Lions Halted By Camey Badgers Bi-Dist. Tilt

Light Contest Won By A Champions 14-7 Saturday Night

By Ernie Boyd
The Ozona Lions dropped a hard 14 to 7 decision to their bi-district rivals the Mc-Camey Badgers Saturday night in the most successful season in eleven years.
The loss left the Lions with a record of 9 wins, one tie and the district 6-A championship. The Lions were not given consideration as a title in pre-season ratings and as not until the Cats tied Sonora that other conference rivals took the Lions seriously.
The bi-district championship was witnessed by a near capacity crowd of 4,500 under clear skies and with the temperature about right for football.
The Lions, wearing purple jerseys and white pants, won the toss the third straight time and were fielded by Bobby Sutton. The Lions five yard line where a brief fumble the Lion later returned the ball to the

three plays the Lions had a down on the 40 but on first the Lions fumbled and Mc-Camey recovered. With a pass to Keith Wallace consuming most of the ground the Badgers quickly led to the Lion four yard line. Roy Glen Sutton rapped the feet of the quarterback's hands. Benny Friend captured the ball to stall the drive.

The Lions ran two downs but had only short yardage and third down Mike Clayton got off yard boot with Mc-Camey getting a short run back.
At this time the Badgers moved first down on the ground and were running into a stone wall. The ball resting on the 29 yard line and 10 situation the Lions once again went into the field to pick up a first down when Badger end made a beautiful

from the 16 the Badgers punched the first score and continued to make the score 7 to 0. The Lions rebounded quickly and led to the Badger 4 on a pass by Bobby Martinez to Johnny Lopez but there the Lions stalled on an attempted passing on fourth down.
The Lions were not through. Mc-Camey moved out to its own where the Lions once again over on a fumble and were in a position to score but once again were unable to tally and gave up the ball on the nine yard line.

late in the second quarter the Lions kicked out of bounds on the 26 and the Badgers began what proved to be the winning drive. The Badgers picked up first down on the 36 and then on a five yard penalty that apparently would stall the drive with the down and eight yards to go the 38. Once again the Badgers went into the air and this time was good for 62 yards and a pass as the Lions missed tackle for tackle on the Badger receiver Wallace. The Badgers continued again to send the score to 14 to 0.

Following the kickoff the Lions had a nice run back to the 41 and additional 15 yards for piling but the Mc-Camey defense held the Lions had to kick. This time the Badgers started a drive that had carried to the Lion 16 where Johnny Ramirez intercepted a pass and returned it to the 30.

With time for only one more play Martinez hit Ramirez with a 10 yard gain but time was out. The Lions came back at the half determined to get back into the game but after kicking off twice the Lions had to give up the ball on the fifty yard line.
The Badgers tried two ground plays and both were smeared for no gain. On third down Luis Vela, who played a stellar game all night

Air Force Says Radar Warning Net In Texas Ready By Next Summer

A Civil Defense publication carries an announcement by the U. S. Air Force that the eight Aircraft Control Warning stations and ten auxiliary sites which are to form a part of the 33rd Air Defense Division's radar - warning network in the Southwest, costing a total of \$18.5 million, will be in operation "by next Summer."
The eight new radar squadrons, to be located at Kileen, Ozona, Eagle Pass, Zapata, Rockport, Port Isabel, Lufkin and Lake Charles, Louisiana, will be manned by an average of 155 airmen and 15 officers each.
Brigadier General Williams P. Nuckols, 33rd Division Commander, said the squadrons will be in operation "by next Summer."
The squadrons will man eight of 18 radar outposts to be installed by the division. Ten of the outposts will be automatic auxiliary radar sites.
The 10 auxiliary sites are Fannett, Van Vleck, Mc-Camey, Carrizo Springs, Comstock, Delmita, Laredo, Riviera, Palacios, and Weeks Island, Louisiana.
Installation of the units will "more than double" the effective coverage of Southern Texas and Northern Mexico against possible invasion by enemy aircraft, Gen. Nuckols said.
"For the first time we will have 100 per cent coverage of the southern approaches to the 33rd Air Division area," he said.
In addition, the 18 units will enable the division to guide its fighters to pinpoint interception of any hostile planes at much greater distances from population centers and industrial targets than has been possible in the past.

Baptist WMU Observes Lottie Moon Week Of Prayer For Missions

The Woman's Missionary Union of the First Baptist Church here is observing the Lottie Moon Week of Prayer for foreign missions this week, with daily services at the church beginning at 9:30 each morning. The WMU had charge of the church's regular prayer service Wednesday evening.
Next Sunday morning, the week of prayer will be climaxed with the annual Lottie Moon Christmas offering for foreign missions and missionaries and the work of the church around the world. Attendance has been good at each meeting.

Junior Play To Be Presented Dec. 5-6

The Junior Class of Ozona High School will present their annual play Monday and Tuesday evenings, December 5th and 6th, in the high school auditorium. Admission will be 50 and 75 cents. This year's play is "Adams Evening," a comedy in three acts under the direction of Haskell Leath. The plot develops when Adams takes a night out on the town while his wife is gone, but she returns and catches up with him. It's a gay comedy all the way, and the public is cordially invited to come and enjoy it.

PTA MEETING

The Ozona Parents Teachers Association met in regular monthly meeting Monday night in the high school auditorium. Mrs. James Baggett presided at the business meeting, and Byron Gray was in charge of the program. The Ozona high school band played several numbers and approximately 200 attended. The 5th grade of North Elementary won the award for the most parents present.

