16 Teams Lined Up For Benefit Cage Tournament

112 Men and Boys To Take Part in PTA Meet Feb. 20-24

A four-day basketball tournament that for fun and excitement is expected to "lay in the shade" the recent Ozona High School 16th annual meet is all set for staging at the school gymnasium February 20 through the 24th.

Sixteen town teams, composed of men and boys of all ages, have been signed up to participate in the novel tournament — first of its kind ever staged here.

The teams have been drawn by lot, a random selection to mix experienced and inexperienced players, old and young, and battle plans are now being drawn by chosen team captains in preparation for the four-day battle royal.

The affair is being sponsored by the Ozona Parent-Teachers Association as a benefit for its band uniform fund. Each of the 112 players were required to deposit a dollar for the privilege of risking a heart attack or broken leg and spectators who are expected to jam pack the gym from wall to wall are to be charged to witness the mayhem, the price to be announced later.

Lefty Walker is the organizational genius behind the plans for the novel cage tourney. And Lefty, West Texas' top basketball referee, will add the professional touch to the strictly amateurish effort of the scrambled teams by officiating in all tournament games.

The tournament is scheduled for Thursday, Friday and Saturday evenings for the opening round, quarter final and semi-final contests with Monday evening, February 24, set for the championship finals. All proceeds, including the entry fee of contestants, will go into the PTA band uniform fund, which will provide new uniforms for the High School band next fall.

Special Session Of District Court Set For Monday

Grand Jury To Probe Auto Theft Charge Against Negro

A special term of the 112th district court will be convened in Ozona at 10 o'clock Monday morning by Judge J. B. Randolph of Fort Stockton.

Members of the grand jury which served at the regular fall term of court have been summoned for service at the special sitting of the court. The grand jury will be asked to investigate a charge of auto theft filed here against Herbert Grimes, negro, who is charged with theft of a car belonging to I. B. Harper of Ozona. Grimes was arrested by officers in San Angelo and was returned to Crockett county jail by Sheriff Bruce Harp.

Judge Randolph will recess the court session until after the grand jury has investigated the Grimes case and if an indictment is found will hear the defendants plea in open court.

Grand jurors who have been summoned to report at 10 o'clock Monday morning are Abe Carruthers, L. E. Hoover, J. B. Miller, Clayton Smith, Elmo Simpson, Max Schneemann, Jr., Ben Butler, Melvin Brown, Hugh Boyd, Harley Cox, Bill Friend and Beecher Montgomery.

SON TO BOOTHES

Mr. and Mrs. Nelson Boothe of Sweetwater are the parents of a son born Monday afternoon in a San Angelo hospital weighing 7 pounds and 10 ounces. Mrs. Boothe is the former Betty Jane Ingham, daughter of Mrs. B. B. Ingham of Ozona. The paternal grandparents are Mr. and Mrs. Walter Boothe of Sweetwater.

Dwight Holmes

San Angelo Artist To Exhibit Paintings Here February 12-13

Dwight Holmes, San Angelo artist, will exhibit a collection of his paintings and ceramics in Ozona Wednesday and Thursday of next week, February 12 and 13, in room 120 of the high school under sponsorship of the Ozona Woman's Club.

The noted Texas artist, former art instructor in Texas Christian University in Fort Worth, whose work has won acclaim in many states, will bring more than fifty pictures to Ozona, all to be offered for sale after the exhibit. The pictures will range in price from \$5 to \$100, he said.

Mr. Holmes will appear on the program at the high school assembly hour Thursday afternoon and will demonstrate the making of pottery pieces.

In January of this year, Mr. Holmes won first prize in oil painting at the Abilene Museum of Fine Arts. Mrs. Walter Clendenen of Ozona won first prize in pastels at the same show.

Mr. Holmes has covered a wide field in both painting and sculpture. He made Fort Worth his home for a number of years and has recently moved to San Angelo. In 1926, 1927 and 1928 he won the West Texas fair first and second prize awards in landscape painting. He has also done the ornamentation for a number of public buildings in this state.

