Here and There

By J. Troy Hickman

MOLT IN DIXIE

There are many signs that what is being thought of as the "Solid South" is breaking up. From time to time various individual Southern states have broken loose from the traditional Democratic fold and wandered over into Republican territory, only to return to the fold before the next election. But now there seems to be forming a definite trend toward a general permanent two-party political situation in the South. We believe that this fact is a fortunate one.

The old concept of a Solid South, one of the bitter fruits of the Civil War, and of the Reconstruction Period which saw a Republican sponsored carpet-bag administration forced upon a defeated South. At no time since World War II have the conquered Japanese been subjected to indignities as unjust as were those which the defeated South suffered at the hands of a fanatical element in the North who seized the reins of the government after the death of Lincoln. It is easy to see how most loyal Southerners would feel that a vote for any Republican candidate would be an act of disloyalty to Dixie.

As life does change, even though some changes come very slowly. Across the years there has been a shift at the center of gravity of both major parties. The Republicans once represented the industrial interests of the North, while the Democrats represented the agricultural interests of the South, the position now partly reversed. The big cities of the North are now among the Democratic strongholds. Republicanism is slowly but surely losing a foothold in the rural sections of the South. Many of the principles once labeled Republican are now sponsored by the Democrats, while some of the causes which used to be associated with the Democrats are now defended by the Republicans. These changes have helped to break up old political alignments and to produce new ones.

While new political lines are being drawn, the old attitudes are still with us in powerful form. Remember what happened at the Democratic National Convention in Chicago last July. A group of North-South politicians sought to impose a rule on the South. One of them was young F. D. R. Another was the former governor of New York State. Still another was a senator from the Mid-West. The occasion for proposing the loyalty oath was the fact that in 1948 one of the Southern states had defied the national ticket. The purpose of the oath was to make sure that all sections of the Democratic party should support the party ticket, regardless.

But the South refused to submit to a spanking at the hands of the North. Bedlam broke loose and for a while it looked as though the convention would split down the middle. The old heads in the party realized that if this happened the party would be sure to lose the election. A lot of oil was poured on the waters. The Northern reformers who had marched up to the North with such confidence had to march back down again. An effort was made to save certain faces. In the end the Southern delegates who refused to take the oath remained in their seats and voted on all issues before the convention.

Another slap at the South was dealt under the cover of a proposed Fair Employment Practices Act, which is supposed to be a part of a Civil Rights movement. The issue might yet cause a split in the party, although candidate Stevenson at the present is handling it very carefully.

In casting her vote solidly year after year, on the side of the Democratic ticket, the South has been fighting her own throat. Since her party could be taken for granted, no concessions had to be made her interests. At long last, the South is waking up to the fact (Continued on Last Page)

Launch Drive For Gonzales Polio Foundation Fund

Clubs Cooperate in One-Day Drive for Local Quota

Ozonians will be given an opportunity next Saturday to contribute to one of Texas' most worthwhile institutions, the Gonzales Warm Springs Foundation for crippled children, where hundreds of little Texans, victims of polio and other crippling diseases, are fighting their battle for strength and usefulness.

Under the leadership of Mrs. Ashby McMullan as chairman, a committee composed of representatives from all organized groups in the city will launch the Gonzales Foundation drive next Saturday morning, and hope to complete it by nightfall.

The committee will meet at Mrs. McMullan's home at 9 o'clock Monday morning for a final planning conference and assignment of territory. The workers will make a house-to-house canvass in an effort to go over the top on the county's quota in one day of soliciting.

Under the title "This Is Yours," a leaflet distributed on behalf of the institution in an appeal for financial support, gives the following summary of its background and operation:

"You, the generous people of Texas, have built Gonzales Warm Springs Foundation for Crippled Children out of the goodness of your hearts. From every corner of the state Texans have joined hands to provide five beautiful, air-conditioned buildings, housing 115 beds. The physically handicapped youngsters receive physical therapy in and out of the treatment pool fed by the warm springs. They have a full program of occupational and recreational therapy. They go to church and state-accredited schools. Complete laboratory, X-ray and dental facilities are provided. All this is yours, your gift to these tiny Texans.

"This hospital of physical medicine and rehabilitation, chartered by the state as a non-profit, non-sectarian, charitable hospital, is approved by the American College of Surgeons. In the past four years alone, hundreds of youngsters from 146 counties, representing every color, every race and creed, have received treatment here. Because Texans care, because they have opened their hearts and purses, in the history of Gonzales Foundation, no child who could benefit from the treatment program has ever been denied admittance for financial reasons. This is a Texas institution, built by Texans and maintained by Texans. It will continue to grow with Texas.

138 Lambs Being Fed by Crockett Co. 4-H Club Members

One hundred thirty-eight mutton lambs are now being fed by twenty-two 4-H Club members. Eighteen of the feeders are feeding lambs at the 4-H Club barn while four feeders, Erbie and Tommie Sue Chandler, Rufe and Joe Everitt, are feeding at home.

The lambs are being group fed at 7:30 a.m. and 5:30 p.m. each day by club members. Visitors are welcome at any time to come over and inspect the feeding project.

Election of 4-H Club officers, reorganization and election of a 4-H Club Advisory Committee, and setting a date and making plans for the Annual Crockett County 4-H Club Show will be forthcoming in the near future.

Mr. and Mrs. Bryan McDonald of Canyon were overnight visitors with relatives here last night. They were on their way home after a visit in Austin with their son Cpl. Dick Lee McDonald, U. S. Air Force, stationed at Bergstrom Field in Austin. Cpl. McDonald is scheduled to leave for overseas service October 1.

Johnny Dan Casbeer, Victim of Rare Blood Disease, Buried Here

Funeral services were held at 4 o'clock Sunday afternoon from the First Baptist Church here for Johnny Dan Casbeer, 11-year-old son of Mr. and Mrs. A. Lamar Casbeer of Christoval, former Ozonians. The lad died at 12:30 p.m. Saturday in a San Angelo hospital of a rare blood disease.

Johnny Dan was born in a San Angelo hospital while his parents were residents of Ozona. He had been under treatment in a San Angelo hospital for several weeks. He had undergone many blood transfusions and a number of Ozonians were listed among donors.

Surviving are the parents, two sisters, Betty June and Barbara Ann; grandparents, Mrs. Tom Casbeer of Ozona and J. E. Scott of Lometa.

Funeral services were conducted by the Rev. Ernest Edwards of Christoval, assisted by the Rev. Blake Woolbright, pastor of the Ozona church. Burial was in Cedar Hill cemetery.

Active pallbearers were Glenn Sutton, Aubrey Smith, Carl Montgomery, Hartley Johnigan and Lowell McCaleb. Honorary pallbearers were Roy Coates, Ted Doggett, D. C. Rathiff, Bill Cooper, Beauford Farris Argo, Vernon Rathliff, O. Murphy and Bill Conklin, all Ozonians who had donated blood in an effort to save the boy's life.

Forest Stakes Deep Wildcat In Western Crockett

Shannon Test to 7500 Feet; Test on Bean Ranch Abandoned

A deep wildcat has been staked in western Crockett county. It will be in the Forest Oil Company No. 1 Continental - Shannon, a 7,500 foot rotary project.

Location will be 5,940 feet from south and 410-8 feet from east lines of J. Wiley Heirs survey 2, 11 miles east of Iraan and one mile north of Deep Rock No. 1 Shannon recent Wolfcamp discovery.

The test will be drilled on a 500-acre lease, with drilling slated to start at once. Elevation is 2,600 feet.

