OSONA'S LIONS

Ozona is proud of her Lions regardless of whether they win either both or neither of the remaining games. The team we saw in our last Friday night against Junction won our respect and admiration for themselves and for their coaches. Not only did they show spirit, but they showed a knowledge of every important aspect of football in the book, blocking, tackling, effective defense, and a running and passing game which managed to gain yardage against a team which was supposed to be better.

A glance at the respective lineups of the two squads made one's heart sink. The Lions had 16 men suited out. The other team looked like a small army.

The first few minutes of play went bad for us, as the Junction defense ate up yardage on the line with disconcerting regularity in a series of through-the-line, around-the-end plays organized about a couple of fast backs. In the second quarter the Junction defense intelligence had doped the offense out, and began to break through occasionally and smear the Eagle offense before it could get rolling. A couple of visiting players, whom I overheard talking on the sidelines, were plenty smart. "Just think," said one to the other, "We gave fourteen points in this deal." In the third quarter some of them started walking up and down the sidelines yelling at the team. "Get going! You look like the W. P. A." But Junction didn't get going just at that moment, because they had run into something they hadn't expected.

Maybe I was a prejudiced spectator, living in Ozona and having my boy playing in the game. But I thought it seemed to me then and it seems to me now that the Lions hardly outplayed the Eagles and in every part of the game except in the second quarter. They topped themselves with brilliant flashbacks, such as Garlitz' long run for his first score, and the last pass of the game, a stupendous catch and catch which would have won us the game, had the clock showed another play or so.

It has been my observation that when a team puts up a super-battling against a stronger outfit, playing above its head to almost win, it wasn't supposed to win, it has to get nearly all the breaks. The Lions did not get all the breaks. There were at least three points at which a break could have changed the outcome.

First, one point conversion could have given us a tie; two could have won the game. Again, when Price attempted to catch and return the Eagle punt, had he been able to hold it, it is doubtful whether Junction could have recovered possession of the ball in time to make the last touchdown in the brief time that remained.

The third bad break was that after the last long pass put the Lions right up to the goal line, so that whether play or two would probably have put them over the line, the clock ran out.

All these things do not change the basic fact that the Ozona lads played way over their heads. Maybe some of the thanks belong to the high school crowd who, since the week before the Menard game, have been giving the team some mighty good support. A lot of credit belongs to Coaches Wilkins and who, who evidently have taught the boys a lot of fundamental football.

There are some who believe that the main and final argument for football is not the victory, which is often forgotten in the excitement of other years and other teams. The big thing in football is that it teaches boys to compete. The American way of life is based on competition. To compete means to be a licking as often, or perhaps more often than to win a victory. To be sure, we all wanted to have the District Championship team. The boys would have been proud of it, and other fans would have.

Business Men, Ranchers Tangle In Roping Match

Sunday Afternoon Program to Feature Novel Contest

There'll be some fresh talent behind the ropes at the Ozona fair grounds arena next Sunday afternoon.

It will be Ozona business men vs Ozona ranchmen, five men on each team, two calves each and one loop to do the job.

The novel afternoon program, which also will include jackpot ropings and special matched events and exhibition bronc riding, will begin at 1:30 p.m. It is sponsored by the Ozona Roping Club.

The Business Men vs Ranchmen match will include selected ropers from the "No-Grass Rodeo Assn."

On the side for the business men will be such speed artists as Cleophas Cooke, Joe Tom Davidson, Gene Williams, Tommy Newton and Fats Alford. Upholding the "never miss" ranchmen's team will be W. E. Friend, Jr., Abe Caruthers, Charlie Davidson, Ezra Trotter and Fats Parker.

As a special super-production feature of the afternoon, will be a special matched roping starring Fats Parker and Ezra Trotter.

Schools Invite Parents To Open House Tues. Night

Teachers on Hand in All Buildings to Greet Visitors

Ozona Public Schools will observe open house from 7 to 9 p.m. next Tuesday, Nov. 18, Supt. Lem Bray announced this week.

The open house will be in the nature of a delayed observance of National Education Week, officially designated from Nov. 10-15. Mr. Bray said, and at the same time will give patrons an opportunity to examine the new buildings and additions completed in the recent building program. Delay in shipment of some of the furnishings to complete the buildings was the cause for the week's delay in the open house event.

All buildings in the system will be open from 7 to 9 p.m. Tuesday evening and all parents are cordially invited to visit the schools. Parents of children are particularly urged to visit the rooms and departments of their own children and to meet their teachers. All teachers will be in their respective home rooms and departments during the open house hours and parents are urged to meet them and to examine equipment and buildings.