Ozona Band To Participate in Big Lake Band Clinic

Band director G. H. Rhoads will take 17 members of the Ozona High School band to Big Lake Saturday, February 15, to participate in a one-day Band Clinic to be held in that city under sponsorship of the Reagan County High School.

One hundred ten band students from six high schools in this area will participate in the Big Lake Band Clinic, under the management of Jacques Farnum, Big Lake band director. Guest director for the occasion will be R. T. Bynum, director of the McMurray College band. High school bands participating will be Big Lake, Crane, McCamey, Iraan, Ozona and Sonora.

There will be a luncheon for the visiting band students and directors at noon Saturday with music throughout the day. Beginning at 7:15 in the evening, the final event will be a concert by a 110-piece band composed of all players from the participating schools.

Students who will go with Director Rhoads from Ozona High School to the band clinic will be Marian Dryden, Charles Cunningham, Patsy Schwalbe, Charlie Boy Davidson, Jane Augustine, Bill Forehand, Donald Taylor, Frank Parr, Edith Lou Piner, Joe Perry, Kerry Tandy, Sam Perner, Ray Piner, Joe Brown, Max Word, Arlin Benjamin and Carl Lonon.

Ft. Stockton Wins Sixteenth Annual Ozona Cage Meet

Mumps-Riddled Lions Beat Owls for Consolation Trophy

In what was described by school officials as the most successful tournament in the sixteen year history of the Ozona invitational basketball tournament last weekend, the Fort Stockton Panthers grabbed top honors of the meet by edging out the McCamey Badgers by a two-point margin in one of the top thriller games of a hard-fought tournament.

Coach Marshall Brown's Ozona Lions, decimated by a pre-tournament attack of mumps, came through in grand style to win the consolation championship of their tournament, after being eliminated in first-round play by the runner-up McCamey team.

And to make the Lion's consolation trophy seem even more dear, they won it by administering a round 46 to 15 thrashing to the Reagan Owls from Big Lake, who twice defeated the Lions in regular district combat this season. It was the Lion's game throughout, with Don Cook, Red Harrison and Joe Ross Hufstедler burning 'em up with their basket shooting. Cook was high scorer with a total of 16 points, with Harrison accounting for 10 and Hufstедler 7. Buddy Phillips rang up six tallies, Bernard Lemmons 4 and Joe Perry 3.

Joe Ross Hufstедler of the Ozona crew won a place on the first string all-tournament five while Red Harrison of the locals was paced on the second all-tourney team by the secret committee judging the performance of individual players.

Others selected for all-tournament honors were as follows: First team: Barton of Fort Stockton, Wilson of McCamey, McFadin of Iraan, Orr of Reagan. Second team: Hadden of Fort Stockton, Davis of McCamey, Bond of Sonora and Daugherty of Rankin. All of these boys received gold basketball charms.

After their first-round defeat by the runner-up McCamey quint, the Lions took the winning trail down the consolation bracket to take in turn Rocksprings, Barnhart and finally Big Lake. Fort Stockton defeated Big Lake in the opener and took Eldorado and Iraan in turn to get to the final against the tough McCamey crew. The championship final was a nip and tuck contest, undecided until the final second of the contest. In that final second McCamey, trailing by two points, a one field goal margin, zoomed the ball down court and in a final burst of effort worked it in for a shot, the ball playing tantalizingly around the hoop before dropping away to end the Badger's hope for a tie and a new lease as the final whistle shrilled.

Beautiful trophies were presented the tournament champion and consolation teams, and runner-up teams in each bracket. C. S. Denham, Ozona superintendent, making the presentation at the conclusion of the meet Saturday evening.

Tourney officials were Lefty Walker of Ozona and Cagle Hunt of Mertzon.

