Mothers March On Polio Nets \$669 To Local Drive

Coffee Days Boost Total Feb. 10th Nil Feb. 10th

Ozona Mothers March on Polio Monday night produced a total of \$669 for the local March of Dimes campaign, a tabulation of reports made by the Mother March chairman, Mrs. Jack Wilkins showed at midweek.

The porch light campaign was directed by four captains working four areas into which the town was divided. The captains were Mrs. Joe Clayton, Mrs. Lindsey Hicks, Mrs. Roy Henderson and Mrs. Ashby McMullan.

Workers under these captains included Mrs. Dick Henderson, Mrs. Chas. Williams, Jr., Mrs. W. H. Whitaker, Mrs. Chas. Black, Mrs. Beecher Montgomery, Mrs. O. D. West, Mrs. Robert Cox, Mrs. James Baggett, Mrs. Joe Friend, Mrs. Arthur Kyle, Mrs. Martin Harvick, Mrs. Hugh Childress, Jr., Mrs. Boyd Clayton, Mrs. Hillery Phillips, Mrs. Lowell Littleton, Mrs. Batts, Friend, Mrs. Ted White, Miss Wanda Watson, Mrs. Clay Adams, Mrs. Authur Phillips, Mrs. E. H. Chandler, Mrs. Sammy Finlay, Mrs. James Ibell and Mrs. Brock Jones.

Making the solicitation in the Latin-American section were Mr. and Mrs. Gene Ramirez, Mrs. Napoleon Vitela, Mrs. Arturo Torres, Mrs. Amelia Guerra and Miss Carolina Garza. Claude Fusselman made the canvass of the Negro settlement.

Ozona cafes are observing "Coffee Days" this week and the first two produced \$135.50 for the fund. The Hi-Way Cafe took in \$31.50 for the fund Monday and at the M & M Cafe Tuesday, the total reached \$104.00. The 290 Cafe was having coffee day yesterday and today the Smith Drug will put coffee funds in the polio pot. Friday will be coffee day at the Ozona Hotel and Saturday at the Ranch. Tuesday night's Lions Club basketball game between a town team and the All-American Red Heads, girl cage team, netted approximately \$432, with \$8 a point signed up by some 80 citizens and business firms who pledged 10 cents a point for the tallies marked up by the Lions team.

The March of Dimes campaign, which started a little late here, will be left open until February 24th. Frank James, drive chairman said this week. In addition to the benefit funds already contributed by the Mothers March, basketball game and coffees days, Mr. James said that he had personally collected around \$200 to date in form of checks and cash handouts. The schools have not returned on the dime card campaign and several organizations have reported plans for contributions. The Ozona Woman's Forum made a contribution of \$50 to the fund this week.

New Location Spotted Crockett Co. Fields

Exita Oil Co. and M. D. Jaffe in San Antonio have filed application to drill an outpost and a step-out production in the Shannon (San Andres) field of Crockett County, 20 miles northwest of Ozona.

The projects on a 120-acre lease, 9-1-GC&SF, will be drilled to 200 feet with rotary.

The No. 4-D A. C. Hoover, 1/2 mile northwest of production is 2-1/2 feet from the north and 4,430 feet from the east lines.

The No. 3-D A. C. Hoover, 1/4 mile southeast, is 2,697 feet from north and 330 feet from the east lines.

Lion Oil & Gas Co. of Louisiana, Houston, has filed application to drill the No. 1-C University, 1/2 mile southwest of production in Farmers (San Andres) field, 1/2 mile southeast of Big Lake.

The well will be drilled to 2,800 feet depth, on a 159.78-acre lease, 340 feet from the south and 340 feet from the east lines of 7-50 University.

Red Heads Top Lions 60 to 54; Points For Polio Nets Drive \$432

The Red Heads beat the Lions Club basketball team 60 to 54; the March of Dimes campaign profited \$432 from a "points for polio" pledge from around 80 individuals and firms; the Lions Club bolstered its sagging treasury by nearly \$100 from its cut of the gate and the 300 or more spectators got their money's worth in a good show at the high school gym Tuesday night.

The Red Heads, a sharp shooting team of players who can hold their own with the best of men's teams, trailed the first quarter as Coach Swede Pelto set a fast pace for his teammates, but the girls started dropping them in from anywhere on the court and maintained a safe lead through most of the contest. Somebody had blabbed to the visitors about the \$8 a point for Lions scores and there was some apparent loose guarding under the basket the last two minutes in which the men made about \$80 more for the polio fund with ten fast points.

