OZONA, CROCKETT COUNTY, TEXAS, THURSDAY, APRIL 4, 1940

5 Cents Per Copy

NUMBER 1

## Deep Producer Gauged; Conoco 3-B Todd Spuds

### Storage Insufficient for 24-Hour Test On Big Well

A Railroad Commission official gauge was being taken yesterday to determine potential production rating on Continental Oil Co. and others No. 2-B Todd, 15 miles northwest of Ozona, first major producer from the Strawn section of the Pennsylvania line, brought in last week for an initial flow of 330 barrels of 40.6 gravity oil in three hours.

Although storage has been erected for the test, it was indicated that such storage was insufficient for a full 24-hour test and reports here this morning were that the well flowed for an average of 73 barrels an hour, although no official report was available. The first six hours of the test was reported at an average of 70 barrels an hour. The gauge was through 7/16 inch coke. Total depth is 5,691 1/2 feet.

Conoco No. 3-B Todd, east offset to the deep discovery well, was spudded early in the week and crews of the Nobel Drilling Co. expected to start skidding the rig from the No. 2-B Todd to the new location tomorrow to start rotary operations.

The new test is 1,980 feet from the south, 2,100 feet from the east line of section 29, block WX, GCS&F Ry. Co. survey.

Pipeline connections to the new field were understood being sought. With such transportation facilities completed, extensive new drilling operations in the important discovery area were expected by oil men.

## Officers To Stop Boys Pushing Cars From Parking Place

A new form of vandalism, allegedly being perpetrated by a group of school boys, is to receive attention of local officers and violators are going to feel the weight of the law's hand unless it is stopped. Sheriff W. S. Willis has warned.

The group of boys, in cars, have been seen pushing off parked cars in various parts of the city, allowing the uncontrolled cars to roll, producing an intolerable hazard, the sheriff said. The entire staff of the law enforcement division of the county has been instructed to watch for such vandalism and to make immediate arrests.

## Award Sweaters To Volleyball and Basketball Teams

### 20 Players, Coaches Given Trophies At Season's End

Honors were heaped on the high school boys basketball team and the girls volleyball team Thursday afternoon when ten boys and ten girls were presented with sweaters in the high school auditorium during the chapel. Boys sweaters were white with purple belts and letter, while the girls chose purple sweaters with white belts and letters. The "O" on the girls' sweaters has a gold background.

The boys basketball team were again winners this year of the Ranch Country League.

Sweaters were presented to Billy Hannah, Jim Dudley, Bobby Lemmons, Howard Lemmons, Donald Wilson, George B. Armentrout, Bryan Williams, Ed Leatherwood and Coaches Jake McCulley and Ted White.

Girls taking the volleyball honors were Tincy Kirby, Dorothy Hannah, Eloise Carson, Florence Barber, Gem Ella Dudley, Helen Jones, Johnnie Boyd, Rozelle Barber, Jean Drake and Coach Margaret Martin.

## NAMED TO DIST. OFFICE

Miss Elizabeth Fussell of Ozona, who was elected to the office of second vice president of the Sixth District, Texas Federation of Women's Clubs, at the conclusion of the district convention in Colorado City yesterday. Mrs. Mark H. Levrett of Menard was named district president, and Mrs. O. H. Willoughby of Bronte, first vice president. Next year's convention is to be held in Ballinger. Miss Fussell, Mrs. Carl Colwick and Mrs. A. C. Hoover represented Ozona Woman's club at the convention and Miss Wanda Watson and Mrs. Ed Bean attended as delegates from Junior Woman's club.

## Church Of Christ Membership Enjoys Lectureship Series

Growing crowds attending the daily lectureship programs being held at the Church of Christ here this week, indicate a mounting interest in the study series on the part of the church membership and others.

Ministers and church leaders from some fifteen different towns and cities of Texas are here to take part in the series of services and Clem W. Hoover, minister of the Ozona church, indicated yesterday that church officials were highly pleased with the results of the programs so far.

The series of programs, which began with a lecture Monday evening, will continue through Thursday night, the closing lecture tonight to be by J. B. Nelson of Quinlan on "The Divine Legislation and Methods of Serving God."

## Lecture and Art Exhibit At Next Woman's Club Meet

Mrs. W. S. Douglas of San Angelo will be the guest lecturer and an exhibit of local artists will be presented Tuesday morning when Mrs. A. C. Hoover and Mrs. A. E. Deland entertain the Ozona Woman's club at the home of Mrs. Hoover with a breakfast.

Roll Call will be answered with "My Favorite Artist" followed with the local artists exhibit that is being collected by Mrs. Hoover and Mrs. Hillery Phillips. Mrs. Douglas will give her lecture and a collection for Penny Art Fund will be made. The program will be concluded with music.

## BUY HOME HERE

Mr. and Mrs. Alvin Harrell have purchased the old L. B. Cox home just north of the Bascomb Cox home. The home is now rented by Dr. H. E. Tandy, who will continue to live there for another year. Extensive renovations and improvements are planned by the Harrells.

## BUY MEINECKE HOME

Mr. and Mrs. Phillip Lee Childress have purchased the Hurst Meinecke home in the south part of town. Mr. and Mrs. Meinecke plan to make their home for the present with Mrs. Chris Meinecke.

## LEASES COFFEE SHOP

A. E. Feeler, formerly of Midland, has leased the Hotel Ozona Coffee Shop from Jimmy Blaylock, hotel manager, it was announced this week. Mr. Feeler is an experienced cafe man and plans an improved service at the Hotel Ozona Coffee Shop.

## Vote On School Trustees, Bonds Slated Saturday

### Crockett Voters Called On For Double Decision

Election of four members of the school board and decision on the issue of whether or not to issue \$30,000 in bonds for the purpose of erecting a new school building for the children of the Mexican settlement of Ozona are chores facing the voters of Crockett county in a double election to be held next Saturday, April 6.

Two ballots have been prepared for the two issues. In the voting for the four school trustees any qualified voter may cast his ballot, but in the case of the bond issue, only those voters otherwise qualified who are property taxpayers may vote.

The \$30,000 bond issue was submitted to the voters by the Commissioners Court in response to a petition originated by members of the board of trustees. Tentative plans contemplate construction of an eight-room building to replace the present wooden structure which now provides facilities for the first seven grades for the Mexican children.

Four members of the board of trustees are to be elected in the trustee election. Members whose terms have expired are Roy Henderson, Rob Miller, Tom Smith and Scott Peters. No names of candidates appear on the ballot, however, and voters will be required to write in the names of four persons for whom they wish to vote for the school board job.

## Auto Licenses Total 655 At Deadline Date

### Drop In Passenger Car Registration From Last Year

An unusual delay in motor car registration at the deadline for putting on the new plates, resulted in a drop of slightly more than 100 in total registration of motor vehicles at the end of the registration period over the same date a year ago, it was revealed in registration figures available at the office of Sheriff W. S. Willis.

Total registrations through Monday numbered 655, against a total of 776 at the same period last year. Passenger cars accounted for most of the decline, there being 109 fewer this year than at the deadline last year, while farm licenses increased by nine.

The registration figures showed 400 passenger cars, 140 farm licenses, 101 commercial licenses and 14 trailers.

Motorists were still flocking to the sheriff's office in numbers after the deadline date, registering their cars, and it was indicated that the decline in totals might be absorbed by late comers. There is no penalty attached to delayed registration if the owner does not operate the car on a public highway or road.

Receipts from car registrations in this county are all retained by the county, revenue from this source being estimated at around \$10,000.

## Historical Society Meets Monday Night

Members of the Crockett County Historical and Scientific Society will meet for the society's quarterly session in the high school building next Monday evening at 8 o'clock.

An interesting program has been arranged and members and visitors are cordially invited.

H. J. Elledge was taken to a San Angelo hospital Thursday where he will receive treatment for a back injury.

## Two Couples Get Divorces, 2 Other Suits Are Settled

Two divorces were granted and two similar suits dismissed in hearings before Judge W. C. Jackson in the brief session of the 112th district court for the April term here this week. Two other civil suits were also dismissed.

Divorce was granted Howard Capps from Callie Capps, the plaintiff being required to contribute \$10 a month to the support of their minor child. Fred Gibson, colored, won a divorce decree from Tina Gibson. Divorce petitions of Ramon Salenas vs. Elbera Salenas, Mexicans, and Mary Williams vs. Marion Williams, were dismissed. A suit on note styled First National Bank of Midland against O. A. Kirby and one of Hudson Mayes vs. I. C. Helms for possession and damages were also dismissed.

## League May Lift Ban On Tourneys, Letter Indicates

Possibility that the Texas Inter-scholastic League may modify its "death sentence" on invitational basketball tournaments among its member schools to allow for participation in not more than two tournaments a year is indicated in a letter received this week by Supt. C. S. Denham from R. J. Kidd, athletic director.

