

Ike Suggests Cease Fire In China War

BULLETIN
WASHINGTON (AP)—Secretary of State Dulles told United Nations Secretary General Dag Hammarskjöld today that for the time being the United States will abstain from any "direct action" which might hinder U.N. efforts to obtain the release of American airmen imprisoned in Red China.

By MARVIN L. ARROWSMITH
WASHINGTON (AP)—President Eisenhower said today he would like to see the United Nations try to arrange a cease fire between the Chinese Nationalists and Red China's attacking forces.

The President told a news conference that he does not know whether the U. N. would be able to do anything about halting the shooting, but he said he would like to see it use its good offices to seek a cease-fire.

The President's remarks came atop a statement yesterday by Secretary of State Dulles that the United States would offer no objections to the United Nations seeking a cease-fire. Dulles' statement created a sensation in For-

mosa, stronghold of the Chinese Nationalists.

AP correspondent Spencer Moosa at Taipei reported that qualified sources indicated the Chinese Nationalists would reject such an idea.

A cease-fire in effect would end Chinese Nationalist hopes of ever returning to the mainland.

Eisenhower also told his news conference that Dag Hammarskjöld's mission to Peiping in an effort to win release of 11 imprisoned American airmen cannot be regarded as a failure so long as negotiations are continuing.

Senate Republican Leader Knowland (Calif.) has termed the Hammarskjöld mission a failure.

While Eisenhower did not go along with Knowland on that, he said emphatically that efforts seeking the release of the airmen imprisoned as "spies" never can be termed a success until the files have been returned to their homeland.

For the first time in history, television and newsreel sound cameras were permitted to record the news conference for possible later public showing. White House aides will check first, however, to determine what is to be released.

Oil Output Rate For February Is Reduced Slightly

By BO BYERS
AUSTIN (AP)—The Railroad Commission ordered allowable oil production for February held as closely as possible to the current rates.

It reduced the flow of crude to 3,241,438 barrels per day, a decrease of 38,327 barrels daily.

The slight curtailment arose from granting 16 producing days both statewide and in East Texas for the short month of February, compared with 18 days this month.

The commission's action came after an 11-minute statewide production hearing, the shortest in any years.

The February producing schedule of 16 days conflicts with the recommendation of a strong majority of the oil companies.

Only 15 days of flow were desired by Magnolia, Gulf, Phillips, Texas, Humble, Sinclair, Continental and Stanolind.

Fifteen days of production would have meant a heavy cut of roughly 183,000 barrels a day.

Shell and Sun oil companies favored 16 days. Atlantic Refining called for 18, which would have brought an increase of 254,000 barrels over January.

Cities Service proposed 14 days. That would have topped off more than 300,000 barrels.

The commission did not expound on why it preferred 16 producing days for February. Witness did not elaborate.

Pantex Field, though not on the statewide schedule, will have 16 days of flow. Pewett Ranch Field will be limited to 9 unless warm weather makes it possible to move a greater amount of its heavy crude. Sandusky Field will produce 13 days.

The next statewide hearing will be held here Feb. 18.

Car Blast Kills Woman On Busy Angelo Street

Scene Of Prison Riot
Extra police gather at the entrance to the 150-year-old Charleston State Prison in Boston, Mass., as inmates rioted and seized five guards as hostages in a breakout attempt. The solitary confinement cells, center of riot, are in back beyond these buildings. (AP Wirephoto).

Noted Architect's Wife Fatally Hurt

SAN ANGELO (AP)—Mrs. Harry E. Weaver, wife of a noted Texas architect and scientist, was killed today when a nitroglycerine bomb blasted her husband's car to pieces.

A second bomb was believed to be in a car belonging to Mrs. Weaver, and police said there was a possibility a third car belonging to the family might have been booby-trapped.

The blast was heard all over downtown San Angelo.

Two cars were parked in the driveway of the home of Mrs. Weaver's parents in the downtown portion of this West Texas sheep ranching center. A third, a Cadillac, was in a garage there.

Police said they knew of no motive.

Huge crowds gathered around the roped off Cadillac holding the second bomb.

Police asked for explosive experts from the Department of Public Safety at Austin to come remove the bomb.

The explosion came as Mrs. Weaver apparently stepped on the starter of the car at 8:30 a.m. She died five minutes after reaching a hospital.

The blast sent chunks of the late-model Chevrolet sailing a half block away.

There was no fire.

Mrs. Weaver was badly mangled. The wealthy Weavers own a ranch and home 23 miles north of here, known as "a showplace." They keep an apartment in town.

The couple had been living at the Harris home because Mrs. Harris was ill and in a hospital here. It was believed other relatives were also living in the big, two-story brick home.

Det. Lee Brazier said a bomb caused the blast. He said officers found part of a wire evidently connected with the bomb. He said the wreckage smelled of explosive smoke.

The bomb in the Cadillac was found about two hours later, Brazier said. Brazier and other officers opened the Cadillac door from a distance by a rope. Since it opened without touching off the blast, police said Mrs. Weaver probably died when she stepped on the starter.

"Right now, the whole thing is a mystery," said San Angelo policeman Grady Hill.

Texas Ranger Ralph Rohatsch of San Angelo, who was in Austin, was arranging to be flown back with state demolition experts to dismantle any bomb in the Cadillac. Until they arrived, all police could do was try to keep people away from it. Crowds surrounding the home were roped off.

Windows of a hospital across the street were blown out. It's a wide street, Highway 67.

The blast was felt 15 blocks away.

"We felt it in the Standard-Times building four blocks away, and we've sound-proofed," Hill said.

The front part of the car looked like its insides had been scooped out. The hood was gone, fenders ripped off.

Hill said the body was "scattered about, but mostly in the car."

Weaver was believed at the house when the blast occurred.

Her husband is a widely known architect, archeologist and paleontologist. The Weavers formerly lived in Houston, where he was an architect on several of Houston's major buildings.

Weaver was in the house at the time of the explosion. He joined in the investigation. Police said the Cadillac was the car usually driven by Mrs. Weaver.

The Weavers had returned from Houston last night. Mrs. Weaver was on her way to a beauty shop.

Slight Warmup Due For Region

Warmer temperatures are forecast for Big Spring by the U. S. Weather Bureau at Midland. High today is predicted to be 50 degrees with a low tonight of 35. Tomorrow's high is expected to reach a comparatively warm 55.

Low reading at the U. S. Experiment Farm in Big Spring Tuesday night was 24 degrees. The high Tuesday afternoon was recorded at 49 degrees.

By The Associated Press
The worst storm of the winter season swept southern California yesterday, but it seemed to be dying out today.

Four inches of snow fell in Crockettville, Tenn., while snow also was reported in Raleigh, N. C.

Rainfall was moderate to heavy along the Atlantic Seaboard.

Light snow continued in most of Missouri, western sections of Illinois and southern Iowa.

Freezing weather dipped southward early today into Arkansas, Tennessee and into central Virginia and parts of North Carolina. The coldest area outside of the higher elevation mountain cities was in northwest Nebraska, where Chadron reported 11 degrees below zero. In Florida readings were above 60 with a top of 72 at Miami. It was -4 in International Falls, Minn.

In California snow measured up to nearly three feet in the San Bernardino, San Gabriel and Tehachapi Mountains, and in the Laguna Mountains east of San Diego. The snow spread over parts of the Mojave Desert.

More than one inch of rain fell in Los Angeles and streets were flooded.

March Desegregation Vote Due In Oklahoma
OKLAHOMA CITY (AP)—An agreement on a March election to decide Oklahoma's integration of white and Negro classrooms was reached yesterday by Gov. Raymond Gary and legislative leaders.

The segregation problem is largely financial. To end financing of separate schools an amendment must be voted to the Constitution.

STORM TAKES TOLL
Air Mission Planned In Frozen Scotland
By HAL COOPER
LONDON (AP)—Britain mobilized a fleet of some 30 helicopters and planes today to drop food and medicines in frozen northern Scotland.

At least 20 persons were known dead as a result of the week of snow, ice and flood—including 13 in Germany, 2 in France, at least 5 in Scotland and an unannounced number in Communist Poland.

More snow was predicted for much of the British Isles and Europe, where blizzards, gales and floods have raged for more than a week.

The Royal Air Force ordered more than 20 planes to a relief base at Kinloss.

More than 10,000 persons in Caithness and Sutherland were cut off by 20-foot snowdrifts and fallen telephone lines. Radio broadcasts advised them to make an "F" on the snow if they needed food, or a "D" if a doctor was required.

Another blizzard interrupted rescue operations last yesterday.

Freezing weather early today put some check on flooding in the Moselle and Rhine rivers of Western Germany. At Bonn, the West German capital, the flood crest on the Rhine was still to come but already the basement of the Federal Parliament Building was full of water. Workers ringed the structure with 40,000 sandbags to head off the rising river.

At Mehlmen, near Bonn, the U.S. High Commission was flooded out of its headquarters, where 2,000 Germans and 450 Americans are employed.

In France, the flooding Garonne neared the danger mark and there was fear that the dam at Tourfrenoy on the Eure River, would burst. More than 3,700 persons were evacuated from low-lying areas in the Rhone Valley.

Winds ranging up to 60 miles an hour lashed Italy's Ligurian coast, smashing summer cottages, uprooting trees and driving huge waves across coastal roads.

Mountainous waves continued to lash the sea, keeping the damaged Greek ship Corinthia from reaching port. The 3,579-ton vessel rammed a reef midway along the coast between Rome and Leghorn yesterday, smashing a hole in her bow.

All 167 passengers were removed by another ship after the damaged vessel maneuvered off the reef and into shelter in a cove. Her crew remained aboard.

Attack Area
This map locates Yikiangshan, underlined, some 200 miles north of Taipei. Chinese Communists claim capture of the strategic island in an amphibious assault. Yikiangshan is also known as Yi-Kiang (shan suffix meaning island). (AP Wirephoto Map).

Heavy Air Raid Blasts Tachens

TAIPEH, Formosa (AP)—More than 200 Communist warplanes unleashed the heaviest air attack of the Chinese Civil War against the Nationalists' Tachens Islands today in a likely prelude to invasion.

Eight miles to the north, said the Nationalist Defense Ministry, guerrillas "fighting in pools of blood" were still resisting on battered Yikiangshan, invaded by the Reds yesterday. It was believed here, however, that only isolated groups were still fighting and that Red conquest of the 3½-square-mile island was nearly complete. The Reds claimed they had already captured it.

Actual invasion of the Tachens may not come until they have been softened up from the air. The islands are reported to be well fortified and strongly manned, and having terrain that makes them almost ideal for defensive warfare.

Peiping radio said the conquest was made in two hours. Quoting the official newspaper People's Daily, it called the invasion "a victory of modern military technique." It said, "The victory shows that the Chinese people are unshakable in their determined will to fight for the liberation of Taiwan (Formosa). The ocean is no barrier to the heroic Chinese people's liberation army."

