J. Troy Hickman

TO THE POPE

Appointment of General Mark to be the official representative to the Vatican State Roman Catholic Church, Truman has struck a blow against the American free and equal status regions before the law. He is another step toward between a church and the United States, founders of the republic, out of a background of intrigue, and persecution as the result of church-state or state dominion in Europe, resolving it should never happen was provided in the Constitution of the United States Congress should pass no law establishing the establishment of religion. Among the safe that make up the Bill of Rights is the guarantee that all should have equal rank under the law, and that none have preferred status. In appointment of a representative to this government to the kingdom, the Vatican, Truman has openly flouted the broken both the letter and spirit of this basic Constitutional Provision. It is to be hoped Congress will have the judgment to refuse to concur in the appointment. Reason which is reported given by Mr. Truman is that it would tend to diminish the efforts of the Catholics in their struggle against Communism. It would be realistic to suppose that the reason is a selfish political Harry Truman hopes to be re-elected for another term. It is especially in the North and the Eastern seaboard, are ruled by Catholic influences, throwing a sop to the Catholic Church in the expectation of grateful Catholic votes. Cardinal Francis J. Spellman of New York, who is titular head of the hierarchy of American Catholics, was reported to be "delighted" at this event. No doubt he is, and his henchmen in the States have long been steering political organization to a dominant and preferred position in the nation's government and the governments of Catholic states. This official of our President is rightly criticized by them, and by Catholicists everywhere as a brilliant victory in the long war against the Roman Catholic Church for the control of the world. It is only hope that this self and disastrous political maneuver will cost Harry Truman more Protestant votes than he will Catholic votes. A country once maintained its neutrality to the Pope. Shortly after the Civil War ended, Congress terminated the embassy by sending to appropriate funds for the administration of Franklin D. Roosevelt, the pretext that the Vatican was "an important listening post in Europe and that the uncertainties of the war demanded information obtainable there." An unofficial "personal representative of the President," one Taylor, was kept in Rome at the expense of the taxpayers, against repeated protest from the leading branches of Protestantism. This policy was abandoned by Harry Truman a few months ago, when Mr. Gertrude Perry has never been supplied the slightest evidence that information gathered through contacts was of the slightest value in any military or diplomatic issues. And yet they have the bill for this political which has benefited only the Pope's guess as to whether the world actually do trust him information of a user. If not, then the main of an embassy to the Pope (Continued on Last Page)

Laying Of Gas Main From Well To Begin Today

Most of Ditch Opened; Pipe for Distribution Readied

Often promised but never accomplished, a natural gas system for Ozona seemed a step nearer to actuality this week with the announcement that the first pipe will be connected and laid in the already opened ditch from the Clayton ranch gas well 10 miles east of town beginning this morning.

Most of the ditch from the well has already been opened and the 4-inch main which will be laid from the supply source has been jointed, wrapped and coated, ready for installation.

J. P. Kenney, vice president of the Empire Southern Gas Company of Fort Worth, here yesterday said that several loads of pipe for the city distribution system has been trucked in and unloaded on the county lot where it is being coated and wrapped in readiness for installation.

Mr. Kenney has announced that easements will be sought across private property wherever such a route would eliminate braking of pavement to put gas lines underground. Every effort is to be made to follow alleys and to avoid tearing up any more pavement than will be necessary to make the installation.

J. C. Jagers, engineer for the company, is here supervising installation. The contract for ditching and installing the lines was awarded last week to M. L. (Jack) Moore of Odessa. The work is to be completed in 60 working days. The distribution system in the city will use 4-inch, 3-inch and 2-inch mains and 1-inch service lines.

James Isbell, at present associated with the company's office at Big Spring, will move to Ozona about November 1 to become local manager here.

Bank Deposits Up \$1,245,027 From June Statement

Outstanding Loans Reduced Over \$200,000 in Period

A possible result of drought and the widespread selling of breeding stock to cut down for a hard winter of feeding, but deposits in the Ozona National Bank show that ranchmen are in good financial condition to feed through the winter.

Deposits in the county's financial institution at the close of business on October 10 had reached \$6,286,602.18, an increase of \$1,245,027.90 since the bank's statement on June 30 of this year, and a gain of \$803,615.29 since December 30, 1950.

A further indication of the strong financial condition of the ranch industry in spite of the reverses of drought is the decline of outstanding loans by the bank from \$1,078,888.82 in the June statement to \$897,889.86 on the most recent statement.

Big Lake Meeting To Discuss Motor Vehicle Registration

Sheriff V. O. Earnest and Mrs. Gertrude Perry, office deputy, plan to attend a meeting to be held in Big Lake at 8 p.m. November 1 with personnel of the local motor vehicles dealers, finance companies, banks, etc. to discuss procedure used in obtaining registration and Certificates of Title on motor vehicles under the new laws governing.

The meeting is being arranged by the State Highway Department as a means of acquainting all these agencies with the procedure of registration and attendant problems as directed in the new laws.

'Peanut' All-Stars To Tackle Unbeaten Johnny Jones Mustangs

The "peanut" game of all "peanut" games is slated for 6:30 Friday evening, preceding the Ozona-Eldorado District 6-A football game.

Johnny Jones and his third and fourth grade Mustangs, one of three football teams recruited from these two grades, and coached by Swede Peltz, have been coasting along taking all comers in stride. The undefeated Mustangs are the target for an all-star team recruited from the other two teams, the Jets, captained by Bill Meinecke, and the Eagles, headed by Jimmy Williams.

The all-stars, selected by vote of the squad, have issued their challenge to the league leaders and the Mustangs will face their severest test this Friday night.

The All-Stars will be captained by Jimmy Williams and Bill Meinecke. Other members of the squad include Joe Friend, Ronnie Beall, Pete Elmore, Royce Ballinger, Jimmie Sutton, I. C. Poindexter, Bill Gibson, Richard Terrell, Jim Freeman, Louis Mock, Muggins Good and Weldon Day.

The undefeated Mustangs, with Johnny Jones at the helm, include Quarterback and Captain Johnny Jones, Bob Meinecke, lb; Joe McMullan, rb; Bob Cooke, fb; Pleas Childress, le; Doug Stuart, lg; Dickie Flannagan, lt; Pierce Milbrer, c; Von Clendenen, rg; Mark Baggett, rt; Bobbie Childress, re; and Robert Boyd, Emmett Lovell, Richard Scorgins and Pat Jones.

Texaco to Drill Shallow Wildcat in Northeast Crockett

Twenty-three miles north of Ozona, The Texas Co. has staked location for a shallow northeast Crockett county wildcat.

The firm's No. 1-Y University, slotted 1,790-foot rotary project two miles northeast of the opener of the Block 44 Shallow field, will be 330 feet from north and east lines of section 25-40-U.

