NUMBER 4

Donates For Street Piping System

Cooperation Sought In Completion of Project

Lift toward final real-estate long-standing project erect street markers a system of house numbers, was given this week by Continental Oil Co., when approximately 1,000 feet of steel pipe for use in the street markers.

Part of used pipe was supplied by Dick Webster, representative committee appointed by the Lions Club to secure for the project, which is jointly by the Ozona Club, the Ozona Woman's Club and the Woman's Forum. It may be made available to any company if it is needed for the project, it was stated.

Members from the various organizations plan to petition the Commissioners Court to petition toward completion of the marking project. Estimates have been secured on the street name plates of various styles and a source from the house number company may buy house numbers. The committees plan, with the help of county authorities to determine locations for the street markers and the house numbering.

Example of the improvement in street numbering will be gained with a first-hand view of the new Chandler street, in which pipe stands have been set at street intersections. The plates installed design the various street names.

For Tubb Strike Picket Field Is 5th Pay Zone

Drilling Co. of Ft. Worth at 5 1/2-inch casing at 3,860 feet completion attempt perforations as a lower discovery at the No. 1 May in 39-31-H&TC, east offset most westerly lower Clearfork producer in the Tippet multiple.

Production was assured with the flow of oil at the rate of 30 barrels an hour on a 30-minute drill-test between 3,850-70 feet. Oil flowed in five minutes. Gas-oil ratio was 400-1. Flowing pressure 450 pounds; 30-minute shut-in pressure, 1,705 pounds. Total flow is 3,870 feet.

Lower Clearfork producer, E Tippet, topped the lower camp at 4,195 feet.

Am Golf Tourney For Ozona Course Wednesday, May 2nd

Hodges, local manager and of the Ozona Country Club, announced a Pro-Am Tournament to be held here in Ozona Wednesday, May 2nd. The tournament is sponsored by the West Pro-Am Golf Association. The entrance fee will be \$3.00 and the interested in taking part may call the club for information. Tee-off time is scheduled for 10 o'clock Wednesday morning.

The team entered, will compose with an A, B, and C playing according to handicaps. Win will be determined by the system.

The public is cordially invited to be part in the play. Several golfers have already entered and more are expected this week.

Scott Pettiers is here this week from her home in Dallas with her sister, Mrs. Floyd Brown, and family and with many friends here.

1956 March of Dimes Campaign Here Netted \$1,820.96 For Fund

A final report on the 1956 March of Dimes campaign on behalf of the National Foundation for Infantile Paralysis, made this week by drive Chairman Frank James, shows a total of \$1,820.96 donated by Crockett county citizens to the fund for the continuing fight against the child crippling disease.

The Mothers March netted \$524.60. Sporting events, the "points for polio" at the local basketball game, brought in a total of \$437.70 to the fund, clubs and organizations of the city donated a total of \$300 and Ozona school children gave \$230.50. The "special gifts" drive netted \$110 and coin boxes placed in stores in the city brought another \$129.75.

Total campaign expenses, for posters, coin boxes and drive supplies amounted to \$51.05. Mr. James reported, leaving a net of \$1,769.91. Half of this amount will be retained in the local polio fund and the balance has been sent to the National Foundation.

Water District To Study Expansion, Financial Needs

Growing City Presents Possibility New Financing Needed

Crockett County Water Control District, a district which embraces approximately the city limits of Ozona, and which owns and operates the Ozona water and sewer system, is experiencing "growing pains."

Demands of a fast-growing community for water and sewer expansion has prompted directors of the District to order a look-see into the future needs of the system and its financial needs incident to such expansion.

The directors in a recent meeting authorized the employment of a competent engineer to study the future needs of the community for water and sewer service and an auditor to study the financial aspects of the district's operation with reference to its ability to retire more bonds out of revenue if such new financing is found necessary.

From the purchase eight years ago of the existing water system, the district has voted revenue bonds in the total amount of \$275,000 of which all but \$192,000 have been retired from revenue of the water and sewer operation. The sewer system, originally installed by the district from the county.

With the funds derived from the revenue bond sales, the district has built, almost from scratch, a complete and adequate water and sewer system. While meeting demands of the outstanding bonds out of revenue, the system has so far taken care of needed expansion to the system but continued growth of the community has presented problems of financing that may require additional bonds if the fringe developments are to be served, the directors pointed out.

Additional water and sewer lines will be required in the new Chandler addition and with developments to date in that area the district faces a heavy payment for installations made originally by the development company. The new hospital location and the residential area development just west of it, plus a fast developing area in the Mike Couch addition will call for further heavy expenditures on the part of the water district.

More than a hundred houses which the system served in the area of Ozona heavily damaged by the flood of 1954 were wiped off from its books by that disaster and the expanded housing developments which have necessitated expansion of the system are the result of that loss, plus the opening of new additions for home building as a result of natural growth and demand.

Drivers' Clinic Open To Public Here Saturday

Many Attendance Prizes By Merchants To Push Clinic

An interesting and instructive program, of interest to men, women and children, has been arranged for the Drivers' Clinic which will be held Saturday, April 28, from 1:30 to 4:30 p. m., in the North Elementary school auditorium.

The Clinic, sponsored jointly by the West Texas Utilities Co., the Ozona Woman's Forum, the Ozona Woman's Club and the local chapter of Epsilon Sigma Alpha sorority, is open to men and women and children of all ages and will be of interest and profit to all who drive cars.

Speakers will be Miss Eudora Hawkins, with the public service department of the West Texas Utilities Co. in Abilene; Joe Perry, district Safety Officer with the Texas Department of Public Safety; Dr. Maurice Lemmons, Byron Cleere and A. O. Fields, all of Ozona. The speakers will discuss safety in driving, care of cars, vision as related to safety, public school classes in driver education and other related subjects.

