Hard Pressed Red Cross Asks Help In Fund Campaign

Greatest Disaster Year In History Depletes Organization Funds

When Ozona Red Cross Chapter kicks off its 1956 Red Cross Fund drive today, under the leadership of Chas. E. Davidson, Jr., as drive chairman, chapter leaders and those who saw the mercy organization in action at close range after the Ozona flood disaster of 1954 are hopeful that Ozonans will open their purses like never before.

The Red Cross in this year of 1956 faces the greatest financial need in its history, after just passing through the greatest disaster year in the nation's history, whose aftermaths are still continuing as Red Cross disaster workers are concentrated in the flood ridden West Coast areas helping to rehabilitate the thousands of homeless victims of the repeatedly flooded area.

All organized groups in Ozona will be called upon to aid in the 1956 fund drive with a purpose to raise the biggest fund Ozona has ever given to the Red Cross in any one year. Fund Drive Chairman Davidson said. All women's organizations in the city will be asked to name workers from each group to assist in a house-to-house canvass and the two men's organizations, the Rotary Club and the Lions Club will be asked to take the responsibility for a canvass of the business section and seek special gifts.

Ozona's drive minimum quota has been set at approximately \$1,700, of which \$900 is earmarked to replenish the local chapter treasury and around \$800 for the national chapter. Drive workers hope to far exceed this goal as another gesture of Ozona's gratitude for the great job of rehabilitation done in this community in the wake of the disastrous flood of June, 1954. The Red Cross spent approximately \$230,000 in relief and rehabilitation work here following that disaster.

Because of the terrific demands on the Red Cross made by last year's record breaking disasters, the Red Cross enters its new year with less than a million dollars on hand. The organization expended a total of \$18,000,000 in the hurricane and flood ridden eastern states early last year. Another \$8 million has already been spent on the west coast and varying sums have been expended in relief and rehabilitation work in Oklahoma and Kansas where tornadoes struck, in floods in New Mexico, gifts to Pakistan flood relief and other disasters.

Recently Chapter Chairman Hubert Baker received a letter from Jim Hamilton, Red Cross field representative who serves the local chapter and who aided other professional disaster workers in the Ozona flood period. Hamilton was assigned to relief work in the California flood and in his letter, which was sent to Midwest Headquarters in St. Louis for distribution to chapters in the area, gave a graphic description of the terrific damage and loss of life in the west coast floods.

"I wish it were possible for each fund chairman to see this devastated area," Hamilton wrote, "I believe it would drive home the very great need here and the need to have a successful campaign."

"I expect to be busy here through February and part or all of March so I've got to hope and pray that you all will help Red Cross and me even though I'm not around."

"One other thought," Jim concluded, "It has rained here for days. Now if we can just find out how to get some of this rain to West Texas."

B. B. Ingham, Sr., has returned home after a two-weeks absence from his brother-in-law and Mrs. Spencer King.

Ozona Track Team To Start Round Of Meets At Eldorado Saturday

Ozona's track team, which has been hard at work for the past several weeks under the tutelage of Coaches Chick Womack and Sonny Cleere will take to the relays trail this week when they will enter the season's first competition at the Eldorado relays.

The next meet to be entered by the locals will be in Sonora on March 17 and then the following week-end, March 24, they will be the host team at the Ozona relays. On March 30 they will compete in a meet at Big Spring and on April 14 in the District Meet.

Fourteen teams have filed entries in the Ozona relays March 24. They will represent schools in Sonora, Junction, Menard, Eldorado, McCamey, Iraan, Big Lake, Fort Stockton, Melvin, Coahoma, Balmorhea, Sanderson, Rankin and Ozona.

Forty-one boys are working out for the track team, Coach Womack reports. Fifteen lettermen from last year's track squad are among the number. Among the lettermen are Juan Delgado, Bobby Martinez, Orville Paulk, Thomas Purdom, Johnny Ramirez, Luis Vela, Lloyd West, Kent Babb, George Bunker, Tomas Lopez, Jess Marley, Roy Sutton, Stanley Williams, Jake Young and Jimmy Martinez.

Others working in track this year are Jim Brown, Durwood Wylie, Jim Burton, Jonathan Burton, Terry Carlman, Melchor Cardenas, Ronnie Paulk, Mills Tandy, Tooter Malone, Bobby Sutton, Jerry Jacobs, Rodney Franklin, Robert Price, Bobby Vargass, Jerry Carlman, Cico Cervantez, Johnny Cooper, Humberto Cervantez, Kenneth Deland, Billy Holden, Mike Miller, Scotty Moore, David Sikes, Bill Black, Clayton Friend, and Mark White.

Lamesa Man Hurt In Wreck South of Ozona

Howard McSpadden of Lamesa is under treatment in the Crockett County hospital this morning for injuries suffered early this morning when his car went out of control on highway 163 in Val Verde county.

Mr. McSpadden was brought to the Ozona hospital by a passing motorist. His condition was reported as not serious. The 1955 Ford which McSpadden was driving was almost completely demolished.

Former Ozona Girl To Have Part In Wedding Of Prince And Grace

The marble steps of Prince Rainier's fortress-like Monaco are being sanded to shine to match the brightest star yet known in 1956 weddings — that of the Prince and Hollywood's Grace Kelly.

Mrs. Joyce Abernathy, bridal consultant of Neiman-Marcus Co. of Dallas, with Designer Joe Hong and Lawrence Marcus along with 12 other employees will spend the entire month of March designing and making the gowns for Miss Kelly's attendants and flower girls. Mr. Marcus was in Monaco on the day Miss Kelly named the date of her wedding, April 19. He is a personal friend of the star, but has never met the prince.

Mrs. Abernathy, is the daughter of Dr. and Mrs. F. T. McIntire of San Angelo, and were formerly Ozona residents.

SWEET SALE FRIDAY

The Order of the Eastern Star will hold their sweet sale in the morning, Friday, March 2nd, at the Devil's River Feed Store beginning at 9:30 a. m. Coffee will be on sale along with doughnuts, pies, cakes and other sweets. The public is cordially invited to come by and have coffee make a purchase and help raise funds for the chapter. Don't forget! Devil's River Feed Store — 9:30 a. m., Friday — March 2nd!

FOR RENT — Furnished house. Call 133-W.

