Teen Traffic Checkers Spy 170 Violators In 55-Minute Period

BE SANE — BE SAFE

By Norris Pogue

Senior, Ozona High School

Do you like living? To most of you this seems a foolish question, but from the way we try to kill ourselves and other people with cars, you couldn't tell just by looking.

On Tuesday of this week the 3rd period Drivers Education Class sponsored by Coach Wilkins stationed themselves in pairs at all the important intersections in Ozona. Bill Maness and this reporter were stationed at the main intersection where we counted 170 odd people who violated traffic regulations by failing to give hand signals, speeding and other violations. This took place within 55 minutes.

People who walk violate the law, too. We seldom think of "jay walking" as being a traffic violation, but it certainly is. In doing this, we endanger our own lives and the lives of drivers. They may have to swerve into the path of an oncoming car to avoid the pedestrians.

These people are not the only ones: How often do you give a hand signal or jay walk? They, like you, do not deliberately break the law or endanger themselves and others. They are simply careless. It may surprise you to know that of a large number of trucks passed, only a few violated the traffic regulations.

Ozonans Offset Permian Strike In Crockett Co.

Childress & Miller Spot Location for East Offset

John Childress & J. B. Miller of Ozona have staked location for an east offset to a recently completed Grayburg sand of the upper Permian strike in southwestern Crockett county.

The group's No. 1 C. W. Meadows, Sr., of San Angelo, projected to 1,700 feet with cable tools will be 4,547.1 from the most southerly north line, 3,209.2 feet from east line of section 52, Block GG, H. L. George, San Angelo, staked the location.

Otto Engle and the same operator's No. 1 Henry Half estate, the Permian strike, was finished on Nov. 7 for a daily pumping potential of 33.12 barrels of pipeline oil from open hole between 1,653 feet, where 5 1/2-inch casing was set, and 1,735 feet, total plug back depth. Location is 330 feet out of the southeast corner of section 52-I&GN survey.

Crockett wildcats, Continental No. 1-A Harris was preparing to drillstem test from 7,777 to 7,815 feet in the Ellenburger after recovering 40 feet of mud on a one-hour and 45-minute drillstem test from 7,699 to 7,777 feet; Cities Service No. 2-B Hoover at 3,105 feet in limey shale, Texaco No. 1-fer in limey shale, at 1,550 feet in sand and lime.

In the Elkhorn field, Continental No. 4-A Shannon at 7,241 feet in Ellenburger dolomite, Continental No. 6-A Shannon at 5,845 feet in shale, Continental No. 7-A Shannon at 6,053 feet in shale, Continental No. 9-A Shannon at 1-723 feet in lime.

Continental No. 2 L. P. Powell, north offset to the opener of the Powell Strawn field, was preparing to drillstem test from 8,210 to 8,260 feet after recovering 7,466 feet of sulphur water on a drillstem test from 8,182 to 8,210 feet. Open flowing pressure was 3,925 pounds, shut in pressure 4,009 pounds.

Mr. and Mrs. J. B. Miller had as guests during the Thanksgiving holidays, Mrs. Miller's mother, Mrs. H. O. Word of Fort Stockton, Mr. and Mrs. M. C. Decker, Barbara Jean and Keith of Odessa, and Mr. and Mrs. Dar Wittenburg and Dubby of Fort Stockton.

Santa Coming For Pre-Christmas Visit December 19

Due by Plane at 3:50; Firemen Conduct Him In Downtown Tour

Here's spot news for the kiddies!

Santa Claus has notified the Ozona Volunteer Fire Department that he will definitely be in Ozona before Christmas.

In fact, Santa set Wednesday, December 19, at 4 o'clock p.m. as the day and hour he will be on hand in downtown Ozona to greet all the youngsters, pass out some goodies, and take orders for his annual Christmas Eve visit.

Santa told firemen that he will arrive by plane on this pre-Christmas visit, landing at a convenient landing strip somewhere near the city. Santa wired the local fire department to look for his plane overhead at about 3:50 that Wednesday afternoon. The plane will circle the city to signal firemen, who will meet Saint Nick at the landing strip and transport him and his pack to downtown Ozona.

Remember, kids, Wednesday, December 19, 4 p.m. in the business section of Ozona.

Ozoma Music Club to Present Duwain Hughes In Organ Concert Here

Duwain Hughes, San Angelo organist, will be presented in concert at the Ozona Methodist Church next Tuesday evening, December 4, at 8 p.m.

The program will be varied, with numbers from the old masters, contemporaries and moderns. The public is invited.

Hughes is a son of Mrs. D. E. Hughes of San Angelo and is a native of that city. He studied organ in San Angelo under a number of teachers before entering Southern Methodist University in Dallas where he took his bachelor's degree. While there he was associate organist of the Church of the Incarnation and wrote the musical background for Thornton Wilder's play, "Our Town," for its Dallas presentation. He has been chapel organist for the University of the South, Sewanee, assistant organist for the chapel of the Holy Cross, University of North Carolina.

Hughes, who received his master's degree in English from Harvard, now is teacher of English and ethics at San Angelo High School. In the summer of 1950, he studied harpsichord in ornamentation with Fernando Valenti at Aspen, Colo.