The Clinic was originally scheduled to be held in the school cafeteria but because Safety Officer Perry will bring a movie on safety the meeting was moved to the North Elementary auditorium where the picture can be shown.

To help in spurring attendance a number of Ozona merchants will donate door prizes to be distributed among those attending the clinic. The donors and the prizes they will give are as follows:

Ozona Butane Co., electric clock; West Texas Utilities Co., an electrical appliance; North Motor Co., 10 gal. gas; Williams Magnolia, flashlight; James Motor, 10 gal. gas; Pridemore Gulf Station, 10 gal. gas; Frankie Jones Texaco, handi-pak for car visor; Moore Motors, magnetic tray for dash; Franklin Motors, oil change; Taliaferro garage dust cloth; Collett's Texaco Station, utility light; Glenn Sutton Chevron Station, bottle car wax; Leo's Service Station, flashlight holder; Ozona Oil Co., magnetic tray for dash; Wesley Sawyer Jewelry, map and utility case; Foxworth Galbraith, tool set for glove compartment; South Texas Lumber Co., tool set for glove compartment; Troy Williams Motors, spray-on cleaner wax; Wylie Sinclair Station, can Sinclair upper-lube; Ozona Boot & Saddlery, leather gloves; North Grocery, carton chewing gum; Williams Grocery, 3 boxes candy; Ranch Drug, box stationery; Joseph's pair hose; Laura Lee's Beauty Shop, bottle hand cream; Ratliff Hdw. & Furn. roll shelf lining; Ozona National Bank, 200 personalized checks; Smith Drug, ash trays; Ozona Drug, ballpoint pen; Modern Way Grocery, 2 pounds coffee; the Ratliff Store, 2 pairs stretch sox and C. G. Morrison Cr., an oleander plant.

World Field Well In Crockett Completed For 1,741 Bbls. Daily

The World, West (Strawn) field of Crockett County has been extended 3/4-mile northeast on the east side with the completion of Cities Service Oil Co., No. 3-G Shannon, in 70-BB-Hernandez survey, 15 miles southwest of Big Lake.

It was completed for a calculated daily flowing potential of 1,741 barrels of 49.1 gravity oil, plus five tenths of 1 per cent water, with gas-oil ratio 2,380-1.

Production was through a 3/4-inch choke and perforations between 8,060-70 feet in 5 1/2-inch casing set at 8,113.95 feet, the total depth. Pay section was acidized with 1,000 gallons.

Top of pay was picked at 8,060 feet on derrick floor elevation of 2,758 feet.

Plans Prepared For Teacher Housing School Additions, Plot Planned

Plans are now being completed on the new teacher housing units to be built on the hill east of the high school and on the new auditorium to be added at the South Elementary School and as soon as completed, the schools will be ready to ask for bids for construction of these units.

The \$20,000 bond issue which will provide funds for these additions to the school system and for repairs on the North Elementary building, were recently sold at an interest rate of 2.68 percent, one of the highest rates in recent years for a local issue, reflecting the nationwide trend toward higher interest rates.

A plot plan has been prepared for the addition site on the hill where 20 teacher housing units are to be constructed. Architect Wyatt C. Hedrick is preparing plans for the houses and for the auditorium and these are expected to be completed within the next week or two.

Weger Field Extended By New Slick Oiler

The Weger (San Andres) field of Crockett County has been extended 1/2-mile west-northwest on the west side with the completion of Slick Oil Co., No. 2-C Neal, in 50-GC&SF, 12 miles south of Big Lake.

It was completed for a daily flowing potential of 91.43 barrels of 31.5 gravity oil, no water, with gas-oil ratio 862-1.

Production was through a 16-64-inch choke and perforations between 2,319-36 feet, 2,350-62 feet and 2,376-86 feet in 5 1/2-inch casing set at 2,500 feet, the total depth.

Top of pay was picked at 2,319 feet on ground elevation of 2,555.5 feet.

Tubing pressure was 150 pounds, casing pressure, 400 pounds.

Armed Forces Reserve Grade Determination In San Angelo Friday

A grade determination board to give armed forces enlisted discharges a chance to attain their former rank in the active reserve will be held Friday at San Angelo, it was announced from the Reserve Center at San Angelo.

Board members from San Antonio will interview discharges who were released without obligation and who desire to become active in the Air Forces reserve with their former grade.

Midland Operators To Drill Two Outposts To Crockett Gas Field

Donald M. Oliver and Wright E. Cowden of Midland have filed application to drill two outposts to production in the Donham gas field of Crockett County, 20 miles northwest of Ozona.

The projects, on a 640-acre lease, will be drilled with cable tools to 1,500 feet.

The No. 3 Joe Bean, 3/4-mile northwest of production, is 2,310 feet from the north and 990 feet from the west lines of 47-UV-GC&SF.

The No. 4 Joe Bean, 3/4-mile north and slightly west of production, is 2,310 feet from the north and west lines of the same section, block and survey.

TO PREACH SUNDAY — Rev. Troy Hickman, on leave as pastor of the Ozona Methodist Church because of illness, will preach at the morning service at the church Sunday. The Hickmans now reside in Dallas. A covered dish supper at the church Saturday night will honor the Hickmans.

Midland Operator To Drill Two Wildcats On U.T. West of Ozona

H. S. Montgomery, et al, of Midland have filed application to drill two 1,600-foot cable tool wildcats in Crockett County, 10 miles west-southwest of Ozona.

Operations will begin as soon as permit is received.

The No. 1 University, is 1,650 feet from the north and 2,310 feet from the east lines of 13-32-University.

The No. 2 University, is 1,650 feet from the south and 990 feet from the west lines of 13-32-University.

El Sombrero Cafe To Hold Formal Opening Of New Quarters Sun.

