## Commissioners Name Three Men Members of County Hospital Board

Three new members, all men, were appointed to the Crockett County Hospital Board by the Commissioners Court this week.

The new members of the board are A. O. Fields, Ivy Mayfield and Paul Jacobs. They will replace Charles Ratliff, Mrs. Max Schneemann and Mrs. Frank James, all of whom asked not to be re-appointed. The three have served four years.

In making the appointments, the Commissioners Court departed from a custom established when the board was created in 1952 of maintaining a membership of three men and three women on the board, with the hospital manager as the fourth man in the administration of the hospital. The hold-over members of the board, who have one more year to serve under their appointments, are C. O. Walker, Martin Harvick and Mrs. Evert White.

## Methodist Bishop From Korea To Be Heard Here Sunday

Bishop Hynugki J. Lew, who is head of the Methodist Church in Korea, will preach at the Ozona Methodist Church, Sunday morning, December 15, at the 11:00 a. m. service.

Bishop Lew has been in the United States since August and will be returning to Korea in January, going by way of Ghana, Africa, where he will attend the World Council of Churches and the International Missionary Council. He will arrive in Ozona from Dallas, Saturday, and will be taken to San Antonio Sunday afternoon, for an engagement that evening.

Ozona Methodists have had considerable interest in Korea and mission work there, not only because of the recent war and the fact that some of the men in service are still stationed there, but also through their acquaintance with the Rev. and Mrs. Finis Jeffery, who are now missionaries in Korea. The Jefferys were in the local church for about six weeks in the summer of 1952. Individual members of the local congregation have sent over \$1000 to Korea within the last two years for the work of Wesley Clubs sponsored by Methodist missions. Since Korea has no public school systems many thousands are learning to read and write through such clubs. The Korean war marked the beginning of very rapid growth of the Christian religion in that country.

The public is invited to attend the service Sunday and hear Bishop Lew. Any who have services men from the family in Korea might be particularly interested in attending and talking with the Bishop.

## Fire Poster Contest Winners Given Awards

Winners in the annual Fire Prevention poster contest among pupils of the North Elementary school were announced this week and awards, offered by the Ozona Lions Club, were presented to the winners at the club regular meeting last Thursday.

Winners in the primary group, first, second and third grades, were Ronny Wright, first; Sue Eastwood, second; and Calvin Montgomery, third. In the intermediate group, fourth, fifth and sixth grades, winners were Joe Jacobs, first; Donnie Dunlap, second; and Barbara Kirby, third. First place winners got three silver dollars, second place winners, two silver dollars, and third place one silver dollar.

Honorable mention went to Dorothy Stahl, Louanna Coker, Kathleen Brownrigg, James Moreland, Jane McAllister, Rodney Stewart, Bryan Montgomery, Dennis Spradley, David Stokes, Len Merritt, George Kyle and Marilyn Millsbaugh.

## RR Commission Orders Salt Water Pits Eliminated

The Texas Railroad Commission in Austin Monday issued a memorandum addressed to "All Oil and Gas Operators in Crockett County, Texas" ordering all earthen pits used for the storing of salt water and waste oil in Crockett county eliminated by Feb. 1, 1958.

"Anyone not complying with these instructions will have the pipeline connected to said lease severed, and it will remain severed until such time as the surface pits have been eliminated." The order was signed by Harry M. Batis, Chief Supervisor.

The order is the outgrowth of efforts initiated by ranchmen of this county and joined by County Judge Houston Smith to bring about changes in the method of producing oil wells in this county to prevent the pollution of underground fresh water supplies with salt water pumped from the wells in the process of producing oil.

Judge Smith has recently been in communication with the Commission and its deputy supervisor, Elmer Simpson, stationed at San Angelo. Mr. Simpson, at Judge Smith's request, recently made an inspection of the fields and in a recent report by letter to Judge Smith, commented as follows:

"We have given the leases mentioned in your letter an inspection and agree with you that the fresh water supply in your territory will be polluted. I have written to the operators concerning salt water pits in your locality and I am asking them to arrange to inject the salt or sulphur water back to the original reservoir and to protect the fresh water zones in that locality. I have recommended the same to the Commission at Austin, Texas, and am awaiting their concurrence on same."

