Literary Events County Meet Set For Mar. 28

Room Try-Outs Being Held This Week In All Grades

Contestants in the various Inter-scholastic League literary events will vie for honors in the annual Crockett county meet in the high school auditorium Thursday evening, March 28.

Four representatives from each class are being selected this week with the try-outs to be completed by Monday morning. These class members are to compete in the county meet.

Winners of the story telling groups that have already had room try-outs were:

Kindergarten—June Perner, first place; Patsy Cooke, second; Mildred McCaleb, third and Ben Carl Conklin, fourth.

First grade—Judy White, first; LeVone Nance, second; Dorothy Bell Fenner, third and Mary Ann North, fourth.

Second Grade—Rosalie Friend, first; Charlie Boy Davidson, second; Donald Hoover, third and Guida Sue Meinecke, fourth.

Third Grade—Lillian Schneewann, first; Bernard Lemmons, second; Maurice Cox, third, and Jo Nell Russell, fourth.

Declamation winners in the fourth grade were: Billy Hoover, first; Joe Max Word, second; Joe Perry, third, and Jimmy Choate, fourth.

Boy Scouts Not To Sponsor Annual Egg Hunt Here Easter

A feature of Ozona's Easter observance that has almost become an institution, so many years has it been observed, will be missed by youngsters of the community this year—the annual Easter egg hunt staged each year on the hill top north of the Boy Scout Cabin.

The hunt, originated by the Lions club many years ago, has been sponsored since that organization disbanded by the local Boy Scout troop. R. L. Springer, Scoutmaster, announced this week that the hunt would not be staged this year.

SCARLET FEVER VICTIM

Patsy Schwalbe, nine-year-old daughter of Mr. and Mrs. Sid Schwalbe, is the latest victim of the scarlet fever epidemic here. Patsy is a pupil of the fourth grade.

H-SU Musicians In Concert Here Tuesday Evening

Girl Harpist Featured Performer In Group Of Four Artists

A group of four musicians from Hardin-Simmons University in Abilene will appear in concert in the high school auditorium here next Tuesday evening, March 26, under auspices of the Ozona Music club.

This group was originally scheduled to appear here early in February but the event was postponed on account of the prevalence of scarlet fever at that time.

Featured artist with the group will be Miss Virginia Sheridan, 19-year-old harp artist from Houston, a freshman student at Hardin-Simmons. She is a featured artist with the Hardin-Simmons girl band and has appeared as solo artist with the H-SU Coward band. A graduate of the Millie Harp studios in Houston, Miss Sheridan was a national contest winner in the harp divisions. Other student artists from the Abilene school will be Paul Trimmer, violinist; Miss Wanda Clemens, pianists and Miss Lucille Myers, marimba.

Ranch Girl Honor Guests At Fort Worth Show

One of the outstanding features of the Southwestern Exposition and Fat Stock Show which closed Sunday night in Fort Worth was the appearance of eight Ranch Girl honor guests. The girls appeared in each rodeo performance in an exhibition of cutting cattle from

a herd. In the photo are left to right) Billie Marie Miller, Coleman; Mary Anna Green, Albany; Lillian Lea Armstrong, Big Wells; Sam H. Elliston, Jr., trailer representative; Anna Belle Edwards, Big Spring; Margaret Owens, Ozona; Daisy Chambers,

Lovington, N. M.; Elverna Criswell, Throckmorton, and (sitting on fender) Margaret Stockstill, Pampa. Miss Edwards and Miss Owens have been announced as two of a number of ranch girls who will be invited to appear in the Madison Square Garden Rodeo.

Byron 'Tex' Stuart, Former Ozona Giant Backstop, To Pilot Welch, W. Va., Miners

Ozonan to Become One Of Youngest Managers In Game

Mr. and Mrs. Byron Stuart and daughter, Carolyn Rae, will leave the last of this week for Welch, W. Va., where Mr. Stuart will take over the position of manager of the Welch Miners of the Mountain States League.

Stuart succeeds the veteran Sam Gray of Texarkana as manager of the Miners. Announcement of his appointment was made recently by Mayor John W. Blakely, owner of the Miners. Stuart will have the distinction of being one of the youngest pilots in organized ball.

He began when he caught Paul Dean in a city league at San Antonio in 1930. In 1931-32 Stuart played center on the football team and caught on the baseball team at Brackenridge high school in San Antonio, and in 1933 he went to Texas Christian University for part of a term leaving in April to go to Old Mexico with a barnstorming baseball team from Fort Worth. His pro career started in the northern league in 1934 with Fargo-Moorhead as a first baseman. He played practically every position with the exception of pitcher that season, and still managed to hit .270. In 1935, 1936 and 1937 he played semi-pro ball at Ozona except for the last two weeks of the season in which he

Todd Deep Test Tops Crinoidal High; Sets 7-in. Casing At 5,613

Continental and others No. 2-B Todd unit, deep wildcat being drilled on the Todd ranch 15 miles northwest of Ozona, yesterday was drilling plugs from 7-inch casing cemented at 5,613 feet with 800 sacks of cement earlier in the week.

Total depth of the test is 5,634 feet in Crinoidal lime, which was topped high at 5,600 feet, 3,125 feet below sea level. A Schlumberger electrical survey was made of the hole before the pipe was run. The test is 1,980 feet from the south, 2,010 feet from the west line of section 29-WX-GC&SF.

Moore Bros. No. 1-A Henderson, scheduled 1,500 foot test on the Floyd Henderson ranch north of Ozona, set but did not cement 7-inch casing at 665 feet in shale and drilled ahead. The test is 990 feet from the north, 1,780 feet from the west line of section 51-OP-GC&SF.

Enthusiasts Plan Organization Of Softball League

Committee To Line Up Teams For Summer Campaigns

A group of a dozen or more players and followers of the game laid plans for this summer's softball campaigns in Ozona at a meeting Monday afternoon at the Stockman office, the first organization meeting of the coming season.

In an effort to insure a place on some team for every person in the community who wants to play and to make the league combats as entertaining as possible for spectators, the group named a committee of three to draw up a list of probable players and to select teams from this list to compose the league entries, the committee to make its selections so that the teams would be as evenly balanced as possible.

The committee, composed of Bryan McDonald, Oscar Kost and J. P. Pogue, will make its division of players into teams and its selections will be submitted for approval of the entire group at an

TWO MEXICANS FINED

George Chipman and Mike Pena were arrested by Sheriff W. S. Willis Saturday night in the Mexican community and charged in justice court with fighting. Each was fined \$1 and costs amounting to \$14. Chipman drew a similar fine on a charge of disturbing the peace.

Eleven Additions To Church Result From Baptist Meet Here

Eleven additions to the Ozona Baptist church resulted from the ten-day Spring revival meeting of the church which closed with services Sunday evening. Nine of the additions were by confession of faith and two by letter. Baptismal services were held Sunday night.

Preaching services were conducted by the pastor, Rev. Clyde Childers. Song services and young peoples group meetings were directed by Rev. Sam Cluck, music director of the North Waco Baptist church of Waco.

Father Of Ozona Justice Of Peace Dies In Coleman

J. W. Johnigan, 87, a resident of Coleman county for a half century, died at his home there at 3:35 a. m. last Friday following a brief illness. Mr. Johnigan was the father of W. M. Johnigan of Ozona, justice of the peace in precinct 1. The Ozonan, notified Thursday of his father's critical illness, left immediately for his bedside and remained to attend funeral services Saturday.

Mr. Johnigan had lived in Coleman county since 1890, moving there from Bell county. His wife died three years ago. Surviving are 10 children, six boys and four girls. Twenty-four grand children and 13 great grand children also survive. The surviving children are Rush and Otis Johnigan, Mrs. Berry Bishop, Mrs. Jess Minor and Mrs. Henry Varner, all of Coleman, Bill Johnigan of Ozona, F. Johnigan of Bowie, Ezra Johnigan of Beaumont, Mrs. D. F. Parker of McCamey and Ernest Johnigan of Ardmore, Okla.

Easter Cantata To Be Presented Sunday Evening

Methodist Choir Sings "Cross Victorious" Easter Sunday

"Glorious breaks th Easter morn
"Day when Hope itself was born
"Death, its terrors fled away,
"Vanquished is this Easter day"

These lines from the final chorus form the theme for the Easter Cantata, "The Cross Victorious," to be sung by the Methodist Church choir, supplemented by voices from other church choirs of the city, at the church next Sunday evening starting at 7:45.

