### CHILDREN, ANOTHER!

one mature and the other a child, stood talking on the porch of the manan, long ago. The elder was Abraham, the younger was called Lot. Lot was Abraham's nephew. Years before, they came to Canaan together. The ranchmen. They had cattle and sheep on the range. The sheep had come when their range was too big to live off the grass and water will grow. Because of this, a trife was growing between them and their shepherds. Here they stood on this hillside. They could see a lot of country. A rich valley with grass and water. But the hills were inhabited also by a race of strange people. They were still higher and dotted here and there with tablelands of grass and springs. Any ranchman who had had the valley, the Abraham said, "Let there be no strife between you and me. If I support you both, let us each go his own way. I will go to the left, I will go to the right." A little while ago, the mouth as he looked up the valley out of clear, unbroken sky.

He looked down at the ground. He was going on within a better nature was struggling itself, but in the selfish instinct won. He was the younger of the two. By the time he should have given up the first choice of the valley because he was weak, he was to the valley below and will take my tents and my men.

Months passed. Abraham lived alone with his flock and flocks high up in the mountains. He had no children. But the shepherds and their flocks were filled with sheep. One day a night as they lay in their skins and looked at the stars, they said, "The heavens are the glory of God and the earth is his handiwork. Let us uttereth speech and wisdom, they prospered, and in soul. Not long until Lot was in the mountains. Without the restraining of Abraham, he made bad. One day a nearby outcrop and his hand made a lot of sheep and took away from his family. Lot went to the hills and told Abraham. The old man gathered his flock and went out on a post. He overtook the outlaws, and got back all that he had. According to the time and place, Abraham had claimed some of himself. But he said, "I will enrich myself at the expense of another's trouble." He went to his hills and Lot to his valley.

Lot was a little nervous about this, so the family moved to the community of Sodom, which was inhabited by a community long they were up to the hills and there were all the troubles and that place. There came a day when they were up to the hills, Abraham and Lot were growing older. But they were still happy and prospered on Page Four)

## Area Firemen To Attend Training School In Ozona

### Marshals, Chiefs from 7 Towns Invited to 5-Day School

Sponsored by the Engineering Extension Division of A & M College, the State Firemen's Training School and the State Firemen and Fire Marshals Association, a five-day training school for fire chiefs and fire marshals in seven towns in this area will be held in Ozona starting next Monday evening. The school will be under the direction of Joe Fogaley, field instructor, and will be held at 7:30 o'clock the evenings of August 20, 22, 24, 27 and 29 in the Ozona fire station. Firemen, chiefs and marshals from Ozona, Sonora, Eldorado, Rankin, Big Lake, Iraan and Sheffield have been invited to attend. Attendance is also open to any person interested in the program of fire prevention and control. Discussions will include development of fire prevention programs, laws and ordinances designed to prevent fire loss, inspection methods and practices, investigations of suspicious fires and some demonstrations of different types of fires and the most frequent causes.

Mr. Fogaley, who was here yesterday for a pre-school conference, gave out some interesting figures on the monetary savings realized by Ozona property owners from establishment of an operating fire department and modern fire fighting facilities. "From the key rate reduction on fire insurance resulting from the town's meeting the requirements of the State Fire Insurance Commission as to fire fighting equipment, water storage and well trained volunteer fire department, with one full-time paid attendant, Ozonans saved \$11,340 in fire insurance premiums in 1950. Mr. Fogaley said. An additional saving of \$7,000 was realized from the town's 25 per cent good fire record credit. The town has had the good record credit since recovering from the penalty resulting from the Methodist Church fire in 1941, which destroyed the good record credit and resulted in a 15 per cent penalty.

## Sheriff's Posse To Fete Football Squad September 4

### Barbecue Supper, Program Planned for 1951 Gridders

After the summer inactivity, the Crockett County Sheriff's Posse will resume regular meetings Tuesday night, September 4, when the group will entertain members of the 1951 Ozona High School football squad, coaches and men of the faculty with a barbecue supper in the high school gymnasium. An ardent supporter of local football, the Posse has already erected a sign with the season's schedule in the downtown park as a reminder to fans to attend and support the Lions. The planned barbecue supper is for the purpose of giving the men a chance to get acquainted with the gridders and their new coach, L. J. Wilkins, and vice versa, and to let the boys know the community is backing them in this year's grid wars.

B. B. Ingham, Jr., Posse president, will preside at the first fall meeting. Arrangements for the feed and evening's program is under the direction of the entertainment committee, headed by Charlie Black as chairman. The Posse last fall staged a parade on the day of the opening game of the Lions' schedule and plans may be worked out for a similar parade for this year's opener against Big Lake here on September 14.

## Iraan Operators to Drill Shallow Wildcat 16 Miles N. of Ozona

Val-Carroll Oil Co. of Iraan No. 1 University, scheduled Crockett wildcat, will drill to 2,000 feet with cable tools.

Location will be 330 feet from north and east lines of northwest quarter of section 21-42 University 16 miles north of Ozona and one mile east and slightly north of Anderson & Starr No. 1 University, wildcat abandoned dry at total depth of 1,555 feet.

Maleco Refineries, Inc and others No. 40 Isabel Vaughn, Vaughn field test, has been finalized for a daily flowing potential of 56.7 barrels of 28.7 gravity oil, no water, with gas-oil ratio of 1,192-1.

Production was through a 7-16-inch choke and open hole between 1,719 feet, top of pay where seven-inch was cemented, and total depth of 1,438 feet. Tubing pressure was 200-90 pounds; casing pressure, 325-100 pounds. The section was treated with 1,500 pounds of acid.

E. L. Rasbury & Sam Henderson No. 1 George Harrell, Crockett county wildcat, has been plugged and abandoned at total depth of 1,170 feet. It is 1,650 feet from north and 330 feet from west lines of section 24-XX.

