## Softball Lights Being Moved To Athletic Field

### Arrangement To Serve As Nucleus For Football Lighted Field

Plans for moving the softball lighting equipment from its present site on the school playground lot along the draw to Powell athletic field were well under way this week.

Holes have been dug at Powell field for seven poles, two more than are now in use on the softball lot. The five poles are to be moved from the school lot and two new poles added to make complete lighting system for the play area at Powell field.

In consultation with lighting experts from the West Texas Utilities Co., members of the softball committee have worked out what is believed will be an ideal arrangement for the lights to serve at present for softball play and to start for a lighted football or baseball field should such improvement of the athletic field be decided upon in the future.

The lights are so arranged around the sodded football field as to provide ample light for softball and yet offer no interference with football play. Addition of one or two more poles and possibly additional reflectors would be all that is necessary to provide a lighted football field. The softball diamond has been laid out so that a minimum of playing area is on the football field grass, home plate and first base, where most of the play takes place and where most of wear on the field would occur, are located off the grassed-over area.

Removal of the lights, which were set up last year in the present location in order to allow time for a good start for the grassed football field, was decided upon because of the dust nuisance in the present location and because of the greater comfort which spectators will enjoy at Powell field.

Local softball league play is expected to open about May 1. Players are now staging occasional practice sessions to be in trim for the opener.

## P-T. A. Pays Off Debt With Cake Sale Receipts

### Mrs. Tucker Prize Money, Auction Exactly Balance Account

Six dollars in cash prizes given by the makers of Mrs. Tucker's shortening and receipts from the sale of cakes entered in the contest and donated for the sale netted exactly enough money to pay off the last of an indebtedness incurred by the Ozona Parent-Teachers' Association in connection with purchase of band uniforms, it was announced following the auction sale of cakes at the final feature of the Stockman's sixth annual cooking school Tuesday afternoon.

The prize money and receipts from the sale amounted to \$18.90. The P-T. A. bill was \$18.95, the auctioneer, Mrs. Stephen Perner, announced, and an additional nickel was hastily put into the pot to exactly balance the account.

Two cakes baked by Mrs. Bryan McDonald and entered on behalf of the P-T. A., were awarded first and second prize money, while third place went to one baked by girls of the Home Economics department of the high school. H. E. department cake brought the highest price in the auction sale, \$2.55. Fourth prize winning cake was baked by Mrs. Est Coates and entered for the P-T. A. Mrs. Richard Flowers baked two cakes which were entered in the contest but were not sold to the P-T. A. for the auction sale.

## BIGGEST FISH TO WIN PRIZE AT OBERKAMPFS

### \$30 Reel For Biggest Bass, Rod For Second; Red Roll For Biggest Catfish

Get ready, you fishermen, and don't let that "big one" get back! There's a handsome prize to be given at Joe Oberkampfs for the two biggest bass and the biggest catfish caught during a contest sponsored by the sporting goods store. The contest is open now and will continue until midnight, July 31.

First prize, to be awarded the fisherman catching the biggest bass, will be a Shakespeare Super reel, valued at \$30. The fisherman catching the second largest bass during the period of the contest will be awarded a True Temper fishing rod, valued at \$8.

Catfish fishermen will also come in for a prize in the contest. In this contest, one prize, a bedroll worth \$7.50, will be awarded to the fisherman bringing in the biggest catfish.

Fish to be entered in the contest must be weighed at Joe Oberkampfs store—no fisherman's own story to be accepted and the "big one that got away" will not help win the prize. In case of a tie in weights for the prize, decision will be based on length, the longest of the "heavies" winning the tie. Everybody is eligible to participate and no holds are barred, it was announced.

## Senior Trippers Off On Two-Day Tour Of Austin, San Antonio

Six cars of Seniors, class of 1940, and their parents, were scheduled to leave Ozona at noon today on the annual Senior trip, which will take this year's graduates to Austin and San Antonio, the planned itinerary including visits to points of interest in both cities.

In San Antonio the party will break at noon. The Battle of Flowers parade in San Antonio will be at 2:30 Saturday afternoon and some members of the party may remain there to witness this spectacle, others returning to Ozona Saturday afternoon.

The party will include Johnnie Boyd, Eloise Carson, Naomi Colvard, Jean Drake, Dorothy Hannah, George Ann Kirby, Noma V. Miller, Mary Bess Parker, Billy Jo West, Gladys Jean Willis, J. K. Colquitt, Joe Couch, Jim Dudley, Roy Henderson, Howard Lemmons, W. B. Robertson, Miles Pierce, Harold Keeton, Ira Carson, C. S. Denham, Mrs. J. B. Miller, Mrs. Rob Miller, Mrs. Victor Pierce, Mrs. Ira Carson, Mrs. Roy Henderson, Mrs. Ben Lemmons and Mrs. Ben Robertson.

## Woman Returned To Face Forgery, Car Theft Charge Here

Billie Barnes, woman companion of Clayton Terry, who was captured in Kerrville last week, was brought here Friday from San Saba by Sheriff W. S. Willis. The woman was captured at the home of her sister.

Terry and the Barnes woman face charges here in connection with theft of an automobile belonging to C. W. Taliaferro, and also on forgery charges. The pair is charged with forging the name of A. C. Hoover, for whom Terry worked on the ranch, to a check for \$20.

