MONTH OF INFAMY

The extent of collaboration or negligence of top-ranking US officials in that "Day of Infamy" at Pearl Harbor in 1941 has never been established.

But the disheartening incidents thus far in this "Month of Infamy:"

On June 3rd, the hamstringing of the FBI by the Supreme Court in the Jencks decision;

On June 4th, the agreement of Secretary of State Dulles and Secretary of Defense Wilson (approved by the President) that GI William S. Girard should be turned over to Japanese courts for trial in the accidental killing of a trespasser while he was on guard duty at a US Army rifle range in Japan;

On June 5th, the President's suggestion to his press conference that we would have "landslide" trade with Red China if we did not have "authorized" trade;

On June 17th, in a spate of further rulings, the Supreme Court freed five Communists convicted under the Smith Act, ordered a new trial for nine others, curbed the investigative powers of Congress;

On June 20th, the Government relaxed restrictions on exports to Russia by some 200 items; Harold Stassen told the London Disarmament Conference we would cut back our troops to two and a half million if Russia would do the same;

And on June 20th, Attorney General Brownell threw the legal might of the Government against Soldier Girard, pleading that the Supreme Court reverse the decision of US District Judge McGarraghy that the GI can not be tried by Japan;

... these, all these, are the work and utterances of men who are sworn to defend this nation. The month is not over, but whether there is further mischief or not, it will be many months, or years, before such wounds can heal. At this writing there is just one hope to sustain us, that the Supreme Court will agree with Judge Mc-

Garraghy that we must defend our service men as they defend us — anywhere-in the world.

DESTROYING THE IRREPLACEABLE

About 150 years ago, John James Audubon, the painter of the monumental "Birds of America," estimated that he saw 2 billion passenger pigeons at one time. They darkened the sky and whitened the earth as they passed. The last passenger pigeon died in a mid-western zoo early in this century, and the species is now extinct.

Less than one century ago, buffalo roamed the Western plains in vast herds. Now, only a comparative handful are left.

The giant whooping crane was once known in great numbers. Now only about 30 have been counted in the Florida sanctuary to which they migrate, and there is grave fear that this species may soon go the way of the passenger pigeon.

The tragedy is that we can destroy wildlife resources — destroy them relatively quickly. But we can bring them back from the brink of destruction only with the greatest difficulty — and often we cannot bring them back at all.

It is a rare American who has no stake and no interest in the cut-of-doors and its creatures. In a recent year something like 14 million fishing licenses were sold. Many millions go hunting. Untold numbers go to the streams, the mountains, the seashores and the forests for recreation and restoration of the spirit. Is it not the part of the most elementary wisdom — selfish wisdom — for everyone to help conserve these resources to the limit of his ability?

Carelessness, ignorance, and exploitation are enemies we must fight. Fire, stream pollution, game boys, the litterbugs who leave trains of trash and filth — these menace the existence of the irreplaceable. Don't be one of them.

Mrs. Cap West is attending an out school in New Mexico for a few days.

TALKS AGAIN AT PANMUN-JOM . . . this time to ask the Chinese Reds if we can bring in new weapons, too, as they have done in violation of the armistice of nearly four years ago. While we are talking, we might ask the Reds about the 400 American GI prisoners that General Van Fleet has said are still alive. But the State Department, which has banned new weapons of nuclear capability for Korea, might think it impolite.

President Aids Business, Labor to Help Government Keep Prices Down!

Sir—I'll Buy That!

Yes, sir, Mr. President! As the Electric Servant, my average hourly residential wage has been going down steadily, right along!

Let's look at the record of my hourly wage in homes across West Texas:

- In 1937 (20 years ago) it averaged . . . 4 1/10¢ an hour
In 1947 (10 years ago) it averaged . . . 4¢ an hour
In 1952 (When you became President) it averaged 3 3/4¢ an hour
In 1957 (Today) it averages ONLY . . . 3 1/4¢ an hour

Can anything else that you know of match that matchless record?

Report to the People

Members of Congress, sweltering, muggy, humid June heat reaching the 100 degree mark for the past week, are stopping talk of adjournment. Dates vary from mid-July to August, depending on the status of the portion with which they are considering. The status of several major bills should be examined. As previously reported, Congress has little major legislation due time-consuming budget battles. It seems improbable that any will come until some of these items are acted upon.