## Llano Matched Oct. 5 To Fill OHS Grid Slate

### 10-Game Schedule to Open Sept. 14 with Big Lake Here

Last open date in the Ozona High School Lions 1951 football schedule was filled this week when contract was completed for a game on October 5 with Llano High School at Llano. Coach L. J. Wilkins announced this week.

Matching of the game with Llano completes a full 10-game schedule for the Lions, starting September 14 with the opener here against the Big Lake Owls of Reagan High School.

Meanwhile Coach Wilkins is getting things in readiness for the football season, with the first activity set for next Monday night when he will meet with prospective squad in the high school auditorium for a get-acquainted session and to "wise up" the boys on practice plans set for start August 27. It may be letting out a secret, but Coach Wilkins hinted at refreshments for the Monday night meeting.

The 1951 Lion schedule will see five practice games to be followed by five conference tilts. The first conference game will be against Menard in Menard, followed in order by Eldorado here, Junction and Eden there and the finale against Sonora on Lions Field here.

The season's OHS schedule is as follows:

- Sept. 14 — Big Lake (Here)
- Sept. 21 — Iraan (There)
- Sept. 28 — S. A. Kittens (Here)
- Oct. 5 — Llano (There)
- Oct. 12 — Pecos (Here)
- Oct. 19 — Menard (There)
- Oct. 26 — Eldorado (Here)
- Nov. 2 — Junction (There)
- Nov. 9 — Eden (There)
- Nov. 16 — Sonora (Here)

## Two Ozona Students To Receive Degrees At North Texas Aug. 24

DENTON. — Two students from Ozona have made application for the bachelor's degree at North Texas State College.

Commencement exercises will be held at 8 p.m., August 24 in the new men's gymnasium. Dr. Ben H. Wooten of Dallas, chairman of the NTSC Board of Regents, will deliver the address.

George Benjamin Armentrout, son of Mr. and Mrs. Allie Armentrout, has applied for the bachelor of science degree with a major in industrial arts.

Joe Ross Hufstedler, son of Mr. and Mrs. Ross Hufstedler, has made application for the bachelor of business administration degree.

## OPS Field Man Here August 23 To Aid Merchants

### 'Price Clinic' to Help Business Men Interpret Rulings

The Fort Worth OPS has announced a "Price Clinic" for local merchants in Ozona, Thursday, August 23, 1951.

The clinic will begin at 9:00 a.m. in the Courthouse and is intended for all businessmen regardless of their type of business, said Ellis H. Boyd, district OPS director. "We are making every effort to supply the business community with down-to-earth information about the price stabilization program, and the regulations affecting them," Boyd said.

At the same time, Boyd announced several changes in the price regulations which are now in effect.

He stated that the OPS has amended its general manufacturing regulation CPR 22 by excluding from its definition of a manufacturer persons who merely rebuild, recondition, renovate, or renew a used commodity. For example, Boyd said, engine rebuilders are not covered by the regulation.

"Other OPS actions place ceiling prices on lubricants and greases and on asphalt, and asphalt products," he said. "CPR 63 establishes ceiling prices on wholesale sales of lubricating oils, petrolatums, and petroleum products while CPR 66 sets ceiling prices on asphalt and asphalt products."

The OPS official said also that a regulation having more effect on the cost of living has been issued placing the 1951 pack of canned salmon under ceiling prices. The prices stipulated in the regulation are generally lower than under the General Ceiling Price Regulation, he stated.

## 2 Shallow Wildcat Tests Scheduled in Crockett County

Two shallow wildcats were staked in Crockett county Friday. Pure Oil Co. No. 1 E. C. Mitcham, scheduled to drill to 1,500 feet with cable tools, will be located 467 feet from south and west lines of section 8-AB1GC&SF, 17 miles north of Ozona.

It will be 1 1/2 miles north and slightly east of Anderson & Starr No. 1 University, dry hole abandoned at total depth of 1,555 feet; and 2 1/2 miles east and slightly north of C. W. Brown No. 1 University, dry hole abandoned Oct. 20, 1950, at total depth of 1,515 feet.

Three miles north of the No. 1 Mitcham, Terrell Petroleum Co. No. 1 University will drill to 1,999 feet with cable tools. It will be located 330 feet from north and east lines of section 15-42-University, 20 miles north of Ozona. It is on a 123.9 acre lease.

Continental No. 2-A Shannon, Elkhorn field test, at total depth of 1,624 feet in San Andres lime, set 5 1/2-inch casing at 1,623 feet and was drilling plug.

Continental No. 3-A Shannon, Elkhorn field test, was drilling at 1,720 feet in lime.

Continental No. 4 C. T. Harris, Lula pool test, was drilling at 3,237 feet in lime.

Continental No. 1-B Shannon, Crockett county wildcat, swabbed 27 barrels of fluid, including 10 per cent basic sediment and oil and 90 per cent sulphur water through perforations between 7-324-6 feet in the Ellenburger. It is in section 2-GG-JWiley survey, nine miles southwest of Iraan.

Mr. and Mrs. J. B. Miller and children, Michael, Van and Linda, returned last week from a vacation spent at their summer home in Colorado. The Millers had as guests during their vacation stay in Colorado Mr. and Mrs. Wilton Barr and two children, Nina Gayle and Sheila Ray, of Crane, and Mr. and Mrs. M. S. Decker and daughter, Barbara Jean, from Odessa.

TO GRADUATE—Billy L. Hannah, son of Mr. and Mrs. W. N. Hannah of Ozona, will be a candidate for a bachelor of science degree at the 1951 summer commencement exercises at Abilene Christian College Friday evening, August 24, in the college stadium. A secondary education major at ACC Hannah was a letterman on the football team, and track team member of the A Capella chorus, a Club, men's honor organization, and Trojan social club.