Improvements at the South Elementary, the additional classrooms and auditorium at the North Elementary and the new Band Hall and manual training shop are additions which parents will have an opportunity to examine during the open house hours. However, teachers will be in all rooms in the high school and junior high and parents are invited to tour the entire system. Students are also invited to accompany their parents if they desire. Refreshments will be served visitors during the evening.

Masonic Lodge to Hold Open Meeting

Ozona Masonic lodge will hold open meeting next Monday evening Nov. 17, for a program commemorating the 200th anniversary of George Washington's being made a Mason.

The affair will be a covered dish supper for members, their wives and guests and members of the Eastern Star.

All Masons and their wives are urged to attend, whether or not they are members of the local lodge.

FOR SALE — Tanks and Butane, 218 or 240 gals. Underground type. Methodist Church.

Reta Sue Ballinger Named First Queen Of SAC Homecoming

Miss Reta Sue Ballinger, 1952 graduate of Ozona High School and a nursing student at San Angelo College, was elected Homecoming Queen of the San Angelo silver anniversary celebration last week by the student body of the College.

She will reign at halftime during the Ram-Schreiner football game Saturday of this week. Miss Ballinger is the daughter of Mr. and Mrs. R. E. Ballinger of Ozona.

Homecoming Day festivities include a downtown parade at 2 p.m., open house at the president's new home from 3 to 5, a get-together for exes in the Ram Room at 4, the Ram - Schreiner football game at 8 p.m. and at 10 p.m. a free dance and floor show at the St. Angelus Hotel roof garden for exes and their families.

West Texas area bands, SAC organizational floats and ex-students in cars from school years 1927 through 1952 will take part in the parade.

Ozona Girl, Student At TSCW Is Chosen for College 'Who's Who'

DENTON, Nov. 11. — Jane Hatley, daughter of Mr. and Mrs. P. O. Hatley of Ozona, is one of nineteen students of the Texas State College for Women who will appear in Who's Who in American Colleges and Universities. The list was released by Dean of Admissions Francis Emerson, following approval by the national committee.

Criteria used by the selection committee included excellence and sincerity in scholarship; leadership and participation in extracurricular and academic activities; citizenship and service to the college; and promise of future usefulness to business and society.

Miss Hatley is president of Sigma Alpha Iota, honorary Music fraternity, and is active in the band, orchestra, Campus Serenades, the Round Table and departmental clubs. Majoring in music education for instrumental supervision, she belongs to James H. Lowry Club. Last year she was SAI chaplain, and during her sophomore year she served as treasurer of the Heart of Texas Club. She received a valedictorian freshman scholarship, has made the Dean's List two years and has participated in Class Stunts.

300 Fans Honor Football Team at Impromptu Banquet

The idea was voiced by somebody over the afternoon's first cup of coffee and had jelled by the time of the second a couple of hours later and by midday the next day all arrangements had been completed for a barbecue supper, program, complete with out-of-town speaker, and volunteers were on the telephone calling every home to broadcast the invitation.

That's how fast a fine community get-together Tuesday night was thought up and executed by a group of football fans who wished to honor members of the Ozona High School team and to show the boys that the town is 100 per cent behind them and considers them the best team in the district in spite of their heartbreaking one-point loss to Junction last Friday night.

Included in arrangements for the affair was a whirlwind collection campaign around town with nearly \$300 dumped into the hat. Cleophas Cooke was on the job preparing the barbecue and trimmings for an estimated 350 fans and boys, a number of ladies of the town volunteered to cook cakes and around 20 luscious dandies were on the table at the supper.

And at 7:30 Tuesday night in the girls' gym at the high school some 300 were present for the impromptu banquet and program. T. J. Bailey emceed the affair. Rev. Troy Hickman pronounced the invocation and the football team fell to on the eats, followed by the.

Seconds, Inches Separate Lions From Victory

Point Margin Gives Junction Win in Final Seconds

With still a chance to share in the district title if Menard beats Junction this week, the Lions go against Eden on Lions Field here at 7:30 Friday night.

The Junction Eagles won a District 6A football game here Friday night 13-12.

The Ozona Lions lost that football game by one point, by one fumble, by one short kick, by one off-side, by one step and by one second.

Taking nothing away from the glory that was the victors', the Lions in losing by that slim margin covered themselves with glory in roundly outplaying the visitors through all of the game except the first few minutes and the last few seconds.

