Vaccination Against Rabies Of Dogs Friday To Be Here All Friday To Give Antive Shots

Inoculation of dogs, an average of 200 or more, will be held Friday of this week as a means of preventing a possible outbreak of rabies, threatening an apparent increase in the incidence of rabies among foxes and other varmints in this area. Dr. D. A. Price, San Angelo veterinarian, will be in Ozona all day Friday to vaccinate dogs against rabies. Arrangements for the agent's visit were made by Agent Pete Jacoby. In response to a request in last week's issue that dog owners list their dogs to be vaccinated so that a schedule might be arranged, a hundred dog owners had their names listed to the agent or the Stockman office of their desire for the service.

Dr. Price will be ready to vaccinate the dogs beginning at 9 o'clock Friday morning at the vocational agriculture building just west of the Davidson memorial building. He will be at this building until about 3 p. m. when he will go to the South Elementary school and be there the balance of the day, for the convenience of the people in the Latin-American section.

The veterinarian will charge a fee of \$2 for each vaccination, including the price of the vaccine. Dog owners who wish to have their pets vaccinated need only bring them to the vocational agriculture building or to the South Elementary school during the designated hours, whether or not they have their names listed in the Stockman.

Quarter Million Pip Line System Completed Five Mile Atlantic Sys- tem In Crockett Co. Operation Soon

A new quarter million dollar oil pipe line gathering system and pump station in West Texas will go into operation early next month, it was announced today by the Atlantic Pipe Line Company, a subsidiary of The Atlantic Refining Co.

Crockett County Gathering System, located about fourteen miles south of Big Lake, Texas, serve a recently developed oil field of 110 wells which currently produce 3200 barrels per day. The gathering lines, constructed of 16-inch of four inch pipe and 2 1/2-inch of six inch pipe, have been laid out to make maximum use of the flow.

Oil will be collected from storage tank batteries and accumulated in tankage at the Big Lake station for periodic delivery to the Company's 384 mile Crane Pipeline, Texas, trunk line.

The Tippet field of Crockett County has been extended one locality northwest with the completion of the Oil Corp. No. G. J. H. Tippet in 40-31-H&TC, 10 1/2 miles east of McCamey.

The field was completed for a calculated daily flowing potential of 806 barrels of 40.1 gravity oil, no water gas-oil ratio 593-1.

The potential was based on an actual flow of 216.66 barrels of rough a 24-64-inch choke and 200-gallons between 6,190-220 feet of 5-inch casing set at 6,329 feet total depth of 6,500 feet. The back total depth is 6,288 feet. The pay was picked at 6,190 feet. The pressure was 360 pounds per square inch on casing.

Veterinarian Gives Pointers On Rabies Vaccination Campaign

Dr. D. A. Price, San Angelo veterinarian, who will be in Ozona all day Friday to vaccinate dogs against rabies, has prepared some notes for the guidance of dog and cat owners in preventing an outbreak of rabies.

"We will be using the new chick embryo vaccine," Dr. Price wrote. "This has proven to be effective for 39 months under research conditions, but under natural conditions should be repeated annually until further work has been done. This vaccine, to be fully effective, must be given deep into the gluteal muscle, and although this results sometimes in a slight temporary soreness, the improvement over the old type vaccine makes it well worth while.

"Public health ordinances do not usually require the vaccination of cats due to the fact that when they are infected with rabies they usually sicken and die without exposing other animals to the infection. Cats can be effectively vaccinated, however, and we will be prepared to vaccinate those that the owners are particularly fond of.

"Animals of all ages are susceptible to rabies, but pups under five months of age develop only partial immunity as a result of vaccination. Vaccination is not harmful to pups under five months of age, but if vaccinated that young, they should receive a booster injection several months later.

"The success of a rabies vaccination campaign depends upon the vaccination of the majority of the dogs in a given area. If some segments of your population do not have their dogs vaccinated because of the fee, then the effectiveness of the campaign will be endangered. If there are such cases, we will vaccinate the dogs and let the owner pay what he can afford. We feel that we can take this gamble in the belief that there will not be an excessive number of such cases and as our contribution to the success of your campaign."

Last In Series Of Plays By San Angelo Group Here Sat. Night

"The Trip to Bountiful," a three-act comedy-drama, will be presented Saturday night in the high school auditorium by the San Angelo Community Theatre. Curtain time will be at 8:18. This is the last play of the season to be presented in Ozona by the Community Theatre, sponsored by the E. S. A.

"The Trip to Bountiful" was first written by Horton Foote for TV and later translated into a Popular Broadway show. One of the reasons for its selection was that it has a Texas locale for its setting. It tells the story of a woman who has lived with her son and daughter-in-law in Houston for 20 years, but yearns in the autumn of her life to return to Bountiful, a Gulf Coast area Community which held young memories for her.

Much of the action centers on attempts by the son, daughter-in-law and other interested parties to find the woman after she departs for her trip to Bountiful.

Mrs. John C. Robertson, Jr., plays the mother, and Bill Earls is son Ludie, and Miss Ann Wilson is daughter-in-law Jessie Mae. Other roles are taken by Miss Mary Beth Attaway, as Thelma; Dr. John Reed and Ricci Glassett, as ticket agents; Miss Shirley Griffin, a traveler, and Gene Bagley, as the sheriff.

The play is directed by Gil Oden. Sets for the show are based on a design by Gene Scrimpsner. Other members of the set crew are Mrs. Si Richmond, Mrs. Otto Scherz, and Mrs. Harvey Williams.

M. V. Armour is in charge of lighting and Ricci Glassett is in charge of sound. Properties are the responsibility of Mrs. Willie B. and Mrs. Alice Bean.

Ozona 4H And FFA Teams Are Tops In Judging Contests

Both First In Wool, 4-H Tops Livestock Teams At Alpine

Ozona 4-H Club and F. F. A. judging teams topped honors in the Sul Ross College judging contests in Alpine Saturday.