## Two Ozona Men Hurt When Car Overturns

Adolfo Rodriguez and his son, Reynaldo Rodriguez, were injured Saturday afternoon when the car in which they were riding, driven by Reynaldo, overturned about five miles east of Ozona on highway 290.

A rain shower which made the pavement slick at the spot was blamed for the accident. Rodriguez lost control of the car as it skidded and the vehicle turned over several times in the bar ditch. Adolfo Rodriguez suffered a dislocated hip and Reynaldo Rodriguez a broken leg. A third occupant of the car, Alcario Vasquez, escaped with only minor bruises.

## Kindergarten For Latin-American Children Added

### New Facility to Be Made Available First Time This Session

Provision for addition of a kindergarten for Latin-American pupils for the 1951-52 school year was made by the school board at its meeting Tuesday night and the new facility will be open with the beginning of the school year, Supt. Lem Bray announced this week.

The kindergarten classes will be held in the white frame building adjacent to the South Elementary School, Mr. Bray said, and necessary equipment is being assembled for the new use. The building was formerly used for visual education purposes of the South Elementary. Work is to start immediately on renovation of the building to meet kindergarten standards.

Parents of Latin-American children must submit a birth certificate to the superintendent of schools on or before September 1, to certify children will be 5 years of age on or before Sept. 1, 1951, to be eligible for the new kindergarten class.

"Ozona is one of the few school systems in the state which incorporates a kindergarten as a part of its school system," Mr. Bray said.

Mrs. L. B. Harris, Jr., wife of the South Elementary principal will teach the new kindergarten group.

Mr. and Mrs. Joe Clayton and children, Joe and Cheryl, and Mr. and Mrs. Joe Pierce, III, and sons, Joe and Willie, will leave this week end on a vacation trip to the north west. The two families will leave separately but plan to meet for a salmon fishing expedition into Canada.

Mr. and Mrs. Jack Wilkins are in New Orleans where Mr. Wilkins is undergoing a medical up.

## School Opening Changed To Avoid Labor Day Holiday

### Late Resignations of Matthews Leaves Two Faculty Vacancies

A change in the official opening day of the 1951-52 school term in Ozona from Monday, September 3, to Tuesday, September 4, was announced this week by Supt. Lem Bray.

The change was decided upon in view of the fact that local merchants have scheduled a double holiday for the Labor Day weekend, business houses closing on Labor Day.

The change does not affect any other part of the school's opening schedule, Mr. Bray said. High school registration will be held on Friday, August 31, as previously announced.

Supt. Bray announced the last minute resignations of Mr. and Mrs. Wayne Matthews, manual training and North Elementary teachers, respectively, received by the superintendent late yesterday. With the exception of these two positions, the faculty is complete.

Supt. Bray will be assisted by the following principals: High School, Blake E. Yager, Jr., Junior High, P. O. Hatley; North Elementary, Glenn P. Hicks; South Elementary, L. B. Harris, Jr. The teaching staff includes:

High School — Mrs. Ken Cody, Mrs. Charles Womack, Mrs. Taylor Deaton, L. J. Wilkins, Mrs. Janie Hull, George Massingill, J. A. Pelto, Mrs. George Massingill, and Corbett Smith.

Junior High — Mrs. Lois Hallmark, Harold Lipford, Mrs. Ted White, Mrs. Dene Strawn Seago, Johnny Clark, Miss Wilda Samuelson, Charles Womack.

North Elementary — Miss Christine Legg, Mrs. J. A. Pelto, Mrs. R. C. Joiner, Mrs. Oma Odum, Miss Marie Williams, Miss Martha James, Mrs. Thad Tabb, Mrs. Ann Cartwright.

South Elementary — Miss Oleta Hughes, Mrs. Lowell Littleton, Mrs. T. J. Bailey, R. C. Joiner, Robert Browning, Mrs. P. O. Hatley, Miss Virginia Grant, Mrs. Robert Browning, Mervin Gilland, Miss Dorothy Franklin.

Kindergarten — Mrs. L. B. Harris, Jr., and Mrs. Lem Bray. Lockett Elementary (Colored School) — Mrs. Connie Loftis.

Corbett Smith, the new band instructor, comes from Norman, Okla. He secured his Master's degree from the University of Oklahoma. (Continued on Last Page)

## Ozona Firemen Attend Junction Convention

Six members of the Ozona Fire Department attended the semi-annual convention of the Hill Country Firemen's Association held in Junction Tuesday. The Ozonans participated in the firemen's contests but had hard luck with their connection and failed to place in the competition.

Firemen attending were Chief Miller Robinson, Association E.T.A.O. Miller Robinson, Assistants Gene Williams and Joe Tom Davidson, Fire Marshal Charles Ratliff and Melvin Semmler.

The next convention of the Firemen's Association will be held in Winters in February. Ozona plans to ask for the August, 1952, convention.

## OHS Gridders Called To Preliminary Meet Monday Night, Aug. 20

Coach L. J. Wilkins, who will succeed Jack Harris as mentor of the 1951 edition of the Ozona High School Lions football team, has called a meeting of all boys interested in coming out for football this fall.

Coach Wilkins asks that all grid hopefuls meet with him at the high school Monday night, August 20, at 8 o'clock. Coach Wilkins would like to meet all of the boys and lay some plans for starting regular practice sessions on August 27.

Pvt. Betty Jane Schwalbe, daughter of Mrs. E. C. Alford of Ozona, who enlisted in the Women's Air Corps at Abilene last month, is stationed at Lackland Air Force Base in San Antonio. After she completes basic training, she expects to be transferred to a secretarial school. Betty Jane's address is Pvt. Betty Jane Schwalbe AA 8400 592, 3742 WAF Tng. Sq. Flt. 157 Lackland AFB, San Antonio.

