Rabies Dogs Vaccinated In Rabies Drive

Yet To Be Tested; Another Fox Killed

A rabies stand by Dr. Don San Angelo, anti-rabies were administered to 23 Ozona dogs last to yesterday County Jacoby had listed 25 those owners want the listed and the list being.

Another rabid fox was the same day on the ranch in north central county. The fox attacking belonging to Charlie foreman, and was the dog. The dog suffered bites on the ear with the rabid virus was brought to Ozona and sent to the state in Austin which re-animal showed positive in a telegram received the week. The Gerdes destroy their pet if tested positive, since effect of the vaccine shot was under the circumstances.

Members streamed all day on agricultural building. Dr. Price, assisted by Dr. Gerdes, vaccinated without interruption for a brief period doctor's supply of vaccine exhausted and a new supply rushed from San Angelo's work was concluded South Elementary school, a more convenient site in the Latin-American

campaign was inaugurated following reports of increase in the number of rabid animals being spotted in the county.

Baseball Report Try-Out Meet Little League

Not Crop Of Hopefuls Promise Fine Season

Director Pete Hickman and various team managers at the Ozona baseball park Monday and Wednesday afternoon for the 1956 season got underway.

Managers felt that the 1956 recruits was one of the several seasons and bid expected to be heated when time comes around.

Managers under the direction of Boyd and Ozona Oil manager of Dick and Dick Ketchum will be both holdovers from last year. Both clubs will have 12 to 15 man squad back this year.

Killingsworth's Franklin team, last years champions, are Texas Lumber who as manager the runner-up heavily and will have to overcome last years start.

This Changing West Texas Weather Sets Trap For Home Fire

West Texas's unpredictable weather caused a fire in the home of Lonnie Taylor, local paint contractor, early Friday morning.

Not exactly a newcomer nor the other category into which Texans place those who predict the weather, Mr. Taylor nevertheless placed a modicum of trust in the weather's stability and that was his mistake.

In the midst of one day's heat wave, he installed his air conditioner in his living room and, as these moves often do, this necessitated a shuffle of the furniture. The couch was moved from the window to clear the air conditioner and placed too near the panel-ray heating unit. Night's descending cold tripped the thermostat and the heating unit came on, firing the back of the couch.

The Taylor's awoke to find their home filled with smoke from the burning couch and their parakeet gasping for breath. The Ozona Fire Department extinguished the blaze and neither the Taylor family nor the parakeet suffered any ill effects.

Grass Demonstration Plot Is Planted For Adaptability Check

A grass demonstration plot was planted this week on the Bill Baggett ranch north of Ozona. Grass seeds for the test plot were furnished by the Range Management Department of Texas A&M College. County Agent Pete Jacoby will make reports on the progress of the grasses in the plot at intervals. Purpose of the demonstration is to check on the adaptability of the various species of grasses to this section of the state.

Origin of the 32 species of grasses planted are Mexico and other sections of this state. Also planted are some Crockett county native species for the purpose of comparison.

Seven varieties of grasses were planted, including green sprangletop, sideots grama, silver bluestem, plain bristle grass, blue grama and Arizona cottontop.

The plot will be irrigated until the grasses reach a height of about six inches, Mr. Jacoby said. Assisting the county agent with the care of the plot will be Bill Baggett, Bob Scott and Dick Ketchum with the Soil Conservation Service here, members of the 4-H Club, M. A. Barber, vocational agriculture instructor, and F. F. A. members.

Plans are to transplant other native grasses in the plot for the purpose of providing the 4-H Club and F. F. A. chapter sources of grass sample with which to train future ranchmen in grass identification.

Mrs. Robert Duncan Sister Of Ozonan, Is Buried In San Angelo

Mrs. Robert Duncan, daughter and widow of pioneer West Texas ranchman, died Saturday at her ranch home 28 miles north of Uvalde.

She was daughter of the late Mr. and Mrs. A. M. Hicks of San Angelo and the widow of Robert Duncan.

Her brother, Lindsey Hicks of Ozona, still ranches on the family place in Terrell County.

Mr. Duncan died in September, 1953. Since then Mrs. Duncan had operated the ranch.

Services were held at 2 p. m. Monday in Johnson's Funeral Chapel in San Angelo with the Rev. Ennis Hill, First Methodist Church pastor, officiating. Burial was in Fairmount Cemetery.

Survivors include three sisters, Mrs. Nolley M. Scott of Cactus Hotel, San Angelo, Mrs. Bustin Canon of Sanderson and Mrs. Huron W. Mills of Austin; and her brother, Lindsey Hicks.

Pallbearers were Al Dishman of Del Rio, Frank Bond of Sonora, Tom Bond of Uvalde, Cecil Davis of Montel, Willie Banner of Sanderson, and Otho Drake, George Bailey and L. W. Puckett, all of San Angelo.

Clubs To Sponsor Driver Clinic In Ozona April 28

Youth Training And Adult Retraining Plan's Object

A Driver Clinic, designed to point up deficiencies of adults as drivers and to promote the training of teenagers in the schools for driving and the retraining of adults, will be held in Ozona Saturday, April 28, through the cooperation of three Ozona women's organizations and the West Texas Utilities Co.