Oliver & Kotyza and CAM Corp., No. 3 George Bean, one location northeast of production in the Wyatt field, has been plugged and abandoned at total depth of 1,240 feet. Elevation is 2,571 feet.

There were no shows logged in any formation. It topped the limit at 1,184 feet and anhydrite at 845 feet. Water was logged between 505-10 feet.

Woman's Club Seeks Political Rally to Hear From Parties

Twenty-one members of the Ozona Woman's Club were guests of Mrs. Charles Williams, Sr., and Mrs. H. B. Tandy Tuesday morning at a breakfast at the home of Mrs. Williams.

Mrs. S. M. Harvick, the club president, asked the cooperation of members in carrying out the club program in the new year. The year's program was discussed by Mrs. Max Schneemann. The theme is "Human Rights" and the project a school cafeteria.

A committee was named from the club to assist in the Gonzales Warm Springs Foundation polio drive in Ozona to be launched here Saturday. Representing the Woman's Club in the Gonzales Foundation drive will be Mrs. Max Schneemann, Mrs. Charles Williams, Mrs. M. E. Flippen and Mrs. Ben Lemmons. The committee will meet with committees from other clubs Saturday morning at 9 o'clock in Mrs. McMullan's home. The club voted to cooperate in a community political rally, asking speakers from both parties to speak in Ozona.

An invitation from Mrs. A. J. House to an area workshop to be held in Winters Oct. 10 at 9 a. m. (Continued on Last Page)

Lions Uncork Aerial Circus, Downed By Iraan

New Offensive Threat Shown in Spread Attack

Stymied in their running play, the Ozona High School Lions uncorked an aerial attack from a Dutch Meyer type spread formation which will cause some worry in the camps of future opposition, even though it failed to produce victory against a heavier, faster Iraan eleven on Lions Field here Friday night.

The Lions threw 49 passes, with Charles Garlitz doing most of the heaving, and despite a terrific pounding at the hands of the heavy charging Iraan defenders, he completed 17 and Conklin connected 2 out of 2, a total of 239 yards gain. They had 4 intercepted and failed to connect on 26.

The reason for the passing game also shows up in the statistics — 27 yards gained by the Lions on the ground, to 310 for the big Iraan lads. The Braves gained 90 yards passing, completing 7 out of 19, getting one intercepted.

Charles Hale scampered 40 yards to score on a pass play for Ozona. Garlitz made the other tally with a 6 yard gainer over left tackle.

For the visitors, Monroe scored two touchdowns, one around left end from 25 yards out and another over the same route from 59 yards. Locker scored two more, one from 14 yards out through tackle and one from three yards through the center. Hale of Iraan took a pass from Belcher and ran 14 yards for the fifth score. The final tally showed Iraan with 33 to Ozona 12. The Ozonians made 12 first downs to 13 for Iraan.

The pass receivers were Maness, Cooper, Piner, Hale and Conklin for the Lions. Maness caught 8 for 78 yards, Hale caught four for 105 yards, Cooper four for 43 yards, Piner 2 for 12 yards and Conklin one for one yard.

The locals will have another chance to sharpen up their offensive tactics and polish their rapidly improving defensive game here Friday night of this week, when they meet Crane's Golden Cranes for another non-conference warm-up tilt. Game time is 8 p. m.

Show Southwest Grid Highlights Film Here Sept. 30

Kirby Invites Fans To Free Showing At 12:30 Noon

A film showing the highlights of the 1951 Southwest Conference football season will be shown free to Ozona football fans next Tuesday noon, Sept. 30, at the Ranch Theatre under auspices of L. D. Kirby, local agent for the Humble Oil & Refining Co.

The film is made up of highlights from all of the important Southwest Conference games last season, produced and exhibited by the Humble Oil & Refining Co. Humble, which has broadcast rights on all Southwest games, films each game completely and from these game films selects the outstanding plays or action and combines all into one Highlights film.

A special invitation has been extended by Mr. Kirby to members of the Rotary Club, the Lions Club, the Sheriff's Posse and the football squad of Ozona High School, but the invitation extends also to all interested football fans to see the film free of charge. The film runs about 35 minutes and showing will start at 12:30.

Mr. and Mrs. Bill Taylor left the first of the week for Fort Worth where Mrs. Taylor will undergo a check-up by a heart specialist. Mrs. Taylor recently underwent a delicate heart operation which is expected to relieve a dangerous condition. She is rapidly gaining strength.

Spotted Fall Rains Bring Relief Hope To Crockett Ranchmen

Fall made its official debut Monday and on its heels came the month's first rainfall of any consequence. Spotted though it was, the fall will be of benefit to areas visited and gave some hope of the beginning of a "wet winter," a condition which would promise a feed-less winter for the now lightly stocked ranges of this area.

The rainfall measured nearly an inch in Ozona and ranged up to an inch and a half in some sections of the county. However, there were still dry spots, missed completely by the slow falling moisture.

The disturbance was accompanied by a sharp drop in the temperature from the previous high of the die-hard summer.

Elkhorn Field Extended West By Conoco Strike

No. 24-A Shannon Has 762 Barrel Potential Flow

The Elkhorn (Ellenburger) field of Crockett county has been extended 1/4-mile west with completion of Continental Oil Co. No. 24-A J. M. Shannon for calculated daily flowing potential of 762 barrels of oil.

Gravity was 40.5 degrees. Gas-oil ratio was 343.1.

The potential was based on an actual 11-hour flow. Production was through a 46-64-inch tubing choke and pay topped at 7,238 feet on derrick foot elevation of 2,668 feet. Total depth is 7,404 feet; plugged-back total depth, 7,390 feet. Casing (5 1/2-inch) was cemented at 7,403 feet and was perforated between 7,279-7,306 and 7,317-7,364 feet.

Tubing pressure was 175 pounds casing pressure, 150 pounds. The section was treated with 1,000 gallons of acid.

Location is 2,010 feet from south and 2,069 feet from west lines of section 21-UV-GC&SF.

Wm. Y. Penn of Midland has filed application to drill a 3,000-foot rotary wildcat, his No. 1 Superior - Shannon, in Crockett county, 22 miles south-southwest of Big Lake in Reagan county.

Location will be 330 feet from south and east lines of section 16-Q-GC&SF, on a 320-acre lease. It will be five miles south and slightly east of Continental Oil Co. No. 1-C Harris, active wildcat. Drilling will start Oct. 1.

Northwest Crockett Test Logs Free Oil; Deepen Noelke Well

Continental Oil Co. No. 1-C L. A. Harris, Crockett county wildcat in section 4-BB2-F, Boren survey, 12.5 miles south of Texon in Reagan County, has logged free oil. On a drillstem test between 7-361-7,384 feet, with tool open one hour, recovery was 470 feet of slightly oil and gas-cut mud and two feet of free oil.

Location of the No. 1-C Harris is 2 1/2 miles northwest of the Lula (Devonian) field. The above drillstem test was taken in the Wolfcamp.

Bottomed at 7,700 feet in lime and shale, the project was preparing to drillstem test.

Sandor Petroleum Co. of Abilene has filed application to re-entrench and deepen a shut-in gas well in the Noelke field of Crockett county. It will be Sandor's No. 1 Bouscaren Heirs.

Location is 2,490 feet from north and west lines of HE&WT survey 29, six miles east of Iraan. It will be on a 360-acre lease.

