100th Anniversary Observed By Matador Post Office

Elizabeth Bundy Campbell, a remarkable woman who implemented many civic and humane projects during her lifetime, was the first postmaster. She and her husband, Henry Harrison "Paint" Campbell, founder-manager of the Matador Land and Cattle Company, established a postal service in 1883 at the Matador ranch to serve area residents. Mrs. Campbell was postmaster from 1883 to 1911. However, the Post Office was not documented until January 21, 1886.

In 1891, a townsite planned with ingenuity by Mr. Campbell was the new home of the Matador Post Office. The Post Office moved into its present location April 26, 1985.

Other postmasters were T. G. Duncan, Joe Campbell, Mr. Hatfield, Claud Warren, Edd Williams, Lawrence and Frank Bryan, E. F. Springer and Charlie Scaff. Mrs. Clem has been postmaster since November 11, 1981.

Other postal employees of the present Matador mail service are Mrs. Polly Gwinn and Mrs. Sherry Paschal of Matador, Mrs. Adele Durham, mail carrier of Roaring Springs and Lee Rosser of Turkey, Star Route carrier. Harry Hall of Lubbock is the Sectional Center manager-postmaster.

Postmaster Nell Clem served refreshments to Matador residents as they came to get their mail Tuesday morning. This was done in celebration of the Post Office's 100th birthday. Here Mrs. Clem serves Mrs. Raby Webb some of the birthday cake.

The Matador Post Office is the first to observe a Motley County historical commemorative this year in recognition of its 100th anniversary, 1886-1986. An

Open House courtesy was held Tuesday, January 21 with Mrs. Emma N. Clem, postmaster, as hostess. Refreshments were served to the many who attended.

More Candidates File For May Primary

Billy Joe Whitaker Announces Candidacy

Billy Joe Whitaker has authorized the Matador Tribune to announce his candidacy for re-election as Motley County Judge, subject to the Democratic May Primary.

Whitaker, a Motley County farmer, was born and raised in the county and has served two terms as the County Judge.

"Your vote and influence are appreciated", Whitaker said. "I will continue to serve the people to the best of my abilities if re-elected."

Gertrude Smith Announces Candidacy

Mrs. Gertrude Smith announced today that she has filed and is running for the office of Motley County Justice of the Peace of Prec. 1 in the May Primary.

"I was appointed by Motley

Commissioners Court in October 1985, at Roy's death to finish his term. I worked in Roy's office for eleven years, therefore I feel I am qualified to fill this office."

Mrs. Smith recently stated. "If elected I will continue to the best of my ability. I need your support and would appreciate your vote," Smith concluded.

Bill Washington Seeks Re-election As Commissioner

Bill D. Washington has authorized the Matador Tribune to announce his candidacy for

re-election of Motley County Commissioner for Precinct II (Flomot area), subject to the Democratic Primary in May.

Washington has completed one full term as well as two years of an uncompleted term of the late Malcolm Turner.

"I have tried my best to serve the people in this precinct and will continue to work for the best interests of all in this precinct and Motley County if I am re-elected," Washington stated.

District Judge, Geo. M. Miller Announces Re-Election

District Judge George W. Miller announced for re-election to the post he has held for the past ten years as a candidate in the Democratic Primary held May 3. The candidate, a twenty-three year resident of this district beginning as Brisco County Attorney, also served six years as District Attorney in the 110th

Frazier Watson Seeks Election

The Matador Tribune has been authorized to announce my candidacy for Motley County Commissioner, Precinct IV in the coming Democratic Primary election on May 3, 1986.

I wish to thank you for your support, loyalty and the confidence you have in my ability when I was appointed to fill the unexpired term of Motley County commissioner, Precinct IV in October of 1985. I have fulfilled this appointment to the best of my ability and will continue to do so if elected to this office.

Your continued support, influence and vote in the coming election will be greatly appreciated.

