resulted in a steady flow of improved Humble products, definitely second to none in quality, to Texas motorists; and it has made it unnecessary for the Humble Company to use exaggerated claims in its advertising.

We say, try Humble products; performance will convince you. The Texas motorist has said, "You're right!"

### EDITOR'S MUSINGS

**—LIBRARY—**  
**—FORTUNES—**  
**—ARTICLES—**  
**—STUDENT BACK—**  
In the study hall, as you undoubtedly know, there is a library. The purpose of this library is to serve and to entertain the student body, and for quite sometime the library rail has seemed to be a place where groups meet to while away time and to exchange the latest facts about everybody's troubles. A number of magazines and newspapers are subscribed to, and these are not taken care of as they might be. The newspapers change, it is true, daily, but has it even entered your mind that maybe someone in the fifth period would like to read the article you are tearing out in the second?

And while we are on the library; we certainly appreciate the "Fortune" magazines which have recently been contributed to the library. These magazines are so placed that all students may now look through them.

I have heard a number of students asking about writing articles for the Lion's Roar. We will appreciate all articles; and if you think you have something really good, give it to Miss Terry. And remember, a thousand words published will gain you admission into the Press club.

We are glad to have back Adelia Willis, who has been in Dallas since the first of school. She is a member of the Press club, and is a senior.

### A HAPPY LIFE

By ORA LOUISE COX

The surest way to be happy is to plan a happy life. A planned life is most likely to be happy, because it contains the three principal ingredients of happiness—orderliness, harmony, and rhythm. Happiness lies in achieving success, and to some people success is material, while to others it is spiritual. However, success of any kind is gained only through proper planning.

If we want happiness, we must plan for it. It is useless to stand still and wait for happiness to come our way, to sit and dream about it, and hope that our dream will come true.

To plan well is to live well; and to get the most out of life each day must be regarded as a vital part of the whole existence. Therefore, do not merely look for ahead into the future and plan for a score of years in some far-off, but plan for each day and for each hour of the day, budgeting time as you would money, allowing time for work and time for rest.

Inefficiency, which results from a lack of planning and preparation is the greatest single cause of human sorrow, for it leads to failure in every undertaking, and failure is the gateway to unhappiness.

Think of your own health above everything else. Eat right. Sleep right. Learn to stop short of fatigue in whatever you do.

If it were possible to write a code of happiness, I think it should read, "Plan carefully; prepare thoroughly; act decisively."

## GRADE SCHOOL NEWS

### FIRST GRADE

The first grade is studying houses and plan to build one in the room. This week we have visited the new home of one of our pupils, J. G. Hufstader, and watched the carpenters and painters at work. We also visited in the home of Donald Sylvester, another one of our first grade pupils. Donald lives in a trailer house, and we found it very delightful to visit in his home.

We have 33 pupils in the first grade, and most of us are able to read in our new books.

### SECOND GRADE

Monday was Nat Read's eighth birthday. Mrs. Read brought his cake to school and served it with orangeade to the pupils of the second grade. Everyone enjoyed it

## BIG LAKE OWLS SCRATCH LIONS

### Montgomery Tallies On Intercepted Forward Pass

The Big Lake Owls scored an 8-6 upset victory over the Ozona Lions last Friday night on the Big Lake gridiron. It was the second straight loss for the Lions and the first win for the Owls.

The Owls received the opening kickoff and returned it to their own 28. Not finding the Ozona line easy at first, the block resorted to the air lanes; result, Montgomery plucked an Owl aerial from the air and jaunted for a touchdown. His flying feet covered a mere 40 yards on this jaunt. Montgomery's try for extra point was blocked.

The Owls chose to receive. On straight power plays, mostly over left guard and left tackle, plus two passes each good for 12 yards, the block flew to the eight-yard stripe without losing the ball. There the Ozona line braced, and the ball went over on downs on the Ozona four-yard line. Due to a low pass from center, Montgomery was tackled behind his own goal line by Thorell, Big Lake center, for a safety which netted two points. The half ended with Ozona the long end a 6-2 score.

