On Comeback Trail, Ozona Lions Upset Favored McCamey

By Ernie Boyd

The Ozona Lions used a hot first half and a powerful defense to down McCamey 40 to 35 in a major upset here Tuesday night. For the invading Badgers it was only their fourth loss of the season with two of the other losses coming at the hands of the Big Lake Owls.

Jake Young, Bobby Sutton, and Billy Ritchie all tied for high point honors with 9 points as Stanley Williams checked the Badger ace Ritchie, and the Lions distributed their attack among six players.

The Lions gave their followers a hard time in the final period as they began to crack under pressure and failed to mark up a single point until the fading minutes when they added three free throws.

The Lions rebounded well and did a fine job of moving the ball when in the fore court but erratic and ill-considered passing hampered the Lions most of the night.

The Lions poured in 17 points in the first quarter to 7 for their visitors and then lengthened their lead by adding 13 more points while McCamey could manage but 6.

High point in the second quarter was a desperation shot by Sutton in the last two seconds of the half which hit just ahead of the buzzer. The shot was fired several feet from behind the mid-court stripe and ended a highly successful first half for the Lions.

The game was the last before district play for the Lions who will meet Junction here next Tuesday night in the district opener and then take time out for the Ozona Tourney.

Finish The Job Theme Of March Of Dimes Drive

Continuing Need Of Victims And More Research Needed

"Let's finish the job!"

This is the theme announced by March of Dimes headquarters here for the campaign that will be carried on through January.

The "job" is two-fold: To raise funds for repair of the damage that polio has done to thousands of Americans in the past and to prevent the disease from crippling more thousands in the future.

March of Dimes spokesmen explain that an estimated 80,000 persons have been left handicapped by polio, throughout the length and breadth of the United States; and they point out that the job of conquering the disease cannot be considered finished until these patients have been helped to regain normal and productive lives.

The second objective of the campaign is to promote the widest possible use of the Salk vaccine, which was developed under March of Dimes sponsorship, and which has been proven safe and effective many millions of times over.

Commenting on the 16,000 cases of polio reported in 1956, Basil O'Connor, president of the March of Dimes organization, said:

"We of the March of Dimes are determined that 1957 shall not see a repetition of the polio record of 1956. Even so, we know there will be attacks of the disease, and we must provide for the care of all who need it."

"We must also remember," Mr. O'Connor added, "those persons for whom the vaccine came too late. When we give to the March of Dimes, we are helping those who need help and protecting those who don't."

Odessa Reserve Champ Lamb Brings Ozona Lad \$550 In Auction Sale

Mark Baggett, Crockett county 4-H Club member, sold his Reserve Champion lamb of the Odessa Livestock Show for \$550 at Odessa Saturday in an auction sale which followed the show. The champion lamb of the show, shown by a Crane 4-H Club boy, brought \$725 in the auction.

The seventh place heavyweight lamb, also shown by Mark Baggett, sold for \$115 a pound and brought its owner \$136.85.

The Odessa sale was one of the best ever experienced by a major livestock show in Texas and is destined to become one of the strongest major livestock shows in the state in the opinion of County Agent Peter Jacoby of Crockett.

While in Odessa, Mark Baggett appeared on a special TV program staged by Station KOSA-TV Odessa Saturday, along with other 4-H Club members who had exhibited champions at the show. They were guests of Hubert Martin, Ector county agent.

From Polio Patient To All-State Guard Is Phenominal Recovery Record Of Big Lake Boy

Gonzales. — From polio patient at Gonzales Warm Springs in 1949 to All-State guard in 1956.

That's a capsule account of the amazing recovery and accomplishment of David Jacobs, 190-pound husky senior student, who captained the Class A Big Lake High School grid team undefeated through its regular season.

Back in the summer of 1949 when David was stricken with polio, no one dreamed of such a climax to his football aspirations. He entered Gonzales Warm Springs Foundation on Sept. 1, 1949, and remained almost five months. He continued his therapy at home and had periodic check-ups at Warm Springs.

He was determined to play football, and in the fall of '51, the medical director gave his consent. So he played on the Junior Team that year and the next. His improvement was steady.

As a freshman in 1953, he played on the high school team and, as a tackle, he logged more minutes, than any other player. A shoulder injury in 1954 kept David out of action for five quarters, but he went on to play as much as any other player on the team.

