Elkhorn Field Gets Half Mile North Extender

Conoco 1-D Shannon Flows Oil in Preliminary Tests

Conoco No. 1-D Shannon, indicated 1/2-mile northern extension to the Elkhorn (Ellenburger) field of Crockett county, was preparing to run 5 1/2-inch casing after shows of oil and gas in the Ellenburger.

On a one-hour, 16-minute drill-stem test between 7,360-7,435 feet, the project surfaced gas in five minutes, mud in 28 minutes, and oil in 31 minutes. The project then flowed 40 barrels of pipeline oil. There was a strong blow through-out.

Operator ran Schlumberger and was preparing to run casing.

Location is 660 feet from the most northerly south line and 3,300 feet from the most westerly west line of section 20-UV-GC&SF.

Conoco No. 1-B Harris, wildcat in section 17-HH-GC&SF, was drilling below 8,147 feet in shale and lime.

Conoco No. 1 Friend, wildcat in the J. McClelland survey 28 1/4 was drilling below 7,045 feet in shale and sand.

Conoco No. 1-C Harris, wildcat in section 4-BB2-F, Boren, was drilling below 7,051 feet in lime and shale.

Conoco No. 27-A Shannon, in the Elkhorn field, was drilling below 4,837 feet in shale.

Humble No. 1 Martin, wildcat in section 38-OP-GC&SF, was drilling below 1,615 feet in lime and shale.

Humble No. 1 Davidson, wildcat in section 5-F-GC&SF, was drilling below 9,468 feet in lime and shale.

Sinclair No. 1 Friend, in section 6, C. Barrera, grantee, was drilling below 4,519 feet in lime and shale.

Sun No. 1 Mitchell, wildcat in section 111-I-I&GN, was drilling below 12,755 feet in lime with trace of chert.

Oct. 1 - Nov. 30 Sign-Up Period For ACP Program

Conservation Program to Stress 'First Things First'

From October 1 to November 30, Crockett county ranchmen will have an opportunity to sign up to cooperate in the 1953 Agricultural Conservation program.

This year the farm by farm-first things first" procedure which was tried out in at least one county in each state this year, is being made available to all farms in all counties for the 1953 program. The purpose is to center conservation efforts on the most needed practices on each individual farm or ranch.

In the farm-by-farm effort, the local PMA committee will contact each rancher in the county to help determine the conservation needs to be carried out on the ranch. Plans prepared by the Soil Conservation Service or other agricultural agencies will be considered in setting up the conservation program for each ranch. Members of the county committee and not PMA county employees will be charged with the duty of contacting the ranchmen and planning the year's practices.

Practices to be carried out must be determined not later than December 1 for the 1953 program.

Members of the Crockett county PMA committee are Bill Seahorn, Abe Caruthers, Jake Young, Marshall Montgomery and Bud Coates.

Charles Williams, Ozona feed dealer, seriously injured in a head-on auto crash south of Ozona last week, is reported doing well in a San Angelo hospital where he is under treatment for a broken hip and pelvis.

Midland Contractor Begins Work of Seal Coating City Streets

Work of seal coating paved streets in Ozona got under way last week under terms of a contract made by the county with Frank Montgomery, Midland paving contractor.

A heavy coating of tar and crushed rock is being applied to all streets in the city, the work starting on the west side of Johnson draw. The work is to be completed by the last week in this month.

Private contracts are being negotiated by property owners for paving of streets and alleys not heretofore paved and the rate of charge for this work is set out in the contract with the county. Damon Davis, county road engineer, is supervising performance of the contract.

This work was provided for in the recent \$200,000 bond issue approved by Crockett county voters. The issue will pay for right-of-way on a 17-mile stretch of oil field road to be built by the state and also two spur roads connecting Todd field with the new state road and Powell field with Farm road 33 to the north.

4-H Club Members Select Lambs, Start Feeding Programs

Eighteen 4-H Club boys and one club girl have selected 112 lambs for the 4-H Club lamb feeding program. County Agent Pete Jacoby announced this week. Three other clubbers plan to select lambs in the near future, making a total of 22 feeders so far indicating their intention to feed lambs.

The lambs were selected from a group of lambs which have been on a group feeding plan for several weeks.

The feeders, number and kind of lambs and the breeders, are as follows: Erbie and Susie Chandler, 10 crossbreds of Chandler breeding, 7 Southdown and Southdown cross and 1 Rambouillet of Edgar Glascock breeding; Jimmy McMullan, 3 crossbred of Childress Bros. and 1 Ashby McMullan; Ronnie McMullan, 4 crossbred Chandler lambs; Joe McMullan, 4 crossbred, Joe Tom Davidson; Roy, Robbie and Jimmie Sutton, 4 each, crossbred, Joe Tom Davidson breeding, and 1 southdown cross each; R. J. and Joe Everitt, 6 Rambouillet of C. E. Turner and Rufe Everitt breeding, 4 Chandler crossbreds; Graham Childress, 5 Rambouillet, Edgar Glascock and Massie Ranch; Jody Jones, 4 crossbred and 4 Rambouillet, Childress Bros., 1 Southdown cross.

Carl Conklin, 7 Chandler crossbreds, 3 Childress Bros. Rambouillet, 1 Southdown cross; Billy Jacoby, 1 Chandler crossbred, 1 Childress Bros. Rambouillet and 1 Southdown cross; Gary Thomas, 2 Chandler crossbred, 2 Childress Bros. Rambouillet; Pleas Childress 4 crossbred, Childress Bros., Geo. Bunger, 3 Chandler, 1 Bunger, crossbred, 4 Rambouillet, Bascomb Cox; Scott Hickman, 4 crossbreds, Childress, 4 Rambouillet, Massie Ranch;

Bill Schneemann, George Blackstone and Charlie Black have not yet selected their lambs. Several good lambs are still available to prospective 4-H Club members who may be interested in the feeding program, Mr. Jacoby said.

Cpl. Wm. P. Hoover Enroute Home From Korean Battle Line

(Mailed from Korea Sept. 3) WITH THE 7TH INFANTRY DIV. IN KOREA — Cpl. William P. Hoover III, whose parents live in Ozona, Tex., is en route home from the 7th Infantry Division in Korea under the Army's rotation plan.

His former division, famous for the Inchon landing which turned the tide against the North Koreans in September 1950, is now entrenched along the west-central front in the mud of the Korean rainy season.