El Sombrero Cafe, operated by Mr. and Mrs. Tony Garza in the Sam Martinez building in the Latin-American sector, will hold formal opening of its new dining room and refurbished main cafe quarters next Sunday, with Raul Machado and his orchestra providing dinner music from 12 noon to 2 p. m. for the entertainment of guests.

El Sombrero, which specializes in excellent Mexican foods, has leased the entire building formerly occupied by Sam Martinez' Popular Dry Goods store and will use the new addition as a dining room, available for parties, clubs in addition to regular diners. The addition will more than double the cafe's seating capacity.

The Popular Dry Goods is in process this week of moving its stock and fixtures across the street into a new building just completed by Sam Martinez. The old building which housed the cafe and dry goods store is being made into one with opening into the new dining quarters from the cafe and in addition is being given a new look outside and inside by new construction. New booths are to be installed and tables set up in the dining room and main cafe, with many new items of equipment added for the expansion move.

The Garzas extend an invitation to all their customers and friends to visit the new quarters during the formal opening Sunday.

Change In Plans Of Radar Station Delays Building

Estimated Construction To Begin Within Next Three Weeks

A last-minute modification of plans requested by the Air Force for the Aircraft Control and Warning station to be built for the Air Defense Command, U. S. Air Force five miles east of Ozona, was responsible for the delay in final award of the contract and start of construction of the installation.

This was the information gained in a long distance telephone conversation with the office of Col. Harry O. Fischer, district engineer Corps of Engineers, U. S. Army, in Fort Worth yesterday.

Bids were received by the Corps of Engineers in February and Robert Gayler of Lampasas, building contractor, was determined as the low bidder at \$880,873. Final and official award of the contract was subject to approval by the Air Force, Col. Fischer pointed out, and when the change in plans was requested by the AF these changes were incorporated in the plans by the Corps of Engineers and re-submitted.

With progress made in the modification of plans to date, the district engineer estimated that the new plans would be completed and approved and ready for the final contract signing within the next three weeks.

The radar installation here is one of a string of such warning stations to be built across the southern boundary of the United States to guard against possible invasion by hostile aircraft from the south. The nation's attention is turned to the southern fringe of the country by the presence at times each year of the "jet stream" a fast moving wind high aloft which centers about over the city of San Antonio and which would furnish a "tail wind" for hostile aircraft for a quick thrust at the U. S. should hostilities break. The line of radar stations will extend from Balmorhea to Louisiana, including several unmanned or auxiliary stations which will operate automatically.

The station at Ozona will be manned by a detachment of approximately 160 enlisted men and 10 to 20 officers plus around 20 civilian employees. It will represent an investment by the government of 2 1/2 million dollars and will bring a monthly payroll of more than \$30,000 monthly to this area.

Methodist Supper Saturday Night To Welcome Hickmans

Members of the Methodist Church and friends will join in a covered dish supper in the fellowship hall of the church Saturday night to welcome Rev. Troy Hickman and family who will arrive from Dallas sometime Saturday to spend the week-end.

Rev. Hickman will preach to the local church congregation at the morning hour Sunday, his first visit back here since illness forced his temporary retirement as pastor here.

All friends of the Hickmans are invited to bring a dish of food and join in the supper and to visit with the Hickmans.

Hopes Rise With Half Inch Rain, Dashed As Clear Skies Return

The stuff with which drouth is broken came briefly to the Ozona section last Thursday night and Friday morning and low hanging clouds brought a registered fall of .48 of an inch to Ozona and similar falls to the western and northern half of the county.

But the dreams of drouth stricken West Texas quickly faded as the picture changed back to clear skies and balmy weather, with scarcely a cloud at mid-week and the half inch of rain gone and nearly forgotten.

World Religions Woman's Club Study

The Ozona Woman's Club met Tuesday in the home of Mrs. H. B. Tandy with Mrs. Hortense Davenport as co-hostess. Reports from officers were made during a short business session and individual donations were made for the Cancer Crusade. Mrs. L. B. Cox, Jr., president, urged members to participate in the Adult Driver's Clinic to be held at the North Elementary School next week end. Mrs. P. O. Hatley was program leader. Mrs. Tandy gave the invocation and Mrs. Cox gave an illustrated lecture on "The World's Great Religions." Musical records representative of each religion were played. Visitors attending the meeting were Mrs. John R. Sharp and Mrs. Virginia Summers of San Antonio. Members present were: Mesdames Hubert Baker, John Bailey, Ira Carson, L. B. Cox, Jr., Hortense Davenport, J. A. Fussell, P. O. Hatley, A. C. Hoover, Roy Kill-

ingsworth, Stephen Perner, P. T. Robison, H. B. Tandy, C. L. Williams, Sr., Taylor Word and Miss Mildred Ralston.

MRS. POST ENTERTAINS

Mrs. Bailey Post entertained with a bridge party in her home last week. The spring motif was carried out in decorations with yellow and white as her color theme. High score was won by Mrs. George Montgomery, Mrs. Hudson Mayes won low, and Mrs. Victor Pierce, Mrs. Stephen Perner and Mrs. Max Schneemann won bingo. A salad plate was served to the following guests: Mrs. Evert White, Mrs. J. W. Henderson, Jr., Mrs. Joe Davidson, Mrs. Early Baggett, Mrs. Joe Pierce, Jr., Mrs. Lowell Littleton, Mrs. Max Schneemann, Mrs. Stephen Perner, Mrs. Victor Pierce, Mrs. Ira Carson, Mrs. Wayne West, Mrs. Hudson Mayes, Mrs. George Montgomery and Mrs. H. B. Tandy. For Registered and range Ram- bouillet Rams, see T. A. Kincaid, Jr.

EDITORIAL

'Tis April and we hear proud trumpets sound and bugles blow. Nature's feathered orchestra proclaim the resurrection of sodden earth. Hibernating beasts shake off their winter lethargy. Jay reigns and Spring is here.