In the Elkhorst (Ellenburger) field, Continental No. 4-A Shannon was drilling at 6,525 feet in sand and shale, Continental No. 5-A Shannon at 6,678 feet in sandy lime and shale, Continental No. 6-A Shannon at 1,335 feet in shale and Continental No. 7-A Shannon at 1,965 feet in lime.

Neville G. Penrose of Ft. Worth No. 1 University, wildcat 12 miles east of Sheffield, was preparing to plug and abandon at 8,230 feet in Ellenburger lime. The failure was 660 feet from north and east lines of southwest quarter section 1-29-U.

A wildcat five miles southwest of the Lula field, Continental No. 1-A Harris was making hole at 5,525 feet in lime and sandy shale.

Southland Royalty Co. and others No. 1-8 Todd, wildcat 4 1/2 miles southwest of the Todd multipay field, was pulling pipe to plug and abandon after testing 100 per cent salt water from perforations at 6,625 to 6,670 feet. It earlier tested salt water in the Ellenburger, topped by samples at 7,410 feet. Location from 1,933.3 from south, 660 feet from east line of section 8-WX-GC&SF survey.

Engle Half Wildcat On Western Edge of Crockett Recovers Oil

Otto Engle No. 1 Henry Half estate, northwestern Crockett county wildcat, has bailed oil naturally at a rate estimated at five barrels daily from 1,688 to 1,713 feet in the Grayburg sand of the Permian. Shooting with nitroglycerin was planned after setting of a plug at 1,715 feet, with total depth 1,820 feet. The Grayburg was entered at 1,688 feet. Top of the Yates was 1,421. Elevation is 2,348 feet.

The wildcat is 330 feet out of the southeast corner of section 52-1-14GN, 5 1/2 miles east of Sheffield. It is 1 1/4 miles west of the Pecos river and 3 1/4 miles west of the Clara Couch multipay field. Moore farmed out-lease for drilling of the wildcat. C. W. Meadows, Sr., of San Angelo owns the surface and part of the minerals.

Man Wanted On Dyer Act Charge Is Arrested Here

Car Stolen in New Orleans Abandoned Near Ozona

Lloyd E. Stanton, 24, a native of Montana, was arrested here Tuesday morning and turned over to Federal authorities to face charges of violation of the Dyer act. Stanton is charged with stealing a car in New Orleans, La., and transporting it across a state line.

Huey P. Oliver, 17, traveling with Stanton, and also arrested by local officers was released when Stanton, who admitted theft of the car, exonerated him. Oliver, a native of Louisiana, told Sheriff V. O. Earnest that his father was a body guard for the late Governor Huey P. Long of Louisiana, thus accounting for his first name.

Stanton was taken to Fort Worth by federal officers for trial on the Dyer act charge. He had been convicted previously on a similar charge, he told local officers.

The two men abandoned the stolen car, a 1942 Oldsmobile, about 7 miles east of Ozona when its motor became overheated and stopped. The two said they walked to town. They were seen by Deputy Hearst Laws as they walked into town. Later the abandoned car was reported to officers and after checking it, Deputy Laws and Sheriff Earnest began a town-wide search for the two men, a search which lasted until nearly daylight.

The men were arrested early Tuesday morning at the edge of town on highway 290 where they were attempting to hitch a ride.

Stanton told officers that they searched through Ozona for a car in which the ignition key had been left but could not find one. They examined more than 20 cars without finding a key, they said.

KOREAN CASUALTY — Body of Former Ozonan Marine Corp. Bob Smith To Be Buried in Okla.

The body of Marine Corp. Bob Smith, a former Ozonan, who was killed in action in Korea on May 28, 1951, will arrive in Sasakwa, Okla., where his mother resides on Friday of this week, friends here have been advised.

Mr. and Mrs. Clovis Womack received word the first of the week of arrival of the body. Funeral services for the former Marine are to be held in Sasakwa either Saturday or Sunday.

Corp. Smith was a combat veteran of World War II. He was recalled to active duty a year ago, being shipped for overseas service soon after his recall.

Midway Lane Well Pumps 35 Bbls. Day

Pumping 35.85 barrels of 30.8 gravity oil plus 20 per cent water in 24 hours, Sinclair No. 9-C University was completed in the Midway Lane Permian field in Crockett county.

Production was through 100 perforations from 1,122 to 1,147 feet, total plug back depth. Location is 2,263 from south, 330 feet from east line of section 30-46-U.

Lion Oil Co. has filed application for permit to deepen its No. 2 Mrs. Maggie S. Neal of San Angelo, Crockett county wildcat 16 miles southwest of Big Lake, to 5,900 feet with rotary. The project is 660 feet from south and west lines of section 66-BB-TCRR survey.

DAUGHTER TO WESTS

Mr. and Mrs. Wayne E. West are the parents of a daughter born in the Ozona Hospital Tuesday afternoon. She has been named Barbara Jan. The Wests have one other child, a son, Wesley, 14-months old. Grandparents are Mr. and Mrs. Wayne W. West and Dr. and Mrs. H. B. Tandy of Ozona.

Adding Machines at the Stockman.

Rev. Moreland to Preach Here Sunday At Methodist Church

In the absence of the pastor, J. Troy Hickman, the morning and evening sermons for this Sunday, October 28, at the Ozona Methodist Church will be given by the Rev. O. E. Moreland of San Angelo. All meetings will be on regular schedule.

The congregation will be given an opportunity to contribute, on a free will basis, to a fund to assist some of the smaller Methodist congregations in the flood-stricken areas of Kansas to rebuild their wrecked church buildings. A letter from Bishop A. Frank Smith of the Houston Area, says, "Kansas Methodists suffered heavy and tragic losses in their own homes and businesses, and also in their churches. Those who wish to do so are invited to help them rebuild these damaged church plants."

Mr. Hickman expects to be in Canyon, Texas, through Friday, November 2, where he will preach and instruct teams of membership visitors in The First Methodist Church. He will also drive to Hereford, Texas, each day to deliver an address of Spiritual Life Cultivation to a group of ministers in that region. He will return to Ozona on Saturday, November 3, and will be in the pulpit for the morning service on that day.

Lions To Meet Eldorado Here Friday Night

Menard Trims Locals 20-7 in First District Contest

Coach Larry Wilkins' Ozona Lions will attempt to get back in the District 6-A running Friday night when they meet the powerful Eldorado Eagles in their second district start of the season. The game will be on Lions Field starting at 8 o'clock.

The Lions last week lost a 20-7 decision to the Menard Yellow Jackets on Menard soil, but again the score did not reflect the true difference between the teams. But for a fumbled kick in the second quarter, which rolled over the goal line and was covered by an alert Jacket for a second touchdown, the score might have been even at the half and the Lions would have entered the second half under a little less pressure.

The Lions got off to a lead in the first quarter when Joe Bailey passed to Charles Garlitz from the eight for a touchdown. The conversion was good. The score came after a sustained downfield march by the Lions which carried to the three. A 5-yard penalty set them back and the pass play was good for the score.