Originally drilled as M & M Production Co. No. 1 Bouscaren Heirs, the well was completed in 1940 for a daily gauge of 40 million cubic feet. Completion was from White Horse sand at approximately 1,500 feet, according to Sandor's representative. The well will be deepened to 4- (Continued on Last Page)

Crockett Values Up Near Million Over Last Year

Total Tax Rate This Year To Be \$2.97 On \$100 Value

Property valuations for tax purposes climbed more than three-quarters of a million dollars this year over last year, to reach a new high total of \$23,769,560. Mrs. Gertrude Perry, office deputy for Sheriff V. O. Earnest, tax assessor and collector, announced on completion of the county tax rolls. The net increase in valuations over a year ago is \$797,662.

This year combined county, state and school tax rate will be \$2.97 on the \$100 valuation, an increase of 10 cents in the county rate to retire the recent \$200,000 road bond issue. The state rate is 42 cents, the county rate 95 cents, the bond issue levy 10 cents and the rate for schools, maintenance and bond retirement combined, \$1.50 on the \$100 valuation.

The county rate is broken down as follows for the various county funds: First class, jury fund, 15 cents; second class, road and bridge fund, 15 cents; third class, general fund, 25 cents; fourth class, permanent improvements fund, 17 cents; seventh class, special road fund, 15 cents; sixth class, 1952 road bond issue, 10 cents; ninth class, courthouse and office fund, 5 cents; tenth class, park fund, 3 cents.

Property owners are due to cough up a total of \$686,463.83 in taxes, not calculating the saving they will make from the discount schedule of 3 per cent in October, 2 per cent in November and 1 per cent in December for payments.

The valuations for state purposes, which is minus homestead exemptions on University land, is \$22,975,295, on which the state will realize a total collection of \$96,496.06, again without calculating the discount saving. Similarly, the county valuation is the highest, \$23,769,560, on which the county will collect, if 100 per cent payment is made, \$225,810.66 on its regular rate of 95 cents, plus another \$23,769.70 on the 10 cents road bond tax levied for the first time this year.

Total valuation for school purposes, which again leaves out the University lands, is \$22,692,500, on which the \$1.50 rate should bring a total of \$340,387.41 in taxes.

Breaking down the county's total valuations, real estate, which includes oil values, account for \$19,874,925, and personal property valuations total \$3,895,535.

Renditions of livestock by Crockett county ranchmen are off this year approximately one-fourth. Mrs. Perry reports, showing effects of the drought even at year's beginning. Livestock numbers on the roles include 1,687 horses, valued at \$20 a head, \$33,740; 9,159 cattle, valued at \$10, \$91,590; 232,322 head of sheep, valued at \$2.25 per head, \$522,725; and 24,040 goats, valued at \$1 per head, \$24,040.

Kick-Off Meeting For Cub Scout Organization Set For Tuesday Night

A meeting of adult leaders and boys of Cub Scout age will be held at the First Baptist Church next Tuesday night, at 7:30 o'clock for the purpose of launching the 1952-53 Cub program, it was announced yesterday.

The Baptist Church again will sponsor the Cubs and all boys of Cub age, from 8 to 12, who are interested in Cub work are urged to attend the Tuesday night meeting. Parents, also, are invited.

Mr. and Mrs. Joe Williams of Ozona are parents of a son born in a San Angelo hospital Monday. The baby, first for Mr. and Mrs. Williams, has been named Joe David Williams. He is a grandson of Mrs. Charles Williams, Sr., of Ozona.

THURSDAY, SEPT. 25, 1952

WILLING WORKERS CIRCLE

The Willing Workers Circle of the Methodist W.S.C.S. met Wednesday morning in the home of Mrs. P. C. Perner. The group enjoyed a brief social hour followed by the program.

Mrs. Charles Williams, Sr., was leader for the day, beginning the study "Home Missions and Human Rights." She led the group in a song and gave the devotional. Mrs. Dempster Jones told the story of a Japanese fisherman and Mrs. Pete Jacoby about an Indian family. Mrs. Williams led the group in the Lord's Prayer to close the program.

Present were Meses. Paul Perner, J. A. Fussell, L. B. Cox, III, Stephen Perner, Pete Jacoby, C. Pittman, Dempster Jones, Hugh Childress, Jr., Mrs. Charles Williams and Mrs. P. C. Perner.

Office Supplies—Stockman office

FORT WORTH. — Heavy runs of all kinds of livestock were reported over the nation Monday and prices were highly uneven. At Fort Worth cows lost 50 cents or more of last week's advances in the opening session. Bulls were steady to strong. Fed cattle ruled steady, but grassy steers and yearlings were weaker. High quality and lightweight stockers were around steady but the lesser quality kinds eased.

Choice fat calves were firm, and fat calves generally held steady. Very good demand for stocker cows was uncovered, some good young cows \$22 to \$23.50, several loads at the latter prices.

Hogs advanced 25 cents, topping at \$20 to \$20.25. Sows were steady at \$15 to \$17.

Lambs were 50 cents or more lower. Ewes opened 25 to 50 cents higher and closed weak. Fresh shorn sheep and lambs were discounted \$1 to \$2 under those in the wool.

Good and choice slaughter steers and yearlings sold for \$24 to \$31.50, and common and medium sorts sold for \$15 to \$24, with cutter steers and yearlings from \$12 to \$15.

Fat cows sold for \$14.50 to \$18, and canners and cutters drew \$10 to \$14.50. Bulls sold from \$12 to \$20. Fat calves of good and choice kinds sold for \$22 to \$28.50, while common kinds drew \$15 to \$20. Culls sold at \$12 to \$15.

Good and choice stocker calves moved out at \$22 to \$28 and common to medium sorts sold from \$16 to \$20. Stocker and feeder yearling steers of good and choice kinds sold from \$14 to \$23.50.

Good and choice slaughter lambs sold from \$22 to \$25, medium and good kinds sold for \$18 to \$22, and cull lambs, yearlings and two's sold from \$8 to \$10. Slaughter ewes sold for \$5.50 to \$7.25, and stocker ewes sold at \$8 to \$9. Old wethers sold from \$10 downward. Two-year-olds sold from \$15 down. Old bucks sold at \$6 to \$7.

Stocker and feeder lambs sold from \$12 to \$18 and stocker yearlings cashed at \$10 to 12.

NOTICE OF HEARING ON GUARDIAN'S APPLICATION TO LEASE REAL ESTATE OF JOHN LEE HENDERSON JR. AND HELEN HENDERSON, MINORS

Notice is hereby given of a hearing before the County Court of Crockett County, Texas, on the 6th day of October, A. D. 1952, at the court house of Crockett County, in Ozona, Texas, on the application of Lucille Henderson Russell, guardian of the estate of John Lee Henderson Jr. and Helen Henderson, minors, for permission to execute a mineral lease covering an undivided interest of said minors in and to the following described tracts of land in Crockett County, Texas:

An undivided 1/5th interest under the S/2 Sec. 15, S/2 Sec. 16 S/2 Sec. 17, S/2 Sec. 18, Block F, GC&SF Ry Co.;

An undivided 1/10th interest under the W/2 Sec. 4, Block F and an undivided 1/10th interest under the NW/4 Sec. 3, Block P;

An undivided 1/5th interest under the SW/4 Sec. 20, Block G.

Lucille Henderson Russell Guardian

JENNY KING CIRCLE

The Jenny King Circle of the W.S.C.S. met Wednesday morning with Mrs. Joe Pierce for coffee and the study, "These Rights We Hold," by Fred Brownlee. The study was directed and led by Mrs. L. B. Cox, Jr., the theme being "Freedom's Legacies and Sources of Our Freedom." Mrs. Floyd Henderson gave a short devotional.