Corporal Hoover has been in Korea since February 1952.

Big Lake Trims Lions 19-7 In Season Opener

Locals in First Appearance on Home Field Friday

Statistically, the Ozona Lions held the edge over the Big Lake Owls in the season's opening football game in the Owls stadium at Big Lake Friday night, but the score board showed the Owls victorious with a score of 19-7.

The Lions led in first downs 11 to 10, gained 267 yards to 263 for the Reagan club, attempted 26 passes, completed 13 for a total of 130 yards while the Owls attempted 7, completed one for 86 yards (a touchdown for the score board.)

Charles Hale put the Lions in the lead in the first quarter when he intercepted an Owl pass and raced 80 yards for a score, Wilburn Conklin kicking the extra point to give the Lions a 7-0 lead.

The Owls pulled up to within a point, however, in the same quarter when Jerry Thompson and Eddie Compton teamed to push the ball to the Ozona four from which point Thompson plunged over. The try for point failed and the Lions held on to a slim point margin lead.

The game rested on this point difference until the third quarter when Charles Barton of Reagan passed a short one to Compton who eluded the Ozona defender to go the 80-yard distance for a touchdown. Again the try for point failed and the score was 12-7.

The last Reagan score resulted from desperation play of the Lions in the waning minutes of the game. A Lion screen pass was intercepted by Benson, Owl guard, on the Lion 30, and Benson was stopped on the 2. Compton carried it over and pushed across for the extra point to make it 19-7.

Besides the 80-yard touchdown run, the Owls were inside the Ozona five-yard line twice and scored as many times. The Lions, on the other hand, were inside the Owls five three times but failed to carry through for the markers.

The Lions' passing game showed excellent promise with the fine pass catching performance of Don Cooper, Bill Maness and Tom Piner. Cooper caught 5 for 44 yards, Maness 6 for 48 yards and Piner 2 for 38 yards. These lads, with Charles Garlitz and Charles Hale were shining lights on the Ozona offense. Stout defenders against Owls attacks particularly were Piner, Ramon, Cooper, Martinez, Schneemann and Hale.

Only Eden and Junction survived their first season test among teams composing this Interscholastic League district. Eden defeated Rochelle 12-0 and Junction took Santa Anna 19 to 12. Sonora bowed to Brackettville 12 to 6. Melvin swamped Menard 27-0 and Eldorado lost to McCamey 13 to 7.

The Ozona Lions meet the strong Iran Braves on the Lions Field here Friday night for the first home game of the season. Game time is 8 o'clock and a packed stadium is expected to cheer the Lions in the first home appearance.

Lions Club to Meet Wednesday at House Of Flowers Tea Room

Ozona Lions Club will meet next Wednesday noon at the House of Flowers Tea Room for the first meeting of resumed activity after a summer recess. A special program has been arranged for the day.

A meeting of club directors was held Monday night, with twelve officers and directors present. The club will furnish film sufficient to film the Ozona-Iraan football game here Friday night, the film to be used by the Lions in reviewing their play and possibly profiting from what mistakes they may make.

Mrs. Frank Ashby of Midland is spending a few days here visiting her parents, Mr. and Mrs. Cecil Hubbard.

J. B. Smith, Early Day Ozona Superintendent, Dies in San Angelo

J. B. Smith, 82, who served as superintendent of Ozona schools for several years beginning in 1911, died in San Angelo Friday afternoon. Mr. Smith, who had been associated with a life insurance firm for many years in San Angelo, served as superintendent of schools in Brady, Elldorado and Christoval before going to San Angelo to enter the insurance business. Mrs. Smith is a sister of J. R. Kersey of Ozona.

Funeral services were held in San Angelo Saturday with burial following in Fairmount Cemetery. A. C. Hoover and Judge Houston Smith of Ozona were among honorary pallbearers named by the family. Mr. Smith had been in ill health the past two years.

Humble Martin Test Cuts Bleeding Cores

Humble No. 1 Martin, Crockett county wildcat, cored between 997-1,043 feet and recovered 39 feet of sand and shaly sand with shows of oil.

Operator then cored between 1,060-70 feet and recovered eight feet of sandy shale with no shows and two feet of sand bleeding oil. On a core from 1,070-101 feet, recovery was 29.6 feet of which six feet was sand bleeding oil and 23.6 feet was shale and gypsum with no shows. A core between 1,400-15 feet recovered shale with no shows.

The test was drilling below 1,474 feet in shale, projected to 9,200 feet or the Ellenburger. Location is 1,980 feet from the south and east lines of section 38-OP-GC&SF.

Barron Kidd of Midland No. 2-B Ed Bean Estate-Pure, wildcat in north-central Crockett county, has been plugged and abandoned on total depth of 1,503 feet in lime showing sulphur water.

Location was 1,032 feet from north and 330 feet from west lines of section 65-OP-GC&SF survey and nine and one-half miles northwest of Ozona. It was dug about two and one-half miles southeast of the Vaughan field.

Methodist Vesper Services Start Sun.

Beginning Sunday, Sept. 21, the Ozona Methodist Church will have a series of Sunday evening vesper services at 5 o'clock p.m. During the fall, winter and spring months, the vesper services will replace the evening service formerly held at 8 o'clock.

The Methodist Youth Fellowship will have a supper and Bible study meeting at 6 p.m., followed by a recreation period.

Annual PTA Party For Teachers Tonight At North Elementary

Members of the school faculty will be honored by the Ozona Parent-Teachers Association at the annual PTA party for teachers tonight in the new auditorium of the North Elementary School. The party will begin at 7:30 p.m.

All parents of school children are urged to attend and meet the teachers and enjoy an evening of visiting. In charge of party arrangements are Mrs. James Baggett, Mrs. Jake Young and Mrs. P. L. Childress.

The PTA held its first meeting of the new year Monday afternoon in the high school auditorium. Mrs. A. O. Fields, new president, presided and welcomed the new teachers.

Rev. Blake Woolbright, pastor of the First Baptist Church, gave the devotional on "Faith in Our Schools." Mrs. P. C. Perner was program leader. A program was presented by the school band under the direction of Corbett Smith.

Attendance award for the meeting went to Mrs. Ted White's sixth grade class with the largest number of parents present.