As a junior, he made All-District and tied for outstanding lineman in the district, still playing in a tackle position. This year, playing guard, he easily made All-District and then was named on the Fort Worth Star-Telegram's All-State Class A eleven.

Aggressive and alert, David has averaged 155 tackles each of the last three years, blocked six punts in 1955 and two this season. Recovered 11 fumbles this fall and rushed the passers so much that Big Lake scored five times with intercepted passes.

OHS Junior Class To Present Annual Play Tonight And Friday

"The Little Dog Laughed," a farce comedy in three acts by Thornton Wilder, will be presented by the Junior Class of Ozona High School in the high school auditorium tonight and Friday night.

The cast has worked hard and long on the play, under the direction of Haskell Leath, and all who have seen it have declared it one of the most entertaining plays ever presented on the Ozona High School stage.

Curtain time tonight and Friday night will be 7:30 p. m. Admission price is 75 cents for adults and 50 cents for students.

"The Juniors promise you one of the most entertaining nights of your life, so everybody come out and back the Juniors," said a class spokesman.

David Jacobs

David's father, Paul Jacobs, says that the experience with polio taught him consideration, patience, and a tenacity to accomplish his objectives. And, while he has played three years on the BLHS basketball and golf teams, his accomplishments have not been restricted to sports.

Throughout his high school career, David has been on the honor roll and has served on the Student Council. He has held the office of vice-president and this year is president of the student body.

He has fed lambs in 4-H and has won numerous stocks how ribbons including a first place in the San Angelo Fat Stock Show. He has played tenor sax three years in the school band and has participated in dramatics, taking the lead in the Senior Play in December. On Sundays he has been teaching a Sunday School class for junior boys.

Texas Tech Coach Weaver To Speak At Dist. Banquet

Lions Club To Honor All-Dist. Teams At Annual Banquet

Dewitt Weaver, veteran football coach at Texas Tech, Lubbock, newly elected member of the Southwest Conference, will be the principal speaker at the annual All-District football banquet to be staged by the Ozona Lions Club next Monday night in the school cafeteria.

The banquet annually honors members of the all-district football teams selected by coaches of District 6A. Engraved certificates denoting selection to the mythical eleven will be presented winners of places on the all-district teams and a good sportsmanship trophy, sponsored by Edgar Glasscock, Sonora ranchman, will be presented to a team selected by a committee of judges for this honor.

Coach Weaver is expected to bring a film of one of Tech's regular season games and if so it seems a fair guess that his selection of films will be that of Tech's one victory of the season, the surprising upset of mighty T. C. U.

All members of the Ozona 1956 football squad, their dads, members of District teams selected for all-district honors and coaches and school officials of District 6A will be invited guests of the Lions.

DOLLARS FOR SOVIET WAR CHEST

Victor Riesel, the distinguished labor columnist who was blinded on the order of goons who didn't like his dedicated efforts to free labor unions of crooks and racketeers, points out that American dollars are "pouring into the Soviet war chest." Some of these dollars come from the sale of Christmas ornaments produced in East Germany, Czechoslovakia and other satellites. But commerce of this Soviet-enriching kind is not limited to seasonal items. Between January, 1955, through June, 1956, Mr. Riesel states "... we imported \$34,000,000 worth of food from Russia, East Germany, Czechoslovakia, Hungary, Poland, Albania, Bulgaria and Romania. And this at the very moment when there is widespread severe starvation behind the iron curtain. Almost \$32,000,000 of that went for canned hams from Poland."

To make a bad matter worse, the communist countries mentioned aren't good customers of American agriculture and industry. Poland, for instance, doesn't use any material part of the millions she gets from us for canned hams to buy U. S. farm products. She

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Austin, Texas — Austin is in its every-other-January whirl. Inaugural festivities on the 15th will climax two weeks of fanfare traditional to the premiere of a new state administration.

Stepped-up tempo in the Capitol began New Year's Day when scores of new officials took the oath of office. It redoubled this week as gavel banged in another Legislature.

Next week thousands more will arrive to "dance in the new governor." Their 1957 inaugural invitations are unusually elaborate — gold-embossed and purple-tasseled. Forty thousand were printed.