## Midland Firm To Drill Deep Wildcat In North Edge Of Crockett Co.

Ashman & Hilliard No. 3 Ltd. of Midland will drill an 8,800-foot wildcat in Crockett County, 17 miles southwest of Big Lake and just south of the Reagan and Crockett County line. It will be drilled as the No. 1-22 University.

Location, on a 160-acre lease, is 1,980 feet from the south and 660 feet from the west lines of 22-7 University.

The prospector is one mile northwest of a 9,062-foot failure that was plugged and abandoned in 1953. The following tops were picked on elevation of 2,802 feet; Yates, 1,770 feet; Grayburg, 2,745 feet; San Andres, 2,945 feet; Pennsylvanian, 8,250 feet; and Ellenburger 9,655 feet.

## Methodist Church To Be Air Conditioned; Finance Plans Mapped

The Official board of the Ozona Methodist Church voted Sunday evening to proceed with plans to air condition the church plant at an estimated cost of \$18,000. The decision came after a report by a study committee, composed of Joe Clayton, R. A. Harrell, Bill Cooper, and Beall Barber.

Plans for contacting members of the church and securing funds were worked out at a finance committee meeting at the church Tuesday evening, composed of Joe Clayton, chairman, Ted White, Mrs. Roy Henderson, R. A. Harrell, Brock Jones, Bill Cooper, Joe B. Logan, and Leroy Russell. The fund campaign is to be conducted by three divisions of workers.

Chairman of Division 1 will be Bill Cooper. Brock Jones will be chairman of Division 2. Ted White will be chairman of Division 3. Workers in each of the divisions will be announced later.

## \$227,000 Highway Program In 1958 For Crockett Co.

The Texas Highway Department will spend \$227,000 for improvements on highways in Crockett county during 1958. D. C. Greer, State Highway Engineer, has announced. This amount is in addition to the regular construction and maintenance program.

The State Highway Commission has approved this appropriation to improve already existing highways in this county, and there will be little or no additional right of way requirements, Mr. Greer said. At the December meeting of the Highway Commission, \$20 million was allotted to 144 Texas counties for road improvements during 1958. The \$20 million is being spent for shoulder widening, seal coat jobs, additional surfacing and for widening of structures and highways in these counties.

"We should have this program moving by Spring," Greer said. "We believe the money will go a long way toward bringing these highways up to date."

Projects for Crockett county are:

State 163, from the Irion County line to Ozona, Length 26 miles; Seal Coat.

U. S. 290, from Ozona to Sutton county line, Length 14.8 miles; Widen one structure, place additional base and surfacing.

The widening of one structure as outlined by the Commission announcement is presumed to mean the widening of the Highway 290 bridge over Johnson draw in Ozona, already authorized by the Commission. This project is estimated at \$70,000, and that amount has been earmarked for the bridge widening. Core testing and other preliminary engineering work has been completed on the bridge site and a contract for its construction is expected early next year.

## 20 Members Of 1957 Grid Squad Receive Letters

Rodney Franklin, Stan Williams Named Season's Co-Captains

By Ernie Boyd

Twenty lettermen and two managers were named Tuesday morning by football coach Fred Hickman as letter jackets for the 1957 season were presented the Ozona Lions of 1957.

Co-captains for the 1957 season were also named as Senior tackle Rodney Franklin and Senior quarterback Stan Williams were revealed as the team leaders.

Among the twenty lettermen were seven seniors, nine juniors and four sophomores. The two team managers were Bob Cook and Ronald Carnes.