Cooperating in promoting the Clinic, one of the first to be held in West Texas under a project being sponsored by the Texas Federation of Women's Clubs to get driver education into every high school in the state, will be the Ozona Woman's Club, the Woman's Forum and Epsilon Sigma Alpha Sorority. Mrs. L. B. Cox, Jr., is president of the Woman's Club; Mrs. Charlie Black heads the woman's Forum and Mrs. Charles Ratliff the E. S. A.

Representing the West Texas Utilities Co. and organizer of the Clinic program will be Miss Eudora Hawkins of Abilene, head of the W. T. U. home service division. Miss Hawkins will be one of the speakers during the clinic sessions.

The Clinic will be held in the Ozona High School Cafeteria from 1:30 to 4:30 o'clock. Speakers will be Joe A. Perry, Safety Officer with the Texas Highway Patrol; Byron Cleere, Driver Education teacher in the Ozona High School; Dr. Maurice Lemmons; Miss Eudora Hawkins of Abilene, and others. The program will include films and slides, and discussion of traffic laws and traffic problems. There will be favors for everybody and door prizes.

Ozona is one of the first towns in West Texas to promote such a clinic. Similar clinics have proven to be of great value in improving the driving of entire towns, it is reported. The clubs have planned the Clinic primarily for the women of the area, but men and teen-agers will be welcomed also.

Pelto Named President Ozona Lions Club

J. A. Pelto, Ozona's High School popular basketball coach for eight years, was elected president of the Ozona Lions Club at the club meeting last week. Coach Pelto succeeds Bob Scott, conservationist with the U. S. Soil Conservation Service here.

Pelto, from Virginia, Minn., attended T. C. U. in Fort Worth where he was a star basketball performer. He was a fighter pilot in World War II. Married, has one child, Monty, 2 years old.

Howard Lemmons was elected first vice president of the club; Roy Killingsworth, second vice-president; E. Q. Alford, third vice-president; Claude Montye, Lion Tamer, and Boyd Baker, Tail Twister. Named to the board of directors were Bud Harrison, Rusty Smith and Dick Ketchum.

Cancer Society Fund Drive Sponsored Here By Woman's Club

Ozona Woman's Club voted a donation of \$25 to the current Cancer Society fund drive and assumed local sponsorship of the drive in the Ozona area being directed by the regional chairman in San Angelo.

The Ozona Woman's Forum had previously voted a contribution of \$25 to the cancer fund and the Woman's Club plans to contact other organized groups in the town calling their attention to the Society's needs and asking them to consider a contribution. No active canvass in behalf of the Cancer fund is to be made locally, it was decided. However, if there are citizens of Ozona who wish to make a contribution to the fund it may be handed to any member of the Woman's Club or left at the Stockman office.

A WARNING TO RANCHMEN: Livestock Handlers Urged To Be On Watch For Rabid Animals

A warning to Crockett county ranchmen to use extreme care in handling sick domestic animals as a safeguard against possible rabies infection was passed on this week by County Agent Pete Jacoby from the veterinarian who was here Friday to inoculate Ozona dogs against the dread disease.

Widespread outbreak of rabies in wildlife of this area has presented a menace to domestic animals and to man. Several reports of rabid cows and other domestic animals have been received lately, thus prompting the warning to ranchmen and their employees. One of the symptoms of rabies, Mr. Jacoby said, is a throat paralysis and ranchmen, in the case of a sick cow, for instance, might suspect a throat obstruction and attempt to explore the animal's throat with their hands, thus exposing themselves to infection.

If an animal appears ill, restless and extremely nervous and irritable, avoid personal contacts, is the advice of the county agent.

Ozona Lions Take Third Place In Dist. Meet; 9 To Regional

By Ernie Boyd

The Ozona Lions were nosed out of third place in the district meet last week by the Menard Yellow Jackets who copped second place in the mile relay to edge the Loins by one half of a point.

Coach Chick Womack's track team qualified 9 boys for the Regional meet however, which is over three times as many boys as Ozona has had in recent years. The district meet held in Eldorado, was run off during a severe sand storm which hampered both the runners and the few brave spectators.

Scoring points for Ozona were: Luis Vela who copped second place in the discus; Bobby Martinez who was nosed out in the 880 and ran a lap on the 3rd place mile relay; Jerry Jacobs who placed second in the 440 and ran a lap of the mile relay; Juan Delgado who got fourth place in the shot and the 220; Jake Young who tied for second place in the high jump; Ronnie and Orville Paulk who tied for third place in the pole vault; Jimmy Martinez who won fourth place in the mile run, and Kent Babb who took fourth place in the high hurdles.

The balance of the mile relay team was composed of Bobby Sutton and Roy Glen Sutton. Coaches Chick Womack and Sonny Cleere will leave Friday afternoon for Odessa where the regional meet will be held.

Brother Of Crockett Judge Dies In Calif.

Will Smith, 74, a brother of County Judge Houston S. Smith of Ozona died at his home in Arvin Calif., Sunday night following a long illness. Mr. Smith suffered a cancer of the lung and his death had been expected for some time.

Funeral services were held Tuesday. Mr. Smith is survived by his widow and six children, two sons and four daughters. Also surviving are three brothers, Houston Smith of Ozona, J. B. Smith of Farmington, N. M., and Garland Smith of Sacramento, Calif., and one sister, Mrs. S. D. Campbell of Farmington, N. M., and a number of grandchildren.