Bastic figures plow for the next harvest and man builds and plans for better days. The pessimists are put to rout and the Sun rises over a hopeful humanity.

It seems as if the vernal chorus of man and Nature drown the notes of sadness and defeat. The worries of school and homework are almost forgotten as students turn to ideas of spring and love.

SOPHOMORE NEWS

Big Plans are being made by the Sophomores class for the summer! The sophomores are going to run the concession stands for the annual Horse-Show and rodeo. Committees are being formed and high arms have been set for money making. Don't forget to drop by the concession stand at these times!!!

SENIOR PLAY

The Seniors are hard at work on the Senior play which will be presented April 30 and May 1.

The play, "Magnificent Obsession," was taken from a novel written by Lloyd C. Douglas.

The qualities of "Magnificent Obsession," characterization, a very human story, the actionful drama, glints of humor, and its message

made this book a best seller. Eventually, it was translated into many languages, and it is estimated that at least 2,000,000 persons have read it, and more are still discovering it. Six years after its first appearance "Magnificent Obsession" was made into a movie.

The characters in the play are as follows. Martha, a housekeeper is played by Janie Ruth Adams; Nancy Ashford, a friend of the Hudson, by Janice Spencer, Helen Hudson, wife of Dr. Hudson is played by Martha Bailey, and Dr. Malcolm Pyle, colleague of Dr. Hudson, is portrayed by Joe Boy Clayton. Carl Conklin plays Monty Brent, who is Helen Hudson's cousin. Joyce Hudson, daughter of Dr. Hudson, Ann Baggett, Bobby Merricks, a friend of Joyce's by Buskey Halydier, and Dr. Wayne Hudson, an eminent brain surgeon, is played by Mike Clayton. Bobby Estes, play Perry who is the handyman, Judy Patterson plays Wicks, an acquaintance of Dr. Hudson. Jack Dauson, a friend of Bobby's is portrayed by Jerry Beasley and his wife, Marion is done by Carol Blackstone.

The play is directed by Mr. Hack Leath and assistant directors are Judy Patterson and Gearl Dean Long.

The Seniors are sure you will enjoy this play and the public is invited to attend. Admission prices are 75 cents for adults and 50 cents for students and the time is 7:30 p. m.

SPRING FEVER

Springtime with the trees bursting into their leafy green, the bees humming contentedly about the lush flowers, and the birds twittering happily as they build their intricate nests.

Springtime a time of hayfever, and laziness. Where jobs which were so simple during the frigid months of winter require an overwhelming amount of concentration and over resolve required to move the suddenly lethargic muscles.

But, no matter how you look at it we are gifted or stuck with it

depending upon what you are, and what your outlook on life is.

Spring is among other things the time that the disease Springus Fevorousim Lazzilessness, commonly called Spring Fever. For all of you that never have had this rare malady let me describe the symptoms. First of all you become bleary, unable to see across the street and hardly able to walk over there to see what is obstructing your vision. Then a peacefulness sets in you can find fault with no one even your bitterest enemy; this is naturally dangerous as this wonderful person if he is not in the throes of this same disease might sneak up behind you, and belt you one. This disease is also very dangerous to poker players since your honorable opponent might be so low as to play those four aces he had up his sleeve instead of the straight you dealt him.

Then comes the final stage, the inability to bear, see or even think coherently. This part is useful as a guise when henpecked husbands want to get out of spring cleaning. Spring fever lasts about as long as the ordinary person thinks he can get away with it. Its only cure being a whole heap of hard work that you can see no way of getting out of.

Well, so much for spring fever and since I think that I am developing a bad case of it myself. So long.

FINE, FINE PARTY

Last Friday night everybody went around to the Country Club to a supper and dance honoring Sarah, Brock and Mike. Amid all the hay, sotol, and branding irons were plates stacked high with barbeque beans, and potato salad. The western theme was carried out with lanterns hanging at various places in the room.

The enjoyable Western and Dixieland music was furnished by a wonderful band from San Angelo. Everyone had a ball talking, eating, and dancing. If people were complaining, it was from over-eating and tired feet. Thanks to everyone who had a part and worked so hard to show us such a marvelous time.

News Reel

of "The Ozona Story" from the files of the Ozona Stockman

April 28, 1927

Efforts are being made to secure Governor Dan Moody for the President's evening at the Twelfth Annual Convention of the Sixth District Textile Association of Women's Club in Ozona on May 3, 4, and 5.

—news reel—
The indictments were returned by the Cochise County grand jury as a result of its investigation of the opening of the April term of the District court here Monday morning. Two felony, and three misdemeanor bills were found by the investigators.

—news reel—
Mrs. J. M. Dudley was elected president of the Ozona Parent-Teachers Association at the final meeting of the year for that organization Monday afternoon. Mrs. Dudley succeeds Mrs. J. J. North, who has made an enviable record during the past year as head of the association.

—news reel—
Emer Graves and R. L. Hatton were united in marriage Saturday night at the home of the bride, Justice of the Peace Nelson who officiating. Mrs. Hatton the daughter of Mrs. Laura Over. Mr. Hatton is employed at Joe Oberkamp store.

—news reel—
The Ozona Woman's Club was organized in 1910 with thirteen charter members. It was called the "Thirteen Club." Four of the charter members, Mrs. W. E. West, Mrs. Frank Friend, Mrs. W. R. Baggett and Mrs. Kate Baggett now living in Ozona and are affiliated with the present club. The Thirteen Club was federated with the State organization in

1915 and the name was changed to the Ozona Woman's Club. The membership at the present time is thirty four.

—news reel—
The Junior class gave a banquet in honor of the Seniors Saturday night at the Hotel Ozona. The decorations carried out the blue and gold color scheme. Plate favors were miniature dolls dressed in caps and gowns holding a diploma. A toast to the Seniors was given by Pauline Perner and Beulah Baggett responded. Covers were laid for thirty seven.