**Jack Harris, Former Coach, Trains at Marine Base, Longs for Ozona**

A nostalgic note is apparent in a letter received by the Stockman this week from Marine Lieutenant Jack Harris, former Ozona football coach, who is training at the Marine base at Quantico, Va. Ordering The Stockman sent to him at Quantico, the former OHS coach said, "I sure am getting lonesome to hear from Ozona. My address until Dec. 1 will be as on the envelope." Which is 1st Lt. Jack Harris, Junior School, MCEC Box 163, Marine Corps School, Quantico, Va.

"We surely would like to be back there in place of the 'good old South.' We are living in Fredericksburg, Virginia, but it seems that we are really living in 'Yankee Land.'

"I am going to a 20-week Staff and Command school. We go to school from 3-4 each day. The duty is not so bad but of course a civilian like me has a hard time until I get used to this life again. After I finish here, I will probably get some type of leave, and then I will join some unit. If I get any leave I sure plan on coming back to Ozona for a few days to visit our many friends.

"I surely have an empty feeling in my stomach for the coming football season," continued former

coach, now Lieut. Harris. "Boy, I would give anything to be back there for this coming season. I will be looking forward to the Stockman each week for the Lion's games.

"We've been lucky to find such a nice place to live here, but the prices are really too high for most people. We plan to make a trip to New York in about two weeks. We are only 45 miles from D. C. and next week we will visit there and take in the sights.

"Give our kindest regards to all the folks there and pass our address around because a letter from home surely would be welcomed by the Harris family."

**Ozonans Attend Cunningham Family Reunion at Comanche**

Ozona contributed an even dozen to the total of 225 persons who attended the annual Cunningham family reunion at the family reunion grounds 8 miles from Comanche on the Goldthwaite highway held Sunday, August 12.

Ozonans attending included Mr. and Mrs. Earl Cunningham and Leona, Mr. and Mrs. Lee Roy Story and Charlotte Jo, Mr. and Mrs. Lonnie Smith and Danny Earl, and Mr. and Mrs. Bruce Mayfield and Bobby. The family, descendants of Captain and Susan Tate Cunningham, now numbers 780.

Fleet Coates is able to be up and about again after several weeks in a San Antonio hospital.

Mrs. Austin Millsbaugh entertained a number of her friends with a luncheon and bridge at her ranch home Friday.

FOR SALE — House and seventy-two lots in Ozona, Dixie Babb Sierra Blanco, Texas. 19-4c

Mr. and Mrs. C. J. Vanzandt and son, Joe, were here this week for a visit in the home of Mr. and Mrs. Arthur Kyle. Mr. Vanzandt was Crockett County Agricultural Agent ten years ago. The family now lives at Mobeeti, Texas.

Mr. and Mrs. Boyd Clayton are having some refinishing work done on the interior of their home.

Mr. and Mrs. Lowell Littleton left yesterday for a brief vacation trip.

Skunk Extermination Drive Urged to Avoid Spread of Rabies

AUSTIN. — Texas farmers and ranchers in the Red River Valley region and in Southwest and Central Texas have been warned to begin killing skunks — lots of them—before cold weather brings an increase in rabies cases.

The grim warning is contained in an animal morbidity report compiled by the State Department of Health. The idea is to pin point rabies infested areas as warning to people in adjacent areas.

"Livestock owners . . . should have active skunk killing programs especially in the Red River Valley area, when winter approaches and skunks hole up with livestock

in dilapidated barns," the report cautioned.

Current focal points of skunk rabies are, the report indicated in Harris, Matagorda, Fort Bend, and Lavaca counties. Another focus exists in the region of Comal and Hays counties, and in Central Texas in Travis, Bell, Coryell, Lampasas and McLennon counties.

"The trend is eastward in Central Texas," the report said. Titus and Hopkins, an area hit hard last year, continues to have a serious problem, causing health officers to caution livestockmen in the eastern part of the Red River Valley to be especially vigilant against skunk invasions of barns and outhouses.

For July the report shows: 77 dogs, 6 foxes, 6 cats, 4 skunks, 4 calves, 3 pigs, 2 civit cats, and 1 cow were diagnosed as rabid at the state Bureau of Laboratories.

NFIP Sends Epidemic Team, Polio Equipment To Tex. Outbreak Area

AUSTIN.—Two epidemiologists were dispatched to Fort Worth at the requests of local health officials last week to study the polio outbreak in Tarrant county. The National Foundation for Infantile Paralysis flew in its assistant director of research, Dr. Henry Krum of New York, and Dr. Herbert Wenner, assistant of pediatrics, University of Kansas.

Meanwhile valley counties continued to receive large epidemic aid grants from the March of Dimes organization which sent \$42,100 to Texas for local patient care expenses during the week ending August 4th.

Receiving funds, largely for previous years' patients, were Hidalgo county, \$19,000; Cameron, \$7,900; Kennedy and Kleburg, \$8,500; and Jim Wells, \$2,000. Gillespie and Medina, in south-central Texas, received \$1,600 and \$3,100 respectively. The total sent during the year to Texas county chapters, after their own March of Dimes funds were depleted, reached \$283,775.

By August 3rd, rural Sagerton (a community of several hundred near Abilene) had chalked up its seventh case for the year.

On the equipment front, too, National Foundation resources were tapped with three respirators going to Texas hospitals during the week. Ben Tankersley, NFIP northwest Texas representative wired for suction machines and hot packs for the Plainview Clinic where 21 patients were being treated, three in iron lungs.

With Red Cross cooperation, the National Foundation rounded out its service to Texas patients by recruiting six polio nurses, fulfilling its pledge of assistance to polio victims in fighting the epidemic disease.

Corp. Donald Charles Ratliff and Mrs. Ratliff spent a 14-day furlough in Ozona visiting their parents, Mr. and Mrs. D. C. Ratliff and Mr. and Mrs. Doyle Perdue. Corp. Ratliff is stationed at Camp Carson, Colo.