## Methodist Men's Party At Church Friday Evening

Men of the Methodist church and their friends will gather in the basement of the church Friday evening for the monthly party sponsored by the Men's Bible class. The party will get under way at 7:30 with shuffleboard, table tennis, dominoes and other games in order. Refreshments will also be served during the evening. All men of the church and their friends are cordially invited.

## Six Teachers Dropped From Elected List

### Resignations To Total Near Half Of Present Faculty

At least a 50 per cent turnover in the teaching staff of Ozona public schools is indicated in resignations and action of the school board last week in dropping the names of six teachers from the list of faculty members whose contracts were renewed for the coming school year.

The school board, which two months ago re-elected Claude S. Denham as superintendent, re-elected the following teachers for next year's school term: Miss Mildred North, Miss Bess Terry, Miss Margaret Martin, Miss Zelma Scott, Miss Rebecca Anderson, Mrs. C. S. Denham, Miss Dorothy Spain, Guinn Caruthers, Norman Heath and Eugene Hollon, and in the Mexican school, Miss Margaret Butler, Miss Catherine Chapman and Miss Carolyn Montgomery.

Teachers whose contracts were not renewed were Principal R. L. Springer, Mrs. Arthur Kyle, kindergarten; Miss Jo Demmer, first grade; Miss Norine Allison, third grade; Mrs. Rex Russell, home economics, and Jake McCulley, Mexican school principal.

Ted M. White, coach of athletics and Spanish teacher, announced his resignation from the position several weeks ago. He is to be succeeded by Dan Patterson of Fort Stockton.

## Record Crowds Attend Annual Cooking School

### 140 Present For Final Session of Most Successful School

All attendance records were broken during the two days of the Stockman's sixth annual cooking school held in the basement of the Methodist church Monday and Tuesday afternoons, with a packed house at the final session Tuesday afternoon topping off the most successful school ever held with an enthusiastic auction sale of cakes entered in the cake contest for the benefit of the Parent-Teachers' Association.

Despite the fact of a school holiday Monday, with many local residents taking advantage of the three-day holiday for out-of-town visits, sixty homemakers were present for the opening session Monday afternoon and at the closing session Tuesday afternoon a capacity crowd of 140 packed the auditorium.

Mrs. Gertrude Burbank, who made a big hit with her fellow homemakers of Ozona when she conducted the lectures in last year's school, strengthened her popularity with her helpful lectures and demonstrations of new foods and new kitchen methods during the two days of the school this year. Mrs. Burbank is one of the best known home economists of the Southwest.

Assisting Mrs. Burbank and doing a bit of demonstrating and cooking on her own account, was the ever popular Miss Eudora Hawkins of Abilene, head of the home service department of the West Texas Utilities Co., and Mrs. Marian Simmons, representing the home service department of the utilities company in this area. Other members of the utilities company force here rendering valuable assistance in conduct of the school were W. R. Cabaness, local manager, Boyd Lovelace, sales manager, H. C. McCaleb, of the service department, and Leonard Ray, lighting service.

Map shows Scandinavian countries' natural resources. Control of Norway, Sweden and Denmark by Germany would mean access to their vast stores of foodstuffs, copper, iron, lead, zinc, timber and agricultural products.

## Carload Of Mohair Goes In Sale Here At 47 and 57 Cents

One carload of mohair was sold from the Ozona Wool and Mohair Co. warehouse Wednesday, bringing 47 cents for grown hair and 57 cents for the kid hair. The mohair was bought by Clyde Young, buyer for Winslow and Co. The price represents an advance of 2 cents a pound over recent mohair sales.

The sale lacked a few thousand pounds of cleaning out the accumulation stored in the local warehouse. Clips of a number of Crockett county growers were included in the shipment.

## Area Music Clubs Take Lion's Share Convention Honors

Mrs. H. B. Tandy, president of the Sixth District, was the Ozona delegate to the silver anniversary convention of the Texas Federation of Music Clubs, held Wednesday through Saturday in Waco.

A trophy was awarded the Sixth District for securing its quota of subscriptions to the music club magazine, the district not only reaching its quota but doubling it. The Ozona club received honorable mention for securing the greatest number of any club. Another cup went to this district for retaining the largest number of junior clubs during the year. The club making best all-round report on the year's work won a trophy and the Sixth District was the runner-up to this and received honorable mention at the convention. The San Angelo report was voted 100 per cent perfect, the Ozona club 95 per cent, and the Sonora club 90 per cent.

Nan Tandy, representing the Ozona Glee club, won superior rating in the hymn memory division of the competitive festival. About 235 children entered the various divisions of the contest and 74 made superior rating. Twenty-five of these were in the Sixth District and eight made superior rating.

## A. C. Nance, Former Minister Here, Dies

Word has been received here of the recent death of A. C. Nance, 57, of Comanche, who died of a heart attack at his home. Mr. Nance was minister to the Church of Christ here from September, 1937 to April, 1939.

Funeral services were conducted in Hillsboro by J. B. Nelson of Quinlan.

His widow, two sons and a daughter survive.

Mr. and Mrs. Baker Henderson of Barnhart were business visitors in Ozona Wednesday.

## Lease Activity Intensified In Noelke Section

### Shannon Acreage Sold, Value Set In Vicinity Big Well

Spirited leasing activity continued through the week in the area surrounding the Soma Oil and Gas Syndicate's No. 1 W. T. Noelke, major oil strike in the western part of Crockett county, with the trustees of the J. M. Shannon estate indicating valuations placed by the oil fraternity on acreage in the vicinity of the well with sale of several tracts from \$25 to \$50 an acre and offerings of nearby acreage up to \$200 an acre for oil and gas leases.