Crockett Weger Field Gets Third Producer

The Weger, North field of Crockett County has gained its third producer and a 1 1/4 mile northeast extension with completion of Slick Oil Co. No. 1-A W. E. Friend, in I-Georgetown RR, 15 miles south of Big Lake, for a daily pumping potential of 68.19 barrels of 31 gravity oil.

Production was through unreported perforations in 5 1/2-inch casing set at 2,530 feet, the total depth.

Top of pay was picked at 2,376

Drouth Feed Program Extended To May 15

Extension of the drouth emergency feed program for another month was announced during the past week by the state drouth committee. The extension is effective in all Texas counties previously designated drouth disaster area, including Crockett county, and added several other counties to the list.

The new period will permit ranchmen to receive livestock feeds for their basic herds at \$1 per hundredweight reduction on feeds sufficient to carry their livestock until May 15. Applications for certificates are now being received at the local F. H. A. office in the Hotel Ozona.

New Officers Of PTA Installed; High School Choral Club Entertains

New officers of the Ozona Parents-Teachers Association were installed Monday night at the regular meeting of the organization in the high school auditorium.

Installed were Mrs. James Childress, president; Mrs. Arthur Kyle, first vice president; Mrs. Martin Harvick, second vice president; Mrs. Joe Clayton, third vice president; Mrs. L. D. Kirby, treasurer; Mrs. Charles Applewhite, secretary; Mrs. Haskell Leath, historian; and Mrs. Brock Jones, parliamentarian. Mrs. James Baggett, retiring president, was presented with a past-president's pin, presented by Supt. L. B. T. Sikes.

The group was entertained by the High School Choral Club under the direction of James Rollins. The choral group sang "The Lord's Prayer," "My God and I," "Sit Down Servant," "Old Man River," and "In the Still of the Night." Miss Elizabeth Pearson sang a solo, "Sung in My Heart," and the chorus sang "If I Loved You" and "You'll Never Walk Alone." A piano solo by Mary Jo Ward, playing "Liebestraum" and "Tenderly," was followed by a sextet composed of Carolyn Mayfield, Gaynel Walker, Pat Woodall, Genelle Childress, Diane Phillips and Alma Ingham, singing "Almost Tomorrow." Luis Vela sang "Sixteen Tons" and "Tutti Fruitti" and the program closed with the chorus singing, "Battle Hymn of the Republic."

Miss Foote's fifth grade won the attendance award for the meeting.

Ozona Girls Win District Title In Volleyball

Junction Thumped In Two Out of Three Match Friday

Ozona High School's girls volleyball team, coached by Miss Geneva Knox, won the District 128-B volleyball championship and the right to represent the district in the regional tournament when they defeated the Junction girls two in a row in a two-out-of-three championship series played in Sonora Friday night.

The Junction team won the east half championship in the split-district play and Ozona won the east half. The neutral ground match decided the district title holder.

The Ozona girls won the first tilt by a close 16 to 11 margin but boomed back for a crushing 22-5 win in the second contest to clinch the title.

Junction jumped to a 10-3 lead at the halfway mark of the first contest but the Ozona girls rallied sharply to nose out the Kimble girls. The second game was Ozona's all the way.

Tony Ortiz was high point server for the winners, with Carol Friend and Carolyn Stuart other outstanding players on the championship squad.

The girls will participate in the regional tournament at Odessa College April 28.

Ground Observer Post Organized At Meeting Here

May 7th Set For Final Organization of Local Unit

Because the world today lives under an uneasy peace, and sneak attack is the way wars are started in such a world, the United States Air Defense Command is promoting the organization of a Ground Observer Corps in every community as a help to this arm of national defense in keeping watch for hostile attack from the air.

Ground work for such an organization was laid here Tuesday night in a meeting in the high school auditorium at which the G. O. C. plan was outlined to the group by Sgt. E. H. Geitner of the U. S. Air Force stationed at San Angelo.

Twenty-nine Ozona citizens, most of them members of the Ozona Volunteer Fire Department, which organization will form the nucleus of the local post, volunteered for service with the local unit of the Observer Corps and from this nucleus a group of from one to two hundred volunteers are expected to be recruited to maintain a 24-hour alert in this vicinity.

Joe Tom Davidson, fire chief, was chosen chief observer and a second organization meeting was set for May 7 when the group, with what volunteers can be secured before that date, will perfect its organization and receive instructions from Sgt. Geitner.

The Ground Observer Corps, units of which have already been organized in San Angelo, Sonora, Menard, Junction, Eldorado and other towns in this area, is sponsored by the Air Force Air Defense Command and serves as an aid to that branch of the service in keeping a radar and personal watch for the possible appearance of hostile aircraft bent on a sneak attack of the United States. Low flying planes, Sgt. Geitner explained, can keep out of the beam of radar and thus the need for ground observers in all parts of the nation to help keep the watch.

This ground-to-air watch is kept by the G. O. C. volunteers on assignment by the chief observer, the frequency of such service depends on the number of volunteers available. No pay will be made to serve his place of business or employment to serve as an observer. Any unidentified or unusual aircraft seen flying in the area is reported by the observer to a filter center in San Antonio by telephone on an open circuit system made available by the telephone companies.

Persons in Ozona who will volunteer for this service are asked to contact Chief Davidson and to attend the next meeting of the group set for May 7 in the high school auditorium.

Tax Penitence Must Be Return By Apr. 30

A reminder to Crockett County property owners that tax rendition blanks must be signed and returned to the collector-assessor's office by the end of this month, was issued this week by V. O. Earnest, sheriff, assessor and collector.

