Deaths Of Three Crockett War Dead Returned

Brothers, Ismail To Be Buried Soon

Three Crockett county men who gave their lives in World War II are being returned to their family plots here, families notified by the agency in charge of returning American dead.

Manuel and Pablo Diaz, and Mrs. Enemencia Diaz, were killed in action in Germany and for whom the local A. I. post is named, and of Ismail, a brother of Elvira Najjar, killed in Germany, are being returned at an early date, the agency has been notified.

Manuel Diaz was wounded in action on October 16, 1943, in the bitter fighting on the continent of Europe. He was taken prisoner by the Germans and died the next day in a prison camp, according to information transmitted through the International Red Cross.

Manuel Diaz was killed in action in the latter stages of the war on April 15, 1944, in the fighting in Italy. Lucio Diaz, another brother, was captured by the Germans a few months before Manuel's death and subsequent death. Information reaching the family in Italy that the wounded Manuel had been moved from the same prison camp as Lucio was being held by the Germans, was received on the same day and never reached.

Manuel Diaz brother, Eduvino Diaz, reached draft age after the end of the war in the Pacific a year with the occupiers in Japan, receiving his discharge after return to the U. S. on April 19, 1945, and the following day, less than two weeks before the collapse of the Germans. He was killed by a patrol in an Army rest area behind the lines, according to information later received by a family from a buddy. Notification of Najjar's death was received from the War Department on April 10, after the end of the war in Europe.

The bodies are being shipped to the distribution center in North and the family and funeral directors will be advised by telegram of the hour of the burial according to telegrams to the families.

All Ozona audience enjoyed the concert given Friday night by the Trinity University Choir in Antonio at the high school auditorium. More than 100 members were combined in the numbers, under the direction of Dr. Ralph Ewing, head of the music department of the San Antonio institution.

The appearance of the choir here was sponsored by the Ozona Music Club. Officers of the Music Club are: Mrs. C. O. Walker, president; Mrs. Henry Carden and Mrs. Wesley Graham, vice-presidents.

W. C. Hatcher, above, who will give a lecture, illustrated with motion pictures taken in Italy, on the Church of Christ missionary program in Italy, at the local Church of Christ next Wednesday night.

Missionary To Italy To Speak Here November 24

W. C. Hatcher to Show Movies Taken in War Torn Nation

A lecture on missionary plans of the Church of Christ in Italy, with pictures he took while on a study of the field last fall in that country, will be given at the Church of Christ here next Wednesday, December 1, by William C. Hatcher, who will leave in January to devote his life to missionary work in Italy.

Mr. Hatcher is being sponsored in this work by the Hayes Avenue Church of Christ in Detroit, Mich. Mr. Hatcher is a graduate of Abilene Christian College and has attended many other institutions to prepare himself for his life work. He speaks Italian and several other languages fluently.

Last fall Mr. Hatcher and another minister, C. R. Paden, went to Italy to obtain the necessary information to start the work there. They spent two months collecting information, taking pictures of conditions existing in war torn Italy.

The lecture here Wednesday night will consist of a description of the things the two men observed in Italy and he will show approximately 1,200 feet of moving pictures taken in that country.

About fourteen missionaries will leave this country for Italy in January, 1949. Mr. Hatcher and his wife the former Peggy Alice Baker of Athens, Texas will be among that number. Along with the boy's home the Church plans to build in Italy, the missionaries will be engaged in a public proclamation of the Gospel and a program of benevolent work will be carried on by the Churches of Christ in America.

Since Mr. Hatcher returned from his tour of Italy, he has been engaged in daily speaking engagements, covering most of Texas and into nearly every state in the union. The appearance here will be his last in Texas. The next month will be spent in preparation for sailing Jan. 4, on the liner "Vulcania" for Rome, Italy.

The Church of Christ in Ozona invites everybody to hear Mr. Hatcher and see the pictures taken in Italy last fall.

The Woman's Forum met in the Ralph Watson home Thursday with Miss Wanda Watson as hostess. Twelve members and two guests heard a debate on the question "Are Our Schools Adequate?" Mrs. T. J. Bailey gave the positive side and Mrs. Charlie Black and Mrs. Pleas Childress had the negative argument.

