Roughriders Fall To Muleshoe Mules

Mr. and Mrs. Lee R. Pool returned their grandson, Ronny, to his mother, Cynthia Blevins, in Houston last week.

Eddie Howard, son of Mr. and Mrs. E.G. Howard, enrolled at Oklahoma State Tech at Okmulgee for the tri-semester. He is a 1971 graduate of Muleshoe High School and is majoring in auto mechanics.

Harold Campa is with his grandparents, Mr. and Mrs. R.J. Parker for two weeks before returning to a San Antonio hospital to recuperate from injuries received in an automobile accident recently. He was stationed with the U.S. Army at Ft. Riley, Kansas.

In a non-district contest held Friday night in Muleshoe, the Mules beat the Boys Ranch Roughriders 40-21.

After the first quarter, the score was tied 7-7, Bobby Hayes scored for the Mules and Don Heathington kicked the point after. Walter Reese threw to Aubrey Ellington for a 29 yard Roughrider score and Walter Nogies kicked the point after.

In the second quarter, Muleshoe pulled away when Donnie Wheat scored on five-yard and 21-yard runs. Heathington kicked one of the two points after.

In the same quarter, Roughrider James Bowers scored from the one-yard stripe. Nogies kick attempt was no good.

In the third period, Hayes scored from the one after Mark Long recovered a Boys Ranch fumble on the Roughriders' 20 yard line. Heating kicked the PAT.

Hayes stuck again in the same period with a 75-yard touchdown run but the point after failed.

In the final quarter, Dennis Parker scored from 13 yards out

for the Mules. Heathington kicked the PAT.

With 1:51 left in the game, Lane Altenbeamer scored the last Roughrider touchdown on a two-point conversion.

During the half-time activities, Marilyn Pool, a 17 year old senior, was chosen Homecoming Queen for 1971. Attending her were Jolene Rempe and Debbie Parks. Escorts were Ricky Black, Donnie Wheat and Don Heathington.

Record Breaking Corn Crop Is Indicated

"If yields on the 49 variety corn demonstration on the Walter B. Little farm is any indication, this year's area corn crop will break all records", reported Bailey County Agent J.K. Adams.

Harvey Walker of the Foundation Seed Section, Texas A&M University, furnished the seed and came to Bailey County early in the week to work with the county agent in completely hand harvesting the crop. Yields were adjusted to marketable moisture level of 22 per cent.

All hands were amazed to learn that the lowest yield of the 49 varieties exceeded 135 bushels per acre and the top ten varieties exceeded 200 bushels per acre.

HOMECOMING QUEEN . . . Marilyn Pool, 17 year old daughter of Mr. and Mrs. Myron Pool III, was named Homecoming Queen for 1971 during halftime activities at the game with Boys Ranch Friday night. She is escorted by Ricky Black, Attendants were Debbie and Donnie Wheat and Jolene Rempe and Don Heathington.

Horn Of Plenty Forecast For Crops

Fire Prevention Week Begins

Fire Prevention Week begins today and runs through October 9.

Owen Jones, fire marshal, submitted several facts about fires which appears elsewhere in this edition.

Jones said the fire department is made up of 34 volunteers. The department has five pieces of equipment including two pumpers and two trucks normally used to fight grass fires.

Crane Hunt To Start Oct. 30

Nimrods from all over will converge on Muleshoe for the ninth annual Sandhill Crane Hunt on consecutive week-ends beginning Oct. 30 and ending the weekend of Nov. 14.

More than 100,000 cranes are expected to begin migrating into the area within the next few days so there will be enough of the long-legged birds to go around.

Chairman of the hunt this year for the annual Jaycee hunt is Doyce Turner.

Cranes are expected to begin arriving in mass from their summer home above the Arctic Circle about Oct. 15 in plenty of time for the big hunt.

The hunt has received statewide publicity so the entries are apt to soar.

The Jaycees have arranged for land near the Muleshoe National Wildlife Refuge, one of the oldest refuges in the state.

The Muleshoe cranes represent one of the largest concentrations of this species in the United States.

Entry fees are \$5 a day; \$7.50 for a weekend; and \$15 for the three weekends. The hunter who bags the largest bird during the hunt will receive a Browning 12-gauge automatic shotgun.

Jaycees will provide directions and guides to the hunting areas. Shells and licenses will be available and aides will leave the Dinner Bell Restaurant, 2101 West American Blvd., hunt headquarters, an hour and a half before sunrise each day of the hunt.

There will also be a turkey shoot during the day while the cranes are in the field feeding.

Bailey County crops are turning out well this year in spite of short acreage and adverse weather conditions, according to County Agent J.K. Adams.

Cotton, corn, tomatoes and grain sorghum promise a horn of plenty as the area moves into harvest time.

Tomato harvest is under way and some difficulty is being experienced in getting labor. "Labor has been short all year," Mrs. Ernest Locker, wife of a Muleshoe tomato producer explained.

She said the tomatoes are being sold by the ton and the market is about like last year. Mrs. Locker said about 500 acres were started around the community but some acreage was lost to inclement weather.

Locker planted 200 acres and saved 160. Adams said about 50,000 bales --- same as last year --- is expected to be gathered in cotton harvest which already is slowly getting under way. Two bales have been ginned in the county so far.

He explained that his forecast is dependent on a killing freeze not coming before late October.

Adams is happy over the cotton prospects. He noted that farmers are expecting about the same harvest---under ideal conditions--- this year as last in spite of the fact that 65,000 acres were gathered last year compared to only 40,000 acres in cotton this year.

Adams said the short crop is due largely to dry weather conditions last spring. "We didn't get to plant enough this year," he asserted. "A lot of our dryland just didn't get planted."

Adams has his fingers crossed. "We've had an early freeze the last three years," he said. Killing freeze here last year came Oct. 8. If this should happen again this year it would appreciably cut the crop.

Rains came at a good time for the grain sorghum crop. Some dryland and considerable irrigated acreage is expected to make bumper yields this year.

Adams said several farms will make 8,000 pounds of grain per acre. Bailey County also is experiencing a bumper corn crop with yields up to 8,000 pounds.

As to the prices, "Well there's a lot of feed grain in the U.S.," he declared.

Adams said the cotton market is strong. "That's why we are growing all of it we can," he declared.

Bruce P. Kuemmel To Speak At TSTA

Bruce P. Kuemmel, representative of Texas State Teachers Association, will be principal speaker at a meeting of the Muleshoe unit of TSTA at 7:30 p.m., Oct. 12 in Muleshoe High School Cafeteria.

Kuemmel will discuss "Leadership Development and Self-Improvement."

Kuemmel is a field representative of TSTA. He has been an active participant in professional organizational work both at the TSTA district and local levels.

He served at the district level as an officer and legislative committee chairman. On the local association level he has been president for two terms and has held several chairmanships of standing committees.

He joined the TSTA staff in 1968. Prior to that time he was a class room teacher and coordinator of federal programs for a local school district in San Antonio.

District Rotary Governor Visits

Dr. T. Paige Carruth, district Rotary governor, was principal speaker Tuesday at a meeting of the Muleshoe Rotary Club.

Dr. Carruth is vice president for student affairs of West Texas State University.

