NUMBER 22

Beer Cowboy, Wacker Is Killed By Death

Brownrigg, 80, of Last of Ozon Freighters

Crockett county and West Texas of the few remaining old-bullwhackers" and cowboys passing of Jim Brownrigg, died at his home here at Saturday morning.

Jim Brownrigg, known as "Old Jack" as he was known by West Texas friends, was born in Somerset, Baxter county, March 23, 1870. In his early life he helped freight stone construction of the Texas Capitol by ox wagon. He alighted lumber supplies for ranches and homes in and around San Angelo, Paint Rock and other with his faithful yokes. He came to Crockett county in 1906 and worked as a ranch hand on a number of Crockett ranches and ranches of adjoining counties until a leg forced him into semi-retirement in 1944.

His favorite "dressed-up" clothes were an old felt hat which had been soaked in linsed oil, an old leather chaps and his pair of hand-tipped cowboy boots. He took on the number of days' work a ranchman owed him under and of his hat.

Members of the younger generation liked to gather around him to hear the exciting tales of his packing experiences and days "cutting it" on the range. He always was happy when an old cowboy would drop by to talk about the frontier ranges of Texas.

He liked to say that he had never lost when he went into the country because he always came bearing from a high hill or canyon. And his reputation as a keen hunter was well known. He had no doubt saved many thousands of dollars worth of livestock by his hunting and destroying many coyotes, panthers, eagles and other predators.

Years ago when riding behind a herd of wild steers near Fort Brown, Mr. Brownrigg sighted a wolf and pursued it, intending to rope the beast, when his horse fell with him. He regained consciousness to find he had a collar bone. But he rode through the herd and "got around" hitting his own fracture when the animal fell.

Funeral services were held at the Ozona Church of Christ on Tuesday at 5:30 p. m., September 2. Rev. Brown, pastor of the local church, and J. E. L. Harrison, pastor and now of Big Bend, officiated. Burial was in the Hill Cemetery under the direction of Cody Funeral Home.

Survivors were George Montgomery, Hugh Ray, Vernon Ratner, R. Kinser, Peery Holmsley, Elmer D. Graves.

Survivors, besides the widow, are four sons, Earl, of Spring; Ebbie, Royce and Earl, all of Ozona; 12 grandchildren and 12 great-grandchildren.

Sheriff's Posse Meeting Postponed

September 12

Postponed from Tuesday night this week because of the final play-off in the city league softball championship playoff, the Crockett County Sheriff's Posse will meet next Tuesday night, September 12, in the courthouse at 8 o'clock.

Program is to be presented by School Coaches Jack Harland and Doug MacDonald and speaker will be considered, President Miller Robison announcements will be served.

Refreshments will be served.

Mr. Kenneth Perdue, son of Mr. Mrs. Doyle Perdue of Ozona, volunteered recently for flight training in the U. S. Air Forces, stationed at Lackland Air Force in San Antonio.

Nelson Boothe Is Gunshot Victim in Sweetwater Accident

Nelson Boothe, ranchman at Sweetwater, and a son-in-law of Mrs. E. B. Ingham of Ozona, suffered a gunshot wound through his forearm when a .45 calibre pistol was accidentally discharged while he was taking it from his car at the ranch Monday of this week.

The bullet completely severed a bone in the arm and carried away approximately a half inch of the bone. Physicians who treated the wounded man, however, voiced the opinion that the bone would fill in and that he would suffer no deformity from the wound.

Boothe reached into his car to get the pistol, which was in a leather holster. As he brought the gun out of the car door it slipped from the holster and fell to the ground, but first, discharging as it struck the ground. Mr. Boothe received treatment in a Sweetwater hospital.

Ozona Butane Cops Softball League Title

Ranchers Bested Two Out of Three in Playoff Series

Behind the fireball pitching of Bill Brown, the Ozona Butane Co. team, which led the league all season, came through in the final Tuesday night to sack up the 1950 softball championship in the city league by defeating the Ranchers 18 to 8.

The Gassers had won the opener 15 to 6 but dropped a 2 to 1 decision to the Ranchers Monday night in a game which topped the all-season play in fan interest.

The Butane crew got off to a slow start Tuesday night and were trailing 3 to 0. But they exploded in the fourth for an 8-run circus and held the lead to the end of the game, threatened only once when the Ranchers came within one run of tying the count.

Harris Prepping Green Squad For Opener Sept. 15

Six Lettermen Form Nucleus for 1950 Edition of Lions

By O. L. Davis

Building up from an inexperienced squad, Coach Jack Harris is prepping his Ozona High Lions for their first test next Friday night, September 15, against San Angelo's 'B' team. Only 7 practice days are left before the first game of the season.

Twenty boys have been out since September 1 working under the guidance of Head Coach Harris and his assistant, J. Douglas MacDonald. Emphasis has been placed on conditioning the young squad to the rigors of the game. The team has been going through its paces twice daily, from 6-8:00 a. m. and from 3 p. m. until darkness forces the boys to quit. They will work out twice this Saturday. Improvement has been shown by most boys.

The heart of this year's Lion squad is built around six returning lettermen, three backs and three line stalwarts. Alton Smith, a big 200 pounder, has been running in the fullback slot with Tom Piner calling the signals from the up-man position in the Harris version of the split-T. Andres Vela takes off from halfback position.

This year's forward wall will gather most of its weight around tackle Pete Cisneros who tips the scales at 208 pounds, Bobby Womack at guard and Raul Machado, a wingman, round out the experience in the line. Filling the holes created by graduation has been difficult and practice positions are only temporary.

