Entertains Attendance A Directors

and Auxiliary Members Enjoy Busy Meeting Here

With the cooperation of the Longhorn League, under the leadership of the Community Council, the club extended an invitation to directors of the Sheep and Goat Raisers' Association and its Ladies Auxiliary group's first quarterly meeting of 1948 here Saturday afternoon. Benefit of early arriving members, and dozens of them, Mr. and Mrs. Sherwood were hosts at an open house on Friday night and the club extended an invitation to visitors and Ozonans to the courthouse Friday afternoon.

The directors meeting, both the men and the Auxiliary, got off officially Saturday afternoon with committees of the directorate meeting from 10 o'clock in rooms provided at the courthouse. Ladies of the club were entertained at a luncheon at the home of Mrs. Chas. Johnson, Jr., Saturday morning. Business meeting of the club following the coffee in the afternoon.

At the noon hour, some 400 members and home folk enjoyed a well-cooked luncheon served by the Auxiliary. Bert Baker as master of ceremonies, Rev. Horace M. King, pastor, pronounced the meeting a success and a program of music was provided for the entertainers. Miss Jacqueline, public school music teacher, sang two numbers, "Withering Will, Brother John," by Vincent Youmans, "The Lasso, Mrs. Victor Pierce singing, Mrs. R. J. Adams, whistling whistler, whist numbers, "Listen to the Bird" and "Indian Love Call."

OSGRA directors were in session at the courthouse Saturday afternoon, ladies were entertained with a tea and book review by the Auxiliary. Mrs. Lee reviewing "Texas, Within Itself," by Perry, and President Clayton of Fort Stockton and Sec. Ernest Williams on activities of the past quarter and future plans (Continued On Last Page)

Pupils In Telling, Amation Meet

Telling Contests Day Night Decla- tions Tuesday

A group of 55 pupils of the grade from the kindergarten through the junior high grades are in story telling and declamation contests in the high school auditorium Monday and Tuesday evenings of next week. Pupils of the kindergarten and first grades will compete in story telling, Monday night, and the fourth through the eighth grades will compete in declamation Tuesday evening starting at 7:30 p. m.

Pupils from each grade were selected for story telling and declamation, with one representative from each grade. Two such groups are from the double kindergarten and first grade classes. Pupils who will engage in the declamation are as follows: Telling, Monday night: Arden, morning group: Linda Millsbaugh, Mills and Jimmy Williams, and Ben Friend, alternate. Grade, Mrs. Rutledge's: Leane Young, Lynn Gustafson (Continued On Last Page)

San Angelo Colts To Play Ozona Nine Here Saturday at 3:45

After a workout last Sunday afternoon in a mixed up match with the high school team, Ozona's baseball nine will be matched in the first practice game of the season here next Saturday afternoon beginning at 3:45.

The San Angelo Colts of the Longhorn League will be the opposition for the day. Manager Byron Stuart is working to get his team in shape for the opening of the Concho Basin league season on May 2 and two other practice encounters have been arranged for the following week-end, a team from Borger to play Saturday afternoon and a second game with the Colts being chalked up for Sunday afternoon.

The locals open with Maverick in Maverick on May 2 in the Concho loop premier and thereafter will play at home every other Sunday in league competition. An exhibition game has been matched for Tuesday, May 4, with the colorful, bewhiskered House of David crew.

March Goes Out Like Lion With Sore Toe

The old saying that if March comes in "like a lamb" it goes out "like a lion" was borne out by the March which passed into unregretted history yesterday. In fact, this March started "going out" like a lion with a tummy ache or a bad sore toe some three days ago and got more violent with each passing day.

A black-out sandstorm, described by weather men as the worst in a decade, roared down out of the west-northwest Tuesday before a howling wind which lashed out through the day and night, reducing visibility in some spots to zero and filling homes, ears, eyes, and noses with a heavy deposit of sand and silt. In late afternoon Wednesday, as March hours were being counted off, another dust-pusher rolled in on a cold front, and Ozonans gave up thanks that beginning today it will be eleven months before we have to endure another March.

Mohair Producers Invited to Meet in Rocksprings April 7

In order to find out what is on the producers' minds in regard to the failure of mohair to move in quantities and at prices comparable with that of wool and to see if they want to ask for government help with support prices, Clayton Puckett, President of the Texas Sheep and Goat Raisers' Association, has called the Board of Directors of the Association to meet in special session in the Court House at Rocksprings, Texas, on April 7. The meeting is called for 10:00 a. m. This special session was voted by the directors at their regularly quarterly meeting in Ozona, March 27.

"It is very important that all mohair producers attend this meeting," Mr. Puckett stated. "The Association is anxious to take whatever steps the majority of the growers desire. There will be full discussion of this problem, and we want the producers to express their opinions."

Mr. S. W. Dismukes of Rocksprings stated that a barbecue dinner will be served at noon to all visitors.

Homemaking Topic For Study at Meeting Of Literary Club

The Ozona Literary Club met Thursday afternoon at the home of Mrs. Cleophas Cooke with Mrs. Sam Patterson as assisting hostess.