Other arrangements are similarly lavish. An hour-long parade will precede the high noon swearing-in ceremony in front of the Capitol. In the afternoon there'll be a band concert, then a reception at the Capitol. That evening Gov. and Mrs. Price Daniel and Lt. Gov. and Mrs. Ben Ramsey will lead the grand march of state officials and their wives at the chief inaugural ball at Gregory Gymnasium. From there the official party will make a round of the four other balls over town.

Citizens of Austin pick up the check for this biannual spree. Estimated cost this year: \$15,000.

New land board — Land Commr. Earl Rudder begins his first elective term with a re-organized board.

Sworn in with Rudder were William Gossett, El Campo banker,

and L. E. Page of Carthage, former state commander of the American Legion.

A new constitutional amendment dropped the governor and attorney general as ex-officio board members. Instead, the governor is required to appoint two "citizens at large," one voted in finance, the other in veterans affairs.

Board members immediately went to work on the new \$100,000,000 bond issue for veterans land buying as authorized in the same amendment.

Wilson promises state support — New Attorney General Will Wilson promised to "consistently support state sovereignty" in cases where federal-state authority is at issue.

Wilson said his office would seek to protect school officials and students from violence and intimidation stemming from desegregation efforts.

He also promised to push completion of the Duval County and veterans land cases begun by his predecessor, John Ben Shepperd.

Shepperd bows out — John Ben Shepperd left the attorney general's office and headed for Odessa.

He will be general counsel for extensive West Texas and New Mexico oil and banking interests. And definitely no more politics, said Shepperd, who didn't run for re-election. He said he returned more than \$11,000 sent him in one day only, for a U. S. Senate campaign.

Water Tax Okayed — Last minute efforts are under way to firm up recommendations to the Legislature for financing Texas water storage facilities.

A water use tax has been approved by the Texas Water Resources Committee. A proposal to levy taxes on fishermen has been shelved.

Cadillac

Finally Believed His Eyes and Ears!

He has heard and read a great many wonderful things about this new 1957 Cadillac since it made its first appearance a few brief weeks ago—

—about its magnificent new luxury, for instance ... its brilliant new power and responsiveness ... its marvelous new handling ease ... and its extraordinary new smoothness of ride.

And so, quite frankly, he began to wonder if it weren't all too good to be true. Could any motor car be as wonderful as this latest "car of cars" was reputed to be?

Well, he's decided to put his eyes and ears to the test today. And the verdict is unmistakable!

It's a joy just to lean back into those deep, soft cushions and look out over that graceful hood into the beckoning highway.

And what a revelation the car is to drive!

A curve in the road ahead? He simply follows it with the arc of his hands and the car responds with perfect obedience!

A hill in the offing? He just nudges the accelerator and the car swoops up and over as effortlessly as if it were traveling the level road.

A stop light coming up? He presses his toe—ever so gently—on the broad braking pedal and comes to the smoothest, quietest stop imaginable.

Yes, it's true what they say about this newest of Cadillacs. This is far and away the finest motor car ever to travel the world's highways.

How about you? Have you heard the wonderful things they're saying about the 1957 Cadillac?

Well, the proof is in the driving—and the facts about Cadillac have never been more convincing.

Yet, our people still need more services. We must educate everyone to assure that all those susceptible to this disease take advantage of the Salk Vaccine. We

must assure the continued treatment for those already stricken.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

EDITORIAL!

Some poor pessimist is sadly saying: "The old year is passing, and I am growing old." If the passing of the years brings anything, it is the richer experiences, the deeper truths, the surer hopes, the better attainments. Always the best is yet ahead.

1957 holds many promising adventures. Aren't we glad that we live in America where the right of pursuit of happiness, gives us the blessing of starting over when there has been a mistake in life.

For Seniors, this year holds the most important step made, so far, in their lives. For Juniors, Sophomores and Freshmen, the year can be equally as good. The outcome is up to you. With a little effort, each year brings you closer to the best that is to be.

FUN! FUN! FUN!

Those were some of the abouts heard Saturday night at the Baptist Fellowship Hall! As the kids piled in, ramos of all sorts were played! The games lasted about an hour and then delicious refreshments were served. Of course, it wasn't just a Baptist fellowship, as young people from all the churches attended. Everyone had a terrific time and are looking forward to many more of these fellowships!!!