The seven seniors who received awards were; Jake Young, Mark White, Rodney Franklin, Stan Williams, Ronnie Paulk, Jesus Ramos, and Clayton Friend. Juniors were; Humberto Cervantez, Jerry Jacobs, Kenneth Deland, Billy Bob Holden, David Sikes, Diz Reeves, Bobby Sutton, Don Powers, Johnny Cooper.

Sophomores were; B. B. Ingham, Jr., Johnny Jones, Leslie Deland, and Adolpho Rivera.

Nine other squadmen will be back next season with a number being expected to be key players in the 1958 campaign and in addition about ten sophomores will join the squad from coach Chick Womack's Jr. High team, making a squad of about 30 to 35 in prospect next fall.

## Two Directors Water District Board To Be Elected January 14th

Terms of two members of the Board of Directors of the Crockett County Water Control and Improvement District No. 1 are expiring this year and an election has been called by the Board for Tuesday, Jan. 14, to elect new directors to fill the vacancies.

The two directors whose terms expire this year are James Baggett and Lowell Lottston. Both have indicated they will accept another term and their names will appear on the ballot. Voters have the privilege, of course of writing in the names of one or more choices for the posts should they desire to do so.

The election will be held at the courthouse in Ozona with W. M. Johnston the presiding judge and Mrs. Oscar Kent and Mrs. W. D. Cooper as clerks.

## Ozona Cagers Compete In Three Tournaments Over The Week-End

By Ernie Boyd

Ozona High School basketball squads will be involved in three separate tournaments this week-end as basketball season gets into full command over the state.

The Ozona Lions will travel to Rankin Friday afternoon where they will take on Orane in the opening round of the eight-team Rankin tourney.

Last year the Lions emerged with the consolation title in the contest at 8 p. m. Saturday night. Lion forward Rod Franklin may see limited duty for the Lions during the tourney but is not expected to be ready for full time service until next week.

While the A team is in Rankin Coach Pete Hickman will take the B team to the tourney in Rock Springs. This year's B squad is expected to be a strong aggregation even though lack of height will still pose a problem.

Jim Williams, the sophomore pivot man, turned in a fine job in Big Lake last weekend and could go a long way toward relieving the height difficulty.

While the B team is in Rock Springs and the A team in Rankin the freshman team will travel to Big Lake where they will take part in a ninth grade tourney. The freshman team is expected to improve with each showing as many of the present members of the squad missed the first practice sessions.

## Former Pro Wrestler Pastor Local Church

Rev. Anthony Flynn, a former professional wrestler, has accepted the post as pastor of the local Latin American Baptist Church, Temple Jerusalem.

Rev. Flynn, a young 200-pound plus athlete, who wrestled in Chicago, Hollywood and other cities as a professional, was reared in Wichita Falls, Texas, and until he accepted the call to the local church served as pastor of the Calvary Baptist Church in Wichita Falls.

"I was making lots of money wrestling," says the young minister, "but when the Lord calls, it's pretty hard to turn him down."

## Mrs. Joe Bussey Instantly Killed In Auto Accident

Big Lake Engineer Injured In Accident Wednesday Night

Mrs. Joe F. Bussey, 28, the former Sammy Sue Beasley, daughter of Mr. and Mrs. Sam Beasley of Ozona, was instantly killed when the car in which they were riding blew a tire and overturned at about 9:15 last night on Ranch Road 23 about 12 miles south of Big Lake.

George Arthur Davis, 23, an engineer with Schlumberger Well Surveying Corp., at Big Lake, driver of the car, suffered a broken ankle and was in good condition at a hospital in Rankin last night, according to the investigating officer, Highway Patrolman Vick Atwood of Big Lake.

Atwood said the car apparently overturned several times after blowing out a tire. Mrs. Bussey was thrown from the vehicle, the officer said.

Mrs. Bussey's husband is employed with the Socony-Mobil Oil Co. in Caracas, Venezuela. He was notified by wire of the tragedy last night. Funeral services are pending at Cody Funeral Home in Ozona.