Harris says that the 1950 edition of the Lion team will continue (Continued on Last Page)

Oil Drilling Tempo Speeds Up In Crockett County

World Pool Gets New Producer; Two Locations Spotted

A wildcat location, and offset, a completion and abandonment were reported in Crockett county Saturday.

E. H. Starr and others of San Angelo will drill their No. 1 Skelly-University to 1,570 feet with cable tools. This wildcat is located 330 feet from the north and east lines of section 30-45-University and 17 miles northwest of Ozona. The project, spotted on a 160-acre lease started Sept. 2.

The No. 1 Skelly-University is 4 1/2 miles east and slightly north of the Midway Lane field.

American Republics Corp. No. 3-A L. P. Powell World field test, was completed for a daily potential of 101.96 barrels of 29 gravity oil with no water. Top of pay is 2,619, total depth is 2,635 feet.

Location is 450 feet from the north and 150 feet from the west lines of the 22-acre L. P. Powell lease in section 62-4B-ELRR.

Sinclair Oil & Gas Co. No. 8 University 67, Crockett County Midway Lane field test, will drill to 1,600 feet with cable tools.

Location is 1,650 feet from the south and 330 feet from the east lines of 8-2 section 30-46-University. It is 14 1/2 miles northwest of Ozona.

No. 8 University is 435 feet southeast of No. 6 University, an Ellenburger producer. No. 8, however will attempt to produce from the San Andres.

The No. 8 University is a north offset to the No. 7-67 University, first shallow producer from the Queen sand in the Midway Lane (Ellenburger) field in northeastern Crockett county.

Anderson and Starr No. 1 Stanolind-University, wildcat 13 miles north of Ozona, is a dry hole and has been plugged and abandoned at total depth of 1,555 feet.

Location is 2,330 feet from the north and 2,315 feet from the east lines of section 22-24-University, in northeastern Crockett county.

Humble No. 1-D Cox was drilling at 3,705 feet in shale and lime.

Texas Pacific No. 1-G University was drilling at 6,640 feet in lime and shale.

20 Report For Physical Exams From Area Today

2 Ozona Registrants On List of 5 County Local Board

The following boys have been issued calls to report for Armed Forces Physical Examination from Local Board No. 110: Cleveland G. Nance, Elias G. Avila, Ernesto P. Virgen, Jose A. Sanchez, Jr., Donald Ray Behrens, Gerardo S. Rodriguez, John Allen Ward and George D. Chalk, Jr., Sonora; Wayne A. Coffman, Rock Springs; Alberta A. Ramoz and Alfredo S. Garza, Ozona; John A. Long, Jr., Lester H. Ford, Walter I. Bowers, Milton R. Cavaness and James L. Beard, Junction; Jack Samuel Hodges and Cayetano L. Angiono, Eldorado; Raymond H. Williamson, Roosevelt; and Billy Eugene Clapp, London. Reporting date is September 8.

The Board has received the first Induction Call for five men to be delivered on the 27th of September. These exesctees will be notified in the near future.

The percentage of registrants found acceptable for induction into the Armed Forces from this area has been exceptionally high. Richard Lewis Street, who was leader of the group who took their physical examinations August 25, reported that all 16 registrants who reported were found acceptable, and the commanding officer at the examination station told them that this was very unusual.

Famed Violinist In Concert Here Next Wednesday

Rubinoff and His Violin To Be Heard in Two Programs

Rubinoff and his world famous \$100,000 Stradivarius violin will be heard in two concerts in Ozona next Wednesday afternoon and evening in the high school auditorium here under the auspices of the Ozona Lions Club.

Rubinoff will play a special matinee concert for students only in the auditorium at 2 o'clock Wednesday afternoon and the evening concert is slated to begin at 8 o'clock. Admission prices will be 75 cents for students at the student matinee and \$2.40 for all at the evening program.

First concert artist to bring music field direct to the boys and girls of school age, Rubinoff's special matinee have been enthusiastically received by teen agers throughout the country. Public school heads and University officials in every section of the country, have praised his "music appreciation hour" as many have termed it. The maestro has continually held the interest of young America not only because of his artistry but in a large measure because his matinee appearances are geared to his audience reaction.

Those who hear Rubinoff in his concerts here will thrill at the lustrous tones of his world famous violin. Made in 1731 by the Master Stradivarius, this fine instrument found its way into the hands of the Romanoffs, one time rulers of Russia, and still bears the bejeweled crest of the royal family. During the revolution it was smuggled out of Russia and eventually purchased by Mr. Rubinoff. This precious instrument is insured for \$100,000.

Music lovers will hear the master violinist featuring such compositions as "Claire de Lune," Chopin's "Polonaise," "Warsaw Concerto" and "Rhapsody in Blue," being played for the first time as violin solos.

Tickets for the concert are now on sale at Ozona Drug Store.

Community Center Activities Program For Week Announced

Miss Ruth Southerland, deaconess at the Ozona Community Center has announced the following schedule of activities at the Center for the coming week, to begin Sunday night. The schedule follows:

- Sunday, 8 p. m. — Youth Fellowship
 - Monday 8 p. m. — Boy Scouts
 - Tuesday 4 p. m. — Primary Club, ages 6, 7 and 8; Intermediate Fellowship, ages 12, 13, 14.
 - Tuesday 8 p. m. Square Dance, directed by Mr. and Mrs. D. B. Pettit.
 - Wednesday 4 p. m. — Girl Scouts, ages 11 through 14
 - Wednesday 8 p. m. — Cub Scouts
 - Thursday 4 p. m. — Brownies, girls ages 8, 9 and 10.
 - Thursday 8 p. m. — Choral Club teen agers.
 - Friday 2 p. m. — Kindergarten P.T.A., Mothers Club.
- All boys and girls are welcome

Jim Ad Harvick Burned In Gasoline Blaze At Ranch

Jim Ad Harvick, young Crockett county ranchman, suffered serious burns Friday when gasoline which had spilled on his body and clothing was accidentally ignited. Harvick was filling a car from a tank and had spilled some gasoline on his clothing. A match ignited by young Harvick's father, S. M. Harvick, lighted the gas fumes. By rolling on the ground, Harvick was able to extinguish the blaze but not before he had suffered serious burns about the legs and arms.