Tax rendition forms have been distributed to property owners. They must be filled in and signed and returned not later than April 30.

Cities Service Spots World Field Steput

Cities Services Oil Co., has filed application to drill the No. 1-K Shannon, 3/4-mile southwest of production in the World West (Strawn) field of Crockett County, 15 miles southwest of Big Lake.

It will be drilled to 8,400 feet with rotary.

Location, on a 645.98-acre lease, is 660 feet from the north and 1,980 feet from the west lines of 15-Q-EL&RR.

STREET MARKERS

The new Chandler addition to Ozona has set an example we hope the old Ozona will soon follow. Each street intersection in the new addition carries a neat metal pole bearing equally neat street name designations, and we understand house numbers will soon be added.

It would be wonderful to be able to direct a stranger to an address in Ozona without having to count the intersections both ways and finally tie down the directions with "it's the little white house with green shutters three houses down from the corner where the big red brick house sits, on the left side going from here."

BIRDS AND THEIR FEATHERS

Can you imagine — a man who got elected to the Senate in Texas through the magnanimity of George Parr, the Duke of Duval, and his gang now being booted for president of the United States?

Lyndon Johnson, who has done the most polished job of fence riding in the history of Socialism, communism and dictatorial big government, who has represented Lyndon Johnson and Lyndon Johnson's political ambitions 24-hours out of every day he has served in the United States Senate and not once the state of Texas and its people whenever it was politically expedient to do otherwise; who has served his masters, the "liberal" socialistic, vote-buying National Democratic Party, first, last and all the time — Lyndon Johnson is at last being smoked out so everybody will know which

THE AMERICAN WAY

Three's A Crowd!

crowd he prefers. Texas voted against the man who said that if he were elected president of the United States he would veto the tidelands bill and take for the federal government what had belonged to Texas without question for over 100 years. But Lyndon Johnson voted for him and supported him. Now San Rayburn and Texas' other brass-collar and New Deal "liberal" Democrats are trying to shove Lyndon Johnson down the throats of Texans as head of their delegation to the Democratic convention and as "favorite son" and even a serious candidate for the party's nomination for the presidency. "Free" voters of Texas rejected Lyndon Johnson as their Senator and we believe they'll reject him as president if he should be the candidate to run against Dwight D. Eisenhower.

WHAT'S HAPPENED IN EDUCATION?

Some time ago 1,500 high school students in a typical industrial community were polled as to their views on certain economic questions. The result, according to Ralph T. Moore, writing in the Oregon

Voter, was as follows: "A majority of those polled favored the totalitarian system of price controls over free enterprise wherein the consumer controls prices through exercise of his preference franchise. Most believed that owners of a business get too much compared with employees. A large majority subscribed to the Communist axiom that from each should be

taken in accord with his ability and to each should be given in accord with his needs, the latter of course being only vaguely defined. And the majority also subscribed to the Communist manifesto that no worker should produce all he can. The replies more resembled those to be expected from a Russian youth organization than from American high school youngsters.

About the best single word that can be applied to this symposium is "stunning." It is evident that if such views are at all representative of youthful thinking, something has gone terribly wrong with our educational system. That means education in the schools, where the truth is supposed to be

taught. It also means the education that children should absorb in the home. And it points to failures on the part of business and other groups which have the duty of speaking for free enterprise.

The young people of today will, tomorrow, determine what kind of country this is to be. That is a sobering thought, in the light of this pool.

TODAY'S BIG SPECIAL

at a price that will open your eyes (and Purse)

If you're in the market for a real boy, take a good look at this one.

It's a 1956 Buick Special—which means, of course, it's a big car.

But look again at the price news it carries.

It tells you the big Buick Special can be yours for only a few dollars more than the price of the well-known smaller cars—in extra less than some models of those very same cars. (And the price we'll show you proves how true that is.)

The gospel truth is—this heavenly new beauty is the biggest bundle of high style and best performance ever offered in Buick's lowest-priced Series.

Even that, though, doesn't completely explain why Buick outsells every car in America except the two well-known smaller ones.

To understand the big reason, you've got to know something about how much pure automobile you get for your money in a 1956 Buick—

The extra satisfaction of commanding Buick's wall-popping new 322-cubic-inch V8 engine—

The extra joy and comfort of Buick's smooth, buoyant ride, Buick's matchless new handling ease, Buick's extra sturdiness of structure—

The extra thrill that comes from the world's most modern transmission. For, at your option, you can also have the new double-action take-off—and the extra gas-saving mileage—of Buick's advanced new Variable Pitch Dynaflow.

Those are some of the things we'd like you to know, firsthand, about the 1956 Buick. And we'll let the car itself—and that low price tag—do the talking. Will you come in—real soon—this week maybe?

(New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on New Yorker, States and Century—optional at modest extra cost on the Special.)

THIS DEPENDENT GENERATION

A "short-short story" version of the dependent generation we have built up in this country since inauguration of the "welfare state" in 1933 is contained in the following paragraphs selected from the weekly letter to the people written by Congressman J. T. Rutherford who represents this the 16th district of Texas:

"Once upon a time there was a young man who lived with his parents in a Public Housing Development. He attended Public Schools, participating in the "free" school lunch programs. He entered the Army for a time, and retained his National Service Life Insurance when discharged. He enrolled at the State University, working parttime at the State Capital for the Government to add to his "GI education" check. Upon graduation he married, obtained an FHA loan and bought a home. Within a short time he decided to go into business for himself, and obtained an RFC loan for that purpose.