Ozona 4-H Club teams, tutored by county Agent Pete Jacoby, won first place banner in the wool judging contest and first in the livestock judging contest. The F. F. A. team, directed by Vocational Ag Teacher M. A. Barber, won first in wool judging in the F. F. A. division of the contests.

On the 4-H wool judging team, Johnny Jones was high individual in the contest. Pierce Miller was second high individual and Jay Miller was ranked fourth. Bill Jacoby and Frank Childress were team alternates.

The local 4-H livestock team was the highest ranking team in cattle and sheep judging and third high in hog judging, winning the highest overall team ranking in the contests.

R. J. Everett was second overall high individual and fifth in cattle judging. George Bunger was third over-all high individual and first in cattle and second in sheep judging. Erby Chandler was fourth high individual and first in sheep judging. Carl Cooklin was the fourth member of the team.

Competing against nine other teams from Area II, the Ozona F. F. A. wool judging team, composed of Joe Boy Pierce, Earl Deland, Bill Black and Mark White, won first place in the wool judging contest.

Mark White was highest ranking individual in the wool judging and grading contest with a score of 347 out of a possible perfect score of 400. Bill Black was second high individual with a score of 334 points.

The three highest ranking teams in the F. F. A. contest were Ozona, Eldorado and Imperial, in that order.

Hubert Baker In Race For County Commissioner No. 1

Business Man, Ozona Resident 19 Years, Seeks County Post

Hubert Baker this week announced that he would be a candidate for the office of County Commissioner, Precinct 1, subject to action of the Democratic primary in July.

Mr. Baker has been a resident of Ozona since 1937, coming to Ozona to go in the grocery business in the location of the present Modern Way Grocery. Active in civic affairs, Mr. Baker has served the past two years as local Red Cross chairman; is a past president of the Ozona Rotary Club, a member of the former community Council and at present a sustaining member of the Welfare Council.

Mr. Baker until recently was manager of the Joseph's Department Store in Ozona. Effective February 1, Clyde Leatherwood of Dallas replaced Mr. Baker as manager of the store. Mr. Baker will no longer be connected with the firm after May 15, he said.

In a prepared statement announcing his candidacy, Mr. Baker said:

"I will appreciate the consideration of every voter in Precinct No. 1, and if I am elected I will devote my full time to the job of being your commissioner and in looking to the best interests of the county as a whole. I am and will continue to be vitally interested in the progress and development of this community and if I am elected to the Commissioners Court will do my part toward promoting such growth and development wherever possible."

Johnigan, Jones, Deland And Stuart Elected Trustees

Nearly 200 Votes Reg- istered In School Board Election

Hartley Johnigan and Dempster Jones, present members of the board of trustees of the Ozona schools, were re-elected and Earl Deland and Byron Stuart were named to membership on the board in the annual trustee election held in the county last Saturday.

Johnigan led the ticket in total ballots with a count of 181. Jones was second with 170 votes; Deland polled 156 and Stuart 149. Fifth man in the race for four places on the board was Troy Williams with 101 votes.

The new and re-elected members of the board began their two-year terms with the first meeting of the board Tuesday night. Other members of the board whose terms will expire next year are Dick Henderson, O. Q. Alford and Bill Carson. Retiring from the board at the end of their terms this year were Clay Adams and W. E. Lott.

Four Men Injured In Two Accidents On Road South Of Ozona

Two separate accidents on Highway 163 south of Ozona the past week-end sent two Ozona men and two Brownfield men to the hospital and resulted in the smashing of two cars.

Still under treatment yesterday at the Crockett county Hospital were H. R. Meeks and David D. Smith, both of Brownfield, who were injured Friday when their car overturned on a slight curve on the road about 25 miles south of Ozona.

Two Ozona Negroes, Hayden Roach and Raymond Daniels suffered minor injuries when their car overturned several times about 23 miles south. Daniels owned the car and was driving, Sheriff V. O. Earnest said.

Methodist Spiritual Life Mission Series Draws Good Crowds

Splendid crowds are attending the twice daily services at the Methodist church here during the Spiritual Life Mission week being conducted by Dr. G. Ernest Thomas of Nashville, Tenn., director of the Spiritual Life Department of the General Board of Evangelism of the Methodist Church.

Dr. Thomas is one of the church's greatest preachers and is the author of many religious books. He spoke to members of the Rotary Club at the club's Tuesday luncheon and is preaching each morning at 10 a. m. and in the evenings at 7:30. The meeting will continue through Friday. Song services and youth work are under the direction of Rev. Robert Nauert, pastor of the Menard Methodist church.

Choirs from the Big Lake and Sonora churches have added to the effectiveness of the local church series by appearing to lead the song services, the Big Lake choir coming Monday night and the Sonora choir Wednesday night.

Mrs. Ventura Fuantoz Long-time Ozonan, Dies

Funeral services were held Monday afternoon at 5 o'clock from the Catholic Church for Mrs. Ventura Fuantoz, 75, a long-time resident of Ozona, who died at her home at 1 a. m. Monday after a long illness. Services were directed by Father Howard Myers, with burial following in the Latin-American Cemetery under direction of Cody Funeral Home.

Surviving are the husband, Francisco Fuantoz; three daughters Mrs. Maria Longoria, Mrs. Carlota Dehoyos and Mrs. Diamiana Trujillo all of Ozona; two sons, Celestino Fuantoz of Ozona and Chon Fuantoz of Midland; one brother and 14 grandchildren.

Duster Monday Cuts Short Sweet Memory Of Last Week's Rain

Hopes of West Texans were raised last week with the first rainfall of the winter and spring, but were quickly dashed Monday when another black duster rolled in from the north and northwest to blanket all of Texas.