Priceless Collection Of Relics From India Shown by C. B. I. Vet

Exhibiting a priceless collection of curios from India and Burma, Allan Saunders, Ozona nursery operator, and veteran of nearly three years as a transport pilot with the Air Transport Command, flying supplies to embattled China over the Himalayan "Hump" from India, entertained members of the Rotary Club and their guests Tuesday with a description of Indian and Burmese tribesmen, their customs, habits and religions.

Mr. Saunders declared that he spent most of his spare time from flight duties on excursions into territories of the tribesmen, and on several occasions on official

(Continued On Last Page)

Stop Light In Small Towns Ruled Increased Hazard

On advice of specialists in the Department of Public Safety at Austin, plans for installation of traffic stop lights at the intersection of Highways 163 and 290 in Ozona and the Hotel corner have been abandoned by the Ozona Community Council.

Sheriff Bruce Harp reported to the Council at its meeting Monday night that he had conferred with Safety Department officials and that such officers had strongly urged against the installation of such occasional lights in small towns, declaring such light more of a hazard to traffic than a help.

Department officials declared that statistics had proved that more accidents occur at intersection controlled by signal lights not under surveillance of a police officer than at intersections without light but with otherwise equal hazards. The tendency of local drivers to ignore the signal light while through or tourist traffic depend upon it for right-of-way sets up an ideal situation for accidents, the Department experts advised.

Mohair Market Warming Up As Shearing Nears

60-80 Cent Contracting in Some Areas; None Reported Here

Outlook for a ready market for the Spring mohair from the backs of Crockett county Angora goats was bright this week as reports indicated several buyers were in the field contracting the Spring hair at 60 cents for the grown hair and 80 cents for kid, with shearing about to get under way in this area.

Reports of considerable contracting of hair before shearing came from the Hill country during the past week, but so far none of the firms who customarily buy mohair in the Crockett area had entered the market, Melvin Brown, manager of the Ozona Wool and Mohair Co. warehouse here indicated yesterday.

However, there was evidence of considerable interest in the coming mohair crop, Brown said, as several of the regular buyers from the local warehouse were keeping in touch with the situation by long distance telephone, awaiting buying orders from their firms. The prospects are good, the local warehouseman said, for a strong market and a ready demand for the hair once it begins to flow into the storage centers.

March of Dimes Campaign Here Totals \$254.76

Half of Fund Remains In Local Treasury For Local Need

Ozonans contributed a total of \$254.76 to the 1947 March of Dimes campaign for funds to support the National Foundation for infantile Paralysis, Chairman Frank James of the local campaign reported this week.

The annual drive, which came to a close January 31, was for a national goal of \$14,000,000 for the organization which is waging a nationwide fight against the dread and mysterious disease.

The total secured in the local campaign was reached without any direct solicitation for funds and without the customary entertainment or dance feature used in other years as a benefit for the drive. Children in local school contributed more than \$50 in a one-day voluntary donation drive and the management of the Ozona Theatre took up a total of \$112 in an appeal for gifts from its patrons. The balance was secured by contribution boxes placed in places of business over the town.

Bond Issue To Be Sought For Hospital Here

Necessary Balance To Complete Building To Be Asked

A petition, bearing the required number of signatures of qualified voters, will be presented to the Commissioners Court of Crockett county at its meeting next Monday asking the court to call an election to decide whether or not bonds shall be issued to complete the county courthouse annex and hospital-medical center, now in process of construction on the site of the burned out former Methodist Church here.

The petition was being prepared this week following a meeting of the Community Council Monday evening at which County Judge Houston Smith, Messrs. Lovett and Mauldin, San Angelo architects, and Von Froelich, building contractor in charge of work on the building, were present.

Hospital and courthouse building plans prepared by the San Angelo architects were examined and discussed by the group and estimates of the completed cost of the building were given by the architects.

Decision to request immediate action on the election was reached by the Council in order to avoid a stoppage of work if the voters approve of completion of the building. The contractor in charge of the work now in progress on the building estimates that this phase of the project will be completed in another 60 days. The first phase of the building project calls for closing in all windows and doors, completion of concrete floors for the three stories and a concrete roof, with such changes in the building as the architect's plans call for.