PTA officers for the year are Mrs. Fields, president; Mrs. Vernon Ratliff, first vice president; Mrs. Ele Hagelstein, second vice

320 Tons Of Hay Ordered Here In Gov't. Program

Orders Being Taken At PMA Office for Shipments

Order has already been placed for 160 tons and another order of about the same size was being prepared yesterday in the local PMA office in the drought disaster hay program of the United States government, Mrs. Mary Dunlap, executive officer, reports.

Orders are still being received at the PMA office. A deposit of \$5 per ton is required of each rancher and amount is limited to a 30-day supply. Legume hay is being delivered at rail point at \$36 a ton, mixed hay at \$32 and grass hay at \$28. Clyde Perry at Barnhart will be in charge of distribution from that point.

Ranchmen will be required to pay for transportation of the hay from the rail point to the ranch. Payment of balance due on hay will be required on delivery.

Lowell Littleton To Head USO Drive In Crockett County

Lowell Littleton, Ozona, Texas, today was named Crockett county chairman for the forthcoming fund appeal in Texas for the U.S.O.

Appointment of Mr. Littleton to head the Crockett county appeal was announced by R. R. Gilbert of Dallas, campaign chairman of the Texas United Defense Fund Committee and Jack Ransome, Region 4 chairman of the USO fund drive.

In accepting the appointment as county chairman, Mr. Littleton pointed out that Crockett county has a total of 67 boys and girls serving in the armed forces, and that more young people will be called up from time to time as our defense program expands.

"One of our most important, patriotic and personal responsibilities is to these young people in uniform," Mr. Littleton said. "In the U.S.O. we have a means by which we can assist in keeping up the morale of these young men and women who are giving up so much to protect our freedom."

"Let's make certain that the fund appeal for \$415 in Crockett county is a success."

Soil Conservation District Plans To Elect Supervisors

Two Vacancies to Be Filled; SCS Man Is Stationed Here

A meeting was held by the Crockett Soil Conservation District Supervisors in the PMA office Tuesday night. The supervisors present were Bascomb Cox, Alvin Harrell and Troy Williams. Others present were Pete Jacoby, county agent, E. B. King, SCS area conservationist from Sonora, and Don Fulton, local SCS representative.

Plans were made to elect new supervisors from subdivisions No. 2 and 4. Subdivision No. 2 is that area in northeast Crockett county from highway 163 east and from Irion county line to about 10 1/2 miles south of Ozona. Subdivision No. 4 is the south central part of the county, south of highway 290 and between the Ozona-Comstock road and Howard Draw.

Much discussion was directed to the purpose and benefits derived from soil conservation districts. It was pointed out that soil conservation districts are organized and operated by land owners within the district and no state or federal agency has any jurisdiction over what is done in the area. After districts are formed, the supervisors may ask for assistance from the various agencies to act in advisory capacity only.

The supervisors also discussed the possibility of getting an office in which to transact district business and also house SCS personnel.

THURSDAY, SEPT. 18, 1952

FORT WORTH — Considerably smaller supplies of livestock arrived at Fort Worth and at the Nation's 12 major public markets as the mid-September market week opened Monday. Highly uneven prices were in evidence, with the trend steady to stronger on most cattle and calves with some sales 50 cents higher. Cows sold fully 50 cents, spots \$1 higher. Other classes of cattle and calves, including stockers, were getting a bit better action than was evident

in the dull close of a week earlier. Hogs opened the week with a 25-cent advance and topped at \$19.75. Sheep and lambs were generally steady, the kinds considered. High quality and highly finished kinds were very scarce, or absent.

In seeking reasons for the recent drop of prices, the trade believes: Persistent refusal of normal demand for stockers and feeders to develop has been a tremendous factor in the slumping cattle and calf trade. However packers again pointed to sharp reductions of wholesale prices of most kinds of calf meat and reiterated their inability to work out from under the inventories even at reduced prices. Cow beef, grasser steers and boned out beef was moving sluggishly in the meat channels because of large supplies.

Good and choice fed steers and yearlings drew \$24 to \$30. Plain and medium kinds sold at \$15 to \$24, with cull yearlings \$12 to \$15. Fat cows sold from \$14.50 to \$19.50, with canners and cutters at \$10 to \$14.50. Bulls sold from \$13 to \$20.

Good and choice fat calves cleared at \$21 to \$28.25, with common and medium sorts from \$15 to \$20, and culls at \$12 to \$14. Stocker calves ranged from \$18 to \$27.50 and stocker yearlings bulked at \$15 to \$26. Stocker heifers sold at \$24 down, stocker cows drew \$14 to \$20.

Fat lambs sold from \$20 to \$25, stocker and feeder lambs drew \$10 to \$19, and culls sold from \$8 to \$10. Fat yearling wethers sold from \$15 to \$19 and stocker yearling wethers sold from \$10 to \$14. Yearling ewes sold from \$17 down. Slaughter ewes sold for \$6 to \$7 and old wethers drew \$10 down. Two- and three-year-old wethers sold from \$12.50 down. Old bucks sold for \$6 to \$6.50.

Hog top Monday was \$19.75 and packing sows ended the week at \$15 to \$17.

Methodist Orphanage Story on Air Sunday

The story of the Methodist Home at Waco actually told by the children themselves will go on the air again Sunday, September 21, at 8:15 a.m. over fourteen radio stations.

The Home is dramatizing activities from the lives of its more than four hundred children again this fall on Sunday morning because

of an enthusiastic response from radio listeners all over the Southwest last fall. Some of them wrote that they had contributed to its support without ever having been able to visit its campus, and that the radio programs gave them a vivid picture of its life. Students and ex-students have done most of the script-writing,

and are acting out the incidents. Music by the Home choir will be a feature of the fifteen-minute broadcasts which are entitled, "These Are Your Children." Radio stations heard in this area which will carry the program are WFAA, Dallas; KPRC, Houston; WOAL, San Antonio; KCRS, Midland; and KGKI, San Angelo.

Telephone Officials Plead for Hunters to Spare Insulators

With the hunting season sounding off again, telephone men across the nation once more are shivering in their boots over hunters who either accidentally or on purpose shoot insulators off telephone poles.

Here in Ozona, a spokesman for the San Angelo Telephone Company asked that hunters please resist taking deliberate pot shots at insulators "for practice."

"When you've drawn a perfect bead on a dove or deer, sometimes it can't be helped," he said, "but when you sharpen your eye on the insulators you might just as well be aiming at human beings. Destruction of insulators could well mean the difference between life and death for someone making an emergency call."

