around Muleshoe Merchants Offer Special Buys

Mr. and Mrs. B.C. Best, of Dallas, recently spent the weekend in the home of Mrs. Snow Davis, and her daughter, Mildred, 624 W. Ave. D. Mrs. Best is Mildred's aunt.

Mr. and Mrs. Eugene Black and daughter, Marilyn, spent last weekend in Dallas visiting with their son Stanley. Another son, Clifford, a student at Tarleton State College, met them there to be with the family. A third son, Steven was in Houston showing stock at the Fat Stock Show.

Mr. and Mrs. Howard Elliott attended funeral services, March 4, for his sister, Mrs. L.A. Proctor, at the First Methodist Church of Haskell. Mrs. Proctor died, March 2, in Knox City Community Hospital, after a lengthy illness. She is survived by her husband, L.A. Proctor, and other brothers and sisters, Chester Elliott, Austin; John Elliott, Lubbock; Mrs. Billie Horton, Dallas; Mrs. Strickland, Munday, Miss Blanche Elliott and Miss Clifford Elliott, Knox City.

Membership Drive Underway By Lions

It seems that 'The Good Guys' and 'The Bad Guys' are in stiff competition in Muleshoe at the present time. For the past three weeks, with the two teams, new members are being recruited for the Muleshoe Lions Club. President Buck Johnson said Frank Ellis is chief of 'The Good Guys' and Irvin St. Clair heads up 'The Bad Guys'. Five new members have been secured and the contest will run to April 1. Johnson whispered that 'The Bad Guys' are presently outdoing 'The Good Guys' and are some 275 points out in front. He added that the loser team will be servants for the winners until they complete plans and give a party for the winning team. According to Johnson, should 'The Bad Guys' lose, they plan to have the party on April 1.

Points are being given for members present, guests and new members. At the noon meeting Wednesday, representatives of Southwestern Public Service Company presented Vince Lombardi's film "Second Effort." Members and guests who met at

'Bogorra' and 'Tis the Luck of the Irish... and anyone else who comes to Muleshoe Tuesday. Traditionally, March 17 has been celebrated as St. Patrick's Day, or the day of All-Irish. There are parades and celebrations, not only for those persons of Irish descent, but everyone who could get in on the act. This year, the Businessman's Committee of the Muleshoe Chamber of Commerce decided to help celebrate this special day in a different manner. Tuesday will not only be St. Patrick's Day (for the wearing of the green) in Muleshoe, but will also be a citywide Treasure Hunt Day.

Cooperating merchants in town, and there are many of them, will post numbers in their store on specially marked merchandise. The numbers will correspond with numbers printed on the upper right of page one of the Bailey County Journal. In order to buy the merchandise at ridiculously low prices, you will need to take the entire paper around to the various stores and check for your corresponding number as posted on the sale merchandise. No numbers will be given by telephone.

This Treasure Hunt will be comparable to the Treasure Hunt held by the local merchants for George Washington's birthday sale in 1969. All issues of the Journal will have printed numbers in the upper right corner and anyone is eligible to participate except for

Narcotics Meet Slated At Hub Tuesday Night

"Narcotics" is the subject of a program scheduled for Tuesday, March 17 at the Hub Community Center. This meeting set for 7:30 p.m. is sponsored by the 4-H Clubs of Parmer County according to Janice Miller, County Home Demonstration Agent and Ronny McNutt, County Agricultural Agent.

Four-H members from Amarillo will present this educational program. The mental and physical effects of using drugs will be discussed. There will also be a display showing the different kinds of drugs.

This program is for youth and their parents; to give a common ground of understanding. "We would like to encourage any interested young people and their parents to attend this program," stated the agents. "The 4-H members are glad to have this opportunity to help inform the citizens of Parmer County of the very real danger of drugs."

Crew Leaders For Census '70 Appointed

Mrs. Clarence E. Mason has been named crew leader for Bailey County for the 1970 Census of Population and Housing.

The announcement was made by R.L. Butler of the Census Bureau's temporary office in Amarillo.

Each crew leader will supervise 15 to 20 enumerators in the big nationwide census that begins April 1. Crew leader training is now underway. Topics being covered in the training sessions include procedures for training, canvassing methods, preparation and submission of reports, and

EASTER HAPPINESS IS SHARING--Christi Spies, left, three year old daughter of Mr. and Mrs. Ronnie Spies offers her chocolate Easter bunny to James Christian, three year old son of Mr. and Mrs. Clarence Christian, in exchange for a candy Easter egg. The youngsters share the spirit of exchange as they get a sneak preview of Easter from the younger viewpoint.

District Attorney Gives Vote Info

As many people have been inquiring about voting procedures following the precinct boundary change as approved by Bailey County Commissioner on January 19, District Attorney Jack Young was asked for an opinion.

The district attorney commented, "As I understand it, the precincts have been redistricted.

"People in the new precincts will vote in their new precinct as the county is now divided."

A local resident, Lee Pool, met with the Bailey County Commissioners on December 8, 1969 and requested a boundary change for the four precincts in the county to conform with the 'one-man, one-vote' Supreme Court decision.

Pool, along with D.O. Kinard and Edd Edmiston filed a suit in district court on December 30, 1969, requesting the change to equalize the precinct voting populations.

County Commissioners approved the new precinct boundary lines in a County Commissioner meeting January 19 and maps of the new boundary lines were printed in the Journal on January 22.

Several Students Award Recipients

In a special assembly Friday afternoon, eleven Muleshoe Junior High School students were award recipients from three different sources.

Following a humorous, well-presented western comedy by Mrs. Davis' speech class, the first awards were presented by F.D. Rogers, American history teacher.

The Muleshoe schools participate in the Plains American Heritage Association. This association, administered by Wayland College and funded by the Texas Bureau for Economic Understanding, has for its major purpose the development of a deeper understanding of and appreciation for the foundations of the American heritage.

Rogers encouraged his students to participate in this contest with either an illustrated report, which was an extension of the eighth grade history curriculum.

Local judges made the following awards: Cynthia Wrinkle, first with "Life on a Houseboat"; Terri Bryant, second with "Sod House of a Pioneer"; Kathy Burris, third with "American Indians"; Douglas Walker, fourth with "An Early American Fort" and Cynthia Chandler, fifth with "James-town, Virginia."

The students received checks for \$3 to \$15 for their winning entries.

Honorable mentions went to Steve Block, Gayle Jones, Donita Throckmorton, George Mitchell and Maria Gomez.

Five students were presented awards by Lewis Scoggin, member of the board of directors of the Blackwater Valley Soil and Water Conservation District. The awards were presented to the students for writing essays on the topic "My Stake in the Natural Resources of Texas."

Larry Sutton was first place winner in this contest; Lauren Hall, second; Gary White, third; Tim Sooter, fourth and Jana Cont'd on Page 2, Col. 6

Young Farmers Collecting Corn And Grain

Muleshoe Young Farmers are collecting grain and corn for Boys Ranch.

If you would like to share in this program, you may take your grain or corn to any area elevator or to Texas Sesame Co. by March 23 where it will be picked up by Young Farmers and taken to Boys Ranch.

If more information is desired, you may contact Jimmy Dale Black, Young Farmers president, Clarence Christian at Texas Sesame or Ben Roming.

Boys living at Boys Ranch are allowed to raise many farm animals in 4-H programs. Also, enough stock is raised on the Ranch to furnish the meat for the approximate 350 boys who find a home there.

Teacher Aide Study Group At Workshop

Thirty-two teacher aides from this area attended a follow-up workshop March 10 at the Region XVII Education Service Center in Lubbock.

Attending from Muleshoe were Christina Espinosa, Cordy Velasquez, Frances J. Minkler, and Juanel Goble.

The meeting was for teachers who attended the Migrant Classroom Aide Institute or the Teacher Aide Institute at Texas Tech last summer.