Th Jackets evened it up in the second, on a pass play which carried 30 yards to the Ozona 30 and then Kothmann, hard charging Menard fullback, carried to the 3 and on the next play crashed over for the marker and then kicked the extra point.

The heart-breaking touchdown via the fumble followed shortly. The third period was fought on even terms, but Menard scored again on the second play of the fourth quarter. Clark went around the end on a reverse for 9 yards and the score. The try for point failed, and that ended the night's scoring.

The Lions threatened late in the game with an attack which carried to the Menard 20, but a pass by Bailey was batted into the air and intercepted by Menard to stop the threat.

Ozona Girl Named to Future Teachers Post

DENTON. (Spl.)—Edith Lou Piner, daughter of Mr. and Mrs. Ray Piner of Ozona, has been elected secretary of the Future Teachers of America organization at North Texas State College. Miss Piner, a senior student at NTSC, is majoring in business education.

Matched Roping Slated Here Two Days, Nov. 3 & 4

Jim Bob Altizer, Doyle Riley Matched; Jackpots Planned

One of the season's outstanding roping events has been scheduled at the Ozona fairgrounds arena on Saturday and Sunday afternoons, November 3 and 4, under auspices of the Ozona Roping Club, it was announced this week.

A 12-calf roping between Jim Bob Altizer of Del Rio and Doyle Riley of Ballinger will highlight the two-day event. Each contestant in the special match will rope six calves on each of the two afternoons.

Altizer is a former state champion school boy roper and was a winner in calf roping at Monte Vista, Calif., this year. Riley was champion calf roper at the Cheyenne, Wyoming, Frontier Days rodeo in 1949. In the 1951 season, Riley has emerged with calf roping championships at Oklahoma City, Burwell, Nebraska, and Boulder, Colo.

The roping program, which will get under way each afternoon at 2 o'clock, is expected to attract some of the outstanding ropers of the southwest. In addition to the Altizer-Riley match, there will be a two-calf average open event, amateur and open jack pots, ladies barrel races and other matched ropings.

In addition to plentiful local talent, the event is expected to attract such outstanding ropers as Toots Mansfield, of Big Spring; Sonny Edwards, Big Springs; Walton Poage, Rankin, Bill Teague, Crane; Earl Teague, Camp Wood; Jack Saunders, Gatesville; Ted Powers, San Angelo, and many others an estimated forty to fifty visiting ropers, according to H. P. McClanahan, one of the committeemen in charge of arrangements.

The Ozona Roping Club has just purchased 32 fresh calves in preparation for the two-day roping program. They will be in fine condition for the show and roping fans are looking forward to one of the finest exhibitions of the year.

Hearst Laws To Serve 4-County Protective Assn.

Billy Mills to Take Deputy Post; Hughes Night Watchman

Hearst Laws, Crockett county deputy sheriff, who has served in that capacity for more than five years, will resign effective November 1 to become a special Texas Ranger to serve as livestock inspector for a four-county Livestock Protective Association.

Laws will serve a group of ranchmen in Crockett, Sutton, Irion and Schleicher counties who have organized a protective association. Pleas Childress of Ozona is president of the association.

Laws will be replaced as deputy by Billy Mills, who has been serving as night deputy. The night job will be taken over by Perry Hughes of Baird, Texas. Hughes' father served for many years as sheriff at Baird.

Mr. and Mrs. C. W. Taliaferro and Mr. and Mrs. Warren Taliaferro and son, Steve, leave Friday for Detroit, Mich., for a two-day showing of the 1952 Packard cars at the factory. The Taliaferros expect to bring back one and possibly two of the new cars. They will be gone about two weeks, making a tour of the southeastern states on the return trip.

DOG TAGS ON SALE NOVEMBER FIRST

New dog license tags for 1952 will be on sale at the tax collector's office on and after November 1. Mrs. Gertrude Perry, deputy, announced this week.

THURSDAY, OCT. 25, 1951

Mrs. Nelson Boothe and sons, Ray and Tom, of Sweetwater, have returned home after a week's visit with her mother, Mrs. B. B. Ingham, Sr., and other relatives.

Mrs. Harry Griffiths Speaks to Literary Club on European Trip

The Ozona Literary Club met Tuesday in the home of Mrs. Bob Franklin with Mrs. Joe Whatley as assisting hostess.

The club voted to have a sweet sale on Nov. 17 to raise money for CARE packages for Korea. Speaker for the day was Mrs. Harry Griffiths of Austin who spoke on her recent two months tour of Europe. Mrs. Griffiths went with 14 other women as a Good Neighbor delegation from the Texas Federation of Women's Clubs.

The group visited 16 countries and Mrs. Griffiths exhibited a collection of dolls she gathered on the tour. The Texans presented two students from each of the 16 countries with a scholarship from a Texas school as a student exchange plan. The government in each country is to select the students to receive the award.

Present for the meeting were Meses. Al Cowan, Dean Seago, L. B. Harris, Warren Talliaferro, J. A. Pfitz, Larry Wilkins, Mervin

Gilliam, Paul Newton, George Massingill, Charles Womack, Clovia Womack, J. P. Pogue, J. K. Colquitt, Lem Bray, Taylor Deaton, Cleophas Cooke, Ken Cody, Robert Levo, B. W. Stuart, P. T. Robison, Bob Franklin, Joe Whatley and Misses Marie Williams, Mary Dell Koepe and Dorothy Franklin.

Texas Club Leader Is Speaker at Meeting Of Woman's Club

The Ozona Woman's Club met Tuesday at the home of Mrs. S. M. Harvick with Mrs. Cecil Walley as assisting hostess.

Mrs. N. W. Graham, leader, introduced Mrs. Harry Griffiths of Austin, State Club Legislative Chairman, who gave a most interesting talk on her trip to Europe last summer as one of fourteen club women from Texas on a good will tour. She showed a large collection of dolls from different European countries which she secured while abroad.

The High School Sextet composed of Meses Jo Ann Deaton, Marion Mock, Sandra Brewer, Kay Kirby, Jeannene Thompson and Sofia Reina rendered several choral numbers that were enjoyed.

Mrs. Harvick then held a short business session. The Club voted to send \$100 to CARE for packages to Korea.

Coffee and cake was then served to members. Meses Charles Williams, Sr., Joe Pierce, Jr., W. R. Baggett, J. C. Montgomery, Troy Hickman, O. L. Sims, P. T. Robison, Ben Lemmons, John Henderson, Jr., Stephen Perner, Ira Carson, B. B. Ingham, Sr., S. M. Harvick, N. W. Graham, Sherman Taylor, and guests, Mrs. N. D. Blackstone, Mrs. Griffiths, and Mrs. G. E. Phoenix, Atlanta, Ga.