Mrs. Bussey is survived by the husband; one son, Bob Bussey; her parents, Mr. and Mrs. Sam Beasley of Ozona, and one brother, Jerry Beasley of Austin.

## Ozona Band Takes Regional Honors In Winters Meet

Win First Division In Eleven Fields; Twirlers Tops, Too

The Ozona High School Band attended the regional meet held in Winters last Saturday with over 3,000 high school musicians taking part in the event.

The Ozona band took first division honors in marching and inspection and for the first time the twirlers all received first division ratings with twirler Linda Millsbaugh winning special notice.

The Ozona band, along with the Mason and Albany bands, were the only class A bands to win as many as two first division honors.

In over-all ratings, the Ozona Band was outstanding, receiving first division honors in eleven different fields of judging.

Ozona twirlers who rated first division in solo twirling were; Carolyn Mayfield, Linda Millsbaugh, Allene Young, Molly Sue Richardson, Nonie Conklin, Sally Baggett, and Sandra Whitaker.

A trio of twirlers composed of Allene Young, Carolyn Mayfield, and Molly Sue Richardson received a first division rating while a quartet of Sandra Whitaker, Nonie Conklin, Sally Baggett, and Linda Millsbaugh were also rated first division.

In band ratings, judges use a code of measurement which is not designed to pick a best or first but rates the bands according to standards, thereby creating divisions of achievement which might or might not indicate a first place.

Band director Corbett Smith stated that he was well pleased with his band's performance and was particularly pleased over the achievement of the twirlers since Ozona has never before rated so highly as a group in this department.

## NEW STREETS NAMED

The new streets running north and south between the new teacher houses in the southwest part of Ozona were given names by the Commissioners Court this week. The most easterly street was named Avenue P and the next street west, Avenue Q. The street naming is a part of the mapping and street marking project now under way in Ozona.

 market Monday, and the impetus  
 gained from this development re-  
 sulted in a good market on nearly  
 all classes as the second week  
 of December got underway.  
 Good stocker steer calves sold  
 readily around \$23 to \$25, and  
 some bull calves reached \$24. Heif-  
 er calves bulked at \$23 downward.  
 High grade offerings were ex-  
 tremely scarce. Stocker steer year-  
 lings of just good grade, and horn-  
 ed, sold for \$22, and their heifer  
 mates sold for \$20. Fleshy feeder  
 cattle were very scarce, and a few  
 stocker cows appeared and sold  
 from \$12 to \$16.  
 Slaughter steers and yearlings  
 were scarce, some good to choice  
 kinds at \$21 to \$24, and medium  
 and low grade cattle sold from  
 \$14 to \$20. Fat cows drew \$13.50  
 to \$15.50, and canners and cutters  
 cashed at \$8 to \$13.50. Bulls cash-  
 ed at \$12 to \$17.

## DOES ANYBODY HAVE THE TIME?

By Joe Clayton

This is a question which has  
been repeated many times in the  
last few days. It seems that the  
clocks in Ozona High School are  
taking their Thanksgiving holi-  
days a week late. In every room,  
every clock has a different time,  
and the bell may ring every five  
minutes or it may not ring at all.  
The pupils of Ozona High School  
are all very conscientious about  
being on time. The clocks are all  
off so this naturally upsets them  
a great deal. Mr. Harlan is one  
of the few teachers who really en-  
joys the constant ringing, it blends  
in with the trucks going by on  
the street and the lawn mower  
outside to form perfect harmony.

With all this constant worry a-  
bout the time, it is no wonder that  
it is hard to keep your mind on  
lessons. Perhaps it would be well  
worth while if the school invested  
in several good old fashioned sun  
dials.

## MOUSIE NEWS

By Pee Wee Mouse

1, 2, 3, o'clock — Ring!

These school bells are slowly  
driving me insane. (I knew I  
shouldn't try to work on them —  
they don't work like car horns.  
All they do is go hay-wire, they  
ring every ten minutes.