The duster was described as the "worst ever" in the panhandle and plains country of Texas but in this particular area memories were still fresh of the king of all Ozona dust storms last year. In that all-enveloping blanket of dust, visibility was reduced to double zero and a complete black-out left only total darkness and almost solid dirt from the ground to several hundred feet up.

Volleyball Girls To Meet East Half Champs For Dist. Title Friday

By Ernie Boyd

The Ozona High School girls' volleyball team will meet the winners of the eastern half of the district, Junction, at 3:30 Friday afternoon for the district title. The championship game will be played on neutral Sonora's gym court.

The Ozona girls slaughtered an impotent Eldorado team in Ozona Tuesday afternoon in copping two games 28 to 2 and 30 to 9.

Tony Ortiz scored on 12 straight serves in the first game to ice the contest away almost before it got started and reserves played most of the last game and still won with ease.

Miss Geneva Knox, Ozona coach, and also league director, announced the play-off plans after an agreement reached last night.

Ozona Tracksters In District Meet At Eldorado Sat.

Lions Seen As Possi- ble Contenders For Third Place

By Ernie Boyd

Coaches Chick Womack and Sonny Cleere will carry their track squad to Eldorado Saturday where the district high school and Jr. High meets will be held on the new Eldorado track.

Ozona's chief hopes will be Bobby Martinez in the 880, Jerry Jacobs in the 440 and Juan Delgado in the 100, 220, and the low hurdles.

Martinez will have to beat Junction's fine Jerry Dobbs in order to cop the 880 the two having split in their first two meetings with Dobbs winning the Sonora event and Martinez setting the districts best time this year in the Ozona meet.

Jerry Jacobs, a freshman has been improving steadily in the 440 and Wednesday ran a 56.3 quarter on the slow and windy Ozona track. On a fast track with favorable wind conditions such a run would have been made in a better time.

In the field events Bobby Vargas will enter the high jump along with Jake Young, Ronnie and Orville Paulk along with David Sikes will be in the pole vault and Juan Delgado, Luis Vela, and Cleo Cervantez will enter the discus and shot.

In the relays the mile relay team will be in good position to win a third place and the 440 relay team could finish as high as third but should win fourth.

In team effort Ozona will stand its best chance in several years and may be able to cop a third place this year if enough of the boys turn in the type of performance of which they are capable.

For the Jr. High team it will be the first meet of the season and there is no advance knowledge on how they will stack up in district competition.

Mr. and Mrs. W. R. Baggett are spending a few weeks in Ruidoso, N. M., with Mr. and Mrs. J. M. Baggett.

Law Technicality Causes Delay In Clinic Building

Contractors Bids To Be Opened In New Let- ting May 14

Because certain technicalities in the law were overlooked by the framers of the legal notices in connection with the award of contracts for construction of the new county medical building here, actual construction work on the building will be delayed a month.

New notices to contractors, embodying the previously overlooked paragraphs, appear in this issue of the Stockman and call for the opening of bids by the Commissioners Court at 2 p. m. on Monday May 14.

After contract was awarded last week to the W. C. Rutherford Construction Co. of San Angelo, the error in the official notice of the contract awards was discovered and confirmed by bond attorneys in Austin. The construction is to be financed by time warrants to be issued by the county, along with some balance above the bond issue fund for the construction of the new county hospital, and the law requires this fact to be stated in the notices, along with an official notice from the Commissioners Court that it plans to issue such time warrants, County Judge Houston Smith said.

After paring down on some features of the architect's plans, the contract was awarded last week to the W. C. Rutherford firm for a total cost of around \$48,000. This contract has been nullified and preliminary work which had already started toward the construction has been halted pending the new contract award on May 14.

The new county medical building is to be constructed on a lot adjoining the new hospital, now nearing completion. It is to serve as office quarters for three medical doctors, a dentist and an optometrist.

The new building will pay for itself in a maximum of ten years. Rentals from the five tenants will bring in a monthly revenue of \$600. Estimating utilities and maintenance costs at \$100 a month, the structure will net the county approximately \$6,000 a year.

Block 47 Shallow Field Is Extended

The Block 47 Shallow field of Crockett County has been extended 3/4-mile northeast with completion of Landa Oil Co. No. 1-P University (formerly Montgomery Bros. No. 2-R University), in 14-47-University, 14 miles southeast of Big Lake.

It was finalized for a daily pumping potential of 66.20 barrels of 34 gravity oil, with gas-oil ratio of 109-1. Potential was based on a 12-hour test through perforations between 2,044-105 feet in 5 1/2-inch casing cemented at 2,412 feet on total depth of 2,416 feet.

Top of pay was picked at 2,034 feet, elevation unreported. Pay section was acidized with 1,000 gallons and fractured with 10,000 gallons of oil and 10,000 pounds of sand.

Wildcat Test Set In West Crockett

G. W. Dentler of San Angelo has filed application to drill a 3,900-foot cable tool wildcat in Crockett County, six miles east of Iraan. It will be drilled as the No. 1 Oscar Wise et al.

Location, on a 320-acre lease, is 660 feet from the south and east lines of the southwest quarter of 27-Martha T. Wilton.

NEW STORE FRONT

Work was completed last week on the handsome new front for the Williams Grocery building. Of light brown to pink ledge stone and glass with metal frame, the new front gives a new look to the block in which all other buildings have recently undergone re-finishing.

CLEAN-UP RESULTS

It's a pleasure to write an editorial if you have something complimentary to say about something or somebody. And that's just the purpose in this little piece.

We took time last Saturday to ride over town with an eye out for trash and litter, the idea being to check up on results of the clean-up campaign of last week. And the results were good. On the whole, Ozona is clean and many unsightly spots have been removed, some of them the results of the flood and some just accumulations that grow. Almost every Ozona home cooperated in the drive, with the result that Ozona residential section presents a neat appearance in spite of the repeated buffeting by the elements so far this spring.