"A baby was born to the man and his wife in a City Hospital.

I, Dick Kirby County Auditor of Crockett County do solemnly swear that the above statement is true and correct to the best of my knowledge and belief. —

DICK KIRBY
County Auditor
Crockett County

They received care from tax-financed hospital personnel. He bought a small ranch, with the assistance of the Veteran's Land Program, and got emergency feed from the Government to see him over the rough spots. He didn't have to devote much time to operating the ranch, as his father lived on it very comfortably with help from Social Security and Old Age Assistance checks. Electricity from REA lines helped make ranch life more enjoyable.

"He read books from the Public Library, saved his money, which was insured by an agency of the Federal Government. His child grew, attended Public Schools as did his father before him, played in Municipal Parks and learned to swim in a public pool. The man owned an automobile, so he favored the Federal Highway Program. With two friends, he bought a small private airplane and asked for Federal funds to improve the local airport. He signed a petition circulated by his downtown

Club, seeking Federal assistance in developing an industrial project designed to help the economy in his particular area. He also promoted a request for additional Government agencies in his home town, and was a leader in a move to secure a Federal Building. He received two mail deliveries each day at his home, two more at his office, but opposed an increase in postal rates. Tired of high taxes, he was a leader in a move to have his specific type of business given special consideration in tax write-offs and exemptions.

"Then one day he picked up his pencil and wrote to his Congressman. "Dear Sir," he wrote, "I am writing to protest these excessive Government expenditures and attendant high taxes. I believe in rugged individualism as did my father before me, and I think people should stand on their own two feet without expecting handouts. I cannot understand what the

Government does with all the tax money it receives, and I am opposed to the Socialistic trends in our Government. I demand a return to the principles of our Constitution and to the policies of States Rights." End of story."

LADIES GOLF ASSN.

The Ladies Golf Association met Thursday of last week at the country club for their regular golf and bridge play. Florence Taylor won high score in bridge play and Dorothy Friend won low Eileen Mahon and Lois Hodges won the handicap golf play. The golfers will begin a team play with the winning team scoring the most points for attendance. Teams organized and their captains are as follows: The Logan team will be Mary Friend, Dorothy Pierce, Eileen Mahon, Katy Jones and Alice McMullan as captain. The Snead team, with Gladys Pierce as cap-

tains, is Donna Beth Davidson, Helen Wilkins, Jean Scheuber and Eileen Childress. On the Maxwell team with Pauline Montgomery as captain will be Liz Williams, Dorothy Montgomery and Velma Marley. The Burke team captained by Ada Pierce is Wilma Friend, Willie V. Baggett and Lois Hodges. Each member who takes part in the golf play will score 25 points for her team. Those present were: Alice McMullan, Mary Friend, Eileen Mahon, Jean Scheuber, Helen Wilkins, Lois Hodges, Katy Jones, Velma Marley, Dorothy Montgomery, Francis Albers, Vivian Clayton, Charlotte Phillips, Marge Harvick, Dorothy Friend, Florence Taylor, Emma Adam, and Mary Bess Harris, guest.

EDITORIAL

Ozona High School students were privileged this past week to be associated with Dr. G. E. Thomas from Nashville Tennessee. We were certainly inspired by his anecdotes which helped us remember the main points of his messages. One of these, we would like to pass on to you.

"As a certain man walked along the river above Niagara Falls one cold, winter day, he was watching a huge bird in the overhead sky. The large wings brought the bird circling down and finally landed on an object in the water. When the man looked closer, he saw that it was a dead sheep floating down the river toward the falls.

Although the bird was also drifting toward a likely doom, he wasn't afraid, because he knew that when ever he wished, his wings could lift him to safety. The pair continued drifting, nearer and nearer the falls. Soon they were only a few yards away. The great bird lifted his powerful wings to fly away and found that as he had been eating on the carcass, his claws had frozen solid in the sheep! No matter how hard he tried he couldn't free himself and went over the falls to meet his death."

The moral is this: We must be very thoughtful about our deeds. Although we think that we can change our doings any time we wish, we sometimes find that we are caught with no means of escape.

THE HEADLINER!

Hello!
 It seems to be that this year is Ozona's time to shine. Friday afternoon the volleyball girls won district which makes our third straight district victory. New girls are ready for regional which is being held in Odessa the 28th of April. Good Luck, girls!

Saturday the district track meet was held in Eldorado. At the meet we won third, but we are proud of our boys for we have nine boys who qualified for the regional meet at Odessa the 21st of April. The boys who are going are Kent Babb, Bobby Martinez, Jerry Jacobs, Jackie Young, Luis Vela, Ronnie Paulk, Bobby Sutton, Roy Glenn Sutton, and Stanley Williams. Good Luck, boys at regional!

ANNUAL STAFF

Here it is time for the sale of annuals again and the annual staff is busy making plans for the sale of these annuals.

The annual staff has been hard at work these past few weeks choosing the theme and color of the annual.

We all think it is going to be a pretty great annual again this year so every one be saving those pennies and dimes to buy themselves one.

They will be on sale soon, so look for the notice when they will be.