(In Washington, the Pentagon said yesterday U.S. sources in the Formosa area had sent the Joint Chiefs of Staff a report officially confirming that Yikiangshan had fallen to the Reds. Early today, a Pentagon spokesman said he had no further information.)

Martin Jurors Convict On DWI

STANTON, (SC)—A 118th District Court jury Tuesday evening found Joseph Caswell Stephens, of Mineral Wells, guilty of driving while intoxicated, second offense, and assessed a four-year prison sentence which it recommended be suspended.

Another jury today was hearing testimony in the trial of Haymon Young, Gilmer Negro, charged with assault with intent to murder. The case was expected to go to the jury during the afternoon.

Young was charged with assaulting Clyde Bloodworth, who resides near Ackerly in northeastern Martin County, last Oct. 24.

On the stand this morning, Bloodworth told of pulling Young's car with his tractor in an effort to start the engine. He said he noticed that the battery terminal on the car was burned out and that efforts to start the engine appeared futile.

Bloodworth testified that his son, Royce Bloodworth, took the chain loose from the tractor and the car and that the two started away. He said he then was struck with a chain.

Young, testifying on his own behalf, said that he was "pretty drunk" at the time.

Jurors hearing the case were Mrs. Hila Weathers, Mrs. Leo Turner, J. D. Poe, Glen Holloway, Billy Sims, Edw. Smith, Curtis Powell, Gene Clements, M. C. Louder, Clayton Reynolds, Elmer Nichols and Joe McReynolds.

Joe Snow of Big Spring is to go on trial at 9 a.m. Thursday on charges of second offense driving while intoxicated. That is the last case scheduled for trial this week.

Woman Dies After Rescue From Plane

ST. JOHN'S, Ariz. (AP)—A young woman who lay for four days paralyzed from the waist down in the snow-covered wreckage of a light plane died en route to a hospital early today.

"There was still a spark of life left" when searchers found Melba Tomlinson, 22, of Denver, Sheriff Erast Hamblin, of St. John's, said. She was found a few hours after William C. Wilson, 33, also of Denver, staggered on frost-bitten feet to an Arizona ranch and said his secretary, Miss Tomlinson, was paralyzed and near death in their wrecked plane.

A party headed by Sheriff Hamblin and Arizona Patrolman R.E. Panell found the young woman lying in the snow beside the Stinson Voyager shortly after midnight.

Wilson said his secretary had been on a flight from Santa Fe, N.M., to Winslow, Ariz.

She was taken through the rough country along the New Mexico-Arizona line to a ranch where Wilson had gone for help. A waiting ambulance rushed her to St. John's but she died on the way.

Wilson, resting in a St. John's hospital, said they had been in the plane since it stalled and crashed in a "flat area" between mountains on the New Mexico side of the line. He said both had been knocked out when the plane struck the ground.

"We had only two blankets," he said. "I tried to make her comfortable."

Wilson said he had torn the plane's fabric to try to keep warm. He said they had no matches, food or water. They spent three days in the plane before he started for help yesterday morning.

The area—wild, rugged country—is covered with about 12 inches of snow. The CAA said the temperature was about 3 below zero.

Freedom On Bond Refused Sheppard

CLEVELAND (AP)—An appellate court today denied bail to convicted wife-slayer Dr. Samuel H. Sheppard, whose father died last night, 11 days after his mother committed suicide.

The three judge court held that no person convicted of a crime punishable by life imprisonment is bailable under state laws. Sheppard, convicted of second degree murder, has been sentenced to a life term.

First Big Money Bill Introduced In Austin

By MAC ROY RASOR
AUSTIN (AP)—Lt. Gov. Ben Ramsey announced Senate committee appointments today and the first big money bill of the session was introduced in the Legislature.

The spending measure proposed an outlay of a whopping \$198,580,000 for two years from the state's general revenue fund for running the state's business and services. It is about 11 million dollars less than Gov. Shivers proposed.

The bill was introduced by Sen. Crawford Martin of Hillisboro, to whom Ramsey gave the chairmanship of the Senate Finance Committee.

Martin said the measure followed the recommendations of the Legislative Budget Board, and gives the lawmakers "something to get started on."

Key committee appointments also went to Sen. Dorsey Harde-man of San Angelo, chairman of the State Affairs Committee which checks state policy; Sen. Johnnie Rogers of Austin, chairman of the Insurance Committee charged with proposed reforms; and Sen. Rogers Kelley of Edinburg, chief of the

Woman Dies After Rescue From Plane

BOSTON (AP)—Brunette teen-age Toby Green appealed through the steel bars of a state prison window today to her father to give up the revolt he is leading in an attempted prison break.

The father, tank robber Theodore (Teddy) Green, 39, is the acknowledged ringleader of three other convicts who are holding five guards as hostages. They have stood off police and guards since shortly after 5 a.m. Tuesday. Six other convicts also are in the cell block but whether of their own volition or not was not known.

Not a shot has been fired thus far in the siege. Green's threat—"for every shot fired at us, a guard dies"—has kept authorities from attempting to close in.

Green's daughter, a slight, pallid girl wearing horn-rimmed glasses, stood in the prison courtyard about 15 minutes talking and listening through the low window of the besieged solitary confinement block. Her face was serious and she appeared on the verge of tears.

Afterward she was led into the office of Warden John H. O'Brien. There was no immediate indication whether she had succeeded or failed.

The rebellious four—one a lifer and the others facing sentences so long they amount virtually to life imprisonment—have made only one demand: An automobile to speed them to freedom. They asked yesterday that Gov. Christian A. Hynes send a car but the request was ignored.

A prison chaplain and prison doctor have seen three pistols, and Green claims the rebels have five weapons.

As Green's daughter talked with her father, these were the summaries:

1. A National Guard tank, summoned from Ft. Devens, Mass., by State Public Safety Commissioner Otis M. Whitney, wheeled up to the prison and took up a "strategic position," but Warden O'Brien said he saw no immediate need for "any display of force right now." He would not permit it inside the prison walls.
2. The rebels permitted authorities to send in to the five hostage guards a hot meal of chicken soup, egg sandwiches, toast and coffee. A chaplain and a doctor supervised delivery to make sure no food went to the convicts. It was the guards' first meal since Monday night.
3. Guard Eugene Wills, 40, oldest of the five hostages, was reported "much improved." The prison doctor treated him yesterday for a virus infection but Green refused to let Wills be moved to an infirmary. The man also has a heart condition.
4. Dr. Samuel Merlin, the prison physician, reported that the rebels "look well fed," but I know their food is running low. Just how little they have left I don't know. They

26 NEGATIVE VOTES Southern Presbyterians Vote Down Merger Plan

ATLANTA (AP)—Southern Presbyterians have defeated a plan to merge the three branches of the Presbyterian Church into the Presbyterian Church of the United States.

The Southerners started the present move 17 years ago after considerable debate and then finally voted against it yesterday.

Church leaders generally were disappointed but remaining firm in the conviction that union of the three branches with a membership of 3½ million was inevitable in the next few years.

Yesterday 23 Southern presbyteries (districts) voted on the suggestion to end the split which originally developed over the slavery question in 1861. The results: 14 against, 7 for, 2 still to be heard from.

Twelve negative and four positive votes had been cast in earlier balloting.

The 26 negative votes were more than enough to kill the plan. Only 22 were needed, as approval of three-fourths of the 86 presbyteries was required for acceptance. However, voting will continue into April.

Approval would have united the 757,000 - member Presbyterian Church in the U.S. (Southern) with the 2½-million - member Presbyterian Church in the U.S.A. (mostly Northern) and the 229,000-member United Presbyterian Church (largely Midwestern).

Top governing bodies of all three branches, called the general assemblies, approved the merger last year and the voting was on ratification by the regional presbyteries.

Northern presbyteries have been coming out solidly for the union, with endorsement already received from 45 of the 256 districts. Each presbytery is made up of the pastor and one elder from each congregation in the district. The elders have equal voice with pastors in the regional votes on ratification.

The pro-union Presbyterian Outlook, published at Richmond, Va., said in an editorial that "it is recognized that the ministers of the church are largely in favor of union. It is also recognized that it is the elders who have caused the present postponement."

Other reasons cited for Southern opposition included a belief by some members that the Northern church was too "liberal" in some portions of its theology and the feeling that the smaller Southern church might be "swallowed up" and dominated by the larger church.

El Paso Presbytery Unanimously Favors Church Merger Plan

EL PASO (SpI)—The El Paso Presbytery, meeting here today, became the first in the Presbyterian Church U. S. (Southern branch) to vote unanimously in favor of union.

The vote was 4-0. 29 ministers and 26 elders registered were presented and voted on the roll call vote.

Representing the First Presbyterian Church in Big Spring were Dr. R. Gage Lloyd, its minister, and A. A. Porter, lay delegate; the St. Paul Church in Big Spring, the Rev. Otis Moore and H. G. Car-mack; the Presbyterian Church in Coahoma, the Rev. Lynn Cross-man and Frank Loveless. Also attending from Big Spring are Mr. and Mrs. DeWitt Davis, Mrs. Carmack and Mrs. Moore. The Rev. J. Robert Hawkins, pastor of the Grace Presbyterian Church in Lubbock and formerly pastor at Coahoma, was elected moderator.

Not Even Snow Stops Want-Ads

"The calls really poured in, even during that bad weekend," is the report of an advertiser who ran a Herald Want Ad on the weekend of the big snow. But not even snow stops the Want Ads.

The house was sold, of course. And you, too, can sell, rent, obtain services, make trades, find help, by using Herald Want Ads. Amazingly high results at low cost. Just Dial 4-4331.

YMCA Adopts Higher Budget For '55 Program

A budget of \$17,937.49 for the new year's operations was adopted by the YMCA at a meeting of the board of directors Tuesday afternoon.

The figure represents an increase from last year's \$16,537.49, and most of the raise is represented in additional salaries for carrying on the Y's program.

Bulk of the organization's income is represented in participation in the United Fund, while memberships are anticipated for \$5,250 of revenue.

Other year-end activities occupied the Y directors at the Tuesday meeting. A nominating committee composed of Tom Guin, Mrs. K. H. McGibbon and Joe Pickle was named to submit names of new directors at the next meeting.

The Y's rotation system, nine of the 27 directors' terms expire this year. Outgoing members are Elton Guilliland, Dr. E. O. Ellington, Mrs. Ann Houser, Dr. R. B. G. Cowper, the Rev. Gage Lloyd, J. D. Jones, S. M. Smith, H. W. Smith and Truman Jones.

Preliminaries were discussed for the annual banquet to be held in March, and a directing committee for this affair was named, including Mrs. Les Rogers, George Oldham and Agnes Currie.

Oldham also was appointed by Chairman Clyde Angel to head up publicity activities in connection with National YMCA Week, Jan. 23-30.

Receives Wings

Lt. George Champion Jr. grins as his mother pins on his pilot's wings during the graduation ceremonies held at Webb yesterday afternoon for Class 55-G. Departing from the usual procedure, Col. Charles M. Young, wing commander, asked Mrs. Champion to come up on the stage to pin the wings on her son in behalf of those mothers of the graduating pilots who were unable to be in Big Spring.

