Ozona Girl, Two Others Die In Auto Accident

Patty Hardesty, 19, Is Killed In Crash Near Abilene

Miss Patricia Ann Hardesty, 19, daughter of Mr. and Mrs. L. C. Hardesty of Ozona, was instantly killed in a car accident two miles west of Abilene early Tuesday morning.

Also dead as a result of the wreck are Mrs. Charles Dennis Moore, 18, of Abilene, and John Charles Hailey, 22, of Abilene. Gary Wayne Earp, 22, of Abilene, driver of the vehicle, received only minor injuries when the 1955 Chevrolet convertible left the road on newly constructed curve near Abilene Municipal Airport and returned two or three times at 4:45 a. m. Tuesday.

According to Highway Patrolman M. L. Bateman, investigator of the accident, all four occupants were thrown from the car and wreckage was strewn over a wide area. The car was completely demolished. The car was traveling at a high rate of speed and left skid marks on the pavement.

Miss Hardesty was a student at Fraught's Business College in Abilene. She graduated from Ozona High School last year and was elected Senior Class Favorite, a member of the Student Council, president of the G. A. A., a member of the district-winning volleyball team and Senior Class representative to the "Miss Spirit of Christmas" Parade which is staged in San Angelo each year during the holidays, and many other clubs and school organizations.

She was born September 24, 1936 in Junction and her parents were cared in the Junction area. She survived by her parents; three brothers, Gerald Hardesty of Austin and Chandler and Van Hardesty, both of Crane; and her grandmother, Mrs. R. E. Chandler of London and Kimble County.

Funeral services were held at 1:30 p. m. Wednesday afternoon at the College Street Church of Christ in Junction. Burial will be in the London Cemetery.

Three Crockett Fields Extended; 3 New Tests Set

Activity Tempo Stepped Up In West Area of County

Three Crockett fields gained extenders and locations were scheduled for stepouts in two other fields.

One Arrested, Another Sought In Theft Of Oil Well Drill Bits

One man was arrested and another is being sought by Sheriff V. O. Earnest and his deputies here this week in connection with the theft of approximately \$300 worth of oil well drill bits from a rig in the Farmers field of Crockett county.

Arrested in Big Lake on advice of local officers was Jerry Ezell. Another man believed involved in the theft is still at large. Ezell is being pending action by the grand jury.

Two other men, George Lee, Jr., and Harry Loggins were arrested in Big Spring and fined on misdemeanor theft charges in connection with theft of a number of coupling protectors from the same oil field area.

Daughter of Methodist Dist. Superintendent Is Buried In Austin

Funeral services were held at 2 o'clock Tuesday afternoon from Cook Funeral Home in Austin for Karen Jean Harris, 15, daughter of Dr. and Mrs. L. Eugene Harris of San Angelo. Karen Jean died Monday afternoon in an Austin hospital. Burial was in the Austin cemetery.

Dr. Harris is District Superintendent of the Methodist Church in the San Angelo district and has been filling the Methodist pulpit here each Sunday since the illness of the pastor, Rev. J. Troy Hickman.

Surviving besides the parents are two brothers, W. Carroll Harris of Longview and Dana Harris of San Angelo.

Crockett Ranchers To Try Turkey Raising To Overcome Drouth Loss

Crockett county ranchmen who have been forced by the drouth to undertake new enterprises for additional revenue, will again adopt a plan to further the poultry industry. The newest effort will be raising turkeys on a plan available through Paymaster Feed Co. Paymaster will finance and market the turkeys with the grower furnishing his own labor and feeders.

Between May 1st and May 15th, James Baggett, Pat Cooper and C. O. Walker will take delivery on 17,000 turkeys, eight weeks old, and care for them for a period of twenty eight to twenty nine weeks at which time they will be graded and marketed.

From 1000 to 1200 turkeys can be ranged to the acre, taking approximately 350 gallons of water per day and 110 pounds of feed during the growing period. A tendency in one wing is cut so that the turkeys can be kept within range and the loss at a minimum.

With these growers endeavoring another advancement for the county, Ozona can be proud of the new industry and progress of the community.

Ozonan Presides At Area Bankers Meeting Held In San Angelo

Some of the problems of the wool producers and their financial backers were aired before representative bankers from all parts of the nation in San Angelo Wednesday when the Flying Squadron of bankers, riding on a special train in a month's tour of the nation, stopped off to attend the Sixth District Bankers Association annual meeting at the Cactus Hotel in that city.