The cantata, by Clifford Demarest, begins with the gathering of the faithful in Jerusalem to keep the Passover, the conspiracy of the priests and Pharisees to stir up the multitudes against Jesus, the dramatic trial before Pontius Pilate and the subsequent crucifixion and resurrection.

Miss Ruth Graydon will direct the choir with Mrs. Bryan McDonald playing the organ accompaniment. Soloists will be Mrs. H. B. Tandy, soprano; Mrs. L. B. Townsend, soprano; Miss Rebecca Anderson, soprano; Ross Hufstetler, baritone.

A quartet will include the voices of Mrs. L. B. Townsend, soprano;

Sheriff Arrests Two Mexican Boys On Theft Charges

Sheriff W. S. Willis arrested two small Mexican boys early in the week and obtained confessions from them that they had stolen a number of steel welding points from the O. W. Smith blacksmith shop and sold them to a junk buyer for Mike Couch. A description of the lads was given officers by the buyer at Couch's.

The boys, Luis Ramirez and Isidrio Parras, had a quantity of material taken from the Ozona Water Works plant in their possession when apprehended, officers said.

Spring Inaugurated With Rain Showers Over Ozona Section

Spring arrived with scattered showers in this territory Wednesday afternoon, with heavy rains reported in some sections of Texas, the Valley area particularly reporting drenching rains.

Repeated heavy showers fell in Ozona Wednesday afternoon, areas north and east of the city covered by the intermittent falls. Although light, the showers will be of immense benefit in areas visited in promoting continued growth of spring weeds and grass.

In the Springtime—

When Buds Begin to Swell and Days to Lengthen Ozona Women's Thoughts Turn to Gardens and Home Beautiful

By C. MAYE DUNLAP

When the weather begins to grow warm and the days lengthen, garden lovers start their spring dreaming. Mrs. George Montgomery has a place in which to realize her dream. Since the Montgomerys bought their home Mrs. M. has had the back yard enclosed with a rock wall with many hollyhocks, violets and phlox plus the shrubbery growing around. Mrs. Joe Davidson has done much in turning the ground on the hill behind her house, that seemed to have an unpromising outlook, into a charming reality. She has also enclosed this space with a rock wall and has terraced the hill side and planted a large variety of flowers, shrubs, bulbs, and trees. Paths leading to an outdoor fireplace have been marked off with stepping stones with grape hyacinth growing between each rock. Spring time is a season of buoyant enthusiasm in gardening and

the T. A. Kincaid surroundings show a vivid display of crimson and yellow tulips, yellow and white jonquils, sydonia japonica and blue, white and pink hyacinths that border the sidewalks. At the entrance visitors will walk between two aisles of scarlet tulips and grape hyacinths. The hothouse holds a variety of pot plants with a Dutch windmill weathervane placed on the roof.

The Early Baggetts' yard contains a terrace covered with a carpet of recently planted grass that slopes toward the street. The house is banked with hedge, bordered with yellow jonquils. The diminutive appearance of the George Russell yard is an attractive illusion with rows and rows of violets arranged around the patio centered with a swing.

The vogue for gardens seems to be jonquils this spring as an attendant enthusiasm in gardening and

SCHOOL BOND VOTE SLATED FOR APRIL 6

Voters To Decide Proposed \$30,000 Issue For Mexicans

PROVIDE TAX LEVY

15-Year 3% Bonds Provided For New 8- Room Building

Property tax paying voters of Crockett county will decide the question of whether or not the Crockett Consolidated Common School District No. 1, which embraces the whole county, shall issue bonds in the sum of \$30,000 for the purpose of building and equipping a public free school for the Mexican children of the community in an election to be held Saturday, April 6.

Date of the election was fixed by the Commissioners Court in session last Thursday afternoon in response to a petition signed by the necessary number of qualified voters requesting such election. The petition was sponsored by the school board, which perfected plans for launching the election petition at a called meeting early last week.

The election date was selected to coincide with the election of school trustees already set for that date. The two elections, for four school trustees and the question of the bond issue, will be held by the same group of election officers, each voter to mark two separate ballots on the two questions.

The Commissioners Court in its election order, proposed a \$30,000 issue of serial bonds, payable \$2,000 annually and maturing in 15 years, the last note payable in 1955. A tax levy of 10 cents on the \$100 property valuation was made by the court to provide a sinking fund to pay off each bond as it matures. On the basis of present property valuations for school purposes, the final levy of tax to retire the bonds will be less than the 10 cent figure set by the

Only Eight More Days To Secure New Auto Plates

1940 Licenses Must Be On All Vehicles By April First

With only eight more days left in which to secure 1940 motor vehicle license plates and between 800 and 1,000 new plates yet to be issued, Office Deputy Claude Russell in the office of W. S. Willis, sheriff and tax collector, is looking forward to some busy days as the month of March wanes.

April first is the deadline for new 1940 license plates to be on all vehicles, Sheriff Willis points out. The new plates may be installed on cars now, but must be in place on and after April 1, under Texas laws.

A total of 1,214 license plates were issued to Crockett county motorists in 1939. Of this number, 761 were passenger cars, 181 farm trucks and 272 commercial trucks. At the first of this week, only 225 of the 1940 plates had been issued, 114 passenger cars, 94 farm trucks and 17 commercial vehicles.

While a certificate of title is necessary when a car is bought, under a law passed at the last session of the legislature, it will not be necessary for owners to have the certificates with them when they secure new licenses, but such certificates or the 1939 license receipt should be presented in order to facilitate preparation of new receipts and registration papers.

Fees for registration of motor vehicles is the same this year as for 1939. Owners of commercial trucks must make affidavit as to weight of the vehicle.

Swastika Desecrated

Chalk up another victory for the Nazis, this time on American soil. Four Arizona Indian tribes have capitulated to Hitler, bowed the knee and given up their ancient symbol, the swastika, because their resolution states, the Nazis have desecrated it. This is a sad precedent. If it is followed, the Orient will have to do some surrendering, too, and there will be a purge of museums everywhere.

The poor pay no taxes? They merely pay \$2 for a \$1 article bought from a man who does pay taxes.—Buffalo Evening News.

CONFUCIUS SAY—

MAN IN BARREL IS LUCKY-- TO STILL HAVE BARREL.

Every City Will Pay

The city of Athens, Ga., (population 18,192) has just got a third USHA housing application approved in the amount of \$322,000. This latest allotment brings the total of federal funds so far allotted to Athens to \$9747,000.

Atlanta (population 270,366) has been allotted \$15,011,000 for five USHA housing projects.

Augusta (population 60,342) has been allotted \$2,350,000 for three projects.

Brunswick (population 14,022) has been allotted \$961,000 for two projects.

Columbus (population 43,131) has been allotted \$3,459,999 for three projects.

Decatur (population 13,276) has been allotted \$676,000 for one project.

Macon (population 53,829) has been allotted \$1,642,000 for two projects.

Marietta (population 7,638) has been allotted \$690,000 for two projects.

Rome (population 21,843) has been allotted \$829,000 for two projects.

Savannah (population 85,024) has also been allotted \$829,000 for two projects; and Thomas county has been allotted \$357,000 for three projects.

The present grand total of USHA allotments to Georgia communities for these 28 federally subsidized housing projects for low-income families amounts to \$30,719,000.

And every community in the country, whether or not it gets any USHA housing itself, will for 60 years to come have to pay part of the cost of the housing these Georgia communities get.—Arkansas Gazette (Little Rock).

There is some hope that belligerent Europe presently will starve itself into a reasonable state of mind.—Chicago Daily News.

Fire's Friend

Destructive fire has many allies. And one of the most potent is disorder. The workshop where sawdust is allowed to remain on the floor, where paints and varnishes and solvents are stored improperly, and where cleaning rags are dropped in helter-skelter fashion here and there, is obviously far more prone to fire than the shop where refuse is immediately removed and supplies are kept neatly in safe containers.

The same thing is true of homes. Your home is neat, orderly and safe, you say. Perhaps it is, but there's a better than even chance that a thorough tour of inspection would result in some startling discoveries. Remember all those old magazines you've been storing up to read in the future? Probably you'll never look at them again—in the meantime, they offer fire an excellent starting point.