It was estimated that with a petition before the court at its meeting next Monday, there would be time enough to call an election and decide the question before the present work on the building is completed, and if the project is approved for completion, the work can be continued without interruption.

The Council also discussed two other projects before the group, a church for the Negro population of Ozona, and improvement of the city park. Mrs. S. M. Harvick reported that negotiations were under way for purchase of the old Ramirez Boot Shop building to be moved to the county-donated site for the proposed church and that estimates on the cost, cost of the new foundation and moving will be secured before a drive for donations is begun to finance the project.

The committee on park improvement, headed by Mrs. Ira Carson, reported that Alan Saunders, local nurseryman, is preparing a landscape plan for the park with a view to developing a plan for a long-range improvement project for the park.

Two members were elected to membership on the Council to replace Joe T. Davidson, who resigned, and Mrs. Carl Colwick, who resigned upon moving from Ozona. The newly elected members are Mrs. Joe T. Davidson and Ewart White.

GIRL SCOUT NEWS

Mrs. A. F. Krause assisted Mrs. Maris in the regular meeting of the Girl Scouts at the Methodist Center when eight girls participated in their Badge work. All are anxious to begin their first class work.

After the business session LaJean Word taught the troop the Burl Ives version of "Jimmy Cracks Corn," folk game and song. This completed her eighth field of activity and as soon as she cooks a dessert, and sprouts a seed, her second class badge will be completed.

Marilyn Cooke and Ellen Jayne Maris were absent due to knee injuries. We were sorry to lose Carolyn Ratliff, who moved to Eldorado.

THURSDAY FEB. 6, 1947

E. L. Jones, Jr., To Be General Manager Of Telephone Co.

E. L. Jones, Jr., secretary and general auditor of the San Angelo Telephone Company, is being promoted to General Manager of the company effective February 1, J. Y. Rust, president, announced. He will be in charge of the telephone system here and in the 18 other exchanges operated by the company.

Mr. Jones replaces A. L. Edmonson, general manager for the past year, who is retiring.

Mr. Jones started his career in the telephone business as an accountant for the San Angelo company in 1926. He later was promoted to auditor, and has been closely connected with the company's operations through the years.

Mr. and Mrs. Edmonson plan to build a home on property they own on Buchanan Lake near Burnet where they expect to spend much of the time.

TO PREACH SUNDAY AT BAPTIST CHURCH

Rev. John E. Lewis of Rogers, Texas, will fill the pulpit at the First Baptist Church in Ozona next Sunday, it was announced this week by church officers. Rev. Lewis will preach at both the morning and evening hours. Sunday school will meet at the usual hour.

YOUNGEST PRODIGY . . . Doris Webster, 6, Fredericksburg, Va., recently gave an amazing performance of Mozart's Concerto in A Major in Washington. There is nothing "prima donna" about her. She regards her genius at the piano in about the same manner as she would superiority at ticktackoe. She skips rope, plays with dolls and makes errors in arithmetic—and gets her face dirty—a normal girl in every way.

Texas Farmers 1946 Income Was Record

AUSTIN. — For Texas farmers 1946 was a year of prosperity from the standpoint of farm cash income which totaled \$1,246,881,000 for an increase of 9 per cent over 1945 according to The University of Texas Bureau of Business Research. In dollars and cents this set a new record and smashed all previous yearly totals.

December income reached \$92,346,000 to dip 32 per cent from November but was 13 per cent above income in December 1945.

All crop reporting districts shared in the increases for the year except in Eastern Texas (District 5) where a yearly decline of 5 per cent was recorded. Greatest increase was in the Trans-Pecos area (District 6) where a 39 per cent gain was recorded. The Northern Prairies (District 4) showed a 16 per cent increase and all other gains hovered around the 10 per cent mark.

