Midway Well Finals 1,214 Barrels

Pair-Atlantic No. 1-U Completed On Normal Flow

Byrd and Frost and Gulf B. Mayberry - J. Homer northwestern Crockett wildcat, made a second attempt to acidize the Wolfcamp, which earlier it flowed oil, Sinclair Prairie and Atlantic No. 2-66 University Tuesday the second completed larger producer in the Middle field in northeastern county.

One mile north of No. 1-66 University, the Midway Lane discovered Sinclair Prairie and Atlantic No. 2-66 University registered daily flowing potential of 4.88 gravity oil at a rate of 910.1. The well was through a half inch choke, with a total depth of 6,246 feet in shale.

Atlantic No. 2-66 University was completed with a natural daily potential of 1,320 barrels of oil, based on a six-hour test through a half inch tubing and casing perforations at 6,325-40 feet. No. 3-66 University, a pool opener, was drilling 6,339 feet in shale. N-4-66 University, C SE NE 30-46-U, east of the discovery, was making 6,246 feet in shale.

Byrd and Frost, Gulf No. 1 Mayberry recovered an average of 1,214 barrels of oil in swabbing nine hours of perforations at 6,325-40 feet. A 7-inch casing cemented at 6,400 feet. An attempt was made to section with 300 gallons but failed for mechanical reasons. The packer was to be set and another attempt to be made.

Prospect showed oil in between 6,309 and 6,400 feet in the Wolfcamp, basal Permian flowed oil on drillstem covering the section from 6,339 feet. It is 660 feet northeast and southeast of section 39-31-H&TC, 11 southeast of McCamey.

Atlantic No. 1-G J. W. Owens, outpost to the Clara Couch field in western Crockett county, C SW SW 6-GG H&OB, was tested from 5,692-7 feet in 10 hours, showed sweet gas and recovered 30 gas-cut mud. The gas rated 100 cubic feet daily. Drilling resumed with a 8 3/4 inch bit.

Brown Completes Pair Of Producers On A. C. Hoover Land

C. W. Brown of McCamey has completed a producer each in the Hoover and Simpson pools in Crockett county.

No. 1-C A. C. Hoover in the Couch field flowed 25 barrels of 26 gravity oil in 24 hours from pay at 1,474 to 1,492 feet, the total depth, which had been shot with 10 quarts of nitroglycerin. It is 1,650 feet from the north, 330 feet from the east line of section 2-1-GC&SF, near two small wells drilled by Roger Harris of Dallas in 1941 and acquired by Brown. The wells were shut in until an outlet was provided recently by the Texas-New Mexico Pipeline Co.

Brown No. 1-D Hoover in the Simpson field, 2,310 feet from the north, 330 feet from the east line of section 10-1-GC&S, pumped naturally 77 barrels of 26 gravity oil in 24 hours from pay topped at 1,527 feet, with total depth of 1,551.

Application for a permit to drill No. 1-E Hoover in the Simpson field has been filed by Brown. The scheduled 2,500-foot, cable tool test will be 330 feet out of the north half of the southeast quarter of section 10-1-GC&S.

Cities Service will drill No. 1-B Hoover in the Clara Couch field, 330 feet from the south, 1,070 feet from the west line of section 1-GC&SF Ry. Co. survey. Drilling 2,500 feet with cable tools is planned.

Rotarians Hear Story of Growth of Heinz "57" Varieties

R. V. Ray of San Angelo, salesman for H. J. Heinz Co., was the guest speaker at the Ozona Rotary luncheon Tuesday and told Rotarians and their guests the interesting story of the birth and development of the Heinz "57" varieties.

SMU-Texas Tilt Takes Spotlight In Southwest Conference

With the battle for the Southwest Conference pennant approaching the critical stage, Humble Oil & Refining Co. broadcasts this week will be of exceptional interest to football fans. Three crucial pennant battles and one stellar inter-sectional match make up the Saturday broadcast schedule.

The S. M. U.-Texas broadcast will emanate from the Cotton Bowl in Dallas, with Kern Tips describing grid-iron action and Alec Chessier filling in with color. The game, due to go on the air at 1:50 p.m., will be heard over stations WFAA-WBAP, Dallas-Fort Worth; KPRC, Houston; and WOAI, San Antonio.

The T. C. U.-Baylor match will be described by Bill Michaels, assisted by Eddie Barker at the color mike. The broadcast will go on the air at 2:20 p.m. from Waco, over stations WFAA-WBAP, Dallas-Fort Worth; KTSU, San Antonio; KTHT, Houston; and KWFT, Wichita Falls.