The organist is a Bach enthusiast and is owner of the largest collection of recordings, sheet music and biography of Johann Sebastian Bach assembled in Texas or the Southwest.

Woman's Club Plans Probe of Possible Phone Improvements

Investigation of the possibilities of securing an improvement in present service or installation of a modern dial system in the local telephone exchange is to be made by the civic committee of the Ozona Woman's Club.

The matter was discussed and the committee ordered to make the investigation at a regular meeting of the Club held Tuesday afternoon at the home of Mrs. Evert White. Mrs. B. B. Ingham was assisting hostess.

A color movie of Mexico, made available by the Gulf Oil Corp., was shown to the group by Bill Cooper.

Mrs. P. T. Robison, delegate, gave a report on the recent Federated Women's Clubs convention in Denton.

Members present included Mrs. Max Schneemann, Mrs. Charles Williams, Mrs. O. L. Sims, Mrs. J. A. Fussell, Mrs. W. R. Baggett, Mrs. M. B. Flippen, Mrs. J. W. Henderson, Mrs. Stephen Perner, Mrs. Sherman Taylor, Mrs. Robison, Mrs. Ingham and Mrs. White.

Groff and Altizer Tie in Two Jackpot Ropings Here Sunday

Buddy Groff of Ozona and Jim Bob Altizer of Del Rio, those two ropers who figured in one of the closest 6-calf roping matches ever recorded here a week ago last Sunday, tangled again here Sunday afternoon in the Ozona Roping Club's Sunday afternoon jackpot roping contests.

The two ropers whose total times a week before differed by only 1.2 seconds on six calves, tied for first place in two different ropings in last Sunday's matches. The duo split first and second money in each jackpot. Incidentally, their time in the fourth jackpot, 11.9 seconds, was the best time of the afternoon. They also tied in the fifth jackpot. In third place in the fourth and fifth ropings were Charley Davidson and Bud Cox, respectively.

Other results in jackpot roping: first event: Tom Powers of Ozona, first 12.8, Altizer, second and Cox third. Second event: Mac McClanahan of Ozona, first, 12.7, Groff, second and Tom Powers, third. Third event: Davidson, 12.3, Buzz Dolan of Big Lake, second, and Altizer, third.

In the matched calf roping of six, Tom Powers defeated Altizer in 73.8; Dolan defeated McClanahan in 94.5; Cox defeated Davidson in 99.5; Jack Riggs of Del Rio defeated Cox in 71.5.

Fifteen ropers competed in the weekly event which is held on Sundays.

Conoco Completes Third Elkhorn Oiler

The Elkhorn (Ellenburger) field of Crockett county Wednesday gained its third producer and one location northwest extender by completion of the Continental No. 1-A Shannon for a calculated daily flowing potential of 1,846.56 barrels of 40.8 gravity oil, with gas-oil ratio 386.1.

The potential was based on a seven hour flow, through a 3/4-inch choke, of 538.58 barrels of oil. Production was from a section above 7,360 feet, the total depth.

Wilshire No. 4 Shannon, Elkhorn (Ellenburger) field test, was drilling at 5,842 feet in sand and lime.

Lion Basketeers Drop Season Opener by Close Margin to Iraan Braves

Coach J. A. Pelt's untried Lion cagers, with one week's practice under their belts, played a creditable game against the veteran-studded Iraan Braves in the season's basketball opener on the Davidson Memorial Gym Court Tuesday night.

The Braves edged the Lions 22 to 19 in a thrilling match. Ozona B team dropped a curtain raiser to the Iraan second string 19 to 13.

In the first team game, the Braves led 16 to 9 at the half.

Ozoma Officers Of District WSCS Attend Conference in Mason

Four Ozona women, members of the Woman's Society of Christian Service of the Methodist church, left yesterday for Mason to attend the San Angelo District Conference of the WSCS in session there today.

Mrs. Floyd Henderson, district president, will have charge of the conference program, theme of which is "Witnessing." Mrs. W. D. Cooper is district recording secretary, and Mrs. Madden Read, district secretary of children's work. Mrs. H. B. Tandy went as a substitute for Mrs. R. A. Harrell, district secretary of status of women.

A feature of the day's program will be a talk by Miss Dorothy Beardon, missionary to India and a teacher in the Isabel Thorburn College.

Early Christmas Mailing Urged By Postal Officials

Plea for Early Mailing to Avoid Usual Congestion

Acting Postmaster Floyd Hokit passes along a plea from United States postal authorities for cooperation of the public in solving the annual rush of Christmas mails.

First, of course, in the postal department's plea is for early mailing of Christmas greeting cards, and gift packages.

To encourage early mailing, the department permits senders to mark parcels "Do Not Open Until Christmas" or similar wording and in addition, the usual Christmas greeting salutations are permitted on the outside of Christmas mailing.

Patrons of the postoffice are urged to buy a sufficient supply of stamps in advance of the rush period, thus saving their own and the time of postal employees. All mail matter must be plainly and completely addressed, preferably in ink, giving street address, including apartment numbers, if any, or postoffice box or rural route and box number whenever possible. Mail intended for delivery in the larger cities should be addressed to include the delivery zone number whenever applicable.