Coach Pelto led the scoring with 28 points. "Butch" Moore, sparkling little cut-up and sharpshooter for the Red Heads, led her team with 19 points and furnished the crowd with many good laughs with her antics. The Red Heads put on a good show between halves, featuring trick shots, ball spinning, juggling and balancing.

Ozonan's Father Is Named 'Man of Year' By Amarillo Newspaper

Herbert O. Wilborn, father of Mrs. Hillery M. Phillips, Jr., of Ozona, has been chosen for the sixth annual Amarillo Globe-News Award for Community Service, Amarillo's Man of the Year for 1955, according to an announcement carried in a recent issue of the Globe-News.

Mr. Wilborn, who is president of the Wilborn Bros. tank manufacturing firm which his father founded in Amarillo in 1911, was cited for the honor because of his outstanding record as president of the Amarillo School Board since 1949. For his leadership and guidance on the school board which piloted the city system through the crisis created by a rapidly expanding population coming on the heels of a deterioration in school plant and enforced construction holidays of the war years, Mr. Wilborn was lauded for his "long-headedness -- refusal to allow the immediacy of a problem to stampede action that will blur the future plan."

As a result of careful planning and management of the board, the Globe-News said, Amarillo today has a modern, 16-million dollar plant with two more modern schools a-building, and four on the drawing boards; there is cash in the school bank account and the bonding power of the district is well below its limit.

Crockett Boasts Record Strength At Polls In 1956

1,361 Polls Paid; Total Voting Strength To Be Near 1500

The election year of 1956 will see a new record in total voting strength for Crockett county, according to a report of poll tax payments at the office of Sheriff and Tax Collector V. O. Earnest yesterday, after the Tuesday night deadline for poll tax payments.

A total of 1,361 poll tax receipts had been issued by the deadline date and there were possibly a few more who qualified by mailing their remittances before the time limit. There were 45 under-age exemptions issued, and these with the over-age exemptions, who are not required to register, the county's total voting strength for 1956 will reach a new record of more than 1,500 this year.

Total polls registered here the last election year reached 1,283.

4-H Club Members Take Show Sheep to San Antonio Show

Fat Lambs And Breeding Sheep Entered In Competition

Twenty-five Crockett County 4-H Club members will exhibit 80 fat lambs and 25 breeding sheep at the San Antonio Livestock Show next week, Pete W. Jacoby, Crockett County agent and 4-H Club sponsor, said this week.

The livestock will leave Ozona Wednesday, February 8. Fat lambs will be weighed Thursday, Feb. 9, sifted on Friday and judged Saturday, Feb. 11, beginning at 8 a. m.

Breeding sheep will be judged on Tuesday, Feb. 14, beginning at 8 a. m. Fat lambs will be sold on Friday, Feb. 17 and show animals which are to be returned home will be released at 3 p. m. on Sunday, the 19th.

Carl Conklin, local 4-H Club leader and outstanding 4-H Club member in the state, will be honored at an Honor Banquet staged by the San Antonio Livestock Show at 5:30 p. m. on Friday, Feb. 10, in the Anacacho Room of the St. Anthony Hotel in San Antonio. Carl is one of 24 club members picked from over the state to receive special honors as outstanding 4-H Club workers at this banquet.

Carl, age 17, and a Senior in Ozona High School, has been a member of the Crockett County 4-H Club for six years and is now serving his third consecutive year as president of the club. His leadership ability has also been recognized by his classmates in school. He was elected class president in his Sophomore, Junior and Senior years and is now serving as president of the Student Council, in which capacity he also served in his Junior year. In the past year, he was elected Chairman of the District 6 4-H Club Council and Co-Publicity Chairman of the State 4-H Club Council.

Carl has many outstanding 4-H Club accomplishments, including the Grand champion calf at the county show in 1950, county Gold Star winner in 1953, reserve champion finewool sheep at the county show in 1953, Grand champion group-of-three lambs in the county in 1954, winner of the trophy as Outstanding 4-H Club Member of the county in 1955. He was a member of the district winning grass judging team the past three years, was second high individual in over-all judging at the Sonora Wool Show in 1955 and won third high individual in individual grass judging in the State Contests in 1955. He has been a member of the wool and mohair judging team for three years and placed high in state contests each year, he showed the champion Shropshire lamb in the 1955 county show and the reserve champion crossbred in the 1956 show. In addition, he has won nearly every medal and award in 4-H Club work, including Soil Conservation, leadership, best feeder awards, achievement, and many others.

Since the introduction of breeding sheep in the local 4-H Club program three years ago, Carl has worked diligently in this field and now is the owner of a flock of registered Rambouillet sheep.