Mr. Kidd acknowledged receipt of returns from a questionnaire sent out by Mr. Denham to schools in this area on the tourney ruling. He said that the returns would be presented to the state committee at an early date and that a similar questionnaire is being sent out from Austin to basketball schools over the state to determine their reaction. Other sections of the state have recommended a maximum of two tournaments a year, he said.

## Birch Coming Here With Bag Of Tricks In Magic Show Apr. 9

Birch, the magician, who made a great hit with an Ozona audience when he showed here several years ago, will bring his top flight magic show to Ozona next Tuesday evening, April 9, under auspices of the Junior class of Ozona high school. The show will be staged in the auditorium.

In addition to a myriad of lesser tricks and illusions, Birch will feature three outstanding performances, the disappearing pony act, the Hindu rope climbing trick and a sensational escape from a wooden box.

The box from which Birch will attempt to make his escape is to be constructed here at the Foxworth-Galbraith Lumber Co. and Birch will be nailed into the box on the stage by a committee of local men. It is safe to guess that he will successfully escape from the nailed box, but it is also likely that no one in the audience will have the faintest idea how it was accomplished. After the box is constructed it will be placed on display in advance of the show in front of Ozona Drug Store.

## Stockman Begins Its 27th Year of Service

With this issue, the Stockman begins its 27th year in the service of Crockett county. Number one of Volume 27 denotes the passing of another birthday of the Stockman.

The Stockman was established under its present name in 1913, emerging from the early-day newspapers which operated here under various names, including The Courier and Kicker, the latter name applied when former Congressman Claude Hudspeth was at the helm of Ozona's newspaper.

A crew of ten men, with their families, moved into Ozona this week with the Ray gravity meter contracting firm for geological explorations in this county.

## NEW OZONA COACH

Dan Patterson, above, has been elected coach of athletics at Ozona high school for the 1940-41 term. Patterson, a former SMU blocking back, succeeds Ted White, resigned.

## SMU Ex-Grizzer To Coach Ozona High Athletics

### Dan M. Patterson, Former Pony Back, To Succeed White

Dan M. Patterson, consistent coach in Ozona high school for the school session of 1940-41, succeeding Coach Ted M. White, who and dependable football star from Southern Methodist University, has accepted the position of head has held that position for the past nine years. Mr. White recently tendered his resignation, to take effect at the end of the current term.

Mr. Patterson, who graduated from the Fort Stockton high school and received his B. A. degree from Southern Methodist University in 1939, has been coach in the athletic department and instructor of Spanish and history in the Atoka, Okla., high school during this session.

While playing football in the University, he received the freshman numeral and three varsity football letters. His position was that of blocking back. He also participated in track extensively in high school and college. During his junior and senior years in SMU he held a student activity scholarship.

Aside from the coaching assignment in the Ozona school, Mr. Patterson will teach Spanish and probably one class in American history. He is married, but has no children.

## May Move Lights To Powell Field For Softball Play

A movement is under way here this week to move the softball lighting system from the field where it is now located to the Powell athletic field. Efforts are being made by officials of the softball association, working with school officials, to devise a combination lighting system that will serve the softball players and at the same time form the nucleus for a lighted football field should that improvement be desired later.

Softball players are beginning warm-up practices this week in preparation for opening of hostilities. The season's schedule is to be worked out in the next few days and the official league season will probably open about the middle of the month.

## HONEST BILL SHOWS MAKE HIT WITH KIDS

The Honest Bill Shows, animal circus, showed to a well filled tent here last night. The biggest thrill of the evening for the youngsters came when they were given the opportunity to ride the big elephant. The youngsters mounted the pachyderm in groups of seven.

The show played here under auspices of the Softball Association, a percentage of the gross receipts going into the softball fund.

## 8 DEFENDANTS SENTENCED IN DIST. COURT

### Man and Woman Get 7 Years and Another Man Given 2 Years

### SUSPEND 5 TERMS

### Boys Held In Burglary, Drunk Driver, Girl, 14, On Probation

Suspended sentences were handed out to five defendants and three others drew penitentiary sentences aggregating sixteen years in a whirlwind session of the 112th district court here Monday and Tuesday.

The eight defendants were indicted by the grand jury which was impaneled at 10 o'clock Monday morning by Judge W. C. Jackson, the indictments being returned shortly after noon Monday, the investigators returning three separate bills naming eight defendants.

Penitentiary sentences were given three of four defendants charged with burglary of Andres Tijerina's store in the Mexican settlement here, and the fourth, a 14-year-old girl was remanded to the custody of her father. Raymundo Ramirez and Bettie Worrell were sentenced by Judge Jackson to serve seven years in the state penitentiary when they entered pleas of guilty to burglary and theft charges, throwing themselves on the mercy of the court. Victor Jones, younger of the two men involved in the burglary, drew a sentence of two years in the penitentiary. Winnie Wilson, 14-year-old San Angelo girl, was adjudged a delinquent juvenile and placed in custody of her father.

Byron Williams, Bobby Galyon and Roy Manning, Jr., three local youths arrested in connection with burglaries of the Ozona Drug store and the Joe Oberkamp store recently, and indicted by the grand jury on the Oberkamp burglary, also entered pleas of guilty before the court and each was given a three-year suspended sentence.

Leonard Armentrout, indicted on a charge of driving while intoxicated (Continued on Last Page)

## Winners Chosen In County Meet Contests Here

### Declaimers to Compete In District Meet at Fort Stockton

Winners of the various Inter-scholastic League events were selected at the Crockett County meet held here last Thursday evening in the high school auditorium.

First place winners in the junior boys and girls division in declaimations will represent Crockett county in the district meet to be held in Fort Stockton April 12 and 13.

Story telling contest for the kindergarten and first three grades were grouped by grades, four representatives of each grade competing against each other for first and second place medals.

The contestants in story telling, listed in the order in which they placed in the final judging were as follows:

Kindergarten — Patsy Cooke, June Perner and Mildred McCaleb.

First grade—Judy White, La Ferne Nance and Dorothy Dell Fenner.

Second grade—Guida Sue Meinecke, Sue Littleton and Rosalie Friend.

Third grade—Lillian Schneemann, Bernard Lemmons and Maurice Cox.

The fourth grade declaimers who placed were Joe Max Word, Joe Perry, Billy Hoover and Juan (Continued on Last Page)

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon calling the attention of the management to the article in question.

THURSDAY, APRIL 4, 1940

Breakers Ahead

It took the United State government the first 133 years of its existence to spend 66 billion dollars, in the course of which the expense of five wars was defrayed, including the Civil War and the World War. That was yesterday. Today it takes the federal government a mere eight years to spend \$65,628,526.692.

The automobile is not the only contrivance that has shown an amazing increase in speed. Modern American bureaucracy spends public money at a rate that would have been thought impossible a few years ago. It can also create bigger deficits with greater speed than our forefathers could ever conceive of \$25,538,000,000 in eight years. Apparently our ability to pile up deficits is surpassed only by our ability to spend.

Unless average citizens, housewives, business men, professional people and workers come to their senses, we will enter an era that will make the "great" depression of the thirties look like a pink tea. We have lost our self-respect in a drunken spending spree and if we don't watch out we will soon lose our shirts!

Yankee Thrift Turns the Tide

Real prosperity can be brought about again in this country only by a revival of "old-fashioned Yankee thrift and individual initiative." This is not opinionated theory but a hard fact, and the State of Connecticut is taking full advantage of it. While the rest of the country continues on a "witches' hunt" for Utopia, Connecticut is determinedly pursuing a course of progress.

The incumbent governor was elected on a platform pledge to establish a "friendly government"—friendly to business, industry and labor. The state budget has been balanced, without resorting to new taxes—relief rolls have been halved—factory space is at a premium—160 new companies moved to Connecticut in 1939 alone—and employment is higher

than in 1929. The state has found that "there is no substitute for a good job in private industry."

No effort was made to "steal" industry from other states, or to use high pressure methods. Labor standards were not sacrificed. In fact industries which move across the border in search of "cheap" labor are not welcome. Sweatshops have no place in American life.

Politicians who claim that private enterprise is a "worn out" system, have only to observe Connecticut to have their claims shattered. The only thing that has momentarily "worn out" private enterprise is constant ballyhoo, indiscriminate legislation and excessive taxation deliberately directed toward destructive ends. America's millions of unemployed can learn a lesson from Connecticut. By contrast they can see the damage that constant political persecution has done to the private institutions by which we all must live.

Where there is individual opportunity there is progress; where there is no individual opportunity there is no progress.

EXPLANATION

Scientists say that hot air travels faster than cold. Perhaps that's why false rumors spread so rapidly—Glasgow Missourian.

RABBITS FROM HATS?