Remember, too, those hit-and-miss repairs you made on lamp cords—amateur electric work accounts for millions of dollars of fire loss each year. And don't forget the cartons of old clothes which you should have given away long ago to a charitable organization—fire thrives on such accumulations.

Make that fire-prevention tour of your property today. It will be a miracle if you don't find hazards you didn't know existed.

What Jefferson Said

From time to time, just to keep the record straight, it is necessary to repeat what the American founders said about the third term question. Washington set the example of rejecting a third term. This was followed by Jefferson, Madison and Monroe. At the end of Monroe's second administration Jefferson wrote: "The example of four Presidents voluntarily retiring at the end of their eighth year and the progress of public opinion that the principle is salutary have given it in practice the form of

precedent and usage; insomuch that should a President consent to be a candidate for a third term he would be rejected at this demonstration of ambitious views." There is no question that Jefferson believed the countenancing of a third term would establish a pre-

cedent that would really be dangerous to the country. The considerations that moved Jefferson are valid today.—Kansas City Times.

WAR-RISK NO. 1

A glance at the Allied casualty lists from the western front in-

dicates that the greatest danger the French soldiery is the persistent British habit of driving ambulances on the left side of the road.—Hartford Courant.

"THANKS FOR A LOVELY EVENING..."

A new kind of beer retailing is bringing wholesome recreation to millions of Americans!

America's new kind of beer retailer wants to sell good beer, of course... but he is also keenly aware of his social responsibility to the community. He makes sure that his place is clean and inviting—and scrupulously free of anti-social influences of any kind.

The Brewing Industry wants all of beer's retailers to be of this type. We do not want any other kind. And we are taking

action to eliminate any abuses in beer retailing that may occur.

We have instituted a new plan... now in effect in a few states and being extended as rapidly as possible... to protect your right to drink good beer in decent surroundings. May we tell you about it... in an interesting free booklet? Write: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

BEER... a beverage of moderation

NOTICE! Crockett County Car Owners!

1940 License Plates Must Be Secured In March, and Must Be On Your Car Not Later Than April 1.

BRING LAST YEAR'S RECEIPT WITH YOU!

PAY NOW AND AVOID LAST-MINUTE DELAY!

If your car was not registered in Crockett County previously proof of ownership must be established, either by certificates of title, former license receipts, or by other satisfactory means. A new state law requires this proof of ownership before license can be issued. Please Bring Your Previous License Receipt With You.

WEST TEXAS HAPPENINGS

Cleaned from Exchanges to The Stockman

COLEMAN.—Texas Rangers Leviuncan and Zeno Smith of Austin are in Coleman for a few days to assist Sheriff George Robey in cleaning up a series of sheep thefts in the county.—Democrat-Voice.

ELDORADO.—Work was completed this week connecting the Bert Page oil field, nine miles southeast of Eldorado, into the main pipeline of the Shell company. The line runs within about a half mile of the Page field producers.—Success.

FORT STOCKTON.—The Albert Bailey ranch in eastern Pecos county has been bought by H. K. Hinde, San Angelo young man now attending Southern Methodist University at Dallas. Ten dollars an acre was the reported price on the 6,000-acre Bailey ranch, one of the best in Pecos county.—Pioneer.

JUNCTION.—In cooperation with various civic organizations sponsoring a yard beautification program for the city of Junction, the local water works will again offer attractive rates, according to Mayor H. E. Wright. If as many as 200 residential users sign up, 25,000 gallons of water will be allowed monthly at a rate of \$3. Dr. Wright said. All water used in excess of 25,000 gallons will be charged at the rate of 10 cents per thousand gallons.—Eagle.

BIG LAKE.—In a recent meeting of the trustees of the Reagan county school system, it was decided that only 17 of the 26 teachers in the county could be employed for next year, due to a lack of available school funds. In a letter to members of the faculty, the board gave notice of the situation and asked those who were reasonably sure of other employment next year or who did not plan to teach in the schools notify the board so that as few teachers as possible would be inconvenienced. The board meets Tuesday to name the 17 teachers.—Wildcat.

FORT STOCKTON.—An ordinance providing revision of the present peddlers ordinance was adopted Tuesday night by the Fort Stockton city council, setting the license fee for peddlers at \$2 per day or \$25 for an annual permit.—Pioneer.

Old Glory Breaks Even in Massachusetts Schools

The American flag made headline news in two Massachusetts schools recently. Left: Brothers Beecher, 16, and Hollis Green, 12, willingly salute the flag, but their sisters, Wanda, 14, and Geneva, 11, members of Jehovah's Witnesses, refuse the patriotic gesture. Other pupils in the Saugus school, also members of the religious sect, refused to salute the flag. School officials have instructed parents to explain their children's refusal. Right: Kathleen E. Ross, 12, Norwood, Mass., received permission from probate court to change her name to Betsy E. Ross, after the young Philadelphia woman who designed the first American flag.

March 31 To April 7 Statewide Clean-Up, Health Week In Tex.

AUSTIN.—The week of March 31 to April 7 has been set aside as Texas Health, Clean-up and Safety Week by proclamation of Governor W. Lee O'Daniel.

Cities and towns will observe the week with special localized campaigns sponsored by local civic and governmental agencies in cooperation with the state health department, the state fire insurance commission and the department of public safety, sponsors of the week on a state-wide basis.

Dr. George W. Cox, state health officer, points out that the accumulation of winter's debris is a menace to the health of adults and children, and everyone is urged to observe clean-up week by removing this health hazard from their premises. Removal of these wastes is not only good housekeeping, but lessens the spread of diseases, particularly those affecting infants.

Collection of waste matter and trash in and about the home provides a breeding place for flies, which help spread typhoid fever, dysentery, diarrhea, tuberculosis, anthrax and cholera. Flies breed, live and feed in filth. To prevent their infestation, all refuse should be disposed of promptly, garbage

kept covered in sanitary containers, houses screened. Since each area raises its own flies, the number of flies in any neighborhood is an index to sanitary conditions therein.

Destruction of the breeding places of mosquitoes is an important part of clean-up week activities. Malaria, dengue and yellow fever are spread by the malaria and tiger mosquito. They breed in standing water and can be checked by draining, ditching or filling in such natural reservoirs which serve as breeding places. Further protection against mosquitoes is provided by weekly spraying of oil on standing water or stocking with surface minnows to eat the young mosquitoes, and by screening houses to prevent the entrance of insects.

The fuhrer reveals that God is now on his side. This is in addition to Joe Stalin, who says there is no God. It must be embarrassing.—Detroit News.

Alpine Men Show Big Bend Movies To Ozona Students

Dr. G. P. Smith of Sul Ross State college faculty of Alpine, and Dr. B. F. Berkeley, manager of the Alpine Chamber of Commerce, visited at Ozona high school this week, addressing members of the senior class at 2:30 and the student body at 3 o'clock in the auditorium.

High school seniors enjoyed the showing of colored motion pictures of college and campus life at Sul Ross, as well as films of the Big Bend country, including a number of scenes from the proposed Big Bend National Park area. The visitors discussed with seniors various phases of their future educational program, and also conferred with faculty members on numerous educational problems.

Dr. Smith and Dr. Berkeley are visiting more than 20 schools in the area east of Rankin to Cole-

man and Santa Anna, south to Brady, Mason and Eldorado, and westward to Sonora, Ozona and Iraan.

EASY WAYS TO LOSE MONEY

Here are four very simple ways to lose your money:

1. **Lose Cash.** When you carry currency in your pocket or purse, there is always danger of accidental loss.
2. **Make "Double Payments".** If you have no receipt for cash payments, you may be forced to pay again.
3. **Careless Money Management.** If you don't have accurate records, money can easily slip through your fingers.
4. **Short Changed.** By accident or design, you may be short changed when you pay with currency.