Welfare Council Mail Fund Drive To Kick Off March 1

Volunteer Workers Ask Your Cooperation In Providing Funds

A fund drive by mail will be launched today by the Crockett County Welfare Council, a voluntary organization of local citizens and organizations who have set up a central welfare office through which all calls for aid from unfortunate local people or transient may be channeled.

Since all workers in the organization are volunteers and all contributions are voluntary, the Welfare office, maintained by Sheriff V. O. Earnest and his staff, has taken on the task of mailing letters to former donors asking for their financial support for the year 1956. If you have given to the Council before, you will receive one of these letters. Mail your contribution as directed, or if you have not contributed before you may mail your check to the Welfare Council, hand it to the Stockman or the Ozona National Bank or take it to the Sheriff's office.

During the year 1955, the Welfare Council helped a total of 290 persons who were in distress. Some received food, some medical aid, some lodging and others were helped with transportation problems. The Council has an investigating committee and all persons found worthy are helped. A total of \$776 was expended last year in such relief work. By centralizing charity work, the Council's existence actually saved local merchants and individuals a considerable sum in duplications in relief work on an unorganized basis as was the local custom before the organization was formed.

The Council is supported by voluntary contributions from citizens, some by monthly drafts at their bank, others by annual contributions. A contribution of \$5 or more a year entitles the giver to full membership in the Council and the right to vote in its meetings.

A meeting for the purpose of electing officers for the new year will be held at the courthouse on Wednesday, April 4. Ira Carson is now serving as Council chairman, having been appointed to succeed Rev. Troy Hickman, who had served in that capacity since the organization of the Council. Sheriff V. O. Earnest is secretary of the Council and serves as a member of the investigating committee in looking into charity calls.

Driver's Clinic To Be Held Here Saturday, April 7

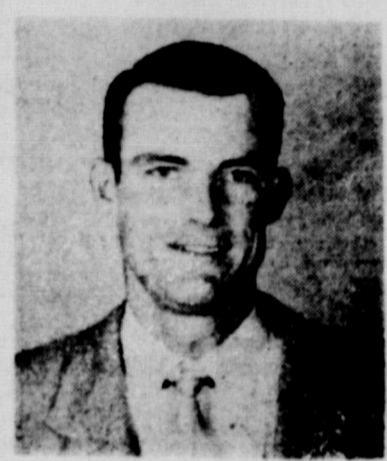

W.T.U. Local Clubs To Cooperate In Staging Instructive Event

The Ozona Woman's Club, The Woman's Forum and Epsilon Sigma Alpha Sorority will sponsor jointly a Drivers' Clinic in Ozona on Saturday, April 7th. The Clinic will be sponsored in cooperation with the West Texas Utilities Company of Abilene, who finances such clinics throughout Texas each year. The local clubs will largely be responsible for the publicity, attendance and success of the clinic locally.

Miss Eudora Hawkins from the Public Service Department of the West Texas Utility from Abilene will be in charge of the program. Also members from the Texas Highway Patrol and Driver's License Division will be speakers on the program.

Other features will be a speaker on Car Maintenance, an optometrist to speak on vision, films and slides on safety and a pantomime by Mrs. Pearl Lemmons.

As an added attraction door prizes and favors will be given away to those who attend.

Bobby Ray Cooke

Bobby Cooke, Grandson Of R. J. Cooke of Ozona Wins Rotary Fellowship

Bobby Ray Cooke of Sanderson has been named one of 128 outstanding graduate students from 32 countries to receive a Rotary Foundation Fellowship for advanced study abroad during the 1956-57 academic year. The award was announced recently at the Evansville headquarters of Rotary International, as that world-wide service club organization observed its 51st anniversary. Each grant average \$2,500 and the 1956-57 awards total more than \$300,000.

Young Cooke is the son of Mr. and Mrs. Greene Cooke of Sanderson, former Ozonans, and a grandson of R. J. Cooke of this city.

Mr. Cooke was recommended for the Fellowship by the Sanderson Rotary Club. As a Rotary Fellow, he will study structural engineering in preparation for a career in that field, at one of the major universities in the British Isles.

Born in 1931 in Sanderson, Mr. Cooke was graduated from Sanderson High School in 1949 and received his Bachelor of Science degree in civil engineering from Texas Technological College in Lubbock, Texas, in 1953. After serving in the United States Army for two years, he entered the University of Texas. He is a member of the American Society of Civil Engineering and the American Concrete Institute.

At Texas Technological College. (Continued on Last Page)

Phone Expansion Here Serves Needs Of Radar Station

New Building To House Dial System In Prospect For 1957

A new telephone building which will eventually house dial system equipment is under construction in Ozona.

Ted Maxwell, district manager for General Telephone Company of the Southwest, said the 28 by 38 foot masonry building is being constructed facing Avenue F off 10th Street in back of the present telephone exchange. The building will be air conditioned and have central heating.

General contractor for the building is Commercial Contracting Company of Port Lavaca. Mauldin and Ballard of San Angelo were architects.

Maxwell explained the building is being constructed ahead of dial conversion date requirements in order to house equipment to tie in the Air Defense Command radar station in Ozona to the National Aircraft Control and Warning Network. Ozona is not slated for dial conversion until 1957.

After the building is completed toll terminating equipment and power facilities will be installed. As a result of the demands of the Air Defense Command radar station in Ozona, long distance facilities will be increased by 21 circuits between Ozona and San Angelo and by two circuits between Mertzon and San Angelo. Maxwell added, A 51-pair cable will be built from Ozona to the radar station site.

Maxwell said the new telephone building should be complete by June 1, 1956, and the facilities for the Air Defense Command by October 1, 1956.

Memorial Gifts For Furnishing Rooms Of New Hospital Sought

When the new Crockett County Hospital, now under construction on the northwest edge of Ozona, is completed, there will be eight rooms available for memorial gift furnishings, Chas. Ratliff, chairman of the hospital board, has announced.

Ozona citizens donated furnishings for all rooms in the present hospital, each recognized with the installation of a bronze plaque on the door, denoting the person honored and the name of the donor. All of these plaques and the room furnishings are to be transferred to the new hospital.