A fumbled Junction punt in mid-field with less than two minutes to go set up the often-faltering but ever recovering drive that led to the Junction tying touchdown and the winning extra point; a short kick out of bounds failed to get the valiant Lions out of trouble; an off-side penalty against the Lions on the point try gave the Eagles the distance they needed to barely push the ball over for the point; and one step or one second of time was the difference that David Price needed to go the remaining ten yards to a touchdown on a pass from Charles Garlitz that covered 50 yards on the last play of the game, started two seconds before the game's end.

That's the thumb-nail story of the heart-breaking game: that the Lions had in the bag until the last 17 seconds of the game; a game the Lions had by a 12-6 score until bad breaks came tumbling on top of each other to wear down their valiant defense and bring the hysterical final seconds which stunned both Ozona and Junction fans — a finish which even the winners themselves scarcely could believe.

The Eagles took the lead early in the first quarter when they marched 70 yards, mostly on the ground, to a touchdown. Bennett Ragsdale, the whole show for Junction, with some help from Murr, did most of the ball lugging, going over for the touchdown from the four-yard-line. A punch at the line for the extra point was smothered by the determined Lions.

The Lions tied it up on the second play of the second quarter when Garlitz, outstanding power of the Ozona offense, crashed through from the three. Tom Piner, who kicked four extra points in succession at Eldorado last week, missed against the stiff southeast wind which swept the field.

The ions, whose determined defensive play, sparked by ends Don Cooper and Bill Maness, aided by Center Bill Schneemann and the secondary line backers had effectively bottled up the Eagle stars, Ragsdale and Murr, apparently sawed up the game early in the third quarter when they recovered a fumble by Ragsdale on the Junction 20. On the second try Garlitz skirted the end and eluded the entire Junction team to score standing up. Again the wind deflected Piner's point try.

Painful as is the record, the fatal final seconds of the game came when Price, playing safety for Ozona substituting for Charles Hale who suffered a broken collar bone

Pandale Road Section May Be Paved By State

Commissioners Designate Route for \$90,000 Expenditure

An appropriation of \$90,000 has been set aside for construction of secondary roads in Crockett county, the State Highway Department has informed the Commissioners Court, and the department has asked the court to designate the road on which construction is desired.

The court last week designated the Pandale road, intersecting Highway 290 at a point about 4 miles west of Ozona, as the road on which it wishes the state paving work to be done. Whether or not there will be changes from the present location of road will be determined by engineers of the State Highway Department when construction of the first segment is ordered. The amount appropriated is expected to build eight or nine miles of pavement.

The Pandale road on the present route traverses approximately 35 miles before reaching the Val Verde county line. A paved road is contemplated in Val Verde county in the form of a loop from Comstock to Pandale and to Dryden and the road in this county may ultimately connect with the loop, with a few miles of additional construction in Val Verde.

Former Ozonan Recalls Delights Of Residence Here

A nostalgic note from I. G. Rape, former Ozona druggist, now living in Fort Worth. "Guess we'll never live anywhere that we enjoyed so much as your little city," he wrote. "Maybe it was because our boys went through grade and high school and we were all at home, but then, it was good, too, to go downtown and say hello Bill, Kate, etc. to anyone you meet, which you can't do here."

Mr. Rape sent along a clipping from the Star - Telegram, since "some of the folks there may be interested in our whereabouts." The story, regarding the Rapes' two sons, Drs. Marvin and Joe Rape, follows:

"Dr. and Mrs. Marvin G. Rape of Houston and Dr. and Mrs. J. Marvin Rape of San Angelo were guests here Sunday of Mr. and Mrs. I. G. Rape of 2908 Mount Vernon.

"They were in this area for the formal opening Sunday of the new surgical clinic at Arlington opened by Dr. Frank Wallace, Dr. John Bida and Dr. Joe G. Rape.

"Drs. Joe and Marvin G. Rape are sons of the Fort Worth couple and Dr. J. Marvin Rape is a brother of I. G. Rape."

Navy Recruiter to Be in Ozona Monday

Chief J. W. Webb, Navy recruiter for the San Angelo area will be in Ozona Monday, November 17, at the Postoffice building to discuss with all interested young men and women the advantages of a career in the Navy. Enlistments are now open for the November quota.

The Navy offers both men and women an education and training in which field they are interested. It gives them a chance to serve their country and to see parts of the world that they otherwise might never have the opportunity to see.