Fred Kincaid, Humble color announcer, will open the Arkansas-Texas A. & M. broadcast at 1:50 p.m., with play-by-play man Ves Box taking over at the kick-off. The broadcast, originating from Fayetteville, will be carried over stations KRLD, Dallas; KTRH, Houston and KABC, Austin.

The non-conference game of the day will be broadcast from Houston, where Rice tangles with Texas Tech. Charlie Jordan will handle play-by-play and Jerry Doggett, the color assignment. The broadcast, scheduled for 2:20 p.m., will be heard over stations WRR, Dallas; KFJZ, Fort Worth; KBST, Big Spring, KGKL, San Angelo.

First Oil From Ellenburger In Humble Smith

Northeastern Crockett Test Drilling Ahead at 8,314

First oil had been recovered from the Ellenburger Friday by Humble No. 1 Ethel Childress Smith estate, diagonal northeast offset to Humble No. 1 Mrs. Grady Mitcham, opener of the Childress (Ellenburger) field in north-easter Crockett county.

Drillstem testing from 8,224-84 feet for two hours No. 1 Smith estate showed a good blow of air at the start and gas in 43 minutes. It recovered 10 feet of drilling mud, 440 feet of oil and gas-cut drilling mud and 90 feet of 39 gravity oil. It drilled ahead to 8,314 feet and was drillstem testing again.

The Ellenburger was topped at 7,995 feet, 5,510 below sea level and 55 feet higher than in the No. 1 Mitcham. Location is the C SW SW 1-BS&F (G. B. Couch) Operaters this week prepared to drillstem test the Ellenburger from 8,360-8,420 feet.

Continental No. 1-SA-12 University, scheduled Ellenburger wildcat, in northeastern Crockett, C NE SE 13-47-U, was drilling at 5,960 feet in shale.

Callery Seeks Permit For Test SE Todd Field

New Operation Due To Explore Ellenburger to 6500 Ft.

F. A. Callery of Fort Worth filed application Thursday for a permit to drill a wildcat in Central Crockett county 1 1/2 miles southeast of the Todd Ellenburger field.

The operation will be No. 1 Smith-State, 1,980 feet from the south and east lines of section 68, block UV, GC&SF Ry. Co. survey, 15 miles northwest of Ozona. It is due to start Oct. 28 and drill with rotary 6,500 feet if necessary to explore the Ellenburger.

The wildcat will be 1 1/2 miles south of Stanolind No. 1, J. S. Todd estate, Ellenburger failure drilled seven years before the Todd Ellenburger field was discovered. The Stanolind test was credited with topping the Ellenburger at 7,006 feet, 4,346 feet below sea level. It showed some oil and gas but flowed sulphur water at 8,041 feet where it was abandoned. Callery has developed Ellenburger producer in No. 8 J. S. Todd on the southeast side of the Todd Ellenburger field only one-half mile northwest of the Stanolind No. 1 Todd.

Humble No. 1 Pleas L. Childress estate, C SW NE 5-CD-D&SF, 2 1/2 miles south and three-quarters of a mile east of Humble No. 1 Mrs. Grady Mitcham, the Childress field discovery, cemented 9 3/4-inch casing on bottom at 4,183 feet in lime and shale with 900 sacks and was standing.

M. E. Corbell Opens Insurance Agency

A new general insurance agency for Ozona is being announced this week by M. E. Corbell.

Mr. Corbell has qualified as local agent for fire, auto and life insurance policies and sick and accident, including hospitalization policies. He also offers policies covering loss of time from work, he announced.

Mr. Corbell is maintaining his insurance office in his home, just north of the residence of Mrs. J. J. North.

Lions Eke Out 18-13 Victory Over Junction

Hard Fighting Kimble Lads Put Up Spectacular Battle

Ozona High School Lions battled toe to toe with the powerful Junction Eagles under the lights at the Hill Country Fair Grounds gridiron in Junction Friday night and by standing off a determined Eagle counter attack in the closing minutes came off with a 5-point victory margin. The final tally was 18 for the Lions to 13 for the Eagles.

Playing before one of the largest crowds ever assembled for a District 8B contest, the two teams staged one of the most spectacular gridiron battles Ozona fans have ever witnessed.

