Ozona Baptists to Host Castle Gap Assn. Oct. 9

Messengers From 14 Churches Here For All-Day Meet

Ozona Baptists will be hosts to the Castle Gap Baptist Association and the Woman's Missionary Association at the Association's third annual meeting to be held in the local church next Tuesday, October 9, at 9 a. m. and continue through the day and conclude with an evening service, the pastor, Rev. Troy Cole announced.

The annual sermon to the Association will be preached by the Rev. J. C. Pelfrey, pastor of the Mother Holmes Memorial Church of Sheffield, and Rev. H. F. Dearinger, pastor of the First Baptist Church of Crane, will act as moderator.

The host church will serve luncheon in the church fellowship hall at noon and supper in the evening. Lay and ministerial messengers will attend from fourteen area churches which compose the Castle Gap Association of the Baptist General Convention of Texas. The Association meets in authoritative session only once a year, but the business of the Association is carried on through the year by the executive board, whose actions are approved by the Association at its annual meeting. Activities are carried on through the year at periodic Workers' Conferences which are held at member churches throughout the district.

Member churches in the Association, formerly the Pecos Valley Baptist Association, include First Baptist Churches at Bakersfield, Crane, Grandfalls, Imperial, Iraan, McCamey, Ozona, Rankin, Royalty and Todd Field, and Calvary Church, Crane, East Side Church, McCamey, Temple Jerusalem, Ozona, and Mother Holmes Memorial at Sheffield.

Annual Freshman Day Observed In Hi School

Slaves were on sale at Ozona High School as the school observed annual "Freshman Day." The student body got an hour and a half off from classroom duties during the morning to parade their rally bedecked "slaves" through the downtown section in a freshman parade.

The observance of "freshman day" has become a tradition in Ozona High School, and on that day freshmen are required to submit of weird dress, have their faces painted and parade for the populace to see. On that day, too, the freshmen are slaves of the upperclassmen, purchased at 25 cents a head the money going to the Student Council, which sponsors the event, and uses the receipts from the sale of slaves to finance refreshments for the student body.

WOMAN'S FORUM MEET

Mrs. Jess Marley and Mrs. Charlie Black were hostesses to members of the Woman's Forum meeting in regular session Tuesday, Mrs. Martin Harvick was leader on the program whose subject was the United Nations and International Affairs. Mrs. P. C. Perner discussed the United Nations and Mrs. Harvick spoke on International Affairs. A summary of the nine proposed constitutional amendments to be voted on Nov. 6 and 13 was given by Mrs. Boyd Baker. The Forum voted to help pay for the landscaping at the new Crockett County Hospital.

Present were Mrs. Boyd Baker, L. B. Cox, III, C. O. Walker, Joe Williams, Martin Harvick, Bill Cline, John Coates, Carl Appel, North Childress, Jr., Els Haasstein, Fred Hagelstein, Joe Clayton, Chas. Williams, Jr., P. C. Perner, Nip Blackstone, Charlie Black, Jess Marley, James Childress, Joe Pierce, III, Joe Tom Deaton, Dempster Jones, Donny Jones and W. J. Smith.

Coach Womack's Junior High Cubs Show Well Polished Scoring Machine In Downing Rankin Juniors 31-6; Return Match Set Here Tonight

By Roy Killingsworth

Ozona Junior High Cubs traveled to Rankin last Thursday night to soundly out-fight a larger, but inexperienced, junior high team of that school.

The starting team for each school was composed primarily of high school freshmen with one or two boys of the 7th or 8th grades added.

The boys of Coach Womack showed the makings of a well-polished scoring machine. In fact, when the first unit was pulled the second unit marched right on down the field to score. Only after the third unit took the field did the boys of Rankin find running room. With the score 31 to 0 in the last minute of play Pete Sandoval went around his own right end for 66 yards and a score bringing the final score to 31 to 6 favoring Ozona.

The Cubs looked sharp in their running game with George Ybarra picking up 135 of the total 271 for an average of 9 yards on each of 15 carries. However, out of 13 passes attempted only three connected for a total of 45 yards with Joe McMullan being the receiver in each case. In first downs the Cubs ran up 10 while holding Rankin to two.

Scoring was well divided with George Ybarra scoring twice, Johnny Jones, one td., Jim Williams one td and an extra pt. Roy Neil Killingsworth one td.

Galindo of the Cubs recovered an on-side kick on Rankin's forty and from there marched on to score after being halted only once by a penalty.

Butterfield tried an on-side kick after the first touch down only to have it covered by Rankin on the forty. On the third play of this series Adolph Rivera went into Rankin's backfield to pick off a lateral and was caught from behind on the 13. It took only two plays for Ybarra and Williams to score.

On the next series of plays Rankin failed to gain and kicked out to the fifty where Jim Williams (Continued on Last Page)

Hospital Musical System Fund Swelled By Memorial Gifts

Contributions have been made to the Ozona Music Club's fund for the musical therapy system in the Crockett County Hospital in memory of loved ones and friends by a number of Ozona families.

Dr. and Mrs. H. B. Tandy have donated to the fund in memory of Joe North, R. J. Cooke, Mrs. W. M. Collins, mother of Mrs. Arthur Phillips, and Ernest Berger, father of the late Mrs. Pearl Lemmons.

Mr. and Mrs. Ted White and Mark and Mr. and Mrs. R. A. Harrell and children each have given to the fund in memory of R. J. Cooke and Mr. and Mrs. Frank James have given to honor the memory of Mrs. W. M. Collins.

Rankin Juniors Play Here Tonight at 7

Coach Chick Womack will pit his A squad of Junior High gridders against the Rankin A team, both teams composed mostly of high school freshmen, on the Lions Stadium gridiron tonight starting at 7 o'clock.

The Ozona B string Juniors Tuesday night nosed out the Rankin B's by a score of 14 to 13.

An admission charge of 25 cents for adults and 15 cents for students will be charged for tonight's game.

JOHNIGANS WED 58 YEARS

Mr. and Mrs. W. M. (Bill) Johnigan celebrated their 58th wedding anniversary Tuesday, October 2. The Johnigans, residents of Ozona for nearly a half century, were married in Bell County, 9 miles east of Temple.

Mr. and Mrs. Johnigan moved to Ozona in 1906. Eight children were born to the couple, five of them now living. They are Mrs. W. H. Bunker, Hartley Johnigan, Mrs. Frank James, all of Ozona, Mrs. E. A. Schneider of Comanche, and J. W. Johnigan of Ozona.