VOLLEYBALL NEWS

Friday, April 13, the Ozona volleyball Team traveled to Sonora to meet Junction in district play. The district is played in half. Ozona and Eldorado make up this half while Junction and Menard are the other half. Ozona and Junction were the winners of each half so they played on neutral grounds which was Sonora. The games were played on the basis of 8 minute ball and play time games. Three games were played and the winner of two out of three won. Ozona came out on top the first two games.

Saturday, April 23, the team will go to Odessa to participate in the Regional meet. It is not known yet who the girls will play.

JUNIOR NEWS

All of the juniors are busy studying and looking forward to the end of school.

We would also like to congratulate one of our juniors, Miss Suzann Dale who placed first in the district competition for extemporaneous speaking and will go to Odessa this Saturday for regional competition. Best of luck Suzann.

Otherwise with the Junior-Senior banquet out of the way the Juniors are just taking it easy.

CHORAL PROGRAM

Monday, April 15, 1956 the Ozona Glee Club presented their annual concert. The program consisted of 8 numbers. These were: The Lords Prayer, My God and I, Set Down Servant, You'll Never

Walk Alone, The Battle Hymn of the Republic, Of Man River, In The Still of The Night, and If I Loved You.

The girls quartet, consisting of Alma Ingham, Pat Woodall, Genelle Childress, Gwynel Walker, Diane Phillips, and Carolyn Mayfield, sang It's Almost Tomorrow. Luis Vela sang Sixteen Tons and Tutti Frutti. The Choral Club accompanied Luis on these 2 numbers. Two piano solos were played by Mary Jo Ward. These were Ten-

derly and Liebestraum.

The Choral club would like to thank Miss Quieff for assisting us in absence of one of our accompanists.

ASSEMBLY

Last Monday morning a distinguished person spoke to the high school students. We were fortunate to hear Judge James Langdon who is the district judge of the 112th District Court. Since it

is nearing the end of the year one is thinking of the plans. Judge Langdon gave some interesting statistics on the percentage of men getting married and the kind of jobs being held. He discussed the various branches of the economy and was certainly a subject considered in Ozona High

West Highway 290

Springtime is Plymouth

Hardtop time!

Two doors or four doors, V-8 or 6, there's a Plymouth Hardtop for you. Whichever you pick, you'll have the biggest, smartest Hardtop of the low-price three!

Most beauty, size, value in the low-price three—all yours in a big new '56 Plymouth Belvedere or Savoy Hardtop!

Here's the ideal companion for springtime driving fun—a bright new Plymouth Hardtop. Drive one and see! Look at those racy "let's go!" lines... try the reflex-quick response of Plymouth's sensational new Hy-Fire V-8 or 6... see how easily your Plymouth whisks you through city

traffic, out to the open road where you belong, you and your Plymouth Hardtop.

With windows down, you enjoy all the airy fun and flair of a convertible. With windows up, you're snug. You won't settle for anything less, once you've driven a Plymouth Hardtop!

Plymouth is the biggest car in the low-price three... longest, lowest, roomiest, with a true big-car ride.

With the newest styling of the low-price three... this Plymouth is really new. No "warmed-over" design!

The only Push-Button Driving in the low-price three... mechanical, safe, and so simple. Optional on all models.

The performance thump of the low-price three... holds official NASCAR speed and acceleration records!

And... it's mighty easy to own a Plymouth Hardtop... ask your dealer about his modern finance plan today.

Plymouth costs less

From the day you buy it... through all the years you own it... you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

SEALED PROPOSALS ADDRESS-
ED TO:

HOUSTON S. SMITH
COUNTY JUDGE
OZONA, TEXAS

for the construction, in accordance with the Plans and Specifications, and Contract Documents, prepared by John Linn Scott and Associates, Architects, 406 West 17th Street, Austin, Texas, to be used as a Health Center in and for Crockett County, Texas, will be received by the Commissioners Court at the County Court House, District Court Room, Ozona, Texas, until 2 o'clock, p. m., on the 14th day of May, 1936. Bids will then be publicly opened and read aloud, after which the bids will be considered by the Commissioners Court and award of contract made as soon thereafter as practicable. Any bid received after the closing time will be returned unopened.

Proposals will be received at the Building for General Construction, Electrical, P. L. M. L. S. G. Heating, Ventilating, and Air Conditioning, in a combined bid.

Plans and Specifications may be examined without charge in the office of John Linn Scott and Associates, Architects, 406 West 17th Street, Austin, Texas, and may be procured from such Architects upon a deposit of Twenty-five (\$25.00) Dollars as a guarantee of the safe return of the Plans and Specifications. The full amount of this deposit will be refunded, providing a bona fide bid is submitted and upon the return of these Plans and Specifications in good condition within the time specified. If a bid is not submitted, Ten (\$10.00) Dollars of the deposit will be returned and Fifteen (\$15.00) Dollars withheld by the Architects to cover the cost of duplicating.

Attention is called to the fact that not less than the minimum wage rates prevailing in the locality in which the work is performed for work of a similar character, and not less than the general prevailing rate of per diem wages of legal holidays and overtime work, shall be paid to all laborers, workmen and mechanics employed in the construction of public works

and the general prevailing rate in the City of Ozona may be obtained from Houston S. Smith, County Judge, or from John Linn Scott & Associates, Architects.