The Lions were rushed off their feet in the opening minutes of the contest and a long Junction pass connected for the first touchdown of the game to put the Eagles off to a lead. The try for extra point was wide and the first quarter score stood 6 for the Eagles to 0 for the Lions.

But in the second quarter the Lions began to solve some of the Junction line sorties and taking over on the Junction 40, Lemmons tossed a long one to Don Cook who sacked up the oval on the Junction 20 where he was downed. Another first down was chalked on the Junction 10 and on a fourth try, a short pass was pulled in by Cook for the first Lion score. The try for point failed, leaving the score knotted 6 all at the half.

It was in the third quarter that Ozona's two ace backfield speedsters, Nat Read and Jack Coates, were cut loose by excellent blocking on the part of their teammates for spectacular touchdown runs of 40 yards each. Read darted through a quick opening hole off tackle and was behind the Junction secondary in a flash to scamper the remaining distance without a Junction tackler seriously threatening. Again the kick for the extra point failed, making the score 12 to 6 in the Lion's favor.

A few minutes later, the Lions again were in possession on the Junction 40 and Jack Coates was off at express train speed through an opening in the line, ducked and darted through the secondary to emerge in the clear for the third and last Ozona touchdown.

The touchdown spree of that third quarter was not over, however, for the Eagles put on a desperate drive using line plays and end runs that finally netted a touchdown rammed through t the center of the line. Britte, Walker and Dutton, Junction backs, led in that successful attack and the only point after touchdown of the evening sent the Junction score to 13.

Less than one touchdown from victory, the Eagles uncorked all they had in the last eight minutes of the game and the Lions were hard pressed in those minutes to stave off another Junction touchdown. The Lions drove to the Junction 14 but failed to negotiate the distance to the double strip and it was from this point that the Eagles got under way in their desperate attack in an effort to score.

Britte skirted the Ozona end to go all the way to the 42 before Nat Read, Ozona safety, brushed him out of bounds. Mixing passes with one plays, the Eagles kept up the pressure, but their drive was cut short when Lemmons intercepted an aerial on the Ozona 38.

With three wins and one loss, the Lions trail undefeated Sonora and Menard in District 8B combat, with Sonora the final opponent of the current district season, here on November 8.

Friday of this week, the Lions go to Eldorado to tackle the always dangerous Eldorado Eagles.

Among Ozonans attending the Texas-Rice football game in Austin last week were Mr. and Mrs. Marshall Montgomery, Mr. and Mrs. Hugh Childress, Jr., Mr. and Mrs. Bill Cooper, E. B. Baggett, Jr., and Jack Baggett.

Callery Completes No. 8 J. S. Todd For 1,944 Barrels Daily

F. A. Callery and associates' No. 8 J. S. Todd, on the southeast side of the Todd Ellenburger field in western Crockett county only one-half mile northwest of a 14-year-old Ellenburger failure, had been completed Saturday with a natural daily flowing potential of 1,944 barrels of pipeline oil.

The rating was based on a flow of 486 barrels in six hours through a three-quarter inch choke on 2 1/2-inch tubing set at 6,326 feet and 264 perforations, at 6,256 - 6,244 feet in 7-inch casing cemented on bottom at 6,346. Flowing pressures were 350 pounds on the casing and 450 pounds on the tubing. The well topped the Ellenburger at 6,1230 feet and the pay at 6,356. It is in the C SE SW 66-UV-GC&SF

Ozona Juniors Even Count With 6-0 Win Over Rocksprings

Ozona Junior High Cubs, guided by Coaches Chafin and Parker, rang up their first victory of the current season and evened the count with Rocksprings Juniors on the home field Wednesday afternoon.

The score was 6-0 in favor of the Cubs. Darwin Parr, Cub backfielder, grabbed down a Rocksprings pass in the second quarter and raced about 20 yards to pay dirt for the only tally of the game. The try for extra point failed. The locals lost to Rocksprings by the same score a week ago on the Rocksprings field.

8 Million Feet Of Wet Gas Struck In Gar-Ter Vaughn Well

Gar-Ter Drilling Corporation of Fort Worth No. 2-A Weiner-Vaughn, section 8, block OP, GC&SF survey north offset to the firm's San Andres discovery seven miles east of the Todd Deep area, in the Weiner-Vaughn area of Crockett, encountered, approximately 8,000,000 cubic feet of wet gas daily at 1,390 feet which blew tools up the hole. Operator then deepened to approximately 1,420 feet and was running casing to stop caving started by gas.