"Homemaking" was the study topic that day. Mrs. R. J. Adams was program leader. Mrs. Jack Sheridan gave a talk on "Your Personality Reflecting in Your Home."

The hostesses served a salad plate to the following members: Mrs. R. J. Adams, Mrs. J. P. Pogue, Mrs. Jack Rutledge, Mrs. George Schulz, Mrs. Byron Stuart and Mrs. Frank Sheffel.

\$435,000 School Bond Issue Sold Under 2 1/2 Per Cent

Investment Firms Pay Par, Accrued In- terest for Issue

Paying par and accrued interest, plus a cash bonus of \$88, the First Southwest Co. of Dallas and the Central Investment Co., of Omaha, Neb., purchased the \$435,000 school building bond issue of Crockett county at an interest rate of less than 2 1/2 percent on the entire issue, when bids were opened by the Commissioners Court in a special session at the courthouse Thursday night.

The buyers, operating jointly in the purchase, submitted a bid of two per cent interest on the first five maturities of the serial issue, totalling 117 of the \$1,000 denomination bonds, and the remaining ten maturities totalling \$318,000 at 2 1/2 per cent.

The county, which has approximately \$140,000 in its available school fund which can be used for purchase of the longest maturity bonds of the issue, was given the option to purchase \$140,000 of the long maturing bonds at any time and a further option to retire the entire issue at any time after seven years. The buyers also agreed to purchase the \$90,000 outstanding school bonds of this county, now held by the State School Board at the same interest rate, maturing in one to ten years, should the county later purchase this issue.

Lockett Shelton of Abilene, representing the First Southwest Co., and S. W. Jackson of San Angelo, representing the Central Investment Co., submitted the successful bid for their companies. There were five other bids submitted, all very close to the figures submitted by the successful bidders.

The Commissioners Court, in a special session following the bond selling session, entered an order for sale of 139,000 of 2 1/2 per cent government bonds now owned by the county's permanent school fund, such money to be re-invested in the last maturing 139 bonds of the new school issue, bonds No. 296 to 435 inclusive.

Forest Completes Tippett Well for 210 Barrels Daily

A daily flowing potential of 210 barrels of 40.8 gravity oil was filed Tuesday by Forest Oil Corp. for its No. 1-A State-J. Homer Tippett, northeast offset to Byrd and Frost and Gulf's opener of the Tippett (Wolfcamp) field in the panhandle of northwestern Crockett county.

The 24-hour gauge was through a 10-64th inch and 2 3/8-inch tubing perforations at 6,108-21 feet in 5 1/2-inch casing cemented on bottom at 6,127 feet. The section had been treated with 100 gallons of acid. Flowing pressures were 1,050 to 1,200 pounds on the tubing. There was no water. Gas-oil ratio was 1,037-1. Pay was topped at 6,100 feet.

The well, the third for the area, is 330 feet from the southwest and southeast lines of section 4, J. H. Tippett original grantee, abstract 5,522, certificate 5,001.

John I. Moore to Drill Two Shallow Tests in Crockett

John I. Moore of Midland and San Angelo filed application with the Railroad Commission Monday for a permit to drill a 3,000-foot wildcat in Crockett county 17 miles southeast of Iraan.

The test will be No. 1 J. S. Todd estate, 330 from the north, 3,630 feet from the east line of section 15, block YZ, EL&RR Ry. Co. survey, on a 1,280-acre lease. It is scheduled to start at once. Cable and rotary tools will be used.

Moore also applied for a permit to drill No. 2 Beckham in the Shannon San Andres field in Crockett county, 990 from the north, 330 feet from the west line of section 11, block Q, Drilling 3,000 feet is planned, starting May 1.

Senior Class to Present Mystery Play on April 8

The Senior Class of Ozona High School will present a class play on Thursday, April 8 at 8 p. m. in the High School Auditorium. Admission will be 50 cents and 75 cents. There will be no reserved seat sale.

The play will be "The Scarecrow Creeps" a mystery comedy by Jay Tobias. The cast includes Beth Griffin, Mary K. Flowers, Lillian Schneemann, Sandra Augustine, Sue B. Amthor, Nat Read, Bernard Lemmons, Ralph Carden, Buddy Phillips and Don Cooke. Bob Bissett has charge of publicity and ticket sales and stage managers are Jack Coates, Red Harrison and Scoot Smith.

Tickets may be secured from members of the class after Monday, April 5. Proceeds from this play are to be used to help defray the expenses of the class trip to Galveston on May 15, and to buy a gift for the school from the Seniors of '48.

22 Seniors Are Candidates For Graduation May 13

Baccalaureate May 9 Marks Beginning of Graduation Week

Baccalaureate services in the high school auditorium Sunday morning, May 9, will mark the opening round of graduation week activities in Ozona for high school and grade school graduates of both the American and Latin-American schools.

