Dr. L. F. Sheffy Dies in Canyon

Dr. Lester Fields Sheffy, 80, noted Panhandle author and 25 years chairman of the history department at West Texas State University, died Thursday after a month-long illness.

Funeral services were held at 2 p.m. Friday in LaGrone Funeral Chapel, Canyon. Burial was in Clarendon Cemetery.

Dr. Sheffy had served as superintendent of schools at Stratford, Matador and Wellington before joining the WTSU faculty in 1918 as chairman of the history department.

He was author of three historical novels since his retirement from WTSU in 1957, and was working on a fourth novel when he died at Neblett Memorial Hospital.

Dr. Sheffy was cited in a "Texas Heritage" booklet in 1962 for his work in the Panhandle Plains Historical Society.

"While there have been hundreds of people who have played important parts in bringing these two projects (the museum and historical society) to functioning reality, there would be few to deny that the work of L. F. Sheffy had more to do with their ultimate success than that of any other individual," a quotation from the publication read.

Dr. James P. Cornette, president of WTSU, said about Dr. Sheffy, "I don't know that there ever was a man that the expression 'a gentleman and a scholar' could be more appropriately applied than Professor Sheffy."

Survivors include his wife, the former Carrie Smith of Clarendon, two brothers, and a sister.

Richard Campbell Heads 'Li'l Abner' Cast at Texas Tech

Richard Campbell of Matador heads the cast of "Li'l Abner" Tech Opera Theater production slated for performances Dec. 1-2 in Lubbock Municipal Auditorium.

He is the son of Mr. and Mrs. R. E. Campbell Jr.

Admission to the Tech production, featuring a 50-member cast of student talent, will be \$1.25 for students, \$1.50 for Tech faculty and staff and \$2 for the general public. Curtain time is 8:15.

The Tech version of the popular musical comedy based on the famous Al Capp comic strip will bring to the stage the catchy tunes, sprightly dances and sharp satire of the original Broadway hit. Music will be by the Tech Symphony Orchestra.

Dogpatch provides the scene of action as the plot, a mixture of hillbilly nonsense and critical humor, involves the local inhabitants in a desperate effort to prevent the government from seizing their "unnecessary" community as a suitable site for nuclear tests.

Campbell, who portrays Li'l Abner, received early dramatic training in Matador High School under the direction of Mrs. Reece Timmons. His penchant for acting, coupled with his natural ability to sing gained for him the leading part over other contenders.

Dana Gibson of Abilene is cast as Daisy Mae, and Suzy Benton of Pampa and John Gibson of Amarillo appear as Mammy and Pappy Yokum. In the choral group is Gay Lynn Edmondson, daughter of Mr. and Mrs. Julian Edmondson of Phillips and granddaughter of Mrs. T. B. Edmondson of Matador.

Dr. Sheffy had served as superintendent of schools at Stratford, Matador and Wellington before joining the WTSU faculty in 1918 as chairman of the history department.

Prizes Offered In Santa Parade Here

THREE CASH PRIZES of \$15, \$10 and \$5 will be paid by the Matador Lions Club for the best floats in the annual Santa Claus parade scheduled here December 9th.

The announcement was made this week by officials of the civic organization.

Santa will ride a fire truck in the parade, which will start at 2 p.m. Saturday, December 9th. The Ho Ho Man from the North Pole will have packages of goodies (candies, nuts and fruits) for the boys and girls who wish to announce to him that they have been good, and also list the toys they hope to receive for Christmas.

Santa has made a number of pre-Christmas visits here in recent years to check the wants of little boys and girls in the way of cherished Christmas toys. Santa is also running a check of boys and girls who have been good in the past year. It is well-known that Santa brings favorite gifts to the boys and girls who have been good.

In a Tribune interview with Santa this week the whiskered and rotund gentlemen from the North Pole said he had been looking at the gifts in stores in Matador and Roaring Springs and that the gifts were better than ever.