Lt. Champion's father, George Champion, senior vice president of the Chase National Bank of New York, was the guest speaker at the graduation ceremonies.

Champion told the graduates that their task is the upmost task of our civilization — that of keeping peace in the world.

"Ours is a great world cause for we believe in the rights of man," he said. "If you are successful in your jobs, your children and my children will live in a happier tomorrow."

The greatest strides forward in industry and power are made in the countries with the best leaders, he continued.

"There is no substitute for personnel of the highest standard. Our future is in your hands," Champion warned the new pilots.

Next graduation at Webb has been scheduled for Feb. 7. Col. Young said the base will graduate its 2,000th jet pilot at that time.

Training began at Webb in the Spring of 1952 when T28 and T33 trainers were flown in from the West Coast. One of six basic single engine flying schools in the nation, Webb turns out some of the best pilots in the nation.

The famed Air Force precision flying jet team, the Thunderbirds from Luke AFB, Ariz., will present their exciting aerial maneuvers here for the next graduation. No announcement has been made yet as to who will deliver the commencement address.

Col. Young said a wing review is planned and he intends to declare "open base" for the ceremonies with residents of Big Spring and the surrounding area to be guests.

Webb's 500th Air Force Band played the national anthems of countries represented to end yesterday's graduation ceremonies. An informal reception for graduates and their guests followed in the Officers' Club.

The ban is comparable to one which the Soviet Union has imposed on American citizens and other foreigners in Russia.

Secretary of State Dulles gave formal notice of the action in a note to Soviet Ambassador Georgi Zaroubin, it applies to all Soviet citizens in this country except those for whom the United Nations is responsible.

Russians also are barred from purchasing aerial photographs, large-scale maps, navigational maps or "detailed development plans of industrial cities."

Dulles' note ended with an offer to ease the restrictions if the Russians ever decide that they want to liberalize their similar regulations.

Lubbock baseball club will be operated again this year in the West Texas-New Mexico League by its owner, P. B. Odum Sr. of Oklahoma City.

League President Hal Saylor of Abilene said yesterday that he talked with Odum by phone after it was reported that the franchise probably would be moved because Lubbock business men had declined to take over the club.

"Mr. Odum agreed that it would not be to his own or the league's best interests to move the club and has consented to carry on the operations himself," Saylor said. "The Lubbock club owner said that he would name a general manager within the next six days and that he is laying plans to field a good, competitive club."

Two suits for damages were filed in 11th District Court Tuesday and today.

E. A. Lawhon of Nolan County asks judgment for \$27,500 in a suit filed against the Southwestern Greyhound Lines Inc. He claims he was injured Dec. 30 in an accident at the Big Spring bus terminal.

W. W. Ogle asks \$1,000 in a suit against the Jarbes Company, Inc. The suit was filed in connection with a collision involving a car and a truck at Fourth and Goliad on Dec. 4.

WICHITA FALLS (AP)—Crowell High School lost two basketball games last night to Lockett and the Graves family did its part to prevent the double setback.

Gordon Graves paced the Crowell boys who lost, 55-48, with 14 points. His wife, Billie, led the Crowell girls, who lost 43-33, with 12 points.

Discovery of Oil in the Pennsylvania Indicated In Scurry; Field Completions Reported

Discovery of oil in the Pennsylvania was indicated today at Forest No. 1 Eiland in Scurry County, and completions were logged in the Moore and Snyder fields of Howard County and the Westbrook and McCabe fields of Mitchell County.

Both the Moore and Snyder completions are stepouts to proven production. Newsom No. 2 Simmons finished for 243 barrels in the North Moore development area while RWD No. 2 Snyder completed for 393.75 barrels in the East Howard fields.

The new McCabe producer is Sun No. 12 V. T. McCabe, which made 152.74 barrels on potential. Pollard No. 1 Badgett was finished in the Westbrook field for 171 barrels of oil.

The Eiland well in Scurry county flowed 13 barrels of clean oil on tests of the Pennsylvania and is now shut in pending potential test. Wildcats were spotted in Kent, Yoakum, Scurry, Schleicher and Tom Green counties.

The new McCabe producer is Sun No. 12 V. T. McCabe, which made 152.74 barrels on potential. Pollard No. 1 Badgett was finished in the Westbrook field for 171 barrels of oil.

about 10 miles northwest of Big Spring. RWD Production Company No. 2 Snyder, northeast stepout to the Snyder field production, was completed for a 24-hour potential of 393.75 barrels of oil and no water. Total depth was 2,825 feet, and the 5 1/2 casing bottom was 2,600.

The open hole was treated with 18,000 gallons of sand oil. Location is 230 rods north and 1,980 from east lines, 27-30-1s, T&P survey.

some seven miles southeast of Coahoma. Shell No. 1 Read, 2,911 from north and 1,980 from east lines, 19-30-1s, T&P survey, bored to 4,565 feet. The drillstem test taken yesterday from 4,255 to 4,464 feet had recovery of 50 feet of drilling mud and no shows.

Lion Oil No. 1 Mays has been staked as a wildcat about 5 1/2 miles southwest of Clairmont. It will be drilled to 7,200 feet for a test of the Pennsylvania lime. Drill site is 660 from south and east lines, 20-G-W&NW survey.

SUN JOSE, Costa Rica (AP)—Costa Rica's government and rebel swappers crew progress claims today as rebel forces reportedly moved toward the Nicaraguan frontier to take up watch against possible rebel reinforcements.

As the rebellion moved into its eighth day, these were the top developments:

1. The general staff announced that advanced government units battled rebel troops north of Santa Rosa in "hard" fighting yesterday afternoon, and a spokesman declared: "We've got them on the run there." Santa Rosa is near the Inter-American Highway, about 40 miles from the northwestern frontier with Nicaragua. President Jose Figueres said he had heard the fighting stopped at sundown.

2. The rebel radio claimed its forces had been reinforced by 300 men in the La Cruz region, about 25 miles north of Santa Rosa. Military sources estimated at least 500 rebels were operating in the Northwest. The government force in the immediate area of Santa Rosa was put at about 275 men.

3. Fifteen observers representing the Organization of American States (OAS) prepared to watch the Nicaragua-Costa Rican frontier for any rebel reinforcements or supplies crossing the border. The chairman of a five-nation OAS investigating commission warned the observers to stay out of rebel-controlled territory.

4. Another rebel broadcast said 200 rebel troops had landed in an amphibious operation near Limon, a Costa Rican port on the Caribbean, 70 miles east of San Jose. The Costa Rican government said it had no word of such a move.

5. Despite previous estimates that it would take four to seven days to train Costa Rican pilots to operate the four F51 fighter planes delivered to the government Monday by the United States, an announcement said one of the warplanes was expected to go into action today. With the rebel air force reportedly down to one F47 fighter, speedy checkout of the fliers would greatly aid government forces.

Government and rebel casualty figures showed a wide divergence. Rebel broadcasts claimed more than 300 government troops have been killed.

The Costa Rican general staff put its own casualties at 5 dead and 29 wounded, with estimated rebel losses at about 50 dead and more than 100 wounded.

The government also announced it had received "full confirmation" that Teodoro Picado Jr. the rebel field commander and son of a former Costa Rican president, had been killed near Santa Rosa. The rebel radio has denied previous reports of Picado's death, and in Managua, his wife said yesterday she believes her husband is still alive.

Knife And Fork Club Hears Ex-OSS Man

Knife and Fork Club members heard a review of some of the activities of the U. S. "cloak and dagger" group (OSS) during World War II at their meeting Tuesday evening.

Speaker was Arch Coleman, now a public relations man in North Carolina, but in WW II, a figure in the espionage setup who saw service in Mexico and in Turkey.

Cuban Government Bans Communism

HAVANA (AP)—The Cuban Council of Ministers approved a decree last night outlawing communism in Cuba. It becomes effective this week.

The Council, headed by President Fulgencio Batista, is constitutionally authorized to assume such legislative powers in the absence of Congress, which has not convened since the November election.

The bill specifically outlaws organizations that include persons who "propagate or support" the political activities of international communism.

Furniture Price Increase Is Seen

NEW YORK (AP)—The New York winter furniture market today approached the halfway mark today with many exhibitors forecasting better business in 1955—and a possible rise in prices.

"For some time now, manufacturers have been absorbing increasingly higher costs of production," commented Hal Meadoff, president of White Furniture Co., Mebane, N.C.

Showsrooms at the week-long exhibit buzzed with talk of price increases. One major manufacturer was rumored to have made an across-the-board increase of 5 percent.

Small Fire Reported

A small fire resulted in the radio repair loft at Big Spring Hardware Company, 117 Main, about 3 p.m. Tuesday as a result of a wire "short," firemen said.

Damage to some speakers and the wall amounted to about \$300, it was announced.

Look Over Good Reports

Shown examining the reports of the annual Parish meeting of the St. Mary's Episcopal Church are the newly elected wardens, E. L. Powell, left, who will serve this year as senior warden, and Dr. Milton W. Talbot, who will be junior warden. The Rev. Bill Boyd, center, has completed his fifth year as rector of the church.

Knowland, President Exchange Views Over Breakfast Table

WASHINGTON (AP)—President Eisenhower and Sen. Knowland (R-Calif.) exchanged views over the breakfast table today on "various problems" but the Senate Republican leader declined to say whether the master of the American files imprisoned in Red China came up.

Knowland told newsmen that he and the President "had an exchange of views on various problems, both domestic and foreign affairs."

He replied he would "have to let it stand at that" when a reporter asked whether efforts to win release of the airmen had been discussed.

Mrs. Smith, 86, Dies At C-City

COLORADO CITY — Mrs. N. T. Smith, 86, died at the Root Memorial Hospital in Colorado City Tuesday.

Mrs. Smith was a member of the First Baptist Church and the widow of Nathan Thomas Smith. They were married Dec. 26, 1894, in San Saba.

Funeral services will be held Thursday at 10:30 a.m. from the First Baptist Church, with Rev. J. F. Selcraig, pastor, officiating. Burial will be in the Colorado City Cemetery under the direction of Kiker and Son.

Traffic Fines Paid

Three traffic tickets netted a total of \$45 in city court this morning. One man paid a \$25 fine for speeding, another paid \$15 for the same offense, and still another paid \$5 for running a traffic light.

OIL, GAS TRANSACTIONS

PUBLIC RECORDS

BUILDING PERMITS: R. F. Martin, remodel residence at 1503 Vine, \$100. Dr. O. E. Wolfe, build guest room at 1410 Bunnell, \$1,000.

Admission of Red China to the U.N. (2) Reopening of trade with the West in strategic materials (3) Surrender of Formosa to Red China and (4) Abandonment of the free world's defense line in Asia.

Knowland has told friends he does not intend to be bound by what he has termed a sort of "voluntary censorship" on the part of members of Congress in discussing the matter.

He seemed to have brushed aside Eisenhower's counsel against "impetuous words or deeds" when he accused the Pelting regime in his Chicago speech of having "killed in cold blood hundreds of Americans, with their hands tied behind their backs, who were their prisoners."

