Drake, Crockett Pioneer, In Angelo

Resident Here In Angelo Livestock Dealer

Services were held Wednesday morning from the First Methodist Church in San Angelo for the late W. F. Drake, 78, an early Crockett county ranchman and a pioneer West Texas family, who died in a hospital shortly after midnight Tuesday morning.

He was the father of Mrs. H. H. Hicks of Ozona. He had been ill for the past months.

Survivors include the widow, Mrs. Guy, Otho, William, Jr., Richard, all of San Angelo and three daughters, Mrs. J. E. Anderson, San Angelo; Mrs. J. E. Hicks of Ozona and Mrs. J. E. Hicks of Sonora.

Drake, born Nov. 2, 1872 in Crockett county was a son of the late M. Drake, member of one of the earliest families to settle in the county.

He moved with his parents to San Antonio when a boy and his lifetime association with the livestock industry by his father in the auction business there.

For a few years his father had a job managing 296 sections of land lying in Sutton and Crockett counties, and in April, 1907, Mr. Drake joined his father in ranching. His father was in charge of 25 cowboys and head of horses and sent to South Texas to pick up remaining cattle on a ranch near Drake still owned there.

Returned with 8,000 head, in 1922, he was married to Miss Edom, daughter of Mr. and Mrs. W. Odom of Ozona. Later moved to Sonora and back to Angelo in 1907 when they moved to Angelo.

At the turn of the century, he met losses in his cattle business. Mr. Drake went into the business, buying 900 ewes at \$5 per head. His first wool clipped to the Schreiner warehouse at Kerrville and he received a pound for it.

Drake entered the livestock business in 1907, having an office, but traveling from the ranch buying and selling herds of cattle and sheep.

Continued in this manner until when he opened an office in the lobby of the San Angelo hotel moving it to its present location as the Will F. Drake Commission Co. in the lobby of the hotel. In recent years this business has been operated by two sons, Otho and Will F. Drake, Jr.

Drake was a lifetime member of the board of stewards of the Methodist Church of San Angelo. He was also the oldest member of the San Angelo.

Wool Seamstresses Cash Prizes In Wool Fair Contests

Ozona girls who entered the "Make It Yourself with Wool" contest sponsored by Women's Auxiliary of the Sheep & Goat Raisers Association won a total of \$40 in cash prizes at the regional contests held in Angelo this week.

Of the girls, Darrene Thompson, 17-year-old Ozona High School senior, and daughter of Mr. and Mrs. Roy Thompson, and Fay Powers, 14-year-old daughter of Mr. and Mrs. Tom Powers, were declared second winners and drew prizes of each. Darrene entered her suit and Alena Fay was in the junior coat division.

Other Ozona girls, Jeanene Thompson, Darrene's younger sister and Juanita Vela, were awarded consolation prizes of \$5 each. They entered the original division and Juanita the junior division. All the contestants are pupils of Mrs. Janie B. Public Schools.

Walking Blood Bank Drive in Ozona to Be Launched Next Week

Plans for establishing a "Walking Blood Bank," believed to be the first of its kind in the state, will be put into operation here next week if the necessary supplies arrive. Mrs. Valentine Melvin, manager of the Ozona Hospital, announced this week.

"The Walking Blood Bank," a plan whereby citizens of Ozona submit blood for testing of type and RH factor and thus establish a catalogue of ready-typed individuals who will be available for transfusions in case of emergency, is being sponsored here by the Ozona Rotary Club.

Every person in Ozona will be asked to submit to the blood test. Permanent file cards will be kept at the hospital showing the person's name, type of blood, RH factor and serology. Each will be given a small card showing the same information which can be carried in a billfold or purse, a safe guard for the individual in case of accident in which a quick blood transfusion is necessary.

Commissioners Court Buys Modern Seats for District Court Room

Order for 160 modern auditorium seats for the district court room in the Crockett county court house was placed this week by the Commissioners Court with the Southwest Seating Co.

When the new seats are received, in two or three months, the first step toward modernization of the ancient courtroom and providing for the comfort of those who attend its sessions either as prospective jurors, witnesses or spectators will have been taken.

The new seats are fully upholstered in an imitation leather material and are so constructed that they are expected to last for many years and provide as comfortable a seat as possible. Attractively designed and harmoniously upholstered, the new seats, to be arranged in four aisles of five seats each, will erase some of the erstwhile drab appearance of the court room.

The court plans later to provide the latest type of seats for the jury box. County Judge Houston Smith announced. New circulating type gas heaters are also planned and as funds become available other work of modernizing the court room will be undertaken.

Critical Games on Southwest Conference Week-End Schedule

Three critical Southwest Conference games are listed on Saturday's Humble Oil & Refining Company football broadcast schedule.

Texas faces TCU in Fort Worth; Rice and Texas A&M meet in College Station, and SMU goes to Little Rock to play Arkansas. All three broadcasts begin at 1:50 p.m.

Kern Tips and Alec Chesser will be at Kyle Field to call the play-by-play and color of the Aggie-Rice meeting on stations KPRC, Houston; WCAL, San Antonio; WFAA-WBAP-820, Dallas; Fort Worth; KRIS, Corpus Christi; KRIG, Odessa; KVKM, Monahan; and KHUN, Peccs.

From TCU Stadium, Ves Box and Dave Russell will describe the Longhorn-Horned Frog game on KRLL, Dallas; KTRH, Houston; KABC, San Antonio; and KGNC, Amarillo.

The Arkansas-SMU meeting will be broadcast by Charlie Jordan and Buddy Bostick from Little Rock's War Memorial Stadium on Station KFJZ, Fort Worth; WRR, Dallas; KBKC, Abilene; KGKI, San Angelo; and KTHH, Houston.