House has just passed one this category (the so-called Rights measure) and the Senate has passed two major bills given House consideration. The latter bills concern foreign authorization and a revision of the National Bankruptcy Act.

The Committee have reported measures out, awaiting action. This category includes Alaskan Statehood, Federal Education and Post Office legislation. The Senate, however, has not gained approval of any of these.

In Committee in both houses, bills relating to Statehood for Alaska, the Bricker Amendment, a plan to aid economically depressed areas, increased and regulated immigration quotas, development of civilian atomic power and extension of coverage of the Minimum Wage law.

Here, it looks as if the bill on the banks of the Potomac may be long and grow hot. Both legislative and executive branches before the adjournment ring.

The Budget continued progress this week. The House passed 61.6 million dollars for Public Works Appropriation. These bills are annually presented to Congress for the purpose of raising funds for public construction undertaken by the Federal Government. Significant this year seemed to be that economy mood prevailed to the extent that few serious, and no successful, attempts were made to new projects or increase money.

Veteran legislators can recall this occurring in the past. The reduction of this measure gave the Administration 7% more funds than asked for originally.

Economy Note: Senate has agreed to eliminate a 30-cent dollar subsidy to mining interests. House had earlier cut subsidy out and the Senate made several attempts to restore it.

There have been numerous questions over the years that the Post Office Department be turned over to private enterprise. It was taken out of Government hands. At President Eisenhower's

conference a few days ago, a reporter told the President he had heard that the Chief Executive had discussed, at a social gathering, the matter of turning over postal operations to a private firm, and asked him to comment on it. Here is President Eisenhower's exact answer: "It seems that even at a social affair an individual has a hard time making what he thinks is a bit of a wisecrack. I facetiously suggested, when we were talking about the sums of money appropriated to the Post Office Department, that it would be interesting to see what would happen if you could give the same amount of money to a private firm and see whether they made any profit over the delivery of mail at the end of the year. Now, such a thing is as impossible in this country as talking about flying to the moon, so I don't know how it really got to the dignity of raising a question at this conference."

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Asotin, Texas — Water legislation promises to be a lively topic at the special session of the legislature in October.

Gov. Price Daniel has announced he will urge creation of a statewide water agency empowered to negotiate with federal authorities in financing reservoirs.

That is likely to prove controversial in itself. Then there is likelihood of considerable discussion over the State Board of Water Engineers and its recent troubles. Fuses get lit that way.

Former State Sen. Joe Carter resigned as the Board's general counsel. Board dissension erupted into public view at a meeting called by Chairman R. M. Dixon to demand Carter's resignation. Member Otha Dent, in support of Carter, avoided attending the meeting and no action was taken.

Dixon accused Carter of being "disloyal" and working against his confirmation in the Senate. But Dent indicated Carter wasn't the main reason for Board dissension and his leaving doesn't mean Board harmony.

Carter remained non-committal. **One-Third Coming Back** — U. S. Trust Victims can expect to get back a little more than 33 cents on the dollar.

State Liquidator J. D. Wheeler says there will be \$2,449,221 for distribution to creditors after suits by claimants are settled. Approved claims total \$7,292,385.

Litigation by a group of claimants seeking priority is still pending on appeal.

Meanwhile, Gov. Daniel has asked federal authorities to use diplomatic channels to return Ben Jack Cage to Texas for trial. Cage faces theft and embezzlement charges, involving a half million

dollars, in connection with the collapsed ICT Insurance Co. He is reportedly in Brazil where he has extradition immunity.

Oil Cut-Back Locked — Texas' biggest slash ever in oil allowable ruffled up the dander of independent oil men.

July allowable was slashed 390,449 barrels a day by the Railroad Commission in an effort to cope with increased imports and excessive stocks.

Four associations of independents fired telegrams to Washington. They urged immediate steps in Congress to cut imports. They said the slash puts national security at the mercy of unreliable foreign oil supplies.

No blame was aimed at the Railroad Commissioners. Independents said the officials were "compelled" to order the cut.

Anti-Sleeper Plan Urged — So many legislative blocs are turning up that lawmakers are beginning to look for some way to prevent recurrence.