Following the program fruit cake and coffee were served to Mrs. Marshall Montgomery, Mrs. Hugh Childress, Jr., Mrs. Eddie Bower, Mrs. Nip Blackstone, Mrs. Bill Childress, Mrs. Fred Hagelstein, Mrs. C. O. Walker, Mrs. Black, Mrs. Bailey, Mrs. Childress, Mrs. Henry Carden and Mrs. Wesley Graham.

New 4-H Advisory Committee Named At Parents Meet

New Committee to Plan Spring Shows And Year's Activity

A new adult advisory committee for the Crockett County 4-H Club was selected at a called meeting at the Ozona Courthouse at 5 o'clock last Wednesday. Parents elected to work on this committee were Charles E. Davidson, Jr., Mrs. Frankie Jones and Lindsey Hicks, for a one year period; and T. A. Kincaid, Jr., and Miller Robison for a two year term.

All parents attending the meeting were given a preview of next spring's show schedule for the boys. The newly elected adult committee will be responsible for organizing the Second Annual Livestock Show which will be held next January 15 and also for planning the forthcoming year's activities of the Crockett County 4-H Club.

Members of the old committee were commended by the parents present at the meeting for the outstanding job they had accomplished during the past year. Parents serving on the committee the past year were Charles E. Davidson, Jr., chairman, Mrs. Frankie Jones, Lindsey Hicks, the late Philip Lee Childress and Charlie Coates. This group was responsible for securing the use of the Ozona Fair Grounds for the club boys to use in their centralized feeding program. The First Annual Crockett County 4-H Club Show was established and 22 lambs were sold for an average of 99½ cents per pound or \$555.12 per head. Club calves averaged 39½ cents per pound or \$555.12 per head. UICB boys under the leadership of this committee exhibited at four major shows the past year; the County Show, Houston Fat Stock Show, San Angelo Show and the Dallas Fair. A total of \$413.50 in prize money was won by Ozona boys at these shows. Thirteen steers were exhibited at the major shows this past year and 10 of these won prize money.

Crockett county youths have 15 steers and 70 lambs on feed for the spring shows. This livestock will be exhibited at the County Show here, Fort Worth, Houston and San Angelo.

Menard Wins Flip To Represent 7B In Bi-District Play

The Menard Yellowjackets, who last Friday night nudged the Sonora Bronchos 14 to 13 in final 7-B play, thus going into a tie with the Big Lake Owls for the district championship, will represent the district in the bi-district go as a result of a turn of the coin at a meeting of the district committee in Sonora Sunday.

Menard and Big Lake, who played a 6-6 tie game in their early season district strife, were declared co-champions of District 7-B by action of the executive committee. A toss of the coin decided the issue and Menard won the assignment.

Menard will go against the Eden Bulldogs, champions of District 8-B for the bi-district championship in Eden Friday night, December 3.

Sheep and Goat Raisers Annual Meet In Angelo

Outstanding Program Is Arranged For Convention Dec. 6-8

San Angelo will host to the 33rd Annual Convention of the Texas Sheep and Goat Raisers' Association and plans are well under way to entertain the 700 ranchmen and others who are expected to attend. The meeting will be held December 6, 7 and 8 at the Cactus Hotel which has been selected as headquarters.

The headquarters and one of the other large hotels report that all their rooms are booked for the convention but rooms are still available at some of the smaller hotels and the tourist courts. Many ranchmen from the immediate surrounding country and towns are expected to drive in each morning for the meetings.

Clayton Puckett, Fort Stockton, President of the Association, urges every person interested in the sheep and goat industry to attend. He said, "This organization belongs to the people who make up its membership, and the officers elected to guide the Association need their help in formulating policies."

The complete list of speakers is not complete. Mr. Puckett stated, but those that have already accepted invitations to appear are Mr. Robert E. Pent, President of the Pioneer Worsted Mills, New (Continued on Last Page)

L. Coffee, Drilling Contractor Here, Dies Suddenly In Abilene

L. Coffee, drilling contractor who has been operating in the Ozona area for the past four years, died suddenly from a heart attack in Abilene at about 11 o'clock Tuesday morning.

Mr. and Mrs. Coffee had gone to Abilene where he was a witness in a lawsuit on trial there. He had just completed his testimony in the case when he was stricken. Mrs. Coffee rushed him to a hospital, but he died a few minutes later.