Mr. and Mrs. Joe Pierce spent the weekend in El Paso. Their grandson, Jo Boy, went with them as far as Sierra Blanca, where he stayed with his parents, Mr. and Mrs. J. S. Pierce, II, on the ranch over the week-end.

Ozona Club Hears Leaders Of Planned Parenthood Move

Discussion May Lead To Organization Of Clinic In Ozona

Mrs. Charles Goeting of El Paso was presented as guest speaker of the Ozona Woman's Forum on the subject of Planned Parenthood at the Methodist Recreation Hall last Tuesday evening. Scott Snodgrass and Louis Gayer of San Angelo also talked. An animated panel discussion followed. Members of the panel also included Mrs. Gayer, Clinic Administrator, and Mrs. Snodgrass, State President of Planned Parenthood Association. Mrs. Sue Noelke Houser, of the Administrative Board in San Angelo, was also present.

The purpose of the meeting was to inform interested people of Ozona of the welfare program of work the Association carries on and to discuss means of organizing a clinic locally.

A committee consisting of Mrs. Charlie Black, Jr., chairman, Mrs. Joe Clayton, and Mrs. H. B. Tandy, was appointed to further investigate the matter and nominate candidates for a board of directors composed of interested townspeople.

Mrs. Charles Williams, Jr., has volunteered her services as nurse and Misses Ruth Sutherland and Beulah Morton as social workers.

Planned Parenthood is an international welfare movement that has been rapidly gaining momentum in recent years. It has the approval of most of the forward-thinking organizations of the country including the American Medical Association, the Texas Medical Association, Y. M. C. A., General Federation of Women's Clubs, the F. B. I., and the Federal Council of Churches in America.

Good Sportsmanship In Dist. 10B Football Recognized by Trophy

Although Ozona High School's football team will not share in district honors in the championship race, they will have a crack at another trophy being offered in District 10-B.

This will be a sportsmanship trophy, to be awarded the team in the district displaying the best sportsmanship during the current season. The trophy is to be rewarded each year until one school wins it three times in succession when it becomes the permanent possession of that school.

The winner of the sportsmanship trophy will be selected by a vote of the coaches at the end of the season, on a preferential point system. Each coach will rate opposition teams for good sportsmanship selecting a first, second and third place team. Each first place rating will be valued at 5 points, second place at 3 points and third place, 1 point. The total number of points will decide the winner.

Texas Kidd Shows Here Next Week; Boy Scouts to Sponsor

The Texas Kidd Shows, the original entertainment combination which has been making regular stands in Ozona for many years, will be back in the city next week.

With a free rodeo announced each night of the local stand, the Texas Kidd Shows will set up on the county lot just south of the softball park for a week's stand, Monday through Saturday, Nov. 20-25.

The Texas Kidd Shows carry 20 head of bucking stock and pay from \$2.50 to \$50 to ride with nobody barred. There will also be shows, rides and concessions.

The appearance of the Texas Kidd Shows here is being sponsored by the local Boy Scout organization, which will share in a percentage of the receipts.

Schedule Outlined for Eight-Day Trip for Seven Crockett County 4-H Club Boys to Attend Chicago International Livestock Exposition

Itinerary and schedule of sights they will see and entertainment planned for the seven Crockett County 4-H Club boys on their expense-paid trip to the Chicago International Livestock Exposition was announced this week by Wm. A. Burgfeld, Crockett county agricultural agent, and 4-H sponsor.

The group will leave about 5 o'clock Tuesday morning, Nov. 21, and drive by station wagon to Texarkana, where they will spend the first night, Wednesday, they will go through the Hot Springs National Park, Little Rock, Ark., and spend the night in Memphis, Tenn.

Thursday, the 4-H Clubbers will drive into Kentucky and on to St. Louis, Mo., where Purina Mills has made reservations at the DeSoto Hotel. Friday, under the direction of a guide furnished by Purina Mills, the Ozona delegation will be taken on a tour of the mills and the Purina Research Farm near St. Louis. Chas. Williams, Ozona Purina feed dealer, made the arrangements for the Ozona group to be Purina's guests in St. Louis.

Friday night will be spent between St. Louis and Chicago, probably Springfield or Bloomington, Ill., and, next morning, will visit Joliet Penitentiary if time allows and permission can be obtained. In Chicago, the boys will stay at the Stevens, largest hotel in the world.

Saturday will be spent at the International Livestock Exposition, where the boys can observe the collegiate livestock judging contests and all the livestock. Sunday, they will look over the sights in and around Chicago. Monday morning, the boys will appear on Swift's "Breakfast Club of the Air," with Don McNeil on ABC at 8 a.m. and at 10 a.m. on the NBC program "Welcome Traveler."

The big entertainment night will be "Nathan's Jewelry Night" at the Chez Paree, one of Chicago's finest restaurants and night clubs. This entertainment, Monday night, will be furnished by Nathan Donsky of the San Angelo jewelry, who made reservations at the famous night club on a recent trip to Chicago. The Ozonians will dine and view the floor show with the "check" going to Mr. Donsky.

Tuesday morning, after their "night out" at the Chez Paree, the Ozona party will start back toward Ozona, pending one night on the road, their return scheduled for sometime Wednesday, Nov. 29.

Club boys making the trip will include Charles Garlitz, Graham Childress, Jimmie McMullan, Jodie Jones, Ronnie McMullan, Irby Chandler and Bill Schneemann. These boys won the trip by virtue of placing their show stock highest in the 1950 County 4-H Club show held in Ozona.

Expenses of the trip will be paid from funds realized from resale of livestock donated by business firms and individuals at the last county show during the auction sale.