He said he had talked with merchants in the two towns and that they were willing and eager to serve customers who would bring their gift lists. Santa concluded:

"The best gifts in the world are here in these two towns and I don't see any need to go elsewhere."

Roaring Springs FHA to Collect Toys for Repair

The Area I project for Future Homemakers of America, being carried out by the Roaring Springs FHA chapter, for the month of December is to collect new and old toys for repair, to send to the High Plains Training Center in Plainview.

This is a center for the mentally, physically, and emotionally handicapped. The children, ages 2 to 13, come each morning from September to May to attend the school, which has been in existence two years and is supported only by volunteer gifts.

Children from seven counties in the area are brought to this school for help. However, it is not limited only to these counties.

Anyone interested in giving toys or helping support this center in any way, may contact the Roaring Springs F.H.A. All gifts will be greatly appreciated.

Legion to Hear Minister Speak

American Legion and Auxiliary regular covered-dish supper and meeting Monday night, December 4th, will have as principal speaker, Minister Carroll Thomason. Minister Thomason has recently moved to Matador to fill the pulpit at the Church of Christ.

Another feature of the program will be a reading by Lou Pitts, daughter of Mr. and Mrs. Douglas Pitts Jr.

The program and supper are open to the public, with the only requirement being to bring a covered dish to the supper.

ATTEND HURST RITES

James Renfro and son, Charles left Wednesday afternoon for Roswell, N.M. to attend funeral services today at 10 a.m. for Breeb Hurst, who died Monday. Mrs. Hurst is the former Dorothy Renfro Mrs. A. A. Harp left Monday for Roswell to be with her sister until after the funeral. Besides his wife, he is survived by a daughter and two step-sons.

Motley Wildcat Test Announced

First wildcat oil test well to be drilled in a number of months in Motley County was announced Sunday in the Amarillo Sunday News Globe.

The test is 16 miles southeast of Matador, by W. A. Moncrief of Fort Worth. The well, No. 1 Swenson, is to be a 5,000-foot prospector to the Pennsylvanian.

Location is 1,000 feet from south and 1,980 feet from west lines of section 10, TW&NG survey, 10 miles northeast of the Roaring Springs (permo Pennsylvanian) Pool.

Holiday Lights Ready to Shine

HOLIDAY lights above the streets of Matador will be ready to shine by tomorrow night. City employees aided West Texas Utilities crews Monday as the lights were being strung over the business section of the city.

Light snow and freezing rain were falling late Monday to add to the spirit of the approaching Yule season.

Many stores here and in Roaring Springs have decorated windows for Christmas season, and displayed large stocks of Christmas merchandise. Several merchants have announced that larger stocks of "gift" items are available than in previous years.

Matador Lions will present four plaques in the annual decoration contest. Two plaques (1st and 2nd places) will be given for the best decorated places of business. Two plaques (1st and 2nd) will be given for the best decorated residences.

Mrs. H. R. Jameson Home from Hospital

Mrs. H. R. (Skeet) Jameson returned home Wednesday from Lubbock, where she has been a patient in Methodist Hospital since Nov. 15, when she was injured in a highway accident.

She was brought home in a Seigler ambulance and although improved, she is still unable to have visitors, her physician said. Mrs. Ruby Taylor will care for her during her convalescence.

The Jameson sons, Lance and Shannon are staying with the Claude Matney family during their mother's illness.

Director Named for 1968 Spelling Bee

Mrs. Edith A. Timmons, Principal of Flomot High School has been named 1968 Spelling Bee Director for Motley County. It was announced last week this will be the 20th bee sponsored by Globe-News Publishing Company of Amarillo and the 39th year for the National Spelling Bee, sponsored by newspapers throughout the 50 states.

Some time before April 1, the Motley County Bee will be held and the champion will go to Amarillo on April 27, for the annual regional elimination for the National Spelling Bee.

Last year, Alvia Joe Calvert, son of Mr. and Mrs. Doyle Calvert of Flomot was the Motley County champion and placed 12th in the Regional Bee. The champion was an 8th grader in the Flomot school. The Motley County Junior champion for 1967 was David Martin, son of Mr. and Mrs. W. Z. Martin, also of Flomot.