Lions To Launch Cage Season With Brief Workouts

Coach Pelto Facing Rebuilding Job on Raw Squad

By Ernie Boyd
Basketball coach J. A. Pelto greeted 37 candidates for his 1955-56 basketball team at Davidson Memorial Gym Monday afternoon with only four days of practice remaining before the first game.
The Lions open their 1955-56 season against the Lake View Chiefs in Lake View Friday night and then open their home season by entertaining the Big Lake Owls here Saturday night.
Coach Pelto faces a rebuilding job as only star forwards Johnny Ramirez and Bobby Martinez are returning from his 1955 district championship club. The remaining three positions will likely be filled by returning squadmen, Lloyd West, Jake Young, Thomas Purdom, Jerry Beasley, Orville Paulk and Juan Delgado.
Four of the six returning squadmen are guards with two hoping for the post position, only Jerry Beasley has had experience at both the guard and forward slots.
While most of the B team is back Dwight Odum and Bobby Grevell the team's two most experienced members and two of the best prospects for this year have moved and will not be available.
Stanley Williams, Robert Price, Bobby Vargas, and Robert Martinez all will be in position to make a bid for first team recognition.
As has been the case for the last two years, the Lions will be very short. There is a strong possibility that there will not be a six footer on the team. The best chance for height will be held by Thomas Purdom who at 6'1" is the tallest boy on the squad.

2,000-Foot Wildcat On University Land 15 Miles W. of Ozona

E. G. Radman & Trebol Oil Co. of Odessa have filed application to drill a 2,000-foot cable tool wildcat in Crockett County, 15 miles west of Ozona. It will be drilled as the No. 1-E University.
Location, on a 160-acre lease, is 320 feet from the south and west lines of 18-31-University.
The prospector is 6 1/2 miles southeast of the Howard Draw field, but separated by dry holes.
The Farmer (San Andres) field of Crockett County has been extended one location north on the west side with completion of Union Oil & Gas Co. of Louisiana, No. 1-B University, in 6-50-University, 25 miles northwest of Ozona.
It was completed for a daily pumping potential of 60 barrels of 32 gravity oil, plus 70 per cent water.
Production was through perforations between 2,498-512 feet in 5 1/2 inch casing set at 2,550.16 feet, the total depth.
Pay section was acidized with 7,500 gallons.
Top of pay was picked at 2,135 feet on elevation of 2,665 feet.

Ozona Marine Takes Part In Exercises

CAMP PENDLETON, Calif. — A major amphibious exercise involving 25,000 Marines, 20,000 Navy personnel, 300 aircraft and 125 ships, was completed November 18 on the California coast.
Among those who took part with the 1st Marine Division, Camp Pendleton, Calif., was Cpl. William T. West, Jr., son of Mr. and Mrs. William T. West of Ozona. The exercise, dubbed "Operation Sioux," was climaxed November 15 with an amphibious assault on the beaches at Camp Pendleton.
The Navy's 1st Fleet, supplemented by units from the Royal Canadian Navy, deployed aircraft carriers, cruisers, destroyers, mine sweepers, assault boat and patrol craft in the exercise. Assault troops stormed ashore in conventional landing craft and Marine transport helicopters.

Houston Operator To Drill Deep Wildcat On George Bean Ranch

Crockett County has gained location for a deep wildcat. An active wildcat will be plugged back to test the Strawn and a field has gained a third producer.
Lloyd H. Smith, Inc. of Houston will drill a deep wildcat in Crockett County, 11 miles northwest of Ozona. It will be the No. 1 Geroge Bean.
Rotary drilling to 8,600 feet will begin immediately.
Location, on a 980-acre lease, is 660 feet from the south and 1,980 feet from the west lines of 34-UV-GC&SF.
Superior Oil Co. will plug back to test the Strawn at its No. 1-10 Shannon, wildcat in 10-BB-EY&RR 20 miles southwest of Big Lake, and 1 1/2 miles southeast of the Shannon (Strawn) field.
The project topped the Strawn at 7,917 feet on Kelly bushing elevation of 2,700 feet.
If the project fails to develop commercial production from the Strawn, operator then will test the Wolfcamp where production was indicated with the reversing out of 34 barrels of 34 gravity oil on a drillstem test between 6,645-673 feet.
The Amigo (San Andres) field has gained a third well and a 5-acre southwest extension with completion of Union Oil & Gas Corp. of Louisiana No. 1-D University, 10 miles southeast of Big Lake.
It was completed for a daily flowing potential of 150 barrels of 29.4 gravity oil, plus 1 per cent water, with gas-oil ratio 500-1.
Production was through a 14-64-inch choke and perforations between 2,360-66 feet and 2,385-95 feet in 5-inch casing set at 2,669-98 feet on total depth of 2,674 feet. Pay section was acidized with 500 gallons.
Top of pay was picked at 2,130 feet.
Tubing pressure was 90 pounds; casing pressure, 450 pounds.