JUNIOR CLASS NEWS

Working very hard are our Juniors this week. As we all know, they are giving the Junior Play, The Little Dog Laughed, tonight and tomorrow night, January 10th and 11th. The play starts promptly at 7:30 p. m., everyone be sure and be there. We feel that the play will be very good. Admission tickets are 50 cents for adults and 25 cents for students.

The money made from the play goes for the Dr. St. Sangster and Father Hope to see you all at the play!

ATTENTION!!

January 17th, 18th, and 19th the Annual Basketball Tournament will be held as always, the twirlers and cheerleaders will be in charge of getting rooms for the boys. They will need rooms for approximately 150 boys — for both Thursday and Friday nights. Meals are not required, as the teams usually eat together. They would like to thank you now for any help you can give this year. If you have a room, please contact Miss North, any of the twirlers or cheerleaders, or leave your name and the number of boys you can keep with Mrs. McMullan in the office. Thank you again.

CHORAL CLUB NEWS

In the past, the choral club has had a program for the public, where songs of several varieties are sung. This year, the director of the club, Mr. Rollins has planned a new and exciting type of program. The program, to be given in March, will be a musical comedy which is based on the folk songs sung in the Smokey Mountains.

The leading cast is composed of the heroine, Jess who is played by Lin Pearson, the moonshiners (singer), Anabelle played by Mary Lou Johnson, the roaming Romeo, George played by Don Lott, Andy, the moonshiners, played by Jerry Jacobs, Aunt Sam played by Carolyn Walker, Grandma, played by Jimmy Carroll, Ben, who's in love with Jess but the feeling isn't mutual, Mark White.

If it sounds interesting, be sure and come, if it doesn't, come out of curiosity and be surprised!!!!

Dec. 31, we gave our Christmas program. Several songs were in the program from "Rudolph The Red-Nosed Reindeer" to "Silent Night." Lin Pearson sang a solo part in "Winter Wonderland" and a duet, "The Christmas Song" by Gene Deen Long and Mary Lou Johnson. It was a big success. We all hope you enjoy our Choral Club as much as we enjoy being in it.

SCOTIMOUSH REPORTS

I'm just now getting my waist line down to its normal size. After the Christmas goodies that I ate over the holidays, I thought I'd never be the same again! I'm still "hook" after hearing Jacobs roar around Santa dropped Jacobs a key. After much thought he finally decided that it went to a car, and so started the saga of "Hot-Rod Jacobs". Someone took pity on ol' Lott and gave him an electric razor for Christmas.

Oh Well! Enough of Christmas. It was truly wonderful. Many great people were here in our fine city. Let's not go into the New Year's festivities.

Several exciting things have happened this week. We have several enthusiastic basketball fans. We hear that Mayfield has a set time to do everything! Especially around 4:00!!!

Last Friday night Jesse Lou celebrated his 18th birthday with many good eats and much rejoicing. It was certainly a nice way to celebrate your "coming of draft-age party".

Saturday night at the Baptist Church gave an excellent Fellowship!

Monday night several of the girls hopped into a clean Ford and went to the show! This included the usual "ha-ha" girls, Mayfield, Phillips, Lou Nette, Marylou, Bev., and Lin. They saw Kathy and Ray Glenn there and also some of the fine faculty members were Miss Powers and Miss Elwin. Flossie Powers got a beautiful new 1957 yellow and white Ford from Santa.

Until next week! Hasta Luego.

BONEHEAD BASKETBALL

If you don't know what a basketball game is let me tell you. First of all it is a game. Of course to some people it is a business, but as some children who intend to come out for basketball might read this article we won't talk about coaches.

Rufe Everetts Observe Fiftieth Anniversary

Mr. and Mrs. Rufe Everett, retired pioneer couple of Crockett county, were honored on their fiftieth wedding anniversary Dec. 22 at a reception in the fellowship hall of the First Baptist Church by their children.

Mr. and Mrs. Everett were married in Ozona at 6 a. m. on Dec. 22, 1907, by the then Justice of the Peace W. C. (Kuzn Bill) East-erling, colorful former publisher of the Ozona Stockman and its predecessor, The Ozona Kicker, the ceremony performed in the home of the bride's parents.