Conoco Spots Deep Wildcat in Northwest Section of Crockett

Continental Oil Co. has spotted a deep Crockett county wildcat nine miles northeast of Iraan.

Projected to 9,600 feet with rotary and beginning by Nov. 18, the company's No. 1 C. T. Harris will be 1,980 feet from the north and east lines of section 15-3-WC-RR survey. The project will be seven miles west of the World (San Andres) field.

Malco Refineries, Inc. No. 1 Archie Bean in the Vaughan (San Andres) field has been completed on the pump in 24 hours for 75.27 barrels of 26 gravity, pipeline oil. Production was from open hole between 1,351 feet, where 5 1/2-inch casing was set, and 1,359 feet, the total depth. The section was acidized with 3,000 gallons. No. 1 Bean is 330 from the north, 2,484 feet from the west line of section 14-UV-GC&SF.

Magnolia No. 1 Addie Clayton, wildcat 11 miles northeast of Ozona, had progressed to 8,353 feet in sandy lime and shale.

Lem Bray Named Superintendent Of Ozona Schools

Former Principal Heads System for Rest Of School Year

Lem Bray, who came to the Ozona schools as high school principal this year, and who became acting superintendent three weeks ago upon resignation of Jack McIntosh, was named as superintendent of the system for the balance of the present school year at a meeting of the school board last week.

Mr. Bray came to the local system from Nocona where he was principal of the high school for three years. This is his fourth year in the profession. He is 32 years of age, married and has a two-year-old son, George.

Bray holds a B. S. degree from Texas Wesleyan College with a major in social science and an M. S. in education degree from North Texas State College with a major in secondary school administration. He completed work on his master's degree the past summer. A graduate of the Ranger, Texas, schools, he went to TWC in 1936 where he participated in boxing and football for four years. He captained the grid team and garnered all-Texas Conference laurels in the center slot.

Bray holds membership in the Texas State Teachers' Association, American Association of School Administrators, and the Secondary School Principals' Association. He is a member of the Methodist Church, the Masonic Lodge, and the Lions Club.

Anticipating no immediate change in school policy, Mr. Bray emphasized that existing programs will be carried out. Plans are being studied for a new building program for the schools and the system is also in the midst of a school wide evaluation program.

A successor to Bray as high school principal has been selected and should assume his duties within a short time.

Mrs. Melvin Honored By National Medical Technologists Group

Mrs. Valentine Melvin, manager of Ozona Hospital, returned from a trip to New York and Chicago Saturday. Mrs. Melvin attended a meeting of the American College of Medical Technologists in Newark, N. J. on Nov. 4th and was elected secretary-treasurer of the organization and was also recommended to become a member of the Guild, an exclusive organization for technologists who have distinguished themselves in the field of medical sciences and allied professions.

During Mrs. Melvin's trip she visited with a prominent scientist, George Zuccala, in Huntington, L. I., who has discovered a new antigen for the relief of asthma and hay fever. Mr. Zuccala is the director of Huntington Medical Laboratory and has been recognized for his work through the Medical Record, Journal of the American Medical Technologist, Journal de Medicine de Paris, Journal Avenir Sanitario, also in a text book on allergy written by Professor Frugoni, dean of the University of Rome, and Professor Sangiorgi, University of Milano.

Ozona Hospital, through Mrs. Melvin's efforts, is the only one in West Texas privileged to send in specimens for the preparation of the antigen. The Quarterly Review of Allergy and Applied Immunology, publication of The American College of Allergists, in their last issue, state that 75 per cent of people taking the antigen have received definite relief.

Mrs. Melvin spent three days in Chicago at the Augustana Hospital giving anesthetics under the direction of George McCurdy who invented the Augustana Gas Anesthetic Machine.

Beautiful French and German bisque figures. Half price at the Cactus Antique Shop.

Methodists Launch Drive To Retire Debt On Building

"All or Nothing" Campaign Headed by Scott Peters

In a five-day campaign from November 20th to November 25, the Methodists of Ozona, under the leadership of Scott Peters, the campaign director, will attempt to wipe out the entire debt of \$60,000 remaining on the new building. The effort calls for "All or Nothing." Unless the goal is reached by November 28th, all checks will be returned to the givers.

Those who want to give sums to be deducted from taxable income may date their checks anytime from now to February 1, 1951. It is believed that some will give two checks, one deductible in 1950 and one in 1951. The Federal Income Tax law allows the taxpayer to claim credit for two sums given to certain church and charitable purposes, up to fifteen per cent of his taxable income.

All checks are payable to The Ozona Methodist Church and the Trustees of The Margaret A. Shannon Estate, and endorsement of such checks by the payees constitutes acknowledgment of payment of the debt in full.

The campaign was mapped out by a steering committee selected by the director, and includes Bascomb Cox, Brock Jones, Joe Clayton, Ted White, Scott Peters and Troy Hickman. The workers selected to contact givers are James Baggett, Nip Blackstone, Bill Cooper, Bill Childress, Dick Henderson, Brock Jones, Mrs. Joe Pierce, Ted White, Mrs. Roy Henderson, Bright Baggett, Bascomb Cox, Joe Clayton, Hugh Childress, Jr., Boyd Clayton, R. A. Harrell, Jack Williams, Mrs. E. B. Ingham, Jim Dudley, John R. Bailey and Scott Peters.

Memorials given in honor of, or in memory of, a loved one or friend will be accepted, and will be acknowledged on a suitable metal plaque to be located somewhere in the building.

No new building is contemplated for the near future. The payment of the entire debt at this time will save the congregation a considerable sum in interest.