There were a number of persons who offered to make memorial donations of furnishings for the old hospital after all rooms had been furnished, the board chairman said, and these persons may now make such memorials in the new hospital. It is estimated that a donation of \$500 will furnish one room in the new hospital. Anyone interested in establishing such a memorial for a loved one may get full information from any member of the hospital board or from County Judge Houston Smith.

26 Crockett 4-H Members Exhibits Stock In Angelo

Fat Lambs, Calves and Breeding Sheep To Enter Show

Twenty-six Crockett County 4-H club members will exhibit livestock at the San Angelo Fat Stock Show on March 8th and 9th, county agent Pete Jacoby, in charge of the group announced this week. Thirty-nine fat lambs will be judged beginning at 8 a. m. Thursday March 8th. Three calves exhibited by Carl Conklin, and Jacques and Billy Troy Williams, will be judged at 8 a. m. Friday, March 9th, while 34 head of Rambouillet breeding sheep will be judged, beginning at 8:30 a. m. on the 9th.

The livestock will be taken to the show March 6 and 7. Sifting of fat lambs is scheduled for 1 p. m. Wednesday, March 7th. Two Ozona livestock judging teams will be entered in the Saturday, March 10th, livestock judging contest, one representing the 4-H club and the other the FFA Chapter.

Sixty-four fat lambs sold at San Antonio brought youthful exhibitors from Ozona \$600 in prize money and sales bonus and the club a second prize banner in the steapest exhibit awards. Thirty-one lambs sold for prices of \$19.65 and \$20.65, 31 brought \$35.00, 1 for \$36.00 and 1 for \$39.00 per hundredweight.

In the Junior Rambouillet Division, exhibitors won \$97.00 in prize money, placing 11 out of 17 head shown, and had the champion ram, shown by Joe Everett, the second such championship won in this division at the San Antonio Show. Pierce Miller had the champion in 1954. No rams were exhibited at San Antonio last year, by local members.

The following 4-H club members will be exhibiting at the San Angelo Show: Erby and Tommie Sue Chandler, Bill Jacoby, Don Cooper, Mark and Penn Baggett, R. J. & Joe and Ladye Everett, Tom Everett, Bob Childress, Frank Childress, Carl Conklin, Earl Deland, George Bunker, Benny and Clayton Friend, B. B. Ingham, Jacques and Billy Troy Williams, P. A. M. Jones, Pierce and Jay Miller, Herbert and Frieda Kay Noelke, and Pleas Childress.

Orders of ENCHILADAS will be sold in the City Park at 5:00 p. m. Saturday, March 8. Benefit Catholic Church, 50 cents per plate.

Tom Kincaid and Billy Jack Wimberly of San Angelo College spent the week-end with Tom's parents Mr. and Mrs. T. A. Kincaid, Jr.

Crockett Voters Decide On School Bond Issue Sat.

If Approved, Bonds Will Provide Housing, Auditorium, Repairs

Property taxpaying voters of Crockett county will decide Saturday whether or not school bonds in the amount of \$200,000 shall be issued for the purpose of providing 20 teacher housing units which will save an estimated \$18,000 a year now being paid out by the schools in rent, build a needed auditorium at the South Elementary school and repair damages resulting from structural faults at the North Elementary school.

The election was set for Saturday, March 3, by County Judge Houston Smith last week in response to a petition bearing the names of more than 100 qualified voters of the county asking that such an election be called. The petition was circulated by members of the Ozona Woman's Club and the Woman's Forum.

Plans have been made by the school board, if the bonds are approved, to clear and level land owned by the schools on the hill east of the high school where room is available for an estimated 30 houses, with streets and alleys to make it an attractive addition.

Since the first teacher housing units were built, a four-apartment unit just west of the proposed new building site, the Ozona schools have built and acquired around 15 houses and apartments. In addition to these, the schools must rent some 20 privately owned houses at an annual expense of around \$18,000. This sum it is pointed out by advocates of the building program, will lack but a few thousand dollars of paying the annual principal and interest which will be required to pay off the proposed \$200,000 bond issue in a ten-year period.

If the bond issue is approved, school officials hope to have the building program under way by April and the teacher houses, South elementary auditorium and North Elementary repairs complete by fall.

Prime And Choice Lambs Predominate In First FFA Show

Over 200 Attend Open House and Show Here Saturday

Bill Black showed the champion prime commercial fine-wool lamb here Saturday at the first Ozona FFA Commercial Lamb Show.

Approximately 200 persons attended the show, open house and benefit barbecue at the new Agriculture Building of Ozona High School, Vestal Ashkew of Sonora judged the lambs.

Bill Holden had the reserve champion prime commercial fine-wool lamb at the show.

In the short fine-wool class, Kent Babb showed the prime commercial champion with Mark White having the reserve champion.

Erby Chandler had both the champion and reserve in the prime commercial Southdown cross class.

Earl Deland showed the champion prime commercial crossbred lamb while Joe Boy Pierce showed the reserve champ.

Thirty-three of the show's 73 entries were in the fine-wool lamb class. Of these nine were graded prime, 10 were graded choice, 11 were graded good and 1 was a feeder grade.

Two lambs were graded prime and one choice in the Southdown cross division of the show.

Twenty-three crossbred lambs were shown. Nine were graded prime, 6 choice, 7 good and 1 feeder.

Out of the 73 lambs shown, 24 were prime, 20 were choice, 24 were good and 5 feeders.

Nan Tandy West Is Crowned 'Sweetheart' Of E.S.A. Sorority

Nan Tandy West was "crowned" Sweetheart of the Ozona chapter of ESA on Saturday, Feb. 27, at a covered dish supper at the country club. Her "crown" consisted of a corsage of jonquils and grape hyacinths.

On February 18, 1952, Nan helped charter the Ozona chapter of E. S. A. She served as Program Chairman during that year. Through the years following the chartering of the sorority, she has served on numerous committees and has been a loyal and willing worker in the projects of the chapter.

In 1953, Nan served as vice-president. She is an artist, and has held several exhibits — one as a fund raising project for E. S. A. She was chosen as a Texas ESA'er for her accomplishments in her art.

Nan worked hard for the district meeting held in Ozona, and has attended several other district meetings. She was elected district Historian in 1955, at which job she is now serving. She is now chairman of the local scrapbook, as well as the district scrapbook.