TO FLORIDA SCHOOL

Mills Tandy, son of Dr. and Mrs. H. B. Tandy, has enrolled this year as a student in Graham Eckes school in Palm Beach, Fla. Mills is a sophomore. The Graham-Eckes school is a private coeducational school. Young Tandy's interest in tropical fishes attracted him to Florida and next Sunday he will attend an aquarium show in Miami. His mother will keep open the aquarium pet shop operated by Mills at his home here.

Mr. and Mrs. Ivy Smith spent the week-end in San Antonio visiting relatives and friends. They visited Mrs. Smith's brother, Set. I. R. L. Saunders and family, and Mr. Smith's brother, Clarence Smith, and family.

Illness Ridden Lions Fall 18-13 To Iraan Braves

Whistle-Happy Officiating Stops Lion Touchdown Drives

By Ernie Boyd

A band of illness and injury stricken Ozona Lions ran into a whistle-happy group of officials Friday night in Iraan and the combined forces dropped the Ozona eleven 18 to 13 for the second loss of the year for the young Lions.

The Lions started like a fire with Bobby Sutton running from the spread formation but as was the case last year in Iraan a play without a penalty was a rarity. On the Lion's first offensive effort Sutton sprinted 22 yards but a good clean block was called a clip and the fun began.

The chain had been moved and no one remembered where the ball had been so the Lions ended up getting penalized 27 yards instead of 15. According to the records the Lions got penalized fifteen times for 122 yards but in more practical terms penalties stopped three Lion touchdown drives.

The Lions scored first in the first quarter when Sutton ran to his right off the spread for 64 yards and the score for some reason no penalty was called on this play and Sutton also converted to send the score 7 to 0.

The Lions had been playing with a strong south wind at their back in the first quarter and narrowly missed two other scoring chances when penalties placed large yardage to be gained for the first down.

Disaster struck in the second period when a combination of Lion mistakes and some strong running on the part of 190 pound Lindsey Lyles gave the Brave three scores and an 18 to 7 advantage.

The Lion collapse began with Iraan backed deep in their own territory. Unable to move, the Braves kicked to Stan Williams who returned the ball to the Iraan 30 yard line, but the Lions roughed the kicker and gave the ball back to Iraan plus a first down.

The Braves were unable to go but quick kicked and the ball rolled dead on the Lion one. The Lions trying to get running room went into the T and on the first play fumbled but recovered. The Lions were ruled off sides and were pushed back to the six inch line. Trying again the Lions fumbled and Iraan fell on the ball in the end zone to bring the score to 7 to 6 as the conversion following a 15 yard penalty was wide.

The Braves scored again in a hurry as the Lions went to pieces on the defense and Lyles marked off big gains going the last 20 for the score to cap a 51 yard drive. The extra point failed when the snap was too high for the holder to catch.

Iraan kicked to the Lions and the Ozona team, deep in its own territory, was unable to make any headway and had to kick. This time the Lion secondary went to sleep and Lyles tossed a long wobbly pass to Barnett who caught it on the 10 and stepped over for the score, once again the conversion was no good.

(Continued on Last Page)

Lions Meet Rankin There Friday Night In 5th Warmup Tilt

By Ernie Boyd

The Ozona Lions will travel to Rankin Friday night to meet the Rankin Red Devils in what promises to be a hard fought contest. The fifth pre-district warm-up game for the locals.

Rankin gained more ground on Ozona last year than did any other rival and probably came as close to topping the Lions as did any team with the exception of McCamey in the bi-district contest.

The Lions picked up no new injuries during the week and may get limited service from injured fullback Kent Babb and illness stricken Jess Marley.

The condition of Bobby Sutton remains in doubt as bad tonsils rather than injuries have kept him sidelined during most of the Lions last two contests.

Several Lions have been receiving treatment for bites, eye gouges etc. suffered in the Iraan contest where the officials called everything so long as it was against Ozona and didn't nail the home club for a single roughing penalty.

Despite the loss last week the Ozona partisans were encouraged by the continued improvement of the Lion reserves who out played Iraan decisively in the last half but who could not quite catch up after the disastrous second quarter.

In games against mutual opponents the Lions lost to both Big Lake and Iraan while Rankin defeated Iraan and lost overwhelmingly to Big Lake.

Ozona 'B' Juniors Eke Out 14-13 Win Over Rocksprings

By Roy Killingsworth

An intercepted pass for a touchdown and a quarter back sneak for the extra point was the margin of victory for the "B" team of the Cubs Tuesday night when they came from behind a 13 to 0 deficit at the half, to win 14 to 13 over Rocksprings.

The first half of the game was all Rocksprings as they went in a 13-0 halftime lead. The younger boys of the Cubs showed up well on defense but fell for a 32 yard pass play that brought Rocksprings into a first quarter touchdown. Then in the second quarter a fumble by the Ozona backfield set up the second score from the 31. A long run around right end set up the score play from six yards out. The all important extra point try on an end run was unsuccessful which meant the final margin of victory.

In the second half George Ybarra took the ball on his own forty and returned thirty yards to his own 30 to set up the first score for Ozona. After a series of plays, Loy Elmore took the ball over from three yards out on a quarterback sneak. George Ybarra made the extra point on a running play. Score 13-7.

Midway of the last quarter, George Ybarra intercepted a pass on Rocksprings 45 and went all the way without being touched and this was followed by the quarterback sneak by Loy Elmore for the all important extra point to bring the score to 14-13 Ozona.

It would be impossible to name the outstanding players on defense as each boy improved as the game went along. Let's say that each boy did his best which was enough to win.

In the line-up for the Cubs were Mark Baggett, George Blackstone, Bob Childress, Pleas Childress, Loy Elmore, Tommy Fields, Deency Holden, Jimmy Freemann, Jack Kline, Art Kyle, Louie Mock, Richard Sikes, Jimmy Sutton, George Ybarra, James Odie Hairre, L. D. Long, Rudy Martinez, Carl Montgomery, Billy Semmler, Fletcher Coates, Bobby Herrera, Van Miller and Tommy Everett. In managerial roles were Abe Caruthers, Jay Miller, Tommy Porter and Wayne Abers.

Plans Perfected For Formal Opening of New Hospital October 14

Members of the hospital board and manager J. B. Post and his staff are looking forward to the formal opening of Crockett County's new hospital on Sunday, October 14, from 2 to 4 p. m.