THURSDAY, AUG. 16, 1951

Pvt. Betty Jane Schwalbe, daughter of Mrs. E. C. Afford of Ozona, who enlisted in the Women's Air Corps at Abilene last month, is stationed at Lackland Air Force Base in San Antonio. After she completes basic training, she expects to be transferred to a secretarial school. Betty Jane's address is Pvt. Betty Jane Schwalbe AA 8400 502, 3742 WAF Tng Sq. Flt. 157 Lackland AFB, San Antonio.

### Jack Harris, Former Coach, Trains at Marine Base, Longs for Ozona

A nostalgic note is apparent in a letter received by the Stockman this week from Marine Lieutenant Jack Harris, former Ozona football coach, who is training at the Marine base at Quantico, Va. Ordering The Stockman sent to him at Quantico, the former OHS coach said, "I sure am getting lonesome to hear from Ozona. My address until Dec. 1 will be as on the envelope." Which is 1st Lt. Jack Harris, Junior School, MCEC Box 163, Marine Corps School, Quantico, Va.

"We surely would like to be back there in place of the 'good old South.' We are living in Fredericksburg, Virginia, but it seems that we are really living in 'Yankee Land.'"

"I am going to a 20-week Staff and Command school. We go to school from 8-4 each day. The duty is not so bad but of course a civilian like me has a hard time until I get used to this life again. After I finish here, I will probably get some type of leave, and then I will join some unit. If I get any leave I sure plan on coming back to Ozona for a few days to visit our many friends."

"I surely have an empty feeling in my stomach for the coming football season," continued former

coach, now Lieut. Harris. "Boy, I would give anything to be back there for this coming season. I will be looking forward to the Stockman each week for the Lion's games."

"We've been lucky to find such a nice place to live here, but the prices are really too high for most people. We plan to make a trip to New York in about two weeks. We are only 45 miles from D. C. and next week we will visit there and take in the sights."

"Give our kindest regards to all the folks there and pass our address around because a letter from home surely would be welcomed by the Harris family."

### Ozonans Attend Cunningham Family Reunion at Comanche

Ozona contributed an even dozen to the total of 225 persons who attended the annual Cunningham family reunion at the family reunion grounds 8 miles from Comanche on the Goldthwaite highway held Sunday, August 12.

Ozonans attending included Mr. and Mrs. Earl Cunningham and Leona, Mr. and Mrs. Lee Roy Story and Charlotte Jo, Mr. and Mrs. Lonnie Smith and Danny Earl, and Mr. and Mrs. Bruce Mayfield and Bobby. The family, descendants of Captain and Susan Tate Cunningham, now numbers 780.

Fleet Coates is able to be up and about again after several weeks in a San Antonio hospital.

Mrs. Austin Millsbaugh entertained a number of her friends with a luncheon and bridge at her ranch home Friday.

### Skunk Extermination Drive Urged to Avoid Spread of Rabies

AUSTIN. — Texas farmers and ranchers in the Red River Valley region and in Southwest and Central Texas have been warned to begin killing skunks — lots of them—before cold weather brings an increase in rabies cases.

The grim warning is contained in an animal morbidity report compiled by the State Department of Health. The idea is to pin point rabies infested areas as warning to people in adjacent areas.

"Livestock owners . . . should have active skunk killing programs especially in the Red River Valley area, when winter approaches and skunks hole up with livestock

in dilapidated barns," the report cautioned.

Current focal points of skunk rabies are, the report indicated in Harris, Matagorda, Fort Bend, and Lavaca counties. Another focus exists in the region of Comal and Hays counties, and in Central Texas in Travis, Bell, Coryell, Lampasas and McLennan counties.

"The trend is eastward in Central Texas," the report said.

Titus and Hopkins, an area hit hard last year, continues to have a serious problem, causing health officers to caution livestockmen in the eastern part of the Red River Valley to be especially vigilant against skunk invasions of barns and outbuildings.

For July the report shows: 77 dogs, 6 foxes, 6 cats, 4 skunks, 1 cow were diagnosed as rabid at the state Bureau of Laboratories.

Bexar and Harris counties were hardest hit during July. Each reported one case of dog rabies each day of the month.

### HOUSE JOINT RESOLUTION NO. 2

proposing an amendment to Section 42b, Article III, Constitution of Texas, so that the total amount of bonds or obligations that may be issued by the Veterans Land Board is increased to One Hundred Million Dollars (\$100,000,000) . . .

### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 42b, Article III, Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 42b. There is hereby created a Board to be known as the Veterans Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Veterans Land Board may from time to time issue bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans Land Fund. Such bonds or obligations shall be issued as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now prescribed by Senate Bill No. 29, Chapter 118 of the Acts of the Fifty-fifth Legislature, provided that when the limitation of Twenty-five Million Dollars (\$25,000,000) is used in said Senate Bill No. 29, the same shall hereafter be construed as One Hundred Million Dollars (\$100,000,000), or as said Act may be hereafter amended, or by other laws that the Legislature may hereafter enact, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) . . ."

"In the sale of any such bonds, a preference right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Fund, and the Permanent School Funds, such bonds to be issued as needed, in the opinion of the Veterans Land Board.

"The Veterans Land Fund shall be used by the Board for the sale of parcels of public lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans Land Fund.