Lion Cagers Plunge Into Stiff Schedule With Limited Practice

Coach J. A. Pelto's basketball squad, whose practice has been delayed by the prolonged football season, plunge into a stiff season's schedule Friday night of this week at Lakeview in San Angelo and from there are dated for seventeen games plus two tournaments to round out the 1955-56 season.
With only two regulars from last year's championship team back Coach Pelto is busy rebuilding his team from a list of 37 eager candidates, 7 Seniors, 7 Juniors, 11 Sophomores and 12 Freshmen. The Seniors are Johnny Ramirez, Bobby Martinez, Lloyd West, Jerry Beasley, Juan Delgado, Orville Paulk and Thomas Purdom. The Juniors are Kent Babb, Robert Martinez, Jimmy Brown, Tomas Lopez, Antonio Gomez, Eddie Garza and Joe Moran.
From the Sophomore class comes Jake Young, Stanley Williams, Rod Franklin, Mark White, Ronnie Paulk, Bobby Vargas, Robert Price, Bill Black, John Hickman, Jonathan Burton and Jim Burton. Freshmen are Jerry Jacobs, David Sikes, Bobby Sutton, Kenneth Deland, Kiko Cervantez, Bob Hodges, Humberto Cervantez, Johnny Cooper, Owen Wagner, Jerry Carlman, Mills Tandy, Alonzo Lopez.
The Lions' season schedule is as follows:

- Dec. 2 — Lakeview There
- Dec. 3 Big Lake Here
- Dec. 6 — Rankin Here
- Dec. 9 — Rocksprings Here
- Dec. 13 — Big Lake There
- Dec. 16 — Rankin There
- Dec. 20 — Rocksprings There
- Dec. 22 — Exes Here
- Jan. 6 — Lakeview Here
- Jan. 10 — Sonora There
- Jan. 12, 13, 14 — Big Lake Tournament
- Jan. 17 — Junction There
- Jan. 19, 20, 21 — Ozona Tournament
- Jan. 24 — Eldorado Here
- Jan. 27 — Menard Here
- Jan. 31 — Open
- Feb. 3 — Sonora Here
- Feb. 7 — Junction Here
- Feb. 10 — Eldorado There
- Feb. 14 — Menard There

Letters Awarded 24 Members Lion Champion Gridmen

14 Seniors Win Last Football Awards of High School

By Ernie Boyd
Coach Fred Hickman announced the names of 24 lettermen on the 1955 district 6 - A championship football team which ended its season with a narrow 14 to 7 loss in the bi-district game in Mc-Camey last Saturday night.
The 1955 Lions set the best mark any lion team has had in the last eleven years and became the first Ozona team to capture a football championship since the school has reached A classification.
Fourteen of the lettermen are seniors and of the fourteen nine held first string jobs. Two of the seniors have been out most of the year with injuries.
In addition to the seniors there were six juniors to letter, one sophomore, and three freshmen along with student managers Ronnie Paulk and Howard Mock.
Coaches and school officials had highest praise for the team commending its spirit, devotion to study, and willingness to co-operate.
The team as a whole had a scholastic average of B over the first six weeks work and the starting team had a B plus average over their high school careers. Not a single one of the regulars had to be checked or prompted about grades during the season.
Senior lettermen are: Jimmy Martinez, Bobby Martinez, Mike Clayton, Arturo Gonzales, Orville Paulk, Jerry Beasley, Brock Jones, Juan Delgado, Benny Friend, Luis Vela, Lloyd West, Johnny Ramirez, Thomas Purdom, and J. R. Halydier.
Juniors who lettered were: Kent Babb, George Bunker, Jim Brown, Roy Glen Sutton, Jess Marley, and Robert Martinez.
Only one soph, Jake Young, drew a letter while three freshmen, Bobby Sutton, Billy Bob Holden and Jerry Jacobs all made letters.

TS&GRA Makes Plans For Annual Convention In Fort Worth Dec. 5-7

San Angelo — Plans for the 40th annual convention of the Texas Sheep and Goat Raisers' Association to be held in Fort Worth December 5, 6 and 7 have been completed. R. W. Hodge, Del Rio, TS&GRA president, has announced. The meeting will be at the Texas Hotel.
"We will have some outstanding national and state speakers on subjects of interest to our members," Mr. Hodge said.
Included in the roster of speakers are Stephen H. Hart, Denver, Colorado, an outstanding authority on income taxation as applied to ranching operations and Frank M. ImMasche, Deputy Director of the Livestock and Dairy Division, United States Department of Agriculture. Mr. ImMasche is in charge of the wool program now carried on by the Department of Agriculture and is expected to answer many questions pertaining to operation of this program.
Also appearing on the speakers program will be Texas Commissioner of the General Land Office J. Earl Rudder and State Senator Dorsey B. Hardeman.
Committees covering activities in general affairs, livestock and wool will meet Monday afternoon. Hodge added, Lamb and wool and mohair promotion work will be discussed at these meetings as well as the current status on the migratory labor problem.
President Hodge said all sheep and goat men are invited and urged to attend this annual convention, to take part in the discussions and enjoy the gathering at the annual membership dinner and dance Tuesday night, December 6.

Two 6-A Players On All-State; Two More Get Mention

George Johnson, the Sonora Broncho's sparkling back who shredded opposing lines for long gains until he bounced off the precision defensive work of the champion Lions, was the only Junior chosen for the Star-Telegram's all-state. Pete Perry, who sat out most of the game with injuries when the Lions downed the Menard Yellow Jackets, won the spot as fullback on the all-state team. His teammate Grosse Mahler, who was converted from tackle to the backfield against Ozona to replace the injured Perry, won honorable mention among the tacklers.
Shelby Hudson, No. 73 on the Mc-Camey Badgers, the fellow who was on top of Ozona's ball carrier in nearly every pileup during the bi-district game there last Saturday night, was another area selection on the Star-Telegram's all-state team. He was assigned one of the guard positions on the mythical team. Other first team selections were from Hondo, Hebbronville, Lewisville, Crushton, Elgin, Itasca, Albany, and Chillicothe.