Cities Service Spots Owens Ranch Wildcat; Gulf Gets Vaughan Pay

Cities Service Oil Co. and others have spotted a Crockett county wildcat seven miles northeast of Sheffield.

Projected to 6,050 feet with rotary and beginning Nov. 13, the group's No. 1-D Owens will be 1,983.2 from the north, 1,980 feet from the east line of section 17-GG-GC&SF. The project will be one mile west of the Clara Couch (San Andres) field and will be between 2,605-foot and 4,308-foot failures.

Gulf No. 8 Isabel Vaughan in the Vaughan (San Andres) field has been completed on the pump in six hours, rating 206 barrels of 26.8 gravity oil plus two per cent water. Production was through tubing perforations from 1,427 to 1,431 feet with total depth 1,440 feet. The section was acidized with 2,000 gallons. No. 8 Vaughan is 330 from north, 1,650 feet from the west line of section 85-OP-GC&SF.

Mrs. M. D. Shipley of Blythe, California, nee Miss Phoebe Westfall, a former Ozona resident, and S. W. Westfall, Jr., of Sunland, California, visited briefly in Ozona this week. They are visiting the Bart Westfalls of Barnhart and the Howard Westfalls of Sonora.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one

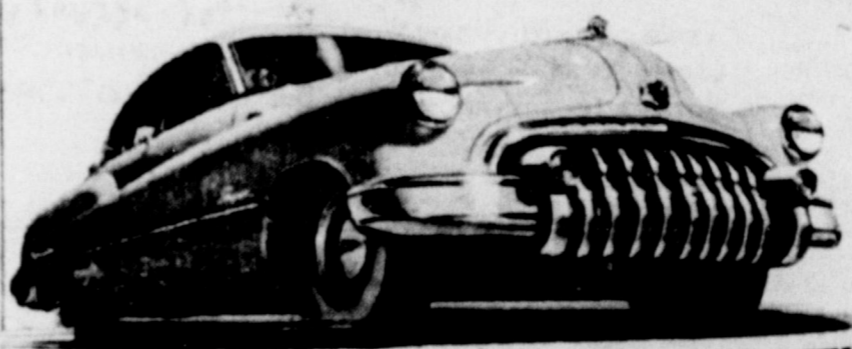

this year. But we're speaking here of new owners only.

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflow Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

When better automobiles are built BUICK will build them

WHATEVER YOUR PRICE RANGE

Engine Studebaker Now on Display

The 1951 passenger car powered by a rugged new V-8 engine, will be on display at the Williams Motor Studebaker dealer, beginning today.

The engine for our Commodore has been designed not only to spare for any foreseeable increase in compression ratio, but also to utilize the most modern manufacturing techniques in producing it," says the local dealer. "Rather than the new engine at 3000 r.p.m., while taxable horsepower is 36.4. Compression ratio is 7 to 1.

The new engine has more power than the 6-cylinder engine formerly used, tests by company engineers show that the 1951 Commodore will maintain the outstanding reputation for fuel economy established by previous models. Moreover, the new engine will not require a power plant for the model is but one of a long list of changes in the 1951 Studebakers.

Changes in the lines of the 1951 Studebaker not only continue the evolutionary styling of a year ago, but give the greater sleekness as a design changes at the rear. Principal front-end alterations center a new grille, "spinner" shield which completely covers the bumper support changes at the rear, new trunk deck and re-designed tail lamps which give much greater lighting and laterally.

The important chassis changes include the wider rear springs, the cars much greater stability. Inserted between the leaf, 2 1/2-inch springs length polyethylene in-plant out dirt and moisture in the Champion in-plant adoption of centerpoint new instrument panel, jacketed steering gear shift lever on all Custom models. Other changes include an increase in radiator cooling area of 22 square inches, a boost in the generator from 35 to 40 amperes.

Mr. Baggett, Jr., who under- operation in a San An- tal Monday, was report- or satisfactory recovery.

Interesting Program Planned for Ft. Worth TS&GRA Convention

An interesting program has been planned for the 56th Annual Convention of the Texas Sheep and Goat Raisers' Association and very able speakers have been obtained, J. C. Mayfield, TS&GRA president, has announced.

The Convention will be held in Fort Worth, November 20-22. The meetings will be held at the Texas Hotel and all sheep and goat men are invited.

Senator Lynden B. Johnson has been invited to speak before the sheep and goat men, Mayfield said, but it was not definite that the junior U. S. senator could attend.

The international wool situation in the face of world war preparation will be discussed by C. J. Fawcett, manager of the National Wool Marketing Corporation, Boston, Massachusetts. Fawcett attended the International Wool Study Group in London early in October.

Other speakers are Howard Vaughn, Dixon, California, president of Texas Technological College, Lubbock, Texas, who will be the first speaker, C. E. Fisher, superintendent of the Agricultural Experiment Station, Spur, Texas, will speak on mesquite eradication. Mr. Fisher is one of this country's foremost authorities on brush control, Mayfield stated.

Completing the list of scheduled speakers will be Stephen H. Hart, Denver, Colorado. Mr. Hart is attorney for the National Livestock Tax Committee. This committee has led the fight in Washington for treatment of sales of breeding animals as capital assets.

Mayfield stated that the sheep scab situation and the counter measures being taken to combat it would be fully discussed.

Big Bend Trail Assn. Opposes Overloaded Trucks Raps Too Heavy Trucks

MARFA, Tex. — The resolution, unanimously condemning the use of highways by overloaded trucks, was adopted here today by the Big Bend Trail Association, Inc. in annual convention.

The resolution presented by J. Albert Lain of Cleburne, incoming president of the Association fol-

lows: "That the practice of operating overloaded trucks on Texas highways be condemned and that all law enforcement officers be called upon for strict enforcement of the highway laws and requiring overloaded trucks to be unloaded at the point of violation."