Presiding at the Sixth District meeting and heading the group of West Texas financiers mooting the 101-member Flying Squadron, composed of representatives from the nation's leading banks from New York to San Francisco, was Lowell Littleton, active vice president of the Ozona National Bank and chairman of the Sixth District of Texas Bankers.

A panel discussion of the wool industry, Saturday closing and other problems of area bankers were features of the program.

T. Willis Johnson Dies At Home Of Daughter Here

Father of Mrs. B. B. Ingham, Jr. Buried In Sheffield

Theo Willis Johnson, 63, father of Mrs. B. B. Ingham, Jr., of Ozona passed away Wednesday morning, February 8, at 10:50 a. m. Mr. Johnson has been in ill health for some time and became ill while here on a visit with his daughter. Public Schools Week To Be Observed Here With Meeting Feb. 13

Governor Allen Shivers has officially designated March 5-10, 1956, as Public Schools Week in Texas, and urges every citizen to visit at least one public school during this period and to become personally acquainted with the programs and accomplishments of our educational system.

The public schools provide the tools of knowledge which will equip our young men and women to become constructive and responsible citizens in this land of freedom.

We have a great responsibility to maintain and advance the ideals and standards which our people have come to expect of our public schools.

The Ozona Lodge No. 747 has called a meeting in cooperation with Governor Shivers' proclamation for Monday, February 13th. Invitations have been extended to school officials and ministers from Sonora, Big Lake and Eldorado to attend the meeting and exchange ideas towards observing School Week.

A barbecue supper will be served in the school cafeteria for the visitors following the meeting.

Ozona Out of Big Snow Area But Absorbs Full Force of Frigid Air

Ozona and the Crockett county area missed the big snow which paralyzed the Panhandle and South Plains during the past week-end but nevertheless absorbed all the blizzard had to offer in the way of frigid temperatures and icy blasts.

Intermittent snow fell here during the four-day period of winter's severest weather, but the fall was never heavy enough to more than coat the ground with a thin layer of white. Thermometers sagged to as low as 13 degrees here during the period.

Negro Ranch Hand Gets 5-Year Term For Woman's Murder

Raymond H. Phillips, Negro ranch worker, pleaded guilty to a charge of murder before District Judge Jim Langdon in 112th district court here Wednesday morning and was assessed a term of five years in the state penitentiary.

Phillips was charged with the rifle slaying of Robbie Roseman, Negro woman, who was shot to death on the John Dublin ranch north of Ozona on October 1, 1955. The Roseman woman was shot through the chest with a 22 caliber rifle and was dead on arrival at the Crockett County hospital. She was brought to the hospital by Phillips.

District Attorney Connell Ashley was assisted by County Attorney Dixon Mahon in the prosecution. Phillips was represented by Howard Lemmons.

Crocket Hospital's January Operation In Black For First Time

For the first time since its operation as a county hospital began in 1953, the Crockett County Hospital showed a profit on its January operation.

The change from the red to the black side of the ledger was revealed in the January operation report made by Hospital Manager J. Bailey Post to the hospital board at its monthly meeting Tuesday night. The month's operation showed a profit of nearly \$1,300, the report showed. In addition, the net operating loss of the institution in the period from July 1, 1955, to February 1, 1956, was reduced \$9,600 from that of the same period a year earlier.

The hospital board, which supervises operation of the hospital on behalf of the County Commissioners Court, is headed by Charles S. Ratliff as chairman, C. O. Walker is vice chairman, and Mrs. Evert White, secretary. Other members of the board are Mrs. Frank James, Mrs. Max Schneemann and Martin Harvick.

Big Lake Woman To Give Book Review At Woman's Club Meet

The Ozona Woman's Club will meet in the home of Mrs. Hillery Phillips on Tuesday, February 14th at 3 p. m. with Mrs. O. L. Sims and Mrs. Hubert Baker as co-hostesses.

Mrs. Dobbs Herman of Big Lake will give a book review on "She Glitters When She Walks" by Vina Belmar. Leader for the program will be Mrs. H. B. Tandy and an exhibit of old Valentines will be displayed.