PONTIAC

TATTLING

By C. MAYE DUNLAP

Since spring comes to birds and bees why shouldn't it come to the collegiates, high school students, and all the hard working girls and boys about. And it even looks like the love bug has bitten a few couples around here. An every day scene is Lib Coose riding around with blond Jack Ferguson in his striking blue Packard and there's Bess Parker still seeing Tommy Harris, who comes down from San Angelo practically every weekend. Even Taylor Deaton feels that spring is in the air, because Saturday night before the dance Dorothy Hannah was presented with a two-pound box of candy. And L. D. Kirby has begged frantically that we didn't mention in the paper this week that Lydia Viles was here visiting her sister, Mrs. Ed Bean, because L. D. says that every boy in Crockett county will be going out to see her and he won't have a chance.

Johnny Boyd was the honored guest Saturday night when Mr. and Mrs. Elmon Powell entertained with a dance in the ballroom of the Hotel Ozona.

The room, resembling a night club, had an imitation bar where soft drinks were served and purple and white streamers hung from the ceiling with white balloons tied above the windows, door and around the posts centering the room. Cake and punch were served and plate favors were gumdrop chickens. Ray Boyd did the decorating. "Nick and his Odeons" furnished the music.

Dates included Bess Parker and Howard Lemmons, Jean Drake and James Childress, Dorothy Hannah and Taylor Deaton, Ella Carson and R. L. Bland, Billy Jo West and Jim Dudley, Mary Faye Lucas and Boochie Coates, Gen. Ella Dudley and J. K. Colquitt, Helen Mayes and Martin Harvick, Tincy Kirby and Shorty Colquitt, Lib Coose and Johnny Henderson III, Mary Frances Bean and Joe Couch and Johnny Boyd and P. C. Perner.

Stags were Pee-wee Smith, W. C. Brock, Bill Carson, Bobby Lemmons, Stanley Lemmons, Ray Boyd, Donald Vickers, Donald Wilson and Bill Hannah.

Mr. and Mrs. Eddie Bower of Crane were weekend guests of Mrs. Bower's mother, Mrs. Vera Baker. Mrs. Bower remained here to visit the remaining part of the week.

Jack Ferguson visited his parents in Amarillo during the weekend.

This is Leap Year, and the 1940 bachelors are certainly being careful that they don't fall down a manhole or walk under a ladder. Three long years they have enjoyed their freedom on the streets, but now they are taking to weekend fishing trips and find their rooms on the ranches—the most ideal place to read.

It was last weekend that George Vir Montgomery, Joe Friend, Skipper McCutley, Gene Hollon, Gene Williams, Claude Russell, Conley Cox and Guino Cacuthers went down to the Rio Grande to fish. The fish weren't biting so good but the boys did enjoy the hiking.

The Easter Parade has already begun here with college lads and lassies parading from their schools to home for spring vacation. Catherine Childress arrived Tuesday night and brought a girl friend, Miss Jane Chilton of Marlin home with her. Toots Smith, daughter of Mr. and Mrs. Tom Smith, came in Wednesday afternoon and Billy Gene Lathieun has her roommates, Miss Harriet Knowles of Houston, home with her. William Beecher Montgomery is expected home today. All are students of Texas Christian University.

Texas Tech students arriving this week are Phillip Schneemann, Mary Margaret Harris, Richard Miller and Doris Bunger.

From Southwestern in Georgetown, Posey Baggett and Joe Williams will come to visit their parents and friends. Joe Tom Davidson will drive from Dallas today to be with his parents, Mr. and Mrs. J. T. Davidson on Easter Sunday.

Ora Louise Cox will spend the vacation with her roommate, Elsie June Stunber in San Antonio. They will also visit an aunt of Elsie June's in Beeville.

High honors in college work

'A Very Good Boy'

First place winner in a city-wide poll of New York teachers was this picture titled "A Very Good Boy." Teachers acclaimed it as the best photograph ever to appear in the annual pictorial report of the superintendent of schools.

MRS. JAKE MILLER LAS AMIGAS HOSTESS

Spring flowers were used throughout the home of Mrs. V. I. Pierce Saturday afternoon when Mrs. Jake Miller entertained Las Amigas club with five tables of players.

High score prize was given to Mrs. Jack Wilkins, bingo award went to Mrs. Pleas Childress, Jr. and traveling gift was presented to Mrs. Phillip Lee Childress. The Saint Patrick day theme was used in decorations and refreshments.

Included were Mrs. Ele Hagelstein, Mrs. Ralph Jones, Mrs. Joe Sellers Pierce III, Mrs. Dempster Jones, Mrs. Sidney Millsbaugh Jr., Mrs. Clifton Brooks, Mrs. Jack Wilkins, Mrs. Pleas Childress Jr., Mrs. Phillip Lee Childress, Mrs. Joe Clayton, Mrs. Bill Littleton, Mrs. Bill Conklin, Mrs. Bill Childress, Mrs. Bill Baggett, Mrs. Richard Flowers, Mrs. Jess Marley Jr., Mrs. Buster Miller, Mrs. Doug Kirby, Miss Wanda Watson and Miss Wayne Augustine.

Hogston Smith, local attorney, and Tom Casbeer, county treasurer, left the first of the week on a business trip to California.

CARD OF THANKS

It is with hearts full of gratitude that we offer this our expression of thanks to the many friends throughout West Texas whose kindly deeds and expressions of sympathy on the occasion of the death of our husband and father did so much to lighten our burden of grief. Your sympathy and kindness will live in our hearts forever.

MRS. CHRIS MEINECKE AND CHILDREN.

again go to Norman Rendall in Texas University, who has won a cum laude in the college of arts and science work. Out of 5,806 students, Norman made honors in the highest 10 per cent group.

Newly Married Couple Complimented at Party

Honoring Mr. and Mrs. Billy Baggett, whose marriage took place recently, Mr. and Mrs. Max Schneemann, Mr. and Mrs. Hugh Childress and Mr. and Mrs. Ele Hagelstein entertained with a bridge party at the Schneemann home Thursday night.

Mr. and Mrs. Arthur Kyle were awarded the high score trophy and the honored guests were also given a gift. Spring flowers decorated the house and ice cream

and cake were served.

Others present were Mr. and Mrs. Bill Littleton, Mr. and Mrs. Richard Flowers, Mr. and Mrs. George Bunger, Mr. and Mrs. Phillip Lee Childress, Mr. and Mrs. Joe Clayton, Mr. and Mrs. Ralph Jones, Mr. and Mrs. Jake Miller, Dr. and Mrs. G. L. Nesrsta, Mr. and Mrs. Pleas Childress Jr., and Miss Mildred North.

Mr. and Mrs. Royce Smith of Eldorado were the guests of Mr. Smith's parents, Mr. and Mrs. O. W. Smith Sunday.

MRS. WILLIS HOSTESS TO FORTY-TWO CLUB

The Easter motif was carried out in the table and house decorations when Mrs. W. S. Willis was hostess to the Just-For-Fun Forty-two club Tuesday afternoon at the home of Mrs. Ray Dunlap.

Mrs. Morris Dudley was presented with the high guest prize and Mrs. M. Johnson won the high club award. Traveling gift went to Mrs. M. A. Runnion.

Ice cream moulded in the form of a lily and squares of white cake were served to Mrs. O. D. Busby.

Mrs. M. Johnson, Mrs. L. Johnson, Mrs. W. R. Cahoon, Mrs. Morris Dudley, Mrs. Harlan Townley, Mrs. L. B. Townend, Mrs. Audra Moore, Mrs. Bruce Drake, Mrs. A. E. Deaton, Mrs. M. A. Runnion, Mrs. Richard Adams, Mrs. Tom Owens, Mrs. O. Fields, Mrs. Bill Conklin, Mrs. Lee Snyder, Mrs. Buddy Smith, Mrs. Pink Beal, Mrs. Bill Littleton and Mrs. Claude Hill.

Vernon Cox of Sweetwater is an Ozona business visitor the first of the week.

Our work has just begun

YOU think electric service is a wonderful thing—and it is. It lights our homes. It makes our streets safe at night. Turns wheels in factories. Lifts the burden of housework. Helps make the good things of life cost less.

Really, there doesn't seem much left for electricity to do, does there?

Yet we employees of your electric company believe that every service and comfort electricity now gives you is but a beginning of what's to come.

Why, today we don't even know what electricity is. We simply know and enjoy some of the things it is capable of doing every moment of the day and night. But we also know that there are still a great many undiscovered tasks for electric service.

Who will perform these miracles-to-come?