Funeral services were to have been held at 4 o'clock Wednesday afternoon in Big Spring, former home of the family.

Mr. and Mrs. Coffee had made their home in Barnhart, but most of his work was in the Crockett county oil field area and he was well known here. Surviving are the widow and one daughter, Margie Coffee, a student at Sul Ross State Teachers College.

Harvick Files Suit For Two Million Royalty

Option on Chambers Co. Land Basis for Action Filed Here

The long established fact that minerals are a part of the land, is the basis of a suit by J. A. Harvick, Crockett county ranchman, who seeks to purchase royalty on a league of Chambers county school land through an option he has held for years.

This land, now in the center of one of the county's newest oil fields, came into litigation in 112th District Court through sale of royalty by Chambers county to R. J. St. Germain of Houston and 59 other defendants. Oil men estimate the value of the royalty at \$2 million.

Harvick has leased the Chambers county school lands in this county since July 9, 1938. Under the terms of the lease Chambers county could sell the land at any time, but the plaintiff is given the option to purchase at the same price and on the same terms as offered by other purchasers.

The petition alleges that on Jan. 13, 1947 — and without notice to Harvick — Chambers county conveyed to St. Germain a part of the land "to wit, a part of the oil, gas and other minerals thereunder" and that the consideration for one-half the royalties was \$100,000 in cash.

The petition states further "Plaintiff availing himself of his contractual and constitutional rights therefore tenders the sum of \$1,000,000 . . . to be distributed among the defendants in accordance with their respective interests, in exchange for the interests and properties conveyed by Chambers county in its deed to St. Germain . . ."

This is based on the premise that Harvick would have purchased the 1-6 royalty had he been given the right to do so, he alleges, is provided in his contract.

The land in question is a league of 4,428 acres located in the Midway Lane oil field. Oil is being produced from the land and "many thousands of dollars" have been paid the defendants for their "purported shares of production under the deeds held by them," the court papers set out.

St. Germain conveyed by sale and gift large shares of the royalties prior to filing his deed of record on Jan. 17, 1947. Most of the defendants, including St. Germain, live in Houston but others are scattered from Matagorda county to Tulsa, N. Y., and Minnesota.

While most are individuals, some royalty and investment companies, and even the Young Men's Christian Association of Muskogee, Okla., are named as well.

Trial of the case is not expected until next year, possibly during the April term of court which opens here April 4, 1949. Attorneys for Harvick are Houston Smith of Ozona and Neill & Lewis of San Angelo. The petition was filed by Robert T. Neill.

Hard Winter Ahead For Cattle; Feeding Supplement Urged

COLLEGE STATION. — Texas cattle, both beef and dairy, face a hard winter.

In average years cattle enter the winter months in good shape after feeding on green grass. This year, however, many cattle are already suffering from a lack of the green feed. There just isn't any to be had.

Many cows that are now carrying calves may not be quite up to the task of giving birth and taking care of their young, says Dr. W. C. Banks, extension veterinarian of Texas A. & M. College.

Banks suggests that stockmen plan a good feeding program for the cattle. In addition to protein feeding, plenty of good quality hay

Green Hornets Win First In Torrid Go With Rankin Five

In a hotly contested game Monday night, the Ozona Green Hornets won their first game of the year from the Rankin Independent club 47-45. Some real clutch shooting by Pelto and McClanahan were the deciding factors in the wild finish.

Instead of making a fast start as they had in all previous games the Hornets started very slowly, chalking up only three points in the first ten minutes of play. In the second quarter, however, the Ozona club began to move as first

Pelto then Jack Foster found the range on one-handers from the middle to take a 6-point lead at the half. It was during that second quarter rally that the Hornets displayed their best brand of basketball to date — hitting upon a smooth, team coordination.

