## W. Metcalf, Time Ozona Pioneer Dies

### Funeral Here Tuesday Pioneer Rancher, Settled Here

Funeral services were held at 5 p. m. Tuesday afternoon from the Methodist Church for W. Metcalf, 78, pioneer county resident, who died Monday morning in a San Angelo hospital.

Funeral services were conducted by the Rev. Roy Hickman, pastor. Burial was in Cedar Hill Cemetery at the Cody Funeral Home. The casket was brought from San Angelo in the Cody funeral car.

W. Metcalf came to Crockett County before the county's organization in 1891, residing for a time on the ranch of the original Crockett town, east of the present town of Ozona. He was born in Ukiah, Calif., in 1872, and moved to Kerr county, where Mr. Metcalf was in the oil business for many years, and from there to Crockett county.

Mr. Metcalf operated a hardware business here at the turn of the century. He later became engaged in ranching on what is now the ranch area and still later in construction work. He lived for five years in Fort Stockton, returning to Ozona to his home.

Survivors were Taylor Word, Ben Williams, C. W. Word, Ken Cody and Houston Word.

He leaves a widow, a son, W. Metcalf, a daughter, Mrs. Daisy of Fort Worth; three daughters, Mrs. Ross Raus of Elgin, Ill.; and two sons, Mrs. Velda Duckett of Prairie, and Mrs. Kenneth of Elgin, Ill.; and two sons, Wilsie Metcalf of Oakville, and Charlie Metcalf of Elgin.

## Shallow Test Block 39 Staked; Berle on Bean

McKinley and F. H. Morris have filed application to drill a shallow Crockett county wildcat, 15 miles south of Barnhart.

The well is 2,000 feet with casing, their No. 1 University well will be 2,310 from the surface to the west line of section 19-39-University.

Well & Huffman, Clark No. 2 Bean in the Betty field, was completed on the pump for 322.10 barrels of heavy oil. Open hole between casing, 7-inch casing set, and 1,333 feet, the total was acidized with 1,000 gallons. No. 2 Bean is 330 from the surface to the west line of section 27-UV-GC.

McKinley Drilling Co., No. 8 McKinley-Gauvey in the Vaughan (Andres) field was finished for 24-hour flow of 101 barrels of gravity, pipeline oil. Gas flow was 360-1. Production was 200 on a 3-16-inch tubing choke open hole between 888 feet, 7-inch casing was set, and 1,700 feet, the total depth. The well was acidized with 2,000 gallons. The producer is 330 feet from the north and east lines of section 19-39-University in the northwest quarter of section 19-39-University.

## Methodists Formulate Building Use Policies

Policy and set of regulations governing the use of the building for church purposes was adopted by the Board of Stewards at a meeting last Sunday. A Committee, with Brock Jones as chairman, will screen all requests for use of the kitchen and dining room facilities is asked for. The committee will also be made to a sub-committee, whose members represent the Board of Stewards, the congregation and the Methodist Society.

JOSH WHEELER, baritone, will open the Ozona Municipal Concert Assn. winter concert series at the Ozona High School auditorium Monday evening, October 9.

## Josh Wheeler Concert Here Oct. 16 to Open Municipal Assn. Series

Ozona joins the ranks of the great concert centers of the nation on Monday night, October 16, 1950, when Josh Wheeler, baritone star of the concert stage, appears here in person to perform for the membership of the Ozona Municipal Concert Association.

To New York, Chicago and Los Angeles this Fall has brought the opening of their annual concert season and Ozona now becomes a part of that great circuit across the country which this season and for many seasons to come will enjoy the performances of outstanding and brilliant artists.

Mr. Wheeler, who opens Ozona's first concert season, brings with him all the enthusiasm and vigor that have made his name a byword in the nation's concert circles. Known for his audience appeal as well as his powerful and beautiful voice, Josh Wheeler has assigned a program fully intended to capture the magic of an "opening night," and concert goers may well look forward to an unforgettable evening.

The Wheeler concert is a presentation of the Ozona Municipal Concert Association, and admission to the performance may be gained by members only. Curtain time at the Ozona High School Auditorium is promptly at 8 p. m.

## 10,500-Ft. Wildcat To Be Drilled On Mrs. Pat Lee Ranch

### Delta Gulf Drilling Co. Takes Farm-Out From Shell

A 10,500-foot wildcat on the ranch of Mrs. Pat Lee, 25 miles southeast of Ozona, has been staked by the Delta Gulf Drilling Co.

The test, which will go to depth of 10,500 feet, will be on a farm-out from Shell Oil Company. Shell farmed out 2,560 acres to Oil Well Drilling Co., who turned the acreage over to Delta Gulf for the drilling operation.

Drilling for shallow production is being speeded up on Block 39, University land northeast of Ozona, with six drilling operations now in progress. The wells are projected to 2,000 feet unless production is obtained at a shallower depth.

Among the visitors at the Methodist parsonage last week were Mr. and Mrs. Charles Odell from Alamo Heights, San Antonio, Dr. and Mrs. Bryan Wildenthal of San Angelo, Mr. and Mrs. Fred Lowman and Mr. and Mrs. Gene Scrutchin of San Marcos.

## Lions Expecting Capacity Crowd For Tucker Dance

### Tickets on Sale for Annual Club Dance On October 9

Advance ticket sales for the annual Lions Club dance, featuring Orrin Tucker and his "Danciest Band in the Land," to be held at the new Ozona Country Club Monday evening, October 9, indicate a "full house" attendance, according to reports from ticket sales committees this week.