He went on to say, "No telephone company wants to be a sportsman's killjoy, but if hunters will be good sports and con-

fine their shooting to game in season — which doesn't ever include insulators — it will be a great help in preventing a large segment of community telephone service from being out of order. And, if another reason for not shooting at insulators is needed,

HOW JUDITH NASH LOST 27 lbs. WITH AMAZING NEW APPETITE REDUCER PLAN

Ann Delafield, Famous Beauty Consultant, Reveals Dramatic Story of Her Easy, Natural Way to Lose Weight

"Judith Nash had tried reducing many, many times in her life but was never really successful," says Ann Delafield, renowned beauty authority.

"Then she tried the Ann Delafield Appetite Reducing Plan and discovered the wonderful secret of the Appetite Reducer. In an amazingly short time she slimmed down from 161 to a trim 134."

IT'S EASY—IT'S FUN

The story of Judith Nash can be your story, too. Now... a reducing plan is offered to you based on scientific laboratory research, and implemented by a vitamin protective capsule. If you are one of the thousands of women and men who have an overweight problem... the Ann Delafield Appetite Reducing Plan was designed to help you find slender beauty. It is the *easiest* way in the world to reduce because it's fun.

YOU CAN EAT YOUR CAKE AND HAVE "IT" TOO

If your figure isn't as perfect as you would like to have it... don't be discouraged. Perhaps you are one of the large army of women who have carried extra pounds for years... who have tried weight-reducing plans that have brought nothing but tears... who have punished their bodies with starvation diets. Now, at last, here's a scientific way to keep the slender beauty that's rightfully yours.

Your answer is the Ann Delafield Reducing Plan... an easy way to reduce that doesn't take the fun out of life. During Miss Delafield's forty years of experience in helping hundreds of thousands of women to lose weight, she has learned a great deal about this common problem. Most of her pupils have been recommended by personal physicians.

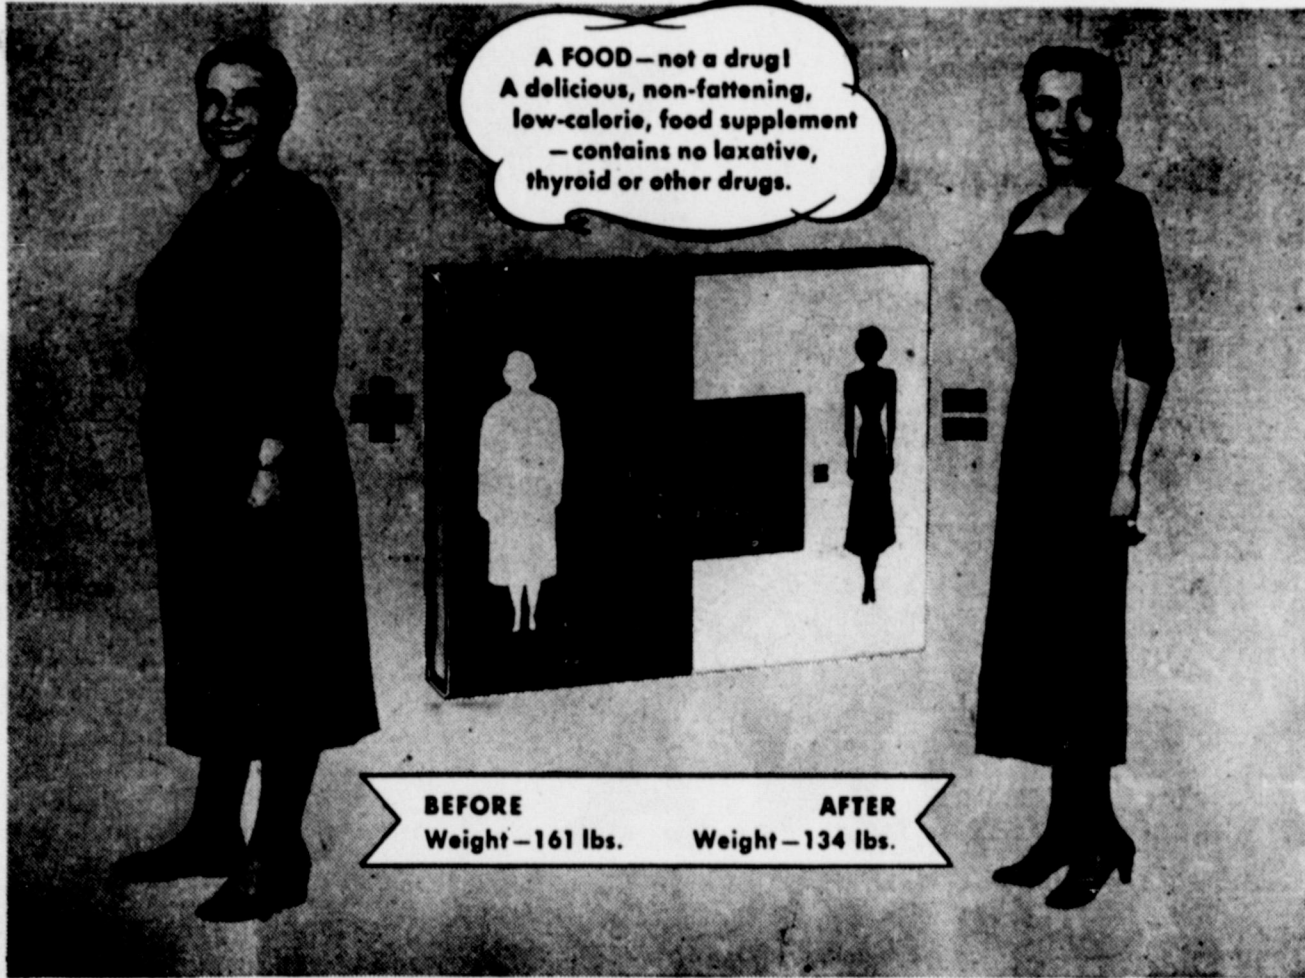

YOU DON'T COUNT CALORIES

All this work is done for you in the Ann Delafield Reducing Plan with generous, appetizing yet low-calorie menus. The secret of the amazing success of Miss Delafield's Plan is a scientifically produced... and delicious... wafer called the Ann Delafield Appetite Reducer. It's the greatest blessing a hungry person ever had! When you reach that time of day when you feel you need a snack for energy... you simply take the Appetite Reducer wafer. This wafer was conceived after years of practical experience and endless hours of consultation with physicians and dieticians.

