Ozona Methodists Open Evangelistic Mission Sunday

Rev. Lennon Hester of Dalhart to Preach Week's Series

The Rev. Lennon Hester, pastor of the Central Methodist Church at Dalhart, will preach for the local Methodist congregation in a week-long series of special services marking the United Texas Methodist Evangelistic Mission, beginning Sunday, October 7, and closing on Friday night, October 12.

Mr. Hester's first sermon will be at 11 o'clock a.m. on Sunday. A group of visiting workers will meet for instruction and activity at 3 o'clock p.m. the same day. At 7 p.m., the entire membership will observe the regular onces-a-month Covered Dish Supper and will see a religious motion picture in color, called "Fire on the Earth."

The senior young people will have their meeting at 8 o'clock p.m. Another special event of the day will be a general assembly of the entire church school at 9:45 a.m. The regular class sessions will follow.

The schedule for the rest of the week, Monday through Friday lists a supper at the church for the visiting workers, followed by a period of instruction and visiting, and a preaching service in the sanctuary for everyone at 7:30 o'clock.

On Sunday, October 14, a Mass Rally for all ages will be held in San Angelo. A number of local Methodists are expected to attend, according to J. Troy Hickman, the pastor of the Ozona Methodist Church.

The Committees in charge of the mission include the Steering Committee, with the Pastor, Scott Peters, Bright Baggett, Mrs. H. B. Tandy, Jess Odum, Mrs. James Baggett, Mrs. Ted White, Arthur Kyle, Brock Jones and Ted White. The Finance Committee for the Mission includes Tom Harris and Alvin Harrell. Ushers for the week-night preaching services will be furnished by Bascomb Cox, Brock Jones and Bill Cooper.

A list of prospective members is being compiled by special workers in the W.S.C.S. This group also will serve the weeknight suppers for the teams of visiting workers. The Attendance Committee includes Mrs. Paul Perner, Mrs. Scott Peters and Mrs. E. B. Ingham, Sr.

Helen Walker Awarded Music Scholarship At San Marcos College

SAN MARCOS — Helen Walker, freshman student from Grand Falls, was awarded the Alpha Music Society's scholarship at Southwest Texas State Teachers College.

Helen, whose major instrument is piano, was awarded the scholarship after competitive auditions held by the music society. Beside the piano she also plays flute in the college band and orchestra. Helen was selected for membership in the A Capella Choir.

While attending Ozona High School, Helen played flute in the band and last spring was selected to play in the All-State Band at the Texas Music Educators Annual Convention.

South Elementary PTA Mexican Supper Oct. 11

The South Elementary P. T. A. will serve a Mexican supper at the South Elementary school next Thursday, October 11, starting at 5 o'clock.

Tables will be available for serving supper at the school or any of the dishes will be prepared to be taken home.

Proceeds from the supper will go into a fund to buy fruit juices and milk to be served to children in the lower grades of the South Elementary school.

New Officers Named For Girl Scout Board; Training School Oct. 9

Mrs. C. O. Walker was named president of the Ozona Girl Scout Board at the annual meeting of the board this week. She succeeds Mrs. Jake Young. Mrs. Richard Flowers was chosen secretary-treasurer, and Mrs. Arthur Phillips, training chairman.

Ozona has two district officers in the Area Council, Sid Millsbaugh, Area Council treasurer, and Richard Flowers, first vice president.

Local Girl Scout committees are as follows:

Finance: Mrs. Joe Tom Davidson, chairman, Mrs. Eddie Bower, Mrs. P. L. Childress and Mrs. Bill Childress.

Publicity: Mrs. Martin Harvick, chairman, Mrs. George Bunker, Mrs. Clay Adams.

Building: Sidney Millsbaugh, B. B. Ingham, Jr., Dempster Jones, George Bunker, Richard Flowers, P. L. Childress and James Baggett.

Miss Genevieve Stanberry, Area Director of Girl Scouts, will be in Ozona Tuesday, October 9, to conduct an organization meeting and training school for Girl Scout and Brownie leaders, troop committee members and interested parents.

Miss Stanberry will meet with those interested in the Brownies from 9:30 to 11:30 a.m. She will meet from 1:30 to 3:30 with Girl Scout leaders and those interested in Girl Scout work, and both Brownie and Girl Scout leaders will meet in a joint session at 4 p.m.

The Frontier Area Board meeting will be held in Sonora at the Sonora Scout house on October 7 at 3 p.m. All board members, officers, troop leaders or troop committee members are invited to attend.

More Pay Logged In Second Well In Elkhorn Field

Conoco 3-A Shannon To Continue Tests In Ellenburger

Continental No. 3-A J. M. Shannon estate second well in the Elkhorn (Ellenburger) field of northern Crockett county, Friday was preparing to test again after logging more pay in the Ellenburger. Gas surfaced in five minutes at the rate of 860,000 cubic feet daily and oil in 35 minutes on the two-hour and five-minute drillstem test from 7,300 to 7,350 feet. The project flowed 56 barrels of 35.5 gravity pipeline oil in 1 1/2 hours.