The hospital was occupied last week in a one-day move of all equipment and patients and "everything is working smoothly" this week, Mr. Post said.

"It is our sincere desire to have everyone visit us during our formal opening hours," Mr. Post said. "The people have a wonderful hospital and we want them to come and look it over on that day."

County Values Up Nearly 3 Million From Last Year's

Total Taxable Valuations To New High of \$31,734,470

Crockett county's property valuations for tax purposes climbed to a new high this year with a total valuation for county purposes of \$31,734,470, a raise of \$2,965,420 over the total for 1955, according to the tax rolls just completed in the office of the county tax assessor and collector, V. O. Earnest.

The total values included \$27,007,215 in real property values and \$4,727,255 in personal property.

The valuations for local school purposes, different from county values because of the fact that University of Texas lands are valued for county tax purposes but not for state and schools, this year totaled \$30,245,250, while values for state taxes totalled \$30,681,405. The increase in school valuations over last year was \$2,698,075.

This year's tax roll, with a valuation in excess of 31 millions, occupy 298 pages in the county tax roll book. The first year Mr. Earnest was in office, 1947, the valuations stood at 13 millions and the tax rolls filled approximately 170 pages. In another column in this newspaper, "The News Reel," highlights of news from the Stockman files of 1927, the county valuation story of 1927 showed values that year at a new high, better than 4 millions, an increase of approximately one million over the previous year — a 28 million dollar climb in county taxable wealth in 30 years, thanks to the discovery of oil and the continuing development of this underground resource.

Ira Carson Chairman Of New A.S.C. Board

Ira Carson was named chairman of the new county committee to administer the Agricultural Stabilization and Conservation program in Crockett county during the coming year at the county election completed last Friday.

Chas. E. Davidson, III, was named vice chairman and Joe Bean, regular member, at a close election in which ranchers who participate in the program are eligible to vote.

Democrats For Ike In Texas Plan Drive To Re-Elect President

Austin, Texas — A campaign to keep Texas in the Eisenhower victory column will be conducted throughout the state by Texas Democrats, Weldon Hart of Austin announced this week.

Hart said state campaign headquarters has been set up Austin and regional and county headquarters would be established within a few days by Democrats who believe Eisenhower deserves the support of every Texan.

"More than a million Texans voted for Ike in 1952," Hart said. "During the four years he has been in office he has met all the political, moral and spiritual standards by which we in Texas judged him in 1952. This gives us every reason to support him again."

Hart pointed out that: "Eisenhower kept his promise to Texas. He returned our tidelands. He returned our boys from Korea and established peace. He returned integrity to Washington. We invite every Texan to help us return President Eisenhower to the White House."

The presidential campaign narrows down, Hart said, to one simple question: "Which candidate — Eisenhower or Stevenson — would make the better president?"

THURSDAY, OCT. 4, 1956

FRIDAY BRIDGE CLUB

Mrs. W. R. Baggett entertained the Friday Bridge Club last Friday. Club high score went to Mrs. Stephen Perner, low club to Mrs. Hillery Phillips, guest high to Mrs. R. L. Flowers and bingos to Mrs. J. W. Henderson and Mrs. Joe Pierce.

Others present were Mrs. Early Baggett, Mrs. Eldred Roach, Mrs. George Montgomery, Mrs. Joe Davidson, Mrs. Bailey Post, Mrs. Floyd Henderson, Mrs. Hudson Mayes, Mrs. Lovella Dudley, Mrs. Tom Harris, Mrs. Ben Robertson and Mrs. Evert White.

LADIES GOLF ASSN.

The Ladies Golf Assn. met Thursday for golf in the morning and bridge in the afternoon. Pauline Montgomery was bridge hostess. High score was won by Emma Adams, high guest by Camille Montgomery and bingo by Gladys Pierce. Blind bogey winner in golf was Katy Jones. Attending were Velma Marley, Jane Black, Blanche Walker, Elizabeth Williams, Dorothy Pierce, Charlotte Phillips, Robertra Cooper, Emma Adams, Pauline Montgomery, Katy Jones, Gladys Pierce, and guests were Camille Montgomery, Marilyn Cox.

From the road up, 1957 Fords are a complete departure from previous models. They will be unveiled by Ford dealers in 19 body styles, of which this is the four door Victoria, a member of the new "Fairlane 500" series. Fairlane models are also inches longer and four inches lower than their 1956 counterparts. Though the new models are lower, interior headroom is as great as last year, since the car's chassis and floor are re-designed for a lower center of gravity.

Ozona Garden Club Holds Program Meet; Committees Named

The Ozona Garden Club met Wednesday afternoon at the home of Mrs. Evert White with Mrs. Joe Pierce as assisting hostess Mrs. White, the club president presided over the business session.

Mrs. Bailey Post was the leader of the program. She said "the art of flower arranging is the organizing of the elements used according to the principles of design to attain beauty, simplicity, expression and harmony." Mrs. White talked on "Why a Garden Club." She stressed the need for city beautification, preservation of wild flowers, bird life, animal life and conservation.

Mrs. Floyd Henderson's topic was "Reminders What to Plant in Order." She reminded her listeners to plant bulbs for spring now, and that it is also time to divide phlox, iris, daisies, and to plant larkspur, poppies and pansies. Mrs. George Montgomery spoke on "House Plants for Winter."

A card was received from the Big Lake Garden Club inviting everyone to a Flower Show of the Reagan County Garden Club Sunday Oct. 7 from 3 to 5 p. m. to be held at the school Cafeteria. Standing committees were appointed as follows:

Program: Mrs. Bailey Post, Mrs. George Montgomery and Mrs. Joe Clayton.

Social: Mrs. John Childress, Mrs. Joe Pierce, Mrs. Dempster Jones and Mrs. Dick Henderson.

Plant Texas: T. A. Kincaid, Jr., Mrs. Lindsey Hicks and Mrs. Ralph Jones.

Flower Show: Mrs. Ira Carson, Mrs. Stephen Perner, Mrs. N. W. Graham, Mrs. Gene Lilly, Mrs. T. B. Ingham, Sr., and Mrs. Clay Adams.

Conservation: Mrs. Victor Pierce and Mrs. L. B. Cox Jr.

Membership & Telephone: Mrs. Paul Perner, Mrs. Jack Wilkins and Mrs. Lloyd Sherrill.