SPORTS Once Over Lightly

By Wayne Kuykendall

The Ozona Lions dropped their first district game of the season to Menard who unraveled a 20-7 victory Friday night. It was the Lions' fifth loss of the season, only one of these being a conference game.

It was a very hard fought game all the way with Tom, Joe and Virgil leading the way for the Lions.

Ozons's score came quick in the first period with the Lions making a beautiful 70 yard drive. Joe passed to Charles for the last 12 yards and the Lions took the lead. Oleo kicked the extra point.

Menard followed up in the second quarter when Kothmann scooted 5 yards to the picnic grounds. The try for point proved good and the score stood 7 to 7. Again in the second quarter the Yellow Jackets scored when a punt was recovered in the Lions' end zone. Again the extra point was good. On the very first play of the 4th quarter, Clark went a round end for a 9 yard pay off jaunt.

The try for point was not good. Thus the game ended, Menard 20, Ozona 7.

Next week the Lions tangle with the undefeated, untied Eldorado Eagles at Lions Field for the second conference game. Let's all be there for the game at 7:30 instead of the regular time.

TOO MUCH TALK

By Doris West

Marion, where did you and Wayne go Sunday night? What did you all do when several carloads of kids who wanted to talk disturbed you?

Jo Ann Dorton, is it really true that you are getting married when you graduate this year?

Barbar Bonn, did you have fun Monday night?

Reta Sue, did Bill have to drive all the way to Todd Field after you Sunday night?

Scott Hickman has a secret admirer. What about it, Susie?

Bill Schnermann, who were you with Monday night?

Betty Cunningham, how are you and Paul getting along after Jimmie Krieger came. Don't let it worry you, it will come out all right.

Dorothy Green, how is Grand-falls getting along?

Jo Ann Allen, how is John or haven't you heard?

Bob, you weren't stood-up Saturday night, were you?

Vivian, did you and Bill Maness have fun Monday night?

How are Kay Kirby and Bobby Womack getting along?

Jean Price, did you enjoy the show for the second time Monday night?

Wayne, did you and Marion have fun Monday night?

HALLOWEEN!!!

Skeletons! Witches! Ghosts! Black cats! Yes, they'll all be in town on Hallowe'en. The evening of October 31 is so called because it is the eve of vigil of All Hallow's, or the festival of All Saints, which falls on November 1. It is associated with the popular idea of supernatural influences and is clearly a relic of pagan times.

No, we aren't the only people who celebrate Hallowe'en, in case you've been wondering. In the north of England, Hallowe'en is known as Nutcrack Night. In Scotland the ceremonies of the eve were formerly regarded in a highly superstitious light, and Burns in his poem, "Hallowe'en" gives a humorous presentation of the usual ceremonies as practiced in Scottish rural districts in his day.

In those days belief ascribed to the children born on Hallowe'en the faculty for perceiving and holding conversations with supernatural beings? By the way, are you a hobgoblin?

Office Supplies—Stockman office

Fads and Fashions

By Jane Adams

Almost a quarter of school gone already. One effect is that Mrs. Hull told her girls they better finish their sewing projects. And there are some lovely garments—coats, suits, skirts, dresses, most of them beautifully tailored and finished.

We've noticed all the new accessories around OHS this fall. Even the boys seem to be wearing something new in the way of belt buckles. They are smaller, longer and squarer, this year. The girls are almost all having their names inlaid in their belts. (Especially nice if you have a long name, because the letters make your waist look smaller.) There are some new scarves this year that are mostly cotton and part some other fiber. They come in pretty colors and patterns and are stiff enough to tie and stand up way around the neck of a sweater. Might try one of them sometime.

Tomorrow night is THE football game. Back the Lions even more than usual!

NOSE FOR NEWS

If you would like to help the Journalism class produce a larger paper, write all the news that you have access to and drop it in locker 205 on the second floor. The locker will be locked so that any news put in can't be taken out by anyone but the editor. The locker will be ready on Monday 29.

The editor urges you to put all the news that you have heard in the locker.

What If?

Pat W. would make up her mind between Allen and Billy B.?

Jane and Charles weren't always getting mad at each other? Gib was a senior again? Uh, Tody!

Tom and Billy weren't stars? Marion didn't like a boy from Tech?

Kenneth Phillips didn't like girls?

Californians weren't named prune pickers?

Bill G. and Billy W. stopped going to Sonora on Sundays?

You ever saw yourself like everyone sees you!

PERSONALITY OF THE WEEK

Reta Sue Ballinger, OHS senior, takes the spotlight as Lions Roar's personality of the week.

Reta came to Ozona as a sophomore and has been very active in school affairs ever since. In her junior year, Reta was cheerleader class favorite and secretary of her class. This year she received the honor of most popular girl in high school and also was chosen cheerleader again.

Reta is 5' 6", has reddish blonde hair and blue eyes. Reta observed her 17th birthday the 3rd of October.

Reta's favorite pastime is reading but she also goes in for sports. Her favorite participating sports are tennis and volley ball and her favorite spectator sport is basketball.

Reta is undecided on the college she will attend after graduation.

THIS AWFUL ENGLISH LANGUAGE

English, they say, is the language most used, most spoken,

most written, most cruelly abused. The plural of box, we all know is boxes, yet the plural of ox is oxen, not oxes. One goose is a goose,

but two are geese, then why are more than one oxen, geese?

Meet "Mr. Performance"

No other car can match it—not only for its all-around good balance of performance features, but for the *exclusiveness* of those features. Here are some of the highlights:

Exclusive: Packard Thunderbolt Power: Bringing you the peak efficiency of America's highest-compression engines—and the service-free simplicity of a Packard design with up to 25% fewer working parts than in engines of comparable power.

Exclusive: Packard Ultromatic Drive! The only automatic drive that combines (1) the super-smoothness of no gear-changing when speeding up or slowing down, with (2) the positive control and quiet efficiency of no gear-waiting slippage when cruising.

Exclusive: Packard "Limousine Ride!" Cradled by Packard's own broad-beam, "self-controlling" suspension system.

Adjusts itself automatically to changes in road and load—combines gentle smoothness with firm roadability such as you've never experienced before.

Remember, too: Packard performance stays new... backed by motordom's greatest record for consistent quality and durability. Fact: Of all the Packards built, in the last 52 years, over 50% are still in service!

It's more than a car... it's a **PACKARD**

North also said that the staff hopes to have 50 dy to send in to the pub- y November 1, which will a large discount. All of ges are finished and all al staff is waiting on is res to come back. The o hopes to have more dy to send in to the pub- y December 1 for anoht-

Miss North said, "We feel that we have accomplished a great deal in the short time we have been at work. All members of the staff are working hard on their part of the annual. I have never seen a group that worked so well."