Twenty-two candidates for high school diplomas in the May 13 graduating exercises have been announced by Supt. C. S. Denham. The senior list includes Sue Beasley Amthor, Sandra Jean Augustine, Robert Lyon Bissett, Ralph Hugh Carden, Jack Collins Coates, Don Cooke, Willie Earlene Cunningham, Mary Kathryn Flowers, Billy Joe Forehand, Erylene Beth Griffin, Mary Ann Krause, Bernard Lemmons, Elisha Harry Palmer, Sam Stephen Perner, Jr., Hilbery M. Phillips, Jr., Edith Lou Piner, Nat Read, Lillian Schneemann, Isaac Estes Smith, Kerry Sherard Tandy, Marshall Lee Sweeten and Jackie James Womack. Ralph Carden is class valedictorian and Don Cooke and Marshall Sweeten tied in scholastic honors. Mary Ann Krause was the highest ranking girl.

Rev. Glen Edwards, pastor of the First Baptist Church, will preach the baccalaureate sermon to the graduates Sunday morning, May 9, at joint services, in the high school auditorium. Graduation exercises are planned for Thursday night, May 13, in the auditorium. Miss Mildred North, class sponsor in charge of program arrangement.

Nineteen pupils are candidates for promotion from the eighth grade, to high school. Miss Jacqueline This is in charge of arrangements for the junior high graduation exercises on Wednesday evening, May 12, in the high school auditorium.

The grade school promotion candidates are Joe A. Bailey, Douglas Capps, Ben Byrd Conklin, Marsha Ella Cunningham, Jo Ann Deaton, Larry Lee Graves, Allen P. Haive, Patsy Janell Hill, Madeline Johnson, Kay Kirby, Jean Darlene Lamun, Shirley Francene Lewis, Patricia Jewel Miller, Norris Pogue, Bud Thompson, Claudia Juanell Word, Bessie Kathryn Yancy and Patricia Roscoe.

Combined exercises will be held at the Latin-American school on Tuesday evening, May 11, for three candidates for graduation from high school and eleven candidates for promotion from the eighth grade to high school. Mrs. Janie Hull is in charge of arrangements for the graduating exercises.

Candidates for high school graduation are Jesus Flores Castro, Edna Alvarado Garcia and Horacio Ramirez Herrera. The eighth grade class is composed of Pedro Cisneros, Virgilio Machado, Jose Ortiz, Isaias Rios, Andres Vela, (Continued On Last Page)

NEW SCHOOL HEAD — Jack McIntosh, above, at present superintendent of school at Merzon, will assume the post as head of the Ozona schools on June 1, succeeding C. S. Denham, resigned.

School Trustees, Road Tax Issue Up For Vote Saturday

Four Trustee Terms Expire; Vote Also on Community Council

Crockett county voters who last week got their first work-out of the year will have an opportunity to get triple return on their poll tax investment next Saturday when they will have a chance to cast three ballots in one election, provided they qualify for each.

Election of three district school trustees, decision on the question of whether or not a special road tax of not to exceed 15 cents on the \$100 valuation shall be levied in this county and election of seven members of the Community Council are issues in the coming triple election.

In the election to decide on the special road tax issue, only qualified property tax paying voters of the county are eligible to cast a ballot. For the balloting on trustees, qualified voters, those who have paid poll tax or have an exemption and are otherwise qualified, whether or not they pay a property tax in the county, may vote, and in the matter of electing members of the Community Council, an unofficial, local committee of community planners, any adult resident of the county, whether an otherwise qualified voter or not, may vote.

Four members of the board of school trustees are to be elected in the Saturday balloting. Three present members of the board whose terms expire this year, Bill Bissett, Chas. E. Davidson, Jr., and Ashby McMullan, have consented to serve another term if elected, while the fourth member reaching the end of this term, Charley Coates, has requested that he be relieved of the duty of serving on the board and not be considered for re-election. Voters should mark their ballot for four candidates, either the present members of the board or any other four persons they might select as their choice for the posts.

Perhaps the most important issue facing the property tax paying voters as affecting the future of road maintenance work in this county will be that of authorizing the Commissioners Court to levy a special road tax of up to 15 cents on the \$100 valuation to supplement the present inadequate county revenue for building and maintaining the county's far-flung system of county roads.

This issue is being presented to the qualified voters for a decision after a petition bearing the required number of signatures of qualified voters was presented to the court asking that such an election be called. The county is handicapped in keeping up with the requirements of a fast-developing oil industry, plus the usual ranch road work, in the matter of building new roads and maintaining existing ones in the face of mounting costs of labor and equipment, with funds now available under the 15-cent limit imposed by state law. County road crews cannot be kept at work the year round with present funds, to say nothing of replacing machinery and equipment or buying needed additional equipment.

A list of nominees, chosen by a committee of representatives selected from various organized groups in the city, has been offered for consideration of voters in filling 7 vacancies on the Community Council, created by the expiring terms of present members. The 7 nominees are W. E. Friend, Jr., W. R. Baggett, Wayne West, Houston Smith, Mrs. L. B. Cox, Jr., Mrs. S. M. Harvick and Mrs. E. H. Chandler. Voters will be asked to vote for six for the Council posts, either the nominees or others they might choose.

