# Energy plant reps to seek revenue bonds

Representatives from Valley View energy are scheduled to meet with Hansford county commissioners at their first meeting in June to complete the second leg of a 3-step process in getting \$99-million in revenue bonds issued for the construction of a new power plant north of Gruver.

The firm is seeking industrial revenue bonds which are finally issued by the state bond board. The 3-step process is required in order for the bonds to receive tax-exempt status. They will be sold to the public after the state industrial board issues final authorization.

Tentative plans by the power company call for late summer ground breaking on a 320-acre site which has already been purchased by the Dallas-based firm.

While plans for the construction have been in the mill for some time now, the actual process has been slowed by government red tape, reports John Hutchison of Spearman, attorney for the Hansford county Industrial Development Corporation - the local entity which has been responsible for attracting the firm to Hansford county.

Government approval for the power plant had to be received from both the Texas Air Quality Board and the federal Environmental Protection Agency before seeking the construction bonds.

Following the approval, the 3-step process began - first with the authorization of the bonds from the Hansford county IDC. The Hansford commissioner's court approval is the second step which will be dealt with in the June meeting.

The third step of the process will be before the Texas Industrial Bond Board in Austin if Hansford commissioners approve the bonds during the June meeting.

A Spearman junior, Jeanette Cates, returns from Austin today after working on the state one-act play stage crew.

The Spearman crew hand was named to the prestigious state production after being nominated by Spearman speech instructor, Gerri Maize, and is one of 10 from across the state chosen to work on the state one-act play stage crew.

The honor carries possibly more work than prestige, however, as the Texas One-Act Play stage crew worked from 7:30 a.m. to 10 p.m. three days running.

The honor carries possibly more work than prestige, however, as the Texas One-Act Play stage crew worked from 7:30 a.m. to 10 p.m. three days running.

The new power plant could employ up to 80 people when construction is completed. It will have the capacity to produce up to 48.94 megawatts of electrical power daily - enough to services some 50,000 households.

The electrical power generated will be used in Hansford county, but through a trade out arrangement with both Southwestern Public Service and Texas-New Mexico power companies in Hansford county, the power will be arranged in a trade-off type situation

with the city of Austin being the final recipient of the plant's production.

The Hansford plant is one of two being built by the Valley View firm in the Panhandle area. The other, is Deaf Smith county, will begin construction approximately two months prior to ground breaking in Hansford county.

Valley View Energy has joined forces with Southern Electric International, Inc. of Georgia to complete the two Panhandle projects.

## McWhirter, Jarvis are top 1987 honor grads

Kellie McWhirter and Anne Marie Jarvis will serve the 1987 Spearman graduating seniors as Valedictorian and Salutatorian, Spearman schools officials announced this week.

Grade point averages are based on four years of required courses from ninth through twelfth grades.

Miss McWhirter will also be recognized as high point girl from Spearman while high point boys' accolades will be split between Mark Garnett and Mark Allen who tied with identical averages of 95.654.

Those seniors who completed their high school careers with grade point averages of 90 or above include Anne Sheets, 96.846;

Margret Espinoza, 94.462; Gigi Sangalang, 94.346; Shari Vernon, 93.346; Jill McLain, 93.231; Jennifer Yarbrough, 92.269;

Amelia Johnson returned last week from a crowded week of vacation to places of historical interest in the east. She and Verna Gail Keim drove to Hampton, Virginia, spending one day and night enroute at Wildersburg, Tennessee. Amelia's mother was reared in this area. At Hampton they visited in the home of Verna Gail's niece, Patricia Nash and family. While there they toured Williamsburg; took a ferry on the James River to Jamestown; took a cruise around the ship yards and navy docks; enjoyed Appomatox and other nearby places of interest. Amelia then caught a plane at Norfolk in order to return to her duties as County Clerk.

Verna Gail continued her trip, after a week in Hampton, by driving to Oriental, North Carolina. She was a house guest of Patricia and Bob Pezzoli. Patricia lived in Spearman a number of years ago-she will be remembered as Patricia Snider, daughter of E. K. Snider. The Pezzolis moved from New York to North Carolina when they retired. Verna Gail then drove to Seagrove, North Carolina, the area of her family background. She visited with relatives and spent some time at Myrtle Beach.

Joyce and Grady Scott, relatives, drove back to Spearman with her and found other cousins, Vernon and Jane King, from North Carolina had already arrived. They all drove back together,

leaving Friday, after visiting with Mrs. Annie Allen and other relatives.

Andy and Francis Rhodes attended the funeral of his brother-in-law at Clarendon recently. His death occurred at Littlefield. The deceased was also an uncle of Francis.

Sally (Mrs. Daryl) Farris, who underwent surgery at High Plains Hospital a week ago wednesday, is recovering in the home of his parents, Mr. and Mrs. Leroy Farris. Sharing the attention of her grandparents is 5 year old Melissa, daughter of the Daryl Farris.