Civic: Mrs. Charles Davidson, Jr., Mrs. Floyd Henderson and Mrs. J. B. Miller.

Nominating: Mrs. S. M. Harvick, Mrs. Max Schneemann and Mrs. Sherman Taylor.

Book Service: Mrs. Charles Williams, Jr.

The next meeting will be Nov. 7th, at 3 p. m. at the home of Mrs. B. B. Ingham, Sr., with Mrs. Lloyd Sherrill assisting.

Those present were Mesdames L. B. Cox Jr., B. B. Ingham, Sr., S. M. Harvick, Lloyd Sherrill, F. L. Henderson, Bailey Post, Joe Clayton, George Montgomery, Paul Perner, Charles Williams, Jr., John Childress, Dempster Jones, Clay Adams, Joe Pierce, Ralph Jones, Charles Long, Stephen Perner and Evert White.

HOMEMAKING CLASS

Members of the Homemakers Class of the First Baptist Church met at the home of Mrs. Louetta Beall Tuesday, with Mrs. Doris Brentz as assisting hostess. The new class president, Mrs. Vada Pridemore, presided at the business session. The devotional was presented by Lou Rene Strange.

EDITORIAL

Ozona High has many things to be proud of. Among these blessings is our fine band with their outstanding majorettes.

These kids do their best in adding a part to the football games. And their best, we all agree, is really super! Of course, everyone around Ozona knows this, but do our opponents?

Tomorrow night when Ozona High School band comes on the field, let's let everyone know what we think. Give them a rousing reception! After their performances, show them, how good you really thought they were.

We can't expect our opponents opinion of us to be high, if we don't think highly of ourselves.

JUNIOR CLASS NEWS

Class officers and sponsors were elected in our first class meeting. Plans were made for money making project. It was decided that we would set up a concession stand at the E. S. A. play and we would like to thank all the people who purchased something from us.

As class officers we have as follows: Stanley Williams, president, Gwynel Walker vice president, Wanda McCaleb secretary-treasurer, and Dartha Melton, reporter.

Our representatives for the student council are Alma Ingham and Bill Black.

We think we have selected two very good sponsors, Mr. Leath and Mr. Rollins, and our room mothers Mrs. Joe Clayton and Mrs. Charlie Black.

If you look the world over, you'll never find so much good entertainment and spectacular fun as you'll find at the 1957 State Fair of Texas. This year's extravaganza, October 6 through 21, will present a kaleidoscopic program of sparkling entertainment, fashion shows, football games, livestock shows, agricultural and industrial exhibits, contests and special events, youth activities and carnival merry-making. There's something wonderful for everybody at this festival of fun!

Imagine these shows: "DAMN YANKEES" starring Bobby Clark and Sherry O'Neil, ICE CAPADES featuring "Peter Pan," Joe Chitwood's AUTO DAREDEVILS, and many new rides and shows on the MILLION & MIDWAY.

COTTON BOWL FOOTBALL: Texas A&M vs. Texas Tech on October 6, Texas vs. Oklahoma on October 13 and many big high school games.

And the big name talent: **ELVIN FREELY** on October 11, **LOUIS ARMSTRONG** on October 18, **THE SPORTSMEN** and **ROGER WILLIAMS** on October 18, **VICTOR BERGE** on October 20, **PIESTA MEXICANA** on October 9.

The fabulous nights: an **ILLUSTRATED LIGHT PALETTE AMERICAN LIVESTOCK SHOW**, a **GALLERY OF PRESIDENTS** in the Art Museum, amazing **EXHIBITS** in the Automobile Show, Electric Show, Gun Show, Women's Building, Food Show, Farm Equipment Exhibits, Agriculture Show.

Not to mention free band concerts, aerial arts and fun shows at the **INTERNATIONAL CENTER** with exhibits of various foreign countries, the **MAGIC SHOW**, **PLANETARIUM**.

Naturally, I'll be there to greet you... and to introduce you to my new pet Howdy! He's only 18 feet tall, but he's mighty cute.

There's no doubt about it. There's something about the State Fair of Texas, all the fun, the excitement, the magic, the magic show, planetarium, and it's the best time you can have in the world!

FADS AND FASHIONS

Over the country side the teenagers are the people who definitely set the new fads. They may have outlandish ideas at times, but you have to admit that they can have good ideas also. These boys and girls are creating new fads all of the time and then there are the ones they have year after year.

There are some fads around O. H. S. that have been here for years and years so lets name two or three.

One of the most evident is the girls wearing blue-jeans and sloppy shirts on Friday only.

Another is the girls wearing black loafers and white bobby-socks.

When you see a boy in O. H. S. you automatically think of them in cowboy boots and western shirts as that is the most popular style of dress among the boys.

There are unusual fads close to home too, as is evident in Del Rio as we hear that it is a crime for the boys to be caught wearing any color socks other white.

I read that in some places girls who expect to sleep at slumber parties take pillows embroidered with the names of their steadies. Pretty good idea. Don't you think so girls?

Well so long for now, See you next week.

SENIOR CLASS NEWS

Tuesday, October 2 the senior class met.

They all voted on the most popular of the high school.

Since the proofs for the senior pictures are in they were the main point of discussion.

Remember folks Oct. 12 is another home game and the seniors will again have the concession stands. Lets help out the senior class by eating with them.

F. H. A. CLUB NEWS

Tuesday night, September 18th, in the Home Economics building the F. H. A. girls held a very interesting meeting headed by Marilee Dale, the president of the club.

Marilee Dale gave a very interesting talk on fall fashions.

She gave us the old and new highlights for this fall. We all thank her for her excellent talk.

Becky Davidson read the autobiography of Perry Como which was very inspiring.

After our meeting was adjourned we had refreshments. We thank the H. E. I. girls for the cookies.

Saturday, October 6th, some of the F. H. A. girls are going to Big Lake for a District Meeting. If you are interested and would like to go, contact Mrs. Hull or Marilee Dale.

PEOPLE ARE FUNNY

Well here we are in the fifth week of school, and already the old school is bursting at the seams from laughter at some of our "brilliant" student! Mr. Moody asked some of his Sophomores exactly how old they thought he was, and they looked at him carefully and said, "Oh, about 40 or 45!" Of course that didn't make him feel good at all, so he asked his Juniors class and they (with great knowledge) replied, "30 or 35!" Now as we look at the poor tired, over-worked sophomores, loaded down with homework and then as we look at the gay, care-free Juniors I'd like to give a hint to the wise, "Never estimate your teacher's age!"

