NUMBER 32

Local Climax Season with Over Sonora

Locals Win Close Contest, 13-6, for Season's Finale

Coach L. E. T. Sikes and his Ozona High School Lions finished a successful football season on the gridiron Saturday afternoon when they defeated the spirited Bronchos 13-6 in one of the most closely contested and thrilling games of the entire season.

The thrills for the spectators were not slow in coming after the Bronchos got under way with the kicking off to the Bronchos. The Bronchos ran back the Ozona kick to the Ozona 45 yard line to attract the first gasp from the spectators, and then the Sonoras, Bond, Boughton and Chalk, carrying the mail under Quarter Street's able direction, began a march down the field which was destined to be halted on the Ozona one-yard line. Big Boughton, the 170-pound Sonora back, ripped through the Lion line for long gains, three successive first downs bringing the visitors to the Ozona yard line with first and goal to go. The Lions stiffened after the Bronchos yard-gaining and four downs carried the Bronchos to the one and the locals over.

At the biggest thrill of the day a few minutes later when L. Nat Read, Ozona's speedy quarterback cut around the Sonora left end and scattered down the lines, outrunning two pursuing Broncho backfielders for a touchdown of approximately 80 yards. He knocked off stride when he lightly touched in the Sonora's final desperate lunge, down with the ball on the yard line to set up Ozona's touchdown. Bernard Lemmon went through a hole opened by tackle slot by the Ozona guards to cross for the touchdown. Cooke's kick from placement good and Ozona fans breathed a little easier with a 7-0 lead. At that elation was short-lived the Bronchos went to work after receiving the Lion kick after touchdown and again to the one yard line, where the Lions, this time by cashing in on Broncho fumble, staved off a touchdown threat. The Lions led out of bounds on their own

sorting to long passes in an attempt to overcome the goal-line. Chalk heaved a long one to Boughton, who took it on the ten yard line. The play was called back by the referee and Sonora penalized 15 yards for using hands on offense. Boughton having shoved Ozona's center, Bufford, out of the line to aerial to stave off an almost certain interception. This set-back led the scoring threat for the half.

At the beginning of the third quarter, the Bronchos cashed in on their first fumble of the day, at recovering on the Ozona yard line the visitors uncorked a well-passing attack then which was carried over for the Ozona touchdown, a 25-yard drive over the goal line, Chalk to McIntyre, being good for six yards. An extra point failed and the Bronchos were up one point.

The Lions countered in the same quarter with a second touchdown on a 62-yard march down the field receiving the Sonora kick. Wilkins, Read and Lemmons lined up with a hard-charging drive, rip off consistent gains in the plays, Read turning in a beautiful jaunt around end from the Bronchos' backfield for the touchdown. Cooke's kick was blocked and the score 13-6.

The anxiety was not over for the Ozona players and supporters, until the last seconds of the game when the Lions get control and from under the Broncho score. The Sonoras, taking all on their own 20, midway through the final quarter, after an Ozona punt had rolled over the goal line to the Ozona 12 in a continued (On Last Page)

University Bible Chair Director in Lecture Series Here

Dr. C. W. Hall, director of the Wesley Bible Chair, University of Texas, at Austin, will be heard in a series of Bible lectures at the Ozona Methodist Church beginning next Sunday morning and continuing through Tuesday evening, Rev. A. A. Carter, pastor, announced this week.

Dr. Hall will speak at the regular church service Sunday morning at 11 o'clock at the high school and Sunday evening at 7:30 o'clock at the Methodist Center. Monday and Tuesday he will be heard at 10 a. m. and again at 7:30 p. m. each day. All members and friends of the church are invited to hear Dr. Hall.

Nov. 21 Deadline for Re-Enlistments with Former Rating Held

Deadline of November 21st has been set for re-enlistment in the regular army of all men who were discharged between May 12, 1945 and November 1, 1945, who desire to maintain their former rating. They will also receive the re-enlistment bonus of \$50 per year for every year of service if the enlistment becomes effective within ninety days after discharge.

