Complete Final Organization Soil District Tuesday

Men Elect Sub-District Supervisors Session

Organization of the board supervisors of the newly created Crockett County Soil Conservation District will be completed at a meeting of eligible voter land-owners at the courthouse at 2 o'clock next Tuesday afternoon, May 30.

At that time supervisors from districts 1, 3 and 5 are to be elected by ranchmen living within the boundaries of these sub-districts. Three supervisors, with two elected by the State Soil Conservation Board, Ralph Jones from district No. 2 and T. A. Kincaid, from No. 4, will compose the board of supervisors for the county district.

Edward Goss, field representative of the Soil Conservation Service will be here for the meeting to help the new board of supervisors in completing their organization and advise with them in getting started to carry out the district's program and work, which is pre-requisite to the operation of the district soil conservation work.

List of eligible landowner voters, resident landowners who live in the county and whose lands are located in the respective districts, are given below in the three districts which are to elect supervisors at the Tuesday meeting.

No. 1 — Floyd Henderson, Williams, Joe Struss, Clayton, O. W. Parker, W. R. Cox, W. R. Baggett, Jr., Jeff B. B. Noelke, Jr., and A. C. Jones.

No. 3 — Early Baggett, Joe Jones, Madden Read, R. A. Arthur Phillips, P. T. Adams, Clay Adams, Jess Marufas Ward, Stephen Perner, Pon Seahorn, Bill Seahorn, Baggett, Jr., Tom Smith, Perce and J. A. Marley.

No. 5 — B. B. Ingham, Jr., Perner, J. B. Parker, S. S. South, Armond Hoover, Ray Pery Holmsley, L. B. Childress, L. B. Cox, R. Dudley, Austin Mills, Chas. Coates, Elmer Graves Hoover and John Mitchell.

Area No. 2 to be represented by the board of supervisors by P. L. Childress, Dempsey Jones, W. E. Friend, Jr., Boyd Jones, Ashby McMullan, Jack Jones, John Childress, Ralph Chas. E. Davidson, Jr., Joe Jones, Jack Wilkins and J. A. Kincaid, Jr., who is to be represented by T. A. Kincaid, Jr., who was appointed by the board on petition of ranchers.

Area No. 4, to be represented by Roy Henderson, Rob Miller, H. Hunt, Marshall Montgomery, V. I. Pierce, L. M. Morley, Ralph Watson, E. D. Kincaid, John Henderson, Jr., Roy Jones, Fred Hagelstein, Paul Lomb, Ben Robertson, Ira Carl S. M. Harvick and T. A. Kincaid, Jr.

The girls' softball team, which has been engaged in daily workouts at the baseball field, will meet Blondy Cross' San Angelo Red Chicks in a game in San Angelo Friday night of this week. A return match with the Chicks on the home lot will be arranged and the date announced later, Stuart said.

The girls were matched with the team here last night and date for a return game with that team on the Iraan field will be announced later.

The Ozona girls soon will be diked out in new caps and blouses, the gift of their sponsor, the Ozona Lions Club.

All Stars to Play Barnhart Carbon Black Team Here Tues. Night

An Ozona all-star fastball team will meet team from the Barnhart hydro carbon plant on the local Lion Club softball field next Tuesday night at 8 o'clock.

Byron Stuart, manager of the locals, says that the Barnhart team boasts a fast aggregation and a good game is promised.

You May Still Be Counted in '50 Census — But Hurry!

In case the census taker did not visit your home or place of business and you were missed in the 1950 count of heads, you still may be counted if you will hurry.

Although the actual taking of the census is closed, persons who were missed by the enumerator may still be counted if they will fill out the "missed persons" form and mail it to the Census Bureau, Courthouse, Odessa, Texas.

In a long distance telephone conversation with George T. Kesler, Census District Supervisor in charge of the Odessa office, yesterday, The Stockman learned that the Crockett county census report will not be closed and sent to the U. S. Census Bureau for another week or ten days. Mr. Kesler said that all "missed persons" who report in that time will be counted.

Elsewhere in this issue of The Stockman is a form, not identical with the government form, but containing blanks for filling in the essential information needed by the Census Bureau, according to information given by Mr. Kesler.

If you have not been enumerated here or elsewhere and no member of your family has given census takers information on you, then you should fill out the form and mail it at once to the district Census Bureau in Odessa.