TENNIS CLUB

Mrs. Vernon Rathj was hostess to members of the Tennis Bridge Club at her home Thursday afternoon. Mrs. J. H. Tabor won the club high score award while guest high went to Mrs. A. O. Fields and second high to Mrs. W. P. Conklin. Other members and guests were Mrs. Marvin Barnes, Mrs. E. I. Head, Mrs. L. D. Scott, Mrs. Price Roberts, Mrs. Ralph Jones, Mrs. L. D. Kirby, Mrs. H. N. Brown, Mrs. Boyd Baker and Mrs. W. T. Stokes.

memorial services, brilliant parades, magnificent river spectacles, stirring massed band events, "royal" processions and numerous private parties, conventions and other events. Special events are being planned for every day of the week.

Traditionally, the fiesta week program opens with the inspiring pilgrimage to the Alamo, in which floral tributes are carried to the "Shrine of Texas Liberty" in memory of Texas heroes who died for independence. Public officials, old trail drivers, civic and patriotic organizations, cowboy groups, distinguished military leaders and thousands of school children take part in the procession.

Livestock Shipments Decline at Year End

AUSTIN. — Livestock shipments in Texas took a downward turn in December, falling off 19 per cent from November, according to figures released by The University of Texas Bureau of Business Research. December shipments exceeded shipments in December 1945 by 3 per cent, however.

Total shipments of hogs reflected the only increase and were 74 per cent greater than in November. But shipments of cattle fell 30 per cent after the heavy run following removal of OPA regulations. Shipments of calves tumbled 30 per cent, and sheep shipments were down 30 per cent for the month.

Compared with December 1945 only shipments of cattle and sheep were down. Almost 2 per cent fewer cattle were shipped and there was an 8 per cent decline in shipments of sheep.

ly not. He just thinks he did."

GOSSIP

Joe Ross: "Did Mary K. or your car get injured in the accident yesterday?"

Don C.: "Not very much, just a little paint chipped off both."

Rosalie seems to do O. K. even with the mumps — and even though a certain boy from Junction hadn't had the mumps.

Well, Dale, are ya or aint ya engaged? Is it that you just can't borrow another ring?

Lillian was a little on the lonely side this week-end. She's just been counting the days til Bill will get home.

Congratulations to Red and Sue. Seems they are going steady.

Ann, did Rocksprings give you much trouble when you asked for your senior ring?

Ask Marian who she had a date with Saturday night that excited her so. Nice going, Marian!

What is this we hear about Virginia and Mary K? Seems Rocksprings and a fight have something to do with it.

Corinne is sporting two rings nowadays. The new one belongs to Fort Stockton.

Jane and Judy seemed to be in heaven this week-end. Could it be 'cause Barnhart and Iraan were here for the tournament?

Jo Lou was with Bernard Friday night and Sam Saturday night. There goes that girls again!

Dating Saturday night were: Kerry and Lillian, Sam and Jo Lou, Mary K. and Don, Red and Sue, Jane and Gerald Porter, and Judy and Sammy Jeffries.

WELCOME

The faculty and students would like to welcome Miss Elizabeth Mizell to the English department. Miss Mizell is a graduate of North Texas State Teachers College at Denton where she majored in English and minored in French. She taught English at Perryton High School in the fall of 1945 and French at Hardin College in Wichita Falls in the spring of 1946. Miss Mizell will fill the position vacated by Mrs. Carroll Ratliff.

FIVE EASY WAYS TO GET DETENTION IN STUDY HALL

First you can always be late to your seat. This makes the teacher so happy.

If your lessons are coming a-

long like you would like them to — you can always yell at John and see what he has.

Do you want a book at the library? Then be real sure that two or three people are already up at the library desk. You can go up there and start a nice conversation. The teacher won't mind.

Then there's always the teacher that loves to hear the pop of gum. Go ahead and see if she doesn't! Try it just once.

You left a book in your locker? Well, just snap your fingers and I know that she will have to let you go out in the hall and stay there!

Mr. Sikes: "I contend that anyone who can't make himself clear is an idiot. Do I make myself clear?"

Lillian: "No, sir."