"The lands of the Veterans Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All moneys received and which have been received and which have been used for the purchase of land as provided herein by the Veterans Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in like manner as provided for the sale of lands purchased with the proceeds from the sale of the lands, provided for herein, for a period ending December 31, 1955, provided, however, that as much of such moneys as may be necessary during the period ending December 31, 1955, to pay principal and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans Land Board shall be set aside for that purpose. After December 31, 1955, all moneys received by the Veterans Land Board from the sale of the lands and interest on deferred payments, or as much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any such moneys not so needed shall and later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, in consultation with the Comptroller of the State of Texas, and delivery to the purchaser, be irrevocable and shall constitute obligations of the State under the Constitution of Texas. Of the total One Hundred Million Dollars (\$100,000,000) of bonds, hereinafter authorized, of Twenty-five Million Dollars (\$25,000,000) has heretofore been issued, and bonds are hereby in all respects validated and declared to be obligations of the State of Texas. This amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

FOR THE AMENDMENT TO SECTION 42b, CONSTITUTION OF TEXAS, FOR INCREASING VETERANS LAND FUND FOR THE PURCHASE OF LANDS IN TEXAS TO BE SOLD TO TEXAS VETERANS OF WORLD WAR II, AND TO TEXAS VETERANS OF SERVICE IN THE ARMED FORCES OF THE UNITED STATES OF AMERICA SUBSEQUENT TO 1945.

These opposite said proposed Amendment shall write or have printed on their ballots the following words:

AGAINST THE AMENDMENT TO SECTION 42b, CONSTITUTION OF TEXAS, FOR INCREASING VETERANS LAND FUND FOR THE PURCHASE OF LANDS IN TEXAS TO BE SOLD TO TEXAS VETERANS OF WORLD WAR II, AND TO TEXAS VETERANS OF SERVICE IN THE ARMED FORCES OF THE UNITED STATES OF AMERICA SUBSEQUENT TO 1945.

If it appears from the returns of said election that a majority of the voters cast their vote in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

### NFIP Sends Epidemic Team, Polio Equipment To Tex. Outbreak Area

AUSTIN.—Two epidemiologists were dispatched to Fort Worth at the request of local health officials last week to study the polio outbreak in Tarrant county. The National Foundation for Infantile Paralysis flew in its assistant director of research, Dr. Henry Kram of New York, and Dr. Herbert Wenner, assistant of pediatrics, University of Kansas.

Meanwhile valley counties continued to receive large epidemic aid grants from the March of Dimes organization which sent \$42,100 to Texas for local patient care expenses during the week ending August 4th.

Receiving funds, largely for previous years' patients, were Hidalgo county, \$19,000; Cameron, \$7,900; Kennedy and Kleburg, \$8,500; and Jim Wells, \$2,000. Gillespie and Medina, in south-central Texas, received \$1,600 and \$3,100 respectively. The total sent during the year to Texas county chapters, after their own March of Dimes funds were depleted, reached \$283,775.

By August 3rd, rural Saperton (a community of several hundred near Abilene) had chalked up its seventh case for the year.

On the equipment front, too, National Foundation resources were tapped with three respirators going to Texas hospitals during the week. Ben Tankersley, NFIP northwest Texas representative wired for suction machines and hot packs for the Plainview Clinic where 21 patients were being treated, three in iron lungs.

With Red Cross cooperation, the National Foundation rounded out its service to Texas patients by recruiting six polio nurses, fulfilling its pledge of assistance to polio victims in fighting the epidemic disease.

(Continued From Page One)

perous. Both of them lived peacefully and honorably to advanced age, and died full of faith in God.

All that was thousands of years ago, but Abraham is still an example of one who knows the true values of life. He knew that peace is the main thing, and that the scars of battle are seldom covered by the glories of victory.

Our day is filled with tensions and strife. Controversies arise wherever people live. But we take them far too seriously. It is better to have peace than to win arguments. It is sometimes better, as Paul said, to suffer indignities and wrong, than to be always in strife.

Among the men who followed Jesus of Nazareth was a man named John. John went through the fateful week when Jesus was arrested and crucified. He experienced all the horror of that event. He gave the rest of his active life to tell others about what Jesus had done and said. His book, which is in the New Testament, is the most intimate picture we have of the heart of Jesus. And there is a tradition about John which says that when he got too old to preach and travel, he went back to his home town, Ephesus. There he lived to a very feeble old age. Came the day when younger men had to carry him from his house to the gate of his yard. There he would sit and look out upon the people who passed by. As someone would go by, John would lift his hands and say, "Little children, love one another!" This was the one thing he remembered longest from Jesus.

Peace in the soul is the result of love in the heart. Such things as strife and hate are but other names for death. It is inevitable that in human affairs there should be occasions for strife, but it is not inevitable that we should hate one another or fight one another. The sword of violence always destroys the hand that wields it.

"Little children, love one another!" For love and life are one and the same thing. And peace and happiness are the children of love and life.

If you need a home in Ozona, see J. T. Keeton. Several good listings. 17-2c

**Friendly Challenge**

Drive at least two new cars, this time, before you buy—and be sure one of them is a new 1951 Packard!

And why do we issue this challenge? The two best reasons in the world:

- 1 Until you drive a new 1951 Packard, you just don't know what's been happening in the automotive world.
- 2 The best advertising is "word-of-mouth" advertising. It's to our advantage to start you talking about the advancements that make Packard the newest new car of the year.

P.S. Today's most thoughtful buyers will gladly accept this challenge.

Some "eye-openers" that await you on your Packard "Challenge Drive":

- Top-compression power:** New Packard Thunderbolt Engines give you the efficiency of America's highest-compression engines. Plus: service-free simplicity—up to 25% fewer working parts than in engines of comparable power.
- Now kind of vision:** Packard's new, low-level bonnet gives real "close-up" visibility.
- Ultrasonic Drive:** a Packard exclusive combining the smoothness of no gear-changing during acceleration with the efficiency of no slippage when cruising.
- Now steering magic:** New ideas in steering design and weight distribution let you maneuver a Packard with as little effort as it takes to turn a door knob!
- Now everything:** All backed by Packard's greatest advantage—experience. Of all the Packards built, in the last 52 years, over 50% are still in service!