Meanwhile, the Noelke well, indicated major pool opener across the Pecos river from the Yates field remained shut in at 1,039 feet and work was under way on erection of two 1000-barrel storage tanks on the lease. As soon as these tanks are completed and connections made, drilling of cement plugs from 7-inch casing will begin, probably the end of this week or early next week. As soon as this drilling is completed and the well cleaned out it will be ready for testing. The well blew in with an estimated initial flow of 500 to 600 barrels an hour and flowed wild through eight-inch casing for three days before being killed with mud and fibrotex and cemented.

The Shannon estate trustees this week sold oil and gas leases on two tracts of 240 acres and a block of 4,000 acres for a total consideration, including an \$80,000 oil payment, of \$144,672. A group of Midland and Brady men took 10-year leases on four tracts of Shannon land east of the Noelke gusher for \$36,300, of which \$31,175 was cash, the tracts going at \$50 an acre, \$35 in cash and \$25 in oil and \$25 cash.

Case and Pomeroy of New York took leases on 240 acres three-quarters of a mile southeast of the Soma well from the Shannon estate at \$100 an acre cash and \$100 an acre in oil. Shannon estate trustees also sold leases on 2,347 acres south and east of the big gusher for a total consideration of \$108,675, of which \$84,675 was cash, with an annual rental of 50 cents.

A price of \$200 an acre has been advertised by the trustees for Shannon lands nearest the section on which the Noelke producer is located, with other tracts farther distant graduated down to \$25 an acre. Another sale of leases made by the Shannon trustees early in the week was that on 280 acres located (Continued on Page Five)

## 1940 Show Plans To Be Determined At Meeting Today

### Citizens Are Invited To Share With Assn. In Discussion

Decision on plans for the 1940 Crockett County Rodeo, Race Meet, Stock Show and Sale is to be reached at a meeting of members of the fair association and interested citizens scheduled for 2:30 o'clock this afternoon at the Hotel Ozona.

Call for the organization meeting was issued by Wayne West, president of the fair association. Decision as to whether or not the celebration is to be staged and fixing of the dates if the decision favors the show as usual are matters to be finally decided, it was announced. Members of the various working committees will also be named immediately so that they may launch plans at once in the event, citizens favor holding the 1940 show.

All persons interested in the celebration are urged to be present for the meeting, Mr. West said.

## Clean-Up Drive Is Launched By Woman's Club

### Group Asks Co-operation Of All Residents In Move

A community-wide "house cleaning" for Ozona is being urged by its clean-up campaign committee and the entire membership of the Ozona Woman's club which this week is sponsoring the annual Spring clean-up drive in Ozona.

Committee members are at work in all sections of the city this week urging residents to clean up the premises about their own residences and owners of vacant lots to see that these are thoroughly cleaned and made attractive in appearance. A particularly urgent appeal is being made to owners of vacant lots to get these cleaned because of the bedraggled appearance a few unkempt vacant lots can give to the entire town.

Through the cooperation of county officials, a limited amount of truck service will be made available to haul off accumulated trash and rubbish. Because a limited amount of money is available for this service, an appeal has been sent out by the clean-up committee to all residents who are able to have their own trash hauling done to do so in order that the available truck service might be put to the greatest good.

Trash hauling will get under way Monday morning and householders are urged to have the clean-up completed this week and trash made available to the trucks Monday morning.

## Census Taker Here Nears Completion Of Mexican Count

Having practically completed the 1940 population and housing census in the Mexican settlement of Ozona, Bryan McDonald, census taker for Crockett county, this week has started the count among the white population.

The count in the Mexican settlement is near the thousand mark and still incomplete. Mr. McDonald reports. The enumeration is expected to proceed faster from now on, but is expected to take longer than the allotted 30-day period through the month of April.

### PLANS NEW BUILDING

N. E. Rendall, cafe operator, has announced plans for a new drive-in cafe and dining room to be built on the O. W. Smith lot on the north side of the Old Spanish Trail highway and east of Johnson draw. Construction work is scheduled to start this week.

Boring From Within Again

If any department of this government has been free of political influences, it is the Federal Bureau of Investigation. That is a testimonial to the integrity of the various attorney generals who have had charge of the bureau—and to its director, J. Edgar Hoover. The department has done more to reduce and punish serious crime in this country than any other agency—whether or not the crimes were committed by men of high or low station, by men without influence or men with great pull. And that fact may have something to do with the current campaign to "smear Hoover" and his department. Left-wing organizations have joined the hunt in full cry. However, the smear technique seems to have been deflated like a suddenly punctured tire. It was charged that the FBI made a general practice of wire-tapping—not a single provable instance has been produced. It

BUT LOOK BEHIND YOU!

has been charged that the FBI mistreated some persons recently arrested in Detroit, charged with the federal crime of soliciting Army volunteers for a foreign belligerent nation—yet it has since been found that mistreatment, if it actually happened, occurred after the prisoners were turned over to local authorities, as the law provides. So it goes, down the list. As Boake Carter has written, "The squawks come mostly from groups whose activities are now being successfully uncovered for the first time. So the 'smear' tactics are out in full force to confuse the public and bring disrepute to one government bureau that simply refuses to play politics—or favorites—or be bought." The "smearers" use insinuation, half-truths and downright misrepresentations. Fortunately, the people seem to have seen through this—as has Attorney General Jack-

son, Mr. Hoover's chief, who has given him a clean slate. More power to the FBI. Miss Lillian Baggett, student at the University of Texas, and Miss Posey Baggett, who is attending Southwestern at Georgetown, were here over the weekend to visit their parents, Mr. and Mrs. Monroe Baggett. Hiram Brown of Austin was also a weekend guest in the Baggett home. Lillian Baggett was recently initiated into Delta Gamma sorority at the University and Posey into Alpha Delta Phi at Southwestern.

