School Taxes May Not Be Discounted On 1953 Tax Bill

Post-Budget Teacher Raise, Housing Cited As Reason

Next Thursday, October 1, marks the beginning of taxpaying time. County, state and school taxes on personal and real property.

The usual discounts for early payment of taxes have been granted again this year by the county and the state but due to late additions to the school budget, the discount will not be allowed on school taxes. This will mean that taxpayers, when they get their bill from Tax Assessor and Collector V. O. Earnest, will discount the tax items for county and state purposes but not that for schools.

The discount schedule will be as in former years, 3 percent off for payment during the month of October, 2 percent for payment in November and 1 percent for payment in December, with no discount allowed if you wait until the final month of January.

A raise in local teacher salaries after the school budget had been made and plans now being considered by the school board for possible additional teacher housing units made is necessary to top off the discount on school taxes this year to provide an additional \$6,000 to \$9,000 for these purposes.

Tax statements mailed from the collector's office will show an itemized list of taxes. Taxpayers who take advantage of the discount, may add state and county taxes, subtract the earned discount, 3 percent in October, 2 percent in November and 1 percent in December, and add the total amount of school taxes to that balance. Mr. Earnest pointed out that taxpayers who remit by mail should also remember to add \$1.75 for each poll tax to be paid. The poll tax assessment will not be included in the amount of taxes as shown on the tax statements.

Magicians To Stage Assembly Show For Schools October 1st

Young and Company, ranked among America's top-notch magicians and entertainers, will present their interesting show of magic and illusion as the first in the series of Southern Assemblies programs to be presented Oct. 1 in the high school auditorium here. The assembly programs, one each month, are sponsored by the schools.

Young and Company present an illuminating and enlightening presentation of magical mysteries gathered from all over, according to advance billing, and the program is different from the ordinary magical production. The company has had many years of experience and new features have been added through the years to make a highly entertaining presentation. The public is invited to the program, which will start at 2 p. m. No admission charge will be made.

Oct. 6 Deadline for Applicants to Take Postmaster's Exam.

Tuesday, October 6, is the last day applications will be accepted by the U. S. Civil Service Commission in Washington, D. C., the number of applications received so far has not been sufficient for adequate competition. The current examination was announced under new qualifications standards recently agreed upon by the Post Office Department and the Civil Service Commission. Officials of both of these agencies hope that the new examinations will attract a larger number of well-qualified applicants than has been obtained in the past.

Application forms and further information on the examination are available in the post office. The forms must be filed by the deadline with the Civil Service Commission in Washington, D. C.

McCamey Badgers Swamp Ozona 52-6 In One-Sided Contest

By Ernie Boyd

The powerful McCamey Badgers turned loose a quartet of hard running, fleet backs, to crush the Ozona Lions 52 to 6 last Friday night in McCamey.

Despite a great improvement shown in the Lions offense that ripped off 15 first downs and a total of 297 yards rushing and passing, the Ozona defense was unable to even extend the fleet Badgers' backs.

Ozona fans got their biggest thrill of the season and also a tip off on things to come in the first quarter when the Badgers halted a Lion drive on their own 18 and took just four downs to score as Charles Dixon ripped off gains of 16 and 50 yards to cover most of the distance. The Lions bounded right back to hang up their first tally of the season when Sam Martinez took a handoff from Garlitz and sprinted 71 yards to score after some nice broken field running. A bad snap from center broke up Ozona's try for the extra point and the first quarter ended with McCamey holding a narrow 7 to 6 lead over the Lions.

The Badgers skipped to four touch downs in the second quarter to begin the slaughter as they centered their attack over the center of the Ozona line where they found a gaping hole. They were still going as the second half opened, chalking up three more TDs in the third quarter before second and third stringers took over.

The Lions, using a new single wing offense, ran and passed well but could not muster enough defense to get the ball. Charles Garlitz was the Lions' leading ground gainer with 75 yards rushing and five completions including eleven passing tries good for 62 yards. Sam Martinez with seventy-one yards on two tries was next, followed by Charles Hale with forty and Mike Clayton with 28. Ronnie McMullan accumulated 21 yards in the first half but did not carry the ball in the second period.

Ozona Lions Meet Bronte In Second Home Game Friday

Revamped Defense May Let Potent Offense Shine

The Ozona Lions will make their second home appearance Friday night at 8 p. m. when they meet The Bronte Longhorns at Lion Stadium.

The Lions, who have had serious trouble with a leaky defense, may have something new to show home folks this week. The Lions flashed a new offense last week and showed possibility of a real punch, but since the defense could not cope with the powerful McCamey offense that dominated the ball, the Lions had few chances to run with it.

Coach Larry Wilkins and Swede Peltó have been working hard this week trying to shape a defense that will enable the Lions to use their potent offense. Chances are good this week that several "B" team boys will get a chance to show their wares with the first string.

Rev. Clyde Childers To Speak At Baptist Brotherhood Meeting

Rev. Clyde Childers, pastor of the Riverside Baptist Church in San Antonio, and former pastor of the First Baptist Church in Ozona, will be the guests speaker when the Baptist Brotherhood here entertains tonight with the annual dove supper for members, their wives and guests.

Rev. Childers recently returned from a trip to the Holy Land and will show a series of pictures taken during his visit and tell of some of his experience in traveling through the area. The supper is set for 7:30 p. m.

PTA Proposes To Install PA System In HS Auditorium

Lighting Improvements Also in Plan For Auditorium

Installation of a public address system and improvement of the lighting system in the High School Auditorium will be one of the outstanding projects to be accomplished this year by the Ozona Parent-Teachers Association.

Money for the PA system and lighting was voted by the membership at the meeting of the organization Monday afternoon, subject to approval by the school board. The PTA appropriated \$750 to finance the project.

Mrs. A. O. Fields, president, opened the new PTA year with an outline of plans for the year and a welcome to new members and old. A correction of recent misunderstanding on the status of the Ozona PTA in the district and state organization was made and the Ozona group declared in good standing with the district and state groups.

PTA will entertain members of the faculty at a "teachers party" in the North Elementary school auditorium next Thursday evening, Oct. 1. Plans for the annual PTA carnival October 10 are being formulated.