The tribute paid Nan Saturday was small recognition for all the work she has done, a chapter spokesman said. The Ozona chapter salutes Nan Tandy West as their Real ESA'er.

BIRTHDAY PARTY

Mrs. Alberta Ross honored her daughter, Marion, on her twelfth birthday, with a weiner and marshmallow roast at the four-mile park Tuesday afternoon. Guests were members of the Girl Scout Troop No. 3 and their leader, Miss Alena Faye Powers. Those present were Marjorie Ross, Dee Woodall, Pam Perrier, Judy Black, Janet North, Helen Henderson, Glenda Friend, Becky Cullins, Peggy Harvick, Charlotte Johnigan, Sandra Cushing, Jan Pridemore, Richard Ross, Miss Powers and the hostess, Mrs. Ross.

Allen McKinney of Ozona, whose hand was severed when it became entangled in a planer while he was working as a carpenter at the Laughlin Air Force base in Del Rio in December, was released on a three-day pass last week to visit his family here. He is still under treatment in the A. F. base hospital in Del Rio.

Mr. and Mrs. Chas. Schauer of Del Rio spent several days this past week with their daughter and son-in-law, Mr. and Mrs. E. D. Kincaid.

Mrs. Toby Carlton and daughter, Cathy, have been visiting in the home of her parents, Mr. and Mrs. Arthur Phillips this week.

We're proud to offer **NEW**

Cosden 10 W 30

We're proud of our new Cosden 10 W 30 multi-viscosity motor oil! It's the motor oil that gives you quick-flowing lubrication at the touch of the starter — full-bodied protection during critical warm-up — won't break down on long drives. By reducing engine "drag" this great new oil often adds 10 to 15 miles to every tankful of gas — makes mileage money go farther.

Oil is our business, and we know from personal experience that there's no finer motor oil anywhere than new Cosden 10 W 30 — the one motor oil that does the work of three.

Track Coaches Whip Charges Into Shape For First Meet Saturday

By Ernie Boyd
Coaches Chick Womack and Sonny Cleere will take the Ozona high school track team to Eldorado Saturday to engage in the first track meet of the season.

Even though some of the track team members have been in training for over a month, many of the boys who will be relied upon have just finished basketball and will not be in shape for top performances this week.

Bobby Martinez, last year's top point producer is back in the 880 but outside of that Coaches Womack and Cleere are having to mold a new team.

Juan Delgado, Jake Young, Johnny Ramirez, Thomas Purdon, and Stanley Williams were all on last year's team but Williams is still suffering from a basketball injury and will not be ready for early service.

Bobby Sutton, last year's Jr. High star, will be available, as will be a group of sophomores who were not out last year as freshmen.

Among those who have been out for some time are, George

Bunger, Jess Marley, Roy Glen Sutton and Earl Malone. Those who have come out in the last two weeks and who were not on the squad last year are Lloyd West, Kent Babb, Robert Martinez, Keko Cervantes, Rodney Franklin, Robert Price, Bobby Vargas, Jimmy Brown, Kenneth Deland, Mark

White, Jerry Jackson, and others. The district but it is hard to be the strongest team. The Lions will grab off some of the two powers last week between themselves.

From where I sit... by Joe McCarthy

Do-It-Whose-Self?

Monk McCarthy's almost as good at publicity stunts as he is at servicing and repairing cars — which is pretty darned good.

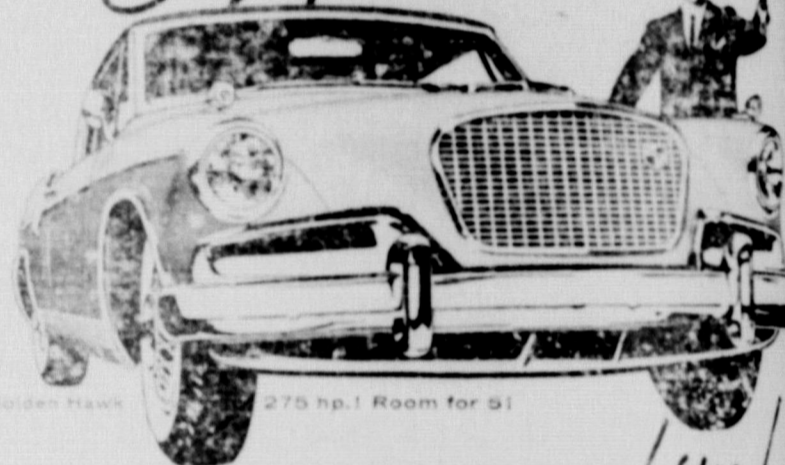

His latest gimmick is a handbill titled: "Do-It-Yourselfers! Why Not Grease Your Own Car?"

Then he follows with two paragraphs about all the greases you'll need — the full set of wrenches, spray gun, grease gun, four jacks — the ability to work flat on your back with a face full of goo. And at the very end there's this line: "Or, if that's too much trouble, we'll do the job for 75¢."

From where I sit, I can admit Monk's scheme is attention. They often get fetched to me, but he always had different ideas. We have different opinions what's the best grease. I like hot tea — I prefer beer — which doesn't come from having a "smoking" friendship.

EDITORIAL

It is not everyone who believes in the power of thought, but the noted Mr. Coue of France gave it prestige with his famous illustration of the plank. Place a four-inch plank, he said, across the floor of his room and any man in the house can walk across it with out any difficulty whatever. But place a plank four inches wide above the street from the top of the town's two highest buildings, and hardly a man can be found who can walk across it. What is the difference? The same plank, the same muscle, the same mind, the same will, the difference is that when the plank is on the floor we are thinking about walking across, and when the plank is suspended in the air, we are thinking about falling.

What is wrong with a man whose life is full of little fears and whose mind is beset by worries? He is thinking about falling off and not about staying on. You cannot make progress toward your goal while you look at the ditch into which you may fall. You cannot go forward with the full sweep of your personality in constructive progressive thinking and development while in the whirlpool of negative thinking.

SENIOR CLASS NEWS

Tuesday, Feb. 28, the Senior Class met.

We decided to sell codi drinks and coffee for the volley ball game Friday night.

Susie Schneemann asked about a Chinese auction on cakes during our Senior Play.