The department advises that Christmas greeting cards be sent first class mail. Such greetings prepared at first class rates may be sealed and may contain written messages; they are dispatched and delivered first; forwarded if necessary, without further charge and if undeliverable, returned at no additional expense to the mailer provided return address is shown.

Unsealed Christmas greetings sent as third-class mail without unauthorized writing enclosed are chargeable with 2 cents postage (if weight does not exceed 2 ounces). However, a minimum charge of 3 cents is made for such greetings cards which measure less than 4 inches long or 2 3/4 inches wide.

Patrons having a number of greeting cards to deposit are urged to tie them in bundles with addresses all faced one way before mailing to facilitate handling in the postoffice.

Packages intended for parcel post mailing should be wrapped in good quality strong paper and tied with strong string or cord, the postal officials advise. Packages should not be sealed unless a special address label is used which carries printed wording, "Contents Merchandise — Postmaster: This parcel may be opened for postal inspection if necessary." The name and address of the sender may be hand stamped or typewritten on the label.

Parcels sent by air or fourth class matter are limited to a maximum of 100 inches length and girth combined. The weight limit is 70 pounds.

Civil Service Postmaster Exam Set For December

Applications Must Be Filed in Washington By December 11

An open competitive examination to fill the vacancy in the position of postmaster in Ozona has been announced by the United States Civil Service Commission at the request of the Postmaster General.

Applications must be on file in the office of the Commission in Washington not later than December 11. The date for assembling of competitors will be stated on admission cards sent applicants after the date for the close of receipt of applications.

The salary slate for the Ozona postoffice is listed as \$4,770 per year.

In order to be eligible for the examination, an applicant must have actually resided within the delivery of the post office for which the examination is held, or within the city or town where such office is situated, for at least 1 year immediately preceding the date fixed for the close of receipt of applications; must be in good physical condition; and must be within the prescribed age limits.

The competition is open to men and women.

Under the terms of an Act of Congress, approved June 25, 1938, the Civil Service Commission will certify the names of the highest three qualified eligibles to the Postmaster General who shall thereupon submit the name of the one selected to the President for nomination. Confirmation by the Senate is the final action.

Applicants will be required to assemble in an examination room for written tests, and will also be rated on their education, business or professional experience, general suitability. The Civil Service Commission will make an impartial inquiry among representative patrons of the office, both men and women, concerning the experience, ability, and character of each applicant, and the evidence thus secured will be considered in determining the ratings to be assigned to the applicants. The Commission is not interested in the political, religious, or fraternal affiliations of any applicant.

Full information and application forms may be obtained at the post office or from the United States Civil Service Commission, Washington 25, D. C.

Angelo Lay Leader, Minister to Conduct Methodist Services

Larry Taylor, San Angelo lay leader, will speak Sunday morning at the Methodist Church in the absence of the pastor, Rev. J. Troy Hickman, who will be out of town. Ted White, secretary of the Board of Stewards, will preside for the service.

Another San Angeloan, Rev. C. E. Bludworth, former pastor of the Trinity Methodist Church in San Angelo, now mostly retired, will preach at the Vesper services starting at 5 o'clock Sunday afternoon.

Following the Vesper services, the monthly Fellowship Supper will be held in the social hall of the church. Men of the Men's Bible Class will provide meat for the meal, starting at 6:15 o'clock p.m. This churchwide event is held the first Sunday of each month. Each family is invited to bring a covered dish of food.

The Methodist Men's Bible Class will be taught by Judge Houston Smith at the regular Sunday meeting hour.

The Methodist Youth Fellowship will meet after supper under the direction of Coaches Womack and Wilkins and Mrs. James Baggett. Blake Yager will teach the Old Testament lesson.

ALL-OUT OR "OUT ALL"

The feelings of many Americans were expressed in a resolution recently passed by a group of "Marine Corps Families" of Travis county whose Marine sons and husbands are fighting and dying in the U. N. "police action" in Korea.

Deploing the decision of the President and the State Department to send troops to Korea as an "ill-conceived and misguided policy" which has "sent more than 15,000 American boys to their deaths, with thousands wounded and missing in action," the resolution refers to present "peace negotiations" as shaming our national honor — "for the first time in 175 years of the history of our country — we have been forced to seek a peace other than as a victor."

The resolution calls this "the darkest hour in American history" and "hereby condemn the inept and faulty Washington leadership in the handling of the Korean War and demand of our President and military leaders that either all American forces be withdrawn from Korea or that a complete

mobilization be had of all of our resources, including sea and air power, to the end that the tragic war in Korea be speedily brought to a successful conclusion."

The resolution outlined five steps the Marine Corps Families urge upon our government:

- 1. That all available naval power be promptly used to blockade ports in communist China.
2. That use be made of ALL available weapons to bring the conflict to a speedy close.
3. That bombing of installations in Manchuria and other strategic locations inside Communist China be ordered.
4. That trained Nationalist troops be permitted to fight to free their homeland from communism.
5. That sending of American troops to Europe, where there is no war, be discontinued, and that all available manpower be sent to Korea, to assure success in our fight in an area where there is war, and where our national honor is at stake.