First place winner in the Golden Spread Bee will go to Washington during the first week in June, 1968, to participate in the National Spelling Bee. The winner will also receive several other attractive prizes.

In the school contests, each winner receives a Paper-Mate pen, inscribed "School Champion."

Mrs. Mae Wagley of Moran visited from Saturday until Wednesday with her sister and husband, Mr. and Mrs. J. P. Neighbors.

Baptists Observe Week of Prayer for Foreign Missions

Week of Prayer for Foreign Missions will be observed at the First Baptist Church in services beginning Sunday evening and continuing through Friday of next week. The observance emphasizes the annual Lottie Moon Christmas Offering for foreign missions.

The Woman's Missionary Society will hold special prayer programs on Monday, Tuesday, Thursday and Friday mornings at 9:30, in the church parlor.

Special offerings will be made during the month of December, for the Lottie Moon foreign missions work.

CHAMPIONSHIP GOLF TOURNAMENT SLATED

Weather permitting, the championship golf tournament announced last week will be held at scheduled Sunday, with tee-off time at 1:30 p.m.

Everyone is invited to play. In event weather is too bad for play, the tournament will be held on the first fair Sunday, it was announced.

The tournament is sponsored by the Men's Golf Association.

Harvest Festival to Close Observance

OBSERVANCE of the 75th Anniversary of the First Methodist Church will be brought to a close Sunday, Dec. 3 with a Harvest Festival and dedication of the

BISHOP EUGENE SLATER

parsonage, followed by lunch at the church.

Bishop Eugene Slater of San Antonio and District Superintendent W. A. Appling of Plainview will be present for these events.

Bishop Slater will speak at the Harvest Festival worship service at 10:30 a.m. and will dedicate the parsonage at the close of this service. There will be no Church School on this occasion, it was announced.

The parsonage was built in 1965 with only a small debt remaining at the time of completion. This amount has been paid, and the building can now be presented for dedication.

The Harvest Festival, explained the pastor, is a time when money is raised to pay the Conference commitments and to meet other needs of the church which have not been supplied by the Sundays' offerings. The pastor, the Rev. John Fitzgerrel, has used this plan for several years.

During the 75th Anniversary observance several former pastors have visited the church and preached at the Sunday services.

Perhaps the highlight of this observance was a Sunday evening service held in the open air at the place where the church was organized. The old cottonwood tree that had sheltered the founders had fallen. "The founders, too, have fallen," observed the pastor, "but before they fell they planted something that would live and serve. The Methodist Church in Matador is a living memorial to them."

HOME FROM HOSPITAL

Mrs. C. M. Colley returned home Wednesday of last week from Lubbock where she was a patient in Methodist Hospital for five days.

Many Luxuries Have Been Bought With God's Money, Says Pastor

"True Thanksgiving is to acknowledge the sovereignty of God, to know that when we give to God, we are giving back what belongs to Him. Many luxuries have been bought with God's money," declared Rev. Larry Heard, pastor of First Baptist Church, in a Thanksgiving message Wednesday night of last week.

The community Thanksgiving service was held at the First Methodist Church, with the pastor, Rev. Carl Savage, presiding. Rev. John Fitzgerald, president of the Assembly of God Church was introduced as a newcomer in the community and gave the invocation.

Special music was by the Matador High School girls choir, directed by Mrs. Ronald Davenport. The group sang, "The Lord's Prayer." Also preceding the message was a reading by Laura Jacobs, "Thanksgiving" by Katherine Young.

"Feast of the Tabernacle" Thanksgiving is not a worldwide holiday, nor did it originate in America, although the custom of holding a community day of thanks was first observed here by the Pilgrim fathers, following their first season of harvest, Rev. Heard told the congregation.

