

The Palo Duro river runs from bank to bank, after a good rain last Monday night. The river pictured here is at the bridge near Hansford Cemetery.

Scholarship recipients named during graduation ceremony

Along with the Spearman High School graduation ceremonies last Friday night the 1987-88 scholarship recipients were announced.

The Athletic Boosters Scholarship recipients were Kevin Nelson, Sandy Hill, Norman Scroggs and Scott Swan. The scholarship was in the amount of \$500 each.

Three hundred dollar scholarships from the Extension Homemakers Council were awarded to Lynette Williams and Deana Turner.

The Morrison Boyles and Greg McFarlin Memorial Scholarships were given to Charles Roper and Tina Breeden each in the amount of \$500.

Sandy Hill and Keith Benson each received \$250 scholarships from Hansford Lodge 1040.

The Jaycees gave Tina Breeden and Norman Scroggs \$500 scholarships.

The Servitors Scholarship was awarded to Andi Lopez in the amount of \$500.

The Spearman Fire Department awarded the \$300 Michael-Messer Memorial Scholarship to Gina Hamilton.

The \$350 Lloyd Lynn Buzzard Memorial Scholarship was given to Alan Gardiner and Keith Benson.

The Music Boosters gave their \$400 Scholarships to Karen Cook and Andi Lopez.

Kevin Nelson and Charles Roper each received \$2,000 scholarships from Karl and Karen Nielsen Scholarship fund.

Andi Lopez received a \$200 R. L. Uptergrove Scholarship.

The Gladiola Flower Club awarded Will Black a \$500 scholarship.

Sandy Hill received a \$300 scholarship from Baker & Taylor Drilling Co.

The Chamber of Commerce

awarded Charles Roper the C. A. Gibner Memorial Scholarship in the amount of \$750.

Along with the local scholarships several scholarships from agencies, colleges and universities were awarded to seniors for their academic performance.

The Texas Education Agency awarded Paige Pittman a tuition scholarship to any state supported college or university. She also received a scholarship from the Independent Colleges and Universities of Texas.

Lynette Williams also received a scholarship from the Independent Colleges and Universities of Texas.

Connie Woolley was awarded a \$500 music scholarship from Texas Women's University and a \$250 music scholarship from the Panhandle Music Association.

Vernon Tindell received grants and scholarships totaling \$1,400 from the Embry Riddle Aeronautical University.

West Texas State University awarded Don and Sybil Harrington Scholarships to Norman Scroggs and Carol Poole.

Gina Hamilton received a \$500 academic scholarship from Panhandle State University.

The McMurry Presidential and Tuition Scholarships totaling \$4,200 per year was awarded to Kari Schneider.

WTSU awarded a Residential Hall Scholarship of \$1,000 to Norman Scroggs.

Kathy Poole was awarded \$3,500 of grants and scholarships from Wayland Baptist University.

Clarendon Jr. College gave a Rodeo Scholarship to Bryan Caison.

Andi Lopez received a \$1,000 tuition scholarship from Frank Phillips College.

trailblazers, stargazers

Summer reading program starts

library

"Trailblazers, Stargazers" is the theme of the Hansford County Library's 1988 Summer Reading Program. The theme is about explorers, travelers, discoverers, people who go to new places and do new things, like inventors, scientists, and artists.

The reading program is currently underway for children who were in grades K-4 during this past school year. Kids are encouraged to come to the library at anytime and sign up for the program which began May 31 and continues through July 13.

Films will be shown upstairs at the library each Wednesday morning from 10:30-11:15 beginning on June 8. The film showings will be for those children who are enrolled in the Summer Reading Program.

The children are welcome to come to the library at any time to

check out books to read. They may choose books on any subject matter, preferable on their own reading level.

There is a participation bulletin board at the library that the kids may help decorate. Those who read books, turn in reading wheels, design bookmarks, and make crafts to display at the library will be rewarded with stars, stickers, and paper ribbons to display on their bulletin board pictures. Those who read at least 10 books during the 6-week program will receive a certificate from the Texas State Library.

There is a "Beautiful Junk" box at the library from which kids may select items to take home and use to create wonderful things, such as robots, rockets, space puppets, scenes, inventions, etc. to bring

back to display at the library.

Craft books will be held on reserve at the library for children to look through for craft ideas. The librarian will make free copies of craft instructions from the books on reserve.

There will also be crayons, paper for drawing original pictures, bookmark forms for designing bookmarks, reading wheel forms, and various other word puzzles, mazes, and paper activities that are available for the kids at the library.

