General Election Ballots Ready By End Of Week

Application Filed For Absentee Voting By Date

Ballots in certification of names of candidates to be included on ballot for the General Election to be held Tuesday, Nov. 5, will be ready by the end of this week or first of next week.

While absentee voting was allowed to get under way by the end of this week, however, there are no applications for absentee ballots on file in the office of County and District Clerk George Russell, and absentee voters are expected to be light as usual in general elections. Ballots will be ready by next week for any voter who wishes to vote absentee.

A full slate of Democratic candidates, from United States Senate to precinct constable, plus 14 Republican candidates for U. S. House and various state offices will greet voters in the general election.

In addition to the regular candidates, voters will be called upon to decide the fate of three proposed amendments to the state constitution.

The first amendment on the ballot is a choice of voting for or against authorizing the Legislature to pay for a building already constructed for the Tarleton Agricultural College. The building cost \$75,000, because of insufficient foresight on the part of the last Legislature, another election will be held Nov. 7 to vote on whether to create a veterans' land fund for the purchase of lands in Texas to be sold to World War II veterans who were qualified residents of the state at the time of their discharge into service.

This will be the sole question at the Nov. 7 election.

The second constitutional amendment to be voted on in the Nov. 5 election concerns the question of authorizing the Legislature to provide a retirement, disability and death compensation system for the officers and employees of the state.

This amendment also would authorize counties to provide such benefits for the appointive officers and employees of individual counties.

Generally speaking, the last amendment allocates the gasoline tax money received by the state for the purpose of building and maintaining roads, which would utilize the state highway department financially. One-fourth of the money will continue to go to the school fund, as before.

There are Republican candidates opposing the Democratic candidates for the first 13 places on the ballot, all state officers except that of agriculture commissioner. None of the other Democratic candidates are opposed.

ENTERTAIN JUNIOR TEAM

Mr. and Mrs. T. J. Bailey entertained boys of Coach Gibson's Junior High football squad with a barbecue supper at their home Saturday afternoon. Guests included Billy West, Jerry Carl Lonon, Al Schneemann, Eddie Smith, Morris Pogue, R. C. Logan, Larry News, Alton Smith, Douglas Apps, Ben Conklin, Wilburn Conklin, Sellers Laxson, Joe Alton Brown, Farrar Hedges, Darrell Parr, Gordon Sparks, Norman Allard, Jimmy McMullan, Allen Sims, Wendall Parker, Bobby Plydier, Bud Thompson, Bobby Smack, Joe Bailey, Mr. and Mrs. H. Gibson and Richard Gibson and Mr. and Mrs. C. S. Denham.

Mr. and Mrs. Sid Millspugh, Jr., were visitors in Dallas over the weekend, attending the fair and the SMU-Oklahoma A & M football game Friday night and the Texas-Oklahoma game Saturday afternoon at the Cotton Bowl.

Mr. and Mrs. P. T. Robison were among Ozonans attending the State Prison System rodeo at Greenville Sunday.

Ozona-Rocksprings Junior Gridders To Clash at 11 Saturday

Coach B. H. Gibson of the Ozona Junior High grid warriors will pit his team against a Junior High crew from Rocksprings here next Saturday morning as a prelude to the feature afternoon card between the Ozona and Rocksprings high school aggregations.

The game is slated to get under way at 11 o'clock on the Powell Field gridiron, with the gates opening at 10 a. m. No charge will be made for admission and a good crowd of supporters is expected to be on hand to encourage the future Ozona High School Lions.

Rocksprings To Invade Ozona For Game Saturday

Angoras Lost to Menard By Touchdown Margin

The Rocksprings Angoras, District 8-B contenders, who lost their first district contest, against Menard 12 to 6, will invade Ozona next Saturday afternoon for a try against Coach Sikes' rampaging Lions.

The game is set for 2:30 Saturday afternoon at Powell Field, the gates due to open to customers at 1:30. Admission prices will be the usual 75 cents for adults and 30 cents for students.

The undefeated and untied Lions are favored to handle the Angoras handily. The Rocksprings crew has played but two games this season, beating Christoval by a 20 to 0 count and losing to Menard 12-6. However, the Lions are taking nothing for granted and are at work in earnest this week in preparation for the contest. Although bruised and mauled considerably, the locals came through the Menard contest without serious injuries and will be at full strength the week-end, barring training casualties.