One proposal is for the Legislative Council to screen all bills coming before committees, especially conference committees where final writing is done.

It took an attorney general's opinion to decide that a pension could be paid this summer to Texas' only surviving Confederate veteran, Walter Williams. Legislative action wasn't clear.

Insurance reorganization was snarled again when it was discovered that the new law required employment of a Commissioner but his salary doesn't start until Sept. 1.

Typographical errors resulted in incorrect appropriations in several instances.

Granddaddy of the bunch was a hitch in the school fund diversion bill. Unclear is whether it transfers \$8,000,000 or \$12,000,000.

There were numerous smaller errors too.

An hour ago the boy made a date—
NOW HE'S GONE FOREVER

That's how it often happens—one moment, happy expectation... the next, a sudden heart-stabbing phone call from a stranger. A date cancelled—by death on the highway.

Traffic accidents play no favorites. The victim could be the girl next door, the boy down the block, even one of your own family.

Last year, 40,000 died on American roads and highways. "Fate" had no hand in this terrible toll. For every traffic death, there's a reason: some driver disobeys a stop sign—disregards speed warnings—fails to stay alert and attentive.

Help stop this senseless waste of life—make our roads highways to happiness, not homicide!

Here's how you can help stop traffic tragedies:

- Drive safely and courteously yourself. Observe speed limits and warnings. Where traffic laws are obeyed, deaths go DOWN!
- Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you. Where traffic laws are strictly enforced, deaths go DOWN!

Mrs. Wiley Ernest Reynolds, Jr. nee Miss Menna Schneemann

Miss Menna Schneemann and Wiley Reynolds Jr. Wed In Ceremony Saturday at Methodist Church

Miss Menna Schneemann, daughter of Mr. and Mrs. Max Schneemann of Ozona, became the bride of Wiley Ernest Reynolds, Jr., son of Mr. and Mrs. Wiley E. Reynolds, Sr., of Pampa, in a ceremony at 4 o'clock Saturday afternoon in the Ozona Methodist Church, with the Rev. Leroy Russell, pastor, officiating.

The couple exchanged vows before an arch centered altar entwined with lace fern and Supreme daisies, and flanked by baskets of white gladioli. Cathedral tapers in the background were lighted by Misses Carol Friend and Ann Baggett.

The bride wore a Cahill Original of pure white organza with fitted bodice, short sleeves and sweetheart neckline. Tiny buttons ran the length of the back of the bodice through the full skirt which was trimmed with a wide band of appliqued organza over net and fell into a chapel length train.

Her veil was a French halo with orange blossoms and extended pearl petals. It was formed of a double layer of pleated net, fingertip length with an overlay of silk illusion.

For something old, the bride wore a diamond pin of her mother.

Mrs. Miller Robison of Marfa, sister of the bride, was matron of honor. She wore a crushed rose dress of lace.

Bridesmaids were Miss Edaann Robison of Marfa, niece of the bride, Miss Patricia Reynolds of Pampa, sister of the groom, Miss Sarah Hicks, Miss Janice Spencer, Mrs. Clyde B. Sikes, sister of the

bride, and Miss Sue Thomas of Gainesville. They wore dresses of shell pink organza over net over tafetta, with scooped necklines outlined with Venice and daisy lace, closely fitted bodice over full swing skirts. Their hats were pink horsehair cartwheel with cut-out crown outlined with tiny pink flowers.

The bride's bouquet was a cascading tulle and white phalaenopsis orchids, lilies of the valley and centered with a Cattleya orchid, from which hung showers of pearls and satin ribbon. The bridesmaids carried colonial bouquets of pink carnations and pink ribbon.

Pre-nuptial music was provided by Mrs. L. B. Cox, III, at the organ. She also accompanied Mrs. Joe Pierce, IV, who sang "I Love Thee" and "Through the Years," and during the ceremony "The Lord's Prayer."

The bridegroom was attended by his cousin, Jim Osborne of Pampa, as best man. Groomsmen were Phillip Schneemann of Grants N. M., Bill Schneemann of Big Lake, Max Schneemann, Jr., Ozona, Richard Hankins of Pampa, Donald Henkle of Pampa and Duggin Smith of Fort Worth.

