THURSDAY, OCT. 12, 1950

STATEMENT OF THE OWNERSHIP, management, circulation, etc., required by the act of Congress of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946.

Of the Ozona Stockman published weekly at Ozona, Texas for October, 1950, State of Texas, county of Crockett.

Before me, a notary public in and for the State and county aforesaid, personally appeared W. E. White, who having been duly sworn according to law, deposes and says that he is the owner of the Ozona Stockman and that the following is, to the best of his knowledge and belief, a true state-

ment of the ownership, management (and if a daily, weekly, semi-weekly or triweekly newspaper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (section 537, Postal Laws and Regulations), printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business manager is W. E. White, Ozona, Texas.

2. That the owner is W. E. White, Ozona, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages or other securities are: None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of each issue of this publication sold or distributed, through the mails

or otherwise, to paid subscribers during the twelve months preceding the date shown above is 870

From Pills to Penicillin

Over the year, behind our counters, we've sold many kinds of accepted medicines and we've filled thousands of prescriptions for people of this community. We've helped measure out a lot of medical progress. We've seen new treatments and new drugs turn illness into health, despair into hope.

This progress is more than statistics — it's people! And the people we know don't want it tampered with!

Free America has no place for a bureaucracy that stands between people and progress, between doctor and patient, between physician and pharmacist.

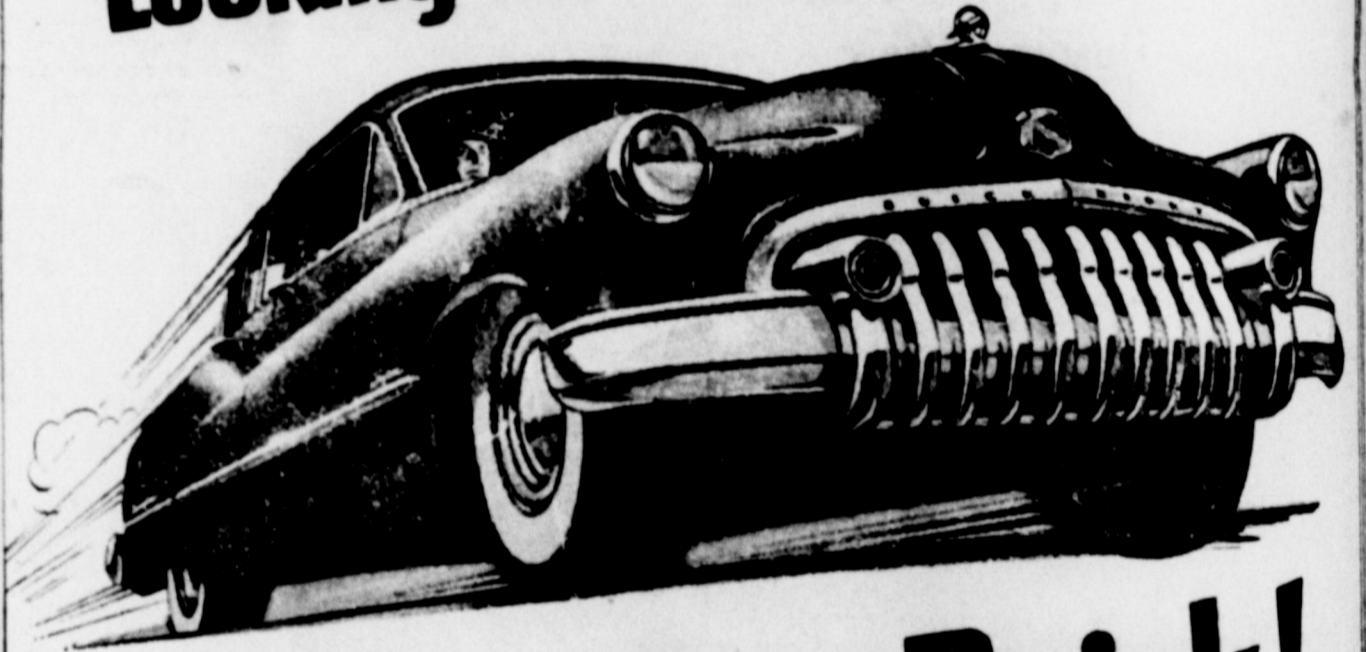

FREE AMERICA HAS NO PLACE FOR
SOCIALIZED MEDICINE!

Looking for POWER?

Better Buy Buick!

That bold bonnet that stretches out before your eyes on a 1950 Buick isn't there just for show.

Lift it up, and you'll find that the space beneath is abundantly occupied, by one of the biggest hoodfuls of power you'll find in any motorcar.

What you're looking at is Buick's modern version of the high-compression valve-in-head engine, which gains extra wallop from the fact that it uses the exclusive Fireball combustion principle.

We could list a lot of mechanical reasons why fuel gives up extra power in a Fireball engine—how it's wrapped in a swirling, ball-shaped charge—how it burns with a smooth, clean thrust that delivers maximum action.

But the best way to find out what all this means is to touch off the eager horsepower out on the highway by a gentle nudge of your toe—and feel your shoulders press deep in the cushions behind them.

