Miss Eloise Carson Becomes Bride of Lt. William R. Clegg in Impressive Church Ceremony Here Saturday

Miss Eloise Carson, daughter of Mr. and Mrs. Ira M. Carson of Ozona, became the bride of Lt. William R. Clegg of East Providence, R. I., in a ceremony performed at 4 o'clock Saturday afternoon in the First Baptist Church here. The Rev. Clyde Childers officiated at the double ring ceremony.

Baskets of white gladioli, white candelabra and clusters of tall white tapers and greenery, decorated the church.

Miss Mary Lucille Carson of Kerrville, cousin of the bride, played the wedding music. She also accompanied Miss Martha Davenport of Uvalde, solo violinist, who played "Because" and "Oh, Promise Me."

The bride, given in marriage by her father, wore a wedding dress of slipper satin designed with sheer yoke of illusion outlined with a design of seed pearls, long pointed sleeves, and fitted bodice that buttoned down the back. The full bouffant skirt ended in a long train. Her full-length veil was of imported illusion and was held to the head with a coronet of seed pearls. She carried a bouquet of orchids and white carnations.

Mrs. James Childress, sister of the bride, was matron of honor. Her dress was of ice blue taffeta with sweetheart neckline, tight bodice, and full skirt. She carried a bouquet fashioned of deep pink carnations and puffs of pink tulle.

The bridesmaids were Misses Billie Joe West, Mary Alyce Smith, Johnnye Boyd of San Angelo, and Joyce West. Miss Ann West was junior bridesmaid. They were dressed the same as the matron of honor and carried deep pink bouquets. The flower girl was Kay Carson and her dress was of pink brocaded taffeta.

Lt. Robert E. Carson served as best man and the ushers were Lt. James Dunn, Lt. Frank Wahlstrom, Lt. Robert Hudson, and James Childress.

Following the ceremony a reception was held at the home of the bride's parents.

The couple was assisted in receiving by the bride's mother, the matron of honor, bridesmaids, Miss Lucille Carson and Miss Martha Davenport.

The home was decorated with white gladioli and white asters. Mrs. W. E. West was at the door, and Miss Tincy Kirby of Dallas was at the bride's book. The table was centered with a three-tiered wedding cake topped with a miniature bride and bridegroom. White satin streamers connected it with wedding ring cakes at each end. Serving in the dining room were Mrs. Massie West, Mrs. Clyde Childers, Mrs. Wayne West, Miss Mary Frances Bean, Mrs. Milton Dreyer and Mrs. Larry Albers.

Ele Bright Baggett, was here this week for a visit with his parents, Mr. and Mrs. E. B. Baggett, Jr.

MRS. WILLIAM R. CLEGG

Lt. and Mrs. Clegg left for a wedding trip to Rhode Island by plane. For traveling the bride wore a gray blue suit trimmed in blue fox, black accessories, and an orchid corsage. They will make their home in San Angelo, where Lt. Clegg is a bombardier instructor.

The last pre-nuptial party for the honored couple was a rehearsal breakfast given by Mr. and Mrs. Ira Carson at their home Saturday morning. Those seated for breakfast were Miss Johnnye Boyd, Miss Tincy Kirby, Miss Toots Smith, Miss Joyce West, Mrs. James Childress, Miss Martha Davenport, Miss Billy Jo West, Miss Mary Lucille Carson, Miss Ann West, Miss Mary Frances Bean, Rev. Clyde Childers, James Childress, Lt. James Dunn, Lt. Frank Wahlstrom, Lt. Robert Hudson, Lt. Robert Carson and the bridal couple.

11,000,000 post-war plans

GET IT OVER WITH. Get back home. Get a job! This is what our fighting men are thinking and talking about.

First—victory. Next—nail down the peace. Then they want to throw off the rigid regimentation of military life—and not run into the same sort of regimentation back home.

They want to set out for themselves, as Americans always have... to use their own heads and hands in fashioning their own destiny.

A job and an opportunity—in the American system of free enterprise. This is the post-war plan of men in uniform.

Government can't be expected to carry out these plans. It's up to every one of us at home to see that they're fulfilled—eleven million times.

We will do our part.

# THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

VOLUME 9 OZONA, TEXAS, THURSDAY OCT. 19, 1944 NO. 21

**FROM THE MAIL BOX:**

S.M.U.  
Thurs. Morn  
Dear Lions Roar,

Last week I saw the letter from Margaret Russell, and I thought I had better drop a line to you and tell you how proud of the school I am.

First, congratulations to all the members of the football team. Undeclared so far, that's the ticket. Last Sat. morn when I read the score Ozona 6 - Mason 0, I let out a squall that raised the roof off of the Mustang Drug Store. That's the best news I've heard. I would have given my arm to have been there and played once again for Purple and Gold. High school days know the Mason game was a tough one, but the Lions came out on top and that's what matters. Keep up the good work. Listen to Coach Sikes, and take one game at a time, and we'll have that gold football in our trophy case from now on. Good Luck. I'll be rooting for you each Saturday.