The Circle will meet Oct. 8 with Mrs. J. M. Baggett.

The Society will meet Wednesday, Oct. 1, in the home of Mrs. Abe Caruthers for a program meeting.

Present for the Circle meeting were Meses. John Coates, J. S. Pierce, III, M. B. Flippen, N. W.

Graham, J. M. Baggett, H. B. Tandy, Abe Caruthers, Floyd Henderson, L. B. Cox, Jr., and Joe Pierce, Jr.

'Never Had It So Good' Fails To Impress Livestock Raisers Who Must Pay High Prices, Take Low Prices, and Battle Drouth At Once

By Ted Gouley
FORT WORTH — Virtually all classes of cattle, calves, sheep and lambs are currently selling substantially below prices in effect the week before the Korean fighting broke out — a situation that makes livestock producers wonder what all the shouting about inflation on the farm and ranch is about.

And, here's a tip for radio comedians and cartoonists — don't make jokes about high priced meat! You'll lose your farm and ranch friends for life — because it ain't funny to them at today's livestock prices.

Korean fighting began June 25, 1950. Let's compare today's prices of livestock with the week preceding the outbreak of fighting:

Hogs have held their own. Monday they brought \$20 and \$10.25 at Fort Worth, same as on June 22, 1950.

But, cows sold from \$13 to \$22.50 before Korea, and today it's \$9 to \$18. Bulls then drew \$16 to \$22.50, and today sell at \$12 to \$20. Slaughter calves ranged from \$15 to \$30 before Korea, and today from \$12 to \$28.50. Slaughter steers and yearlings sold then at \$16 to \$31, and similar cattle today sell at \$12 to \$31.50.

Stocker calves were reported at \$18 to \$31 on June 22, 1950, and today similar kinds get \$16 to \$28. Stocker yearlings then brought

\$20 to \$29, and today sell from \$15 to \$26. Stocker cows at \$18 to \$25 then, now bring \$14 to \$23.50.

Slaughter lambs at \$16 to \$27 then, currently sell at \$8 to \$24. Yearling wethers at \$15 to \$22 then, now bring \$8 to \$18. Slaughter ewes before Korea brought \$9 to \$11, and now bring \$5.25 to \$7.25. Feeder lambs at \$15 to \$23 then, now sell at \$12 to \$18. Feeder yearlings then drew \$15 to \$21 and now \$10 to \$14.

Just a year ago this week steers and yearlings sold at Fort Worth from \$23 to \$38, \$8 to \$10 above current prices. Cows a year ago this week cashed from \$15 to \$28, bulls from \$28.50 down. Fat calves topped at \$34.50 a year ago this week and stocker calves at \$40 and higher. Six dollars and \$12, respectively, higher than today's levels at Fort Worth. Lambs topped at \$31.50 a year ago, \$7 to \$8 above today. Yearlings brought \$27, against \$18 and down this week. Feeder yearlings drew \$25 and down, and now bringing \$14 and less. Feeder lambs at \$30 a year ago compare with \$18 and down today.

Nope, jokes about high priced meat just ain't funny to the folks that produce livestock for a living!

oOo
 Marine Corps Major and Mrs. W. H. Bunker, Jr., and daughters, Janis Ann and Lela Marie, from San Clemente, Calif., are here for a two-weeks visit with Major Bunker's parents, Mr. and Mrs. W. H. Bunker, Sr. He is being assigned to a three-year tour of duty in Houston as assistant inspector-instructor of the 6th Infantry Battalion, USMCR (organized.) His job will be to recruit, organize and

train the unit for combat readiness. For the past two years, Major Bunker, a combat veteran of World War II, winner of numerous citations and decorations while attached to the First Marine

Division in the South Pacific, has been stationed at Camp Pendleton, Calif.

Insurance Plan Made Available to Students

The Ozona Public Schools are to participate under an insurance plan again which was inaugurated here last year. The Security Life & Accident Company of Denver, Colo., is the sponsor. Forms were received this week and were to be distributed to the students. The entire cost of the protection for the full school year is \$1 per student. While school officials are handling all necessary details so that the cost may be kept at a minimum, they are acting solely on behalf of the students, and do not accept any other responsibility. Schools cannot accept liability in connection with injuries incurred in school activities.

The plan has the approval of the State Insurance Department. Liberal benefits are provided for any injury incurred in any supervised school activity except interscholastic athletics. Also, coverage is provided for any injury incurred while traveling to and from school. A detailed description of benefits is described on the policy.

Song Dedications?

Sandra to Charles — Don't Do It, Darling, That Heart Belongs to Me.

Rosie to Ronnie — Half A S Much.

Football team to Coach Wilkins — Baby, It's Cold Outside.

Georgiana to Graham — I'm Yours.

Ann to Benny — Half As Much Tommie to Don — It's A Lovely, Lovely World Since I Met You.

to Buddy — I'll Walk Alone. Carolyn — Mississippi. Wilburn to Alena — Have I Told You Lately that I Love You? Jimmie — Chew Tobacco Rag. — to Tommy — Jealous.

What If?

By Sandra Brewer
 Kenneth Phillips got to letter in football this year?

Kent and Sonny got fat? Charlie B. didn't lose so much money flipping?

Water works hill didn't exist? Smokey couldn't get a weed? OHS had a little school spirit?

Iraan Braves Down Lions 33 to 12 in First Home Game

By Carl Conklin
 Friday night Ozona engaged the Iraan Braves in the first home game. The first quarter, Locker went around left end for 26 yards for the first touchdown for Iraan. Ozona took the kick-off and marched to Iraan's forty-yard line where Hale caught a flat pass and went all the way for a forty-yard touchdown. Failing to kick the extra point the score stood six and six.

The second quarter Iraan went to Ozona's 14 where Monroe made it around right end for the second touchdown. Kicking the extra point made the score 13 to 6. Ozona received the ball but lost it on downs. Iraan from their own 41 yardline, with Monroe taking right end, jaunted 59 yards for the third touchdown, failing to kick the extra point, and the score stood 19 to 6.

The third quarter, Hale took a flat pass again for sixty-one yards but was called back for out-of-bounds. Iraan took the ball on downs and marched to our 15 yard line where Iraan's Hale took a pass for the fourth Iraan touchdown. The extra point was good and the score was 26 to 6.

In the final quarter, Iraan kicked with Ozona receiving the ball about the 15 yard line, Piner running back to the forty. Ozona fumbled and Iraan recovered. Iraan marched to Ozona's three where Locker took it over for the fifth touchdown. The extra point was good, making the score 33 to 6. Ozona received the ball with Garlitz running it back to the 39. After passing for good yardage to the six, Garlitz took the ball from a spread over right tackle for the second touchdown for Ozona. Failing to kick the extra point the game ended 33 to 12 in favor of Iraan.

This week the Lions play the Golden Cranes here. Here's hoping the Lions win this one and all the rest.

Fads and Foie

By Kenneth Phillips
 Good evening, eager readers, at last you can sit back and relax with the paper and find out what the best dressed goofs look like this week.

And one of the first improvements I noticed when I came to school Monday morning was that when Ronnie McMullan walked down the hall he didn't have to blow the hair out of his eyes to keep from running over somebody. You also didn't have to stand right next to him and yell to attract his attention. It finally happened. Ronnie won enough money flipping to get a hair cut. Keep up the good work, boy.