A pilot, Dr. Carruth flies in his own airplane to Rotary engagements. President of Muleshoe Rotary Club is Troy Atkinson. Mister Rotarian last week was Gene Sisemore.

Commissioners Court Meets

Bailey County commissioners Friday took no action a request for tax exemption by the Veterans of Foreign Wars pending a conference with County Attorney Roger Garrell and a possible ruling by the attorney general.

The court generally viewed the request with a jaundiced eye but County Judge Glen N. Williams said the county probably would be legally required to grant it.

One commissioner took exception because he said the organization essentially operates a commercial undertaking.

Judge Williams said validity of the request hinges on whether the VFW is operating its facility with an eye to making a profit.

The court heard a request from a delegation of farmers that a pickup and travel expenses be supplied the county agricultural agent.

The delegation was headed by Billy Gunter, Lubbock, district extension agent.

Gunter told the court that the county would be in better position to hire a suitable county agent.

Robert Hooten Announces Workshop

Local Ford-Lincoln-Mercury dealer, ROBERT HOOTEN, Area Director of the Texas Automobile Dealers Association, announced today that the Johnson House in Lubbock will be the site of a one day study program to be held on October 12. The theme of the workshop will be "Laws, Legislation, and Legalities." Several other prominent new car dealers plan to attend along with their key personnel.

"Dealers will learn first hand their responsibilities under the state's consumer automobile law in this the first of a series of statewide workshops sponsored by the Texas Automobile Dealers Association," said HOOTEN.

He said the workshops would Cont'n on Page 3, Col. 3

Health Center To Open In Plainview

The Mental Health and Mental Retardation Center at Plainview received a federal staff grant August 1, 1971, which allowed them to employ additional personnel and begin inpatient care the following day.

Another grant for the treatment of drug abuse among juveniles, has recently been approved by the Criminal Justice Council. It is expected that these grants will enable the center to open and put in operation approximately 25 new rooms and beds that heretofore had not been open for public use. These are major progressive steps that will enable the center to render additional services to the people of our area.

The Mental Health and Retardation Center is operating in conjunction with the General Hospital in Plainview. It serves a nine (9) county area, composed of Hale, Swisher, Briscoe, Floyd, Lamb, Motley, Castro, Parmer and Bailey Counties.

Its basic purpose is to provide psychological and psychiatric treatments and services in whatever way those services are needed to all people, children or adults; such services include mental retardation, mental health, alcoholism, emotional instability, child guidance, and marriage counseling. A psychologist and a psy-

chiatrist is on duty at all times, and other professional personnel are available.

The drug abuse program is to be a pilot program for the State. At the out-set it will be confined to the nine (9) county area, but once it is underway it will be expanded to serve the entire region. Also, it is expected that an official center for the treatment of alcoholics will be established soon. This Cont'n on Page 3, Col. 1

Morris Nowlin Notified On DAV Plates

Morris Nowlin, Bailey County veterans service officer, this week announced he has been notified that Disabled Veterans have been granted a 45-day extension in getting their 1972 DAV license plates.

This benefit was provided by the 62nd legislature for veterans with at least 70 percent service connected disability and receive compensation for such disability.

Nowlin said he was informed of the extension by the Texas Highway Department through the Veterans Affairs Commission.

D. Gumaer Speaks To SYLP Committee

David E. Gumaer, author and lecturer who has repeatedly infiltrated "New Left" organizations to expose communist involvement, spoke Tuesday evening, September 28, at the Support Your Local Police Committee meeting at the Muleshoe High School auditorium.

Master of ceremonies was Mrs. Gene Lowe, president of the organization. Following the invocation by V.L. Haggins, pastor of the Trinity Baptist Church, and the pledge of allegiance, Kenneth Heathington introduced the speaker.

Gumaer joined the subversion WEB DuBoise Club in 1965 and moved rapidly into direct contact with national leaders of the Communist Party, the Students for a Democratic Society, the Trotskyite Socialist Workers Party and the Young Socialist Alliance. He participated in marches, protest movements and demonstrations from coast to coast, often attending planning sessions with veteran revolutionaries fresh from training in Moscow, Prague, Havana and Hanoi.

During all of this activity, he worked as an undercover operative for police intelligence units and has also supplied evidence of communist involvement in the youth movement to the FBI and to committees in both houses of congress.

His talk centered on the communist threat to the U.S., by dividing the people, mob violence and revolution.

He stated that most people do not believe the communists to be a serious threat.

J. Edgar Hoover has worked for years to expose communists and the communist revolution that is now going on in the U.S.

The speaker stated that the communists are behind street revolutions and college revolutions and college professors are frequently communists. Gumaer explained that the communists started the college revolution in the United States at Berkeley, Calif. in 1964.

Many professors at Berkeley are working through the young people to further their movement. Riots, drugs and alcohol are the chief tools of the movement.

The speaker pointed out that young communists agitators are allowed to travel at will in the United States. He asked why they aren't stopped by the government.

Gumaer further explained that the badge of honor for the communists is to be as filthy and to marshall citizen support dirty in appearance as possible. The communists are not out their duties of protecting lives and property.

Following the speaker, Ray Precure offered the closing remarks. SYLP is a nation-wide network of local committees formed by citizens who believe we must return to traditional and necessary support of our law enforcement personnel, and to respect for due process of law.

Council To Consider Highway Parking

Muleshoe city council will consider a proposal from Texas State Highway Department to prohibit parking on highways inside Muleshoe city limits.

This will be discussed at a regular meeting of the council to be held at 8 a.m. Tuesday in city hall.

Jerry Hutton, Chamber of Commerce manager, said he does not know how such a ban would affect Muleshoe merchants.

"I know it will affect some but I would hate to be quoted on how much because I haven't discussed it with the merchants," he declared. Hutton Cont'd, on Page 3, Col. 6

United States because they are being protected.

The 'peace movement' is communist inspired and the peace symbol is the sign of anti-Christ and of Satan. Peace, to the communists, means the time when they control everything.

Following the speaker, Ray Precure offered the closing remarks.

SYLP is a nation-wide network of local committees formed by citizens who believe we must return to traditional and necessary support of our law enforcement personnel, and to respect for due process of law.

The Muleshoe SYLP committee is dedicated to the promotion of public understanding of law enforcement problems. And communists is to be as filthy and to marshall citizen support dirty in appearance as possible. The communists are not out their duties of protecting lives and property.

FIRST DOWN . . . Muleshoe Mule Dennis Parker, 40, carried the ball for a first down in the football game played Friday night at Benny Douglas Stadium against the Boys Ranch Roughriders. The Mules won the homecoming game 40-21 for their third win of the season. The Mules now have a record of three wins and one loss.

STATE CAPITAL Highlights AND Sidelights

By Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, TEX.--A big push is on from the top to bring about the drastic revision in the state's auto insurance system which is the subject of increasing criticism as rates go up nearly every year.

Gov. Preston Smith at the recent national governor's conference in San Juan, Puerto Rico, once more reaffirmed his support of competitive rates and "no-fault" insurance.

State Insurance Board Member Larry Teaver at the same conference announced a wide-ranging survey will get under way with a view to switching to competitive rates and "no-fault."

The survey will be financed with a \$175,000 appropriation to the Insurance Board for research purposes. Teaver said out-of-state specialists with no industry connections will be called on to advise the Board.