There are a total of 117 members of the Ozona PTA at the opening of the new season, officers reported. This number will be swelled as the year progresses with additional members if patterns of other years are followed and PTA leaders are looking for the largest membership in history this year. All parents are cordially invited to join and take part in the organization's activities.

The High School band, under the direction of Corbett Smith, entertained with a concert at the PTA opening meeting.

16 Million Cu. Ft. Gas Gauged in West Crockett Completion

Brown & Thorp Drilling Co. and W. C. Warren of McCamey No. 1 Brown & Thorp Drilling Co.-Warren-Shannon, Queen sand dry gas discovery in Crockett county, has been completed for a daily gauge of 16 million cubic feet of gas.

The Queen sand was topped at 2,220 feet, elevation unreported. Operator had drilled only a few inches into the Queen when the well blew out and kicked the tools out of the hole. Completion was from that interval.

Casing was cemented at 2,100 feet.

The project will remain shut in until a pipeline outlet is obtained. Location is in J. Wiley Heirs survey 2, 10 miles east of Iraan.

Methodist Evening Services at 7:30

Beginning Sunday, Sept. 27, evening services at the Ozona Methodist Church will be at 7:30 p. m. instead of 8, Rev. Troy Hickman, pastor, announced this week.

The Youth of the church will meet at 6 p. m. for supper followed by Bible study, Rev. Hickman teaching the Bible course. Mr. and Mrs. Haskell Leath are new sponsors for the youth group. Mrs. James Baggett is director of youth work for the church. Suppers are provided by members of the Woman's Society.

Gulf Spots Stepout To Midway Lane Field

Gulf Oil Corp. has filed application to drill its 1-B Chambers one location north of production on the north side of the Midway Lane 1300 field of Crockett County, 13 miles northwest of Ozona.

The project will be drilled with cable tool to 1,300 feet when permit is approved.

Location, on a 1,107-acre tract, is 330 feet from the south and west line of the northeast quarter of 4-A-Chambers csl, abstract 1689.

Pitting Machine Purchased By Soil Conservation Dist.

Benefit Of Pitting To Hold Moisture Proved By Demonstrations

The use of a pitting plow on bare, deep flats has proved so successful in holding valuable runoff water on the ground, that the Crockett Soil Conservation District Board of Supervisors has purchased a complete set of machinery for the use of Crockett District ranchers. The equipment includes a tractor, pitting plow, and a trailer to transport them on.

An example of the benefit of using this type plow shown during the recent showers that fell in this area. Water penetration was 24 inches deep and deeper in the pitted areas, as compared to only 3-4 inches in non-pitted areas. Most of the soils in the flats in Crockett district will soak up about 6 inches deep for every inch of rain that goes in the ground. That means, that on a penetration of 24 inches, the soil got the benefit of all of the rain that fell plus some additional runoff. On flat bare ground where penetration was only 3 inches deep, only 1/2 inch of rain actually got into the ground, while the rest was lost through runoff, Bob Scott, Soil Conservationist, declares.

The Board of Supervisors is expecting delivery of the district tractor and pitting plow during the next 10-15 days. For further information concerning the use and operation of this district pitting plow, ranchers may call Charlie Davidson, Chairman of the board of supervisors, of Mr. Scott at the local Soil Conservation Service office.

Junior High To Open Six-Game Schedule Today

Iraan to Play Here At 4 O'Clock This Afternoon

Coach Charles (Chick) Womack will unwrap his Junior High grid warriors at 4 o'clock this afternoon at Lions Field when the locals will open a six-game schedule against Junior High teams from surrounding schools.

The Iraan Juniors on the home field for the opener. The first three games of the season, which extends through November 5, will be at home and the last three away, with games matched with Iraan, Eldorado and Big Lake on a home-and-home basis. The complete schedule follows:

Sept. 24—Iraan Here. 4 p. m.
Oct. 1—Eldorado Here. 5 p. m.
Oct. 8—Big Lake Here. 7 p. m.
Oct. 15—Iraan There. 4:30 p. m.
Oct. 29—Eldorado There. 5 p. m.
Nov. 5—Big Lake There. 5 p. m.

Coach Womack boasts one of the heaviest Junior teams in recent years, a hefty 132-pound average. They are showing a lot of savvy and a lot of enthusiasm, Coach Womack says, and he's feeling pretty good over the season's prospects.

Annual PTA Carnival To Be Staged Oct. 12

Monday night, October 12, has been set as the time for the annual Ozona Parent-Teachers carnival to be staged in the downtown city park.

A general planning committee headed by Mrs. Early Chandler as chairman has been named to organize the committees of workers who will stage the annual carnival. Other members of the general committee are Mrs. Brock Jones, Mrs. Ashby McMullan and Mrs. Dempster Jones.

The annual carnival is the only money-raising project of the PTA each year.

Lion Second String Racks Up Impressive 33-7 Win Over Big Lake

By Ernie Boyd

Coach "Swede" Peltó's Ozona B team crushed the Big Lake B team 33 to 7 at Lions Stadium last Saturday night as the home team unleashed a powerful running game and a sturdy defense.

The Ozona defense proved so powerful that the Big Lake ball club, which outweighed the Ozona team, could not muster a threat of any type until the local team had built up a commanding lead and had a reserve sprinkled line-up on the field.

Arturo Gonzales the quarterback for the Cubs sparked the attack with his hard running and good play but he got a lot of help from R. J. Everett and George Bunger who racked up a good bit of yardage around and through the Big Lake line.

Even though the Ozona team passed sparingly the play of Sunny Freeman at end was one of the highlights of the game.

On defense guard Juan Delgado was outstanding but it was hard to pick out any one performer because of the general effectiveness of the whole defense.

The Cubs were able to find the goal line on only one occasion in the first half as the teams fought on about equal terms but after the half the powerful running of the Cubs turned the Big Lake defense into shambles.

Two Southwest Games Set For Week-End

With only two of Texas' Southwest Conference teams scheduled for play this week-end, listeners to the Humble Company's statewide broadcasts this Saturday can hear accounts of both intersectional games: the afternoon football battle between Texas A&M and the University of Houston at College Station, and the night gridiron fight between Texas U. and Villanova at Austin.