From where I sit ... by Joe Marsh

We Ask That "Fares" Play Fair

Cunningham was telling me a taxi ride he took over to the city last week. The cab was littered with cigarette packs, candy and gum wrappers. This annoyed the Judge and he told the driver about it. To his surprise the cabman answered right back. "Don't blame me," he said. "Fast as I clear this city, the fares just mess it up. I like a clean cab as well as you, but a man has to have a clean operation!"

The figures the fellow was in the cab, and maybe we ought to do a little campaigning with the public. I agree with him—that's why I'm writing this article.

From where I sit, it's important for us to remember the fellow who's going to get in the cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride—just as he has the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, or what have you).

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL.

Future Homemakers Stage Style Show in Assembly Monday

A style show was presented to the student body and their parents in assembly last Monday afternoon. Garments modeled were the projects of the junior high and senior high homemaking classes.

A short talk on the purposes of the F.H.A. was given by Lois McDade who officiated as announcer for the program.

Seventh grade girls had just completed their first problem in clothing construction. Full skirts of cotton in various designs and colors were modeled by seventeen girls from this class.

Then, stepping up a grade, the eighth grade selected two of their group to present the eight grade level of construction. Della Mae Mason wore yellow corduroy with flaring lines and Myrtle Mae Everett chose green corduroy with straight lines.

High school, the goal of every young girl's heart, came next. Nina James, Jo Ann Allen, Barbara Bond, and Jane Adams styled garments representative of the H. E. I. class.

High school second-year home economics is an elective subject. Problems of tailoring, color harmony, appropriateness of dress and accessories gain more attention. Eight girls from this class showed their ensembles.

The highlight of the afternoon followed this event. The four entries in the "Make It Yourself with Wool or Mohair" contest gave their projects their first modeling before going to San Angelo for the area contest the next day.

Darrene Thompson decided on a tailored suit. Juanita Veila and Alena Fay Powers chose to make new coats.

A new division has been added to the wool contest, original design. There was one entry in this division. Jeanene Thompson designed and made a nubby grey and white tweed suit.

As a closing number, Jeanene was asked to sing. She sang "Serenade." Mrs. Harold Lipford accompanied her on the piano.

Background music for the style show was supplied by Helen Walker.

Seniors Sponsor Sale Gift Wrapping Material

Ladies, do you spend the entire Christmas holidays tripping back and forth to town for wrapping paper and stickers? And, men, would you like to make a purchase for your wife that she will really appreciate? If so, buy your box of gift wrapping paper and stickers from the OHS seniors right away. The supply is limited. The box contains ten packages of raily decorated paper and 90 Christmas stickers and can be purchased for the price of one dollar, ten than dimes, or one fifth of a "five-smacker."

DEBATE DATA

Debaters are digging into their handbooks with renewed effort. Night meetings are proving to be scheduled events on their calendars. Shudders, sighs and furtive searches for new ideas give the impression that the work of a debater is much harder than the worst of all the courses offered in the regular curriculum. It really isn't so. The interest and teamwork stimulate such effort. Whether or not it all was worth while will be shown at the convention in Denton the second week of December.

Question of the Week

Although it's beginning to wear off by now, most of the boys around school dyed their hair red. Our question of the week is, "What do you think of the boys' red hair?" The answers are as follows:

- June — "Beautifying."
- Betty — "Don't like it. Black hair looks better."
- Gussie — "Tricky."
- Elva — "Like it."
- Joe — "Cute."
- Alena — "Cute."
- Skeeter — "Pretty."
- Marion — "Funny."
- Jo Ann — "All right, if you like it."
- Tody — "Sickening, but I like it."
- Alton — "Purty."
- Lois — "Couldn't be cuter."

SONG DEDICATIONS

- Alena to Mr. Davis: You're Driving Me Crazy
- Larry to Dorothy: I'll Always Love You
- Alton to Charles: You're Out of Your Head
- Earl and Donald to Walter: Mule Train
- Alena to Ronnie: All My Love
- Vivian to Mr. Davis: You're Doing Me Wrong
- Barbara to Mr. Davis: Oh, You Kid
- Jane to Kenneth: Ain't Nobody's Business But My Own
- Concha to Virgil: Poison Ivy
- Elva to Chi Chi: I Love You for Sentimental Reasons
- Jo Ann to Dick: I'll Always Love You
- Dorothy to Mr. Matthews: The Things You Say

EDITORIAL

by Lois McDade

Our school is made of 94 students. Each student has a place in this school. A large place, or a small place — it is determined by his own outlook and effort.

"One big happy family" is a trite phrase, but it can also be a very appropriate one. In a family, everyone — big or small — belongs. Not always are they happy or are they a big one, but they never cease being a family. We, in Ozona High School, are proud of our family. There are few problems, and a lot of companionship.

Favorites have been chosen this past week. It was a difficult job. A tradition that was handed to us, and that we continue. A favorite implies that one is more sought after or placed a little higher than others. Let's keep it only as a tradition, and not let our school "play favorites."

Teacher of the Week

What does the O in O. L. Davis stand for, is a question which has been well discussed by OHS students. Could it be Oscar, Otis, Osgood, Oglethorpe — Mr. Davis just refuses to tell, so it's apparent that we'll never know.

Another "Mr. Belvedere" is Mr. Davis, who as well as teaching speech and English also sponsors the press club, annual staff, debate club, is in charge of publicity up at school, has a Boy Scout troop and is just in on everything in general.