Q-Is Servel Electrolux a money maker on farm or ranch?

Here's an OWNER'S answer!  
Says Mrs. JANE BOUNDS POWELL, Bar-X Ranch, Stanton, Texas: "Five years ago my husband bought a butane system and a Servel Electrolux refrigerator. The cost of operation is only a fraction of the cost of food saved, which would otherwise spoil; or of gasoline used in trips to town. My gas bill never exceeds one dollar per month!" Servel Electrolux operates on butane, bottled gas, kerosene, or natural gas. Easy terms. See it at your dealer or gas company—TODAY!

...but what has this automobile to do with your **ELECTRIC SERVICE?**

...but what has this automobile to do with your ELECTRIC SERVICE?

**F**RANKLY, it has nothing to do with your electric service. We use it here to illustrate a point. Automobiles were "rich man's toys" not so many years ago. They cost a lot of money and they cost a lot to run. They were gas-eaters and oil-eaters. The hills they could climb in high were few and far between. If you got them up to fifty miles an hour, the noise and vibration were terrific. Today millions of American families can afford beautiful, powerful cars that outsmart, outshine and outperform the best models of the Twenties in every way, yet cost less than half as much. This progress has not been confined to the automobile. Time was when electric service provided only your light. Today you can use more lights, a radio, refrigerator, vacuum cleaner, washing machine and other appliances, and the electricity to operate all of these costs very little more than you used to pay for light alone. Like the automobile, your electric service improves steadily year after year. At the same time, its price comes down. This is possible because of the constant effort of the people of your electric company to improve service and reduce rates. It's an effort that goes on and on. Because of it, your electric service will be better and cheaper in the future than it is today. The credit belongs to a group of people who are never content to rest on their laurels, who strive to do their job just a little better today than they did it yesterday. They're the people of your electric company.

We have many things of which to be proud—opportunities for agricultural and industrial growth; sites of scenic beauty and historical significance; great natural resources; fine highways; splendid educational institutions; and a delightful all-year climate. When you write friends in other states, invite them to visit West Texas on their 1940 vacation trip.

**More for your money**  
In the last 10 to 15 years, the engineering improvements and operating economies of your electric company have made it possible to cut the average price of household electricity just about 50% of light, a radio and refrigerator pay very little more to operate all of these than they used to pay for light alone.

# You'll be No. 1 in the Hit Parade!

Look at Buick First...you can afford it and you can't know what your 1940 money ought to buy until you've seen this really modern automobile.

**YES** sir, something pretty special happens when you turn the ignition switch, and drive away for the first time in your very own 1940 Buick.

In that little act, you get a years-long jump on the other fellow. You step out in a car that is not only 1940's biggest news but the pattern for many a season to come.

Style? Just look the others over and see how they mirror the trend Buick began a good twelve months ago!

Prices begin at *\*delivered at Flint, Mich.*  
**\$895**  
for Business Coupe — Sedan prices start at \$955 —  
*Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.*

Size? Just try to find a car as long as Buick, bumper to bumper, for the same money—or one with a frame as husky and rigid.

Comfort? Performance? Appointments?

No one else on the highway has soft, gentle coil springs all around that never need lubrication, with the steady rolling firmness of torque-tube drive.

No one else gives you a gas-thrifty Dynaflex valve-in-head straight-eight engine, much less a power plant electro-balanced after assembly.

No one else has a Two-Way Direction Signal with automatic cut-off—or standard equipment so complete that even a lock for

the gas tank is included in the price.

And with the whole range of Buick's six dozen 1940 features you'll be No. 1 in the automotive hit parade, leading the way in a car that will still be full of big news many a season hence.

You'll be driving a Buick, staunch and solid in its tested metal, fashioned with Buick craftsmen's skill, a car you can count on to keep its value, lose mighty little through either use or depreciation.

And the price? Unbelievable as it sounds, the Buick SPECIAL carries a price lower than some sixes—which spells "buy" in any man's language. Why not learn more from the nearest Buick dealer?

AROUND THE WATERINGS

By C. MAYE DUNLAP

Monroe Baggett believes that lambs will stand more cold in February than in April. However, his stock has not been hurt much by the cold weather. He marked a 92 per cent lamb crop and after all his pastures but two were marked he had a 94 per cent kid crop.

Lamb losses due to cold weather in Crockett county have not been heavy this year. However, Bill McSwane of Eldorado reported Friday that quite a number of lambs were killed in that section from the cold.

A ranchman in the Buena Vista country sheared about 1900 goats a few days before the last cold wave. Several days following he rode out into his pasture to see how they were standing the cold, and he declared he hasn't found a goat alive yet.

Madden Read, who has some of the best blooded goats in the county, has been dipping his goats in sulphur for the past two years to rid them of lice. Results have been excellent, he says. At spring shearing his kids averaged 3.9 pounds of mohair.