Now all this sounds thrilling, you say, but how about the feed-bills for all these horses? How about miles-per-gallon?

The practical answer to that one is found in this year's experience with the SUPER and SPECIAL—and even the ROADMASTER.

In all three, the horsepower was stepped up at the start of the year—and in all three, happy owners report the best mileage in modern Buick experience.

This is due to a little-known but authentic engineering fact—which is that an engine burns less gas when it doesn't have to labor. At any normal driving speed, therefore, extra power is extra thrifty.

So we say again—if you're looking for power—mighty power—buoyant power—silken power—thrifty power—better buy Buick.

Your Buick dealer is eager for the chance to demonstrate how sound this hint really is.

Only BUICK has Dynaflow Drive!
and with it goes HIGHER-COMPRESSION
Fireball valve-in-head power in three engines.
(New 4-353 engine in SUPER models) • NEW
PATTERN STYLING, with MULTI-GUARD front
front, taper-through fenders for easier parking and
SIZE, less over-all length for easier parking and
groupings, short turning radius • EXTRA-WIDE
SEATS cradled between the axles • SOFT BUICK
RIDE, from all coil springs, Safety-Ride tires,
low-pressure tires, ride-steadying torque-bar
• Standard on ROADMASTER, optional on other
• Standard on SUPER and SPECIAL models.

Attendance record for The
Family Night Service
last Sunday night when
the facilities of
the Church of the
Ship Hall. The number
of people present had
climbed steadily from
120 which was set the
night. The service next Sun-
day, October 15, will be the
present series.

Miss Kinser Honored
At Shower Saturday

Miss Hallie Dee Kinser, whose
marriage to Ted Mankin has been
announced for October 14, was
honored at a gift coffee Saturday
morning in the home of Mrs. Bill
G. Brown.

Hostesses for the affair were
Mrs. Brown, Mrs. J. L. Sweeten,
Mrs. Leo Bawcom, Mrs. Maggie
Deland, Mrs. Basil Dunlap and
Mrs. Gertrude Perry. The bride's
chosen colors of pink and white
were used in party decorations.
The table was centered with an ar-
rangement of white gladiolas and
pink carnations.

Mrs. Brown greeted the guests
at the door and in the receiving
line were the honoree, her step-

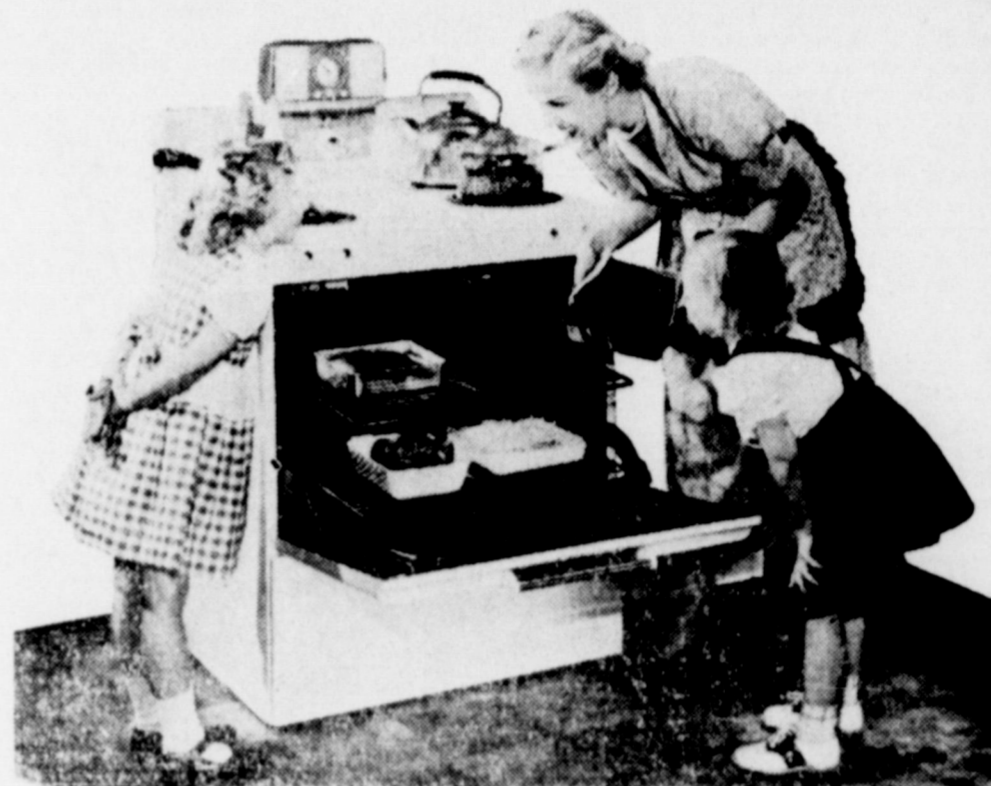

mother, Mrs. E. R. Kinser, Mrs.
Ollie Mankin, mother of the groom-
to-be, and Mrs. Peery Holmsley
and Mrs. Myrtle Mitchell, aunts
of the bride-elect.