A negro in Brooklyn, N. Y., has been sent to prison for two and a half years for selling "magic." Selling magic seems to be a pretty serious crime—unless, of course, it's political magic, in which case the successful salesman gets sent to Congress or even to the White House.—Memphis Press-Scimitar.

TURN ABOUT

It would be boorish, after answering the census taker's 33 questions, not to ask, "And how are your folks?" —Richmond Times-Dispatch.

HOPE SPRINGING

The optimism of spring is definitely in the air. American League managers are already talking of how the Yanks are not going to win the pennant this year.—St. Louis Star-Times.

A rather inebriated individual entered the office of the local registrar of vital statistics and said, "Gentlemen (hic) I wanna regshter the birth of (hic) twins?" "Why do you say 'gentlemen'?" asked the registrar. "I am the only one here."

"Only one of you?" asked the new father, astonished. "Hummm—guesh I'd better go home (hic) and make sure."

"And there's the Scotchman who wouldn't buy his girl any pearls, but just got her a dozen oysters and hoped she'd be lucky."

Political Announcements

The Stockman is authorized to announce the candidacy of the following, subject to action of the Democratic primaries:

For Judge, 112th Judicial District JUDGE J. B. RANDOLPH (Junction) JUDGE W. C. JACKSON (Fort Stockton)

For County Attorney: N. W. GRAHAM (re-election)

For Sheriff, Tax Assessor and Collector: W. S. WILLIS, (re-election)

For County and District Clerk: GEORGE RUSSELL (Re-election)

For County Treasurer: TOM CASBEER (Re-election)

For Justice of Peace, Precinct 1: W. M. JOHNSON (re-election)

For Commissioner, Precinct 1: ROB MILLER (re-election)

For Commissioner, Precinct 2: CHAS. BLACK (re-election)

For Commissioner, Precinct 3: J. W. OWENS (re-election)

For Commissioner, Precinct 4: E. R. KINSER (re-election)

TEXAS OUT-O'-DOORS

AUSTIN.—Several wildlife experts of the Texas Game, Fish and Oyster Commission will lecture before classes in the conservation of natural resources at the 24 Texas colleges which will offer the course this summer. Nine other states and federal agencies will cooperate in the course which has proved so popular that it has, in three years, grown from a one-institution affair to the point where two dozen schools are presenting the study of the needs of natural resource conservation.

Dr. B. B. Harris, dean of North Texas State Teachers' college, Denton, conceived the course in 1938.

Schools that will offer the classes this summer are: all the state teachers colleges including Sul Ross at Alpine, Sam Houston at Huntsville, Stephen F. Austin at Nacogdoches, Southwest Texas at San Marcos, East Texas at Commerce, West Texas at Canyon, and North Texas at Denton; Abilene Christian at Abilene, Austin college at Sherman, Baylor University at Waco, Daniel Baker at Brownwood, Hardin-Simmons University at Abilene, Incarnate Word College at San Antonio, Mary Har-

din-Baylor at Belton; McMurray at Abilene, Our Lady of the Lake college at San Antonio, Southern Methodist University at Dallas, Southwestern at Georgetown, Texas College of Arts and Industries, Kingsville; A. and M. College Station; Texas Christian University, Fort Worth, Trinity University, Waxahachie; University of Houston, Houston, and Howard Payne at Brownwood.

ARMADILLO IS FOOD CROP

The armadillo, that armoured pre-historic appearing animal, is assuming more and more importance as a food crop in DeWitt county, it is reported to the state game department's executive secretary. Negro residents of DeWitt county have taken more than 500 of the animals in recent months. Armadillo, well prepared, are considered excellent eating by many persons. They taste like small pig.

Spring Check-Up Of Cars Important

Motorists who want to get maximum satisfaction from their cars next summer should take time out within the next few weeks for the Spring check-up, lubrication and adjustment which every car needs in order to give a perfect account of itself during the months of warm weather ahead. This is the advice of Ed Hedner,

national service and mechanical manager for Chevrolet. He adds that the company's dealer organization is ready, with factory-trained mechanics and factory-approved equipment, to give prompt, economical attention to all spring check-up needs.

"Dealer's experience," he says, "has shown that many motorists are much more careful about installing their winter lubricants and anti-freeze than the fall than they are about taking the reverse step when about rolls around. This is probably because they know that if the motor is neglected they are likely to wake some morning and find their engine frozen, or their transmission-case lubricant so thick that they can not shift gears."

"There is no such worry in mind them to remove the winter lubricant and drain out the anti-freeze at warm weather's approach. But there is good reason why both of these details should be taken care of."

There are 79,000 gasoline pumps in use in Texas service stations, an average of one pump for every 18.7 automobiles.

**Underground Water Resources Of Val Verde Co. Studied**

AUSTIN, March 20.—Basic data on the extent and quality of underground water in Val Verde county was obtained by a survey completed with the aid of the Water Projects Administration. It was announced in a publication report issued today by the Texas Board of Water Engineers.

This is one of a series of county publications relating to water resources and springs in Texas, compiled by means of WPA projects under the supervision of the state Board of Engineers, cooperating with the United States department of the interior, geological survey, and the Texas bureau of industrial chemistry.

Records of 269 wells and 105 springs, chemical analyses of water obtained from them, drillers' logs and logs of test wells put down with WPA labor are contained in the Val Verde county release.

In spite of the comparatively low rain fall, Val Verde county has some of the largest springs in Texas. It is estimated that during the summer of 1939, the total volume of water flowing from the 105 springs observed was more than 175,000 gallons a minute. Goodenough springs and San Felipe springs have been classed as springs of the first magnitude.

Mrs. R. T. Taylor returned to her home here Monday from a two weeks visit with her mother in Lufkin.

**Soviet Oil for Hitler's War Machine**

At Przemysl, town which was once well in the interior of Poland, but which is now on the dividing line between Russia and Germany, oil from Soviet railway tank cars is transhipped to German cars to be rushed for military use. The photograph was passed by the German censor—possibly to refute British claims of having effectively strangled the Reich oil supply. Russian tank cars are pictured on the left.

**MUSICAL RECITAL**

Miss Ruth Graydon presented the following students in studio recital last week: Kerry Tandy, Edith Lou Piner, Billy Joe McDonald, Dorothy Stevens, Ann West, Corinne Phillips, Mary Kathryn Flowers, Jane Augustine, Lillian Schneemann, Patsy Johnson and Max Word.

**MRS. EARLY BAGGETT HOSTESS AT BREAKFAST**

Iris, jonquils and pansies were used to decorate the home of Mrs. Early Baggett Thursday morning when she entertained the Thursday Bridge club at her home with a breakfast.

Mrs. Wayne West won the high club award. High guest prize went to Mrs. Hillery Phillips and Mrs. Sherman Taylor took low guest prize. Mrs. Joe Pierce was presented the bingo award.

Present were Mrs. Joe Davidson, Mrs. Floyd Henderson, Mrs. S. M.

Harvick, Mrs. Joe Pierce, Mrs. Wayne West, Mrs. W. E. Smith, Mrs. Joe Oberkamp, Mrs. Tom Smith, Mrs. Max Schneemann, Mrs. J. C. Montgomery, Mrs. Mike Friend, Mrs. George Montgomery, Mrs. Hudson Mayes, Mrs. Alvin Harrell, Mrs. Scott Peters, Mrs. Tom Harris, Mrs. Hillery Phillips, Mrs. Sherman Taylor and Mrs. O. A. Kirby.

**BRIDGE-SUPPER NIGHT BRIDGE CLUB**

Mr. and Mrs. Dempster Jones entertained the Night Bridge club with a supper Saturday night at the home of Mr. and Mrs. Joe Pierce. Six tables of players were present.

High score prize went to Mr. and Mrs. Alvin Harrell and low score award to Mr. and Mrs. Jake Miller. Mrs. Early Chandler won the traveling gift with Miss Mildred North winning the bingo trophy.

Iris and jonquils were used in the house decorations and tallies were pictures of iris.

Present were Mr. and Mrs. Ralph Jones, Mr. and Mrs. Alvin Harrell, Mr. and Mrs. Elie Hagelstein, Mr. and Mrs. Jake Miller, Mr. and Mrs. Early Chandler, Mr. and Mrs. Pleas Childress, Jr., Mr. and Mrs. Sherman Taylor, Dr. and Mrs. G. L. Nesrsta, Mr. and Mrs. Arthur Kyle, Mr. and Mrs. Rip Ward of Sonora, Miss Mildred North and Miss Wayne Augustine.

Minister: "Where are you running to, my little man?"

Boy: "Home! Ma's going to spank me."

Minister: "What! Do you want a spanking so much you run home to get it?"

Boy (shouting over his shoulder): "No, but if I don't get there before pa, he'll do it!"