Men discharged from the army after November 1st will have a period of twenty days from date of discharge to re-enlist and receive their rating and re-enlistment allowances. Full details may be obtained at the Recruiting Office, Federal Bldg., San Angelo.

Discharged servicemen: To retain your rating, re-enlist in the regular army before November 21. Remember that date. See the recruiters at the San Angelo Federal Building, Room 320, for further details.

Sister of Mrs. Harry Friend Dies in San Angelo; Funeral Wed.

Funeral services for Mrs. Norman Maier, 51, a sister of Mrs. Harry Friend of Ozona, who died Tuesday in San Angelo after a long illness, were held from Robert Massie Funeral Home at 4 o'clock Wednesday afternoon. The Rev. B. O. Wood officiated at the services and burial was in Fairmount Cemetery.

An only son, Norman Maier, Jr., is believed on his way home from Okinawa, a furlough having been granted him October 23. Other survivors are the husband, and the mother, Mrs. Lizzie Young of Alpine, two sisters, two brothers and one granddaughter. Mrs. Maier's father, the late John Young, an early-day Crockett county resident and county treasurer for many years, wrote The Vaquero, a book dealing with the early-day history of the Big Bend area.

Pallbearers were Dick Nasworthy, W. E. Kimrey, Don Brewer, S. J. Landon, Ed Schuch, L. W. Wood, E. O. McHaffay, R. O. Sheffield and C. P. Joiner.

New Dry Goods Store to Open In Perner Bldg.

J. L. Ratliff of Eldorado to Establish 4th Branch Here

Ozona will have a new dry goods and clothing store by December 1 or shortly after.

J. L. Ratliff of Eldorado, operator of stores in Eldorado, Sonora and Rocksprings, has leased the Stephen Perner building next to Ozona Drug Store and plans to open his fourth store as soon as he can get possession of the building and install fixtures and stock.

No announcement has been made of the management of the local store. It will carry a general line of dry goods and clothing. The Perner building has been used during the war years for storage of wools by the Ozona Wool & Mohair Co. It is to be vacated soon and the building refinished in readiness for the opening of the new business.

Aviation Group To Meet Friday Night at Hotel

Future of Airport and NAA Chapter to Be Discussed

Ozona citizens who are interested in aviation as it affects the future of the community are invited to attend a meeting to be held in the coffee shop of the Hotel Ozona at 7:30 Friday evening when the matter will be discussed.

Future status of the Ozona airport, now maintained by the county on land leased from Mrs. S. E. Couch of San Angelo, will be among the principal matters up for discussion.

The Commissioners Court of Crockett county has had under advisement a plan to purchase the land now under lease for the airport use, with a view to the establishment sometime in the future of airport facilities commensurate with the needs of post-war aviation development.

Whether the airport should be leased to an individual for operation as a business venture or maintained by the county as a public facility will be one of the questions to be debated at the meeting of interested citizens here Friday evening. The Commissioners court has asked for a sounding of public opinion on the question so that when the issue comes before it, it can be decided in the light of knowledge of the wishes of the people.

Possible organization of a local chapter of the national Aeronautical Association, as a means of lending support to that organization's program for promotion of aviation in the public interest rather than for profit of the airlines, may also come up for discussion at the Friday night meeting.

A cordial invitation is extended to all Ozona citizens to attend the meeting at 7:30 Friday evening, Hotel Ozona.

San Francisco Charter Explained At Rotary Meeting

Provisions of the United Nations Charter framed and written at the San Francisco conference were outlined in an interesting talk before the Ozona Rotary Club at its Tuesday luncheon by County Judge Houston Smith.

The charter stresses the rights of people, the speaker said, and seeks to guard against the principal cause of war, a clash between those who have and those who have not. Judge Smith explained the organization and functions of the various divisions of the organization, including the general assembly, where international disputes and questions are to be debated; the security council, seat of the real power of the organization; the trusteeship committee; the court of international justice and the secretariat.

The charter may be one of the greatest of human documents, Judge Smith declared, or it may be one of the world's most colossal failures, depending on the degree of earnestness with which peoples of the earth want peace.