The Summer Reading Program is an annual event at the Hansford County Library, with reading logs, certificates, bookmarks and posters supplied by the Texas State Library. The object of the program is to encourage children to continue developing their reading skills during the summer months and to have some fun while doing it.

1988 Miss Hansford County

Graham crowned Miss Hansford

Thursday night at the Spearman High School Auditorium, Mechelle Graham, 17 year old daughter of Mr. & Mrs. Preston Graham of Spearman, was crowned Miss Hansford County 1988. For her talent in the competition, Graham sang a popular song by Whitney Houston. Graham plans to make her career in the music world. Her sponsor was High Plains Auto of Spearman.

The first runner-up was Michelle Cook. She is the 16 year old daughter of Mr. and Mrs. Ron Cook of Spearman. For her talent, Cook sang a number made popular by the group Miami Sound Machine. She plans to attend Texas Tech University after graduation and major in architecture. Her sponsor was Cook Livestock Co.

Dena Turner was second runner-up. She is the 18 year old daughter of Phillip and Molly Turner of Spearman. Turner plans to attend Lubbock Christian University in the fall where she will be majoring in communications. For her talent, she sang a number by Charley McClain. Turner's sponsor was Golden Spread Sales Co.

Tasha Haight was named Miss Congeniality. She is the 16 year old daughter of Charles and Linda Haight of Gruver. For her talent, she sang a number by Amy Grant.

see, CONTEST p. 3

Thursday night Hansford County's new royalty was crowned at the Miss Hansford County contest. Some 40 girls vied for the 5 titles. [L to R] Shelley Stedje, of Gruver, Miss Teen; Michelle Cook, of Spearman,

1st runner up; Miss Hansford County 1988, Mechelle Graham of Spearman and Dena Turner, of Spearman second runner up.

Athletic awards banquet held Lynx, Lynxettes good seasons

The Spearman High School Athletic awards banquet was held May 20. The theme of the banquet was "Spearman High School Star Search '88."

The Booster Club awarded scholarships to Norman Scroggs, Kevin Nelson, Scott Swan, and Sandy Hill.

An award for Academic Athletic Excellence was presented to Lisa Cazares and Kevin Nelson. Kevin Nelson also received the prestigious Roger Jones Ironman Award.

Coach Don Mullins presented the football awards. The 1987 Lynx football record was 5-3-1.

The outstanding Grade offense awards were given to James Tindall and Brett Davis. The outstanding grade defense honors were given to Keith Benson, Lance, Swan, and Scott Swan.

Shawn Cook was recognized as most improved player. And received the award for outstanding secondary player.

The Fighting Heart Award was given to Scott Swan. The Purple Pride Award went to Hester Crawford.

Norman Scroggs, Kevin Nelson and Scott Swan were named Tri-Captains.

Four off season program awards were given. In group 1 the award went to Delwin Whitmire. The group 2 award went to Shawn Cook and Jay Garrett. Slaid Jones was recognized in group 3, and Danny Lopez got the award in group 4.

The basketball awards were presented by H.M. Garrett and Jimmy Kirkland. The boys had a season of 20-10, while the girls season ended with a 27-3 record.

The player named most Valuable was Kevin Nelson. Keith Benson received the Fighting Heart Award.

For the Lynxettes Krista Kirkland was the outstanding Lynxette.

At the Golden S spread Senior Citizen's Center Tuesday, these residents were enjoying a luncheon provided by the Center honoring them for their continuing years of belonging to the Center. Pictured [from l - r] are Rosalie Butt, Elsie Mathews and Bob Boxwell.

Hansford County's new royalty also include: Kimberly Wagoner, Miss Preteen of Gruver; Jocelyn Edwards, Junior Miss, of Spearman and Adrienne Simpson, Little Miss of Spearman.

Grow old, not up...

Why anyone would even want to go into medicine is beyond me. If I wanted to minister to sick, desperate people, I'd go back to teaching.

But the clinics are full of people who need help, young and old. I was told the true story of a young, 6-year-old girl who developed a bad disease that was supposed to either kill her or render her a vegetable. Well, this kid had enough lettuce to get help but the prognosis did not look good. The doctors pronounced her dead several times, at least to normal functions. She wasn't supposed to talk, move, hear or feel. However, they worked away and a miracle happened.

First she squeezed a hand, then she responded to sound and touch. She continued to improve much to the amazement of everyone. Brain waves which previously were flat suddenly sprang back to life.