**February Livestock Shipments Drop Off**

AUSTIN, April 3.—Livestock movement from Texas ranches during February totaled only 3,647 cars, a drop of almost 16 per cent below February, 1939, University of Texas agricultural statisticians report.

Slackening of cattle shipments from 2,691 to 2,028 cars accounted for the bulk of the loss, Dr. F. A. Buechel, assistant director of the bureau of business research, explained.

Shipments of hogs dropped 15.5

per cent to 591 cars, but calf and sheep shipments picked up. A total of 628 cars of calves moved, a gain of 4.7 per cent, while sheep movement totaled 400 cars, up 20.8 per cent.

**Why not make this year your "Big Moment?"**

*Business is Good. Thanks—so you'll get plenty for your old car and more in your new one at your Buick dealer's*

**Above is the Buick SPECIAL 4-door touring sedan \$996\***

**WE'RE** talking here to those thousands who have not yet achieved a lifetime ambition. That is to say, they don't yet own a Buick.

**We want to point out a few facts about the Buick SPECIAL pictured here—show how it swings wide the door on a golden opportunity.**

**Step into this sleek sweetheart. Your treadle foot touches off a trigger—**

quick Dynaflex straight-eight engine that's just about the smoothest thing that runs, thanks to micro-poised-balancing after assembly.

Swing through the gear changes and you find the same easy, finger-flick shifting as in the most costly Buick. And the same recoil-mounted Knee-Action soaking up bumps before they reach your hand on the steering wheel.

automatic cut-off, built-in automatic choke, oil-filter, high-capacity water pump—they're all there.

Here's the smart style, the blithe performance and the solid, substantial Buick quality of materials and workmanship that make this the car you've been looking forward to.

Yet the figures on the SPECIAL make you think it's a six instead of a husky straight-eight. Indeed, when you count in the included equipment, it costs no more than some cars with lower advertised prices.

So look into the Buick SPECIAL. See if this isn't the time to "step up" to the car you've always wanted.

You can take a trial drive any time just by asking your Buick dealer.

Take a rough road in stride. You'll find that stout Buick Coil Springs muffle out the bumps — and they'll never need lubrication.

Look out through the easy-vision Safety Plate Glass in every window. Check up on the equipment: Two-Way Direction Signal with

Prices begin at **\$895** \*delivered at Flint, Mich. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

**AROUND THE WATERINGS**

By C. MAYE DUNLAP

Joe Davidson spent Friday in Midland, taking a brown filly there to be trained as a race horse by Doc Bloss. Providing Ozona has a rodeo this year, Mr. Davidson plans to race the filly at the races.

Mr. and Mrs. J. W. Owens, Tom Owens and daughter, Margaret, and Bob Owens of Barnhart returned Sunday from a business trip to Muskogee, Okla.

L. L. Turner of Sonora recently bought his son a new saddle and complete outfit for his birthday.

At the completion of lamb marking, Wayne West marked a 90 per cent crop. Mr. West marked 101 per cent in the first two pastures of the roundup.

George Montgomery recently bought 212 ewes from Cam Longley of Dryden.

Clay Montgomery completed marking this week and came out with 97 per cent. Mr. Montgomery expects over 100 per cent by shearing time.

A report from the Stephen Perner ranch was five lambs over a 100 per cent lamb crop.

Richard Flowers and Lloyd Coates are owners of new saddles delivered this week by the Jones Saddle Shop. John Mitchell also took out a new saddle.

Sid Millsbaugh, Jr., brought two horses to the Howard Draw place Monday for breaking before taking them back to the other ranch to ride.

An 85 per cent lamb crop was marked on the Fred Deaton ranch this week. Lambs are in good condition for the summer months.

**Music Club Meets In Business Session**

Mrs. S. M. Harvick and Miss Ruth Graydon will be hostesses to the Ozona Music club Monday afternoon at the home of Mrs. Harvick for the monthly business meeting. The program will be opened with a parliamentary drill followed by the business meeting. Roll call will be answered by musical current events with Miss Jo Demmer giving some music club magazine notes.

Say: "I saw it in the Stockman."

**Unjust Aspersion**  
AN EDITORIAL

It is the province and duty of a newspaper to promote the interests of its own community wherever possible. It is every newspaperman's vision to see the community he serves progress and grow. Each new home, each new business, each new citizen is welcomed with a sort of paternal pride.

But most every newspaperman is imbued with the idea of the strength of his own community, the energy and influence of its own citizens to promote the community interests on its own merits, and not by attempting to disparage a neighboring community.

An example of a type of journalism that presumably passed with the passing of the horse and buggy, the sidesaddle and long whiskers came to light in the neighboring town of Big Lake last week in an editorial paragraph appearing in the Big Lake Wildcat. Our good friend M. A. Wilson, evidently had a temporary lapse of some sort when he wrote this paragraph, among others in his front page column about the new Continental and others deep producer brought in recently on the J. S. Todd ranch 15 miles northwest of Ozona:

"Big Lake should be benefitted if the well proves another large pool, which is the opinion of oil men. Ozona, it is understood, does not seem very anxious as the Crockett county ranchmen like the smell of sheep better than the oil odor."

If Editor Wilson means literally what he says, he may be right—in the matter of a choice between the two odors, there might be many who would choose the sheep, and for others it might be a toss up.

But we suspect that the Big Lake writer was not speaking literally, but meant to convey the idea to the men of the drilling companies, the oil company officials, the representatives of the oil fraternity who might now or later be operating in or in some way connected with the field, that—"the people of Ozona and Crockett county do not want oil development, do not want oil people in their town, would just a little rather they went elsewhere." And, the unfounded assertion sought further to implant the idea that—"Now that those folk down in Ozona don't want you, you can come to Big Lake, and although it might not be any benefit or convenience to you, Big Lake will be benefitted" and, after all, that's our major concern."

Now, the people of Ozona have no objection to Big Lake or any other town making a bid for new people and new business incident to opening of a new oil field. The

people of Ozona received news of the new well with enthusiasm, and see in it new wealth for their county, new citizens and new enterprises that will ultimately benefit all. They have no objections to other nearby towns and counties benefitting from such development of this county's natural resources if their services and facilities are such as to attract any business from such development.

But this editor, and we believe nearly the entire population of Ozona, bitterly resents the use of a wholly untrue statement of the attitude of its people by one some fifty miles away from the subject of his comment, made for the sole purpose of damaging and disparaging this community, in the hope that it might influence the spending of a few extra oil dollars with the business firms of Big Lake. True, the people who drill oil wells and make millions of dollars in producing oil, are not fools, and certainly would be able to understand the motive for such an attack, but being in the midst of things, and knowing what Editor Wilson could not know about the attitude of the people of Ozona toward the oil development of our own county, we can not resist pointing to such methods and such motives.

The people of Ozona have always welcomed good citizens. Peo-

ple who are law abiding, and respectable, will always find a welcome in Ozona. And some of the finest people in any pursuit are found in the oil business. The attitude so carelessly described as a truth by the Big Lake editor, then, is pure fiction, and promulgated, we suspect, in an effort to discredit a neighbor town in the hope of winning favor of developers of the new oil field.

Big Lake may have changed its attitude since a great deep oil field was discovered and developed 18 miles west of her, with subsequent establishment of the oil company town of Texon, which might have been an expanded Big Lake had the situation been different, but if she now wants to court the oil fraternity, the method of discredit to others adopted by her editor is a poor way of winning favor.

**DAIRY COWS TESTED**

Twenty-seven cows in the J. T. Keeton dairy herd were tested for tuberculosis and Bang's disease infection here last week by Dr. W. C. Koberg of San Angelo. The entire herd was pronounced free from trace of the diseases. The Keeton dairy operates in a modern, sanitary dairy barn, the milk being electrically aerated and bottled and capped by machine.

### TATTLING

By C. MAYE DUNLAP

Barnhart invited several Ozonians to the dance given in the high school gymnasium there Friday night.

Guests from here included Dorothy Drake, Margaret Owens, Totsy Robison, Conley Cox, George Vic Montgomery, Bill Seahorn, Mr. and Mrs. Doug Kirby, Mr. and Mrs. W. E. Friend, Jr., Mr. and Mrs. T. A. Kincaid, Jr., Mr. and Mrs. Marbury Morrison and Mr. and Mrs. Tom Owens.

Jack Ferguson returned Monday from Hobbs, N. M., where he visited friends during the weekend.

Tommy Harris has moved from San Angelo to Ozona where he is employed with the Foxworth-Galbraith Lumber Co.

Although the Easter holidays were only a week ago and almost all college students were home, Joe Thomas Davidson and Tommy Kirby decided it was time for another trip home and came in Saturday morning from Dallas. Dan Patterson, the new coach for Ozona high school next year, came with them. Joe Thom is a junior in Southern Methodist University and Tommy attends a business school there.