Mr. and Mrs. Bud Cox had as guests for the Easter week-end Mr. and Mrs. Gene Hartwell of Paris, Texas, and Miss Maurice Mount, music instructor in the Rldford School for Girls at El Paso.

Texaco Pierce Well Has Gas Showing at 11,135; No Oil Show

The Texas Co. No. 1 Victor I. Pierce, Crockett county wildcat 21 miles south and slightly east of Ozona, showed gas rating 75,000 cubic feet daily on a one-hour drill-stem test from 11,030-134 feet as the well opened.

There was a strong blow of air at the beginning and the gas appeared in 20 minutes. Recovery was the 720-foot water blanket and 20 feet of drilling mud, with no shows of oil or gas. Drilling continued at 1,135 feet in lime of unannounced age, believed by some likely Ellenburger. No. 1 Pierce is 998 from the north, 1,980 feet from the east line of section 5-0 Clarissa W. Brown.

Texaco No. 1 Tom Smith, wildcat 660 from the south, 66 feet from the east line of the west half of section 5-0-Clarissa W. Brown was drilling at 5,722 in lime.

In the Midway Lane (Ellenburger) field in northeastern Crockett, Sinclair Prairie and Atlantic No. 2-62 University was rigging up rotary, with total depth 599 feet in lime. No. 2-67 University was drilling at 6,852 in lime and shale. No. 3-67 University at 5,614 in shale. No. 4-67 University at 265 in lime and No. 1-68 University at 7,544 in sandy lime.

Wells In Couch, Shannon Pools Are Completed

Locations Made for 2 Tests, in Shannon and Cox Fields

The Clara Couch (San Andres) and Shannon San Andres fields in Crockett county have added a producer each and the Shannon San Andres and Cox pools a location each.

Cities Service No. 8 A. C. Hoover in the Clara Couch field pumped 156 barrels of 25.4 gravity oil from pay topped at 2,198 feet, with total depth 2,225. It is 1,650 from the south, 2,310 feet from the east line of section 14-GG-GC&SF.

Sun No. 15-B Shannon estate in the Shannon San Andres pool was finished on the pump at 2,125 feet for 14.75 barrels of oil plus 90 percent water. It topped the pay at 2,120 feet. The well is 145.5 from the north, 330 feet out of the east line of section 22-1GS&SF.

L. H. Armer and Staley Bros. of Fort Worth filed application for a permit to drill No. 1-C A. C. Hoover in the Shannon San Andres field, 330 feet out of the northeast corner of the west half of section 19-1-GC&SF.

Gulf will drill No. 2-J Howard B. Cox of San Angelo 3,066 from the south, 990 feet from the east line of E. Ruiz survey 4. The test is due to start March 30 and to be drilled 950 feet with cable tools. It will be 950 feet southwest of Gulf No. 1-J Cox, a west offset to Gulf No. 1-C Cox, a core hole that became the discovery of the Cox field, two miles southeast of the Clara Couch field.

Gar-Ter No. 1-E Weiner-Shannon slated 8,000-foot wildcat five miles east of the Todd Deep field, was drilling below 1,010 feet in sand. It is near the C NE NE 16-UV-GC&SF.

Engagement of Barbara White And Sidney Rex Moughon Announced At Tea Saturday

Announcement of the engagement and approaching marriage of Miss Barbara White to Sidney Rex Moughon of Gilmer was made at a tea given Saturday afternoon by the bride-elect's mother, Mrs. Evart White.

Receiving the guests were Mrs. White and Barbara, Mrs. N. W. Graham, grandmother of the bride-to-be, Mrs. Rex Moughon of Gilmer, mother of the bridegroom-to-be, and Judy White.

Spring flower arrangements in pastel shades were placed at vantage points throughout the house. Centering the table was an illuminated scroll, a reproduction of an old parchment manuscript, bearing the announcement "Barbara and Sid, June 18." Mounted on two silver rolling pins, the scroll was lighted by a giant pale yellow candle and surrounded with flowers. The table was covered with a white cloth of Italian cutwork.

Mrs. Clinton Glover of Abilene and Mrs. T. A. Kincaid, Jr., alternated at pouring during the first hour and Mrs. Massie West and Mrs. Hugh Childress, Jr., during the second hour.

Others assisting in the house party were Mrs. L. B. Cox, Jr., Mrs. Madden Read, Mrs. Bob Martin of Dallas, Mrs. T. A. Bailey, Mrs. Boyd Clayton, Mrs. Paul Perner, Mrs. H. B. Tandy, Mrs. Dick Henderson of Valentine, Miss Jo Neal of Fort Monmouth, N. J. Miss Joyce West, Miss Ann West, Miss Nan Tandy, Mrs. L. B. Cox, III, and Mrs. R. A. Harrell.