One day, a therapist was as-

tounded when he asked her, "What is two plus two?" She replied, "Four." Then he asked, "What is three

plus three?"

She answered, "Six." Elated, but still disbelieving, he asked, "What is two times five?"

She said, "I don't know." When he asked why not, she replied, "I'm only in the first grade. I'm not into multiplication yet."

Today, she's in her thirties, a mother, and worried about growing old. But she did learn how to go forth and multiply.

As we grow older, we lose a few things like quickness, alertness, and gall bladders.

A fellow I know is so old that if he was a stock market chart, we'd be impressed. However, he had some medical problems that really hit him below the belt. Just about the level of his billfold.

He had an emergency operation to remove his appendix, colon, and prostate gland. His wife said she was thankful that he was alive but with all his other problems, she

had requested a memorial service for him below the waist.

My 10-year-old granddaughter and I were at the Houston Livestock Show and Rodeo. We saw every exhibit, two rodeo shows, and made a down payment on our own carnival. I couldn't resist doing that when one of the barkers yelled at us, "Hey, Mister, is that little girl your sister?"

We were flung, banged, and spun on every ride imaginable while screaming bloody murder. She screamed because it was fun. I screamed from the pain.

As we left the fairgrounds, after midnight, she said, "I'm glad I have you as a grandfather."

I replied, "Enjoy me while you can. I won't live through the night."

She continued, "Of course, I'll grow older and grow up." Then she added the clincher, "You'll grow older, too, but you'll never grow up."

Editorial

Drivers need be aware of children

Now that school is out spring has sprung and summer is on the way. Little kids will be outside much more than in earlier months. They will be going to and from all sorts of practices such as baseball, T-ball, soccer, swimming etc.

Routes near parks, swimming pools, ball fields, arcades and residential areas will be filled with kids on the move. A popular mode of transportation for these kids is a bicycle. But probably the most common transportation and not the most popular, with the kids, is the use of their feet.

We as motorists need to be aware of kids on the move. Motorist/pedestrian and Motorist/bicycle accidents increase in number during the summer months. Motorists need to be more cautious during this time of year and remember that children are out there "on the move." When driving in or near a high "kid" traffic area, we need to realize it. And drive at a reasonable and

always lawful speed.

According to Steve Gains, chief of police in Gruver, it has been reported that in some residential areas of Gruver motorists are driving at excessive speeds. Also early in May an accident involving a car and a child on a bike occurred in Spearman.

So even in small towns like Gruver and Spearman this could become a problem. We do need to take caution and be aware of kids playing and traveling about town. Especially in residential areas and areas where kids are likely to be such as ball parks and swimming pools.

In mid-May the Texas Department of Public Safety, Spearman Police Department, Spearman Servitors, and PTA hosted a Bicycle Rodeo. The Bike Rodeo was a safety program on the bike and on traffic safety. Safety films were shown to all the kids grades K - 3. An obstacle course was designed in the school parking lot. The kids

displayed the skills they learned from the films and instructions of the program on the obstacle course.

So the kids are ready and aware of us. And we need to be cautious and aware of them. Remember, the child you hit could be your own.

The first transatlantic wireless signal was received by Marconi in 1901 at Cabot Tower on Signal Hill, St. John's, Newfoundland.

Obituary

Deta Blodgett

Deta Blodgett, 91, died Thursday.

Funeral services will be held at 3 p.m. Sunday at the First Christian Church. Dr. Mike Wolfe, minister of the First Christian Church, and Sam Steele, Pastor of First Presbyterian Church, officiating. Burial will be at Ochiltree Cemetery by Boxwell Brothers Funeral Home.

Mrs. Blodgett, born in Hoskins County, moved to Old Ochiltree in 1915, where she taught school at Old Ochiltree. She married Clarence Ralph Blodgett in 1919 at Old Ochiltree. He died in 1922. She moved to Spearman in 1961 and was a member of the First Christian Church, the Order of the Eastern Star chapter 721. Her daughter, Pauline Blodgett, died in 1929.

Survivors include a son, C. Ralph Blodgett Jr. of Spearman; three sisters, Ruby Fincher of Tulia, Anna Belle Sharp of Hart and Carmen McDonald of Tularosa, N.M.; a brother, Morris Patrick of Lubbock; two grandchildren; and four great-grandchildren.

Ella Virginia Parks

Ella Virginia Parks, 96, died Wednesday in Spearman.