Yeats Causey has enrolled in San Angelo Junior college in San Angelo for the spring term. Yeats was lined up for the first squad in the spring football training.

Max Schneemann visited Sarah Frances Jones of San Angelo recently. Taylor Deaton and Martin Harvick were also San Angelo visitors Friday and Saturday.

Mrs. Joe Nussbaumer of San Angelo has been visiting friends in Ozona this week. Joe and Lela Mae plan to move to Los Angeles, April 12 where Joe will be employed with a flower shop.

Picknickers Wednesday afternoon included Lib Coose, Betty Lou Coates, Dorothy Drake and Mrs. Joe Nussbaumer.

Joe Skinner and daughter, Coralie, of San Angelo were Ozona visitors Wednesday.

Mrs. Ed Bean and Miss Wanda Watson spent Monday and Tuesday in Colorado City attending the district convention of Women's clubs. Mrs. Ed Bean represented Ozona as the delegate for the Junior Woman's club.

Crusher Operator	4.00
Roller Operator	4.00
Distributor Operator or Driver	4.00
Tractor Operator	4.00
Blade Operator	4.00
Broom Operator	4.00
Truck Driver (over 1½ tons)	4.00
Air Hammer Operator	4.00
Blacksmith	4.00
Fireman (Asphalt Plant)	4.00
Compressor Operator	4.00
Pump Operator	4.00
Spreader Box Operator	4.00
Oiler	4.00
Weighter	4.00
Truck Driver (1½ tons and less)	3.20
Flagman	3.20
Unskilled Laborer	3.20
Watchman	2.80
Cook	2.80
Water Boy	2.40

Legal holiday work shall be paid for at the regular governing rates.

Rates for work performed in excess of the maximum hours per week as stipulated in the "Fair Labor Standards Act of 1938," approved June 25, 1938, (Public No. 718, 75th Congress) shall be subject to the applicable provisions of this Act.

Plans and specifications available at the office of E. L. Pearce, Resident Engineer, Fort Stockton, Texas, and State Highway Department, Austin. Usual rights reserved. 1-2c

Miss Jo Demmer had as her guests Saturday her mother, Mrs. H. F. Demmer and sister, Miss Carmen Demmer of Ballinger.

### World Churches Subject of Talk By Mrs. W. E. West

Mrs. W. E. West gave a lecture on the different churches she visited in her world travels when members and guests of the Baptist W. M. S. met at the church for their regular session Wednesday afternoon. Mrs. Cleophus Cooke Mrs. Joe Billy Keeton and Mrs. Charles Powell were hostesses.

Following Mrs. West's talk was a business meeting and a short Bible study with Mrs. George Bean leader.

Present were Mrs. Lowell Littleton, Mrs. Clyde Childers, Mrs. Lloyd Johnson, Mrs. S. L. Butler, Mrs. J. S. Whatley, Mrs. G. L. Nestra, Mrs. Ira Carson, Mrs. Jim Patrick, Mrs. Leslie Nance and Miss Maybelle Taylor.

Mr. and Mrs. Jake Short were here from their ranch near Vanderpool, in Bandera county, visiting relatives this week.

Mrs. B. B. Ingham will return to Fort Worth this week where she plans to visit her daughter, Betty Jane. She will remain there to hear Lily Pons sing April 11. Later she will take the dogwood trail to Palestine before returning home.

Houston Smith and Tom Casbeer returned last week from a business strip to California.

BAND CONTEST QUESTIONS AND ANSWERS

By Miles Pierce
One of the most interesting, educational and important affairs of the school year is that of the band contest. Having entered the contest held in Abilene last year, the Ozona school band has anxiously awaited this affair.
The average person has many questions concerning this contest that he would like to have answered. I shall answer the more common questions.
Q. Do all the bands compete against each other?
A. No. The bands work against a standard set of rules that is laid down by the sponsors of the contest. There are four divisions. First division is excellent, second division is superior, third is good, and fourth is fair, etc. It is possible for all bands to make a first division.
Q. What bands go to the National contest that is to be held in Waco this year?
A. All those who at the state contest make a first division in either sight-reading, playing or marching.
Q. Why is Ozona's band a Class C band?
A. Because of the enrollment of the high school. A first year band is always Class E, then Class D. After that they are called according to the enrollment of high school: 0 to 250 students is Class C.
Q. When and where and for whom is the contest to be held?
A. The contest is to be held in Odessa, April 6, 1940, for all in District II of the Texas Educator's Music Association.
Q. Who sponsors these contests or festivals as they are called?
A. The Texas Music Educators' Association.

Editor's Musings

By W. B. ROBERTSON

This week's issue of the Lion's Roar is dedicated to the Ozona high school band. The band became affiliated into the high school in September, 1938, thus one-half credit toward graduation may be secured by participating in band class work for one year. This has helped to stimulate an interest in band work that otherwise might not have been shown. Band is high in value not only to those who plan to continue it later on in life, but to those who have no intention of continuing it, because of the practical experience they receive.
Many students have helped to finance their higher education by becoming accomplished and playing in a college band. The members of college bands are privileged to go on trips presenting the band in concert. The Texas Tech band is an excellent example.
This gives the students the advantage of associating with each other in addition to the benefit gained from the tour.
Joe Haddon organized and directed the Ozona band about seven years ago. The band flourished, under his direction about three years, but, with his resignation, the band members began dropping out. J. M. Edwards directed the band the next year and was succeeded by James Nevins, who directed it during the fall of 1938. That year, the band attended its first contest in Abilene under the direction of Norman Heath. The second contest attended by the band will be in Odessa, April 6, 1940. The band is working to improve its rating over the one received at the contest last year. Congratulations are in order for the band members who have worked to have a better band in Ozona.
FIRST GRADE NEWS
On Friday, March 22, the first grade entertained their mothers and the Kindergarten children with an Easter program. The children were assisted by their room mother, Mrs. John Mitchell.
The first grade is now busy building a farm house and barnyard in their room.
Wisdom is always an overmatch

OZONA, TEXAS, THURSDAY, APRIL 4, 1940

NUMBER 28

Band and Orchestra Work In Ozona Started By Efforts of Music Club

Pictured above is the Ozona high school band in formation. At right, Norman Heath, director of the Ozona High School band.

In the spring of 1934, the Ozona Music club decided that Ozona needed a band. Mr. Jackson of San Angelo, overheard Mrs. Victor Pierce discussing our needs, recommended Mr. Joe Haddon of San Angelo as just the man for the job. Mr. Haddon was contacted and came out to meet with a committee from the Ozona Music club. After looking over the situation, he agreed to come to Ozona in the fall for ten signed-up pupils. The committee, without any trouble, fulfilled Mr. Haddon's proposition.
At the opening of the fall school term, Mr. Haddon came down to work. Sad were the facilities for a band in Ozona. Very few children had instruments and those didn't know which end to use. Owing to the untiring efforts of Mr. Haddon and the cooperation of the music club and school authorities, by the end of the year the band and orchestra had materialized, and an orchestral program was given by some 50 pupils. This concert was rendered so well that the Ozona school board became interested and at the beginning of the next school term, built our band house. The band work continued as a private teacher's work for the years of 1934 thru 1937. During this time the Ozona Music club, the Band Mother's club, and the Ozona Parent-Teacher's Association gave their support to the band by buying necessary instruments; in many cases where the instruments were furnished by these clubs, the children received their instructions free. Mr. Haddon was followed in 1937 by Mr. J. M. Edwards.
In the spring of 1938, the school board decided that the school needed a band as a subject. Mr. James Nevins was the first band leader under this program. He was followed by Mr. Norman Heath who is now preparing the band to go to the contest at Odessa. The band has improved very much in the last six years.

H. E. CLASS HOSTS TO MOTHERS
The members of the Home Economics 1B class, under the direction of Mrs. Rex Russell, entertained their mothers with a style show and tea Friday afternoon, March 29, in the living room of the home economics department. White cornflowers were used to decorate the room. Each girl modeled a pajama suit, housecoat or gown, which she had just finished making in class.
Members of the class are Mary Louise Perner, Margaret Russell, Ethel Mayes, Priscilla Baker, Vera McCaleb, Joy Coates, Lottie Owens, Rozelle Pharr, Florence Luther, Mary Lee Brown, Mildred Luther, Cecil Luther and Zella Thurman.
Guests present were Mrs. Hudson Mayes, Mrs. C. C. Luther, Mrs. Tom Owens, Mrs. L. B. Townsend, Mrs. Hubert Baker, Mrs. George Russell, Mrs. Paul Perner, Mrs. Marshall Montgomery, Mrs. McCaleb and Mrs. Minnie Crumley.