BIRTHDAY CLUB

The continuation of members and the books they have presented as from those published last week are: "Dragonwyck" given by Dale Chidenden; "The Black Tanker," "My Friend Flicks," and "Seven League Boots," by Joe Perry; "Far Above Rubies," by June Perrier; "Three Loves Are Mine," "A Date for Diane," and "Etsy in Spite of Herself," by Joan Holt; "Islands in the Sky" and "Air Force" by Sam Perner; "Offshore Gold" and "The Building of the Burma Road" by Chris Perner; "Brave Men" and "The Changes of China" by Mrs. Stephen Perner.

OZONA TOURNAMENT

Even though the mumps held the Lions to a disadvantage in their 16th Annual Tournament, they came through to win the Consolation trophy and place two boys on the "All-Tournament."

The Lions, starting the Tournament off, lost to the McCamey Badgers 40 to 29. Then the Badgers went on to the finals only to lose to Fort Stockton. After the McCamey game the Lions started

to click taking Rocksprings without much trouble. Then they played Barnhart in the semi-finals, to win by a large margin of 57 to 22.

But the game that pleased us most was the Big Lake game in the finals. Big Lake has beaten the Lions two straight district games and that hasn't made us feel too good; so as the last chance to get back at them, we had to beat them! And that we did. The score ended like this: Ozona 47, Big Lake 15.

On the All-Tournament teams Joe Ross Hufstedler placed on the first team and Red Harrison placed on the second team.

STUDENT OF THE WEEK

This week we are going to pick one of those nimble witted "Fish." She is five feet, weighs about 100

pounds. She has brownish blonde hair surrounding a face with two big green eyes sparkling out at you from those long thick eyelashes.

She always has a mischievous air about her and she has a talent for being a found when trouble is started. (Of course, she is innocent!) Her vitality and her sharp wit have endeared her to us as one of the most lovable "Fish."

You mean you still don't know who she is? Why Joan Holt, of course.

FOR 1947...

It's SMART to Own an Olds!

Smart Styling
The 1947 Oldsmobile comes to you in bright new colors with smoothly flowing lines and tastefully tailored interiors!

Smart Driving
All new Oldsmobiles offer GM Hydra-Matic Drive*—proved, perfected, now at its peak!

Smart Buy
There are three full lines of 1947 Oldsmobiles—General Motors quality cars in every way!

Smart is the word for Oldsmobile's 1947 styling... the long, rakish lines... the attractive new colors... the over-all impression of quality and good taste.

And smart is the way you'll feel... once you drive a new Oldsmobile of your own. You'll enjoy the admiring glances that follow you down the street. You'll revel in the comfort and luxury of Oldsmobile's coil-cushioned ride. And above all, you'll find a new kind of deep-down satisfaction in every effortless moment of driving... thanks to GM Hydra-Matic Drive.* This is the fully-proved, fully-automatic drive... the drive that shifts gears automatically and takes the clutch pedal right out of the car!

See this great new Oldsmobile now on display. Three complete lines of cars to choose from... and every one a smart choice for 1947!

March of Dimes —

(Continued from Page One)

Half of the total secured in the drive will be turned over to the National Foundation while the other half will be retained in the treasury of the local chapter to be used in case of local infantile paralysis need. The local chapter had a balance of \$514.46 in the bank at the beginning of the campaign and with the addition of half of the 1947 total, will go into the new year with a balance of \$643.84.

The only expenditure from the local fund during the past year was a \$50 donation to the National Foundation to help finance a laboratory testing project undertaken by the Foundation on donations from local chapters. Chairman James reported.

Priceless —

(Continued from Page One)

Missions as counter-intelligence agent for the American forces, contacting tribes in both India and Burma. Versed in the basic language of the native, Saunders was able to converse with the tribesmen to some extent and used an interpreter-guide when the going got beyond him.