Services were held at 2 p.m. Saturday in the Morse High School auditorium with Elder T.J. Pitman, pastor of Primitive Baptist Church in Borger, officiating. Burial was at Lieb Cemetery by Minton-Chatwell Funeral Directors.

Mrs. Parks, born in Pike County, Ark., moved to Texas in 1895 and Hutchinson County in 1905. She was a housewife and a member of the Primitive Baptist Church. She attended school in Lieb, and was a Hutchinson County pioneer and had lived in Morse for many years. Her husband, Bailey Parks, died in 1930, a daughter, Virgie Mae Cambern, in 1940 and a granddaughter, Barbara Cashion, in 1986.

Survivors include a daughter, Florence Moore of Dallas; a son, H.B. Parks of Morse; two sisters, Bertha Forester and Clara Hull both of Spearman; seven grandchildren, 14 great-grandchildren and four great-great-grandchildren. Memorials may be made to Lieb Cemetery Association c/o Dean Lieb, Rt. 1, Box 23, Sisseton, or favorite charity.

U. S. Collegiate Choir

Woolley on European music tour

CONNIE WOOLLEY

Connie Woolley resident of Spearman, has been accepted for membership in the United States Collegiate Choir, a highly selective National Musical Organization which will make a three week concert tour of Europe next July.

Her parents are Gary and Sue Woolley. She sings in the local Spearman High School Choir directed by Mike Mobley. Her private vocal instructor is Billie Godley.

The invitation to sing with the U.S. Collegiate Choir was received from Dr. Al. G. Wright, Director Emeritus, Purdue University (Lafayette, Indiana) in recognition of her excellent musical activity here locally.

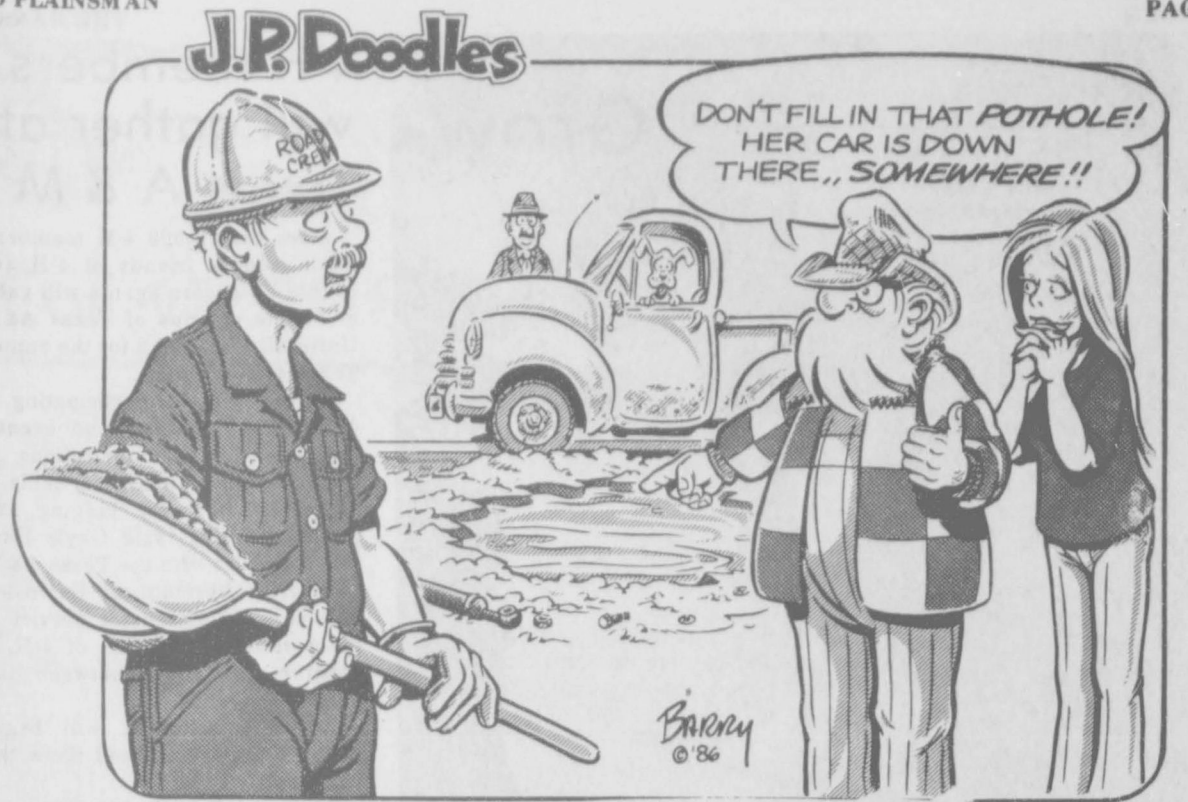

The United States Collegiate Choir will perform a series of concerts throughout Europe and will sing in several important musical cities including Paris, Lugano, Munich, Innsbruck, and

Verona.