Help! It seems as if today is  
the day that our District Champ  
football players eat footballs! I  
certainly hope that I can make it  
to the banquet to see how this is  
done!

I guess everyone has heard that  
our "noise-makers" (band) won  
first at the contest in Winters  
(I thought that it was winter here  
I'd hate to be there!) O, our "what-  
do-you-callums" juh, a yeoh —  
"stick-twirlers" all won first too.  
We are all really proud of you.

I've now journeyed down to the  
office and guess what I have  
found, basketball schedules. What  
kind of doin's is this? It seems  
kinda silly to run around with a  
ball in a basket.

The other day someone asked  
Terry Hickman if he was going  
to be a football player in high  
school his reply was goah, no, and  
I'm not going to twirl either. I'm  
going to play in the band! Won-  
der what "Pop" thinks of this?

Tell me, please, does Betsy Sikes  
really eat baboon meat for sup-  
per? I heard her tell someone the  
other day that she enjoyed it very  
much!

Fellow mice, I fear that I must  
now depart (whatever that means)  
and so until next week, "count  
your blessings instead of your  
sheep."

F. H. A. NEWS

By Sandra Ratliff

Thursday night, Dec. 5, the F.  
H. A. had a dinner party to honor  
their beau at the H. E. Cottage.  
An appetizer was served in the

living room. The dinner and pro-  
gram were in the main room.

The Christmas theme was car-  
ried out in the decorations com-  
plete with mistletoe over every  
door.

On the program Charlotte A-  
dams sang "Fascination" accom-  
panied by Becky Davidson on the

count". Dartha Dee Melton was the mistress of ceremonies.

The highlight of the evening was the crowning of the beau. Nominations for F. H. A. Beau were Mark White, Diz Reeves, Rod Franklin, and Clayton Friend.

Our beau, whose name was kept a secret until the occasion, was Diz Reeves. He was crowned by Dartha Dee, his date and the F. H. A. president.

The crown was gold with F. H. A. Beau in green across the front around the sides and back were small green stones and gold leaves. The girls sang "Let Me Call You Sweetheart" during the crowning. The F. H. A. girls gave the beau an identification bracelet with his name engraved on the front and F. H. A. Beau 1957-58 on the back. I'm sure he would be very glad to show you.

Our sponsor, Mrs. Hull, did a very fine job helping us make our banquet a success.

We would like to thank Mills Tandy for attending and taking pictures.

#### UP AND DOWN THE HALLS

Cheers, those who thought coach Pelto would never be beaten!

Due to circumstances (football) the boys only had four days to practice and they lost their first game to Big Lake. The Lions still have some staunch supporters though, who followed them to Big Lake. Frances, Mary Jo, Gwynel, Carolyn, and Diane went in Frances' car with Miss Powers along as chaperone.

Several couples went also — Mark and Nellie, Wanda and Tommy, and Joe and Molly Sue. June and Alleane were there yelling for the team, too.

The band took a very successful trip to Winters Saturday. They came home with eleven first places. Some sophomore boys were asked if anything exciting happened. Their answer was, "Oh, we marched, sat on the bus and this and that." Wonder what they meant by this and that?

There's a rumor that Ronnie Beall and Janet North were seen together Saturday night. Is this fact or fiction, Ron?

The football jackets sure do look good charging around here. I bet we see a few of last year's jackets hanging off the shoulders of some girls soon. How about it boys?

The Seniors asked me to put in a plug for them and to tell everyone that their concession stands will be open for all the home basketball games. They said for everyone to please plan on eating with them! Their food is delicious.

Now, I'd like to close with this thought — "Don't really believe everything you read, but do eat with the Seniors!"

#### JIM'S JUNK

By Jim Burton

I don't know why you read this silly article! I can only guarantee you will feel foolish when you finish. With this in mind I can only warn you to stop, don't read another word.