He is being treated at the Ozona Hospital.

16-Year-Old Champion FFA Public Speaker Addresses Rotary Club

Herman Brewer of Eden, 16-year-old champion of the 9-state Southwest regional Future Farmers of America public speaking contests and slated for a try at the national championship in October, amazed members of the Ozona Rotary Club with a scholarly address on world affairs when he appeared as guest speaker at the club luncheon Tuesday.

Herman, who recently won the Southwest regional speaking contest at Stillwater, Okla., after winning the local, area and tri-state contests, wrote his own speech and delivered it in a finished manner that would have been the envy of many a seasoned speaker. He is scheduled to compete for the national championship in Kansas City next month.

The young man's address dealt with the world's fight on Communism and in particular with virtues of the Marshall plan aid to promote economic recovery as a first line defense against the spread of "the most deadly foe the world has ever faced."

The so-called "cold war," the young speaker said, is misnamed. The term "cold war," he declared, tends to minimize the importance of the present struggle, when as a matter of fact "winning the cold war is of more importance to the democratic free world today than was winning World War II." It is a fight for survival of the democratic free world, he said.

Young Brewer was invited to address the Ozona Club through Chas. E. Coombes of San Angelo, with the West Texas Utilities Co. San Angelo office, who accompanied the youthful speaker and introduced him to the local group.

2 New Producers Are Completed In Vaughan Field

Gulf Finals Two for 175 and 168 Barrels Respectively

Gulf No. 5, Isabel Vaughan Crockett County Vaughan field test, has been finished for 168 barrels of 27.7 gravity oil with no water.

A six-hour test pumped 42 barrels of oil. Gas-oil ratio was 236-1. Production was through perforations from 1,409-13 feet. Top of pay is 1,375 feet, total depth is 1,425 feet.

Location is 330 feet from the north and west lines of the Isabel Vaughan lease, section 85-OP-GC&SF. Elevation is 2,608 feet.

Gulf No. 3-A J. M. Shannon, new Vaughan field producer, was finished on the pump for 175 barrels of 27.8 gravity oil with no water.

Gas-oil ratio was 266-1. Top of pay was 1,506 total depth was 1,510 feet. Elevation is 2,640 feet.

Location is 2,320 feet from the north and 2,552 feet from the west lines of section 5-UV-GC&SF.

Stockman Error Gets Parents Up Hour Early For School Opening

Maybe we can't hope for complete forgiveness, especially from those who made the school opening at 8 o'clock Monday morning, but at least we can offer our most humble apologies for the typographical error in last week's Stockman which announced the school opening exercises for 8 o'clock instead of 9.

It was one of those cases of hitting the wrong key and failure to catch the error in proof reading. A lot of errors creep into every newspaper, and with from one and a half to five million chances of error in each issue, counting every letter, space and punctuation mark that has to be assembled, maybe the percentage is not so high after all, but errors are always embarrassing to a newspaper — and especially so when one gets the customers up an hour earlier in the morning.

Registration In Ozona Schools Up 71 From Last Year

Total Enrollment 664; Opening Exercises Held Monday

By O. L. Davis

Registration for the Fall semester mounted to 664 in the Ozona Public Schools by Wednesday, September 6, Jack McIntosh, superintendent, announced today. Of this total, 229 children were enrolled in the North Elementary School, 202 in the South Elementary School, and 134 in the Junior High School. Ninety High School students registered. Negro School pupils numbered 9. The number enrolled thus far exceeds the registration figure of a year ago by 71 children.

Meeting in the High School auditorium Monday, pupils, parents and teachers heard Superintendent McIntosh formally open the 1950-51 school term. He emphasized that the Ozona schools were working to be better than ever this year and urged participation of parents in the School Evaluation program that will be carried on. Sharing the stage with Mr. McIntosh were Max Schneemann, president of the Board of Education; Rev. J. Troy Hickman, pastor of the Ozona Methodist Church; Lem Brey, principal of the High School; John W. Skinner, principal of the Junior High School; Glenn P. Hicks, principal of North Elementary School; and W. M. Stoker, principal of South Elementary School.

Rev. Hickman led a short devotion after the opening in which he stressed the importance of the individual as a whole person. He urged students and parents alike not to overlook any of the factors in the development of personality. His analysis was based on the four democratic institutions of Home, School, Government and Church.

After the devotion, Mr. McIntosh introduced each teacher by schools and dismissed the assembly. Children adjourned to their respective buildings to register. Enrollment was complete in all but the High School by noon Monday. There, selection of courses and counseling with each student delayed registration.

New features of the Ozona schools this year are the change from reporting every six weeks to every nine weeks, a new time schedule, only one bell between classes, and a Student handbook for the High School. The Handbook is a mimeographed bulletin of 10 pages which contains the policies of the school, requirements, schedule of the year's activities, schedule of classes, and other information necessary to the High School students.

Completion of registration Monday was followed by short classes Tuesday ending at noon. Teachers met with their principals that afternoon. Regular class work began Wednesday.