I am sure if there was a Mr. Sex Appeal award in OHS, that Graham Childress would win it. The way that boy goes around with his shirt unbuttoned clear down to his belt buckle. So far, three girls have fainted this week. And while I am on the subject of Dow, I would like to patch up the friendship between him and Putty Conklin. Monday night when Dow got out of the car, he slammed the door on Wilburn's ear. Comon, boys — shake hands and be friends.

Another new foie are the brown suede shoes worn by none other than Charlie Garlitz. The shoes were classy but what caught my eye were the purple and gold socks that accompanied them.

Well, dear people, I must play alligator and drag it. See you next week.

GLAMORENE, the Rug-Cleaning Miracle, on sale at Ratliff Hdw. & Furn. Co. Ozona, Texas. Ic

Another New Face In OHS Faculty

Our newly wed in school this year is none other than Mr. Wagner. Yes, he was married only this summer. Mr. Wagner comes to OHS from Daniel Baker College where he was graduated in August 1951. While there he majored in chemistry, minored in biology and did lots of work in physics, which makes him a first class science teacher.

Before deciding to enter the teaching profession, Mr. Wagner spent three years in the army in the South Pacific and later became an aviation cadet. But taking students rather than jets, he "found himself" at OHS.

If you venture up past the second floor, maybe you'll need a thumbnail description of him. "Now twenty-seven years old, he has blonde hair, blue eyes (we think), and is five feet, eleven inches tall."

Junior High Gridders Play Eldorado Tonite

The Junior High Football Squad will play Eldorado at Eldorado, Thursday night. Admission will probably be 50c. Game time is 7:30 p.m. The squad this year numbers twenty-one with two managers.

They are Mark White, Roy Glenn Sutton, Joe Clayton, Jesse Marley, John Hickman, Jake Young, Selwyn Taylor, Bobby Sutton, Bill Deese, George Bunger, Royal Caswell, Jackie Adwell, Joe Pierce, Joe Everett, (manager) Tommy Greer, Ray Robison, Bill Black, Clayton Friend, Edward Taylor, Bobby Hicks, Bill Mullen, Billy Bob Holden, Tom Robison, (manager).

PEP RALLY PEPS!

By Doris West
 "I can't hear a thing!"
 "What do you mean, you can't hear a thing?"

"There is too much noise."
 Well, most people would wonder if they were told one couldn't hear a thing with a gym full of noise blasting down on them.

But, really, there was so much noise at the Pep Rally Friday that some of the students were under the impression that they couldn't hear a thing — truth is they were hearing more than they were used. Meaning that there was more pep shown than usual which made it unusual.

Several speeches from x x x x huh! What's that? — Oh! Just Charlie finishing his laps x x x made one the football x x x. Sa-a-y what's this? Hey — good-looking! Aw, it's only Vivian x x x game against Iraan — — — "Help—What's coming off now? Well,—it looks as though it might be Jane's grass skirt. Huh? Kenn? x x x Friday night."

We were honored by having Bernard Lemmons speak at the Rally. He is on his way to service.

The Pep Rally ended with the school song.

The spirit lasted throughout the day.

BAND BOOSTERS ELECT

Those women who help out our band so much every year with their Band Booster Club have already begun plan for the new year. At a meeting September 4, Mrs. W. P. Conklin was elected president. Mrs. H. R. Mock was voted vice president and Mrs. Oscar Kost, secretary-treasurer.

A meeting is held on a Thursday once a month. The band mothers always help raise money for the band so it can be bigger and better.

Banana Splits & "What a PTA Party" The Faculty Members

"John!" "Marcia!" John! John! "Marcia! Marcia!"

The record of John and Marcia came to life last Thursday night when Kenny and Jeannene performed short skits was given as entertainment for the teachers and parents in the new auditorium in the North Elementary building. The first 3 acts.

Jeannene mouthed the words "I Didn't Know the Gun Was Loaded," while Big Louie, Bill S., Graham C., Kenny P., and Kent Chapman mugged as her accompaniment and his Slim Pickers, or something like that. (The string band that is)

With greased up hat and stove pipe boots, Kent Chapman portrayed a drunk preacher singing, "Up areets, Whusky, and Wild, Wild Women." The band paused once in a while to pass a bottle in it, Coach) and then continued plucking guitars and playing the fiddles.

Jeannene and Kenny then acted out a sort of tragic love scene to a record with only two words spoken all through it, "John and Marcia." But you could laugh yourself silly at the ways it is said, gasped, cried, laughed and choked out.

A short skit with Billie C., Larry Lewis, Russell Hawkins, Kent Chapman and Lynn Parker was then hammed out. One of them King, Queen, William kind. Yes, Tommie S. accompanied with tragic music (music) on the piano.

Then Roy Thompson and Hubert (Continued on Page Five)

Presenting

Cadillac

This Time—He Knows He's Right!

Here's a man who is through with doubt and wonder about the wisdom of his choice in a motor car.

He has just taken possession of his first Cadillac—and, this time, he *knows* he's right.

He's a mighty happy man as he rolls serenely along the highway—heading for home and the delighted approval of his family and his friends.

And how the years and the miles will justify his confidence!

First to reassure him will be the car's magnificent performance.

He will discover *smoothness*, almost beyond belief—smoothness of operation, smoothness of handling, smoothness of ride on all types of highway.

Then he will notice the *quietness*: just the soft sound of the wind slipping by—and, now and then, the tick-tick of the electric clock. He can *whisper*—and be heard.

And there will be, of course, the sheer *brilliance* of Cadillac performance—the lightning-fast acceleration, the great bursts of power when emergencies loom, the quick response to brakes and steering wheel.

And, finally, he will learn of the car's *endurance*—so great that there is no practical limit to its life and its usefulness. Records reveal that numerous Cadillacs are still going strong at well past half a million miles.

Yes—this time he's *right*.

And so will you be right if you choose a Cadillac. Better come in and place your order—today.

Lions Roar

(Continued from Page 4)

with short pants on, sang the Red School House." Sherman Taylor gave a part in taking "extra specially" good care of them.

If you were to pass in front of the typing room, you might hear something like this, "Golly, I'm off home key," or "Watch your books, don't watch your hands!"

LIBRARY BOOKS FOR ALL

Georgiana Ball
North has some wonderful books for our high school, in anyone needs reviewing. Of these, I haven't read the new ones the boys yet, but I hear there some pretty good ones.

He has books on baseball, football, horses, or anything you want read. For the girls some of the books being read are:

Care of My Little Girl, Only and Summer in Their Eyes. Of the books considered rather my is the Tales of Penrod.

He has books of all kinds, sizes and colors. You people who don't read books should look a closer in the library. You just find something real good.

ADDED ATTRACTION

Didn't you notice the extra member of the band performing at the end of the field during the game at Friday night's game?

With little trouble he performed as well as the majorettes. It is not a professional, yet, but has plenty of time to become a professional.

MRS. CODY'S TYPISTS

By Lynn Parker

We are all very proud of the sixteen new typewriters the school bought this year. We all take a part in taking "extra specially" good care of them.

When the third day's lesson was typed, you'd hear a key being struck approximately every 5 or 10 seconds (We had to find it first). Now the clicking is speedy enough to make the usual amount of noise around the typing room.

Our speed tests are getting up in the twenties now on a one minute speed test.

Typing I has enjoyed making "little soldiers" on the type writers. For anyone who wonders how this can be done, the directions are still on the bulletin board.

It's really a good feeling when you enter class the first day so very ignorant of that shiny new typewriter and all of a sudden you find you can master it.