Plans Laid For 1956 Fund Drive For Red Cross

1955 Disaster Record Seriously Depleted R. C. Funds

Ozona citizens will launch a campaign toward raising funds in the 1956 Red Cross Fund Drive on March 1st. The goal set for the local chapter and National organization this year is \$1665. Arthur Morehead, special representative from St. Louis, Mo., was in Ozona this week to meet with Hubert Baker, local chapter chairman, in preparation to the drive.

The Red Cross spent \$27,553,000 in disaster areas last year on the Eastern States floods, Western States floods, hurricanes, tornadoes, Pakistan Flood Relief, Indian Famine, Mexico Flood and many other disasters. For the year 1956, a fund of only \$985,800 is available. The serious financial situation has resulted from the heaviest disaster year in Red Cross history.

Ozona was the first chapter in chapter in Texas last year to exceed their quota and fourth in the entire Midwest Area of the American Red Cross. A total of \$225,000 was spent in relief and rehabilitation work here following the flood of June 28, 1954.

The Fund Drive will remain open throughout the month of March, the official period of the drive, in order that every one may have an opportunity to contribute.

Chairman of the Fund Drive for this year will be C. E. Davidson, Jr. Details of the drive will be worked in the near future.

1359 Poll Taxes Paid In Crockett; Auto Plates On Sale

The final and correct total of poll tax payments paid at the office of Sheriff and Tax Collector V. O. Earnest, for the election year of 1956, amounted to 1359 voting polls, 7 aliens and 46 exemptions. Totals polls registered here for the last election year reached 1,283.

The new 1956 motor vehicle license plates are also on sale at the sheriff's office, and all motorists are urged to secure their new license as soon as possible in order to avoid the last minute rush. The new plates are required by April.

It is necessary to present your certificate of title and last year's license receipts in order to get new numbers. Out of state car owners who have not had their cars registered in this state before will be required to have their motor numbers checked by an officer of the law before they can register the car. Owners of trailers over 4,000 pounds rating must apply for a serial number for the trailers at the collector's office.

For the year 1955, according to the records, a total of \$38,556.04 in licenses had been sold and 2,155 receipts were issued.

Car Overtakes In Bar Ditch To Avoid Highway Collision

Ed Heinie, San Angelo tire salesman, escaped with minor injuries Monday when his car overtook in a bar ditch on Highway 163 two miles north of the FM 33 intersection.

The wreck occurred when Mr. Heinie took to the ditch to avoid an oncoming car which was passing a truck, both headed toward Ozona. Driver of the car, Jack Hallmark of Ozona, also took to the left bar ditch to avoid a collision with Heinie's car. Hallmark brought his car to a stop a few feet from Heinie's overturned car.

Mrs. Jack Brewer, Jr., who underwent surgery in a San Angelo hospital several weeks ago and has been under treatment since for complications following the operations, has been released from the hospital and has returned to her home here.

Man Held Here In Daylight Robbery Of Service Station

\$35 Cash, Check Recovered From Shoe Of Californian

A man identified as Olzie Rushing was arrested here shortly after noon Monday by Sheriff V. O. Earnest and is being held on a charge of theft in connection with the alleged daylight robbery of the cash register at the Glenn Sutton Chevron Service Station.

Rushing had stopped at the station and ordered two new tires for his car. While Mr. Sutton was mounting the tires, he heard the cash register in the office opened and saw his customer put something into his shoe, he told the sheriff. Confronted by the station owner, Rushing denied rifling the cash register and invited Sutton to call the sheriff.

When a search by the officer revealed \$35 in cash in one shoe, Rushing claimed the money was his but could not explain the presence of one check, made out to the filling station and signed by an Ozona man.

Investigation by officers revealed that Rushing had made purchases of gasoline, oil and accessories on a gasoline courtesy card issued to the sheriff's department of the County of Kings, Hanford, California. Several sales tickets on the courtesy card was found in the man's possession and all were signed "J. T. King". The local sheriff's department was making a check for information on the man this week. Meanwhile, he was being held in lieu of \$2,500 bond set on the theft charge.

Lions Zoom To Cage Loop Lead With Pair Wins

Sonora And Junction Nudged In Succession For Top

By Ernie Boyd

The Ozona Lions threw district 6-A into a tie for the lead last Saturday night when they gained revenge for an early season loss by downing a good Sonora team 50 to 40, and then zoomed to loop leadership Tuesday night by smothering Junction 82 to 57.

Sonora, paled by good shooting and a big height advantage, went into an early lead in the contest for first place and at one point in the second quarter led the Lions 18 to 9, but the wily Lions changed their tactics and the Sonora Broncs were doomed.