"God ordered the Hebrew nation to observe a season of thanksgiving, and it was called the Feast of the Tabernacle," he recounted as he read from Deuteronomy 16:13-17. "This was a time of thanksgiving to the Lord,

MAVERICKS SWAMP PATTON SPRINGS

by Larry Bostick

The Maverick cage team traveled to Patton Springs Thursday night, November 16, and the trip proved to be worthwhile as they captured the game with a 67-30 effort.

The Mavericks got their lead built in a hurry as they scored 21 points to Patton's 8, following with another 21 points in the second quarter. This excellent effort provided the Maverick boys with a 42-10 lead at half time. Not only were the boys hitting on offense, but they allowed Patton Springs only two points in the second quarter.

Their momentum never died as the Mavericks came back and scored 12 points, allowing Patton 7, providing for a lead of 54-17. The final period was a matter of putting the icing on the cake as the Mavericks scored 13 points. The rookies saw substantial action in the second half. In the fourth quarter they gave up 13 points also.

Scoring went as follows: Kenneth Marshall, 17; Ricky Lawrence, 15; Bill Barnhill, 14; David Lee, 8; Dewane Lewis, 5; Lamar Tilson, 4; Hal Martin and Berry Bostick each had 2 points.

Grade School Girls Take Second Game

by Jesse Perkins

The Matador Grade School girls took their second cage win out of as many tries as they defeated Patton Springs Thursday (Nov. 16) by a score of 42-16. The first quarter was not a complete run away as the score stood at 14-4 with Matador on the big end of the score. In the second quarter a Matador bombardment buried Patton into a 30-6 deficit.

The second half was also dom-

nated by the Matador girls. The final score of the game was: Matador 42, Patton Springs 16. Scoring for the home town girls was as follows: Charla Wason 16, Kay Cooper 12, Krista Price 6, Pam Schuchart 6, and Shane Stevens 2.

TANE Speaker Warns Use of Narcotics

by Vickie Holt

On November 13, the high school students and faculty were honored with a visit from Mr. Paul Sieberman, a representative of Texas Alcohol Narcotics Education. Mr. Sieberman spoke to the students and faculty concerning the dangers and risks involved in taking alcohol, drugs, and narcotics.

Mr. Sieberman was dressed as an Indian and used Indian slang to illustrate some of his points. After visiting high school he spoke to the students in grade school.

Mr. Sieberman has visited Matador schools in previous years.

Homecoming Rally Is Spirit-Filled

by Cheryl Moore

Judge Forrest Campbell, president of the Ex-Students Association, presented the welcome to the exes and the students to begin the Homecoming Pep Rally, November 17.

The Estes Sisters, Mrs. W.N. Pipkin, Mrs. W. F. Jacobs, and Mrs. Robert Darsey, entertained the audience with a medley of songs: "Memories," "Beer Barrel Polka," "Yellow Rose of Texas," and concluded their number with "Matador Boy."

MHS cheerleaders Kathy Lawrence and Brenda Wason also led the Pep Club in "Matador Boy." Judged by the teachers, the spirit stick and the prize for win-

ning the sign contest were presented to the Senior class.

For the first time, the "Miss Spirit" award was presented. Senior Seven Smith was given a gold bracelet with an engraved charm. The award was given to her for her cooperation during the '67 season. The pep club then blasted "Spirit" led by the cheerleaders.

Following this yell, Coach David Verner gave a speech on the "Ruler" of spirit. He told the team that "spirit has the same characteristics as a ruler. School spirit — Matador spirit — is a personal quality and cannot be given away."

Pep club president Carol Martin rose before the backers and expressed her thanks to everyone who had helped her in any way. Carol gave her formula for success: "Spirit plus hard work — Success." The Twirlers then gave a routine to the "Woodpecker Song."

Clifford Bradshaw, former MHS coach, inspired the Matadors with a nostalgic talk. Mr. Bradshaw reminded players that "the game of football is same as the game of life." He also told the Matadors to put out that "110 per cent effort."

Captains Larry Bostick and Joey Meador expressed their thanks to the pep club and to all the fans, followed by Kathy's and Brenda's expression of thanks.