No. 2 Clayton Well Plugged, Abandoned

Magnolia No. 2 Clayton, Crockett county test, was preparing to plug and abandon after having recovered 1,270 feet of fluid, mostly salt water, on a drillstem test from 8,948 to 9,008 feet.

Open two hours, fluid came through 5/8 by 1-inch chokes, no water blanket. Recovery was 90 feet of drilling mud, 180 feet of slightly gas-cut drilling mud, 90 feet of salt-cut drilling mud and 360 feet of gas-cut salt water, 460 feet of gas-cut sulphur water, 360 feet of drilling mud and 360 feet of gas and mud-cut salt water.

The No. 2 Clayton topped the Ellenburger at 8,835 feet, 6,347 feet below sea level, and 345 feet low to Magnolia No. 1 Clayton, gas distillate strike 10 miles east of Ozona. No. 2 Clayton is 4,000 feet northeast of No. 1 Clayton. Location is 660 feet from north and east lines of section 12-GH-GC&SF.

Bird Hunters Urged To Avoid Shooting At Telephone Wires

"Please don't shoot at birds on telephone lines," is the plea of Robert Levo, manager of San Angelo Telephone Co. here, who says that each year thousands of telephone wires are broken by stray shots during the hunting season.

"Birds can fly away," Levo said, "but telephone wires just have to sit there and take it. It's not that the hunters deliberately try to hit the wires, and I don't think any sportsman would shoot at a sitting bird on a wire, but I guess they just don't realize that a hasty shot might cause serious damage to telephone lines and disrupt long distance service."

Explaining the yearly dilemma, Levo pointed out that each hunting season, money, man-hours and telephone calls are lost through gunfire damage to telephone lines. "It would help a lot," he said, "if hunters would be careful when they are in the vicinity of telephone lines. Even if a bullet or shot only nicks the wire, when cold weather comes the wire contracts and the added stress may cause it to break."

Mr. and Mrs. B. B. Ingham, Jr., are among the new families moving to Ozona to send their children to school. The Inghams recently purchased the Newell Melton home on the hill west of town and are having a long porch added to the home.

REGULAR MEETINGS METHODIST CHURCH Rev. Troy Hickman, Pastor

SUNDAYS: 9:45 a.m. Church School classes for all ages. 11:00 a. m. Morning Worship with anthem and sermon. 4:30 p.m. Junior Fellowship. 8:00 p.m. Evening Worship with sermon and altar prayer service. FIRST SUNDAY IN MONTH: 11:00 a.m. The Lord's Supper. 3:00 p.m. The Board of Stewards meeting.

I WANT TO BUY a good combination sheep and cow ranch. Seven to fifteen thousand acres or more with most of the minerals intact. Reply P. O. Box 555, Corpus Christi, Texas. 19-4c

WSCS Seminar Slated Today in Eldorado

Of vital interest to more than 1,500 Methodist women of the San Angelo District will be the missionary education seminar at Eldorado today.

Representatives from 37 churches in this area will gather at 9 a.m. in the church where outstanding teachers will present previews and teaching units on the four approved study courses of the Woman's Society of Christian Service. The seminar will be held under the leadership of Mrs. R. O. White of Rankin, district secretary of missionary education, and the theme of the meeting will be "We Seek Him Together."

The seminar will be called to order by Mrs. Floyd Henderson of Ozona, district president, and Mrs. White will present the overall picture of his year's study program. Mrs. Albert Keys of San Angelo will give the devotional and will present the Bible study "Corporate Worship." Mrs. Ross Welch, pastor's wife of McCamey and district secretary of literature and publications, will present the home mission study, "Toward a Christian Community."

Lunch will be served by the women of the Eldorado church and a special period following the lunch hour will be devoted to the display and sale of literature pertaining to the studies.

In the afternoon, Mrs. C. J. Mann of Austin will present the foreign mission study, "The Near East," and Mrs. Harold Deaton of Brady district vice president, will give valuable information on program building. Mrs. White will close the day's program with a presentation of the Christian Social Relations Study, "A Christians Vocation." Plans are being made to hear suggestions from Mrs. G. M. Roswell, district secretary of promotion, at the lunch hour.

Humble Pipeline Increases Capacity With New Stations

The mid-way pump station at Eckert, 14 miles north of Fredericksburg, on Humble Pipe Line Company's new 270-miles West Texas line is due to be completed around Oct. 1. Company spokesmen pointed out that with the addition of this new station, capacity of the 18-inch line from Kemper Station near Big Lake to Satsuma, near Houston, will be increased from 84,000 barrels to 104,000 barrels a day to meet the large current demand for oil.

Two other intermediate pump stations will be completed later in the year, one near Fort McKavett and the other near Warda. Each of the three stations will have two 1,000-horsepower motor-driven centrifugal pumps connected in series. With all three stations in operation, line capacity will be 120,000 to 125,000 barrels a day. Eventually another 400-horsepower pumping unit will be added at each station, pushing the total capacity to 135,000 barrels a day.

While pump station construction is going forward, foundations are being poured and towers erected for the microwave radio relay repeater stations between Houston and Kemper station. On these towers, which will range from 100 to 280 feet in height depending on the terrain, will be mounted steel reflectors to pass on the radio waves. This communications system, soon to be the longest microwave radio relay system in Texas, is virtually a telephone and teleprinter system without wires. There will be a total of 18 repeater stations between Houston and Kemper.

West Texas State Fair Special Leaves San Angelo Oct. 10

SAN ANGELO. — West Texans going to the State Fair of Texas for "Sheep and Goat Raiser's Day" and "San Angelo Day" on Santa Fe's special train will see the musical comedy "South Pacific," October 11.