Mrs. Donna J. Peck, field consultant and teacher aide specialist for the Southwestern Cooperative Educational Laboratory, conducted the workshop.

Emphasis was placed on relationship and communication between teacher and aide as visual aides and group discussions were employed.

Introductory Meeting Held Here Thursday

An introductory conference on the possibility of organizing a fine arts council to develop a cultural program for communities within a 50 mile radius was held Thursday, March 12, in the Council Chamber of Muleshoe City Hall.

Jo Ann Liethen of Farwell briefly outlined a program spreading throughout the nation under the auspices of The National Endowment for the Arts, Washington, D.C., and Texas Fine Arts Commission, Austin. It involves community financial support and creation of regional fine arts councils, to participate jointly with national and state agencies in bringing the best of music, theatre and drama groups, dance, painting, sculpture, literature, architecture, and horticulture to small, culturally isolated towns and rural communities.

Fine art council membership would be composed of equal representation from Farwell, Bovina, Lubbock, and Muleshoe. Its purpose would be to promote, encourage, direct, sponsor and develop area cultural activities in cooperation with school systems, civic groups, and local governments.

Federal and State grants to area fine arts programs are available to communities organized and funded as units. Lubbock, she reported, is in its fifth successful year with an expanding program, due to cooperation of citizens, chamber of commerce, schools and service clubs.

Peggy Snider also of Farwell, stressed the conference was the first step towards a long term effort to benefit from

Cowboy Dan Reeves Is Banquet Speaker

When all the girls and boys involved in sports at Muleshoe Junior High and Muleshoe High School are honored at a banquet on Monday, March 23, Dallas Cowboy Dan Reeves will be special guest speaker.

Although small for professional football, six-one and 200 pounds, the 26-year-old running back for the Cowboys "seems to have the knack for doing the right thing at the right time" according to Coach Tom Landry.

A native of Rome, Ga., Reeves attended college in South Carolina. Originally a quarterback in college, he has played many places, secondary, receiver and running back. Landry said "He made it big. It's a gift. He had a heart for the game."

Reeves said he believed his playing quarterback at college was a major asset to him learning the game.

He is married and the father of a son and a daughter.

Speaker Reeves was obtained through the courtesy of Gifford-Hill Western Company.

The 141 boys and girls who have been active in all phases of sports will meet, along with their dates, parents, coaches, teachers, members of the Muleshoe Athletic Booster Club, sponsoring group, and interested citizens at the Muleshoe High School cafeteria at 7:30 p.m. on Monday, March 23.

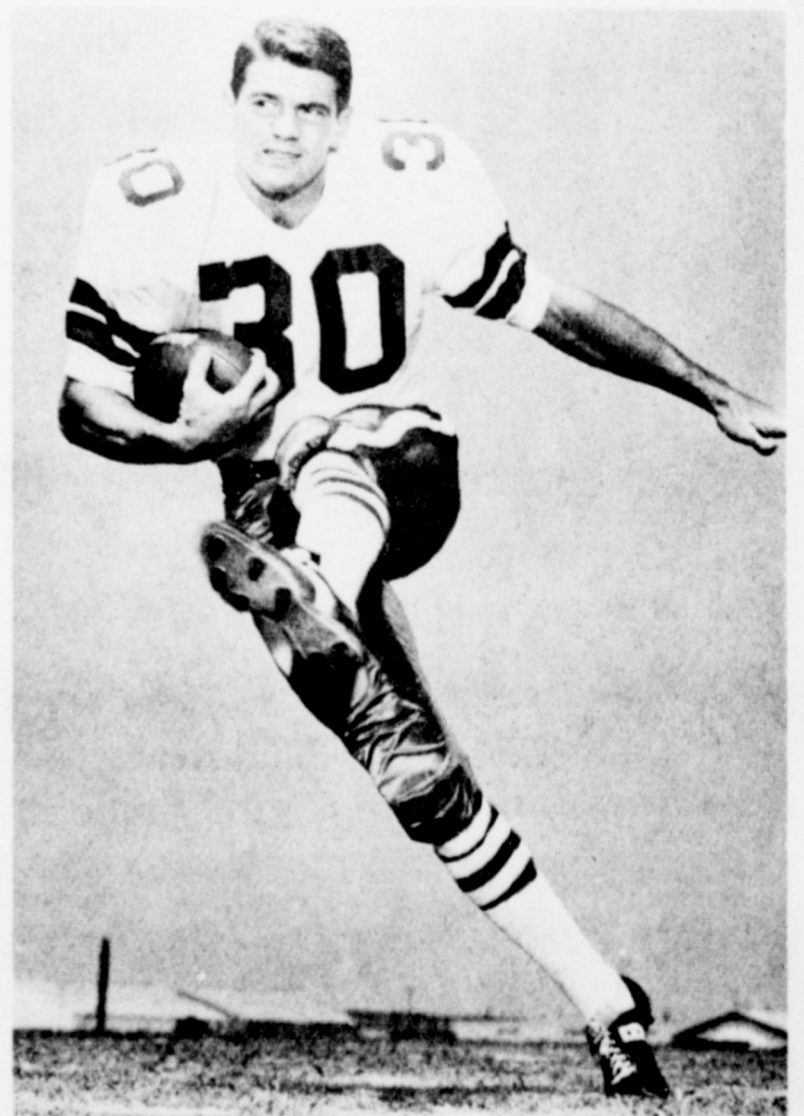

Annually, the Muleshoe Athletic Booster Club sponsors the banquet to honor all school athletes. During the banquet this year, awards will be presented to the outstanding players for each of the competitive sports in the schools.

Providing entertainment will be 'The Free Entertainment' a local folk-singing group. Members include Brian Maconi and Leland Ferris, guitarists and vocalists and vocal members Jesse Clemmons, Waid

Easter Egg Hunt Slated Saturday

Next project for the Muleshoe Jaycees will be the annual Easter Egg Hunt which is sponsored by various Muleshoe merchants and conducted by members of the Jaycees. The Easter Egg Hunt will be held Saturday, March 21.

Local merchants supply the eggs and prizes with Jaycee members working out the details. Jaycee Leroy Maxwell of C.R. Anthony Co. was appointed chairman with committee members including Jeff Smith, Muleshoe State Bank; Doyce Turner, farmer; John Blackwell, Singleton Funeral Home; Curtis Walker, Production Credit Association; Ronnie Upton, Muleshoe High School; Tommy Black of Cobbs and Jerry Hutton, chamber of commerce manager.

A future project discussed by Jaycees during their Monday meeting was a Youth Golf Program in cooperation with Jerry Mobley, golf pro at the Muleshoe Country Club. Mobley has agreed to give ten free group lessons to all youth between the ages of eight and eighteen. Only qualification is an interest in the sport of golf. Jaycees will purchase the clubs to be used in this program and will also present trophies for youth who participate in the newly proposed program.

Included with the free lessons will be clinics and exhibitions by some of three touring professionals who have been contacted by the Muleshoe golf pro. Adults will be entitled to attend the clinics and exhibitions by the touring pros by

paying a fee to help defray the costs of the golf program. Turner and Max King of King Elevator were named co-chairmen.

Jaycees announced that the mobile x-ray unit will again be co-sponsored by the Jaycees. Muleshoe Rotary Club and Muleshoe Lions Club on May 20 of this year.

Discussed was the Muleshoe-Stegall Opportunity Plan. Derrell Oliver of Irrigation Supply said five students are utilizing the plan at this time for their college education. He reported that the funds locally are depleted and asked suggestions from the club on a fund-raising project.

Dick Johnson of Johnson Furniture reported that \$800 has been collected for the new Muleshoe Youth Football, Inc. An additional \$1000 has been pledged, he reported.