Mrs. Everett was a daughter of the late Mr. and Mrs. T. W. Patrick, pioneer ranch couple who moved here in 1897. Mr. Everett was a resident of the area before the organization of Crockett County in 1891. Engaged in ranching all of their married life, the Everetts moved to Val Verde county in 1923 and moved back to Ozona after their retirement in 1954.

The Everetts have three children, R. J. Everett, Tom Everett and Mrs. Claudia Moss.

Receiving the guests at the reception were Mrs. Joe Patrick, Mrs. Jim Patrick, Mrs. Virgil Oden and the honored couple.

At the guest book was Mrs. Ralph Hill of San Antonio and at the tea table were Mrs. Dewey Campbell, Ladye Everett, Sarah Jane Everett and Floydine Moss. At the piano were Mary Lou Johnson and Suzann Dale.

Co-hosts with the Everett children at the reception were Mr. and Mrs. Carl Malone ranch neighbors.

Top Click of the New Car Season

WANT TO GET YOUR New Year off to a rollicking start?

Want to take the wheel of the car that's winning raves from Coast to Coast and back again?

Then take the wheel of a 1957 Buick and try the sparkling-est new performance team in all autodom.

We mean the team with the highest-powered V8 engine ever to ginger a Buick — and an advanced new Variable Pitch Dynaflo.*

Here, with just a judicious touch of foot to treadle, you get response so obediently instant, so liquid smooth, and so full range in "Drive" — that you've never in your life felt anything like it.

SAFETY REMINDER: In fast-moving traffic on turnpikes, parkways and freeways, keep a good distance from the car in front — and a little more for good measure. That way you, and every driver behind you, get a bigger margin of safety for braking action. PASS IT ALONG

It's sports-car going in a full-sized traveler that's sheer delight from start to finish.

Know what else?

Folks like the way this new kind of performance comes dressed in sleek and glamorous styling that's fresher than tomorrow's news.

They like the new roominess inside these low-sweep Buicks and the new luxury of their "nested" ride.

They like the new ease of handling, the new steadiness of cornering, the way stops are always on the level no matter how quickly you use the brakes.

Fact is, folks like everything about the newest Buick yet — the car that's fast becoming the biggest hit of the new car year — and you will, too. Come on in and try it this week. We'll have the red carpet out for you.

*New Advanced Variable Pitch Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

Lion Cagers Sink To New Low To Bow Out Of Big Lake Tourney

By Ernie Boyd
The Ozona Lions, playing at one of their lowest ebbs in recent years, dropped two games and won one in a disappointing display in the Reagan County Tourney last week. The Lions opened their bid in the twenty-four team tourney last Thursday night by dropping a 45 to 37 decision to Crane, who they had defeated before Christmas. The Lions opened strong and led through most of the first quarter, dropping behind 17 to 16 at the buzzer but that was all for the Lions as they scored only four points in the second and two in the third quarters against a very unimpressive Crane quintet. Playing in the consolation round Friday morning, the Lions continued to do everything wrong and had to have a sharp last half rally to edge Barnhart 39 to 21. Barnhart managed but two field goals in the contest but the Lions were not a whole lot better until the late stages. The Lions bowed out of the tourney Friday night when they lost to Fort Stockton in their best effort of the week. The Lions faced a red hot five that poured in 48% of its shots. The Panthers had not exceeded 35% this season and dropped off to a mere 22% in bowing out to Wink Saturday morning.

Jerry Jacobs led the Lion attack in the Stockton tilt with 17 points but the Lions simply could not match the great accuracy of the Panthers from the field and free throw line. Big Lake captured its own title Saturday night by beating a stubborn and hustling ACCHS team that could not match the Owl's height but made the game close all the way, even taking the lead with four minutes to go in the final quarter.

Other members present were Mrs. Marshall Montgomery, Mrs. Joe Pierce, Mrs. Jess Marley, Mrs. Clay Adams, Mrs. Hilary Phillips, Mrs. Batts Friend, Mrs. Byron Williams, Mrs. Byron Stuart, Mrs. Charlie Black, Mrs. J. S. Pierce, III, and guests were Mrs. Chas. E. Davidson, Jr., and Mrs. Carl North. Mrs. Batts Friend was bridge hostess for the day.