The shake was 1 1/8 per cent basic sediment and drilling water. Open flowing pressure was 1,495 pounds, shut in bottomhole pressure was 3,080 pounds. Hole was being preparatory to drillstem testing from 7,350 to 7,400 feet, the total depth.

Earlier No. 3-A Shannon estate flowed 72 barrels of 39.4 gravity oil the first hour and 28 barrels the last 30 minutes of a 101-minute drillstem test from 7,249 to 7,300 feet. A one-hour and 55-minute drillstem test from 7,174 to 7,225 feet logged a flow of 60 barrels of oil the first hour and 45 barrels the next 45 minutes.

No. 3-A Shannon estate is in the C SE NE 22-UV-GC&SF survey, 5 1/2-mile northeast of the same operator's No. 1-A Shannon estate, the discovery.

One-half mile west and slightly south of the Elkhorn discovery, Continental No. 7-A J. M. Shannon will be 2,003 feet from south, 690 feet from west line of section 22-UV-GC&SF survey. Permit is for a slated 7,600-foot rotary test.

In the Elkhorn field, Continental No. 5-A Shannon was drilling at 2,277 feet in lime; Continental No. 4-A Shannon, bottomed at 668 feet in lime, set 10 1/2-inch casing at 660 feet.

Rio Grande Coop Gets Grant For Pecos Area Line

320 Miles of REA Line To Serve 4-County Area to West

The Rio Grande Electric Cooperative, Inc., with headquarters in Brackettville, Texas, has final approval for funds to construct the rural distribution lines in parts of Crockett, Terrell, Pecos and Brewster counties. The lines to be constructed will serve those people in these counties who have signed the required five year minimum guarantee applications.

There will be approximately 320 miles of line constructed to serve approximately 140 meters. Thomas J. Hurd, manager of the cooperative, says this is the least populated area to be served so far, in the rural electrification program.

In discussing the plans for the actual construction of the lines, Mr. Hurd said that engineering requirements on the project have already started. Preliminary plans and specifications have been completed; contracts necessary for the purchase of construction materials are in the process of being prepared. Actual staking of the lines should start sometime during the month of November. Arrangements have been made with the West Texas Utility Company whereby the Cooperative can purchase power requirements through mutual sub-station arrangements at the old "Pat Lee" station located on the West Texas Utility Company's line southeast of Sheffield.

Approximately forty carloads of poles will be required in the construction of the 320 miles of line. The project will require approximately twelve carloads (600,000) of aluminum wire to be handled during the project.

Barring any unforeseen delay, which could arise due to the present unsettled world conditions, actual construction should start sometime during the latter part of the first quarter of 1952, Mr. Hurd said. It is estimated that all lines should be completed and energized around the middle of 1952.

Control of Oil Fire To Be Demonstrated At Firemen's School

A demonstration in methods of fighting oil fires, to which the public is invited, will be staged at the south edge of Ozona next Monday night, October 8, in connection with the Firemen's Training School being conducted here by "Chief" E. W. Parker, field man for the Engineering Extension Service Firemen's School of A&M College.

A pit is to be made on the south side of Highway 163 across from the Highway Department barns. Oil will be ignited in the pit and various methods of extinguishing such blazes, including water, fog and foam extinguishers will be demonstrated.

Members of the Ozona Volunteer Fire Department and other interested persons are attending a five - weeks firemen's training school, being held each Monday night under the direction of Chief Parker. Similar schools are being held in four other area towns by Chief Parker.

Ozona Youths to Attend San Angelo Rally Saturday Night

A group of local Methodist young people plan to attend a district rally for youth in San Angelo at 6:30 o'clock, Saturday night, October 6, according to Mrs. James Baggett, Superintendent of the Youth Division.

More than 200 young people from points in the San Angelo region will assemble to hear the speaker, Rev. Lennon Hester, explain the meaning of the United Evangelistic Mission. Transportation will be provided for all who care to go, and a number of parents will also be in the party, said Rev. J. Troy Hickman, pastor of the Ozona Methodist Church.

Communist Influence In Washington Lost Us China, Marshall Says

Advance of communism both abroad and within our own country is a matter of very serious concern to Americans declared Dr. J. W. (Bill) Marshall, president of Wayland College of Plainview, who is doing the preaching during a week-long revival now in progress at the First Baptist Church here.

Dr. Marshall recently returned from a trip to Formosa where he had an interview with Chiang Kaisek, leader of the China Nationalist forces now in exile on Formosa. America had a half billion friends in China who became our enemies because Communist influences in Washington swayed our leaders to a policy that fitted the Communist pattern, Dr. Marshall declared.

Communism versus Christianity is the theme being stressed in Dr. Marshall's talks at morning and evening services which will continue through Sunday at the Baptist church.

Lions Trim Angelo Kittens 26-6; Invade Llano Friday Night

Coach Larry Wilkins' 1951 Ozona High School Lions racked up their first victory of the season here last Friday night with a decisive 26-6 win over the San Angelo Kittens. The Lions showed new life in all phases of play from their performances in the season's first two starts.

The Lions' first tally came in the first quarter when they recovered a Kitten fumble on the 5 and sent Billy West through right tackle for the marker. Both teams were hounded by fumbles and the Lions by offside penalties through the balance of the first half and the score still stood 6-0 at the half.