Norther Swoops In To Bring New Winter Low

Bitter cold weather, with the temperature early this morning down around the 17 degree mark, settled on Ozona Wednesday night as all of Texas shivered in winter's coldest offering to date.

Fine drizzling rain fell briefly ahead of the norther which rolled in Wednesday afternoon but this area escaped, for the time at least, the forecast freezing rain. Some fine snow fell early this morning, enough to stick on car tops and roofs but failing to make much showing on the ground.

Doyle Perdue Launches Candidacy For County Commissioner Prec. 1

Doyle Perdue, Ozona grocery store clerk, this week authorized announcement of his candidacy for the office of County Commissioner from Precinct 1. Perdue will oppose incumbent Commissioner Ralph Jones, who last week announced his candidacy for re-election.

Mr. Perdue has been a resident of Ozona ten years, being employed in the grocery business during that time. He is a former resident of San Angelo.

Mr. Perdue said that he would have a fuller statement of his candidacy at a later date.

Plymouth Completes Two Extensions To Crockett Amigo Field

Plymouth Oil Co. has finished two extensions to the Amigo (San Andres) field of Crockett County, in 14-49-University, nine miles south of Big Lake.

The No. 2-M University, 3/4-mile southwest was completed for a daily flowing potential of 106.39 barrels of 34 gravity oil, no water, with gas-oil ratio 1,906-1.

Production was through a 1/2-inch choke and perforations between 2,422-50 feet and 2,466-76 feet in 5 1/2-inch casing set at 2,599 feet, on total depth of 2,600 feet. Pay section was acidized with 500 gallons.

Top of pay was picked at 2,422 feet on derrick floor elevation of 2,680 feet.

The No. 1-M University, one location west, was completed for a daily flowing potential of 26.11 barrels of 33.2 gravity oil, no water, with gas-oil ratio 278-1.

Production was through a 1/2-inch choke and perforations between 2,462-470 feet, 2,491-497 feet and 2,501-504 feet, in 5 1/2-inch casing set at 2,578 feet, on total depth of 2,579 feet.

Top of pay was picked at 2,501 feet on elevation of 2,678 feet.

Lions Whip Menard To Cop Second Place In District Standing

The Ozona Lions pulled into second place in the district 6-A flag chase last Friday night when they overwhelmed the Menard Yellow Jackets 62 to 45.

Johnny Ramirez scored 22 points in leading the Lion assault which had the game practically on ice by intermission time.

The Yellow Jackets of Coach Bill Humphries came to Ozona in a deadlock for first place with a win and no losses and the loss to the Lions pulled the Lions into second place with a record of three wins and one loss.

The Lions found the Menard press much to their liking and time and again were able to leave the visitors on the wrong end of the court while the hosts were scoring on the opposite end.

In addition to Ramirez, Lloyd West counted for 17 points in turning in one of his best games of the season. The Lions will face league leading Sonora in Ozona Friday night.

The Ozona basketball forces made a clean sweep of the night last Friday as the powerful freshman team routed a highly rated Menard first year group 64 to 32, and the B team won a squeaker over the Menard reserves 34 to 33.

Kiko and Humberto Cervantez, freshman cousins pounded the nets for 15 and 18 points respectively to lead the assault but Jerry Jacobs counted for 13 and also turned in a fine defensive game in halting the much taller Menard first year candidates.

David Sikes and Bobby Sutton finished out the freshman five and both counted frequently from their guard posts.

Rodney Franklin sank a free throw in the final minutes of the B game to give the Lion reserves their margin of victory after a furious Menard second half almost downed the Cubs who had lead comfortably through most of first half.

Jerry Jacobs counted 11 points to lead the Lion reserves who were crippled by illness and injury.

New License Plates For Motor Vehicles Now On Sale Here

New 1956 motor vehicle license plates went on sale at the sheriff's office here Wednesday morning and purchasers of the new plates may attach them now even though the old plates are good until April.

The new plates are yellow numbers on black background.

Motorists are reminded that it will be necessary for them to present their certificate of title and last year's license receipts to get their new numbers. Out of state car owners who have not had their cars registered in this state before will be required to have their motor numbers checked by an officer of the law before they can register the car. Owners of trailers over 4,000 pounds rating must apply for a serial number for the trailers at the collector's office.

Lions Face Test For Cage Lead In Meet With Sonora

Second Place Ozona to Host Leading Broncs Here Fri. Night

The Ozona Lions held undisputed possession of second place Thursday as a result of Sonora's narrow 37 to 35 win over Menard in Sonora Tuesday night.