Quality in hay really means feed value. The factors which affect quality include the maturity or ripeness, the percentage of leaves, and the color. It also includes amount of foreign material, such as weeds mixed with the hay, the size and pliability of the stems and even the "smell."

One-Act Play Tryouts Held In Assembly

For the regular assembly program on Thursday, April 4, the one-act play tryouts will be held. To decide which person will be in the first cast and which will perform second, the characters will draw straws.
The plays will be judged by Big Lake judges. They will be given a list of things to look for in the characters on a regulation judge's sheet.
After the decision is given, ribbons will be presented. Characters who win will go to Fort Stockton for the district meet as the Ozona one-act play.
Those in the casts are Elton Smith, as John Elton, Mary Perner and Margaret Russell, as Betty Elton, Noma Miller and Priscilla Baker as Katy Sartori, L. B. Cox and Bland Tandy as Edward Elton, and Billie Jo West and Eloise Carson as Mary Belle Sturgis.

4-Casting

There is something definitely wrong with you if this week's Lion's Roar isn't easier to read than last week, which was the first, and according to some, the last April Fool edition.

FLASH! If you remember, the first 4-Casting column predicted a new senior couple would be formed the last six weeks of school. It seems that the girl is carrying out her part, but the boy is making my 4-Casting untrue.

4-CASTING: Several seniors among whom are T. K. E. C., several other bookkeepers, G. D. D. H., J. B., H. M., and other "economists", can't "learn and not do." The man who does the least for himself, receives the least; the man who does more than he is told always gets more than that former group.

FLASH: Attention Spanish Students! Coach Ted White teaches Spanish! The school board met Saturday to elect a new coach!

4-CASTING: The band, as you know, will attend its second contest April 6. Your reporter wishes to beat the judges to the decision; a third division band rating will be the reward of the Ozona band. (See editorial for the system of rating bands.)

Victory and defeat are each of the same price.

First Band Organized In November, 1926

Because this issue is dedicated to the Ozona school band, it has been decided to give a brief account of those who played in the first Ozona band, which was the stepping stone of our present band and school musical organization. We are indeed indebted to these pioneers of band in Ozona. Had it not been for them and their efforts, the present band may never have existed.
Mrs. "Red" Smith organized a school band in November, 1926. It was organized as a Boy Scout band and made its first public performance in the town park on July 4, 1927, during the rodeo. The band was sponsored by the P-T A. as a school band in 1927-28.
Those in the band and the instrument they played and their present whereabouts, are as follows:

Eugene Montgomery, clarinet of Houston; P. C. Coates, clarinet, Fort Stockton; Pleas Childress, clarinet, Ozona; Tot Grimmer, clarinet, Alpine; Clifton Monteith, clarinet; Bill Friend clarinet, Big Lake; Slick Miller clarinet, Ozona; Bert Kincaid, Jr. clarinet, Ozona; Batts Friend trombone, Sonora; John Kirkpatrick, trombone, Eldorado; Billy Baggett, cornet, Ozona; James Baggett, cornet, Ozona; Cam Longley, Jr. cornet, Panama Canal Zone; Billy Childress, mellophone, Ozona; Marvin Graves alto, Ozona; B. B. Ingham, baritone, Ozona; Bud Coates, baritone, Ozona; Woodrow Wilson saxophone, Fort Lewis, Wash.; Massie Ray Smith, saxophone, San Antonio; Joe Billy Keaton, bass Ozona; Elledge, bass (youngest boy in the band); Miller Robison, drums, Sanderson; Lee Dudley drums, Ozona; Roger Dudley drums, Ozona.

Oleta Casbeer, who has been an active member of the band for two years, is an outstanding saxophone player in the band.

Roy Henderson has played cornet for four years, beginning with the organization of the band under the direction of Joe Haddon. During his senior year, Roy was elected librarian of the band and has taken an active part in checking and filling all of the music.

After playing the snare drum for a year in the San Angelo high school band, Naomi Collard has played snare drum and bells in the Ozona school band for the past two years. The bells which Naomi plays add quite a bit to the appearance and harmony of the band, especially while marching.

Joe Couch, cornetist, has been an active member of the band for four years.

Eloise Carson, having played a clarinet in the band for the past year and half, plays a snare drum in marching.

Having been in the Ozona band for five years, Dorothy Hannah has become very accomplished. She has played the snare drums, bass drum and has been drum majorette for the past two years. Each year at the band contest she plays the tympani.

The junior girls' tennis matches came out as follows. Rozelle Pharr vs. Mary Perner vs. Florence Luther, 8-6; Gem Ella Dudley vs. Frances Bean, 6-1; Margaret Russell vs. Gem Ella Dudley, 6-2.

Tennis Tournament Nears Completion; Champion Undecided

The junior boys' pairings are as follows: Floyd Hokit vs. Roy Coates, Billy Buckley vs. Bill Carson, Mervin McLaughlin vs. Dick Henderson, Leslie Nance vs. Charles McDonald, L. B. Cox vs. Bland Tandy, Floyd Hokit vs. Bill Carson, Mervin McLaughlin vs. Leslie Nance, Stanley Lemmons vs. Byron Williams, L. B. Cox vs. Floyd Hokit, Leslie Nance vs. Stanley Lemmons.

The championship pairings has not been played off for the junior boys.

The senior girls' tournament is as follows: Billy Jo West vs. Johnnie Boyd; Jean Drake vs. Bess Parker, Noma Miller vs. Eloise George Ann Kirby; Billy Jo West vs. George Ann Kirby; Billy Jo West vs. Jean Drake; Eloise Carson vs. George Ann Kirby. Finals have not been played.

The Senior boys' tournament is as follows: Jim Dudley vs. George B. Armentrout; Gordon Rendall vs. Shorty Colquitt; Howard Lemmons vs. Bobby Lemmons; Joe B. Chapman vs. George B. Armentrout; Gordon Rendall vs. Billy Hannah; Donald Wilson vs. W. B. Robertson; Bobby Lemmons vs. George B. Armentrout; Gordon Rendall vs. Donald Wilson; George B. Armentrout vs. Donald Wilson.

The finals of the boy's tournament have not been played.

Athletic Awards Given To 17 Basketball-Volleyball Stars

Eight boys and nine girls and their coaches were presented awards for the past basketball and volleyball season in assembly last Thursday. The boys' sweaters were white with purple letters, on the sleeves, and purple belts in back. Purple was the predominating color of the girls' sweaters.

Although neither team was outstanding, both showed some credible playing. The boys won the Ranch Country League for the third consecutive year and were runner-up in the Sonora tourney. The girls played their best game (Continued on Page Seven)

Seniors Make Last Contest Appearance

The annual band contest to be held in Odessa on April 6 will mark the final contest in which the 1940 senior band members will participate.

Miles Pierce, who has been an active member of the band for five years, plays first cornet. At the contest held in Abilene last year, he won third division with his cornet solo. With his other honors, Miles was chosen vice president of the band during his senior year.

An outstanding baritone player in the band is W. B. Robertson, who, in preceding years, played both cornet and French horn. W. B. was elected president of the band at the beginning of the 1939-40 school year.

Eloise Carson, who has been an active member of the band for two years, is an outstanding saxophone player in the band.

Roy Henderson has played cornet for four years, beginning with the organization of the band under the direction of Joe Haddon. During his senior year, Roy was elected librarian of the band and has taken an active part in checking and filling all of the music.

After playing the snare drum for a year in the San Angelo high school band, Naomi Collard has played snare drum and bells in the Ozona school band for the past two years. The bells which Naomi plays add quite a bit to the appearance and harmony of the band, especially while marching.

Joe Couch, cornetist, has been an active member of the band for four years.

Eloise Carson, having played a clarinet in the band for the past year and half, plays a snare drum in marching.

Having been in the Ozona band for five years, Dorothy Hannah has become very accomplished. She has played the snare drums, bass drum and has been drum majorette for the past two years. Each year at the band contest she plays the tympani.

The junior girls' tennis matches came out as follows. Rozelle Pharr vs. Mary Perner vs. Florence Luther, 8-6; Gem Ella Dudley vs. Frances Bean, 6-1; Margaret Russell vs. Gem Ella Dudley, 6-2.

The junior boys' pairings are as follows: Floyd Hokit vs. Roy Coates, Billy Buckley vs. Bill Carson, Mervin McLaughlin vs. Dick Henderson, Leslie Nance vs. Charles McDonald, L. B. Cox vs. Bland Tandy, Floyd Hokit vs. Bill Carson, Mervin McLaughlin vs. Leslie Nance, Stanley Lemmons vs. Byron Williams, L. B. Cox vs. Floyd Hokit, Leslie Nance vs. Stanley Lemmons.

The championship pairings has not been played off for the junior boys.