Gulf Oil Corporation staked an east offset to its Lancaster Hill discovery in Crockett as No. 3-R Texas, 330 feet from north and 990 feet from east lines of section 14, block 29, University Land, a 1,700 foot cable tool test to the Grayburg.

Congressman Regan "Open For Business" In Washington D. C.

A letter from Congressman Ken Regan, successor to R. E. Thomason, advises that he has been in Washington the past ten days in readiness for serving the people of the 16th district in the national Congress.

"With the able assistance of Mrs. Kate George our office here in Room 138, House Office Building, is and will be open for business throughout the year," the new congressman wrote.

After ordering The Stockman sent him in Washington, Mr. Regan added "I will be grateful to you for advising your readers of the address at which I invite them to call or write me concerning any matters in which they may be interested, or giving views they would care to express."

I-DEAL BRIDGE CLUB

Mrs. L. B. T. Sikes was hostess to members of I-Deal Bridge Club at her home Monday afternoon. High score for the afternoon games went to Mrs. Byron Stuart with second high to Mrs. S. W. Patterson, a guest. Mrs. John Marshall won the bingo prize.

Others present were Mrs. Jack Robinson, Mrs. D. L. Scott, Mrs. J. H. Tabor, Mrs. Vernon Raffliff, Mrs. Ted White, Mrs. Marvin Barnes, Mrs. Boyd Baker, Mrs. W. V. Guidroz and Mrs. H. N. Brown. The club will meet next week with Mrs. D. L. Scott.

County Invited To Apply For Aid In Airport Program

CAA Taking Applications Under Federal Airport Act

Crockett county has been invited by the Civil Aeronautics Administration to file application for federal aid, under the Federal Airport Act, for the development and improvement of the county airport 5 miles west of Ozona.

The invitation, together with the application forms, came this week from J. D. Church of Big Spring, district airport engineer.

Under the terms of the Federal Airport Act, Mr. Church wrote, C. A. A. is authorized to pay 25 per cent of land acquisition cost and 50 per cent of all other costs incurred in the development or improvement of any civil airport included in the national airport plan.

"The existing Ozona airport appears to be adequate for all types of use which it is receiving at the present time," Mr. Church wrote. "It is my thought that during the next year, either the city of Ozona or Crockett county might wish to sponsor the development of a Class 1 airport on a closer site that would provide more convenient access by air to the city of Ozona. We are asking you to discuss this matter with your governing body and provide us with a project request if it is their desire to be included in the Federal Airport Program for the fiscal year 1949, beginning July 1, 1948."

County Judge Houston Smith said that the matter would be discussed by the Commissioners Court but that at the present time there were no plans contemplated for moving or improving the present airport facilities.

P.T.A. Carnival Nets \$1,395 For Uniform Fund

Hope To Clear Debt With Rummage Sale Here Next Week

With a hearty thanks to all who contributed in any way and to the public at large whose liberal patronage made its success possible, officers of the Ozona Parent Teachers Association this week reported a net profit of \$1,395 from its second annual carnival staged in the downtown park Thursday night.

Large crowds swarmed the grounds from the late afternoon opening hour until after ten o'clock and all stands received liberal patronage.

A big collection of cakes, donated by members, attracted patrons to the "cake walk" which later turned into an auction of the luscious cakes to the highest bidder. The hot dog, hamburger, sandwich and drink stand did a landoffice business for the first couple of hours as families made it an occasion for a picnic supper. The bingo and chunk stands, kid's picture show and other concessions were well patronized.

"On behalf of the P.T.A., please express our appreciation to all those who contributed to and assisted in staging the carnival, to those who bid on the auction sales, and to the public in general who so liberally patronized all stands," said Mrs. Jake Young, president, in announcing results of the entertainment.

Jimmy Read, son of Mr. and Mrs. Mdden Read, arrived Monday from the west coast after receiving his discharge from the United States Navy. Young Read had been in service 22 months, the last year aboard a destroyer in the Pacific.

Mr. and Mrs. Massie West and Mr. and Mrs. Boyd Clayton plan to attend the SMU-Texas University game in Dallas Saturday.

Two New Members To Literary Club

The Ozona Literary Club met Tuesday afternoon at the Boy Scout Cabin. After the meeting was called to order by the president, Mrs. George Schulz, the club collect was read by Mrs. W. V. Guidroz.

Two new members were elected to the club, Mrs. J. D. Sheridan and Mrs. Jack Sims.