Early in the third quarter, Big Lake on a sustained drive, drove to the Ozona ten, and here on first down Webb, who had gained most of the ground, went over the middle for the counter. His try for extra point was wide. The rest of the game was a see-saw affair with the Owls getting the better of the engagement. An Ozona aerial barrage late in the fourth quarter bogged down when Webb, intercepted a pass. Lemmons, Dudley and Montgomery of Ozona played a fine brand of ball for the losers, while Thorne was the outstanding Owl player.

The standings in district 41-B of which Ozona is a member is shown below.

	Pl.	W.	L.	Pct.
Junction	1	1	0	1.000
Eldorado	1	1	0	1.000
Menard	1	1	0	1.000
Ozona	1	0	1	.000
Sonora	2	0	2	.000
Rocksprings	0	0	0	.000

### Last Week's Results

Kerrville, 35; Junction 0.  
Eldorado, 66; Sonora, 9.  
Rocksprings, 19; Eagle Pass, 13.  
Big Lake, 8; Ozona, 6.

### Schedule This Week

Ozona at Rocksprings.  
Sonora at Junction.  
Eldorado at Menard.

The department chooses Ozona to down Rocksprings 15-7, Junction over Sonora 46-0, and Eldorado over Menard, 53-6.

### HAPPY BIRTHDAY

All having a birthday between October 7 and 15 are very ritualistic and fond of dancing. They are sound and conservative. Nearly all of them are good mathematicians. Most likely, they will become clergymen, philosophers, or scientists. Ozona high school wishes the following, who celebrate a birthday this week, a happy birthday:

Floyd Hokit, Dorothy Capps, Mary V. Graham, Bobby Lemmons, Harold Keeton, William Beecher Montgomery and Helen Armentrout.

### SIXTH GRADE

We are very glad the football boys won, but we are sorry that Henry Patrick got his arm broken. It was petty tough going to beat them; but our boys did, and we are very proud of them.

### SEVENTH GRADE

The seventh grade Scout troop went on an overnight camping party. They left Saturday morning about 10 o'clock. They went in Dick Henderson's Model T.

The seventh grade is having a play Thursday entitled "Columbus' Voyage."

## —Odds & Oddities—

By Elton Smith

### ASK ME ANOTHER

#### Questions

1. What is meant by the displacement tonnage of a ship?
2. Why were bridal veils first worn?
3. I. an earthquake usually preceded by slighter tremors?
4. In art why is the Mater Dolorosa represented with seven swords?
5. When guests are received at the White House are they presented first to the President or to Mrs. Roosevelt?

#### Answers

1. The weight of the water that would be necessary to fill the space occupied by the hull of the ship.
2. To conceal and protect the bride from evil spirits.
3. Usually slight tremors are felt first. They rapidly take the form of one or more violent shocks, and end in vibrations of diminishing force.
4. It is an allusion to the seven sorrows which she endured.
5. They are presented first to the President and then to Mrs. Roosevelt, who stands next in line.

## Indian Relics Given To H. S. Museum

One of the most valuable trophies in our museum is a bow with two arrows purchased in the Navajo reservation this summer by Mr. Houston Smith, who in turn has given them to the school museum. The bow is one of the largest ever used by Indian warriors, and because of its size it has been used by most powerful Indians. It is said that a deer can be killed at a distance of 100 yards with this equipment.

The bow is strung with the original deer sinew, and the two arrows have deer sinew wrapping to hold their points to the shaft. One arrow still has its original point.

The purchase was made from a Moorman who was in charge of a trading post in the Chaco canyon in the heart of the Navajo reservation during the past 50 years. The bow and arrow were at the post at the time the present master took charge. A special glassed-in case is being constructed so that these materials may be exhibited.

### THE VOICE OF EXPERIENCE

By A. SENIOR

What standards of beauty and grooming are suitable for the teen age girl?

Any teen age standards that may be worked out will vary somewhat in the different parts of the country, but they will at least include the following:

1. Good health—correction of defects, such as crooked or decaying teeth, diseased tonsils, fallen arches, spinal curvature, eye strain, sinus trouble and skin disorders.
2. A well balanced diet.
3. Nine or ten hours sleep at night.
4. Good posture.
5. Cleanliness of skin and hair.
6. No artificially arched eyebrows.
7. A weekly manicure.
8. Correct weight for age, height and type, no living skeletons.
9. Minimum of makeup for day time wear and never an obviously painted look.
10. Well modulated voice.
11. Becoming and practical clothes and coiffure.
12. A well developed hobby or two.
13. Mental alertness and good humor.