Mrs. A. C. Hoover and Mrs. Ar-
mond Hoover, also aunts of the
bride, served the coffee and cake
and another aunt, Mrs. Brock
Hoover, was in the gift room. Mrs.
Tom Mitchell was at the guest
book and assisting in the dining
room were Misses Ruth Sparks and
Betty Maness. Mrs. Basil Dunlap
said adieus. Plate favors were min-
iature scrolls bearing names of
the nuptial pair and the wedding
date.

About fifty guests called during
the receiving hours from 9:30 un-
til 11 o'clock.

BE THRIFTY IN '50
COOK ELECTRICALLY
... it's **ECONOMICAL**
Cool, Clean, Fast and Automatic!

A few of the
reasons why
Women prefer
ELECTRIC COOKING

- It's Fast!** Electric "speed units" now cook faster than any other method!
- It's Automatic!** Electric cooking's automatic features save you time, labor, and money!
- It's Cool!** Electric ovens are insulated on 6 sides. Heat goes into food, not into the kitchen.
- It's Safe!** No matches, no flame, no fumes to bring hazards into your kitchen!
- It's Clean!** There is no smoke, soot, or dangerous fumes to mar your kitchen.
- It's Modern!** Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods as old-fashioned as flame lamps.
- It's Healthful!** Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.

THE ECONOMY of the new electric ranges will appeal to any woman who watches her pennies. It's a real money-saver! Heavy insulation on all six sides of the oven keeps the heat in so you use only the heat needed without waste. Surface units, too, save by cooking faster; by putting heat directly into utensils and food, allowing no waste heat to escape around the pots and pans to heat up the kitchen.

Electric cooking requires less water; foods cook in natural juices retaining the garden-fresh flavor and food values so often lost in flame type cooking. The moist heat of an electric range reduces meat shrinkage to a minimum. (With today's meat prices that's a most important saving.) Even the cheaper cuts come out tender and juicy!

Don't overlook the penny-saving deep well cookers that cook entire meals, soups, pot roasts and vegetables with so little electricity. Clean and fast (just like electric light—and just as economical), an electric range will save you time, work, and money.

**Some day you will cook ELECTRICALLY,
Why not NOW?**

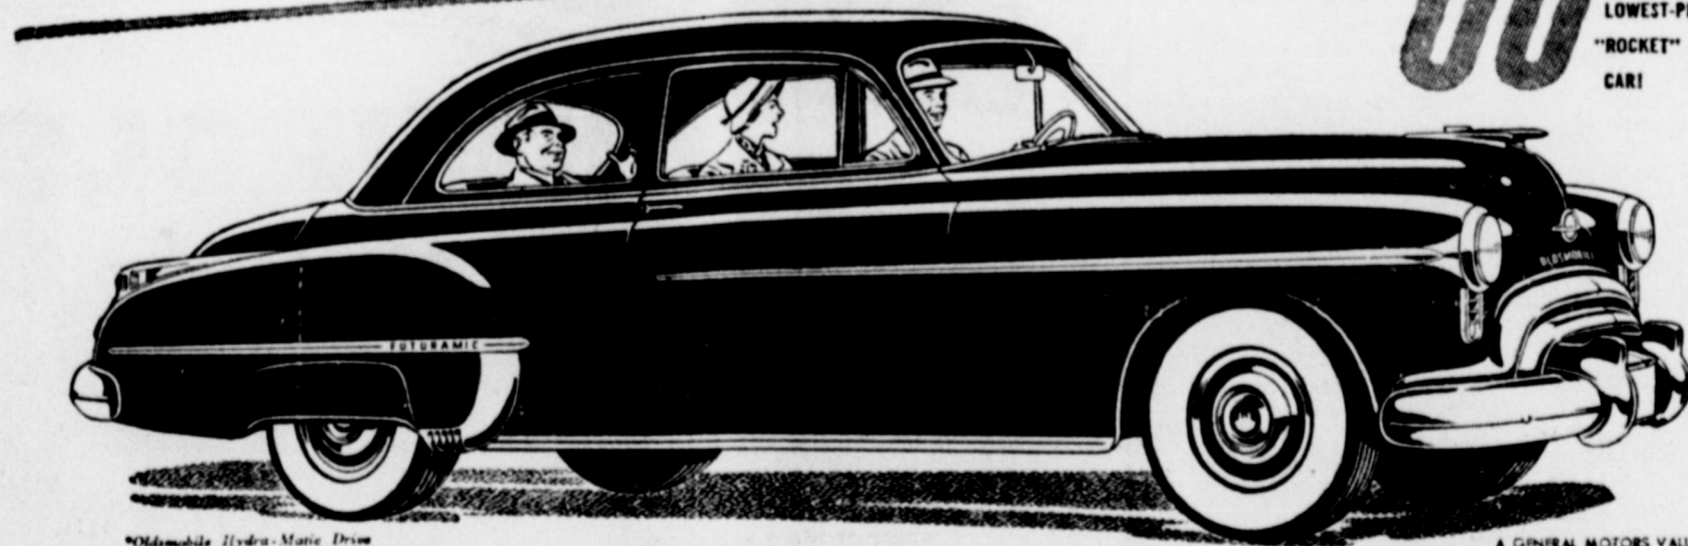

SEE YOUR ELECTRIC RANGE DEALER NOW!
He will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economy that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

It's the best!