The visit did offer Knowland an opportunity, if he chose to use it, to try to win Eisenhower's support in his opposition to any major concessions to the Chinese Reds for the airmen's release.

Itinerant Photo Group's Departure Hurried By Police

Photographers representing the Little John Studios of Dallas were put out of business here yesterday by Big Spring police.

The supervisor of the photographers, who had set up shop in the Crawford Hotel, was fined \$25 in city court because he did not obtain a Big Spring soliciting permit nor post a bond as required by ordinance.

Chief E. W. York issued orders that the firm not take any more pictures here, though proofs of pictures already taken can be shown. A permit has been refused the firm on advice of City Attorney Walton Morrison.

Photographers representing the same company were involved in questionable practices when operating at the Douglas Hotel here once before, Chief York pointed out. A local girl complained she was insulted when sitting for a picture.

York said he did not know the firm representatives were operating here until yesterday when he received a complaint. Circulars concerning free photographs were posted in the doors of a number of homes here.

Monterrey Struck By Strong Winds

MONTERREY, Mex. (AP)—Hurricane winds of 75 miles an hour or more struck yesterday and paralyzed this industrial center after electric power failed.

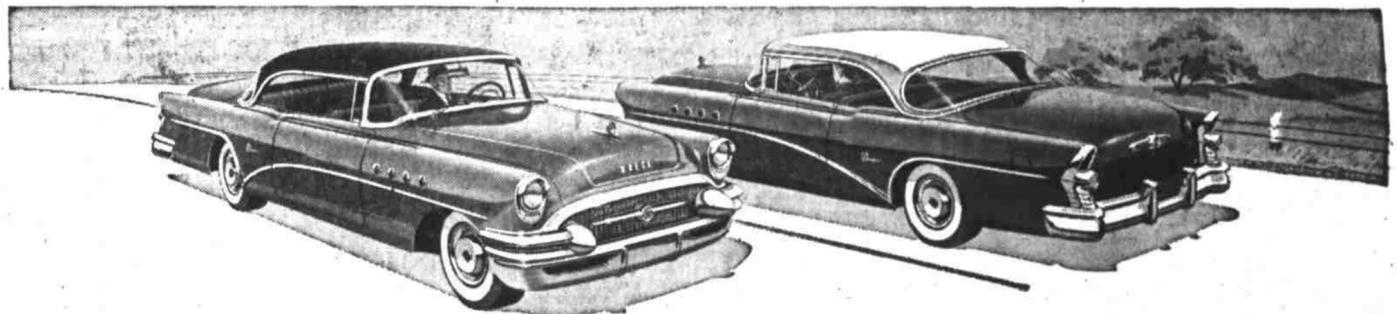

At least one person was killed and 60 injured. A dust storm sharply lowered visibility.

Damaged was estimated at 500,000 pesos (\$40,000). Neon signs were ripped from store fronts, homes unroofed, windows shattered and power lines and trees blown down.

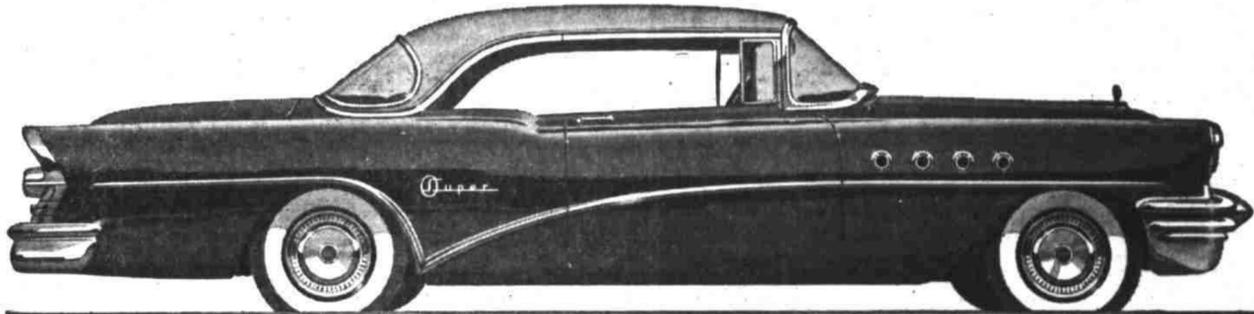

Rafael Esquivel, 8, was killed by a limb from a tree which fell through the roof of his adobe home. The power failure stopped work at major steel, iron and other industries.

New Teacher

KNOFF — Cecil Keith of Iredell is the new vocational agriculture teacher in Knott High School. He succeeds Bobby Alhart who resigned to enter the irrigation farming business near Muleshoe.

Fore and Aft- and Curbside, too-

It's the style hit of the year!

YOU can take our word for it when we tell you this:

The first time we put eyes on the 1955 Buicks, we really raised a cheer.

To top the looks of last year's Buick—the car that moved Buick into the top three of the nation's best sellers—that was something.

That gave us two hits in a row, we figured—and it seems we figured right.

For with these stunning new 1955 Buicks, we're getting even more noses pressed against our showroom windows than last year—and more folks coming in to look and study and drive and buy.

But bold new styling, of course, is just one reason for the sensational success of these great cars.

New power is part of the picture—robust new V8 power in record might—236 hp in the CENTURY, SUPER and ROADMASTER—188 hp in the low-priced SPECIAL.

New performance, too—from the dynamic action of Buick's Variable Pitch Dynaflow* that gives you far better gas mileage in normal driving and cruising—and full-power getaway or safety-surge

acceleration, but instantly, and with infinite smoothness.

So you can see that just looking isn't enough.

You have to take that wheel in your hands, try that power, feel that Dynaflow take-hold surge, sample that Million Dollar Ride—and check the hard-to-pass-up prices we're quoting.

We'll gladly help you do all that. Why not come in this week?

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

Demos Consider Plan For Income Tax Cuts

By CHARLES F. BARRETT
 WASHINGTON (AP) — Democrats on the House Ways and Means Committee said today they are considering an early drive to cut everybody's income taxes.

The move, if it develops, would be a reversal of earlier strategy to wait until next year to consider tax cuts.

It would run head-on into President Eisenhower's declaration on Monday against tax cuts this year

because of an anticipated \$2,408,000,000 deficit in the bookkeeping year beginning July 1.

It also seemed likely to ram into significant Democratic opposition in the Senate where Sen. Byrd of Virginia and Sen. George of Georgia already are on record as against tax reductions this year.

The continuing federal deficit loomed as the biggest factor against the House Democrats' tax cutting plan. But Democrats backing the proposal argue that Republicans cut taxes last year in the face of an even bigger deficit than is now anticipated for next fiscal year.

Rep. Boggs (D-La.) said he favored writing a general income tax cut into the Eisenhower administration's bill to postpone about three billion dollars in corporation and excise tax cuts, now set to become effective on April 1. Among others known to favor some such action are Reps. Dingell (Mich.) and Mills (Ark.), high ranking Democrats on the tax-writing Ways and Means Committee.

They talked generally of a \$100 increase in exemptions for each taxpayer and each dependent—a move that would cut federal revenues by about 2 1/2 billion dollars over a full year, and relieve about four million low-income or big-family taxpayers from any income tax bill at all.

Also under study was a flat \$20 tax cut for each taxpayer and each dependent. This would cost the Treasury about 1 1/2 billions a year.

None of the proposals under study would take effect until July 1 or possibly next Jan. 1.

They have not been cleared yet with Ways and Means Committee Chairman Cooper (D-Tenn.), nor with House Speaker Rayburn (D-Tex.). Rayburn so far has favored waiting until late in this session, or possibly next year, to consider adjusting what he calls "tax inequities."

Hereford Auction Prices Show Drop At Denver Show

DENVER (AP)—For the second year, price averages plunged in the Hereford bull auction last night at the National Western Stock Show, the result of drought and poor feed conditions.

The 142 Hereford bulls brought \$218,345, an average of \$1,523.50. That compares with \$1,835 last year.

The top animal among the Angus females was Black Cat Bessie DD 24th, sold by Mrs. R. T. and Mel Davis of Wheat Ridge, Colo., to Chester James of Burlington, Colo. for \$2,000.

Kingspin in the Hereford bull sale was Zato Tone Heir F, bred by Arkansas State College and sold by J. F. Ferrell of Elgin, Okla. The bull was bought for \$16,200 by the Pala Rey ranch of Pala, Calif.

New Bishops Asked

HOUSTON (AP)—A request for two new suffragan bishops for the Episcopal Diocese of Texas will be laid before the annual council, Bishop Clinton Quin said yesterday he will ask such approval.

Viet Nam Begins Land Reform Plan

SAIGON, Indochina (AP)—The South Viet Nam government has launched its new land reform program, the weapon it is counting on most to save the country from the Communist-led Vietminh.

Premier Ngo Dinh Diem fixed rents at no less than 15 per cent of the principal annual crop and no more than 25 per cent. Previously they ranged from 40 to 75 per cent. Written contracts between tenants and farm owners are also required in place of verbal agreements.

The contracts will be for a minimum of five years, renewable for another five. If the tenant keeps up payments for 10 years, he acquires ownership of the land.

Mother Of Five Tots Takes Her Own Life

CORSICANA (AP)—A young mother of five small children shot herself fatally yesterday.

An inquest verdict of suicide was returned in the death of 22-year-old Mrs. Peggy Kulkendall. Her husband also survives.

Man Killed In Mishap

CORSICANA (AP)—James Lee Bonner, 66, of Eureka, was killed yesterday when his car went out of control and struck a telephone post at Corsicana.

Third Term Governor

Allan Shivers (left) stood before a chilled crowd of about 5,000 persons in Austin as he took the oath of office. He became Texas' first third term Governor. Supreme Court Chief Justice J. E. Hickman is administering the oath. (AP Wirephoto).

Stassen Lists Reasons For His Hiring Of Ladejinsky For Indochina Land Post

WASHINGTON (AP)—Foreign Aid Administrator Harold E. Stassen has cited 12 reasons for believing Wolf Ladejinsky, Russian-born land reform expert, deserves the security clearance Stassen granted him.

Though the Agriculture Department had labeled Ladejinsky a security risk, Stassen said yesterday he later made 12 findings which convinced him Ladejinsky meets the requirements of the federal security program.

Stassen said, in a summary of the case, that Ladejinsky's hiring by the Foreign Operations Administration for a land reform program in Indochina was in keeping with "fundamental principles of justice and of human rights."

Ladejinsky, 55, had security clearance as State Department

agricultural attache in Tokyo. But when agricultural attaches were transferred by law to the Agriculture Department, Secretary Benson ruled Ladejinsky a security risk.

Stassen said he later intervened

in the case because of White House interest in resolving the conflicting decisions by the State and Agriculture departments.

Sen. Humphrey (D-Minn.), a critic of Benson's role in the controversy, yesterday introduced a bill to form a 12-member special commission of government officials and private citizens to investigate the entire security program.