### FACULTY ENTERTAINED

On Saturday night, Oct. 1, at the home of Mr. and Mrs. Clarence E. Nelson the women of the faculty entertained the men of the faculty and a few other guests with a ching-chess party. The two floating prizes were won by Mrs. Nelson and Mrs. White. High score went to Mrs. Arthur Kyle and Jake McCulley. Those present were: Misses Jo Demmer, Dorothy Spain, Norrine Allison, Margaret Martin, Mildred Morris, Ruth Graydon, Merle Draper, Bess

## Seventh Grade Observes Columbus Day In Assembly

The seventh grade presented the assembly program on Oct. 13, observing Columbus Day, giving a little play, which had two scenes. The first scene was aboard the ship of Columbus, and the second scene was at the court of King Ferdinand and Queen Isabella. The characters were:

Admiral Columbus, Bland Tandy; Pedro, the cabin boy, Gene Tyre; Juan and Mendiz, officers of crew, Leslie Nance and Charles McDonald; first sailor, Roy Coates; second sailor, Henry Patrick; third sailor, Lorain Wyatt; Juan, a page, L. B. Cox; Felipe, a page, Virgil Oden; Rosniquiz the major dons, Dick Henderson; The Infanta Catalina, Lottie Jo Owens; Dona Seatriz, a maid of honor, Margaret Russell; Queen Isabella, Mary-L. Perner; King Ferdinand, Mervin McLaughlin; courtiers, Joy Coates, Vera McCaleb, Florence Luther, Rozelle Pharr; guards, W. B. Cox, Jim Patrick; Indians, Wayne Babb, Zella Thurman, Jack Browniggs and Priscilla Jean Baker.

## WHAT LION WOULDNT LIKE TO HAVE . . .

- William Beecher's politeness at all times?
- Phillip's crooning voice?
- Howard's sporting ability?
- Jeff's record for excellent grades?
- Jim's subtle charm?
- Bobby's ability to argue?
- Roy's attractive grin?
- Shorty's jokes?
- J. K.'s polished military manners?
- Joe William's ability for getting along with everyone?
- W. B.'s wavy red hair?
- Wayne West's square shoulders?
- Mile's pleasing laugh?
- Walter's ability to write sports news?
- W. C.'s good naturedness?
- Billy Hannah's ability as a baritone player?
- Ernest Brownriggs' severe calmness?

Terry, Mildred North, Ada Moss, and Dixie Davidson, Mr. and Mrs. Nelson, Mr. and Mrs. White, Mr. and Mrs. Arthur Kyle, Guinn Caruthers, Rex Russell, Jake McCulley, Gene Hollon and James Nevins.

## CARNIVAL TO BE IN CITY PARK

### Used For Band Proceeds To Be Uniforms

Plans are gradually being concluded for the biggest and best carnival ever held in Ozona. Bingo prizes are coming in rapidly, and the horned frogs are crawling over the corral every day. Besides the bingo stand and the horned frog race, there will be food, a fortune teller, a pop corn stand, Punch and Judy shows, and many others. The proceeds of the carnival will be used to buy band uniforms, which we hope to be ordered by Oct. 15. Won't you come and help the carnival to go over with a bang?

The band, drum corps and pep squad, who accompanied the football boys to Big Lake last Friday night, astounded the grandstand audience with a dazzling performance. Marching onto the field in perfect formation before the game, crossing it, counter marching back to the center, and forming the words "Hello Owls," was all done well.

It is doubtful as to whether the band will attend the Rocksprings game or not, but regular drill will go on just the same. However, it is decided that for the Menard game to be held in Ozona October 22, the band, drum corps, and pep squad will be divided in half and a large cogwheel formed.

## LILY POND AS GIFT FROM SENIORS OF '38

Plans have been drawn and approved for the construction of a lily pond, 12x18 feet in size, in front of the high school building. The lily pond will be two feet deep with a low bird bath in the center. Flagstone will be used around the pond and in a walk connecting it with the present walk. Its work will begin this week as is planned, and the pool will be completed within about 10 days.