When the Rankin boys came back strong in the second half to regain the lead, it looked like the same old story as in the losing games. But the nearer the end of the game, the closer the score — until with a minute and twenty-seconds, the count was 43-41. On a double foul, first Goss of Rankin, then Pelto of Ozona sank free throws to knot the count at 44-44. But then Ford of Rankin was

fouled under the basket after another unsuccessful free shot by Ozona. With only seconds remaining Ford made the goal — and the score was 45-44 for Rankin. McClanahan brought the ball to court, passed high to Pelto, who was fouled as the final whistle blew. Though he missed his shot, the big boy from Rankin calmly sang the second to win the ball game into an overtime. The ensuing 5-minute overtime was anti-climactic. McClanahan hit a long shot to give the Hornets a 2-point lead; whereas the remaining minutes of play.

10 Teachers to Seventieth Convention

IN, Texas—The seventieth convention of the Texas Teachers Association in Dallas, 25, 26, 27, is expected to set a new time record for attendance.

Estimated more than 15,000 teachers will spend the Thanksgiving holiday period attending the sessions and special meetings, luncheons and breakfasts. Every phase of education in Texas was examined at the convention.

W. R. White, president of the University, Waco, will give the sermon at the Thanksgiving service Thursday morning.

and Friday night general sessions. Dr. Frank P. Graham, president of the University of North Carolina and a pioneer in atomic research, will be the principal speaker at the general session Thursday night.

State Senator James E. Taylor will give a report on the Gilmer-Akin committee recommendations. The committee was ordered by the state legislature to make recommendations for improving the Texas School system.

Dr. L. A. Woods, state superintendent of public instruction, Austin, will also address that session.

Tuberculosis Seal Sale Nov. 22 - Dec. 25

AUSTIN, TEXAS—Naming tuberculosis in Texas, Governor Beauford Jester officially proclaimed November 22 to December 25 as Seal Sale Season.

"Our tuberculosis association are engaged in a fight against a disease that kills more than 2500 Texans a year," says Governor Jester. Stressing the fact that the Texas Tuberculosis Association and its affiliated locals derive the funds to carry on their work from the yearly sale of Christmas Seals,

the governor urged everyone to give generous support to the fight against tuberculosis by buying and using Christmas Seals.

New Highway Signs Advise Motorists of Safe Speed on Curves

AUSTIN—A new type of highway sign an advisory speed sign designed to aid in traffic safety, will soon make its appearance on Texas main highways. Part of the Texas Highway Department's program of speed zoning, the new sign will advise motorists of the speed on curves and turns which are not considered safe to travel at speeds above 50mph. It will be a sign with a yellow background and black numerals and letters.

The speed indicated on the sign is not the maximum at which a turn may be taken, but is the maximum at which the average car can make the turn without an uncomfortable side-throw of its passengers and still stay on its side of the road. The speed indicated is calculated by the use of a Ball-Bank indicator, an aircraft device which measures the degree of force in any turn. Highway Department test drivers will try each at increasing speeds until the maximum is determined.

The Governor's Highway Safety Conference held this spring recommended that the Texas Department institute a program of speed zoning and marking curves with safe speeds, and the new signs are a result of that recommendation.

WEEKLY SWING OF SOUTHWEST FARM MARKETS

(USDA) — Southwest markets opened Thanksgiving week with nearly all farm products higher than they were the previous Monday, reports the Production and Marketing Administration, U. S. Cotton went up 50 cents to \$1.50 Department of Agriculture. a bale, and cotton seed around 50 cents a ton.

Egg and poultry prices opened the week near the season's peak as holiday demand boosted the market.

Cattle prices turned stronger Monday before Thanksgiving after drifting downward for more than a week as a result of increased shipments and sluggish demand in dressed beef center due to a holiday shift to poultry. But when Mondays' cattle receipts dropped to the lowest volume in several weeks, prices responded to active trading with gains of 25 to 50 cents per 100 pounds at most southwest markets, bringing quotations near the previous week's level.

After slipping \$1 or more during the previous six days of trading, hogs advanced Monday despite seasonally heavy receipts. Prices climbed \$1 to \$1.50 higher than the previous Monday.

Broad demand for scarce supplies of slaughter lambs pushed prices up 50 cents or more per 100

pounds at most southwest markets during the past week. Ewes and goats advanced, too. Feeder lambs held about steady. Southwest wools moved well at steady to firm prices. Trading in mohair was dull due to higher asking prices.

Cottonseed meal, bran, shorts and other feedstuffs advanced \$2 to \$6 per ton on the wholesale market last week. Also, hay went up as demand improved for scarce offerings of the better qualities.