A third Humble broadcast will bring to listeners of West Texas stations a running account of the Texas Tech-Texas Western game, also scheduled for night play.

Beginning at 1:50 Saturday afternoon, announcers Kern Tips and Alec Chesser will describe the play-by-play and halftime activities of the Texas-Villanova game from Memorial Stadium in Austin. This broadcast will be carried by stations KRFD, Dallas; KTRH, Houston; KABC, San Antonio.

At 8:00 this Saturday night, announcers Ves Box and Bob Walker team up behind the Humble Microphones to present an accurate description of the Texas A&M-University of Houston game over stations KPRC, Houston; WFAA-WBAP-820, Dallas-Ft. Worth; WOAI San Antonio.

Airtime for the Texas Tech-Texas Western game will be 8:00 p. m. MST (9:00 p. m. CST); John Ferguson and Eddie Barker will announce the action to listeners of stations KRIG, Odessa; KCRS, Midland.

You Can Now Have Your Car Inspected Under New Safety Law

AUSTIN, Sept. 15 — Texas motorists found the doors of 3,120 official auto inspection stations open this morning ready to check their vehicles under the provisions of the modified Motor Vehicle Inspection Law which was enacted by the last Texas legislature.

The new period, during which motorists must have their cars inspected, opened today and will run through next April 15th.

Homer Garrison, Jr., Director of the State Safety Department, has issued an appeal to car owners to take their vehicles to one of the convenient stations early and avoid a last-minute rush similar to that which resulted under the old law that expired August 25th.

Garrison pointed out that all of the station operators have been fully versed in the provisions of the new act which calls for inspection only of brakes, lighting equipment, horns, rear-view mirrors and windshield wipers.

3 Plead Guilty Here To Theft, Forgery Charges

Suspended, Probationary Sentences Handed Out by Court

Three persons pleaded guilty in 112th district court here Tuesday and received suspended and probationary sentences of five years.

J. W. Glasscock of Big Lake and John Hurst of San Angelo, each pleaded guilty to separate charges of felony theft and received 5-year suspended sentences. The men were charged with theft of oil field equipment from locations in Crockett county. Glasscock was indicted at the last term of court and Hurst was one of four persons indicted by the grand jury which was impaneled at the opening of the fall term here Monday.

Bessie Mae Moore, indicted by the grand jury Monday on two charges of forgery and passing a forged instrument, pleaded guilty when arraigned on one count and received a 5-year probationary sentence. The other two charges were left pending.

Others indicted by the grand jury Monday were L. B. Ruth and Leo Williams, each charged with felony theft of oil field equipment. These cases were not called for trial.

Serving on the grand jury at this term were T. J. Bailey, foreman, Austin Millepaugh, Bill Clegg, H. W. Maddoux, J. S. Pierce, III, Jeff. Owens, Clayton Smith, B. W. Stuart, Sam Martinez, James Isbell, Herbert Kunkel and Peery Holmsley.

SAC Art Instructor Is Speaker At Ozona Woman's Club Meeting

Ozona Woman's Club met Tuesday afternoon in the home of Mrs. Eldred Roach in observance of American Youth Week.

Mrs. Hubert Baker was leader of the day's program, presenting two high school girls, Miss Jeanene Thompson, contralto, who sang two numbers accompanied by Miss Wanda Carden.

Richard Hardin, art teacher at San Angelo College, was guest speaker. Mr. Hardin spoke on the importance of art in the lives of young people today. Art is taught today, Mr. Hardin said, as a means of instilling appreciation for art in those who may not follow it as a career, as a means of increasing enjoyment of things one sees and for those students who have real talent and intend to pursue art in some form as a career, a well-grounded beginning for their development.

Mrs. S. M. Harvick, Mrs. Max Schneemann and Mrs. Hubert Baker, who attended the Sixth District TFWC Board meeting in Abilene Monday, reported some highlights of the meeting, including a resume of some of the messages brought by speakers, Mrs. Hart Shoemaker of Abilene, new Sixth District president, referred to the organization of the sixth district in San Angelo in 1915. Nine clubs, one of which was the Ozona club, were represented at that meeting and the same gavel which was used then is still in use for district meetings. Dr. Paul Southern, consultant on mental health in the Bible department of A.C.C., was moderator at a panel discussion on mental health for adults.

Others present were Mrs. Max Schneemann, president, Mrs. A. C. Hoover, Mrs. Ben Lemmons, Mrs. Charles Williams, Sr., Mrs. O. L. Sims, Mrs. N. W. Graham, Mrs. P. T. Robison, Mrs. John Bailey, Mrs. J. L. Harrison, Mrs. M. B. Flippen, Mrs. Evert White, Mrs. Joe Pierce, Jr., Mrs. Lowell Littleton, Mrs. Wayne E. West, Mrs. S. M. Harvick, Mrs. John Henderson, Mrs. P. O. Hatley, Mrs. J. A. Fuesell, Mrs. W. N. Hannah, Mrs. L. B. Cox, Jr., and Mrs. H. B. Tandy.

Mr. and Mrs. Max Schneemann have returned from a visit with their son and family, the Philip Schneemanns, at Grants N. M.

THE CHANGE IN SENATOR JOHNSON

Lyndon Johnson, United States Senator from Texas (by grace of the Duval county-Parr late vote count) said in a speech at Hillsboro this week that "I will not hesitate to support a Republican administration when I think it is right."

Senator Johnson may be supporting the present Republican administration "because he thinks it is right," but we rather suspect that Johnson's present cooperative mood is an effort to throw up a present cloud in an effort to blot out the memory of Texas voters on Johnson's uncooperative attitude in the 1952 presidential election. Johnson must stand for reelection next year, and now that hindsight shows Johnson backed the wrong horse in Texas last year he's lifting his foot high now trying to get it over the fence, while sounding off with that old dodge of the politician—"my country first, my party second."