## —: The Prowler —:

By Drake and Lemmons

Phillip was rumbering about girl name Lucille, while he was in Big Lake. What is she, Phillip? Billie Jean received a large picture from some one Saturday. Whom was it a picture of, Billie? Beecher surely likes these Dorothy's. He was seen at the Saturday night, with Dorothy Hannah, Dorothy, is this one of your ways to pass away time? Shorty, you better drop this society life immediately. Gene and Bette Lou almost came to blows over you on the bus coming from Big Lake.

I wonder who Bette Lou, Dorothy and Mary Bess were looking for Saturday morning about 12:30 a. m.?

"Our Gang" is due for a long up soon. One of its members told me personally.

Jessie and Ernest were dancing with two Sonora proctors Saturday night. Who were they boys?

Mertis and Merle were at the dance also. This isn't leap year girls; how did it happen that you furnished the car for your date?

Bobby Galyon and Shorty were also at the dance.

Lela Mae must not like the color and model of her Buick. She spent Sunday evening showing of a white sport Buick coupe. What is it, Mae?

Judging by the way Ora Louise marches, she should be a professional football player. She has a long stride, and I believe that she would make a good side stepper.

Adelle K. I wish you would let me know when you are going to receive a letter.

Pattie, why were you crying the other day? A Soph boy wanted to ask you.

The three Freshman girls that call themselves "The Three Makers" will have to change their name, because Bill wants in it.

Wayne, I wish you would smile at a certain girl in the study hall, because I always think you're smiling at me when you're not.

Margaret O. seemed to have a merry time in Big Lake Friday night.

Oleta, you seemed to be very happy Friday. It wasn't because a certain boy was here, was it?

## Winter Building Not Considered Unsafe Practice

A number of building "bogies" have been put to rout permanently by advances in construction methods and introduction of new materials developed in recent years. Among them is the idea that it is unwise to build in the late autumn or winter.

Actually the reasons that autumn building has been unpopular in the past were that dwellings built for sale or rent came on the market at a time when all centers were under lease and when prospective purchasers had to be shown properties under adverse weather conditions.

There is some advantage in starting construction in the fall or early winter. Contractors are usually looking for work that will enable them to keep their organizations intact during the dull period; the trades are anxious to keep busy. Material dealers are eager for orders to keep their staffs busy and to pay overhead on their establishments and organizations. These groups are usually willing to make some concessions in order to get business. Concessions are frequently more than enough to offset the extra precautions that must be taken while building during cold weather.

If concrete and masonry work can be completed before freezing weather sets in, so much the bet-

ter, but even freezing weather does not mean concrete and masonry work must be suspended or that it cannot be done satisfactorily.

Reasonable care must be taken to keep sand and crushed stone warm before mixing and to protect finished work by adequate covering or, in extreme cases, by salamanders or charcoal stoves. Ordinarily, it is best not to push such work on days when the temperature is below freezing.

When the masonry work is completed the balance of construction can be carried on readily. Plastering must be watched and lumber protected from snow and rain, but otherwise construction may progress without inconvenience.

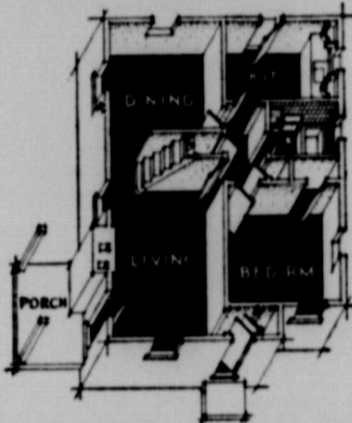

### MOISTURE METER

A moisture meter for the detection of green lumber is being used by home builders in many sections. Lumber which contains more than 19 per cent of moisture is not acceptable for building purposes, according to a ruling of the Federal Housing Administration. By using the meter the exact moisture content may be determined.

### WEATHERSTRIPS

Metal weatherstrips placed on windows will be of assistance in keeping down fuel bills during the winter months. These strips also help make a room more livable.

Flashlights were introduced in 1896.

The two-story dwelling shown in the above illustration is situated in White Plains, N. Y. It was financed by means of a \$5,600 mortgage insured by the Federal Housing Administration. The loan was for a period of 19 years, with monthly repayments to principal and interest of \$38.14.