Fredericksburg Woman Relates Experiences As Pioneer in Texas

AUSTIN. — The old days when wet mud packs were applied to spider bites and children stayed close to the house to avoid capture by the Indians are recounted by Helen Grote of Fredericksburg in the current issue of the "Junior Historian."

Writing in the magazine published by the Texas State Historical Association at the University of Texas, Miss Grote sets down experiences related by her 91-year-old grandmother, Mrs. Anna Matern Grote.

Mrs. Grote was born in 1856 in Burnet county, her parents having settled near Braunfels after coming to America from Germany in 1845 — about a year before the settlers of Fredericksburg arrived.

She told her granddaughter that she and her brothers and sisters played with sticks and rocks and homemade toys since there were none to be bought. She remembered that her father was once invited to the home of some Indians for dinner and during the course of the meal saw what he believed to be human bones in the meat.

THE LION'S ROAR

Thru The Keyhole

Ann and Kay seemed to be having fun Saturday night. Could be they were in Barnhart.

Ben Burl — which baby did you rob of its clothes? You even took its bottle.

Joan and Chris are still singing but it's "I'll Be Loving You Always," this time.

Mr. Bramlett and Mr. Holland — did you have a good time at the home coming game at Denton last week-end? Mr. Peltto sure looked lonesome without you.

Tommy, do you always go around spot lighting people? That isn't very nice, you know.

Armond and Betty Sue certainly are "together" a lot. Well, I guess "It's Just Plain Love."

Rosalie sorta had a "lost Week-End." What happened to Jack, Rosalie?

Sue and Lin went to the ranch with Bud. They must have had a good time by the way Sue tells it. How about that, Bud?

Judy and J. G., Ray and Jo Lou, Armond and Betty Sue all went to the Baby Dance Saturday night.

June and Darrene robbed a baby of its clothing, too. They certainly did look cute. By the way, Chris and June really had the freckles. You all are very fortunate. Some of us have natural ones.

Betty Jo was seen with Sammy, Saturday at the dance, but Sam kept having to leave and go get records. Between you and me, he didn't make it back with many records.

Buddy is certainly at school a lot. I think he's just dying to come back to school.

Mary Ann and Judy are going to Dallas on the holidays. Judy, whom are you going to see? Have fun, girls.

Frankie, Tissie and Billy Ray and Betty Manes were seen hunting lately. Have any luck?

Welcome back to school, William. We certainly have missed you. Glad to be back? We're having six weeks tests, you know.

Maria Cortez, what happened Saturday night? Didn't your date arrive?

Say, girls, why didn't Edna go to the Community House last night? Could it be she had a lot to study or could it be something else?

Rosalio has been seen lately with Juanita Perez. Could something be cooking? We wonder. Belia must have had a lot of fun Sunday night, but what about Edna, Belia. She might get mad at you.

Maria Zapata, Sergio and Pedro Cisneros seem to be having a lot of fun playing tag together Sunday night.

Edna and Andres seem to be still going steady.

And May you all have a very Happy Thanksgiving.

But Who Had a Dollar?

Students Drool Over 'Bargains' In 1924 Mail Order Catalogue

By Bud Hoover

How would you like to buy a pair of basketball shoes for a dollar? Well, if you will look in a 1924 issue of a Montgomery-Ward catalogue you can buy the best for a dollar.

The catalogue which is in the high school museum, is dated 1924 and just to show how cheap things were then, here are a few articles listed and their prices:

Men's all wool suits, guaranteed for a year, \$19.45; the best shoes made, ladies' and men's, \$3.35; shirts, 98 cents; alarm clocks, 7-day, \$1.32; player piano, \$375; baby grand piano, \$495, and the best bicycle made then for \$19.95.

Joyce and Ann West will spend the holiday week-end with their parents Mr. and Mrs. Massie West both are attending S M U in Dallas.

STUDENT OF THE WEEK

By Armond Hoover

Let's go to Mexico City on our Senior trip, says Donald Hoover who is a Senior in Ozona High School. Donald, who is better known as "Bud", is 16 years old; his favorite sport is basketball. He is a main string center and is very good. He lettered in football four years, playing center and end. Bud has no plans for college, but expects to go into the ranching business when he graduates from school. He hopes to run about a twenty section ranch. He will run cattle and goats. Bud has one brother, Bill, who is 19, who graduated from Ozona High School and is now at the ranch.