Of course I don't mean anything personal, but to me it seems about time we changed English teachers. Why? Because Mr. Harlan spelled the word questions — kwestchins. This was for an English 4 student naturally. If you are still reading this column please stop!

Unlike everyone else our missile expert Rod Franklin is not at all confused over the flop of our satellite rocket. "It's like this," when your thingamabob gets in the way of the whats it clogs the little whosit and boom! Of course the explanation leaves something to be desired. What! We haven't figured out yet.

If you are still reading this article remember I told you not to.

General Pelto has confided in me the reason why Friday night's ball game in Big Lake was lost. Adverse weather conditions, adverse because a tornado didn't tear down their gym so they would have to forfeit.

This article is dedicated, cheerfully of course, to anyone who hasn't had an article dedicated to them. P. S. Don't you feel silly for reading this stuff.

#### CHRISTMAS PROGRAM BY CHORAL CLUB DEC. 20

The Ozona High School Choral Club, directed by Corbett Smith, will present a Christmas cantata, "Child Jesus" in the high school auditorium Friday afternoon, Dec. 20, starting at 1:15 p. m. The public is invited.

#### MISS SPIRIT OF CHRISTMAS

By Becky Davidson

Christmas in West Texas would not be Christmas without the annual contest to choose a Miss Spirit of Christmas. This year it will be held on Friday, Dec. 13.

The Senior Class has elected Genelle Childress, daughter of Mr. and Mrs. P. L. Childress, to represent Ozona High School in San Angelo Friday and Saturday.

The winner is chosen mainly on her religious activities. Special honors, awards, and scholastic records are also considered. The nominees will be judged on poise at a tea Friday afternoon as they answer questions about their school and town. Results will be announced at a dance in the Town House Cottillion Room in San Angelo and a parade will be at 4:30 in the afternoon.

We wish Genelle the best of luck this week-end!

#### WINTERS

The band does it again! Saturday morning the band and twirlers went to Winters for contest and came home with eleven firsts.

All the twirlers made a "one" on their solos and on their ensemble! Linda Millsbaugh made a "one plus"!!! The band was awarded a first division in marching and an one plus in inspection. Congratulations to the band and Mr. Smith. Of course a trip is not complete without a few funny incidents, especially since "Minnie Pearl" Mayfield was along. It seems she expressed a desire to Alleane and Wanda for a "steady bear" for Christmas. She really meant teddy bear but made a mistake.

Sally, Linda, Nonie, and Sandra rode with Mr. Sikes and Mr. Hatley. It seems Sally was nearly overcome by cigar smoke. But she came through all right. Becky, Carolyn, Wanda and Alleane rode with Mrs. Davidson, Becky's grand mother. What a day! By the way, ask Carolyn about car hops and children sometime. It is very amusing! Also Alleane loaned her skirt to another poor drum major in distress. She had forgotten hers in getting away from home that morning. All in all it was a grand and successful trip.

#### FOOTBALL BANQUET

By Gwynel Walker

Tonight at 7:30 the annual football banquet will take place in the Cafeteria. The football boys, mothers, the cheerleaders, and the coaches, are making tremendous preparations (not to mention the girls and their new dresses!).

Everything is planned for one of the biggest, most gala evenings ever to be in O. H. S.! So for more news about our big Lions district championship football banquet, please see next week's Lions Roar.

"ALMOST, BUT NOT ENOUGH" is our verdict on how close competitive cars have come to matching the Sweep-Wing 58. Take style. Other new cars are "almost" as low in inches, but still seem high and bossy in looks. Some of them are "almost" going to fins, but not enough to really make a difference. Then take performance. None of the

other 1958 cars have anything to match the sway-free, dip-free, vibration-free ride of Torion-Aire. (It's standard equipment.) Most of them still don't even have push-button driving! So after you've seen the "almost" car, come in and drive a Sweep-Wing 58. You'll see why we say: They're catching on, but they can't catch up.