Mr. and Mrs. James Cummings returned Wednesday evening from Panhandle where they had been several days. Funeral services for his father, Arthur Cummings, 78, were held in Panhandle Monday. Their son, Joe and Helen Cummings and Dana of Spearman attended, and also the Cummings daughter, Vickie and Gary Papay and children of Morse. Mr. and Mrs. Joe Trayler as well as a number of Spearman friends also attended.

Family members are encouraged by the condition of Mrs. Chip Martin of this writing. She is in Hansford Hospital after a fall at her home Monday night which resulted in some broken bones. It is hoped that she can be treated here.

## FFA team takes 3rd in state

The Spearman FFA Horse Judging Team claimed third place in state FFA competition recently with Anne Marie Jarvis, Bonnie Jarvis, Mindy Patterson and J. Garnett earning the state honors.

The quartet gained the right to state competition by earning the first place Top-O-Texas competition, then placing third in Area 1 competition.

Pat Shields was elected district FFA reporter for the Top-O-Texas for the 1987-88 school year.

Bonnie Jarvis also placed second in public speaking at the Top-O-Texas district FFA competition.

## To God A Note of Thanks

by Mrs. E.A. Greever

Friends in our study this week, we read in Pro. 27:7: "The full soul loatheth a honey comb but to the hungry soul every bitter thing is sweet."

Jesus often used a parable or some thing we would say in the natural life to explain what he wanted us to know. We will do this concerning this scripture:

If our stomach is full, we would not care for the sweetest of foods, but, if we were hungry even bitter food would be a pleasure to eat.

Now let us hear in Matt. Chapter 5 what Jesus said.

"Blessed are they which do hunger and thirst after righteousness for they shall be filled."

Revelations chapter 3, verse 14 plus the remainder of the chapter makes me feel that I am living at the close of the church age 1987.

Generally speaking. The Bible says that those who half heartedly serve the Lord, he will spue them out of his mouth. He wants persons who are whole heartedly dedicated to him for they shall see the heavens. Jesus shed blood rich and full of goodness and we should be blessed by his goodness to that we may be cleansed in the spirit as well as in the mind.

In verse 19 of Rev. of the Bible says, I counsel the to buy of me gold tried in the fire.

That thou mayest be rich and white raiment that thou mayest be clothed and that the shame of thy nakedness do not appear and anoint thine eyes with eye salve. That thou mayest see.

In verse 19 we hear - As many as I love I rebuke and chasen be zealous therefore and repent. In Isa. 61:10 we read:

I will greatly rejoice in the Lord my soul shall be joyful in my God for he hath clothed me with the garments of salvation.

He hath covered me with the robe of righteousness. Hebrew chapter 4, verse 12 reads: For the word of God is quick (alive) and powerful and sharper than any two edged sword piercing.

Even to the dividing asunder of soul and spirit and of the joints and marrow.

It is a diserner of the thoughts and intents of the heart.

Verse 13 says; Neither is there any creature that is not manifest in his sight but all things are naked and opened unto the eyes of him with whom we have to do.

Friends this tells us that God knows everything about everyone.

I personally feel I must be as it is written in Psa. 139 verses 23-24;

Search me O God and Know my heart try me and know my thoughts and see if there be any wicked way in me.

Lead me in the way everlasting.

When Paul admonished Timothy his beloved son in the faith. He said this to him.

11 Timothy 4, verses 1-4; I charge thee therefore before God and the Lord Jesus Christ who will judge the quick (living) and the dead at his appearing and his kingdom preach the word.

Be instant in season and out of season.

Reprove, rebuke, and exhort with all long suffering and doctrine. For the time will come when they will not endure sound doctrine.

They will lust over their own and shall heap to themselves teachers having itching ears and they shall turn away their ears from the truth and they shall be turned unto fables.

Verse 5 says: Make full proof of there ministry. Whose doctrine should be preached?

Answer: Jesus said my doctrine is not mine but his that sent me (God)

In verse 17 it reads: If any man will do his will he shall know of the doctrine whether it be of God or whether I speak of myself. In Matthew 15:9 and Mark 7:7, it says:

In vain we worship him if after the doctrine or commandments of man. This plainly tells us that it is not what we think or feel when God rebukes us. It is what rewards we will receive in the end.

If you should feel that you do not have the need for the commandments or the doctrine of God or Jesus. If you think you could do with a more easy and smoother doctrine. The choice you make could mean the choice between life or death. In

## Athletic boosters meet Tuesday

other words, living forever with the Lord or not.

Hebrews 12:5 says: My son despise not the chastening of the Lord nor faint when thou art rebuked of him for whom the Lord loveth.

He chasteneth and scourgeth every son whom he receiveth.

Finally the Bible says though at present this is not joyous but grievous.

If you work in the life of Christ you will yield the peaceable fruit of righteousness.