In addition, your diet is supplemented by Ann Delafield Vitamin Capsules... carefully prepared by expert chemists to conform to the standards set down by the Food and Nutrition Board of the National Research Council.

DON'T PUT IT OFF ANY LONGER

If your doctor has told you that your excess weight is not due to a glandular disturbance or organic causes, start on your Ann Delafield Reducing Plan today. The complete package... containing the book, a 30-day supply of your Ann Delafield Appetite Reducer Wafers and Vitamins... costs just \$6.95; repeat package just \$5.95.

Judith Nash weighed 161 pounds and had tried again and again to lose the extra pounds that were making her self-conscious and unhappy. Then she tried the Ann Delafield Appetite Reducing Plan and wrote this to the famous beauty authority...

Appetite Reducer I lost 27 pounds and never felt better in all my life. My doctor found my health perfect and is greatly enthused about your particular method of reducing. The Ann Delafield Appetite Reducer not only kept me from feeling hungry, but gave me more vital energy than I could get in any other way."

Judith Nash, New York

Ozons Lose Thriller Big Lake in Grid opener There Friday

By Carl Conklin
Friday night was a pretty exciting night for the Ozona fans, as the fast moving ball game on the field. The Lions proved the usefulness of the famous Dutch Meyer spread. Although it was not used with it, it gained terrific edge throughout the game. The spread was used most of the game and provided much excitement for the crowd.

It was the first time for the spread to be used, but will be used by much the rest of the season. The first excitement of the game came when Hale intercepted a pass run eighty yards for a touchdown. Conklin kicked the extra point to make the score seven to nothing.

The second quarter, Big Lake came back to make a touchdown, but not the extra point. At the end of the game the score was seven to six in favor of Ozona.

The third quarter started off with a bang. The Owls marched a touchdown and again missed the extra point, making the score nine to seven.
In the fourth quarter Ozona had a crowd on its feet twice by getting down to the three yard line, failed to score. Big Lake got the ball again and made another touchdown by completing a pass which was good for eighty-six yards, this time making the extra point, bringing the score to nine to seven. That's the way the game stood at the end of the game. The next game is with the Iraan Braves here September 19. Let's give them backing, and let's win one.

WANT A SIGN?

Hey! Will you sign my annual? It was the plea that caused so many upsets in classes week before last. The 1952 annual arrived and they are now "signed", sealed and delivered — at least, most of them are. Annuals are being mailed to the people who bought one and who live out of town. If anyone would like to buy one, North still has some "extras."

Fads and Fooie

By Kenneth Phillips

First of all I would like to thank all my public for voting me Ha-Ha Editor. And for all the nice cards and letters, too. Please don't feel hurt if you don't get your notes for a few days.
Well, lookie here, Boney Henderson all decked out in a brand new pair of moccasins. (Indian shoes to pale-faces.) At first I thought that these shoes were hip boots but I asked him and found out that he made a mistake in size.

I am sorry if anybody thought the previous article was lousy, but everybody is still wearing the same thing they had on last week.
No, I take that back. Larry Lewis (Jerry Lewis' little brother) had on a beautiful stagnant green shirt — went wonderful with his jacket. Also noticed was the new belt buckle that was hung on Hugh Russell's belt. I like the cute way Hugh made his. Instead of going out and tearing down a windmill to get his cylinder and spending a lot of money, he bought a tin can. And while we are on the subject of belt buckles, Jody Jones has a new one, too. Well, let me walk on down the hall. Whom do I see? Scott Hickman and Bill Schneemann.

By gollies, are those new blue jeans? Nope, just last year's washed.
I guess I had better get on to Algebra class. And whom do I have it under? Mr. Pelto, of course. Wait, there's something new in the way of hair care. All the dandruff is gone. I can't figure out what it is, either. All that yelling over at the football every afternoon has scared it away or his wife is beating him header. I may not be seen around town for a few days after this goes in print, so don't any of you wonderful people worry about me. Nuff said. Bye now.

Question of the Week

By Della Mae Mason
What kind of questions would you like this year?

Dwight Odom — Questions on sports.

Carol Blackstone — Questions on our opinions about styles.

Wanda Carden — Something that will interest everyone.

Hugh Russell — I don't care.

Kay Simons — Something that pertains to everyone.

Von Henderson — How to improve the school.

Johnny Hedrick — Questions about dates.

Juanita Lopez — Anything that would interest high school students.

FOR SALE — Motor Scooter in good condition. See Frank Taylor or call 335-J.

Five New Teachers In Ozona High School

By Marion Mock

New school year, new subjects, faces, responsibilities, and, oh yes, NEW TEACHERS.

It seems that every time September things into our lives. And, always, things into our lives. And, always, during our school years, it brings new teachers.

We have five new teachers in high school this year. They are Miss Barbara Compton, who teaches English, Mr. Claud Leath, history and speech, Mrs. Ann Mayes, girls P. E., Mr. Bill Mayhew, shop, and Mr. Silas Wagner, Jr., teaching science and geometry.

Miss Compton comes to us from Pyote, Texas, where she taught two years. She holds a B. A. degree from East Texas Baptist College and has majored in English and minored in speech. Mr. Leath has a B. S. degree from Sul Ross. He majored in speech and minored in social science. This is Mr. Leath's first year to teach.

Mrs. Mayes majored in P. S. and minored in government and economics at T.S.C.W. She has her B. S. degree and has taught seven years. Mrs. Mayes comes to us from Graham. Mr. Mayes also came here from Graham and he has been teaching nine years. He holds a M. S. degree from T.S.C. and majored in industrial arts and minored in math.

Mr. Wagner has a B. S. degree from Daniel Baker and has taught one year. He majored in chemistry and minored in biology.

Fads and Fashions

By Jane Adams

Three weeks of new fall clothes combined with summer ones in ways to keep you un-sizzling.

Belts: Ann Baggett has a black one, latched around her waist with hinges like the ones pirates used to put on their treasure chests; our ha-ha-editor's tooled leather one with pale purple flowers and "Phillips" slanting across the back; Shirley Kost's red and white waist garter, five inches wide; Charles Garlitz's green and red and tan belt made by his brother in craft class at camp this summer. Scott Hickman's black and green one, his name in huge red letters.