The Lions tallied 10 points to 4 for Sonora in the latter part of the second quarter and then after a slow start in the third period zoomed into a 15 lead which was not threatened during the balance of the contest.

The game was a furious one and had one of the largest crowds of the season gasping at the blistering pace the Lions set.

Forward Johnny Ramirez led the Lions attack with 22 points and was followed by Bobby Martinez who tallied 12. For the Broncos, Ratliff, Chalk and Letsinger all racked up 12 points but none of their teammates were able to help much.

The Lions closed out their 1956 home season Tuesday night as they took over undisputed possession of first place by virtue of an 82 to 57 win over hapless Junction.

The Lions were white hot in the first quarter and ran up a 30 to 8 lead before the first period came to a close. Lion reserves took over mid-way of the second period and still the Lions finished the first half with a 62% shooting mark.

All eleven of the boys suited out for the contest played, with ten of them breaking into the scoring column. Bobby Martinez, Juan Delgado and Johnny Ramirez led the (Continued on Last Page)

AFTER THIRTY YEARS — IT FINALLY HAPPENED

For thirty years now this editor has enjoyed the luxury of being ill only on week-ends. Somehow we managed to last until Friday before going down and knew then that we would be back in the groove again come Monday morning.

But this week it finally happened. It was no ordinary bug that laid us low — it was a new and especially vicious species that drained the last ounce of strength from our not too robust muscles, leaving just enough to support a light portable typewriter across bedridden knees.

If and when this week's issue reaches you, it will be with our thanks to the loyalty of our news sources and to our faithful assistants, Wilma Friend and Ernie Boyd, to Bekie and Butch in the composing room.

The third term of the new created Crockett County Court was convened Monday morning by County Judge Houston Smith. The jury for the term was excused when there was no case on the docket ready for trial. One DWI case is pending in the court.

Band Booster Club Plan Spring Concerts

The Ozona Band Boosters Club held its regular monthly meeting Monday night in the Band Hall with Mrs. Arthur Phillips, president, presiding. Reports from all committees were heard and approved.

Plans for their annual supper and party were discussed, at which time the Sweetheart of the Band will also be crowned. The supper will be held on Thursday, February 16th. The next regular meeting of the band will on March 1st. On March 3rd they will attend the Band Festival held in Brady, and March 15th an all-day Clinic in San Angelo with Mr. Pittman of S. M. U. conducting. On April 19th will be the annual Spring Concert and on April 26th, 27th or 28th they will attend the Regional Contest in Abilene.

Those present for the meeting were Mrs. Dempster Jones, Mrs. James Baggett, Mrs. Bill Conklin, Mrs. Loy Elmore, Mrs. Bill Lott, Mrs. Harriet Meisner, Mrs. Q. A. Brentz, Mrs. Joe Friend, Mrs. Bill Childress, Mrs. Elie Hapelstein, Mrs. Arthur Phillips and Mrs. Francisco Lopez.

Crockett Tests Recover Oil

Keweenaw Oil Co. No. 1-N University, Crockett County San Andres prospect in 24-44-University, 21 miles north of Ozona, swabbed 9.66 barrels of oil and 5.32 barrels of acid water in eight hours.

Recovery was from open hole between 1,756-1,773 feet.

The project has been shut in due to bad weather.

Keweenaw Oil Co. was preparing to set a bridge plug and perforate opposite the Grayburg at its No. 1 Neal, Crockett County wildcat, in 28-28-GC&SF, 12 miles southwest of Big Lake.

On a test from an unreported section total recovery for an unreported time was 28.27 barrels of oil.

Cadillac

His Favorite Investment!

"It's the wisest motor car investment I ever made!"
"I've owned a great many makes through the years, but Cadillac wins my vote as the finest investment of them all."
"In my book, it is the best dollar investment on the highway today!"

We can't tell you how many times we've heard it. In fact, Cadillac's value and economy have become favorite topics of conversation among Cadillac owners everywhere.

And their sentiments are based on some very substantial facts about the "car of cars."

First of all, there's the economy of buying a Cadillac. Many models are actually priced competitively with the "medium-priced" makes.

Then there is the economy of operating a Cadillac. Cadillac's gasoline mileage is simply phenomenal for a car of its size and stature

... and its dependability is truly extraordinary.