Stassen said his decision to hire Ladejinsky was based on these findings:

Ladejinsky "is not, and never has been a Communist; his government service record is unblemished; his land reform program in Japan helped thwart communism; he was not a member of any subversive organizations; his writings 'are not favorable to the Communist system'; and 'no evidence was located that he at any time had written or spoken favorably of communism.'"

Murder Indictment

BAKERSFIELD, Calif. (AP)—An indictment charging Max Stapleton, 19, of Brady, Tex., with murdering Orville Johnson, 55, service station attendant at Grapevine, Calif., Dec. 29 has been returned. Johnson's service station was robbed of \$100 and he was shot.

Missile Contract Set

WASHINGTON (AP)—The Navy said yesterday Chance Vought Aircraft of Dallas has received a \$16,383,790 contract to build more Regulus guided missiles.

March Of Dimes Dance Is Planned

You can "dance that others may walk." Or you can help polio victims simply by purchasing a ticket. A special March of Dimes Dance is scheduled as one of the outstanding features of the current campaign to raise Howard County's share of money to fight polio.

The social event will be held at the Settles ballroom on Saturday, Jan. 29, beginning at 9 p.m. This date has been arranged to be as close as possible to the birthday anniversary (Jan. 30) of the late President Franklin D. Roosevelt, who did so much to inspire the nation to the war against polio, and in whose honor the famous "birthday balls" were held several years ago.

Joe Williamson's orchestra will furnish music.

The 1953 Hyperion Club is sponsoring the benefit affair, and tickets at \$2.50 per couple, may be obtained from any member. The tickets also are available downtown at Zale's, Elmo Wasson's, and the Tot Shop.

Club members are urging that groups get together for their own table reservations, and tables will be so arranged upon request. Those who will have group parties are requested to call Mrs. John Taylor, 4-7188.

Knelling Position Death Not Prayer

HOUSTON, Tex. (AP)—Mrs. Clarence E. McCloskey told Homicide Detective V. F. Hart she saw her husband kneeling in a bedroom yesterday. She said she thought he was praying, since he frequently did so, and tipped away.

Half an hour later, finding him in the same position, she investigated. He was dead. A cotton sash

cord had been looped around his neck and the top hinge of a door. Mrs. McCloskey said her husband had been in ill health. An inquest verdict of suicide was returned.

Visitors Reported In Ackerly
ACKERLY—Mr. and Mrs. Howard Dean and family, Mrs. S. D. Lewis of Seminole and Mr. and Mrs. J. L. Kidd Sr. of Wilcox, Ariz. were visitors in the home of Mr. and Mrs. A. J. Lewis Sunday.
 Mr. and Mrs. D. L. Rasberry and Mr. and Mrs. Barney Springfield were called to Teague recently by the death of a relative.
 Mrs. James E. Eubanks Sr. of Brownwood is visiting in the home of Mr. and Mrs. James Eubanks Jr.
 Mr. and Mrs. Jim Treet and family of Slaton have moved to Ackerly and Mr. Treet will operate the blacksmith shop for the Farmers Co-op Gin.
 Mr. and Mrs. Tony Parson of San Antonio are visiting this week in the home of her parents, Mr. and Mrs. John Wagner. The group was in Midland Sunday for a visit with the Robert Higgenbothams.
 Mr. and Mrs. Wintford York were in Lubbock Sunday visiting Mr. and Mrs. O. D. Scott and Billie Jean.
 Mr. and Mrs. Frank McDonald and family have moved back to Ackerly where he will be employed by John Beal.

Gray Ladies Coffee
 Members of the Red Cross Gray Ladies will meet Thursday morning at 10 o'clock in the home of Mrs. Shine Phillips, 1304 Scurry, for a coffee and the awarding of their service stripes. Those stripes are given for a year's work with the group. Mrs. Phillips and Mrs. C. O. Nalley, co-chairmen, will be hostesses for the coffee.

Increase Shown By Texas P-TA
AUSTIN—The Texas Congress of Parents and Teachers has 495,959 members, Mrs. Leon Price of Dallas, state president, said yesterday. That is an increase of over 30,000 in a year.
 The Congress Board of Managers voted to support a bill to outlaw the sale or possession of objectionable comic books.
 Plans were made for the Congress' state convention in Fort Worth in November. Abilene was selected for 1956.

Mrs. Lockstrom Is Shower Honoree
 A coffee and shower this morning in the home of Mrs. R. G. Thompson, 1709 Ayford, honored Mrs. Donald E. Lockstrom.
 Presiding at the coffee service was Mrs. Jack Wilam.
 The centerpiece was formed of a miniature baby carriage and stork and was adorned with blue and white carnations and pink ruffles.
 About 15 guests called between the hours of 10 a. m. and 12.

Defense, Delinquency Are P-TA Discussions
 "Civil Defense" and "Juvenile Delinquency" were the main topics of discussion at the recent Cosahoma P-TA meeting.
 What parents, teachers, home and school could do for children to prevent their being delinquent was a main point brought out, as well as how to salvage the children who have already gotten out of step.

Rev. Moore To Speak
 The Rev. Otis Moore, pastor of the St. Paul Presbyterian Church, is to be the speaker Thursday at 7:30 p. m. when the eighth grade group of the Junior Tri-Hi-Y Club meets at the YMCA building.

West Ward P-TA
 West Ward P-TA will meet Thursday at 2 p. m. at the school at which time the guest speaker will be Joe Pickle.
 A surprise visit to his cousin, Mrs. Nova Ballard, was paid here by Karl H. Hans of Birmingham, Mich. It was the first time the cousins had seen each other since December of 1953. Hans left this week for a visit in Bakersfield, Calif.

Modern Glamour Girl
 Little Lorraine Lee Hindman of Los Angeles is dressed in party finery of the age of chemistry. Her pink nylon dotted Swiss dress, designed by Helen Fanton of California, can be washed in a jiffy, needs no ironing. Her clear plastic slickerette and umbrella are sprinkled with rhinestone sparkles, keep her glamorous even in the rain.

Building Fund Begun By Rebekahs
 Inspired by the influence of the leader of American Odd Fellowship, Thomas Wiley, to whom their program was dedicated, the members of John A. Kee Rebekah Lodge instituted a building fund to be coordinated with that of the Odd Fellows at a meeting Tuesday.

Baptist Class Meets In Sweeney Home
 Mrs. Charles Sweeney and Mrs. Ross Boykin were hostesses Monday afternoon to the Emily Andrews Sunday School Class of the First Baptist Church. The group met in the Sweeney home.
 Mrs. Norman Read offered the opening prayer. Mrs. Boykin gave the devotion and Mrs. Ray Brown taught the lesson from Genesis. A box of food and clothing was assembled to be given to a needy family. Refreshments were served to 12 members.

Jubilee Skit Given For Airport WMS
 A skit on the Diamond Jubilee of the Baptist WMS was given Monday afternoon at the Airport Baptist Church, when the group observed the 75th anniversary with a tea and program.
 Mrs. Franklin Earley, Mrs. Tom Gill and Mrs. Neal Bryant assisted in the presentation. Plans were made for the program to be given at the State Hospital for Focus Week.

Park Methodist WSCS
 Mrs. Elvin Bearden gave the opening chapter of the study, "Jesus' Teachings Concerning Women" for the Park Methodist WSCS Monday evening. The group met in the home of Mrs. Orion Carter. Mrs. Carter gave the opening prayer and Mrs. Jack M. Griffin read the Scripture. Refreshments were served to 13 members and a guest, Mrs. H. H. Stephens.

Washington Pl. P-TA
 At a meeting of the Washington Place P-TA Monday evening at the school, the fourth grade under the direction of Mrs. B. M. Keese gave the program. The Rev. Jordan Grooms read the devotion. Following the meeting, classrooms were opened for inspection by the parents.

Mrs. Hollis Yates Is Given Shower In Rainey Home
 Mrs. Hollis Yates was honored with a miscellaneous shower recently in the home of Mrs. Emrie Rainey.
 Other hostesses were Mrs. Earnest Rainey, Mrs. O. J. Warren, Mrs. D. P. Day, Mrs. R. C. Stocks, Mrs. H. J. Rogers, Mrs. Elgin Jones, Mrs. Edd Stringfellow, Mrs. Arthur Leonard, Mrs. Vera Patterson, Mrs. Reuben Hill, Mrs. L. E. Taylor, Mrs. B. D. Rice and Mrs. Corrine Hollis.
 The refreshment table was covered with a white linen cloth and centered with a reflector surrounded by fern and small pink rosebuds. A bridal couple centered the reflector and an arch entwined with fern and lily of the valley and centered with a wedding bell was placed over the figure. A three-tiered candle-holder holding pink candles stood on either side of the centerpiece. Other table appointments were of crystal and silver.
 Mrs. Emrie Rainey greeted the guests and then presented the honoree and her mother-in-law, Mrs. Denver Yates. The honoree wore a green taffeta dress and pink carnation corsage. Mrs. Denver Yates chose a black dress and white carnation corsage.
 The hostesses alternated at the register and at serving and displaying the gifts.
 About 65 called during the appointed hours.

New Presbyterian Circle Organized
 The initial meeting of Circle No. 5 of the First Presbyterian Church was held Monday evening in the home of Mrs. F. H. Talbot. Making up the membership of the new circle are mothers of pre-school children.
 The devotion was given by Mrs. J. O. Johansen and the program was presented by Mrs. Noble Kennemur.
 The circle will normally meet on the second Monday of each month at 7:30 p. m.
 Officers for the group are Mrs. Joe Moss, chairman; Mrs. Earl Bryant, co-chairman; Mrs. Kennemur, program chairman; Mrs. Johansen, Bible study, and Mrs. David Hopkins, secretary.
 Mrs. Talbot served refreshments to nine members.

Party Frocks Come From Test Tubes

By DOROTHY ROE
 AP Newsfeatures Beauty Editor
 The age of chemistry makes life more fun for modern smallfry and easier for their mothers.
 Time was when party dresses were reserved for only the most special occasions, since their dainty ruffles and lacy trills took hours to wash and iron after each wearing. But nylon and the other miracle fibers have changed all that.
 Nowadays little girls can wear party dresses every day if they like—as sheer and frilly as the most particular glamor girl could desire. Yet Mom needs only to wash them through suds in the washbowl at night, along with her nylon stockings, rinse and hang them up, and they're ready to wear again next morning, with no ironing, and every fluted frill in place.
 California designers have made spectacular use of sheer nylons and plastics in children's wear for this spring. Cobwebby pastel organdies and dotted Swiss fabrics, all in nylon, are used for some of the daintiest party dresses on which little girls ever spilled ice cream. Only it doesn't matter if these frilly frocks get soiled in one wearing, because they can be rinsed out in a few minutes and be fresh as ever in an hour.
 Transparent plastics are also used for glamorous party rainwear for the kindergarten set and their big sisters. So small charmers can step out to a party, rain or shine, dressed completely in the last word in man-made fabrics, impervious to spots or water, yet looking as fragile as the garments of a fairy princess.
 Most of these new and practical dress-up styles for smallfry are reasonably priced, and should bring joy to the hearts of mothers and daughters alike.