A gala floor show featuring Fran and Ronnie Meier dance team and many specialties by the 14-piece Tucker orchestra will add to the dance entertainment. Other featured vocalists and entertainers include Sparky Berg, Carl Erca, George Cool and The Bodyguards.

Offering a top-flight, nationally known orchestra, the Ozona Lions Club is looking forward to a wide acceptance of this entertainment feature and invitations are going out to all surrounding towns. Considerable interest is said to be evident in the surrounding area.

Orrin Tucker, today universally recognized as one of the top dance maestros in the business, began his musical career while still in high school in Wheaton, Ill. He went to college for work in pre-medicine but music was his hobby and he headed a band which played for dances and various college functions to pay his college expenses. A booking agent tipped the scales from medicine to music by offering him an engagement in New Orleans. Followed other engagements in the South and Middle East and as the band continued to grow in popularity, the demand became nationwide. Tucker and his band have played in movie shorts, in radio features and have many recordings. Among the recorded tunes was "Oh, Johnny," which swept the country and brought world-wide recognition to Orrin Tucker and his vocalist, Bonnie Baker.

## Coronet Oil Co. to Drill Crockett Wildcat

Fifteen miles south of Barnhart, Coronet Oil Co. of Midland has spotted a Crockett county wildcat.

The company's No. 88-A University well will be 330 feet from the surface to the west line of section 21-45-University. With elevation 2,570 feet, the test will be projected to 2,000 feet with cable tools.

Crockett wildcats, Texas Pacific No. 1-G University was fishing at 8,108 feet, Magnolia No. 1 Clayton was drilling at 1,915 feet in lime and shale.

## Lions To Tackle Big Lake Owls In Friday Night Go

### Gridders Rise up from Merciless Drubbing By Iraan Giants

By O. L. Davis, Jr.  
Winless in three previous starts, the hard-luck Ozona High School Lions take to the road this week for their second 10-B contest with the Reagan County Owls at Big Lake Friday night.

Plagued by numerous injuries the Lions are definitely the underdogs in this game. Several of their key men suffered bruises and cuts that are healing very slowly this week.

The Lions are struggling to improve their many mistakes in last Friday's game with the Iraan Braves. Mauled 0-56 in the Iraan tilt, the Lions seemed unable to do anything right. Coaches Jack Harris and Doug MacDonald said that the terrific beating administered by Iraan had put the Lions' morale lower than anytime this season.

"We hope to hold the Reagan team to a respectable score," Coach Harris commented about the approaching game. "They have a very fast, tricky squad with a lot of experience. Their backfield is one of the fastest in the district and their line is very strong."

For the second week running, Lion mentors plan some shift in the defensive line-up. The offensive alignment will remain the same, with Billy West, Tom Piner and Andres Vela handling the heavy ball-carrying chores.

## Ozonan on First LST to Land Troops, Supplies at Inchon

An Ozonan, S. A. Jimmy Cunningham, U. S. Navy, son of Mr. and Mrs. Pete Cunningham of Ozona, was on the first LST landing craft to hit the invasion beach at Inchon, on the west coast of Korea last month, according to a letter received from the young seaman by his parents.

Cunningham's ship was the target of shore batteries in the landing area and two men were killed and eight wounded on the craft, he wrote his parents. "I never prayed any harder in my life than I did during that action," young Cunningham wrote.

After the Inchon landing, Cunningham's craft returned to Japan for ship repairs, evidently damaged suffered in the landing. Facilities were not available there, he wrote in a later letter, and the craft sailed for Pearl Harbor for repairs on September 25.

## Couples Celebrate Wedding Milestones

Mr. and Mrs. Earl Cunningham of Ozona and Mr. and Mrs. H. D. (Fritz) Dearson of Odessa marked their wedding anniversaries at a joint celebration in Odessa last week.

The Cunninghams have been married 24 years and the Dearsons 17 years. Some 44 persons attended the event.

Ozonans attending the celebration included Mr. and Mrs. Lonnie Smith and Danny Earl, Mr. and Mrs. Bruce Mayfield and Robert Bruce, Jr., Miss Leona (Tody) Cunningham with her parents, the Earl Cunninghams, and Mr. and Mrs. Lee Roy Story and Charlotte Jo, former Ozonans now living in Ballinger.

Kay Kirby, daughter of Mr. and Mrs. Doug Kirby, will leave today by plane from San Angelo for a week-end visit in Dallas and Fort Worth. She will go to Fort Worth where she will visit Mary Ann North and Jo Lou Brewer, students in Texas Christian University and see the T.C.U.-Arkansas football game Saturday night, and spend Sunday in Dallas visiting three other Ozona students, Judy White and Joan Holt, both attending Southern Methodist University and Rosalie Friend, a student at Hockaday.

## Hilton North Buys Local Grocery Store From Hurst Meinecke

A shift in ownership of a local business concern this week made an oldtimer in point of residence a newcomer to the retail business life of Ozona.

Hilton North, who has maintained his home in Ozona but has ranged for many years in Terrell county near Dryden, this week announced purchase of the Hurst Meinecke Grocery here and he and Mrs. North took over operation of the business Saturday.

Mr. North purchased all stock and fixtures of the business and has an option for lease of the new Meinecke building being erected just south of the present location. The new building will be completed as soon as a lawsuit now pending in the local district court is disposed of.

Mr. North has announced the policies of the new ownership will be to furnish the highest quality merchandise at the lowest possible price margins consistent with good business. He invites all his friends and former customers of the business to try the new service.

Mr. North recently sold out his ranching interest in Terrell county to Mrs. Alice Baker and Boyd Baker of Ozona.

## Information Sought On Local Facilities in Civil Defense Plan

A grim reminder of distant war clouds, or atomic bomb clouds perhaps would be more exact, penetrates even to the serene reaches of this peaceful Crockett county of ours.