Fans Honor Team
(Continued on Page Two)

Then to the auditorium where Judge Houston Smith heaped praise on the boys' spirit and spoke for the town in expressing appreciation for their efforts. Team Captains Charles Garlitz and Tom Piner responded magnificently in expressing the team's appreciation for the honor and promising their continued best efforts the balance of the season. Then Coach Larry Wilkins called it "the finest gesture I have ever seen in all my experience in football," called Ozona backers the "finest people on earth" and with a noticeable quiver in his voice expressed his own and the thanks of his boys.

Dr. Rex Johnston, president of San Angelo College, with Mrs. Johnston, responded to a short-notice request for a speech and was on hand for the evening's festivities. He extolled the merits of character building through athletics and described it as "wonderful to see a group of people who

can't be defeated by defeat." The program closed with showing of the movies of the Ozona-Junction game, made by Jack Wilkins. That, of course, was not a completely happy note on which to end the evening's entertainment, but the film showed again the superior game waged by the Lions but again there was nobody to stop Ragsdale on that last touchdown run, and help mightily as the audience did again, David Price nevertheless was ridden down by a desperate Junction tackler on the Junction 6-yard line after taking a 40-yard leave from Charles Garlitz on the last play of the most spectacular game ever played on Lions Field.

of the spectators who saw Junction game last Friday at Lions Field, undoubtedly never and never will, such a game played as was.

ough our Lions were on the end of the one point difference separated victory from it is clear that the victory finally ours. It is a plain fact that the Lions outplayed the Eagles all during the game. There has been fielding errors fighting and spirited play on our last Friday. Even for a reason that is better understanding, Junction lost in the last 17 seconds of the game, there can be no one's mind that had the privilege of seeing the game, Ozona Lions are the best in the district. Why else Junction have been over-joyed to say that they wouldn't let game over for anything. Of course, that next day might not receive all of the breaks and we the bad). The school spirit has never been high as it was during last game. In fact, the refusal to ask our coach to come to the Ozona stands and ask the fans please be a little while the boys were calling because they couldn't think of it — can you say game, including college when the coach, by the request, had to ask the fans to cheer while the boys were signals? Usually it is like eye teeth to even get a "rah" out of them.

great football team and school spirit that OHS produced this year is certainly a thing that has happened a long time. And it would be a tragedy to let last year's heartbreak overshadow championship, due to the fact it is quite possible for Junction this week, because you can never tell what is to happen in a ball game. Witnessed here last Friday, we have a good chance if behind our boys and boost victory in their last two. So let's keep that good spirit and back our Champs victory in our two remaining of the 1952 season.

SPORTSMANSHIP

S stands for the spirit of sport. A good sport, whether player or spectator, loves all sports. He does nothing that will discredit or harm them.

P is for pleasure. Play to win, but don't allow losing to spoil your enjoyment. If it isn't fun, it isn't really sport. It is work, fighting or something else.

O is for obedience. Obey your coach and all other authorities. Obey your conscience, too.

R stands for rules. Every game has its own regulations. The game would break down without them. It is sportsmanlike to know the rules and stick by them.

T is for team and trustworthiness. In any team game, players must trust each other and play for the good of the team.

S is for self-control. Be fair, even generous, and don't carry a chip on your shoulder.

M is for manners and being a man. Good manners are just as important in the stands as on the field or on the court. Players shouldn't "crab" on decision or play dirty. Nor should spectators make a nuisance of themselves.

A is for authorities. Good sports respect school authorities as well as officials. One of the quickest ways to detect a poor sport is by his attitude toward game and school officials.

N stands for no. Being able to say "No" when something is wrong is a sign of good sportsmanship.

S is standing up for the right. The good sport fights meanness and unsportsmanlike conduct wherever he finds it. He is brave enough to go against the crowd, if the crowd is wrong.

H stands for honor and honesty. Be honest even if it costs you a point or a game. Honor is the keystone of good sportsmanship.

I is for ideals. High ideals go hand in hand with good sports. The high ideals that you should follow in everyday life should guide you on the sports field.

P is for the personality that sports help build. Build your character in clean, wholesome sports.

Band Leaves Saturday For Alpine for Sul Ross Band Festival

Junction Takes Lead by Luck Over Ozona 13-12

By Sonny Henderson

The Junction Eagles barely edged Ozona in one of the best ball games the fans of Ozona or Junction have seen or ever will see Friday night. As you all probably know, Ozona might have had District clinched if they had beat Junction.