Typing II is a lot more of the same but the speed requirements are fifty words a minute on a ten minute speed test. Already, Wanda Cardan and Jimmie McMullan have passed this part of the course. (I guess that extra practice for district and regional really paid off!)

(Overheard in typing class: Louis Robison, "I've just invented a new state — Volarodo.")

Question of the Week

By Kenneth Phillips
Who would you like to see thrown out of high school?

Sandra Brewer: Carlie Garlitz has to go.
Buddy Whitley: All women.
Jimmie McMullan: I'm happy.
Tadpole: All teachers.
Tody Cunningham: Bill Maness.
Bobo: All frogs.
Windy Russell: Phillips.
Vivian Trotter: I agree with Brewer.

NEWS FROM THE FRESHMEN

The freshmen are looking forward to their first three weeks' reports in High School. We've been

Phone News to the Stockman

Fads and Fashions

By Jane Adams

Monday, a norther blowing from the east, wool clothes, leaves being whipped from trees. That's how our fall came.

Jeannene wore a roughly knitted sweater. Vivian's collar was being crawled over by jeweled insects. Last year's football team wore last year's football jackets. We saw Shirley in a good looking black and white middy with (guess what) gilt bugs on the front Ann Baggett wore an almost black jersey belted and striped with red.

We like — Ann Ratliff's straight tall, flat waisted look. Jan Jonee's little-boy hair cut. The way Tody Cunningham looks in belted full skirts. Mrs. Mayes' beautiful skin. Eda Ann Robison's pink shoes, a button and a bow on the back.

Dear Fannie Fix,
I am desperate! My blue jeans shrink every time they are washed. This has just started and they all shrink, even my old ones. I can't find any solution. Can you help me?

Dear Cramped,
Are you sure your blue jeans are shrinking? Come on, dear, wise up.

Sincerely yours,
Fannie Fix

Dear Fannie Fix,
I am in a triangle. You see this boy I like very much is liked by another girl. This girl that likes this boy is a good friend. We are both in the same room (this girl and I) and it makes it very uncomfortable. I'm sure this boy would ask me for a date if this girl would leave him alone. What should I do?

Dear Confused,
Does this boy like you or this other girl? Maybe you'd better step out of the picture.

Sincerely yours,
Fannie Fix

MODERN BETSY ROSS

Kent Chapman
Within the walls of OHS, Talent is what we all possess. Our modern Betsy Ross is at it again.

Stitching away for the Ozona Lion's Band.
Purple satin with gold gleaming braid . . .
Mrs. Janie Hull deserves much applause and praise.
Earnestly she worked and by hand fixed the braid,
Truly we should put her in the Lion's Hall of Fame.

acting like little angels this past two weeks, so our grades will look as if we've done a little studying anyway.

Those upperclassmen have said all along that we'd be stumped after the first reports went out. No! Not us. Passed 'em all with flying colors. But that Algebra test on Friday — Whew! Three weeks reports have gone out, haven't they?

North Elementary News

Mrs. Odom's second grade has started a study on the grocery store. After much discussion of what they wanted to see, the group of the school curriculum. This visited the local Red and White Store. The follow-up led to the making of a grocery store in their classroom.

In a study of this kind, it is possible to bring together all parts of the school curriculum. This wholeness concept makes it much easier for boys and girls to see the relationships between their subjects.

The North Elementary football teams this season will be:

'Texas Democrats Organize To Carry State for Ike'

AUSTIN. — "Texas Democrats for Eisenhower" is the name of a new citizen's organization which opened headquarters here this week. Plans are being made to conduct a grass-roots campaign among members of the Democratic Party in behalf of Dwight D. Eisenhower, a native-born Texan, for President.

Claud H. Gilmer of Rocksprings, former speaker of the Texas House of Representatives, was named chairman. In accepting the office, Gilmer commented:

"I have been a lifelong Democrat, and still consider myself a Democrat. It is a case of deciding: When do you get enough? What are the best interests of Texas, and what are your best interests? We've got to help take the national leadership of the Democratic Party to the woodshed. This is not a creeping socialism we are fighting against, it's a galloping socialism."

Gilmer and other speakers stressed the mandate issued by the

State Democratic Convention at Amarillo on Sept. 9, which resolved: "It is the recommendation of this Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

The meeting was called by Tom Sealy of Midland, who was elected co-chairman of the organization with Miss Nan Proctor, Victoria school teacher. Miss Proctor was a member of the Gilmer-Aiken Committee that reformed the Texas school laws in 1949. Gilmer was co-sponsor of the reform bill.

Democratic Party leaders selected for a statewide steering committee, to assist the officers, were: Sam Aldridge, Farwell; E. C. Aycock, Fort Worth; W. R. Beaumier, Lufkin; H. E. Chiles, Jr., Midland; Lester Clark, Breckenridge; Mrs. Charles K. Devall, Kilgore; Maston Nixon, Corpus Christi; Emmett Shelton, Austin; Charles W. Duke, San Antonio; Charles E. Long, Jr., Dallas; and John W. Wheat, Houston.

Beaumier and Duke are members of the State Democratic Executive

Committee. Other members who attended the organizational meeting here were Fred Brown, Mineral Wells; Taylor Glass, Austin; Peyton McKnight, Jr., Quitman, and Lynn Smith, Gonzales.

Most of those who attended the first meeting here were leaders at the State Convention in ordering the names of the National Democratic nominee placed on the Texas ballot, while at the same time urging Texas Democrats to vote for Eisenhower.

The group selected Weldon Hart and John Van Cronkhite, Austin public relations men, to assist Gilmer in directing the campaign.

Mr. and Mrs. Ted White had as guests over the week-end Mrs. White's niece, Miss Dorothy Martin of Austin, and her fiancé, Billy Hudson. The couple will be married October 4 in the home of Miss Martin's brother, Dr. J. Ray Martin, in Coleman. To honor the couple while on the visit here, Mr.

and Mrs. White entertained with a lawn supper Saturday night. They were presented with a gift of silver in their chosen pattern.

FRIDAY BRIDGE CLUB

Mrs. Bill Adams was hostess to the Friday Bridge Club last week at the Tea Room. High score in ward went to Mrs. W. R. Baggett, low to Mrs. Johnnie Henderson. Others present were Mrs. Ben Robertson, Mrs. Joe Pierce, Mrs. Tom Harris, Mrs. Floyd Henderson, Mrs. Lowell Littleton and Mrs. Victor Pierce.

The Club will meet this Friday at 2:30 p.m. with Mrs. H. E. Tandy

STATE FAIR OF TEXAS

OCT. 4-19 ★ DALLAS

RURAL YOUTH DAY OCT. 4

The Biggest State Fair in the World

From where I sit... by Joe Marsh

No Longer Two Sides to This Question!

Ever seen those two-family houses they have in some places—with separate front doors and porches—side by side? My sister owns half of one and lives in it, near Philadelphia.

Nice little frame home. Only Sis painted her half brown and the other family always painted theirs green. Ruined the effect—but for years neither family ever thought of suggesting that they both decide on a common shade.

Now Sis writes that their two-toned home is no longer. "I mentioned we were going to repaint."

she says. "And they said let's get a color we all like. So we did. A nice shade of gray for both sides."

From where I sit, so often when there's a difference of opinion it's best to sit right down and work things out (like when our volunteer firemen decided to serve both lemonade and beer at their annual picnic last month). Don't let prejudices "color" your opinion of your neighbor. He'll probably be quite as open-minded as you are.