Moore Stakes Hoover Location

John I. Moore has staked location in western Crockett county for No. 1 A. C. Hoover, 330 feet out of the northwest corner of section 16-Bk. 1-GC&SF. The scheduled 3,000-foot, cable tool test is due to start at once.

No. 1 Hoover will be 1,500 feet west of Moore No. 1 Amerada-Shannon, one mile east of the Shannon pool, which recently shut down at 2,385 feet in lime with 500 feet of oil in the hole.

Amerada filed application for a permit to drill No. 4-B J. S. Todd estate in the Todd Deep field in Crockett county, 660 from the south, 1980 feet from the east line of section 26-WX-GC&SF. The proposed 6,100-foot, rotary operation is due to start at once. It will be 1,320 feet west of No. 2 Todd.

Two-Days Roping Scheduled Saturday And Sunday Here

Some of West Texas' and the nation's top roping talent again will be seen in action by Ozona fans next Saturday and Sunday when a two-day roping slate will be staged under the direction of local enthusiasts.

Saturday afternoon, the Joe Davidson headquarters ranch, 18 miles south of Ozona, will be the scene of a spirited program of Jack-pot and matched ropings. The program will get under way at 2 o'clock, with a string of Davidson's Hereford calves in the pens ready for the chutes.

The matches will be continued Sunday afternoon in the fair grounds arena here, under sponsorship of the Ozona Roping Club. The club's string of Brahma calves will be available for the Sunday show, also slated to get under way at 2 p. m.

Miss Rachel Schrader, who served 29 months in England as a sergeant in the WAC, attached to the Eighth Air Force, was here last week for a visit with her sister, Mrs. J. W. Henderson, Miss Schrader was recently discharged from the service. Mrs. Henderson also had as guests her brother-in-law and sister, Mr. and Mrs. Hilton Hensley of Dallas, and Mrs. Lillian Shirley, Dallas, a friend of Miss Schrader's. Miss Schrader is employed in the offices of the Collector of Internal Revenue at Dallas.

Lt. and Mrs. Hiram Brown and daughter, Sue are expected to arrive here this week from Utah for a visit with Mrs. Brown's parents, Mr. and Mrs. Monroe Bargett. Lt. Brown, U. S. Navy, has recently returned to the States after duty in the South Pacific.

TSGRA Annual Meet Dec. 10-11 In San Antonio

Industry Problems to Be Aired in 30th Convention

The Texas Sheep and Goat Raisers' Association, the state's largest livestock organization, will hold its 30th Annual Convention, December 10 and 11 in San Antonio, Texas. An estimated 600 wool and mohair growers are expected to attend.

Ray Willoughby, San Angelo ranchman and president of the Association, has announced a tentative program for the meeting. Members will be welcomed to San Antonio, Monday morning, December 10, by Gus Mauermann, Mayor of the City. This will be followed by reports of the Association's officers, on the organizations various activities for the past year.

Governor Coke R. Stevenson is scheduled to address the meeting during the morning. Willoughby said there was a possibility that the Hon. Joseph C. O'Mahoney, Senator of Wyoming and Chairman of the U. S. Senate Wool Investigating Committee, may also appear.

Topics relating to wool and mohair problems will be discussed by Sam C. Lukens, mohair authority of the Collins and Aikman Corporation, Bristol, Rhode Island; J. B. Wilson, secretary of the Wyoming Wool Growers Association, and a representative of the Commodity Credit Corporation, Washington. D. C. Range and livestock production practices will be covered by B. W. Allred, Soil Conservation Service, Ft. Worth, Dr. H. E. Parish of the Southwestern DDT Corporation, Dallas, and Drs. I. B. Boughton and Charles Koberg, veterinarians.

Other already scheduled speakers include Garland Russell, head of the lamb department of Swift and Company, Chicago, Ill., J. M. Jones, secretary of the National Wool Growers Association, Salt Lake City, Utah; and Rilea Doe, vice president of Safeway Stores, Oakland, California.

Willoughby urges all growers from Ozona and the surrounding territory to attend the meeting.