An inquiry on civil defense planning comes from Headquarters, second Battalion, 4th Infantry, Texas State Guard Reserve Corps, in San Angelo, which is responsible for such planning in a 15-county West Texas area.

The query seeks the following information in the 15-county area:

1. Name and location of each hospital in your county and the number of beds in each.
2. Number of physicians in each town and location.
3. Number of ambulances in each town and location.
4. Fire fighting equipment and location.
5. Vital installations, industrial plants, roads and railroad bridges, etc., and any other pertinent information.

## KINSEY-MANKIN NUPTIAL PLANS ARE ANNOUNCED

Announcement is made of the engagement and approaching marriage of Miss Hallie Kinsey, daughter of Mr. and Mrs. E. R. Kinsey of Ozona, and Ted Mankin, son of Mr. and Mrs. Ollie Mankin of Ozona. The marriage will take place October 14.

## FAMILY NIGHT DRAWS LARGE GROUP

A group numbering 125 attended the Fourth Family Night Service at The Methodist Church. This series of Sunday evening services will continue through Oct. 15. A covered dish supper under the direction of hosts and hostesses is followed by fellowship and songs around the table. After a thirty-minute class period, the groups gather for a religious motion picture.

## G. A. HOBO PARTY

Mrs. Roy Sewell and Mrs. H. W. Maddoux entertained the Girls Auxiliary with a Hobo party at Mrs. Sewell's home Monday afternoon. Several games were enjoyed. Present were Charlotte Adams, Janie Adams, Beverly Bohot, Nell Childress, Gail Cunningham, Myrtle Mae Everett, Lynn Gustavus, Della Mae Mason, Elsie Palmer, Jean Price, Ridgy Sewell, Carol Ann Tennison, Clifton Ray Tennison, Sandra Vaughan, Jacqueline Williams and Mrs. Clifton Tennison.

## New Quarters For Ozona Postoffice By Next April

### Tom Harris to Erect Building for Lease To Government

Ozona's long-standing problem of overcrowded conditions in its postoffice will soon be solved with the construction of a new building to house the government facility and provide two and a half times the space now available for handling the mail.

Announcement was made by the Postoffice Department this week of its acceptance of a bid by Tom Harris of Ozona to construct a new building for lease to the Department for a period of ten years.

Mr. Harris, manager of the Foxworth-Galbraith Lumber Co. here, will construct two buildings, in fact, or one building 50 feet wide and 80 feet long, with a partition dividing it into two 25-foot wide buildings.

The new structure will be on a lot Mr. Harris owns across the alley north from the lumber company office, now occupied in part by a small building housing the Joe Patrick Electrical Shop.

The new postoffice will be located in the building next to the alley. A space of 40 feet will be reserved at the rear of the building for mail delivery trucks to load and unload. Entrance and exit will be available through the paved alleyway.

Mr. Harris announced that construction work on the new building may begin at once. His contract with the postoffice department provides for its completion ready for occupancy not later than April 1. However, the Department has indicated that if it is completed sooner and the postoffice fixtures are available at its earlier completion, the move to new quarters will be made in advance of the deadline date.

The new building is to be constructed of tile and concrete. No trade has been made for a renter for the additional business building to be built, Mr. Harris said.

Construction of new quarters for the postoffice will culminate a campaign waged by Ozona citizens for several years, starting soon after organization of the Community Council several years ago. The Council carried on an almost uninterrupted letter writing campaign with Washington officials seeking construction of either a government building here or provision for enlarged facilities. An allocation of \$75,000 was made several years ago, for construction of a U. S. Postoffice building in Ozona but actual appropriation of the money by Congress was never made.

The Department went into action a few months ago asking bids for a new building. The matter dragged and pressure was renewed in recent weeks by the local Sheriff's posse. Completion of the project for enlarged quarters next Spring will make available space for handling the ever-increasing volume of local mail and will make postoffice boxes available to the several dozen applicants, some of whom have been on the waiting list for years.

## Gospel Meeting in New Latin-American Church of Christ

C. S. Zuniga, Church of Christ minister from San Angelo, will do the preaching at the first gospel meeting to be held in the newly completed Church of Christ in the Ozona Latin-American community here, beginning October 15, it was announced this week by Bill G. Brown, minister of the Ozona Church of Christ, sponsor of the new church.

The meeting will last through October 22. Joe Arrieta, formerly of Monahans, is pastor of the new church. The congregation of his church contributed \$5,828 last Sunday toward paying off the note on construction of the new Latin-American church, Mr. Brown said.

**Mid-Century Exposition  
Opens in Dallas Sat.**

Ready to open its gates in Dallas Saturday, (Oct. 7), unveiling its long-herded Mid-Century Exposition, the 1950 State Fair of Texas appears destined to produce the biggest splash in its 65-year history and topple all its own previous world's records for state fair attendance.

More than 2,225,000 visitors are expected to throng the 187-acre, \$35,000,000 showgrounds during the fair's 16-day run, Oct. 7-22.

The strong appeal of this edition, officials point out, is due to the most exciting lineup of special events, entertainment and educational attractions ever offered by a state fair, and to the Mid-Century staging which offers "a nostalgic salute to the first half-century and a fascinating preview of the second."

Heading the field of entertainment is "South Pacific," the musical hit of the mid-century, with Janet Blair and Richard Eastham, playing 24 performances in the auditorium. Sharing the spotlight, glamorwise, is the world premiere of the 1950 version of Ice Cycles.