Dr. Bruce Galbraith of Interlochen Arts Academy fame in Northern Michigan will serve as conductor of the group.

Acceptance for membership in this highly talented choir of young singers is considered an important musical honor of national significance.

In addition to their concert appearances, members of the group will visit a number of Europe's musical shrines including Mozart's birthplace in Salzburg and Beethoven's house in Bonn, West Germany. They will also attend the famous outdoor opera in Verona and hear a number of well known cathedral choirs.

basketball league

Coaches needed for summer

Again this summer a developmental Basketball League has been formed in Perryton. The league, which follows UIL rules, is in need of two coaches. The two coaching positions available are for junior high boys and junior high girls. Anyone interested may contact Joe Ogden, coordinator of the league, at 435-4071.

This is the third year the Developmental League has been in existence. The league stresses development not competition. No statistics, other than those required by UIL rules are kept. There are no organized practices for the league. The league involves approximately 38 Spearman kids and 12 kids from Gruver.

The round robin style games will

all be played in Perryton at the high school gym. The games will be played on Monday and Thursday evenings at 6, 7, 8:15, and 9:30 p.m. The first game will be on June 6 and the League will end on July 7. One hundred forty five high school and junior high kids from Spearman, Gruver, Perryton, Pollett, Waka, Booker, Morse, Canadian and Darrouzett will be involved in the league.

Richard North, Spearman Junior Varsity Basketball Coach, has helped motivate and get the Spearman kids interested in the developmental league, commented Ogden. "Coach North has been very instrumental in the summer league program. He has done a great job."

CONTEST, from p. 1

After graduation, she plans to attend Texas Tech University.

Shelley Stedje was crowned Miss Hansford Teen. She is the 16 year old daughter of Dennis and Kathy Stedje of Gruver. Her sponsor was the Gruver State Bank.

The New 1988 Miss Preteen is Kimberly Wagoner. She is the 11 year old daughter of Richard and Wanda Wagoner of Gruver. Her sponsor was Interstate Savings and Loan.

AWARDS, from p. 1

And Lisa Cazares received the Fighting Heart Award.

The track awards were presented to Jerold Blan, Matt Tucker, Heather Murrell and Krista Kirkland by Coaches Rickey Smith, Jimmy Kirkland, and Richard North.

Jocelyn Edwards is the new Junior Miss Hansford. She is the eight year old daughter of Frank and Kitty Edwards of Spearman. Her sponsor was Hansford Implement.

Adrienne Simpson is the New Little Miss Hansford. She is the five year old daughter of Lenis and Holly Simpson of Spearman. Her sponsor was Brown, Graham, and Co.

James Mireles presented Nancy Ivey and Kevin Nelson the honors in golf.

Jeff Rowland presented the tennis honors to Ginger Pearson, Jan Crawford, Alan Beeson and Carl Urban.

MEMBER FDIC

Wanda J. Lewis, daughter of Mr. & Mrs. Floyd M. Bennett of Spearman and G. Wiley Merry, son of Mr. & Mrs. George F. Merry of Texhoma, Tx. were united in marriage on May 9th in San Antonio, Tx. The new Mrs. Merry is employed at First National Bank in Spearman. Wiley is a self-employed rancher. The couple now reside at 510 N. Second St. in Texhoma.

4-H members will gather at Texas A & M

More than 2,000 4-H members, adult leaders friends of 4-H and county Extension agents will gather on the campus of Texas A&M University June 7&8 for the annual Texas 4-H Roundup.

4-H'ers will be participating in 40 different contests and events, ranging from demonstrations in consumer and mechanical skills to livestock and horse judging and public speaking, said Gayle Hall, 4-H specialist with the Texas A&M University Agricultural Extension Service. The Extension Service is the parent organization of 4-H, a program for youth between the ages of 9 and 19.

Roundup activities will begin with the State 4-H Food Show the first day.