One hundred fifteen guests called during the tea hours. Barbara is a graduate of Ozona High School and is now a junior at SMU in Dallas, where she is a member of Kappa Kappa Gamma sorority. She is a grand daughter of Mr. and Mrs. N. W. Graham of Ozona.

Mr. Moughon, son of Mrs. Rex Moughon and the late Mr. Moughon of Gilmer, Texas, is a graduate of Gilmer High School and is also a junior at SMU where he is studying law. He is a member of Phi Delta Theta fraternity.

The couple will be married in a garden ceremony at the home of the bride's parents here June 18.

OZONA LODGE NO. 747 A. F. & A. M.

Regular meeting on 1st Monday of each month.
Next Meeting April 5

For County Treasurer:
TOM CASBEER (Re-election)

For County and District Clerk:
GEORGE RUSSELL

For County Attorney:
N. W. GRAHAM

Spring Recommended As Time for Spraying Weeds with 2-4-D

COLLEGE STATION — Early spring is the season for killing out loco, hoarhound, bull thistle and poisonous bitterweed with 2-4-D, says Robert R. Lancaster, extension pasture specialist of Texas A & M College.

Uniform success on these has been reported by county agents over the state the past two years. The most complete kill is made by spraying when the plants are young, tender and growing. 2-4-D under any brand name is the same its solution may be weak or strong and the weak solutions need less water than the stronger concentrations. Directions for mixing and using the various brands are different, and may be found on their containers.

2-4-D will kill most any other weeds coming up this season of the year. It makes a fine weed killer, but Lancaster warns to keep it away from gardens, flowers and ornamental shrubs because it will damage these plants severely, perhaps kill them out entirely.

Another important thing to remember about the use of 2-4-D is that it is a fairly strong spray that "hangs on." Even if a sprayer is washed out after being used, it is possible to kill plants with 2-4-D while spraying insecticides some time later on. So the safest thing to do is to have two sprayers, one for 2-4-D, and one for insecticides. This way there will be no danger of injuring the plants when switching from 2-4-D to insecticides.

Music Students Are Eligible for \$1,000 Piano Scholarship

WINTER PARK — Students of members of the National Guild of Piano teachers in the Ozona, Texas, area will be eligible to compete for a \$1,000 scholarship in piano being offered by Rollins College. Audition will be held April 29 through May 1, in Ozona.

The awards are open to students who are high school or preparatory school graduates. The scholarships may be renewed if a high degree of academic and musical excellence is maintained.

Competition is being held on a nationwide scale. Candidates must submit a recording of their playing, which may be one recording, including parts of a Bach, a major movement of a Beethoven, a slow piece of the Chopin style and a brilliant piece of the candidate. Recordings should be sent to Prof. Charnoff, Rollins College, Winter Park, Fla., May 1.

All year round usefulness. In porch or home. Clean with hose. Write or phone for estimate. **McCAIN VENETIAN BLINDS**, S. Chadbourne, San Angelo, Texas. Phone 4622.

HONORED AND RESPECTED
Everywhere!

EVEN in strange lands, among strange peoples, the American soldier is looked up to with respect and sincere admiration.

And with good reason. Today, your Regular Army is a 100% volunteer force, made up of well-trained, high-caliber young men. Actually, only about half of those who apply for enlistment can meet the Army's high standards.

On Army Day, April 6th, you can show these patriotic citizens who represent you here and abroad that they have your whole-hearted interest and support. How? By visiting the special ARMY DAY exhibits that have been planned for you. By displaying your American flag. By getting better acquainted with your Regular Army at your local recruiting station.

New proof of
PONTIAC
Leadership!...

Lowest-priced car with GM Hydra-Matic Drive

Over the years, Pontiac has consistently proved a leader in bringing finer and finer quality to buyers of lower-priced cars. More than a hundred engineering "firsts" have been credited to the Pontiac engineering division. And now comes the crowning achievement in Pontiac's efforts to bring the finest available quality to buyers in the lower-price fields.

For the 1948 Pontiac offers, as optional* equipment on all models, the GM Hydra-Matic Drive. Never before has a car priced so low been made available with this phenomenal contribution to driving ease and safety! Obviously, you should now drive a Pontiac for

every reason. You should drive it for beauty—for comfort—for safety—for economy—for dependability... you should drive it for luxury of performance that is unsurpassed! For with General Motors Hydra-Matic, you can relax and drive. The clutch pedal is gone—and the gears shift themselves.

New 1948 models are now on display in our showrooms and among them is a car precisely suited to your needs. You are cordially invited to inspect them today.

*GM Hydra-Matic Drive, Bumper Guards and Wheel Covers optional at additional cost.

BOYCE HOUSE "GIVES YOU TEXAS"

It's 60 miles from Fort Stockton to Alpine — and did you imagine that there was that much of a stretch of highway left in the United States that doesn't have a single filling station?

You pass close to the spot at which the Confederate veteran, Powe, was killed in a dispute about a steer at a roundup. This animal, because he had cost a human life, was branded "M-U-R-D-E-R" and then turned loose to roam. Men said that other cattle seemed to shun the creature. Short stories and ballads have been written about the "murder steer."