"I want the study approached from a consumer standpoint and not for the companies' benefit," Smith announced.

Under no-fault insurance, insured accident victims are compensated regardless of who was at fault. In stead of buying liability insurance to cover losses of others, a driver under the no-fault system buys coverage that pays for his loss in spite of who was at fault.

Pennsylvania Insurance Commissioner Herbert S. Denenberg told the nation's governors in their recent conference that the federal government will move to set up a national no-fault system if states don't act to create a reasonably uniform and adequate network of laws.

Massachusetts Gov. Francis W. Sargent claimed the plan saved motorists \$76 million in premium charges in his state this year.

American Trial Lawyers Association members oppose no-fault as reducing legal rights of accident victims to sue for fair recovery on all losses.

OIL ALLOWABLE DOWN AGAIN--For the sixth straight month, Texas Railroad Commission lowered the state's oil allowable.

October production maximum was set at 63.2 per cent of potential, compared with 65.1 per cent for this month. Maximum production for October is estimated at 3,131,217 barrels.

AG OPINIONS -- Attorney General Martin held the Texas Parks and Wildlife Department is without authority to prevent hunting in the bed of the Canadian River or any other stream.

In other recent opinions, Martin concluded: "Reciprocal or inter-insurance exchanges are exempt from the requirements of the new Texas Catastrophe Insurance Pool Act."

"The teacher retirement system is not governed by the position classification plan in granting a merit salary increase. The system is governed in paying insurance premiums for employees by Texas insurance code and may be subject to the presidential freeze order."

"Dallas Independent School District can negotiate a lease contract for a computer without competitive bids, the lease to terminate Aug. 31, 1972."

"Money appropriated to build a Parks and Wildlife Department office building at McKinney Falls State Park is payable out of the general revenue fund and special funds."

"A \$1 special fee on each delinquent tax receipt is applicable to the 1971 single-payment tax receipts issued for the period Feb. 1- June 30, 1972."

COURTS SPEAK -- State officials conceded the unconstitutionality of the state law requiring unmarried voters under 21 to register to vote only in hometowns of their parents.

A three-judge federal court knocked down major sections of Texas' vagrancy laws. Court of Criminal Appeals upheld the death penalty conviction of a man for killing a Baytown bus ticket agent. Same court reversed the sentence of a Houston law clerk accused of masterminding a \$13,000 stickup of a supermarket.

Court rejected the appeal of a man sentenced to 50 years imprisonment for killing the husband of his former girlfriend.

daily, a reduction of about 78,861 from the September top. Commission Chairman Byron Tunnell said Texas crude supplies total 102.9 million barrels, a decrease of about 5.4 million barrels from last year. Eleven of 15 major crude oil purchasers asked for the same allowable in October as in September. Three requested less and only one wanted more.

REDISTRICTING ROW RAGES -- Texas Supreme Court scheduled hearings this week (September 23) on a Dallas senator's petition that it order the State Legislative Redistricting Board to redistrict the House of Representatives.

The Court finally put in writing its earlier finding that the reapportionment is unconstitutional. Sen. Oscar Mauzy sued to force the constitutional, five-member Board to act on House redistricting.

The Board last week voted four-to-one to limit its work to Senate reapportionment, since no form of senatorial realignment was passed by the Legislature. Atty. Gen. Crawford C. Martin said the Board should await guidelines from the High Court on the House act.

Mauzy said if the Board does not do the job, a special legislative session will be required, or lawmakers would have to run statewide at large. October 23 is the Board's deadline for action. Legislative candidates must establish residency by November 7 for the 1972 elections. Mauzy wants the Court to order the Board to create single-member House districts in the metropolitan counties.

friend. APPOINTMENTS -- A seven-member research advisory panel headed by State Health Commissioner Dr. James E. Peavy has been formed to authorize experiments with narcotics and dangerous drugs with immunity from legal prosecution.

Governor Smith named T.A. Kincaid Jr. of Sutherland Springs and Don G. Brothers of Paducah to the Animal Health Commission.

The Governor reappointed Alvin H. Badger of Dallas to Texas Commission on Alcoholism. Lt. Gov. Ben Barnes named a three-member Senate committee to study tax revenue to fund education costs and a five-member workmen's compensation study panel.

State Board of Education November 13 will consider an interim appointment to fill the vacancy created by the resignation of Richard Kirkpatrick of Texas City.

TEACHER PAY SNAGGED--After a series of reverses, the Cost of Living Council finally concluded that a Texas school teacher to get a pay raise during the freeze period must have been at work before August 15 or have received recently an advanced college degree.

COLC first indicated that most teachers could get raises if their contracts were effective before August 15, then changed its position the same day.

SHORT SNOTS The first load of Texas citrus has been certified as mature. Quality of upcoming crop is seen as good, although it may not be so bountiful as last year's.

Air Control Board heard a suggestion that rules should be adopted against service stations mistakenly putting leaded gasoline in 1975 model cars equipped with anti-pollution device.

Alcoholic Beverage Commission warned licensed private clubs against operating as open saloons.

Texas will have a branch office in Mexico to promote its industry and tourism.

Forty-six newspapers have responded to the governor's appeal to help with a crime-stop program in their areas.

Texas National Guardsmen from Abilene, Austin, Beaumont, Merkel, Paris, Snyder, Sweetwater and Victoria leave this week for special training in West Germany.

Additional regional public health departments have been authorized in El Paso and Corpus Christi.

State Liquor taxes during the fiscal year which ended August 31 jumped 23 per cent over 1970 to a record total of \$72.3 million.

Rep. Clayton Named Deligate

AUSTIN (Sp) -- State Representative Bill Clayton of Springlake has been named by Texas House Speaker Gus F. Mutscher as a delegate to a national symposium on animal waste management Sept. 28-30 in Warrenton, Virginia.

The symposium is co-sponsored by The Council of State Governments, the United States Department of Agriculture, the Environmental Protection Agency and the National Association of State Universities and Land Grant Colleges.

"The symposium," said Mutscher, "will concern itself with the problems livestock and poultry producers are facing with the advent of new laws and regulations relating to animal waste abatement."

In addition to Clayton, Mutscher also named Rep. Steve Burgess of Nacogdoches and Rep. George Baker of Fort Stockton as conference delegates.

During the 61st legislative session (1969), Clayton served as chairman of the House Committee on Livestock. In 1971, he chaired the 62nd Session's House Committee on Counties.

Commissioners. . . Adams has been county agent here since 1945. He draws \$619.92 a year travel expense.

The court paid a \$105 gasoline bill—some of it five years old--to Jake Burkett for gasoline used in the Maple fire truck.

Commissioners discussed an ambulance subsidy of \$350 a month to Singleton-Ellis Funeral Home. The payments began on a temporary basis last May.

Bids for county gasoline and other fuels also were opened.

Salaries for the personnel to staff this office will be paid by the State, as all the long distance telephone calls. The office, office equipment and utilities are to be paid for locally. These expenses have been underwritten by the Commissioners' Court, and the office is expected to open October 4th.

Following a presentation of the program to the City Council by County Judge Glen Williams, Tuesday, September 21st, the City Council enthusiastically endorsed it, and agreed to participate with the County in supporting the out-reach center.

It is thought that Muleshoe is fortunate to obtain this office, and that it's potential for rendering service to this area is unlimited.