Miss Moore had a letter from the Shamrock letting us know about the prices and form of entertainment for one night. We also received two letters from hotels in Galveston giving us information on the hotels.

A vote was taken as to where we would stay. We decided to stay at the Buccaneer Hotel.

BOYS AT A GLANCE

Our Senior boy for the week is Lloyd West, alias "Cy Lent". He moved here from Sonora and entered the third grade. He is 5-10, weighs 155 lbs. has brown hair,

and hazel eyes.

Some of his favorites are: — Movie — Mister Roberts; Actor Jack Palance; Actress — June Allison; Recording Artist — Elvis Presly; Song — Blue Moon of Kentucky; Sports — Football and Basketball; Teacher — Mr. Harlan; Pastime — Sports; Girl — Everybody knows that, but for those who don't Charleen; Food — Fried chicken; Subject — Trigonometry; College — T. C. U.

"Cy Lent" makes excellent grades and received the honor of Most Popular Boy, this year. Congratulations Lloyd, we all think you deserve it.

"The prof is my quizmaster I shall not flunk. He leadeth me to an alternate seat; He restoreth my fears; He leadeth me in to deep problems for a grade's sake. Yea, though I know not the answers to the questions I will fear no failure for the others are with me. Class average will comfort me. I prepareth my answers before the presence of my roommates; I anointed my blue books with answers; My time runneth out. Surely grades will follow me all the days of my life. And I will dwell in the classroom forever."

THE TRIALS OF TRACK
 When the 3:35 bell rings the members of the track team bravely pile in a various assortment of cars and wind their weary way towards the track field. At 3:50, when we can forestall this sport no longer, we go to the field house and dress. After dressing we stand attentively and wait for the coaches to issue our orders. Then receiving the foresaid instructions we, with the glory of accomplishment in our collective hearts, stride out to warm-up on six lousy laps.

After running the laps we go over to the weights where the coaches lead us in some quaint-named exercises called curls and butterflies. The curls are supposed to curl your back — and they usually do in an "S". To calisthenics, they cry, and as far as I am concerned they can have them. We stretch and strain and rack our brain; to get out of the exercises that is. Then we run, climb rope, throw the discus or shoot the shot depending upon our chosen field.

Then comes the hardest part, the four-forty yard run, trot, straggler or crawl, depending on your condition. Today I hit upon the perfect strategy to win one of these man-killers. I would run as

hard as I could for the first fifty yards then I would coast for the next two-hundred yards and with a burst of speed pass my opponents in the last one-hundred and ten yards. This was fine and all was well until the last part. Then getting ready to dash ahead I swallowed my gum and lost the race by fifty yards while choking on that "!!!!!!" piece of gum.

Well that's about all, so I cheerfully dedicate this article to my well meaning friends as they try to get me committed to a mental institution for going out for track.

FHA NEWS

Everyone that came to the date night party had a good time. Before the show refreshments were served and songs were sung. The boys thought the ideas of the girls paying the admission was great. Maybe in the future the FHA can have more parties.

At the last meeting we discussed the plans about going to Odessa to the regional meeting Saturday, March 4th. The girls who want to go should contact Mrs. Hull. Mrs. Hull said that the girls should come to all the meetings if they are in school.

VOLLEYBALL

Last week the volleyball team, A&B received some very good practice.

The A team played some men of the faculty and the B team played some of the local women. Many thanks to all who participated.

Several people have been asking about the volleyball schedule for this year so we are putting down all we know.

March 4 — Iraan - There
 March 8 — Big Lake - Here
 March 13 — Big Lake - There
 March 16-17 — Grandfalls - Tournament

Motor Vehicle License Plates Now On Sale

The new 1956 motor vehicle license plates are now on sale and may be attached upon purchase.

Bring Your Certificate of Title and License Receipt From Last Year

Before we can register your car it will be necessary for us to have your Certificate of Title and your license receipt from last year. Be sure to bring them with you when you come to register your car or truck.

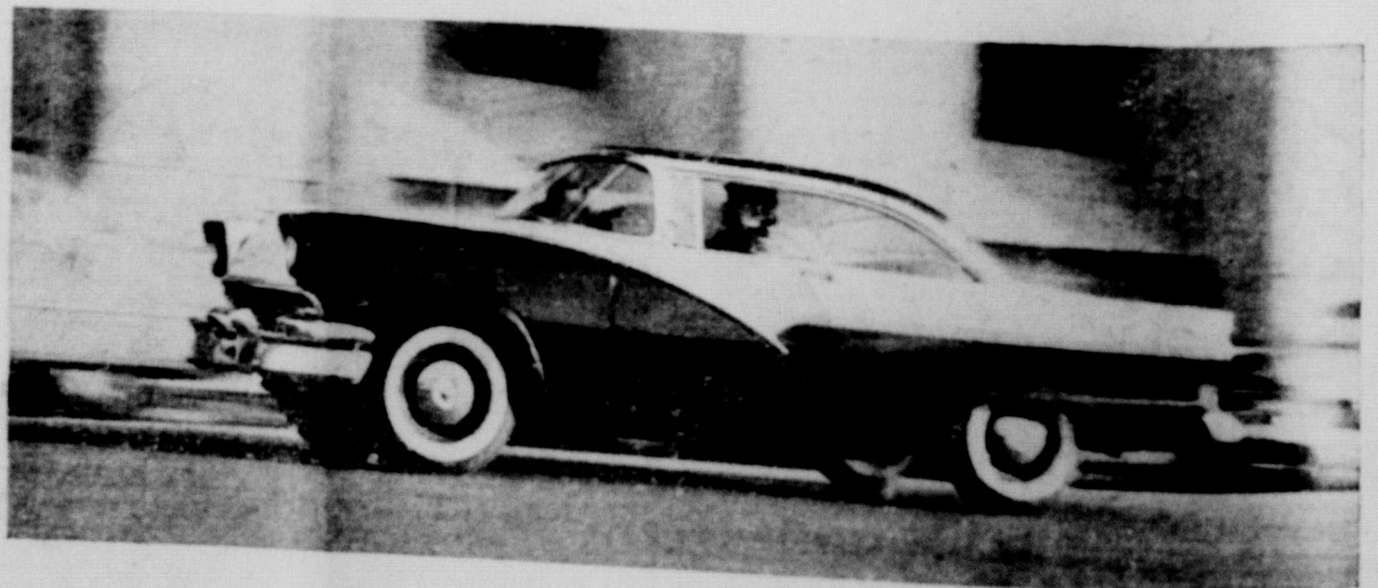

Out of state car owners are advised that it will be necessary for you to have your motor number checked by an officer of the law before you can register your car for the first time in this state.