The clean-up was engineered by the Ozona Woman's Club, the Woman's Forum and the county. The ladies publicized and pushed the clean-up plan and the county furnished the trucks to haul off the trash, the county crews even participating in the actual clean-up in many instances when they waded into trash accumulations on vacant lots, along the draws, in alleys, and other more or less public spots. It's a great sight to see folks work together in a spirit of community pride with such gratifying results.

A great big hand to the Commissioners Court who authorized the employment of the trucks, to the truck drivers themselves and to the county road department which furnished manpower and machinery in the drive, and to the ladies of the clubs for initiating and prosecuting the movement to such resounding success.

WHAT DO YOU MEAN, "JUST FACE LIFTING"?

EVERY NOW AND THEN, we run across someone who seems to think that 1956 cars do not offer anything really new—just a little face lifting from the year before.

We won't try to speak for the automobile industry. But we certainly can speak for Buick.

And let us announce in no uncertain terms—it's the newest thing on wheels.

The Styling is New

Sure, it looks like a Buick. But it has a new V-prowed grille that says 1956 and no mistake. The hood's new—the fender ports are new—the sweep-spear is new—and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours.

But that, friends, is only the beginning.

The 1956 Dynaflo® is New

It introduces what the engineers call "double regeneration"—which means a double-action take-off. It gives you new,

split-second response in the first inch of pedal travel—plus the "switch the pitch" at full acceleration, which no one else has yet approached.

The Ride is New

To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

The Power is New

All 1956 Buicks have new 322-cubic-inch V8's—with record highs in power and compression—with unique new double "Y" manifold to step up efficiency—with new carburetor "deicing"

—and a host of other new features to make owning a Buick pure pleasure.

The Thrill is New

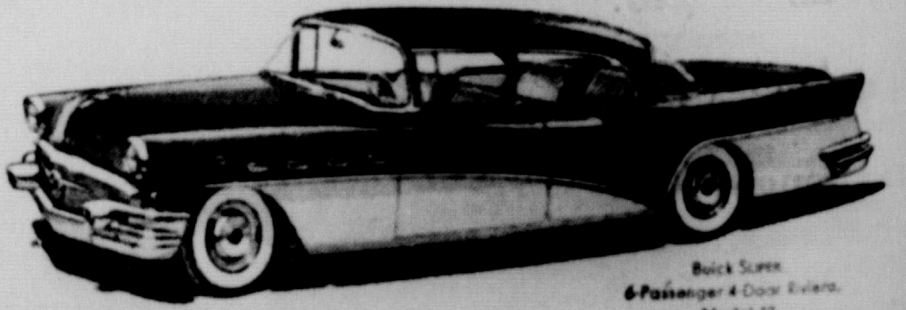

And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the best Buick yet—by a wide measure—and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Your Electric Service is even a bigger bargain than it looks

For pennies a day, electricity lights your home, cooks your food, washes your dishes, and serves you in dozens of other ways. It's the biggest bargain in your family budget! And it's even bigger than it looks. Out of every \$4.00 you pay on your electric service bill, about \$1.00 goes for local, state and Federal taxes. Yet, in spite of this, you are getting about twice as much electricity for every dollar as you did 25 years ago. Actually, the average cost of a kilowatt hour of electric service for homes served by WTU is 20% less than it was just 10 years ago. Part of the reason for this lower price is your greater use of electric service. But more important, is the work of the men and women of your electric service company who constantly are working to find more and more ways to reduce the cost of producing electric power and of delivering it to you.

SENIOR CLASS NEWS

The Seniors met April 10, 1956. Janie Adams gave a treasure report and we discussed tickets and programs for our Senior Play. We talked about what we would donate to the school and decided we would just leave money to help pay for the jukebox. We then voted on our class colors, flowers, and motto. Our colors are purple and white, our flower is carnation, and our motto is "on to greater things." We discussed decorations for the commencement dance. The Seniors would like to thank Mr. and Mrs. Dempster Jones and all the people who helped with the lovely supper we had last week. It was enjoyed by all.

WHAT THE SENIORS PLAN TO DO AFTER THEY GRADUATE

Susie — Going to T. C. U. and major in elementary education.
 Martha — Go to Texas University and major in "Campusology".
 Carolyn Gois to Shannon Nursing School.
 Mike — Quit worrying for 2 months.
 Roy Mann — Going to Tech and then when I graduate from Tech, laugh at all the Aggies.
 Charleen — I think I'll go to work.
 Lloyd — Go to Northrop Aeronautical Institute.
 Brock — Light firecrackers in front of the auditorium.
 Jerry — Help Brock!
 Benny — Go to S. A. C. and party.
 Thomas — Don't know.
 Orville — Going to Texas University.
 Janice — Go to Texas Tech and have a ball.
 Juan — Going to Tech and play football.
 Bobby M. — Go to A&M.
 Arturo — Go to Sul Ross.
 Carolyn F. — Go to Texas University.
 Carol R. — Go to the ranch and hibernate until time to go to Southwestern U.

HOMEMAKING STYLE SHOW

Every spring the homemaking girls and Mrs. Hull start working hard preparing for the spring style show. The clothes to be shown this year will be very pretty and the decorations will be tops. Mirrors will be arranged on the stage so every part of the garment is shown. Your calendar will tell you that May 8th isn't far away so circle the date and plan now to attend. We think you won't be disappointed.

CAN YOU IMAGINE?

Mr. Peltz as the model for "The Bald Leggie" in Little Abner?
 Mr. Rollins as the P. E. instructor of a girls school?
 Mr. Leath as "the wicked" Johnny Dark?
 Mr. Harlan as "President of the Elvis Presley Fan Club"?
 Coach Hickman as Bridal Consultant of Neiman Marcus?
 Mr. Cheere as world champion dolly knitter?
 Mrs. Hull as a lady bullfighter?
 Mr. North as "King of the Wild Frontier"?
 Mr. Moody as "The guy that drills the holes in a Swiss cheese factory"?
 Mr. Wimberly as Janitor of the Empire State Building.
 Mr. Gray as editor of "National Geographic" Magazine?
 Miss Moore as a "Lady Patrolman"?
 Mrs. Taliaferro as a bridge builder in Paris?
 Mr. Brentz as body guard of Grace Kelly?
 Mr. Womack as a fortune teller in old Mexico?
 Miss Knox as publisher of "The Dictionary"?
 Can you imagine this?? I am most certain that if all this came true "all the dogs in Egypt would be hair-lipped !!!"