An Outstanding Young Educator Award will be presented by the Jaycees at the TSTA banquet in May; new Jaycee member Jerry Stover, Bratcher Motor Supply, was welcomed; director candidates spoke and President Curtis Walker announced a joint meeting with Rotary for Tuesday to present accomplishments by the Jaycees.

Attending the Monday Jaycee meeting were Bob Stovall, Max King, Marlin Mills, Marshall Lee, Jeff Smith, Jerry Hutton, Kenneth Henry, Charles Smith, Dick Johnson, Curtis Walker, Ed Weurflin, David Sudduth, Derrell Oliver, Bill Dale, Donald Shanks, Ronny Spies, Duane Seay and Tommy Black.

complex inter-action of federal, state, and local institutions. General discussion emphasized at least one thousand citizens of the five-community area, each contributing membership fees to be determined, would be necessary to get the program participation base established. Periods of one to five years' educational promotion of the need and desirability were recognized as probable to "sell" the people of the five-town radius. Seating and facility limitations were considered, there being no building available with seating capacity of more than 600 hundred people.

Eleven persons interested in working towards participation in this cultural opportunity were present at the meeting: Jo Ann Liothen, Farwell; Peggy Snider, Farwell; Sue Naegle, Bovina; Lillian Smith, Lazbuddie; from Muleshoe were; Elizabeth Black, Neal D. Dillman, Ruth Hammock, Blanche Lenderson, Jessica Hall, Jerry Hutton and Jane Morgan.

Material published in the Avalanche-Journal concerning federal and state legislation establishing organizations relating to cultural and fine arts programs, and its successful progress in Lubbock was available to the group, as well as ideas for corporate structure of the proposed Fine Arts Council.

More background information will be published in this newspaper in subsequent editions.

Conventions are a multi-million dollar business in large cities, and there is much competition for them. Muleshoe has been fortunate in that respect, but on a smaller scale.

The Muleshoe Study Club was host to their District Federated Club Convention, which meant bringing 150 to 200 ladies from out-of-town into Muleshoe. The District P.T.A. will have their workshop here in early April. This will mean 400 to 500 out-of-town people coming to Muleshoe. Some will stay overnight in Motels, some will buy gasoline, all will eat meals out, and some will visit the shops down town, which means our town is benefiting from these conventions and workshops. We appreciate the Muleshoe Study Club and P.T.A., and would encourage others to schedule their meetings, banquets, etcetra, to come to Muleshoe.

Oyler, fifth. Larry will go to the state banquet in Fort Worth on Saturday, May 2 if he passes the local competition. The Panhandle banquet for Region One will be held in Brownfield on May 7.

Third award presented at the assembly was to 'The Outstanding Young Student in Muleshoe.' This award was presented by the ESA Sorority. Preliminaries were given by Mrs. Jack Rennels, who cited the reasons for giving this particular award.

Mrs. Rennels commented that due to the adverse publicity given so many youngsters today, the ESA decided they wanted to award one of the majority groups, the good youth. She cited the many qualifications for the local award and added that the final decision was made through personal interviews and an essay.

President of the Muleshoe ESA Mrs. Eugene Howard presented the award to Denette Mann.

Pictures of the award presentations will be in the next issue of the Journal.

Library News

By Anne Camp

Mrs. Bernis Camp, Mrs. Joe Sooter and Mrs. Bobby Henderson attended a workshop in Lubbock, Tuesday. This workshop was on Public Relations and the public library.

The library has many new books arriving daily. From our Memorial Fund, many of which are books for the late Marie White, one of which is just too beautiful to miss is 'In Our Image,' by Houston Hart. It contains 26 intensely moving Old Testament character studies, with accompanying portraits done by Guy Rowe, a Time-cover artist. He spent nearly four years on the 32 pointings. Ask to see this beautiful book at the library.

The library had F.M. McCarty as a visitor this week. McCarty is the author of two books already on our shelves - 'Big Bend Country' and 'Chihuahua Al Pacifico'. His latest effort is a 'Texas Guide Book,' which we now have for our patrons.

Another new book at the library that we are very proud of is the big, beautiful 'American Heritage History of World War II'.

Mr. and Mrs. Lee Pool returned Tuesday from a trip to Houston with Pool's brother and wife, Mr. and Mrs. Harvey Pool of Levelland. They left home March 5 and visited with the Roger Pools in Seminole and went on to Houston to visit their daughter Sylvia.

While in Houston they saw the office where Sylvia is employed and which she had decorated, saw the Stock Show, attended Holiday Dinner Theatre and many other interesting places before returning Monday to Seminole for an overnight visit with the Roger Pools, and then on home the next morning.

Mrs. Bonnie Harlin and her brother and wife, Mr. and Mrs. Lewis Sanders of West Camp community, returned Tuesday from a fishing trip to Lake Graham and Possum Kingdom. They were met there by Mrs. Harlin's niece and family, Mr. and Mrs. Robert Hukill and daughter of Irving.

Their 'fishing luck' was not good due to the norther, but Mrs. Harlin caught a 12" bass and thought the trip extra fine.

Corn Production Being Studied By High Plains

The importance of irrigation and fertilizer to corn production was emphasized in a test conducted by High Plains Research Foundation scientists on the George Sides farm near Dimmitt.

Although the value of fertilizer has been pointed out, this 1969 corn irrigation-fertilizer study showed that irrigation, specifically the timing of irrigation influenced yields more than different fertilizer rates.

An early irrigation at one week after tassel initiation appeared to cause vegetative growth, resulting in taller plants and lower yields.

The corn irrigated at this time produced an average yield of 91 bushels per acre while corn irrigated two weeks later produced 107.2 bushels per acre, a 16.2 percent increase.

The addition of 30 pounds of sulfur gave indications of economic increases. When sulfur was added along with 180 pounds of nitrogen, the yield was increased 2.3 bushels per acre

with the early irrigation and 5.3 bushels per acre with the later irrigation. Both areas also were irrigated at tassel, silk and milk stages of plant development.

A soil test indicated the study area was very low in both nitrogen and phosphate and also low in organic matter. However, yield data indicated that the addition of phosphate reduced yields in the early irrigation and was not profitable on the later irrigation plot.

In other corn research conducted by Foundation scientists, 14 corn hybrids were evaluated for ensilage production and 13 late maturity and 28 early maturing hybrids were studied in the corn variety performance tests.

Results of these studies and detailed information on the test plot on the Sides' farm will be available in the 1969 annual Research Report to be ready for Foundation members in March.

Dumas Named Grain Sorgham Meeting Site

The Texas Grain Sorgham Producers Board will hold its next regular meeting in Dumas, Board Chairman, K.B. Parish explained that, "It is the policy of the Board to rotate its meetings from one area to another. This gives our members an opportunity to visit farmers throughout the 29 county area it represent."

The Texas Grain Sorgham Producers Board was established by a referendum last fall, at which time farmers throughout the 29 county area of Texas High Plains and Panhandle voted to assess themselves five cents per ton. This money is to finance research and market promotion. The goal is making more net profit in grain sorghum through reducing production costs and stronger grain prices brought about by added demand.

The Board in previous meetings has set greenbug control methods as its top priority. This insect has caused millions of dollars worth of damage and added tremendous costs to production in insecticides during the last two years. Mr. Parish said, "In the area of promotion, we feel that we can help build West Texas into one of the world's leading pork production areas, the same as it has become for cattle feeding. This will add to out demand for

School Districts Tabbed For Local Fund Costs

Counties Spurn Food Program--Oil Spill Reported--
Mineral Rights Dominant--

AUSTIN, Tex.--Local school districts will contribute \$217.2 million toward financing Texas' basic foundation education program in 1970-71.

State Board of Education settled on this figure in approving local fund assignments of approximately 20 per cent of the total program cost. State pays the rest.

Sixty-first Legislature set local fund assignment at \$204.9 million, plus 20 per cent of the cost of new programs.