Center. . . also will render a valuable service to this area.

The counties of the area contribute to the support of the center, Bailey County's contribution being \$100.00 per month. A trustee from each county, together with a hospital board appointed by the County Judge serves to direct the center's activities and formulate their programs.

An out-reach program center is being established in Muleshoe to provide referral and testing services to the people of Bailey County and the Muleshoe area --- mental retardation, mental illness, alcoholism, or other emotional problems, and without regard to the age, national origin, or status in life of the persons in need.

Center. . . also will render a valuable service to this area.

The counties of the area contribute to the support of the center, Bailey County's contribution being \$100.00 per month. A trustee from each county, together with a hospital board appointed by the County Judge serves to direct the center's activities and formulate their programs.

An out-reach program center is being established in Muleshoe to provide referral and testing services to the people of Bailey County and the Muleshoe area --- mental retardation, mental illness, alcoholism, or other emotional problems, and without regard to the age, national origin, or status in life of the persons in need.

Salaries for the personnel to staff this office will be paid by the State, as all the long distance telephone calls. The office, office equipment and utilities are to be paid for locally. These expenses have been underwritten by the Commissioners' Court, and the office is expected to open October 4th.

Following a presentation of the program to the City Council by County Judge Glen Williams, Tuesday, September 21st, the City Council enthusiastically endorsed it, and agreed to participate with the County in supporting the out-reach center.

It is thought that Muleshoe is fortunate to obtain this office, and that it's potential for rendering service to this area is unlimited.

nore the fact that nearly all clothing will burn. The result? About 200,000 deaths and injuries yearly from clothing fires, with the very young and the elderly the chief victims.

First defense is to choose sturdy, tightly-woven fabrics and close-fitted garments which ignite and burn less readily than lighter fabrics and clothes with long, drooping sleeves or full, billowing skirts. Equally important is to watch out for flames, sparks, open fires and the intense heat of electric coils—all clothing fire-starters.

Train children to keep a safe distance from fire-starters. Choose their clothes and those for the elderly in your family with care. Remember, clothing burns. Buy and wear it with this in mind.

COULD YOU ESCAPE? Without taking time to think it over, could you name two ways out of each room in your house, especially bedrooms?

If not, start pre-planning for emergency escape in case of fire by working out an alternate exit from every room, such as a window leading onto a porch roof or directly above shrubbery which would break a fall.

Because most home fires break out at night, it's essential to hold back fire by sleeping with bedroom doors closed, to pre-arrange a signal which will arouse and alert the household, and to have a well-rehearsed escape plan. Teach everyone to test for heat outside his bedroom by feeling the upper part of his closed door — if the door seems hot, keep it closed, sound the alert, and immediately use a pre-planned alternate exit.

Arrange for help in escaping for young children and aged or infirm persons. Decide on an outside meeting place where everyone will go for a "head count." Plan to call the fire department from a neighbor's home or an alarm box — not from your own telephone if your house is on fire.

Finally, impress upon the everyone, especially the children, the need to strictly obey the rule "Once Out, Stay Out!" No toy or treasure and not even the family pet is worth risking a human life in its rescue.

Thornkike, Maine—Approximately 1,000 school children here are to participate in a "radical" educational experiment—the four-day school week. Children like the idea, parents are wary and educators wonder if it will work. Savings are estimated to be considerable.

Where's The Fire?

On September 19, they were called to 1905 West Avenue E for a fire in a bathroom wall. This apparently caught from a wall heater in the bathroom. Firemen removed a small section of the wall and held damage to the one room. There was no fire outside the wall and no estimate was available on the amount of damage.

Rebekah Lodge Celebrates 25th Anniversary With Tea

CHARTER MEMBERS . . . Pictured are the charter members of Rebekah and Oddfellow Lodges as they were presented Tuesday evening. Left to right are Wendy Young, charter member of the Oddfellow Lodge and Frank Snyder, Mrs. Frank Snyder, Velma Howell, Mrs. L.A. Green and Mrs. Albert Davis, charter members of the Rebekah Lodge. The Lodge hosted a silver tea Tuesday night to commemorate the 25th anniversary of the Muleshoe Rebekah Lodge.

The Muleshoe Rebekah Lodge Number 114 and Oddfellow Lodge Number 58 met in the Oddfellow Hall Tuesday night, September 28, to celebrate the 25th anniversary of the Rebekah Lodge in Muleshoe.

There were 26 Oddfellows and Rebekahs present from Muleshoe. Also attending were five Rebekahs from Morton Lodge Number 39, Juanice Cook, Lorean Crockett, Mildred Akin, Dorothy Enos and Carrie Scott, and an Oddfellow from Littlefield, Wendel Young. Other guests present were Harold Maxwell and son Kenneth, Tommy Green and Albert Davis.

The flag was presented by Ona Berry, escorted by Jerrell Otwell and Frank Snyder. The pledge of allegiance was given and Cecil Atchley gave the invocation. Lusky Green gave the welcome and the response was by Juanice Cook.

The charter members of the lodges were presented by Juanita Snow and Juanita Busby pinned a carnation on each. Charter members present were Fern Davis, Ruby Green, Velma

Howell, Allie Snyder, Frank Snyder of the Rebekah Lodge and Wendel Young of the Oddfellow lodge.

A history of the Oddfellow Lodge Number 58 was given by Cecil Atchley. He reported that the lodge was instituted with eight members and grew to 40 members the first year. Their peak membership was 140, and present membership is 80.

Ruby Green gave the history of the Rebekah Lodge which started with about 25 members and enlarged to 44 members the first year. Their peak was about 120 members and have a membership of 50 at the present time.

Each speaker gave highlights of the years, the last being the addition of a large kitchen which was made debt free this past week.

Vernice Snyder reminded the

Square Thru News

This time of year when the harvest is in full swing, weather permitting, people are making plans to go to the fair, kids have discovered in local variety stores the Halloween masks and trick-or-treat goodies, its not unusual that we want to get together and have a good time. That was the case Monday night when a large crowd gathered to do-si-do and promenade to the Muleshoe Square Thru's caller, Ed Gunnels of Clovis.

He called some good hash and fast singing calls. If you have never heard a square dance caller, we would like to invite you out to our square dances and hear for yourself who the Square Thru's consider to be the best. Eddie instructed lessons to get the square dance club reorganized in 1969 and it has grown to be a favorite family pastime for several couples here in Muleshoe.

The club is wanting to give another set of lessons for ADULT COUPLES so if you and your husband or wife are interested talk with some of the Muleshoe Square Thrus and let them know, so these plans can be finalized. The Square dancers are not required to visit the other clubs in area towns. The visiting between square dance clubs is done because some of the square dancers enjoy it and they don't want to take off their boots and pretty dresses between regular dances of their own club. The Muleshoe Square Thru's dance on the 2nd, and 4th, Monday nights and dance with another club. This spreads the friendship of all square dancers in our area.