Ozona Butane Holds Early Season Lead In Fastball League

Ozona Butane Co. team surged to undisputed leadership in the early rounds of the new city league fastball season by defeating the Williams Grocery team in a closely contested match Tuesday night. The Grocers held a two-run lead to the last of the seventh but Byron Stuart slammed out his third over-the-fence homer of the evening, with two ahead of him, to sack up the ball game and the league leadership for his team.

The Butane crew has won two starts while the Ranchers and Continental teams have each won one and lost one for second place. Williams Grocers and Williams Magnolia have lost one each.

The beautiful new Lions Club field was dedicated with a matched game between an Ozona all-star team and the 20-30 Club team from San Angelo here Friday night. The 20-30 Club downed the Ozonans 8 to 3.

Regular league fastball games are scheduled three nights a week, Monday, Tuesday and Friday nights. The Williams Magnolia and Wilson Motor teams are matched for Friday night of this week.

Girls' Softball Team to Meet Chicks In Angelo Fri. Night

Byron Stuart's girls softball team, which has been engaged in daily workouts at the baseball field, will meet Blondy Cross' San Angelo Red Chicks in a game in San Angelo Friday night of this week. A return match with the Chicks on the home lot will be arranged and the date announced later, Stuart said.

The girls were matched with the team here last night and date for a return game with that team on the Iraan field will be announced later.

10 Ozona Scouts To Attend Natl. Scout Jamboree

40,000 Boys Expected At Valley Forge, Pa. Jamboree Sessions

Ten Boy Scouts, representing Troops 53 and 63 of Ozona, will be among an expected 40,000 boys from all over the United States and from several foreign countries to attend the second National Boy Scout Jamboree to be held in Valley Forge, Pa., beginning June 30 and continuing through July 7.

The local Scouts will join others in a group representing Region 9 which will be under the leadership of J. B. Morris, assistant Scout executive for this district, and other Scout leaders of the region. They will leave Ozona on June 23. Their schedule includes a tour of Chicago, Washington and New York prior to the Jamboree opening and a three-day pre-Jamboree training camp on the Jamboree camp grounds.

Seven Scouts from Troop 53 sponsored by the Ozona Rotary Club, plan to make the trip. Included are Bobby Womack, Earl Berry, Jimmy McMullan, Carroll Stratton, Sherard Brownrigg, Tom Piner and Bill Schneemann.

Scouts from Troops 63, sponsored by the Ozona Community Center, who will attend the Jamboree include: Pedro Cisneros, Romeo Vela and Sammie Martinez, Jr.

Several of the Ozona Scouts will participate in the rope twirling and calf roping act in the arena to be staged by Scouts from Texas Region 9, Mr. Morris said.

Scouts at the Jamboree will have an opportunity to see and hear President Harry S. Truman, who will visit the Jamboree camp and address the assembled Scouts and their leaders. General Ike Eisenhower is to be another distinguished guest at the Jamboree session.

Besides the pre-Jamboree trips scheduled for the Texas boys, the Scouts will visit points of historic interest at Valley Forge and Philadelphia, and will be taken on various tours of the area and into Canada.

H&F Oil Co. Gets First Producer In Olson Field

The first producer of the H&F Oil Co. of San Angelo, No. 1 Ohio Shannon estate on the east edge of the Olson (Grayburg and San Andres) field in northwestern Crockett county, has been finalized on the pump for 41.5 barrels of oil in six hours. This was at a daily rate of 166 barrels. Settled production of around five barrels an hour was indicated.

The well headed oil while cleaning out following a 20-quart nitroglycerin shot in Grayburg sand from 2,037 to 2,047 feet, the total depth. It is 330 feet out of the northwest corner of the north 80 acres of the south 1,600 acres of school land survey.

Hugh Hess, San Angelo contractor, was moving cable tool rig from No. 1 Ohio-Shannon to the location for H&F No. 1 Magnolia-Shannon 660 from the north, 330 feet from the east line of the northeast quarter of the southeast quarter of tract 21, league 4, Archer county land survey. The drillsite is 2 1/2 miles west and a quarter mile north of No. 1 Ohio-Shannon.

The H&F Oil Co. is composed of W. M. Holland and Sam J. Fuller of San Angelo and C. W. Fuller of Houston, brother of Sam J. Fuller.