And, finally, there is the economy that comes from Cadillac's great value. In resale markets all across the land, the Cadillac car traditionally returns a higher percentage of its original cost than any other automobile built in America.

And consider what generous dividends Cadillac owners receive from their investments.

... Cadillac's superlative beauty and luxury ... Cadillac's magnificent performance and comfort ... and Cadillac's wonderful reputation among the world's motorists.

We suggest that you pay us a visit soon and investigate the latest and finest Cadillac investment of them all.

We have the car ... and the keys ... and the facts—and we'll be happy to give you all three at any time. Why not make it today?

Fed Cattle Sharply Lower

Fort Worth — The movement of cattle and hogs continued at unusually heavy levels Monday around the major marketing circle. This coupled with reports of very slow movement of meat at wholesale levels in major consumer centers of population, resulted in a downturn of prices.

Historically February is usually one of the lowest, if not the lowest month, for fat cattle prices. The collapse of fat cattle prices the first time since World War II took place in February 1949 when choice steers sold at \$18 and \$19 at Fort Worth. This low point was struck the third week in February.

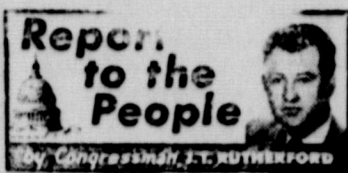

Fed steers sold at Fort Worth on Monday as low as at any time this winter. Prices were 50 cents to \$1 or more under average prices a week earlier. Cows were active and strong. Bulls ruled fully steady. Stockers and feeders were fully steady. Slaughter calves sold fully steady to strong.

Lambs Sell Strong

Despite bearish reports from the dressed meat trade on the Eastern Seaboard (where the bigger part of the lambs and mutton are eaten) the lamb trade was stronger at Fort Worth Monday. Prices on choice lambs ranged from \$6.75 for some No. 3 pelts lambs and for \$17 to \$17.50 for No. 2 pelts lambs, up to \$17.50 to \$18 for No. 1 or

Fall shorn lambs.

Cull, common and medium slaughter lambs sold from \$12 to \$16. Yearling muttons sold from \$12 to \$16. Old wethers drew \$8 to \$12.50. Old ewes sold from \$6.50 to \$7.50. Old bucks sold around \$6.

For days members of Democratic, Republican parties gave evidence this is an election year. Controversy was everywhere: the Benson "boner", Dulles' "brink of war." Then from Russia came an offer for a 20-year peace pact. The President told the Reds to show their peaceful desires by "deeds, not words," rejected their suggestion. Party lines ceased to be, as both parties united in applauding the President's action. Only in the U. S. could this happen.

Reading various newspapers and magazines, I continue to see the term "election-minded Congress," indicating the way to get votes is to spend money. Perhaps this is a good formula in some sections, but mail from West Texas indicates 16th District residents don't want to continue the spend, spend, spend trend and favor economy. This holds true for the majority, although a few insist on economy except for their "pet projects." The "spend-or-economize" question even splits families. I get letters from one family member urging my support for funds for some project, later hear from that person's spouse to this effect: "Forget my husband's (or wife's) request, as we need economy in government."

Convinced his bond proposal for a National Highway Program would meet defeat, the President

has agreed to accept the Democratic "pay as you go" plan. In brief, this plan would: (a) Increase present 2 cents per gallon Federal gasoline tax to 3 cents; (b) Increase diesel fuel tax by 1 cent per gallon; (c) Place an across-the-board increase in Federal tax on auto tires by weight; (d) Up 8% tax on trucks, buses and trailers to 10%. All Federal tax on these items would go into Highway Program. During the Highway debate last year I received many letters from persons in industries directly affected by the various proposals. But the average citizen didn't give me his opinion. I invite you to let me know now: do you want new highways, and are you willing to pick up the tax for them? Program will likely call for 51.5 billion dollars over a 13-year period, with Federal Government providing about 37.5 billion of the cost. Let's hear your thoughts.

Military men received a pay raise during last session of Congress, deserved it, most persons feel. But recently I had occasion to obtain information for Barry Scobee, the historian of the Fort Davis area, relative to Army pay in 1880, and I find military men well-paid indeed compared to that period. In 1880, Privates made \$13 monthly, Pfc's \$17. Corporals of Cavalry, artillery and infantry got

\$15, engineers and ordnance \$20. Line Sergeants received \$17, while First Sergeants of artillery, infantry, cavalry got \$22, engineers and ordnance men of same rank receiving \$34.