Mrs. Reynolds is a graduate of Ozona High School and attended T. C. U. in Fort Worth where she was a member of Delta Gamma sorority. Her husband attended high school in Pampa, was graduated from Kember Military Academy, Boonville, Mo., and attended T. C. U.

The couple left during the reception following the ceremony in the fellowship hall of the church for a wedding trip to New Orleans. For going away the bride wore a beige linen Fred A. Block suit with beige accessories. Her carriage was a gold throated orchid. Mr. and Mrs. Reynolds will reside on a ranch near Pampa.

Receiving with the bridal couple at the reception were their parents and the groom's grandparents, Mr. and Mrs. J. E. Reynolds of Amarillo and grandmother, Mrs. J. P. Osborne of Pampa.

At the refreshment table were Mrs. Phillip Schneemann of Grants, N. M., Mrs. Max Schneemann, Jr., and Mrs. Bill Schneemann of Big Lake. Music was furnished by Mrs. Bode Owens of Darnhart and Mrs. L. B. Cox, III, and at the bride's book were Mrs. Jerry Beasley, Miss Wanda Armstrong, Miss Shirley Kost and Miss Ann Ratliff.

Mr. and Mrs. Wiley Reynolds, Sr., were hosts at the rehearsal supper Friday night at the Ozona Country Club.

Among out-of-town guests here for the wedding were Miss Gretchen Lent, Boonville, Mo.; Mr. and Mrs. Sid Patterson, Dumas, Ark.; Dr. and Mrs. G. I. Thomas, Gainesville; Lt. and Mrs. Carl Stephens, Roswell, N. M.; Mrs. J. O. Oldham and Ina Oldham, Houston; Jan Johnson, Enid, Okla., and Pauletta Dryer, Houston.

Miss Susie Schneemann was honored at a number of pre-nuptial parties during the past week.

Mrs. Lindsey Hicks and Sarah Hicks entertained with a brunch in her honor Wednesday morning, June 19, in the Hicks home. Guests besides the honoree included Mrs. Joe Pierce, IV, Miss Shirley Kost, Miss Eda Ann Robison of Marfa, Miss Ann Baggett, Miss Carol Friend, Miss Janice Spencer, Mrs. C. B. Sikes, Mrs. Bill Schneemann of Big Lake and Mrs. Max Schneemann.

Mrs. S. M. Harvick was hostess at a brunch honoring the bride on Saturday morning, June 22, in her home. Guests were the honoree, Mrs. Phillip Schneemann of Grants, N. M., Mrs. W. E. Reynolds, Mrs. J. E. Osborne and Miss

Betty Osborne, all of Pampa, Mrs. E. E. Reynolds of Amarillo, Mrs. Bud Cox, Misses Carol Friend, Eda Ann Robison, Sarah Hicks, Pauletta Dryer of Houston, Sue Thomas of Gainesville, Gretchen Lent of Boonville Mo., Jane Johnson of Enid, Oklahoma, Ina Oldham of Houston, Pat Reynolds of Pampa and Ann Baggett, Mrs. Bill Schneemann, Mrs. C. B. Sikes, Mrs. Martin Harvick, Mrs. Max Schneemann, Jr., and Mrs. Max Schneemann, Sr.

Mr. and Mrs. Ralph Jones entertained with a coke party and swim at the Jones ranch June 17 to honor the couple.

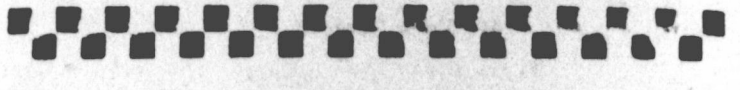

Mr. and Mrs. James Childs have purchased the Abe Cannon home on the west hill of Ozona and will take possession in a few days. Mr. and Mrs. Caruthers have not announced their plans to move from Ozona.

Stocker Demand Again Broad. Prices Strong

FORT WORTH — Demand for replacement cattle and calves was again a dominant factor in the opening trade at Fort Worth Monday. The present scale of cattle prices which reflects replacement stock selling at higher prices than finished cattle in many cases, leaves room for little doubt as to the optimism of feeders concerning the long-term prospects.