In the third quarter, Virgil Machado broke through for a 30-yard dash and the second touchdown. DelHoyas converted to put the score 13-0. In the final period, Machado took a hand-off from Bailey and darted 7 yards for another marker. The try for point failed and the score was 19-0. Later in the same period, Tom Piner went 10 yards for the final Ozona touchdown. Machado kicked from placement for the extra point to bring the score to 26-0.

The Kittens' lone tally came in the final minutes when C. Jones skirted the end and dashed 60 yards for a touchdown. A line plunge for the extra point failed.

The Lions led in first downs 13 to 5, and gained 213 yards rushing to 117 for the Kittens. Ozona attempted 9 passes, completed 5 for a total of 136 yards. The Kittens passed 8 times, completed 2 for 8 yards. Ozona was penalized a total of 60 yards to 10 against the Kittens.

The Lions go to Llano Friday night for another pre-conference practice game. The next home game will be October 12 against Pecos, the final practice game of the season before the Lions launch their district season against Menard at Menard.

Crockett Wildcat Expects to Drill to Sprayberry Pay

Lion Oil Co. No. 2 Mrs. Maggie Neal of San Angelo, Crockett county wildcat 16 miles southwest of Big Lake, cemented 7-inch casing at 5,044 feet in the Permian, the project was to drill into expected Sprayberry pay with reverse circulating unit using oil for drilling fluid. Location is 660 feet from south and west lines of section 66-BR-TCRR survey.

Continental No. 1 - A Harris, wildcat 5 1/2 miles southwest of the Lula field, cemented 9 1/2-inch casing at 2,879 feet with 100 sacks. In the Lula pool, Continental No. 4 C. T. Harris was preparing to take electric log surveys after recovering 350 feet of drilling mud on a three - hour drillstem test from 8,578 to 8,700 feet.

In the Elkhorn Ellenburger field, Continental No. 3-A Shannon was making hole at 7,500 feet in dolomite, Continental No. 4-A Shannon at 1,800 feet in lime,

75-Plane Flight Ozona To Welcome Sunday Morning

Lions Club to Serve Coffee at Airport For Air Tourists

Ozona Lions Club will welcome an expected flight of 75 airplanes at Ozona airport next Sunday morning when the Third Annual Texas Air Tour will make a scheduled stop here.

Lions Club members will be ready for the flyers with hot coffee and doughnuts and a welcoming delegation. Dick Henderson is in charge of the welcoming committee.

AUSTIN. — More than 75 private airplanes will converge upon Temple on Saturday, October 6, to participate in a civil defense demonstration planned by the National Guard, Red Cross, Boy Scouts and Civil Air patrol squadron of that city.

Beginning at 11:00 a.m., Temple's emergency civil defense plan will be put in operation as the first event scheduled for the gala entertainment program planned for the participants of the Third Annual All Texas Air Tour. Boxes of simulated supplies and medicine will be loaded into the planes as part of the demonstration and will then be flown into thirty-nine other towns during the week-long air tour.

Civil defense organizations at all scheduled stops have been invited to test their emergency plans in a similar manner.

After a barbecued chicken luncheon, the flyers will take off from Temple at 1 p.m. for Brownwood, Kerrville, Uvalde and Eagle Pass, where they will remain overnight before going on the next day to Ozona, Monahans, Midland and San Angelo. The tour will leave San Angelo at 9:00 a.m. Monday, October 8, for Sweetwater, Crosbyton, Lubbock, Littlefield and Plainview.

Stops will be made on Tuesday, October 9, at Amarillo, Borger, Wellington, Vernon, Olney and Mineral Wells. The next day's flight will be made to Denton, Sherman, Paris, Mt. Pleasant, Jefferson and Beer Field on Caddo Lake.

The flyers will be welcomed on Thursday, October 11, at Marshall, Tyler, Palestine, Huntsville, Bryan and Galveston. Friday, October 12, the tour will go to Bay City, Victoria, Corpus Christi, Harlingen, and Brownsville. McAllen, Falfurrias and Alice have been scheduled as stops on the last day before the tour ends in Laredo.

Style Revue Set For October 16 By Woman's Forum

Variety Entertainment Program Planned in Connection

Arrangements have been completed for the second annual pre-holiday Style Revue and variety entertainment program to be staged here by the Ozona Woman's Forum Tuesday evening, October 16, it was announced this week by the Forum president, Mrs. N. D. Blackstone.

The Revue will be on the stage of the High School Auditorium, starting at 7:30 p.m. Admission prices will be \$1.20 for adults and 75 cents for children under 12 years of age.

Styles will be furnished for the show by the Maurice Shop, Martha's Kiddie Shop and S & Q Clothiers of San Angelo and the Ozona Dress Shop, The Ratliff Store and Joseph's Department Store of Ozona.

Special entertainment acts are to be provided in addition to the style show. These will consist of numbers by a string band, special solos, a tap dance by Mrs. Beecher Montgomery and a juggling act by Cecilia Ann Cooke, may be added later.