Juan Delgado, Ozona Wins Honorable Mention As Guard

Mrs. J. A. Fussell has returned from Cisco where she spent a few days with her aunt.

Slow Rain Soaks Dry Ranch Lands Of W. Texas Area

Day-Long Drizzle Is Welcomed Boost For Winter Prospects

Slow falling rain which measured .32 of an inch here to Thursday morning has soaked Crockett county and a wide section of West Texas, the first moisture of consequence since early fall.
Although light, the rain is welcomed by ranchmen as a shot in the arm for winter prospects. Falling in an almost continuous slow drizzle, every drop of the moisture will penetrate into the soil. Leaden skies and misty fog hung over the area this morning, giving promise of more moisture during the day.
The rain resulted from a shift in wind currents which sent moist air in from the gulf to cover the coldest air of the current winter which rolled down with the dusty head Sunday afternoon. Temperatures sagged to a new low for the season, a chilly 22. Tuesday morning but the incoming clouds quickly moderated the temperatures and brought the slow-falling winter rain the likes of which has not been seen in this drought ridden area in many years.

Music Club Sponsors Opera Workshop Group

The Executive Board of the Ozona Music Club met at the home of Mrs. R. A. Harrell Monday afternoon at 4 p. m. for a business meeting. A discussion was held on future projects, one of which will be the presentation of the Opera "Trial By Jury", by the Howard Payne College Opera Workshop. Also included in the discussion were plans for the Christmas Carol program to be given by the club, and a birthday calendar the club is sponsoring.
The next meeting of the Ozona Music Club will be Thursday evening, December 1, at 7:30 in the home of Mrs. H. B. Tandy.

WHO BENEFITS MOST?

Who benefits most from the operation of American industry — that is, from capitalism?

A report from the American Economic Foundation is revealing. During the last 26 years for which figures are available, the payrolls of our corporations came to \$1,516, 211,000,000. The dividends paid to the owners of the corporations, whose savings and investments made the payrolls possible, totaled less than one-tenth as much.

In 1850, the share of the national income represented by salaries and wages was about 36 per cent. Now it is about 70 per cent — practically double.

Capitalism has done more good things for more people than any other economic system ever devised.

YOU CAN'T WIN \$64,000!

The radio-TV program, "The \$64,000 Question," has received an enormous amount of publicity. And here's a fact that most people may have overlooked — even though a contestant answers all the tough questions, right to the end, he can't possibly win \$64,000.

He'll get a perfectly good check for that amount, of course. But — assuming he is a single man earning \$4,000 a year — the check would have to total \$448,711 before he'd have \$64,000 to keep for himself, free and clear.

Why? The answer is: The federal income tax. It goes up so far and so fast that it becomes virtually confiscatory in upper brackets. A man who does take the long chances and wins the \$64,000, actually gets to keep about \$25,000 — well under half.

Holiday guests of Mr. and Mrs. Evart White were their daughter and son-in-law, Mr. and Mrs. Alex Ogilvy of Lubbock.

Mr. and Mrs. Hilton North had as Thanksgiving holiday guests, their son-in-law and daughter, Mr. and Mrs. Ollie Whitley of Austin.

T. B. Lowe returned last week from a hunting trip with a party from Kerrville to Camp Miserable, New Mexico.

WANTED — Horses of any kind. Ottist Pridemore. Phone 28-J

FURNISHED — Apartment for rent. Call 24 or 145-J

"Well I'll be darned! Wonder if those highway signs mean what they say, too?"

Dear Santa

Dear Santa:
If you have an extra Terry Lee Doll and some clothes for it, I live in Joe North rent house. Looks like Dave Crockett Alamo.
Jackie Williams
P. S. I want some dishes too.

Dear Santa Claus:
Please bring me a horn, a pick-up with removable sideboards and a truck. I have been a good boy.
Tom Davidson

Dear Santa Claus:
Please bring me a "Linda Baby" doll for Xmas. I will leave a piece of cake for you. Thank you.
Barbara Davidson

Dear Santa:
BB gun and with it I want a strap with the BB gun and 2 Roy Rogers guns and Long Ranger. From Marshall.

Mr. and Mrs. Ulmer Busby and children of Edinburg visited her mother, Mrs. S. M. Harvick, over the week end.

TO THE LION FOOTBALL TEAM

We of the student body wish, in some little way, to show our appreciation for the whole-hearted work you have done this year as the gridiron. Even through the wins you have suffered some bad breaks and unlucky mistakes, but you have always kept on fighting with lion spirit.

As each of us stands erect and with a proudness engulfing our hearts, we gaze back in our minds eye at some of the performances you infused in during the year. These are the games that were won the way that was lost by a near-filling team. Sure, you were fatigued physically, but in your hearts there were those who lived the true feeling of sportsmanship. Lion traditions do not survive on wins or losses; but they thrive on the spirit with which your games were fought. We know that you had and still have that feeling, and we're proud of you for it.

Winning makes champions but all champions are not winners. The Lion Team of 1955, we're proud of you and the showing you've made.