Seen at the ball game: The cheer leaders wore big purple O's in the middle of each a megaphone with their names on it. The underfed green bull that was fought by the twirlers. A remark we overheard about the black hats our twirlers-turned-to-readers wore. "I'd like to have a hat like that to go with my new suit."

The Lion Roars

By Sonny Henderson

The Lions didn't roar too loud last Friday night but I think, and I imagine, the whole student body will agree that they played a real good game. I think the coach and the boys need a real good pat on the back for that good sportsmanship they showed during the game.

Charles Hale (Tadpole) as he is referred to by most of OHS, must have really been feeling good the other night because when he got the ball he looked like he was not afraid of anybody and nothing mattered to him but making that touchdown and making all that yardage he made.

Tadpole hasn't thought about much in the past but football and he has made a real player and I want all you people to go to that game Friday night and not only give the whole team but give Tadpole a little cheering too because he deserves it. He tried his best to start this ball club off right at Big Lake the other night and I think with a little backing from the stands he'll be just a little bit rougher and run a little harder.

So when you get out there Friday night really get out there and yell for the Lions and give them something to feel good about.

Dates And Doin's

School and dates usually are very closely related for some odd reason but this year something is different. Not many dates. Maybe it's because the girls are ugly or maybe it's the boys but whatever it is, here goes our gossip for this week —

I've heard Rosie is campused. Why? I can't get a word out of anyone.

Carol Friend, were you anxiously awaiting a taxi in Big Lake Friday night or could you have been waiting on one of those many beaux?

Jane was with Scott Saturday night. Break your record, Jane?

Guess whom Tom Piner had a date with — Betty Walley!

Vivian has been a constant companion of Bill Schneemann lately. Ever heard the song, "Distance makes the heart grow fonder?" In this case, "fonder of somebody else."

Ann, why is everyone concerned about your health? All I've heard lately is about your drinking lots of milk and eating raw meat. Are you anemic?

Say, I'm only curious, but who won the foot race out to Schneemann's Friday night? Jeannene or Vivian?

We had a shock in store last week. The romance between Alena and Rabbit went on the rocks. She's a free girl again, boys!

Bobbie Fields struck up a romance with Wilburn then he switched and is said to be carrying a torch for Alena Faye. Oh, well —

Shirley has been seeing Scott lately. Don't get me wrong. Only seeing him!

Mary Beth had quite a time getting to walk Don off the field Friday, but finally made it. She was his companion Sunday night, also.

Everyone's talking about our new senior boy, La Von Henderson. Cute, no?

What was that cute remark La Von said to Shirley Sunday night? I agree, La Von, you are a man of few words!

Sandra and Charles seem to have quite a flame going.
Speaking of Garlitz, who is the certain girl in OHS who calls him "my old flame?"

Tommy Smallwood has been seen with Kenneth Phillips lately. We've heard he's considered a very lucky boy in this.

What is the charm of Buddy Whitley that girls can't resist these last few weeks? We have quite a few nicknames for him. They are, darlin', precious, and utterly, utterly, WOW!!!

Susie has a big love. Who is it again, Susie? No, not you, too!
Sandra, Betty and Mary Beth were looking through the annual! Um! Big deal!

Helen Billings, our new senior girl has been seen with Joe Bailey. Nice goin', Bailey.

Coon was the companion of Richard Reed one night after school started. Reed has returned to S. A. C. now.
Martha went with Benny dur-

ing the summer. Now it seems Ann is his gal. As we take it from Martha, "It's all in the game."

Why has David Price been running so much lately? Gooch after you, David? We're sorry, honest, about your mishap.

Janice Spencer, it seems you did not see Graham at Georgianna's house Saturday until it was too late. What did you say you left?

School Spirit Stressed in Rally

By Marion Mock
What is school spirit? "Having the spirit of doing something for the school and not for self glory."

"The team that won't be beat can't be beat."
These and other definitions were given to the question by Rev. Blake Woolbright, Mr. Bray, Mr. Hatley and Coach Wilkins in the pep rally Friday morning.
The pep rally started off with (Continued on Page Seven)

Humble Broadcasts Start Sept. 20 With Four Games on Air

Humble Oil & Refining Co. will inaugurate its 19th season of broadcasting Southwest Conference football games on September 20.

This fall, as in seasons past, Humble football crews travel to every stadium in and out of the state where Conference games are played, to bring listeners broadcast coverage of about 45 games over statewide networks.

Three networks, comprising 72 stations, will be used to carry the games to practically every point in Texas within range of a radio station. And schedules are so arranged that listeners have a choice of afternoon and night games — as many as six on some week-ends.

Humble play-by-play announcers will include these well-known personalities, whose voices are familiar to every football-lover in the Southwest: Kern Tips, Ves Box, Charlie Jordan and John Ferguson. They will be assisted by color announcers Alec Chesser, Dave Russell, Eddie Barker and Bob Walker.

To furnish the complete radio coverage typical of Humble broadcasts, these announcers will be kept moving on close-connection schedules for the next two and a half months, traveling as far as Los Angeles and Lansing, Michigan, on some week-ends.

Four games are scheduled on Humble's kick-off broadcast program next Saturday, 1:50 p. m. is broadcast time for the TCU-Kansas game, which will be broadcast from Lawrence, Kansas by announcers Kern Tips and Alec Chesser. Stations WBAP-WFAA-820, Ft. Worth-Dallas; WOAI, San Antonio; KRIS, Corpus Christi; KG-KL, San Angelo; and KCRS, Midland, will carry the game.

Also at 1:50 p.m. John Ferguson and Dave Russell will broadcast the Baylor-Wake Forest game from Waco. Stations carrying it will be

KFJZ, Fort Worth; WRR, Dallas; and KABC, San Antonio. The Texas A&M-University of Houston game at Houston will have Ves Box and Bob Walker as

announcers and will be broadcast at 8:00 p.m. over stations WFAA-WBAP-570, Dallas-Fort Worth; and KTSA, San Antonio. The day's final broadcast, at

8:05 p.m., will feature the Texas LSU game at Baton Rouge. Charlie Jordan and Eddie Barker will announce it over station KRLD, Dallas, and KABC, San Antonio.

Lions Roar

Good Luck yell for the Lions. Our cheer leaders leading in some yells and the OHS contributing gay, snappy yells. Rev. Woolbright gave a talk to the student body. Mr. Hatley and Coach Wilcox were also called on for a few words.