Raise in School Maintenance Rate To Be Proposed

Increased Costs and Expansion Needs Necessitate Hike

Crockett county voters will have an opportunity sometime within the next few months to determine whether or not the school maintenance tax is to be raised in this county to meet the mounting costs of operating and maintaining Ozona's fine public school system.

Conclusion that the issue must be faced and the additional tax levied next year as a means of retiring a debt of approximately \$30,000 which has accumulated in recent years and of meeting the added costs of an expanded system was reached at a joint meeting of the Commissioners Court and the school board Monday morning and at a further discussion of the matter at a meeting of the school board Tuesday night.

The proposal that the school maintenance tax be raised from the present 50 cents on the \$100 valuation to \$1 will be made at the election, which the Commissioners Court will call on petition of 20 qualified voters. The maximum rate which may be levied is \$1.50 on the \$100 valuation.

An addition to the Latin-American school, made necessary by a steady growth in enrollment in the school, will be necessary another year, school board and county officials point out, and provision must be made for proper housing for teachers. The Gilbert home, adjoining school property across the street east of the high school building, was purchased by the school board recently and it, together with the two houses already owned for school purposes, will be used for teacher quarters, but still more housing will be needed to relieve the shortage and assure teachers comfortable quarters.

Mrs. Stokes Reviews Hilton Novel for Junior Woman's Club

Miss Wanda Watson was hostess to the Ozona Junior Woman's Club at its regular meeting last Thursday.

Club members present enjoyed an especial treat, a review of James Hilton's latest novel, "So, Well Remembered" by Mrs. W. T. Stokes. The novel is an interesting study in the development of personalities during the period of stress and catastrophe following World War I and continuing into the early years of World War II.

Present were Mrs. T. J. Bailey, Mrs. W. R. Bissett, Mrs. George Bunker, Mrs. Dempster Jones, Mrs. Jess Marley, Mrs. Arthur Phillips, Mrs. J. S. Pierce, III, Mrs. Joe Ripple, Mrs. W. T. Stokes, Mrs. C. O. Walker and Miss Wanda Watson.

The next meeting of the club will be on November 28 instead of November 22, in the home of Mrs. Arthur Phillips. An interesting and enlightening program on China will be presented by Mrs. Joe Clayton, Mrs. T. J. Bailey, Mrs. Hugh Childress, Jr., and Mrs. James Childress, with Mrs. C. O. Walker as leader for the day.

NEW GARAGE BUILDING

Frank James, sheriff and owner of the local Dodge and Plymouth agency, has started construction of a new garage building on the lot he recently purchased from Dr. J. A. Fussell at the east end of Johnson Draw bridge on Highway 290. The building is to be of tile and concrete.

Roy Coates, son of Mr. and Mrs. Fleet Coates, who saw some of the toughest action in which the U. S. Pacific fleet participated against the Japs as a hospital apprentice in the Navy, and L. E. (Bud) Cox, son of Mr. and Mrs. L. B. Cox, Jr., who served with the Army Air Force, are among Ozona service men returning to civilian life via the honorable discharge route.

Cpl. Charles Williams left today for his new station at an Army air field in Nebraska.

Athey Assault Trial Delayed To December 20

Defense Attorneys Ask Delay for Time To Study Facts

Trial of W. B. Athey, charged with assault and rape on a 3-year-old girl at McCamey, transferred here on a change of venue, was set for December 20 here Monday when District Judge J. B. Randolph granted a defense motion for continuance.

The regular jury panel of 36 men, summoned for the regular fall term of court, plus a special venire of 64 men, had been summoned as prospective jurors in the case. Members of the special venire were dismissed and the regular panel ordered to report on the new trial date, Thursday, December 20.

Garland Casebier of Fort Stockton and Houston Smith of Ozona were named by Judge Randolph to conduct Athey's defense. Their motion for continuance, filed when the case was called for trial in district court here Monday morning, was based on the contention that they had not had sufficient time since their appointment to familiarize themselves with the facts in the case and to prepare any defense that might be raised by the facts.