Congratulations to C. C. Doty on his 83rd birthday anniversary he celebrated Tuesday, April 16, with a birthday dinner given by his daughter, Mrs. Stephen Perner. Mr. Doty came to West Texas 52 years ago and began raising sheep.

The largest percentage of lambs marked in Crockett county that has been reported came from the Lee Henderson ranch, where a 110 per cent crop out of 1900 ewes was reported.

T. N. Beauchamp, who ranches on the O-9 Ranch has found over one hundred lambs that were frozen in the April freeze.

New high marks for Texas wool were set in sales in this section during the past week. The Bar S clip of lamb wool, about 125,000 pounds was sold to Jeff Solis of Wright Bros. at 31 cents, a hike of one cent from the season's previous high. The Sanderson Wool Commission Co. the end of the week sold 100,000 pounds of fall wool at 25 cents to Beall Bar-

bee, buyer for Walter M. Marston. second Sanderson sale, the also setting a 27-cent price reported also in Del Rio and a eight-months clip.

cated nine miles north of Continental and others No. 2-B Todd, Strawn lime pool opener on the J. S. Todd ranch 15 miles northwest of Ozona. This land commanded a price of \$5 an acre and 50-cent annual rental.

M & M Drilling Co. has started the first test which may serve to indicate the extent of the Noelke well strike with its No. 1 Bouscaren estate, one mile north of the Soma producer. The well was drilling past the 200-foot mark in lime the middle of the week.

Moore Bros. of Midland, who own oil and gas leases on 23,700 acres out of the W. T. Noelke, Henry M. Half estate, Shannon estate and J. W. Owens ranch in the area and two other blocks southeast and east of the Noelke well for an additional 7,700 acres, are drilling two other wildcats in the vicinity. One is Moore Exploration Co. No. 1 W. T. Noelke, on section 10, block GG, HE&WT Ry. Co. survey, now down over 500 feet, and the other on A. C. Hoover's ranch 10 miles east of the big well. The Hoover well, two miles north of Moore's No. 1 Noelke had drilled to past 100 feet early in the week and was due to set surface casing.

H. D. Lewis of Fort Stockton, F. L. Graham of Amarillo and others propose to drill an east offset to the Soma No. 1, Noelke on a 20-acre tract lease on which they bought last week from Andy Shannon, pioneer Rankin cowboy, who received \$7,500 cash and a half interest in two proposed wells on the lease for his three-fourths interest in the lease. This offset is to be 330 feet out of the southwest corner of the northeast quarter of section 30, on which the Soma producer is located.

In the deep pool area nearer Ozona, Continental and others No. 3-B Todd, 1,170-foot east offset to the same operators' No. 2-B Todd, indicated opener of the first major Strawn lime pool in the Texas Permian Basin, had drilled to around 2,500 feet in lime and shale. It is 1,980 feet from the south, 2,100 feet from the east line

of section 29-WX-GC,SF.

Moore Bros. No. 1-A Henderson on the Floyd Henderson ranch north of Ozona, was underreaming 7-inch casing bottomed at 915 feet in lime.

### Ancient Death Battle Proves Modern Hoax

LONDON, Eng.—For more than half a century a stone axe head, buried in a four thousand year old animal skull, has been accepted by visitors to Sedgwick museum at Cambridge University as plain evidence of a prehistoric battle to the death.

But now Major Gordon Fowler, a well known research worker, declares that the scientists, students, lecturers and the public have all been duped by a practical joker. While both axe head and skull are authentic, he says they were both found separately and the axe head was later placed in the skull as a joke.

Major Fowler now declares that he knows who perpetrated the joke but that he cannot tell the whole

## UNFAIR SNOOPERS

**By George B. ArmentROUT**  
You know that a person who "snoops" on a test is about as low as he makes them. This editorial, being my first, will not be as good as some that you have read; but, the thought which it concerns is just as important as any.

This business of cheating on tests gets on my nerves. Not only do I detest it, but the whole school detests it. "This is not democracy." Of course, it is funny for a while to put one over on the teacher. After a while, this "practice" becomes a habit. And this habit, as you have been told, is one of the worst of the lot.

This is a peculiar vein with which to start my career as an editor-in-chief, but, just the same, I realize that this school's standards would be lowered quite a bit if cheating should creep into our school, and I want to mention "an ounce of prevention."

In mentioning names, I wouldn't. This would brand me as a tattletell. And that is as bad a name as a cheater.

In these concluding sentences I wish to express my opinion further. That is: DON'T CHEAT!

Some students will say, "Gosh, what can a fellow do around here, anyway?" This is a school, not a penitentiary. I think all the teachers will agree with me on this point.

The student body of this good and great school of ours is not made up of "bad" persons. An opinion expressed by Mr. Caruthers strikes me as being a compliment to the seniors. He states, "those kids of the senior class are the best that I have ever seen. The idea of anyone's coming in the home room with the intention of making a long-eared mule of himself would be discouraged before he had started good."

Let's keep that reputation!

## Editor's Musings

By ADELE KEETON

- \*SCHOOL ACTIVITIES
- \*SPORTS
- \*ENTERTAINMENTS

Although there are many who do not participate in various school activities, the ones who do find them very interesting. Those who are considered the best students are in the band, Press club, H. E. club, and the Historical club, and participate in all kinds of sports. They are made much stronger students by participating in the activities. They do not have so much time to "loaf." This helps to keep the teachers happy. To anyone who has a great deal of spare time, let me say, "join these clubs and take part in other school activities."