—news reel—
Homer Adams has purchased the Roy Parker home and will move it to a lot he owns in the south part of town. Mr. Parker is planning on building a modern home on the site.

—news reel—
Forced to leave the city because of high water as a result of an unprecedented flood in the Mississippi River and its tributaries, Miss Mary Belle Flowers, daughter of Mrs. B. C. Flowers of Ozona, is expected to arrive home Thursday or Friday from Leland, Miss., where she has been visiting relatives and studying music twice a week at Greenville.

—news reel—
Dr. and Mrs. G. L. Coates are expecting their son, Gaines, to arrive here this week end from California, where he has completed his medical course. He will remain about five weeks before returning to complete his internship.

—news reel—
Mrs. Kate Moore, who visited her daughter, Mrs. Joe Pierce, Jr. here recently, has returned to her home in Bay City. She was accompanied by Del Rio by Mr. and Mrs. Pierce and her son, S. S. Moore, the latter going on to Bay City with her and returning the next day.

—news reel—
Miss Lucille McWhorter of Sterling City was the guest of Miss Eleanor Ingham for the week end.

—news reel—
F. F. Graham and D. T. Barnett were here from the Pecos country on business the first of the week. Mr. Graham is a nephew of Joe Graham of Ozona.

EDITORIAL

'Tis April and we hear proud trumpets sound and bugles blow. Nature's feathered orchestra proclaim the resurrection of sodden earth. Hibernating beasts shake off their winter lethargy. Jay reigns and Spring is here.

Bustic figures plow for the next harvest and man builds and plans for better days. The pessimists are put to rout and the Sun rises over a hopeful humanity.

It seems as if the vernal chorus of man and Nature drown the notes of sadness and defeat. The worries of school and homework are almost forgotten as students turn to ideas of spring and love.

SOPHOMORE NEWS

Big Plans are being made by the Sophomores class for the summer! The sophomores are going to run the concession stands for the annual Horse-Show and rodeo. Committees are being formed and high arms have been set for money making. Don't forget to drop by the concession stand at these times!!!

SENIOR PLAY

The Seniors are hard at work on the Senior play which will be presented April 30 and May 1.

The play, "Magnificent Obsession," was taken from a novel written by Lloyd C. Douglas.

The qualities of "Magnificent Obsession," characterization, a very human story, the actionful drama, glints of humor, and its message

made this book a best seller. Eventually, it was translated into many languages, and it is estimated that at least 2,000,000 persons have read it, and more are still discovering it. Six years after its first appearance "Magnificent Obsession" was made into a movie.

The characters in the play are as follows. Martha, a housekeeper is played by Janie Ruth Adams; Nancy Ashford, a friend of the Hudson, by Janice Spencer; Helen Hudson, wife of Dr. Hudson is played by Martha Bailey, and Dr. Malcolm Pyle, colleague of Dr. Hudson, is portrayed by Joe Boy Clayton; Carl Conklin plays Monty Brent, who is Helen Hudson's cousin. Joyce Hudson, daughter of Dr. Hudson, Ann Baggett, Bobby Merricks, a friend of Joyce's by Buskey Halydier, and Dr. Wayne Hudson, an eminent brain surgeon, is played by Mike Clayton. Bobby Estes, play Perry who is the handyman, Judy Patterson plays Wicks, an acquaintance of Dr. Hudson. Jack Dauson, a friend of Bobby's is portrayed by Jerry Beasley and his wife, Marion is done by Carol Blackstone.

The play is directed by Mr. Hack Leath and assistant directors are Judy Patterson and Gearl Dean Long.

The Seniors are sure you will enjoy this play and the public is invited to attend. Admission prices are 75 cents for adults and 50 cents for students and the time is 7:30 p. m.

SPRING FEVER

Springtime with the trees bursting into their leafy green, the bees humming contentedly about the lush flowers, and the birds twittering happily as they build their intricate nests.

Springtime a time of hayfever, and laziness. Where jobs which were so simple during the frigid months of winter require an overwhelming amount of concentration and over resolve required to move the suddenly lethargic muscles.

But, no matter how you look at it we are gifted or stuck with it

depending upon what you are, and what your outlook on life is.

Spring is among other things the time that the disease Springus Fevorosim Lazillesness, commonly called Spring Fever. For all of you that never have had this rare malady let me describe the symptoms. First of all you become bleary, unable to see across the street and hardly able to walk over there to see what is obstructing your vision. Then a peacefulness sets in you can find fault with no one even your bitterest enemy; this is naturally dangerous as this wonderful person if he is not in the throes of this same disease might sneak up behind you, and belt you one. This disease is also very dangerous to poker players since your honorable opponent might be so low as to play those four aces he had up his sleeve instead of the straight you dealt him.

Then comes the final stage, the inability to hear, see or even think coherently. This part is useful as a quise when henpecked husbands want to get out of spring cleaning. Spring fever lasts about as long as the ordinary person thinks he can get away with it. Its only cure being a whole heap of hard work that you can see no way of getting out of.

Well, so much for spring fever and since I think that I am developing a bad case of it myself, So-long.

FINE, FINE PARTY

Last Friday night everybody went around to the Country Club to a supper and dance honoring Sarah, Brock and Mike. Amid all the hay, sotol, and branding irons were plates stacked high with bar-beque beans, and potato salad. The western theme was carried out with lanterns hanging at various places in the room.

The enjoyable Western and Dixieland music was furnished by a wonderful band from San Angelo. Everyone had a ball talking, eating, and dancing. If people were complaining, it was from over-eating and tired feet. Thanks to everyone who had a part and worked so hard to show us such a marvelous time.