Indication that the defense may hinge on the defendant's mental status, was given in the continuance motion which contended further that the attorneys appointed to defend Athey "had not had time to have the defendant observed by one competent to judge his mental status."

Hart Johnson of Fort Stockton, 112th district attorney, was here to represent the state in the trial. An adjourned session of the fall term grand jury was charged by Judge Randolph at 9 o'clock Monday morning and investigated a charge of burglary and theft against Chas. Hobbs, held by local officers in connection with the theft of articles of clothing and other items from various persons renting rooms at the home of Mrs. Andy Nelson.

No indictment was returned against Hobbs by the grand jury, however, and he pleaded guilty to charges of drunkenness and disturbing the peace and paid fines totalling \$28 in justice court.

Three Crucial Games In Southwest Loop On Saturday Schedule

Humble announcers will be kept busy Saturday afternoon bringing football fans the description of three crucial Southwest Conference clashes as well as a top intersectional tilt.

"IS THAT IN THE RULE BOOK?"

Whether it's football or business, Americans expect fair play all down the line.

In football, the referee is there to see that the game is played according to the rules. But he's not supposed to run with the ball. In business, the referee is the government, which establishes regulations and fair practices.

But when government goes into business and competes with its own citizens, the American tradition of fair play is set aside. The referee then becomes a player, and he enjoys advantages that are denied to all the other players in the game.

Government-owned electric power systems, for example, pay no taxes. When they need capital, they get your tax money at little or no interest from the U. S. Treasury. To cover operating losses—an accepted political condition—you, as a taxpayer, will take care of that.

Business-managed power systems—unlike tax subsidized political methods—do not have these special privileges. They are not tax dodgers, they pay their full share of taxes, pay fair interest on public loans. Fortunately for you and your tax bill, over 80 per cent of all the electric power in this country is produced by tax-paying, self-supporting electric companies, owned and operated by several million folks like you.

FOOTBALL FROM THE INSIDE

The 1945 football season of the Ozona Lions had a victorious fi- de with the 13-6 defeat of the aditional foe, Sonora.

The visitor opened up with a vi- gous attack which took them un- der the shadows of the Lions' goal- ets. They lost the ball on a m- ble and Yancy kicked out of ight spot from behind his own al line. The Lions then gained ssession of the ball and Nat- and slipped loose for the longest n of this season — about sixty rds. He fell just short of pay- t, however, and left it up to his ss-mate, Bernard Lemmons, to rry it over. Cooke's conversion s, as usual, perfect.

After the kick-off, the visitors m Sonora again came within ring range, but the Lions held m.

Then in the second quarter, Nat- ad again broke loose, this time the way. Cooke's kick was cked.

The visitors then opened up a ssing attack which carried them rross for six points. Their try r conversion failed and that was the illgame so far as score was con- rned.

It wasn't the ballgame, however. p until the last whistle both- ans were playing football to re- mber.

Four seniors were playing their at game for Ozona High School. on't be easy to forget the call- e of football they played and it n't be very easy to get along

without them next year either. The leaders and pacemakers of the Ozona Lions of 1945 were: Co-captains of the year, Carlton Smith and "Big Bill" Wilkins; and Joe Corbell and Charles Ratliff.

This is the end of the Ozona Li- ons of 1945, but now we're looking forward to a bigger and better post-war season. Let's hope that the Ozona Lions of 1946 will pass all previous standards, including those set this year.

"SWING-OUT"

The Senior Class, sponsored by the room mothers, Mrs. C. E. Davidson, Jr., and Mrs. H. M. Phillips entertained the pep squad and ball club with a "goony" dance Saturday night in the small, but fully packed ball room.

Some of the gruesome twosomes were: Charlie Boy and Mary K., Benny Gail and Sam, Sue B. and Max, Sue M. and Lin, Corinne and Nat, Muggs and Mike, Jo Nell and Richard R., Baby and Carlton and Ann and Bill.

Sandwiches, cookies and punch were downed by the hungry doz- ens and fun was had by all. So, thanks again for the wonderful dance, Seniors!!!