DEBBIE, THE DOG, TOO!

Two Girl Scouts Hike 100 Miles for Foot Traveler Badges

Two Girl Scouts, Carolyn Stuart and Cecilia Cooke, were awarded Foot Traveler badges around a camp fire at the ranch home of Mr. and Mrs. D. B. Pettit on the Egan ranch Friday night after completing 100 miles of hiking in cross country and road hiking.

And Debbie, Carolyn's much-traveled dog, who made every foot of the 100 miles of hiking with the girls and their Scoutmaster, Miss Phyllis Shuman, won his badge along with the girls.

The girls and Debbie, Miss Schuman and Miss Mary Drake enjoyed a picnic supper and spent the night with the Pettits, returning to Ozona the following morning, hiking 10 miles back to the highway, with Miss Drake making the final hike with them.

Beverly Day lacks 25 miles hiking to complete her 100 miles for a Foot Traveler badge. Miss Shuman, by the way, not only hiked the 100 miles with the two badge winners, she made nearly all of the make-up hikes with the girls who were unable to make the regular trips.

Miss Shuman, who teaches second grade in the North Elementary, left with her parents, Mr. and Mrs. E. C. Shuman, and brother, Morland, for their home in White Deer, Texas, the first of the week. The Shumans enjoyed week-end trips to Fort Stockton and Villa Acuna.

Six Scouts Receive Awards at Court of Honor Here Tuesday

Six Boy Scouts of Troop 53, sponsored by the Ozona Rotary Club, receive awards at a Court of Honor conducted at the Rotary Club luncheon Tuesday noon. J. B. Morris, assistant Boy Scout Executive of the Concho Valley Council, was a guest for the day's program.

Second class award went to Carroll Stratton, presented by Vernon Ratliff. First class awards were made to Bobby Womack, Dan Smith, Kootsy Smith, Ben Conklin and Tom Piner. The first class badges were presented to the Scouts by Fank James.

Presented merit badges by Scoutmaster Wayne Matthews were Bobby Womack, Dan Smith, Kootsy Smith, Ben Conklin and Tom Piner.

Following the Court of Honor, a film depicting events of the World Boy Scout Jamboree of 1947 held in France.

Ozona Delegates Attending Annual Methodist Conference

SAN ANTONIO. — Around 600 ministers, lay delegates and older boys will convene in 92nd session of the Methodist Southwest Texas Conference at historic Travis Park church May 24-28.

One of the high points will be the appearance of the Circuit Riders' Quartet with Rev. Roy L. Smith, one of the publishing agents, on May 24, celebrating 160 years of Methodist Publishing House history. The Riders will represent Methodist pioneers clad in late 18th century style.

Dean Harold A. Bosley, pastor of First Methodist church, Evanston, Ill., former dean of Duke Divinity school, will deliver five addresses on "The Church." He will speak at the Memorial service on May 27 honoring seven preachers and two preachers' wives who have died this year: C. F. Bohmfalk, Joseph Davee, Re. E. Burns, William Buehrer, Stanley Haver, J. E. Morgan, J. A. Whitley, Mrs. W. M. McKinney, Mrs. J. W. Rowland.

An attendance of 100 high school boys is expected for the elder boys' conference planned by committeemen Elmer Hierholzer of Brownsville, Don M. Westbrook of San Antonio and Paul Terry of Donna. They will hear Rev. Ennis B. Hill, pastor of Mungler Place Methodist church, Dallas, and other speakers.

Durwood Wylie, fifth grade student in Ozona schools, was neither absent nor tardy during the last school year and received a certificate award for his perfect attendance record for the year.

Lions Club To Install Officers Saturday Night

Annual Ladies Night Banquet; Blount Is Speaker

R. E. (Peppy) Blount of Big Spring, state representative from the Big Spring district and former University of Texas football star, will be the principal speaker at the annual ladies night banquet and installation of officers of the Ozona Lions Club slated for Saturday night.

The banquet will be staged in the social hall of the Methodist Church, with ladies of the Woman's Society of Christian Service providing the banquet. Banquet time is 7:30 p.m.

The following officers of the Lions Club, elected last week to serve the club during the coming year, will be installed in office. President, Charles Rathff; first vice president, Jim Dudley; second vice president, Ted Doggett; third vice president, Bill Hannah; Tail Twister, Byron Williams; Lion Tamer, B. C. Scott, and Directors Doug Kirby, Bill Bergfeld, Demp Jones and J. P. Pogue.