Judicial District. He is a Navy veteran and attended both legal and judicial colleges, and has held both church and community leadership posts. In announcing, Judge Miller stated that he would ask the voter to base a decision upon the better qualified person.

Fire Department

Receives Funds From

Texas Forest Service

Fire protection is a must for any community but the residents of Motley County can rest a little easier now with the new truck added to the existing units owned by Motley County whose purchase was approved by the Commissioners Court. A portion of the funds for purchasing the truck were received Tuesday, January 21.

The Texas Forest Service is paying half the cost of the truck, up to \$1,450.00, under the Rural Community Fire Protection Program. Cost sharing is just one of the ways the Texas Forest Service has aided over 800 communities in Texas.

Under this program, communities from all over the state can apply to the Texas Forest Service for assistance. Qualified departments can locate the truck they wish to purchase in their local area. This means the department has the opportunity to pick something they prefer.

To obtain the cost share grant from the Texas Forest Service, the truck must be no more than 3 years old and in good working condition. Once the truck is purchased and a copy of the invoice sent to the Texas Forest Service, the funds are delivered.

Most of the trucks purchased under this program are small one ton pickups used as booster and brush trucks. Communities can also cost share a Water Expansion Pump System to go with their truck through the Texas Forest Service.

The Water Expansion Pump System allows extended operating time at the scene of a fire and uses 60 percent less water. Returning for water is a problem that haunts rural fire companies since there is usually no fire hydrant available.

Texas Forest Service representative Billy J. Terry (left) along with helper, Smokey the Bear, made a special presentation to Fire Chief Rodney Williams and James Gillespie (right). Robert Gillespie (front right) also was present just in case the bear got out of control.

The only string attached to these funds is a signed agreement. This states the department would assist the Texas Forest Service in the event help is needed on a large ground cover fire in their area.

Special training for the Matador Volunteer Fire department will be furnished by Texas Forest Service trainers. Courses in Ground Cover Tactics, Fire Ground Organization and Water Expansion Pump System

operations are offered to departments at no expense. These courses are accredited by the Texas Firemen's and Fire Marshals' Association.

Additional equipment and training meets a real need for added protection in Motley County.

For more information, contact the Texas Forest Service, P.O. Box 310, Lufkin, Texas 75902-0310 or phone (409) 639-8100.

New Restaurant To Open In Matador

Announcement came this week that plans are being made for a new restaurant to open in Matador.

Doyle Fowler of Childress will open the Pizza Box in Matador in early spring in a downtown

location.

The restaurant will specialize in pizza although they will also offer other items on their menu such as hamburgers, chicken fried steak, chicken strips and more.

Wrong Number..

Last week we reported West Texas Gin had ginned 2244 bales. That figure is the gin's telephone number instead of bales of cotton. The actual number of cotton bales ginned by West Texas Gin is 3000.

Festival Planners Seek

Fund-Raising Groups For

Memorial Day Activities

By Marisue Potts
Reservations are now being taken for crafts, games, and food booth space for Matador's Sesquicentennial Folk Festival scheduled to celebrate the

arrival of the Wagon Train there on Memorial Day, May 26. Area clubs, church or school groups, craftsmen and hobbyists interested in fund-raising activities are urged to participate in the open-air street

fair. Plan for the two day festival includes a Chili Cook Off, a Fiddler's Contests, a Queen's Contest, and Historical Costume Contests, and continuous

Monday afternoon entertainment such as square dancing, Blue Grass music, demonstrations of old timey skills, and a parade featuring floats, covered wagons, and horses. Also planned, but not yet

confirmed, is a Street Dance and an appearance by Miss Texas.

Sidewalk and street booth space around the courthouse square where the continuous live entertainment will be staged is limited. Since assignments are made on a first come, first serve basis, those interested in more information, should contact games and crafts chairman Mickey Bostick (806-347-2779) or food chairman, Fay Slover (347-2752) as soon as possible.

A loser sees four sand traps around the golf green. A winner sees only the green.

A loser only sees the hole in the doughnut. The winner sees the "dough".