The Square Thru's rolled out the red carpet to welcome a new couple to our club. We welcomed Mr. and Mrs. Lowell Joyce Puckett, Johnie Mc, and Boozier of the Hub community

to the Muleshoe Square Thru's. Other guests at the dance Monday night included Mr. and Mrs. Leon Harvey, Mr. and Mrs. Leon Tiffin, and Mr. and Mrs. Daryle Stephens and Mr. and Mrs. Leon Garner all from the Y-Squares club of Clovis. Hosting Monday nights dance were Mr. and Mrs. Eugene Shaw and Mr. and Mrs. Joe Odom. Delicious refreshments of coffee, punch and cookies were served to the following members: Ed Gunnels and daughter Elaine of Clovis, the Ike Wilcox's, Jack Dunhams, Jimmy Presleys, Carl Ellingtons, Bob Copelands, Robert Hunts, Ronnie Scott and Joyce Puckett. Door prizes were won by Mrs. Bobbie Stephens and Mrs. Betty Garner both of Clovis. This was the largest crowd that we have had in a while, and it sure seemed lively with square dance smiles in every one of the three squares on the floor.

The Cannon AFB Swingin Wings were invaded by a group of the Square Thrus on Sept. 17. The Jimmy - Presleys, Curby Brantleys, Ronnie Scott and Miss Sharla Graham of Clovis

brought the banner home to Muleshoe. The Swingin Wings haven't found their banner yet so they won't have to be visiting to retrieve it. Wonder if they just hid it out????

Mr. and Mrs. Bert Presley of Vernon visited with the Jimmy Presleys last week. They canned what they could find between rain showers and then visited the Y-Squares club of Clovis on Sept. 24 with Jimmy and Laura Jean. We're happy to have them visiting here and I guess they wished the Jimmy Presleys a happy wedding anniversary, Sept. 27, before they returned home to Vernon.

Our sincere sympathy to Mrs. Eddie Gunnels on the passing away of her grandfather.

The Square Thrus are making plans for their Oct. 23 Halloween Special with more to be announced in the next few weeks. Better be working on costumes, as I think there will be several ghosts and witches here for the dance and a real good caller, Cliff Smith of Littlefield doing the calling.

That's all for now. See you next week.

WORTHY ADVISOR . . . Tracy Cowan, daughter of Mr. and Mrs. Harold Cowan, will be installed as Worthy Advisor of the Muleshoe Rainbow Assembly Number 161 at an open installation Saturday night, October 9, at 7 p.m. in Masonic Hall. Miss Cowan is a junior student at Muleshoe High School and succeeds Debbie Kerr as Worthy Advisor.

Miss Nedra Woodard Honored At Shower

Miss Nedra Woodard, bride elect of Bob Copeland Jr., was honored at a bridal shower in the Muleshoe State Bank, August 28, from 3:30 till 5:30 p.m. Receiving the guests were the honoree, Mrs. W.C. Woodard, mother of the honoree, and Mrs. Robert Copeland, mother of the prospective groom.

The serving table was laid with lace over nylon featuring the brides chosen colors of blue and white. The center piece was an arrangement of blue and white carnations with white candles. Pineapple punch and a white cake trimmed with blue icing shaped in bows, were served. Serving the guests were the honoree's sisters, Judy and Donna Woodard.

The hostess gift was an avocado cookware set. Hosting the

occasion were Mrs. Cliff Griffiths, Mrs. Hazel Cunningham, Mrs. S.M. Ethridge, Mrs. H.A. Douglass, Mrs. Rowland McCormick, Mrs. E.M. One of the favorite pastimes for approximately 97% of Americans today is snacking. Snacks should augment the total daily food intake so what you eat is important. Fresh vegetables, fruit, and cheese are good, and for something unique try deep-fried liver strips. Liver is an especially important source of all nutrients except calcium.

National 4-H Week Will Be October 3-9

COLLEGE STATION.—Some 78,000 4-H boys and girls throughout the state will be "doing their thing" during the week of October 3-9 to promote 4-H, the national youth organization for action-oriented youngsters.

Theme of this year's National 4-H Club Week as well as the theme used throughout 1971 is "4-H Bridges the Gap."

"The theme will have a special meaning to 4-H'ers during that week since they are learning to bridge many gaps as they strive to make a better world for tomorrow," points our Dr. Don Stormer, state 4-H Club leader. "As these youngsters attempt to find their own special place in our world, they are confronted with many gaps of uncertainty."

Says Stormer, "Young people, through 4-H, are learning to bridge some gaps by creating roads of unity through cooperative efforts. They can reach others, understand and accept others, appreciate others and learn from them. Thus, through courage and dedication, they can become stronger, more conscientious citizens."

In his 1971 4-H message, President Richard Nixon pointed to the fact that 4-H'ers were developing their skills through real life experiences. He said,

"Four-H members are proving how effectively youth can meet the challenges of the Seventies, and they are setting an example throughout this Nation and the world."

Some of the areas in which 4-H'ers are now active, learning to bridge existing gaps, include environment, nutrition, health, specialty groups, community betterment, management, careers and international programs.

"Four-H has something to offer for every boy and girl between the ages of 9 and 19," adds Stormer. "It serves youth of all cultural, social and economic backgrounds and allows them to get a real grasp on many of the exciting things that this life has to offer."

National 4-H Club Week is set aside each year to promote 4-H and to recognize those 4-H'ers and adult leaders who are dedicating their efforts to worthwhile 4-H experiences. The week is also devoted to recruiting prospective 4-H members through various programs and activities.

"If you're interested in finding out more about 4-H where the action really begins, contact your local county Extension Service agent," adds Stormer.

BOOMING BARGAINS BEING PLANNED . . . The Epsilon Chi chapter of Epsilon Sigma Alpha sorority will be having a huge rummage sale October 29, 30 and 31 with all proceeds going to furnish and equip the new Muleshoe Area Public Library. The sale will be held on three days from 9 to 5 at the old Poyner's building on Main Street. Shown planning the event are (left to right) ESA members, Mrs. Gene McGuire, Mrs. Corky Green, Mrs. Jerry Harrison and Mrs. Dick Chitwood. Anyone wishing to contribute either sale items or their time should contact any ESA member.

Ben Harmon was named Pee Wee Boy; Keva Roming was Pee Wee Girl and is shown with the pumpkin she entered; Mike Pool was Junior Boy and showed gladiolas; Connie Floyd was Senior Girl and is shown with the tomatoes she entered; Alta Ramm was Junior Girl and is showing white corn; and Benny Floyd Senior Boy is shown with cucumbers.

Pools Return From Houston

Mr. and Mrs. Lee R. Pool returned from a week in Houston where they returned their grandson, Ronny, to his mother, Cynthia Blevins, and attended several courtesies honoring their daughter, Sylvia, preceding her marriage to Andy Horne Saturday, September 25, in Houston. Included was a luncheon honoring Mrs. Pool and Sylvia given by Mrs. Art Shelton, sister of the groom. Mr. and Mrs. Pool and Sylvia were entertained in the home of Mrs. Henry Crowell Horne, mother of the groom, following the rehearsal Friday with a reception for the wedding party, out of town guests, family and close friends of the couple.

While in Houston, the Pools celebrated their 38th wedding anniversary with a family dinner at Farrells.

"What question?"
"Well, sir, the sergeant said 'What do you think I am' and I told him."

ENGAGEMENT ANNOUNCED . . . Mr. and Mrs. James Burton of 213 Wellow Wood, Levelland, Texas, announce the engagement and approaching marriage of their daughter, Carolyn Sue, to Sp. 5 Robert S. Seagroves, son of Mr. and Mrs. Stanley Seagroves of Muleshoe. The couple plan a November 27 wedding at Morning-side Baptist Church in Levelland.