The design is simple but pleasing. The interior arrangement affords cross ventilation in each room, as well as a maximum amount of privacy.

### SUGGESTIONS OFFERED BY FHA FOR PAINTING

The Federal Housing Administration, in a bulletin that deals with suggestions for the planning of small houses, makes the following recommendations for painting:

Exterior trim should be back-painted before erection.

Exterior of house proper should be given three coats of oil paint or, when especially prepared, two-coat paint, following the manufacturer's instructions in either case. Painted masonry should receive two coats, preferably of a cement-base paint.

Interior woodwork should have at least three coats (either three coats of flat paint or two coats of fat and one of enamel).

A high-gloss enamel is suggested for kitchen, bath, and other service parts of a house, as it is easier to keep clean and wears well.

## Light Switches Should Be Placed Conveniently

Lighting switches in rooms that have more than one entrance should be placed near the entrance most used after dark.

In living rooms, switches are frequently located near the outside door, whereas they should be placed near to the living room entrance. The vestibule light or street illumination will provide sufficient light for the living room to prevent danger from injury when entering from outside.

In kitchens the switch should be placed near the entrance into the space used for dining. In almost every case where rooms have an outside and inside entrance, the most convenient location for the room light switch is near the inside entrance.

### DANGER OF DECAY

Home owners, particularly those whose houses are frame or shingled, should be careful not to allow leaves to pile up against the house. Left long enough, the leaves will rot and cause the wood to decay.

### QUESTIONS AND ANSWERS

Q. The putty holding my window panes has cracked. Will a coat of paint recondition the putty?

A. You should have new putty. Be sure and paint the new putty.

**YANKEES WIN WORLD SERIES**

NEW YORK.—A general view of the fourth game of the World Series baseball between the New York Yankees and the Chicago Cubs, and of the crowd which witnessed the contest, at the Yankee Stadium here Sunday when the Yankees won the Series.

**Health Program Feature At Meet Of Woman's Club**

Mrs. Joe Pierce was hostess to the Ozona Woman's club Tuesday afternoon for a health program under the direction of Mrs. George Bean. Mrs. A. C. Hoover told of the Federated clubs' efforts toward peace and Mrs. Evert White gave a review of Alexis Carrell's "Men, the Unknown." Mrs. H. B. Tandy sang two songs to the accompaniment of Miss Ruth Graydon.

Other members present were Mrs. Ira Carson, Mrs. Carl Colwick, Mrs. A. E. Deland, Mrs. N. W. Graham, Miss Elizabeth Fussell, Mrs. J. W. Henderson, Mrs. B. B. Ingham, Mrs. George Montgomery, Mrs. Stephen Penner, Mrs. Scott Peters, Mrs. Chandler and Mrs. W. E. Smith.

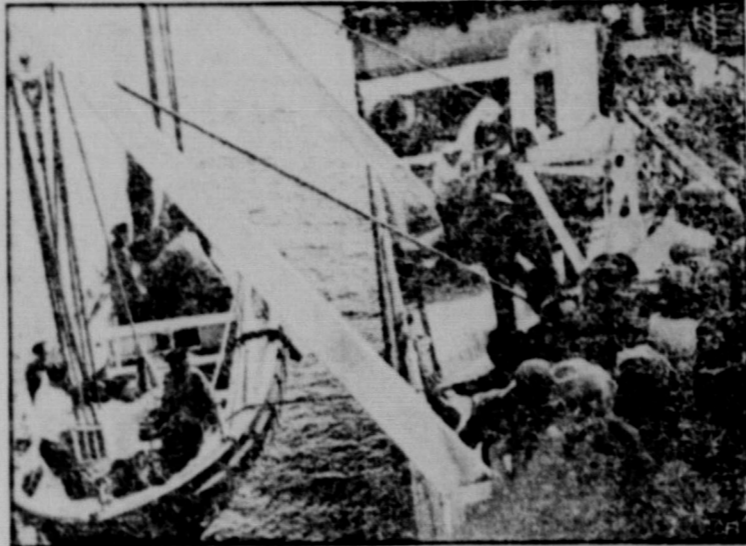

**Nationwide Dealer Conventions View Chevrolet For 1939**

The fact that increased sales spell an increase in gainful employment has received heavy stress this past year. Chevrolet is going a step further and demonstrating that even the preparations for selling, if conducted on Chevrolet's scale, can put thousands of people to work, create vast demand for commodities, and spread economic benefits of the most tangible kind. For between October 6 and October 14, Chevrolet is holding a dealer preview "convention" of 80,000 persons, climaxed with a banquet at which that number will be served.