Topped by Sally Rand and her all-new musical revue, Midway shows will include Moon Mullican, top hillbilly recording artist and composer of "Jole Blon," and eleven other Western stars in the State Fair Hillbilly Jamboree.

**3,090 Reservists in  
Texas to Be Called  
Up by November 10**

AUSTIN. — Additional recall of male members of the volunteer and inactive Enlisted Reserve Corps will affect some 3,090 Texas reservists, Colonel Oscar B. Abbott, Chief of Texas Military District, announced today. The reservists will be called to active duty in four increments reporting to stations between September 10 and November 10.

The recall of Texas reservists is part of a call for 77,000 enlisted reservists announced a few days ago by the Department of The Army. The quota for Fourth Army is 72000, which includes the 3,090 Texas reservists.

**San Angelo Public  
Buildings Inspected  
For Fire Hazards**

SAN ANGELO, Tex. Oct. 5 — This community of 55,000 had expert advice today on how to protect its schools, churches and public buildings from fire.

The experts were 16 trained inspectors representing the West Texas Field Club of the Texas Fire Prevention Association. Wednesday, they spent the day probing every San Angelo public building for fire hazards. Today, San Angeloans were reading the detailed recommendations they left behind.

The inspection, sponsored by the San Angelo Insurance Exchange, in cooperation with city officials, was the kick-off for the city's annual fire prevention program. Dallas Goss, local insurance man and chairman of the inspection, said that the program will continue through National Fire Prevention Week Oct. 8-14.

San Angelo became the 12th Texas city to be inspected since the program was started nearly two years ago. All inspections have been by The Texas Fire Prevention Association which is sponsored by the capital stock insurance companies as a public service. Inspectors are sent into a community without charge.

A "fellowship gathering" the first Friday evening in each month beginning in November, has been announced by the Church of Christ here. The gatherings will be at the Granny Miller Hall, with each family furnishing sandwiches and dessert. Drinks will be provided.

**Better Buy Buick!**

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways — and it isn't just that boldly gleaming forefront that spreads this impression.

It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving.

Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating. Find out, for example, how mas-

terful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflo Drive,\* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the

wheel — and prices that start down with the sixes.

Seems like almost everyone wants to own one of these Buicks — and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

**Only BUICK has Dynaflo —**  
and with it goes HIGHER-COMPRESSION

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

**Fight for the Week**

by J. Troy Hickman

**BOY FOOTBALL**

One of several millions of fans who love to see a good game. We do not qualify in the game, but our seats in the grandstands and our paid at the gate make the game possible. Without us, the game and players would have to play for or with. There is a point of view ought to be.

fed up with the kind of game we saw last week when Iraan here to play the Lions. Because we lost the game, because it was not really a game at all. No one would care to watch a jet plane and a ball game between a light experienced squad who are being against a heavy and superior team is no contest at all. I misunderstand me. Our game nothing to be ashamed of put up a good fight with they had. Against a more

evenly matched opponent, they would have given a real account of themselves. But from the third touchdown on, it was obvious that the Lions did not have a chance.

Such a one-sided contest should never take place in schoolboy football. The spectators and patrons are entitled to a better deal than that. Something is basically wrong with a classification system that permits unmatched teams to compete. The number of students enrolled in a school is not an adequate basis for classifying football teams at AA, A and B. There should be other variables, such as weight, age, experience, the number of men on the squad, etc. It might even be that a team would be in class A one year and in class B the next year. The very essence of schoolboy football is, or should be, that the competing teams be matched so evenly that there is at all times a chance for either to win. Then such factors as spirit, determination and skill could come into the picture. When the teams are too unequal, nothing counts but numbers and weight. The outcome is a certainty, and the game is neither fair nor interesting.

The visiting coach missed a fine chance to equal things up a bit. After the third touchdown, with the game on ice, he could have jerked his first string and put in the second. This would have given more of his boys a chance to work out. It would have been good sportsmanship. It would have boosted the spirits of our boys and produced a real scrap. The big score of 56 to 0 did not prove anything except that Iraan had the better team. A score of 21 to 0 would have done the same. It may backfire on him later in the year. His boys will have such a tall idea of their strength that they will not work as hard as they ought. When they come up against a tougher opponent of their own weight and power, they may be caught napping.

The recollection of a defeat like the one the other night burns like a coal of fire. Some year the picture may be reversed, and our boys will enjoy running up a big score against Iraan. That will be bad. It will be bad for both teams, bad for the spectators, bad for the cause of football. And it will be bad for coaches, whose salaries

depend on public opinion. Why can't a coach see that simple fact?

Football is a good game when it is played as a sport and not as a business. It teaches a boy to discipline himself, to think and act with the team, to be loyal to his school. It is good entertainment for the fans, and it helps build school and community spirit. There are always some, however, who seem anxious to ruin the game. They are the fans who take it too seriously and produce ugly feuds between towns, the gamblers who mess up the game by betting on the outcome and influencing the coaches and players, those who do their drinking at the games and become pests to all around them, school authorities who let the whole thing get out of proportion and put football ahead of books, and coaches who are more anxious to build personal reputations than they are to serve the cause of good football.

Public opinion can cure most of these mistakes. And when schoolboy football is played as it should be, it is a sound and wholesome sport.

**Livestock Shipments Show August Gains**

AUSTIN. — Shipments of livestock in Texas rose 24 per cent from July to 5,253 carloads in August, or 6 per cent above a year earlier, the University of Texas Bureau of Business Research reported.

All classes of livestock registered gains over July shipments; calves, 87 per cent; sheep, 34 per cent; hogs, 10 per cent; and cattle, 9 per cent.

In comparison with August 1949, movement of calves climbed 108 per cent, and hog shipments were up 14 per cent, while sheep and cattle decreased 2 and 10 per cent respectively.