THE LOW DOWN FROM HICKORY GROVE

If a person chose to be vexed and perplexed on a grand scale, this U.S.A. is the place. And to lightly touch upon just one angle, I will tell you about the aluminum and how we are now in great need of same, and how the Govt. has fumbled the ball there in that green and pretty Northwest where rolls the Oregon. A power shortage there is causing the shutting down of some of the aluminum makers' plants.

The perplexing side of the dilemma is how come a senator or a congressman who is smart enough to get himself elected, is not keen enough to see what is in the woodpile when he ups and votes millions upon millions for Govt. powerhouses and dams across the land, when he should catch on that it is out-and-out Socialism and failure that he is voting for.

But Govt. fumbling there in Evergreen-land is bringing private enterprise to the rescue. In Texas, and Arkansas and Louisiana, where muscle and brains fuel of all kinds is plentiful and aluminum type ore is near at hand, they have

buckled on their sixguns and regalia and are going to town with aluminum production.

Unborn Child Ground For Draft Deferment

AUSTIN. — A young married man at Port Arthuh must leave his wife, who is expecting their first child, for service in the armed forces because he didn't notify his draft board at Orange before he was mailed his order to report for induction.

Regulations promulgated under amendments to the draft law, passed last June by Congress, require that a draft registrant with

an unborn child be deferred if he files with his board prior to the time his induction order is mailed the certificate of a licensed physician that the child has been conceived.

"This is the first case under this phase of the regulations to come to our attention," Brig. Gen. Paul L. Wakefield, state Selective Service director said. "It's just another case where a man slept on his rights. Congress has made it the personal responsibility of every man to notify his board of changes in his status immediately."

State draft headquarters said that the Port Arthuh registrant did not notify his board when he got married and did not furnish

the doctor's certificate before or after being notified his classification had been changed from 1-D to 1-A. He did not act until after he received the induction order from the board, which was in two lots. "This man would have been classified from 1-D to 1-A if he had seen that the board certificate got in the mail after his wife was hospitalized by the doctor," Gen. Wakefield declared.

From where I sit ... by Joe Marsh

"Fair and Square"

We've just had a political campaign with everything from a torch-light parade to a sock-and-neck ballot box race.

Rusty Robinson, with no campaign funds, planned his Election Eve speech for the Square. Slim McCormick, who owns the Palace movie house, was finishing up his campaign in Pioneer Hall.

Then it began to rain. Rusty's political career was feeling up in the damp when Slim showed up to say that Robinson people could meet in his theatre—for nothing. "I want to beat Rusty," Slim said,

"but certainly not with rain!"

From where I sit, you've got to give Slim credit for acting on his belief that everyone has a right to be heard—just as everyone has a right to his own opinions and tastes. Maybe you like hot coffee, for instance, when you "take a break." Well, my vote goes for a refreshing glass of beer. After all, we're lucky to be living in a free country where we can have our own preferences!

Fads and Fashions

By Jane Adams

We have lots of fads in speech. Such as "Froze Willie" or "Beat Willie" or "Sleepy Bill." Who Bill and Willie are we don't know. Then, of course, a car is a "beater" and when someone dies they "flake."

We've noticed some new boots this week. Charles Garlitz's green suede ones with flat heels, Graham Childress' black ones with almost flat heels.

As for the girls, crests are being worn on sweaters like pearls used to be and almost every new sweater has dolman sleeves and a turtle neck.

Fads in books—Elawyth Thane's romantic historical novels and all the books on football.

SPORTS Once Over Lightly

By Wayne Kuykendall

The Iraan Braves tamed the old home bunch last Tuesday night to capture a 22-19 thriller. Bill Bletcher, an Iraan Brave, turned in a fine game for his team scoring time after time on fast breaks. Pauley and Bill Maness shared the scoring honors both with seven points.

Other members of the Ozona squad who turned in a fine game were Scott Hickman, Tom Piner, Joe Bailey, Charles Garlitz and Bill Schneemann. From the sound of the first whistle it was a thrill-packed basketball game to the final whistle. The Braves led at the half 15-11.

This week the Lions travel to Big Lake for their second game of the season. "Let's take this one."

TOO MUCH TALK

By Doris West

Snoopic Sue is really sorry that she doesn't have more to offer you but she can't afford to listen in on everybody. So why don't you help her by putting all you know in locker 205.

It's not much, but here it is.

Keith Decker from Odessa has been visiting Barbara Bonn during the Thanksgiving holidays. Have fun, Barbara?

Bud, I declare you didn't have to take Joe and Marion all the way to Sonora just to get a coke. Maybe you just wanted to see Mitzie, huh?

Jean Price was seen riding around with Billy Barefoot Saturday night and — eh — were Della Mae and Lemuel with you all?

Henrietta, tell me, why do you have such a loveable attitude toward Bud Lord?

Tody, how do you like deer hunting with Gib?

Jimmy McMullan should have a lot of fun at the football dance, especially since he is going with Vivian Trotter.

Hey, Dorothy and JoAnn, what about these two guys, Loye Lee and Foye Dee? By the way, what were you all doing at the four mile park? Dorothy, were you at the park when you lost your bracelet?