This last Saturday a lot of kids went to the Ingham's ranch for a picnic. When they got there they turned the horses loose, then decided they wanted them again so everyone bean to search. After a while three excited girls came running up to Buddy D., Clayton F., Bill B., and Pie P.! The heroes of the hour were none other than Molly Sue R., Becky D. and Dartha M. and they were shouting, "We've found 5 horses across the river, we've found them, we've found them!" The boys immediately footed the river and began their plans for capturing the horses. When what should they find but five old slow-moving cows! Needless to say the girl's advice was not taken on anything for the rest of the day, and I wonder if they don't need a pair of glasses apiece.

SCOTIMOUSH REPP

Several things have happened for instance — the football all seem to be feeling better say that with crossed fingers.

The old steadies Rod and Jo are still going together. There has been an upset in the district! Roy Glenn and Milton an! Judy have parted we hope for just a while.

I saw several people out last night — Frances and Camille and Wanda — they make such cute couple — several boys out together — Jacobs and Tommy Stokes — was in it — Bobby Eaton — Boy was galavanting around O. you, I's and Pie you.

What in the world happened and Miss Midley were down side the "M&M" is a wonderful me! They're a wonderful of teachers! We're so glad have them!

Goah, we're so glad to have back in school — he was some one Sunday night, to make us think it was a gift I suspect it was that old friend.

SOPHOMORE NEWS

During our class meeting Tuesday Oct. 2, we counted the money from the tags sold last week. We made \$16.30 but after taking out the expense of the tags and paying off a debt we cleared \$4.00.

We will have tags for this week's game on sale Thursday at noon. Please buy from us! You will not only show fine school spirit but you will help benefit your Christmas dance.

Here Today!

FROM A NEW "INNER CAR" PROVED IN ACTION

came the magic that made possible so wonderfully different a Ford. In the toughest on the road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides up sweet and low... that it takes the bumps without a bobble, the curves without the pitch... and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

A new kind of FORD with the mark of tomorrow

Lowest family car on the road

Only five feet eight inches tall

Everywhere you look it has the "Mark of Tomorrow"

Sturdy as going to ground

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, better Fords for '57.

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Ford's library-like quiet is built in. And the new "Inner Ford" is why. For never be-

fore in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 500 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

IN TWO NEW SUPER SERIES

OVER 17 FT. LONG 110 HORSEPOWER

OVER 17 FT. LONG 110 HORSEPOWER

PLUS 5 NEW MODELS IN THE STATION WAGON SERIES

The Fairlane Ford for '57, like the Fairlane 500 models, have no equal... no counterpart in the low-price field.

Lions Roar

(Continued From Page Four)

Man, it was quite a day. I nearly got stepped on by Lou chased Ann around. Some men were writing down. They may be surprised about it! Don't be surprised if the kids became movie stars!

"EX" NEWS

Newest exes have written and said many things about new schools and places to go. They all like that college, but some miss OZ and wish they were back. Let's hear from them!

Henderson says that life is at their house. She and are attending SAC and make their appearance back home. An old married couple to and Charlene West. Silas is Marine Corps stationed in Iowa now. Charlene is living with the Wests.

Friend, Ann Baggett, Sprick, and Brock Jones find University of Texas a fine. Brock says that he is being worked. Carol is sorta homesick, but Ann is having a ball. She takes Ann's side and is at home. Jerry and Cecilia are making their home in while Jerry is attending. All we hear is good things their house so they are very happy there.

They chose a different life as for. He is in California, too, may have let himself in for than he bargained for.

lish, but reports that Sul Ross is fine. With rodeos and such, our boy Benny will have himself a time!

Carl, Earl, and Bobby, Aggie: at heart, are living it up in Aggie-land. Fine reports have come home about these guys. Carl has just received the Rutherford Award. Congrats form all of us!

For the exes you missed hearing about this week, read the Lion's Roar next edition.

COMING AND GOING

Tuesday in class meeting most popular boy and girl were nominated by secret ballot. Most Popular, Good Luck!

The Junior Class is in the process of casting the Junior Play. Mr. Leath announced rehearsals would start the last part of this week.

The Thanksgiving Holidays have been slated for November 29 to December 2. Just think no school for four days! That is music to our ears.

Miss North and Lou Nelle signed

a contract with Colorpress, Inc. to print the annuals for this year earlier this week. It will be a lot of hard work but I know the annual staff will try to make this annual the best.

Friday the Ozona Lions go to Rankin for another game. Let's everybody go and show the Lion's we are behind them, win or lose!

Next Wednesday and Thursday are our six weeks exams. Wednesday will be 2, 4, and 6, and scheduled for Thursday are 1, 3, and 5. Study hard and Good Luck to you all!

Freshman Day came off yesterday. For a detailed report, see the Lion's Roar next week.

JIM SAYS

As the Ozona Lions lost a hard fought game to the Iran Braves, there is some question as to who will take Friday nights tilt with the Rankin Red Devils. Since Rankin has previously beaten the Braves, it is doubtful who will win. In the penalty marked tilt against Iran a total of some two

hundred yards were stepped off, not counting the penalties refused, against both teams.

Possibly the most surprising thing in football happened Monday afternoon when the backs actually blocked each other. As the boys playing these positions have a notable dislike for actual body contact this came as a surprise to many.

Due to one sure-fire upset and two upsets that didn't come off, my percentage is, to put it mildly, shot. In the fifteen games I predicted, there was 11 right 3 wrong and one a tie. This brings my percentage to a miserable .733. In an attempt to add or lower this number here goes nothing (except the ink it took to print it.) Ozona 27 Rankin 6; Sonora 47, Coahoma 6; Big Lake 20, Crane 7; Eldorado 20, Robert Lee 13; Menard 27, San Saba 6; Baylor 27 Maryland 0; Texas A&M 38, Texas Tech 7; SMU 13, Missouri 7; TCU 21, Arkansas 13; Rice 0 L. S. U. 14; Texas 20, West Virginia 7; San Angelo Jr. College 27, Wharton Jr. College 7; San Angelo High 27, Lufkin 19;

Tennessee 28 Duke 0; Ohio State 27, Stamford 14.

BAND NEWS

Do you like pretty girls? Then you will certainly want to be on the 1 for the Sanderson-Ozona game October 12th when the band program will feature the twirlers. You may have seen and liked the skirts they have been presenting, but this special week the twirlers will be at their very best.