He told of many of the strange customs, superstitions and religions of the ignorant tribesmen and exhibited knives, spears, pipes, knife cases, headgear, jewelry and hundreds of other curios contained in his giant collection. He told of the head hunter tribes and their blood-thirsty pastime of "knob-lobbing" and had many curios from these tribesmen in his exhibit, including many pictures taken in head-hunter villages by his room-mate, who went down in head-hunter territory and spent 37 days among the tribesmen before being rescued. Saunders flew over the village in which his buddy was a "guest" and dropped him a camera and films.

Ozona Cagers Beat Sonora in Two Games; Volleyball Girls Lose

Ozonans took two out of three contests in Sonora Tuesday night, boys of the A and B teams in basketball trimming the Sonora lads while girls of the volleyball crew dropped their contest to the Sonora girls.

The B squads started off the evening's doings with a 34 to 26 victory over the Broncho second string. In a district contest, the Lions of Coach Marshall Brown eked out a thrilling 22 to 30 victory over the Broncs in an earth-shaking contest.

Coach Brown's charges will play their second and final district game with the Eldorado Eagles on the local court Friday evening of this week. Coach B. H. Gibson's volleyball girls will also play a district game with the Eldorado girls. Game times will be 6 o'clock for the volleyball game, 7 for the B string game and 8 for the A squad contest.

The final series with Sonora teams will be played here Monday or Tuesday evening of next week, the date still undecided because officials employed to call the games have not indicated which evening they will be available.

SWING OF SOUTHWEST FARM MARKETS

Higher prices were paid for cotton and wheat, while hogs, lambs and calves ruled unevenly strong.

Weaker markets were quite general for other southwest farm products last week, according to the Production and Marketing Administration, USDA.

Mature slaughter classes of cat-

tle moved unevenly lower at Denver and Texas markets last week, but were mostly steady to strong at Wichita and mostly higher at Oklahoma City. Calves, vealers and stoker and feeder classes sold generally to higher, but heavy calves were weak at Wichita and stokers and feeders were down mostly 25 to 50 cents at Denver. Medium to good slaughter steers brought \$16.50 to \$18.50 at Houston; \$16 to \$22 at San Antonio; \$15 to \$22 at Fort Worth; \$16.50 to \$21 at Oklahoma City; \$17.50 to \$22 at Wichita and \$18.50 to \$23.

Hogs were steady to 50 cents higher for the week. The week's top was \$23 at San Antonio; \$24.10 at Fort Worth; \$24.75 at Oklahoma City; \$25.25 at Wichita; and \$21.50 at Denver.

Lambs were steady to 50 cents and \$1.00 lower at southwest terminals while ewes held steady to 50 cents higher. Good and choice lambs brought \$19 to \$20.35 at San Antonio; \$21 to \$21.50 at Wichita; and \$22.75 at Denver. Good fat lambs sold for \$21 to \$21.25 at Fort Worth while trucked - in

lambs topped at \$21 at Oklahoma City. Keen interest in foreign wools contrasted sharply with a lack of sales of domestic types last week. A rise in the parity basis further increased prices and dulled interest in homegrown varieties.

First Sergeant Jim Walker, my recruiter stationed in Sonora will visit Ozona every Wednesday morning from 10 to 12 o'clock. Walker will spend the two-hour period here each week at the office.

From where I sit... by Joe Marsh

Lem's Dogs vs Thad's Chickens

Running a newspaper, you get to know a lot about human nature.

Thad Phipps was in the other day, all burned up. Wanted me to run an item on how Lem Martin's dog had raided his chickens again, and ought to be put away by law.

I told him: "Lem was in on Saturday. Said you shouldn't be allowed to keep those chickens so close to his house—and in a residential zone, at that."

Thad shuts up right pronto then. And that very evening I see him making his peace with Lem

at Andy Botkin's Garden Tavern —over a friendly glass of beer.

From where I sit, anyone can find something in his neighbor to complain about. (Some folks may even disagree with Thad's right to enjoy that glass of beer with Lem!) But where would we be if everybody tried to have a law passed against everything they disagreed with? We wouldn't have many neighbors left!

Joe Marsh