H. E. NEWS

Fourth period in the Home-making Department everyone is beginning to finish their garments.

Vivian Trotter has just finished a gold corduroy skirt. The skirt is very becoming to her.

Sophie Reina has done a nice job on a gold velvet dress.

Shirley Kost is working on a brown corduroy coat.

Jane Adams has a nice idea for Christmas. She is making stockings to hang on the chimney.

Jeannene Thompson is busy getting her clothes ready for that trip to Oregon.

Charlene Perks is working on a blue dress for school.

These second year girls are doing a very fine job.

Moans and Groans — Too Much Turkey for Thanksgiving m-m-m!

Look at the tired faces you have seen around this school today. What's the cause of it all? Look at teachers, too. Were the holidays too much for them to bear? Could "turkey, too much" have anything to do with it, or did people try to do too much celebrating? What did you do?

Everybody was in a hurry to go visit someone out of town or go to the "turkey shoot" or even hurry to the grocery store, so they could get some whipping cream to put on the pumpkin pies they still had to make and something else they had failed to get because they were in such a hurry.

Thanksgiving everyone was in a hurry. The whole world speeded up and when the holidays were over and people began to slow down, they realized that they were tired, so tired they could hardly move and they had eaten so much it seemed as though what they had eaten should last another week.

After seeing what old man turkey did to most of the students of OHS in just four days, what will be the after effects of Santa Clause and his gala 17 day visit to Ozona?

Question of the Week!

The question of the week is: How do you like your school paper? Also, how do you think it can be improved?

We of the Lions Roar Staff think that the best way to learn how our paper is accepted by the students is by finding out from the students themselves. This is an actual account of what a few of OHS's students think of The Lions Roar.

Reta Ballinger, "I think the Lions Roar is written up very nicely and covers most of the students' interests."

Virgil Machado, "The paper has too much stuff like What If and Song Dedications. They should be replaced with news. Outside of (Continued on Page Five)

Member in OHS Lions Club and \$25 Bond

At a meeting with the safety committee of the Ozona High School, the club is giving a plaque to the best driver in the district. An award of \$25 will also go to Driver of the Year.

The club will nominate its members for the awards. In turn, the committee appointed by the club will review the nominations selected by the members and choose the winners.

In an unnamed study hall, the actual conversation was heard. Student, "Talk about the week. I wish I did you think is wrong school and somebody me." Teacher, "Why, you say?" Student, "It's too much beating up teaching." Teacher, "Think we work on the huh?"

Surprising Senior

By Kenneth Bledsoe
"I love school and hate to leave when I graduate," says Kay Kirby an OHS senior. Kay is not the first one of her family to graduate from OHS. Her mother roamed these halls a few years ago.

Kay has lived in Ozona all her life. She is 5' 4" and weighs 115 pounds. Her hair is blonde, and her eyes are brown.

Her favorite food is T-bone steak (Whose isn't!) and her favorite song is "Too Young." She takes part in all sports. Last year, while playing girls' football, Kay had her ankle broken, and by the way that is her favorite sport.

Kay's favorite "feller" is Bobby Womack and her best girl friend is Jane Adams. Her most interesting pastime is talking (and my don't we hear her?). She is usually seen with Gert or Jane and might even be seen with a few other OHS students like Joe Bailey, Bill Maness, Jimmie McMullan, Bobby Womack, Scott Hickman, Kenneth Bledsoe and Graham Childress.

Kay was a cheerleader last year and was chosen again this year. We can easily see why, too.

Her future plans include T. C. U. after graduation.

Ozona Football Team Rated High In Sportsmanship

At a meeting held Monday night in Menard, the OHS football team tied for an award with Eden for top honors in sportsmanship during the 1951 football season. A trophy was presented to the teams. As per agreement, each team will keep the award six months each. The coaches of District 6-A cast the deciding votes.

At the meeting the top players of the year in 6-A were also decided. Oleo de Hoyas was picked from OHS for the first team, while Charles Garlitz and Pete Cisneros were chosen for the second. Congratulations, boys; you've all done a fine job.

DEAR SANTA CLAUS:
Please bring me a doll sewing machine for Christmas. Please bring me a doll to sew for, too.
Love, Cheryl

5 OHS Band Members To Attend Regional Clinic in Abilene

Five members of the band will leave Saturday, December 1, to go to the All Regional Band Clinic in Abilene. The five members, including Marion Mock, Kenneth Bledsoe, Bobby Womack, Tom Piner and Pete Cisneros, will leave at 5:30 Saturday morning accompanied by Mr. Smith, band director.

The Region II Band Clinic will meet at 9:00. From 9:00 to 11:00 there will be try outs for the 95 piece Regional Band and the 18 representatives to go to the All State Band. The All State Band Clinic will be held in Mineral Wells sometime in February.

The Regional Band will meet at 1:00, Saturday afternoon, followed by a concert by the McMurry Band with final selections for the 18 Region II representatives to be made at 4:00. Besides the 18 representatives to the All State Band, there will be 18 alternates chosen in case one of the first 18 can't make the trip to Mineral Wells.