Owners of trailers of over 4,000 pounds who have not secured a serial number must do so before the trailer can be registered. Application forms are available at the office.

V. O. EARNEST

Crockett County Sheriff, Tax Assessor & Collector

The Ford V-8 is the Largest-Selling "8" in the World!

Look at the final registration figures for 1955:

Ford V-8 1,354,984
 Car C 725,546
 Car P 295,567

Here's why: right today ... in Fordomatic Fairlane and Station Wagon Fords you can have the sensational 225-horsepower Thunderbird Special V-8 engine! You get more GO for less "dough" than ever before ... in the car that's cooling off the hot ones! If you prefer a Fordomatic Mainline or Customline

Ford ... You can now order any model in these distinguished lines with the famous 202-h.p. Thunderbird V-8 engine. Another thing is build. With the deeper, more rigid "Y" shaped block, Ford V-8's are built to run smoother, longer. And that's just one of the many V-8 advances that have sprung from

Ford's 24-year experience in building more V-8's than all other makers combined have ever built.

Top all this advanced power off with years-ahead styling and Ford's Life-guard safety features ... and you've got the "eight" that more and more people want (and are buying). Try it!

More than ever—IT'S AMERICA'S WORTH-MORE CAR!

SHADOW

Shadow followed a new
 school this week,
 by the name of Mac Yokum.
 followed you to your first
 class on Monday Feb. the

27th. You sat behind Janice S. and talked to her a little while, then as class began and Mr. Pelto asked you a question you could not think of the answer, but finally he asked you another question and this one you answered just fine.

In study hall second period you sat with Minnie Pearl and the two of you practiced senior play lines all period. You got a little worked up once, and said the wrong work, but the Shadow thinks you'll make a fine actor someday!

Civics was third but you were very calm in there and the Shadow couldn't get much information, but I certainly did in fourth period. I watched you get your test paper back and saw you fuss a little about the grade, but not for long because you didn't want Mr. Wimberly to hear you, so you quietly corrected your paper.

Between fourth and fifth you ran frantically up and down the halls trying to borrow a fountain pen, finally you got one from Suzann, only to find out from Mr. Moody that you wouldn't need it, but you realized it was too late to take it back so you just sat back in your chair and read Silas Manner.

A dark black cloud of dust rolled in on us during sixth period so your Shadow silently stole away, but in spite of the cloud I had a bright day following you!!!

Why Soil Conservation Is Important To Everyone

First place winning paper in Ozona High School in the contest sponsored by the Crockett Soil Conservation District. The essay will be submitted in the state contest sponsored by the SCS.

By Roy Mann

In this age and time when man finds himself surrounded by the most intricate and complex machines, supersonic speeds and atomic powers, man must bow his head toward the substance from which all life springs, and where the nourishment which feeds his mind is produced — the soil of our earth.

From the dawn of time man has realized the importance of the soil to his very existence.

The Bible offers evidence of the interest of the people in better grazing lands and more grass upon which their flocks could flourish.

All men through the ages must have realized that the basis for all earthly life must have stemmed from the soil and yet today we sed through writings and records that the most important of all our natural resources and one of the few which may be replenished, has been more abused and used with less consideration of its needs than probably all our others put together.

Gold, silver, tin, bronze and all of the natural elements which contribute power to man's greed have been cherished and loved and sought since the first valuation was placed upon the first string of beads.

Has this neglect and carelessness come from the fact that man could always seek greener pastures? Because if he should seek that he would find? Possibly this is true, but man has found himself staring at a desolate and deteriorated "sea of grass" stand-

ing clothed in sand and bedecked in rock.

There are no more frontiers. The ranchman must hold onto what land he has and realize the soil's importance and understand its needs.

Perhaps from this picture we may see, why soil conservation is important to everyone. And so that all may appreciate the earth from which we sprang, may we always remember and be able to

Contest Report, Street And House Numbering, Gardening Club Topics

The Ozona Woman's Club held a called business meeting at the home of Mrs. Stephen Perner Tuesday afternoon, with Mrs. L. B. Cox, Jr., president, presiding. Mrs. Evert White gave highlights of the report sent in to the Sears Foundation Community Achievement Contest, which the club has entered together with the Woman's Forum on their records of Community Services. The Sears Foundation awards \$10,000 in prizes in the contest.

Bob Scott, president of the Ozona Lion's Club, spoke on ways and means of securing materials in naming the streets and numbering of houses in Ozona.

Mrs. Floyd Henderson and Mrs. Bailey Post, Garden Committee of the club, will begin garden beautification work in Ozona and anyone who is interested in gardens may secure advice and help by contacting them.

Mrs. S. M. Harvick was appointed Public Affairs Chairman from the club to work in connection with the Safety Clinic to be held here Saturday, April 7th.

The club will hold their annual spring clean-up in the near future and during that time, pictures and posters will be on exhibit.

Further business discussed and approved was the adoption of the Crockett County Hospital as a permanent project, a Christmas Bazaar, and to sponsor the Cancer Drive in the spring. A contribution of \$15 was made towards this drive and a donation of \$10 was given to the Heart Fund.

Troop Plans Exhibit On Girl Scouts Day

The fifth grade Girl Scouts met with their leaders, Mrs. Mary Clayton and Miss Adrienne Poote, Friday, February 24. Fourteen members and three guests were present.

Those present went on a hike to find some plant specimens, and also made plans to put an exhibit in a downtown window on Girl Scout Day.

Mrs. Jonnie Williams gave a demonstration on first aid, for the following members: Betty Binsicker, Marty Bort, Gracie Chand-

ler, Cheryl Clayton, Arlene Gotcher, Robin Jones, Pauline Maness, Helen McCalib, Floydine Moss, Mary Parker, Jan Smith, and Priscilla Spurgers, and two guests, Linda Parker and her mother, Mrs. Bill Parker. — Arlene Gotcher, Reporter.