The Menard loss set the stage for a show down for the lead between Ozona and Sonora in Ozona Friday night. The game will be the first for both ball clubs in the second half of the chase. Sonora finished its first half with a 4 won and 0 lost record while Ozona finished strong with a 3 won and 1 lost mark. The lone Ozona loss was to Sonora early in the district race.

Menard holds down the third position with a 2 won and 2 lost record but has both Sonora and Ozona at home during the next half and could get a tie for first by beating both of the leaders.

Eldorado is out of the chase with a first half record of 1 win and three losses while Junction has last place pretty well cornered with 0 wins and 4 losses in its first half efforts.

Johnny Ramirez, Ozona's high scoring forward, counted 70 points in the first half to be among the leading scorers of the district.

Next week the Lions will face the Junction Eagles in what is to be the Lions last regularly scheduled game at home. The Lions will then face Eldorado in Eldorado and Menard in Menard the following Tuesday to finish their season.

Final Meeting On Flood Plan Clears It For Washington

Interested Agencies Consulted Before Project Goes to Congress

A year ahead of schedule because Crockett county advanced the necessary survey fund so that the Soil Conservation Service could make the survey a year sooner than its own funds would permit, the Johnson Draw watershed control plan now is on its way to Washington for final checking, editing, printing and distribution, and in another two to three months will stand approved by the federal government, barring unforeseen developments, and the million dollar-plus project will be ready for the construction start.

The final step on the local and state level to clear the work plan for submission to Washington, was taken here Friday morning when representatives of various interested state and federal agencies met at the invitation of the Soil Conservation Service engineers to examine the completed work plan, to make suggestions or objections if they chose and to make reports to their agency superiors regarding points of the plan.

With all points brought out in the discussion among the various agency representatives, SCS men and local sponsors participating in the meeting recorded, the work plan now goes to the Washington offices of the Soil Conservation Service where it will be examined in detail, edited and corrected as needed, and then printed for distribution to various affected agencies in Washington, including a Congressional committee.

The federal agencies, such as the Corps of Army Engineers, U. S. Geodetic Survey, the Bureau of Reclamation, Department of the Interior, and various other agencies will have 60 days in which to examine the plan. A Congressional committee also will study the plan and will have 45 days in which to act. If there is no Congressional disapproval in the time allotted, the plan will stand approved and will be ready for the start of actual construction, to be handled by the local sponsoring agency, the Crockett Soil Conservation District.

Crockett county recently overwhelmingly approved a \$200,000 bond issue to finance its part of the final cost of the flood control plan above Ozona. The project is estimated to cost in excess of one million dollars and will provide 86 percent control of the run-off from approximately 60,000 acres in the watershed. The 1954 flood is calculated to have produced a 3.62 inch run-off and the seven retardation dams included in the plan are designed to provide control of a 5-inch run-off.

At the meeting here Friday, Paul Kenner, party chief in charge (Continued on Last Page)

Social Security Man To Be Here February 9

John Dickenson, Field Representative of the San Angelo District Social Security office will be in Ozona at 9:00 a. m. Thursday, February 9, in the District Courtroom to assist claimants and other inquirers on problems in connection with old-age and survivors insurance, according to E. M. Bowers, Manager.

Self-employed farmers will, for the first time, in 1956, pay social security tax on their farm income for 1955 according to Bowers. If you are a self-employed farmer and have earnings of \$400 or more a year, you must file a report of your self-employment farm income at the same time you file your income tax return.

The social security tax is 3 percent of the self-employed farmer's earnings, up to a total of \$4200 in earnings. If you work, or have other types of self-employment income, earnings from these sources may be combined with your farm earnings up to a combined total of \$4200 according to Bowers.

Record Attendance At Mexican Baptist Assn. Meeting Here

A new attendance record was set when the Mexican Baptist Association of the West met here last week with the local Mexican Baptist Church, the pastor, Rev. E. P. Gonzales, reported. The association meeting opened Friday, Jan. 27 and continued through Sunday.

The attendance, from 16 area churches, was 310, a new four-year record for the Association. Representatives were here from churches in Levelland, Post, Menard, Pecos, McCamey, Big Spring, Lamesa, Sweetwater, Sonora, Monahans, Odessa, Corpus Christi, San Angelo, Robert Lee and Sterling City.

The gathering was the occasion for a dedication of the new church which the local congregation recently completed. The church, a handsome structure, was built at a total cost of \$25,000, thanks to a liberal donation of labor and money from members and friends, and of much materials used in the structure. A debt of only \$5,000 remains on the new church home, a loan from the Home Mission Board of the Southern Baptist Convention, Rev. Gonzales said. Attendance at Sunday school now averages 100 and 120 is the attendance average for the evening services.