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL.

Lions Rack up Four TDs in Final Frame To Beat Reagan 25-7

Reagan didn't live up to what was expected of them last Friday night as the Ozona Lions bested them 25-7.

Reagan didn't show the usual strength that they had shown up to this time for the Lions stayed in their end of the field most of the first half.

The score at the half was 0-0.

In the third quarter Barber, of Reagan, intercepted a pass on their own thirty yard line and ran it for a touchdown only to have it called back on a roughing penalty.

The score at the end of the third period was still 0-0.

Early in the fourth quarter, Smith made a touchdown on a two yard smash over guard.

Raul Machado, midway in the quarter, made a touchdown on a beautifully executed "end around" play.

Smith made a touchdown on an "off guard" play. He took the ball 55 yards for pay dirt.

West made the other touchdown on an "off-tackle" play.

A pass from Piner to Herrera completed the extra point.

A pass from T. Johnson to R. Johnson was good for Reagan's only tally.

T. Johnson made the extra point on an "off-guard" play.

TEACHER OF THE WEEK —

Interviewer Chides Interviewer, but Gives Up 'Learned' Comment

"But I don't want a paragraph or two, I want a complete biography," our interviewer began. It was mostly sarcastic remarks punctuated by "You're doing a very poor job," for the next few minutes.

He was born in Virginia, Min., "at a very young age," he told us. He played both basketball and football in high school. He attended TCU and played guard in basketball for two years and third base in basketball for a year. Next, he assured us that the U. S. could never have won the war without the P-47 Thunderbolt he piloted. "Your ambition?" we asked. He wants to retire at the senile age of 35 and be known as an intelligent teacher and not a dumb coach.

Your opinion of the basketball team? "Young, awkward, short, inexperienced, no good, room for improvement."

"You are doing a bad job indeed. Why didn't you question me in chronological order?"

His faith in the New York Yankees is unshakable. He predicts that they will play four games before they win.

He says his physical characteristics are, "too tall for my height and entirely too heavy for my weight."

For three years OHS students have had this instructor in their midst. Sarcasm would be his middle name if it weren't Arthur.

"Would it disturb your social life over the week-end if you had to prepare a five minute talk on 'The Trials and Tribulations of a Ping Pong Ball?'"

You know him — Mr. Peltó, of course.

FHA ENDORSES NEWSPAPER

Should high school students have a newspaper of their own? An editorial by Pat Hickman to the effect that students want and would work for such a paper has brought several responses. The senior chapter of FHA held a called meeting for the purpose of discussing the possibilities of beginning a school publication. Chapter president Doris Jean Palmer announced that all second-year members of the Future Homemakers would stand behind the paper staff and would help in any way they could.

MEET THE TEAM —

Che Che Likes Girls, Football, Basketball

Girls seem to top the list of favorites for eighteen year old Andres Vela, an outstanding member of the OHS football team, who is better known as Che Che.

Andres plays halfback for the Lions and says that football is his most enjoyable pasttime.

Che Che, a 5 foot 4½ inch, 129 pound junior, has lived in Ozona all his life.

He says his favorite food is Mexican food and lists his favorite spectator sport as basketball.

This will be Che Che's second year to letter in football and we're really expecting a lot from him next year.

Art Exhibit 'Okay' By Students — At Least 'We Got Out of Class'

"We got out of class" and, "It was okay," were some of the replies to, "How did you like the art exhibit?"

The profit from the exhibit is to be used to buy pictures for our classrooms.

There were more than 200 reproductions of masterpieces, although we think that everyone will agree, not all of them were outstanding. Among some of the better known paintings were, "The Unfinished Portrait of George Washington," "Blue Boy," and "Man in the Forest," which probably hung in most of our kindergarten classrooms.

As for the students' opinion of the pictures, a poll was taken to find the best liked pictures. The results have not been announced yet.

STUDENT OF THE WEEK —

Senior Student's First Love Is School

She is a senior and loves it. "What would she do without school?" She simply doesn't know. Her favorite subjects include her entire schedule. Subjects she dislikes? "Oh, I got rid of them last year. Health and algebra, horrors!"

Pretty little Elva Vitela has been a native Ozonan for all of her 18 years. Typical of most teen-agers, dances, shows, and sports head the list of entertainments she enjoys thoroughly.

When asked about her hobby, Elva replied that she enjoyed reading and her music lessons. Running them a close race, though, is the Lions' right half-back, Andres Vela. He and Elva are a steady couple around school.

F. H. A vice president, a member of the student evaluation committee, and a recently elected attendant to homecoming queen are several of Elva's interests and achievements this year.

QUESTION OF THE WEEK — Can You Do Anything About It, Boys?