Mr. and Mrs. Kirby Moore have a daughter born Sunday afternoon in the Ozona Hospital. She has been named Marsha Dee. Mr. and Mrs. Welton Bunger and Mrs. Audra Moore, all of Ozona are grandparents.

Mr. and Mrs. Roy Allen are parents of a son born early Monday morning in the Ozona Hospital.

**W.S.C.S. Business Meeting and Luncheon Held Wednesday Noon**

Members of the Woman's Society of Christian Service of the Methodist Church met for a business session and covered dish luncheon in the social hall of the church Wednesday.

Mrs. H. B. Tandy, Society president, opened the meeting with suggestions for good leadership. Written reports of all officers and standing committees were heard, with special emphasis on publicity and literature and Christian social relations. Mrs. R. A. Harrell, secretary of Christian Social Relations, recommended that each member read all available material on the United Nations.

The Jennie King Circle was represented by nine members, the Willing Workers by eight and the Sunshine Circle by four. The Circles will meet next Wednesday morning, the Willing Workers with Mrs. Joe Pierce, the Sunshine

Circle with Mrs. Brock Jones and the Jennie King Circle with Mrs. Stephen Perner.

The Society as a whole will meet for a program Wednesday morning October 19, at 9 o'clock, in the social hall of the church. All members are urged to attend.

Present for the Wednesday luncheon meeting were Mrs. H. B. Tandy, Mrs. B. B. Ingham, Mrs. Floyd Henderson, Mrs. M. B. Flippen, Mrs. Abe Caruthers, Mrs. N. W. Graham, Mrs. Hugh Childress, Jr., Mrs. Charles Williams, Mrs. Charles Williams, Jr., Mrs. Dempster Jones, Mrs. R. A. Harrell, Mrs. T. A. Kincaid, Jr., Mrs. W. E. Friend, Jr., Mrs. L. B. Cox, Jr., Mrs. Stephen Perner, Mrs. Troy Hickman, Mrs. Ted White, Mrs. Paul Perner, Mrs. Geo. Montgomery, Mrs. Mary Flowers, Mrs. Madden Read, Miss Ruth Sutherland and Miss Beulah Morton.

Miss Vivian Stratton, daughter of Mr. and Mrs. Sterling Stratton of Ozona, a student at San Angelo College, was among 22 young women, residents of new Carr Hall at the College who were guests of President and Mrs. Wildenthal for Sunday dinner at the Cactus Hotel. The young women students are finding life in the new dormitory pleasant and exciting, according to reports.

Dr. Leonard J. Dixon of Stanton was a visitor Wednesday evening at the Ozona Hospital. Mrs. Valentine Melvin, manager, is a former associate of Dr. Dixon who is a prominent surgeon and spent seven years with Dr. Oschner of New Orleans, one of the South's outstanding surgeons.

ABILENE. — Billy L. Hannah, son of Mr. and Mrs. W. N. Hannah, Ozona, has enrolled in Abilene Christian College for the 1950 fall semester. He is a senior student at ACC and a member of the Wildcat football squad.

# THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

## School Spirit Gets Up Head of Steam In O-Hi Precincts

"Coach, team, pep, steam —!" The O-Hi school spirits soared high all through the week climaxed in the pep rally preceding the Ozona vs. Iraan football game.

The Ranch Theatre held a capacity crowd Thursday night as students gathered for a grand end-off for the Lions. Immediately following the newsreel the cheerleaders led the audience in yells encouraging their team onward to victory.

Master of ceremonies O. L. Davis Jr., introduced Coach Harris who asked for backing of the boys at Lions stadium Friday. The football squad was introduced and lined the stage. Several yells followed and the scheduled movie was shown.

Continuing the same enthusiasm the students held a short rally after school Friday. The gymnasium fairly burst at the seams as the band played the OHS school song and all joined in and sang.

The highlight of the rally was a skit given by O. L. Davis and John Skinner. Mr. Davis, lying on a stretcher—signified a highly suffering school spirit, which only needed the yells and cheers of O-Hians to recover and run out of the gym.

## OHS Student Council Decides Many Issues In Initial Meetings

The Student Council is in full swing now, and has already decided some major issues.

The first meeting was last Tuesday. It was decided to renew our membership in the National Organization and how many honors one person could hold.

Wednesday night there was a very informal meeting at the home of Superintendent McIntosh. The annual staff was elected and the delegates to the Student Council convention in Oklahoma City were also elected. It was decided how the homecoming queen would be elected.

Refreshments were served and the meeting ended by listening to the first few rounds of the Louis Charles fight. Everyone had a wonderful time.

## OHS PENNANT PINS

Little plastic pennants with Ozona stamped on them and a gold football and purple and gold ribbon attached have been on sale by the student council for the past week.

They are only 50 cents each and as cute as they can be, so if you don't have one yet they are on sale in the office.

## Sportsmanship Code Of Dist. 10-B Launched By Student Council

The following code has been adopted by the student council on behalf of the student body of Ozona High School.

"Let it hereby be resolved that the eight schools comprising District B-10 will be united in a common effort to promote better sportsmanship. Following are the points set forth: To provide a better understanding among the schools; to discard the element of dissension among schools; to promote a friendly rivalry; and to further a closer relationship among the schools of this district.

Recognizing that friendliness, respect, cooperation, cheerfulness and fairness are basic traits of accepted standards of conduct, we, the students of District 10-B do hereby recommend that the following conceptions of sportsmanship be accepted and practiced by the various student bodies comprising this district:

### FRIENDLINESS:

We will be courteous and gracious to the extent that notes of welcome will be sent to the schools of teams that visit us and thank you notes to all schools that entertain us; reserve a student section at games; treat our opponents as personal guests of the school; invite visiting schools to all post-game activities; direct visitors through town and through our schools (if permitted); and congratulate our opponents, win or lose.