WATCH THAT PAPER

Ah yes, dear old Ozona High School with its paper cluttered halls. And they are that way for a fact. This sign of neglect does not reflect the attitude of all the students, but it belongs simply to those few who go through life making a bad name for other people. They think rules and regulations were made for other people and never meant for them.

The answers given when asked about the paper on the floor usually come out like this, "Why should I pick it up? I don't get paid for it." They fail to realize that as students it is their duty to make their school look as nice and neat as possible. So come on guys and gals — let's keep that paper off the floors.

Song Dedications

Walter to Martin — Love and Devotion.
Billy to Barbara — Hey, Good Looking.
Bob to Sandra — I'll See You in My Dreams
Wayne to OHS — I'm Movin' On

**Girls' Sextet Sings
For Woman's Club**

The sextet sang for the Woman's Club at 4:00 Tuesday afternoon. The meeting was held at Mrs. S. M. Harvick's home. The sextet, composed of Jo Ann Deaton, Marion Mock, Kay Kirby, Sandra Brewer, Sophie Reina and Jeannene Thompson, sang three numbers for the club. Shirley Kost accompanied the girls.

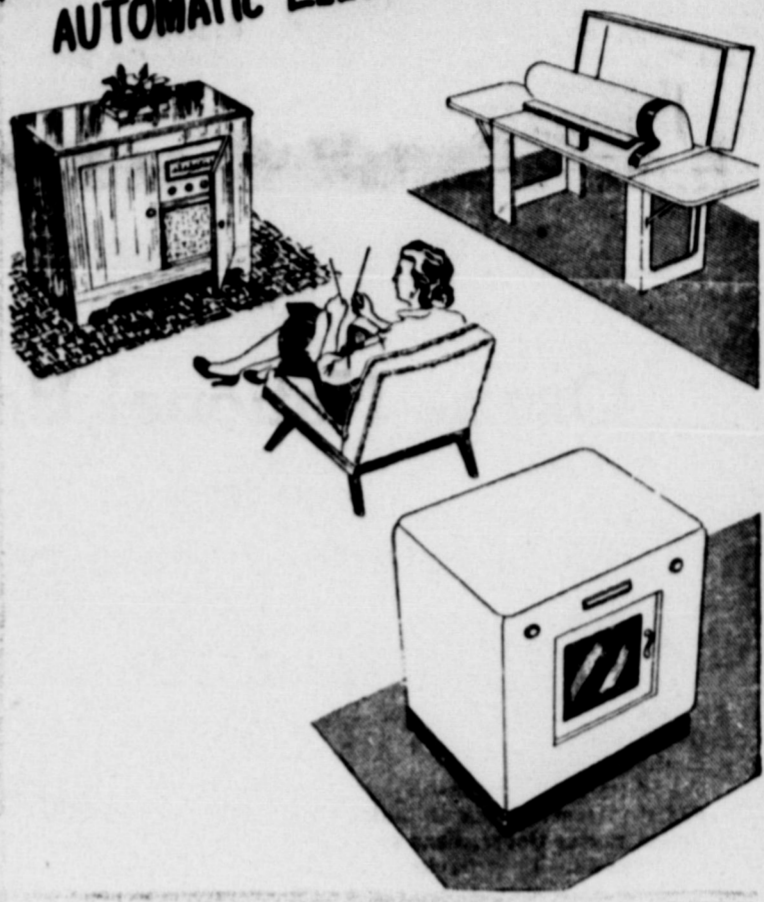

**Kirby, Phillips and
Thompson Winners in
Fire Poster Contest**

The Ozona Lion's Club recently sponsored a fire prevention poster contest among the high school students. The posters were placed on exhibit in the Girls' Gym and were judged on Wednesday afternoon by a committee from the Lions Club. The basis for the decision of the judges was originality and effectiveness as fire prevention posters.

The first place was awarded to Kay Kirby, second place to Kenneth Phillips and third place to Jeannene Thompson. The judges were Clay Adams, Duke Ellis and Miss Mildred North. The winning posters have been on display in local places of business during the past week, and the winners will be the guests of the club at the next meeting.

Advance news — The annual staff met Tuesday at 1:00 p.m. with Mr. Jacks from San Angelo. The staff chose the covers for this year's annual and chose the kind of type to be used.

Music Club Hears Greig and Sibelius Compositions at Meet

A program consisting of a sketch on Greig by Mrs. Ken Cody, two piano compositions of Grieg played by Mrs. Neal Hannah and a sketch of Jan Sibelius by Mrs. George Russell, Jr., was enjoyed by the Ozona Music Club Thursday afternoon with Mrs. Pleas Childress and Mrs. Henry Witcher as hostesses.

Mrs. Sherman Taylor, club parliamentarian, gave a short par-

liamentary drill and Mrs. Bob Bailey, delegate to the Oct. 5 Sixth District Federation of Music Clubs in Brownwood, gave a report on the convention. Miss Wanda Watson, club president, presided at the business meeting. Present for the meeting were Miss Wilda Samuelson, Miss Wanda Watson, Mmes. Lowell Littleton, Harold Lipford, Clyde Joiner, Ted White, Lee Childress, Bob Bailey, Sherman Taylor, George Russell, Jr., Neal Hannah, Ken Cody, Joe Williams, Henry Witcher and Pleas Childress.

Jenny King Circle Continues Study

The Jenny King Circle of the Methodist W.S.C.S. met Wednesday morning in the home of Mrs. S. M. Harvick. Mrs. J. S. McKiddy gave the devotional "Love Thy Neighbor as Thyself." Mrs. L. B. Cox, Jr., study leader, led the study of the second chapter on "The Americas, North and South." Mrs. Troy Hickman discussed the discovery and colonization of South America. Sixteen members and visitors were present.

Mrs. Evert White will review "Mexico South" by Covarrubias at the general meeting of the Society next Wednesday morning. Present for the circle meeting were Mmes. Joe Clayton, J. A. Fussell, Troy Hickman, J. S. McKiddy, Charles Williams, Sr., John Henderson, W. H. Whitaker, Bud Russell, Joe Pierce, L. B. Cox, Jr., Charles Williams, Jr., A. W. Clayton, Strick Harvick, and Paul M. Hallcomb and two guests, Mrs. P. T. Robison and Mrs. Opal Phoenix.

PRETTY EXPENSIVE!

Seems like a high price to pay for a pound or so of porcelain, doesn't it? Yet that's just what it cost one co-op recently to replace an insulator broken by a very thoughtless fellow with a rifle and nothing else to shoot at. It took over 75 man-hours and 180 miles of line inspection to locate and repair the insulator.

The man who fired the shot just couldn't realize that he would cause all that trouble and expense. More important, he probably couldn't realize that the outrage his stupidity caused would work a real hardship on many consumers on that line.

And "hardship" doesn't just mean that those folks wouldn't have any lights. In the present emergency, farmers and ranchmen are depending more and more on electricity to help them do the job of producing the food and fiber that is needed.