Each proposal must be accompanied by a certified or cashier's check on a bank in the State of Texas, or an acceptable bid bond from a reliable surety company authorized to do business in the State of Texas, payable without recourse to Crockett County, Texas, in an amount not less than five (5%) per cent of the largest possible total for the bid submitted, including the consideration of adding alternates, as a guarantee that if awarded the contract the bidder will promptly enter into a contract and execute bond in the form provided as outlined in the specifications and instructions to bidders, & performance bond of one hundred (20%) per cent of the contract price will be required.

In case of ambiguity or lack of clearness in stating prices in the Proposal, the County reserves the right to adopt the price written in words, or to reject the Proposal. The County reserves the right to reject any or all formalities.

No bid may be withdrawn, after the scheduled closing for receipt of bids, for at least thirty (30) days.

Notice is also given that it is the intention of the Commissioners Court of Crockett County, Texas, to pay all or a part of the contract price in interest-bearing time warrants, and it is the intention of the Commissioners Court to pass an order on the 14th day of May, 1936, authorizing the issuance of interest-bearing time warrants against the Permanent Improvement Fund of said County in an amount not to exceed \$50,000.00, bearing interest at a rate not to exceed 2 1/2% per annum, and maturing at such time as may be fixed by the Commissioners Court, serially or otherwise, with a maximum maturity not to exceed ten (10) years from their date, for the purpose of evidencing the indebtedness of Crockett County to be incurred in constructing and equipping a public building to be used as a Health Center in and for said County.

The County will make arrangements for the contractor to dispose of the warrants herein mentioned at not less than par, and

the contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

This notice is given pursuant to a resolution of the Commissioners Court of Crockett County, Texas, adopted on the 12th day of April, 1936.

Houston S. Smith
County Judge, Crockett County
Texas

**A. J. Roach, Eldorado
Pioneer, Father Of
Ozonan, Buried Mon.**

Andrew J. Roach, 85, one of Eldorado's oldest citizens and a pioneer West Texas ranchman and merchant, father of Mrs. T. J. Bailey of Ozona, died Friday at his home in Eldorado after an illness of several years.

Solemn High Requiem mass was held at 9:30 Monday morning in Sacred Heart Church in San Antonio for Mr. Roach. Officiating were Rev. Howard Meyer of Ozona, Servus Braun and Rev. Fred Doering, burial followed in Eldorado cemetery.

Born in Westford County, Vermont, Feb. 4, 1851, Mr. Roach came to the United States in 1881 with his mother and six other children. His father had preceded the family

by three years and settled in Lampasas county. On Sept. 8, 1903, he married the former Mattie Cloud in Gatesville and two years later the couple sold their Lampasas holdings and moved to Schleicher county, Mrs. Roach driving the wagon and both herding 150 head of cattle.

Until about seven years ago when he retired, Mr. Roach operated a furniture and feed store in Eldorado.

Surviving are the widow; two sons, E. B. and J. T. Roach, both of Eldorado; a daughter Mrs. Bailey of Ozona; a brother, John S. Roach of Abilene and six grandchildren.

FOR SALE — A. K. C. Registered Dachshund puppies, Champion blood lines. Mrs. Jack Smith, 1501 Marshall St., Abilene, Texas.

From where I sit... by Joe Marsh

They Travel "In Class"

The high school correspondents say that Brownies and Geography students are going to the "open road" study.

From where I sit, it doesn't seem so wild, either, to get out and see how the rest of the country lives. We had the "open road" study everything from herding cattle to being plowmen... with everything from steel to aluminum for his favorite dish... everything from beer to butter-milk for his favorite beverage. And the more we study our all-American the more we learn how alike everyone is underneath.

Joe Marsh

"Who Knows What We'll Find!"

Dear Friends

As a part of their work in Humble's Refining Research Laboratory, Humble scientists bombard petroleum hydrocarbons with electrons in a 2-million volt Van de Graaff Accelerator.

But if you ask one of these scientists what he expects to find, he'll answer, who knows!

For this is fundamental research. Results may be quick or they may be a long time developing. Who knows?

... Perhaps the scientists will find a way to increase the yield of useful products from a barrel of crude oil.

... Perhaps they'll be able to make improvements in the fine products already supplied you.

... Perhaps they'll develop an entirely new group of petroleum products.

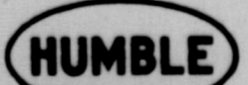

Who knows!

This much, however, is certain: Humble research scientists at Baytown use every device of physics, chemistry, mathematics and mechanics to provide you with more and better petroleum products.

Two quick examples: The specifications for Esso Extra gasoline, the formula for Humble Uniflo motor oil. These, without question, are the finest products you can use in your car.

Sincerely

Ozonan To Head Lay Delegation To Church General Conference

Alvin Harrell of Ozona, accompanied by Mrs. Harrell, will head the lay delegation of the Southwest Conference of the General Conference of the Methodist Church, to be held in Minneapolis, Minn., April 25 through May 3.

Official delegates from Southwest Texas Conference include: R. F. Carl of San Antonio, who heads the ministerial delegation, Donald E. Redmond, San Antonio; Kenneth W. Copeland, San Antonio; Edward Heidegger, Austin; and L. U. Spelman, Kerrville, ministerial; and Alvin Harrell, Ozona, who heads the lay delegation; L. L. Keyker, Fredericksburg; C. I. Shalt, Columbus; Wilmoth Morgan, Mission; and E. D. McDonald, Harlingen, lay representative.