El Toro on the rampage!
And the bull charged!
Oh, it was bloody! The fans screaming for the death of the bull. But was the bull killed? El Toro ran the poor matador from the arena. The mad then proudly led the Lion's off the Big Lake field.

You were quite lucky if you were one of the football fans watching the first game last Friday night. With Sandra Brewer the head and Bobbie Fields for tail, El Toro made quite a kicking spectacle parading around the field at half time. Oh, the red green "toe" sacks were just thing for bull costume.

The on-lookers liked our show well that the band will present again for the game week after the show was based on Mexican

and Raul Machado played a solo entitled "La Comparacion"

You'll be looking forward to the time show this week. It's based on the folk songs of Stephen and promises to be a hummer.

DEAR FANNY FIX

Dear Fanny Fix:
I have a very unpleasant problem. I have very large muscles in my ear lobes. I have developed them from dragging my earrings down the halls of Ozona High school. These muscles block my hearing and also cause much discomfort.

You see every time I swing my head I usually bob some innocent bystander in the eye, on the nose or on the head. I wanted to have my ears pierced some years ago but the broken needle is still lodged between the muscles. Also I can't wear tight necked blouses or dresses as I can't get them over my ears. Tell me what is an exercise to reduce them? And of course, keep them reduced while wearing my earrings.

Muscles
Dear Muscles:
My dear, really? Don't worry about it. In 70 years you won't have any ear lobes, anyway.
Sincerely yours,
Fannie Fix

Dear Fannie Fix,
I am very handsome, worried, and, of course, pursued. The girls simply won't leave me alone if I'm at the snooker hall, at the football field, at home, even on the hill. I can't walk down the street without hearing them scream, "There he is!" I'm afraid to speak to them for fear of being mauled. Please help me.

A Desperate Man
I suggest a disguise — any beard, false noses, glasses, never speak to girls or give them revealing glances. Hide after school and stay off the streets at all times. Above all, don't speak to one unless you're prepared to talk to all of them!
Fannie Fix

If you have any problems give your letters to Fannie's secretary, Miss Keopp.

A LITTLE PEP TALK

By Mary Beth Eatherly
Our pep rally last Friday was a huge success. Everyone yelled and had lots of fun. I'm sure everyone enjoyed our Big Lake cheer leaders. They were really our own boys but they did make good cheer leaders. Big Lake had no cheer leader that we saw Friday night so, perhaps, we could donate ours.

We were a little disappointed in seeing only a few of the town people at the rally last week. We invite all to come help us cheer our boys on to a victory.

Our rallies will be held every Friday morning at 11:20 in the gymnasium so feel welcome at all times.

Only one final word: Let's keep making these pep rallies a big success and make our boys want those victories for us, as badly as we want them.

The annual staff has not been appointed yet. The Student Council will appoint the staff when they get organized. We are open for offers from anyone who wants to work on the staff. Please leave your name with Miss North.

Flashes From Classes!

JUNIOR CLASS

Seems like lately everybody has been trying to avoid us seniors. Why, I don't know! Could it be that we are always selling something?

We first succeeded in selling cartags. Now we are trying our luck on Ozona football pennants. We still have a few left but plan on selling out real, soon. Better hurry if you want one.

I'm sure everyone knows by now the reason we are selling these things is so we can get out of the city limits on our senior trip. We have got to make yet. We need a lot of help, and I'm sure you will all be glad to help, because you know, your time is coming soon!

Last Friday the seniors made a mad dash for the office. When they came out they all had a tiny box. Everyone was wondering what was in the boxes.

Now when a senior walks up to you he says, "Ahem! Ahem!" and flashes a big class ring. We know they are very proud of them and

also have worked very hard for them. Congratulations, Seniors!

With calm minds and commendable parliamentary procedure, the Junior class of 1952 chose their class officers and student council leaders. Graham Childress sailed in on the top of the heap for class president, followed closely by Kenneth Phillips as vice president, Shirley Kost as secretary-treasurer, and yours truly, Wanda Carden as reporter.

Out of the fray for student council representatives emerged Alena Powers and Charles Garlitz.

Selected wholeheartedly for room mothers were Mrs. Hugh Childress, Mrs. Oscar Kost, Mrs. Tom Powers and Mrs. Clay Adams. The Juniors felt that we needed guidance and aid of four instead of our usual two because of the many festivities planned for the coming year.

SOPHOMORE CLASS

By Sonny Henderson
"When can we start making money? Our senior trip is closer than you think!" Yes, that was the "hoop" of the Sophomore class last Thursday as it met for the first time.

The Sophomore class is made up of about thirty-five students this year and we are happy to have the new arrivals who have entered the class since last year and we "hoop" of the Sophomore class much as the one you last attended.

The Sophomore class elected class officers Thursday morning and people elected for certain offices were as follows: Lynn Parker was elected president and in the whole class, of course, we think much as the one you last attended. he will serve us well during our sophomore year. Pat Cooper was elected vice president; Bobbie Fields was elected secretary; Ann Ratliff was elected treasurer; Sonny Henderson was elected reporter. By the way, Sonny was sure disappointed because he didn't get class representative, but I will serve you as reporter as the best way I can. Now back to the officers — Tommy Smallwood got class historian and Jerry Currier got parliamentarian. Also elected were Jody Jones and Betty Walley as class representatives on the student council. They both gave speeches and said they would put in every good word for the Sophomore class throughout the student body.

Room mothers are as follows: Mrs. George Russell and Mrs. Frankie Jones; sponsors, Miss Mary Keopp and Corbett Smith.

FRESHMAN CLASS

By Susie Schneemann and Janice Spencer.

The Freshman class is here to stay. We know this is true especially after our officers or "swimmers" were elected at a meeting last Thursday. The "frosch swimmers" are: president, Jerry Beasley; vice president, Jan Jones; secretary, Martha Bailey; Treasurer, Brock Jones.

Room mothers, "those who might help to get us off the hook" are Mrs. Ralph Jones and Mrs. James Baggett. To show the "fish" mean business we elected Carl Conklin council representative and we still have a run-off between Rosie Walley and Carol Friend.

To "take hold of the fishing poles and lines" we have as our sponsors Miss North and Coach Felto.

Soon you upperclassmen will look at "us fish" in high style.