After the business session, Mrs. W. V. Guidroz, program leader, introduced Mrs. Hubert Baker, who gave a talk on federation. The club members were especially interested in this topic as their organization is a newly formed and newly federated club.

At the close of Mrs. Baker's talk, Mrs. James Simmler presented her with a gift of a pair of vases in appreciation of her interest in the club.

Refreshments were then served by the hostesses, Mrs. George Schulz, Mrs. James Simmler and Mrs. W. S. Hattchett. Members present were Mrs. R. J. Adams, Mrs. Charles Applewhite, Mrs. John Futral, Mrs. Ted Pilcher, Mrs. J. C. Kirk, Mrs. Fred Parker, Mrs. Cleophas Cooke, Mrs. Sam Patterson, Mrs. Jack Rutledge, Mrs. Byron Stuart, Mrs. Guidroz and the hostesses.

Texas Livestock Industry Loses \$5 Million From Grubs

COLLEGE STATION. — A little time and trouble now, plus some rotenone, can put Texas cattle and dairymen on the way to saving \$5 million.

How? By spraying for cattle grubs.

Statistics show that forty-two per cent of all Texas cattle are grubby. Grubby cattle are discounted at market at about one cent a pound. The total loss to Texans in the cattle and dairy business in terms of milk, meat and leather each year comes close to five million dollars.

Most farms and ranches cause their own trouble with grubs. Extension entomologists for Texas A. & M. College point out. Heel flies are parents of grubs, and the flies seldom migrate over half a mile. So treatment for grubs in the fall and winter will control the heel fly on the farm and ranch in the spring.

Spray the backs of the animals with a mixture of 7½ pounds of 5 per cent rotenone in 100 gallons of water at about 30-day intervals in the fall and winter the entomologists say. Rotenone dust can be used on small herds.

Control now will help to save next year, too, as it akes from 10 to 15 percent more feed to fatten a grubby steer than one free from grubs.

Mr. and Mrs. L. D. Kirby are the parents of a daughter born Saturday in a San Angelo hospital. Mr. Kirby is assistant cashier at the Ozona National Bank.

Plenty of POOR BOY STOCK SALT for sale at BEST SERVICE STATION, Best Texas, Jack Cruikshank, Manager. 29-3p.

Dr. Fred R. Baker, Pioneer West Texas Optometrist Dies

Dr. Fred R. Baker, 76, pioneer West Texas optometrist, who included Ozona in the score or more of West Texas towns he visited in

a regular itinerary, died in a San Angelo hospital early Tuesday following an operation.

Funeral services were held from the Brewer Funeral Home in Dallas at 3 o'clock Wednesday afternoon, burial following in Greenwood Cemetery.

Dr. Baker was born May 27, 1871, at Lansing, Mich. and was appointed to the Texas State Board of Optometry Examiners by Former Governor Pat M. Neff to

serve on the first board after the passage of the optometry law in this state. He held many offices in the state and national associations.

FOOTBALL NEWS

Defeated By Students Of Ozona High School

LIONS WIN CLOSE OVER JUNCTION

The game opened when Ozona led to Junction. Both teams fought furiously during the first half, but in the second quarter Junction scored on a long pass to the goal, making the score 7-0 in Junction's favor.

Close of the 2nd quarter, hitting Lions steadily toward their goal to touchdown on a short pass, but the extra point was not made. The score 6-6 at the half, both Ozona and Junction band and pep squad

second half started with kicking to us. Along in the quarter the Lions scored. The extra point was not made. The score 12-6 in Junction's favor. For the rest of the quarter and the first of

the fourth both teams were making no headway.

But the Lions scored once more, making the score 18-6. Almost immediately after we scored the Junction Eagles made a desperate drive for the goal and made it. Their extra point was good making the score 18-13 still in Ozona's favor. There was still about 8 minutes before the game was over, and during this time two of our boys were hurt and were taken from the field. We fumbled the ball and Junction recovered.

They were giving all they had for a last try at the goal. It looked as if they were going to make it when we intercepted a pass, and held the ball long enough for the final whistle to end the game.