Where was Senator Johnson's concern for his country in 1952 when he was willing to "go along" with the Truman-Acheson brand of five-percent influence, communist-infiltrated, corruption-riddled, dictator-minded, free-spending government that was endorsed

THE AMERICAN WAY

Trimming Down The "Wasteline"

and advocated in every detail by the Democratic presidential candidate whom Mr. Johnson supported openly? Where was Senator Johnson's loyalty to his home state of Texas in that election? Johnson was willing then to turn Texas' tidelands over to the federal government under the Truman grab just to support his "party". That was the announced policy of the Truman-Adlai-Sparkman ticket, and yet Johnson—and State Agriculture Commissioner John C.

White, and don't forget, Sam Rayburn—put "party" above "State"—and nation—on that occasion to support such a program. Can Senator Johnson be sincere in his about-face now? We are more inclined to brand it as an effort to get on the Ike bandwagon at least through the next election.

Don't wait for the first chilly spell to take that promised step to carefree comfort. While your old heating system is idle, investigate how you can enjoy lifetime convenience with a modern automatic GAS burner for warm air or steam.

Think what it means to have pure heat, free from smoke or soot, delivered to you when you need it—as you need it—no more and no less, regardless of wind, weather or traffic! Because GAS is so flexible, it responds instantly and accurately to changes in temperature, up or down. That's why it's so efficient and economical, not only in sub-freezing periods, but also during fall and spring when the mercury plays see-saw at a moment's notice.

Why not ask your heating contractor or Gas Company to estimate the installation and operating cost of modern GAS heat designed especially for your household needs? Convict Parachute Jump To Feature 1953 Texas Prison Rodeo

HUNTSVILLE.—At this year's annual Prison Rodeo, where 22 years ago the first stock chute was opened to eject a convict rider astride a wild bull, a new sort of chute will open to waft a prison inmate groundward from an airplane 1,500 feet above to a landing in the same arena used for the first show in 1931.

The parachute jump, by a prison inmate, was given official sanction by Civil Aeronautics Association authorities of Houston here this week and will be a feature of each of the rodeo's four performances, October 4th, 11th, 18th, and 25th. Barney Thurman, World War II paratrooper with a record of nearly 50 jumps, serving a 3-year sentence, will make the spectacular leap into the Prison Stadium arena.

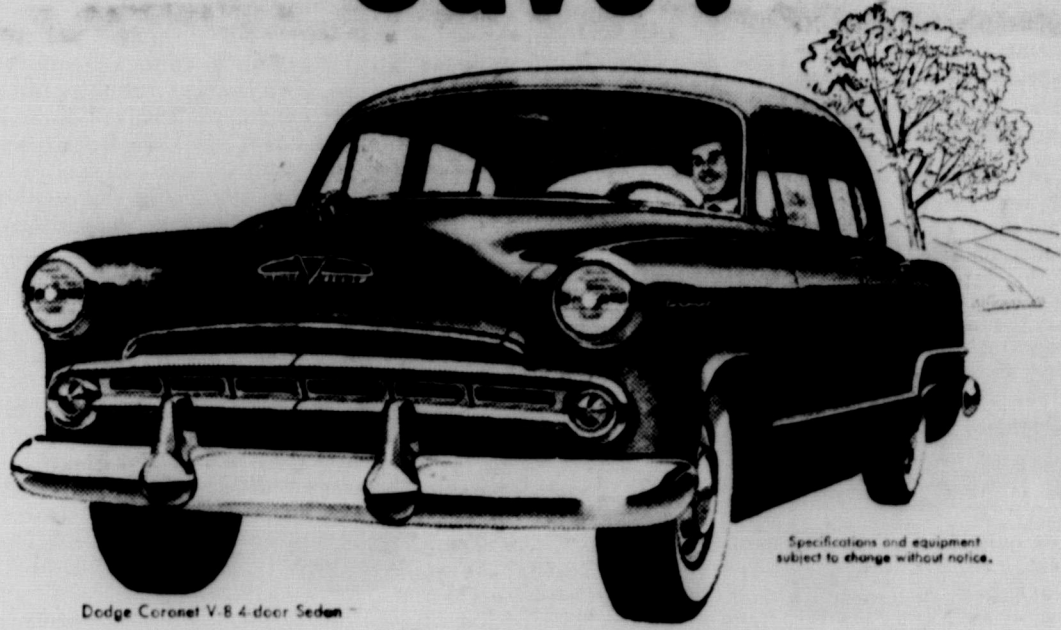

Another act—one much talked about by the convicts behind Huntsville prison's walls—by another inmate will also be a new part of the annual rodeo.

Marion Frazier, serving 99 years on Ramsey prison farm, has trained a prison born and raised dog to perform a number of extraordinary routines. Mutt, as the dog is named, is said to be able to climb a ladder faster than a fireman; ride and propel a small scooter; jump through a hoop of fire; open a small gate, go through it on his hind legs, then close it behind him plus other unusual tricks.

Reserved seats in choice sections of the Prison Stadium are still available for the first Sunday show according to a statement from the Rodeo Ticket Office and everyone planning to attend the ceremonies when Governor Allan Shivers opens the rodeo for its 22nd year October 4th is urged to write or wire for their reservations now.

Is he in business or just a "stay?"

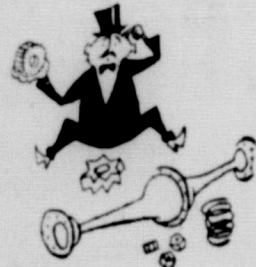

When you buy a used car from a Ford Dealer, you're dealing with an established businessman who has a large investment and his good name at stake. We're here today, and we'll be here tomorrow!

Check the used car, sure! But check the dealer too!

Does he really know cars?

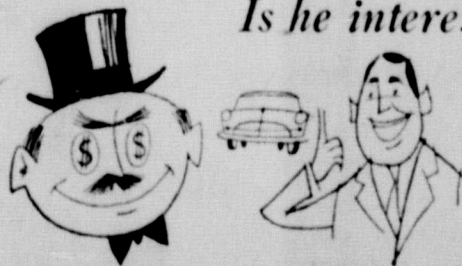

Ford Dealers are in the service business, too; work with cars day in and day out. We know how to spot trouble fast. And our expert mechanics have the equipment and "know-how" to handle any service job.