The fourth grade Book Markers Reading Club has elected

new officers. They are: president, Tony Rose; vice-president, Ben Charles Grundy; and secretary, Kelly Nimmo.

The club changes officers every two six weeks.

The fourth grade regrets to announce the loss of an outstanding student, Jimmy Stockton, the son of Mr. and Mrs. Freddy Stockton. Jimmy moved to a ranch near Turkey.

All of the students hope that he makes many new friends.

Gay Killingsworth and Victor Gonzales were elected the best girl and boy citizens of the third grade. The honor is voted on by the class and is changed every six weeks.

The fifth grade presented a chapel program Monday, November 20. The program was a musical which consisted of many patriotic songs. While the songs were sung, drawings which had been made by the students were shown to illustrate the different songs. The three narrators were Pepper Nichols, Steve Stevens, and Charles Giesecke.

Mrs. Davenport, the music teacher, helped Mrs. Reeves in presenting the program to the visitors and the other grade school children.

Family Gifts Are Popular

by Helena Mokray
 County HD Agent

With the Holiday Season around the corner, families may be considering a modern stove, freezer, or new TV for the home. Major appliances are gaining popularity as "family gifts." Often they are investments that would need to be made regardless of the season. However, by setting aside a part of the money that would be used for gifts, the

needed appliance can be purchased more easily.

A major appliance is one of the largest investments in the home, and should be chosen carefully. Thought and planning must go into the purchase of appliances such as refrigerators, freezers, washers, dryers, dishwashers and T.V. sets. Among the factors to be considered are the size and needs of your family, your budget, and space available.

When selecting a refrigerator or freezer or combination, look for the work saving features of "frostless" models, adequate shelf storage, and flush door hinges. Select one that will suit the size of your family and the amount of food that will be stored.

Range you select should be one that will be easy to clean. Removable parts such as doors, cook tops and oven racks help make the cleaning chore easier. Features such as the built in timer for "programmed cooking", automatic burners that adjust the temperature, built in griddles, or rotisseries are good buys in a range only if you use them.

There is a wide range of washers and dryers to choose from, all improved to offer more efficient operation. Look for multi-speed in wringer washer and automatic washers, automatic controls to shut off the wringer type at a pre-set time, safety lids switch to shut off the spin phase

of any cycle when the lid is raised, on the automatic types and built-in lint filters in dryers and automatic washers.

Dishwashers may be considered a luxury item to many, but many families now consider them necessities. The average homemaker will wash and dry 1,500,000 pieces of silverware, dishes, pots and pans. A dishwasher will take on this chore and do a better, more sanitary job. Automatic dishwashers fall into two categories, portable and built-in. Look

for a minimum capacity of 12 table settings for the portable and 14 table settings for the built-in, final wash and rinse cycles from 145 degrees to 180 degrees. Hard water is a problem for automatic dishwashers, a water softening system or wetting agent must be used. In some models, wetting agent is added automatically.

Easy terms add on extra charges, if you need the refrigerator right now, it would be worth buying on credit.

COUNTY AGENT PALLMEYER SAYS:

Reports from the Memphis Cotton Classing Office show that 69% is light spotted and 28% white. The chief grades are Middling Light Spotted-55% and Middling-20%. Staple length has ranged from 7/8 in. to 1-9/32 inches. 70% is 15/16th inch, however, 82% of the cotton has miked in the 30 point premium range (3.5-4.9). Pressley strength tests reflect stronger fiber than last season. 75% tested 75,000 pounds per square inch and above, and 2% tested above 100,000 lbs.

Average prices paid for mikes readings 3.5-4.9 were: Middling 15-16-20.00, Middling 31/32-21.80, Middling Light Spotted 15.16-19.20 and Middling Light Spotted 31/32-20.15. Most gin points were paying \$55-57 per ton for cottonseed.

I think most of us are aware that as the outside temperature drops, indoor fire dangers increase. Do we do anything about this?