Young Women Given Chance for Direct Commissions in WAF

Fourteenth Air Force's WAF Screening Board will be in San Angelo, Texas, on September 24-25, 1951 to interview young women seeking direct commissions in the WAF (Women in the Air Force).

The three-member board headed by Lieut. Colonel Thomas E. Whitson will interview young women between the ages of 24 and 32, possessing a college degree, and having at least three years business or professional experience, preferably in a supervisory capacity.

Interviews, to be held in the Cactus Hotel, may lead to direct commissions as either a second lieutenant or first lieutenant. Applicants accepted for commission will receive an eight-week indoctrination course at Lackland Air Force Base, Texas, before receiving an assignment as either an administrative officer or WAF squadron officer.

THE AMERICAN WAY

Not That Hungry

Patrol to Keep File of Warnings to Drivers; You May Get Too Many

AUSTIN — Remember that last Highway Patrolman who stopped you for a traffic violation and warned you but didn't write you a ticket because you "talked him out of it?" Well, don't be so sure that you got off scott free.

W. J. Elliot, Chief of the Texas Highway Patrol, announced today in Austin that every time one of his men stops a motorist and lets him off with a warning the officer makes out a warning ticket which contains the operator's name and address, his driver's li-

cence number, the vehicle type and registration, the date, location and nature of the violation. The motorist doesn't get a copy of this ticket, Chief Elliot says, but a copy of it is forwarded to the headquarters of the Texas Department of Public Safety where it becomes a part of his permanent driving record.

And, here's the hitch — too many of those warnings, just like too many arrests or traffic accidents will bring the motorist up on the carpet to see whether his driving privileges should be revoked.

The procedure was placed in effect on September 1st and according to Elliot the best way to avoid having your record catch up with you is to refrain from accidents, from getting tickets, or getting warnings.

"Safe, sane and courteous driving that comes through observance of the traffic laws is the way to avoid this unpleasantness," says the chief.

Haskell Leath Is Named Vice President Sul Ross Senior Class

Claude Haskell Leath, son of Mr. and Mrs. Clyde Leath of Ozona was elected vice president of the Senior Class at Sul Ross State Col-

lege in class elections held last week. Other Senior class officers at Sul Ross are Larry Bridges, Kermit, president; Mary Nell Hise, Sanderson, secretary - treasurer; Jack Skiles, Langtry, reporter; and C. A. Slater, Monahans, and Jo Dylla, San Antonio, Student Council representatives.

Back Owens, son of Mr. and Mrs. Bode Owens of Sul Ross, was chosen by his classmates president of the Junior Class at Sul Ross. Jimmy and Nat Bond, sons of Mr. and Mrs. Madden Bond of Ozona, are other Ozona students attending Sul Ross.

Capitalists at play!

-- the American Way!

Capitalists?

Why, yes. Fishermen and fiddlers, bridge players and ball players... all kinds of Americans, in fact, are Capitalists... because most Americans are owners of the electric light and power companies!

It's like this: several million people— from every walk of life—are direct owners of these companies' securities. And some 75,000,000 are indirect owners—through

their life insurance and savings bank accounts! You see, when banks and insurance companies accept your money, they put it into wisely. That's why so much of it goes into business-managed electric companies like the West Texas Utilities Company.

It's fair and fitting, isn't it, that the companies that serve nearly everybody are owned by nearly everybody?

Fads and Fashions

By Jane Adams

By Jane Adams

What can we say about the new fall clothes when this weather keeps them at home? (If they do venture out you're melting by sixth period, miserable by seventh rush home when the bell rings and leap into shorts.

There are so many new things this year made to make teenage girls look beautiful, smell delicious and feel wonderfully well-groomed. A few of them are: The less expensive copies of the flat little shells that are made by the makers of ballet shoes for professionals and are so comfortable. . . the tiny bottles of famous per- fumes that are 'specially — and priced to allowances. . . "Seventeen's" "Well Dressed Girl" issue. . . indelible lipstick that doesn't take hours to apply and really stays on.

Our one entrant in the wool contest left for Kerrville this afternoon. She's entering a gray flannel coat trimmed in poodle cloth, poodle-y enough to be combed and brushed. (Good luck, Jeannene! She's promised to call us if she wins.)

What If?

Sellers Laxson and Bill West were 18?

Bobby Thomas passed journal- ism?

The boys don't win the game Friday?

Marion and Mervin do meet?

Shirley Kost lost her new swing?

They closed all highways to Villa Acuna?

The boys didn't have to stay in training?

The football boys' water bot- tles were filled with "711"?

We had snooker lessons in school? Whew, what grades!

We won the district?

Patricia Ward should move, what would Allen do?

SPORTS

Once Over Lightly

By Wayne Kuykendall

WE WON, BY GOLLY, WE WON!

By Wayne Kuykendall

The Lions proved they deserved to wear the purple and gold by rolling over the San Angelo Kittens to emerge with a 26-6 triumph for the first win of the season.

339 yards were gained rushing and passing and 12 first downs were made.