Joe Marsh

Copyright, 1952, United States Brewers Foundation

Rugged

Dodge Long Life Records give you proof of Extra Value!

When you invest in a new car, you have a right to expect proof that the value is built in to stay. You get that proof in a Dodge. Registration records prove that by a substantial margin, Dodge automobiles have longer life than the average car. Such engineering features as the extra-rugged double-channel frame and rubber-mounted Safety-Steel body make a Dodge stand up under all driving conditions. It's the best driving investment you can make today.

Specifications and Equipment subject to change without notice.

DOUBLE-channel side rails of massive strength add rigidity to the chassis. Dodge stays new longer!

Offroad ride control is SEALED IN for the life of the shock absorbers. Smooth ride reduces wear.

TWO hydraulic cylinders in each front wheel give surer stops over more miles. Extra value is built in.

GET EXTRA PROFIT EVERY TRIP

— up to 1,200 pounds more! —

THIS new GMC 145 H.P. Highway Tractor—the 472-30, will pack more payload and profit into 45,000 pounds of gross capacity than any similarly equipped middleweight built.

It represents new advances in truck engineering that eliminate useless weight in engine and chassis design. Result: You can haul as much as 1,200 pounds of bonus payload without exceeding this GMC's rated capacity by an ounce!

It is both trim and solid—engineered with the same traditional ruggedness you find in the largest GMC's. Available in conventional and cab-over-engine models. Standard equipment at no extra cost includes GMC's great new 145 H.P. engine, full air brakes, and husky rear axle rated to accommodate 10:00/20 tires.

Come in today and compare this sensational GMC 470's payload, power and price! Nowhere else will so little buy so much in a middleweight truck!

GMC'S NEW 470 SERIES HIGHWAY TRACTOR—gasoline-powered by the revolutionary new GMC "302" valve-in-head engine, most powerful for its weight in truck history! Record 7.2 high compression!

GASOLINE 4,000 GVW To 90,000 GVW

hum! Well, let's see what week has to bring. Seems as there still isn't much dat- Whoops — Let's backtrack.

an after the football game ay night were Graham-Jane, Vivian, Charles-Sandra, Jif- Ann, Don-Mary Beth, Bill M. B., Kenneth-Tommie and of e, Tom Piner and Betty W. guessed, I should say everyone fine time.

hich brings us to Saturday. got on parole Saturday night use of her birthday. "Sweet en and — " Oh, well, never Anyway, she and Ronnie, es and Sandra celebrated the day. Happy Birthday, Rose!

in packed in James: "Little Hoop" Saturday night were, Vivian, Tommie, Bobby, and Amid laughter and everyone g to tell what happened, we ged to hear, "More fun!" day night League was cram- with twosomes.

nnie-Carol F., Charles-Ann on C-Jan Jones, La Von-Kost, Betty, Kenneth-Tommie and -Wilburn.

ring the week-end while Bill at the ranch, Vivian was said singing "Wish You Were e" Now she's changed her to, "You're Here Be Ewary- 's All Right."

at happened to the Brewer- tz romance? And they were ate. Oh, well! That's life.ddy W. still has no worries

over girls. (Tough luck, girls.) Pat W. has been counting the days! Only 12 more, Pat.

What's this we hear about an Old Maids' Club got together by Kost, Mary Beth and Thompson. Mary Beth, what time did you get home Friday night? Um-hum, eating too much again.

Benny, is it Ann or Martha this week? Carolyn S. seems mighty happy since a certain Mississippi boy got back to Ozona.

While Third Period Biology class was making an aquarium and cutting up frogs, Vivian and Sandra were having fun — "Just Visiting."

It's been 87 days since Jane — What? We got in on the end of a conversation, but we heard Shirley say someone sure could. . . Well, you tell them, Shirley.

Well, 'scuse me for closing so abruptly but here comes Buddy W. down the hall and I think I am going to faint.)

Football Games Well Spaced For Week-End Listening By Radio

Humble Oil & Refining Company goes into its second week of broadcasting this season's Southwest Conference football games with the prospect of an exciting football week-end for fans through out the Southwest.

Kicking off at 8:00 p.m. Friday night, will be S.M.U. versus Duke from the Cotton Bowl in Dallas. The familiar voices of Kern Tips and Alec Chesser will bring listeners a running description of this game over stations WRR, Dallas; KFJZ, Fort Worth; KGKL, San Angelo; KCRS, Midland; and KTHT, Houston.

Broadcast of the Texas-North Carolina tilt begins at 1:20 p.m. Saturday with announcers Ves Box and Dave Smith describing the play from Kenan Memorial Stadium in Chapel Hill, North Carolina over stations KTRH, Houston; KRLD, Dallas; KWBU, Corpus Christi; and KGKL, San Angelo.

John Ferguson and Eddie Barker will bring the clash between TCU and UCLA to listeners direct from Memorial Coliseum in Los Angeles at 2:50 p.m., Saturday over stations KECK, Odessa; WF-AA-WBAP-820, Dallas-Fort Worth KPRC, Houston; and WOAI, San Antonio.

Texas A & M versus Oklahoma A & M will be aired at 8:00 p.m. Saturday night direct from the Cotton Bowl in Dallas with Charlie Jordan and Jerry Doggett announcing over stations WFAA-WBAP-570, Dallas-Fort Worth; and KTSA, San Antonio.

Rice Stadium in Houston will be the scene of action as Rice meets Texas Tech. Broadcast time is 8:05 p.m. and at the microphones will be Bob Walker and Dave Russell who will cover the game over stations KTHT, Houston; KFKZ, Fort Worth; and KGKL, San Angelo.

Luis Vela, member of the high school football squad, suffered a broken arm in practice early this week.

He is the Choice of Texas Democrats for President!

Texas Democrats for Eisenhower! That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party — but NOT in the policies and practices of Trumanism. We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!" We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism. We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

Chairman: CLAUD H. GILMER, Rocksprings Vice Chairman: MISS NAN PROCTOR, Victoria TOM SEALY, Midland

TEXAS DEMOCRATS FOR EISENHOWER

I am a Texas Democrat for Eisenhower, and I want to work in my community to elect him. Please send me further information.

HOW MUCH FUN do you get from a GALLON OF GAS ?

Power Steering on the Roadmaster and Super

Power Steering now available on Super as well as Roadmaster. Optional at extra cost.

"MILES PER GALLON" is something everyone talks about—and Buick owners take pride in telling us that they're doing OK on this score.

But the kind of miles is important too. The real pay-off you get when you own a Buick is in what happens while you're turning gas into power.

Every drop of gas sets off a tiny tornado of compacted energy in Buick's Fireball 8 Engine.

You swoop from a standing start to any speed the law or good sense permits with effortless smoothness, thanks to Dynaflo Drive.*

You soar over the road with magnificent levelness—buoyed by big soft coil springs on every wheel—coddled by a dozen other features which make up Buick's million dollar ride.

The car holds direction like an airliner on the beam. You snug into turns with sure-footed

poise—ease your grip on the steering wheel and feel the car seek a straight course again like a compass points to the pole.

This is travel as you've always hoped to find it—relaxed, carefree, luxurious, happy—while you leave the miles behind.

Yes indeed—life's different in a Buick. How different you should find out firsthand.