A thorough check of the heating system should be made even though it may already be in operation. When the heating system is pushed hard in cold weather, any weakness in the equipment may show up with disastrous results. Clean furnaces and heaters at regular intervals, and keep combustibles away from them.

Don't place portable heaters in halls, doorways or other spots which might block your escape. Keep them away from curtains, clothes racks and other combustibles, and remember, all heaters that burn gas, oil or wood must be vented to be entirely safe.

A tractor can be your friend, if you will use correctly, but a deadly enemy if used incorrectly. Most of us try to make friends, so how about following these for tractor safety:

1. Select a safe speed for each job, reducing speed when turning, working on slopes or on rough uneven ground.
2. Set wheels wide as practical for jobs, especially when working on slopes, around rocks, gullies or holes.
3. Stay safely clear of large open ditches, and drive slowly when crossing or working shallow ditches.
4. Hitch only to drawbar or regular hitch points. Set drawbar 17 inches or less from the ground, and engage the clutch smoothly.
5. Add front end weights for balance, especially when pulling loads up a grade.
6. Slow down in tall weeds or grass, watching for hidden logs, stumps, etc. Also reduce speed at night when visibility is poor.

7. Back the tractor up really sleep grades.
8. Use lower gear when going downhill, keeping loads within the ability of the tractor to control them.
9. Operate a front end loader according to the instruction manual. Don't overload, and add rear wheel weights.
10. If you get stuck, back out if possible. Don't chain blocks to drive wheels, as the chasis can revolve around the axle if wheels stick.
11. Don't use a tractor for horseplay, or herding cattle.
12. When on public roads, observe traffic rules. Identify rig with SMV emblem.

It's not too early to start thinking about brush control for the coming year. These figures may help you reach the decision as to whether you want to let the mesquite grow until a kill is found or control it now.

A rancher in DeWitt County, Texas is realizing \$3.51 per acre by using chemical weed and brush control measures. One pasture was treated with an aerial application of 2.45-T, diesel oil, and water, with a similar pasture receiving no treatment. Cost of chemicals and application amounted to about \$3 per acre, but this

Tribune, Matador, Motley County, Texas, Thursday, November 30, 1967

cost was more than offset by the extra beef raised. The treated pasture produced an average of over 65 pounds of weaning calf per acre, and the untreated pasture yielded only about 49 pounds per acre.

A shortage of grazing in the untreated pasture necessitated the feeding of hay to the cows, at a cost of \$1.71 per acre, thereby showing the value of range management combined with brush control. The moisture used to produce brush can be used to produce grass. Ranchers over the brush zone of Texas have their choice, as proper management will allow for brush control to be a paying proposition for most ranchers.

Rolling Plains PCA Announces Changes

C. G. Burson, Sr., of Haskell, former President of the Board of Directors of the Rolling Plains Production Credit Association, has been elevated to the position of Chairman of the Board and Lasater Hensley of Guthrie now holds title of Vice Chairman. These changes in title were an-

nounced following a recent meeting of the association's board of directors.

Other promotions announced were: J. L. Hill, Jr. to President; J. R. Gleaton to Vice President; R. C. Cobb, Secretary-Treasurer and Joe A. Hanson, Assistant Secretary-Treasurer.

President Hill stated that the new titles more accurately reflect the image of a corporation with assets in excess of 12 million dollars. In his position as President, Hill will remain the chief executive officer of the association.

The Rolling Plains PCA makes agricultural loans to some 1700 farmers and ranchers in 17 counties and maintains offices in Stamford, Haskell, Spur, Munday, Anson, Memphis, Matador, Paducah and Wellington.

Ward Rattan is Field Representative in charge of the Matador office. He is assisted by Helen Meyer.

Mrs. A. B. Nichols spent last week end in Lubbock with her daughter-in-law, Mrs. Ralph Nichols, whose son, Carroll Nichols was home on leave from Navy duty. Mrs. Nichols and her sister, Mrs. Ira Hull accompanied Mrs. A. B. Nichols home on Wednesday.