OUTDOOR SUPPER SERVED

Thursday night there was a supper given for a group of the Seniors at the Dempster Jones home. The supper was given by the Dempster Jones, Dub Stokes, Bill Childress, and James Childresses. Supper was served in the yard. In spite of the cool weather the food was really enjoyed. Fried chicken, fruit salad, string beans, french bread, and ice tea was served. A variety of cakes were served for dessert. After about thirty minutes of visiting the evening of entertainment came to a close. Our thanks go to the hosts and hostesses for a wonderful time.

BAND NEWS

Tuesday, April 10, the Ozona High School Band presented their annual spring concert under the direction of Byron Gray. The program consisted of 12 numbers and the presentation of the Kay Simmons Memorial Award. The numbers on the program are: Air and March, Nutmeggers, Song of Jupiter, Gypsy Holiday which was conducted by the student director, Don Lott, Arinso, El

Relicario, Marcho Vivo, 1st Swedish Rhapsody, Stormy Weather, Russian Choral and Overture, and Gypsy Baron. There was cornet trio consisting of Loy Elmore, Art Kyle, and Richard Sikes playing Dark Eyes and the band accompanied them.

It was a very enjoyable program and especially the presentation of the Kay Simmons Award.

Next week there will be a separate article featuring the receiver of the Kay Simmons Award.

CHORAL CLUB NEWS

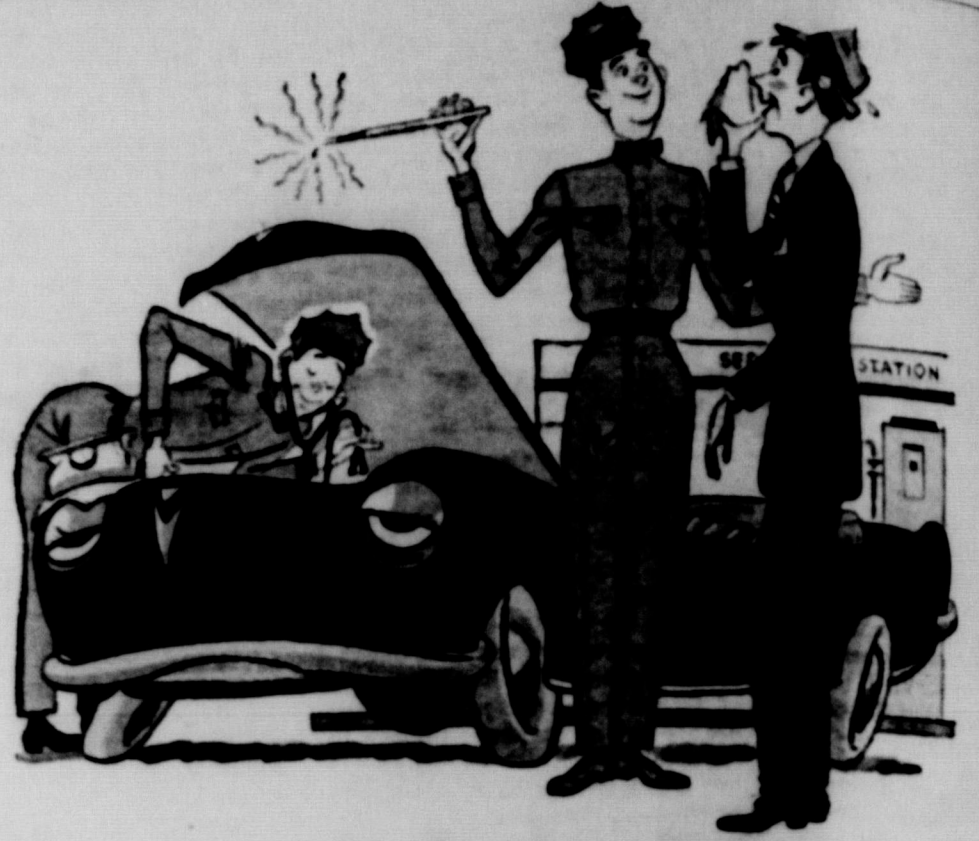

April 16th, Monday night at 7:30 in the High School Auditorium, the High School Choral Club will present a spring Concert consisting of a variety of many songs. This will be given at the regular P. T. A. meeting, president Mrs. James Baggett said that there would be no business at this time. So we would like to cordially invite the public to attend this concert.

REST MEDIUM

The Western World, of Bandon, Oregon, points out: "After all the revolutionary changes which have taken place in the advertising world in the last ten years, the newspaper — it is now proven — remains the best medium of advertising."

The proof is found in the lineage figures. As the World adds: "In spite of all the competition from new media, newspaper advertising continues to grow and the public continues to express its confidence in newspapers to an amazing degree."

The newspaper — large or small, daily or weekly — is an established American institution. Nothing has changed that — and nothing will as long as we remain a free nation.

Your car gets Spring Fever too!

● In the spring a good car's fancy turns to — thoughts of warm weather driving. But winter has been rough on your car. That's why right now we urge you to drive in for our Springtime service.