Plans for this year in the band are trips, trips, and more trips. Our fine band director, Mr. Corbett Smith, has been making these plans for a long time. Sul Ross, first stop, will have the Ozona band there for the band festival. We're even spending the night there. Possibly, we'll get to go to Fort Davis on the same trip, and tour the McDonald Observatory.

Roomy office space for rent second floor of Ranch Theatre bldg. approx. 1500 sq. ft. For further information call 149 or contact Theatre Mgr.

BROWNIES ELECT

New officers were elected by the Second Grade Brownies in meeting last week. Elected president was Jan Jacobs; vice president, Barbara Davidson; secretary-treasurer, Kay Kyle; reporter, Jill Applewhite, and Sergeant at Arms, Ruth Farris. Others present were Joan Lewis, Mary Ann Pitts, Betty Henderson, Jess Cross, Cynthia Mahon, Cynthia Appel, Sarah Adwell, Cookie Coates, and Esther Williams. Brownies headed by Mrs. Jerry Hayes, and Mrs. Gene Lilly. The group meets each Thursday at 8 p. m.

Stocking Flexibility In Drought Areas Key To Ranching Success

By R. V. Ketchum, SCS

Many ranchers are disposing of their livestock in the face of the coming winter. As each dry day goes by, the possibility of growing enough grass for the winter is getting smaller. According to the rainfall records at Ozona, 2.2 inches of rain is the average amount of precipitation for September and thus far we have received no effective rainfall in September.

Flexibility of livestock numbers should be the keynote of West Texas ranching as periodic droughts are written in the history of West Texas. To survive in such an unstable climate, the rancher must vary his livestock numbers with the rainfall he has already received and not that which he expects to receive in the future. The rancher must be ready for the rain when it does come; his range must be kept in condition to hold and utilize fast, intermittent showers.

If we expect to improve our ranges, reduction of livestock numbers should be great enough to allow the vegetation to get ahead of grazing pressure and stay ahead. Reducing livestock numbers a few at the time in proportion to range deterioration will accomplish nothing toward range improvement.

The Sonora Experiment Station is currently running 32 animal units per section in a four pasture deferred-rotation trial, and the range is high vigor and in good condition (50 to 75% of the climax grasses). These pastures have received only five inches of rain since January.

The four pastures were all rested in 1948, stocked in 1949 and each pasture is rested four months out of every sixteen. When a pasture is rested, the livestock in that pasture are divided among the other three for a four month period. Each of the three stocked pastures then have 43 animal units per section while the fourth is being rested.

The success of this deferred-rotation trial can be attributed to three practices: (1) the stocking rate at the start was adjusted to a point that among sheep, angora goats, and cattle; (2) the livestock

are salted at the opposite end of the pasture from the water to attain uniform grazing.

During the present drought 32 animal units per section could hardly be considered a low enough stocking rate to begin a range improvement program, but in 1949 which was a year of above average rainfall, 32 animal units per section was apparently correct.

The Crockett Soil Conservation District recognizes the importance of flexibility and deferring for range improvement in its program and plan of work. The District will assist individual ranchers who are interested in developing conservation plans by making a coordinated analysis of their soil, water, and plant resources.

A VOTING YARDSTICK

Before one gets carried away with enthusiasm by all the things political candidates promise to have the government do for us, it might be well to consider what has made this country what it is as a yardstick in making a choice between candidates.

Most of the social and economic gain in this country have come from the efforts and initiative of the individual and not from government planning: Fulton invented the steamboat; Bell developed the telephone; Ford built the first low-cost car; Franklin discovered electricity; Wright created the airplane; and so on, ad infinitum. Without the work of the individual, we would still be living under a feudal system that allowed us only a bare subsistence. It is the accomplishments of the individual that have lifted us to present levels — not the accomplishments of government.

Yes American progress is rooted in individual freedom. That points to a yardstick that can well be used in judging those candidates who would bring about a society where "do-all" government would reduce the individual to the status of a statistic.

Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to — you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tideland back to Texas, and he kept that promise; he promised to do his best to close off Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep us OUT of war.

That's why I still like Ike—better than ever!

Tex

(Paid ads paid for by Texas Democrats for Eisenhower, Weldon Hoff, Director.)

Jody Jones, son of Mr. and Mrs. Frank Jones of Ozona, and a sophomore student at Sul Ross State College in Alpine, has recently been elected to the Sul Ross Student Council. Jody is a physical education major and was an outstanding member of the Sul Ross Rodeo Association last year.

erty valuations rendered in Crockett county for 1927 represent a total of \$1,000,000, an increase of nearly \$1,000,000 over the total of \$100,000 in 1927.

Mr. and Mrs. W. E. Smith left the first of the week for Sipe Springs to be at the bedside of Mrs. Smith's mother who suffered a broken hip in a fall at her home recently.

J. H. Criner has resigned as manager of the Hotel Ozona to accept a position in Fort Worth. His successor has been named yet but the hotel is being operated by a committee named by the board of directors.

Playing an airtight game after the first few minutes, Ozona High's 1957 grid squad held Rock-springs to a lone touchdown, made in the first few minutes of the fray, and lost to the Edwards county crew by a margin of 6 to 0.

CONTRACTORS NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 8.200 miles of Widen Gr., Str., Flex. Base & Asp. Conc. Pvt. from Pecos River Bridge to McCamey on Highway No. US 67, covered by F-1105 (5) in Crockett, Crane & Upton County, will be received at the Highway Department, Austin, until 9:00 a. m., Oct 18, 1956, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 48th Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bill, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates. Plans and specifications available at the office of Jack V. Valentine, Jr., Resident Engineer McCamey, Texas, and Texas Highway Department, Austin. Usual rights reserved. 27-2c

Last Quarter Starts With Livestock Rush

FORT WORTH — The livestock industry tore September off the calendar and started the month of October with a rush of all kinds of livestock to market. The 12 major markets reported 178,000 cattle and calves Monday, some 33,000 ahead of the previous week and near 15,000 ahead of the same late last year. Hog and sheep runs were also far in excess of the previous week, but hogs dropped slightly behind a year ago.

At Fort Worth cattle and calves were in considerably larger numbers than a week earlier or a year ago.

Trade was rather slow on cattle and calves at Fort Worth with

most classes selling steady at best, and by the time a clearance was completed most grassers were inclined to drift lower.