Music to be played by the Regional Band includes American Folk Rhapsody, Allan-a-Dale, Sequoia, Fairest of the Fair, Sleigh Ride, The Klaxon, Minuet in E.

Sports Preview

By Wayne Kuykendall

The Ozona Lions turned in their first day of basketball practice Monday a week ago to prepare for the oncoming season. Coach Pelto has only six returning lettermen from last year's squad. They are Joe Bailey, Tom Piner, Bobby Womack, Charles Garlitz, Virgil Machado, Bill Maness and Bill Schneemann.

Although the Lions captured only one district game last year, it is altogether a different picture now. Other teams in this district include Sonora, Eldorado, Junction and Menard. Last year it was the Eldorado team who walked away with the district championship trophy.

WHAT WOULD WE DO WITHOUT MAGAZINES?

By Bill Gillet

If there weren't magazines in study hall what would Charles Garlitz and Jimmie McMullan do in third period study hall? Nearly any time you go into study hall you see the students looking at magazines. The boys go first for the Post, Sports, Popular Mechanics and Popular Science. The girls are a little different. They seem to like magazines like the Life or American Girl.

These magazines are very educational. I don't know what we'd do without them, do you?

Tip Topper

Brown eyes, brown hair, yes almost anyone could fit a description like that — but 6 feet, 4 inches, weighing 170 pounds really narrows down the field, doesn't it? How many people do you know 6 feet 4 inches? Dod Hammond just has to fit that description.

When being interviewed by a Lions Roar reporter about what he does in his spare time, Dod said, "Oh, I sleep, eat and practice basketball," and "I don't mind being tall because sometimes it creates more fun."

Dod was a student here at OHS before he took a vacation and after a few months returned to finish his schooling.

BIRTHDAY PARTY

Mrs. Ezra Trotter entertained with a birthday party honoring her daughter, Mary Sue on her tenth birthday Monday. Games were enjoyed after which the guests enjoyed birthday cake and ice cream. Present besides the honoree were Linda Millsbaugh, Penny Phillips, Margo Pogue, Pam Jones, Tommy Sue Chandler, Nony Conklin, Roberta Johnigan, Kathy Williams, Barbara Barbee, Camille Adams, Ann Davidson and Sandra Ratliff.

Mr. and Mrs. Max Schneemann and Susie spent Thanksgiving visiting Mr. and Mrs. Phillip Schneemann and children on the ranch near Grants, N. M.

Citizen Responsibility Theme of Pearl Harbor Anniversary in Texas

Governor Allan Shivers today designated the tenth anniversary of the attack on Pearl Harbor as "Operation Democracy" Day in Texas.

"Operation Democracy" is sponsored annually by the State American Legion to promote greater citizen participation in local, state and national government affairs. Leading the program for the third straight year is John Ben Sheppard, chairman of the American Legion Americanism committee.

"The December 7 program will be highlighted by poll tax sales as a part of the Legion's year-in, year-out campaign to increase the turn-out in all elections," State Legion Commander Charlie Gibson announced in Amarillo. "On that day Legionnaires and members of the Legion Auxiliary will be deputized as poll tax collectors

in more than 600 communities."

Special "Voting Insures Democracy" luncheons will be staged at noon across the state by the Legion in cooperation with other civic organizations, Gibson said. A poll tax receipt will be required for admission to the luncheons.

In setting aside December 7 as "Operation Democracy" Day, Governor Shivers referred to the growing lack of interest shown at the polls by the nation's eligible voters. He described the Legion campaign as a program seeking to "make the voice of the people ever more powerful in determining the fate of a nation rich in heritage but poor in acceptance of the ideal that each citizen shall take an active part in local, state and national affairs."

Word Picture of Mexico Tour Given W.S.C.S. by Mrs. J. M. Baggett, Sr.

An interesting word picture of Mexico, its people, its customs, its contrasts of modern and primitive, its beauty and ugliness, was painted for members of the Woman's Society of Christian Service by Mrs. J. M. Baggett, Sr., at the Society's meeting Wednesday at the church.

Mr. and Mrs. Baggett recently returned from a tour of several weeks in Mexico, going from Juarez to Mexico City and returning by way of Monterrey.

The Baggetts, accompanied by Mr. and Mrs. Fred Boerner of Huntington Park, Calif., visited in Durango, where they inspected the grave of Mr. Baggett's father, James Monroe Baggett, who died there some 65 years ago. The Baggett family spent a number of years in Durango, Mr. Baggett, Sr. father of W. R. and J. M. Baggett of Ozona, being interested in mining and livestock raising.

They were delighted, Mrs. Baggett said, to find the cemetery well kept and the grave as well preserved today as it was 65 years ago. A marble headstone was still in almost perfect condition, with the name still plainly legible.

Mrs. Baggett visited the Macdonald Methodist school in Durango and another Methodist Missionary school in Monterrey, and members were interested in her description of the progress being made in these schools.

Through the courtesy of the Gulf Oil Corp., a movie reel of Mexico was shown to the group, Bill Cooper operating the projector. Arrangements for presentation of the picture, also shown to the Woman's Club Tuesday, were made by Mrs. Charles Williams, Sr., up a recent trip to Baytown.

This instructive program completed the Society's Latin American study. Forty-three members and guests were present for the program.