The senior girls' tournament is as follows: Billy Jo West vs. Johnnie Boyd; Jean Drake vs. Bess Parker, Noma Miller vs. Eloise George Ann Kirby; Billy Jo West vs. George Ann Kirby; Billy Jo West vs. Jean Drake; Eloise Carson vs. George Ann Kirby. Finals have not been played.

The Senior boys' tournament is as follows: Jim Dudley vs. George B. Armentrout; Gordon Rendall vs. Shorty Colquitt; Howard Lemmons vs. Bobby Lemmons; Joe B. Chapman vs. George B. Armentrout; Gordon Rendall vs. Billy Hannah; Donald Wilson vs. W. B. Robertson; Bobby Lemmons vs. George B. Armentrout; Gordon Rendall vs. Donald Wilson; George B. Armentrout vs. Donald Wilson.

The finals of the boy's tournament have not been played.

THE Prowler

By Howard Lemmons

I believe that "ole green-eyed monster" has been giving Jean quite a lot of trouble lately. She got a little mad when Tincy had a date with a certain Tech student. Jean won't admit it, but she was just a little jealous.
Johnnie, what has happened to your boy friend? You haven't been with him lately, have you? You were doing a nice job chaperoning Roy and Eloise Sunday night.
"Shorty" was no where to be found Saturday night. Shorty, what were you doing in Sonora?
Well, well, Dorothy H. has a new boy friend. Dorothy, didn't you tell a few college boys a tale or sompin' about your future plans? If you did, those tales aren't worth a flip now.
The freshmen boys had a nice little warming Monday at noon. They had to run through the belt line. Not only that, but a few got sick at their stomach chewing Beech-nut. How was the tobacco, Bud?
Joe B. and "Boochie" made a useless attempt to play hookie Monday afternoon. After a few moments of freedom, they were captured and brought back alive. That's all right. You two boys at least didn't back out.
Bess had a visitor over the weekend. No one knows whether Bess had rather see her boy friend or the car the most. Which one, Bess?
J. K. can be found at the show almost every night that Gem Ella isn't home. If looking for J. K. some night, the quickest thing to do is to find out whether or not Gem Ella is at the show. If she is there, so is J. K.
"Corky" and Norma have been seen together quite often lately. If they are not riding around, they're probably in the show.
Sybil Luther seemed to be enjoying a few sets of the "Angelo Stomp," Sunday night. Where did you hook him, Sybil?

The Senses

By Kirby-West

SEEN—

Dub looking like Robert Taylor in his new sports outfit last week.

J. K. out at the Twin Oaks with some very cute girls Saturday afternoon.

Eddie visiting Norma one night. When did this happen?

The band working conscientiously before the band trip.

Many new sweaters being worn. The basketball and volleyball sweaters were awarded in assembly last week.

Jim and Roy as spectators of the invitation tournament in San Angelo.

Ethel Mayes being picked up by Roy, Jim and Miles after the picnic.

Johnnie climbing out of the elevator at every stop and on every floor up to the tenth of the campus.

J. K. and Roy sandwich date Gem Ella.

A tree just "popping up" out of the ground where an alley was supposed to be.

Bobby making funny music with Jim and Wayne tucking in Joe Couch minus two teeth.

Billy Buckley turning square corners from the typing room to the upper hall. Nice military training we have here.

Eddie Cooke with something to all over his face. Just some April Fool joke played by some boys.

The Spanish II class enjoying all day suckers after the lesson was finished.

HEARD—

When the referee asked Johnny for a coin to flip to see who would win the serves, Johnny asked if she could flip a dollar bill.

That "Mr. Boyd" (Johnny) has a room reserved in Georgia Tech Music. Someone must be looking for him.

He has his radio tuned so high it could be heard all over the Saturday night.

Howard talking about pulling straw off cactus plants.

Wild and woolly discussions in the Press club meeting. At least some of the committees were appointed.

The concert artists sang "That is the dopest boy!" (Spelling of Miles.)

An excellent speech, "I hope you won't disappoint us and there." It is claimed that a comment was meant to be put between "us and the "and."

Editor Pierce trying to get busy to study at 7:30. He was too interested in gossip, though. Better late than never!

FELT—

Happy. The tennis courts are nearly done—thank goodness.

Sore muscles. Frances was being around in the rain? Saturday before last (on horseback).

Silly. For the word "infantry" dust." Noma V. put "child" in it.

Slightly sick. The elevator made the tennis players feel dizzy, so they walked to the top floor.

Funny. People who swipe their ers shouldn't proudly show them to the owner.

TASTED—

Four girls got high-browed the weekend and had their lunch sent up to their room in the hall.

Delicious, though soggy, chocolate-covered caramels.

Good drinks and sandwiches in Press club.

Lipstick. The under class took it out on the senior girls April Fool and painted them with lipstick and monkey blood.

SMELLED—

Oil. Billy Buckley has been working with oil in the lab.

Tennis Teams Lose Matches In Tournament

The Ozona high school tennis team gained some very valuable experience in the tennis meet in San Angelo last Saturday. Although they didn't win any of the matches, they made a good showing against some of the outstanding performers in the section.

Donald Wilson and George Armentrout had a lead on their opponents from Arden, but, as they hadn't been practicing lately, they were finally downed 2-4 and 6-4. The Lion singles player, Floyd Hokit, found too much trouble in the San Angelo representative match and defeated 6-2, 6-2.

In the girls' division Johnnie Boyd and Tincy Kirby engaged the state runner-up team of... (Continued on Page Seven)

### Benny Grazes In Peace With New Horn Fly Traps

COLLEGE STATION. — "The horn flies were bad and the cattle were nearly crazy. Out of the brush comes an old cow at a dead run. She heads for the trap, goes through it, and starts grazing easy on the other side."

That is an example of the stories going the rounds about the new horn fly trap designed by W. G. Bruce of the USDA Bureau of Entomology and Plant Quarantine, and tested experimentally on several Texas ranches.

The trap resembles a carnival "crazy house" and is placed where cattle must pass through it on their way to water and in similar locations.

Weighted flaps knock off the flies and traps—placed to take advantage of the insect's habit of flying to the side when disturbed—catch them.

There has been no difficulty in familiarizing livestock with the trap. Once the flies become annoying, the cattle soon learn to make for the trap.

A list of materials and an illustration of the trap—which can be built from scrap material by anyone handy with tools—may be obtained by writing to Cameron Suddall, entomologist of the Texas A. and M. College Extension Service College Station, Texas.

### Awards Given

(Continued from Page Six)

in Barnhart during the Barnhart tournament.

Those receiving basketball sweaters were Captain Howard Lemmons, Donald Wilson, George Armentrout, Billy Hannah, Jim Dudley, Byron Williams, Ed Leatherwood, Bobby Lemmons and Coaches Ted White and Jake McCulley. Those lettering in volleyball were Captain Jean Drake Tincy Kirby, Helen Mayes, Florence Luther, Rozelle Pharr, Gem Ella Dudley, Johnny Boyd, Eloise Carson, Dorothy Hannah and their coach, Miss Margaret Martin.

### Tennis Teams

(Continued from Page Six)

year and found them entirely out of their class, losing by the identical score of 6-0, 6-0. Billie Jo West made a very impressive showing against San Angelo's singles player, but the pace was a little too great and she lost 6-4, 6-4.

Taking in the fact that the local players haven't been able to practice for the past two weeks and that the players they engaged

## Their Negotiations Saw End to Russo-Finnish War

Principal figures in bringing to an end the three and one-half month war between Finland and Russia were (left to right) Viacheslav M. Molotoff, Soviet foreign commissar; Rysto Ryti, premier of the Republic of Finland; and Dr. Juho Paasikivi, Finland's outstanding expert on Russo-Finnish affairs. Ryti and Molotoff headed the groups that agreed upon terms of a peace treaty between the two countries. Russia's grip over the northern Baltic was virtually clinched by the terms of the peace treaty reached with Finland. Terms of the treaty were considered by authorities to be much harsher than pre-war Russian demands.

were the most outstanding of the section, they showed that they were going to give some one a good race in the district meet in Fort Stockton next weekend. The work being done on the tennis courts is due to be finished this week and will be ready for use by the end of the week.

### SEVENTH GRADE

The seventh grade has been busy studying declamations and records. The winners in the declamations were: Alyne Hokit, first; Mary Elizabeth Gray, second and Louise Bean, third. They were said to three judges and the class in the sixth grade room. The winners in the music memory contest were Judith William, first and Ailene Cooke, second. In the number sense contest, Basil Dunlap took first place with a score of 19, with William Yaney second with a score of 15.