To begin with, Mr. Davis graduated from Lometa High School, where he was editor of the high school paper, a basketball player, and naturally, he was valedictorian. In 1950 he graduated from North Texas State College with a masters degree. Needless to say he was editor of the North Texas annual which won "All American," and a member of the debating team where, of course, he placed with an excellent rating in the national tournament. So much for

scholastic "Mr. Belvedere's" activities.

He is a very eligible bachelor and says he has no immediate prospects, in fact no prospects at all.

Mr. Davis (the lucky man) room with none other than Mr. Pelto and Mr. Massingill in what is better known as "Massingill's Mansion," "Pelto's Palace," or "Davis' Dive."

There seems to be a big boom on in the peanut industry since Pelto, Massingill and Davis moved in, for it is estimated that they consume around 200 jars of peanut butter a year. Their daily menu consists of coffee and peanut butter on toast for breakfast, sandwiches for lunch with peanut butter for dessert and potatoes for supper, naturally with peanut butter for dessert. Mr. Davis claims that Mr. Massingill is the best cook in the world, but after all, anyone can spread peanut butter.

Mr. Davis' hobby is bow ties, but only the kind he can tie himself. (Hint for Christmas and birthday well-wishers.) Also, if anyone wants to buy a gift for the trio (Pelto, Massingill and Davis) just buy them a jar of peanut butter, but (check this) crunchy peanut butter has been definitely outlawed by a stronger member of the trio.

About Ozona, Mr. Davis says he likes it very much and really enjoys working here, but the students should study "just a wee bit" more.

Student of the Week

Fifteen years old, brown hair, hazel eyes, 5 feet, eight and one half inches tall and 138 pounds is this week's student-of-the-week.

He has the distinction of being the first Ozona High School Football King, being chosen by the girls football team.

He lists his favorite food as steak, his favorite sport as football, his favorite pastime as eat-in' and sleep-in' and his pet peeve, "lots of lessons."

Student-of-the-week has lived in Ozona for five years. He plays guard on the football team and is active in 4-H work.

I guess there is no mistaking that our student-of-the-week is none other than Jimmie McMullan.

Fads and Fashions

We are seeing more and more woollens now that the weather is colder.

Shirley Kost came back from San Antonio with a beautiful burnt orange skirt and sweater — Vivian Trotter has been wearing a new fake fur belt —

At the style show Monday we got quite a preview on the wool

contest. Those are beautiful woollens, girls.

The boys still have their traffic light hair — Say, Graham, why this vest you wear around all the time? Trying to get old before your time. Charles has some new plaid shirts.

Can't wait to tell you how everyone looked at the dance next week. (At least I hear there is going to be a dance — could be wrong.)

SON TO COATES

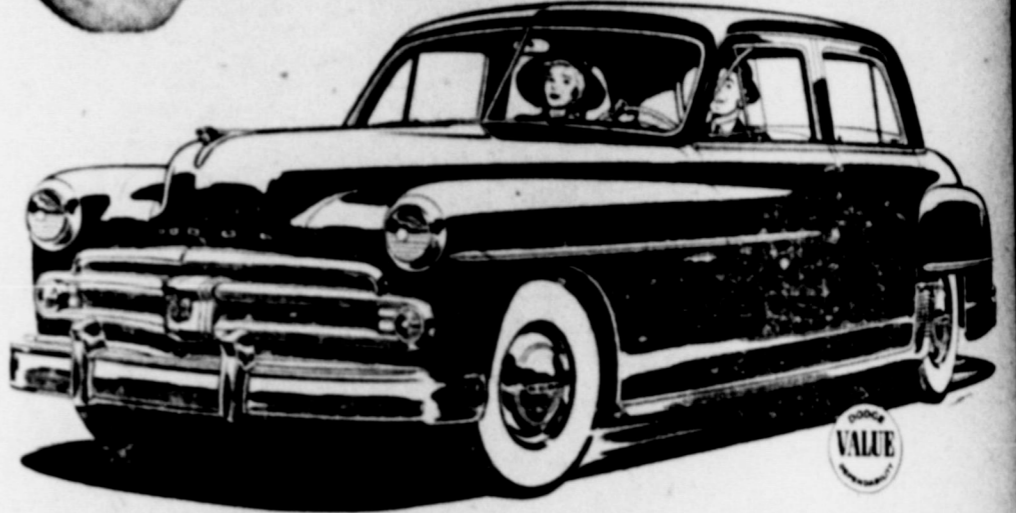

Roy Fleet is the name of the new son of Mr. and Mrs. Coates of Ozona. The young boy was born in a San Angelo hospital November 5, Mr. and Mrs. Coates of Ozona are the grandparents. The Coates have a two-year old daughter, Royce.

Remington adding member to the Stockman office.

Ask Your Gas Station Man!

OLDSMOBILE'S "ROCKET" ENGINE RUNS WITH SMOOTHNESS, POWER AND ECONOMY ON GASOLINE AVAILABLE EVERYWHERE TODAY!

Here's a question we'd like you to ask, next time you drive in for gas: "What do you think of Oldsmobile's 'Rocket' Engine?" Chances are, the attendant will tell you that the "Rocket" tops its field in smoothness, quietness, and quick-acting power. He'll probably explain that the "Rocket's" high-compression design gives it that thrilling response. We're sure he'll tell you that the "Rocket" uses gasoline available everywhere today—and makes every gallon go a long way! Your gas station man knows his engines, and he knows motor car values, too. That's why we think he'll tell you: "Yes, sir, mister—Oldsmobile's a smart deal!"

Oldsmobile Hydra-Matic Drive optional at extra cost on all models.