The men who serve you now—the same great army of skilled technicians, capable managers and loyal employees whose tireless efforts in your behalf have already vastly improved the service your electric company gives you, already drastically reduced its cost.

No, it isn't an accident that electricity has reached its greatest present development in the United States. The reason is that these thousands of men and women in the electrical industry have the American spirit of initiative—the good old-fashioned kind.

Their work, and theirs alone, makes your electric service the best in the world. It's an amazing service. It gets better and better, costs less and less.

Your electric company doesn't often think about the work it has done because it is too busy planning the work that lies ahead.

MORE FOR YOUR MONEY

In the last 10 to 15 years, the engineering improvements and operating economies of your electric company have made it possible to cut the average price of household electricity just about in half. Many customers now using more household appliances, lots of light, a radio, and refrigerator pay very little more to operate all of these than they used to pay for light alone.

West Texas Utilities Company

Today--the First Day of Spring...and Here's a Sure-Cure For Spring Motor Ailments...

A Spring Tonic for Lazy Cars!
Spring-Time TUNE-UP!

Let Us Check Your Car NOW!

Clean windows... grease front wheels... test battery... check transmission... test and water battery... Adjust carburetor... adjust brakes... test fuel pump... check differential... adjust fan... clean and adjust spark plugs and wiring... clean generator... tune-up the motor... repair fenders and body... inspect spindles and bushings, also steering gear.

If your car runs a temperature... Coughs and sputters... suffers slow pick-up... responds lazily when you give 'er the gun...

IT NEEDS A FLUSH-OUT

The cure for these Springtime ailments is simple. Leave your car with us for a few hours for a flush-out and tune-up. Our Springtime Inspection will put your car in fine fettle for the big driving season ahead. Bring in your car tomorrow.

Spring Gardens—
(Continued from Page One)

tractive display of this flower is shown in the bed south of the Tom Smith home and also bordering the walks back of the Charlie Davidson, Jr., home. Mrs. Arthur Phillips has two trim, decorative rows growing on each side of her entrance walk.

Few things afford a family more pleasure than a spring garden such as that of the George Beans. Gay colored hyacinths, tulips, jonquils and dwarf phlox form a narrow path along the rock wall east of the house. Rose bushes are planted in the back. The red bud tree in the front is in full bloom. A spreading lawn creates an advantageous setting for Mrs. J. J. North's home on which a ping-pong table is placed in the spring and summer months.

A winding stone path of native rock bordered with pink and white hyacinths leads up to the back porch of Mrs. Laura Hoover's home. Evergreen planting and perennials enliven the front. A practical feature of the N. W. Graham home is the vine covered portico between the garage and house. It creates a distinctive garden area at the back of the house. Mrs. Graham has iris, jonquils, verbena and many other plants that will be in bloom in a few weeks.

In other words we are likely to become spring minded at the expense of many very beautiful ear-

Young Ozona Couple Wed In San Angelo

Miss Oleta Casbeer and Vernon Earl White were married Thursday afternoon in San Angelo at the home of his parents, Mr. and Mrs. M. G. E. White with John J. Smith, pastor of the Church of Christ, reading the ceremony.

Mrs. White, daughter of Mr. and Mrs. Tom Casbeer, will finish her senior year in the Ozona high school in June. Mr. White is employed with the Smith Drug store. He attended San Angelo high school.

Mr. and Mrs. Gilbert F. Noakes and children left Tuesday morning for their home in Corpus Christi after a few days visit here with Mrs. Noakes' parents, Mr. and Mrs. A. W. Jones. Mr. and Mrs. Jones accompanied the Noakes to Corpus Christi and will visit there for a few weeks.

Mrs. Joe Pierce, Mrs. Dempster Jones, Mrs. Joe Sellers Pierce III, and son, Joe Sellers Pierce IV, have returned from a week's visit with Mrs. Pierce's mother, Mrs. Kate Moore of Bay City.

ly season color combinations that will be enjoyed throughout the spring.

Next week, should the weather continue favorable to swelling buds and bursting blossoms, we'll bring you further suggestions for steps on a cruise of beauty spots in Ozona.

AROUND THE WATERINGS

By C. MAYE DUNLAP

Old Man Weather caused many ranchmen to be wearing smiles when he set the weather hand on rain Wednesday afternoon. The scattered showers freshened spring weeds and grass, beginning to need some moisture to continue growth.

Harve Eastman, who ranches down in the Pandale country, marked his lambs last week and came out with a 91 per cent crop. Mr. Eastman figures that with the usual 8 to 10 per cent additional lambs marked at shearing he will come out with a pretty good lamb crop.

Floyd Ridley of Dryden was in Ozona Monday to get his new saddle made by the Jones Saddle Shop.

Joe Davidson has recently purchased a new two-horse Hobbs trailer.

THE METHODIST CHURCH
Eugene Slater, Minister

Calendar of services:
Sunday school, 9:45 a. m.
Morning worship, 11 o'clock.
Young people's meet, 6:45 p. m.
Evening worship, 7:45 o'clock.
W. M. S., Wednesday, 3 p. m.
Mid-week services each Wednesday at 7:45 p. m.
Young Women's circle, Thursday, 2 p. m.

Choir rehearsal, Thursday, 7:30 p. m.

The services of Easter Sunday will be as beautiful and as meaningful as those who share in the leadership of the church know how to make them. At the morning service a class of children will be received into the fellowship of the church and our babies will be dedicated to God in the service of infant baptism. Both of these rites should bring to all who share in the worship a new regard for children and a new sense of responsibility for their spiritual nurture. You will have an opportunity at this service to make your Lenten offering to the University of San Antonio for its program of Christian education.

At the evening service the choir, directed by Miss Ruth Graydon with Mrs. Bryan McDonald as accompanist, will give the Cantata, "The Cross Victorious" by Clifford Demarest. We invite all who will to share the joyous message of this service.

Let everyone in Ozona attend the church of his choice on this Easter day.

Woman's Club To Have Business Meet

Members of the Ozona Woman's club will meet next Tuesday afternoon at the ranch home of Mrs. Carl Colwick for a business meeting. The program will include a book review and a parliamentary drill.

A collection for the Penny Art Fund will be taken on behalf of club art projects. The program originally scheduled for the day, an art program, has been postponed until April 9, it was announced.

ANNIE SALLEE CIRCLE MEET

Mrs. Clyde Childers was hostess to the Annie Sallee circle of the Baptist W. M. U. at her home Wednesday afternoon. A dessert course was served at the conclusion of the Bible study.

Members present were Mrs. Cleophus Cooke, Mrs. H. C. Townley, Mrs. J. M. Cox, Mrs. R. J. Adams, Mrs. Bill Cooke, Mrs. Lloyd Johnson, Mrs. J. P. Pogue and Mrs. Leslie Nance.

CORRECTION

In listing pallbearers at the funeral of Chris Meinecke in last week's issue of the Stockman, the name of Joe T. Davidson was inadvertently omitted from the list.

TIME TO WORK

By Miles Pierce

Even though little should be said about the time to work, there are those who "wait 'til tomorrow," who never work "a little" every day.

If a student is making low grades, it's his own fault. When the average student does fail his subjects, it is usually due to an insufficient amount of daily work and concentration; daily lessons are the important thing.

What is done, is done. It is too late to change the past. But a change can be made in the future, a big change. Working harder, longer and better than ever before is that change.

Years will come—years will go, but this year is the best time to do what should be done.

With only two months of school remaining, it is necessary to really bare down. Parties, dances, etc., will not interfere with the careful worker. He can plan his work. If there is a dance at night, he can get his work before the dance, or get up early the next morning and complete his work. An efficient student always plans a time for his school work.

It's not too late to "boost-up" a poor grade. Be an alert, active student—make "time to work."

Editor's Musings

By W. B. ROBERTSON

EXTRA ACTIVITIES

IMPROVEMENT PROGRAM

The characters having been selected previously, practice was started on the one-act play last week. As you know, the winning cast in the county meet will go to the district meet sometime in April at Fort Stockton. The one-act play is one of the most beneficial forms of extra-curricular activities. Charles R. Foster defined extra-curricular activities in his book "Extra-Curricular Activities in the High School" as "those legitimate activities not provided for in the school calendar or curriculum." Each student should participate in one or more extra-activities. Belonging to different types of clubs and participating in various activities often helps a student to decide what line of work he would like to follow for his life. As an example those participating in one-act plays will bring out any exceptional talent for acting or speaking on the part of the student. No student should finish high school without having been engaged in some outside activities, but this can be overdone.