#### SHERIFF'S SALE

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION AND ORDER OF SALE. STATE OF TEXAS, COUNTY OF CROCKETT )

By virtue of an execution and order of sale issued out of the District Court of Bexar County, 73rd Judicial District of Texas, on the 25th day of March, A. D., 1940, by the Clerk thereof in the case of NEW HOMES, INC.,

—vs.— HOMER B. ADAMS, et ux. No. B-95, 365

And to me as Sheriff, directed and delivered, I will proceed to sell to the highest bidder, for cash, between the hours of 10:00 o'clock A. M. and 4:00 o'clock p. m., on Tuesday, May 7, A. D. 1940, it being the first Tuesday of said month, at the courthouse door of the Crockett County Courthouse in the City of Ozona, Crockett County, Texas:

Being a tract of land 100 feet square out of the southwest corner of Block 77, in said City of Ozona, Texas. Levied on the 1st day of April, A. D. 1940, and to be sold to satisfy a judgment, dated the 8th day of November, A. D. 1939, and recorded in the minutes of the said 73rd Judicial District Court of Bexar County, Texas, in Vol. 42, pages 256-257 thereof, in favor of New Homes, Inc., against Homer B. Adams and Edna Gene Adams, jointly and severally for the sum of \$3,112.02, together with interest thereon at the rate of six percent per annum from the date of judgment until paid, and all costs of suit and the further costs of sale, together with a foreclosure of the deed of trust lien, of record in the Deed of Trust Records of Crockett County, Texas, in Vol. 12, on pages 233-236 thereof, on the above described property as said lien existed on the 6th day of March, A. D. 1936, and has at all times since then existed and still exists upon and against the above described real estate against the defendants, Homer B. Adams and Edna Gene Adams.

Given under my hand on April 1, 1940. W. S. WILLIS, Sheriff, Crockett County, Texas.

### 8 DEFENDANTS—

(Continued from Page One)

toxicated, drew a 60-day jail sentence and a fine of \$50 on his plea of guilty before the court. The jail sentence was suspended, however, during good behavior.

Three other criminal cases on the docket were continued. Two of these cases were against Raul Hernandez and Manuel Arsula, charged with forgery. The two Mexicans were convicted here last year and given two-year sentences, but on an appeal, the Court of Criminal Appeals reversed and remanded the case for new trial. The Mexicans are charged with forging the name of Claude Hill to checks. The case of the state against J. G. Long, county treasurer of Upton county, charged with misapplication of county funds, was also continued.

The unanimous decision of the eight defendants to plead guilty and accept sentence of the court cleaned the criminal docket and there being no civil matters requiring a jury, the court adjourned Tuesday afternoon before the petit jury panel was required to report Wednesday, the petit jurors being dismissed before they reported.

Serving on the grand jury were A. C. Hoover, foreman, T. A. Kincaid, Jr., Joe T. Davidson, Max Schneemann, Hugh Childress, Roger Dudley, Bascomb Cox, Paul Hallcomb, Dempster Jones, Evert White, Bill Bissett and Tom Harris.

### Winners Chosen—

(Continued from Page One)

Winners of the junior girl declaimers were Mary Elizabeth Gray, Myrtastine Hokit, Jo Nell Coose and Nan Tandy. The boys in this division were Tom Ed Montgomery, Arthur Byrd Phillips, Gobel Luther and Jimmy Read. Members of the Sonora faculty judged the contests.

First and second place winners in the picture memory were Doris Busby and Jo Nell Coose and ranking highest in number sense were Basil Dunlap and William Yancy.

Music memory contestants taking first and second place were—Fifth grade: Jo Nell Coose, John Fuesell and Peggy Jeffreys, tied. Sixth grade—Nan Tandy and Charlene Williams, tied; Rosalie Lemmons. Seventh grade—Judith Williams and Ailene Cooke.

Contestants in the high school typing, listed as they scored, were Tincy Kirby, Floyd Hokit, Billy Hannah, Jean Drake and Gladys Jean Willis.

### Favorite Home Economist Coming

Mrs. Gertrude Burbank, pictured above at her work table in the course of one of her lectures and demonstrations of new ideas in cooking and home management, is coming back to Ozona for her second visit on the occasion of the Ozona Stockman's sixth annual free cooking school to be held April 22 and 23. Mrs. Burbank is one of the most popular lectures on the platform and has advised thousands of women on short cuts to better home management in her years as a cooking school lecturer.

### Historic Bridge Sherman Used Out Of Service

FAYETTEVILLE, Tenn.—Tim has taken its toll and the famous and picturesque old stone bridge over which General William Tecumseh Sherman and his troops marched during the Civil war has been closed to traffic. A modern, new span has been erected over the Elk river, about 100 yards down stream.

The old bridge was built of native limestone and had six elliptical arches and was 450 feet long. Before it was constructed in 1860, an old time ferry operated across the stream.

The bridge was built at the historic point where General Andrew (Old Hickory) Jackson mustered an army of Tennessee backwoods-men and marched away to defeat Pakenham's British forces at New Orleans, La., during the War of 1812.

It is believed that Hernando de Soto spent the winter of 1540 and 1541 at this exact point. This belief of historians was strengthened only very recently by the finding of a coin in the Indian village near by bearing the inscription of a Caesar.

### BIRTHDAY DINNER

Honoring Mrs. Rice Lynn on her birthday, Mrs. S. M. Harvick, Mrs. Marbury Morrison and Mrs. V. I. Pierce entertained members of their family with a dinner at the Harvick's home Wednesday.

Present were Mrs. W. E. Friend Jr., and daughters, Carol and Rosalie; Mr. and Mrs. T. A. Kincaid, Mrs. Bert Kincaid, Mr. and Mrs. S. M. Harvick and children, Martin, Jim Ad and Ann; Chappo Morrison, Miles Pierce and Mr. and Mrs. Jake Miller.

Mrs. Ray Wilcox of Big Spring and Mrs. Lillie Wofford of Sabinal are guests this week of their sister, Mrs. Kate Baggett, and Mr. and Mrs. W. R. Baggett.

Sheriff W. S. Willis, who has been seriously ill for several days, was reported improved this week. He was able to be out for a time yesterday.

R. L. Flowers, district deputy Grand Master of Masonic lodges in this district, and C. C. Doty visited the Eldorado lodge at a session Saturday night. Representatives from the Sonora lodge also visited with the Eldorado group.

BLANK NOTES—25c per pad at The Stockman Office.

### Junior Club Names Dist. Delegate

Mrs. Ed Bean was named delegate to the district convention and a program on marriage was heard when the Junior Woman's club met last Thursday afternoon at the home of Mrs. P. T. Robison with Miss Totsy Robison, hostess.

The group voted to observe guest day April 11. Miss Wayne Augustine read a paper on marriage written by Mrs. C. E. Davidson, Jr.

Others present were Mrs. Arthur Phillips, Mrs. Rex Russell, Mrs. G. L. Nearsta, Mrs. Sidney Millsbaugh, Jr., Mrs. Walter Augustine, Miss Wanda Watson and Miss Zelma Scott.

O. D. Busby visited his parents, Mr. and Mrs. Jim Busby in Henderson Friday. He was also a business visitor in Dallas before returning to his home here Saturday.

F. L. Napier of Menard, tank building and concrete contractor, was an Ozona visitor this week. Mr. Napier plans to operate in this county and was here soliciting customers.

Mrs. A. C. Hoover, Miss Beth Fussell and Mrs. Carl Wick left Monday morning for Colorado City to attend the District convention of Women's Clubs.

Baker's **PIGGLY WIGGLY** Friday & Saturday APRIL 5 and 6

Exclusive Dealers In GOLD CHA IN FLOUR -- RED CHAIN FEED

## "I'VE ADVISED A LOT OF PEOPLE TO BUY A PONTIAC!"

"A lot of people look at the size and quality of a Pontiac and decide without ever investigating that Pontiac's price is beyond their reach."

"They spot me in my big, new Pontiac and inquire how I can afford it. Few realize that Pontiac's price is right down with the lowest."

"I tell them to take a good look at a Pontiac price tag. It's an eye-opener. And that's why I'm driving a Pontiac."

"I never miss a chance to show off my Pontiac. There isn't a smoother engine on earth, and I'm getting three to four more miles a gallon."

IT'S AMAZING the impression of high-priced luxury the low-priced Pontiac has given to the American public. In a recent survey, nine out of ten people guessed the Pontiac price from \$100 to \$200 higher than the actual figure. And 49% of those who guessed so high said it was worth that difference!

IT'S HUMAN NATURE to let your friends in on a good thing. That's why Pontiac owners are so busy advising their friends to buy the new 1940 Pontiac. They're pointing out that, at a price right down with the lowest, Pontiac delivers you a big, long-wheelbase car—wide-seated and roomy—furnished and finished in luxurious fashion—and powered by a power-packed engine that challenges the gasoline economy of the smallest cars. Why postpone that big-car, quality-car thrill? What's to stop you, when a big, beautiful Pontiac costs so little?

\*Delivered at Pontiac, Mich. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice. A General Motors Value.