The retiring officers are: President, Gene Williams, vice presidents, Bill Hannah, C. O. Walker, and Bill Cooper; Tail Twister, Robt. Cox; assistant Tail Twister, Boyd Baker; Lion Tamer, Hartley Johnigan; treasurer, L. D. Kirby and secretary, Roy Thompson. The club voted to combine the offices of secretary-treasurer and will elect this officer later.

Rep. Blount will be accompanied by Mrs. Blount and his parents, Mr. and Mrs. R. E. Blount, Sr. of Big Spring. He is serving his second term in the House of Representatives at Austin and is a candidate for re-election in the 1950 primaries.

To football fans Peppy Blount is better known for his pass catching than as a politician and legislator. He is a three-year letterman in football and one year in basketball at the University and says his greatest thrill was catching the pass that beat SMU and gave Texas the conference championship.

Blount served as a pilot in the Army Air Forces during the war and flew 31 combat missions in the Pacific theatre. He was awarded the Distinguished Flying Cross, and the Air Medal with three clusters.

Troop 63 Scouts and Cubs Observe 11th Birthday Monday

Boys and leaders of Boy Scout Troop 63 and Cub Pack 63 in the Latin-American community observed the 11th anniversary of the troop organization at a party in the Community Center Monday night.

A history of the troop was given by Ed Vitela, Sr., one of the pioneers in troop leadership. The troop was organized in April, 1939, and in the period since organization, approximately 400 Scouts and Cubs have had the benefit of Scouting.

Sam Martinez read a letter of congratulation to the troop and its leaders from Miss Mary Riddle, former deaconess in the local Community Center, who took a leading part in the introduction of Scouting into the community life. Miss Riddle is now in charge of a center in San Marcos.

Gene Ramirez, Scoutmaster, presented the Scouts with their 1950 registration cards. Certificates were presented to Miss Ola Gilbert and Miss Frances Taylor by Scout Executive J. B. Morris in recognition of their work with the Scouts and leaders. A film on the World Jamboree of 1947 in France was shown by Bill Cooper.

PERFECT ATTENDANCE

Durwood Wylie, fifth grade student in Ozona schools, was neither absent nor tardy during the last school year and received a certificate award for his perfect attendance record for the year.

Distillate, Gas Produced In Mag Clayton Wildcat

Testing Continues As Paying Producer Is Indicated

Gas rating 5,600,000 cubic feet daily produced four to six barrels of distillate hourly Monday from Magnolia Petroleum Co. No. 1 Clayton Ranch, Ellenburger wildcat in Crockett county 10 miles east of Ozona.

The flow was through a 20-64-inch tubing choke and casing perforations from 8,630 - 64 feet, which had been treated with 1,500 gallons of acid. Earlier, after flowing out the load, the well had rated 10,600,000 cubic feet of gas daily through a half inch choke. Testing continued.

Through casing perforations from 8,580 and 8,610 feet, which had been acidized with 4,000 gallons, No. 1 Clayton Ranch Friday had shown dry gas at the rate of 13,125,000 feet daily. This gas was killed for testing deeper in the Ellenburger, which was topped at 8,489 feet, 6,000 feet below sea level.

The wildcat is 1,320 from the south 980 feet from the west line of section 12-GH-GC&SF.

Saprtan Drilling Co. and William Hamm, Jr., No. 1 H. W. B. Montgomery, wildcat in section 5-J-GC&SF, 10 miles south of Ozona was drilling at 9,398 feet in drital. It recovered 45 feet of drilling mud only on a two-hour drillstem test from 9,321-50 feet. Limey dolomite entered at 9,310 feet, 6,851 feet below sea level, earlier had been thought by some likely Ellenburger.

Malco Refineries, Inc. and others No. 34 Isabel Vaughan, slated 11,500-footer in the Vaughan field, will be 990 from south, 330 feet from west lines of east half of section 85-OP-GC&SF.

344 Feet Free Oil Shown In Humble 1-C Cox

Open flowing bottomhole pressure was 95 pounds, shut-in bottomhole pressure after 21 minutes, 2,045 pounds.

No. 1-C Cox is 760 from the north, 660 feet from the most westerly east line of section 72-OP-GC&SF. It is one mile north of Humble No. 1 Cox 8,222-foot Ellenburger failure in section 3-QR-D&SE.