Much work is being done this week to improve and beautify our school grounds. The entire front lawn of the high school building is being dug up and replaced with new soil. Good news to everyone interested in tennis was the announcement that work would be started on the tennis courts Tuesday (this week). The present courts will be replaced by cement courts. Two additional dirt topped courts will be constructed behind the present ones. The land behind the present courts is being cleared and leveled. The two new courts will provide much additional room to play tennis.

Work Underway On Tennis Court

The delay of the tennis matches is not altogether a bad thing, because the reason for the delay is that the tennis courts are on the road to repair. The men began work on Monday and it is hoped that the courts will be finished sometime next week.

The junior girls' matches have been played, but the junior and seniors boys' and the senior girls' matches are yet to be played. Soon after the courts are finished the singles will be played off, and then the doubles will begin.

Everyone is very enthused about the cementing of the tennis courts. In fact, everyone may be so enthused that one might have to rise before breakfast in order to get to them.

Birch, Magician, to Present Program In Hi Auditorium

Birch, the famous magician, will present a program at the Ozona high school auditorium, Tuesday, April 9. Through his magic and power, he makes a horse disappear and does strange Hindu rope tricks. Also, there will be four stages of full dazzling scenic effects and music with the show. Admission will be 25c and 50c. A part of the proceeds will go to the junior class who made it possible for Birch's coming.

Students "Cram" For Manners Exams

The entire high school student body was seen cramming for an exam to be given on Wednesday of last week in the regular English classes. Some of the questions most discussed by the students after the exams were graded were the following:

Q. In replying to a formal invitation what is the first requisite?

A. The reply should be prompt.
 Q. You (a boy) have accompanied a lady to a restaurant, under what circumstances should she find the way to a table? When should you?

A. The lady should find the way when there is a waiter or waitress to lead her. You (a boy) should find the way when there is no waiter or waitress to lead the way.

Q. Where is the only public place that gum is excusable?

A. On any athletic field or court.

Q. You are eating soup and have only a small amount left. Should you tilt your dish to get it?

A. No! Leave it!

Q. What should be your guiding principle in regard to choice of clothes to any occasion?

A. The occasion itself should be the first principle. The weather and your income should also be considered.

Q. Whom should you greet first when attending a party?

A. One should always greet the host or hostess first when attending any social function.

This little "pop-quiz" must have had quite an effect on a few of the students, for at the dance given for Johnnie Boyd last Friday night, a sophomore was heard asking a senior, "Have you paid your respects to the hostess?"

Since the results were so pleasing and the effects so great, it is believed that more time should be spent in the future in learning and practicing "the correct thing to do" as a part of the English work.

The 1940 AAA program placed major emphasis on the necessity for checking the enormous annual loss of fertile soil by wind and water erosion and overcropping.

Future Home Makers In the Making

Pictured is a group of students at work in the Home Economics department. Mrs. Rex Russell is head of the department.

Local Chapter Of Future Home Makers Receive Charter; Semi-Monthly Meetings

4-Casting

In the home of Ethel Mayes, the Ozona chapter of the Future Homemakers of Texas had their regular meeting, which occurs on the first and third Tuesdays of every month.

This club was organized last year by the members of the home economics classes, but the charter was received only a few weeks ago.

On the charter are the following purposes: to develop organized interest in homemaking as a vocation to foster high ideals of and an appreciation for home life, to learn more of the changes which have taken place in the home and the reasons for organized training, to respond actively to community needs and later community activities, to encourage recreational and educational activities for students in homemaking education, to stimulate interest in the wise use of leisure time, to encourage, thoroughness in undertaking, to stimulate interest in acquiring broad experiences, and to promote mentally and physically healthful girls and women.

At each meeting the program is on a subject which will help in promoting one of these purposes.

The hobby subject was carried out last Tuesday. A talk on "Choosing a Hobby" was given by Zella Thurman. The club members sang "Careless" and "Indian Summer."

Mary Perner gave an account of her what-not collection, while Margaret Russell displayed and told about her vase collection. George Ann Kirby, Billy Jo West and Johnny Boyd told of their scrapbooks. A soap and doll collection was shown and spoken on by Eloise Carson.

It is hoped that these speeches will encourage the other girls to start hobbies.

To think is to converse with oneself.

Tincy Kirby Takes 2nd Place In Typing Contest at Sonora

On last Wednesday Miss North took a typing team composed of Sybil Luther, Tincy Kirby, Dorothy Hannah, and Floyd Hokit to Sonora to type. The team did very well as a whole winning first place on team score. Individual scores were Pat Gilmore, Sonora, 137; Tincy Kirby, 133; Floyd Hokit, 124; Dorothy Hannah, 123; Sonora taking fifth and sixth places; Sybil Luther, 119, and Sonora, eighth place. This week Ozona will entertain the Sonora typists here.

THE Prowler

By Howard Lemmons

Jim, did you get to dance with your date, Billie Jo, very much or did "Dub" give you too much trouble? It is funny these two always happen to get together.

Dorothy profited by Miles' getting sick. Her date to the dance bought her a box of candy.

Mary Frances, did you have a nice time at and after the dance. From what is rumored around, you must have spent an enjoyable evening.

After Noma V. went to so much trouble to get Johnnie to date her with W. B., she would not attend the dance with him. What's wrong Noma? The idea seems a little screwy.

J. K., who gallantly escorted "Tuffy" Dudley to the dance, misunderstood the teaching of etiquette in English class. He thought that he had to dance with his date and no one else at the dance. "Double-Tuffy," your grade in etiquette is a flat "O".

Helen, you seem to like the older boys in Ozona. Could you tell us why?

Jean and Dorothy were up to their old habits again. They were seen enjoying a few nibbles in the cafe after the dance. Was it good?

Tincy and Dorothy had two, one apiece, rooters at their tennis match. They were the Pep Squad leaders.

"Tuffy" Dudley had company last Sunday night. J. K. spared a few moments from his studies for a friendly chat.

Bobby was really hurt when he found out that Lottie Jo had planned to go to Fort Worth last weekend. He wanted to escort her to the dance. Hey, what are you trying to do, rob the cradle. Picking on a freshman, why, Bobby, you should be ashamed.

R. L., the next time you have a date, I hope someone gives you an alarm clock so you will know what time to go after her.

Evidently, Johnnie didn't learn much in the study of etiquette either. Imagine a hostess of a dance arriving 40 minutes late. Terrible!

While Shorty was visiting one of his girl friends away at school, his friend from Sonora was over. Bet she was disappointed when you were not at home, Shorty.

J. K., it's a shame you had to go to Fort Worth instead of going to Sonora as you had planned over the weekend. Yep, guess you're right. Work comes before pleasure.

Phone your news to The Stockman

'They're Lively Here'

"America is the only country where the lively arts are alive," according to Marta Ley, European dancer, niece of the late Otto Kahn, who gleefully displays her first old-boys' membership papers in New York.

The Senses

By Kirby-West

SEEN—

A very (but definitely) wonderful senior girl, Roy told Johnny what it was until Ella told Johnny a double-thick milkshake Ella was broke. She started at the bank!

Two girls holding Miles up in a room. He couldn't open the door.

A conference at the dance, telling about "Two-gun Tony" and train hold-up.

A blistered face, Bess rode day Sunday in "the" convertible Angelo.

A very happy girl—Gem won the championship in the division of the girls' dance. Congratulations!

Bobby sitting down in the H20 at the dance. Nice to see these dancers play—we all think.

Noma using a pillow for a little cushion while riding home back.

Margaret and Bland Tandy riding around League Sunday.

Bill C. and Dorothy taking a little spin in Dub's car Sunday afternoon.

Boochie and Joe E. taking a ride for a wild ride Saturday.

Miles riding around alone Sunday.

Two couples trying to "the" the dishrag" at the dance.

FELT—

Embarrassed. Some jokers on a spree at the dance.

Guilty. In Economics Mr. Deham's speech about a guilty conscience hit a certain senior harder. Talk about hitting a nail on the head!