How about letting us give you a sample—any day you say?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

The RED JACKET-REDA "Submergo-Pump"

The Latest in Water Pumping Equipment for the Home and Farm

- * THE PUMP YOU DON'T SEE CAN'T HEAR AND NEVER LUBRICATE * PUMP AND MOTOR COMPLETELY SUBMERGED UNDER THE WATER IN THE WELL * NO PRIMING—LUBRICATION REQUIRED * NO FIT OR PUMP HOUSE * ONLY ONE PIPE FROM PUMP TO TANK NEEDED * CAN BE INSTALLED QUICKLY AND EASILY * CAPACITIES TO 3000 GAL. PER HOUR * PRESSURES TO 500 LBS. * PUMPING DEPTHS TO 1200 FT.

Used, Tested and Proven FOR OVER 30 YEARS

Pumps identical in design to the Red Jacket-Reda "Submergo-Pump" have been used successfully, in the oil fields for over 20 years. Billions of barrels of oil, water and brine have been pumped from depths down to 10,000 feet under varying oil field conditions—a tribute to the quality construction and reliability of this new type pumping equipment.

Almost Maintenance and Economy

This is the only type of submergible pump that can be installed in wells as small as 4". Absolutely noiseless operation. Pressure tank and controls can be installed anywhere. Costs less to operate because of greater pumping efficiency.

that she should drive her ducks to the political market which pays the highest price, whether it be Republican or Democratic.

It will take a long time to reverse old patterns and overcome old habits. But we are on the way. No doubt Eisenhower will get more Southern votes than any Republican candidate has ever received. If he is elected, and if his administration remains true to its campaign promises, the two-party system will be firmly established in the South.

And the entrenchment of a genuine and discriminating two-party system, based on realities rather than on blind loyalties, will be the best thing that ever happened in the South.

EPSILON SIGMA ALPHA

Members of Epsilon Sigma Alpha Sorority met Tuesday night in the home of the president, Rosalie Friend, for a business meeting.

A tentative year-book was presented and plans discussed for taking pledge tests. A committee was named to arrange a get-acquainted party in October. The treasurer's report was read.

The next business meeting of the sorority will be held Oct. 6 in the home of Nan West. Members are urged to bring their pledge manuals and be prepared for the tests.

Present were Rosalie Friend, Jeanette Bailey, Barbara Earnest, Nan West, Gussie Ruth Snyder, Jeanette Trotter and Mildred Perner.

Miss Ann Harvick, Bride-Elect of Ullmer Busby, Is Honored At Gift Tea In Joe T. Davidson Home

Miss Ann Harvick, bride-elect of Ullmer Busby of Sonora and Laurel, Miss., was honored at a beautifully appointed gift tea Thursday afternoon in the home of Mrs. Joe T. Davidson. Assisting Mrs. Davidson as hostesses were Mrs. R. A. Harrell, Mrs. Lovella Dudley, Mrs. Stephen Perner, Mrs. Early Baggett and Mrs. H. B. Tandy.

Greeting guests at the door were Mrs. Herrell and Mrs. Tandy. In the receiving line were Mrs. Davidson; the honoree; her mother, Mrs. S. M. Harvick; Mrs. R. E. Sumrall of Sonora, sister of the prospective bridegroom; Miss Rosalie Friend, cousin of the bride-to-be; and Mrs. Charles E. Davidson, III.

Alternating at the punch and sandwich service were Mrs. V. I. Pierce and Mrs. W. E. Friend, Jr., aunts of the bride-elect and Mrs. Martin Harvick and Mrs. Jim Ad Harvick, her sisters-in-law.

Miss Carol Friend, a cousin of the bride-to-be, registered guests. Others in the house party were Mrs. Dudley, Miss Marjorie Hickman, Mrs. Chris Perner, Mrs. Stephen Perner, Mrs. James Childress, Mrs. Johnny Miller, and Mrs. Clyde Sikes.

A pink and white color scheme was used in decorations. Arrangements of pink delight roses and tinted plumosa fern were used in the living room and Fuji chrysanthemums in pink and white and pink gladioli and fern were used effectively in decorations throughout the tea rooms.

The table, laid with a cutwork cloth, was centered with a replica of a bridal bouquet. Three-branched silver candelabra holding pink tapers flanked the centerpiece and arrangements of pink and white carnations in pink tulle furthered the table decorations in color scheme. Cut glass and silver service were used.

About 100 guests called during the tea hours, with visitors registered from Barnhart, Big Lake, Iraan and Sonora, as well as Ozona friends.

Miss Harvick was honored at a breakfast Tuesday morning in the home of Mrs. Max Schneemann, with Mrs. Schneemann, and her daughters, Mrs. Miller Robison and Mrs. Clyde Sikes, hostesses. Pink and white floral decorations

were used and the table was centered with fruit in an antique cut glass bowl. Bridal bells with miniature chrysanthemums were used as place cards. Miss Harvick and Mrs. C. E. Davidson, III, a recent bride, were presented with gifts.

Mrs. Ira Carson and daughter, Mrs. James Childress, honored Miss Harvick at a breakfast. An arrangement of fruit was used to center the table. Miss Harvick and Mrs. Davidson were presented with gifts.

A luncheon given by Mrs. Frank McMullan and daughters, Misses Tibba and Dixie McMullan, honored Miss Harvick. Pink and white gladioli were used in decorations. A gift was presented to the bride-to-be.

Crockett Oil Test

(Continued From Page One)

800 feet, with drilling expected to start Sept. 27.

The drilling contract had not been let Tuesday afternoon.

Sun No. 1 Mitchell, Crockett wildcat in 111-1-I&GN, was drilling at 12,096 feet in lime and shale.

Sinclair 1 Friend, wildcat in C. Barrera, Grantee, survey, was drilling at 5,458 feet in shale.

Humble No. 1 Davidson, Crockett wildcat in 5-F-GC&SF, 15 miles south of Ozona, at total depth of 9,711 feet, was preparing to drill stem test. The operator tried to drill stem test Tuesday, but the packer failed.

Humble No. 1 Martin, wildcat in 38-OP-GC&SF, was drilling at 3,348 feet in shale and lime.

Woman's Club

(Continued from Page One)

was read. Members present were Meses. Lowell Littleton, Joe Pierce, Jr., L. B. Cox, Jr., V. I. Pierce, Ben Lemmons, S. M. Harvick, O. L. Sims, P. T. Robison, Hubert Baker, Max Schneemann, Stephen Perner, Walter Augustine, M. B. Flippen, Charles Williams, Sr., and H. B. Tandy.

SUNSHINE CIRCLE

Members of the Sunshine Circle of the Methodist WSSC met Wednesday morning in the home of Mrs. W. R. Baggett to begin the study "These Rights We Hold" by Fred L. Brownlee. Dr. Brownlee has devoted almost all of his work-

ing life to the problems of human rights. Mrs. Joe Clayton gave the devotional and later a talk on the United Nations Organization.

The Circle study leader, Mrs. Madden Read, discussed the study topic. Mrs. Bill Friend gave a talk, "Accent on Liberty."

Present were Meses. A. S. Locke, Pernie Jeffery, L. D. Kirby, John

Bailey, Hugh Childress, Sr., Ele Hagelstein and T. A. Kincaid, Jr., and Miss Mabel Whited.

The Circle will hold its next regular meeting on October 8 with Mrs. Ele Hagelstein.

Rev. Horace Crowder, 20-year-old student at Howard Payne College in Brownwood, is serving as

pastor of the Todd Field Baptist Church. Rev. and Mrs. Crowder, both Howard Payne students, drove from Brownwood each Saturday night and spend Sunday holding regular services. Mrs. W. E. J. J. lison reports members of the congregation are highly pleased with the young preacher's work.