Party Frocks Come From Test Tubes

ACKERLY—Mr. and Mrs. A. V. Walker of Morton were here recently for a visit with Mr. and Mrs. Ben Wiggins and other relatives.
 Mr. and Mrs. Allen Higgins of Saragosa visited his parents, Mr. and Mrs. Floyd Higgins, Tuesday and attended the funeral of Michael Leon Bass.

Ackerly People Hosts To Out-Of-Towners

ACKERLY—Mr. and Mrs. A. V. Walker of Morton were here recently for a visit with Mr. and Mrs. Ben Wiggins and other relatives.
 Mr. and Mrs. Allen Higgins of Saragosa visited his parents, Mr. and Mrs. Floyd Higgins, Tuesday and attended the funeral of Michael Leon Bass.

Luther Folks Visit And Entertain

LUTHER—Mr. and Mrs. W. D. Anderson visited Mr. and Mrs. N. M. Smith Jr. in Lubbock and Mr. and Mrs. Roy Eastland in Amarillo recently.
 Mr. and Mrs. Gene Lockhart and children of Snyder visited Mr. and Mrs. Carl Lockhart during the week end.
 Mr. and Mrs. John Couch and children visited Mr. and Mrs. G. J. Couch in Big Spring, where their aunt, Mrs. Mary Jones of Sacramento, Calif. was a guest.
 Mr. and Mrs. Virgil Little and Betty Lou and Mr. and Mrs. W. H. Little spent the week end in Mineral Wells, where they met a daughter of the W. H. Littles, Mrs. Jack Stringer of Baton Rouge, La.
 Mrs. Carl Lockhart will entertain a Big Spring Hospital Friday afternoon.
 Six Cub Scout boys met with Mrs. V. C. Henry, recently. Mrs. Jim Zike served the refreshments.
 Mr. and Mrs. O. E. Hamlin attended a "42" party in the home of Mr. and Mrs. Louis Rhodes in Big Spring Monday night.

Mrs. Hal Hooker Is Given Shower

A surprise shower for Mrs. Hal Hooker was held Tuesday evening in the home of Mrs. J. E. Parker. Assisting Mrs. Parker were Mrs. Ethel Hickson, Mrs. R. E. Hickson, and Mrs. R. W. Reagan.
 Games were played and prizes went to Mrs. Ethel Hickson and Mrs. Bama DeArmond.
 The refreshment table was laid with a linen cutwork cloth and centered with an arrangement of baby rattlers, ribbons and bows.
 About 22 attended.
 Attending the sub-district meeting of the Methodist WSCS in Lamesa Tuesday were Mrs. J. B. Hollis, Mrs. Abbie Anderson, Mrs. J. E. Young and Mrs. Elvin Bearden.

New Project Selected By Lomax Club

Homestead improvements will be the project for the next three years of the Home Demonstration Club of Lomax. This was decided at a meeting Monday afternoon in the home of Mrs. Neil Fryar.
 Elizabeth Pace, HD agent, discussed a labor-saving landscape plan with the group, telling various things that should be done for grass and shrubbery. She told some of the best kinds to use as they are adapted to this section of the country. Slides were shown with her lecture.
 The goal of the HD Clubs was stressed. This is the working-together of all members of the family, whether in yardwork with stock, housework or entertaining friends and family. Plans were made for a bake sale to be held Jan. 29 at some place to be designated later. The proceeds will go to the March of Dimes.
 Refreshments were served to eight members, including a new member, Mrs. Jack Clements. Mrs. Sonny Shroyer was a guest. The next meeting is scheduled for the home of Mrs. Cecil Long on Jan. 24.

Dr. Sam Sheppard's Father Dies Of Respiratory Ailment

CLEVELAND (AP)—The father of Dr. Samuel Sheppard died last night at Bay View Hospital of a respiratory ailment.

Two brothers of Dr. Sam, who was convicted of killing his pregnant wife Marilyn, said their father, Dr. Richard Sheppard, 64, "lost his will to live" after the suicide of his wife 11 days ago.

Dr. Sam was kept in a special observation cell today while guards at county jail maintained close watch.

Just a few days ago the younger Sheppard, who is appealing his conviction for second-degree murder, had been returned to his regular 4 by 8-foot cell. He had been under observation since Jan. 7, when his mother shot herself in the head.

Jailers said Sheppard, 31, appeared to know something was wrong last night as soon as he was brought to the jail's visiting room and saw his two brothers, Dr. Richard N. and Dr. Stephen and their wives. It had been there that he had learned of his mother's death.

Placing a hand on Sheppard's shoulder, Dr. Richard said to him: "You must know why we are here."

Quietly he said: "Dad passed away tonight." Sheppard sobbed, his head in his hands.

The brothers and their wives spent 15 minutes with the prisoner. They had come to the jail directly from the Bay View Osteopathic Hospital, where the elder Sheppard was chief of staff. They had been summoned to his bedside, but did not arrive before he died.

Son of a Methodist minister, the elderly doctor was born at Postoria, Ohio.

After some years of practice in Fayetteville, N.C., and Upper San-

duky, Ohio, Sheppard came to Cleveland about 1923. In 1935 he founded what later became the Bay View Hospital. He was a former president of the National Osteopathic Hospital Assn. and the American College of Osteopathic Surgeons.

The elder Sheppard bore most of the burden of the hospital's surgical work during the more than nine weeks his youngest son was on trial, accused of clubbing his 31-year-old wife to death as she lay in bed July 4. His other sons were at the courthouse daily.

During the trial, which started Oct. 18, the elder doctor became ill. He was in the hospital Dec. 21 when his son was sentenced to life imprisonment. Attorneys for Sheppard, who maintains an intruder committed the crime, have asked the Appellate Court to release the prisoner on bail pending the appeal. The court took the matter under advisement.

BUT IT'LL AID CATHOLICS

Baptist Huntsman Bags Balloon Worth \$1,955

LOUISVILLE, Ky. (AP)—A 71-year-old Baptist hunter literally shot \$1,955 from the heavens but got nothing for his marksmanship. Instead, the money will be used by a Catholic priest to help build a new church.

The hunter, Forrest Wilson, was looking for rabbits last Saturday when he noticed a huge plastic balloon floating through the air toward him.

"Now, when you see something like that and you're carrying a shotgun you're going to shoot it," he said. And he shot.

Inside the balloon was a certificate worth \$1,955 to the finder's favorite charity, but Wilson didn't take the message seriously. He gave the paper to his granddaughter Mrs. Marie Laceyfield, a member of St. Jerome's Catholic Church, now in the middle of a building program. Actually, the Rev. Jerome Moore is building the church himself with the aid of his congregation.

So Mrs. Laceyfield is donating the \$1,955 to Father Moore. "It's her certificate now," said her Baptist grandfather. "The Baptists can't blame me if she gives it to the Catholics."

Wilson said, however, it would be nice if he could just get some money out of it himself.

But the certificate doesn't work that way. It was the most valuable of 122 sent aloft throughout the country last week by General Mills Inc., to commemorate the anniversary of a company product.

The one captured near here had been aloft about 52 hours, a detail that didn't interest Wilson.

"I think I'll give up rabbit hunting," he said, "and start hunting balloons."

He didn't bag any rabbits Saturday anyway.

Sad And Bewildered

James, 2, and Pat, 4, sons of Mr. and Mrs. Peter Mocadlo, who were killed in a murder-suicide at Stevens Point, Wis., are recovering at St. Michael's Hospital. According to Coroner John Dackoski Jr., their father apparently beat the boys about the head and left them in a culvert where neighbors found them later suffering from exposure and frostbite of the hands. (AP Wirephoto).

'55 Labor Relations Might Be Turbulent

By NORMAN WALKER

WASHINGTON (AP)—Labor unions are shooting for some big economic gains in 1955 and government officials say they are expecting a turbulent year in labor-management relations.

A sampling of sentiment among union leaders shows they feel this way: "If business is going to be as good as businessmen say, we want a share of the gravy." The unions acknowledge they did reasonably well in 1954 when, at least in the spring and summer, the business outlook appeared rather dark. With economists generally predicting better conditions in 1955, the union men figure "there should be more in the kitty."

This seems to spell stepped-up collective bargaining activity all along the line. Government officials keeping a close tab on the situation say a big increase in strikes is possible.

However, last year was a relatively active bargaining year—yet strike idleness was at a postwar low. Some specialists say this means management and labor are dealing with each other more reasonably.

The Labor Department has just completed a study throwing light on the probable scope of 1955 bargaining. It dealt only with major labor contracts, those covering 5,000 workers or more.

Out of 284 such contracts, nearly 200 covering about 3,350,000 work-

ers in some of the nation's biggest industries will be up for full or partial revision. The same will be true for an unestimated number of smaller contracts covering probably several million more workers.

The two most significant sets of upcoming negotiations — from the standpoint of number of workers covered and of their becoming possible pace setters—are in the auto and steel industries.

Five-year CIO United Auto Workers contracts with General Motors and with Ford expire May 29 and June 1, respectively. Both motor firms have given 5-cent-an-hour annual "improvement" raises to workers represented by UAW, plus other concessions from time to time, but the union has built up an ambitious slate of changes it wants incorporated in new contracts.

For one thing the UAW says it has soured on long-term contracts, wants new agreements limited to one or two years. Also, Walter Reuther, head of both the CIO and UAW, has pledged the auto union will win some form of the guaranteed annual wage this year.

Steel industry contracts permit only rebargaining of wage rates in June. However, what happens in the steel or auto industries very likely would affect each other.

The outcome of the steel and auto negotiations are likely to have some bearing on bargaining in other industries.

Loss Of Mexican Citizens Rapped

MEXICO CITY (AP)—The head of the Sinarquista Party says that 250,000 farm workers who crossed into the United States in 1954 did not return to Mexico.

Juan Ignacio Padilla called it a severe loss to Mexico's farm labor supply and urged the government to take steps to halt the loss of workers to the United States.

Texas Republican Assigned To Panel

WASHINGTON (AP)—Rep. Bruce Alger (R-Tex.) of Dallas was assigned yesterday to the House Public Works Committee.

Two other Texans, Rep. Brady Gentry of Tyler and Rep. Jim Wright of Weatherford, Democrats, previously named by the Democratic leadership to the committee.

UNCLE RAY'S CORNER

View of the mountains from McMurdo Sound, South Pole.

Among the very cold parts of the earth, we may mention the North Pole and the South Pole. We might expect them to give us the lowest temperatures, but they have failed to do this, as far as our records go.

It has been usual to make trips to the North Pole during summer in the northern half of the globe. In the same way explorers have favored the warmer season in the southern part of the globe to visit the South Pole. For that reason we are short on knowledge of the lowest temperatures at the two poles.

Enough facts have been gathered, however, to mark the South Pole as colder than the North Pole. This is due largely to the fact that the ground (that is, the ice) has a higher altitude than at the North Pole.