Signed — The students of Ozona High School

ASSEMBLY

Wednesday, November 23, 1955
 The Woman's Forum presented our program a play, "Thursday At Noon." It was read by the Misses: Marie Black, Marshall, McGehee, Ann Meyer, Ralph Jones, Phyllis Childress, C. G. Walker, Marie Jackson, and Don Clayton.

Thank you ladies, it was very enjoyable.

THE HEADLINER!

Hello students!
 Another six weeks has passed. Time really can fly when you are busy. It will not be long now until mid-term will be here. I hope that everyone has made good grades these past twelve weeks because they can never again be called back. We must make good grades every day instead of waiting the day before the exams. Let's all make better grades from now on. Okay!!!

Now that football season is over, basketball will get under way. The boys have started practicing and working hard. They have two games scheduled for both Friday and Saturday. The first is with Lake View, there, and the second is with Big Lake, here. Both should be good games! Everyone come and help our basketball boys have a fine season like our football boys. The Juniors are working hard on their play. The production will be December 5th and 6th, Monday and Tuesday. The time will be 7:30 p. m. I am told that it is expected to be one of the best plays ever given. Come and see it and decide for yourself!

Until next week — Bye.

The Headliner

HERE AND THERE

We saw lots of the "oxas" home for the holidays.

We heard many compliments on the band Saturday night.

We say "Congratulations" to the football boys and coaches for their wonderful season.

Basketball season starts with games this week. Friday night there will be a game with Lake View there. Saturday night will be the first home game here with Big Lake.

We look the band goes to marching contest in San Angelo Saturday. We wish you the best of luck.

PERSONALITY OF THE WEEK

The personality of this week happens to be a seventeen year old senior boy, Jerry Rollins. He's a foot 10 inches tall and weighs 165.

Like all of us, Jerry has his favorites. His favorite movie is "The Jack Lemmon, and his favorite movie is "Ozma and Dale".

His favorite recording artist is Elvis Presley.

When asked who his favorite teacher was, he answered that he refused to answer on the grounds that it might fail him.

He was president of his freshman class and is president of Speech Club.

Jerry has played basketball and football for 3 years, tennis for 2 years, and has run track 1 year. He was in the one-act play his sophomore year and the junior play his sophomore and junior years.

Jerry is very well-liked in our school, and we wish him luck as he leaves our school at the end of the year.

SOPHOMORE NEWS

This Saturday is the first home basketball game against Big Lake. The Sophomore class is selling tickets, so everyone be sure and buy a ticket and back our team.

A theme has been selected for the Christmas dance, which is Saturday, December 17, 1955, and several committees have been appointed to start preparing for the Christmas Dance.

THE SHADOW

Bill Black, the Shadow followed on Monday, November the 28th. My first glimpse of you was as you arrived in your little gray jeep and dashed to English II just minutes before the bell rang. English was rather pleasant today as you received the first part of your English test with a good 91 on it. Looks like you've made at least an A- Bill!

Activity period found you in study hall around a big table of boys, jabbering and talking away. The conversation must have been good, for the standing certainly wasn't!

Moving on to world history I followed you as you sat by John Hickman and Clayton Friend. I watched as you corrected your test and fussed about so many misspelled words. After everyone had finished, you bargained with Mr. Lewis. You promised to bring him a chair for the play if he would give you a free ticket. You surely aren't trying to outsmart the Juniors are you? With 3rd period came a hardy!

It was your algebra II class. First Mr. Rollins asked you what you had done on last Thursday. You said that you had gone hunting but he seemed to think you had been out riding in your new car. You looked at him kinda funny like, and then back at the class, and replied, "Hewaited 'till I got out in the middle of the street and then tried to ram me."

Mr. Rollins then questioned you about how fast you had driven your new car, you were reluctant to answer but finally admitted that it was faster than need be to break it in. Mr. Rollins said he wasn't sure yet whether your deer meant that you had brought him any good. It's always good to keep teachers on your side, Willie! Then the class discussed taking Mr. Rollins deer hunting, you exclaimed, "we'd come back with you tied to the fender and with big signs saying, WE GOT HIM! We Got Him!"

That was also a very generous offer that you gave Mr. Rollins. You wanted to sell him a Junior play ticket for a nickle less than regular price. How did your discussion with him after class come out? Rodney then hit you on the hand and you let out a wild yell, when Mr. Rollins threatened to go get the board you cried out, "he was beating me." Of course you had hit Rodney on the head first, yes the Shadow saw it all! You announced to Mr. Rollins that it was your opinion that Rodney and Delma should trade places so Rod

could be up front. When asked why you answered, "he needs to be watched!" Mr. Rollins and you then carried on a long conversation which went as follows: Mr. Rollins — "Willie, are you going out for basketball?"

Willie — "Yeah!"

Mr. Rollins — "Do you want to be a big basketball hero?"

Willie — "Yeah!"

Mr. Rollins — "Are you trying to catch a girlfriend?"

Willie — "Yeah!"

For the remainder of the period I watched as Mr. Rollins explained the factor Theorem. You looked as if you understood, but did you? The Shadow knows!!! After lunch-time you went to Junior High for vocational agriculture. You got your test paper back (it was pretty good) and corrected it all period. Mr. Barber explained some facts on wool judging but the Shadow didn't understand.

During P. E. period you shot for baskets, and ran up and down the court, this was one time you really wore the Shadow out!