Board approved the economic index for each of 254 counties, determining the contribution to be made as a fair share of costs. Each district is further assigned an amount based on the percentage of tax valuations. Tentative indexes have been mailed to district and county superintendents.

Economic index is re-computed each year, based on three-year averages of valuations, scholastic population and income.

In other action, the board: *Reversed the Taylor County School Board order to transfer 73.9 acres of land and 10 pupils from Wylie to the Abilene School districts, on grounds that local trustees made the original decision in a secret meeting... which is not legal under Texas laws.

*Approved for readoption \$3,076,149 worth of textbooks in 36 subjects covering all grades.

*Awarded a \$150,000 contract to Texas A&M University to train driver education teachers and teaching assistants in two summer short courses.

*Heard a report that there is no significant disadvantages

for driver education students from use of non-degree teaching assistants in driving courses.

*Voted to continue the School for the Blind project to develop a perceptual training program for visually-handicapped children in 1971 under a new \$69,041 contract with the U.S. Office of Education.

COURTS SPEAK

In a precedent-setting case, State Supreme Court held that mineral rights are dominant over surface rights in lands condemned by government agencies.

Owners have a right to reasonable use of the surface to get minerals under such lands, says the Court, and where public use interferes with recovery of minerals, a second condemnation proceeding is necessary. Case involved 7.6 acres of land condemned by Chambers-Liberty Counties Navigation district.

High court also agreed to hear arguments April 1 as to whether a house owned by the San Antonio Methodist Church should be exempt from property taxation. House is used as a residence for the church's district supervisor. Fourth Court of Civil Appeals earlier reversed a local district court which contended the house is exempt. Abilene appeal from judge-

ment of \$29,545 favoring a landowner whose 35 acres were condemned for a city airport was rejected by the Supreme Court.

GOALS IDENTIFIED

Phase II of Gov. Preston Smith's "Goals for Texas" program was kicked off when representatives of each of the 21 planning regions of the state came to Austin for a conference and presented recommendations for improvements in the Texas way of life.

These recommendations will form the basis of his 1971 recommendations on state goals, says the governor. Smith sees the process as "bringing the government close to the people"... a procedure he favors.

"If we win, we will have made state government more responsive and more relevant to all Texans," he said. "We will have taken the leadership among our sister states in providing solutions to our own problems and, more important, we will have involved people in the decision-making process."

INSPECTION DEADLINE NEARS

There still are nearly 3.2 million Texas vehicles yet to be inspected before the mandatory April 15 deadline, Department of Public Safety warns.

About 2.4 million cars and trucks have complied with inspection requirements since the new period began on September 1. This is the last deadline under the old law. State now is on a 12-month inspection period, with stickers expiring on the last day of the month, 12 months from date of the sticker.

New stickers are placed on the left side of the windshield. They show the month of inspection and expiration. So, if you still have a sticker on the right side of your windshield, your car must be inspected by April 15.

APPOINTMENTS

Governor Smith named S.W. Noble of Lubbock to the Texas State Board of Public Accountancy, succeeding D.L. (Pete) Brooks of Amarillo.

Smith also announced these appointments:

Texas Library and Historical Commission -- Dr. James M. Moudy of Fort Worth, filling the unexpired term of Fred Hartman of Baytown, who resigned.

Lavaca County Flood Control District No. 3 Board of Directors -- James N. Bozka, Robert Joseph Pesek, Erwin Joseph Bucek, Leon Louis K-

OIL SPILL REPORTED

A "major oil spill" resulting from a pipeline leak into water supplies of Mineral Wells and Santo Water Supply Corporation has been reported to Governor Smith.

Site of the 500-barrel spillage is on the south fork of Palo Pinto Creek near the Gordon community. It occurred when a bulldozer operated by a farmer apparently broke an eight-inch, high pressure pipeline. State Health Department was called in to protect the health of area residents, and the Water Quality Board said the attorney general may be asked to file suit against negligent parties.

FOOD PROGRAM

Eight counties still refuse to participate in free food distribution programs for the poor, reports the Texas Welfare Department.

Counties are Gillespie, Kerr, Uvalde, Bowie, Edwards, Randall, Roberts and Colorado, Department said. Another 29 are undecided or have not indicated a preference to welfare officials.

In any county which refuses to cooperate in a food assistance program, Welfare De-

partment will, under court order, operate a commodity distribution program at federal expense, Commissioner Burton Hackney said.

To Europe With Money Tree

Mrs. Rickey Vernon

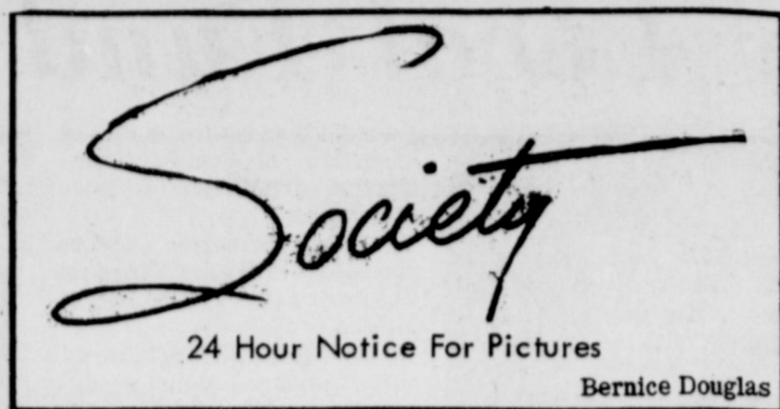

Money sprouting from a tree, 30 friends and a "going away party" at Calvary Baptist Church, greeted Mrs. Rickey Vernon, last Tuesday, March 10, 8:30 p.m. Mrs. Vernon was Europe bound to join her husband, E/3 Rickey Vernon, stationed at Eshborn Army Base, about ten miles from Frankfurt, Germany.

Mrs. Vernon is the daughter of Mr. and Mrs. O.J. Lorance, 801 E. Ave. D, and niece of Mrs. Nelda Merriott, 405 Austin. Her husband is the son of Mr. and Mrs. D.O. Vernon, 222 W. 20th St.

"I think it's going to be a wonderful trip, and we plan to see all the countries of Europe, we can. The Base is between 30 and 40 miles from Switzerland, for a start," she said. Mrs. Vernon expressed some distress at the prospect of being away from her family for 2 1/2 years, but also men-

Daughter Born To Navejars

A daughter, Linda Letitia, was born to Mr. and Mrs. Daniel Navejar, March 10 at 1:17 a.m. in West Plains Memorial Hospital. She weighed two pounds, fourteen ounces. The parents have two other children, and reside in Muleshoe.

Fine Arts Study Club Theme

Mrs. Horace Blackburn and Mrs. Walter Bartholf hosted the Muleshoe Study Club in the Blackburn home Thursday at four o'clock for a Fine Arts program.

Mrs. O.N. Jennings, Federation counselor, reported the dates of the district and state convention. The district convention is to be March 20-21 at Red Raider Inn, Lubbock and a number of women plan to attend from Muleshoe Study Club.

Mrs. John Agee sang the Texas Federated Club Song, "Texas Federated March". She was accompanied on the piano by Mrs. W.T. Andrews and the entire club joined in singing the chorus.

Mrs. R.F. Wright and Mrs. Sena Stevens presented the program on Arts and Crafts. They asked Mrs. Kirk Pitts to display bottles decorated with a plastic. Mrs. Wright then demonstrated purse making and Mrs. Stevens showed how she makes covered coat hangers.

Club members are asked to bring handcrafts to the Dis-

trict meeting for display. They will not be judged.

The next meeting will be March 26 in the Production Credit meeting room, when a film will be shown on "The Big Thicket".

Mrs. G.L. Splawn was elected as delegate to the district Convention.

The resignation of Mrs. Pauline Benefield was accepted and she was given a gift. She is moving to Silverton.