On a 68-minute drillstem test from 5,942-73 feet gas came to the surface in eight minutes and rated 23,000 cubic feet daily. Recovery was 116 feet of oil and gas-cut mud and 344 feet of 38 gravity oil.

Open flowing bottomhole pressure was 95 pounds, shut-in bottomhole pressure after 21 minutes, 2,045 pounds.

Saturday Night Rain Spotted Over Large Section of County

Although spotted, rains last Saturday night nevertheless covered a large section of Crockett county.

The rains were heavier in some spots than others and skipped about in checkerboard fashion but much of the ranch country received additional stores of moisture which will serve to boost already fast growing vegetation on grazing lands.

Ozona measured a little more than an inch of rain in a heavy fall about 10 o'clock Saturday evening. Some hail accompanied the fall here, but was light and small stones that did no damage. Falls up to 2 1/2 inches were measured to the east of Ozona.

TOO BIG TOO WHISTLE

In a recent address on the vital subject of federal deficit financing, Dr. Edwin C. Nourse, who was formerly chairman of the President's Council of Economic Advisors but resigned because of his disagreement with certain Administration fiscal policies, said, "We all see the folly of the Mississippi steamboat owner who put on such a big whistle that the engine stopped when he blew it."

Senator Ferguson of Michigan told the same audience that deficit spending is "the secret weapon in the Moscow arsenal."

Industry is running in high gear. Employment is at near-record levels. Government income is huge. Yet this year there will be a budget deficit of about \$7,000,000,000 and perhaps more. If the government refuses to make both ends meet in good times, what would happen if even a minor depression occurred and revenues declined?

Soviet journalists and econ-

omists often say that in time capitalism, as exemplified by the United States, will collapse from within and that the communization of the world will then follow as a matter of course. They are right to the extent that in the long run there is no greater threat to freedom and opportunity and everyhing this nation stands for than to keep on running gigantic government deficits, to pile up the national debt until it reaches the insupportable point, and to bring on the ghastly tragedy of runaway inflation.

The whistle must not be allowed to stop the boat.

HIKE TAXES OR CUT COSTS IS UNCLE SAM'S PROBLEM

To help American families solve their money problems the United States government is currently issuing at least one pamphlet showing people how to keep household spending within the bounds of family income.

But here is what the Council of State Chambers of Commerce finds Uncle Sam doing in his own federal household:

The federal government will spend about \$6 1/2 billion more this year than the \$36 1/2 billion it will collect in revenues. It is expected to do substantially the same thing in 1951.

In only two years out of the last 20 (in 1947 and 1948) has the federal government balanced its budget by living within its income. In that time the public debt has risen from \$17 billion to \$258 billion.

To return to a balanced budget, the council finds the federal government may do one of two things: either increase taxes or reduce spending.

But taxes of one kind or another are already taking more than a quarter of the people's income.

And as to reducing federal spending, the question always asked is, "Where?" Two senators, Harry F. Byrd of Virginia and Paul Douglas of Illinois, have offered some detailed answers to that \$64 question with respect to the 1951 federal spending budget.

Senator Byrd, among other things, would eliminate 250,000 civilian jobs in non-military agencies, lop off another 80,000 civilian jobs from military establishment payrolls, reduce public works outlays by \$1 billion, and withhold

congressional approval from most of the new spending programs recommended by the President in his 1951 budget.

Senator Douglas' long list of budget-paring proposals includes one to reduce excessive vacation

privileges of federal employees. Both senators see large opportunities in the adoption of the Hoover Commission's recommendations for consolidation and streamlining government agencies. —O—

HERE'S THE BUICK SPECIAL 4 door Sedan...
de luxe finish. The same body type is available on SUPER Series.

"YOU HARDLY KNOW THE ROAD IS THERE!"

YOU won't be the first to say that—not by a long shot. One of the first things you notice, when you step from another make of car into Buick, is the wonderful difference in the Buick ride.

There are good technical reasons, if they interest you... Soft coil springs all around, the gentlest type of spring man knows how to make. A stout torque-tube, acting like the husky keel of a battleship to steady the whole carriage. Low-pressure tires on wide, Safety-Ride rims, that stop heel-over and sway on curves. Firm, sure, quick-acting shock absorbers, promptly snubbing the after-bounce of the bigger bumps.