To date, Ozona and Sonora remain the only unbeaten and untied teams in the district. The district scores for the season to date are as follows:

- Sonora 38, Mason 0.
- Sonora 25, Eden 13.
- Sonora 27, Reagan 0.
- Sonora 19, Junction 0.
- Sonora 26, Eldorado 0.
- Ozona 40, Sanderson 0.
- Ozona 38, San Angelo 11.
- Ozona 19, Reagan 6.
- Ozona 26, Menard 12.

- Eldorado 26, Christoval 0.
- Eldorado 0, Robert Lee 13.
- Eldorado 0, Menard 0. (Eldorado won on penetrations).
- Eldorado 0, Sonora 26.

- Junction 31, Eola 0.
- Junction 0, Eden 0.
- Junction 0, Sonora 19.
- Junction 6, Reagan 6.

- Rocksprings 20, Christoval 0.
- Rocksprings 6, Menard 12.

- Menard 6, Eden 7.
- Menard 14, Melvin 0.
- Menard 12, Rocksprings 6.
- Menard 0, Eldorado 0. (Eldorado won on penetrations).
- Menard 12, Ozona 26.

- Reagan 0, Crane 14.
- Reagan 0, Sonora 27.
- Reagan 6, Ozona 19.
- Reagan 6, Junction 6.

Mr. and Mrs. Jack Holt and Joan and Rosalie Friend were in Dallas the week-end to attend the fair and witness the SMU-Oklahoma A & M and Texas University-Oklahoma U. games Friday night and Saturday afternoon.

Lions Conquer Menard Jackets By 26 - 12 Count

Victory Leaves Ozona Unbeaten and Untied In Four Starts

Ozona High School's 1946 Lions encountered the most determined opposition of the present football season on the home field last Saturday afternoon when they downed the Menard Yellowjackets by a count of 26 to 12.

Although the score appears a comfortable enough margin of victory, the waning minutes of play saw the visitors, only eight points behind, menacing the Ozona goal line "in determined fashion, an interception deep in Ozona territory by Bernard Lemmons, who ran 70 yards for the final Ozona marker, turning the tide in favor of the locals to stop the Menard advance.

Coach Sikes' boys were off to a lead in the opening quarter when Nat Read skirted the end for 30 yards and a touchdown. But the visitors from Menard got back in the ball game to knot the count in the second chukker when Clayton stepped off a 40-yard run and then McWilliams pulled down Guyton's pass on the Ozona 20. Another pass to Jackson paid off for the touchdown.

The Lions, however, took the lead again before the second quarter was out. Running plays were clicking and then Lemmons heaved one to Bufford who went to the Menard two. From there Read darted through for the second counter. Don Cooke's conversion try was good and the count stood 13 to 6 for Ozona.

The locals did it again through the air in the third quarter when Lemmons connected with End Ross Hufstetter who spun and galloped over the goal line for another touchdown. Again Cooke's place kick was in the groove and the count was boosted to 20 to 6.

It looked like the game might be on ice, but in the fourth canto, the Jackets from Menard went on the rampage. Sutton's pass to Jackson was good for a first on Ozona's 14. The Lions held, but a misplaced pass was pulled in by Kothmann of the Jackets and was to the Ozona 12 before being hauled down. Another pass carried to the Ozona four and in two tries Guyton was over for the marker and another six points.

With but four minutes to go, the Menard lads started a desperation scoring try that carried to Ozona territory. On his own 30-yard line, Lemmons pulled down one of those heaves and then stepped through the Menard defenders the distance for the final marker. The try for point failed and the final count stood Ozona 26, Menard 12.

To Assist Veterans In Obtaining Surplus Government Property

SAN ANGELO — Assistance to veterans of Crockett county in obtaining surplus government property from War Assets Administration will be given next Tuesday and Wednesday, October 22 and 23 at the Veterans Service Center, basement of the Tom Green county courthouse.

Junior Woman's Club Program Devoted To Study of Sculptors

Members of the Ozona Woman's Club met Thursday afternoon in the home of Mrs. P. L. Childress with Mrs. Childress and Mrs. Carroll Ratliff as hostesses.