In addition to the delegates, a number of visitors from the conference will attend. There will also be representatives present from the Negro and Latin American churches of the area.

One of the country's oldest legislative bodies, the General Conference holds quadrennial sessions and dates back to 1784 as the denomination's supreme law and policy-making body. Previously, the work in America was a colonial enterprise of British Methodism.

At least 25 countries will be represented by delegates or fraternal messengers.

Delegates will review and plan the general work of the church, and consider a record number of "memorials" or petitions for specific legislative action.

More than 3,000 memorials have been filed for reference to 16 committees. They range from minor changes in church law to such controversial issues as racial segregation and full clergy rights for women preachers.

Issue of racial segregation is expected to provoke considerable debate on the conference floor. More than 100 memorials relate to proposals to abolish or retain the church's segregated Central Jurisdiction, composed of 364,000 Negroes.

Air Defense Command Mobile Education Unit Visits Installations

HQ. 3rd Air Defense Division, Oklahoma City, Okla. — "Education on the Move" is apt phrasing for the Mobile Education Unit now touring through the Air Defense Command's Aircraft Control and Warning squadrons in Western U. S. The Unit, now visiting 3rd Air Defense Division's AC&W Squadrons, will be back next year to counsel members of the 3rd AC&W Site now being constructed at Ozona.

The "Schoolhouse on Wheels" is designed to bring educational advancement and on-the-spot tutoring to Air Force personnel at isolated Air Defense Command installations as well as to units near metropolitan areas.

The unit, under the direction of

Albert E. Corfman, an Education Consultant for the Air Defense Command, has for immediate distribution, 102 various courses ranging from high school mathematics to college geometry.

Many airmen have enrolled in the United States Armed Forces Institute courses for higher education. USAFI courses are approved high school and college level courses, offered to men and women of the Armed Forces. Through the facilities of the Armed Forces Institute, many airmen have completed college and received degrees.

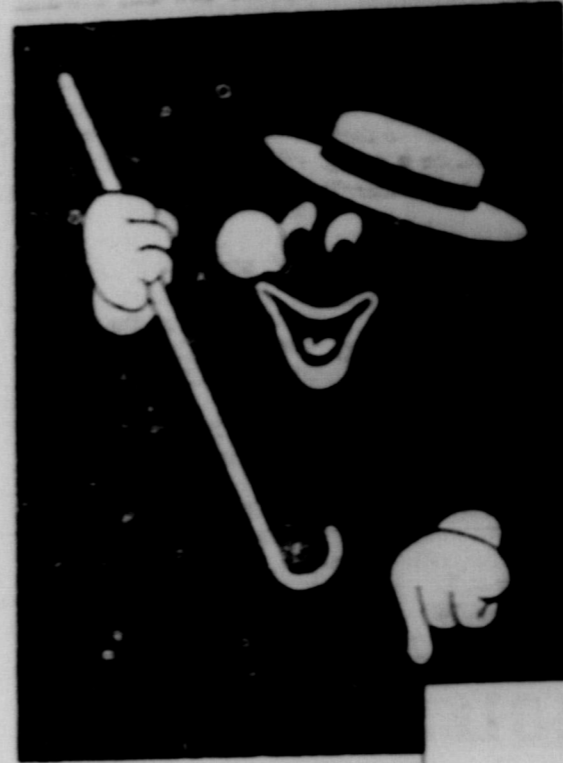

The Air Defense Command headquarters at Colorado Springs, Col., set up the traveling schoolhouse to assist Education Consultants in remote and isolated areas away from large Air Force installations.

The unit has been on the road since last September, touring Air

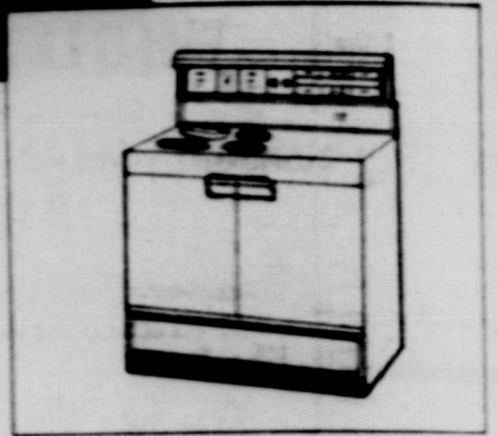

Defense units in the North Central U. S. and Canada. By this fall the Mobile Education Unit will have spent a one-week period at every

unit west of the Mississippi River. **WANTED** — Horses of any kind. Otis Pridemore. Phone 28-J

Yes ma'am,
Only flameless
Electric
Cooking
is
"WHITE GLOVE
CLEAN"

Clean Walls

Walls stay cleaner and brighter longer when you cook electrically. There's no grease, hard-to-remove film deposited over your kitchen walls.

Clean Curtains

Keeps curtains bright and sparkling. No electric cooking is clean as electric light.

Clean Pans

Aluminum, copper, stainless steel — cooking utensils will no longer need scouring to keep them shining.

Clean Pots

Use the "white glove" test to see how much grease your pots will retain.

With a modern Electric Range, you can be sure of "White Glove" clean cooking. With electric heat from sealed units, there can be no products of combustion — soot and fumes — to soil pots. Curtains and drapes need less laundering — they stay clean longer. Cleanliness is just one of the many advantages of matchless electric cooking.