Surprise your TV guests with a cake or pie from the OES sweet sale, Friday.

SUPER PLENAMINS

to guard your family's diet

NEW SUPER PLENAMIN INGREDIENTS EXPLAINED

Here is What They Are and What They're For

VITAMIN A

Anti-Infective Vitamin
Increases longevity, delays senility, maintains resistance and promotes growth.

Prevents dry, rough skin, skin eruptions, night blindness and loss of weight.

VITAMIN D

Anti-Rachitic Vitamin
Governs calcium and phosphorus metabolism, promoting growth and development of sound bone and tooth structures.

Prevents rickets — soft and bent bones, loss of muscle tone, retarded growth and lack of vigor.

VITAMIN C

(Ascorbic Acid)

Cementing Vitamin
Mortar for the building blocks of the body. Essential to formation of connective tissue, the body's first line of defense against infectious diseases, particularly respiratory infections. Hastens wound healing, builds red blood cells and aids in utilizing proteins.

Prevents scurvy, gingivitis — inflamed bleeding gums; skin hemorrhages, swelling of legs, loosening of teeth.

VITAMIN B-1

(Thiamine)

Energy Vitamin

Converts sugar to energy; promotes growth, fertility and lactation.

Prevents loss of appetite and weight, disturbed digestion, constipation, nervous upsets, mental confusion, headaches and other aches, nausea, shingles, neuritis and fatigue.

VITAMIN B-2

(Riboflavin)

Oxygen-Transfer Vitamin

Assists in the utilization of oxygen by the body cells, utilizes carbohydrates and proteins and participates in cellular oxidation.

Prevents sore mouth — dermatitis of the face; burning, itchy eyes; dimness of vision, retarded growth and impaired blood formation.

NIACINAMIDE

(Nicotinic Acid Amide)

Anti-Pellagra Factor
Essential to assimilation of proteins.

Prevents pellagra — burning hands and feet, swollen red tongue, skin diseases; alimentary tract upsets; central nervous system disturbance — headache, dizziness, insomnia.

VITAMIN B-6

(Pyridoxine)

Anti-Dermatitis Factor
Assists in transfer of nerve impulses to muscles, completes metabolism of proteins, utilizes essential fatty acids — fats, valuable in alcoholism.

Prevents weakness, nervous irritability, muscular fatigue, certain types of anemia and skin eruptions; helps prevent X-ray damage to normal tissue; helps alleviate morning sickness during pregnancy.

VITAMIN B-12

(Cyanocobalamin)

"Red" Vitamin

Stimulates formation of red blood cells, promotes growth in chronically ill children.

Prevents anemia — nutritional type with first symptoms of loss of vim, vigor and pep; prevents nerve degeneration associated with anemia.

FOLIC ACID

"Yellow" Vitamin

Stimulates cells of bone marrow to normal function, promotes normal metabolism of growing cells and tissues, increases activity of Vitamins B-12.

Prevents abnormal blood cell development resulting in anemias of pregnancy and infancy, sprue.

PANTOTHENIC ACID

Anti-Gray-Hair Factor

Increases activity of B-complex vitamins, especially B-2; improves nerve conductivity; aids in fat and carbohydrate metabolism.

Prevents burning sensations in hands and feet, interdigital disorders, scaling dermatitis.

VITAMIN E

(Tocopherol)

Anti-Sterility Factor

Antioxidant — preserves easily oxidized vitamins such as A and fatty acids, improves muscle tone, regulates cell metabolism.

Deficiency symptoms undetermined for humans. Animal experiments suggest Vitamin E is concerned in muscular disorders, scarring of heart muscle, reproductive failure, liver and kidney disease.

LIVER CONCENTRATE

Not found in average vitamin preparations. Plays a definite role in preventing simple or nutritional anemia. Provides other known and unknown vitamin factors of the B-complex which affect the nervous, digestive and blood systems.

Mrs. J. B. Smith, Former Ozona Resident Dies In Angelo Wed.

Mrs. Jessie M. Smith, 88, widow of the late J. B. Smith, early day superintendent of schools in Ozona, and a sister of the late J. R. Kersey, former Ozona postmaster, died at 6:30 p. m. Wednesday at her home in San Angelo after a long illness.

Funeral services were pending this morning at the Robert Masie Funeral home in San Angelo, but tentative plans called for services from the funeral home at 10 o'clock Friday morning.

Mrs. Smith was born in Port Sullivan, in Milam county, attended Howard Payne College and is a former music teacher. She studied at Baylor University and was teaching music in San Angelo when she and the late J. B. Smith were married on Aug. 8, 1900, at Jones Prairie, Milam county. Mr. Smith served as superintendent of schools in Christoval, Ozona, Elmer and Brady and in 1925

moved to San Angelo where he was engaged in the insurance business until his death.

Mrs. Smith was an honorary member of the Ozona Woman's Club which she served as president in the first year of its federation with the Federated Women's Clubs

in 1913. She was active in and club work and a member of the Daughters of the Revolution.

Survivors include Mrs. J. C. Cunningham, Stockton and a number of and nephews.

Common and medium beef cattle \$10.00 to \$14.00; fat cows \$11.50; canners and cutters \$7.50 to \$11.50; bulls \$10.00 to \$15.00.

Common and medium beef cattle \$10.00 to \$14.00; fat cows \$11.50; canners and cutters \$7.50 to \$11.50; bulls \$10.00 to \$15.00.

Common and medium beef cattle \$10.00 to \$14.00; fat cows \$11.50; canners and cutters \$7.50 to \$11.50; bulls \$10.00 to \$15.00.

Common and medium beef cattle \$10.00 to \$14.00; fat cows \$11.50; canners and cutters \$7.50 to \$11.50; bulls \$10.00 to \$15.00.

Common and medium beef cattle \$10.00 to \$14.00; fat cows \$11.50; canners and cutters \$7.50 to \$11.50; bulls \$10.00 to \$15.00.

Common and medium beef cattle \$10.00 to \$14.00; fat cows \$11.50; canners and cutters \$7.50 to \$11.50; bulls \$10.00 to \$15.00.

to \$18.50, few higher; cull to medium kinds \$10.00 to \$15.00.