Mrs. P. L. Childress, representative from the club on the Community Council, reported that the county had given two lots as a site for a church for the colored people and that plans for the church were being studied. She also reported that plans for beautifying the city park were being studied. Club yearbooks were distributed to the membership.

An interesting program on sculpture was given, with Mrs. Dempster Jones as leader. Mrs. C. O. Walker gave a talk on "Sculptors of Today" and Mrs. James Childress spoke on "The Life of Elisabeth Ney."

Three guests, Mrs. John Childress, Mrs. John Henderson, Jr., and Mrs. Vernon Ratliff were present. The following members were also present: Mrs. Roland Allard, Mrs. T. J. Bailey, Mrs. Nip Blackstone, Mrs. Hugh Childress, Jr., Mrs. James Childress, Mrs. Ele Hagelstein, Mrs. Dempster Jones, Mrs. L. D. Kirby, Mrs. C. O. Walker, Mrs. Beecher Montgomery and Miss Wanda Watson.

Mrs. James Childress will be hostess at the next meeting of the club when the program will be devoted to Art. A local art exhibit is to be held in connection with the program.

Crockett Lambs Go By Plane To Guatemala Ranch

Owner of Plantation Buys Marshall Mont- gomery Lambs

One thousand head of Rambouillet ewe lambs from the Marshall Montgomery ranch in Crockett county are scheduled to be loaded aboard special planes in San Angelo Monday morning for air transport to Guatemala, Central America, where they will range on lands of a Guatemalan coffee plantation owner.

The lambs were being sheared, vaccinated and drenched at a San Angelo sheep yard this week preparatory to shipment to the Central American country. They are scheduled to be loaded aboard planes at Mathis Field in San Angelo beginning next Monday morning.

The lambs were purchased by Enrique Asturias, coffee plantation owner and ranchman of Guatemala City, and his nephew, Antonio Najera, also of Guatemala. They plan to load from 200 to 250 head of the lambs to each plane.

Good Roads Backers Support Amendment

AUSTIN. — An important step toward establishing sound financial policy to provide for the farm-to-market roads and primary highway needs of Texas was taken here Monday when the State's road leaders launched a campaign on behalf of the Good Roads Amendment to the Constitution.

Approximately 500 advocates of better roads for Texas heard Governor - Nominee Beauford Jester, Lient. Governor - Nominee Allan Shivers, Congressman O. C. Fisher, San Angelo, State Representative Neville Colson, Navasota, and John S. Redditt, Chairman of the State Highway Commission address the huge kick-off rally and urge the adoption of the Good Roads Measure in the November 5th General Election. Col. Ike Ashburn, Houston, served as master of ceremonies and introduced the speakers and other outstanding personalities present.

Jester, whose campaign platform stressed more and better roads, declared, "We face a critical need for more farm-to-market roads, a need we propose to meet. The roads Texas needs cannot all be built in a day. And if they were all built today it would not be long before the normal growth of Texas and the obsolescence of our road system would require still more roads."

New Club Organized

Organization of a new bridge club and evening bridge, forty-two and domino club was perfected here last week. The "Cecilia Club" was adopted for the club name.

Mr. and Mrs. Ralph Jones were hosts for the first meeting of the night club last Thursday night at their home, with bridge, forty-two and domino games in order. Present were Mr. and Mrs. E. L. More Features Added To P. T. A. Carnival Oct. 24

Assn. Meets Monday, Final Plans for Benefi- t Event

More features have been added to the long list of entertainment spots planned for the local Parent-Teachers Association carnival set for Thursday night, October 24, it was announced this week by Mrs. Jake Young, president.

Among the new features added is a penny-pitching game and various booths, hot dog stands and other refreshment spots. The carnival will get under way at 6 o'clock in the evening and continue as late as the crowds remain on the grounds. The carnival is to be staged in the downtown park area. Patrons are invited to be on hand at 6 o'clock and to plan to treat the family to supper on the grounds with hot dogs, hamburgers sandwiches and drinks to be available at the carnival.