Cas Edwards lives in Alpine. He knows the stories about the peaks and caves of that region. He used to play baseball and he's the business manager of the semi-pro club which has a beautiful park, with a fence of native rock. It would be pretty hard to watch one of their games through a knot-hole wouldn't it?

Years ago, Edwards devised a helicopter. Also he experimented with a device to heat a house with the rays of the sun. And he writes verse — in fact, he published a book of good western rhymes a couple of years back, published the book himself — 1,600 copies, and sold 'em all. And that's mighty good.

In fact, it's like the little boy who was asked, "How much is 10 times 9?" and he said, "Ninety," and

the teacher declared, "That's good." The boy said, "Good, h---; it's perfect!"

I once met a man who was rated as worth \$7,000,000. When we met again, he shook hands and smiled. Afterward, a mutual acquaintance said, "He likes you; that was mighty cordial for him."

Reckon a fellow who has \$7,000,000 has to be on his guard all the time to keep somebody from "getting to him" for a chunk of cash. A millionaire can never be sure that he is liked for himself and not for his money. That must make life a rather lonesome sort of thing.

And all this man's millions couldn't save him when a locomotive struck his automobile.

Trinity Players to Present "Junior Miss" Matinee, Night Friday

Under joint sponsorship of the Ozona Woman's Club and the Senior Class of Ozona High School,

the Trinity University Players will present a play, "Junior Miss," at both a matinee and evening performance in the high school auditorium Friday of this week.

The matinee performance will be at 2:30 Friday afternoon and the evening performance will be at

7:30. Admission prices for both performances will be \$1.20 for adults and 60 cents for students, tax included in both admissions.

House for rent. Suitable for office space also. Call 320. 1c

UNCLE SAM'S PART OF YOUR TELEPHONE BILL

The Federal tax rate on local telephone service is 15%. The tax rate on long distance service, where the charge is 25c or over, is 25%. Other forms of telephone service are subject to Federal taxes at rates ranging from 8% to 25%.

This tax is imposed by the U. S. Government directly on the user of the telephone. The telephone company, at its own expense, serves as a collector.

Long distance calls and certain other services, being taxed at 25%, are taxed higher than the 20% rate for luxuries such as furs, jewelry, and perfumes.

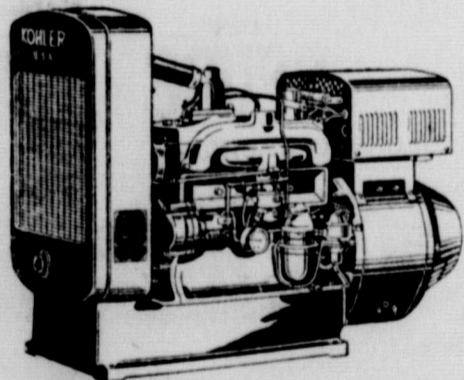

This form of tax, that is an excise tax on telephone service, has traditionally been resorted to only in national emergencies. Your telephone company believes this form of tax should not be a part of the peace time tax structure. Representatives of the telephone industry have urged and will continue to urge before the proper Congressional committees that these excise taxes now be eliminated; and many users and representatives of users of telephone service are likewise urging that they be repealed by the tax legislation now before the Congress.

Render Your Property For Taxation

BEFORE MAY 1st

Your tax assessor is now engaged in the important task of securing property renditions for 1948 and your cooperation in completing this work on time is earnestly solicited.

Unless your rendition blank is completed and signed before May 1, your property goes on the unrendered roll and your rendition must be completed by the Commissioners Court. Blanks are now ready for your signature and if your have not yet signed a rendition blank, it will be appreciated if you will call at the sheriff's office and do so.

To qualify yourself to vote in any election, render any piece of personal property for taxes.

Sheriff, Assessor and Collector of Taxes—Crockett Co.

**Woman's Society
Makes Final Plans
For Dist. Conference**

Final plans were laid for the annual San Angelo District Conference of the Woman's Society of Christian Service, to be held in Ozona April 6 and 7, at a meeting of the local society Wednesday afternoon. Members are expected from nearly 30 West Texas towns to the two-day conference here, and elaborate plans are being made for their entertainment.

A luncheon for the Executive Board will be held Tuesday noon, with a program to follow at the Chapel in the afternoon. In the evening members of the Society will be hostesses to the guests and ladies of the church at a supper at the Latin-American Center, followed by a program there. Wednesday morning, the business meeting, including election of officers will be held in the Chapel. The Latin-American Mothers Club will serve a Mexican dinner at the Center at noon and the afternoon's closing session will be at the chapel.