### RESPECT

We will respect the rights of others; the officials decisions; the American Flag; and the National Anthem. We will respect all school songs; the property of others; the school spirit of our opponents; and all people by staying in the stands during the game and not blocking their view.

### COOPERATION

Schools will cooperate with each other in making pre-game arrangements; exchanging yell - leader courtesies; observing local rules and regulations; and practicing positive attitudes by showing a willingness to cooperate.

### CHEERFULNESS

We will strive to maintain cheerful associations before and after the game. We will strive to maintain a sense of balance by keeping our emotions and sentiments from overcoming our better judgment and common sense.

### FAIRNESS

Fair play will be practiced in both reality and spirit. Understanding and appreciation of the other fellow's point of view, feelings and situations can best be observed by the Golden Rule: "Do unto others as you would have them do unto you."

## Teaching Leads Choice Of Vocations in Poll Of OHS Students

Teaching led the list of desired vocations when Ozona high school students polled their opinions last week, Lem Bray, principal, revealed.

Asked to indicate first, second and third choices, 17% of the student body chose teaching as their desired life work as a first choice. This field ran third as second and third choices. Mechanics ran a close second on the first ballot with nursing, office work, ranching and engineering and military service close behind in that order. Small business ownership, the ministry, selling and law were also contenders. Written in on the ballot as their choices, students were interested in music, band, extension service work, dress designing, civil service and architecture.

Mr. Bray said that these vocational inventories were a part of the high school guidance program. The results will be closely followed in preparing a series of speakers and round tables on vocations during the year.

## Lois McDade Chosen To Edit H. S. Annual

Word is getting around that the 1950-51 annual is going to be 'bigger and better' than ever. Plans have already begun for the year-book, Editor Lois McDade has announced.

Other members of the annual staff will be: Darrene Thompson, assistant editor; Bill Schneemann, business manager; Jack Sorrels and Joe Bailey, assistant business managers; Pat Hickman, senior representative; Bobby Womack, junior representative; Tom Piner sophomore representative; and Jane Adams, freshman representative. The staff was chosen by the Student Council.

O. L. Davis, Jr., is the sponsor and advisor to the annual staff.

## THE DEPARTMENTS —

### Struggle, Study, Study From Dawn to Dark

The atmosphere of tragedy invades the fourth year English class as students pore over Shakes-

peare's famous "Macheth." Composition of informal themes to correct personal faults is the objective of junior English classes. Special reports have been given by Rita Ballinger and Sergio Martinez.

While first year Spanish students struggle with relearning their alphabet, the second year students are enjoying well-known

humorous stories of the Spanish speaking world.

The girls' physical education classes are playing touch football. It's fun for all and the girls are very enthusiastic about it.

Intramurals have been changed from softball to basketball. Teams and their captains will be announced soon. The golf competition is still being carried on at the

Country Club.

Theorems, axioms and geometric triangles are causing a commotion of Mr. Massingill's geometry students.

Not only is the chemistry department studying oxygen, it makes a study of the latest project has been announced. (Continued on Page Four)

# NO MATTER WHO YOU ARE...

I'M YOUR SERVANT OF THE CENTURY, TOO!

Reddy Kilowatt is right with you all the time. You probably don't think much about it, but he helps you work in a hundred ways, every day, at the flip of a switch.

Why waste YOUR time and energy in your home, on the farm, in the office, or plant? Reddy is on duty 24 hours a day. He never asks for a day off—not even for holidays or Sundays. He's stronger than a horse and he travels with the speed of light! He's *The Mighty Atom in Person!*