An opening assembly that evening in Rudder Auditorium will officially kick off Roundup activities. A highlight will be the recognition of certain individuals and businesses for their long-time support of 4-H, and the presentation of scholarships totaling more than \$500,000 to 93 outstanding 4-H members. The scholarships are being funded by the Texas 4-H Youth Development Foundation. Also, Dr. Perry Adkisson, chancellor of the Texas A&M University System, will be recognized as a National 4-H Alumni Award recipient.

Competition in various contests and method demonstrations will command attention the second day of Roundup. 4-H'ers competing in these contests must have won at the county and district level to qualify for state competition, Hall said. Contest winners will be recognized at special assembly in Rudder Auditorium that evening at 8 p.m.

A special luncheon on June 8 will honor 28 outstanding 4-H adult volunteer leaders from across Texas, two from each of the 14 Extension Service districts. In addition, two state industry leaders will be presented the Texas 4-H Alumni Award.

GTE's Custom Calling special is the hit of the season!

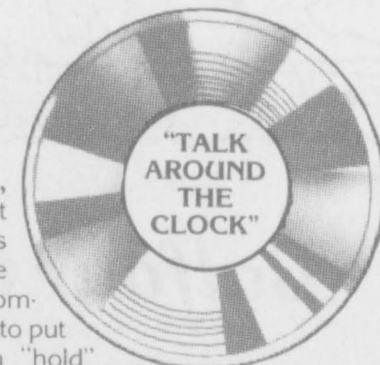

Interesting conversations and good news are meant to be shared — that's why **Three-Way Calling** is rated "number one" by so many! And it's so easy to do. Just press the hook-switch, dial the new party's number, and have a get-together, locally or from miles away!

Stuck at home waiting for a call from your special angel? Then you need **Call Forwarding!** Just dial a two-digit code and the number where you'll be, and all your calls are transferred automatically. You'll receive important messages right away and feel secure that no one knows you're gone!

Why waste time looking up important numbers, when you can have **Speed Calling** ease and convenience? Just program your most frequently called numbers into your **Speed Calling** plan — then, place those calls with a one- or two-digit code. Great for emergency numbers, or for reaching your best friend in half the time!

With **Call Waiting**, there's no need to limit the length of your family's "gab sessions." A gentle tone alerts you to incoming calls, allowing you to put your conversation on "hold" while speaking privately to the second party. You'll never miss an important call, because **Call Waiting** makes busy signals a thing of the past!

Call your local GTE Southwest business office or visit your GTE Customer Service Center for any or all of our Custom Calling Features* **INSTALLED FREE!**

Energy tips offered to save on utilities

Temperatures are beginning to rise toward their summer peak, and without some energy-saving steps your utility bills will rise right along with them.

"No matter what kind of system you have, carefully set thermostats can hold down utility bills," according to Dr. Peggy Owens, a housing specialist with the Texas A&M University Agricultural Extension Service.

"Many of us are in the habit of over-cooling our homes. In the winter we set the thermostat at 78 degrees to stay comfortably warm and then in summer put them all the way down to 68 degrees," she said.

"For every degree below 75 degrees that you set your thermostat, your operating cost goes up six to ten percent," said Owens. "So in a 1600 square foot home, setting the thermostat at 76 degrees rather than 72 degrees will save \$220 during a cooling season."

"When you're going to be gone during the day, turn the thermostat up to 83 degrees. You can save about 25 percent of your energy by

cooling the house once you get home, instead of keeping it cool all day," said the specialist.

Owens advised turning the air conditioner off entirely when you will be gone for more than 24 hours.

"Thermostat control won't have much impact on your utility bills unless you also clean or replace the air conditioner filter regularly," Owens said.

"A clogged air filter causing a 10 percent reduction in air flow will increase your operating costs by 11 percent," she said. "The air conditioner has to work harder to reach the thermostat setting, so you're paying for energy that doesn't make the house feel any cooler."

"Also check the ductwork in the attic for air leaks," said the specialist. "Use duct tape to seal any leaking joints so you aren't paying to cool the attic."

Owens said a fireplace can pull cool air out of the house and increase cooling costs by up to 20 percent. A tight-fitting damper will reduce any cool air loss.

Newspapers Enjoy Huge Leadership In Political News

Vast majority of people in a recent survey chose newspapers by a 2-to-1 margin over the nearest rival as the "major source of information about political issues."

Best for political issues:

Newspapers	61%
TV	31.5%
Radio	6.8%

Best about candidates:

Newspapers	73%
TV	21.6%
Radio	6.7%

NEWSPAPERS No. 1

Among the Neighbors

By Helen Fisher

Mr. and Mrs. Chalmers Porter returned a few days ago from a most gratifying trip. At Cornell University in Ithaca, New York, they witnessed the awarding of a PHD degree to their son, Raymie. The degree is in plant breeding and he recently returned from South America where he had been doing research.