District officers expected to attend are Mrs. Morris McMillan, president, Mason, Mrs. K. M. Eckert, Mason, vice president; Mrs. M. D. Jennings, San Angelo, secretary; Mrs. Dee Word, Sonora, promotional secretary; Mrs. Ed Guslin, Brady, missionary education; Mrs. O. Kimbriel, Mason, social relations; Mrs. R. O. White, Rankin, student secretary; Mrs. O. C. Roche, Rocksprings, youth secretary; Mrs. J. B. Embry, Brady, children's secretary; Mrs. J. A. Fonman, Del Rio, spiritual life secretary; Mrs. T. R. Jones, Eagle Pass, supplies; Mrs. E. K. Mc-

Donald, Del Rio, status of women; Mrs. Ken Egden, Eldorado, literature and publications; Mrs. T. E. Johnson, Sonora, missionary personnel, and Mrs. F. H. Hamner, San Angelo, research chairman.

The Society's Executive Board met at 2 o'clock at the Chapel to complete Conference reports and at 3 o'clock members gathered for the regular business meeting, with the president, Mrs. Floyd Henderson presiding. Devotional was conducted by Mrs. John Bailey. A rising vote of thanks was extended to Mrs. R. A. Harrell and the program committee for presenting Mrs. Durward Pettit's splendid review of the book "Paul" by Goodspeed on Easter Sunday afternoon. Around 50 remained for the tea following the review.

The Society voted unanimously to ask the Jurisdictional office to return Miss Mary Riddle and Miss Frances Taylor as deaconesses for the Latin-American Center here for another year.

The next meeting will be April 14 in the Chapel, the topic for

study being "The Whole Creation is Our Lord's." Mrs. W. T. Stokes will be the leader.

Others present for the Wednesday meeting were Mrs. S. M. Harvick, Mrs. H. B. Tandy, Mrs. Bill Cooper, Mrs. R. A. Harrell, Mrs. B. B. Ingham, Mrs. Scott Peters, Mrs. Charley Coates, Mrs. Tom Harris, Mrs. Charles Williams, Mrs. Horace King, Mrs. W. R. Baggett and Mrs. L. B. Cox, Jr.

Mr. and Mrs. Wayne Matthews are the parents of a son born March 25. The youngster has been named Gary Herbert Matthews. Mr. Matthews teaches manual training in Ozona High School.

Rev. Horace M. King, pastor of the Ozona Methodist Church, is in San Antonio this week attending a meeting of the Conference Board of Missions on Tuesday and Wednesday and the Inter-Board Council meeting Thursday. Rev. King is secretary of the latter group. He also attended a meeting of the Board of Ministerial Training on Wednesday.

**ALL THEY ASKED
WAS AN EVEN BREAK**

BUILDING a new country was no easy job. But there were men and women willing to turn their backs on the comfortable way of life and their faces toward new frontiers. All they asked was an even break.

Free enterprise is another way of saying, "an even break." Free enterprise is the basic American principle of vision and personal initiative. Just give an American an even break—a chance to get ahead—and he'll go on from there.

In West Texas—where the "frontier" is a little more than one generation removed—the West Texas Utilities Company is recognized as a real pioneer. It opened up an "electric frontier" when in 1915 it constructed the first power transmission line in West Texas. This first transmission line, which helped pave the way for the economic growth of the area, was built by a farseeing group of business men who believed that a tax-paying, self-supporting company could best supply the enormous amounts of electric power that the development of this western empire depends on... at the lowest possible cost.

Today, that original transmission line has been expanded into a power system of 2,833 miles of high power transmission lines... more than any other company in the Southwest... serving 322,000 persons with dependable, low-cost electric service in a 45,000 square mile area.

The West Texas Utilities Company, in 1947, contributed more than \$1,800,000 to local, state and federal governments... paid more than \$2,800,000 in wages to employee citizens of West Texas.

There are still new frontiers in electric living to be opened... and businessmen can do the job better than bureaucrats. Believing in the soundness of the "free enterprise system," the Company will spend \$18,000,000 during the next four years enlarging plants and existing facilities, and building transmission lines in an all-out effort to "open" those new frontiers.

Sweater Awards Presented Girls of Volleyball Squad

White sweaters with 4-inch gold chenille letter "O" on a purple felt base, were presented this week to seventeen girls who composed the 1947-48 volleyball squad of Ozona High School and their coach, Miss Marie Gigstad.

Receiving sweater awards were Marilyn Hubbard, Betty Jane Schwalbe, Louise Wood, Patsy Mayfield, Betty Jo Thompson, Sue Meinecke, Earlene Cunningham, Edith Lou Piner, June Perner, Sandra Augustine, Barbara Anderson, Ruth Sparks, Darlene Thompson, Gwendolyn Earnest, Alinda Eastman, Patsy Cooke, Doris Armentrout and Miss Gigstad.

DELICIOUS . . . Pert Lila Lee Hatley is Washington state's choice for queen of the 1948 apple blossom festival in Wenatchee valley this April. Just turned 18, Lila Lee picks apples during summer vacations; and if that's what made her what she is today, cheers for Johnny Applesseed.

Mr. and Mrs. Warren Taliaferro were here from Austin to spend the Easter holiday with his parents, Mr. and Mrs. C. W. Taliaferro. Young Taliaferro is a student at the University of Texas in Austin.