The meetings will be nationwide in scope. They will be held in 42 principal cities. Chevrolet dealers, their retail salesmen and other members of their organization will attend. Since the average number at each meeting will be nearly 2,000, this will necessitate engagement of the largest banquet place at each point. The event will rate, in many cities, as the largest undertaking of its sort on the local records, just as the overall project probably exceeds in size anything in the annals of business.

The purpose of the convention is to present to the retail organiza-

**A Rescue In Mid-Ocean**

This dramatic scene was photographed after the rescue of Mrs. Martha Bach, 37, by the lifeboat crew of the S. S. Deutschland, when she attempted suicide by leaping overboard in mid-Atlantic. Mrs. Bach recovered. A sailor is seen holding her in the after end of the lifeboat in the photograph.

tion Chevrolet's new passenger cars for 1939, which are scheduled for public announcement Oct. 22. Central office executives, aided by field wholesale personnel, will make the presentation, and lay before dealers the company's plans for advertising and selling the product during the months to come.

Big Lake is host to our quarterly zone meeting on Friday of this week. A very challenging program has been planned. A good delegation of our ladies are planning to go. If you will take your car, or should you desire transportation, please communicate with Mrs. L. B. Cox, Jr.

This Sunday is the last Sunday in the conference year. Let us try to make it a day of rich spiritual experiences and warm christian fellowship. Plan to attend all the

services of the church this Sunday! The pastor will go to San Antonio on October 19 to attend the annual conference. At this time reports for the year now closing will be heard, plans for the new year will be made, and the appointment of preachers for the new year will be read. The conference will continue through Sunday, October 23. A number of our people should plan to attend some of the sessions.

**TINY GLOBE-TROTTER**

Margit Elizabeth Mary Tempke, just three years old, poses for photographers at New York on her arrival all by herself from Finland, where she visited her grandparents for a year. She is on her way to Montreal, Canada, where her parents live.

**SETS ARCTIC MARK**

Louise A. Boyd, California woman and leader of the Boyd Arctic expedition, who reports that in this year's Arctic survey she went by ship up the East Greenland coast to a point farther north than any American had gone. The American Geographical society will chart the photographic and geological data obtained by the Boyd expedition.

**BIRTHDAY LUNCHEON**

Crystele Carson celebrated her seventeenth birthday with a luncheon at her home, Sunday. Covers were laid for Bille Jean Linthicum, Mary Alice Smith, Mary Louise Harvick, Mary Frances West, Posey Baggett, Betty Lou Coates, Doris Bunger and Eloise Carson.

Mr. and Mrs. E. S. Kelley and Peggy Dobbs, of Crane, Texas, were here Friday visiting with their sister and sister-in-law, Miss Thelma Dobbs. They will continue to San Antonio where they will make their home.

**VISIT IN IOWA**

Judge and Mrs. Charles E. Davidson left Monday by auto for a visit in Winfield, Iowa, with their son-in-law and daughter, Mr. and Mrs. Bill Grimmer.

Mrs. Mark Rogers of Mayfield, Ky., returned to her home Monday after a visit here with her brother, C. C. Luther, and family.

Mr. and Mrs. Henry Fulton and Mr. and Mrs. Ed Bittermore of Corpus Christi spent Sunday night here as guests of Mr. and Mrs. A. W. Jones. They were on their way home after a visit in Arizona and Colorado.

Mrs. Joe Oberkamp was hostess to the Friday Bridge club last week.

Beverly and Eleanor Westbro of San Angelo are the guests of Mr. and Mrs. Joe Clayton this week.

Mrs. Mae Gray was a business visitor to San Angelo Monday.

"Did you ever see a company of women who were perfectly silent?"

"Yes, once when some one had asked which of those present was the oldest."

*"Now you'll see something!"*