Let's not forget the game in Eldorado next Friday night.
BEAT ELDORADO

LIBRARY NOTES

The librarian has acquired quite a few new books given to us by the following people: Allan R. Bosworth gave us "Full Crash Dive," "Hang and Rattle," "Sancho of the Long, Long Horns," and "Wherever the Grass Grows,"

Mr. and Mrs. Roy Henderson gave "Story of the F. B. I." and "70 Miles from a Lemon;" Mrs. Madden Read has given to us "Cities of America;" Nat Read "The Southwest;" Ann Harvick gave "Practically Perfect," "The Son of the Black Stallion," and "Friday's Child;" Charles Mankin, "Adm. Halsey's Story," and "Lost Lagoon;" Bob Cooper, "Captured by the Japanese;" Patsy Mayfield, "Summer Stranger;" Lillian Schneemann, "Tall Talk from Texas," "Chicken Every Sunday" and "Ridin' the Rainbow;" G. A. Roads, "Gentlemen's Agreement;" Joe Albert Brown "Bucsskin;" and "Charlie Boy Davidson," "Big

Red;" and Joe Perry fixed us up on airplane books by giving us the following: "Books of Modern Airplanes," "Flying Fortress," "Air Power," "War in the Air," "America's Fighting Planes," "Famous Flights," and "Air News Yearbooks."

We thank all you nice people and we have received a new shipment of books including several which are available as gifts.

HOME-MAKING NEWS

H. M. II served coffee and cake to the Ozona High School faculty. The hostesses were: Patsy Mayfield, Mary K. Flowers, Judy

White and Marilyn Hubbard. This coffee included the study of cakes one by the conventional method and the other with the same recipe but by a quick method of mixing.

H. M. I have finished their pajamas and gowns. The most fun was when the time came for posing for pictures. They are now studying dress designs and a study of individuals, as to what color of dress would be suitable for them.

The 8th grade have finished their aprons and have had a brief study of grooming and posture. They are about to start a unit on foods.

H. M. II is studying kitchen plans and the kitchen arrangement and color schemes.

P. T. A. CARNIVAL

The Carnival opened on Thursday, October 23 at 5:30 with the Band playing a number of selections. The games which were included in the Carnival were ball throwing, horse - shoe pitching,

picture show, cake walks, bingo and fortune telling. They also sold hot dogs, sandwiches, coffee and hot chocolate. The western saddle was won by Alma Greer of Ozona. This event was put on to try to raise more money for the Band uniforms and took in a profit of \$1395.29. The carnival broke up about 10 o'clock.

THE BOYS AT WORK

In the Manual Training classes the boys are learning mechanical drawing in the high school classes and the Junior High boys are doing woodworking. At present the woodwork class is helping to salvage some nice boxes and to get them ready for construction. They are also doing some painting and practical work in shop care and maintenance.

Each boy in the high school manual training classes has completed during the first six weeks fifteen sheets of free hand drawing.

WHY long distance lines are so busy

Long distance telephones are carrying a heavier traffic load today than even in wartime. Business men in search of merchandise, manufacturers and builders in need of equipment, naturally use the telephone as the quickest way to reach suppliers. Our long distance lines are still overloaded, so telephone "traffic jams" occur. If you have a few minutes' wait when calling long distance, please be patient. Today, as always, telephones carry a lot of important business.

SCHOOL NEWS

(Continued from Page 3)

signs. This consists of lettering and straight lines and designs. During the last twelve weeks of this semester the boys will learn instrument drawing and will draw blocks cut into various shapes and angles.

At the close of the semester each boy will bind his drawings in book form, designing and making his own binders.

The boys are progressing nicely with their drawings and are gaining good foundation material for their woodworking to which they are looking forward next semester.

RAY BACK

Who is that coming up the halls of O.H.S.? He looks like he forgot to take off his shoulder pads after football practice. Why it's Ray Piner! He has his shoulder in a cast. Ray broke his collar bone in football practice on Wednesday October 15. He went to a hospital in San Angelo on the 23 to have an operation on his collar bone. He is feeling quite well now, and we are all glad to have him back in school again.

MEET THE PRESIDENTS

In the '47-'48 election this year, Bernard Lemmons beat everyone in the race for President. He is well suited for the job. He's been a local yokel for sixteen years, and a lot of that time he's been carrying the ball in the backfield of our football team. This year the seniors passed the ball to him, and we think he will do a good job of carrying it.

The Junior President this year is a little darling that manages to always be in mischief, or at least to get blamed for it. He is just the boy for the job. In case the Juniors don't dig up enough money for the Junior-Senior banquet this year, they will probably have Armand Hoover, their pres-

ident, standing on the street corners selling worms for a dime each. (Doesn't someone want to go fishing?)

"Oh, where is Charles?" Among the girls and boys in high school you will hear that question a hundred times a day. Yes, that's the sophomore president, Charles Cunningham. He is always willing to help everyone, so, if you need a helping hand, just go to Charles.