Three new deacons were ordained during the Association meeting, the pastor reported. They were Santos Cervantez, Samuel Cervantez and Macedonio Rios. "The spiritual lift from the three-day meeting was a great blessing to our congregation," Rev. Gonzales said.

'Secret Desires' Bared At ESA Sorority Party

The E. S. A. Sorority had a "Secret Desire" party in the girl scout cabin on Jan. 21. The hostesses were Baby Harrison, Jane Moody, Elaine Rollins, and Miki Ratliff. The guests were to come dressed as their secret desire, and prizes were presented for the hardest to guess and funniest costumes.

Mary Deaton, with eleven changes of costume, won the prize as the hardest to guess. She represented a Wanderer in Search of Adventure.

The prize for the funniest costume went to Greta Isbell, who represented Marilyn Monroe.

Present were Baby Harrison, Miki Ratliff, Elaine Rollins, Jane Moody, Mary Deaton, Betty Tubbs, Betty Hickman, Pearl Lemmons, Lola Cleere, Marjo Pelto, Sara Boyd, Juanita Mills, Altha Leath, Jan Womack, La Rue Schneemann, Mary Lou Lilly, Greta Isbell, Jean Fitzhugh, and Billy Jo Hayes.

New Future For Your Present

How many ties did you get for Christmas? For once I didn't come up with any—could have used a couple this year, too. Instead I got three wool mufflers. Never wear a muffler.

Some people are determined to do something about the Useless Gift Problem—they're holding a "White Elephant Party" Saturday at the Community Hall.

Handy Peterson's the chairman. "Bring any presents you'd rather give than receive," he says. "Chances are you'll swap them off for something even worse—but it ought to be fun."

From where I sit, it's sometimes pretty hard to give a man exactly the present he wants. Other people so often have tastes and preferences that differ from our own—for example, think of all the people you know who claim coffee's the beverage, and all the others (like me) who'd rather have a glass of beer. Being able to make your own choice is the greatest "gift" of all.

EDITORIAL

It has been said that change is the only thing that remains unchanged. Many hold that there is always someone who can do the job as well, or better. This really is a good thought to present or cure a case of indispensability of the arts and sciences, and to be regarded as generally true. But is there always someone to do the job as well, or better? Time is not always better matters. A voice has been found to thrill the world as did Caruso's No nimm-foot have danced to fill the lot slippers of the exquisitely beautiful Pavlova, or the breathing Vanlav Nijinsky. The incomparable Sarah Bernhardt ran the world's stage, not empty and not yet filled. The "Wizard Menio Park" made the name Edison almost synonymous with invention. Fill his shoes? Fill the shoes of Steinmetz, the electrical genius? No. Nor yet those of Burke. Will Rogers — what was his charm that Wiff had? So many taste him, but leave him only tated. P. T. Barnum left his name, but he also took his shoes from him. Many are left to carry but they lack that something, that spark, that indefinable clarity of vision, or power of deduction. Honoredment of tone or quality which definitely sets apart and above those who possess it. We like to believe that we do mechanically improve each generation. It gives youth a chance to it for achievement. And it tends to show us that achievement can be bought nor stored — that must strive and labor to produce the finest things in life.

SENIOR CLASS NEWS

January 31, Carl Conklin called the meeting to order and Sarah Hicks read the minutes. We discussed the Senior Trip and decided whether or not we wanted to sell or give some decorations to the Juniors that we had left over from the Banquet last year. We decided to leave the decorations to the school and let them decide who would use them. Sarah read a list of names of the people who would work in the concession stand and the meeting was adjourned.

JUNIOR NEWS

When you don't see a junior out running around it will be because they are hard at work on the decorations for the junior senior banquet. It has been scheduled for the night of March 10th at the school cafeteria. The dance afterwards is to be held at the North Elementary School Auditorium. Let's everyone make it a point to attend.

HOLY CATS, A MOUSE

Hi kids! I'm the Ozona High schoolmouse. I live in the lockers at Ozona High School. Before I go on with my story, I want to be sure and express my gratitude to the student body for all the candy paper, and chewing gum which they put in their lockers for my pals, my family and me.

Of course I've known hard times and life hasn't always been this fine. You see, once I lived across town in a place very much like this, but although I've forgotten just what it was called, I do remember it wasn't High School.

Now that you know all about me, I want to tell you about something that puzzles me. Why do these creatures running around here with skirts on scream and climb upon the object nearest them when they catch a glimpse of me? Now (not to be bragging) Maltilda Mae, my girlfriend, thinks I'm quite sophisticated looking and I'm just as friendly as — Oh! Heavenly Cheesecrackers "the bell doth toll" — You see they ring a bell to warn me when the stam-pede is on. Then I run to the near-

est hiding place and hide until the thundering herd rushes on! So bye, for now!