Bud's hobby is hunting and fishing. He was born in San Angelo. He has brown eyes, is 6 feet 3 inches tall and weighs 165 pounds. Typing is his favorite subject in school. Bud does not believe in the peacetime draft and also says war with Russia is bound to come. If he is drafted he will join the Marines. Bud enjoys parties and dances very much.

Lions Limber Up For Cage Season; 20 Out For Practice

By Lin Hicks

Basketball practice started last week for the Ozona Lions with about twenty boys reporting for the first workout. The A and B squads will be formed from these boys and play for both teams will begin after the Thanksgiving holidays.

"Prospects are looking very good," Coach J. A. Peltto says, "if the boys will work hard and cooperate." Nearly all the boys out this year are either lettermen or squadmen from last years teams.

Height is one thing in the team's favor this year. Five boys are skyscrapers, being listed as over six feet tall. They are Bud Hoover, 6' 3", Charles Cunningham, 6' 2", Bill Melton, 6' 2", Armond Hoover, 6' and Chris Perner, 6' 2". The mighty mites are J. G. Hufstедler, Ray Piner, W. C. Burns and Frankie Chapman. Others on the team roster are Frank Parr, Charlie Davidson, Lin Hicks, Charles Mankin, Tommy Laxson, Bill Odem, Kenneth Perdue, Billy Ray Graves and Alton Smith.

William Meinecke is expected to join the squad after Thanksgiving. He has been sick in bed for the past two weeks.

SPECIAL NOTICE

The Navy announced recently that the third nation-wide competitive examination for its College Training Program has been scheduled for December 11, 1948, and will be open to high school seniors or graduates within the age requirements. Successful candidates will be given a four-year college education at government expense and will be commissioned as officers of the Navy or Marine Corps upon graduation.

The program is open to male citizens of the United States between the ages of 17 and 21, and quotas have been assigned to each state and territory on the basis of its high school population. Those who are successful in passing the aptitude test will be interviewed and

given physical examinations; then, if found in all respects qualified, their names will be submitted to state and territorial Selection Committees composed of prominent citizens and naval officers. The Navy expects to enter about 2,350 students into the program commencing with the fall term of college, 1949.

The students selected by these competitive examinations will be assigned to the 52 Naval Reserve Officers' Training Corps units which are located in various universities and colleges in the United States. If accepted by the college, they will be appointed Midshipmen, U.S.N.R., and will have their tuition, books, and normal fees paid for by the government. In addition they will receive pay at the rate of \$50.00 a month for the four-year period. Upon graduation they may be commissioned as officers in the Regular Navy or Marine Corps and required to serve on active duty for two years. At the end of this time they may apply for retention in the Regular Navy or Marine Corps, or transfer to the Reserve and return to civilian life.

Applications are available at high schools, colleges, Offices of Naval Officer Procurement and Navy Recruiting Stations.

Mr. James E. Bramlett, Principal of Ozona High School, who is acting as the Navy's local civilian representative, will be pleased to provide specific information about the program, including the time and place of the competitive examination, the method of making application, and the specific age and scholastic qualifications.

From where I sit... by Joe Marsh

It's Your Fight, Too!

Bing Crowley was "beefing" the other day about all that Our Town's doing in the way of sending food and clothes to Europe. Bing felt that those struggling democracies should look after themselves.

But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom — against the forces of intolerance — it's common sense, and common decency, to help 'em."

Because that's everybody's fight: To see that individual freedom is

preserved in every aspect, big or little — whether it's the right to vote, or the right to enjoy a temperate glass of beer or ale with friends.

And from where I sit, no liberty's too small to overlook. Because the minute one small freedom is threatened, all the others are in jeopardy — just as the minute one small country loses freedom, all its neighbors are in danger!

SAVE MONEY BY PAYING EARLY Discount Your 1948 Tax Bill

You can still save 2 per cent from your tax bill by paying this month. The discount means a real saving to you, hence this reminder.

2% Discount if Paid in November

1% Discount if Paid in December

Taxes are payable through January and become delinquent after February 1.