It's more than a car... it's a **PACKARD**

### JOINT RESOLUTION NO. 4

Amendment to Section 43d of  
the Constitution of the State  
authorizing the Legislature to pro-  
vision and establishment of  
election districts as to provide  
legislative may authorize an ad-  
ditional tax of fifty cents per  
hundred (\$100.00) Dollars

### RESOLVED BY THE LEGISLA- THE STATE OF TEXAS:

That Section 43d of Article III  
of the Constitution of the State of Texas be  
amended as follows:  
The Legislature shall have  
power to establish and provide  
for the election districts and  
polls on the ad valorem property  
tax districts not to exceed fifty  
cents on the One Hundred (\$100.00)  
on the support thereof;  
no tax shall be levied in support  
of any district until approved by vote of  
the electors.

### JOINT RESOLUTION NO. 37

Amendment to Article VII of the  
Constitution of the State of Texas by adding  
after Section 11 thereof to be  
Section 11a, providing for the  
of the Permanent University Fund  
and securities to those now enu-  
merated in Section 11 of Article VII of  
the Constitution of the State of Texas and  
calling of an election therefor.

### RESOLVED BY THE LEGISLA- THE STATE OF TEXAS:

That Article VII of the Consti-  
tution of the State of Texas shall be amended  
after Section 11 thereof a new  
be designated Section 11a, which  
shall be as follows:  
11a. In addition to the bonds now  
in Section 11 of Article VII of  
the Constitution of the State of Texas, the  
Permanent University Fund may be invested  
in other securities, including bonds,  
stocks and common stocks, as the  
Reverend of the University of Texas  
may in proper investment for said  
fund, however, that not more than  
one per cent (1%) of the said  
fund shall be invested in any one  
security at any given time in stocks, nor  
more than one per cent (1%) of the said  
fund shall be invested in securities issued by any  
corporation nor shall more than five  
percent (5%) of the said fund shall be  
invested in any one security of any (1)  
class as provided; and provided further  
that securities shall be purchased only  
for ten (10) consecutive years or  
immediately prior to the date of pur-  
chase, except for bank stocks and  
bonds, which are listed upon an exchange  
with the Securities and Exchange  
Commission or its successors. This amendment  
shall be subject to the following:

### AGAINST THE CONSTITUTIONAL AMENDMENT

FOR the investment of the Perma-  
nent University Fund in additional securities  
now enumerated in Section 11 of  
Article VII of the Constitution.

### JOINT RESOLUTION NO. 32

Amendment to the Constitution  
by adding to Article XVI thereof a  
Section to be numbered 63, and authoriz-  
ing the Legislature to provide for a statewide  
system of retirement and disability benefits  
for appointive officers and employees of the  
State; providing that the Legislature shall  
hereby by counties shall be  
authorized to make an appropriation to pay  
retirement or disability benefits authorized  
herein; and providing that the Legisla-  
ture shall not be authorized to make an appro-  
priation to pay any retirement or disability  
benefits authorized herein; and providing that  
the system of retirement and disability benefits  
authorized herein may be set up in the  
same body set up to administer the  
statewide municipal retirement system  
under Section 61f of Article III;  
and providing for the calling of an election and  
the submission and issuance of the proclama-  
tion therefor.

### RESOLVED BY THE LEGISLA- THE STATE OF TEXAS:

That Article XVI of the Consti-  
tution of the State of Texas, be amended  
by adding a new Section, to be numbered  
63, which shall read as follows:  
Section 63. The Legislature shall have the  
power to provide for a statewide system of  
retirement and disability benefits for ap-  
pointive officers and employees of the coun-  
ties of the State under such a plan and  
terms as the Legislature shall authorize;  
and that participation therein by counties  
be voluntary and shall first be authorized  
by the qualified voters of such county;  
and further that the Legislature shall not  
be authorized to make an appropriation to pay  
retirement or disability benefits authorized  
herein; and providing that the system may be  
set up in the same body as may be set up  
to administer the municipal retirement system  
under Section 61f of Article III.

### FOR THE CONSTITUTIONAL AMENDMENT

Authorizing a statewide system for ap-  
pointive officers and employees of the coun-  
ties of the State and providing for the calling  
of an election and the submission and issuance  
of the proclamation therefor.

the honoree was presented with a  
gift.

Guests included the honoree,  
Rosalee Friend, Joan Holt, Jo Lou  
Brewer, Mrs. Jack Brewer, Mr.  
Joe Bean, Marilyn Hubbard, Su-

Hubbard, Sue Meinecke, Kay Kir-  
by, June Parner, Ann Harvick and  
Judy White.

Mrs. Gertrude Perry and Miss  
Mildred North entertained with a  
luncheon Wednesday to honor the  
bride of the week, and Mrs. Jack  
Brewer and Miss Jo Lou Brewer  
honored her Wednesday afternoon  
with a towel shower and bridge.

Mr. and Mrs. Lindsey Hicks  
visited their daughter, Sarah, at  
Camp Waldemar, near Hunt, last  
week, attending the camp's 111  
day events.

County may claim the re-  
ward.

V. O. Earnest  
Sheriff, Crockett County

### Mrs. Sam Perner, Recent Bride, Is Honored at Coffee

Mrs. Stephen Perner introduced  
her new daughter-in-law to Oz-  
ona friends last Saturday morn-  
ing when she and her daughter,  
Miss June Perner, entertained  
with a coffee honoring Mrs. Sam  
Perner, a recent bride.

Guests were greeted at the door  
by Mrs. Max Schneemann and  
Mrs. Paul Perner. In the receiv-  
ing line were Mrs. Stephen Per-  
ner, the honoree, her mother, Mrs.  
Curtis Hardin of Irving, Miss Jun-  
Perner and Miss Lillian Schneem-  
mann.

Mrs. Jack Brewer registered the  
guests in the bride's book and mu-  
sic during the coffee hours was  
provided by Miss Tibba McMul-  
lan, Susie Schneemann and Edith  
Lou Piner.