Also my congratulations to the Lion's Roar Staff. It's the first thing I read when I get the Stockman. Keep up the good work. You're doing a swell job. Keep that school spirit up because that 12th man means the difference between victory and defeat in many a game.

I must stop and make a Spanish Class. Hope to see you all soon. If any of you come to Dallas, don't forget to come out to see me.

Good Luck,  
Bud

**O.H.S. ABROAD AND WHEREABOUTS**

A recent letter from Jimmy Farr brings news of Dan Gerdes. Dan graduated in '41 with Mustard and Boochie. Jimmy has earned his first class rating now.

And speaking of Boochie—he is still seeing a lot of the North Country, and he doesn't like any of it. The thing that he dislikes most about the Aleutians is the fact that there are no trees. Of course the wind, the rain, and the snow run a close second in his list of "pet peeves."

Going to the other extreme, Roy, in the South Pacific, writes that he would like a bottle of cool Texas air sent to him on the next boat; the heat is about to get him down. Roy has met with a slight accident, a little matter of losing three or four teeth; but his dentist says that he will fix him up with brand new false ones. He already is being haunted by visions of juicy steaks.

Sug is taking in Madison Square Garden and all the celebrities, including Roy Rogers and one millionnaire. Joy can't bear to miss out on all the excitement so she is joining her soon; so it will again be Joy and Sug, inseparables.

Rozelle Pharr has been nominated as one of the beauties at Texas Tech. They know how to pick them there, too.

Floyd waxes poetic over the English countryside. The good food had counteracted his one spell of seasickness.

Virgil Oden is playing in the regimental band at Camp McCoy, Wisconsin. This is one of the top ranking bands in that area. He thinks that it is fine to be picking away on a French horn but he would still prefer to be tooting in a certain high school band. Wayne West is in that Wisconsin country, too, at Truax Field, Madison.

When Shakespeare said "Parting is such sweet sorrow," he had never told such old friends as the

McDonalds goodbye. All of Ozona are sending their very best wishes to them, but it was with regret that they watched them go.

## Lions Conquer Menard Jackets

As Told by a Player—

Due to two of Menard's star players being out, Ozona limped through to a 19-0 victory over them in Ozona last Saturday. The Lions got the wind the 1st quarter and scored about midway in the quarter. Sweeten carried from about the 4. The extra point was a flat zone pass to Womack.

Neither team scored the 2nd quarter, but Ozona got two penetrations. Ozona kicked with the wind at the half and pushed Menard to their own one yard line on a kick from Read. Menard kicked back and Ozona ran back to the 25. A few minutes later Ozona had 6 points more on a pass to Phillips. The extra point was no good.

The third quarter came in the first of the last quarter with Womack going off tackle for 10 yards and the last score.

This week Ozona plays Junction. Junction, last week, held the Mason Punchers until the last quarter when Mason made 16 points, and won the game.

**SOOOO, I SEZ TO MABEL—!**

19 to 0 isn't a bad score at all, but next week after the Junction game we expect the score to be much higher—Six weeks' exams are over. Some people were relieved but some were very disappointed when the grades came out.

The Sophomores gave a super dance after the game.—Among the couples there were Ann West and Corky, Sue Beasley and Connie, Mugs and Duane, Corinne and Dan, Lillian and Max, and of course, the usuals, Nan and Lowell, Louise and Jimmy, Barbara and Larry, Joe Bean and Dot, Edith Lou and Sammie, Joy Coates and Chappo, and Bennie Gail and Bill Womack. — Several stags were Bill Wilkins, Byrd Phillips, Bill McWilliams, Joe Ross, Mike Friend, Jack Coates, James Chapman, Paul Page etc.—Barbara just couldn't seem to stay away from the bus station Sunday. Could have been 'cause Paul was going back to Eldorado.— Mr. Sikes is still young at heart. He and Mrs. Sikes were gone a noticeably long time at intermission.—Joyce had a birthday Saturday, so she went to the show to celebrate.—Some people think Larry is vicious but Doris doesn't think so.— Louise is wearing Jimmy's basketball again. She says she "won't talk." — Marshall Sweeten was trying to convince

Ruth that he didn't want to dance with a good dancer or a pretty girl; he just wanted to dance with her.— She must have forgiven him though. They seemed right friendly in Study Hall Monday morning.—The Junior Class is really working at these football games. Seniors ought to have a good banquet with all the money they're clearing.—The "crips" are finally back in circulation again. Carlton, Duane, Joe Ross, and Leon have had their casts removed.—Billie Rose Geraldine, Billie Jo, and Patsy certainly get around even with this "man shortage." —Beat Junction!!

**WHAT IF—**

Chappo and Earl didn't enjoy looking at "Vogue"

Lowell could remember to remove his notes from his American History exam?

Mugs hadn't gone to the dance Saturday with Duane?

Benny Gail and Bill Womack didn't take walks from one end of town to the other?

Louise could definitely make up her mind; is you is or is you ain't his baby?

Byrd wasn't known as the "sweater boy" of O.H.S.?