### Ozona Garden Club Features Christmas Decorations At Meet

Ozona Garden Club met Wednesday of last week at the country club, with Mrs. Jack Wilkins and Mrs. Hillery Phillips as hostesses. Roll call was answered by creating a Christmas scene with plant materials.

Mrs. Richard Flowers directed the program. Invitations were read from the College Hills Garden Club of San Angelo to attend their pilgrimage to Christmas homes, and also to a lecture-demonstration by Rober H. Ricker at Sweetwater. A film, "The Promise of Spring," by the Holland bulb growers, was shown and a holiday table featured by the hostesses was judged by the members, rating almost 100 percent perfect.

### Biggs AFB B-47s To Fly Low Level Route Over Ozona in Training

B-47 bombers of the United States Air Force's Strategic Air Command are now expanding their low-level navigation training missions to many new areas of the country, it was announced this week.

All-jet bombers of the 97th Bombardment Wing at Biggs AFB, near El Paso, Texas, will take part in this training, during which, several low-level missions will be flown at approximately 500 feet above the ground.

The first low-level flights from Biggs will take place about Dec. 4, and will be flown during daylight, under clear weather conditions. The predetermined route of the flight has been approved by CAA, and is planned to avoid heavily populated areas and flight obstructions. Routes will be checked by slower, propeller-driven aircraft before the all-jet B-47s fly the course.

Ozona is one of the cities near the route the Biggs bombers will fly. The entire Bombardment Wing will participate in the exercises, which will continue throughout the next few months.

The bombers will begin their low-level flight in the Salt Flat area, about 125 miles east of El Paso, and continue in an easterly direction, passing a few miles south of Pecos. Near Ozona they will turn on a northeasterly course, passing Eldorado to Brady.

Before reaching Brady, they will turn due north passing west of Coleman to a point near Seymour. The route passes about 20 miles east of Abilene. At Seymour, the bombers will continue their low-level flight for approximately 120 miles in a northwesterly direction, then climb to bombing altitude for a simulate bomb run on Amarillo, and will pass over Amarillo at several thousand feet.

This exercise is for the purpose of training SAC crews in problems of low-level navigation. Although the six-jet B-47 is one of the world's fastest medium bombers, it is not a supersonic aircraft and no sonic booms will be heard as a result of these flights.

Low-level exercises are already being carried out in other areas

of the country. It is a part of the Strategic Air Command's continuing program to maintain a capability to perform its long-range nuclear striking missions under all conditions of weather and altitude.

### CAP Unit Gets Charter; Fly On G.O.C. Mission

The Ozona CAP Squadron held a regular meeting Tuesday night, in the High School library.

Lt. Maurice A. Lemmons announced that the National Civil Air Patrol Charter has been delivered to him by Lt. Col. R. R. Rohatsch, C.O. of Group 3.

Lemmons also named the following new staff officers: Dick Henderson, adjutant, and Pleas L. Childress, executive officer.

A report was made by Jimmy Barbee on the G. O. C. mission that the Ozona Squadron participated in last Sunday. The following members flew their airplanes on the mission: Dick Henderson, Jimmy Barbee, Bill Carson, Ralph Simon, Cap West. The following Senior members also went on the mission: Pat Barbee, Jim Coker, Nan West, and Ann Muffins. Cadet members participating were: Sandra Ratliff, Jake Young, Rod Franklin, Jim Burton, Stanley Williams, Douglas Stewart, Jonathan Burton and Buddy Dale.

The group took off from Ozona at 12:30 p. m. and flew to Mathis Field in San Angelo where they were briefed. The mission was then flown, and the group returned to Ozona before dark.

Gerald Dingus, training officer, handled the training part of the meeting and Jim Coker, cadet commandant, gave a report on the Cadets and the work that was being done toward the Cadets' turkey

show to be held next Saturday, Dec. 14th at 9:00 a. m. Proceeds will be used for the purchase of uniforms for the Cadets.

The next regular meeting will be Jan. 14 in the High School library at 7:30 p. m., instead of on New Year eve.