Jaycee-Ettes Make Sitting Hen Plans

Muleshoe Jaycee-ettes met Monday, September 27 at the Muleshoe State Bank with Mrs. Duane Seay as hostess.

Plans were discussed for the Muleshoe Library Drive to be conducted at the downtown business. Further plans were made for the Sitting Hen Meeting to be hosted by the Muleshoe Chapter, October 25. Area chapters will visit the Muleshoe Chapter and a travel trophy will be given to the club traveling the farthest.

The next money making project will be selling Christmas candles. Mrs. Ronnie Spies is in charge of this project.

Members attending were Charlotte Seay, Sandy Peterson, Rita Hawkins, Gayle Hawkins, Jo Gene Blackwell, and Mary Dale. One new member, Vicki Tomison, attended.

Mrs. Johnnie Wheeler spent the past week attending the New Mexico State Fair at Albuquerque.

AN EXCITING SANDWICH--- Dress up the old favorite peanut butter sandwich, suggests an Extension consumer marketing specialist. Try adding crispy bacon, apple or banana slices, or marmalade or preserves.

American teen-agers love snacks -- in fact studies reveal that 90% of the about 12 million teen-age girls say they eat snacks at least once a day; half say they eat snacks two or more times a day. Their favorites are cookies, fruit, potato chips, soft drinks, ice cream, and candy. Unfortunately, some of these snacks don't provide much nutritional value. They are commonly called "empty calorie foods." A person would have to walk a mile to use up the calories taken in drinking one cola beverage. Maybe that proves we should encourage our teens to snack on nutritional foods such as fruit which is a good source of necessary vitamins and minerals as well as calories.

New Home Economics Program Initiated

Sophomore Players Spotlited

Sophomore football players David Wheat, Don Long and Ronnie Parker have contributed greatly to the success of the Mighty Mules this season. Congratulations to these Sophomores and to Billy Williams, a Junior who has moved up to the Varsity team.

DAVID WHEAT
David Wheat is a Sophomore at MHS and is a left halfback for the Mules. He is the son of Mr. and Mrs. Dwain Wheat of 308 East Avenue D. He is a very active participant in athletics and enjoys fishing and swimming. The Wheat's attend the Church of God.

When asked to comment, David said, "I think this year's team is one of the best Muleshoe has had in a long time. Our team has a lot of physical ability and we are very capable of winning."

Juniors Have First Meeting

Juniors held their first class meeting of the year on September 16, 1971. President David Harris called the meeting to order. The first business taken up was class dues. These are expected to be paid by the end of the first six weeks. They are \$2.00.

A committee was appointed for selling mums at the home football games. These people are really going to push the mum sale. Contact Tami Murrach, Audree Winn, or Benny Cousatte to purchase mums.

The Jeanie C. Riley Show was then discussed. This is being sponsored by BAC and they have offered to give 25 percent of the proceeds to the Junior Class fund. There will be two performances on November 8 and Juniors will be selling advance tickets. Committees were chosen for selling tickets, publicity and concessions.

FFA Chapter To Meet, Plan Events

The Muleshoe Chapter of Future Farmers of America will have a meeting October 4, 1971. Distribution of the FFA calendar to local business firms during October will be discussed. People should be looking forward to the citrus fruit sales this year because in addition to oranges and grapefruit, apples will also be sold. Sales will not begin until the first of November. A party is being planned for October.

BILLY DON WILLIAMS
Billy Don "Duck" Williams is the son of Mr. and Mrs. Billy F. Williams and is a Junior in MHS. He is the corner man on the team. Billy Don lists his interests, other than football, as FFA and chess. When asked to comment he had this to say, "I believe that we will have a great season. We are all physically stronger and more capable of winning." Billy Don attends the Assembly of God Church.

RONNIE PARKER
Ronnie Parker is a Sophomore and is the son of Mr. and Mrs. Frank Parker who reside at 817 West Third Street. The Parkers attend Trinity Baptist Church.

Ronnie's activities include Thespians, FTA, and football. He is left halfback for the Mules. Ronnie was enthusiastic in his comment, "I think we have a good team because we work hard and we have the ability."

Junior Varsity Defeats Sudan

The Muleshoe Junior Varsity defeated the Sudan J.V. in Muleshoe Thursday, September 23, from five yards out to give the Mules a 6-0 lead. After an intercepted pass by Terry Hodge, Fred Locker kept the ball on an option from the opponents fifteen, and the Mules led 12-0 at half time. The Sudan Hornets scored in the third quarter and Loy Dominguez added the point after to ice the victory for the Mules.

Rosebud Chapter Sells Cookbooks

The FHA Rosebud Chapter of Muleshoe High School is selling cookbooks. The cookbooks will be on sale for two weeks. If you know any of the Freshmen FHA members, call them for information or contact Mrs. Wand Gramling. The cookbooks are \$3.50 each. There is a wide variety of cookbooks including "Holiday Favorites," "Our Favorite Desserts," "Quick and Easy Dishes," "Our Favorite Salads," "Our Favorite Vegetables," "Our Favorite Casseroles," "Our Favorite Meats," "Foreign Foods," "Ground Beef and Outdoor Cooking," and "Favorite Recipes of Home Economics Teachers." For every book the girls sell, they will receive a given number of points for later on in the year. Buy a cookbook from our FHA girls. Be proud to be a part.

School Pictures

School day pictures will be taken Tuesday, October 5, beginning at 1:00 p.m. for all Muleshoe High School students.

DON LONG
Don Long, the son of Mr. and Mrs. C.H. Long, is a quarterback on the Mule team. The Longs reside at 302 Chicago Street.

In addition to his football duties, Don is Sophomore class president and lists his interests as all sports.

Don had this to comment when asked, "We've got some dedicated boys and good leadership and we're going to win." The Longs attend the First Baptist Church.

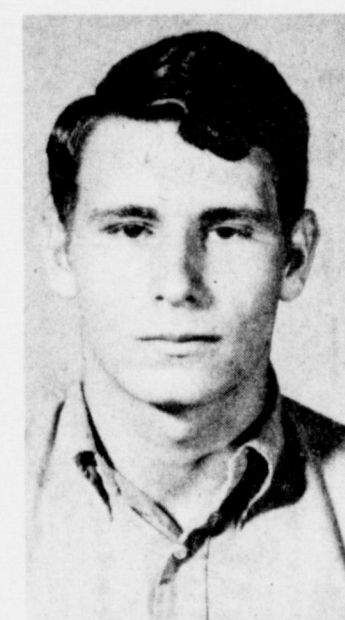

MHS Band Wins Second Place At Lubbock

The Mighty "M" Band went to the Panhandle South Plains Fair at Lubbock, Monday, October 27 and marched in the opening parade. They won second prize which was seventy five dollars in class three A.

Magazine sales are now in progress by the Junior and Senior high band students. These sales will last through the next two weeks. The businesses and individuals throughout Muleshoe will be contacted. The money out of this fund raising project will go into the travel fund for the annual Six Flags Festival trip. Help support the band by purchasing a magazine or a Muleshoe Journal subscription.