Attending were Mrs. John Agee, Mrs. W.T. Andrews, Mrs. J.G. Arnn, Mrs. Benefield, Mrs. Les Bruns, Mrs. Cecil Cole, Mrs. Joe Costen, Mrs. Douglas DuBose, Mrs. Rufus Gilbreath, Mrs. Waid Griffin, Mrs. R.O. Gregory, Mrs. Ed Johnson, Mrs. O.N. Jennings, Mrs. Levina Pitts, Mrs. Sena Stevens, Mrs. G.L. Splawn, Mrs. Doyle Turner, Mrs. Wayne Williams, Mrs. R.F. Wright, Mrs. J.W. Witherspoon, Mrs. Effie Bray and the hostesses, Mrs. Blackburn and Mrs. Bartholf.

Mrs. Wagon Winner

Janet Wagon won high prize from players at the Tuesday Night Bridge Club tourney held by Lois Lenau, 415, Avenue D, the evening of March 10. Rita Johnson won second, and Mildred Davis "bingoed".

Attending the party were Mary Sweatmon, Janet Wagon,

Louise Williams, Jo Wood, Oberietta LaVeque, Rita Johnson, Irma Ray, Tiny Forbes, Mildred Davis, Mary Nell Chapman and Virginia Weyer.

If all the after-dinner speaking could be eliminated, the dinners would be just as good.

Burrows-Branscum Vows Read

Miss Zona Jane Branscum and Dennis Ray Burrows exchanged nuptial vows in a double ring ceremony performed February 21 at eight o'clock in the evening at Unitarian Universalist Church in Lubbock. The ceremony was performed by the pastor of the church, Rev. Daniel Higgins.

Parents of the couple are Mr. and Mrs. Thurlo Branscum of Route 4, Muleshoe, and Mr. and Mrs. Olan Burrows of Muleshoe.

The couple stood before a lifesize Biblical painting and tall twin seven-branch candelabra tied with red satin bows. John Black of Muleshoe furnished guitar selections while guests were being seated by Jack Ooley and Frosty Baker, both of Lubbock, Sgt. L.T. Green III of U.S. Marine Corps of San Antonio, and Randy Burrows of Muleshoe, brother of the groom. John Black also accompanied himself as he sang several songs.

Escorted by her father, the bride wore an original gown of bridal chiffon, designed by Miss Lina Pitts of Muleshoe and made by the mother of the bride. The gathered panels of chiffon at front extending to the floor were accented by ropes of pearls and a straight panel fell from the neckline at back. The gathered, draped sleeves ended in ruffles over the hands. Her hair, styled by her sister-in-law, Joanie Branscum, with curls at back and strands of pearls and seed pearls complemented the gathered panels of the gown. She carried a white Bible borrowed from her cousin, Mrs. Arvel English, with a hand-embroidered handkerchief made by her grandmother and presented to the bride by her aunt, Mrs. Bernice English. She wore a penny in her shoe minted the year of her birth and given to her by her mother. The bridal bouquet was a nosegay of white carnations and red Sweetheart roses, with streamers of white satin.

Miss Lina Pitts of Muleshoe was maid of honor. She wore a street-length dress of red crepe, with puffed sleeves, gathered bodice and circular skirt. She carried a nosegay of white carnations and Sweetheart roses.

Flower girls were Dawn Branscum and Wendy Branscum of Lubbock, nieces of the bride. They wore Empire dresses, street-length, of red dotted Swiss, with circular collar and cuffs trimmed with white lace. Each carried a basket of red roses.

The bride's table was covered with white lace over red satin and centered with the

Mrs. Dennis Ray Burrows

Ringbearer was Scott Branscum of Lubbock, nephew of the bride.

Candles were lighted by Brent Burrows of Muleshoe, brother of the groom.

Edwin Cox of Muleshoe and Texas Tech University, was best man.

Mrs. Branscum chose an ice blue knit suit for her daughter's wedding, with a basic underdress and full-length matching collared coat, with accessories of black patent, and a corsage of feathered red carnations.

The mother of the groom wore a two-piece white knit suit, the bodice buttoned down front. She wore bone accessories and a corsage of feathered red carnations.

Following the ceremony a reception was held in the church. Guests were registered by Miss Debbie Burrows of Muleshoe, sister of the groom. Mrs. Jack Ooley, Gene Klais, and Mrs. Arvel English, cousin of the bride, all of Lubbock assisted in the serving.

The bride's table was covered with white lace over red satin and centered with the

three-tiered wedding cake which was topped by the Peace symbol and a real red rose. Crystal and silver were used in serving.

Sam Roberts of Lubbock furnished guitar music and sang during the reception.

The bride is a 1968 graduate of Muleshoe High School, attended Stephens College and is

presently a drama major at Texas Tech University.

The groom is a 1966 graduate of Muleshoe High School and is a senior student at Texas Tech University. He will be enrolled in Texas Tech University Law School in September. He is employed at Lena Stephens Department store in Lubbock.

Circuit Assembly April 10-12

"Withstanding the Pressures of Our Day," will be the main subject to be discussed during the forthcoming Circuit Assembly of Jehovah's witnesses to be held in Memphis, Texas, April 10-12.

More than 500 are expected to attend from 16 neighboring counties in the Plains and Golden Spread according to Boyd Lowery, presiding minister of the Muleshoe Congregation. A baptism of new ministers

and the above mentioned Bible lecture on the subject, "Withstanding the Pressures of Our Day," will be two of the convention highlights.

Watercolor Demonstration Given By Mrs. Lenderson

Mrs. Jack Lenderson presented a demonstration on watercolor painting at the Tuesday evening meeting of Llano Estacado Civic Club. At the conclusion of the demonstration, the painting was raffled off and it was won by Mrs. Ken Angeley.

In the business meeting which followed, it was decided to give game tables to the Muleshoe Nursing Home. A discussion of the Club's part in the Clean Up Campaign was also held. The group voted to assist with the campaign and have been assigned to work with other groups

in searching out ownerships of vacant lots.

A guest speaker, a veteran of the Vietnam War, will present the April 28 program.

Mexican style refreshments were served by the hostesses, Mrs. Mac Brown and Mrs. Gary Miller, to Mrs. John Neil Agee, Mrs. Ken Angeley, Mrs. Ronnie Black, Mrs. Jerry Gleason, Mrs. Eugene Hawkins, Mrs. Eugene Howard, Mrs. Robert Hunt, Mrs. Lee Kimbrough, Mrs. Wayne Peterson, Mrs. Henry Stoneham, Mrs. Ronnie Johnson, Mrs. Mike Miller, and Mrs. Billy Reese.

Mrs. Velma Davis, also representing the artist's group, looks on, Friends of the Library have, indeed, been 'friends' of the Library, and encourage other organizations to lend their support.

Artists Aid Friends of Library

The annual contribution of \$50.00 to Muleshoe Friends of the Library was voted by the Muleshoe Art Association at their Tuesday morning meeting in the Community Room of Muleshoe State Bank. They also voted to donate a book to Muleshoe Area Library in memory of J.M. Forbes.

The planned demonstration was canceled, due to the illness of the artist, Dr. Emilio Caballero.

Plans were started for the annual art exhibit, which has been set for April 17, 18 and 19. Presentation of awards is to be Sunday, April 26, at which time the paintings will be picked up. All media of painting will be accepted and it is hoped that separate awards can be made for oils and water mediums. Other information will be released concerning the awards and location of the show.

Mrs. Cox Joyce Hill Circle Hosts

Mrs. Reagan Cox was hostess for Joyce Hill Circle of United Methodist Church Wednesday afternoon, at her home in Pleasant Valley community.

Present were Mrs. Keith Taylor, Mrs. James Cox, Mrs. Buddy Black, Mrs. Jack Rennels, Mrs. Kenneth LaRue, Mrs. Marcia Gragg and the hostess. As the members arrived they were served hot chocolate topped with ice cream and nutmeg.