Junction, yard by yard, got their first touchdown early in the first quarter to make the score six to nothing. The extra point was declared no good. The score was made by Bennett Ragsdale. The ball was exchanged many times until early in the second quarter. Ozona had three yards to go and Garlitz went over right tackle to even up the score, 6 to 6. Ozona was doing some swell blocking out there on that field and I think everyone will back me up on that statement. In the third quarter, about the middle, Ozona had fifteen yards to go and Garlitz went over for another Lions' score to make it 12-6.

None of Ozona's points were any good. I think it was because the wind Piner had to face to kick those points.

The ball was changing hands very rapidly, and it was a fight to the finish until early in the fourth quarter Ozona fumbled a punt and Junction recovered the ball. The Eagles kept getting closer and closer in the fourth quarter and then again Bennett Ragsdale for the second time, speeded over for another Junction score to tie it up 12 to 12. There were only 17 seconds to play. Junction made the extra point.

The Eagles kicked off to Ozona and the Lions brought the ball down to about the fifty when they were tackled. On the second play of these last breath taking seconds Garlitz threw a beautiful pass to David Price, and he was run out of bounds on the eight yard line. Then the horn sounded and that was the ball game. Junction 13, Ozona 12. So you see anything can happen in a ball game.

right, maybe, by the time we reach Sul Ross. We'll get to meet lots of people and see some interesting things in Alpine. (So Mr. Leath says, anyway.)

After reaching Alpine, we will get a well-needed meal, and then have about three or four hours off. We report to the football field at 5 o'clock for practice. (Marching.) We will be the "N" in a formation saying, "Band Day - 1952"

We will return to our little city at eight o'clock the next morning.

Achievement Tests Given Student Body

By Lynn Parker

Gosh, who has a pencil? Who will lend me an eraser? Yes, this was the confusion going on in high school Tuesday morning. Mrs. Cody settled the pencil problem. She had a good racket going selling pencils. No one seemed to know which room he was to go to.

These are the first achievement tests we have had in four years. They were given in groups such as seniors, juniors, sophomores and freshmen. Of course, these tests won't fail or pass us but they are

to see what we are capable of doing.

There were three parts to the tests, reading, math and grammar. We had a set time to finish each section of the test, so our fingers got plenty tired writing so fast.

The test was only to take up the morning classes but because of the badly needed ten minute breaks between the tests, we carried the tests on to fifth period.

With the tests over we were amazed to find so many words we didn't know the meaning of, so many problems we couldn't work and so much we didn't know about grammar.

An Electric Freezer saves time and trouble in many different ways, and provides better meals. For the holidays, mince pies, puddings and the like can be baked in advance and frozen. Chili con carne, spaghetti and chop-very can be packed in meat-size containers, and frozen for future use.

With an Electric Home Freezer you can shop every couple of weeks instead of every day or so. Buy meats, fruits and vegetables when there's on sale, save money that way. You simply freeze and store until needed.

A complete Sunday dinner, prepared weeks in advance and stored in the freezer, is ready to heat and serve when needed. Hamburgers, wieners, and lunches for picnics can be frozen in advance.

Fresh from the Freezer

"Life is simpler, Judy, since we've had this Electric Home Freezer, full of fresh frozen things to eat — and the meals are better! Look at the variety in there! Corn on the cob, strawberries, peaches, snap beans — meat, cakes all baked and ready to warm in the oven — your school lunches for a week, all wrapped and frozen so I just have to take a package out in the morning when you leave for school.

"And we're never 'out of things'. When they have bargains at the stores — in frozen foods or in meats — I can stock up on them. I never have to throw leftovers away — just freeze them to use weeks later. So you see, this freezer saves me time and saves your Dad money, too!"

DID YOU KNOW ...

with an Electric Home Freezer you can:

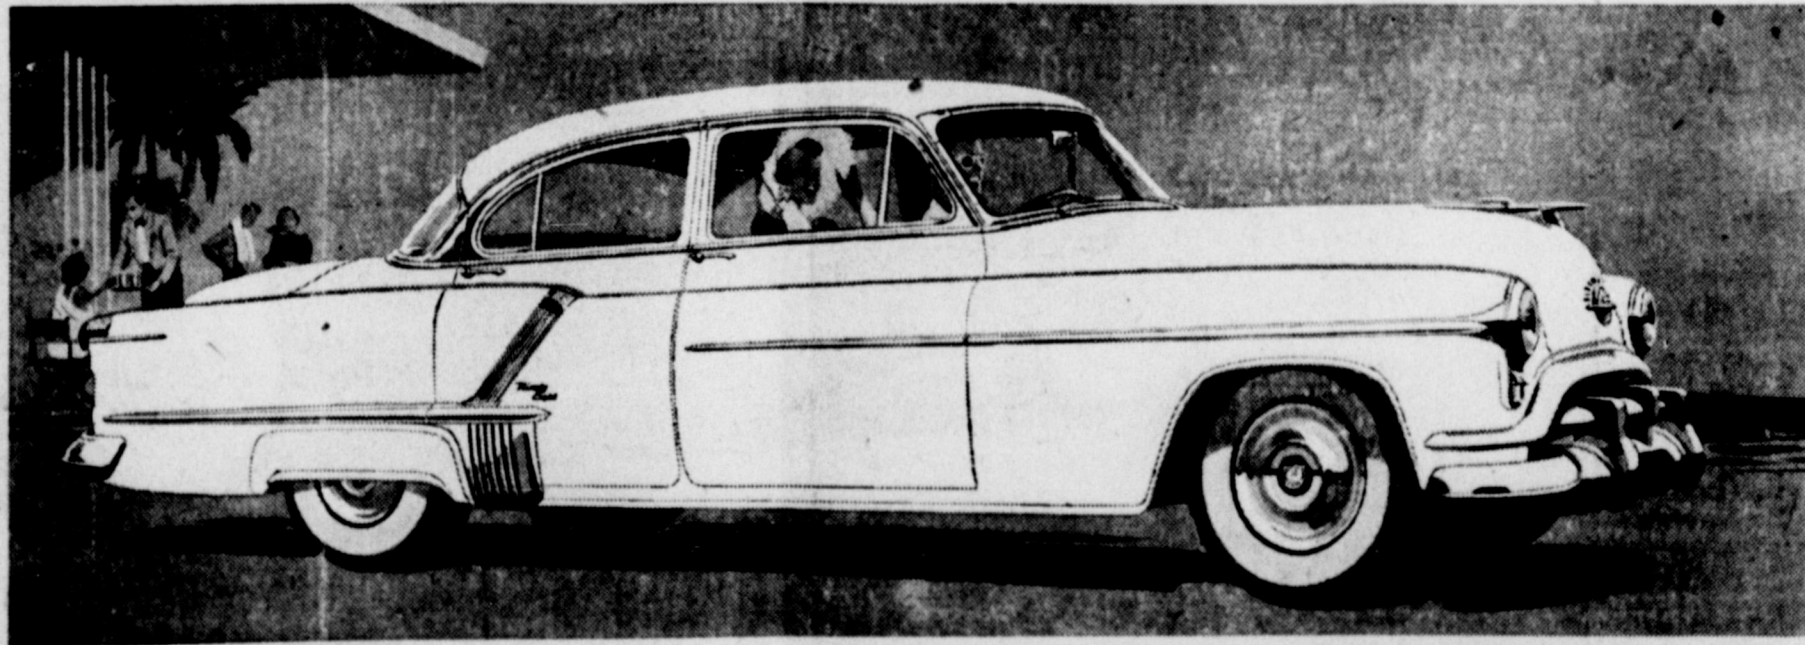

- Freeze bread slices until needed, keeping them fresh and firm...
- Freeze large quantities of cooked beans, stews, etc., and store for later use...
- Freeze waffles, warm in electric range oven as needed...
- Store ice cubes for parties...
- Save enough on food to pay for the freezer in a relatively short time!

for the victory-happy Mustangs with but a single tie to mar their record.

Bill Meinecke scored the first touchdown with an end run of some 35 yards. He was helped by several key blocks thrown by other members of his team. Several minutes later, Joe McMullan on another end-around went 13 yards for the other score. Neither try for the extra point was good.

The Longhorns, led by the huge fullback, L. C. Poindexter, and quarterback, Jimmy "Smasher" Freeman, drove deep into Mustang territory several times, only to lose the ball for different reasons.

The Mustangs stopped one such drive on their own 35 and on the first play Johnny Jones faked a run and passed to Loy "Little Dynamite" Elmore, who ran for some 50 yards before he was caught from behind by Pat Jones.

Along with Jimmy and L. C., Bob Cooke stood out for the Longhorns, while Deeny Holden and Loy Elmore stood out on defense for the Mustangs.

With the exception of Friday night's all-star game, this concludes the Little Football schedule. The boys on the Longhorn Bear teams selected the following team to play against the league champ Mustangs Friday night: Bufford Blackmon, P. L. Childress, Bob Cooke, L. C. Poindexter, Jimmy Freeman, Muggins Good, Pat Jones, Von Clendenen, Jimmy Williams, Bob Meinecke, Pierce Miller, Joe Friend, Gary Thomas, Skipper Gibson and Weldon Day. The Mustangs selected the following players who were not chosen for the all-star team to help them in the contest: Leslie Deland, Ridge Sewell and Bobby Childress.