The important thing is what these all add up to. Freedom at last from jounce and jiggle. A level, floating, road-free passage over almost any kind of road, with even the worst of them tamed and gentled as never before.

Add Fireball power to all this—the roominess of wide, deep seats—the lightness of Buick controls and the liquid silkiness of Dynaflo Drive*—and you have a car just too good to miss.

Come try one, won't you? Your Buick dealer will be delighted to demonstrate without obligation—delighted to show you that if you can afford a new car, you probably can afford a Buick.

*Standard on ROADMASTER, optional at extra cost on SPECIAL and SUPER models.

McDONALD RECEIVES DEGREE FROM WTSTC

McDonald a former Oxford former student of Oxford School, received his degree from West Texas State College in Canyon in exercises held there

Wednesday of this week. Dick is a son of Mr. and Mrs. Bryan McDonald of Canyon and a grandson of Mrs. Chas. E. Davidson of Ozona.

Dick and brother, Charles McDonald, plan to enroll in the University of Texas school of law this fall.

OFFERS TO PAY FRIENDS HADACOL DOESN'T HELP

HADACOL HELPS SUFFERERS OF VITAMIN B₁, B₂, NIACIN AND IRON DEFICIENCIES

Mrs. Wallace tells her granddaughter, Maynell Wallace, over the phone how HADACOL brought relief to her.

Belle Wallace, 449 Form-St. S. W., Atlanta, Ga., is grateful to HADACOL for the relief it has brought her that she has recommended HADACOL to a number of her friends. She says she would pay for their HADACOL if it didn't help them. She explains with a smile that she hasn't had to pay for her friends, because HADACOL has helped them.

Wallace, who is 74 years old, has five children, seven grandchildren and two great-grandchildren. She was suffering from a deficiency of Vitamins B₁, B₂, and Iron, which HADACOL contains.

Wallace said: "I couldn't eat until I started taking HADACOL. I'd lie awake and toss and turn until the small hours of the morning. I was highly nervous. I didn't even have a need to eat. Since I've been taking HADACOL my nerves are as steady as a rock. I couldn't eat because I did my stomach would puff out and fill with gas. I am now eating 7th bottle of HADACOL and my stomach is so much better."

Appetite Good
I have a good appetite and my stomach does not bloat or fill with gas. I sleep like a log. I have recommended HADACOL to a number of friends and have heard from them that if it didn't help them, I'd pay for it, but I have to because HADACOL has helped them. HADACOL has done more good than anything I have ever taken."

Why Be Satisfied With Temporary Relief?

HADACOL also helps build up the hemoglobin content of your blood (where Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs—even to the eyes, hair and nails) to help repair the damage that such a deficiency may be causing there. Countless thousands are benefitting from HADACOL. Why don't you give it a chance to help you? Why continue to suffer? Remember, HADACOL doesn't give temporary relief. Instead, it treats the real cause of your illness when, as so often, it's due to such deficiencies. That's why it's so effective; that's why it's accomplishing such amazing results.

You'll Feel Great . . .
... with the first few bottles you take, or your money back. There is only one HADACOL and it is sold on a strict money-back guarantee. So give this remarkable HADACOL medicine a chance to help you. It's never too late to start taking HADACOL. Many who despair of improvement found that HADACOL was almost like a miracle for them. Remember that HADACOL is amazingly different and amazingly effective because it treats the real cause of deficiencies of Vitamins B₁, B₂, Niacin and Iron. Make up your mind to take HADACOL regularly. Refuse substitutes. Insist on the genuine. You can't lose a cent, because it's sold on a strict money-back guarantee. Only \$1.25 for Trial size, Large Family or Hospital size, \$3.50.

Don't Send Money Is Plea of S. S. Office

"Don't send us money." That is the unusual request made by George Clark, manager of San Angelo Social Security Administration office. Mr. Clark explains that although his office does no collecting of taxes and has no charge whatever for any of its services, letters frequently arrive enclosing checks, stamps money orders or cash. All such remittances, he says, must either be returned to the senders, or, if in payment of taxes, forwarded to the Collector of Internal Revenue.

The San Angelo office handles claims for old-age and survivors insurance benefits in 30 West Texas counties, issues new and duplicate social security cards, and gives information and assistance generally to employers and employees.