This week in Ozona High School it was scientifically proved that the majority of OHS men prefer long hair. Yes, girls, as sad as the case may be, men would prefer our curly locks to be longer. 60% of the boys who were asked, "What do you think of the girls' short hair?" replied that they did not like it. Among those are Joe Bailey, Jimmie McMullan, Bobby Womanck, Carrol Stratton, Bill Maness and Graham Childress.

20% said it was just okay or as Bobby Halydier put it, "Poco bueno."

The last 20% includes Tom Piner who says, "not too short," and Charles Garritz, who says he likes it short.

As to the girls' point of view, the majority of them stated that they like it although they confess that there definitely are some people who just don't look good with short hair.

News of Departments —

"Hace frio o hace calor?" The first year students seem very much concerned about the weather as they learn to comment on how very very warm or cool the day happens to be.

Intense drama is portrayed by the cast of "Macbeth" in Miss Sealy's English four class. Jack Sorrels as Macbeth and Bettye Maness as Lady Macbeth lead the list of actors and actresses in the class. Alton Smith as the hero MacDuff, is aided by his wife, Darrene Thompson.

Far from dramatic, comes the spirited and rollicking rhythm of "With a Hey and a Hi and a Ho, Ho, Ho!" New music for the girls' choral group varies from fast moving and catchy selections to the lovely "Celtic Lullaby" and Carl Sandburg's haunting "Fog." Music has also been received for "Velvet Shoes" and Beautiful Dreamer."

Whites vs Blues! Teams of determined girls are met on P. E. fields to put into practice drills on punting, passing, blocking and rules that have been the subject of study this past week. Sneak plays, different formations and fakes are included in the football plays being worked out by each team.

While Mr. Massingill's chemistry class studies combustion, his general science class studies the prevention of fire.

Moods and phrases are the phases of correct speaking now being studied by speech students. Poetry chosen by each individual is put into phonetics, phrased and then presented to the class by memory.

Next week, Mr. Peltó has announced, his P. E. classes will begin physical fitness ratings.

At The Movies —

"FANCY PANTS" — For a rollicking good time don't miss "Fancy Pants," starring Bob Hope, who plays an American actor who is hired (by an Englishman trying to make a good impression on some visitors) to play a butler in borrowed mansion. Bob does such a good job that he is taken as the real thing and brought back to the states as an example of English culture. Here's where the fun

Legins and continues all the way through the movies as Bob has a hilarious time romancing with Lucille Ball and singing "Home Cookin'."

In "COPPER CANYON" Ray Milland straps on a pair of six shooters to play a western hero who escapes from a Union jail at the close of the Civil War and passes himself off as a trick-shot artist. When he goes to work for

Hedy Lamarr, a good-bad girl who runs a gambling joint, our plot thickens without excluding a bit of romance and MacDonald Cary as a crooked sheriff.

"SADDLE TRAMP" — When Joel MacRea's horse kills Joel's very best pal he finds himself foster father to his pal's four boys. He finds however that being a foster father to the boys really pays off when they organize a rescue

party for him when he is kidnapped by a gang of rustlers. "BROKEN ARROW," takes a different slant on the American Indian. It shows both the good and bad in the Indians as well as the white settlers. James Cagney plays the part of a white man who knows and understands the Indians and goes straight to the great Apache chief (played by a great Apache chief) (Continued on Page Five)

GYRO-MATIC—AMERICA'S LOWEST PRICED AUTOMATIC TRANSMISSION
Enjoy the thrill of Gyro-Matic that lets you drive all day without shifting... that gives you important advantages not found in many other transmissions. Gyro-Matic is optional on Coronet models at moderate extra cost.

Drive it 5 minutes -see how you can save \$1000!

Now more than ever, you'll want Dodge ruggedness and dependability

IT TAKES BUT 5 short minutes to see for yourself why Dodge owners say you could pay \$1,000 more for a car and not get all the extra room Dodge gives you... all the wonderful ease of handling that lets you drive all day without tiring... all the famous dependability that belongs to Dodge, and to Dodge alone!

Start enjoying all the big advantages

Dodge gives you. The extra room for your head, legs, shoulders. The brilliant performance of the big, high-compression "Get-Away" engine that's a miser on gas and oil. The smoother starts and stops of Fluid Drive.