We specialize in chasing winter out of your car — putting springtime in. We'll change your oil to summer grade, lubri-

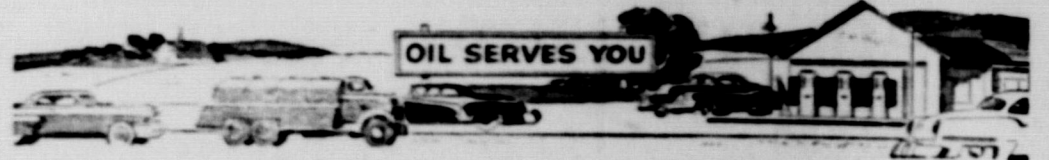

cate, and do everything to put your car in top shape for warm weather driving. You'll find it pays big dividends.

Giving your car the care it deserves — and you the service you deserve — is our part in the progressive oil industry that brings better living to this community. Drive in today and let us serve you!

MODERN WAGONS WITH 225 "HORSES"

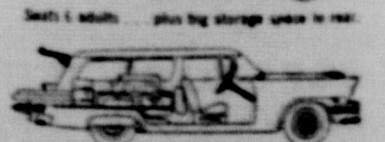

Six Ford Station Wagons . . . all now available with new 225-h.p. Thunderbird Special V-8 engine

Pictured above is the '56 FORD RANCH WAGON "SPECIAL" This Thunderbird-styled, all-steel beauty can't be matched for Sunday calling or Monday hauling at low cost. Has two doors . . . is six-passengers big.

Here is America's hottest Ranch Wagon . . . the car with 1,001 uses! Ford's Ranch Wagon takes six passengers comfortably . . . converts in seconds to a handy, spacious utility vehicle. Has Life-guard Design to help protect you and your family from hazards that cause over half of the serious car-accident injuries. See and drive the Ford Ranch Wagon . . . you'll agree it's the best station wagon buy today!

This year, Ford is celebrating many years of station wagon leadership by offering 6 distinguished wagons that set the pace in both beauty and performance in their field. All are available equipped with Fordomatic Drive—and powered by Ford's terrific 225-h.p. or mighty 202-h.p. V-8 engine. Every one of these fine wagons is worth more when you buy it. And Fords are traditionally worth more when you sell them, too.

With "Overseer" seat belts in back, you have almost 8 feet of large room from front seat to end of baggage.

Visit your Ford Dealer during his "Modern Wagon Days" and see the BRILLIANT EXHIBIT OF FORD STATION WAGONS FOR '56

NOTICE OF INTENTION TO ISSUE PERMANENT IMPROVEMENT WARRANTS

THE STATE OF TEXAS: COUNTY OF CROCKETT:

Notice is hereby given that it is the intention of the Commissioners Court of Crockett County, Texas, to pass an order at the regular term of Court on the 14th day of May, 1956, authorizing the issue

of interest bearing time warrants against the Permanent Improvement Fund of said County in an amount not to exceed \$50,000.00, bearing interest at a rate not to exceed two and one-half (2½%) per cent per annum, and maturing at such times as may be fixed by the Commissioners' Court, serially or otherwise, with a maximum maturity date not to exceed ten (10) years from their date, for the purpose of evidencing the indebtedness of Crockett County, Texas, to be incurred in improving and equipping the County Hospital.

Given pursuant to a resolution adopted by the Commissioners Court of Crockett County, Texas, on this 12th day of April, 1956.

Woman's Forum Has Texas Day Program

The Woman's Forum met Tuesday afternoon for their Texas Day Program. Mrs. Boyd Baker and Mrs. Carl Appel were hostesses in the Baker home.

Mrs. Austin Millspaugh, program leader, gave "Legal Status of Women in Texas." Mrs. W. T. Stokes gave "Property and Wills." Mrs. Martin Harvick, "Social Security — How It Affects Me" and Mrs. Dempster Jones "What Every Woman Should Know About Her Husband's Business." Mrs. Charlie Black gave a report on the District Convention held in San Angelo. She reported that the Club had won Second place with their "Youth Conservation" report; second place in the press book division and was recognized as being 100% subscribers to the Texas Club Woman.

Members answered roll call "Did You Vote." Reports were given by Mrs. Joe Tom Davidson, Safety Chairman; Mrs. P. C. Perner, Treasurer; Mrs. Marshall Montgomery, Welfare chairman, and Mrs. Austin Millspaugh, International Chairman.

Members present were Mrs. Black, Mrs. James Childress, Mrs. Bill Clegg, Mrs. L. B. Cox, III, Mrs. Davidson, Mrs. Fred Haglestein, Mrs. Martin Harvick, Mrs. Jim Ad Harvick, Mrs. Dempster Jones, Mrs. Millspaugh, Mrs. Beecher Montgomery, Mrs. Marshall Montgomery, Mrs. Perner, Mrs. C. O. Walker, Mrs. Jack Williams, Mrs. Charles Williams, and Mrs. W. T. Stokes.

Guests in the home of Mr. and Mrs. Earl C. Cunningham the past week-end were Mr. and Mrs. Lee R. Story and children, Charlotte Jo and David Lee of San Angelo, and Mr. and Mrs. T. H. Jones and daughter, Sandra, from Van Court.

MAKING SURVEY HERE

If a lady knocks on your door this week it probably will be Miss Kate Adele Hill, studies and training leader of the A&M Extension Service, who is in Ozona this week making a survey to determine readership of a daily column written by the Tom Green county Home Demonstration Agent Mrs. A. L. Freeman. Miss Hill was reared in Schleicher county, the daughter of the late W. H. Hill, Eldorado Angus breeder, who ranched in that county until 1933.

She's Enchanted!
they're so BEAUTIFUL SO AUTOMATIC!

SPRING SHOWING NEW Gas RANGES

It was pre-destined! AUTOMATION and fast, flexible GAS combine to create the most remarkable new range feature since the automatic oven! You'll see it on Spring-Showing GAS Ranges. Just as automatic oven controls freed you from guess-work when baking and roasting, new thermo-control gas top burners convert your every pot and pan into automatic cooking utensils.