Joe Perry, a student at A & M College, spent the Easter holiday week-end here visiting his mother Mrs. Gertrude Perry.

Miss Audrey Duncan, a student at North Texas State College in Denton, was a guest this week in the H. B. Tandy home.

Mrs. Bill Smentek and two children, George Lee and Gregg, were here last week for a visit with Mrs. Smentek's father, Lee Wilson.

The Ozona Red Birds, Latin-American baseball team, will open the 1948 season here next Sunday afternoon at 3 o'clock when they play the Estrellas team from Sonora.

Paves its own way!

Come in—learn the secrets of the famous Packard ride!

Scientific tests have proved it. Reports from delighted owners have confirmed it . . .

Packard's luxurious comfort is out of this world!

Why? Because the new '48 Packards have a suspension system all their own. A system that provides just the right softness for rough-pavement travel . . . just the right firmness for restful country cruising.

For it's an advanced, precision-

built system, with an ingenious, built-in ability to compensate for variations in load and road.

And to top it off—Packard adds to riding ease with heavier coachwork, styled for distinctive roominess as well as beauty. Scientifically sound-proofed. Luxuriously fitted out.

Come in—see for yourself! ASK THE MAN WHO OWNS ONE

RUPTURE SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Cactus Hotel San Angelo Friday only, April 2 from 9 a.m. to 4 p.m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge 6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

Joyce and Ann West, daughters of Mr. and Mrs. Massie West, and their guests, Jo Neal and Peggy Zupietta, all attending school in Dallas, left Monday after spending the Easter week-end in the West home.

Mr. and Mrs. Clay Adams and Camille spent the Easter week-end in Fort Stockton where they were joined by their daughter, Jane, a student at the Radford School for Girls in El Paso.

Mrs. Ira Carson is recuperating at her home here this week after her release from a hospital in Temple where she recently underwent an operation.

WEEKLY SWING OF SOUTHWEST FARM MARKETS

(USDA) — Grain and cotton furnished principal strong points at southwest markets during the past week as most livestock sold lower, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Corghums gained 15 cents a hundred pounds for the week, and wheat 10 cents a bushel, with other grains one to five cents higher.

Cattle sold strong to 50 cents higher for the week at Texas markets in contrast to losses of mainly 25 cents to \$1 at other southwest terminals. Monday's trading showed little change from last week's closing trends. Medium and good steers and yearlings ranged from \$23 to \$28 a hundred pounds in Texas sales, \$23 to \$26 at Oklahoma City, and around \$24 to \$27 for steers and heifers at Wichita, Denver and Kansas City. Good beef cows reached \$21 to \$22.50 throughout the Southwest.

Hog prices drifted downward almost continuously since Monday last week for losses of \$1 to \$2 at principal southwest markets.

Lamb prices eased downward 25 cents to \$1 for the week at most southwest terminals, although woolled lambs sold strong at Fort Worth and all classes held steady at San Antonio. Aged sheep held their own fairly well at all markets. Fort Worth and Oklahoma City paid \$19 to \$22.50 for medium to choice spring lambs and \$20.50 for medium and good woolled lambs in this week's early trade. Dust storms and unsettled markets almost halted southwest wool contracting.

TS&GRA —

(Continued From Page One)

plans for future undertakings were heard, after the meeting was begun with invocation by Rev. Glen Edwards, an address of welcome by Scott Peters and the response by Horace Fawcett of Del Rio.

A highlight of the afternoon session was a detailed report by Dr. I. B. Boughton, veterinarian of the Ranch Experiment Station near Sonora, of a month-long inspection tour of the foot and mouth disease infection area in Mexico which Dr. Boughton recently made at the behest of the Association.

Dr. Boughton described the extent of the Mexico outbreak of the disease and gave some details of the methods being used to check its spread. The fact that the disease has been confined to a more or less static area for the past several months and that it has not approached any nearer to the United States since control meas-

ures were inaugurated are the only bright features of the fight to stamp out the disease, Dr. Boughton said, in detailing the difficulties encountered by authorities in exercising any effective control of the disease. Foot and mouth disease will remain a threat to livestock producers in this country for many years to come, he predicted, and urged livestock men to support the proposal for establishment of a foot and mouth disease experiment station in the United States to undertake scientific study of the disease with a view to discovering an effective means of its control.

This subject touched off a spirited debate at a later stage in the directors meeting, when the resolutions committee proposed a resolution calling for endorsement of establishment of such a laboratory within the continental United States. The resolution was modified to call for endorsement of the establishment of a research laboratory but its location was left to the best judgment of authori-

ties.

The low price of mohair and the dead market inspired spirited discussion late in the long session of the directors, the directors finally deciding to postpone action on a proposal to request government price support for mohair until more growers can be contacted. A special meeting of directors and all producers of mohair was called for April 7 at Rocksprings when the question of whether or not the growers want mohair in the government program will be discussed.

Various other resolutions on subjects of interest to livestock growers were passed by the directors and the city of Ozona, and those responsible for royally entertaining the sheep and goat men, were extended the thanks of the directors.