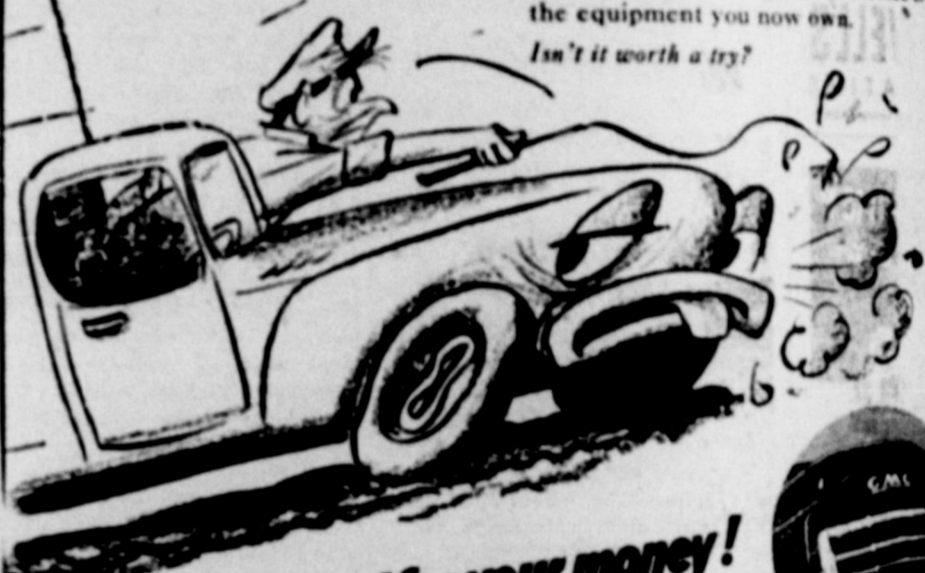

Our job is to keep the farmers and ranchmen supplied with electricity, and to extend service to farms not yet electrified. Please don't make us take time from that job to repair equipment that wouldn't be damaged except for useless shooting.

We would like to ask every member of this community to do one thing: When you use a gun, use your head. Don't sabotage vital electrical equipment.

Southwest Texas Electric Co-Operative, Inc

"Owned By Those We Serve"

Your truck **PUFFING** instead of **PULLING?**

EVEN the best of us get out of shape from time to time. But that truck of yours—if it's to be a steady source of profitable income—must be kept in leading trim. That's our specialty.

If you turn your equipment over to our mechanics at regular intervals—we can keep your trucks in tiptop condition by catching the "little things" before they develop into major breakdowns.

And in so doing, you save money three ways.

First, you avoid 90% of the costly repairs experienced by less wise truck owners.

Second, you get more hours of profitable hauling with less time lost to "down time."

Third, you get more years of service from the equipment you now own.

Isn't it worth a try?

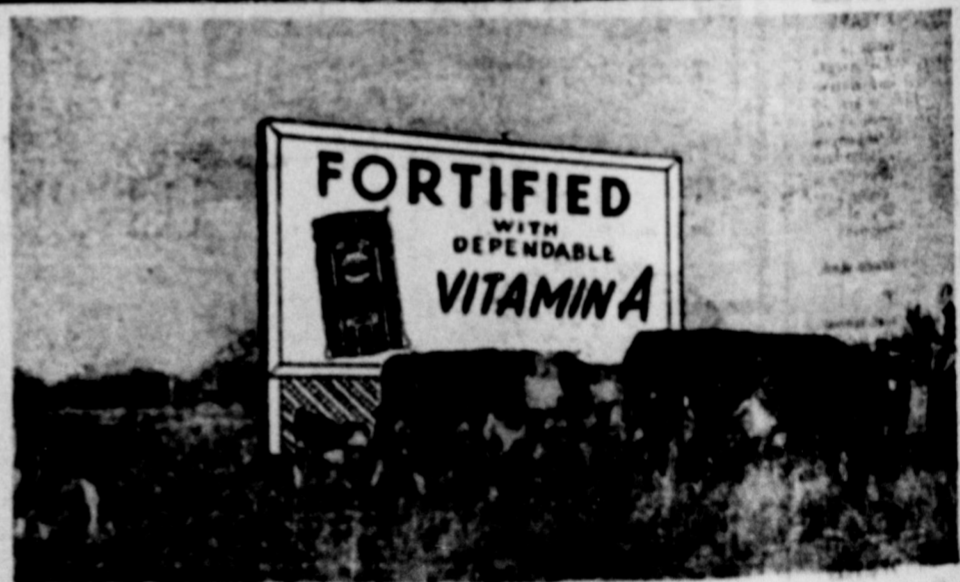

Get more 'run' for your money!

SALES AND SERVICE HEADQUARTERS FOR GMC TRUCKS

FORTIFIED WITH DEPENDABLE VITAMIN A

Red Chain Vita-Range Nuggets

MEANS A BETTER CALF AND LAMB CROP

Here Is The Evidence

Mr. R. E. Fathoree of Hamilton, Texas says: "Last spring I personally conducted a sheep feeding test, using Red Chain Vita-Range Nuggets in comparison with cottonseed cake. From 30 ewes fed on Red Chain Vita-Range Nuggets I got 37 lambs and the ewes sheared an average of 9.9 pounds of wool. In an adjoining pasture 37 ewes fed on cottonseed cake produced only 29 lambs and the ewes sheared only 8 pounds of wool. You can see why I like Red Chain Vita-Range Nuggets."

Mr. J. M. Carder of Sanderson, Texas says: "No other feed has ever given me the results I got from Red Chain Vita-Range Nuggets. I feed both cattle and sheep and find that Red Chain Vita-Range Nuggets works equally well on both. They give me better conditioned mother animals and bigger and better calves and lambs. After using Red Chain for the past several years I highly recommend it to any rancher."

Mr. Ray Roberts, Gage Ranch, Marfa, Texas, says: "I have fed Red Chain Vita-Range Nuggets for the past two years and like it better than any feed I have ever used. I especially like the Vitamin A fortified feed for heifers as I find my heifers calve better and all my mother cows give more milk, which means bigger and better calves at birth time."

Ozona Stock Medicine and Feed

Church Scene of Hubbard-Ashby Ceremony Here Saturday Evening

Baptist Church of Ozona scene of the wedding of Marilyn Hubbard and Les Ashby, Jr., of Midland, were exchanged at 7 p.m. Saturday evening with the Rev. J. T. Tennison officiating. The ring ceremony was before an altar banked with flowers, and flanked with vases of white chry-

santhemums and candelabra. The bride is the daughter of Mr. and Mrs. C. B. Hubbard of Ozona, and was given in marriage by her father. She chose a gown of white Chantilly lace designed with tiered skirt trimmed in accordion pleated nylon net. The neckline of the fitted bodice was outlined with seed pearls. Her cap of white lace was trimmed with seed pearls, and was caught to an elbow-length veil of illusion.