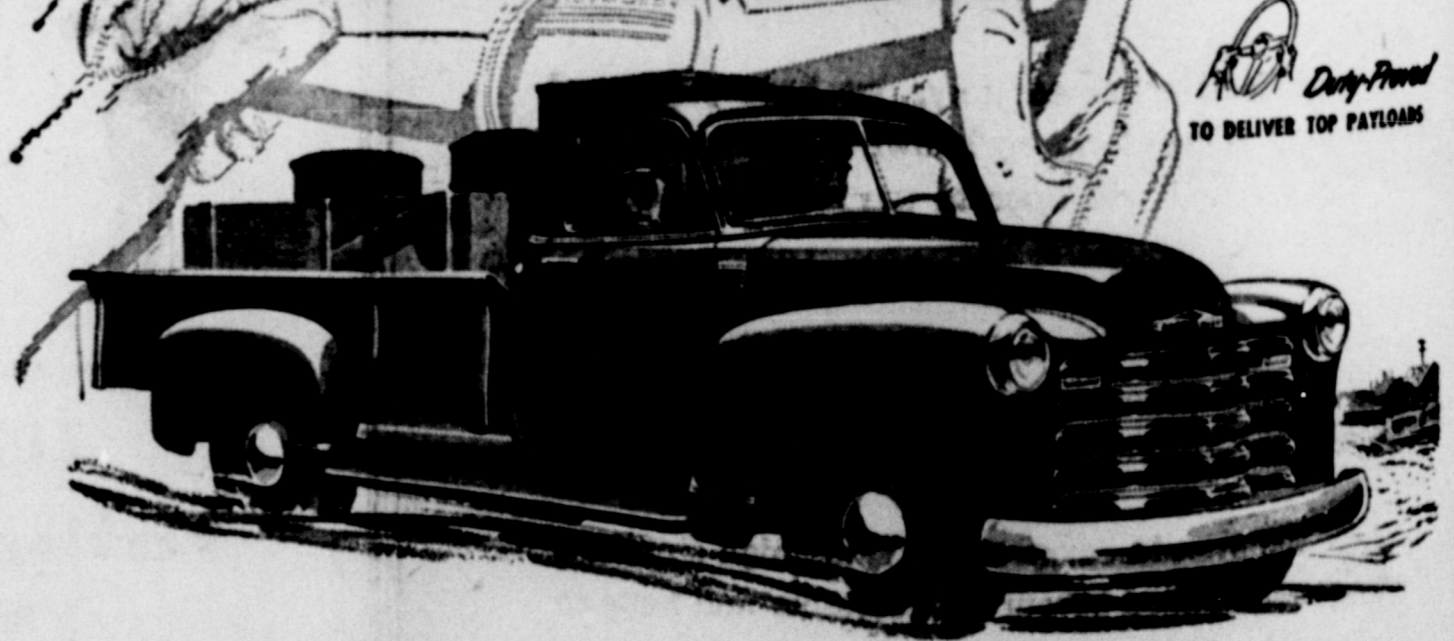

He's the lowest priced servant in history with wages that average near three cents an hour!

That's Reddy Kilowatt Power for you!

**H. E. Girls Learning Many Sewing Tricks And Short Cuts**

The colorful displays of material, green, blue, pink — all the colors of the rainbow, and more — are the centers of attention for second year home making girls. New knowledge has been gained through new experience with various fabrics, Patterns and material, chosen to fit each girl's individuality, are rapidly receiving the finishing touches that make garments their loveliest.

Brief interviews with a few of the future home makers give us an idea of what they are doing. Corduroy is one of the most popular materials being worked with. Paulita Rodriguez tells us that she has discovered that the nap must always be found first and be kept running downwards. Stitching must be put off until the garment fits perfectly because stitching taken out shows badly.

A brown wool jersey jumper has kept Billie Chandler busy for several weeks. She plans to enter it in the wool contest at San Angelo. A few tips from Billie include warnings to other workers in jersey to cut the straight of the pattern on the natural straight of the fabric, when pressing move the iron up and down rather than across, and seams must be reinforced with bias tape or seam binding.

Elva Vitela, Doris Palmer and Juanita Lopez are all working with cottons, such as piquet, broadcloth and basket weave material. Their reports indicate that cotton is easy to work with. Pin basting is used frequently and material is not easily stretched.

The home economics girls all agree that they are learning many new and helpful sewing hints and short cuts.

**Lions Overpowered By Iraan In First Conference Game**

The first conference game of the season ended in heartbreaking defeat for Ozona's home team. Fans crowded the stands and lined the field as the Iraan Braves tangled with the Ozona Lions. After receiving the initial kick-off, Iraan's Roy Robicheaux raced 70 yards for the beginning of the scoring which totalled 35-0 at the half and 56-0 at the game's end. Iraan made eight first downs to Ozona's three.

Halftime performances were given by the bands from both schools.

Phone the news to The Stockman.

**Happy Birthday to —**

Bettye Maness who was 17 September 30. Lois McDade was 17 October 3. Darrene Thompson was 17 October 5. Paulita Rodriguez was 17 October 30; Onesimo De Hoyas was 18 September 30; Nina Ramos was 16 October 3; and Kootsey Smith was 17 October 1.

**MEET THE TEAM**

He says his favorite pastime is going with girls, especially a certain blonde freshman, Jeannene Thompson, to be exact and his favorite food is fried chicken.

Charles Garlitz plays center for the Lions. He played junior high football last year, basketball and interscholastic league tennis and baseball. In addition to sports he is an active 4-H member and his lamb won Reserve Champion at the county show last year.

He has brown hair, dark brown eyes, weighs 135 pounds and is 5 feet, 8 inches tall.

**Second Annual Ozona Homecoming Oct. 28**

The Ozona Homecoming will begin October 27 with the football game that night between Junction and Ozona.

Our queen will be selected by the students at school. The program begins Saturday, October 28 at 9:30 in the high school auditorium where the graduates will be recognized.

The Lions Club is furnishing the meal in the park, both dinner and supper. The Sheriff's posse will lead the parade and Mr. Pelto and Mr. V. O. Earnest will be in charge of the parade.

Each room will make a float and many of the business places in Ozona.

At 9:00 that night there will be the Homecoming Dance.

Last year an estimated 600 to 700 people attended the first homecoming. This year we are sending 1,000 invitations.

This year we hope to have a bigger and better homecoming.

**Junior Hi Slates Six Football Games**

Coach Martin Hearne announces the following schedule for Junior high school football games:

- Sept. 20, Big Lake, here.
- Sept. 28, open
- Oct. 5, Iraan, there.
- Oct. 12, Eldorado, here.
- Oct. 19, open
- Oct. 26, Eldorado, there.
- Nov. 2, Big Lake, there.
- Nov. 9, Iraan, here.

**STUDENT OF THE WEEK — What Is It? A Boy Likes Shrimp, Redheads**

This week's Student of the Week is a fifteen year old sophomore who has blond hair and blue eyes and has lived in Ozona all his life.

In his freshman year in high school, he was president of his class and this year he is secretary-treasurer of his class as well as business manager of the annual.

His favorite food is any kind of shrimp; his favorite type of music is hillbilly; and his "pet peeve" is nick names.

He says his hobby is girls, especially redheads, and his favorite sport is basketball.

Our student of the week hopes to attend A&M College.