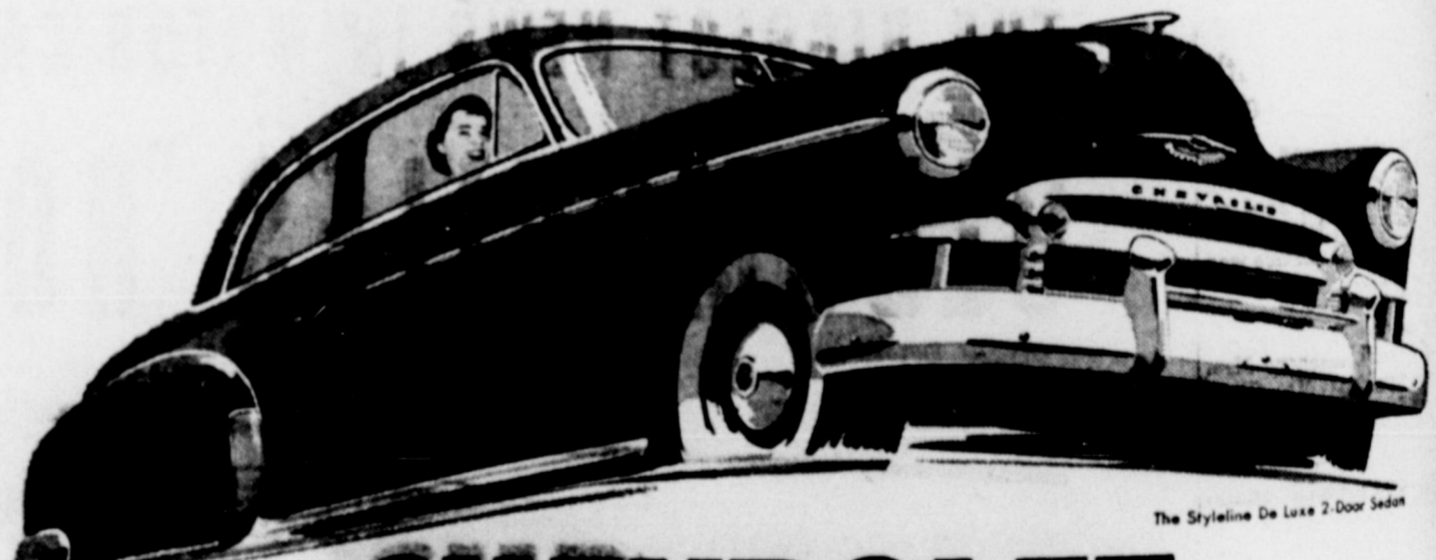

Come in now! Let us show you how easy it is to own a big, dependable Dodge. Learn why you'll be money and miles ahead by buying now.

Name for the Annual

annual staff has been cho- of plans have been made the only thing that stands ay of our anxious annual rkers is a name for the Yes, believe it or not that e our first big problem becoming quite a difficult see, it's up to the student help pick a name for the and it seems that no one very many ideas. So you why the annual staff is in of confusion, it's merely we don't have a name for

I know that some of you members of the student d help us out if only you nd, seriously, students, we

are in a dilemma. The old name for the annual was "Lions Roar" and since that is the name of the paper it has been decided that the "Lions Roar" is definitely out. Some of the names for the annual that go way back are "The Hitching Post" and "The Kambouillet."

June Perner Named Homecoming Queen By OHS Students

June Perner was elected as our 1950 Homecoming Queen in an election held last Friday at noon. Runners up for the contest, Kay Kirby, Darrene Thompson, Elva Vitela and Ruth Sparks will be duchesses.

The Queen and her attendants will be presented on Saturday, October 28, at the homecoming festivities.

HAPPY BIRTHDAY TO —

Happy birthday to the three high school students who have celebrated their birthdays this week. All have reached the age of 'sweet sixteen.' They are: Rita Ballinger, Don Cooper and Juanita Vela.

FADS AND FASHIONS

Corduroy skirts and wool jersey blouses in the gold, rust and beige color ranges, spiced with polished leather and lots of scarves about sums up the fashions for OHS girls.

Several Scotch Kilt fasteners and antique coins have been seen. Leather belts finished with square silver buckles are popular for both boys and girls, probably because they can be worn with almost everything.

The boys seem to be getting their toots made in more unusual designs this year. The fashion a lot of the girls

are worrying about now is the Wool Contest. The Home Economics lab is beginning to look like an advertisement out of Vogue, with all the beautiful materials on the tables and pins and needles and parts of patterns on them creating an asymmetric effect.

From where I sit ... by Joe Marsh

Ought To "Polish Up" Her Traffic Manners!

most of yesterday over at Court House. "Tiny" Fields, biggest and fastest-talking of three policemen, was holding about his traffic troubles.

Women drive just as good as do," Tiny said, "and just as. For instance—a girl in a con- sible today. She started a three- tie-up all by herself.

She's creeping down Main set—left hand stuck out and of waving around. Never right or left, never stops. of course, everyone behind thinks she's signaling about

something. Nobody dares to pass. When I stop her and ask what's up, she smiles sweetly and explains that she's drying her nail polish!"

From where I sit, that girl's typical of certain folks who are so wrapped up in themselves, they never notice they're not being fair to others. Our neighbor has a right to drive in safety—just as he has a right to enjoy a glass of beer. Let's all respect the other fellow's rights.

"I'd love to come down for the game, Bob"

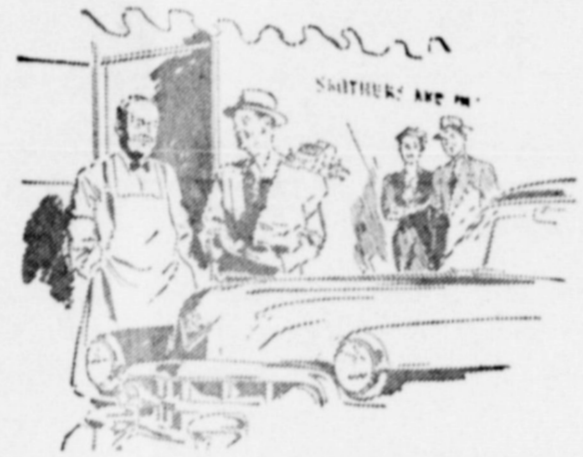

A long distance telephone call can make a big difference in your social or business life, and at such little cost.