Matron of honor was Mrs. Lee Crenwelge, of Lovington, N. M., sister of the bride. She wore a pale green satin dress with green lace jacket. Junior bridesmaids were Janice Spencer of Ozona and Georgia Hubbard of Odessa, both of whom wore coffee brown satin gowns with lace capes. Bridesmaids were Ruth Sparks of Ozona, Ann Ashby of Midland, and Serita Obelgoner of Hallettsville.

They wore gowns of fall green satin with lace jackets. Lynn Crenwelge of Lovington was flower girl, and was gowned in white net over white taffeta. Kim Hubbard of Bartlesville, Okla., was ring bearer.

Halt Priddy of Stanton was best

man, and ushers and groomsmen, included Tate Keesley of Stanton, Claude Goldsmith of Houston, Allen Olsen of Midland, Jack Rothwell of San Antonio, R. L. Surrels of Houston and Harold Davis of Austin.

Mrs. Henry Witcher, organist, played wedding music and accompanied Mrs. H. B. Tandy and Miss Jeannene Thompson, who sang "Because" and "Through the Years."

A reception was held in the church parlor, with baskets of chrysanthemums used in decorations. The table was centered with an arrangement of white asters and babies breath. The three-tiered wedding cake was topped with a miniature bridal couple, and was served by Mrs. Joe Hubbard and Mrs. Carl Stevens. Mrs. C. O. Spencer and Mrs. Lowell Littleton presided at the coffee service. Guests were registered by Mrs. Tom Mitchell and Mrs. Armond Hoover, Jr.

When the couple left for a wedding trip, the bride was wearing a black velvet suit with white accessories. They will be at home in Austin where they are students at the University of Texas. A son of Mr. and Mrs. F. C. Ashby, Sr. of Midland, he is a graduate of Schreiner Military Academy of Kerrville.

Mrs. Ashby was graduated from Ozona High School and is a member of Alpha Gamma Delta sorority at the University of Texas.

Out-of-town guests at the wedding were Mr. and Mrs. Ray Lockett, Mr. and Mrs. George Putnam, Mr. and Mrs. George Turner, Mr. and Mrs. D. R. Scharbaum, Mr. and Mrs. Williams Totts, Mrs. J. G. McMillan, Loyd French, Mrs. C. W. Fajis, Mr. and Mrs. Leland Oavison, Mr. and Mrs. T. W. Anderson and Mrs. E. H. Davison, all of Midland.

D. R. Mabry, Walter Kiley, Fred Stacky, Richard Aubrey, Shirley

Klein, Wilbur Sprague, all of Port Arthur; Marilyn Graham, Houston; Jane Dickson, Gaye San-Juanita Fipps, and Mr. and Mrs. lesville, Okla.; and Mr. and Mrs. L. M. Stevens, Andrews.

IS YOUR CAR Ready for Winter?

Your car, too, needs a "fur coat" so to speak, for the cold winter months ahead.

Old oils and greases tend to thicken in cold weather and your car can not perform at highest efficiency. It's time to drain your crankcase, flush out the cooling system, check it for leaks - anti-freeze, you know - put fresh grease in chassis, transmission and differential, clean motors, check spark plugs, wiring and batteries, and otherwise give the old bus a general winterizing treatment.

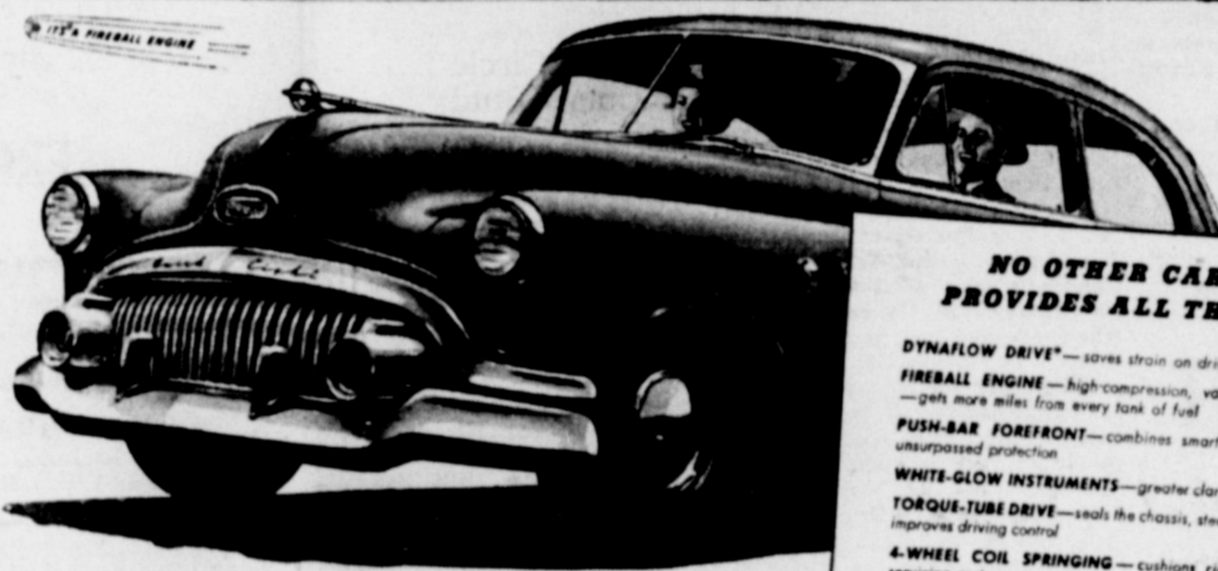

For the best in oils, greases, you needn't look farther than your Cosden station. Drive in today.

LET'S SUPPORT THAT FOOTBALL TEAM

Double Surprise for a lot of folks

EVERY time we publish the price of a Buick, it seems to surprise a lot of people, because they come in and tell us so.

They just can't believe that so little money buys such a lot of car - but it's true.

And that brings us to the second surprise - which is how much power and performance - how much comfort and room - what a long list of standout engineering features you get for the price.

Take power. You'll find that no other car at the price of the Buick SPECIAL pictured here delivers the horsepower you get from its high-compression, valve-in-head Fireball Engine.

Take comfort. The best thing to do is try the depth of its seats - their width - and the headroom you get in this Buick SPECIAL, and judge for yourself.

Take the ride. This Buick has big soft coil springs on every wheel, plus the solid firmness of a torque-tube keel - and the way this combination smoothes the bumps is something that's hard to match in cars costing a thousand dollars more.