Lambs Open Strongly. The fat lambs trade at Fort Worth opened strong to 50 cents higher Monday.

Some shorter pelt fat lambs sold from \$16.50 to \$17. Some shorn feeders sold from \$16 to \$16.50.

Slaughter ewes sold from \$7 to \$8. Old bucks drew \$5 to \$6.50.

Some fresh clipped old wethers drew \$10. A few yearlings and

twos sold from \$12 to \$16.

Pelt Credits Listed. At this time of year the different pelt credits assume vast importance in the understanding of sheep and lambs quotations.

Full woolled sheep or lambs carries a length of wool over 1 1/2 inches long.

Fall Shorn or Summer Shorn (actually the seasons have no meaning, as the appellation has to do with the length of the wool) is an animal having wool 1 to 1 1/2 inches long.

No. 1 pelts are those with wool 1/2 to 1 inch long.

No. 2 pelts have wool 3/4 to 1/2 inch in length.

No. 3 or fresh shorn have wool under 3/4 inch long. Usually a lamb has a No. 1 pelt 8 to 10 weeks after shearing.

Alaska Hunting Guide To Show Pictures At Country Club Sat. Night

Bud Branham of Rainey Pass, Alaska, will be at the Ozona Country Club Saturday night, March 3, to show films on hunting and fishing in Alaska.

Mr. Branham is an official guide and outfitter for hunting expeditions in Alaska.

Prime —

(Continued From Page One)

The Southdown crosses showed the highest average gain in weight per month with an 11.3 pound increase. However, Earl Deland's crossbred lamb with a 15-pound per month increase registered the highest average monthly gain.

By division, Joe Everett's fine-wool lamb registered a 14.7 pound per month increase; Kent Babb's shorn fine-wool lamb had had a 10.3-pound per month increase; Erby Chandler's Southdown cross had a 11.3-pound per month increase; and Deland's crossbred had an average of 15 pounds per month hike in weight.

On an average, the 33 fine-wool lambs had an increase of 9.4 pounds per month. The shorn fine-wool lambs had an average increase of 10.3 pounds per month. Southdown crosses increased on an average of 11.3 pounds per month and the 23 crossbreds increased on an average of 10 pounds per month.

Mrs. Karl Kreamer of Houston is visiting friends and relatives in Ozona this week.

Bobby Cooke —

(Continued from page one)

Mr. Cooke was a student member of the American Society of Civil Engineering, serving as president of his school chapter, secretary of the Texas section student chapters, and junior and senior representative to the Texas section of the American Society of Civil Engineering. He also was a member of the Engineering Society.

For three summers Mr. Cooke was employed by the Texas Highway Department as a rodmann and an instrument man, and one summer he worked as a truck driver for a construction company.

The Fellowships program was inaugurated in 1947, as one of Rotary's contributions toward the promotion of international understanding, good will, and peace. To date, more than 800 young men and women from 61 countries have been awarded Rotary Fellowships for a year of graduate study in 40 countries. Total grants since 1947 are in excess of \$2,000,000.

Rotary Fellowships are unique in that, with some 9,000 Rotary Clubs in 96 countries throughout the free world, the student is in

direct contact with Rotarians and their families during his year away from home, no matter where he is studying. Through these close associations, he lays the foundations for increased international understanding, which is one of Rotary's principal objectives.

MUSIC CLUB TONIGHT

The Ozona Music Club meets tonight (Thursday) in the North Elementary Auditorium at 7:30 p. m. The music for the evening is mostly early folk songs and dances brought to Texas by various nationalities who were the first settlers in the state, beginning with the missionaries as early as 1690. The creative spirit is dealt with briefly with the negro spiritual, cowboy songs, and with native composers.

YARD DIRT — for sale. Good black soil. Call Ivy Mayfield, Phone 325-W or 116. 43-tfc

BABY SHOES & Boots Bronzed. Prices from \$3.00. J. W. Johnigan. Phone 281. 44-4tc

Midland Operator To Drill Wildcat; World Field Gains Extender

Crockett County gained location for a wildcat and a stepout and a Strawn field gained an extension. Garland A. Smith of Midland has filed application to drill a 3,000-foot rotary wildcat, 26.5 miles northwest of Ozona. It will be drilled as the No. 1 Shannon.

Location, on a 160-acre lease, is 330 feet from the south and east lines of the southeast quarter of 24-BB-EL&RR.

The prospector is 2 1/2 miles south-southwest of the World field but separated by dry holes. It is also 1 3/4-mile east and slightly north of the one-well Shannon (Strawn) field.

The World, West (Strawn) field was extended one location north with the completion of Continental Oil Co. No. 9-C. T. Harris, in 1-BB2-N. A. Miller, survey, 13 miles south of Texon.

It was completed for a calculated, daily flow potential of 610 barrels of 47.7 gravity oil, no water,

with gas-oil ratio 796-1. Production was through a 32-64-inch choke and perforations between 8,053-59 feet and 8,064-74 feet in 5 1/2-inch casing set at 8,123 feet on the total depth. Pay section was acidized with 3,000 gallons.

Tubing pressure was 300 pounds with packer on casing.

Top of pay was picked at 8,010 feet, on derrick floor elevation of 2,780 feet.

Henry D. Lindsey III of Midland will drill the No. 1 Todd 1/4-mile north of production in the Howard Draw field, 15 miles west of Ozona. Rotary drilling to 1,350-foot will begin immediately.

Location, on a 320-acre lease, is 330 feet from the south and 1,910 feet from the west lines of 39-WX-GC&SF.

LADIES GOLF ASSN.

The Ladies Golf Association met for their regular golf and bridge play Thursday at the Country Club. Winners in golf for the day were Lois Hodges, Gladys Pierce and Alice McLulan, High score

in bridge was won by Children's and second high Bud Cox. Members present: Velma Marley, Lois Hodges, Gladys Pierce, Gladys Pierce, Katie Johnson, Scheuber, Alice McLulan, Wilkins, Ada Pierce, Blanche Ker, Jane Black, Emma Marge Harvick, Winnie Vivian Clayton, Dorothy Charlotte Phillips, Wilma Dorothy Friend, Eileen Mary Clayton, Mrs. P. L. Mrs. Dorothy Millspaugh, Cox of Ozona, and Mrs. Kreamer of Houston