Members of the Mustangs are Denny Holden, Ronnie Beall, Tommy Stokes, George Blackstone, Joe McMullan, Mike Patton, Jimmy Sutton, Louie Mock, Ronald Carnes, Dickie Flanagan, Loy Elmore, Bill Meinecke, Johnny Jones and Royce Ballinger.

Safety Patrol for this week includes: Brenda Jones, Tommy Sue Chandler, Johnny Jones, Bufford Blackmon, June Bunger, Jimmy Williams, Sally Baggett, Von Clendenen, Weldon Day and Leslie Deland.

RECREATION

The Speech class will meet this Thursday at Woman's Forum to discuss what the youth of Ozona

needs in the form of recreation. The main topic will be a recreation hall while a swimming pool will be the sub-topic. Marion Mock will be chairman while Graham Childress and Larry Lewis assist her.

A few years ago Ozona tried to have a recreation hall but it fell through. A swimming pool was tried, too, but it failed. A recreation hall would be just the thing the youth of Ozona need. It would not only keep the youth off the streets, but would also cut down on juvenile delinquency. So let's all hope that the mothers of the town approve of this.

TODD FIELD NEWS

By Mrs. W. E. Allison
Todd Field Baptist Church was honored Saturday night with a visit by members of the Baptist Brotherhood and the Woman's Missionary Union of the First Baptist Church of Ozona. Men of the Todd Field Brotherhood report an interesting program which they enjoyed very much and I believe I can speak for the ladies that we enjoyed the WMU program.

Mrs. Ben Williams and her helpers gave us a wonderful program on the duties of officers of the WMU, a mission union of Texas. Ladies present from Ozona were Mrs. Williams, president; Mrs. H. A. Gustavus, vice president; Mrs. O. C. Webb, corresponding secretary; Mrs. S. L. Butler, recording secretary; Mrs. J. T. Keeton, stewardship chairman; Mrs. Frank Noe Bible program chairman; Mrs. H. R. Mock, communion mission; Mrs. Blake Woolbright, program and education chairman; Mrs. Bill Holden, publicity; Mrs. Roy Sewell, young peoples secretary; Mrs. Pleas Childress, mission study chairman; and members Mrs. J. T. Patrick and Mrs. Johnson.

A supper of chili, beans and salad was enjoyed in the company garage at the gasoline plant. An estimated 75 persons were present.

Missionary Work Studied by W. M. U.

Members of the Woman's Missionary Union of the First Baptist Church met Wednesday morning for a Royal Service program. Mrs. Blake Woolbright presented the program on accomplishments of the missionaries of the church in Nigeria. Taking part on the program were Mrs. Bill Holden, Mrs. Ben Williams, Mrs. Gerald Vest and Mrs. Tommy Gould.

A wire recording to be sent to Africa for use by missionaries was made following the program. Coffee was served.

Others present were Mmes. L. D. Long, Frank Noe, J. C. Stricklin Melvin Semmler, Buck Thompson, Ivy Smith, Jr., J. T. Keeton, J. T. Patrick, H. R. Mock, Coy Whisenant, Tommy Good, Pleas Childress.

Mrs. Dorothy Montgomery turned in the best low gross score in the nine-hole flight at the San Angelo Golf Association one-day invitational golf tournament in San Angelo Thursday. Mrs. Montgomery also copped the low new title in this flight with a 37. Women golfers from nine area cities competed. Ozona was well represented at the tournament by a delegation of local players.

Miss Gearl Dean Long, daughter of Mr. and Mrs. L. D. Long of Ozona, underwent facial surgery in the Sheppard Memorial Hospital

in Burnett, Texas, Nov. 8. She has made splendid recovery and is able to attend school again.

NUMBER ONE item on most anyone's list of automobile "musts" is power—the life and lift of your going.

In this Buick SPECIAL you get a valve-in-head big-compression Fireball 8 Engine that can pour out a wealth of the thrilling power you ever held rein on—more power per dollar than you'll find elsewhere.

Number Two is ride—the way you go—the comfort and steadiness and luxury of your travel.

Every Buick has big soft coil springs on each wheel to cushion your way—and an unyielding torque-tube that firms and steadies your ride. Yet these are just two of the fifteen

Buick ride features that cost, literally, more than a million dollars to engineer.