SIZZLING PERFORMANCE? Don't let 'em kid you! Hot talk doesn't change the cold facts: Dodge is America's performance champion! Get behind the wheel and . . .

DISCOVER THE DIFFERENCE IN DODGE!

It licked the pants off American stock cars and made expensive European sports cars blush! At the Bonneville Salt Flats, the '56 Dodge shattered every record in the book—\$96 official AAA records in all, including 27 world's unlimited records held by European sports cars!

Whipped all cars at Daytona Beach, too! 260 hp. V-8 engine outperformed all cars in the recent NASCAR acceleration runs.

Just push a button and GO! A touch of your finger commands the break-away power of the Dodge engine. Dodge push-button driving is safe, sure, automatic—and mechanically perfect.

Dodge is built for top performance, endurance and dependability! The big, extra-strong chassis boasts a frame with rugged box-section side rails. Oriflow shock absorbers give precise control. Roller bearings make steering easier and more responsive. Rear springs are "toed-in" to resist side-sway.

For Texans only!
HIT THE "DISCOVERY JACKPOT" ON A BIG, BRAUNY TEXAN

TS&GRA Joins Other Farm Groups To Set Up Water Committee

San Angelo: Sheep and goat men joined with cattlemen and dry land and irrigation farmers in Austin last week when six state-wide agricultural associations representing these groups, organized the Texas Agricultural Water Committee.

R. W. Hodge, Del Rio, immediate past president of the Texas Sheep & Goat Raisers Association, was named chairman of the new organization and Ernest Williams, Executive-Secretary of the TS&GRA, was elected temporary secretary. Glenn White, a Texan Farm Bureau member from the Lower Rio Grande Valley, was named Vice-Chairman.

The new organization had its start in San Angelo several weeks ago. Its purpose is to give Texas agricultural interests a chance to aid in the formulation of a positive state-wide water program, the new chairman said.

The Committee adopted a report that "any adequate water program should provide for reduction of flood waste through a program of sound conservation, through upstream watershed protection and flood prevention, through a program of reservoirs on major streams for flood control and for storage of water for domestic, municipal, agricultural, industrial and miscellaneous uses."

Organizations represented were the Texas Farm Bureau, Association of Texas Soil Conservation Districts, Texas State Grange, Texas Farmers Union, Texas and Southwestern Cattle Raisers Association and the Texas Sheep and Goat Raisers Association.

The Committee's next meeting date will be set after the individual organizations representing the Committee meet with the Texas Water Resources Committee in Austin May 17-18, it was announced.

How Advertising helps you
BY CHARLES B. ROTH

Advertising Teaches

THE head of one of America's great universities sat on the same platform with the head of one of America's great advertising agencies. It was the advertising man's duty to introduce the educator, which he did, identifying him as one of the most eminent of educators and head of one of the world's greatest institutions of learning.

After acknowledging with graciousness this introduction, the college president said: "You, sir, are a greater educator than I or anyone else in my place. For advertising which you represent so successfully, conducts the greatest school for adults—children, too, for that matter—in the world."

And then he pointed out that through advertising America had become a well-informed nation; not only in values or quantities of merchandise, for advertising 100 years ago outrew such narrow boundaries, but in ideas and issues as well.

What he said is true. By that same token, the advertising pages of the newspaper ceases to be merely a guide for those who have needs to fill and

money to buy. It really becomes an encyclopedia of current living. In those pages you can find practically anything you want.

Future historians, studying our current civilization, will learn more about us and how we lived from reading the ads than the news section of the papers. For each generation put down its story in the things that it found essential to life and comfort.

When you pick up your newspaper, read the ads carefully, which is the habit of intelligent people, you may not think you are "going to school." But you are. It is a pleasant "school," one easy for you to attend, but its learning is no less important or lasting for that.

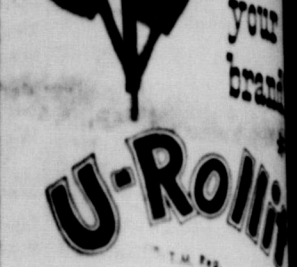

The late Will Rogers was wont to say so often it became his slogan that all he knew he read in the newspapers. He knew a good deal. And anyone who will read the newspapers, not alone what is printed in the news columns, but also in the ads will know a good deal also.

He will not only know what is interesting to know, but he will know how and where he can spend his money to best advantage. Which is also important knowledge.

Something wonderful happens when you begin to LIVE BETTER...Electrically

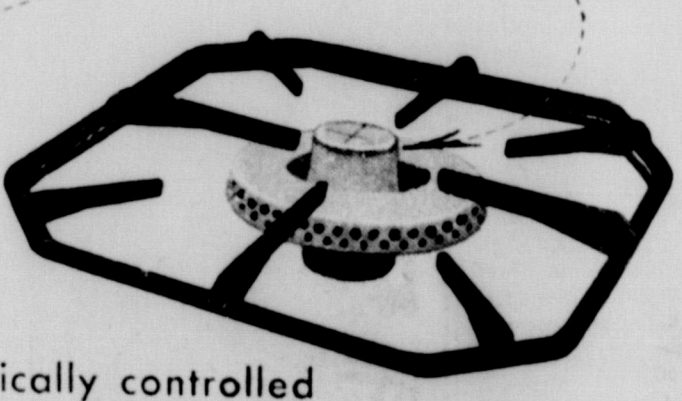

This is the happiest time of all; when the whole family's together enjoying each other at home. That's the start of good living, and electricity makes it even better, whether it's taking over the kitchen chores or providing the atmosphere that makes these moments so worthwhile.

Dad a welcome home. Air conditioning makes this a year-round room, too. The master switch by the stairs lets Mom light any room in the house, and Sis can turn the music from the hi-fi set to the speaker in her bedroom if she wants. Wouldn't your family love conveniences like these and the many more that low-cost electricity can provide? Why not start now to Live Better...Electrically.