IT'S OVER

The drums lie idle in room 120; the football has been packed a- way, but still on every corner and step one can hear, "Say, do you remember that pass at Menard?" or "Gee, we really did some snap- py right obliques."

Yes, the football season may be over but the talk changes to some- thing like this: "I wonder if I can make first string basketball?" or "How I wish I could volley hard- er." It is this spirit which makes O. H. S. the fightingest school in any district.

The season may be over but the Lions spirit lingers on to lead us from one victorious period to an- other.

REFLECTIONS OF A NOVICE ON SPORTS

What? No "one-two-three-four, one-two-three-four" this week, boys? Honestly, it does seem strange to see our athletic pachy- derms (to steal one of Blondie Cross' favorite terms) running a- round in the halls munching on cookies when it has been only a few minutes since they tucked a-

way hearty breakfasts at home. But then who am I to say that growing boys can't get hungry all over again in a few seconds flat? All of which goes to prove that kicking that illusive little pigskin around a 100 yard field is now terminated for this season. Does that thought make you sad? Well, cheer up, chum, because we have encouraging news from Coach L.

B. T. himself, who will give the go-ahead signal for basketball training just as soon as everyone has recuperated from his Thanks- giving stuffing. And anyhow, what's football got that basketball hasn't more of? The ball is bigger and it's spheri-

cal, so that, if one's eyes aren't too defective, one can tell who has it and where — which is more than can be said for that baffling oval of the gridiron. Then too, the basketball seems to have more re- liable characteristics than the (Continued on Page Five)

It's Big-It's Beautiful-It's BUICK

THIS, we reasoned, is no time to offer folks a car that stops with artful face-lifting.

It has been nearly four years since our last new Buick was built — it wouldn't be shooting square now to give you less than our honor-bright best.

So we overhauled our whole factory to advantage it with the latest in war-developed machines and processes.

We scoured the country for the stoutest metals anyone can buy today.

We set ourselves precisions

that in some cases exceed those of aircraft engine production.

And we eagle-eyed every one of this Buick's 12,000 parts to see if it could be bettered in any way, big or little.

The result is that through every stunning inch of this bright new honey runs solid, dependable Buick character, honest and uncompromised.

It's in swift clean lines. In seats that are three-persons wide. In stout, time-defying frames and underpinning. Above all — in the lift and life of a Fireball

straight-eight that's even livelier than in 1942.

The cars your Buick dealer will have are big. They're beautiful. They're Buicks.

In fact — the best Buicks yet!

ENGLISH BOY WANTS 'PEN-PALS' IN OZONA

Wanted: Girl between 15 and 17 years of age in Ozona who wants to be a "pen-pal" to a 17-year-old boy in Manchester, England!

Addressed to: "The Mayor of Leading Citizen, Ozona, Texas, U. S. A.," comes the following letter from Eric A. Warren, 3 Kirk Rd., Levenshulme, Manchester, England, under date of 20 October, 1945:

"Dear Sir: I hope you won't be too annoyed with me for troubling you over such a small matter, but I will explain.

Whilst I was at high school, I tried to get a "pen-pal" but was so messed about by the red tape binding the school society that I decided to wait until I left, then try for myself. If you could assist me to contact a girl between 15 & 17 years of age, I would be greatly obliged. I am 17.

"Apologizing again for any inconvenience I cause, I remain in any case

Your obedient servant,
Eric A. Warren

There it is girls, the name and address. The envelope in which the letter came is embossed with a coat of arms — "Borough Treasurer" in the outer circle and "Corporation of Bury" in an inner circle, with a Latin inscription at the bottom.

"STATIC"

Carlton has a Motto about a certain subject. It seems he uses, "You can fool some of the people all the time but you can't fool all the people some of the time." To what or whom does this refer, we wonder.

Why the frown, Gordon? Well, it seems that Dale seems to think that she has to put her O. K. on all his notes, even if they are addressed to other girls. Really, Dale, grow up!

"What is 'it' that makes a certain Sophomore girl turn scarlet when a Senior boy calls her a certain name — name shall we say?

We have a bride-to-be in our midst . . . Well, it's food for thought, anyway, isn't it?