An old record in Siberia (made 63 years ago) has been used as the basis for calling a part of Siberia the coldest place on earth. That part is on a mountain range in the northern section of Asiatic Russia. The temperature there was reported to be 90 degrees below zero Fahrenheit.

A reading of 82 degrees below zero was reported eight years ago from the airplane base of Snag in Alaska.

Those temperatures are among the lowest on earth, but airplanes have reached many colder points. One pilot soared 10 miles above a city in India and reported a temperature of 134 degrees below.

Even lower temperatures are measured in the laboratories of scientists. Nitrogen, for example, has a temperature of 321 degrees below zero when it is turned into a liquid.

Tomorrow: Pet turtles in winter.

New Mexico Flood Projects In Budget

WASHINGTON (AP)—The Army Engineers say that the flood control funds asked in the President's budget message include money for five projects in New Mexico.

The projected New Mexico allocations for planning include: Rio Grande, in the Sandia Conservancy District near Albuquerque, \$60,000; Pecos River at Artesia, \$25,000; Rio Hondo, near Roswell, \$50,000; Chama River, to prepare plans for two dams above Espanola, \$75,000; Spring River, Berrendo River and Felix River, near Roswell, \$15,000.

Diphtheria Epidemic

TEHRAN (AP)—Twenty-five children have died in a diphtheria epidemic in the village of Minabad near the Soviet-Iranian border, the newspaper Keyhan reports. It said the government is rushing doctors to the area.

Sikorsky Is Honored

LONDON (AP)—The British Institution of Mechanical Engineers has awarded the 1955 James Watt International Medal to Igor I. Sikorsky in recognition of his pioneer work in the development of various types of aircraft, particularly helicopters.

presenting... Custom Royal Lancer

Custom Royal Lancer V-8 in dramatic new three-tone exterior styling.

A car of noble proportions, gallant and gay, and born to rule the road in flashing style!

In every age, there are those who are not content with the humdrum, the commonplace. If you are one of these, the Royal Lancer speaks directly to your heart.

For here is a car that fairly breathes adventure. You sense it in the bold forward thrust of its hood, the sweep of rear deck, the rakish slant of the New Horizon windshield.

Its beauty is not calm and placid, but eager and alive—the measure of performance that stems from the most advanced aircraft-type V-8 engine on the road.

And should you choose to make this car yours, you will have this assurance: In any company of automobiles, there is nothing to challenge the distinction of your Royal Lancer by Dodge.

Mixed Fights Okehed By Supreme Court

AUSTIN (U)—The Supreme Court upheld today a decision abolishing the state's prohibition against prize fights between whites and Negroes. The decision sustained a 3d Court of Civil Appeals judgment in the case of I. H. Harvey, San Antonio Negro, which held that the state law prohibiting Negro-white prize fights violates the 14th Amendment to the federal Constitution. The court refused the state's plea for a review of the lower court holding. The effect was to sustain the 3d Court's judgment.

The Supreme Court noted only that it found no error to sustain a reversal.

Harvey contended the state law preventing him from fighting whites barred him from making as much money as he might and from any chance at winning the state title.

The trial court refused his plea, and the case was appealed to the Court of Civil Appeals, which reversed the trial court and ordered a new trial.

The state then took the case to the Supreme Court. It defended the 20-year-old law on grounds that it was a valid exercise of the police power of the state "to prevent situations which engendered racial feelings and tended toward racial riots."

On this point the appeals court said every state power, including the police power, is limited by the inhibition of the 14th Amendment's guarantee of equal protection of the law to all citizens.

The intermediate court also said there was no trial court finding that mixed fights between Negroes and whites would result in race riots or other unusual disturbances. It said there is evidence that if Negroes and whites could fight each other more in the ring, Negroes could make more and better fights and earn more money.

The Harvey case, under the Supreme Court's refusal to grant a review, now must return for a new District Court trial.

The Civil Appeals decision said this was to permit the trial court to consider rules which Harvey may or may not have complied with "and to permit a consideration of the impact, if any, of the decision upon the boxing and wrestling law as a whole."

Harvey's attorney was state Rep. Maury Maverick Jr., of San Antonio.

'Big Push' Due To Get Started

The drive to sell season tickets for home games of the Big Spring Broncs is due to get its 'big push' Thursday night, when committees of various service clubs meet with Manager Pepper Martin of the Settles Hotel.

The convales gets under way at 7:30 p.m.

One of the highlights of the season will be the screening of the 1954 World Series film, which Martin has obtained from the big leagues.

Ruby To Arkansas

FAYETTEVILLE, Ark. (U)—A former Texas A&M tackle, Martin Ruby, has been named line coach of the University of Arkansas football staff.

Lakeview Rockets Beaten By Stamford Five, 51-50

STAMFORD (SC) — It took a three-minute overtime period to do it but Stamford finally put a blamish on the conference basketball record of the Lakeview Rockets of Big Spring.

Stamford won a 51-50 decision after the score was tied at the end of the regulation game, 42-42.

Hubert McCoy and Willie Miles, two of the Rockets' top scorers, were used sparingly by the Lakeview coach. However, McCoy counted 15 points, however, while Miles got 12.

The Lakeview girls also lost, 29-17. In that one, Mary Gilbert roped eight points, Joyce Evans seven and Charlie Johnson two for the Big Spring club.

For Stamford, Lenna Baker had 18, Mildred Hunter seven and

LOOKING 'EM OVER With Tommy Hart

The University of Corpus Christi's basketball team is having trouble winning this season but the ex-HCJC player, Don Stevens, is doing more than his share.

When the Tarpons knocked over Lackland recently for their second win of the campaign, 70-55, Don scored 29 points.

Odesa JC lost nine straight basketball games recently before finally toppling the Hardin-Simmons University Bulldogs, 63-55.

The football experts couldn't agree on who the nation's outstanding player was in 1954.

The Heisman Trophy went to Wisconsin's Alan Ameche. The Maxwell Trophy was awarded to Ron Beagle of Navy. Ralph Guglielmi of Notre Dame emerged as the winner of the Walter Camp Trophy.

The Sporting News gave its Player Award to Hopalong Cassidy of Ohio State. The Outland Trophy (for the best lineman) went to Bud Brooks of Arkansas.

When Georgia Tech upset Kentucky in basketball recently, the Engineers entered the game as 40-point underdogs.

Al Berndt, who was Big Spring's regular catcher back in 1938 and '39, when the city was affiliated with the WT-NM League, expects to visit in this area the latter part of next month.

Berndt is now an apple grower just outside Yakima, Wash. He intends to take in the San Antonio horse show while in Texas.

Maryland, which is expecting its greatest football team this fall, will play a schedule worthy of consideration in any bowl game.

In addition to Baylor, the Terrapins will face Missouri, USCA, Wake Forest, North Carolina, Syracuse, South Carolina, LSU, Clemson and George Washington.

Coach Jim Tatum has arranged to have all sections of the nation represented on his schedule.

The Orange Bowl people, from all indications, will again have the best booking in the country next Jan. 2.

Johnny Johnson, the Big Spring High School cage coach, is pleased as punch over the development of Jimmy Bice.

The young sophomore hasn't yet broken into the starting lineup but he is perhaps serving as good a purpose on the bench. The Steers' big weakness has been a shortage of reserves.

Bice has come along fast and can now spell any of the regulars. He should be as good as the best next year.

School officials, incidentally, are more than satisfied with the coaching job Johnson is doing. Fact is, they think he's one of the best men who has ever been in the system.

Johnson almost went to Andrews as coach just before he came here. It's one of the luckier things that has happened to Big Spring, the fact that he decided on the local job.

Pepper Martin, the local baseball operator, thinks he may open the 1955 season with six veterans on his roster.

Jerry Don Paige Standout In Knott Win Over Eagles

KNOTT (SC) — Knott's basketball boys burned brighter after Bill Bolin's Billies bowled over Sterling City, 45-35, here Tuesday night.

Jerry Don Paige played his best game of the season in leading the Knott team with 25 points.

Failure of the Eagles to hit their free throws cost them dearly. The War Birds made good only three times from the foul line, compared to 11 for the Billies.

Paige made only four points in the first half but opened up with a field goal barrage in the final two periods.

Sterling City's girls won a 51-49 decision in the opening game. Barbara Dunn scored 18 points for Sterling. Pat Martin had 17 and Jenny Davis 16. For Knott, Edna Harrell counted 29 and Mary Lancaster 18.

Knott wins series—Knott 31, Sterling 21. Officials — Fred Balling and Jimmy Smith.

Cobbs Reconcile

RENO (U)—The Ty Cobbs have settled their differences and will take an ocean voyage. Mrs. Frances C. Cobb, 45, yesterday withdrew the divorce suit she filed Jan. 7 against her 66-year-old husband, longtime baseball great. They were married in 1949 in Buffalo, N.Y.

Webb AB Cadets Win Oyer Dogies

Webb Air Base's Cadets won an 87-51 scrimmage from the Big Spring High School B basketball team here Tuesday night.

Pettijohn and Christenson paced the Filers to victory, scoring 30 and 23 points, respectively.

Jimmy Bice played outstanding ball for the Steer reserves, tallying 15 points.

BIG SPRING (50) — Hubert McCoy (15); Lieutenant Seaguss (12); Willie Miles (12); Alvin King (4); Ernest Byrd (5); Clarence Williams (2).

STAMFORD (51) — Kay Baker (21); Danny Ford (18); Bob Johnson (6); Charles Wood (4); Roger Burgess (2); Paul Gilbert (2).

WILMA SHEPPARD FOUR. Stamford led at half time in that one, 14-8.

The Lakeview boys have now won 12 of 18 games. In conference play, their won-lost record is 2-1.

The Rockets return to action in Odessa Saturday, at which time they play a non-conference game, Monday night.

Cee City 3-R Club In Show

COLORADO CITY — West Texas' newest sport for horsemen — Palmto Polo — will be on display at the Fat Stock Show in Fort Worth in January and February. Colorado City's Three R club will send a team which will meet the Dicken's County Sheriff's posse from Spur, world champions of the game, on Feb. 1, 2, 3, and 4.

Previously, the Parker County and Tom Green County Sheriff's posses will have played and the winners from each of the two matches will play for the championship on Feb. 5 and 6.

One or more chukkers of polo will be played at each Fat Stock Show performance, according to Bobby Motley, riding marshal for the Three R Club.

Mrs. Bobby Motley will represent the Three R Club in the Ranch Girl's Barrel Race.

Jones May Give Sugar Real Test

CHICAGO (U) — Ralph (Tiger) Jones should be considered more than just a whistle stop on Sugar Ray Robinson's comeback timetable tonight.

Their 10-rounder at Chicago Stadium will be televised nationally by CBS at 10 p.m. EST.

Robinson, looking as sleek and as magnificently confident as ever, is a solid 3-1 choice to dispose of the 26-year-old Yorker, N. Y. "crowder," noted as a rough-and-ready body puncher who once was a third-ranked middleweight contender.

It will be the second fight in two weeks for Robinson, who at 34 is trying a comeback aimed at regaining the middleweight crown now worn by Bob Olson.