West Texas Utilities Company

Enchanted with new Gas ranges

Thermostatically controlled top burners COOK, SIMMER and FRY perfectly — FOODS Can't Burn!

Eighty percent of your cooking is done on the top of the range! Now, flexible, fast GAS plus advanced AUTOMATION brings the precision of automatic gas ovens to top burners and griddles.

Literally, foods can't burn! Eggs fry without an undercrust or darkened border because temperature of skillet stays just right. Bacon is always crisp and golden brown. Delicious sauces stay perfect — never scorch. Top-burner Pineapple Upside-Down cake is easy — fool-proof as boiling water. And, vital vitamins and minerals are saved for your family because it's possible to cook in small amounts of water without danger of its boiling away. Gas is just as quick and precise for new thermo-controlled griddles, too. You could cook soft, evenly browned griddle cakes hours on end and they would be perfect!

Modernize your cooking with a new Gas range that features these fabulous new controls. It's Spring Showing time... you can see these revolutionary new models now!

**TALK
WESTOCK
ED GOULDY**

WORTH — April 23 — offering of sheep and lambs arrived at the market Monday. Trade was good and prices ranged from \$18 to \$21. Lambs sold at firm prices, some lightweights suited the Greek Easter trade. Shorn lambs were 10 cents higher. Slaughter sheep were fully steady, and feeder sheep and strong spring lambs \$21, and old crop shorn No. 1 pelts up \$19. Pelts lambs sold at \$19 at the higher figure for ewes lambs. Trade turned uneven as 109,000 were reported for major markets. Except for slaughter calves and good or choice stoker calplings, there were weak notes on all classes. Steers were weak to more lower, some bids off. Fat cows were about as canners and cutters were lower. Bulls were weak. Medium and low lighter calves eased into sympathy with the stoker market on the day. Buyers reported their customers were talking lower costs for replacement.

Choice slaughter spring lamb from \$18 to \$21 and medium spring from \$21 to \$17. Stocker Spring lambs cashed at \$15.50. Choice shorn fat old ewes cashed at \$16 to \$19, and \$18.50 and \$19 bears. Shorter skin created from \$17.50 downward. Medium and medium slaughter lambs cashed at \$10 to stoker and feeder shorn cashed at \$13 to \$15, those after figure being blacked.

SHOUBROUEKS
Mrs. Fred Shoubrouek, the parents of a son born in a Norman, Okla., hospital baby, weighing 7 pounds, has been named Fred, III. He is the grandchild of Ralph Jones of Ozona and Mrs. Fred Shoubrouek, Ozonans, now of Snyder.

Susie Schneemann and her Mrs. Max Schneemann, hostesses to the Methodist Fellowship group at a chicken supper Sunday night at Schneemann home. Mrs. Taylor gave a reading of the supper and approximately 26 members were present.

WANTED — Clean cotton rags. In office.

Entries In Miss Wool Contest Ahead Of Last Year, Sponsors Report

With the deadline for Miss Wool contest entrants still more than three months away, applications are already 100% ahead of entries at this time last year.

Although the minimum age was upped this year from 19 to 20, more applicants are coming in this year than in previous years at this same time, according to the San Angelo Board of City Development, sponsoring organization of the Miss Wool contest.

With the help of public appearances by Miss Wool over national radio and television programs, as well as in fashion centers of the nation, the annual Miss Wool contest is gaining steadily in recognition.

Winner of the contest to be held again in San Angelo, will receive an all-wool wardrobe valued at approximately \$4,000, an all-expense paid tour of the fashion centers of the nation, a 1956 model car for her own use during her reign, and a set of matched luggage.

This year, contestants for the Wool Queen title must have completed one year of college. Other qualifications include age: 20 to 25, inclusive; height: at least 5 feet, 6 inches tall, and no more than 5 feet, 10 inches; size: must wear a size 12 garment; and residence: must be a resident of Texas.

Last year's official ambassador of the Wool Industry was Miss Jan Turbeville of Lockhart. She was the fourth queen chosen in the annual Wool Fiesta held each year at San Angelo. This year the 11 finalists will again journey to San Angelo for five days of festivities, Aug. 28 Sept. 1, with the selection of Miss Wool of 1956 coming the last day of the show.

Mrs. Max Word was chosen to represent the Eta Zeta Chapter of Beta Sigma Phi as Duchess to the Cotton Ball and Pageant at A&M College on the night of April 27. She will be escorted by her husband Max Word, Mr. and Mrs. Word are living at College Station where he is attending medical school. Max will receive his degree in June and will transfer to Southwestern Medical School at Dallas. Max is the son of Mr. and Mrs. Taylor Word of Ozona.

IT'S TORQUE THAT MAKES THE WHEELS GO 'ROUND!

... And the High-Torque Output of Oldsmobile's Famous Rocket Engine is Instantly Translated into Outstanding Performance at the Rear Wheels!

LET'S TALK TORQUE! In plain language, torque is "twist." It's the force that makes the wheels go 'round.

So it follows... the more torque your engine has, the more go power your car has... the more getaway at the light... the more action on the open road!

That's why, when it comes to power, there's nothing like Oldsmobile's Rocket T-359 Engine - because the Rocket is torque TNT! Figures prove it: 350 pound-feet at 2800 rpm (340 pound-feet at 2400 rpm in '55 models).

OLDS CHASSIS IS ENGINEERED TO HANDLE HIGHER TORQUE!