PERSONALITY

The Ozona High School Students are in the midst of choosing the top personality of our school.

Last Friday we choose 10 girls and 10 boys. They are: — Boys: Lloyd West, Brock Jones, Carl Conklin, Jerry Beasley, Benny Friend, Mike Clayton, Earl Deland, George Bunger, Erbie Chandler, Juan Delgado.

Girl — Carol Blackstone, Beverly Killingsworth, Carol Friend, Carolyn Stuart, Elizabeth Pearson, Martha Bailey, Wanda Armstrong, Ann Baggett, Susie Schneemann, and Cecilia Cooke.

Tuesday another vote was taken. The result will be posted next week so be sure and read your Lion's Roar next Thursday.

CHORAL CLUB NEWS

Choral Club has been working hard and has some new music to learn. The Choral Club is going to Sonora in March and put on a program of various types of songs. Officers were elected and they are as follows: Beverly Killingsworth — Librarian; Sarah Hicks — Secretary Treasurer; Carol Friend — Vice-President; Mary Jo Ward — President.

The Choral Club is going to present a program in the spring also.

WELCOME TO "Mac Yokam"

We have a brand new personality this week. It's his first week of school in Ozona High School and I'm sure he is enjoying it. He moved here from Llano in December but refers to Rankin as his home town. He was born in Kermit, Texas, in 1938, he is 17 years old, 5 feet 8 inches, 150 pounds. Brown hair and eyes, with the olive skin to match.

Here are a few of his favorites:
 Sport — Football
 Food — Chicken
 Song — Hey Porter
 Sings — Johnny Cash
 Passtime — Playing Snooker
 Pet Peave — a party pooper

Subject — Study Hall
 Color — Purple (looks like he's a real Lion)

Mac we want you to know that we're real glad you've decided to join in our school and we wish you the best of luck (and grades).

COMIN' AND GOIN'

Miss Knox has reported that volleyball try-outs are coming along nicely and a team will be picked sometime next week.

Attention: Everybody come out Friday night, the 3rd, and back those Lions. Let's Beat Sonora!!!

We want to thank the students of Sonora High School for bringing us such an enjoyable assembly program.

Our question of the week: If you could change one thing in our High School, just what would it be???

Mike: "Something" to change the monotony of it!
 Clayton Friend: Some of the rules!

Janice Spencer: Get rid of those freckles I have!!

Tooter: Take all the chairs out of the rooms and put "Snooker tables" in!

Jake Young: More Girls
 Mr. Hickman: That Carolyn S. and Darlyne were boys! State here we come!

Mr. Pelto: Gad! I can't stop at One

Miss Moore: 4th Period English class.

Susie: Have a "student lounge"
 Bobby M.: Another year to play sports.

Arturo: More Women!! (Now, Arturo!!!)

"Maroon" — English.

THE HEADLINER!

Hello again!

This past week the student council held the elections for popular girl and boy, and the beautiful girl and handsome boy. The nominees were cut down to the top ten in each honor. This week elections will be going on each day until a winner is determined. May the best two girls and boys win!

It seems our basketball team has decided to win for a change. They are doing great. Just keep it up boys, and we can win another district trophy.

Volleyball season has started for the girls. They are practicing now

and it will be a week or so before the teams will be chosen. Every girl is working hard to make the team. Good luck to each one!

See ya next week! The Headliner

THE CHEMISTS CLUB

Not much happened this week in the Science Club, that is from someone who is used to playing around with atom bombs and committing murder's stand-point.

Did you know that the Science Club has two of the best test-tube washers you ever saw? They are Bobby Reveria and Joe Moran. They sure can put a finish on the tubes. I hear that you can actually see what is going on inside of one of them. I'm sure that if any restaurant is interested in these two prodigies, Mr. Brentz will be glad to give recommendations.

Something has shaken up the various members of the Science Club. You see I am the club treasurer and usually I have to take a mortgage on some people's projects to get their dues, but lately even some of them come to me and want to know if they can pay in advance.

Incidentally we are having a film Thursday. It is thirty minutes long and in sound and color. The name is "Decision" why don't you come, as I am sure that you would like it.

Well, that is all this week, so until next week-so-long.