The meeting was started with the Prayer Circle, led by the Circle chairman, Mrs. Black. The program was presented by Mrs. Jack Rennels, a study of the 13th chapter of Revelations, after which a large basket of Easter eggs was passed. When opened, the eggs were found to contain scrolls bearing a Bible verse. Read in sequel by the women, this gave the Easter story from all four Gospels.

It was decided to meet in the Church parlor at 2:00 p.m. Friday, April 3 to prepare the program for the general WSCS meeting April 7.

The group also vited to assist Mrs. Byron Gwyn with vacation Bible school for the Spanish church.

The next meeting will be March 25 in the home of Mrs. Kenneth LaRue.

Mary Sweatman was chosen to head the committee soliciting contributions to be used as cash or merchandise awards. Persons wishing to contribute to this fund may contact Mrs. Sweatman, Rheata Peeler or the Art Loft.

A nominating committee was elected, composed of Pauline Jamison, Velma Davis and Mildred Williams. Election of new officers will be at the April meeting and installation at the May meeting.

Ada Murrah and Clara Mounts served as hostesses to the following members: Jackie Smith, Wilma Embry, Cara Juan Schuster, Mary Sweatman, L.W. Chapman, Rheata Peeler, Inez Bobo, Dana Arnold, Mildred Williams, Velma Davis, Pauline Jamison, Louise Road, Ruth Hammock. One guest was present, Charlene Spittler.

An anonymous letter, by the way, is just a sign of anonymous intelligence.

H.D. Council Meets

Bailey County Home Demonstration Council met March 11 at First National Bank.

Reports were given by Mrs. Ernest Bass of Progress H.D. Club, Mrs. Ronnie Shafer of Muleshoe H.D. Club, Mrs. Ernest Ramm (4-H Leader) and Agent Robin Taylor.

The Junior 4-H Food Show will be held March 14 at 3:00 p.m. at Bailey County Electric Cooperative meeting room.

The District meeting is to be held at Lamesa April 2. The Conservation Dinner, at which time the Conservation Homemaker of the Year is to be honored, will be held April 10 in Fellowship Hall of United Methodist Church.

Committees appointed for the dinner are: Invitations, Mrs. Ronnie Shafer, Mrs. Peggy Stice, Mrs. W.E. Meyers; Menu, Mrs. Eugene Shaw, Mrs. Ernest Bass and Mrs. Tommy Flowers; Decorations, Mrs. Ernest Ramm, Mrs. Willie James, and Mrs. Gordon Wilson; Program, Mrs. Gordon Murrah and Mrs. George Gross.

Members attending were Mrs. Albert Davis, Mrs. Gordon Murrah, Mrs. Ronnie Shafer, Mrs. Ernest Ramm, HD Agent Robin Taylor and Mrs. W.E. Meyers.

Mrs. Hall CWF Speaker

Mrs. L.B. Hall discussed the history of the Episcopal Church, its beliefs and the order of worship for the Christian Women's Fellowship at their Tuesday meeting. The CWF has been studying beliefs of all denominations.

Mrs. John Young was hostess for the luncheon and the afternoon meeting.

Mrs. R.F. Wright gave a devotional from Norman Vincent Peale's book "Food For Thought".

Mrs. Bobby McGee, the president, was in charge of the business meeting which followed. A workday was set for March 24, beginning at 9:00 a.m., for further work on the church nursery.

A nominating committee was appointed by the president for 1970-71; as follows: Mrs. S.E. Goucher, Mrs. Sean Stevens and Mrs. Levina Pitts.

Attending were Mrs. R.F. Wright, Mrs. Rufus Aylesworth, Mrs. Lula Gorrell, Mrs. Levina Pitts, Mrs. Sena Stevens, Mrs. S.E. Goucher, Mrs. John Young, Mrs. J. Pat Wagon, Mrs. Bobby McGee, Mrs. Walter Bartholf and the special guest, Mrs. L.B. Hall. Three children also attended, Denise Young, Russell Young and Becky Aylesworth.

Physical Education.. A Vital Necessity

by John Woodard

One of the most underrated programs at M.H.S. is the Physical Education Program. Under the direction of Coach George Washington and Mrs. Margaret Kinsey, students learn not only the importance of a fit body but also the right attitude to take toward all kinds of competition. Athletic competition is an important part in the building of a strong foundation for the young man and young woman. The ability to compete wholeheartedly is indeed a great asset, to be able to face the challenge, a necessity.

Students are required to take at least two years of Physical Education to graduate. However, many students continue to take the course after the minimum of two years has been fulfilled. An award is given at the end of the year to the most outstanding Physical Education student.

Daily activities range from vigorous exercise to volleyball to boxing or some other kind of contact drill. Coach Washington and Coach Kinsey are to be congratulated on a job well done. Their teaching not only affects the actions of the student but also the attitudes of the pupil, and the attitudes are what really count.

Last Saturday the Muleshoe Track team competed in the Littlefield Invitational Track meet. The times in general were slow due to the wet track. The coaching staff was pleased with the performance of the young Muleshoe team.

Tommy Clements was the bright spot of the day when he won the 440 yard dash with a time of 54.5 seconds. Don Heathington was awarded fifth place in the shot put with a throw of 40 feet nine inches. The sprint relay came in sixth with a time of 49.5 seconds. The mile relay composed of Bobby Hayes, Randy Fields, Keith Turner and Donnie Wheat ran a 3:45 for sixth place.

The boys realize that it is going to take a lot of hard work to get Muleshoe back on the winning path. Some of Muleshoe's young met went out for track this year knowing that they will probably never win a race in their lives, but they realize that making the effort to win is more important than wishing for a good team. If working out for track in two or three inches of snow this week is indicative of things to come, then we have a start on the future of Muleshoe.

Contest Play Set For Lubbock Judges

by John Woodard

The Auditorium of Muleshoe High School has been bustling with activity this week with rehearsal for the Contest Play "Macbeth".

The cast travels to Lubbock this Saturday to perform for some of the finest judges in the state. There will be a number of other schools in competition. Although this does not count as far as District ratings, it does help the actors see some of their faults and some idea of what the judges at District will think of the performance.

In order to improve in District this year, the play will have to be just a shade off perfect. Competition has been keen in past years and this year will be no exception.

Last Saturday, the group traveled to Dimmitt. Although they received no rating the cast was pleased with their performance. However, Lubbock will be the real test.

Some of the cast members are: Steve Woodard, Macbeth; Betty Harbin, Lady Macbeth; Leland Ferris, Banquo; Delton Bass, Dumcam; Nora Webb, Lou Ann Cole, and Donna Woodard, Witches and Martha Jane Chapman, Narrator. Working back stage are: Sam Feagley and Jim Mardis.

The District Meet will be at Canyon in April.

Delegates will attend workshops, meetings, and vote on the state officers. Chester and Merced will compete with first place winners from other districts of the state.

They will stay at Holiday Inn in the Astroworld Complex and will return to Muleshoe about noon Sunday, March 15.

We wish them luck and hope to see Chester and Merced make national competition.

HOME ECONOMICS HOST GUEST SPEAKER--Mrs. Don Rempe visited Home Economics classes at Muleshoe high school and presented demonstrations to interested students. She demonstrated various cooking methods.