A loser says there is a 20% chance of rain. The winner says there is an 80% chance of sunshine.

A loser doesn't think the "little engine" can do it. The winner says "I knew it could, I knew it could."

A loser said the moon was unreachable. A winner planted the stars and stripes on the moon.

A losing parent tells a child that he isn't big enough to do something. A winning child says, "I just rather do it myself."

But losers can be turned into winners. Many athletes turn seemingly lost games into

winning games. Many heartbroken people still find victory in life. Many people with aching bodies still turn physical handicaps into productive living.

Let's not be losers. Let's be winners. Let's not be like two women talking across the back fence. One says, "Isn't it a beautiful day?" The other says, "Yes, but it's raining somewhere!"

Life's just too short

For all to court

The negative side of life. Roses are red and covered with thorns,

But has a lovelier fragrance ever been born?

So today I'm going to say, "I'll strive for the winning way!"

Why be gloomy and pout When winning is what it's all about?

Bezell Moore Named To President's List Of SOSU

Southwestern Oklahoma State University has announced the President's List for the fall semester of 1985. The prestigious President's list includes only students who have

maintained a 4.0 grade point average in 15 semester hours during that one semester. We are proud to announce that Bezell Moore of Matador has accomplished this honor. Congratulations!

"Son Beams"

By June Keltz

Angels were assigned the unpleasant task of warning Lot of the forth coming destruction of Sodom and Gomorrah. If ten righteous men could be found God would stay His hand of judgment, but they were not to be found.

God, himself, warned Noah of His wrath that would put an end to all flesh due to an earth filled with violence.

He sent Jonah to alert Nineveh that the wickedness of that city had come up before Him and would be overthrown in 40 days.

Our present day positive teachings are needed but we must not overlook the fact that God is sending His messengers to sound the alarm in our land. Recently two books, titled "God Warns America" by Frank D. Hammond and "Racing Toward Judgment" by David Wilkerson, fell into my hands. Knowing that

scuffers would refute their message, these men were compelled nevertheless to prepare us for persecution and judgment. To cause us to fear was not their intent, but rather to cause us to take action.

Jesus said in Matt. 10:28 "And do not fear those who kill the body, but are unable to kill the soul; but rather fear Him who is able to destroy both soul and body in hell."

So what can we do to prevent this? Christians must get serious with God and obey Him. Sinners must repent. Intercessors must pray as never before.

God said, "If my people who are called by my name shall humble themselves and pray, and seek my face and turn from their wicked ways, then I will hear from heaven, will forgive their sin, and will heal their land." (II Chron.7:14)

In My Opinion

WHO WAS RESPONSIBLE FOR KILLING SHEBA?

I write this letter to the person that killed a dog called Sheba. Sheba was old and fat, all she wanted was affection. She was so glad that we adopted her that she would dig up a gopher in our yard and lay it down in front of our front door.

I myself am a city slicker. Dogs cats, ect. are not my high but my wife likes to tend to all pets, especially the underdog. Sheba was not picked as our dog. Someone dropped her off as a sickly dog on our front door step. My wife tended her and spent over \$100 on vet bills. My grand-daughter said that Sheba was her dog and she was glad to

have her as a pet when she came to visit us. She felt her dog was safe here. Our grand-daughter is going back to Amarillo. She will be taking a dog to Amarillo because he will be safe in Amarillo.

Our grand-daughter asked me, "why would anyone want to kill my dog? She was good and loving and had very sad eyes. I loved Sheba."

P.S. Two other dogs were killed at the same time as Sheba and dropped off beside the highway. This is not the first time dogs have been killed in our town. Several dogs have been shot and some poisoned.

DAVID CAVE

ANNOUNCES HIS CANDIDACY FOR DISTRICT JUDGE

To the voters of Motley County:

I have served as County Attorney of Dickens County, Texas for the past nine years. On January 13, 1986, I submitted my resignation as County Attorney in order to seek the office of District Judge of the 110th. Judicial District which is comprised of Motley, Briscoe, Dickens and Floyd Counties of Texas.