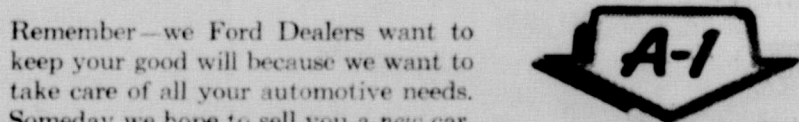

Are his prices really fair?

Ford Dealers handle used cars and trucks as a service to customers who trade them for new ones. We get a lot of trade-ins. And we keep them moving to free our working capital. That's a good reason why we offer our used cars and trucks at rock-bottom prices.

Is he interested in you?

Do his cars meet A-1 standards?

McCamey Rips Ozona For 52-6 Win Friday

by Larry Lewis

The McCamey Badgers, boasting a speedy backfield and a big line, beat Ozona in the second non-conference tussle of the season.

Charley Dixon, Badger fullback, was the big gun for McCamey. He scored four times in the game.

The Badgers pulled away from a 7-6 point lead in the first quarter to run the score up to 32-6 at the half.

Sammy Martinez, who ran 79 yards for the only Ozona score, and Charles Garlitz were outstanding for Ozona.

The Badgers scored four touchdowns in the second quarter, once in the third, and once in the fourth. Robert Ford kicked three extra points for the Badgers.

Score by Quarters:
McCamey 7 25 13 7
Ozona 7 0 0 0

Ozona 'B' Squad Stomps Big Lake 33-7

by Larry Lewis

The Ozona Lions "B" Team ran 33 to 7 over the Big Lake "B" here Saturday night in the first of a four game schedule.

The Lions showed plenty of fight as they pounded out long gaining ground attacks.

Arturo Gonzales, Co-Captain halfback of the Lions, ran for 3 touchdowns while George Bunker, speedy little halfback, ran around the left end for 2 touchdowns.

Outstanding for Ozona was Gonzales and Juan Delgado, who played good ball both on offense and defense.

The "B" Team plays Lakeview Saturday night at Lakeview.

CUBS

Monday during activity period we met in our home rooms to choose which clubs we wanted to join. The following are the clubs and the sponsors offered: Annual Staff-Miss North; Press Club-Mrs. Janes; Home Economics Club-Mrs. Hall; Student Council-Mrs. Viska; Science Club-M. Brents; Shop Club-Mr. Wimberley; 4H-Pete Jacoby; Speech Club-Mr. Leath, and Ozona Future Teachers Association-Mrs. Cody.

Student Council Officers Take Oath At Opening Meeting

On Tuesday, September 22, the student council officers were given the oath of office by Superintendent Sikes.

Graham Childress, President of the Student Council presided at the assembly. He introduced all the members which included the class representatives. They are: Freshman—Peggy Trotter and Jesse Marley; Sophomore—Carolyn Stuart and Mike Clayton; Junior—Betty Walley and Ronnie McMullan; Senior—Vivian Trotter and Charles Garlitz.

Graham explained the aims of the Student Council and what they intend to do this year.

Vice-President, Larry Lewis, introduced the freshman class and all newcomers in high school. Four sophomore girls Georgiana Ball, Beverley Day, Jean Price and Susie Schneemann, sang "Because of You" in their honor. These girls were accompanied on the piano by Shirley Kost.

Editor of the Lions Roar, Jane Adams, editor of the annual staff, Wanda Carden, head cheerleaders, Betty Walley and drum-major, Jeannene Thompson were introduced.

To close the assembly the cheer leaders lead the student body in the school song.

FRESHMAN CLASS

Since school has started the freshman class has had several tests. We had two tests in algebra. One over what we have learned in two weeks, the other a "pop" test. In English we are reading ballads, also, we had a test Wednesday. We had a test in science and also we have been working with glass tubing. Mr. Brents has taught us to bend, twist, stretch, and blow bubbles with it. In H. E. the girls are still sewing. Our unit of sewing will last until about the middle of October.

We had a freshman class meeting Monday, we signed up for different clubs. Most everyone has joined one club. Tuesday we will have another class meeting. Our Vice President has planned the program.

GOSSIP—

There doesn't seem to be much dating this year, due to the fact that the ratio is about three girls to every boy in O.H.S. Hey, I always knew that someday all these girls would even be glad to see Wheatie, Shag, and Jimmie again! Really, this man situation is bad, and getting worse!

But Ronnie doesn't seem to think so. He's having troubles finding even one date. But look up, Ronnie you know it's always darkest before dawn!

If you are one of the many who hate to ride the school bus to out-of-town games, let Shirley, Billie, Jeannene and Vivian tell you how to make the most of it. But at 1:00 when the bus blew in from McCamey, "Hack" was ready to kick them all off.

Seen Sunday night at the drive-in were these couples: Kenneth-George, Vivian-Jody, Sonny-Betty, Charley-Rosie, Benny-Wanda, Ronnie-Turner-Billie Ann, George-Elizabeth, and Chessey and Taylor were with someone, but it was just too dark to see.

Saturday night most everybody went to the "B" game. Saw a good one too. They beat the Big Lake "B" team 33-7. Somebody on the "A" team ought to take a place on the bench, maybe.

Benny really had a big night Saturday. He started going steady with Wanda. Hmm-mm, wonder how long that will last!

This Friday night, after the Bronte game, Sarah Hicks says she will have a victory dance at the country club. But she says it has to be a victory dance or not at all. So, boys it looks like it's left up to you.

I heard Kenneth Phillips saying he was going to be minus a new senior ring, maybe. Well, good luck, Kenneth.

And Vivian wanted to put a public notation in the paper stat-

ing that she didn't write ugly things on her book covers. It's just that Buddy Gibbs. Between him and Kenneth, all her books have had it! Buddy, don't you know it's not nice to spit on people?

Charles and Ronnie don't know what they're missing because they don't get up at 6:30. Ki ran away and Shirley had to go get her and she was in their yard early. I know she must have looked so cute, running around in her pajamas, with her hair in curls, yelling "Here Ki, here Ki!" But she did get her to come home.