The carnival is being staged by the PTA as a means of raising funds for its year's project—outfitting the Ozona High School band with spic and span new uniforms before another fall and football season rolls around. Final plans for the carnival will be announced when the PTA meets Monday afternoon in regular session in the high school auditorium, beginning at 3:20. An interesting program has been arranged for the meeting and all parents are urged to be present. An attendance contest is now under way, with the grade showing the largest percentage of attendance of parents drawing the award. Refreshments will be served by girls of the Future Homemakers of the Homemaking Department, under direction of Miss Frances Willms.

Music Club Is Reorganized After War Suspension

Mrs. Neal Hannah Is President Revived Organization

Reorganization of the Ozona Music Club, suspended during the war, was effected Monday afternoon at a meeting held at the home of Mrs. Joe Pierce.

New officers were elected and installed as follows: President, Mrs. Neal Hannah; Vice President, Mrs. V. I. Pierce; Recording Secretary, Mrs. J. M. Baggett; Corresponding Secretary, Mrs. Alice West Baker; Treasurer, Miss Wanda Watson; Auditor, Mrs. Lowell Littleton; Parliamentarian, Mrs. B. B. Ingham.

It was decided to hold meetings once a month on the first Thursday at 3 p. m. The old scrap books of the suspended club were on display.

Mrs. Stephen Perner read the Club Collect. All Committees were appointed by the president. Tribute was paid to all past presidents by Mrs. H. B. Tandy, who presided at the meeting.

The tea service was presided over by Mrs. L. B. Cox, Jr., the second president of the club in 1927-28. Mrs. Bill Grimmer of Winfield, Iowa, was the club's first president.

The table was laid with a Madeira and Cluny cloth cover, centered with a bowl of dahlias. Sandwiches and cookies were served.

Those present for the reorganization meeting were Mrs. Chas. Black, Jr., Mrs. Beecher Montgomery, Mrs. Ed Lewis, Mrs. P. C. Perner, Jr., Mrs. L. B. Heavy Marketing of Livestock in Summer Blamed for Shortage

COLLEGE STATION.—There's a very good reason why so few

livestock were marketed during September, and why there's hardly any meat in local markets now.

Roy Snyder, meat specialist of the Texas A. and M. College Extension Service, explains that the current meat shortage is partly

due to the large number of livestock that was marketed during July and August, when price control was out of effect. During those two months, the meat specialist says, much livestock was marketed that would have been on the market this fall.

For 1946 as a whole, United States Department of Agriculture meat men have estimated the meat supply to reach 148 pounds per person by the time the year is out. Last year the supply was 138 pounds per person. Even though this year's meat supply may be about the same as the record supply in 1944, consumers will still be unable to buy all the meat that they would like to buy at ceiling prices.

OUR DOWN — OUR TO GO

As you've probably heard, the amazing Ozona Lions overcame powerful, fighting Menard eleven (and a serious weight advantage of from five to ten pounds) last Saturday afternoon the tune of 26-12. Might I add to you who missed it missed one of the best ball games of the year. Because of one previous defeat, and also I'd imagine because they have defeated Ozona only once in five years (31-13 in 1943) the Menard delegation was out for blood.

Despite heavy rains in the early part of the week the Powell gridiron was in the best shape it has been all year — the field was neither too hard nor too sticky — and both teams were at their offensive finest.

The Lions chose to defend the south goal because of the strong and Red Harrison got off a beautiful place kick. Incidentally, I got off one of just about the same caliber every time we kicked. The visitors were trapped deep in their own territory and after a couple of two they kicked out. They then missed their first (and only one they missed) scoring opportunity of the day. The ball went over on downs and the visitors again kicked. The Lions scored after their powerful offense with its beautiful downfield blocking started clicking. Nat Read waited around end in a manner very reminiscent of Roy Coates at the counter.

Cooke converted and may I take

"time out" to compliment this boy on last Saturday's kicking, blocking and defensive operations also — and that was the first quarter. In the second, they threw the book at us, using everything from the ancient "Statue of Liberty"

and "Screen Pass" to the power house plays Big Lake was so strong at. They rocked the Lions back on their heels with passes, then scored by powering it over from the four yard line. The Lions retaliated in the lat-

ter part of the quarter by scoring in almost exactly the same way. A pass from Lemmons to Bufford set the ball down on the two yard line. Read then carried it over. Cooke missed conversion and that was the half with the score 13-6.