The Lion hung up their first 6 points when Billy West, Lion fullback, smashed through the line and went over for the score. Virgil Machado, powerful halfback, added another six to that in the same period when an end around play found the ball on the other side of the goal-line. Tom Piner, captain and halfback, was not to be left out of the scoring department. He scooped up 20 yards to add another 6 points. The Lions' final tally came when Virgil, behind good blocking, paved the way for 30 yards, and another tally was rung up.

Allen Haire and Bill Maness were outstanding on defense. Oleo De Hoyas kicked 2 out of 4 extra points.

The Kittens' score came in the last period when Charles Jones took a beautiful 60 yard stroll.

oOo

WATCH THAT SPEEDOMETER!

Stay out of the hearse, put safety first!

We have all heard and still hear a lot about safety first. Maybe we have heard it so much we have come just to accept and forget. Every day we hear and really don't follow it. Of course, it's fun to speed and there are few motorists especially among the young set who don't find pleasure in "suck- ing" somebody under. Maybe you aren't the "show-off type" and just like to blow cobwebs out when you're out on the highway, but nevertheless, risk is risk.

All of us should learn to keep our feet out of the carburetor and our eyes on the road.

1951 TAXES

Payable Beginning Oct. 1st

Your 1951 county, state and school taxes become due and payable on and after October 1.

The law specifies that tax bills may be paid on and after October 1. Therefore payment of taxes can not be accepted BEFORE October 1.

Except for school taxes, the same discount schedule for prompt payment as in previous years will be in effect this year. The discount will not be allowed on school taxes, but on county and state portions of the total tax bill, a discount of 3 per cent will be allowed in October, 2 per cent in November and 1 per cent in December.

If you mail in your tax remittance, deduct the amount of allowable discount, taking only the county and state portion of your taxes for computing the deduction. No discount may be taken from your school tax or poll tax.

MUMS FOR SALE!
By Billie Chandler
If anyone say a figure dashing through the streets Friday afternoon, no doubt that it was a junior selling mums for the football game that night. The sale was very successful. However, we will have to do better than that if we intend to feed the seniors.
By the way, we'll be selling mums at the next home game. And we want everyone to buy one. They are very pretty and the price is only a dollar.
Give to a worthy cause. Buy a mum from the juniors!

Player of the Week!
By Wayne Kuykendall

Virgil Machado has been chosen "Player of the Week" and a wise choice it was. Virgil has been on the squad for three years and during that time he has seen plenty of action. Virgil in last week's game led the Lions to victory by running 92 yards during the whole game. Virgil carried the ball over twice and was outstanding on defense.
Virgil is 5' 8" and weighs about 138 pounds and is a senior. Much will be expected from the little halfback during the '31 season.

From the Editor's Box -

Have you seen it yet? Yes, we mean the sign hanging downstairs next to Mr. Yager's office. It's really a "loo-loo."
Which turtle are you like, or have you classed yourself yet? Do you stay in your own little shell, or do you "come out a little and circulate with the rest of the clan."
If you have a spare minute, why not class yourself? It might help your social relations!

Miss Lillian Schneemann Becomes Bride Of Clyde Bennette Sikes In Saturday Ceremony

Miss Lillian Schneemann, daughter of Mr. and Mrs. Max Schneemann of Ozona, became the bride Saturday evening of Clyde Bennette Sikes, Jr., of Childress. The wedding took place in the home of the bride's parents at 8 o'clock. The Rev. Troy Hickman of the Ozona Methodist Church officiated at the double-ring ceremony.

The bride was given in marriage by her father. She wore a royal blue wool suit designed by Fred A. Block. To complete her ensemble she chose pink for her blouse, hat and gloves, and wore black suede shoes. Her jewelry was a diamond bar pin of her mother's and a diamond lavalier belonging to her aunt. Her bouquet was a single white orchid carried on a prayer book which her mother carried at her own wedding.

The bride was attended by her sister, Mrs. Miller Robison. She wore a brown wool Eisenberg suit with tangerine accessories, and carried an arm bouquet of bronze mums.

Best man was father of the bridegroom, Clyde Bennette Sikes, Sr.

Prior to the ceremony, Mrs. Bode Owens of Barnhart played piano selections and accompanied Miss Kay Kirby, who sang "Because." Miss Susie Schneemann, sister of the bride, played the wedding march and during the ceremony "Liebestraum." Vows were given before an arch entwined with greenery and white carnations. It was flanked by tall baskets of white carnations, gladioli, stock and stephanotis.

A reception was held in the home immediately after the ceremony. Mrs. Boyd Cox of Rankin and Mrs. Harry Perner of Mexico, both aunts of the bride, presided at the cake table and coffee service. The bride's table was laid

with a white Italian cutwork cloth, and was centered with an all-white arrangement of stephanotis, gladioli and carnations, with white tapers in silver candelabra. The three-tiered wedding cake was encircled with white flowers and fern.

After the reception Mr. and Mrs. Sikes left on a short wedding trip.

The bride was graduated from Ozona High School and Stephens College, Columbia, Mo. The bridegroom is a graduate of Childress High School. Both attended Texas Christian University. After the bridegroom's training in the Air Force, the couple plan to live in Childress.