Tennessee Evangelist To Speak In Series Of Methodist Services

Ten members of the Jennie King and Sunshine circles of the Methodist W. S. C. S. met in regular session Wednesday morning in the home of Mrs. R. A. Harrell.

Mrs. S. M. Harvick, president, directed the discussion on "The Practice of the Presence of God", from the study Five Spiritual Classics.

Mrs. Howard Lemmons presented the devotional and Mrs. Ralph Jones have the biography of Nicholes Herman.

It was announced that Dr. G. Earnest Thomas of Nashville, Tenn., will speak daily at the Methodist church beginning the Sunday after Easter, April 8, for a week. Dr. Thomas is Head of the Board of Evangelism of the Methodist Church.

Puts you in the Big Time for a small-car price

This new Buick SPECIAL 2-Door 6-Passenger Sedan delivers locally for less than some models of the well-known smaller cars. Come in and check!

Why hold back from the fun and thrill and pride of bossing a Buick—when you can boss such a big and strapping beauty for the price of a smaller car?

Hard to believe? Listen...

If you can afford any new car, you can afford this brawny Buick SPECIAL Sedan—for a very simple reason.

This Buick is priced within a few dollars of the well-known smaller cars—and actually costs less than some models of those very same cars. (The price we'll show you proves that.)

Want more proof? For two years in a row now, Buick has outsold every

other car in America except two of those well-known smaller cars. And you can bet your bottom dollar that it takes bedrock prices to stay in the Top 3 of the nation's best sellers.

But even that isn't the whole story—not by a long shot.

Folks are buying Buicks in record numbers because they find in these big beauties a lot more automobile for the money.

They find here more styling freshness and distinction—more snap and ginger and power thrill—more comfort and luxury—more ride stability and steadiness—and more structural solidity and pure automobile than the same money buys elsewhere.

So if you want to move into the big-car travel world at a small-car price—if you want to have the time of your motoring life with the lift and lilt and pride and prestige of a beautiful new Buick as your very own—what's holding you back?

Drop in on us right quick—tomorrow, maybe?—and we'll show you the biggest bundle of high-powered Buick ever offered in America's low-price field.

according to J. S. Pierce, Sr., of Ozona. Mr. Pierce and J. A. Marley of Hastings, Okla., his son-in-law are here offering leases at wildcat prices on 20,000 acres that surround the Marland block of 10,000 acres. They will be at the San Angelus Hotel for several days.

Miss Mary Childress celebrated her sixteenth birthday last Wednesday evening with a dinner for sixteen of her friends. The centerpiece for the table was a birthday cake with sixteen pink candles. Beautiful pink carnations in silver baskets graced each end of the table. Tiny baskets tied with pink meline bows were beside the plates and the place cards were old fashioned ladies holding hearts. A delightful four course turkey dinner was served.

Miss Lilly Flynn Myers, daughter of Mrs. Scott Peters of Ozona and a student at Kidd Key College, was recently selected as one of the most popular girls of Kidd Key. Miss Myers is also president of the Texas Club, vice-president of the Spanish Club and a member of the Athletic and Players Club. Her pictures appeared in the Dallas Morning News last Sunday.

Mrs. G. L. Coates and Mrs. C. C. Powell went to San Angelo on a two day pleasure trip Tuesday of this week.

Mr. and Mrs. Warren Clayton and Mr. and Mrs. Bob Murchison and son Bob Perner, of Knickerbocker, spent the first part of the week with Mr. and Mrs. Boyd Cox at their ranch near Dryden.

Mr. and Mrs. W. D. Barton moved from Mrs. Mary Perner's house to the Clark Barton house, which they bought, on Monday.

BRIDGE PARTY

Mrs. Early Baggett was hostess to three tables of bridge last week in her home. Accurate and Complete

RANCH RECORDS

Are More Important

Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

YOU'LL KNOW THE MOMENT YOU SEE IT...

The Texan Was Made For You!

It's your kind of car... this handsome, rugged Texan by Dodge! At the very first glance, you'll know this is true. And when you take the wheel and "give the gun" to its mighty, aircraft-type, Super Red Ram V-8 engine, your enthusiasm will burst all bounds. For the Texan boasts a power plant just like the Dodge that made automotive history on the famous Bonneville Salt Flats in Utah.