We have a new addition to O. H. S. this year and, as it happens, she's the freshman class president. She's Hallie Kinser. All of you know and like her by now, so you probably know, as the freshman do, that they have one swell little president.

SUNDAY SERVICES AT THE METHODIST CHAPEL

Horace M. King, Pastor

Sunday morning's eleven o'clock worship service will use the sermon theme, "Such As I Have."

The gratifying attendance last Sunday and the genial fellowship set a new pace for the Methodist "family."

Sunday School sessions begin at 9:45.

The Quarterly Conference at which delegates will be elected to the District Congregation convenes at 2:25 p.m. at the "chapel" as the temporary sanctuary is being called. It is an important meeting for all officials of the church.

A membership-wide Church Conference is called for the evening hour at 7:30 p.m. The matter of launching the building enterprise will be discussed and the plans, building program and financing considered.

WEST TEXAS UTILITIES COMPANY AWARDED NAVY CITATION—A citation signed by James Forrestal, as Secretary of the Navy, is presented to Price Campbell, president West Texas Utilities Company, by Commander G. E. Talbutt, USNR, in recognition of services rendered the Naval Reserve Program during 1947.

Commander Talbutt, Naval Reserve Field Administrator, in presenting the citation, pointed out that the operation of the Naval Reserve in this territory is being materially aided by the cooperation of such institutions as the West Texas Utilities Company. Mr. Campbell, in accepting the citation, reaffirmed the principle that the facilities of the West Texas Utilities Company are dedicated to the public's service.

WEEKLY SWING OF SOUTHWEST FARM MARKETS

(USDA) — Late losses on grain and cotton markets pointed up generally unsettled conditions on southwest farm markets last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Dry weather in winter wheat areas and heavy buying for overseas shipment raised wheat early, and Friday's break left a week's gain of 5 cents. The same dry weather hastened maturity and drying of the corn crop, and marketings increased. Late-week corn losses erased early gains, while oats, barley and sorghums also closed lower.

Some feed ingredients fell, but formula feeds still found good demand. Alfalfa hay showed a slightly weaker tone, while prairie hay advanced \$1 per ton. Light commercial demand forced most farmers' stock peanuts into govern-

ment warehouses. Wool demand.

Most cattle markets closed week about unchanged, but Omaha City gained strength on weakness developed on the classes at Denver and on the stocker calves at Houston. Steers at \$25 to \$32.25, and its moved medium and premium steers at \$24.50. Commercial steers at \$19 at San Antonio, \$21 at Fort Worth, and \$17 at Oklahoma City. Lambs gained sharply at southwest markets. Fort and Oklahoma City around \$2.50 and Wichita and San Antonio mostly \$1.25 to \$1.50. Slaughter ewes were \$1.25 to 75 cents, while lambs sold steady to \$1.50 at Fort Worth. Cows and

University Enrollment To Record High

AUSTIN. — Enrollment in the University of Texas this fall totals 17,343 — the highest figure in its 65-year-old history. For the same period in 1946 the enrollment was 17,108.

Veterans number 10,577, as compared with 10,839 last fall. There are 400 less freshmen than were enrolled last year.

Livestock Shipments Drop Again in August

AUSTIN — Livestock shipments dropped off again in August for the third consecutive monthly dip according to the University of Texas Bureau of Business Research.

Shipments lagged 24 per cent behind July figures and slid 33 per cent lower than August 1946 shipments to fall to a monthly total of 6,339 carloads.

Cattle shipments plunged 31 per cent lower during the month but still accounted for 3,335 carloads, or more than half of the total. Shipments of calves, showing the only gain in August rose 15 per cent over July levels to reach 1,153 carloads. Shipments of sheep dipped 27 per cent from July to August and hog shipments edged downward 5 per cent.

ANYTHING FOR A THRILL . . . Some people will do a lot for publicity. Take this guy, for instance. He probably has a wife and three sweet children waiting for him at home. Chances are his ulcers don't bother him too much. He has a good job. He has, in short, everything to live for, but still he goes skinning around on this vicious looking rock. (It's part of Big Slide mountain in the New York Adirondacks.) Worst of it is, he doesn't even get his name in the papers.

Taylor-Taliaferro Nuptial Rites Read In Austin Oct. 11

Announcement has been made of the wedding in Austin on October 11 of Miss Louise Taylor and Clifton Taliaferro of Ozona.