Presiding at the coffee table  
were Mrs. Chas. E. Davidson, Jr.,  
Mrs. Lowell Littleton, Mrs. Hil-  
lery Phillips and Mrs. Ira Carson.  
Assisting in the dining room were  
Misses Rosalee Friend, Ann Har-  
vick, Benny Gail Phillips, Su-  
Meinecke and M. Joe Bean, Mrs.  
S. M. Harvick and Mrs. George  
Bean were at the melon trays.  
Other members of the house pres-  
ent were Mrs. Hueb Chiffon, Sr.,  
Mrs. Will Barger, Mrs. Rob Mil-  
ler, Mrs. George Montgomery, Mrs.  
Joe North, Mrs. John Bailey and  
Mrs. Jessie Young.

### Ozonan's Grandchild, Leukemia Victim, Is Better After Surgery

Little Glenna Beth Taylor, 2-  
year-old daughter of Mr. and Mrs.  
J. D. Taylor of Long Beach, Cal.,  
is recovering from the effects of  
surgery for leukemia.

The child, suffering from leu-  
kemia and given three weeks to  
live, underwent  
surgery last week to reduce an ab-  
cess which formed in her side and  
another on her foot. A letter re-  
ceived this week from Mrs. Gil-  
lett, who is in Long Beach with  
her daughter and family, re-  
ceived here by Mrs. Adah Clendenen, in-  
formed that the baby was able to

walk and was apparently some-  
what improved.  
The child's condition has at-  
tracted attention all over the na-  
tion and especially in the Long

Beach area. She has received a  
huge number of toys and men of  
the Ford plant in Long Beach  
where her father is employed re-  
cently sent her a black cocker

spaniel puppy. The doctors allow  
her to be given a new toy or doll  
each day from the huge collection.

# "Why Our Family owns 13 Dodge cars!"

"I was first in our large family to own a Dodge," says Frank Perrotti, Woodbridge, Conn. "But once the rest of the Perrotti family saw my Dodge, they all began to swing over to Dodge. Today my family owns 13 Dodge cars and 11 Dodge trucks... and that's saying plenty for Dodge value and dependability."

You could pay up to \$1,000 more and not get all the extra room, riding comfort and famous dependability of Dodge

Once you get a taste of Dodge roominess and comfort... once you see Dodge bigger dollar for dollar VALUE... your good judgment tells you that here is the car for you and your family!

A "MAGIC-MILE" DEMONSTRATION RIDE WILL PROVE DODGE EXTRA VALUE AND DEPENDABILITY!

Feeling is Believing! You sit and ride in comfort in a Dodge. There's loads of elbow room, leg room, head room.

Spend Five Minutes Let us prove you could pay up to \$1,000 more and still not get everything Dodge gives you!

## They Like it a Million!

Last week Buick set a proud record. The millionth Dynaflo Drive\* was delivered to a happy owner.

That's a new peak in popularity for modern drives which take you from a standing start to any cruising speed desired with a smooth, unflinching swoop of power.

"The biggest advance since the self-starter" is what the motorwise press called this Buick development back in 1948—and now a million owners can tell you how right that proved to be.

Here, they found, was a basically different way of delivering power. It was the first drive to get completely away from any gears which function

in a series of fixed stages—the first to apply supercharging principles that did new tricks with spinning oil.

And how folks loved it!

They loved the freedom from strain in traffic. And the new "sweetness" of ride which every passenger could enjoy.

They loved the command it gives them of every traffic situation—and the relaxation it contributes to a long day's drive.

They loved its extra safety in slippery going, and the improved control in mud and snow.

As they piled up experience, they

loved the unexpected savings of rear tire wear and the reduced strain on all driving parts, from engine to differential.

And finally—they loved what it does for the value of a Buick, as reflected in the extra dollars that Dynaflo\* adds to the resale price of a car.

Have you sampled this driving sensation?

There's no time like the present for discovering the thrills that more than a million Buick owners already know.

\*Optional, extra-cost drive and models vary subject to change without notice. †Standard on ROADMASTER, optional elsewhere.

## A good sign to "go" by!

THIS shining emblem "GMC" is the sparkling sign of the fastest growing line of trucks in the land — with sales growth unmatched this year by any other manufacturer. The reasons for this are sound ones.

For in the chassis of a GMC you find "long-time, stay-with" stamina — truck-building that dares comparison with anything on the road today.

Under the GMC hood you find real power — the kind of truck-built power it takes to keep goods moving year after year. Whether it's a nimble 1/2-ton

2-tonner with horsepower unsurpassed in its class, or the fabulous two-cycle Diesel which is outselling, outperforming every other make — a GMC you more "go" to the load!

And in the cabs — drivers who work in comfort and safety. They have the look of men who know their truck will get the job done quicker and better.

You'll feel the same way when you try a GMC yourself. Come in — compare the facts, the features, the way they haul. Listen to the savings talk.

## Taliaferro Garage

OZONA, TEXAS

You'll do better on a good truck with your GMC dealer.

# Trade Now for a MERCURY!

"You may never again get so good a deal"

It's MERCURY for "the buy of your life!"

TRY TO BEAT OUR DEALS anywhere in town. You won't beat the easy terms we arrange either. You never dreamed you could buy a new car so painlessly.

And what a car you're getting — what beauty, performance, comfort — what a value! Long life proved by official automobile registration figures: 92% of all Mercurys ever built for use in this country are still on the road. Dependability like this means upkeep is rock-bottom low.

Proved economy, too — proved by Mercury's first-in-class victory in the Mobilgas Economy Run.

All-round value? Mister, this is it! Mercury!

### 3-WAY CHOICE!

For the drive of your life! Mercury now proudly makes available a triple choice in transmissions. Mer-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission — or Thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also standard standard transmission.

COME IN AND PROVE IT WITH A DEMONSTRATION RIDE!