The executive board of the Society will meet at the home of Mrs. H. B. Tandy at 9 o'clock Friday morning.

Jan, what did you and Beverly do 6th period Monday?
We hear Brock has some new acquaintances with the Highway Patrol.
Gail, what's happened to you and Martha?
Does Lillian like Buckshot?
Does Eda Ann still like Dwight?
Alma, are you still after Clayton?
Why did Jan get sick Tuesday?
What's this we hear about an 8th grade girl liking Jimmy Me.?
Mike, what happened to you

before school Tuesday morning? Could have been dangerous.

Susie, why spend so much time looking for the ring you lost in front of the postoffice?

Georgianna, do you think you will get the deer meat that was promised you? I doubt it myself. One certain person better start thinking, hadn't he?

CHRISTMAS WISHES

Carl — I wish Jan and I were just a little older.
Martha Bailey — I wish some new boys would move to town.
Janice — I wish a certain boy

It gives you a lot to be thankful for

Let's suppose that this is you.

The car you're riding in, as you can see, is a Buick.

But what you can't see is the satisfaction which being behind that wheel brings to every day in the year.

Take the feel of it — the way it goes into action when you nudge the gas treader. Quick. Eager. Willing. No effort at all. You just swoop up to the miles per hour you want.

That's because there's a high-powered, high-compression, valve-in-head Fireball Engine under the hood that makes every drop of gas do extra duty. And it's because there's a Dynaflo Drive,* feeding that power back to the rear wheels as smoothly as cream flows from a pitcher.

Take the way it sits the road. Balanced. Poised. Sure-footed. Snug.

That's because of a long list of things that Buick

engineers have done to its ride—including a torque-tube keel that keeps rear wheels tracking true—and soft coil springs that individually cushion each wheel.

Take the way it steers. Easy. Light. Firm. On a straightaway—or coming out of a curve—it seems to know what you want it to do.

That's because of something the engineers call "front-end geometry"—and because 60 steel balls roll in their own little race track to ease each turn of the wheel.

Take its room, its comfort, its smart good looks—and its price.

Any way you size it up, here's a car to make you thankful for your good judgment in picking it, against the field.

All that is needed to complete this picture is you at the wheel of a flesh-and-blood Buick—out on the road for a sample of what we've been talking about.

That's easy to arrange. Just give us a call, and we'll do the rest.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

NO OTHER CAR PROVIDES ALL THIS:

- DYNAFLO DRIVE* • FIREBALL ENGINE
- 4-WHEEL COIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE

Miss Sue Meinecke Bride Of Bill Melton In Ceremony At Methodist Church Thursday

At 6 o'clock Thursday evening in the Methodist Church of Ozona, Miss Sue Meinecke became the bride of Billy Bryan Melton of Las Vegas, N. M.

The Rev. Ottis Sayes of Fort Worth, brother-in-law of the bridegroom, performed the double-ring ceremony. He was assisted by the Rev. Troy Hickman, pastor of the Ozona church.

The bride is a daughter of Mrs. Coralie Meinecke of Ozona. Her husband's parents are Mr. and Mrs. N. E. Melton of Las Vegas.

Vows were exchanged before an arch entwined with greenery. Large baskets of bronze chrysanthemums, eucalyptus and croton foliage, tied with green satin bows, were at each side of the arch. Candelabra holding green tapers were entwined with fern. The chancel rail was banked with large bronze pom pom chrysanthemums arranged in huckleberry foliage.

Traditional wedding music was played by Miss Tibba McMullan, pianist. She accompanied Mrs. Bob Bailey, who sang "Because" and "Always."

Ralph W. Meinecke, Jr., gave his sister in marriage. She chose a gown of candlelight lace over satin. The fitted bodice extended into a star point in front, and buttoned down the back with tiny, self-covered buttons. The lace, re-embroidered in iridescent sequins formed a Mandarin collar. Long

fitted sleeves terminated in points over the hands. Her full skirt was demitasse length.

She wore a brimmed half-hat of lace and sequins. It was attached to a two-tiered waist-length veil. She carried a white prayer book topped with a white orchid in a nest of tulle. White satin streamers with stephanotis in love knots hung from the arrangement.

Miss Jo Lou Brewer was maid of honor. She wore a toast colored dress of nylon marquisette and lace. The strapless bodice was of lace over taffeta, and was topped with sleeved stole of marquisette. The full, circular skirt was of demitasse length. She wore a matching, brimmed hat, and carried a colonial bouquet of bronze chrysanthemums and green net.

Matron of honor was Mrs. J. T. Dockery of Santa Anna, sister of the bride. Her gown, fashioned identically to that worn by Miss Brewer, was of tangerine color. Dressed in identical dresses of jade green were the bridesmaids Misses Dixie McMullan and Kay Kirby.

Charles E. Davidson, III was best man. Ushers and groomsmen included William Meinecke, brother of the bride, Newell Melton of Las Vegas, brother of the bridegroom, and Max Word.

A reception was held in the fellowship hall of the church. Baskets of bronze chrysanthemums

were used in decoration. The table was laid with a Madeira cut-work cloth and was centered with bronze chrysanthemums, eucalyptus and croton leaves.