DON LONG

DONNIE WHEAT

Thespians Name Wheat And Long

This week Thespians are honoring Don Long, a sophomore at MHS. He is the son of Mr. and Mrs. C.H. Long. He has an older brother, Mark, a senior.

Don is president of the Sophomore class and is one of the "Mighty Mules". He is being honored because of his great ability during the Friona-Muleshoe game.

Honored the week of September 24 by Thespian Troupe 714 was Donnie Wheat, a senior at Muleshoe High School. Donnie is the varsity quarterback. He is being honored because of his fine job in the Muleshoe-Oilton game. Congratulations Donnie, and thank you for representing us so well.

Congratulations!

Homecoming Queen Candidates Announced

Candidates for the 1971 Football Homecoming were Debbie Parks, Marilyn Pool and Jolene Rempe.

For a bright and spirited game the four classes started out by competing with one another. Thursday night was a fiery beginning with the 1971 bon fire. After the pep rally-bonfire, all returned to school to finish up their halls.

The queen candidates and their escorts prepared for the exciting ceremony ahead of them by practicing with the band. Football players serving as escorts for the queen candidates were Don Heathington, Ricky Black and Donnie Wheat.

U.S. says most teachers will not get raises.

Next weeks "Mules Tale" will give a complete account of all the highlights of the 1971 Homecoming.

Student Council Has Spirit Week

The week of September 27-October 1 was designated as Spirit Week at MHS by the Student Council. One of the activities for the Homecoming week was the selling of "Mule Pride" spirit buttons by the Council. The students bought the buttons and wore them throughout the week, proclaiming their pride in our Mighty Mules.

The results of the Student Council Sponsored Spirit Contest for the week of September 20-24 were Juniors 1st with 47 points, Seniors 2nd with 44 points, Sophomores 3rd with 41 points, and Freshmen 4th with 26 points. The total points of each of the classes are:

- 1st Juniors - 119 points
- 2nd Juniors - 119 points
- 2nd Seniors - 111 points
- 3rd Sophomores - 106 points
- 4th Freshmen - 74 points

Freshman Class Has Meeting

On September 29, the Freshmen held a class meeting in the auditorium.

Mr. Mardis suggested that it become an annual project for the Freshmen class to be in charge of getting the wood, lighting the fire and cleaning up after the Annual Homecoming bonfire. It was readily agreed upon.

Roy Anzaldua was in charge of lighting the bonfire. Freshmen are becoming more involved in the high school activities.

Lubbock Fair Well Attended By Students

Approximately two hundred forty high school students plus 78 members of the Mighty M Marching band attended the South Plains Fair in Lubbock, Monday, September 24.

Dickie Hunter Takes Honors At Area Fairs

On September 8 during the Curry County Fair, Dickie Hunter made quite a sweep, taking three first places. Youth Western Pleasure, All Aged Geldings and Geldings foaled in 1968, Aged Stallions brought him a second and Senior Western Pleasure a third. Dickie also won Grand Champion Gelding.

Following the show in Clovis, Dickie went on for other wins on September 18, at Brownfield. For a first place win Dickie took the Youth Western Pleasure. Second place came for him in the Geldings foaled in 1968.

On September 20 and 21, Dickie went on for his third consecutive show at the Tri-State Fair in Amarillo. Dickie won first in Geldings foaled in 1968. Aged Stallions brought a second place to Dickie. Dickie also got Reserve Grand Champion Gelding. Congratulations to Dickie!

The program is under the direction of Mrs. Wanda Gramling, teacher-coordinator.

Powder Puff Game To Be Held Tuesday

Future Teachers annual Powder Puff football game will be held Tuesday, October 5, at 8:00 P.M. in Benny Douglass Stadium. Admission is 75 cents per person.

Freshmen and Senior girls will be pitted against the Sophomore and Junior girls. Future Teachers will be selling beat tags and corsages (for boys) on Monday and Tuesday. At half time of the game a mock football king crowning will be held.

Senior Class To Sponsor Chili Supper

The Seniors held their regular class meeting, Tuesday, September 28.

The first order of business was electing a reporter, parliamentarian and a student council representative. Elected reporter was Donna Woodard; parliamentarian is Debbie Parks; and Student Council representative is Lou Ann Cole. Next discussed was the senior supper to be held October 29 before the Tulla - Muleshoe game. A Chili Supper will be held. Senior mothers met Wednesday, September 29 and made plans for the preparation of the supper.

Following the regular class meeting, the Senior girls decided on drapes to be worn for school day pictures, which will be taken on October 5.

Chamber

Jerry Hutton
C of C
Manager

by Jerry Hutton

Next week will be a big week for us here at the Chamber office. Tuesday we will welcome the All-Texas Air Tour to Muleshoe. Last year was the first year the Air Tour had stopped in Muleshoe and evidently they were happy with their stop

here for we have been scheduled for this year's stop. Our plans go as this - we will have the Red Coats out at the Air Port to welcome them, and the Ladies Auxiliary, headed by Pat Keesee, will have fresh vegetables for them to munch on. Morris Nowlin is Chairman of the Muleshoe Pitching court and exhibition match between last year's Champion Doug Bales, and this year's Champion, Ed Neutzler. We feel that we will be giving the group an even bigger welcome this year than last, and Muleshoe may become a permanently scheduled stop for the All-Texas Air Tour. Also coming up next week

will be the Crime Prevention Course, co-sponsored by the Small Business Administration and the Chamber of Commerce. This course is primarily to help businesses stop shoplifting and avoid bad checks. All businesses and their employees are invited to the course. There will be two work-shops; one at 9:30 A.M. and the other at 2:00 P.M. Refreshments will be served and the course is offered free of charge.

Your Chamber is here to serve you, and we feel like that is what we're doing.

OBSERVE NATIONAL COOPERATIVE MONTH DURING OCTOBER

It's Only
Human...

to
Care

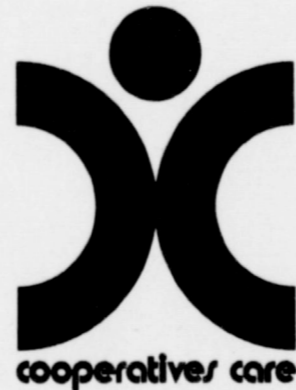

... about the well-being and future of family and friends, community and country.

Cooperatives are human—made up of people who, together, can do what one person cannot do alone.

There are big co-ops and little ones; marketing, purchasing and service co-ops. Co-ops that ship high-quality foodstuffs all over the world, co-ops that provide rural areas with electric power and telephone service, co-ops that furnish health care, credit, insurance, consumer goods and housing. All it takes to get a co-op going is a common need and a strong united determination to meet it.

Cooperatives look outward, too; they're involved in community development, improving the environment, broadening the base of opportunity for young and old...

... because cooperatives are human; they're people—who care.

The fifteenth annual meeting of Plains Cotton Growers, Inc. will be held September 28 from 9:30 a.m. to 12 noon at Vann's Catering Service, located seven miles southeast of Lubbock on the Slaton highway.

Organized in 1956 "to better the conditions under which High Plains cotton is grown and marketed," Lubbock-based PCG represents well over 20,000 cotton producers in 25 counties surrounding Lubbock. The area each year accounts for about half the cotton produced in Texas and over 15 percent of total U.S. production.