Barbara F. saw her ole flame in McCamey Friday night. Did you recognize "Who Who" Greenie??

Shirley Kost has a secret flame she says—no one knows just who—but that remains to be seen.

Betty W. isn't acting the same lately. Could it be because of Tom P.?

Vivian T. was really upset last Thursday night. Buddy Gibbs had asked her for a date, and she could not accept.

Monday night the boys had a film on their game. I hear some girls were making great plans about cars. What about this Bobby, Shirley, Billie and Sandra?

Ann R. has really been for A&M so none of you criticize the Aggies around Ann.

Buddy Gibbs has sure been seeing a lot of Carol Friend lately. And if you don't see my shining face around the halls any more, it will be because Buddy rubbed me out. He said he would if I mentioned his name. What's the matter, Taffy?

Jane and Graham, Larry L. and Ann B. went to League Sunday night. Then they showed up to see "Peter Pan", too. It was really cute. Especially Tinker-Bell!

Since Ronnie Turner started to school, Greenie sure has been beaming. But she won't say anything about it. I guess she knows better.

This week on the Hit-parade will be these dedications:

- 1. Jane to Graham—"Come-on-a-my-house"
- 2. Rosie to Ronnie—"It's Hard

To Love Just One"

3. Sandra to Charles—"How's the World Treating You?"

4. Kenneth to George—"I Can't Love Another"

5. Carl to Wanda—"Vaya Con Dios"

6. Peggy to George—"I Won't Be Home No More"

7. Betty to Tom—"Till I Waltz Again With You"

8. Martha to Mike—"Pretend"

9. Robbie to La Von—"Take These Chains From My Heart"

10. Vivian to Charles—"Your Cheatin' Heart"

THE JUNIOR CLASS NEWS

by Sonny Henderson

The Junior Class met Monday to decide what school clubs they were going to join. They also talked about the Junior play, when it was to be put on, what the play is, and other points of the play. The Junior play will be "The Night of January 16th" which of course, will be directed by Mr. Leath.

We also talked about ways of making money for the Banquet for next year and the Senior trip. The subject was brought up that we each bring a dollar to school each month which wouldn't be asking too much of anyone.

Heard From the Test Tube

By Jerry Currier

Friends (7), Romans, and Countrymen, here we are again. The old test-tube and I. We finally escaped our creditors and fans (7), and have returned to enlighten you on some of the oddities of science.

Boy, does the test tube have some corkers this week. For instance: dwarf stars growing up; a parmitic fighter plane that protects its "mother"; and beard powder!

Now let us investigate these oddities of Astronomy and beard and so forth, with utmost haste. (Now I wonder what I said!)

It seems that dwarf stars (Whatever that is?) have been watched (Continued on Page Five)

Fordomatic leaves 'em all behind

It's the newest word in smooth, versatile automatic drives... and it does its job so well that the whole car industry is scampering to catch up.

Does more things automatically
Fordomatic goes beyond the range of ordinary automatic transmissions to give you extra safety and convenience. You have at your command extra passing power all the way up to 58 miles per hour and extra engine braking at any speed. Only Fordomatic, in Ford's field, gives you these pluses.

Quick on the draw
Step lightly on the accelerator—and response is terrific! With Fordomatic's versatile "getaway" gear, Fordomatic slips gently, automatically into high at just the right moment. If safety permits, you may go all the way up to 65 mph in "double-time" before the shift takes place.

50 Years Forward on the American Road

It's one of 41 "Worth More" features that help make Ford worth more when you buy it... worth more when you sell it!

Fads and Fooie

By Kenneth Phillips

You can sit back, and suck your
thumb now, I have returned—
or if you want to live dangerously,
drift up to the extension that
has been nailed onto the side of
the Red & White.

I will give you directions as
follows—first, park your rod well
out of the line of fire! Second,
pick your way carefully through
the land mines, then knock on the
door. As a panel slides back a
.45 with a pair of eyes asks an
intimate question... "yea?" To
this you reply, "McMullan sent
me." Then duck, he might be like
everybody else, and hate McMul-
lan. After trying several other
names without success, tell him
you'll play the juke box if you
can go inside. If this doesn't get
you in, nothing will!

Upon entering you will be usher-
ed to your own private table,
then after browsing through the
menu you settle for a coke. You
notice a new face over at the
bar, and try to get a little infor-
mation from the waiter.

"Who's the character at the
Bar?"
"A guy by the name of Hammer,"
he replies.

I decided to let it go at that,
but remind me to find out why
"Taffy Gibbs" is bringing in more
hoods!

Enough about the "riff-raff", on
to the higher points of the story.
There comes a soft knock at the
door as some one announces their
arrival by twisting the door handle
with their bumper, another im-
patient customer.

As you watch him walk into
the room a thought comes into
your mind... Ugh, he looks just
like Larry Lewis. Anyway he
comes over to your table, and
taps you gently on the shoulder
with a hammer, but it's all a mis-
take... he's looking for a guy
named "Jo-Boy". Wrong Bar!

After killing your liquid, (coke)
you change your mind about some-
thing to eat. So you order a Bar
B-Q sandwich. After eating a few
bites you can't help notice the
tangy zest in the sauce. So I said
to myself, I must have the recipe
for that stuff. It was such a treat
that I'll give it to you too. First
you get a large pot, into which
you pour, hot peppers, one old
football shoe, a little battery acid,
a dash of ammonia, (for flavor),
and last, a handful of gunpowder.
You are guaranteed to get a bang
out of this! Get a large spoon, and

stir the mixture until the spoon
dissolves... you will let age for
fifteen minutes, then take a few
sample tastes. After a few swal-
lows the roof of your mouth
should be well cauterized so you
will have no trouble getting the
rest of your meal down.

All good things must come to
an end eventually so the "dirty
four" paid their bill, and left. The
four being Cheesy, Dow, Larry,
and myself. After picking our way
past the broken bodies of those
who found the land mines, we all
decided that returning to the pleas-
ing atmosphere of the little hide-a-
way was a must.