If I am elected to the office of District Judge, I promise the residents of this district that I will make a diligent effort to thoroughly research the law before rendering a decision. I will devote my full time to the office of District Judge so that in each case that comes before the court, each party will have a fair trial and justice will be accomplished.

If I am elected to the office of District Judge, I

promise the residents of this district that I will try to insure in all criminal cases coming before the court, that each person before the court has a fair and impartial trial considering the rights of the accused as well as the rights of the victims of a crime and the rights of the general public.

I will work closely with the Commissioners' Courts, County and District Clerks, the law enforcement agencies and other elected officials in each of the four counties of this district so that your local government will function more economically and will better serve the people of these counties.

I intend to attempt to contact each of you individually during the course of my campaign and will look forward to visiting with you with the hope that such visits will result in your decision to make me your District Judge.

Program On Amish Culture Given By Mrs. Ted Elliott

A most interesting program on lifestyle and customs of Amish communities was given by Mrs. Ted Elliott at regular meeting of GFWC El Progreso Club, January 9, at the Summit Savings Community Room.

Mrs. W.N. Pipkin presided at the meeting and Mrs. Furman Vinson was program leader. Mrs. Paul Gray served as hostess.

A report was given by Mrs. Harold Campbell, chairman of the club's Sesquicentennial committee, on progress that is being made towards the club's participation in celebration of the state's 150th anniversary. Local activities will involve the arrival of the wagon train that left Sulphur Springs on New Year's Day and is scheduled to reach Motley County in May.

As an introduction to Mrs. Elliott's talk, Mrs. Pohl entertained with several casino selections reminiscent of "olden times," since the Amish people are known principally by their quaint dress and disregard for modern living.

Mrs. Elliott visited an Amish community in Lancaster, Pa., with her daughter Karen, Mrs.

Peter Kann of Princeton, New Jersey, whom she was visiting.

"They are a plain people, with no vanity and no frills," Mrs. Elliott described the sect, telling of their somber clothing, horse-drawn carts and buggies, and homes without modern conveniences. Their frugal lifestyle and the fact that they raise all their food products make them independent of the outside world, she pointed out.

In sharp contrast, Mrs. Elliott told of the beauty of Princeton and its environment, how lush and green were the lawns and country; of visiting a Quaker Church built in 1660 and still used for worship, and of a trip to New York City.

For Inspirational Thought, Mrs. Vinson read "Work Yields Rich Fruit," from Life Lines by Thelma Turner Tidwell.

Refreshments of cake, coffee and punch were served by Mrs. Gray at the conclusion of the program.

In addition to those mentioned, others present were Mesdames E.A. Day, M.C. Jones, W.B. Lipscomb, Douglas Meador, Bill McCaghren and R.E. Campbell.

RECENT TYLER VISIT SPENT WITH FAMILY

Mrs. Freeman Thacker spent most of the month of December visiting in the home of a granddaughter and family, Mr. and Mrs. Kelton (Clyda) Hendrix. She was joined there during the holidays by her daughter and husband, Mr. and Mrs. Bateman Middlebrooks of Topeka, Indiana, parents of Mrs. Hendrix, and their two other daughters and their families, Mr. and Mrs. Gary (Nona) Yoder also of Topeka, and Mrs. Jeana Brownlow and children of Athens, the Topeka group making the trip by plane. Other

guests in the Hendrix home were Misses Faye and Unell Middlebrooks of Odessa, sisters of Mr. Middlebrooks.

Mrs. Thacker was accompanied home by Mr. and Mrs. Middlebrooks and his sisters for a short visit here before returning to their respective homes. Others visiting Mrs. Thacker upon her return home included a brother and family, Mr. and Mrs. Earl Vaughn of Lubbock and their son, Steve of McKinney, and Mr. and Mrs. J.C. Smiley of Lubbock.