The Porters flew to New York, being accompanied by her mother, Mrs. Clea Douglas, of Gateway, Ark.

Another son of the Porters, Dr. William and his wife Laura, with Jennifer and Stephenie, are locating at Fargo, North Dakota. On July first, he will open his practice of medicine. He is a specialist in ear, nose and throat. He recently completed his residency.

An ideal way to celebrate a birthday, according to Orvil and Colene Brummett, is their past week. They spent a week camping and fishing at Canton Lake in Oklahoma. They were joined by their children, Mr. and Mrs. Terrell Brummett and Alexa from Duncan, and Mr. and Mrs. Gary Johnson with Chad and Chase from Topeka, Kan.

Mr. and Mrs. Leland Cook, with Karen and Edward spent an enjoyable 4 days last weekend in

Independence, Kan. They attended the Dozier (Mrs. Cook's) family reunion. There were fewer in attendance this year than usual, but they all enjoyed reminiscing, games and a family talent show.

The Cooks also visited other relatives in the area.

Zola and J.D. Mitchell of Waco are visiting in the home of her sister, Frances and Gene Cudd this week. They are also seeing other members of her family.

Vickie and Ronnie Bullard, and Melissa, were busy this past weekend, in and around Dallas. They were guests of his mother, Matline Crossland, his sister, Glen Nell Ferguson, his grandmother, Ruby Scott and numerous aunts and cousins.

Later they went to Balch Springs and visited Vickie's aunt and uncle before returning home late Sunday night.

Attending the Sheets decendants family reunion in Amarillo were Mr. and Mrs. Claud Sheets and Ann, Mr. and Mrs. Wiley Sheets, Mr. and Mrs. Daniel Sheets and Durland Sheets.

It was held in the Cowpuncher's Association building in Amarillo last Saturday.

Mr. and Mrs. Woodrow Fulker-

son enjoyed house guests for several days last week. They were old friends from Phoenix, Arizona, Mr. and Mrs. Cletus King. They were enroute to Harrisburg, Ill.

Other guests of the Fulkersons and the Earl Novaks were Mr. Fulkerson's sister and her husband, Mr. and Mrs. David Brown of Sandalia, Ill. and a brother and wife, Mr. and Mrs. Willard Fulkerson of Jacksonville, Ill. They spent 4 days here.

Freda and Bruce Sheets attended the reunion known as the "16 mile group" near the Fargo, Oklahoma cemetery last Saturday. This is held every memorial weekend and consisted of residents and former residents of several nearby communities.

The Sheets spent the rest of the weekend with relatives in Woodward. On Wednesday they drove to Perryton to make the acquaintance of a new great nephew, 1 month old Blake Austin Harrington. He and his parents, Janet and Bruce Harrington, of Lawton had been visiting her parents in Lakin, Kan.

Mr. T.D. Sansing has seen his lineage go into the 4th generation with the arrival of his second great grandchild, this time a girl. Her grandmother is Tynelle Jordan, and her mother is Amy Munroe of Kansas City.

Probably inheriting his grandfather's energetic, no-wasted-time philosophy is ten day old Austin, Thomas Cunningham. He was born on May 29, 1988 and came to Spearman on May 30 to visit his grandparents, Fay and James Cunningham.

Austin Thomas is the son of Mark and Suzanne Cunningham of Dumas. He was born in Northwest Texas Hospital in Amarillo, weighing 7 lbs. 4 oz. He joins a 4 year old sister, Regan.

Other grandparents are Mr. and Mrs. Bill Pepin, Lubbock. Great grandparents are Mr. and Mrs. Z.J. Neeley and Mrs. Tom Cunningham, Wellington; and Mr. and Mrs. Maurice Stewart, Calhoun, Mississippi.

The first bowling tournament for women was held in St. Louis, Missouri in 1917.

Beef herds down due to economy

The beef cow herd in Texas and the United States is at the lowest point since 1952. Adverse economic conditions and a lower market demand for beef in recent years are part of the reason.

But Texas Christian University ranch management experts believe continuing drought conditions in the nation's largest cattle-producing state could further cull the numbers.

"If the drought continues as we move into summer, the number of animals sent to market is likely to increase," said Dr. Nick Wilson, assistant director of TCU's Ranch Management Program. "I think it's a foregone conclusion that if you're going to have to feed animals continuously there's going to be very little profitability in them. Consequently I think we will see an increase in cattle sales."