The Lions received and after a series of plays, that Nat Read floated around end for six more points. Cooke converted. The visitors monopolized the ball most of the time and scored again in the late third or early fourth quarter. They failed to convert.

Late in the fourth quarter as time began to run out, the visitors began a vicious passing barrage. In the last play of the game the Lions were off side. The visitors of course took the penalty and got an additional play. They passed and Bernard Lemmons ran sixty yards for a touchdown actually after the game was over! The free kick was bad and the score stood at 26-12.

Next week we take on the Rock-springs eleven. They are lighter than the Lions but were beaten by Menard only by six points. It ought to be a good fight. Don't miss it.

BAND PROGRAM

The Ozona High School Band will put on its first program Thursday night, October 24th at the town park.

The band hopes to march and play on the football field the latter part of the season.

STUDENT OF THE WEEK

Our candidate for student of the week this week is 5 feet 10 inches tall, weighs 180 pounds, has sandy hair, and is a senior. You guessed it! It's Bob Cooper.

Bob keeps his scholastic standing high. His blocking and tackling are two reasons behind the Lions' victories this year. In addition he is chairman of the Youth Canteen committee.

Bob is good natured, has a grin for everybody, and is well liked. (How about that, girls?) For further information, see Bob.

MEET MISS WILLMS

Miss Frances Willms, teacher of Home Economics and Science, is a native Texan. Her home is

Lockhart, Texas.

Miss Willms attended T.S.C.W. and later taught in Sanderson, Llano and University of Texas.

She likes music as a hobby — especially piano. Her favorite sports are swimming and dancing. During the summer she worked as a dietician in a Girl Scout camp in Cloudcroft, New Mexico.

We are happy to have Miss Willms with us again and glad that she likes her work in Ozona.

STOVES! STOVES!

Something new. Two new stoves have been added to the H. E. Department. The Frigidaire electric ranges are complete in every detail. Some of the new features are: a deep well cooker, clock and

a timer. The girls are very fortunate to get these new and modern stoves.

H. E. DEPARTMENT

The H. E. III Class is studying the diet and meal planning. They know the family needs in planning menus and special diets for the anemic. They have prepared and served a complete family meal in the department.

H. E. II Class is studying the planning of menus. A study of meats, a field trip to the market, the preparation of four family meals are some of the projects accomplished.

H. E. I Class is making pajamas. They are learning to make flat fell seams, French seams and also (Continued On Last Page)

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corncob pipe, clothes in a heap, and soles on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the loothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget: couldn't even read the *Clayton*, it looked so unmissed; didn't have any appetite with no

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corncob paper, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

So he's an electric eel, so watt?

All right, then, he r-e-e-l-y isn't an eel at all, if you want to be technical. His name's Electrophorus (Gymnotus) Electricus—Jim for short. He's a South American cousin of the carp and catfish. Maybe Jim does pack a wallop of 600 volts when he's hungry or annoyed (and he has a shocking temper)—BUT—

Can he wash 3 tubs of clothes?

Or tell the correct time for 4 days?

Or light a hundred-watt bulb for 3 hours— for a penny?

You bet he can't. He's not usefully eel-ectrified. Frankly, you'd better flip a switch if you want convenient, dependable electricity—all you need—at low cost.

And speaking of low cost—did you know that the average family is getting twice as much electricity for its money as it did 15 years ago? That's no accident—like Jim and his temperamental voltage. Folks in this company have done a good job under sound business management. That's why your electric service is lower in cost—and higher in efficiency—than ever before.

The Story of The Sprouting Telephone Pole

Can you imagine a telephone pole that sprouts like Jack's fabled beanstalk? The tall telephone pole shown above did just that... only it did its sprouting in cost. The two poles shown in the picture are actually the same size and serve the same purpose. However, one was bought four years ago, the other this year. And this sprouting telephone pole is typical of the climbing costs of all labor and material required to provide you with telephone service. Will the pole stop sprouting? Who knows? But we do believe you should know how difficult it is to continue good service under present conditions of higher operating costs.