The last clue, which we have saved to the last because it is a dead give-away, is the fact that he's 6 feet tall. Oh yes! I forgot to mention that his ambition is to become 6 feet, 4 inches.

Well, who else could our student of the week be but Bill Schneemann.

**Students-Faculty Conferences Decide School Philosophy**

Students and faculty, working together, have begun meetings to decide the philosophy of Ozona schools. Nine members of the student body have been chosen to participate in the discussions. The students included are Bettye Maness, Juanita Perez, Elva Vitela, Pete Cisneros, Joe Bailey, Bill Schneemann, Juanita Lopez, Wanda Carden and Graham Childress.

Standards set forth in Washington are codes by which the meetings are conducted.

**Juniors Profit From Sale of Mums**

Golden mums with streaming purple ribbons set off Ozona football fans as they filled the bleachers at the Ozona vs. Iraan football game. The mums were sold by members of the junior class who netted a neat profit of \$58.45.

The class officers and members would like to express their appreciation to the room-mothers and Mrs. Bill Adams, who supplied the flowers.

**TEACHER OF THE WEEK**

Miss Billy Sealy, who teaches English and Spanish at OHS, has been teaching there for two years and says she likes it very much.

Miss Sealy, a graduate of North Texas State Teachers College is

originally from San Saba, Texas. She is 5 feet, 2½ inches tall, has red hair and blue eyes and says she likes ice cream, tennis, reading and all kinds of music.

Miss Sealy's ambition is to continue her teaching here and to go to school some more.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS TO: MEDIA M. HERNANDEZ GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23 day of October, A. D., 1950, at or before 10 o'clock A. M., before the Honorable District Court of Crockett County, at the Court House in Ozona, Texas.

Said plaintiff's petition was filed on the 1 day of Sept. 1950. The file number of said suit being No. 1001.

The names of the parties in said suit are: Francisco Hernandez as Plaintiff, and Media M. Hernandez as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce to dissolve the bonds of matrimony that now exist between Plaintiff and Defendant.

Plaintiff alleges that on or about 1939, Defendant permanently abandoned the Plaintiff. Plaintiff alleges that there were six children born to this Plaintiff and Defendant and that two of these children are under 16 years of age, and that they have no community property.

Issued this the 8th day of September, 1950.

Given under my hand and seal of said Court, at office in Ozona, Texas, this the 8 day of September A. D., 1950.

(SEAL) Geo. Russell, Clerk District Court, Crockett County, Texas. 23-4c

It's easy "Required Reading" that will always result in better telephone service for you.

**San Angelo Telephone Co.**

Don't Be Satisfied With Symptomatic Relief!

**HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS**

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition When due to lack of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin in your system!

Read How These Folks Benefitted Who Had Such Deficiencies

Mr. Anthamatten, 1731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress (gas pains, heartburn, indigestion after eating) due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great "builder-upper" for sick, nervous, puny kids whose systems lack precious Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

**IMPORTANT!** Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50.

**REGULAR MEETINGS  
METHODIST CHURCH**

**Sundays:**

 Other meetings by announcement.

**CARD OF THANKS**

We take this means of expressing our heartfelt thanks to all our friends for their many kindnesses and courtesies and for their expressions of sympathy during the illness and at the death of our husband and father, George Metcalf.

Mrs. George Metcalf  
 Mr. and Mrs. Conn Metcalf  
 Mr. and Mrs. Tom Daly  
 Mr. and Mrs. W. J. McAnally  
 Mr. and Mrs. F. A. Duckett  
 Mr. and Mrs. Ross Hauze  
 Mr. and Mrs. Kenneth Rudolph

Mrs. Valentine Melvin, manager of the Ozona hospital and Texas representative for the American Medical Technologists held an executive board meeting in San Angelo last week-end. There were about 30 local technologists present Saturday evening with the executive board as guests. The board meeting was held Sunday. The goal that this organization hopes to accomplish is a State Board Examination for Technologists such as doctors and nurses have.

**Four Intersectional,  
One League Contest on  
Southwest Schedule**

The Southwest sets its intersectional record against the Big Seven and Southeast Conferences Saturday, besides having its own first league game of the year. Radio reports of this action will fill Humble Oil & Refining Company's football broadcast schedule this week.

From the Big Seven, Oklahoma U. faces Texas A&M and Missouri tries SMU. The Southeast sends LSU against Rice and Mississippi State to meet Baylor. Meanwhile, Arkansas and TCU will play the first Southwest Conference game of the year.

Kern Tips and Alec Chesser will report the Aggies' invasion of Oklahoma from Norman Okla., with the broadcast beginning at 1:50 p.m. over KFJZ, Fort Worth; WRR Dallas; KRBC, Abilene; KGKL, San Angelo; and KABC, San Antonio.

The SMU-Missouri meeting, at Columbia, Mo., will be described by Ves Box and Dave Russell, starting at 1:50 p.m. over stations WFAA-WBAP-570, Dallas - Fort Worth; and KTSA, San Antonio.

The other three are night games. The Rice-LSU contest will have Bill Michaels and Bob Walker in Houston for the broadcast beginning at 8:05 p.m. It will be heard on WFAA-WBAP-570, Dallas - Fort Worth; and KABC, San Antonio.

Baylor and Mississippi State, playing in Shreveport's new stadium, will have an 8 p.m. starting time. Eddie Barker and Buddy Bostick will cover the game on stations WRR, Dallas and KCOR, San Antonio.

And for 1954's first Conference game, it will be Charlie Jordan and Jerry Duggett at TCU stadium, starting at 8 p.m. The Frog Razorback game story may be heard on KFJZ, Fort Worth; KGKL, San Angelo; KRBC, Abilene; and KMAC, San Antonio.