Out-of-town guests included the bridegroom's parents, Mr. and Mrs. C. B. Sikes, Sr., of Childress; his grandparents, Mr. and Mrs. D. A. Young of San Antonio; and uncle and aunt, Mr. and Mrs. Gus Nelson of San Antonio; his sister and brother-in-law, Mr. and Mrs. Dick Halliday of Garland; and their daughter Miss Elizabeth Ann Halliday and Miss La Rue Tolison of Pueblo, Colorado.

Others were Mr. and Mrs. John Schriever, Mr. and Mrs. John Schriever, Jr., and Mrs. Ad Neal San Angelo; Mr. and Mrs. Gus Zulkey, Mr. and Mrs. Lee Klattenhoff and Mr. and Mrs. J. W. Klattenhoff, Miles, Mr. and Mrs. Boyd Cox, Rankin; Mrs. Harry Perner; Mr. and Mrs. H. C. Hinde and Lucy Ann, Barnhart; Mr. and Mrs. Joe Strauss, Big Lake.

Woman's Society in Business Meeting

Members of the Woman's Society of Christian Service of the Methodist Church met Wednesday morning at the church for a business session, the Willing Work-

ers acting as hostesses for coffee. The devotional, "Live a Day at a Time," was given by Mrs. Paul Perner. Mrs. Joe Pierce, Jr., sang a solo, "Just for Today."

Reports were given by all committee chairmen. The Spiritual Life Chairman recommended that all Circles organize a prayer group to meet 15 minutes before regular meeting time of Circles.

The Circles will meet Wednesday Oct. 10 at 9 o'clock in Circle groups for the study, "The Americas." The Willing Workers will meet in the home of Mrs. H. B. Tandy with Mrs. Stephen Perner as study leader; the Sunshine Circle with Mrs. Dempster Jones, Mrs. D. E. Pettit as study leader; and the Jenny King Circle with Mrs. Joe Pierce, Jr., Mrs. L. B. Cox, Jr., as study leader.

The Society voted to sponsor the organization of a "Woman's Guild" Sunday afternoon, October 21 at the church.

Those present were Mmes. H. B. Tandy, Bill Friend, Brock Jones Tom Harris, L. D. Kirby, R. A.

It takes power like this

to match beauty like this!

When so good-looking a car is also endowed with such a sparkling personality...that's news!
Car personality, of course, begins with power plant—and that's where Packard chalks up another major "exclusive" with its new Packard Thunderbolt Engines. They bring you:

- 1 Peak efficiency**—because they're America's highest-compression engines. Incredibly smooth, brilliantly responsive, lastingly thrifty.
- 2 Service-free simplicity**—because they bring you a streamlined new Packard design with up to 25% fewer working parts than in engines of comparable power.
- 3 Unmatched durability**—because they're precision-built by the Company with the broadest range of "high-performance" power-building experience of any single automobile manufacturer. Countless Packard engines have rolled up individual records of over half a million miles.

Teamed with Packard's exclusive *Ultramatic Drive*, these great Packard Thunderbolt Engines give you the world's most advanced concept of traffic and highway performance.
Come in—sample it soon! Once you do, you'll be convinced that anything short of a Packard is a "second-best" car!

It's more than a car...it's a **PACKARD**

Ozona Called Least 'Promotion Minded' by Oklahoma Columnist

"Touring Texas Trails," by "The Rambling Longhorn," a column feature in "The Farmer-Stockman," published at Oklahoma City, has this to say about Ozona and Crockett County:

"Ozona — a name for a promoter to conure with — is the least promotion-minded town I know. Concerned only with its own civic welfare, it makes no bid for 'tourist' business, and dude-ranches are non-existent.

"Crockett county laid out its own trailways with corrals and water at convenient intervals, walked its sheep and cattle to the nearest railroad in the pioneer way. Trucks and highways made the trailways obsolete, and no rancher today walks his stock further than the loading chute on his own range."

The Longhorn might have added that Ozona gets more publicity accidentally than most towns who employ expensive Chamber of Commerce secretaries do intentionally.

Miss Marilyn Hubbard To Wed Frank C. Ashby Of Midland Oct. 20

Mr. and Mrs. Cecil Bryan Hubbard of Ozona announce the engagement and approaching marriage of their daughter, Frances Marilyn, to Frank Charles Ashby, Jr., son of Mr. and Mrs. Frank C. Ashby of Midland.

Miss Hubbard is a graduate of Ozona High School and is now a sophomore in the University of Texas at Austin where she is a member of Alpha Gamma Delta sorority.

Mr. Ashby is a graduate of Schreiner Institute of Kerrville and is now attending the University of Texas.

The wedding date has been set for October 20.