Comparative prices included: Good to chance fed steers and yearlings \$17.00 to \$24.00; and common and medium sorts \$10.00 to \$16.50. Fat cows \$9.00 to \$11.50; canners and cutters \$5.00 to \$9.00; bulls \$8.00 to \$12.00; good and choice fat calves, all weights, 14.00 to \$17.00; baby beef heavies \$17.00 to \$19.00. Some 550-pounders at the higher figure: cull, common and medium calves \$7.00 to \$13.50. Stocker steer calves \$19.00 down; steer yearlings \$17.50 down; a few stocker cows \$7.00 to \$10.00.

Some what smaller supplies of sheep and lambs at Fort Worth found trade active and strong Monday. The offering around the major market circle put pressure on prices at other markets, however, here the trade was oblivious to goings on elsewhere.

Sales included: Good and choice slaughter lambs \$18.00 to \$20.00, top paid for shorn lambs with No. 1 or No. 2 pets. Cull to medium sorts \$10.00 to \$17.00; stocker and feeder lambs \$12.00 to \$17.00; slaughter ewes mostly \$4.00 to \$5.50, a few hard shells, fresh clipped, from \$3.00 to \$3.75; old bucks \$3.50 to \$4.50; old wethers \$3.00 to \$15.00; yearlings \$10.00 to \$16.50; some stocker ewes \$6.50 to \$8.00; yearling ewes to \$15.00.

Ozona Boy, Monahans Girl Win Rutherford Achievement Awards

A Monahans girl and an Ozona boy have been chosen as the outstanding 4-H Club Members in a 25-county West Texas area, and will soon receive the annual J. T. Rutherford Achievement Award.

To Joan Barton of Ward County will go the trophy for being the outstanding girl 4-H Member in the vast area, while the recipient of the trophy donated to the outstanding boy 4-H Member is Carl Conklin of Crockett County.

Two other girls and two additional young men will receive individual medals for their outstanding work in the 4-H field. They are: Mary Alice Skains of Upton County, Katherine Cassidy of Midland County, Roddy Harrison of Ward County and Bobby Sale of Martin County.

Rutherford does not participate in the selection of the winners. They are determined by a board made up of County Agriculture Agents, County Home Demonstration Agents and other authorities convened for this purpose.

The awards are to be presented at banquets to be scheduled later in the fall by the winning county units. Congressmann Rutherford will appear to make the awards in person if his schedule will permit, he said. Rutherford has been contacted for an answer as to whether or not he can attend a presentation banquet here Nov. 10.

The winners in both the boys and girls divisions will see their names engraved on gold-finish trophies 33 inches high, bearing the 4-H Club emblem. While they will retain individual, engraved medals, as will the other four chosen for outstanding work, the trophies will be displayed throughout the coming year in the office of their local County agents. If any county wins the revolving trophies three years, it retains permanent possession of it.

That means the Ward County agent will have the girl's trophy

on display the coming year, and Crockett County's agent will display the boy's trophy in his office for a like period.

Congressman Rutherford said the winners named by the special board are chosen for outstanding work in the Church, home, school and 4-H Clubs.

Methodist W. S. C. S. In Business Meeting

The Woman's Society of Christian Service met at the church in its regular monthly business session Wednesday at 9:00 a.m. with eighteen members present. The president, Mrs. S. M. Harvick, presided.

The devotional was given by Mrs. B. B. Ingham who used as her subject "The Power of Prayer." It was announced that there would be a nursery attendant at each meeting held at the church and mothers of small children were urged to come and bring their children.

A study, "Southeast Asia," to be taught by Mrs. L. B. Cox, III, will begin next Wednesday, October 10th, and continue each week through October 31st. All sessions will be held at the church and everyone is welcome to attend.

Twenty dollars was voted to be sent as a part of conference askings to two foreign projects: Hiroshima Girls School in Hiroshima, Japan, and The Christian Youth Center, Kobe, Japan.

Mrs. Dorothy Price, program director at the Ozona Community House, stressed the special need for infants' and childrens clothing in her work. She also asked for good toys and would like especially to have a large truck. The meeting was dismissed with a prayer by Mrs. Nat Read, the wife of a former minister of the Ozona Methodist Church who is visiting her son and his family, Madden Read.

Those present: Mrs. Joe Pierce, III Mrs. Laoy Russell, Mrs. Joe Pierce, Mrs. John Henderson, Jr., Mrs. B. B. Ingham, Mrs. Bailey Post, Mrs. Paul Perner, Mrs. Stephen Perner, Mrs. Herbert Kunkel, Mrs. H. B. Tandy, Mrs. Charles Williams, Mrs. J. A. Fussell, Mrs. Madden Read, Mrs. Nat Read, Mrs. Lloyd Sherrill, Mrs. S. M. Harvick, Mrs. R. A. Harrell, and Miss Dorothy Price.

BEAT RANKIN!

Squeaks? Sluggish? No pep?

No matter what's troubling your car, we're sure we can get at the cause of the trouble—and remove it! That's because to us, running a service station means more than just keeping your car supplied with gasoline and oil. It means offering top-flight service and the kind of skilled care that can actually add thousands of miles to the life of your car.

Lions Fall

(Continued from page one)

The Lions seemed to be making a come back when they next got the ball as Sutton ran and passed the ball down to the Iran 15 yard line before time stalled the drive. The Lions got off only 2 plays in the last two minutes and 10 seconds as Sutton, suffering from an illness which has kept him out for nearly two weeks, gave and had to sit out the balance of contest.

With Jimmy Brown ailing and playing only on offense and with Jess Masley out of the lineup with chicken pox, the Lions used only under chessmen in the Line during the last half with Roy Glen Sutton backing the line with George Bunker and Robert Martinez filling in at a defensive half back to round out the three seniors that took part in stopping the Braves with only two first downs in the last half.

The Lions, without Kent Babb and Bobby Sutton, took over on offense with Stan Williams operating the T like a veteran and Robert Martinez, George Bunker and David Sikes filling out the backfield.

The Lions rolled into the shadow of the Iran goal posts three times before scoring on the last play from scrimmage in the contest.

It simply did not seem to be meant for the Lions to win as illness, injury, penalties along with costly mistakes combined to give the Braves the win.

The Lions rolled up 218 yards rushing and 117 more passing for 335 yards as compared to 156 rushing and 54 passing for 210 yard for the Braves.

The first down count was 18 to 9 for the Lions but it's still the points that count.