Silly. On an etiquette test, English IV some students did know some things that they (Miss Terry thought), should be known.

Disgusted. When Mr. Dent took "Tom Thumb's" (his heating system out of the house, he found that the heating system (a light bulb) was broken. We're betting Tom kept warm the last few weeks.

Surprised: Jim thought Dub Vickers was Bobby the night of the dance.

Sore. Noma, Gladys, and John rode horseback Saturday and Sunday.

TASTED—

Good cake and punch at dance Friday.

Candy. To celebrate his date with Dorothy, an "ex" gave her two-pound box of candy the night of the dance.

HEARD—

Each time any of the senior girls hear "Jeanie with the Light Brown Hair" she calls and Jean to listen to it.

A new business has been organized. It seems Jean has gone into the horse business with an "ex". They have several horses.

Giggle, Giggle! A joke about painter soaked in on Ella in the middle of class.

W. B. worrying about a "dark secret." Frances Beat won't tell him what he wanted to know. Nor would anyone else!

Coach wondering where he got pencil. Anyone "lost" one? He see Mr. Theodore Mark White about it.

Miss Terry telling Howard she didn't like it when he was "in the mood" to ask many questions.

It was agreed upon, by Mr. Deham and Roy, that Roy has a "gle track mind."

Miles saying that he didn't have enough white corpuscles to play tennis.

SMELLED—

Paint. Fresh paint stifled bookkeepers Monday.

ENGLISH CLASSES STUDY MANNERS

The studies for the entire school in English on last Wednesday were devoted to "ethics" (youse guys, "manners" or "what to do and what not to do").

At the beginning of the class a little "pop quiz" was given to the class members of each of the four classes. The tests were graded and discussed by the students.

At the dance given in honor of Johnny Boyd last Friday night, it was observed that many of the "manner hints" were put into effect.

Smith: "Yes, our old government has gone to his rest."

James: "What? Did he get government job after all?"

Behind The Scenes In American Business

By John Craddock

NEW YORK, March 20.—BUSINESS—The peace (if it can be called peace), that nominally ended the "northern branch" of the European war last week has not only left the general peace situation as unpredictable as ever, but also seems to give no definite clue to how business on this side of the water is to be affected.

Nevertheless, the earth keeps turning, and spring keeps getting closer. That means spring selling campaigns are being launched. Advertising budgets generally are 5 to 10 per cent larger than for the 1939 drive, although they, too, are mostly short-term.

BITS O' BUSINESS—Steel production leveled off, even went up a tenth of a point, after two months of sinking, but the experts say it isn't really significant—the export market is the only outlet that looks very lively, and you know how that may wobble as the war wavers around.

Political Announcements

The Stockman is authorized to announce the candidacy of the following, subject to action of the Democratic primaries:

- For Judge, 112th Judicial District JUDGE J. B. RANDOLPH (Junction)
JUDGE W. C. JACKSON (Fort Stockton)
For County Attorney: N. W. GRAHAM (re-election)
For Sheriff, Tax Assessor and Collector: W. S. WILLIS, (re-election)
For County and District Clerk: GEORGE RUSSELL (Re-election)
For County Treasurer: TOM CASBEER (Re-election)
For Justice of Peace, Precinct 1: W. M. JOHNNIGAN (re-election)
For Commissioner, Precinct 1: ROB MILLER (re-election)
For Commissioner, Precinct 2: CHAS. BLACK (re-election)
For Commissioner, Precinct 3: J. W. OWENS (re-election)
For Commissioner, Precinct 4: E. R. KINSER (re-election)

Death Misses Classroom Mark by One Hour's Time

Death was cheated by one hour's time recently when a water heater exploded in the Ripon junior high school at Modesto, Calif. The heater blew up at 6:55 in the morning and ripped out a whole corner of the athletic building, left. It sailed 150 feet through the air and was projected through the agricultural building, right, piercing both walls of the structure like a giant cannon ball.

agriculture forecasts, the midwinter freeze damage to Florida Valencias now appearing more severe than at first thought... the swim suit industry is looking for a good year, with production so far 65 per cent ahead of 1939 at the same stage—by units, that is; whether the total yardage of goods will expand similarly is doubtful, considering the trend in swim suit fashions for several years!

THINGS TO WATCH FOR.—A new receiver in the fast-blooming television business, showing a picture 5x6 1/2 inches and selling for \$149.50—the biggest home sets, showing an 8x10 image, have been cut from around \$600 to \$395... a completely transparent and flexible pickle bag, with the pickles swimming in their own brine... porch and lawn furniture made of woven, transparent plastic, is the wicker fashion, but even more impervious to weather than wicker ever was... sun glasses of polaroid, ground to specifications just like regular eye-glasses, so that folks who wear glasses anyway won't have to wear two pairs when dodging the sun... ice cream in a factory-sealed package that can be opened by giving a yank on a string imbedded around the waist of the fibre container... war-inspired names on your lipstick, such as Navy Red, Censored Red, Night Red, and Bombshell Red (gruesome, eh?).

May 1 Deadline For Filing Application For Range Program

COLLEGE STATION, March 20.—No more applications for agricultural conservation payments or for range conservation payments under the 1939 AAA program can be accepted after May 31. This deadline is final, according to a ruling of the state Agricultural Conservation Association committee, which declared that "no exceptions will be made." At the same time the committee called attention to the May 1 deadline for filing application to participate in the 1940 range and agricultural conservation programs.

Winter Cold Reduced Screwworm Hazard of Livestock Producer

COLLEGE STATION. — January's cold spell was hard on screwworms.

Field observations and laboratory studies conducted by the USDA, bureau of entomology and plant quarantine at Uvalde revealed that practically all of the screwworms wintering in the soil were killed.

Although there were lots of screwworm cases in South Texas during December, there were fewer blow flies at the end of February than have ever before been recorded.

Stockmen now have the best chance they have ever had to get through the year without serious screwworm losses, R. R. Reppert, entomologist of the Texas A. and M. extension service, points out.

Experience has shown that every female fly that gets through March will beget around 160 female offspring by May or June.

If screwworms now developing in livestock are treated so that all worms are killed before they are three days old, the screwworm fly population will be so far reduced that injuries from marking, branding, shear cuts and other causes are not likely to be infested.

Reppert recommends benzol to

kill worms and diphenylamine to protect the wounds against reinfection. If the diphenylamine cannot be obtained, then treatment with pine-tar oil is recommended, although it is not as effective.

TWO DOES SLAIN IN AUTOMOBILE COLLISION

Several hundred deer are killed on Texas highways each year, but the first report in recent years of two being slain at one time reached the state game department recently. J. A. Lott of Carlisbad, N. M., a former Texas resident, was driving near Kerrville at dusk recently when two does loped into the path of his automobile. One deer was hit by a bumper while the other ran head-on into the side of the car. Both were killed instantly and Mr. Lott's car was damaged to such an extent that a wrecker was needed.

WORD TO THE WISE

Taxidermists often create freaks of nature such as rabbits with deer horns, but it remained for C. I. Mitchell and Frank Sladek of Temple to display a new and clever idea. They are exhibiting in their store a ten pound, seven ounce black bass which was caught by Jack Koith of Temple in the Temple Country Club lake. Mr. Koith had the fish mounted and then fitted an upper and lower plate of false teeth in the fish's wide-open mouth. An accompanying sign says "If I'd kept my mouth shut, I wouldn't be here."

Say: "I saw it in the Stockman."

SCHOOL BOND—

(Continued from Page One)

court as a preliminary measure to insure validity of the proposed issue should it be approved by the voters, officials declared.

The following election officers were named by the court to hold the elections: Courthouse, Precinct 1, E. B. Baggett, Jr., election judge; Leon Powell school house, Precinct 2, Charles S. Black, election judge; J. W. Owens ranch, Precinct 3, Jeff Owens, election judge; Howard Well ranch, Precinct 4, Watt Turner, election judge.

Members of the school board have had preliminary plans drawn for an 8-room school building to replace the present structure in use as classrooms for the Mexican children. It is estimated that the proposed \$30,000 bond issue will be sufficient to build and equip the school to conform to modern school standards. A corps of nine teachers would be required to man the new plant in the event voters approve the project and authorize the bond issue.

Stuart—

(Continued from Page One)

caught for Dallas in the Texas League. In 1938 Stuart entered spring training with the Dallas Steers and was optioned to Rayne, La.