While the lack of rainfall throughout much of Texas during what is traditionally the wettest time of the year has many ranchers apprehensive, John Merrill, a fourth generation Texas rancher and director of the TCU program, noted that the adverse conditions came at a time when demand for beef is increasing along with the price.

"The higher cattle market has been a great blessing if you do have to sell," stated Merrill. "So far, ranchers taking cattle to market have not had to sell at a sacrifice price."

If the drought continues, one of the milder steps, according to Merrill, would be to release the crop acreage reserves that are restricted from haying and grazing for six months of the year. In addition, counties designated for drought disaster relief would become eligible for emergency feed grains, which are available to those ranchers at a reduced price.

Even if these steps are taken, assistant ranching director Jim Link said some pastures will still be unusable because there's been no measurable runoff water to fill tanks and ponds for several years in some areas. "You can haul feed to the cattle, but you can't afford to haul water," he said.

Mr. & Mrs. David Thompson of Henrietta, Tx. and Mr. & Mrs. Rodney Farber, Sr. of Spearman, Tx. announce the engagement of their daughter, Cindy Farber to Vaughn Fudge, son of Mr. & Mrs. M.G. "Smiley" Crawford of Henrietta, Tx. They plan to be married June 18, 1988 in the First Baptist Church at Joy, Tx.

Tennis camps set at West State State Univ.

Four sessions are planned this summer for the 1988 Lone Star Tennis Camp at West Texas State University, where head tennis coach Don Griffith will lead youngsters in the development and enhancement of skills in the sport.

Several college tennis players will assist Griffith as counselor-instructors during the week-long sessions. Campers will reside in Jarrett Hall on the WT campus, supervised by the counselors. Youngsters from the fourth

through 12th grades are eligible to participate.

The cost is \$260, including a cafeteria meal service. In addition to morning and afternoon workouts and match play, campers will have access to WT facilities including an Olympic-size pool, bowling alleys, racquetball courts, snack bars and television viewing areas. A day-camp plan is also offered at \$160.

Dates for the sessions are June 5 - 11, June 12 - 18, June 19 - 25 and June 26 - July 2. Enrollment is limited and early registration is suggested.

For additional information and a brochure including registration form, contact the tennis office at 659-2701 or 655-0298 nights and weekends.

Land bank to provide credit for farmers

Federal Land Bank of Texas officials have signed an agreement to provide long-term agricultural credit in Louisiana. The Texas Land Bank began negotiations when the Jackson, Mississippi, District Federal Land Bank and Federal Land Bank Association went into receivership May 20.

Donald R. Rogge, chief executive officer for the FLB of Texas, said the extension of credit in Louisiana would not affect the bank's service to Texas borrowers. However, Rogge said the action could be of long-term benefit to Texas farmers and ranchers.

"We are always looking at opportunities to expand our economic base and thereby spread our fixed cost over a larger number of borrowers," Rogge said. "This could have a positive impact on local rates in the long run."

Rogge said the decline of farmland values in the mid-1980's hit the Jackson District hard and brought about a wave of loan defaults. He added that, although the Texas Land Bank has not been exempt from the effects of the downturn in the agricultural economy, it remains among the strongest Land Banks in the nationwide Farm Credit System. On March 31, the FLB of Texas and its 44 Federal Land Bank Associations had a net worth of \$278 million and loan loss reserves of \$82 million.

Rogge added that neither Texas nor Louisiana borrowers should be concerned about their stock investments which are protected by the recently passed Agricultural Credit Act of 1987.

"We intend to make this extension of service with the least amount of disruption possible for the borrowers," Rogge said. "The new loans will be approved by the credit department in Austin. We plan to provide these loans at interest rates that are competitive with other long-term agricultural read estate lenders in Louisiana."

The Texas Federal Land Bank provides about one-third of the long-term agricultural credit in Texas with more than 32,000 loans totaling \$2.2 billion outstanding to Texas farmers and ranchers. The Jackson Land Bank made and serviced loans in Alabama, Louisiana and Mississippi. The Texas Land Bank will only be concerned with the extension of new credit in Louisiana.

National Honor Society Aluminum Can
Collecting will continue throughout the summer months. The collecting is a year-around project of NHS. Please continue to leave your cans at any time at one of the tow locations. Proceeds will go to local charities. Your support of this project has been tremendous thus far.