Bill, the Shadow really enjoyed following you, but next week I'll follow someone that's just as much fun. Who will it be? Only the Shadow knows!!!

WHAT EVERYONE DID OVER THE THANKSGIVING HOLIDAY

Carol Blackstone — went to the ranch

Sarah Hicks — Don't remember (hmmmm Sarah)

Ann Baggott — The Mess' room
 Carol Friend — Had a big time
 No school anyway!
 Susie Schneemann — Dressed
 Bookkeeping test
 Darlyn — Went to Sonora and
 Deer hunting (was that DEAR
 hunting)
 Sovelda — Ran Around
 Arturo G. — Rode around with
 Sammy M.
 Ramon P. — Went hunting
 Benny Friend — just played
 football
 Martha Bailey — Ohh, just foled
 ed around, yelled for the Lions.

Guests of Mr. and Mrs. Boyd
 Clayton Tuesday were Mr. and
 Mrs. F. M. Wood and children of
 Dryden.

Amigo Field Gains Second Producer; Spot Farmer Field Offset

A Crockett field gained its sec-
 ond producer and applications
 were filed to drill an offset to a
 long extension and to re-enter a
 wildcat.

The Amigo (San Andres) field
 has gained its second producer and
 a location west extension with
 completion of Plymouth Oil Co.
 No. 2-0 University, nine miles
 south of Big Lake.

It was completed for a daily
 pumping potential of 60.73 barrels
 of 31.9 gravity oil, plus 48 per cent
 water, with gas-oil ratio 270-1.

Production was through perfora-
 tions between 2,514-554 feet in
 5 1/2-inch casing set at 2,618 feet, on
 total depth of 2,620 feet. Pay sec-
 tion was fractured with 7,500 gal-
 lons.

Top of pay was picked at 2,514
 feet on derrick floor elevation of
 2,709 feet.

The discovery, the same opera-

tors No. 1-0 University, was com-
 pleted Oct. 9 for a daily flowing
 potential of 170 barrels of 31.9
 gravity oil, plus 42 barrels of acid
 water, with gas-oil ratio 938-1.
 Production was through a 5-16-
 inch choke and perforations be-
 tween 2,550-96 feet.

Stanolind Oil and Gas Co. has
 filed application to drill the No.
 1-CA University, one location west
 of a recently completed one-mile
 south extension to the Farmers
 (San Andres) field, 27 miles north-
 west of Ozona.

It will be drilled to 3,000 feet
 with rotary.

Location, on a 329.70-acre lease,
 is 660 feet from the south and east
 lines of 11-50-University.

Baker & Hilgers of Austin have
 filed application to re-enter and
 deepen to 2,000 feet at the W. D.
 Lane et al No. 1 J. W. Owens,
 1,892-foot wildcat failure, 13 miles
 southeast of Iraan. The project
 will be drilled as a 3/4-mile east
 outpost to the Olson field.

Location, on a 240-acre lease, is

2,310 feet from the south and 330
 feet from the west lines of 2-GG-
 GC&SF.

**TRAPPING SEASON
 Is Just Around The Corner**

GET YOUR traps and supplies ready now. The fur
 business looks good. Trapping will pay off if you start
 with the season and take care of your furs.

WELL HANDLED furs are in demand, but as for
 your "trash" there is no demand. We will buy it for
 what we think it is worth.

I WON'T be out running around to the trappers,
 but if the trapper will bring them in, I will give him the
 market prices.

THE BEST place to sell your furs is F. C. Taylor
 Fur Co., 400 So. 7th St., St. Louis, Mo. Just tag them
 and send them by express. They are the best friend of
 the trapper in the world.

THE NEXT BEST place to sell your furs is MIKE
 COUCH, Ozona, Texas. Been buying furs for 28 years
 for the same house and same man and will continue buy-
 ing them as long as I think it's the best place to sell them.

MIKE COUCH
 "The Old Fur Buyer"

Notice To Tax Payers

**1955 TAXES ARE NOW
 PAYABLE**

Earn a Discount By Prompt Payment

County, State and School Taxes are now due and
 payable. As in previous years, a scale of discounts for
 early payment will be in effect this year. Discounts will
 be allowed only on state and county taxes, none on
 school taxes. Discount schedule is as follows:

1% If Paid in December

Poll taxes are not assessed on your tax statement.
 When remitting, add \$1.75 for each poll tax. No Dis-
 count on poll taxes; no discount on school taxes.

HE'S AMONG FRIENDS—Physical Therapy at Gonzales Warm Springs Foundation for Crippled Children is more than just exercise routines. There is a close and warm relationship developed between patient and therapist that makes carefully precise exercises possible, the core of the treatment program. This Texas treatment center, available to any child regardless of race, color, creed or financial circumstance, is maintained by the contributions of thousands of Texans from every corner of the state.

IT'S THE RAIN YOU KEEP THAT COUNTS
Sound Range Management Necessary To Bring Back West Texas Range After Worst Drouth; Intense Grazing Has Upset Nature's Balance

By Bob Cott, SCS

A great deal is said about how much rain falls in an area, but very little is said about how that water is used after it falls. It is interesting to note the great variance in the amount of water required to produce a pound of dry forage in different plants. Following are some interesting figures on water requirements of some familiar plants.