Larry hadn't been very unhappy Saturday night?

Baby hadn't gone with James Friday night and Earl Saturday night?

Doris was as mad at Bill as people seem to think she is?

Barbara hadn't worn Byrd's jacket to make Larry mad? And what if she hadn't succeeded?

Jimmy and Louise hadn't gone

up to the pool to see if there was any water in it?  
Bill McWilliams hadn't been late to class because of Corinne?

## Billy Joe McDonald Given Farewell Party

Billy Joe McDonald, who is moving with his family to Canyon, was honored with a farewell party given by classmates of the ninth grade Sunday afternoon at the home of Mrs. H. B. Tandy.

Games, songs and dancing were enjoyed by the honored guest and Sam Perner, Edith Lou Piner, J. B. Chapman, Ralph Carden, Nelda Spencer, Nat Real, Lillian Schneemann, Buddy Phillips, Kerry Tandy, Mary Kathryn Flowers, Bob Bissett, Jane Augustine, Bernard Lemmons, Joe Bean, Dorothy Ann Bauer, Sandra Augustine, Virginia Sue Stark and Jack Coates, Miss Virginia Sue Craven, class sponsor, was also present and the room mothers, Mrs. Tandy, Mrs. Bill Bauer and Mrs. Walter Augustine.

### There's a Shortage of Copies of The Dallas Morning News—But NOT of Our Desire to Serve!

The crucial shortage of newsprint paper has forced a curtailment of the supply of copies of The Dallas Morning News to our dealers in this county. Only a small part of regular shipments is possible until we are permitted by Government Authority to increase our consumption of newsprint.

Distribution for the present will be made from drug stores and newsstands, unless your agent can arrange otherwise.

We realize, with deep regret, that some of our old-time readers are not able to get copies of The News. We trust they will understand and bear with us while we're making every effort to restore service.

In the meantime, although many patrons will not have The News delivered to them temporarily, their names are still on The Dallas News' Big Book and we look forward to serving them again.

Thank you.

### Menard Falls—

(Continued from Page One)

off when McWilliams intercepted a Menard pass on the 40 in the Menard end of the field. Sweeten took it around end, lateralled to Read and they were good for a first down on the 30. McWilliams tossed one to rangy Byrd Phillips who was downed on the 15. Read on two successive line charges advanced to the one-yard line and Phillips caught a flat zone pass for the marker. A pass to Sweeten failed to connect for the point.

Again in the fourth quarter it was a Lion interception of a Menard aerial that set up the final touchdown. Read snatched a desperate Jacket heave on the visitors' 32 and charged down to the 19. Bill Womack and Ira Yancy took turns to advance the oval to the 8 from where Womack took it in a side-stepping gallop around end for the touchdown. Again an attempted pass for the point failed to connect and the score stood 19-0.

The Lions chalked up 5 penetrations to 1 for Menard and had 15 first-downs to 8 for Menard. To a brilliant and fighting line, with Phillips, Wilkins, Tillery, Word, McDonald, Arledge, Perry and Corbell goes their full share of credit for Saturday's victory—and

previous victories of the season. Menard's 177-pound back, Laning, was a brilliant performer all during the afternoon, but he was stopped at the crucial points by that fighting Lion line.

## POP McCOY IS WORKING ON BORROWED TIME

Pop built up the best Humble Service Station in his neighborhood and he was ready to turn it over to Bud and retire a couple of years ago. But Uncle Sam had other plans. So while Bud takes care of some serious unfinished business in the South Pacific, Pop's taking care of the folks at home.

It's true—most of the help he used to have and some of the products he used to sell have gone off with Bud to help the fight. But, Pop's doing his best. He knows that no matter how old the cars or how worn the tires, doctors, war workers and lots of other essential drivers have to keep going. He figures it's his job to see that they do.

Even if he can't sell you a thing—Pop's always glad to see you. With a cheerful grin he'll wipe your

windshield, check your tires or give you any of the typical services you expect at Humble stations. He's looking forward to the day when Bud will be back to service that streamlined post war model of yours with newer, finer Humble products than you ever had before.

OIL & REFINING COMPANY

Serving your essential war time needs today to hasten your motoring pleasures of tomorrow.

Tetra-ethyl lead, when added to gasoline, raises the octane number of the gasoline and reduces or eliminates motor "ping." But tetra-ethyl lead has recently become a critical war material . . . so critical that the Petroleum Administration for War has directed all refiners of premium grade fuels to limit their production of such gasoline to one-half the amount produced during the six months prior to June 1944. This reduces drastically the amount of premium gasoline available to civilians.

Also in the interest of conserving war-vital tetra-ethyl lead, P. A. W. has directed that less of it be used in the manufacture of all Regular gasoline. Consequently the octane number of this product has been reduced from 72 to 70.

So, if your Humble Station is temporarily out of Esso Extra, or if Humble Regular does not perform in your car like it did in the past, please remember that tetra-ethyl lead is really at war . . . just another of these small sacrifices all of us at home are asked to make in the interest of an earlier Victory.