Spraying with 2, 4, 5-T Believed Effective in Control of Mesquite

COLLEGE STATION — Visits were made recently to 16 of the 266 ranches in Texas on which field tests for controlling mesquite are being conducted. The off-station tests are being carried on by the ranchers under the direction of C. E. Fisher, superintendent of the Spur Experiment Station, and Dale W. Young, assistant agronomist with the Bureau of Plant Industry, and with the assistance of local county agents and P. M. A.

The group making the tour, which was led by Fisher, included representatives of the Production and Marketing Administration, the Agricultural Experiment Station, the Extension Service, chemical research men, and airplane operators.

From observations made on the tour, the ester of 2,4,5-T still appears to be the best chemical for the control of mesquite. Three-fourths pound acid of 2,4,5-T in three gallons of water and one gallon diesel oil gave the most consistent and promising results in the tests studied. Included were sprouts, seedlings, and small and large trees.

Mesquite on the ranches visited was sprayed by airplane during the Spring of 1950. A. H. Walker, range specialist for the Texas A. & M. Extension Service and one of the group making the tour, says that, although it is too soon to determine the final results of the spraying, the work definitely looks promising.

Walker reminds ranchmen that the present goal of this experimental work is to find a practical method of mesquite control, rather than mesquite eradication. A mesquite kill of 100 per cent is

not expected.

The immediate objective is to find a low cost method of control which stockmen can afford. For the method to be practical, the increased carrying capacity of the grazing land, plus the ease of handling livestock must pay the cost of applying the control. Application costs for the ester of 2,4,5-T runs about \$3.50 per acre for both material and flying.

Spraying with an airplane is the best method of applying the chemical mixture for control mesquite when there is no danger of damaging field crops. However, Fisher and Young caution that airplane operators should be experienced in brush control spraying and the airplanes should be properly equipped. Apparently the coarser the droplet size of the chemical, the better the results will be. To be most effective, the chemical should be sprayed at tree-top height.

Mesquite spraying gives the best results when the chemical is applied in the Spring at full leaf stage, which will be six to eight weeks after the first leaves appear. If ground moisture conditions are not favorable, the control results will probably be disappointing, apparently because the chemical is not translocated properly so as to kill the roots. Fisher and Young suggest waiting another year if conditions are not favorable.

A small Lyre table of solid mahogany — \$37.50. Old hand-carved beechwood wash stand and early American reclining couch of old black walnut. Hall trees, graceful and mirrored. Lamp bases of antique black walnut and gum wood. This wood is from Crockett county antiques. Beautiful hand-painted lamps. On sale at the Cactus Antique Shop.

20 High School Bands Invited to Annual Sul Ross Band Day Nov. 18

Alpine, Tex. — More than 500 high school band members are expected to converge on the Sul Ross football field on Saturday, November 18th on the occasion of the second annual "Band Day at Sul Ross" during the 1950 grid season.

Invitational acceptance are being received daily at the Sul Ross College Lobo band office from high school bands over the West Texas area who will be on hand for the game and the mammoth half-time massed band demonstration which will be staged by John Carrio, associate professor of music, band director at Sul Ross.

Invitations have been sent to twenty high school bands, including Alpine Marfa, Fort Davis, Van Horn Sander on, Pecos, Grandfalls, McCamey, Fort Stockton, Ozona, Sonora, Eldorado, Lakeview in San Angelo, San Angelo, Big Lake, Iraan, Crane, Kermit, Wink, Marathon, and Monahans.

A patriotic theme will be carried out by the bands for the half-time show which will be presented at the East Texas Baptist College — Sul Ross game.

Tom Kincaid, son of Mr. and Mrs. T. A. Kincaid, Jr. was slightly injured late Monday afternoon when the motor scooter he was riding was struck by a car at the street intersection a block north of the postoffice.

Mr. and Mrs. M. B. Flippen left Wednesday for a visit with their son, Dr. M. B. Flippen, Jr., and his family at Orange. Dr. Flippen goes into the Service in January.

Use our lay-away plan for buying Christmas gifts now at the Cactus Shop.

Time to buy trucks on something besides hearsay!

You can't afford to buy trucks by guess-work today. What you carry—how far and fast you carry it—under what road and traffic conditions—all must be considered in specifying the right truck for you in times like these.

That's our specialty as a GMC truck dealer—we are first and foremost transportation engineers. Our one aim is to recommend the exact combination of engine, frame, axles, transmission, cab—and optional equipment that is best suited for

your year-round hauling requirements. Come in and see us—whether you want a ½-ton pickup or a giant Diesel 90,000 lb. GCW six-wheeler. We can give you exactly the right truck—designed for longer mileage with less maintenance expense—and it will be a real truck, engineered for your type of work.

That's why GMC sales are greater today than ever before. Truckers find they are best in the long haul. Let us show you why.

Get a real truck!

Great Religious Film "The Prince of Peace" At Ranch Theatre

Final arrangements have been made for the showing in Ozona of The Prince of Peace, new Hallmark Productions, Inc. cinecolor release on the life of Christ. It opens at the Ranch Theatre here on Thursday, November 23 for two days only. A special matinee for students here on Thursday will open the local engagement.

Based on the famous Lawton, Oklahoma, Easter pageant held annually in the Wichita mountains near Lawton, the feature combines a realism of setting with the unusual and deeply effective sin-

cerity on the part of 3,000 Oklahomans who take part in the film.

This film is so tremendous in scope, so human in its theme it is breaking boxoffice records from coast to coast. Its thrilling musical score and strong sermon on film has caused clergymen of every faith and educators at all levels to call the film the most important motion picture ever to come out of Hollywood.