The boys seem to enjoy the sports more than the girls; however, many of the girls enjoy playing volleyball and tennis. Most of the members of high school take part in some kind of sport. The boys enjoy playing football. Although they were very discouraged this fall, they hope to do better next year, and I am sure they will. They are very good in basketball, because it seems that they work harder. Tennis seems, however, to be the most popular sport among the students of OHS at the present. Everyone should participate in some sport to keep his body in good condition.

At this time of year there are many parties, dances and suppers given in honor of the juniors and seniors; however, some of the sophomores and freshmen are invited to these entertainments. Every one has a great deal of fun at all of these entertainments, although everyone seems to enjoy the suppers and dances out on the ranches more than anything else. These entertainments take up much of the spare time of the upper-classmen. Let me advise you (the ones who are always looking for something to do), to take part in as many of these activities as possible, and you will be surprised at how time does fly.

## Juniors Hosts To Seniors At Annual Banquet

### Candidates For Graduation Honored At Colorful Fete

The Junior class of 1939-40 entertained the Senior class of 1940 under the direction of Mrs. Rex Russel, with the twentieth annual banquet Wednesday evening, April 24. The school colors, purple and gold, were used in decorating the ballroom. Purple iris and yellow flowering jasmine, with tall yellow candles formed the centerpiece for the table. The school banner was used at the back of the stage.

Favors were memory or scrap books of purple suede and gold felt covers. Each book had a gold line and the name of the owner printed on the suede front cover.

The song, "Memories," was played as the guests entered the dining room and ran through the program of the evening. The program was an amateur program conducted by Major Bobby (Bowes) Lemmons, who is president of the Junior class.

Each Senior received a telegram during the program which contained his horoscope.

The following program was presented:

- Toastmaster—Bobby Lemmons.
- Invocation—Mr. C. S. Denham.
- Piano solo—"The Man I Love," arranged and played as a waltz, a tango, swing and as a modern composition by Dorothy Hannah.
- Male Quartet—"Confucius Say"—Miles Pierce, W. B. Robertson, W. C. Brock and George B. ArmentROUT.
- Saxophone solo—"In a Persian Market" by Ketelbey—Oleta White, accompanied by Naomi Collard.
- Duet—"Tuxedo Junction"—Jean Drake and Bess Parker, accompanied by Dorothy Hannah.
- Readings—"The Usual Way" and "His Fingers Were Crossed"—Frances Bean.
- Bib Puppets—"A Midnight Fantasy"—Puppeteers Eloise Carson and Billie Jo West. Sound effects by Tincy Kirby.
- Dinner music—Miss Norine Allison.

Guests and students present were George B. ArmentROUT, Mary Frances Bean, Jayme Chapman, Joe B. Chapman, Bill Colquitt, Claudia Everett, Jesse Hancock, Ed Leatherwood, Bobby Lemmons, Sybil Luther, Helen Mayes, Gordon Rendall, Elton Smith, Eula Mae Stevens, Vernon Wilson, Donald Vickers, Johnnie Boyd, W. ## Coach Makes Mistake In Using Baby Dress

A few days ago in Spanish II class, Coach White took out his handkerchief to wipe his glasses. When Coach shook the handkerchief, it took the form of a baby's dress. No one knew that Coach was too conservative to buy a wardrobe to put Mark Jr.'s clothes in, but it is said that that is the reason Coach carries Mark's clothes around in his pocket.

Young Mark had better watch his daddy, or he will have to wear handkerchiefs instead of dresses.

After the dress had been revealed, Coach held it up by the shoulders so that the class could see it. It was a very dainty hanky, Coach, can you afford it?

Should the school take up a collection and buy poor Mark a wardrobe so that his father won't have to carry his clothes around in his pocket? Or should we buy Coach a few pocket handkerchiefs, so that he won't have to use Mark's dresses? It's up to the students to decide what to do with the collection.

## Home Ec. Cake Brings Highest Auction Price

The Ozona Stockman's Sixth Annual Cooking School was held in the basement of the Methodist church Monday and Tuesday. The Home Economics classes visited the cooking school Tuesday afternoon at 2 o'clock. All the girls that entered their name in the drawing, won such prizes as KC Baking Powder, a carton of Coca Cola, or a package of Mrs. Tucker's Shortening.

The third year H. E. class, represented by 10 girls, made a chocolate cake, which the second year class iced with comfort icing. The cake, which won third place in the contest, was sold at auction for \$2.55 to Mrs. Max Schneemann. That price was the highest bid of the afternoon.

Several different women made cakes, which were sold at auction by Mrs. Stephen Perner, auction director. The proceeds was given to the P-T. A. fund.

## Press Club Holds Annual Banquet for New Members

At the annual Press club banquet held last Thursday night, a color scheme of black, white and red was carried out. Tulips and red lilies decorated the tables. The program was in the form of a Lion's Roar with the headlines listing the numbers on the program.

The guests were entertained by Charles McDonald and George B. ArmentROUT in a trombone duet, Bess Parker, Eloise Carson, Gladys Wills and Dorothy Hannah with three songs, "Deep Purple," "Sweet Little Alice Blue Gown," and "Memories"; Hugo Heath and His Hungry Hoboes, in a cornet duet, and Billy West with a reading, Mr. Evert White, the guest of honor, and Mr. C. S. Denham spoke to the group on the success of the 1939-40 Press club organization.