CHRISTMAS LIGHTING WINNERS

GUESTS AT LION'S CLUB MEETING

Winners of the Christmas lighting contest were guests at the January 7 meeting of Matador Lions Club, at the First United Methodist Church and were presented with awards.

Lion Kirby Campbell presided at the meeting in the absence of Boss Lion Jack Van Eaton. Lion Recorder Bill McCaghren introduced the guests, Larry and Diedra Clifton, Pennie Keltz, Shane Jones and Kevin Creed.

Mr. and Mrs. Clifton tied with Mr. and Mrs. Leslie Taylor for first place for home decorations, and for places of business, Matador Variety was awarded first place and Pennie's Country Bouquet, second. The Cliftons, Mrs. Jones and Mrs. Keltz were presented plaques by Lion Charlie Johnson, at the request of Secretary Lion Forrest Campbell. Mr. and Mrs. Taylor were not present to receive their award.

Announcement was made that Lion Ray Minkley has ordered pecan trees and anyone wanting them may contact him. Contributions to the Community Chest amount to approximately \$1100. It was reported by Lion Larry Hoyle.

Rev. Kevin Creed was welcomed as a new member and was presented the Lions credentials by Lion Rev. Eddie Marcum.

Questionnaires were handed the Lions for consideration on how important the idea of a museum to the community might be, and what support such an idea might receive from the Lions club members. The proposed project is being submitted by the Motley County Sesquicentennial Committee, headed by Marise Potts, to local organizations.

A film on Natural Resources was shown by Lion Scotty Abbott, program chairman.

John Barton Remembers

Halley's Comet In 1910

By Earlyne Jameson

When John Barton was eleven years old he saw Halley's Comet streaking across the sky and he will remember it always. He did not realize then, that 76 years later he would have the opportunity to see it again.

Halley's comet, the most famous comet of all times, is named for English astronomer, Edmund Halley. It appears about every 77 years, but the

intervals can be two years longer or shorter.

Mr. Barton related, "It seems like only yesterday that my sister, Milda Barton McLarty and I were returning home from a school program in May 1910 and as our buggy topped a hill, the view of Halley's comet was a sight to behold! Its great tail stretched about two thirds the distance from the horizon where we were. We sat there and gazed in awe at the shimmering brightness across the night sky." He and Milda saw the comet on three different nights.

John was three years old and Milda five when their mother, Mrs. Al Barton nee Mollie B.

Sams, died of pneumonia. They moved to Burnet County to live with "Aunt Milda" and husband, J.H. Bryson. It was here they saw the 1910 comet. John recently called his sister asking if she remembered when they saw the comet. Milda assured him she did because it was an experience of a lifetime. To John's amusement, she even remembered the name of the horse pulling the buggy!

The 1986 comet will be three times farther from the earth than the 1910 comet. Through mid January and perhaps as late as Jan. 21, the 1986 comet will be visible after the last glow of twilight in the west-southwest above the planet Jupiter, the brightest object in that part of the sky. It may be up to six times brighter in March and April, so spring time views will be more impressive for observers, said astronomers at Jet Propulsion Laboratory in Pasadena, California.

Did you see Halley's comet in 1910? If you haven't seen the 1986 Halley's comet, its time to go out and look for it!

THERE IS STILL TIME TO SOIL TEST

It's not too late to collect soil samples for testing to determine fertilizer needs for this year's crops.

Collecting soil samples now and getting them tested can help farmers get a jump on the spring rush at soil testing labs.

Once fertilizer needs are determined, farmers can place their orders. Again, by ordering early, they can avoid the spring rush. Also, fertilizers usually cost more in the spring when demand

is greater and supplies tighter.

With fertilizer at hand, farmers can begin application when field conditions permit. This minimizes spring planting delays become of tight dealer schedules and reduces the potential for moisture loss just prior to planting.

For more information concerning soil testing, contact the county Extension office.

Predicta Study Club Of Roaring Springs Meets

The Roaring Springs Predicta Study Club met Jan. 16 in the Depot.