At this time when the threat of atomic war hangs like a black storm cloud over the horizon of world peace, the Prince of Peace comes as a ray of light to bring new confidence and faith for those who see it. A new and deep understanding and appreciation for the story of Jesus is revealed. A non-sectarian film, people of all faiths, colors and creeds will find a personal message in The Prince of Peace.

Playing the role of Jesus in the film is Millard Coody. Coody is a bank teller of Lawton. His sincere and inspired portrayal of this great role gives great emotional force to the unusual movie.

Seen as the Virgin Mary is Darlene Bridges, a house wife and mother of two children. She lives in Lawton. Del Fisher, another citizen of Lawton, is seen in his old role of the Apostle Peter which he has been playing in the actual Easter pageant since its beginning in 1925. And so on, down through the entire pageant cast. There is not one professional actor or actress. The citizens of Oklahoma have given their best to this film and the result will live down through the decades as a beautiful monument to them.

Fine Arts Program Features Meeting of Ozona Woman's Club

American Art Week was observed by the Ozona Woman's Club with a fine arts and home crafts program when the club met Tuesday afternoon in the social hall of the Methodist Church.

Mrs. Adah Clendenen, fine arts chairman of the club, was leader for the day, introducing Mrs. Pascal Northcutt, who spoke on the value of occupational therapy in the rehabilitation of physical mental and nervous disease victims. Mrs. Northcutt said that hand-crafts in the home served the same purpose as occupational therapy in helping adults, who have for a time become emotionally unstable, regain harmonious contact with life by the use of the sense of touch through the hands.

Mrs. Clendenen introduced three visitors, Mrs. C. E. Davis, Mrs. Erle Stricklin and Mrs. Odie Collins, all of San Angelo, who exhibited their hobbies of leather goods, ceramics and basket weaving. Other members and guests had exhibits of knitting, crochet, needlework, china painting, hooked rugs, tied rugs, weaving, water coloring, oil painting, buttons, shell crafts and art objects.

The leader quoted Dr. Morris Fishbein, noted doctor and Medical Journal editor, from an interview in a Chicago paper: "In the stress and rush of modern existence, doctors recognize that a hobby may be a life saver for the high-tension personality, especially if the collecting means more than just amassing a variety of objects in a single field or paying an agent to pick up what he thinks might be interesting. Study the field, learn about its history, find out about the people who were involved in its growth and development, etc."

Other guests present were Mesdames Hugh Childress, Sr., Doyle Perdue, Bill Cooper, H. L. Lipford, Joe Williams, Joe Clayton, Charles Williams, Jr., Pleas Childress and Elsie Fincher of Sherman and Miss Beulah Morton. Harvest Festival Program by W.S.C.S. At Community Center

With members of the City Mission Board as hostesses for the day, the Woman's Society of Christian Service of the Methodist Church met for a Harvest Festival program Wednesday afternoon at the Community Center. The occasion was a shower for the Center kindergarten, with members bringing toys, juices and milk for use in the department.

Hostess members of the board included Mrs. B. B. Ingham, Mrs. Mary Flowers, Mrs. Joe Clayton, Mrs. V. I. Pierce, Mrs. Scott Peters, Mrs. H. B. Tandy, Mrs. R. A. Harrell and Mrs. N. W. Graham. Miss Ruth Sutherland, head deaconess, was in charge of the day's program. Mrs. Stephen Perner, secretary of supplies of the local Society, presented the devotional.

The program consisted of presentations by the different groups of the Community Center work, introduced by the deaconesses, Miss Sutherland and Miss Beulah Morton. The kindergarten group, composed of about 40 children, were presented in choral and rhythm band numbers, with Mrs. Maria Torres assisting the deaconesses in directing.

The F.H.A. Club, directed by Miss Felicitia Rodriguez, presented two folk dance numbers and the Brownies presented Nora Lara in the "Brownie Story." Mrs. Maria Torres sang "The Prayer Perfect" and the program was concluded with the Lord's Prayer.

The membership tea and book review, originally scheduled for next Wednesday, has been postponed until November 13, Mrs. H. B. Tandy, Society president, announced this week. Mrs. Tandy also called attention to plans of the Society for a bazaar to be held the latter part of this month. Date for the bazaar will be announced next week.

WANTED AT ONCE — Man or Woman to supply Consumers with Raleigh Products in the City of Ozona and Crockett County. Full or part time. For details write The W. T. Raleigh Co. Dept. TXK-1536-216, 139 W. Illinois, Memphis, Tenn. 5p

Social Security and Pensions Topic for Literary Club Meet

Mrs. John Skinner and Mrs. Allen Boedeker were hostesses when the Ozona Literary Club held its regular meeting at the home of Mrs. Boedeker. After the business meeting, Mrs. Lois Hallmark, program leader for the afternoon, presented Mrs. Jack Harris, who discussed "Social Security and You" and Mrs. Howard Kemper, who talked about "Old Age Pensions in Texas."

Refreshments consisted of coffee and chocolate pie, and the plate favors were little Pilgrims, with the names of the members present on them.

Those attending were: Mmes. Cleophas Cooke, Joe Whatley, Victor Kuykendall, Travis Hawk, Fred Stoker, Martin Hearne, Ken Cody, Jack Harris, Willard Skelton, Clyde Joiner, Ed Hallmark, J. P. Pogue, Roy Sewell, Howard Kemper, B. W. Stuart, John Skinner and Allen Boedeker.

A Pete Salinas hand painting. Lovely in tone, mellow in concept. His older pictures are better than the new.

Demi cups and saucers, \$1 and up. Chocolate pots in fine China, exquisite hand-painted roses, Royal Bonn bowl and plate. Beautiful red roses. Jeweled glass blown by hand. See these on sale at the CACTUS ANTIQUE SHOP.