The wedding was solemnized in the Lutheran Church at Austin. The bride is a daughter of Mrs. Emma Taylor of Eden and until recently was employed in the office of the Texas Company exploration crew stationed here.

The groom, a son of Mr. and Mrs. C. W. Taliaferro of Ozona, is a student at the University of Texas where he is majoring in business administration. He has been employed here in recent months in his father's garage and auto agency, returning this fall to the University. He served five years in the U. S. Army Air Forces during the war, overseas with the Fifteenth Air Force.

The couple will live at 3508 1/2 South First Street in Austin.

Personality Study For Woman's Club Program Tuesday

Personality was the program topic when the Ozona Woman's Club met Tuesday afternoon at the Granny Miller Hall of the Church of Christ. Mrs. O. L. Sims was leader for the day with Mrs. W. E. Friend, Jr., and Mrs. P. T. Robison as hostesses.

Self-confidence was discussed by Mrs. Vernon Ratliff and Miss Frances Taylor talked on Psychoanalysis and Religion. Mrs. Ewart White discussed "Personality Aberrations."

Members present included Mrs. N. W. Graham, Mrs. John Bailey,

Mrs. L. B. Cox, Jr., Mrs. A. C. Hoover, Mrs. P. T. Robison, Mrs. O. L. Sims, Mrs. Hubert Baker, Mrs. W. R. Baggett, Mrs. J. W. Henderson, Mrs. B. B. Ingham, Mrs. W. E. Friend, Jr., Mrs. Joe Pierce, Mrs. Vernon Ratliff, Mrs. Ewart White, Miss Frances Taylor, Mrs. Stephen Perner and Mrs. Lee Childress.

Farm Cash Income In Texas Above Nation

AUSTIN — Total cash receipts of farmers in Texas during the first 8 months of 1947 reached almost 1 billion dollars to better year-ago figures by 300 million dollars, The University of Texas Bureau of Business Research reported.

Cumulative farm cash income figures for 1947, January through August, are 41 percent above income for the same period of 1946. In the nation as a whole, the same comparison reveals a gain of only 21 per cent. An increase of 24 per cent in prices accounted for most of the United States change in income, according to government reports.

The \$935,861,000 total for the 8 months of 1947 was a result of dollar gains in all crop-reporting districts except for the 30 per cent slump registered in the Trans-Pecos district. Greatest percent gain for the period was in the Northern High Plains, where income scored a 130 per cent increase. Next was the Red Bed Plains 86 per cent hike over the January through August period in 1946.

Christmas Card samples now on display at the Stockman office.

SHADES OF THE PHAROAHS . . . Eddie Niederhauser, golfer, is not trying to drive the ball over the 5,000-year-old great pyramid of Gizeh—especially out of a sand trap. He's merely trying out the new nine-hole golf course near Gizeh, Egypt, and probably wondering if the old pharaohs are spinning in their graves like egg-beaters every time they hear a cry of "Fore!"

Presidio Farmers And Ranchers Sold On Use of DDT

COLLEGE STATION. — Stockmen of Presidio county have about decided that they don't want to ranch without DDT.

During the past spring and summer, they used 4,800 pounds of the insecticide for use in external parasite control. Presidio County Agent Houston E. Smith reports that there are 29 sprayers individually owned in the county, and one commercial machine that has sprayed approximately 18,000

head of cattle and 45,000 head of sheep this year.

The popularity of DDT is by no means confined to the livestock industry, says Smith. Presidio Valley cotton producers began pick-

ing last month what is expected to be the best grade of cotton in several years. Presidio by every cotton field in the valley says the county agent, was ed with 10 per cent DDT.

From where I sit ... by Joe Marsh

Sam's a Matrimony Expert

Sam Abernathy never intended to be a matrimony expert, but he hit the nail on the head the other day when he said:

"What marriage really needs is more open minds and a lot fewer open mouths."

Sam may not think much of his missus' choice of hats or her habit of serving watercress and cream cheese salad. But he keeps his mouth shut (I mean, he just uses it to eat the salad). And the missus never criticizes Sam's affection for that worn-out chair before the fire,

and his mellow glass of beer and pipe at the end of a long day.

From where I sit, that prescription would apply to most human relationships. Criticism rarely rouses anything but resentment. But an open mind—whether it's applied to a woman's choice of hats, or a husband's preference for a pipe and a moderate glass of beer or two—leads to the conclusion that there's right on both sides.

Joe Marsh