Efforts of the slaughter interests to weaken grass cattle and calf prices were largely unavail-

ing, since the stocker buyers again took most of the two-way or borderline cattle at prices superior to packer values.

Fed cattle moved readily, with good and choice steers and yearlings at \$20 to \$24, and plain and medium butcher sorts from \$13 to \$19. Fat cows drew \$13 to \$15.50, and canners and cutters cashed at \$8.50 to \$13. Bulls scored \$11 to \$16.

Good and choice slaughter calves sold mostly from \$19 to \$22, a few fancy calves to \$22.50. Common and medium butcher sorts drew \$14 to \$18, and culls cashed at \$10 to \$13.

Stockers and feeders continued to move at the best levels since November, 1952. Choice stocker steer calves sold at \$24.50 and heifer calves at \$21.50 down. Late last week a new high for the year was reached as steer calves scored \$25.50 and their heifer mates sold for \$22. Stocker yearlings sold from \$22 down, and feeder heifers sold from \$20 down.

Sheep and Lambs

Open on Steady Basis

The bulk of the offerings in the sheep yards at Fort Worth were medium and lower grades, and prices were fully steady with the previous close.

Good and choice slaughter Spring lambs cashed at \$18 to \$20, and some shorn Spring lambs sold at \$19. Cull to medium Springers sold from \$13 to \$17.50. Feeder Spring lambs sold from \$17.50 down.

Good and choice yearling lambs cashed at \$15.50 to \$17, and cull to medium yearling lambs sold from \$10 to \$15. Feeder wether yearling lambs sold from \$15 down. Slaughter ewes sold from \$6 to \$7. Old wethers cashed at \$12 down. Some breeding ewes sold from \$9 to \$13 per head. Aged bucks sold around \$5.

P. O. Hatley, Jr., on a visit here with his parents, Mr. and Mrs. P. O. Hatley, Sr., underwent an emergency operation in the Crockett county hospital Sunday for appendicitis.

LADIES GOLF ASSN.

The Ladies Golf Association met Thursday for the monthly luncheon, golf and bridge play.

Mrs. Dempster Jones won the low putt average for the past month. Mrs. Joe Pierce was the bridge hostess for the day. Blind bogey in golf play was won by Mrs. Dempster Jones and Mrs. Jess Marley. High score in bridge went to Mrs. V. I. Pierce, low to Mrs. Ashby McMullan and bingo to Mrs. Jess Marley.

Those attending were Mesdames W. E. Friend, Jr., James Scott, Joe S. Pierce, III, Byron Stuart, Early Baggott, Sherman Taylor, Joe Friend, Nip Blackstone, A. S. Lock, Dempster Jones, V. I. Pierce, Jess Marley, Ashby McMullan and Mrs. Joe Pierce Jr.

Good Grasses Need Help For Comeback, Specialist Declares

College Station — Most areas of the state have enjoyed good rains, but the resulting range vegetation may be undesirable weeds rather than good grasses, which are making a slow comeback on most rangeland.

To help nature along and give the grasses a chance to re-establish themselves, make leaves, build a strong root system and make a seed crop, A. H. Walker, extension range specialist, suggests a program of resting or deferred grazing.

A grazing and management study conducted by the Sonora Experiment Station over a period of nine years, shows that pastures stocked 12 months and rested 4 months had more and better grass at the end of the nine years than those that were completely rested the entire period.

The Deferred Grazing Program Bill has been passed by Congress, but so far no funds have been

approved to sustain the program. But regardless of whether or not this bill is activated, the specialist recommends the practices to those ranchmen suffering from poor pasture, for this is the cheapest means of range recovery.

So, Walker advises ranchmen to make a close observation of pasture vegetation. Examine the top-growth. Take an even closer look at the root-growth, for good top-growth does not necessarily indicate vigorous growth in the future. Roots are the food and water suppliers.

Grass is your crop if you are in the livestock business, says the specialist, and the management you give it now will largely determine the kind of plants you have in the future.

Ask your local agent for a publication on Deferred and Rotation Grazing.

Our sad-faced friend is Bill McGoo,
 Who thought he'd bought a car brand-new;
 And while he got a "special deal"
 His disappointment he can't conceal!
 While others drive in Sweep-Wing style
 Poor Bill just mutters curses vile:
 "They got new styling, features, too—
 "I bought a 'deal'—boo-hoo, boo-hoo!"