Some data on the O. H. S. is: Jimmy and Byrd were trying to see a way clear to see the S. M. U. and T. U. game. It seems that besides being "rivals" there's a certain blonde bomb shell — namely Jean Young who further complicates matters.

Joyce and Barbara are now pledges of Kappa Kappa Gamma sorority. Congratulations, girls!!!

Lowell, I'm afraid isn't heard from anymore than Nan, Louise or Ruth. But Dilly says that Lowell has done a quick change and after all, she should know. Incidentally, she will be home around the 29th with the rest of the Tech kids.

Lefty Womack seems to be do-

ing all the good at Tech. From all reports he is doing a lot of "studying."

Just who did Joyce receive a dozen and a half American Beauty roses from the other day? It could have been that old flame — Bill McWilliams!! Well, Joyce!!

Lin seems to be quite a ladies man lately. Well-l-l-l Lin!

When did Gordon develop that accent? What kind? How should we know — It's indescribable!

Why do some people keep singing "Kiss Me Once and Kiss Me Twice???" "We" don't take hints very well, girls!

Have any of you noticed what blonde beauties there are in the Junior class? Dixie and Patsy seem to have all the luck!

There is an old saying: 'All things must come to an end! Well, so must even this —'

BEDLAM AT NOON

How peaceful and quiet O. H. S. must seem to the casual passerby. The birds are singing, the sun is

shining softly down, and the breezes are gently blowing but little do they know what hungry faces stalk the floors.

It is getting near twelve o'clock and the stomachs of O. H. S. are growling. Suddenly the bell rings! It is at once as if a thunder storm had burst forth. In an instant purple and yellow cars, red cars, about fifty (more or less) motor scooters, "kids," and yes, even teachers are tearing, darting, running and screaming in all directions. No longer is there the cool and calm of the forenoon.

There are the feathers of one of the birds that didn't escape the screaming avalanche. Then, almost as quickly as it came, the turmoil is gone. Where? Down to the drug store, the cafe, over to "Laura's."

DID YOU KNOW THAT

Ozona beat Sonora 13 to 6? — Nat is now known as "Red"? — Seems that he sees red — (red jalousies) often. — Jo Nell's Char-

lie finally arrived — though we hear he nearly didn't make it? — Bud Cox and Roy Coates are "Misters" again? Welcome home boys! — Red Harrison doesn't have a glass eye after all? — Charlie Boy took Mary K. to the dance? — "Kerry!!! — Baby had a terrible time deciding with whom she would go to the dance? — or rather the boys had trouble deciding which one would take her. First it was Bernard, then it was Kerry, but low 'n' behold, as usual, she was at the dance with Carlton. — Mercy, what a girl! — Something seems to be very interesting at the Fair Grounds? tells us. Speaking of Joe Ross he certainly gave Corinne's guest, Mary Ann Butz, a rush. Corinne had three more guests: Joan Slaughter, Dorband, Barton and Richard Reeves. She really entertained them 'specially Richard! — Sue was with drool bait Kelly Amthor, Sunday night? — Other visitors in our fair city were Doris and Joe Bean, Jackie Friend and Bobbie Payne? — As usual "Be" and Sam, Corinne and Nat, Ann and Bill, Sue M. and Lin, Lillian and Bob, Jane and Buddy Pr., and Rossie and Jack were at the dance? — At last "shrinking violet" Gordon assembled all his nerve and took Dale

Football. One can depend on its pounce, whereas the football, despite excellent kicking, defiantly proceeds on its wayward way. Besides its other admirable characteristics, basketball possesses the added advantage of developing a strong voice along with a strong physique. In what other sport, we ask you, can a man bellow so vociferously and yet not feel foolish?

Now that football season has ended, an unnatural silence pervades the halls of O. H. S. which once echoed to the clatter of trams and marching feet. No longer do we hear Baby shouting to her charges. "Don't you know your right hand from your left? How find your feet!"

New Pontiacs Go On Display Here at Wilson Motor Co.