SENIOR CLASS

By Kent Chapman
The graduating class of '53 is lucky enough to have Mr. and Mrs. Billy Mayes for their class sponsors this year.

Mrs. Mayes is the senior and junior high physical education teacher and from what I've heard the girls seem to think she is swell, although some admit they don't go in for health much.

Mrs. Mayes comes originally from the small town of Hebron, Texas. After graduating from the demonstration school in Denton with high honors, she received her B. S. degree from T.S.C.W. Her major being physical and minors, government and economics. She has been teaching for seven years.

Mr. Mayes was raised in Denton, Texas, and graduated from high school there. At North Texas State College he received his B. S. and M. S. degrees. He majored in industrial arts in his B. S. degree and in school administration in his M. S. degree. Mr. Mayes is five feet eleven inches tall, has brown hair and blue eyes. He has a very friendly personality and a good sense of humor. He's the type that makes you want to be his good friend right from the moment you meet him.

Mr. Mayes is five feet five inches tall and has both brown hair and eyes. She has one of those winning smiles and is very friendly. Mrs. Mayes likes Ozona because of its "wonderful hospitality."

Her husband says, "Ozona has been teaching for seven years."

An Old Adage of Auto Experts

"Four quarts of dirty oil plus one quart of clean oil equals five quarts of dirty oil!"
We think this makes sense. So, if your oil is 1000 miles old and you've burned a quart, be smart. Don't add — change!

PARDON MY GUST!

POWER STEERING
on the Roadmaster
and Super

BENEATH that big broad bonnet is the reason for this headline. It's a four-barreled automatic carburetor—Airpower by name—which has a way of gulping in what the dictionary defines as "a sudden blast of wind" when extra power is needed.

And the way this gorgeous performer can step out as this occurs is something you'll always remember.

For ordinary driving, two barrels are all you need — and two barrels are all that are working. They give you an extra thrifty flow of fuel for round-town cruising.

When extra power is wanted in a hurry — the "reserves" swing into action — feeding extra fuel and extra air in an ever-thrifty mixture, which delivers the greatest horsepower in Buick history.

This is one of many distinctions that endear ROADMASTERS to fine-car owners. It's a car as rich in finish as it is in power — a car of expansive room — restful silence — level in gait — beautifully responsive to your mood and will.

And it offers the effortless ease of Power Steering* especially engineered by Buick to save your strength in parking and slow-motion maneuvers, and still let you feel a proud sense of command and a sure sense of control on the highway.

There's just one question we'd like to ask: When are you going to come in and enjoy the ride of your life?

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on ROADMASTER and SUPER only.

Here and There

By J. Troy Hickman (Continued From Page One)

for a home for the average person. If you are in a mobile occupation, or a health seeker, a trailer may be much better than any other arrangement you can have. If you are a vacationist, a small travel coach will provide many conveniences. But if you are none of these, and love a permanent home in a fixed locality, with old friends, flowers, trees and familiar sights, the trailer is not for you.

The trailer industry is here to stay for as long as American life remains partly mobile. It came into being to meet a particular demand, and it is meeting that demand. As long as the demand is here, trailers will be made and sold. And the sort of people who live in them are just like the rest of us. They all came from somewhere, and many a one of them is dreaming of the day when he or she will go back to that "some-where."

September and college opening called up Ozona's group of college youths during the week. Among the returning students are Patricia Hickman to T.S.C.W. in Denton; June Perner to Trinity University in San Antonio; Ralph Gorden to the University of Texas; Kay Kirby to T.C.U. in Fort Worth; Judy White to S.M.U. in Dallas; William Meinecke to the University of Texas; Ray Piner, Jr., to North Texas State in Denton; Norris Pogue, Jo Ann Deaton and Reta Ballinger to San Angelo College; and Nat Read to Sul Ross in Alpine.

Neal Yeager, supervisor for all Joseph's Department Stores, formerly stationed at Junction, has transferred to Ozona to manage the Ozona store while continuing to supervise the firm's other stores in this section. Mrs. Yeager and the couple's son will join him here soon. Mr. Yeager succeeds Charlie Reed, resigned.

Series of Parties Honor Bride-Elect

Pre-nuptial parties in Ozona this week honored Miss Lenore Ann Harvick, bride-elect of Ulmer Busby of Sonora and Laurel, Miss.

Miss Harvick, daughter of Mr. and Mrs. S. M. Harvick of Ozona, and Mr. Busby, son of Mrs. William H. Busby of Laurel, will be married Sept. 30 in the Methodist Church of Ozona.

Mrs. W. E. Friend, Jr., Miss Rosalie Friend, Mrs. V. I. Pierce and Mrs. Eugene Miller entertained Thursday afternoon with a bridge and canasta party in the Friend home.

Pink and white gladioli and chrysanthemums were used to decorate the rooms. Miss Harvick was presented with a gift and prizes were awarded to Mrs. S. M. Harvick, Misses June Perner and Judy White.

A linen shower was given Friday morning by Miss Judy White. Mrs. Hillery Phillips, Miss Benny Gail Phillips and Mrs. Joe Pierce, Jr., honored Miss Harvick Monday with a breakfast in the Phillips home. Gifts were presented to the bride-elect and to Mrs. C. E. Davidson, III, recent bride.

Miss Harvick's attendants will be Miss Rosalie Friend, maid of honor; Mrs. Donald W. Dwyer of San Antonio, matron of honor; and Mrs. R. E. Sumrall of Sonora, bridesmaid.

Pfc. and Mrs. Jack Brewer arrived Friday from California, where Pfc. Brewer has been stationed in Army training. He will spend a 14-day leave here before reporting to a New Jersey station, where he will embark for a tour of duty with occupation forces in Germany. Mrs. Brewer is the former Mary Kathryn Flowers, daughter of Mr. and Mrs. R. L. Flowers. Pfc. Brewer is the son of Mr. and Mrs. D. J. Brewer.

Mrs. I. A. Lynn, former Ozonan, who has been living in San Antonio and Burnet the past year, has returned to make her home here.

They have already begun plans for helping the seniors make money so they can have a nice trip.

The Mr. and Mrs. with their sons, Billy, 11, and Joe, 8, arrived in Ozona on a Tuesday. Wednesday Billy broke his arm playing football on the school playground. We hope that will be a bad luck here in Ozona and that they could make this their home. Good luck, Ann and Billy!