Moral: Yesterday's looks and features are no bargain at any price!

No car is a bargain if it's obsolete in styling and engineering features. And the Sweep-Wing Dodge actually exceeds other cars in its field with its low, low look of tomorrow and revolutionary advances like Torion-Aire Ride, Push-Button Torqueflite and Total-Contact Brakes. So don't get "bargain-talked" into yesterday's styling and features. The same money buys the car that's years ahead. See your Dodge dealer. Join the swing to the Sweep-Wing Dodge.

A Column Of Tidbits On The Town
By Sally Baggett

Susie Chandler went to Stephenville, Friday afternoon. She was back by Sunday. She is leaving for New Mexico today. I hope she has fun.

Nonie Conklin, Sandy Ratliff, Sandra Whitaker, Barbara Barbee, and George Blackstone went to Mt. Wesley Monday for church camp.

Mr. Killingsworth said it was hot in the sun. Saturday he was hauling an air-conditioner in the back end of the pick-up. I wonder if he is planning on air-conditioning the pool area?

Don Lott and Wanda McCaleb aren't going steady anymore, just going!

Tommy Mayfield was here Wednesday, Thursday, Friday. Wednesday night he had a date with Wanda McCaleb. He didn't waste anytime in getting a date!

Sarah Hicks left for Hawaii Monday. Her roommate went with her.

Our F. F. A. Grass team won all high in Sonora. The team is made up of Mark White, Jimmy Williams, Bob Childress and Kenneth Deland. Our 4-H come in second. That team is George Bunger, Bob Childress, Pierce Miller, and Jacquelyn Williams. Everyone has commented on how glad they were.

Susie Schneemann is now Susie Schneemann Reynolds. She had a large wedding Saturday at 4:00. Everything was just beautiful — especially Susie.

Jake Young had a big part in the wedding party — after the wedding. He had a good looking girl on each arm.

Judy Baker came with the Sike's Saturday. She will be here for 2 weeks.

Mark White has been in the hospital since Sunday night. He says he isn't really sick, he just wants to be around in an air-conditioned room.

Ann Baggett, Pierce Miller, and I went fishing Sunday. Our mothers and daddies went with us, but didn't catch any fish.

Bucky Davidson and Rod Franklin went to Brownwood. They said they had a wonderful time.

Genelle Childress dropped me a line wantin' me to tell everyone "hello" as "Hi". Genelle is in Kansas City visiting Melba Smith. She said she was having a wonderful time.

Molly Sue Richardson had a slumber party Monday night. It was really swell. We got in plenty of batting practice for baseball anyway, and there are several hundred chiggers missing in town. The girls here were — June Bunger, Allene Young, Susie Chandler, Anne Davidson, Judy Baker, Molly Sue and myself.

Bucky Davidson left for El Paso Tuesday morning for a band rehearsal of kids all over the state. That gal really has talent.

"See ya later Alligator"

After while crocodile I hope you're with me again next week, after all this.

Brady's July Jubilee Parade To Be Largest In History Of Event

Because of outstanding parades of the last few years, and the fact that it will be held on July 4th, the largest crowd in the history of the Jubilee is expected to view the 1957 Brady July Jubilee Parade.

The Grand Champion float will be awarded a special 2 1/2 feet tall gold trophy to be presented on July 5th at the racetrack. The parade will be held at 10 a. m. on July 4th, to be preceded at 9:30 a. m. by an air show, composed of Jets and B-52s from Goodfellow

Air Force Base, and Navy Jets from the Corpus Christi Naval Air Station.

Post time will be 2:00 p. m. for Brady's 1957 Race Meet on July 4th, 5th, and 6th, at the big, cool Jubilee Grandstand. Purses of \$4800, plus 8 blankets will go to the winners of 7 big races each day. 170 of the most outstanding horses from Texas and Oklahoma have already been entered, with more arriving daily.

There will be show acts between races, as well as performances by Miss Betty Lamb, trick and fancy rider from Dallas.

Every day and evening, at Richwood Park, the Big Texas Carnival will be on hand.

YARD MEET — for sale. Good black soil. Call Ivy Mayfield, Phone 48-448 or 116.