"But we do not collect taxes of any kind," Clark declares. "Employers' social security returns should be sent to the Collector of Internal Revenue — not to our office. He has jurisdiction over collections — our business is primarily the payment of benefits, and the maintenance of the individual accounts on which the ben-

efits are based."

Old-age and survivors insurance benefits are payable to retired workers 65 or over who have worked for at least a qualifying period on jobs covered by social security, to certain of their dependents, and to the survivors of deceased qualified workers.

Mr. and Mrs. Joe Pierce, Mr. and Mrs. Dempster Jones and their daughters, Pam and Robin, and Sellars Pierce and sons, Joe Boy and Willie, are enjoying a two-weeks vacation on the coast near Rockport.

Statement of a South Texas accountant, on file at Humble Oil & Refining Co., Houston, Texas.

"Only the best motor oil is good enough for my new car. I use Humble Esso Extra"

We agree, sir, and we recommend Esso Extra Motor Oil for all modern cars.

Esso Extra gives extra protection to the engine of any car, and to new cars in particular... Here's why: Esso Extra is the *only* motor oil that combines detergent-dispersive action with superior wetting ability, anti-oxidizing quality and highest viscosity index. This makes Esso Extra a *unique* motor oil, the *only* one of its kind, the *best* you can buy... Change, now, to the oil that users recommend; drain and refill with Esso Extra Motor Oil at any Humble

Judge Moss Plans to Carry Congressional Campaign to El Paso

Charting his plans to swing into the tip of West Texas under the gathering impetus of his 'round the clock' political drive, District Judge Paul Moss of Odessa today was preparing to carry his campaign into El Paso next week.

Judge Moss continued to set a torrid pace in the race for Congress in District 16 last week by hewing to a fast political tempo marked by appearances before voters at Rankin, Monahans, Pecos and Van Horn.

His activities during the week were climaxed by his delivery of a commencement address Friday night at Van Horn High School.

He is tentatively expected to arrive in El Paso on Wednesday after completion of the district court docket in Fort Stockton.

While in El Paso, Judge Moss will make tours of the Upper and Lower Valley areas in addition to visiting voters within the city.

Judge Moss, long a prominent member of the Democratic Party, presides over the 70th Judicial District of Texas. He has been engaged in various business and civic enterprises in West Texas for almost 25 years.

In all sections of the district, Judge Moss has been building up his lead in the congressional race in recent weeks. He is carrying his campaign directly to the people in each of the cities he visits.

Kerrville Candidate Campaigns in Ozona

Herbert J. Antoine of Kerrville was in Ozona Wednesday and Thursday working on his campaign. He is a candidate for the legislature from the 86th district. Mr. Antoine said, "I am one man who hates taxes. . . unnecessary taxes. . . and I will oppose any sales tax or other increase in taxes if I am elected. According to the record, the bill for running the government of Texas in 1949 was 120 million dollars more than in 1948 and the last legislature warned us to expect another big increase in 1951."

"As I go along in my campaign, I will quote from the record of the most generous legislature in the history of Texas. The voters in my district will be surprised to learn how lightly some representatives value their constituents' hard earned tax dollars."

INSURANCE is a lifetime affair...

Life Insurance is important business, both for you and for your Southwestern Life agent — who is building his reputation and career on the kind of job he does for you.

It is essential in proper financial planning to re-examine your life insurance needs from time to time. Your Southwestern Life representative serves you well when he adjusts your insurance program as required to meet changing life circumstances. This is an important aspect of the work of a career life underwriter.

The carefully selected and thoroughly trained Southwestern Life agent represents a Texas company, now in its 48th year of service to Texas.

Soil Conservation Districts Democracy At Grass Roots

By Waters S. Davis, Jr., President, Association of Texas Soil Conservation District Supervisors

Soil Conservation Districts are democracy at the grass roots. That is why so many Texans are becoming more and more interested in them.

In these days of increasing governmental regulations, it is important for everyone — farmers, ranchers and businessmen — to understand what districts are, who runs them, what they do. It is easy to confuse them with one of the other agencies of the Department of Agriculture.

Under Texas law, Soil Conservation Districts were organized by vote of the local landowning farm-

ers and ranchers. They are run by their supervisors, who must be local, resident landowning farmers and ranchers elected to office by their neighbors. With no powers of taxation nor eminent domain, the supervisors' responsibility is to coordinate all efforts, public and private, to the soil conservation task. This coordinated effort is first developed on a District-wide basis by the local people themselves.