The special train will leave San Angelo the night of October 10 and will return the morning of October 12. Accommodations are available in the pullman, upper or lower berths, compartment or drawing room.

Package costs will include rail transportation, pullman accommodations, and a ticket to "South Pacific." Two suites of rooms will be maintained in the Baker Hotel at Dallas for headquarters during the day.

All reservations must be made before noon, September 25. Full information may be obtained by writing the Board of City Development, Box 712, San Angelo, Texas.

Phone the news to The Stockman.

METHODIST CHURCH TO HAVE PROMOTION DAY

Rally and Promotion Day will be observed this Sunday morning at The Methodist Church at 9:45 o'clock. All classes will meet in the sanctuary and there will be a brief program by one of the departments. Each student will receive his class assignment for this year. Following an established custom, Bibles will be given by the church to all children advancing to the Junior Department. A reception will be held at 11:00 a.m.

Entertainment will be given by the church members and children were present at the occasion. Iced watermelon was served to the guests.

APARTMENT for rent, Phone 347-W. All mothers interested in having Mrs. Lyle return to open evening classes here are asked to get in touch with Mrs. Cleophas Cook, Phone 276.

ENTERTAIN TEACHERS

Staff members of the Ozona Public Schools were entertained at a lawn party given by Sept. 5, Mrs. Jack McIntosh at their home Friday evening, August 25, at 7:30 p.m.

The informal gathering centered around the introduction of the new teachers to the returning teachers. Conversation about the experiences of the summer highlighted the evenings entertainment. Faculty teachers, their wives, husbands and children were present at the occasion. Iced watermelon was served to the guests.

Thinking of the Long Pull?

Better Buy Buick!

If that car of yours has put its best days behind it, there's no time like right now to think about starting out afresh with a taut, new, up-to-the-minute motorcar with all its mileage still in it.

And there's no better place in the world to start than with the beauty pictured here, for a variety of reasons.

For one thing, this Buick SPECIAL is a quick-stepping Fireball valve-in-head straight-eight that's priced lower than some sixes.

For another, it's built with typical Buick ruggedness through and

through — a husky that can take a lot of years without crying "Uncle!"

Then, too — this, high-styled beauty is proving to be one of the most economical Buicks ever built — easy on gas, easy on upkeep, easy on you in its soft, floating, light-handling comfort.

It even comes with Dynaflo Drive* if you like — and Dynaflo means that you will never have to service or replace a friction clutch, and that rear-end or transmission servicing — even engine upkeep — are cut to a minimum.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Of course, you can't see all of this in the brief span of a trial drive.

But you can experience the good solid feel of Buick strength beneath you. You can satisfy yourself on the lightness of the controls, the utter smoothness of Dynaflo, the quick surge of Buick's Fireball power.

All such things will tell you that this is a car you'll be glad to live with for a long time to come — and you need only to ask your Buick dealer for a demonstration to see precisely what we mean.

Why not call on him soon to talk about signing up?

Miss Mary Kathryn Flowers Becomes Bride of Daniel Jack Brewer in Ceremony at 9 o'Clock This Morning in Ozona Methodist Church

Miss Mary Kathryn Flowers, daughter of Mr. and Mrs. R. L. Flowers, became the bride of Daniel Jackson Brewer, son of Mr. and Mrs. D. J. Brewer, II, in a ceremony performed at 9 o'clock this morning in the Ozona Methodist Church.

Rev. J. Troy Hickman, pastor, performed the double ring ceremony before an altar banked with ivory gladiolas and English ivy. The couple stood under an arch of white wrought iron entwined with ivy and flanked by brass candelabra holding white candles.

The bride was given in marriage by her father. She wore a gown of imported Chantilly lace and nylon net. The fitted bodice was of Chantilly lace with cape sleeves and standing collar. The collar and sleeves were embroidered with seed pearls. The skirt was of nylon net with a short train of Chantilly lace which fell from the waist. A short veil of nylon net was attached to a halo hat of Chantilly and seed pearls. She carried a bouquet of white yellow-throated orchids, stephanotis with their own foliage.

Miss Rosalie Friend, maid of honor, wore a gown of toast net over antique gold taffeta. Bridesmaids were Miss Jo Lou Brewer, sister of the groom, Miss Sue Meinecke, Mrs. Jesse Young, cousin of the bride, and Miss Martha Flowers, the bride's sister. All wore identical strapless dresses of lime green imported net over forest green taffeta, covered with capes. They wore short mitts bound with dark green grosgrain and halo hats of lime green.

The maid of honor carried a bouquet of ivy and Japanese Peruvian lilies and the bridesmaids' bouquets were of ivy and shaded bronze Chinese mums.

The groom was attended by Joe Perry as best man. Ushers were Bob Bissett, Jack Coates, Marshall Phillips and Jesse Young.

Pre-nuptial music was provided by Miss Judy White at the piano. She also accompanied Miss Kay

Kirby who sang "All For You" and "One Alone." Mrs. R. A. Harrell played the traditional wedding marches on the organ.

A reception in the Fellowship hall of the church followed the ceremony. The three-tiered wedding cake, with each tier supported by columns, centered the table. Mrs. W. R. Baggett, Sr., grandmother of the bride and Mrs. W. R. Baggett, Jr. served cake. Others in the house party were Mrs. Elie Hagelstein, Mrs. Hugh Childress, Jr., Mrs. Marshall Montgomery, Mrs. A. O. Fields, Mrs. Vernon Ratliff, Mrs. Hartley Johnson, Miss Mildred North, Miss Mary Ann North, Miss Joan Holt, Miss Ann Harvick and Miss Lillian Schneemann.