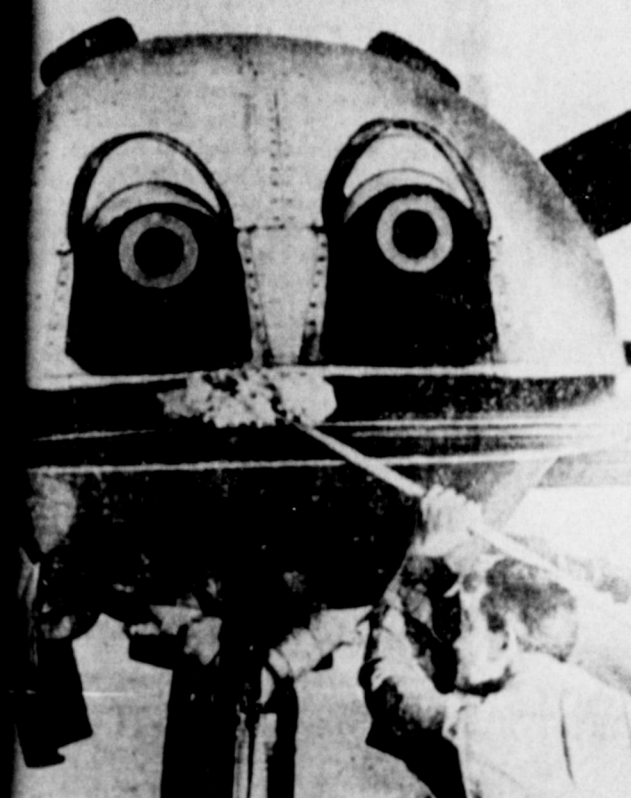

Phone News to the Stockman

Boochie Coates, son of Mr. and Mrs. Chas. Coates of Karval, Colo., former Ozona residents, was injured last week when the pickup truck he was driving overturned near Hugo, Colo. Dock Lee, another former Ozonan, now ranching in Colorado, was first on the scene and managed to extricate Coates from under the overturned vehicle and took him to a hospital in Denver, where he was reported doing well this week.

"Submerga-Pump" The Latest in Water Pumping Equipment for the Home and Farm

THE PUMP YOU DON'T SEE CAN'T HEAR AND NEVER LUBRICATES. PUMP AND MOTOR COMPLETELY SUBMERGED UNDER THE WATER IN THE WELL. NO PRIMING - LUBRICATION FREE. NO PIT OR PUMP HOUSE REQUIRED. ONLY ONE PIPE FROM PUMP TO TANK NEEDED. CAN BE INSTALLED QUICKLY AND EASILY. CAPACITIES TO 300 GAL. PER HOUR. PRESSURES TO 500 LBS. PUMPING DEPTHS TO 1200 FT.

Tried, Tested and Proven FOR OVER 30 YEARS

Identical in design to the Red Jacket-Reda "Submerga-Pump" have been used successfully in the oil fields for over 30 years. Billions of barrels of oil, water and brine have been pumped from depths down to 18,000 feet under varying all field conditions. It is tribute to the quality construction and reliability of this new type pumping equipment.

Almost Constant and Economy

This is the only type of submersible pump that can be installed in wells as small as 4". Absolutely silent operation. Pressure tank and control can be installed anywhere. Costs less to operate because of greater pumping efficiency.

See and see this new submerging water pump

IS YOUR CAR? Ready for Winter?

Your car, too, needs a "fur coat" so to speak, for the cold winter months ahead.

Old oils and greases tend to thicken in cold weather and your car can not perform at highest efficiency. It's time to drain your crankcase, flush out the cooling system, check it for leaks - anti-freeze, you know - put fresh grease in chassis, transmission and differential, clean motors, check spark plugs, wiring and batteries, and otherwise give the old bus a general winterizing treatment.

For the best in oils, greases, you needn't look farther than your Cosden station. Drive in today.

LET'S SUPPORT THAT FOOTBALL TEAM Every Friday and All Week

How does it feel to drive a Buick?

If you think perhaps we're hinting that it would be a good idea for you to try out a Buick - mister, you've never been so right.

It does a lot of things for you and to you that will be something new in your driving experience.

Take the way it feels beneath your hands on the wheel - eager and willing and anxious to please.

It spurts when you want to spurt - rolls with effortless momentum when you want to cruise.

When you take a curve, it snugs down to the road with sure-footed confidence.

After you make a turn, the front wheels instinctively seek a straight course. This car seems to guide itself.

When you come to a bumpy stretch, each separate wheel on its own coil spring steps you smoothly along on a level keel.

Then there's power that surges into action at a nudge of your toe - sends your speedometer needle soaring up to any speed the law allows, in a matter of seconds.

And there is also thrift - the gas-saving thrift that comes from a high-compression valve-in-head Fireball Engine found in no other car.

To top all this, there is Dynaflo Drive* - that feeds power in a steady, falterless flow - lets you ride relaxed

in busy traffic or on a day-long cross-country drive.

We're willing to stand on the statement that no other car rides, performs or drives like a Buick.

But why take our word for it? Come in - take over one of these lively lovelies - and see for yourself.

- NO OTHER CAR PROVIDES ALL THESE:
- DYNAFLO DRIVE* - FIREBALL ENGINE
 - WHEEL COIL SPRINGING - DUAL VENTILATION
 - PUSH-BAR FRONTEND - TORQUE-TUBE DRIVE
 - WHITE-GLOW INSTRUMENTS - DREAMLINE STYLING
 - BODY BY FISHER
- WHEN BETTER AUTOMOBILES ARE BUILT NONE WILL BEAT THIS

Here and There

By J. Troy Hickman
(Continued From Page One)

he is going too fast, there is trouble. Drowsy drivers and drivers that have been drinking figure in many highway accidents, but for the most part the two things that matter most, in town and on the highway, are speed and care.