Mrs. George Montgomery presided at the three-tiered cake. It was placed on columns, and was topped with a miniature bridal couple. Punch was served by Mrs. Ottis Sayes of Fort Worth, sister of the bridegroom. Mrs. Newell Melton of Las Vegas, sister-in-law of the bridegroom, secured names for the guest register.

The couple left for a wedding trip to Corpus Christi. For traveling the bride wore a Serbin original navy blue hand knit suit. Her accessories were navy, and her corsage was a white orchid. They will return to the ranch near Las Vegas to make their home.

Mrs. Melton is a graduate of Ozona High School. She attended Texas Christian University, Fort Worth. There, she was a member of the Bryson Club and Rodeo Club. She was 1950 Ranch Queen at TCU. She was San Angelo Fall Fiesta Queen in 1950 and is sweetheart of the Ozona Lions Club.

The bridegroom is a graduate of Ozona High School. He served with the Armed Forces five months, and is now ranching near Las Vegas.

Out-of-town guests at the wedding were Mrs. John W. Shepper-son, Mrs. C. D. Allen, Bob Blasett, all of San Angelo; Mrs. Willard Allen and Mrs. J. T. Dockery of Santa Anna; Mrs. T. J. Owens and Miss Margaret Owens, Big Lake; Mrs. Shankle Bloxom, Mrs. Ollie Whitley, the Rev. and Mrs. Ottis Sayes, Fort Worth.

Herbert Kittle, Lubbock; Mr. and Mrs. N. E. Melton, Mr. and Mrs. Newell Melton, Las Vegas and Mrs. T. G. Roscoe.

The bride's mother was hostess at the rehearsal dinner in her home. Guests were Jo Lou Brewer, Dixie McMullan, Kay Kirby, Mr. and Mrs. J. T. Dockery, Mrs. Beecher Montgomery, Mrs. George Montgomery, Mr. and Mrs. Marshall Montgomery, the Rev. and Mrs. Ottis Sayes, Mr. and Mrs. Newell Melton, Max Word, William Meinecke, Ralph W. Meinecke Jr., Charles E. Davidson, III, and the honored couple.

Mrs. S. M. Harvick went to Fort Worth Sunday to take her daughter, Ann, back to T. C. U. and for a few days visit.

How's THIS for a kettle of fish?

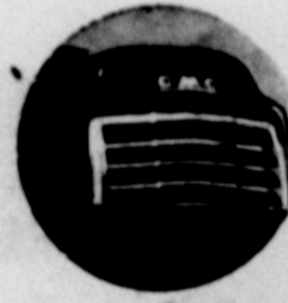

NO doubt about it—a road failure can cost you plenty of "fish." Not only in time lost to what could have been profitable hauling, but in expensive repairs as well—repairs that could have been avoided.

That's where we come in.

If you bring your equipment to us at regular intervals, our mechanics will catch the little things that go wrong with trucks before they become a major breakdown.

In so doing, you're being thrifty three ways. You'll cut down the possibility of costly repairs, get better performance with less "down time" and get more years of service from the trucks you now own.

Make sense to you? Come on in—the service is free!

Get more run for your money!

Twenty Models of Other Makes of Cars Cost More!

There are hundreds of thousands of people who should be intensely interested in what we are writing here.

They are the people who paid more for their cars than a Cadillac costs—and still didn't get a Cadillac.

You see—there are five manufacturers of motor cars who produce a total of twenty models which actually cost more than the lowest-priced Cadillac. And during recent years, hundreds of thousands of people have taken title to these higher-priced models.

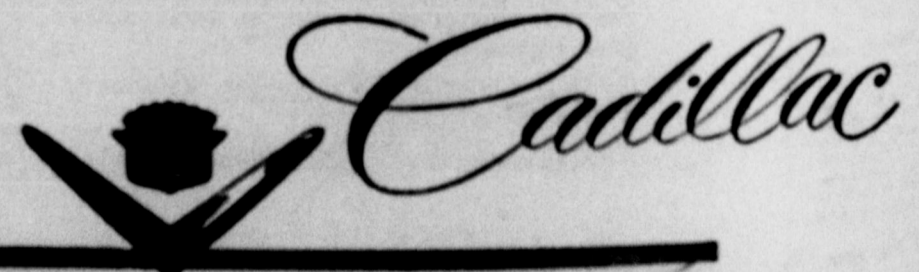

Surely, a large percentage of these owners did not understand, at the time of purchase, how little a Cadillac can cost. They assumed that a Cadillac must cost more—because of its reputation. So they paid for a Cadillac—and still failed to get the things a Cadillac provides.

They failed to get the irresistible performance of its great master high-compression engine... the soft, gliding ride that makes every road a better road... and the wonderful prestige which marks the Cadillac owner, throughout the civilized world, as a man distinctly apart.

Surely, they won't want to miss all this again. It's a lot to lose—especially when it costs no more to have it.

If we already have your order for a Cadillac—please be assured that you have made a wise decision—and stand firm until your car is ready for delivery.

But if we don't have your order—better come in and see us today. We are certain you don't want to pay the price of a Cadillac—and still not get one!