Rates, while always reasonable, are especially low on Sundays and after 6 p.m.

Always use long distance telephone service as your best way to keep in touch with friends, family, and business associates away from home.

San Angelo Telephone Co.

Wanted—by Almost Half the People!

According to a recent widespread survey—almost half the motor car owners in the United States would choose a Cadillac, if they had their unrestricted choice.

This is, of course, a tremendous tribute to Cadillac, and to those who have designed it so well and built it so soundly for so long a time. But we think it is, equally, a tribute to the American people themselves.

Only a small percentage of American motorists have ever driven a Cadillac—or even enjoyed a ride in one.

But that has not hindered the public from sensing the soundness of the Cadillac ideal—or from giving its wholehearted approval to the Cadillac crusade for quality. Where the effort is worthy—the American people approve.

We regret exceedingly that not every one who wants a Cadillac can own one. But we believe, sincerely, that many have needlessly denied themselves the pleasure.

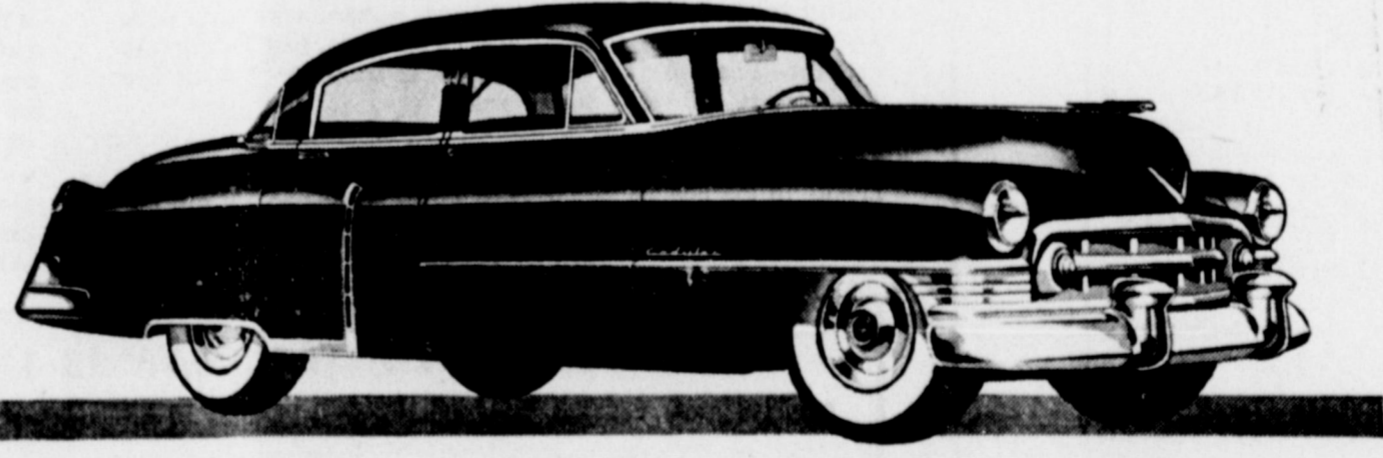

Cadillac cars are far more practical and economical to own than most people realize.

It costs less to buy the lower-priced Cadillacs than it costs to buy certain models of numerous other makes of cars.

Furthermore, a single tankful of gasoline will usually suffice for a whole day's drive.

And, of course, when it comes to endurance, a Cadillac stands alone—for its life-span has never been fully measured.

Yes, for a wide group of people, a Cadillac car is a sensible, practical buy. We hope sincerely that it is for you.

Dallas Double Header Tops Week-End S'west Football Schedule

The nation's biggest football double-header tops a full list of Humble Oil & Refining Company's radio coverage of Southwest Conference teams this week-end.

Much attention goes to Dallas' unique day and-night program with the Texas-Oklahoma game in the afternoon and SMU against Oklahoma A&M in the evening, all in the Cotton Bowl. Other outstanding intersectional games dot the schedule, along with one Conference meeting — Arkansas-Baylor.

The Rice-Pittsburgh meeting at Pittsburgh, will be important, and VMI's visit to Texas A&M. Winding up Saturday's list of games is the Texas Tech-TCU contest at Fort Worth.

The Rice-Pittsburgh game will be broadcast at 12:50 p.m. from massive Pitt Stadium. Charlie Jordan and Buddy Bostick will be heard over Stations KPRC, Houston; WOAI, San Antonio; WFAA-WBAP-820, Dallas-Fort-Worth.

The colorful renewal of the Texas-Oklahoma rivalry will be on the air at 1:50 p.m., with Kern Tipton and Alec Chesser on hand to report. Among stations to be heard are KFJZ, Fort Worth; WRR, Dallas; KRBC, Abilene; KGKL, San Angelo.