Miss Terry, club sponsor, called attention to booklets given the members who had been faithful in reporting their news each week. These booklets were leather bound with the receiver's name printed on them, together with the number of years of service to the club. Mr. Caruthers complimented the group by making these favors in the manual training department. Those who received the favors are:

Helen and Dot H. were unable to sit or walk with much ease Tuesday. Did you ride too many horses or did someone decide you weren't behaving properly?

Adele gets around, too. First it was a new arrival called Jack. Now its someone else. By the way, Adele, you mustn't stay out so late. You know you must get your beauty sleep.

Certain Junior and Senior boys are getting ahead on their courting, while "Sue" is in the hospital. Now is that nice boys? Dick is the only faithful one. He went to visit her in San Angelo Thursday.

Shorty, Jean and Helen get some wrong impressions. The people they saw Monday night were merely hiding.

Bootchie seems to be beating Joe Couch's time. He was seen taking Frances home Monday night. Oh yes, Bootchie, what's the meaning of the "L" on a letter you received and Joe B. swiped. It must have been important.

What were Dorothy C. and Corky doing on the north road Sunday? Maybe Stanley or Joe B. can tell us. Norma, you should keep up with your boy friend more closely. Say, Bud, can't you answer any questions asked in biology, or is it just a habit?

Sybil and Eula Mae were seen taking their evening walks both Sunday and Monday afternoons. Were you keeping your girlish figures?

Woots, you shouldn't get so angry with your brother. Maybe he was telling the truth after all.

Howard, were you about to smother in the turtle of J. K.'s car Sunday night or were you too interested in the conversation in the front seat? J. K., maybe you could tell us what the conversation was about, or could you?

Joe C. was seen at his dance with a piece of pie in one hand, Frances' hand in the other, and a cigarette in his mouth. He couldn't decide which was the most important.

## Senior Class Leaves Today On Annual Trip

### Austin and San Antonio Are To Be Visited During Trip

The seniors of 1940 seem to be looking forward to the annual senior Day trip with very much enthusiasm, since all of them except W. C. Brock and Oleta Casbeer are going.

They are going to Austin, where they will visit the State School for the Deaf, the State Cemetery, the Home of O. Henry, the new State Museum, State School for Blind, the Governor's mansion, State Capitol building, and the State University. They will leave Austin for San Antonio at about 4 p. m. Friday.

The tour in San Antonio will include the Park-Mo-Tel, Kelley Field, San Jose Mission, Buckhorn Curio Shop, Alamo, and Brackenridge park. Also the "Battle of Flowers Parade" will be held about 2 p. m., on Saturday and those of the seniors who want to see it may do so by remaining longer. The regular party will leave at about 12 Saturday for Ozona.

Seniors and their parents that are going are Naomi Collard, Jean Drake, Miles Pierce, J. K. Colquitt, Jim Dudley, Howard Lemmons, W. B. Robertson, Gladys Wills, Billy West, Ella Carson, George Ann Kirby, Noma Miller, Dorothy Hannah, Mertis Luther, Bess Parker, Johnnie Boyd, Joe Couch, Roy Henderson, Mrs. Lemmons, Mr. and Mrs. Ira Carson, Mrs. V. I. Pierce, Mrs. Rob Miller, Mrs. Buster Miller and Mrs. Roy Henderson.

### LION'S ROAR

#### JUNIORS ARE VOLLEYBALL CHAMPS

Considerable interest has been taken by Ozona high school boys in playing volleyball at noon on school days. At the present time, volleyball and tennis rank at the top of the sports list. The junior class claims the high school championship by defeating the seniors, freshmen and sophomores in succession. Wilson was the sparkplug on defense and offense for the junior class. The freshmen rank second with wins over the sophomores and seniors, and one defeat to the junior class. The freshmen team is composed of such boys as Wayne Babb, Bud Cox, Leslie Nance, and others. The Sophomore team, under supervision of Coach White, won over the seniors and lost to the junior and freshman classes. The seniors, which usually furnish the top team, gave way to two losses. They were defeated by the juniors and freshmen in one-sided games. Mr. Caruthers, senior sponsor, Dudley and Lemmons were standouts on the senior volleyball team.

the Junior High Choir presented a musical program. The choir sang the following songs: "Pilgrim's Journey," "Little Sir Echo," "I Love to Whistle," and the very popular "God Bless America." Miss Rebecca Anderson sang two numbers, and Miss Ruth Graydon played two piano selections. This was the first appearance of the junior high boys in the choir. Since the boys joined, the name of that musical group has been changed from the Glee club to the Junior High Choir.

This choir, consisting of 50 members, will sing at the seventh grade graduation and on Baccalaureate Sunday.

#### SCHOOL ENJOYS HOLIDAY

The Ozona schools were given a holiday Monday, April 22, to celebrate San Jacinto day, Sunday, April 21.

The Battle of San Jacinto was fought April 21, 1836, near San Jacinto Bay, Texas. There were seven hundred and forty Texans against four thousand Mexicans. The Texans, led to battle by General Sam Houston, rushed into battle with the cry, "Remember the Alamo." The Texans defeated the Mexicans, led by Santa Anna, by killing 1300 Mexicans and lost only 30 Texans.

Since that day April 21, has been celebrated by the Texas people in remembrance of our brave soldiers.