Last Monday night we saw the
films of the Big Lake game. In case
you haven't heard... Cheesy Jones
now occupies jersey number 63.
Now don't forget that number, if
you do, just walk within loud
speaker distance of him, and he'll
remind you. After looking at the
films, do you know who got in
all the good blocks, and most of the
tackles?? Well it wasn't Cheesy,
but he was really trying?

Boney is still recovering from
a sickness known as "cleat in the
eyeball." During the Big Lake "B"
game he put his head under some-
body's foot. There soon followed
a brief spell of darkness.

But the coaches were on his
side, they stood on the side-lines
encouraging him to get up, and
make his comeback. I can hear
Mr. Swede now... "Comon you
yellow belly, just don't lay there,
do some push ups." After being
carried off the field, and draining
the oxygen tank, he was ready to
get back in the game. But since
there is no fifth quarter he went
on in the field house. Comes an-
other dark period. Everything
seems to be coming along better
now, Stiney headed for the hospi-
tal, and gave "The Worm" a
hypo. The last report was that
both were improving rapidly.

My friends, it looks like this
thing is gonna come to an end...
you are now on your own. There
is just one little thing I would like
for you to do. Come over to the
football field, and watch us beat
Bronte.

Speaking not only for myself,
but for all the other football boys
we really want to thank all you
howspeople for backing us thus-
far in the season. The tide is gonna
turn this Friday, so comon over,
and watch the old "Lions roar!"

New word for GETAWAY } "TT" DYNAFLOW!

The 1953 Buick Super Riviera.
Wire wheel covers, illustrated,
optional at extra cost.

We'll get right to the point.

The comments we've been getting from
many new Buick owners about the new
Twin-Turbine Dynaflow are terrific.

And the reason is—this fully automatic
transmission is, in itself, terrific.

It has a new, firm, solid "take-hold"—
gives you instant getaway response.

It has new quiet—you can barely hear
the acceleration build-up.

It has unique and utter simplicity of
operation. You just move your Selector
into Drive range, press the pedal, and go.
That's all.

But the sweetest thing of all about
TT Dynaflow is its smoothness.

You move from standstill to your legal
speed in one progressive build-up of
power delivery.

You feel a constant "carry" of forward
motion, unbroken in any way—because
here no gearshifting takes place, either
manually or automatically.

Even your deceleration is infinitely
smooth and gradual, with the cushioned
control of flowing oil slowing down.

Wouldn't you like to sample this won-
derful new getaway and pleasant quiet
and immaculate smoothness?

We'll be glad to seat you at the wheel
of a new 1953 Buick with Twin-Turbine
Dynaflow—and let the thrills come
where they may. Drop in soon, won't
you?

LITERARY CLUB MEETS

Ozona Literary Club members met at the North Elementary school auditorium Tuesday afternoon for the regular program meeting. Guest speaker was Father Howard who gave an interesting talk on the Navajo Indians. He was introduced by Mrs. R. B. Robertson.

After a brief business meeting, cokes and cookies were served to 25 members by the hostesses for the day, Mrs. L. L. Dorris and Mrs. Buren Hale.

FRIDAY BRIDGE CLUB

Mrs. J. M. Baggett was hostess to her bridge club Friday afternoon in her home. High score went to Mrs. Alma Roach, low to Mrs. W. W. West, traveling prize to Mrs. Joe Pierce and bingo to Mrs. Johnie Henderson.

Others present were Mrs. Stephen Perner, Mrs. Max Schneemann, Mrs. Lindsey Hicks, Mrs. Hillery Phillips, Mrs. Will Baggett, Mrs. H. B. Tandy, and Mrs. Geo. Mont-

gomery. The club will meet next Friday with Mrs. Will Baggett at 2:30 p. m.

LADIES GOLF ASSN.

Members of the Ladies Golf Assn. participating in regular play Tuesday were Alice McMullan, Margie Ramsey, Marge McMullan, Dorothy Montgomery, Lillie Baggett, Charlotte Phillips, Gladys Pierce, Pauline Montgomery, Mary Friend, Jean Scheuber, Donna Beth Davidson, Velma Marley, and Jonsey Williams.

Winners on blind bogeys were Jean Scheuber, Jonsey Williams, and Pauline Montgomery. Marjorie Ramsey served refreshments in the club house after golf play.

Next Tuesday, golfers will tee off at 8:30 a. m.

The landlady brought in a plateful of extremely thin slices of bread which dismayed her hungry men boarders. "Did you cut these, Mrs. Brown?" asked one.

"Yes, I cut them," was the stern reply. "All right," said the boarder. "I'll deal".

Mr. and Mrs. Tom Harris spent the past week-end in San Antonio visiting with relatives.

COME IN FOR A DEMONSTRATION

The Ozona Stockman

This demonstration was worth many hundreds of dollars to me!

I thought only a higher-priced car would suit me. But then I found out how much more Chevrolet offered for how much less!

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in

right now! Chevrolet's improved brakes are the largest in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chev-

vrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth—The largest run of cattle and calves of the season arrived at the 12 major livestock centers of the nation last Monday. Over 158,000 cattle, and over 20,000 calves were reported around the circuit.

While somewhat lower prices were reported at most points, the break in prices was cushioned by the ability of the markets to absorb a heavy supply. Low grade slaughter cattle and calves were getting help from increased government purchases, and indications that foreign relief funds would be used to buy millions of pounds of canned beef was a favorable straw in the wind.

At Fort Worth steers and yearlings ruled steady to 50 cents off. Cows were fully 50 cents lower, some interests bidding additionally lower on fat cows. Bulls ruled steady. Slaughter calves edged downward again by 50 cents per hundred, instances off more.

Stocker trade showed moderate activity on the Monday trade at Fort Worth with higher grades generally steady with last week's close. Numerous loads of feeder cattle sold in the \$13 to \$16 bracket, good kinds of steers and yearlings numerous at \$15 to \$15.75. Stockers calves sold from \$10 to \$16.50. Heifer calves and heifer yearlings usually sold from \$1 to \$3 under their steer mates.