For going away, the bride wore a suit of wool sharkskin, with gray skirt, blue-flecked coat with gray lapels, royal blue hat bag and shoes and gray gloves.

The bride is a graduate of Ozona High School and attended Stephens College in Columbia, Mo. The groom also is a graduate of Ozona High School and attended John Tarleton Agricultural College at Stephenville. He is associated with his father in the construction business here. After a wedding trip, the young couple will be at home in Ozona.

Mr. and Mrs. Bill Baggett, uncle and aunt of the bride, gave the rehearsal breakfast Wednesday at the W. R. Baggett home. Present were Misses Mary Kathryn Flowers, Rosalie Friend, Sue Meinecke, Jo Lou Brewer, Martha Flowers, Judy White and Kay Kirby, Mrs. Jesse Young, Rev. and Mrs. J. Troy Hickman, Mr. and Mrs. R. L. Flowers, Mrs. D. J. Brewer, Mrs. Mary Flowers, Mr. and Mrs. W. R. Baggett and Mr. and Mrs. J. M. Baggett.

Ozona Faculty Counts 13 Masters Degrees in Its Teaching Staff

By O. L. Davis

Ozonans should be proud of the teaching staff assembled by Superintendent Jack McIntosh. Records released this week reveal that of the 43 teachers employed here, 35 of them were either in summer school or taking correspondence courses during the summer term. Included in the staff are 13 teachers with masters degrees completed, two with work on doctors degrees, and many who have work which will count toward the masters degree.

"I think that this number is unusually large for a system the size of ours," Mr. McIntosh stated. "The record made by our teachers reveals the progress and growth of the Ozona Public Schools," he added.

Of the masters degrees held, six were granted from North State Teachers College, three from the University of Texas, two from East Texas State Teachers College, and one each from Texas Christian University and Baylor University.

Masters degrees conferred by North Texas include: Lem Brey, M. S.; John Skinner, M. S.; Wayne Matthews, M. S.; Mrs. Janie Hull, M. S.; O. L. Davis, Jr., M. Ed.; Miss Billie Sealey, M. A. Texas University graduates are: J. Douglas MacDonald, M. S.; George Massingill, M. S.; and Allen M. Boedecker, M. S.; Jack McIntosh, M. S.; and Lawrence Harris, M. S.; hold degrees from East Texas. Miss Oleta Hughes, M. S., from TCU and W. M. Stoker, M. S., from Baylor round out the masters degree teachers. Mr. McIntosh and Mr. Skinner have completed some work toward their doctors degree at the University of Texas.

Faculty members completing additional college work this summer are: Mr. McIntosh, Mr. Brey, Mr. Skinner, Mr. Stoker, Mrs. Ken Cody, Glenn P. Hicks, Miss Mary Drake, Miss Sealy, Mr. Massingill, Mr. Davis, Mrs. Jack McIntosh, Martin Hearne, Mrs. Wayne Matthews, Miss Marjo deMontel, Mrs. Fay Joiner, Mrs. Corinne Adams, Mrs. Martin Hearne, Mr. Boedecker, Travis Hawk, Mrs. Lois Halkmark, Harold Lipford, Mrs. Jewel Bailey, Mrs. Thad Tabb, Mrs. Travis Hawk, A. J. Deans, Mrs. Lucille Littleton, Miss Oleta Hughes, Miss Dorothy Franklin, Mrs. Carolyn Hicks, Clyde Joiner, Mrs. Harold Lipford, Mrs. Hugh Aiken and Mrs. Ira Taylor. On the faculty for the first time this year are 13 new teach-

ers. Lem Brey is principal of the High School and Glenn P. Hicks is the new principal of the North Elementary School. Other new teachers are: Mrs. George Russell, Jr., Mr. Davis, Mrs. Joiner, W. B. Skelton, Mr. Lipford, Miss deMontel, Miss Franklin, Mrs. Carolyn Hicks, Mr. Joiner, Mrs. Lipford and Mrs. Aiken.

TWO FURNISHED ROOMS for rent. Mrs. Mary Flowers, Phone 122.

Marine Enlistments Open to Draftees Before Draft Notice

SAN ANGELO. — The San Angelo Marine Recruiting office has released the following information in order to clarify certain policies regarding the draft.

As in the past war the Marine Corps is not permitted to enlist any man who has been summoned by his draft board for his pre-in-

duction examination. Men who are expecting to be on their pre-induction notice may list in the Marine Corps, provided they do so prior to the receipt of draft board, but not later. For information about the Marine Corps contact MSgt. Boyd Knowlton in Room 201 of the Post Office Building in San Angelo.

Remington adding machines at the Stockman office.

BACK TO SCHOOL

There's a Great Day Coming—

Yes, it's a great day when thousands of West Texas youngsters go back to school. Whether they are beginning their first year in kindergarten or their senior year in college, their education is proof of the American heritage of equal opportunity for all.

Our youths of today are intelligent and ambitious. All they need is the full opportunity to develop their ideas freely and market their talents as each sees fit. We must guard that "full opportunity" so that when the "individual initiative and energy" of American youth fathers an idea, they may call upon the American system of free enterprise to make realities of their ideas and ambitions.

It's a Privilege—

Reddy Kilowatt helps students study faster, easier, and better by providing ample light in class rooms and at home. Make certain the eyes of your children are protected from strain... check their study-lights now!

From where I sit... by Joe Marsh

Squint's Drumming For Fair Play!

Squint Miller's mighty proud of the lot he owns that fronts on River Road—one of the prettiest spots around here.

He's been in a stew about it lately, though. Seems that trash-dumpers take one look at his property, stop their car or truck, and out goes a load of rubbish, spilling all over his place and the roadside, too. Wouldn't that make you mad?