Then there's style, there's room, there's visibility, there's handling ease—all part of your travel — all helping to make the difference between good going and great going.

But price is very much part of the picture, too—what you pay for what you get.

So when you add in the big horsepower rating you get in a Buick, plus the extra thrill and thrift of its Fireball performance...

When you measure the inches of room, count up the many hours of comfort through the years, check off things like durability and solid satisfaction and high trade-in value...

And when you put this total against the price of a Buick—you're going to say, "Man! That's great going all the way!"

Come in and see us today or tomorrow, won't you?

enjoyed basking in the reflected glory of a town that had a championship team. But apparently it just wasn't in the cards. There is an outside chance yet, of course. The main chance slipped away when Ragsdale galloped down the sideline for that last Junction touchdown. By the way, let it be said that the Eagles were a game crowd and played heads-up ball all the way.

To get back to our moralizing. In this imperfect world of human affairs, each of us knows defeat more often than he knows success. What we call happiness depends upon being able to take that fact in one's stride. The Ozona Lions have learned a bitter and better lesson, perhaps, in the loss than they would have learned the other way. At least, we will com-

fort our disappointment with that thought.

Whatever happens from now on, we have had a great football season and we have a swell team and splendid coaches. Ozona is proud of the Lions of 1952.

Football --
(Continued From Page One)

early in the game, fumbled a Junction kick and the Eagles recovered. But that damage seemed repaired when the Lions bottled up the Junction offense to a fourth down try, but Ragsdale ran from punt formation to chalk up a first down on about the Ozona 30. But all seemed saved when the Lions held again and took the ball. Three tries which served to run out the few remaining seconds, failed and the Lions kicked. But the ball caught the wind and soared out of bounds on about the Ozona 33.

Came then the passing and running attack which carried the Eagles to the Ozona 15. There, again it appeared the Lions had staved off the Eagles. It was fourth down and the Eagles were flinging passes in an effort to connect with a marker before the clock ticked off the few seconds.

That fourth down try, with 17 seconds left, seemed to have fizzled when the determined defenders had every receiver thoroughly covered and linemen were rushing Ragsdale as he looked right and left for a possible receiver.

Then Ragsdale spied daylight on the left, crossing the goal after barely being able to keep in bounds the last three steps, so closely was he pursued.

That had the game tied and the Lion line felt equal to the task of again smothering that Junction pluge for the extra point. Over anxiety caused an off-side and the penalty was half the distance —

one yard, and left the Eagles now one yard to carry. They carried perhaps one yard and three inches as the Lions swarmed the on-rush. But one inch is enough if the referee's eyes are sharp enough and it was 13 to 12.

But the game's thrills were not over, even if there were but a matter of two or three seconds left. The Eagles kicked off to the Lions, first out of bounds. Then again and Garlitz took the ball for a 20-yard runback to the Lions 40. With two seconds left on the clock, Garlitz, well covered by the Lion forwards, took time to let Price get far downfield and laid a 40-yard pass into his arms. A lone Junction defender was bearing down on Price as he took the ball. The split fraction of a second he needed to pause to tuck in the ball was the difference that let the Junction defender push him out of bounds on the Junction 8. One step would have had him in the clear, and a story-book finish, the difference between galling defeat and glorious victory. But the difference wasn't there.

A reporter can name the Ozona players who figured in scoring plays, sharp defenses and the like but to give the boys their just dues, it would be to name every man on the squad as having played an outstanding game in that contest they won hands down, only to lose on bad breaks.

WILLING WORKERS CIRCLE

Mrs. Dick Henderson was hostess to the Willing Workers Circle of the Methodist WSCS Wednesday morning. Mrs. Charles Williams completed the study on Home Missions and Human Rights. Cards of recognition were presented to ten members receiving jurisdictional credit on the course. An offering was made by members to go to the Spofford Home in Kansas City.

Recommendations were made by the Circle that members bring books and records for the colored school; visit shut-ins; and back the Student Council in its efforts to prevent further unsightly painting of buildings and streets in the town.

Present were Meses. Max Schneemann, Charles Williams, Paul Perner, Bright Baggett, J. A. Fussell, J. W. Henderson, Dick Henderson, R. A. Harrell, G. Pittman, Paul M. Hallcomb, Dempster Jones, P. C.

Perner, Jr., and one visitor, Mrs. Woodrow Mills of Marfa.

The next meeting of the Circle will be on Dec. 10 with Mrs. E. Childress, Jr.