F. F. A. NEWS

At a special meeting last Thursday night, January 26, 1956, the Ozona F. F. A. Chapter and the parents of the chapter members completed plans for the commercial lamb show. The show was planned for February 25, 1956. It will be held at the Ag. building and will start at 10:00 a. m. The boys have 73 lambs on feed that will be graded. President Deland selected a show committee made up of Mr. Charlie Black, Mr. George Bunger, and Mr. Jess Marley. These men will check the ear tags and keep the lambs straight during the show.

The parents attending the meeting were Mr. and Mrs. Conklin, Mr. and Mrs. Hagelstein, Mr. and Mrs. Charlie Black, Mr. Allen, and

37 Servants!

to help you
LIVE BETTER ELECTRICALLY

The average home employs thirty-seven servants — and all of them are Reddy. He is at your beck and call 24 hours a day, 7 days a week all year long — fair weather or foul. He'll run any of those 37 appliances — or ALL of them — whenever you say!

The beauty of it is, that Reddy does all these jobs for real low wages... about 3¢ an hour. That's a lot of work for a little money!

Next time your electric service bill arrives, take a good look at Reddy's wages — you'll find that electricity is still today's biggest bargain.

Accurate and Complete
RANCH RECORDS
Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

THE TOURNAMENT TIMES

The Tournament has come and gone and I am sure that if you are anything like me, you enjoyed it. It seems that everything went over with a big bang. At least it was well planned and just packed with action.

The best team won, but we came mighty close to scoring them pretty bad. Just four points, at well, they say that a miss is as good as a mile or maybe two baskets are as good as the game.

How did you like the tournament team? I thought that it was well chosen. For thrills our tournament ranked high. The high and fast scoring along with the close scores gave me all of the thrills that I needed.

Most of us liked the game but I am sure that there were also some other reasons for its popularity. I heard one girl say to another "The games were the minor part of the tournament, it was all of those wonderful boys that interested me."

Well that's about all so until next year, same time, same paper, though a different tournament — Jim Burton.

FRESHMEN NEWS

We Freshmen are still roaming the halls of O. H. S. but since we haven't had anything in the paper for so long, we were afraid that you might think we had been moved back to Jr. H.

The reason we haven't written anything for so long is because there is no news to write. Since we have already given our only dance, the Thanksgiving dance, and made a float which won first place in the Homecoming Parade, there is nothing to do now but study.

Monday began a little excitement when volleyball practice began. There are three Freshmen out for the team, Alleane Young, Martha Bryant, and Diane Phillips. Marilee Dale is the only person out for manager.

F. R. A. NEWS

The Future Homemakers met Tuesday, January 24th. Janice Ruth Adams was elected president, Marilee Dale vice-president, and Dartha Meltor song leader. Now we have the vacant offices filled and can settle down to some hard work and study. Plans were made for a date night supper when the girls will ask the boys.

SOPHOMORE NEWS

Tuesday morning, during activity the Sophomores class met. President Stan Williams called the meeting to order and the class's financial standing was discussed. So far everything is still all right and it's not possible for us to be in the red.

We wish the basketball team the very best of luck towards winning the District Championship.

Jimmy McMullan, son of Mr. and Mrs. Ashby McMullan of Ozona, and a student at A&M College, was a member of the A&M Junior Livestock Judging team which competed in the Intercollegiate Livestock Judging contest held at Fort Worth last Saturday in connection with the annual Southwestern Livestock Exposition. Joe David Ross of Sonora was another member of the six-man team.

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

February 2, 1927

The revived Ozona Chamber of Commerce got off to a good start at a re-organization meeting and banquet held at the Hotel Ozona Tuesday evening. S. E. Couch was selected as president for the coming year. Ewart White was chosen secretary and Scott Peters will be treasurer. The board of directors was chosen as follows: S. E. Couch, Ewart White, Scott Peters, P. L. Childress, W. E. Smith, Joe Oberkamp, J. R. Kersey, Chris Meincke, Collins Coates and W. R. Baggett. The organization will meet each week beginning next Tuesday.

The Ozona High School boys basketball team suffered a 19 to 2 defeat Wednesday afternoon at the hands of a crack squad from Sherman, in the second game of the season for the locals. The visitor's more thorough training and weight proved the undoing of the Ozona quint. The first game of the season was played last week against Merton. The Ozona lads won by a 19 to 5 score.

The Boy Scouts of America, troop No. 2, of Ozona, were given the command "Fall In! Attention!" by their Scoutmaster, John L. Bishop of the Ozona High School. The scout oath was given and a number of yells were practiced. Those who took the examination were James Miller, Jr., George Bunge, Bill Friend, Miller Robinson and P. C. Coates. The exam papers have not been graded as yet. P. C. Coates was elected to learn to blow the bugle and they are in hopes of developing a fine bugler from Coates.