Fat steers and yearlings eligible to sell above \$20 were very scarce at Fort Worth Monday, a few from \$20 to \$22, and high choice or prime kinds were quotable to \$23 to \$25. Common and medium grassy kinds sold for \$10 to \$15.50, and cutter grades cashed at \$8 to \$9. Fat cows cleared at \$9 to \$12, and canners and cutters drew \$6

to \$9.50, several loads and smaller lots of high yielding cutters in the \$8.75 to \$9.50 field. Bulls drew mostly \$8 to \$12, with some individuals upwards to \$12.50 to \$13. Good and choice slaughter calves sold for \$12.50 to \$16, with a few choice heavies \$16.50. Common and medium butcher kinds sold from \$9 to \$12, with culls from \$7 to \$9.

Good and choice stocker steer calves drew \$13 to \$16.50, and heifer calves sold from \$14 downward. Stocker and feeder steers and yearlings sold from \$10 to \$16. Stocker cows drew \$8 to \$12.

Slaughter lambs were weak to 50 cents lower, and other classes of sheep and lambs were sold about on a level with the previous week at Fort Worth.

Good and choice fed lambs topped at \$17 to \$18.50, two decks of choice fat lambs at the higher figure. Cull, common and medium slaughter lambs sold from \$10 to \$16. Stocker and feeder lambs bulked at \$11 to \$14.

Fat yearling wethers sold from \$12 to \$13, while old wethers drew \$7.50 f.o.w. Feeder yearlings cashed around \$10 to \$10.50. Slaughter ewes drew \$5.50 to \$6.50.

WILLING WORKERS CIRCLE

Members of the Willing Workers Circle of the Methodist WSCS met Wednesday morning in the home of Mrs. Charles Williams, Sr. "The Disillusioned World" and "Things That Can't Be Shaken" were topics discussed by Mrs. J. A. Fussell and Mrs. Nip Blackstone.

The next meeting of the Circle will be Sept. 30 in the home of Mrs. J. A. Fussell. Present for the meeting were Mmes. Floyd Henderson, Evert White, Griff Pittman, J. A. Fussell, M. B. Exhibition of Art Work By Mrs. Nan West To Open Here Sunday

Paintings and drawings by Mrs. Nan Tandy West of Ozona will be on exhibition in the basement of the Junior High School building beginning Sunday afternoon under sponsorship of the Beta Rho chapter of Epsilon Sigma Alpha sorority.

Formal opening of the exhibit will be at 2 o'clock Sunday afternoon. Through the balance of the week, the exhibit will be open from 3 to 5 o'clock each afternoon and from 7 to 9 each evening.

The exhibit will include a number of Mrs. West's prize winning paintings, including "Emergence of Two Forms" which won the \$25 Joske award in the Texas Watercolor Society's exhibition in San Antonio, "Shearing Scene" which won honorable mention in the 1951 San Angelo Art Club exhibition and "Loading Pens" which was hung in the Sun Carnival at El Paso and Cloudcroft Exhibition in 1952.

Mrs. West started her art studies at the age of 10, going to San Angelo to study under the late Mrs. Helen King Kendall, for whom the art museum in San Angelo is named. She studied under Mrs. Ruth Matlock and Mrs. W. H. Tupper in San Angelo and with Xavier Gonzales, well known artist and teacher of New York City.

Former Crockett County Agent and Mrs. Paul Newton, now of Menard, are parents of a daughter born Tuesday morning in a San Angelo hospital. The Newtons have a 3-year-old son, Nelson Wayne.

Baptist WMU Elects New Officers; Mrs. Mock New President

The Baptist W. M. U. met Wednesday morning at the church for a mission study program. Mrs. P. L. Childress, program leader, gave an interesting talk on the Holy Land and its inhabitants.

The WMU will install new officers at a covered dish luncheon next Wednesday, Sept. 30, in the fellowship hall of the church at 11:30 a. m.

New officers elected are Mrs. H. R. Mock, president; Mrs. Blake Woolbright, program vice president; Mrs. H. A. Gustavus, membership vice president; Mrs. O. C. Webb, corresponding secretary-treasurer; Mrs. Ivy Smith, Jr., recording secretary; Mrs. J. C. Stricklin, young peoples director; and chairmen of standing committees: Stewardship, Mrs. Clarence Oster; Mission study, Mrs. P. L. Childress; community missions, Mrs. Bill Holden; Bible study, Mrs. Tommy Gould.

Mrs. H. R. Mock and Mrs. Melvin Semmler served refreshments to Mmes. S. L. Butler, Ben Williams, Blake Woolbright, G. G. Allen, Tommy Gould, Ivy Smith, Jr., O. C. Webb, J. T. Patrick, P. L. Childress, L. C. Halbert, H. A. Gustavus, C. R. Pate, M. L. Clapp, C. O. Lewis and Bill Holden.

A 30-Year Dream Coming True!

He used to stand on the curb in front of his father's house—and watch the Cadillacs sweep majestically by—carrying fine ladies and gentlemen on happy excursions.

That's when the dream started in his heart—and refused to leave.

Six times, before today, he has signed his name to an application for a motor car title—and, on every occasion, he knew it was a compromise.

But not *this* time! He is taking the keys to a beautiful 1953 Cadillac—and his 30-year-old dream is coming true.

And what a fulfillment it will be, as he rolls out into the highway and takes the longest way home!

First of all, he'll get those quick glances of approval which tell him the dream he dreamed for so many years is still in the hearts of others.

And then the car's great performance will begin to unfold itself.

Silence—almost complete silence—just the soft sound of the wind slipping by . . . the quickest, easiest response to the accelerator he has ever imagined . . . steadiness and roadability and handling ease that remove all but the merest effort from managing the car.

And, oh, what marvelous comfort! It's like sitting in the easiest chair conceivable—and moving smoothly and effortlessly through space.

And then, almost before he knows it, he'll be home—in the driveway—with the family rushing out with the final voice of confirmation.

Man—this was worth waiting and working for!

And, of course, the years and the miles will add their proof as to the wisdom of his choice: dependability—long life—economy of upkeep and operation—and unusual resale value.

Yes, there is every practical reason for owning a Cadillac—as well as every personal one.

Better come in and see us today. It's probably easier than you think to make your dream of Cadillac ownership come true.