ADD POLL TAX TO YOUR PAYMENT

The tax bill you receive this year does not include the poll tax assessment as in former years. If the poll tax payments for your family are of record in our office, it will be necessary only that you add \$1.75 for each poll (No Discount from Poll Taxes) to the net amount of your tax bill. However, if you are a new poll tax payer in this county, it will be necessary for you to call at the office in person to pay your poll tax.

PONTIAC**
WITH PONTIAC SERVICE

**The best
costs no more!**

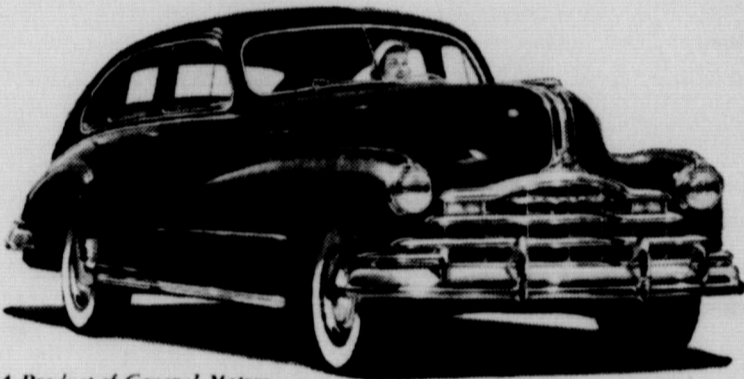

Thousands of Pontiac owners all over the country have learned
that regular servicing by their Pontiac dealer is the best, most
economical way to keep their cars in top condition.

Our service is best for your car because our mechanics have been
trained by factory experts and because we use factory-engineered
parts and specially selected tools—everything geared to the one
job of keeping your Pontiac at its very best.

The result is that your work is done faster—in such a sure-handed
manner that it will "stay done". The cost of our expert work is
no higher—in fact, is often less—than you would pay for ordinary
servicing.

Our policy is very simple: *We do only the work called for—we do it
in an expert manner, we save you money by eliminating guesswork
and makeshifts.*

Give your Pontiac the best—have it serviced by your Pontiac
dealer—for the best costs no more!

RANCH RECORDS

Are More Important

Today Than Ever

Government regulations and heavy tax programs are destined to be a
part of the American way of doing business for a long time. For that reason,
it is more important today that every business keep accurate records of its op-
erations.

The ranch business is no exception. With the stiff federal taxes, you will
want to take advantage of every saving item in your expense account and at the
same time have clear and convincing records available for inspection by tax
agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your
business with the Stockman's RANCH RECORD BOOK. Your cancelled checks
or your present records can be transcribed to this handy record book, together
with your income and inventory records and you can have your entire record
in a simplified form contained in one volume.

Texans Asked to Support Gonzales Foundation Drive

GONZALES — Texans from the Rio Grande to the Panhandle this week girded for a statewide drive to strike back against poliomyelitis which thus far in 1948 has stricken more than 16,000 persons in more than 150 counties.

Gov. Beauford H. Jester proclaimed the period from Thanksgiving Day to Christmas as Gonzales Warm Springs Foundation Month as a statewide organization, headed by Dana X. Bible, University of Texas director of athletics, swung into action to secure financial support for the institution which cares for young children stricken by polio and other crippling diseases.

Chairmen in key counties in Texas are assisting Mr. Bible in bringing the story of the Gonzales Warm Springs Foundation to the people of the state, says Ross Boothe, president of the foundation.

Equipped to care for 110 crippled children, the Gonzales Warm Springs Foundation uses the water from natural springs and modern medical facilities and trained technicians to assist those who have

been crippled to regain their health.

Mrs. T. A. Kincaid, Jr., and Tom left Wednesday to spend Thanksgiving in Comanche with Mrs. Kincaid's sister, Mrs. C. B. Baxter, and family.

Mr. and Mrs. Sid Millsbaugh left Tuesday for San Antonio and

will go from there to witness Turkey Day football game in Memorial Stadium between the University of Texas and A. & M. College.

Mr. and Mrs. B. A. Barrow, Donna of Crane will spend Thanksgiving here with the daughter, Mrs. John Marshall family.