These magic burners keep pans (and the food inside) at just the right temperature automatically — no burning, scorching, boil-overs! GAS cooking becomes cooler and cleaner than ever. And new GAS ranges offer you exclusive flame-flavor smokeless broiling, perfect, even baking and roasting. Exclusive, instant speed, dependability and economy!

Enchant your kitchen with a stylish, new, completely automatic GAS range.

Texans! Before you buy any new car, drive the Texan and...

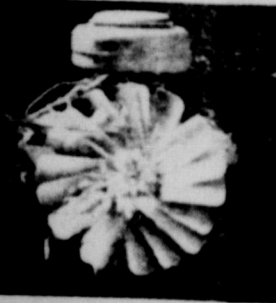

DISCOVER THE DIFFERENCE IN DODGE!

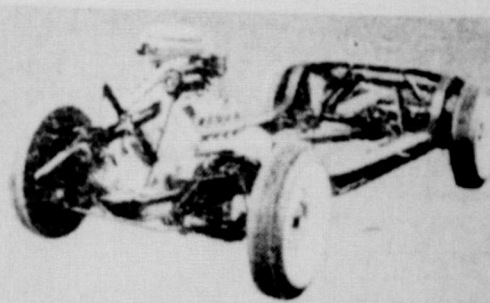

This isn't just "big" talk. Dodge actually is bigger all around — up to 7.7 inches longer than cars in its own field, 14.5 inches longer than cars in the "low price" field. Dodge is bigger inside, too. More legroom front and rear! More legroom front and rear! Dodge gives you plenty of room to relax in comfort.

Dodge push-button PowerFlite makes every other way of driving old-fashioned. It's mechanically perfect — the easiest, safest, surest way of driving ever developed. Just touch a button and go!

Dodge is powered for today's driving! Aircraft-type 260 hp. V-8 engine develops tremendous break-away power!

Solid — that's the way Dodge builds 'em! From the frame right on up, Dodge is engineered to take the roughest punishment. EXAMPLE: Box-section, side rails provide greater strength and ruggedness than common I-beam or U-channel type used in most other car frames. Crossmembers are extra heavy. Here's solid dependability.

Who says parking isn't fun! Dodge power steering does 80% of the work, takes fewer turns of the wheel than other cars.

You can stop on a dime — with Dodge power brakes. Front wheel brakes have two cylinders, two anchors for positive, predictable stops.

It's America's performance champion! No other car has ever given such proof of superior performance. In a 14-day run at Bonneville, Dodge outclassed American stock cars and European sports cars both — shattered 306 AAA records in all, including 27 world records.

COME IN AND HIT THE DISCOVERY JACKPOT ON A NEW

BIDDERS ATTENTION TO PLANS

HOUSTON S. SMITH COUNTY JUDGE

in accordance with specifications, prepared by Houston S. Smith, County Judge, or from John Linn Scott & Associates, Architects, 17th Street, public building. To be used as a bid for Crockett County Court at the courthouse, District of Texas, until the 14th day of May, 1956. Bids will be read aloud, and the lowest bidder will be selected. The contract made is practicable. After the closing of bids, the contract will be received on the 14th day of May, 1956. Heating, Air Conditioning.

that not less than the minimum wage rates prevailing in the locality in which the work is performed for work of a similar character, and not less than the general prevailing rate of per diem wages of legal holidays and overtime work, shall be paid to all laborers, workmen and mechanics employed in the construction of public works and the general prevailing rate in the City of Ozona may be obtained from Houston S. Smith, County Judge, or from John Linn Scott & Associates, Architects.

Each proposal must be accompanied by a certified or cashier's check on a bank in the State of Texas, or an acceptable bid bond from a reliable surety company authorized to do business in the State of Texas, payable without recourse to Crockett County, Texas, in an amount not less than five (5%) per cent of the largest possible total for the bid submitted, including the consideration of additive alternates, as a guarantee that, if awarded the contract the bidder will promptly enter into a contract and execute bond in the forms provided as outlined in the specifications and instructions to bidders. A performance bond of one hundred (100%) per cent of the contract price will be required.

In case of ambiguity or lack of clearness in stating prices in the Proposal, the County reserves the right to adopt the prices written in words, or to reject the Proposal. The County reserves the right to reject any or all bids and to waive any or all formalities.

No bid may be withdrawn, after the scheduled closing for receipt of bids, for at least thirty (30) days.

Notice is also given that it is the intention of the Commissioners Court of Crockett County, Texas, to pay all or a part of the contract price in interest bearing time warrants, and it is the intention of the Commissioners Court to pass an order on the 14th day of May, 1956, authorizing the issuance of interest bearing time warrants a-

gainst the Permanent Improvement Fund of said County in an amount not to exceed \$50,000.00, bearing interest at a rate not to exceed 2 1/2% per annum, and maturing at such time as may be fixed by the Commissioners Court, serially or otherwise, with a maximum maturity not to exceed ten (10) years from their date, for the purpose of evidencing the indebtedness of Crockett County to be incurred in constructing and equipping a public building to be used as a Health Center in and for said County.

The County will make arrangements for the contractor to dispose of the warrants herein mentioned at not less than par, and the contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

This notice is given pursuant to a resolution of the Commissioners Court of Crockett County, Texas, adopted on the 12th day of April, 1956.

Officer Reports Heard, Soil Conservation Talk For Woman's Club

The Ozona Woman's Club met Tuesday afternoon in the home of Mrs. Joe Pierce with Mrs. J. A. Fussell assisting hostess.

Mrs. L. B. Cox Jr., president, presided over a business session during which officers made reports.

Mrs. Stephen Perner announced that club members, as well as other artists of Ozona, were invited to attend and to exhibit paintings during the Sonora Art Club Spring Exhibit to be held in the Memorial Building at Eldorado on May 5th and 6th. Rules for entries in the exhibit may be secured from Mrs. Perner.

Mrs. Max Schneemann, chairman of the Cancer Drive to be made in Ozona on April 17, asked for the support of club members.