Plant Name	Water Required to One pound Dry Forage
Mesquite Tree	2,500 300
Catclaw	2,400 288
Littlebluestem	1,025 123
Sideoats grama	705 84½
Curley Mesquite grass	650 78
Buffalo grass	325 39

It is easy to see from the above figures that the composition of vegetation on a pasture is extremely important. Notice that the grasses producing the feed for livestock are the economical users of water.

In the early days of the open range era, the statement was made by a supposedly authority, that

being slowly killed out by livestock. As in other phases of the great American business, people have showed the resources to recognize mistakes and point the trend toward progress. Increasing interest has grown in the field of Soil Conservation. Study of grasses and better methods of balancing livestock numbers with forage production is now recognized by many as essential to the survival of the ranching industry. This trend has taken on a new emphasis at the tail end of the district's most prolonged and disastrous droughts of all times. Landowners have organized and formed the Crockett Soil Conservation District. Along with districts throughout the state, the aim is at the highest goals of sound management, designed to build and protect the land and its productivity. Another phase of the

overall plant, soil and water program in the Crockett Soil Conservation District is the Flood Control program sponsored jointly by the Crockett Soil Conservation District and the Commissioner Court. Structural measures on the watershed plus sound grazing management is designed to make the rain stay on the land or to walk safely instead of running, and bringing destruction to people and soil. It's the rain you keep that counts.

Mr. and Mrs. L. E. Cox, Jr., had as their Thanksgiving Day guests Mr. and Mrs. John R. Bailey, Mr. and Mrs. Brock Jones, Brock, Jr., Johnnie and Elizabeth, Mr. and Mrs. T. A. Bailey of San Angelo, Mrs. Worth Odom of Las Vegas, N. M., and Mr. and Mrs. Ed Reynolds, Jr., and children, Ned and Judy, of Dallas.

Holiday guests in the home of Mr. and Mrs. Paul Gibbs were Tech. Sargeant and Mrs. George Gibbs and daughter Joan, of Walker Air Force Base in Roswell, New Mexico.

Mr. and Mrs. Early Chandler and children spent the weekend in Stephenville visiting his mother, Mrs. E. H. Chandler, and his brother-in-law and sister, Mr. and Mrs. Carl Colwick.

From where I sit... by Joe Marsh

Easy Coins A Quick Profit

Hear about Easy Roberts last Friday? I helped him count his money—both before and after—so believe me, the story's true.

Easy was on the way to the bank to deposit his "cookie jar" savings—exactly \$24.95 in nickels, dimes and quarters. He had them in a paper bag and as we crossed Main Street the bottom fell out.

Money went flying. Passers-by pitched in to help recover the coins. Later on when Easy counted up, he had \$25.05. The "search party" had turned up all of

Easy's money plus ten cents someone else had lost! From where I sit, I wouldn't want to try this "Easy" way to make money. Usually, it takes time for a bank roll to grow... just as it takes time for a friendship to grow. But by respecting a neighbor's rights—including his right to drink coffee, tea, beer or buttermilk, whichever and whenever he chooses—it's wonderful the solid friendship you can build. You can "bank" on that.

Joe Marsh

100th Anniversary Edition Of Texas Almanac Published

The biggest Texas Almanac yet, celebrating its 100th anniversary, has just been published by The Dallas Morning News. The new book's 738 pages of reading matter, statistical tables, pictures, charts and maps constitute the most complete reference book on Texas ever published. In addition to current information, the book contains much historical matter.

The tremendous growth of Texas in recent years is shown by facts and figures on the development of all kinds of resources and activities in every branch of human endeavor, including history, population, oil and other minerals, water, soils, native plant and animals life, farming and livestock raising, manufacturing, transportation, government and education.

Among the thousands of facts, one finds such a variety as the attendance of Deatur Baptist College, value of hay grown in Texas in 1890, location of the Davy Crockett Wild Game Area, money taken by the state from tidelands oil, property damage by Texas tornadoes, name of the Mayor of Tioga, shortest railroad in Texas and the altitude of Potato Top Peak.

One feature is the new census of Texas agriculture with county-by-county tables on present crop and livestock volumes and values, farm characteristics and values, farm mechanization and irrigation. Special features include history of Texas cattle industry, description of Texas' wildflowers, survey of soils by regions and classes, kinds and value of minerals produced in each county, location of more than 100 of Texas' largest ranches, early Texas cattle trails and stage routes, and statistical history of Texas banking.

ED. NOTE — The new Texas Almanacs are on sale at the Stockman office at \$1.25 each.

Mr. and Mrs. Bill Maness visited friends and relatives in Ozona over the holidays.

JENNY KING CIRCLE

The Jenny King Circle of the Methodist WSCS met Wednesday morning with Mrs. O. D. West at the House of Flowers for coffee and the study on "To Combine Our Efforts for Lasting Peace." Devotional, from John 14:17 on "His Peace," was given by Mrs. Joe Pierce. That the establishment of good will and harmony in home and in church, in community and international relations calls for peace makers was the theme.

Mrs. Bailey Post review recent news articles on world affairs and "The Church Amid Racial and Ethnic Tensions" was discussed by Mrs. O. D. West. Mrs. Paul Perner gave a talk on "Should There Be International Ethics." Mrs. T. A. Kincaid, Jr., talked on "Ideas for Lasting Peace" and Mrs. Victor Pierce discussed the question "Is it a Christian's duty to tolerate what we know to be evil rather than challenge it professors to war." Miss Mildred Ralston directed the study.