HON MATADOR TRIBUNE

THE BOOK—Holding a copy of his book, Trail Dust, Douglas Meador, Tribune editor for a third of a century, contemplates its reception by the public. It is a reprint of the original book published first in 1940, and out of print since World War II. The new book contains some recent paragraphs from the column, and a number of drawings. Photo was made by Tanner Lane of the Lubbock Avalanche-Journal. A feature on Meador and his book appeared in the Sunday issue.

FORMER RESIDENT HAS HEART ATTACK

Mr. and Mrs. Frank Price were called to Pasadena, Tuesday night, to the hospital bedside of his mother, Mrs. Sterling Price, who had suffered a heart attack. She had been spending the past month with her daughter and family, Mr. and Mrs. W. R. Coffey. Joining the family Wednesday were Sterling Price of Concord, Calif., and daughter, Mrs. Charles McDowell. In a telephone conversation late yesterday, relatives here learned that Mrs. Price was much improved. She is in Pasadena General Hospital.

HAS SURGERY

Mrs. Marvin Brotherton is a patient in Quana Memorial Hospital, Room 207, following surgery Wednesday morning. She was accompanied by Quana Sunday by her son and daughter-in-law, Mr. and Mrs. Glen Brotherton, who returned there yesterday to be with his mother following the surgery.

HOME FROM VISIT

Mr. and Mrs. J. L. Woodruff returned home Sunday from a two weeks visit with relatives in Weatherford, Crockett and Franklin. Her sister, Mrs. T. P. Metcalfe of Franklin accompanied them home for a visit here.

IN PADUCAH HOSPITAL

Mrs. W. B. Vaughn is a patient in Richards Memorial Hospital, Paducah, where she was conveyed Friday, in a critical condition. At her bedside have been her husband, Rev. W. B. Vaughn, and sons, Wayne Vaughn of Big Spring, and Mr. and Mrs. Marvin Vaughn. A number of local friends have also visited her.

Gary Markham, A&M student at College Station spent the Thanksgiving holidays with his parents and family, Mr. and Mrs. E. E. Markham.

Mrs. Alma Hoyt of Arlington, Tex., visited here this week with her cousins, Mrs. Olive Russell and Mrs. John Hamilton, and an aunt, Mrs. Myrtle Stubbiefield.

ATTEND FUNERAL AT FARMINGTON, NEW MEX.

Mrs. Jinks Wilson accompanied her father and sister, Otha Smith and Mrs. Babe Oliver of Dumont, to Farmington, N. M. last Wednesday to attend funeral services of Otis Smith, 67, formerly of Roaring Springs. Mr. Smith died on Monday, and services were held at 10 a.m. Thursday.

Also attending the funeral were Rev. Mrs. Ben Dillard and Mr. Dillard of Roaring Springs. The Rev. Mrs. Dillard assisted in the services.

ATTEND FUNERAL OF COUSIN AT NOLAN

Mrs. R. A. Seay and Mrs. Ernest Fisher accompanied their brother, Gabe Garrison and his son, Don, of Silverton, in attending the funeral of a cousin, Britt Linn, 85, Monday, at Nolan. Mr. Linn was a long-time resident of that community.

IN APPRECIATION

We are deeply grateful and indebted to friends and neighbors who gathered Dale's and our feed last week. You have all been so wonderful to us during our misfortune and sorrow and we want each of you to know how much we appreciate and love you.

Mrs. Dale Dixon, Mr. and Mrs. Marvin Dixon and Spencer, and Mr. and Mrs. Leon Elliott. (1)

IN APPRECIATION

I would like to express my appreciation and thanks to the people who visited me from Matador and Lubbock, and for the many cards and letters I received while in the hospital. May God bless all of you.

Mrs. C. M. Colley

CARD OF THANKS

Words cannot express our appreciation for the kind expressions of sympathy that were offered at the death of our father and loved one, Otis Smith. The flowers, cards, words of condolence and prayers meant so much to us at this time.
Mr. and Mrs. J. W. Maritt, Jama and Cary