Featured speaker for the event will be Kenneth Frick, Washington Administrator of the Agricultural Stabilization and Conservation Service (ASCS), and PCG Executive Vice President Donald Johnson is inviting all cotton producers and cotton oriented businessmen to attend. "And that should include just about everybody," he said. "From the Washington office of ASCS come all of the cotton program rules and regulations that govern the day-to-day business of growing cotton for a livelihood," Johnson said, "and I think we can all profit from Mr. Frick's inside knowledge of top-level thinking as regards cotton's future."

Prior to accepting his present post in the U.S. Department of Agriculture, Frick was a sizable cotton farmer in California, "and he knows the business from every angle," Johnson added.

Another highlight of the morning program will be an all-cotton style show, staged by Kim Dawson of the Dallas Apparel Mart. Many in the Plains area have seen Dawson-produced style shows in the past and have been highly impressed. Models for the show will be from Texas Tech and will feature Miss Wedny Wooley, 1970 South Plains Maid of Cotton.

For the second year in succession the annual report of the President will be given by Donnell Echols of Lamesa. Echols was elected President of PCG in 1969, and under PCG by-laws is required to step down this year. Johnson, PCG's executive officer since 1965, will give the annual report on association activities. Valuable door prizes will be awarded at intervals throughout the meeting, climaxed by the awarding of a portable color television set as the grand prize.

Immediately following the membership meeting, at which newly-elected directors will be certified, the PCG Board will convene to elect officers for 1971-72. PCG has two directors elected from each of its 25 counties. There is no limitation on the number of terms a director can serve, but the by-laws specify that no officer can serve more than two years in the same office.

In addition to President

Echols, elective officers include Ray Joe Riley of Hart, Vice President, and Paul Bennett of Littlefield, Secretary-Treasurer. Don Anderson of Crosbyton, current Chairman of the Board, will be succeeded automatically by the retiring president, Echols. The other three offices will be filled at the Board meeting.

Cesar Chavez' quasi-labor union, the United Farm Workers Organizing Committee (UFWOC), continues the vicious use of secondary boycotts to force agriculturalists and agriculture-related businesses in California to knuckle under to unprecedented, incredible demands.

UFWOC's latest efforts were directed, successfully, at Heublein, Inc. and some 1700 grape growers associated with the company through the Allied Grape Growers of California. Heublein markets Italian Swiss Colony Wine and Smirnoff's Vodka. The national boycott of Heublein products has pressured Heublein into a contract with UFWOC which, among other things common to Chavez-style contracts, requires that the company (1) cannot mechanize any job without union approval, (2) must pay four full time union people to enforce the contract, (3) must pay the equivalent of one day's wages for each worker into a UFWOC political and legislative action fund each year, (4) must pay 10 cents per hour per worker into the Robert F. Kennedy Farm Workers Medical Fund and five cents an hour to the Farm Workers Fund, and (5) must pay a premium for union-harvested grapes.

That any employer would agree to such terms seems unbelievable to West Texas farmers. And it is stark testimony to the unbridled power being amassed by "Little Cesar".

"Unless this use of raw economic power for devious purposes can be stopped," says Donnell Echols of Lamesa, President of Plains Cotton Growers, Inc., "it is only a matter of time until West Texas farmers and all other farmers will be victimized in the same manner."

BONN & JETS

Defense Secretary Melvin Laird has announced that the United States has agreed to sell 175 Phantom jet fighters to West Germany. The sale involves approximately \$750-million and delivery is expected to start next year.

HJACKING TREATY

The Senate has ratified 53-0 a treaty binding the participating nations to establish severe penalties for hijacking of airplanes. It also provides that hijackers can be extradited without further legal basis and if not extradited the country in which the hijacker stays will prosecute him.

Exasperated
The harassed driver was busily engaged with a spade in the mud beside his car when a stranger hailed him.
"What's the matter... Stuck in the mud?" asked the stranger.
"No," replied the driver. "I just swore to myself that I'd bury the first fool that asked me that question... and this is your grave."

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm comes up with a new proposal this week.

It is now pretty well established, at least in the minds of newspaper and magazine columnists I've been reading, that the United States has lost a lot of its prestige around the world, so much so for example that Paris airlines last week began refusing to take U.S. dollars for plane tickets.

This has a lot of people worried, excusing me, as I don't ever remember waking up and wondering what my prestige was that day in the capitals of the world although I have a pretty good notion what it is across my neighbor's fence. I'll return his hoe just as soon as I find out which patch of weeds it is that has grown up around it.

None the less, a lot of leaders are saying we've got to do something about our world standing, we've got to restore our image as the world's most prosperous nation.

They couldn't be wrong. The thing for us to do is to go all out encouraging the notion we're hard up. Paint the picture black and bleak. Why just last night I read that the Chancellor of Austria, reviewing the balance of payments difficulties the United States is having, said the time has come for European nations to remember the generous help given them by the U.S. after World War II and repay part of their debt."

Dumas To Have Packing Plant

DUMAS ... American Beef Packers, Inc., has its sights set on starting construction of a 2,000 head daily capacity beef packing plant here in January.

Frank West, president of the packing firm headquartered in Omaha, Neb., said the plant could employ as many as 1-100 persons with a payroll of \$10 million, at full capacity operation.

The plant is to be located in the Schroeter industrial Park 13 miles north of Dumas.

West said he was not certain when the plant might be in operation, but hoped that it would be ready by January 1973. The Dumas facility will be the largest packing unit in operations of the American Beef Packers, Inc., organized in 1966.

Congressman Bob Price was on hand with other dignitaries for the announcement by West of plans for the plant.

Activation of the plant depends on granting by the Economic Development Agency of a loan that could amount to 65 per cent of the multi-million dollar cost of the facility.

I've forgotten how many billions of dollars we loaned them, but if we've now convinced them we're in such bad shape they ought to start repaying at least part of it, we're on the right track. Let's fan that fire from all directions. Tell our diplomats abroad to start wearing rumples suits and carrying their lunches in paper sacks. Have their wives dress in last year's clothes and run ads offering to do baby sitting. Have foreign visitors come by here to see the loose boards on my front porch and go on to Washington to examine the national debt. Get the power company to turn off the electricity in the U.S. Capitol and put out the word it was for failure to pay the bill. Then hit Europe up for a loan to get us back on our feet.

This is an opportunity too good to miss. Speaking of balance of payments, I don't quite understand it on the world level but I know what it is on the local level. It means fourteen more payments and that television set is yours.

Yours faithfully,
J. A.

Law Enforcement Agencies' Report

LASTING GOOD

One of the most important things to look forward to in Chiropractic Service is its "lasting good." This factor alone is sufficient proof that chiropractic deals

specifically with the direct cause of ill-health and sickness. It is sufficient to promote interest in anyone who is in bad health. One should consider chiropractic

upon the immediate onset of sickness, so that the nerve pressures are removed before organic and structural changes occur in weakened tissues.

The response is quicker and I find that the patients who complete the required chiropractic service continue to enjoy good health. It is the "lasting good" in our service that makes possible our comprehensive schedules.

All vital organs of the body function because of their nerve supply. This nerve supply often becomes corrupted when the spine becomes injured or any of its bones displaced. Such displacements may alter the nerve supply to the vital organs, upset their regularity of function and cause countless ailments.