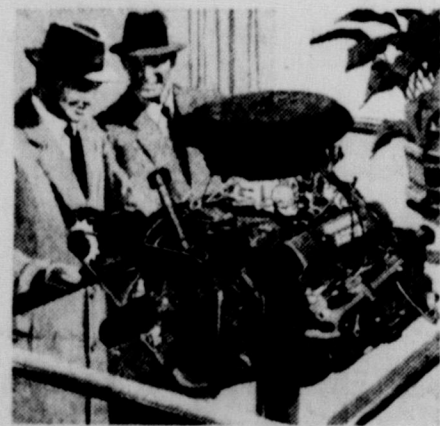

Oldsmobile has the chassis to take Rocket torque... a skillfully engineered Oldsmobile chassis with an extra-sturdy, dynamically balanced drive shaft, and an extra-rigid frame that resists twisting and weaving.

What's more, the Rocket's got horsepower - to spare! And with Oldsmobile, it's high usable horsepower... a by-product of engine design aimed straight at the wheels - design that translates horsepower into terrific torque at normal engine rpm's.

TOP TORQUE MEANS TIP-TOP PERFORMANCE!

The result is higher torque - silken, responsive Rocket action. Touch the accelerator - ever so gently - you "go"... and we do mean "GO"! You thrill to smoother, swifter bursts of power for everyday use - spectacular performance, when you need it... when you want it.

Any way you look at it, you can't top the Rocket for thrills for the money - or for top return when it's time to trade. Stop by soon. Rocket 'round the block... or around the town if you like!

OLDSMOBILE'S ROCKET - a double winner in 1956 Mobilgas Economy Run. Get the feel of top horsepower, top torque in the engine that's an economy champion, too!

Miss Eudora Hawkins, Woman's Forum Guest, Plans Driver Clinic

Beta Rho chapter of E. S. A. met April 12 at 7:30 in the Girl Scout Hut for the regular meeting. The program, "Self-Expression in Philosophy" was a panel discussion led by Mary Deaton, and presented by Margie Coates, Baby Harrison, and Claudie Moss.

The business meeting following the program was presided over by Miki Ratliff. Correspondence from headquarters was read commending the chapter for sending clothing boxes to California flood victims and for donating social money to the Treasury because of failure of the fund-raising project.

Betty Hickman reported on the Girl Scouts, asking that Sorority members raise the money for the Frontier Council assessment so that the Girl Scouts could keep their cookie money and make their own improvements on the hut and grounds. The annual assessment is \$594.00. Sandra Augustine and Bettie Tubbs were named as delegates to the Frontier Council meeting in Eldorado Sunday, April 15.

Election of Officers was held. LaRue Schneemann was elected President for the coming year, Margie Coates first vice-president, Betty Hickman, second vice-president, Baby Harrison Recording Secretary, Jane Womack, corresponding Secretary and Marjo Pelto, Treasurer. Officers will be installed in May.

The following members attended the meeting: Miki Ratliff, Mary Lou Lilly, LaRue Schneemann, Claudia Moss, Greta Isbell, Nan West, Jane Womack, Billy Jo Hayes, Betty Hickman, Bettie Tubbs, Sandra Augustine, Delores Cary, Margie Coates, Mary Deaton, Lola Cleere, Polly Perner, Aleatha Leath, Juanita Mills and sponsor, Pearl Lemmons.

On Sunday, April 15, four members and the sponsor attended the District VII meeting in Brady. Those attending were Miki Ratliff, Mary Lou Lilly, LaRue Schneemann, Betty Hickman and Pearl Lemmons.

New Officers for the district were elected as follows: Billie Guthrie, Santa Anna, President, Mary Gordon, Coleman, Vice-Pres-

sident, Daphne Dockery, Santa Anna, Recording Secretary and Josephine Turner, Brady, Treasurer.

E.S.A. Officers Named At Business Meeting

Miss Eudora Hawkins, of the West Texas Utilities Co., of Abilene and State Conservation chairman of the Federated Women's Clubs, was guest speaker Tuesday when the Ozona Woman's Forum met at the home of Mrs. L. B. Cox, III. Mrs. Brock Jones assisted Mrs. Cox as hostess. Miss Hawkin talked to the Club about the plans for the Driver's Clinic to be held Saturday, April 28, from 1:30 to 4:30 in the North Elementary Auditorium. District Safety Officer Joe Perry will speak on Safety rules of the road and show a film. Local speakers will be Dr. Maurice Lemmons, Byron Cleere and Al Fields. Mrs. Howard Lemmons will give a pantomime during the coffee break. Door prizes will be given and everyone, men, women and children are invited. This program is sponsored by The Woman's Forum Ozona Woman's Club and the E. S. A. Sorority.

"Take time to travel; it teaches toleration" was the theme of the program. Mrs. Pete Jacoby, leader of the day, gave "Tips on Trips". Miss Martha Bailey gave "Go On and Take That Trip to Europe" for her mother, Mrs. T. J. Bailey. "Week-end Trips From your Door-step" was presented by Mrs. Joe Clayton and Mrs. Marshall Montgomery gave a demonstration on "How to Pack a Bag."

Present were Mrs. Boyd Baker, Mrs. T. J. Bailey, Mrs. Charlie Elack, Mrs. Joe Clayton, Mrs. Cox, Mrs. Joe Tom Davidson, Mrs. Fred Hagelstein, Mrs. Jim Ad Harvick, Mrs. Jacoby, Mrs. Brock Jones, Mrs. Beecher Montgomery, Mrs. Marshall Montgomery, Mrs. P. C. Perner, Mrs. Joe Sellers, III, Mrs. C. O. Walker, Mrs. W. H. Whitaker, Mrs. Jack Williams and Mrs. Chas. Williams, Jr.

R. L. Bland, South Dakota ranchman, was here this week for a visit with his sister, Mrs. H. B. Tandy, and family.

More people named Jones* own Chevrolets than any other car!

*Of course we haven't actually counted all the Joneses. But it seems a safe guess. Because this year—as they have year after year—more people are buying Chevrolets. And 2 million more people drive Chevrolets than any other car. Maybe you ought to come in and see why this is so.

(Are you keeping up with the Joneses?)