What do you say, young people? Will you help us solve this problem and make Ozona a safer place to live? I believe you will.

One Conference, Five Intersectional Games On Southwest Schedule

The initial Southwest Conference game of the 1951 season — plus five red-hot intersectional football games — will be seen and heard this week over Humble Oil & Refining Company broadcasts and telecasts. More than 50 radio stations and six television stations will be carrying colorful play-by-play accounts of these tilts to Humble network listeners throughout most of the state.

The contest between Arkansas and TCU takes the spotlight as the first game in the 1951 Southwest Conference championship race. Saturday will also see grid action between Baylor and Tulane, Texas University and North Carolina, Southern Methodist and Missouri, Texas A & M and Oklahoma University, and Rice and Louisiana State.

Veteran Humble announcer Bill Michaels and Eddie Barker will be on hand to describe the Baylor-Tulane clash, direct from the Sugar Bowl in New Orleans, beginning at 1:50 p.m. Saturday on stations KRLD, Dallas; KTRH, Houston; and WOAI, San Antonio.

The Texas Longhorns and the North Carolina Tarheels tangle in Memorial Stadium, Austin, and Charlie Jordan and Dave Smith will broadcast the game at 1:50 p.m. over stations WFAA-WBAP, Dallas - Ft. Worth; KPRC, Houston; KTSN, San Antonio and other smaller stations.

The Cotton Bowl in Dallas will be the scene of action when S.M.U. and Missouri get together. Yes! Yes! will give a play-by-play account while Glenn Brown fills in color at 8:00 p.m. over stations WRR, Dallas; KFJZ, Ft. Worth; and KMAC, San Antonio.

The Aggies from Texas A & M square off against the Oklahoma U. powerhouse in Kyle Field, College Station, with Kern Tipp and Alec Chesser covering the game at 8:00 p.m. over stations KORA Bryan; WFAA-WBAP-570, Dallas - Ft. Worth; KPRC, Houston; WOAI, San Antonio.

Eight p.m. is also the time Humble listeners will hear the kick off of the Conference season as Arkansas and T. C. U. have it out in War Memorial Stadium, Little Rock, Arkansas. Dave Russell and Eddie Hill are scheduled to describe this tilt on stations WFAA-WBAP-570, Dallas-Ft. Worth; KXYZ, Houston; KCOR, San Antonio.

When Rice Institute invades L. S. U. Stadium in Baton Rouge, Louisiana, to take on the L. S. U. Tigers, broadcast time will be 8:05 p.m. with John Ferguson and Bob Walker reporting over stations KTRH, Houston; KRLD, Dallas; KABC, San Antonio.

RED ROAD TAX SNARLS TRAFFIC . . . Heavy freight trucks are stalled at the Helmstedt Marienborn crossing point in Berlin, tied up as a result of a road tax slapped on west German vehicles by the Communist-controlled east Berlin government. City transport officials estimated that the trucks are being held up from 25 to 30 hours because of the latest Soviet zone harassment tactics. Recommendations for dealing with the Soviet tax have been forwarded to the allied high commission by Berlin's three western allied acting commandants.

Miss Lois McDade Bride of William Watson In Church Ceremony Here Saturday Afternoon

Before the candle-lighted altar of the Ozona Methodist Church, Lois McDade of Ozona was married to William Watson of Luling in a single ring ceremony read by the Rev. J. Troy Hickman on Saturday, September 29 at 2 o'clock p.m.

The bride wore a tan fall suit with brown accessories, a corsage of yellow feathered mums, and carried a white bride's Bible. Her matron of honor was her sister, Mrs. James Nabors of Odessa. The groom was attended by Frank Stroud of A&M College, a schoolmate. Present also were the bride's mother, Mrs. Frank Weiss of Ozona, the groom's parents, Mr. and Mrs. William Watson, Sr., of Luling, and the groom's sister.

The couple left immediately af-

ter the ceremony for a wedding trip, after which they will drive to San Francisco, where Mr. Watson will report for duty to his unit of the Transport Command of the U. S. Armed Forces. He is a 1951 graduate of Texas A&M College.

Party Line Users Advised of Trick To Improve Service

A trick which will prevent double ringing of party line telephones and resulting interference with conversations was suggested this week by Robt. Levo, local telephone manager.

If users of party line phone will

pick up the receiver in the silent period of the ringing, the brief interval between the automatic ringing, it will prevent a jingle of other phones on the same line and the resulting confusion, Mr. Levo said. Party line users often complain that all phones on the line ring simultaneously.

"A good rule for a party line user is to wait for two strong rings before answering, and then pick up the receiver between rings," Levo said. This will pre-

vent other phones on the line from ringing.
A gain of 65 new phones in the year ending August 31, plus difficulties in securing trained operators, accounts for slow service telephone users experience at times on the local exchange, the manager said. In addition to the gain in phone users in the year's period mentioned, the increase continues and many new phones have been added since September 1. There are periods each day when two trained operators are unable to handle the calls and give prompt service.