WILLING WORKERS CIRCLE

The Willing Workers Circle of the Methodist Woman's Society of Christian Service met Wednesday morning in the home of Mrs. Joe Clayton. Mrs. H. B. Tandy gave the Devotional "What Can We Do For World Peace", and led the study on "Combining Our Efforts For Lasting Peace."

A discussoin was held on the United Nations and ways of helping others gain a better understanding of the UN through the technical assistance program, and the work of the UNICEF, WHO, FAO, and UNESCO.

Mrs. L. B. Cox, Jr., closed the

meeting with prayer. The next meeting will be held December 7 with Mrs. L. B. Cox, III. Those present were Mrs. Tandy, Mrs. Floyd Henderson, Mrs. Ray Piner, Mrs. L. B. Cox, Jr., Mrs. Charles Williams, Cr., and Mrs. Joe Clayton.

G. A. MEETING

We had 13 present for our G. A. meeting. Parts on the program were given by Carolyn Pitts, Jeanette Cooke, Lynda Huffman, Joy Richardson and Maudie Jo Good. We have \$4.29 in our treasury. Mrs. Dale served refreshments. Maudie Jo Good, reporter.

The Dallas Morning News

Now the greatest safety advance ever

Ford Lifeguard design

Ford's Lifeguard safety features include: the deep-center Lifeguard steering wheel to cushion you in case of accident... Lifeguard double-grip door locks to give added protection against doors springing open under shock... optional Lifeguard cushioning for instrument panel and sun visors to lessen injuries from impact... optional seat belts to hold riders in their seats.

See Thunderbird style throughout the line! Every one of Ford's 18 models has the glamorous Thunderbird's distinguished flair. You see it in the long, low silhouette... in the sweeping lines. You see it in the tasteful design of its massive grille... in that "hug-the-road" look. And Ford's fabulous new interiors are more evidence that it's truly the fine car at half the fine car price.

And the 202-h.p. Thunderbird Y-8 Engine, too! This mighty, new Y-8 engine is packed with GO-power... yet runs quiet and smooth as a breeze. Its deep-block Y-design makes it more rigid... makes the engine last longer! It not only gives you lightning "GO"... but gives you assurance in its split-second passing power. Available in all Fordomatic Fairlane and Station Wagon models.

The fine car at half the fine car price

Lions Halted —

(Continued from page one)

broke through and jarred the ball loose with the Lions recovering. This time the Lions were not to be denied as they hammered away with Sutton and Clayton, the latter slamming into the end zone and then converting to bring the score to 14 to 7 and re-establish hope among the many Ozona supporters.

The scoring for the night was over as McCamey forced the Lions into the hole and were able to hold them there, making two more penetrations in the process.

The game was a final one for 12 Lions and nine of the starting eleven. As in all previous games this season the effort was largely that of the entire team. Luis Vela, Benny Friend, Jerry Beasley, Juan Delgado and Bobby Martinez were particularly outstanding on defense. Mike Clayton, Bobby Sutton, and Johnny Ramirez did extra well on offense.

In the matter of first downs the Badgers had 13 to the Lions 12 and gained 150 yards rushing to the Lions 99. In the air the Lions picked up 96 yards to 91 for the Badgers but unlike the Badgers the Lions failed to capitalize on their completions.

The Lions as usual were badly outweighed this time spotting the Badgers a 24 pound to the man advantage in the line and a 3 pound advantage in the backfield.

BIRTHDAY PARTY

Mr. and Mrs. Dempster Jones honored their daughter, Pamela, on her thirteenth birthday Tuesday with a party at the country club from 7 until 9 o'clock Tuesday night. Games and dancing were enjoyed. Punch and cake were served to Sandra Whitaker, Linda Merritt, Anne Davidson, Sandra Ratliff, Joe Galbraith, Roberta Johnigan, Janie Everett, Pat Bingham, Tommy Sue Chandler, Robin Jones, Barbara Barbee, Herbie Noelke, Robert Boyd, Art Kyle, George Blackstone, Tommy Field, Pleas Childress, Leon Drago, Bob Childress and Pamela Jones.

C. H. Moore and W. A. Moore of Bay City are visiting their sister, Mrs. Joe Pierce and Mr. Pierce this week.

SUPPER BRIDGE CLUB

Mr. and Mrs. Joe Couch and Mr. and Mrs. Bud Cox entertained members of the Super Bridge Club, Monday night at the House of Flowers. High score was won by Mr. and Mrs. C. O. Walker and second high by Mr. and Mrs. Bill Cooper. Mr. and Mrs. Howard Lemmons won the traveling prize with Mr. and Mrs. Roy Killingsworth

winning Bingo.

A Mexican Food supper was served to those mentioned and the following who attended; Mr. and Mrs. Charles Applewhite, Mr. and Mrs. L. D. Kirby, Mr. and Mrs. Dixon Mahon, Mr. and Mrs. Chas. Ratliff, the hosts, and hostesses.

Mrs. W. D. Cooper returned last week after a visit with her mother and other relatives in Brownwood.

All facts about Texas in the new TEXAS ALMANAC

The Centennial Edition of the Texas Almanac brings all data on Texas up-to-date. It includes a review of progress in Texas for 100 years.

Businessmen, farmers, ranchers, students and homemakers will find it an invaluable source book for facts, figures and good reading.

This will be the finest and biggest Texas Almanac issued in its hundred years of publication. It contains 768 pages. There is no advance in price.