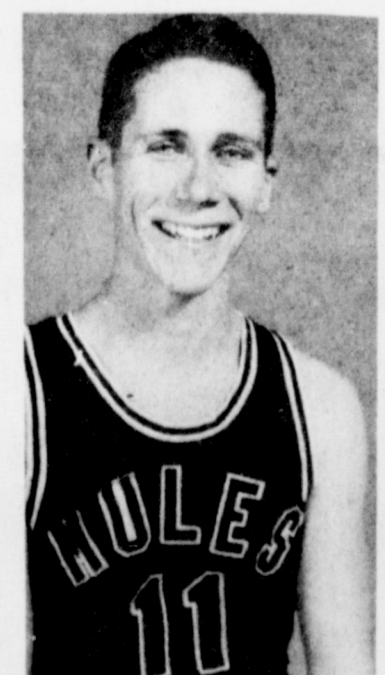

Junior Class Plans Yearly Activities

Junior class members are finally signing a sigh of relief that most of their yearly money-making projects are fast coming to a close. Only one more project remains, then the class goes to work with the Junior-Senior banquet. Plans are underway for a fabulous banquet--not so much money spent on decorations, but more spent on the food and entertainment this year. Although the theme of the banquet will be kept quite for some time, the junior class members are perfectly convinced that it will be one of the more popular themes of years past. Great preparation has already begun with the theme and banquet; decorations will be mostly homemade, and a wealth of good entertainment is being planned.

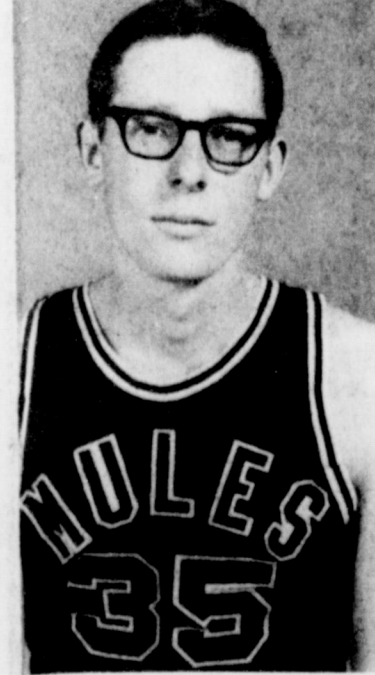

Duet Named To All-District Second Team

Jim Putman was chosen on the second team on the District I-AAA team. Jim has been a starter for the Mules the past two years and is the only three-year letterman the Mules had this year. He has been the leading scorer for the past two years with a 9.5 average in 1968-69 and a 13.9 average this past season. Jim was known as one of the best free-throw artists in this area. He hit 110 free-throws out of a possible 125 for a 88 percent average. Congratulations to Jim on being selected on the All-District team.

Lionel Patterson was chosen on the second team on the District I-AAA team. Lionel is a two-year letterman, having started for the Mules the past two seasons. Lionel has been an outstanding rebounder for the Mules the past two seasons. This past season he was the leading rebounder with a total of 251 rebounds, averaging 10.5 rebounds per game. Lionel was the leading field goal shooter for the Mules hitting 85 shots out of 183 attempts for an average of 47 percent. Congratulations to Lionel on being selected on the All-District team.

'Muletrain' Has New Appearance

Breathing much more easily now are the members of the 1969-70 Muletrain staff. Yes, just last week, the final copy was sent to the publishers. It does seem almost incredible that only seven months ago the business of recording the records of the school year was started.

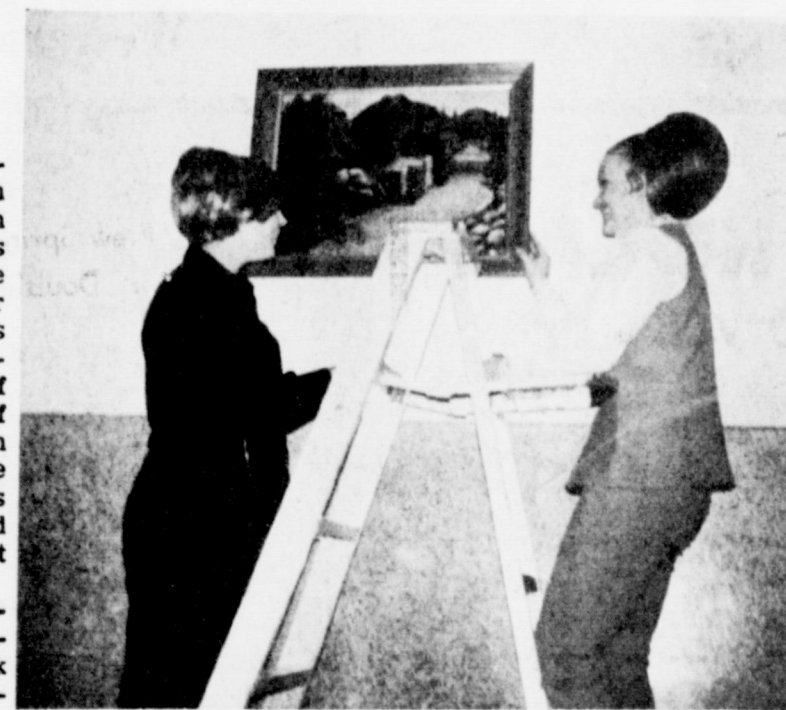

Published by Newsfoto Publishing Company of San Angelo this year, the annual will contain 208 pages with a 16 page summer supplement which will be delivered in August. Students will receive copies of the spring edition before school is out; an opportunity will be made available for an all-school annual signing party. Total annual sales for the high school totaled 450 books.

Editors, Arlene Brown, Betty Harbin, and Lana Washington surely feel that the book will be the best yet for Muleshoe

High School. The entire opening section will be in spot red color with each division page containing a different color with the basic artwork carried throughout the book--cover, opening section, and division pages. Other class members seem all at once to be at a loss; of course, the supplement still has to be done, but to stop abruptly after such long hours of work does present a problem for "eager beavers" who have been used to the grind. Even Mr. Ethridge, sponsor, stopped taking his tranquilizers when the last copy was shipped! Mike Garcia and Joe Mata wonder what happened to all the rolls of unprinted film hanging in the dark room waiting for processing; they still have not realized that it has ended; few pictures will have to be made at the present time. Perhaps the loneliest person on the staff is photographer, Chuck Roming, who after many months of busy schedule keeping while making the all-precious important pictures, is actually having to slow down.

Anticipation awaits everyone now. As the weeks roll by--and there are only very few left, everyone becomes more anxious for the school year to come to a close--but all too soon, the yearbooks will arrive, the banquets will be over, the graduation will have taken place, then there is only the memory left with preparation for the next year. Yes, it does pass in a hurry. Throughout the school year, this one thought has been constantly in the mind of each yearbook worker: to bring a book that will capture this year of time--a year never to come back--in a way that those memories will be memories to be loved and cherished. Perhaps that is why many aspects of the book are centered around the INDIVIDUAL. Oh no! We haven't told you the theme; we have simply hinted.

Arrival of the yearbooks also makes the anticipation of the dedicatee more exciting. Yes, surprisingly, the one to whom the book is dedicated will be totally surprised. Pictures were not even made this year, but during the year passed, therefore, less suspicion is created in the mind of the honoree that he or she might be the one. What a surprise to this person, and what a surprise even to the staff when they actually see the production that they have so awaited, so worked, and so admired during the weeks of work. What lies ahead to be revealed with the yearbook arrivals--who knows?

BUDDING ARTISTS--Becky Phelps, left and Janet Ellis prove their artistry as they hang paintings at MHS.

The Magazine Room A Popular Place

by Joyce Raney

One of the most used facilities of the library is the magazine room. It contains issues of all magazines taken by the library for the past five years. These magazines are kept in stacks according to the date. Each type of magazine is kept in a certain place. This keeps them in order and easy to find. These magazines are used by the Speech Department and by students who need information on research topics. The seniors are especially grateful for the back issues of magazines that

will help them. The students write down the magazines they need and give their list to the librarians. The librarians look them up and check the magazines out to the students. This keeps the records straight. The magazines may be kept out as long as needed.

All students know how essential the magazine room is to the library. The students enjoy the services of the magazine room and will continue to use it for years to come.