This celebration marks the last holiday of this school term.

the following: Miles Pierce, with three years of service; Dorothy Hannah, three years; W. B. Robertson, three years; Bess Parker, two years; Billy West, two years, and Eloise Carson, one year.

The ex-editor then introduced the new members of the club and the new staff. The new staff for the coming year, 1940-41, is:

George B. Armentrout, editor-in-chief; Adele Keeton, assistant editor; Charles McDonald, secretary and treasurer; Margaret Russell, assistant secretary-treasurer, and general reporters, Lottie Jo Owens, Bland Tandy, Mary Perner, Sybil Luther, Florence Luther, Helen Mayes, Ethel Mayes, Ed Leatherwood, Mary Faye Lucas and Dorothy Capps.

Present in addition to the club members were Mr. and Mrs. Evert White, Rev. and Mrs. Eugene Slater, Mr. and Mrs. C. S. Denham, Mr. and Mrs. Ted White, Mr. and Mrs. Rex Russell, Guinn Caruthers, Lester Springer, Norman Heath, Miss Mildred North, Miss Elizabeth Coose, Miss Norine Allison, Miss Zelma Scott and Miss Bess Terry.

Following the benediction, by Rev. Eugene Slater, the club adjourned to attend a party in the Vic Pierce home.

#### The Senses—

(Continued from Page Six)

#### FELT—

Scared. These programs given by the school pupils really scare them.

Worried. Several seniors almost had Ed believing a speech was expected of him before the Press club members.

Scared. Last Saturday night, at Joe's party, Jean certainly was scared when she was sitting on the fence and a cow almost got her.

Rough treatment from Roy, Jr. Roy, must you treat the girls so roughly?

Frightened. Dorothy certainly was scared when a horse started pitching with her on it at a certain ranch Monday.

Broken-hearted. Naomi's boy friend moved.

#### TASTED—

Good food cooked by a local cafe for the Press club banquet.

More good food. The Juniors really fed the Seniors for their annual banquet.

More and more good food at Pee-Wee's supper Friday night and at Joe's party Saturday night.

Hamburgers and ice cream. Shorty was feeling good Sunday night. He had just sold a car.

### Calf-Riping Exhibition Given At Chuck Wagon Supper

On Saturday, April 20, a chuck-wagon supper, honoring Joe Couch, was given by his parents at the Couch ranch. Everyone went dressed as a cowgirl or a cowboy. After a supper of barbeque beef, Spanish rice, stew, beans, rolls and iced tea, the boys entertained the girls by riding cows. After all the milk cows were exhausted, everyone adjourned to the living room and danced. The dance broke at 12 o'clock. Those present were Joe Couch, Frances Bean, Gem Ella Dudley, Pee-Wee Smith, Shorty Colquitt, Donald Vickers, Billy Jo West, Ella Carson, Jean Drake, Mary Faye Lucas, Miles Pierce, Dorothy Hannah, Naomi Collard, Tiny Kirby, Joe B. Chapman, Bochie Coates, Dub Robertson, Helen Mayes, Bill Carson, Billy Hannah, Bobby Lemmons, Donald Wilson, Jim Dudley, Howard Lemmons, Guinn Caruthers and Gene Hollon.

### J. K. Colquitt Honoree At Ranch Party

A ranch supper honoring J. K. Colquitt was given on Friday, April 19, by Mr. and Mrs. Elton Smith. After the boys and girls played many games, they were served punch, sandwiches and cookies. Pictures to decorate the room were cut of J. K. Most of the cutouts were images of snakes and long-eared donkeys. Mrs. Smith entertained the boys and girls by playing the piano, while Mr. Springer sang for them. The

Miss Mabel D. Cox became the bride of Roy Green of Menard Saturday afternoon in Post at the home of her parents. The ring ceremony was performed by the Rev. A. C. Hardin, pastor of the First Baptist church of Post. The bride wore a sheer navy blue crepe dress and a heart shaper hat of lilies of the valley. Mrs. Green is employed with the county agent's office here where she plans to continue her work for several weeks. Mr. Green is a former Ozonan, having operated a jewelry store here for about a year.

**WINTER AT IT AGAIN**

A die-hard winter took another, and what residents hope a last, whack at West Texas this week. North winds again swooped down to drive temperatures to a level that made light coats more comfortable than shirt sleeves. Light showers of rain fell here Wednesday.

**A Word Of Appreciation To Our Many Customers**

We wish to extend our thanks to every one of you for your many favors—you have certainly been nice to us. We want you to know that we appreciate what you have done; it is a pleasure to live among people like you. We are doing our best to give you quality merchandise at the lowest price possible. We offer you meats and vegetables out of the most modern display cases; and we appreciate the compliments that many of you give us. Today a new customer told us that he bought some of the best steak over our counter yesterday that he ever ate. We told him that the people of Ozona demanded the best and that was what we were trying to offer them.

We thank every one of you who are spending your money with us during our cash sale to raise money to take care of our obligations. We admit we are losing money every day this sale runs—but our customers are profiting by it and we are selling lots of surplus stock and paying lots of accounts we owe.

To you who have paid for groceries in advance—we appreciate it and it shows that we do have many friends in Ozona. We now have the money in the bank to take care of all our indebtedness except one account, and with the notes we are getting and the cash promised in the next few days we feel sure that we will have our last wholesale house satisfied by the 20th of May, or before.

Thank you again for your many favors in the past and all future favors you throw our way. Remember, the place where quality tells and the price sells!