Motorists of this area are among the first in the nation to see the 1946 Pontiac models when the first shipment by the company of new cars since 1942 arrived here and went on display last Saturday at Wilson Motor Co.

"This area always has been a 'prestige point' in Pontiac's merchandising plans," D. U. Bathrick, general sales manager of Pontiac Motor Division, declared in announcing the shipment. "That is why we are gratified in being able to show production-built models of our 1946 line here before the rest of the country gets a chance to see them."

Each dealer in this area has received one car. This policy is being carried out throughout the rest of the country by Pontiac in the interest of fairness. More cars will be shipped as soon as each of

the approximately 3,000 Pontiac dealers has a 1946 model to display.

A preview look at the new Pontiacs now on display reveals advanced styling which emphasizes a road-hugging appearance and plane-like contours. Dominated by the famed Silver Streak, the frontal appearance commands attention with its massive, flowing beauty, enhanced by a newly designed grille, relocated parking lamps and heavier bumpers extended in a sweeping curve to protect front fender skirts.

"Mechanically," Mr. Bathrick said, "the new Pontiac contains as many functional improvements as have been offered by Pontiac in any model year. All have been completely tested and found desirable. Everything on the car, both inside and out, has been aimed at forwarding Pontiac's reputation for building a fine car capable of giving top-flight yet economical and trouble-free service. The satisfied owner always has been and always will remain our goal."

At present Pontiac production

is concentrated on the two-door Streamliner Sedan-coupe, a popular type introduced by Pontiac in the low price field. Pontiacs again are available in both six and eight cylinder models with a negligible price difference.

The Stylemaster Sport Sedan

The new 1946 model Chevrolet, shown above, is outstanding not only for style-leading design, but for quality in materials and construction, advanced engineering, proved performance, economy and dependability.

Every line and contour emphasizes the massiveness and lowness of the vehicle from front to rear. The new, distinctive radiator grille, shown at the right, presents an expanse of gleaming chrome-plated horizontal bars, framed within a low-arched molding. A model of classic simplicity, it tends to emphasize width as well as lowness.

Mrs. W. E. West provided the program feature of the day, a talk on beautiful and interesting highways of the world. The beautiful paths of Ireland, the oldest highway in Rome, the Biblical roads in the Holy Land, and the romantic highways of France were all described. The roads through Switzerland and in the redwood regions of our own country were the most beautiful in Mrs. West's opinion. A scenic drive out of Mexico City was also described.

Mrs. H. B. Tandy sang a group of songs, "Trees," "The Morning Yesterday," and "The Morning Wind." Mrs. Neal Hannah accompanied Mrs. Tandy.

slashing running and passing attack. They were ahead of the locals in penetrations and first downs, and a touchdown, even without the extra point, would have spelled defeat for the Lions. Lemmons darted in from his defensive half-back position to intercept a Sonora flat zone pass on the ten and the Lions on their own account, then, started the march in the opposite direction, ploughing well up the field as the final whistle ended the thrilling fracas.

The Ozona victory left the Lions in second place in District 4-B final standing. The Eldorado Eagles Saturday defeated the Junction Eagles 12 to 2 to clinch the district championship. They will play the McCamey Badgers for the bi-district title.

Americans Are World Champ Coffee Drinkers

COLLEGE STATION—Like the English and their world-wide reputation for tea drinking, we Americans have earned the coffee consumption championship! Coffee drinking in the U. S. reached a record high last year and may go even higher this year, according to U. S. Department of Agriculture figures.

The annual consumption of coffee in 1935-39 averaged 14 pounds per capita. In 1944 it was up to 16 pounds, and so far this year it appears to be rising still.

Along with the increase in coffee drinking has gone an increased demand for better coffee. The standard today is a good 8-ounce cup — with short brewing. Such coffee calls for precise methods of making, so many new kinds of coffee makers have come on the market in recent years.

The Virginia Experiment Station recently tested 15 of these newer coffee makers. The types tested were: dripolators, percolators, and vacuum-filters. In the tests, the vacuum-makers scored highest for the quality of beverage, gave the largest measure of beverage, took the least heating time, and were the only makers