S. E. Couch delivered 400 steers, coming 7's and 50 bucks, the first of this week to C.F. Gargile of San Angelo.

Mr. Harold Baker entertained in honor of Mrs. Ira Carson, her

sister, last Saturday night, the occasion being Mrs. Carson's birthday. The guests were each given a valentine upon their arrival to serve as a talley card and half of a heart to match another one for partners in the games. There were twelve tables of guests and the games were of all kinds, forty two, flinch, bunce and other childhood favorites. Old fashioned popcorn balls were served and a very enjoyable and informal time followed. At the close of the games the men were requested to draw a heart with an arrow through it in the dark. Most of the results were comical. Clay Adams and Hilary Phillips won the prizes for the best pictures.

Miss Dixie Davidson, the daughter of Judge and Mrs. C. E. Davidson, who is attending school at Ontario, Calif., gave two pianologues at a banquet of the Upland Business and Professional Woman's Club. One number was used by the Sherman Glee Club on its tour last year, when Miss Davidson was attending Kidd Key.

Will Gurley, rancher across the Pecos, pioneer settler of the country and a brother of Mrs. Tom Nolan, was in Ozona the first of the week meeting old friends. He was on his way to Del Rio where Mrs. Gurley has been undergoing medical treatment.

Mr. and Mrs. R. C. McCollum took their small sons, five years old, to Austin Friday for treatment at the Pasteur Institute. The child was bitten by a pet dog several days before, but the accident was not thought serious until the dog began to have fits.

W. W. West and Early Baggett are in Marlin taking the baths. They expect to return sometime next week.

Mrs. E. E. Cox invited a number of Ozona Methodists to her ranch to meet some of the Sheffield women to advise them in the matter of organizing a Missionary Society in their town, Wednesday.

Mr. and Mrs. W. E. West are spending several days in Brownsville, in the valley.

SUPPER BRIDGE CLUB:

Mr. and Mrs. L. D. Kirby and Mr. and Mrs. Howard Lemmons were hosts to the Supper Bridge Club met on Monday night at the House of Flowers for dinner and bridge. High score prize for the evening was won by Mr. and Mrs. C. O. Walker and Mr. and Mrs. L. E. T. Sikes took the prize for second second high. Mr. and Mrs.

Dixon Mahon won low score and Mr. and Mrs. Chas. A. white won bingo.

Other couples attending were Mr. and Mrs. Larry Albert and Mrs. W. D. Cooper, Mr. and Mrs. Joe Couch, Mr. and Mrs. J. Deaton, Mr. and Mrs. J. Hayes, Mr. and Mrs. Chas. Cliff and Mr. and Mrs. Roy Elliott.

Castrol 10 W 30

We're proud of our new Castrol 10 W 30 multi-viscosity motor oil. It's the motor oil that gives you quick-flowing lubrication at the touch of the starter — full-bodied protection during critical warm-up — won't break down on long drives. By reducing engine "drag," this great new oil often adds 10 to 15 miles to every tankful of gas — makes mileage money go farther.

Oil is our business, and we know from personal experience that there's no finer motor oil anywhere than new Castrol 10 W 30 — the *one* motor oil that does the work of three.

Tri-County Reserve Unit, Based at Sonora, Wins Recruiting Award

Co. B of the 830th Engineer Aviation Battalion located in Sonora, Texas, has received recognition from the Unit Advisors Office in Austin for recruiting more men in the least number of days than any other unit in the Austin area. The unit recruited 15 men in 30 days.

The recruiting drive was put on to encourage young men in high school to take advantage of the portion of the Reserve Forces Act whereby a boy may enlist in the Reserve while in high school and take his training after he graduates. This period of training is for six months and then the boy will complete his military obligation in the Active Reserve. Only boys in the 17-18½ year age group are eligible for this type of enlistment.

Enlisting were nine from Eldorado and six from Sonora. Cayetano Angiano and Onesimo De Hoyos from Ozona have requested assignment to the unit.

The unit, commanded by Capt.

Joe R. Andrews of Eldorado, is composed of men from the Eldorado-Sonora-Ozona area and has an assigned strength of 5 officers, 1 warrant officer and thirty-one enlisted men. Any one interested in joining the unit should contact Capt. Andrews or visit the unit in one of its weekly meetings. The unit meets each Wednesday in the old high school building at 7:30 p. m.

Change In Meeting Dates Made By Forum

Members of the Ozona Woman's Forum met Thursday in the P. L. Childress home. Mrs. Childress and Mrs. B. B. Ingham were hostesses.

During the business meeting the Club voted to change their meeting date to the first and third Tuesdays of each month starting February 7.