Last night Squint dropped by the house. Over a friendly glass of beer, he tells me what he's done. "I put a couple of empty oil drums

out there," he says, "with a big sign reading: 'If you must dump trash—use those—I like to keep my property clean!'"

From where I sit, Squint's sign should make any would-be roadside trash-dumpers pretty darned ashamed of themselves. Now and then some folks just have to be reminded that they ought to have as much regard for their neighbors' rights as they do for their own.

SCHOOL BELL RINGS AGAIN

All American institutions, the school is probably the most and representative. Here creeds meet on common ground. The ringing of the bell on the first Monday of September is usually the signal of the busy season of fall and spring to begin. From on, it is "off to the races" full steam ahead! This is true in a ranch country where the town empties out every seat in the auditorium filled last Monday morning. Supt. McIntosh and the president of the local School Board, Schenemann, officially opened a new term and introduced

the faculty to the community. An unusually large number of young men are on the faculty this year. It was interesting to see also how many parents were there to witness the assembling of the 1950 Crockett county "lamb crop."

America is one of the enlightened nations of the earth. Her standard of living is high. There is more freedom here than anywhere else. I believe that her system of government, public schools, and churches are partly responsible for it. Democracy cannot survive without an educated citizenship.

Fifty or a hundred years ago an education was not considered to be necessary for a soldier. In the last war it was seen clearly for the first time that modern mechanized warfare calls for an educated mind. With a show-down struggle between two strong people scheduled for the next decade, it may well be that the nation with the best disciplined minds will win.

Whether we have war or peace, the educated citizen produces more, serves more, and contributes more. It is the job of the school to educate, of the state to govern, of the home to nurture and of the church to inspire. With a nation hitting on all these cylinders, with each function undergirding the others, the future cannot be hopeless.

Ozona is glad to have the public school teachers in her midst. They represent a big block of talent and ability. By their teaching and by their personal example, they will influence the life of our town. Many of them will make valuable contributions to our group life in the clubs and churches. In return let's give them our support and cooperation.

WCS to Buy Car for Deaconesses At Community Center

The Woman's Society of Christian Service met in regular session Wednesday, Sept. 6, at a luncheon held at the fellowship hall of the church. The Sunshine Circle was host for the luncheon. Mrs. H. B. Tandy, president of the Society, presided at the meeting. Mrs. L. E. Cox, Jr., gave the devotional. The music chairman, Mrs. V. I. Pierce, presented a choral group composed of Ann Harvick, Jane Young, Joan Holt, Judy White, Mary Ann North, Rosalie Friend and Sue Meinecke in a group of

songs. The new deaconesses, Miss Morton and Miss Sutherland were presented.

Among the recommendations adopted were that the Society purchase a new car for deaconesses, and that each hostess group at the meetings forthcoming be responsible for having the Church kitchen linens laundered by hand, and replaced in the kitchen. The group heard the report that no refreshments were to be served at the circle meetings when they get underway this month.

Some clothing and a hearing aid has been bought by the Society for a Latin-American boy who is attending the Deaf and Dumb school.

Those present were Meses. H. B. Tandy, W. D. Cooper, Abe Carruthers, Troy Hickman, L. E. Cox, Jr., Bright Baggett, Early Baggett, Dempster Jones, Joe Pierce, Brock Jones, Dub Pettit, E. B. Ingham, S. M. Harvick, Stephen Ferner, Joe Pierce, III, Bill Conklin, Bill Friend, Dub Stokes, Joe Williams, Jess Marley, Joe Clayton, Scott Peters, Chas. Williams, Jr., W. E. Friend, Jr., Chas. Williams, Jr., Ted White, V. I. Pierce, Floyd Henderson and Miss Morton and Miss Sutherland. Guests were Miss Marjorie Hickman, Dorothy Martin, and Mrs. Miles Pierce. Circle membership was represented as follows: Willing Workers, 12; Sunshine, 11; Jennie King, 11.

Phone the news to The Stockman.

Five more Ozona reservists in the nation's armed forces were reported this week to have received orders to report for physical examinations. Included are County Agent Wm. A. Bergfeld, Jr., W. M. (Shorty) Colquitt, Bill Smith, Bill Womack and Aaron D. Bledsoe, Jr.

Miss Helen Walker a niece of Ted White of Ozona, will make her home here this winter to attend Ozona High School. She is a senior student.

Accurate and Complete

RANCH RECORDS

*Are More Important
Today Than Ever*

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

**THE STOCKMAN
RANCH RECORD BOOK**

Football —

(Continued From Page One)

to explode from the split-T formation he used last year. Variations have been made in the attack, however. "The district will have a new member this year in Mason High School which raises to eight the number of district teams. Mason has dropped from Class A to our district and should add to the stiff competition we expect from other loop members. It is my understanding that Mason was once a member of our league and we will be renewing old rivalries when we meet this year," Harris remarked.

Asked about the condition of the field for the coming game with Angelo 'B' squad, Harris commented that it was in "good condition, very good." He also stated that a new set of purple jerseys with gold numerals has arrived and will be used in the Angelo game.

Managers of the football team this season will be Norris Pogue and Jose Ortiz. Cheerleaders will be elected this Friday by the High School student body.

Bride of Week Honored at Party

A party honoring Miss Mary Kathryn Flowers, bride-elect of Jack Brewer, was held Friday afternoon at the home of Mrs. Floyd Henderson, with Mrs. Dick Henderson as co-hostess.