In every one of Texas' now 156 districts, covering nearly 90 per cent of the state, there are programs and plans of work, developed and written by the home folks. They serve as a guide to each district's operation.

With its program and plan of work as a basis for action, the district's board of supervisors is ready to go to work. As a rule, all state and federal agencies pledge

their cooperation to the supervisors. The Extension Service and the Department of Vocation Agriculture have a big job. PMA payments help landowners pay part of the costs of soil conservation. The technicians of the U. S. Soil Conservation Service, cooperating with the supervisors, make detailed farm and ranch conservation plans with the local operators on farms and ranches as directed by the district supervisors.

These farm and ranch conservation plans are the key to what many call the new agriculture. They are developed with the owner to suit his operating needs as well as those of the land. When all the planning is over, the results are put on paper, with a map, and all details are then agreed to by the owner and the board of supervisors.

Operating in accordance with these plans, farmers and ranchers are discovering that it pays to treat the land according to its needs and use it according to its capabilities. Production per acre rises, and unit production costs are lower. Owners find, too, that crops are higher in quality.

These are things that consumers in general and all businessmen can understand.

Soil Conservation District Week — May 15 to 21 — will give all Texans an opportunity to learn about this program of grass roots democracy that is going on in their midst.

Accurate and Complete RANCH RECORDS Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

SENATOR DUDLEY J. LeBLANC

HADACOL sales or shipments have reached the amazing total of 5,000,000 bottles since January 1, more of any one tonic than has ever been sold in so small an area in so short a time.

Senator Dudley J. LeBlanc, Founder and President of The LeBlanc Corporation, Lafayette, Louisiana, makers of HADACOL, said the sales and shipments would have been far greater if his company could have obtained enough material to meet the demands.

"We have been several hundred thousand bottles behind in shipments since January 1," said Senator LeBlanc. "It looks like we just cannot catch up because every time we increase production the demand increases."

Senator LeBlanc credited the South's heaviest newspaper schedule with much of the success of HADACOL.

OZONA, TEXAS

After a three weeks visit in the home of her parents, Mr. and Mrs. Ralph Watson, Mrs. Henry Carden returned to Fort Riley, Kansas, this week. She was accompanied by her daughter, Wanda Carden, and her mother, Mrs. Watson. Wanda, a member of the recent Junior High graduating class in Ozona, will spend the summer in Fort Riley with her parents, Lt. Col. and Mrs. Henry Carden. Mrs. Watson plans to return to Ozona next week.

R. E. (Peppy) Blount, state representative of Big Spring and former football star at the University of Texas, will be the principal speaker at the Ozona Lions Club Ladies Night banquet and installation of officers Saturday night at the Methodist church social hall.

Mr. and Mrs. L. J. Epperson have moved from Ozona and are enjoying a vacation trip. They plan to move to Big Lake upon completion of their holiday. Mr. Epperson is with the Humble Oil & Refining Co.

Mr. and Mrs. T. J. Bailey will have as guests this week-end Dr. and Mrs. Robert Hensley of Lawrenceburg, Ky. Hensley was stationed at Camp Barkley, Abilene, during the war, in the Army Dental Corps.

The Brock Jones have purchased the J. L. Ratliff house on Avenue J in west Ozona. The home was occupied until recently by Mr. and Mrs. L. J. Epperson, who have moved to Big Lake.

From where I sit... by Joe Marsh

Why "Moose" Changed His Mind

Last week, parents were calling Moose Jackson on the phone—and kids were hooting at him in the streets. All because Moose fenced in his field near the depot, where the kids like to play ball.

Moose got sore the way folks acted—refused to budge. Then Doc Sherman, who likes to play center-field himself sometimes, decided to "use a little psychology."

Over a friendly glass of beer at Andy's Garden Tavern, Doc says, "Sorry this came up, Moose. We were thinking of asking you to umpire—what with your professional

experience and all." (Moose used to play a little semi-pro ball.)

That did it! Next day Moose put up a stile over his fence. In return, the kids promised not to cause any damage. From where I sit, when you try to understand the other fellow's point of view—like his personal preference for beer or coffee—and then take into consideration the will of the majority, why, things seem to go better all around.