The club voted to endorse and to support resolutions adopted by the Sixth District Convention in San Angelo. Mrs. Hubert Baker was elected club delegate to the State Convention in Dallas, May 7-10.

Mrs. L. B. Cox Jr., announced that the club's press book won first place at the District Conven-

tion in San Angelo, and the year book won third place. The President's Report was given first place, and recognition was given the club for having one hundred per cent of its members as subscribers to the Texas Clubwoman. Mrs. V. I. Pierce, program leader, introduced Bob Scott, County Soil Conservationist, who spoke on the "Relationship of Man to Grass." He also showed a film on grasslands and explained the local watershed and dam projects being considered for Ozona.

Members present were Mrs. L. B. Cox, Jr., Mrs. Hortense Davenport, Mrs. J. A. Fussell, Mrs. W. N. Hannah, Mrs. S. M. Harvick, Mrs. P. O. Hatley, Mrs. Floyd Henderson, Mrs. J. W. Henderson, Jr., Mrs. A. C. Hoover, Mrs. B. B. Ingham, Sr., Mrs. Ben Lemmons, Mrs. Stephen Perner, Mrs. Joe Pierce, Mrs. V. I. Pierce, Mrs. Bailey Post, Mrs. Eldred Roach, Mrs. Max Schneemann, Sr., Mrs. C. L. Williams, Sr., Mrs. Taylor Word and Miss Mildred Ralston. Phone News to The Stockman

L. from Crockett C. L. to 100 miles South on Highway No. 290 & 500 covered by C. 44-200, C. 44-210 & C. 44-220 & 200, in Smith, Tarrant & Crockett county will be received at the Highway Department, Austin on or before April 11, 1935 and then will be opened for bids.

The "State Works" program is defined in House Bill No. 40 of the 46th Legislature of the State of Texas and House Bill No. 110 of the 46th Legislature of the State of Texas and is with a view to the construction of such State Highways. No provision is made for the payment of such work in the proposed for such road or other highway, or for the payment of such work.

The work under the provisions of such State Highways, the State Highway Commission has approved and is to be done in the proposed for such road or other highway, or for the payment of such work in the proposed for such road or other highway, or for the payment of such work.

Such work shall be done in the proposed for such road or other highway, or for the payment of such work in the proposed for such road or other highway, or for the payment of such work.

There are specifications available for the office of the State Highway Commissioner, Austin, Texas, and the Texas Highway Department, Austin, Texas, under contract.

It is desired to receive proposals for the construction of such State Highways, the State Highway Commission has approved and is to be done in the proposed for such road or other highway, or for the payment of such work.

Opera Music Club Family Night Program At Methodist Church

The annual "Family Night" program of the Opera Music Club was held last Thursday evening at the Methodist following Mrs. J. W. White, president of the club, presided over a short business meeting. Mrs. Howard Johnson presented the program committee. Mrs. James Cook told the story of the "Symphony of the South" and Mrs. Louise Baker led the group in the singing of the hymns.

A chorus group from the Church of Christ under the direction of James W. Ferguson and three soloists. The chorus group was made up of the following: Mrs. J. J. Nantz, Mrs. Nora Barnett, Mrs. James W. Ferguson, Mrs. Roy Nantz, Mr. and Mrs. Scott Carey, Mrs. James Abbott, Mrs. Frank James, Mrs. E. J. Stark, Mrs. Gustav Miller, Mr. and Mrs. J. W. Johnson, Hubert Baker, Ross Richardson and Ray Spitzer.

Plans for the coming year were discussed. Following a group singing led by Mrs. E. J. Stark and a refreshment and social period, a motion picture was shown. The picture was shown by Mrs. James Miller, Mrs. J. W. Johnson, Mrs. E. J. Stark, Mrs. Roy Nantz and Mrs. E. J. Stark.

TS&CRA Officials Visit Washington

State Traffic and Safety Association officials returned from Washington where they spent several days in business affecting to membership.

J. B. Rogers, former Traffic Director, and Ernest Williams, Executive Secretary, met with officials in the Department of Transportation and with Congressman H. C. Parker in connection with the proposed changes in the traffic laws. Mr. Rogers was secretary of the committee and Mr. Williams was secretary of the committee.

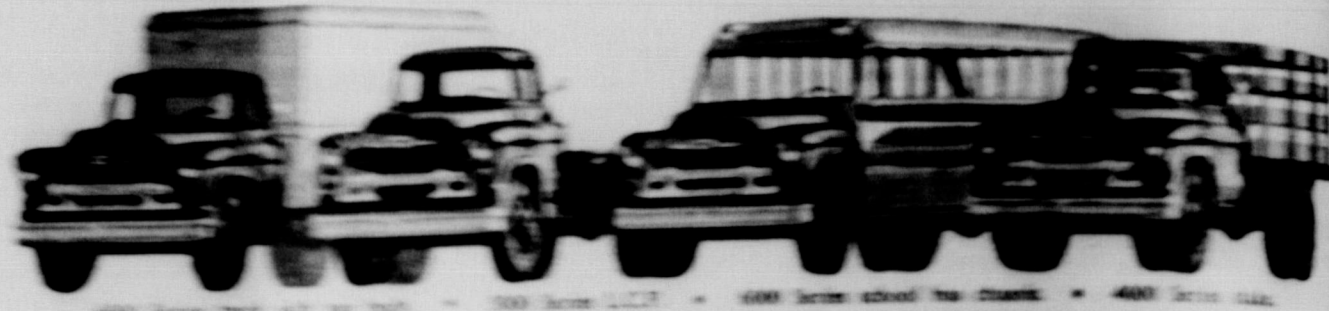

of later program with the Department and that he had hoped "We also talked with people" Mr. Rogers said that this international program in the National Park Service to which he had been several times would continue to operate as it was what could be done regarding the protection of "special" land areas for several years. production in the Big Bend National