During the last of May he joined the Clovis Pioneers of the West Texas-New Mexico loop. He finished the season making the All-star club. In 1939 Stuart attempted to retire but in May joined the Pioneers again and was sold to Welch, W. Va., in July. He topped the hitters of the league with the average of .282. The Miners club finished second in the league race, coming up from fourth place in the last two weeks of the season. They were beaten out in the first championship games and Stuart was loaned to Bluefield, W. Va., first place winners, for the remaining games. With the Bluefield team winning, they played Harrisonburg, winner of the Virginia league.

Mr. and Mrs. Stuart will visit in San Antonio and Trenton, Tenn. on their way to Welch. Stuart will also sign some players from San Antonio. Mrs. Stuart is a daughter of Mr. and Mrs. Ray Dunlap, Crockett county ranch couple.

TO MAKE FIRE SURVEY

New fire insurance ratings and fire insurance maps of Ozona are to be prepared by representatives of the State Fire Insurance Commission starting probably next week, it was learned when F. M. Pierce, inspector for the insurance commission, made a preliminary visit here seeking living quarters for himself and his wife and Bill S. Mathis, another inspector, while the two men are engaged in the survey.

Softball—

(Continued from Page One)

other meeting set for next Monday afternoon at the Stockman office.

It was generally agreed that a three-man committee would be selected to head the league this year, this committee to have authority to make rules for conduct of the league teams and to draw up the schedule and regulate play. This committee, as well as other officers of the league, will be elected at the meeting of the group next Monday afternoon.

Plans for improvement in the lighting arrangement, and other improvements at the playing field were also discussed, with final action to be taken at the next meeting. Date for the season's official opening will also be set at next week's meeting.

Easter Cantata—

(Continued from Page One)

Mrs. E. B. Baggett, alto; W. N. Hannah, tenor; Bryan McDonald, bass. Singing the chorus will be Mrs. S. M. Harvick, Miss Jo Demmer, Miss Dorothy Spain, Mrs. Paul Perner, Miss Dorothy Drake, L. B. Townsend, Lester Springer, Eugene Slater and Norman Heath.

Miss Terry Is Junior Club Speaker

Miss Bess Terry spoke on primitive writing, language, and literature and donation to the district scholarship loan fund was voted Thursday afternoon when Mrs. C. J. Van Zandt and Miss Zelma Scott were hostesses to the Junior Woman's club.

Miss Terry illustrated her discussion with copies of the first forms of writing as it was done by the American Indians, the Chinese and the Egyptians.

Others present were Miss Wanda Watson, Miss Lyda Mae Viles, Mrs. Ed Bean, Mrs. Sherman Taylor, Mrs. Arthur Phillips, Mrs. Rex Russell and Mrs. Ele Hagelstein.

OVERKAMPF'S HOSTS TO NIGHT BRIDGE CLUB

Mr. and Mrs. Joe Oberkampfer entertained at their home Monday evening with a bridge party with four tables of players present.

High score prize for men went to J. C. Montgomery while Mrs. Alice Baker won the high score award for the women. Mrs. Lowell Littleton was presented with the traveling gift.

Violets were used as decorations and plate favors and pie and coffee were served to Mr. and Mrs. Lowell Littleton, Mr. and Mrs. Hillery Phillips, Mr. and Mrs. Neal Hannah, Mr. and Mrs. Stephen Perner, Dr. and Mrs. G. L. Nersta, Mr. and Mrs. J. C. Montgomery, Mr. and Mrs. Max Schneemann, Ira Carson and Mrs. Alice Baker.

FEATURED IN CONCERT HERE

Miss Virginia Sheridan, above, freshman student in Hardin-Simmons University at Abilene, will be a featured soloist when a group of musicians from the Abilene university appear in concert here next Tuesday evening, March 26, under sponsorship of the Ozona Music club. Miss Sheridan is one of the state's most accomplished harpists. Others in the group appearing here are Paul Trimmier, violinist; Miss Wanda Clements, pianist, and Miss Lucille Powers, Mimbaba.

RANCH DISTRICT CAMPOREE

Scouts and leaders of Rock-springs are preparing to entertain Scout troops in the Ranch District at the annual Camporee to be held March 29-30. The program starts with a camp fire and court of honor Friday night, followed by competition in many phases of Scoutcraft on Saturday. The Rock-springs committee, aided by M. E. Noble, superintendent of schools, are preparing to entertain the visiting Scout troops of Eldorado, Sonora, Junction, Ozona, Menard and London.

LEASES COFFEE SHOP

Moore's Coffee Shop, next door to the Foxworth-Galbraith Lumber Co., went under new management this week. The shop has been leased and will be operated by Mrs. Charlie Butler.

Miss Mabel Cox spent the weekend in Post visiting her parents and friends.

Mrs. Miller Robison and children of Sanderson are the guests of Mrs. Robison's parents, Mr. and Mrs. Max Schneemann.

Norman Rendall, student in University of Texas, arrived home today for visit with his parents, Mr. and Mrs. N. E. Rendall.

Mr. and Mrs. C. W. Taliaferro and son, Warren, left Wednesday for Pontiac, Mich. They were accompanied by Alfred Cooke and Arch Cooke, who will take deliveries on new GMC trucks and drive them back. They will be gone ten days.

Walter Dunlap of Sheffield is the owner of a new Buick Super-51 model sedan, delivered last week by the Wilson Motor Co., Ozona Buick and Pontiac dealers.

Rex Newell of Coleman has accepted a position as saddle maker at the Jones Saddlery here. Mr. Newell has had many years experience in making and repairing saddles.

Mrs. J. E. Boyd will return to her home here Saturday after a two-weeks visit with her brothers, Bob and Ruben Lewis in Brownwood and her son, Vernon Boyd in Talpa.

Mrs. Eugene Sies left Monday for Ardmore, Okla., to be at the bedside of Mr. Sies' mother during her illness.

BRITAIN ENLISTS GOATS IN FIRE SERVICE WORK

LONDON.—The latest auxiliary fire service workers are goats. They are being trained to lead horses to safety in cases of fire.

William W. Wright of Chelsea, a breeder of fine goats, says they are the finest stable companions for horses.

Nothing ever perturbs a goat. The animals are self-possessed and horses, which are easily upset by any strange noises, will always follow these level headed creatures to safety.

Music Of American Indian Is Theme Of Music Club Program

Mrs. Richard Adams and Mrs. Ernest Dunlap will be hostesses to the Ozona Music club Monday afternoon in the speech studio in the basement of the grammar school building.

Mrs. Joe Clayton is the leader. "Stories of Indian Songs and Dances" will be given by Mrs. Clyde Childers with "From the Land of the Sky Blue Water" by Cadman to be given by Mrs. Bryan McDonald, guest. Musical Instruments of the American Indian will be discussed by Mrs. Eugene Slater followed by two violin selections, "Deer Dance and Sioux Flute Serenade" by Skilton and "From an Indian Lodge" by MacDowell to be played by Miss Ruth Graydon. Mrs. Madden Read will talk on "Some Famous Americans Who Have Written Music About the Indian" while Mrs. H. B. Tandy will sing "By the Waters of Minnetonka" by Lurance.

FIRST BAPTIST CHURCH

Clyde Childers, Pastor

Sunday, March 24—

Sunday school, 9:45 a. m.

Worship service, 11 a. m.

Evening worship service, 7 p. m.

All-day study course for Sunday school workers, Tuesday, Mar. 27.

W. M. U. circles meet at 3 p. m.

Wednesday, March 27.

Prayer meeting hour, 7:45 p. m.

Wednesday, March 27.

We are very grateful for the fine attendance on all the services of the revival and for each of those who took a definite stand for Christ. Many fine words have been spoken to the pastor with regard to the services and the blessings received. We trust that the influence of the revival will be a permanent blessing in the life of our church.

Next Sunday we will observe special Easter services. The choir will render special music at the morning service. We will observe an early worship hour Sunday evening and will adjourn in time for the special program at the Methodist church.

You will always find a welcome in the services of the Baptist church.

Mr. and Mrs. Wren Jackson of Best were the guests of Mr. and Mrs. A. W. Jones Sunday.

KNOW THIS DOCTOR?