Surely you've read or heard recently how a '56 Dodge stock car shattered 306 world records for endurance and speed in that sensational 14-day, non-stop run. This officially witnessed performance covered over 31,000 miles of round-the-clock driving at an average speed of 92.86 miles per hour... the greatest distance at

the fastest pace any car has ever travelled! Now this handsome, flair-fashioned, specially trimmed Texan offers you the same rugged endurance and the same eager power as the Dodge that established these records. What's more, you'll be in for your biggest surprise when you glance at the price tag. Big, powerful and luxurious as it is, you'll expect to pay perhaps a thousand dollars more than that tag reads. Yet here you'll discover that this Texan, with all its beauty and size and ruggedness, is priced right down with the so-called "low-priced three." Come and see for yourself.

Never will you find a better "buy" nor make a better deal than your nearby Dodge dealer will give you today. Better not delay for the supply is limited.

Oil Activity —

(Continued From Page One)
County has gained a 1/4-mile west extension with completion of Texita Oil Co. J. R. Rich No. 1 H. L. Bair, in 51-1-GNRR, four miles northwest of Sheffield.

It was completed for a daily flowing potential of 48 barrels of 34 gravity oil, with gas-oil ratio 1.100-1.

Production was through a 1/2-inch choke and perforations between 1,593-1,602 feet in 5 1/2-inch casing set at 1,602 feet, the total depth.

Top of pay was picked at 1,952 feet.

Tubing pressure was 50 pounds; casing pressure, 270 pounds.

Slick Oil Co. of Houston has filed application to drill the No. 1-A Maggie S. Neal, one location southwest of production in the Weger (San Andres) field, 18 miles north of Ozona.

It will be drilled to 2,700 feet with rotary.

Location, on a 160-acre lease, is 330 feet from the north and 1,650 feet from the south lines of 2-76-Georgetown RR.

Slick Oil Co. Ltd. of Houston has filed application to drill the No. 3-A Maggie S. Neal, 1/4-mile southwest of production in the Weger (San Andres) field, 18 miles north of Ozona.

It will be drilled to 2,575 feet with rotary. Elevation is 2,633 feet.

Location, on a 160-acre lease, is 330 feet from the south and east lines of 2-76-Georgetown RR survey.

J. D. Hancock Oil Co., Ltd., of Dallas will drill its No. 1-68 Half Estate 3/8-mile south of production in the Noelke 3565 field, 10 miles south-southeast of Iraan.

The project will be drilled with rotary to 4,500 feet, with operations beginning at once.

Location, on a 640-acre lease, is 330 feet from the north and east lines of 68-1-H&GN.

Lions On Top —

(Continued from page one)
Lions by tallying 15, 14, and 13 points each.

Coach Pete Hickman's B team got off to a slow start last Saturday night but had no trouble in downing the Sonora reserves 54 to

30. The B team, apparently suffering from the long layoff took most of the first half to get warmed up but once on their way had an easy time of it.

Jerry Jacobs led the Lion attack with 18 points as Bobby Sutton, Keko Cervantez and Rodney Franklin all turned in good games.

Tuesday night the Lion reserves edged a tough Junction reserve team 52 to 50. Jerry Jacobs hit for 27 points to lead the attack as Kiko Cervantez, Bobby Sutton, and Rod Franklin contributed defense and rebounding strength for the Cubs.

Parent Cooperation Urged In Completing Scholastic Census

The local school census was being completed during the past week in Ozona as school officials sought to count all of the scholastics in Crockett County.

The State school foundation pays the local system for each of the scholastics and since that is the only money that Crockett County schools receive from the state it is very important that each eligible child be counted.

Any child who will be 6 by Sept. 1, of this year and who is not 18 by the first of Sept., is eligible. Parents who have children residing in this school district and who have not been given a census blank at school are urged to contact Mrs. W. H. Chandler at the Crockett County Court House.

American Music Topic For Assembly Program

The Southern School Assembly program presented in the High School Auditorium on Wednesday of this week, featured Clark Beachler and Miss Camille Monte. They presented "Four Centuries of American Popular Songs", beginning with Early American, Indian, Colonial, Nineteenth Century, Gay Nineties, World War I, Rag Time, Jazz and Swing.

Along with the songs a study in the theory of music was presented in dance steps and pantomime. The program was one of a series of educational programs presented each year to schools throughout the nation.