- NO OTHER CAR PROVIDES ALL THIS:**
- DYNAFLOW DRIVE** - saves strain on driver and car
- FIREBALL ENGINE** - high-compression, valve-in-head - gets more miles from every tank of fuel
- PUSH-BAR FOREFRONT** - combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS** - greater clarity at night
- TORQUE-TUBE DRIVE** - seals the chassis, steadies ride, improves driving control
- 4-WHEEL COIL SPRINGING** - cushions ride, saves servicing cost
- DUAL VENTILATION** - outside air fed separately to right or left of front compartment
- SELF-ENERGIZING BRAKES** - hydraulic - multiply pedal pressure five times at brake drum
- DREAMLINE STYLING** - tapered, car-length fenders, gleaming sweepers on most models
- Plus: Self-latching luggage lid, StepOn parking brake, two-way ignition lock, Safety-Ride rims, Hi-Powered engine mounting, Body by Fisher
- When better automobiles are built BUICK will build them

Take the way it steers. Buick engineers have given this light-handling beauty a special "front-end geometry" that almost does the steering for you - even brings the front wheels back to a straight line when you come out of a turn.

And you can add to all this Dynaflo Drive - that puts magic smoothness into every mile you drive - and practically repays its extra cost by the way it protects the whole driving mechanism, and by the dollars it adds to trade-in value.

So if you have been hoping, some day, to own a Buick - what's holding you back? If you can afford any new car - better see us now.

Equipment, accessories, trim and models are subject to change without notice. Standard on ROADMASTER, optional at extra cost on other Series.

There will be bonfire and pep rally Thursday night at 6:30 p. m. It will be on the lot across from the high school behind Joe North's Motor Co. After the football game which starts at 7:30 p. m., there will be a dance in the girls' gym. Everybody come.

We HAVE TOO MANY RASCALS IN PUBLIC OFFICE AND HIGH PLACES

Our STATE LEGISLATURE needs more BUSINESS MEN, RANCHERS and FARMERS to balance the OVERLOAD of LAWYERS now there. The State of Texas is about to be "Laxed" into bankruptcy.

I have no time for the left-wingers, socialists, communists and squanderers of the taxpayers money.

In my 57 years I have found that "Honesty REALLY IS the best policy," whether in the home, business or public office. I am not BEING RUN by anybody, nor am I running on my Daddy's name.

I am running ON MY OWN. I will serve you as an unbiased unobligated STATE REPRESENTATIVE.

I received 41 per cent of the votes in the district last year against Callan Graham — I never stopped running. This is my second try . . . I need your help . . .

Please VOTE FOR for

HERBERT J. ANTOINE

STATE REPRESENTATIVE NOV. 13

Here and There

By J. Troy Hickman (Continued From Page One)

is a fraud, as we think it is. But if useful information is thereby available to those nations who are willing to pay the price of the official recognition of the Pope's Vatican State, a grave moral question is involved.

That question is about the honesty of any arrangement whereby men go into other countries to accept the hospitality of those countries as ministers of the gospel of Christ, and remain there to spy upon the governmental affairs of those nations and transmit information to the enemies. If such is the case, and Mr. Truman's action suggests that it is, then the recent trials of a certain Roman Cardinal in the courts of a certain Communist-dominated country becomes more understandable.

In times of war, it is understood by all belligerents that enemy spies, if caught, are punished by death. Every spy who enters a country knows and accepts that possibility. But here is a situation where a church which claims to be the sole official agency of Christ in the world sends its ministers to serve the souls of men abroad, and at the same time uses them as units of an international spy system. The least one can say about such an arrangement is that it is certainly not Christlike, even if allegedly Christian. Such betrayal of national hospitality might understandably get all Christian ministers run out of all foreign countries.

The anxiety of the Pope to have official representatives from all nations sent to his Vatican State also makes crystal clear the real and ultimate purpose of the Roman Catholic Church, namely, to build up and maintain a worldwide political empire for aims and purposes of its own.

The government of the United States is supposed to have an intelligence service. If, however, it is urgent that the government have also the information which Christian ministers abroad are able to collect and provide, then why does the government not also offer to send envoys to the old Baptist Alliance, The World Congress of Methodists, and other leading Protestant groups on these same terms. These groups maintain tens of thousands of missionaries in the countries of the earth, and they have the same chance to learn about local conditions that the Catholic priests have, although it is doubtful whether any one of them become a party to such a dubious undertaking.

The American tradition that all churches and religions shall have equal rights under the law is so clear that even sixth-grade school children know it. But the Roman Catholic Church has never been willing to honor this tradition. In the matter of public education, it

has been unwilling to send its children to the common schools maintained by all for the equal use of all. It has established parochial schools of its own, where all knowledge can be planted the Catholic way. Furthermore, it has demanded and in many instances obtained, public school money for school bus service, lunches, and textbooks to be used in parochial schools which have not subject to the control of the government through which this money is collected and has caused its nuns to become teachers in public schools in uniform.

If the Roman Catholic Church can win the heart of America on the free market of open and equal ecclesiastical competition, well and good. But when it demands and gets a special and preferred status, then the freedom of worship in this country is on the way out.

I should like to see the appointment of the envoy to the Vatican made a case before the Supreme Court of the United States; because here seems to be no question but that it is a clear violation of the Constitution, in that Mr. Truman has, in effect, made "an establishment" of religion.

There is a chance that between now and next January, when the Congress convenes, that so many Senators will be deluged with such landslides of mail protesting against this un-American act, that they will refuse to confirm the appointment; or that Mr. Truman will be persuaded to withdraw the nomination. It may be that the question of a representative to the Vatican will come squarely before the people as one of the issues of the residential election campaign. The Senators who serve us are Tom Connally and Lyndon Johnson. Their permanent Washington addresses are Senate Office Building, Washington, D. C. There is still time to stop this outrage, if enough private citizens care to take the trouble to make their convictions known.

Sunshine Circle Continues Study

The Sunshine Circle of the W. S. C. S. met in the Hugh Childress, Sr. home Wednesday morning with Mrs. John Coates as hostess. A social hour was enjoyed followed by the program.

Mrs. N. W. Graham was in charge of the devotional, which included a hymn, followed by a meditation and concluding with a prayer.

Mrs. L. B. Cox, III, continued the study "We Americans, North and South." Mrs. Bill Baggett will give the next chapters at the circle meeting which will be Nov. 14 to meet with Mrs. B. B. Ingham, Sr.

Next Wednesday, Oct. 13, the W. S. C. S. will meet in a group meeting to hear a review of "Mexico South," by Miguel Covarrubias, one of the three leading artists of the world, and on Wednesday, Nov.

7 the Sunshine Circle will act as hostesses when the W. S. C. S. meets in their regular first meeting of the month.

Present for the circle meeting were Mrs. Bill Baggett, Mrs. W. D. Cooper, Mrs. Dempster Jones, Mrs. W. T. Stokes, Mrs. D. B. Pettit, Mrs. N. W. Graham, Mrs. L. B. Cox, III, Mrs. B. B. Ingham, Sr., Mrs. Max Schneemann, Mrs. John Coates and Mrs. Hugh Childress, Sr.