From Fayetteville, Ark., the coverage of the Baylor Bears' trip to Razorback Stadium will be handled, beginning at 2:20 p.m. by Eddie Barker and Jim Wiggins on stations WFAA-WBAP-570, Dallas-Fort Worth; KXYZ, Houston; K TSA, San Antonio; and KWBW, Corpus Christi.

On the evening schedule, Vics Box and Alec Chesser will be at the Cotton Bowl microphone for the Oklahoma A&M-SMU meeting. The broadcast begins at 8 p.m. and will be heard on stations KTRH, Houston; KRLD, Dallas; and KABC, San Antonio.

Bill Michaels and Bob Walker will be at College Station to report the Texas A&M-VMI game. That broadcast starts at 8 p.m. on stations WBAP - WFAA-570, Fort Worth-Dallas; KXYZ, Houston; and KMAC, San Antonio.

The TCU - Texas Tech contest will be called by Dave Russell and Carl Mann, beginning at 8 p.m., over stations KFJZ, Fort Worth; WRR, Dallas; and KFYO, Lubbock.

S. M. Harvick, Ozona ranchman, underwent an operation in a San Angelo hospital Tuesday. He was reported in good condition this morning.

Judge Smith Talks On World Affairs At Woman's Club Meeting

The Ozona Woman's Club met Tuesday afternoon in the home of Mrs. W. R. Baggett with Mrs. J. C. Montgomery as assisting hostess.

Mrs. W. E. Friend, Jr., club president, again urged members to choose an international friend to correspond with and send needed household articles in the interest of better world standing.

Mrs. Adah Cleendenen, fine arts chairman, invited members to see the art exhibit from Midland on display in her shop.

Mrs. Friend introduced Judge Houston Smith who gave a very serious and informative talk on "The Perils of Being Uninformed on World Affairs." The civic committee, with Mrs. A. C. Hoover as chairman, was asked to assist with plans for the Ozona Homecoming October 28.

Mrs. P. T. Robison of the Ozona club, district chairman of the committee on Character Education, reported on her attendance at the Sixth District meeting of all chairmen of the different departments of district work, and all local presidents of the 138 clubs in the district, meeting in Brownwood on September 30.

Present were Mesdames Jack Holt, John Bailey, Joe Pierce, Hilary Phillips, Sherman Taylor, J. W. Henderson, Bill Brown, N. W. Graham, M. B. Flippen, Troy Hickman, George Montgomery, Stephen Perner and L. B. Cox, Jr.

Willing Workers to Sponsor Plate Sale, Books for Negro School

The Willing Workers Circle of the Woman's Society of Christian Service met in the home of Mrs. Joe Pierce Wednesday morning.

Mrs. D. B. Pettit was study chairman and she was assisted in presenting the study program by Mrs. Paul Perner, Mrs. Joe Pierce and Mrs. Max Schneemann.

The Circle voted to sponsor a

commemorative plate sale to furnish library books for the colored school in Ozona. The next meeting of the Circle will be on October 25 with Mrs. Charles Williams, Jr.

Present were Mrs. M. B. Flippen, Mrs. N. W. Graham, Mrs. Bill Friend, Mrs. Charles Williams, Jr., Mrs. D. B. Pettit, Mrs. Paul Perner, Mrs. Max Schneemann, Mrs. Oscar Kost, and the hostess, Mrs. Joe Pierce.

Poets and Ceramics Program Topics for Literary Club Meet

The Ozona Literary Club met Tuesday, October 10 at 4 o'clock in the home of Mrs. Joe Whatley with Mrs. Robert Cox and Mrs. Whatley as hostesses. After a

short business meeting, Mrs. Martin Hearne, program chairman for the day, presented Mrs. Ken Cody, who talked on "Outstanding American Poets" and Mrs. R. J. Adams, who discussed "Ceramics" and showed some of the work she has done in this field. Plate favors were little figurines.

Refreshments of pie and coffee were served to the following members: Meses. Fred Stoker, Robert Levo, Victor Kuykendall, Jack Harris, Allen Boedecker, A. J. Deans, L. B. Harris, John Skinner, Martin Hearne, Clyde Joiner, Roy

Sewell, Howard Kemper, E. E. Stuart, Cleophas Cook, E. E. Lard Skelton, Robert Cox and Whatley. Mrs. Doyle Wadley and Brownwood was a guest.

Mrs. Lindsey Hicks has been invited to her home here after leaving the bedside of her father, Drake, who is critically ill at Angelo.

Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today —keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists —working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

<ul style="list-style-type: none"> General Federation of Women's Clubs American Farm Bureau Federation National Grange Veterans of Foreign Wars National Conference of Catholic Charities American Protestant Hospital Association 	<ul style="list-style-type: none"> American Legion National Association of Small Business Men United States Chamber of Commerce National Association of Retail Grocers National Retail Dry Goods Association American Bar Association
--	---

Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudest security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. Today in America—70 million people are protected by Voluntary Health Insurance! Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!