Williams went into the air in the last half 12 times and completed six to keep the Lions moving whenever the ground game began to slow down.

Lindy Lyles was the game's leading ground gainer with 134 yards on 25 carries but it was Bobby Sutton who was by far the best ball carrier racing up 117 yards in the first half alone without playing the last two periods.

George Bunker racked up 64 yards on 12 trips and Robert Mar-

tines had 44 on seven efforts to rank as the third and fourth ground gainers.

Junior Win

(Continued from page one)

took the punt and returned for a touchdown but was called back due to a clipping penalty. It took six plays this time to score with one of these plays being a 15 yard aerial to Joe McMullan from Jones. The half ended soon after with the second unit on the field and marching goalward.

Ozona Cubs received to open the second half on their own 45 and 7 plays and 3 first downs later scored again to make the score 25 to 0.

At this point the second and third unit combination took the field. After holding Rankin within their own 20 for downs the little Cubs took over on the 19 with a first down. This time it took 8 plays to go the distance, slow but steady, making the score read 31 to 0.

The remainder of the game was fought on even terms with the smaller boys of the 8th and 7th playing out the game. Only once did the boys of Rankin get away and that one time against the littlest boys for 66 yards and a score just before the game ended with the final score 31 for Ozona and 6 for Rankin.

Coach Womack started the season with 65 boys but due to lack of effort on the part of some boys and others having to drop out in order to study, the squad now has only 42.

However, the squad of managers has shown an increase. Starting with two, Abe Caruthers and Jay Miller, we have had two additions. Tommy Porter, who broke his arm one Sunday afternoon while visiting one of his neighbors. Wayne Albers became a manager last week when he fell and injured an arm during scrimmage.

Boys seeing action in Rankin game were Joe Friend, Douglas Stuart, George Blackstone, Adolph Rivera, Buddy Dale, Joe McMullan, Dicky Butterfield, Ronnie Beall, Jimmy Sutton, Muggins Good, Johnny Jones, Bob Cooke, Roberto Rodriguez, Roy Neil Killingsworth, Alonzo Galindo, Pierce Miller, Deeney Holden, Richard

Sikes, Bill Petty, Mark Baggett, George Ybara, Tommy Stokes, Jimmy Williams, Lanny Brewts, Bill Gibson, Bill Semmler and Carl Montgomery.

DON'T FORGET: Rankin Junior High will be here for a return game on Thursday night of this week, Oct. 4th.

Junior Fire Marshal Program Feature Of Fire Prevention Week

Fire Chief Joe Tom Davidson suggested today that parents reverse normal procedure — just for one week — and pay close attention to what youngsters in the third through the sixth grades are saying about home fire prevention and safety.

"In fact," says the chief, "if you don't have a child of that age in your own home, it might be a good idea to look one up and ask him a few questions."

Youngsters in these grades are joining in the start of a new year-round Junior Fire Marshal program and their first project during National Fire Prevention Week is the Junior Fire Marshal "Home Report."

The "Home Report" part of the first issue of a free new 12-page Junior Fire Marshal magazine being distributed in elementary schools throughout the country next week as a public service of the Hartford Fire Insurance Company, is a simple checklist for children to use in locating and removing fire hazards in their homes.

"The main cause of fire is carelessness," the chief emphasized, "and if we can teach school children how to recognize fire hazards, we will go a long way toward reducing the number of people who die every year from fire."

"Inspection is a key to any successful fire prevention program," he added, "and the fire department welcomes this enthusiasm and help from the youngsters. If parents will heed the advice of their children — during fire prevention week everybody will be a lot wiser and safer."

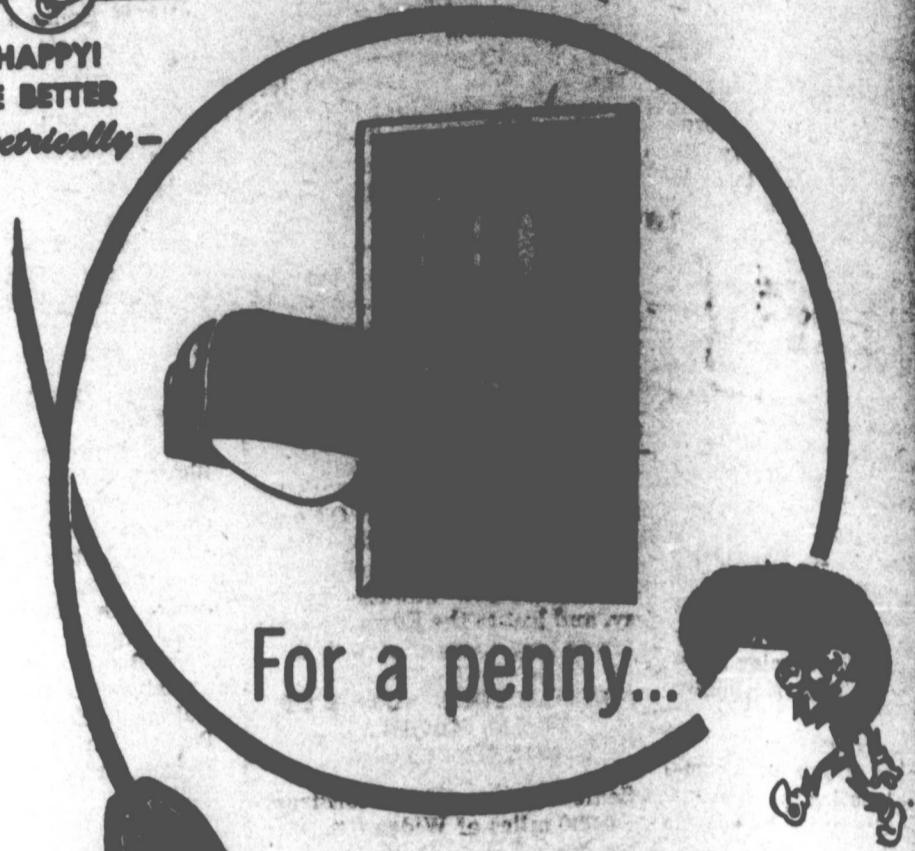

The Junior Fire Marshal program is a nation-wide public service program for school fire prevention and safety sponsored by the Hartford Fire Insurance Com-

pany and locally by the Corallo Meinecke Insurance Agency in cooperation with local schools and

the fire department. Phone News in The Stockman