President Jeanne Adams called the meeting to order.

Devotional was given by Callie Winegar reading a section from the book MAMA'S WAY.

Roll call by Lee Peacock, each member answering by saying if we were a native Texan. Lee Peacock read the minutes and Freda Keahey gave the treasurer's report.

It was reported that the Sesquicentennial and Texas flags were received with certificates and the Sesquicen-

tennial signs were here, ready to be placed by the highways.

A motion was made and approved for the club to buy 500 cookbooks for resale at \$5.00 each.

The program was on "Texas Heritage", and in the absence of the guest speaker, members exchanged interesting Texas remembrances of their childhood, and their parents.

Hostesses were Grace Zabelski and Venita Sedgewick.

Members present other than those mentioned were: Odessa Mullins, Darleen Fletcher, Lula Swim, Emma Miller, Mrs. Tom Yeates, LaVoe Thacker, Mrs. M.S. Thacker.

Telecommunication Conversion Successful In Roaring Springs

General Telephone of the Southwest officially entered the Roaring Springs community into a new era in telecommunications with the conversion to an electronic switching system.

Placed into service on Saturday, January 18, at 12:01 AM, the conversion to the new switch went very well, according to Jerry West, Operations Manager in Memphis. "It was scheduled for the early morning hours to cause the least possible customer inconvenience," he commented.

"The conversion from a mechanical all relay switching system to an electronic system brings the latest in telephone technology to Roaring Springs customers and increases the capacity of the office to accommodate future telecommunications needs and growth," West said. The switch is equipped to serve up to 6,000 lines. "The difference between

all relay switching and electronic switching is also measurable in the quality of dial tone, voice transmission and faster processing of calls," West stated.

"At a cost of more than \$298,000 for all equipment, labor and building expenses, the remote digital system is an excellent investment," West said. "The switch is less expensive to maintain and is self-diagnostic, locating any malfunctions quickly," he continued. "Perhaps the most important reasons are the improved telephone service, the ability to handle future telecommunications needs and the capacity for growth."

West concluded, "We appreciate the cooperation of the citizens and city officials in Roaring Springs for making this early conversion from all relay switching possible. Without their cooperation, it would not have been possible."

Northfield Extension Club To Meet

The Northfield Extension Club will meet January 28, at 2 p.m. at the home of Betty Simpson.

Jyann Hokason of West Texas Utilities will present a program on cooking Mexican food in the Microwave.

Dickens Electric To Sponsor Youth Tour Contest

Robert Cox, Member Service Advisor for Dickens Electric Cooperative, announced this week that Dickens Electric will again sponsor its annual "Government-In-Action" Youth Tour Contest in 1986.

Cox said that two students, one girl and one boy, will be selected in an oratorical contest to receive the all-expense paid trip to Washington, D.C., in June 1986.

The contest will be held in the cooperative's "Willie Room" at 7:30 P.M. on Tuesday, February 18, 1986.

Each contestant will be required to give a five-to-eight minute talk on the subject "Rural Electric Cooperatives-Good for All Americans."

Students who are interested in entering this contest can obtain an official entry form and contest rules from their high school principal's office or from the cooperative office in Spur, Cox said. Deadline for entries will be no later than 5:00 P.M., January 31, 1986.

The winners of Dickens Electric's contest will join students

from throughout Texas who are also winners of similar contests for the 15 day tour from Texas to Washington, D.C. While in Washington, they will visit places of historical interest and observe their congressmen and senators in action.

"The tour is a fantastic educational opportunity for two young people of the cooperative service area. They will see some of the landmarks, history and beauty of this great nation," Cox stated.

Cox also said that one of the most significant and lasting treasures students receive from this tour is the lifelong friendships that are made with fellow students.

Cox said this will be the 22nd year that Dickens Electric has sponsored the Government-In-Action Youth Tour contest. He also asks that any student wishing further information about the contest or the tour to Washington contact him at Dickens Electric Cooperative, P.O. Box 309, Spur, Texas 79370 or telephone 806-271-3311.