The bride's colors of green and white were featured throughout the party rooms. The refreshment table was centered with a small house; the "house of matrimony" — Flowers and Brewer contractors, Dan Cupid, architect. Miniature cupid were about the house and a miniature bridegroom was carrying his bride across the threshold.

The bride wore the wedding dress that her grandmother, Mrs. Mary Flowers wore at her wedding 50 years ago. Miss Rosalie Friend wore a dress belonging to Mrs. Floyd Henderson, who was married 40 years ago. Mrs. Dick Henderson wore a dress of Mrs. Richard Flowers, mother of the bride-elect, who was married 20 years ago.

Mrs. Mary Flowers read poems taken from a bride's book of 40 years ago. Guests were entertained with an account by Mrs. Floyd Henderson of her wedding trip.

Mr. and Mrs. Del Deese of San Marcos were visitors at the Methodist Church last Sunday. Mr. Deese is a brother of Frances Deese. Mrs. Deese, formerly Miss Ruth Smucker, is a teacher of Home Economics in the San Marcos High School.

Methodist Family Church Night Service To Begin Next Sunday

The first of six consecutive Family Church Nights will begin at The Methodist Church this Sunday, September 10, at 6 o'clock. Each family will bring a dish of food. The smallest children will be supervised in a nursery directed by Mrs. Charles Williams, Sr.

Supper will be in charge of a group of hosts and hostesses each evening, under the direction of their chairmen. These were arranged by the Church Fellowship Committee, whose chairman is Mrs. Charlie Black.

After supper there will be an informal song service around the table. Jim Ad Harvick and Mrs. H. B. Tandy are the song leaders. A bell sounding at intervals of thirty minutes will announce the end of one period and the beginning of the next. Arthur Kyle, the Associate Director of the Church Night Series, will be responsible for keeping the group on schedule.

At seven o'clock the congregation will divide into four groups for thirty minutes of study. The adults and older youth will begin a "Through the Bible" course under the pastor, J. Troy Hickman, making six studies of "The Beginnings" as in Genesis. The Intermediate Youth will meet with Mrs. Hickman for a study in "Christ and Our Lives." Junior youth will study "Great Lives of the Bible" with Mrs. Ted White. Children under 8 years of age will study "Six Great Bible Stories" under Mrs. Brock Jones. The smallest children will remain in the nursery where they will be entertained with toys, music and stories. There will be beds for the very young ones.

At seven-thirty the entire group will reassemble in the Fellowship Room for a sound motion picture on the Bible. Among the pictures scheduled are "Beyond Our Own," "The Prodigal Son," and "Journey into Faith." The latter is an account of the last few days of the life of Jesus, including the crucifixion and resurrection. These services will continue at the same hours through the Sunday of September 17th and 24th, also October 1st, 8th and 15th. It is not limited to Methodist families. Anyone desiring to attend may feel welcome.

Schools Library Facilities Increased; Add Periodicals

The facilities of the Ozona High School library have been increased for the opening of school this Fall. Miss Mildred North, Coordinator of School Libraries, has announced. A workshop has been built and the magazine subscription list has been lengthened to include more current periodicals.

Miss North points with pride to the workshop that has been partitioned off from the main library. It contains several supply and storage cabinets and is walled by 74 feet of shelves. In this room repairs on books and magazines will be made. An office for the librarian is also in the workshop.

New plastic covers for current magazines have also arrived and are in use. They protect the magazines from dirt and help prevent the magazines from being unnecessarily soiled.

Bringing the magazine subscription list to a total of 41 are six new periodicals. *Flying*, *Sport*, *Science News Letter*, *U. S. News and World Reports*, *Time* and *Current* are now on the shelves for student use.

Miss North also stated that she is building a card catalogue with printed cards from the Library of Congress. She hopes to have this project completed by Christmas. Then, every book in the library will be indexed by author, subject and title in the catalogue.

Student assistants will be chosen by the end of this week to aid the librarian in the duties she performs. Miss North also reminds the general public that townspeople may use the library and the same conditions and rules that students are under.

Dr. and Mrs. Bryan Wildenthal and their sons, Hobson and Kern, visited the J. Troy Hickman family last Sunday afternoon. Dr. Wildenthal is the new president of the San Angelo College.

Governor Shivers To Open Prison Rodeo

HUNTSVILLE. — French Robertson, Chairman of the Rodeo Committee, Texas Prison Board, stated today that Governor Allan Shivers has accepted the Prison Board's invitation to attend the opening ceremonies of the nineteenth annual Prison Rodeo, to be held here, Sunday, October 1st. The Governor and his party will be the guests of Prison Manager O. B. Ellis during their stay at the Rodeo.

In further display of honor to Governor Shivers, the White Oaks School Band will appear on opening day. This band has gained nation-wide recognition as the largest rural school band in the country and has brought well deserved credit to the state of Texas.

Mr. Robertson promised many special features for Governor's day ceremonies and says that it will be the fastest, wildest show in the history of the rodeo. Activities start promptly at 2:00 p.m. on October 1, 1950 and continue on Sunday through October.

Construction is under way on a new home for Mrs. S. B. Phillips, street from the Phillips home. Mrs. Cecil R. Waller.

Mrs. Joe Teague of Stamford here for a visit with her sister, Dollye Coates and other relatives.

Welcome Home!

Every day now we are greeting friendly customers just back from vacation. And, wisely, many of them are bringing their Pontiacs in for a post-vacation check-up.

We are glad to welcome these wonderful Pontiacs back home—for this is home to them. Wherever you see the Pontiac service sign is the place where your Pontiac is given expert attention by factory-trained service specialists, using special tools and equipment and factory-engineered parts. Naturally, the men who know Pontiac best can service it best—and save you money in the long run.