Ahem! Closer to the truth than he had meant to be was the schoolboy who wrote on an examination paper: "The Armistice was signed on the 11th of November in 1918 and since then every year there has been two minutes' peace."

NOW, REMEMBER GIRLS. . .--Future Homemakers of America concentrate on last minute instructions before leaving for the FHA convention in Amarillo Friday and Saturday.

Mrs. Vinson TOPS Queen

Mrs. Mabel Wolfe, the president, presided at the regular Thursday evening meeting of Jenny TOPS Club in Bailey County Electric Cooperative meeting room.

A letter was read by Mrs. Wolfe from Eugene Davis, Area Recognition Day chairman, confirming reservations for March 21 ARD and planned activities.

Roll call was taken by Selma Redwine.

Mrs. Raleigh Mason received a gift from the birthday box, Queen for the week was Mrs. Dan Vinson; first runner-up

was Mrs. Kenneth LaRue and second runner-up was Celia Lopez.

The Club sang several songs after which Mrs. Vinson gave a pep talk which was enjoyed by all the members. In her talk, she stressed the fact that dieting is a full-time rather than a part-time job.

We are about ready to join the first union that comes out with a four-hour day with eight hour's pay.

First Birthday Celebrated

Rammie Garner

A chocolate cake topped by a field of mounted cowboys, chuck wagons and green pasture saluted the first birthday of Rammie Lancer Garner, son of Mr. and Mrs. Ronnie Garner.

Rammie was honored by his mother with a party Friday afternoon at the Garner home, 903 East Fig Street. Party hats, noise makers and plastic Easter eggs filled with 'goodies' were given as favors. 'Happy Easter' plates and napkins completed the Easter decor.

Guests were Prentice Hill, Kevin Dyer, LaDawn Fowler,

Kenneth Maxwell, Shannon Weaver and Kimberly Fried.

Others attending with the children were Mrs. Raymond Hill, Mrs. Jackie Dyer, Mrs. Harold Maxwell and Mrs. Jimmy Weaver.

Mrs. Cole Leads Circle Study

Mary-Martha Circle of United Methodist Church met Monday afternoon in the chapel of the church. Attending were Mrs. R.O. Gregory, Mrs. Pauline Benefield, Mrs. Cecil Cole, Mrs. H.J. Wyer, Mrs. O.N. Jennings, Mrs. Ted Allen and Mrs. W.D. Moore.

34 sick calls were reported. Mrs. Ted Allen presented a devotional, reading several articles before conducting a Bible quiz. One of the articles was a parody on the 23rd Psalm.

The textbook, "Dare to Reconcile" was taught by Mrs. Cecil Cole. A scripture reading from the Book of Philemon was used with the lesson, followed by a discussion of the areas of modern day life where reconciliation is needed.

Shower Fetes Miss Carter

Bula School lunchroom was the setting for a miscellaneous wedding shower for Miss Marieta Carter of Littlefield, bride-elect of Howard Wright, son of Mr. and Mrs. R.B. Wright of Bula. The wedding date is set for March 20th.

The bride's colors of white and blue were carried out. The 21 guests registered in the bride's book from a table laid in white cutwork, centered with a white vase holding a blue carnation.

Serving table was white lace over blue, centered with a blue and white floral arrangement. Mrs. Bill Sowder served the white cake squares topped with blue wedding bells, while Mrs. Pat Risinger served the white frosted punch.

Miss Carter was assisted in opening her beautiful wrapped packages by her mother, Mrs. Ralph Carter and grandmothers, Mrs. Fred Lichte and Mrs. Mike Carter.

Hostess gift included a setting for eight in dinnerware and coffee pot.

Hostess for the occasion included Mrs. Bill Sowder, Mrs. Pat Risinger, Mrs. Dewitt Tiller, Mrs. Johnny Hall, Mrs. Leo Holt, Mrs. Paul Young, Mrs. Robert Claunch, Mrs. Bennie Claunch, Mrs. John Latham, Mrs. Guy Sanders, Mrs. Alta Salyer, Mrs. Gayle Simpson, Mrs. Myrna Turner and Mrs. Rowena Richardson.

Mrs. Kenneth Powell, Rosemary Pool, Mrs. Newman, Mrs. Hunt and the club sponsor, Mrs. Roland McCormick.

The influence of a parent upon a child is great, but not to be compared with the influence of some children upon their parents.

Despite the highly technical terms used in discussing the needs of the human race, you can get at the basic trouble if you know what the word "character" means.

Advice to recent graduates: "The world is not looking for the bright young man-it is sitting back, waiting for the bright young man to show himself."

LOOKING HER BEST FOR Easter

Easter is a day of conquest... a day of new life... a day of beginnings... This is the day that our Saviour arose in a mighty triumph over the grave. This is a day of joy... a day to remember... a day to attend services in the church that our Lord loved so much, but even though we all want to dress up and look our best for this special day it is not the most important part, for God does not look on outward appearances, but looks on the heart.

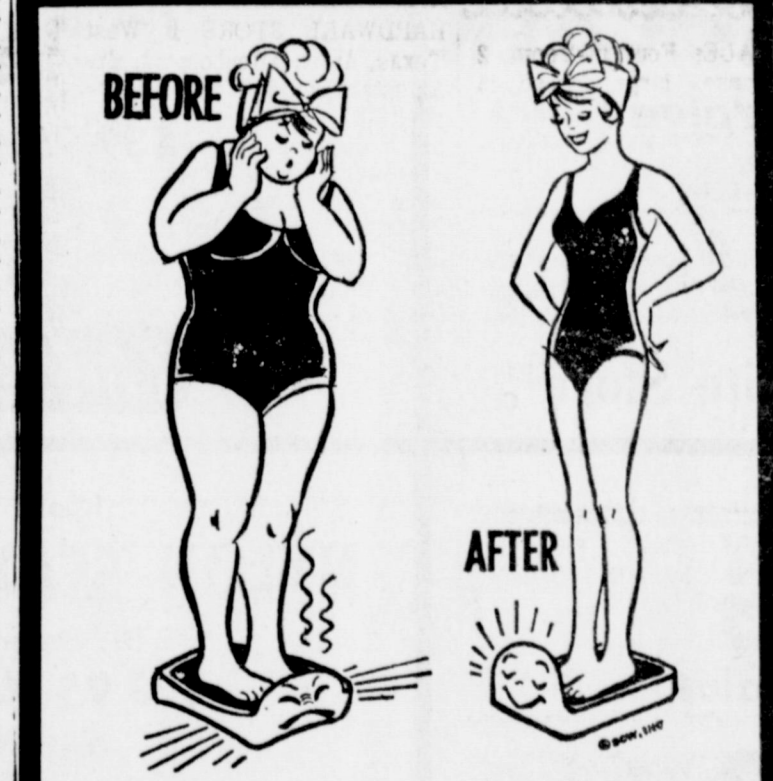

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Your Winning Smile

By MARY SUE MILLER

It is said that a woman's smile conquers all. We are indeed charmed by a warm, friendly smile. And how a good-natured smile does soften our differences and difficulties.

Yet some girls and women won't even smile at a good joke, even when it's on you. One wonders whether a tight-lipped lady is as forbidding as she appears. She may not be. Beauty experts have found that smiles are often withheld because of doubts about attractiveness.

Sometimes, for instance, a mouth is so small that it smirks when it is stretched into a smile. Or the upper lip can be so short that smiling expression exposes gum margins. All such quirks, of course, dampen the desire to smile and the lips clamp shut. What a pity, when the mobility and reach of the lips can be improved. It's done by the long, diligent practice of these routines:

1. Clench upper lip between teeth and say, "moo."
2. Holding upper lip with grin as broadly as possible.
3. Hold lower lip in teeth and curl upper lip toward nose.
4. Repeat each part 10 times, very slowly and deliberately.