Super Sunday Dinner To Benefit Museum In Old Jail

Is there interest enough to establish the Motley County Jail as a County Museum? The next few months will tell. The Jail already has received a historical marker which was paid for by the estate of Harry and Ollie Campbell.

Prior to 1976, GFWC El Progreso Club partitioned the Commissioner's Court for permission to make the Motley County Jail into a museum. At that time the jail was still being used for certain types of criminals but the commissioners knew that it would only be a matter of time until the state would condemn its use altogether.

When plans began to be made for the celebration of the Sesquicentennial, the Commissioner's Court asked GFWC El Progreso Club to ready the jail

for a display. A committee was appointed and plans are in the process. Clean up will begin shortly.

Policy is being developed concerning the asking and receiving of artifacts for display for the Sesquicentennial Festival

at the time of the arrival of the Wagon Train.

If you show interest as well as commitment by pledges of voluntary effort, material and money, an effort will be made to make the Jail a permanent museum. Watch for information on bringing your historical treasures for display.

In the meantime all ideas are welcome and may be presented to the Museum Committee of GFWC El Progreso Club. The members are Mrs. R. E. Campbell, Jr., Mrs. Furman Vinson, Mrs. Jake Edwards and Mrs. Harold H. Campbell, Chairman.

Super Sunday Dinner To Be Served Jan. 26

A Super Sunday Dinner will be served on January 26 from 11:30 a.m. to 1:30 p.m. at the American Legion Building (north door). Cost of the dinner will be \$5.00 which will include drink and dessert. Take out dinners will be available. Proceeds from this Super Dinner will be used to turn on the utilities at the Jail and pay for needed repairs and clean-up. Advance tickets may be bought from Mrs. R. E. Campbell, Jr. at the Courthouse.

WTU's Energy Saving Plan...

...Your Framework for Energy Savings.

The Energy Saving Plan

Start building your framework for energy savings by participating in WTU's Energy Saving Plan. Below are just a few of the ways you can save with E.S.P. For additional information about the Energy Saving Plan, call your local WTU office.

Save Money in Bills!

You can save up to twenty-six percent in home energy bills a year with an E.S.P. Home. An average 1800 square foot home will cost approximately \$775 a year to heat and cool. The same size E.S.P. Home will only cost about \$570 a year to heat and cool. That's an annual savings of over \$200! (Energy savings may vary with the type of home, family size and individual energy usage habits.)

Get a Cash Bonus!

WTU will pay you \$110 per ton when you install an electric heat pump in your home. WTU will also pay cash bonuses for heat pump window units, energy-efficient air conditioners, heat recovery units for electric water heaters, and solar-assisted electric water heaters in new or existing single-family homes. To qualify for the bonus program, your home must meet all of the E.S.P. requirements and be served by WTU.

Increase Your Resale Value

If you decide to sell your E.S.P. Home in the future, you can expect a higher resale value because your home is E.S.P.-qualified. That means lower energy bills to any prospective home buyer.

CARDS OF THANKS

The family of H.T. (Skinny) Yeates would like to say thank you to all of his friends, neighbors and relatives who sent flowers, food, cards and memorials.

We would also like to thank Bro. C.L. Atkinson for the comforting words and to the ladies of Dickens who served such a nice dinner to his family.

Thank you to all who have been so good in watching over him these last few years.

May the Lord bless each of you.

B.F. Yeates and family

 Belle Hinson and family
 Hortense Goodwin and family
 Eudelle Hughes and family

We would like to say thanks and how much we appreciated the cards and phone calls while R.A. was in the hospital.

We want Gale and Lindy to know how much we appreciated them being there when Ruth was sick and needed to go to the Dr.

We also want to say thanks for the food that was brought to us after R.A.'s return home and while Ruth was sick.

May God bless each one of you.

R.A. and Ruth Stafford

STATEMENT OF NONDISCRIMINATION

Cap Rock Telephone Company, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.