If he succeeds, he will be the first fighter to come out of retirement and win back his title.

Robinson made his start by kaying plodding Joe Rindone in the sixth round at Detroit Jan. 5.

Infielder Bought By Bob Martin

The Big Spring Broncs have acquired James Patterson Fairchild, a veteran shortstop, as part of a two-player purchase from the Plainview Ponies of the WT-NM League.

The purchase of Fairchild was conditional. If he fails to measure up to expectations, he can be returned to the WT-NM circuit club within 30 days.

Fairchild lives in Little Neck, N. Y.

Big Turnout Due

ODESSA, Tex. (U)—Fifteen colleges and universities already have entered the annual West Texas Relays, to be held here March 23-26.

Tourney Slated

LAREDO (U)—The fifth annual Laredo Invitational Amateur Golf Tournament starts tomorrow with about 200 golfers from Mexico and South Texas participating.

Table with columns for location, name, and scores. Includes results for East, West, and South divisions.

Forsan Bisons Shade Garden City, 69-39

FORSAN (SC) — The Forsan Buffaloes, led by Albert Oglesby and Harold Hicks, raced to a 69-39 District 19-B basketball win over Garden City here Tuesday night.

The Buffs have now won two straight circuit games and are leading the conference, along with Knott.

Oglesby tipped in 19 points for Forsan. Hicks hit six long shots and wound up with 17.

Forsan also won the girls' game, 30-23. Mary Fletcher had 13 points and Sue Jones 12 for Forsan while Clark collected an even dozen for Garden City.

Garden City won a B boys' game, 30-29.

Referee Takes Charge At Barn

Bob Clay and Billy Weidner, given an assist by Referee Scotty MacFarland, had their hands raised in victory over the team of Frankie Hill Murdock and Doc Gallagher in the tag wrestling matches held at the Howard County Fair Building last night.

MacFarland sided with Weidner and Clay after a punch by Murdock, aimed at Clay, landed flush on the jaw of Scotty and knocked him from the ring.

Clay was in a bad way at the time. Earlier, he had asked for a longer rest between falls to recover from a back injury.

Clay had beaten Murdock in the first fall with a rolling cradle in 17:09 minutes and after being pummelled by both opponents.

In the second fall, Murdock evened matters by throwing Clay around the ring like an old shoe, then forcing him to give up at 9:44.

The preliminary matches, which pitted Clay against Murdock and Weidner against Gallagher, resulted in draws.

SAN ANGELO RAMS HAND HAWKS SECOND DEFEAT

SAN ANGELO (SC) — San Angelo's peaky Rams dealt the HCJC Jayhawks their second loss of the basketball season by winning a 71-59 verdict here Tuesday night.

In the second fall, Murdock evened matters by throwing Clay around the ring like an old shoe, then forcing him to give up at 9:44.

The preliminary matches, which pitted Clay against Murdock and Weidner against Gallagher, resulted in draws.

Anson Is Flogged By Colorado City

COLORADO CITY — Colorado City's cagers copped their first conference win of the season, Tuesday night, defeating the Anson Tigers, 61 to 38. Colorado City's Don Flippen poured 19 points through the basket for high point honors, with Franklin Sims scoring 11 points to lead the Tigers.

Colorado City lost to Stamford last week in the season opener. Colorado City's girls won from the Tigerettes, 33 to 24, with Juanel Bynum and Melba Brown scoring eleven each for the winners and Glenda Watson scoring 17 points for high points honors for the Tigerettes.

Stanton Ties Coahomans For District 4-A Lead

STANTON (SC) — Stanton moved into a tie with Coahoma for the District 4-A (South Half) basketball lead by topping O'Donnell, 77-51, here Tuesday night.

Jimmy Henson paced the Bisons to their victory, scoring 20 points. Burley Folk accounted for 14 and Mike Baugh 13 for the winners.

CARPENTER IS 1 OF 3 BA MAJORS ON RAIDER BASKETBALL SQUAD

LUBBOCK (SC) — Physical education and business are the most popular major courses of study for Texas Tech's Red Raider basketball team.

Four of Polk Robinson's 10-man squad are studying physical education—DuWayne Blackshear of Mountainair, N. M., Bill Buchanan of Winters, Ned Underwood of Snyder, and Jerry Johnson of Hale Center. Business majors are Eugene Carpenter of Big Spring, Jim Reed of Pine Bluff, Ark., and Harry Scolding of Fort Worth.

Carl Ince of Lubbock is a pre-law student. Walter Newton of Lexington, Ky., is majoring in civil engineering; Carroll Smith of San Antonio, in architectural engineering.

Bonner To Assume Anson Grid Post

ROSS WAYNE BONNER, an assistant coach here for the past two years, has been named head coach at Anson High School, effective Sept. 1.

Bonner's contract is for two years. He will be in charge of the entire athletic program and will be allowed to select his own assistants.

A native of Mart, Texas, Bonner is a graduate of North Texas State College. He earned his bachelor's degree there in 1947 and his master's in 1950.

Prior to coming here in 1948, Bonner served as head coach at Runge in Karnes County (District 31-B) for one season.

Bonner has been a team line coach here the past couple of seasons. He also was the head basketball coach for two years, a position he filled on a voluntary basis, and head track mentor for one year.

Quite probably, he will also serve as track coach at Anson. Tom Burk is the basketball coach at Anson and serves as a football assistant.

Bonner succeeds James Solesby as head grid coach. Solesby served during the 1954 season, after taking the job only a few days before the campaign began.

Solesby assumed charge after Moon Mullins, who filled the post for seven years, resigned suddenly. Other schools in 4-A include Stamford, Colorado City, Hamlin and Rotan.

Anson, which identifies its athletic teams as the Tigers, won three of ten games in 1954.

The Bengals defeated Coleman, 21-19; Hamlin, 26-12; and Rotan, 31-6. It lost to Winters, 19-12; Balingier, 42-0; Merkel, 14-12; Haskell, 14-12; Stamford, 34-0; and Colorado City, 21-0.

The local school will take its time about finding a replacement for Bonner. In all probability, his post will be offered to one of the B team coaches.

Bonner will assist with spring training chores here.

Head Coach Carl Coleman, who gave Bonner the highest recommendation possible to Anson school officials, said Tuesday:

"We hate to lose men like Bonner but we certainly do not want to stand in his way. He'll be hard to replace."

Coleman heaped much of the credit for the great line Big Spring has fielded the last two seasons on Bonner's shoulders. The Steer forward walls were acknowledged to be among the best in the state in both 1953 and '54.

Coahoma Defeated By Seagraves 5

SEAGRAVES (SC) — The Coahoma Bulldogs found the going rough on Seagraves' cage court here Tuesday night and yielded a 50-43 District 4-A verdict to the home club.

The loss cost the Bulldogs their exclusive hold on first place in the race. They now are tied with Stanton for the top spot.

Ex-Felon Confesses Girl Friend's Slaying

TRENTON, N. J. (AP)—Joseph De Malo, 35-year-old ex-convict, was arrested yesterday, after being picked up by chance, and held for Connecticut authorities on a charge of killing his Sunday night date, pretty Cella Cienki, 20.

De Malo and a friend were arrested separately in New Jersey within hours after the girl's nude and battered body was pulled from the bottom of an icy canal near her home at Windsor Locks, Conn.

A New Jersey state trooper, who stopped De Malo on a routine highway check, reported that as he approached the car, De Malo blurted, "I didn't mean to do it, officer."

The trooper said De Malo offered no resistance and indicated he would return voluntarily to Connecticut.

A short time later, De Malo's friend and fellow construction worker, Gerald J. Celetti, 34, voluntarily surrendered in Newark, N. J. He told police he had read that he was wanted for questioning. He was formally charged with aiding and abetting in a homicide.

The men, both of Springfield, Mass., are to be turned over to Connecticut authorities after arraignment later today on fugitive charges.

On Sunday De Malo and Celetti, a father of two children, had a double date with Cella and her sister Ann, 22. The older sister had met the pair in a hotel, she told police, and took them home to get Cella. The two couples then visited a number of bars together but later separated.

At the Hightstown, N. J., state police barracks, where De Malo was first taken after his arrest, Trooper J. A. Smith reported that De Malo made a statement in which he told about the double date and how he later went off alone with Cella.

Smith quoted him as saying he tried to attack the girl but she fought back, scratching his face sharply. Then she ran into the woods, he said, but he caught up with her and beat her.

Words Of Child Save Man From Term In Prison

COVINGTON, Ky. (AP)—The words of a child may have saved a man from a penitentiary sentence.

Raney Hull, 55, of Covington, was being tried on a charge of breaking into a dwelling with intent to steal. Mrs. Emma Lou Ryan charged he broke into her house while she was out shopping.

Judge Joseph P. Goodenough explained it had to be proved, under Kentucky law, that Hull forced his way into the house.

Mrs. Ryan said Hull had opened a screen door. Her 4-year-old son Timmy, home at the time of the incident, was brought into the courtroom to tell what he saw.

Before Timmy was sworn in, he piped up: "I let him in. I opened the door." Goodenough dismissed the charge against Hull.

About That Kiss

Dear Miss Brandow:
 How does a fellow go about kissing a girl? I never have before. Should I ask her permission?
 Ronnie

Quit snickering, you wise and well-initiated teens. I'll bet you didn't know it, but strict etiquette emphatically states that no boy should force his intentions on a girl unexpectedly, and that he definitely should ask permission to kiss her.

However, if I know anything at all about feminine psychology, I'd say that's a pretty good way to get a no answer to your question. Give a girl credit for being an intelligent being. She is usually sensitive enough to your moods to be prepared.

Calls Held Cruelty

LOS ANGELES (AP)—Actress Karen Verne, 36, won a divorce yesterday after testifying that when her husband Harold E. Susman, 55, was out of town, he'd call her almost hourly day and night. She charged cruelty.

Fireman Is Unable To Save Lives Of 3 Of Own Children

SOUTH AMBOY, N.J. (AP)—Three children of a fireman, including twins, suffocated early today in a blaze that swept their two-story frame home here.

Rockwall County To Halt Its Night Marriage Licenses

ROCKWALL (AP)—Rockwall County went out of the night marriage license business yesterday.

Italian Reds Give Their No. 3 Man Drastic Demotion

ROME (AP)—Directors of Italy's Communist party have handed their No. 3 man Pietro Secchia a drastic demotion in a move bolstering the power of party chief Palmiro Togliatti.

Dead Woman Found Chained To Her Bed

MONTREAL (AP)—Police last night found the body of a 65-year-old woman chained to her bed in her dirt-floored, two-story home in nearby Pointe St. Charles. They expressed belief she had starved to death but had not been the victim of foul play.

You'd Never Know

YORK, Pa. (AP)—A 9½-pound baby boy born yesterday to Mr. and Mrs. Marlin Conley, of nearby

Newberrytown, was named George Leader Conley after George M. Leader, Democrat, who was inaugurated yesterday as governor. Conley is a registered Republican.
